FORTY-FOURTH YEAR

ELDORADO, SCHLEICHER COUNTY, TEXAS, FRIDAY, FRIDAY, AUGUST 17, 1945

NUMBER 29

VICTORY ANNOUNCED ON TUESDAY

Schleicher County Residents Hold Union Praise Service

Schleicher County residents packed the First Baptist Church to capacity Tuesday night in a special V-J service of thanksgiving, and made the rafters ring with hymns of thanksgiving and praise.

Acting according to pre-arranged plans, which had been made well in advance, families from every direction out of Eldorado drove to this city to participate in the victory celebration by giving thanks for the end of hostilities. Seating capacity of the church was insufficient for the crowd, and chairs were brought in to take care of late comers.

The service was dignified. The congregation was quiet and reverent. To the worshippers gathered there, the occasion was too solemn for flag waving or cheering, too serious almost for tears.

Pastors in charge of the program were: Rev. Hays, pastor of the hostess church; Rev. Carriker, pastor of the Presbyterian Church, Rev. Miller, pastor of the Fundamental Baptist Church and Rev. Faust, of the Methodist Church. Mrs. Hays led the congregational singing, with Miss Frankie Thomson at the piano.

The Rev. Carriker opened the meeting and was program chairman for the evening. The Rev. G. I. Miller, pastor of the Fundamental Baptist Church, led in prayer and gave a talk on "The price we pay," comparing sacrifices made by soldiers with the supreme sacrifice made by Jesus. Rev. Hays, pastor of the First Baptist Church, led in prayer, song and responsive reading, all carrying out a message of thanksgiving. Rev. Faust, Methodist pastor, talked on "Our Responsibility for the Future," in which he paid tribute to the boys of Schleicher county who will not return, and to all in the armed forces with this pledge: "We honor them, we respect them, and with all the powers of our hearts we bestow upon them our affections." He stated that man cannot stop war with instruments of war but with instruments of peace, and must pay as heavy a price for peace as for war.

Rev. Carriker concluded the service with prayer for peace, the audience participating with a minute of silent prayer.

The church was beautifully decorated for the occasion with bowls and baskets of late summer flowers.

REA REPRESENTATIVE COMPLETES WORK HERE

Carl Crawford, representative of the REA operations division, returned to his headquarters in St. Louis Saturday after working with the new rural electrification project in Schleicher County.

About 35 miles of poles have been erected for the Schleicher co-operative program.

Store Room Improved

A. T. Wright is sealing in the walls and ceiling of his store room at the rear of his grocery store, and is also installing more lights in the room.

County Dem. Council Has Regular Meeting

Eight visitors were present when the Schleicher County Home Demonstration Club Council met in regular session, August 10, at 2:00 p. m., in the Christoval Park. Mrs. John Williams, chairman in charge, presided during the meeting. Visitors present were Mes. Clyde Roberts, W. H. McClatchy, Goodie Alexander, Jerry Pennington, L. D. Christian, J. H. Mace, Lester Henderson, and Reuben Dickens. Members included Mrs. Pittman, County Home Demonstration agent, and seven others.

Mrs. Pittman presented a bill of \$6.19 to the council as expenses for the girls' encampment which the council had voted to pay, and she announced that she had ordered books for the club.

Announcement was made concerning the school which will be held on Tuesday, the 14th, for the marketing committee with Miss Myrtle Murray, marketing specialist, in charge. The meeting will open at 10:00 a. m., Mrs. Pittman announced.

Mrs. Jerry Pennington announced that a lamb sale and free barbecue would be held in Eldorado on Sept. 15, and she asked club members to donate articles for prizes and for auctioning. Mrs. Fred Gillaspay thanked the council for the card, and for the kindness everyone had showed during Mr. Gillaspay's illness. Motion was made to adjourn by Mrs. W. C. Parks, Jr.

SEND IN NEWS, PLEASE

The publisher of the Success is anxious to print all news obtainable in the county. He is new, and must learn the names of people, become familiar with the business district and his printing plant and handle routine work as he goes—yet he aims to cover the field. Please mail, phone or bring your news.

GET YOUR PICTURES

The Success office still has a number of service men's pictures which parents have not called for. As it is a responsibility to the Success publisher to keep them, owners are asked to get them as soon as possible.

NEW DAUGHTER

Mr. and Mrs. Victor Sauer are parents of a daughter, born Aug. 8th in a San Angelo hospital. The baby weighed 7 lbs and 8 oz. and has been named Katherine Diane. Mrs. Otto Sauer and maternal grandparents are Mr. and Mrs. J. J. Castello of San Angelo.

PULLETS ARE STOLEN

Sheriff Sweatt was called out to the Irvin Munn farm Monday morning to investigate theft of 50 white Leghorn pullets. The Munn live in town but had taken the pullets to the farm. The pullets were missing Monday morning and tracks indicated that they had been stolen.

Dem. Clubs of County At Annual Camp

A small but enthusiastic crowd enjoyed the annual camp for Schleicher County Home Demonstration club women which met at Christoval Thursday and Friday of last week.

Six women, including Mrs. Fannie Pittman, HDA, Martha Dell Williams of Eldorado and Wanda Newman of San Angelo, were registered for the night camp which opened at 6:00 p. m. Friday. Following the pitching of camp, and a picnic supper, the group enjoyed skating, a sing-song and other activities.

Miss Hazel McCoy, Tom Green County Home Demonstration Agent, was a guest for the Friday morning's program which opened with the flag raising and pledge followed by the songs, "God Bless America" and "God Bless Our Service Boys." Mrs. Palmer West was mistress of ceremonies for the program which included a reading by Mrs. Lester Henderson; the Welcome Address by Mrs. John Williams; and the Response by Mrs. Pittman; and address "What Home Women" by Mrs. Gordie Alexander; a song "Onward Christian Soldiers," and the devotional and a reading by Mrs. Henderson, followed by a short recreational period led by Mrs. Jerry Pennington.

Following a chicken luncheon, the Schleicher County Home Demonstration Council held its regular monthly meeting with Mrs. John Williams, chairman in charge. About 18 ladies and a number of children were present for the Friday's program which was concluded with a swim before the group left for home.

NUMBER OF FARMS DECREASE IN COUNTY

Otis Reed, supervisor of the 1945 farm census in the Seventh Texas district, has announced that the number of Schleicher county farms and the total acreage has dropped off in a 5-year period, but that the size of the average farm has increased.

The 1945 census shows only 270 farms being operated in the county as compared with 286 in 1940 and 341 in 1935. The total land in farms in the county shows 806,396 acres in 1945 as compared with 811,230 acres in 1940 and 830,082 in 1935.

The average size of the farm in 1945, however, is 2,987 acres in 1940 and 2,434 in 1935.

ANGLERS HAVE BIG TRIP

Marvin Logan and John Yates, of Eldorado, and Mr. Yates' son-in-law, Scottie, of San Angelo, recently returned from a fishing trip at Lower Lake, Del Rio. They report excellent luck, and brought in a 21-pound cat, and 5 other cats weighing 4 lbs. each, also 60 croppies.

The Methodist Church Morning theme "Greatness in Unexpected Places." Sunday evening theme "Where is God Found." Sunday school at 10:00 a. m.

Dee Jolly of Wichita Falls, son of Mrs. Nora Jolly, who moved to Wichita Falls from Eldorado last November, visited old friends here during the past week.

Poultry Specialist Stresses Feeding

Conditions indicate that eggs will sell at ceiling prices this fall according to Sam Moore, poultry specialist for the Texas A. and M. College extension service. He said that farmers should begin making plans now to take advantage of these prices.

Moore believes that pullets and hens that will make good layers this fall and winter should be kept off the market despite any price advantages that may seem to exist at this time for this type of sale.

There are a number of factors that will likely combine to place eggs at a high price level. One of these is the present relative shortage of eggs. This shortage isn't likely to lessen any in the near future, but may, perhaps, intensify, Moore believes. Even though more baby chicks were started this year, such large numbers of hens and pullets have been sold for meat that the numbers of laying hens on farms this fall may be smaller than last year. In addition to this, some items of feed promise to be scarce which will decrease the farmer's ability to attain the highest production from his flocks.

COTTON PICKING CEILING ANNOUNCED

A wage ceiling of \$1.75 per hundred pounds of "well-picked, clean cotton" was established last week in nine Texas coastal bend counties, E. R. Alexander, chairman of the Texas USDA Wage Board, announced.

The counties are Wharton, Fort Bend, Brazoria, Colorado, Jackson, Victoria, Refugio, Calhoun and Matagorda.

RECEIVES SCHOLARSHIP

Included with a list of 11 graduates of West Texas high schools who have been awarded Massie Memorial scholarships to San Angelo College is the name of Gertrude Sauer of Eldorado. The scholarship entitles a student to free tuition during the coming year.

Work is progressing rapidly on the new Methodist parsonage, workmen having completed building of the framework and applying of building paper in preparation for laying of the brick. The pastor and his wife, Rev. and Mrs. Faust, are living in temporary quarters in the church while the work is being done.

Irl Breedlove and son Bill went to Ft. Stockton Friday.

The fire boys were called out to put out a grass fire Friday.

Pfc. Billie Galbreath of Santa Maria, Calif., is spending a furlough with his parents, Mr. and Mrs. Leslie Galbraith.

Mr. and Mrs. Dick Lawhorn, Worth and Polly of Marfa visited recently here with friends and attended to ranching interests.

Mrs. T. H. Luckie of Eola, Concho Co., is here this week visiting her daughter Mrs. Fannie Pittman.

Brief Celebration Takes Place Followed by Quiet Holiday Here

History's most destructive war ended Tuesday with Japan's unconditional surrender. President Truman made the announcement to the people of America at about 6:00 p. m. Tuesday. Formalities remain to be worked out, but fighting has ceased, and peace has officially returned to the world.

Japan has officially accepted the Potsdam proposal, and will retain the emperor as a puppet Japanese ruler, subject to Allied authority. Gen. Douglas MacArthur has been designated Supreme Allied Commander, the person to receive and arrange surrender.

The immediate effect of coming of peace was stopping of hostilities, cancellation of manpower controls, cutting of ship building program, designation of September 5 as the date on which Congress will reconvene, and lifting of press and radio censorship.

Japan's surrender came without invasion of the homeland, evidently the immediate result of the launching of the new atomic bomb and the entrance of Russia into the war against Japan.

Eldorado is Quiet

In Eldorado, when news of peace came in late Tuesday afternoon, jubilant citizens dashed up and down the streets in their cars, and one group seized a flag and paraded up Main street, singing patriotic songs. In the main, the city passed the evening and the following day quietly, most of the business houses being closed all day Wednesday.

Questions Asked

Citizens of Eldorado are probably average people; their questions are average questions. On the street everywhere one hears oftenest, "When will the boys get out?" Other questions often heard are: "What will they do when they get home?" "Have they changed much?" All agree that years will be required to bring normal civilian life to the service man and his family.

Surrender by Japan will not necessarily mean that soldiers can get out of the Army within a half a year, even though their booking is for the "duration plus six months." Army legal authorities, asked for an interpretation, said that cessation of hostilities will not mean termination of the war under the provisions of the Selective Service Act. This will come, they said, upon the conclusion of a peace treaty, upon a presidential proclamation ending the war, or by a joint peace resolution of Congress.

Rationing to Stop

One effect of the peace rumors is halting of work on printing of 187,000,000 new ration books for gasoline, shoes and food. The new ration book number 5 for meats, fats, dairy products, canned foods and sugar, and a new A gasoline book, had been scheduled for distribution in December. The order is a halt only, but it will become permanent with completion of Japan's acceptance of the peace proposal. Gasoline rationing is expected to come to an end within

a week or two after V-J day, and there are sufficient stamps in Book 4 to last to about the first of the year, which may be as long as rationing stamps are needed.

Premature Report

Citizens of Eldorado rejoiced with other happy Americans Sunday evening for six brief minutes—the interval which elapsed between announcement that peace had come, broadcast at 8:34, and a later announcement, that this was a false rumor, at 8:40. For a few short minutes, while the fire whistle blew, people dashed up and down the streets, talked excitedly in neighborhood groups, or ran toward the First Baptist Church, the meeting place designated previously. All were keenly disappointed when radio reports wet-blanketed their premature celebrations.

Radio networks were unable to trace the origin of the report, they stated. They explained that the information first came over leased wire at 8:34, stating: "Flash: Washington—Japan accepts surrender terms of Allies." Another flash two minutes later asked that the flash be withheld from publication, and at 8:40 the first flash was killed. Washington has announced that it did not send the false news and that authorities are investigating its origin.

Lions Club Meeting Postponed This Week

Another effect of the Victory holiday on Wednesday was postponement of the regular Lions Club meeting on that day. Many of the business men were out of town and it was not considered worth while to attempt to hold a meeting this week. The next meeting will be Ladies Night.

Further reports on the coming barbecue and lamb sale will be resumed in the Success next week after the business and club life of the city has returned to normal. The annual barbecue and lamb sale, it will be remembered, will be held on Saturday, September 15th and will be the big event of the season.

TRUCK — NOT CAR

Classification of the army jeep, now being manufactured for civilian use, as a truck and not a passenger car, was announced this week by John G. Ross, district manager of the Office of Defense Transportation at San Antonio.

In other words, unless buyers are eligible for a certificate to purchase a new truck, they will be unable to buy one of the new civilian jeeps. The new civilian vehicle was classified as a truck because it is essentially a property-carrying vehicle, the ODT official explained.

Allocation of the new vehicles will be limited to persons contributing directly or indirectly to the prosecution of the war. Those eligible include farmers. These restrictions do not apply to surplus military jeeps sold through the surplus property board.

Brother of Local Woman Honored

Clayton Blakeway, son of Mrs. A. M. Blakeway, 1306 Oak St., San Angelo, and a brother of Mrs. Jerry Pennington of this place, as president of the Student's Association of the University of Texas, is learning public life the hard way, according to an article which appeared in the San Angelo Standard-Times, Sunday, August 12.

The article written by E. E. (Pat) Murphy, Jr., also of San Angelo, mentions the 24-year old law student, who is also an ex-

service man, as seeking a progressive University and whose biggest job right now is campaigning to lift probation of the University by the Southern Association.

Enlisting in the AAF in 1942, Blakeway received an injury during cadet training which gave him a medical discharge and since that time, he has been enrolled in the University.

Mr. Blakeway recently visited in the home of Mr. and Mrs. Pennington between semesters.

Guest Speaks Sunday at Methodist Church

Rev. and Mrs. J. C. Oglesby, Robert and Dorothy Mae of Georgetown and Mr. and Mrs. Sam Oglesby, Sr., of Mertzon were guests Sunday in the home of Mr. and Mrs. Sam Oglesby, Jr.

The Rev. Oglesby was guest pastor at the 11 o'clock Sunday morning service of the First Methodist Church.

The Oglesbys were accompanied here from Georgetown by Roxie Jean and Virgie Tinning who have been spending the summer months with their father, Dobie Tinning of Hutto.

Mrs. L. A. Gross had as guests recently Mrs. Howard Reagon of New Orleans, La., Mrs. James W. Smith of Nixon and Mrs. J. V. Goss of San Antonio.

Uncle Sam Pins Orchids On Local Women For Saving Used Fats!

Things have really been happening to fat-salvage-collection figures since town and farm women got busy on the job! Latest official government records show that their fat savings have left the excellent record of city women way behind.

But it isn't a drop too much. This year, we face a shortage of 1 billion, 500 million pounds of fats in domestic supplies. Tons more of war and home-front supplies made from fats are needed!

Farm folks get more meat these days than most city people—so it's up to them to save the fats. Skim stews, soups, gravies. Scrape pans. Melt down meat trimmings. It all helps you fill the fat-salvage can, and you get up to 4¢ and 2 red points a pound. If you have any difficulty, call your Home Demonstration or County Agent. Approved by WFA and OPA. Paid for by Industry.

NOW OPEN!

RANDY'S ELECTRIC COMPANY

IN WEATHERLY BUILDING

We are thoroughly equipped to do electric REA wiring and guarantee work to pass government inspection. Inspector here last week gave official OK to work we have already done.

We also repair and clean motors, fans, irons and other electric equipment. Nice line of pre-war fixtures that are going fast.

Come by for free estimates on house wiring and see our line of equipment.

Eldorado's Only Purely Electrical Shop

A. R. FONDREN, Mgr. & Owner

Supt. C. A. Reynolds announces today that the Eldorado schools will open on Monday, September 3rd. More complete details of the opening will be published in the Success next week.

Gas Rationing Discontinued

"Fill 'er up" came back into the American language yesterday.

Gasoline rationing ended. So did the rationing of fuel oil, oil stoves, and all blue point foods, but rationing of meats, fats and oil, butter, sugar, shoes, and tires will continue until lowered military requirements and increased production bring civilian supplies more nearly in balance with civilian demands.

Secretary of the Interior Harold L. Ickes, as petroleum administrator, said ample quantities of civilian gasoline will be available immediately. The petroleum administration said only a few days would elapse before better grades than civilians have been using will be available.

Price Administrator Chester Bowles said of the prospect for future rationing cuts: "You can be sure that these items will go off the list the minute we hear that supplies are anywhere near big enough to go around."

THREE WALL BROTHERS NOW IN SERVICE

Three former Eldorado brothers are now in service according to information received by the publisher of the Success this week. These three are J. T., W. A. and Roy Wall.

J. T. Wall enlisted on October 15, 1939, at Ft. Sam Houston, and served there in the medical corps three years. After being transferred to a number of places, including Seattle, Wash., he went to France, and then on to Germany where he is now located. Prior to his enlistment he was a ranch hand.

T/Sgt. W. A. Wall enlisted on October 15, 1940, at Ft. Sam Houston, and from there went to Ft. Mammoth, New Jersey, back to Ft. Sam, then to Camp Barkley at Abilene, and Seattle, Wash., where on December 6, 1941 he was assigned to overseas duty. On December 8 he was turned back and transferred to Orlando, Fla., where he remained for three years as radio man. He is now in Panama. He and Roy both plan to live in Seattle, Wash., after the war, as their wives are living there at this time.

Roy Marshall Wall, Phm 1/c, enlisted in the Navy on November 27, 1940, at Abilene, and took his first training at San Diego, Calif., after which he was shipped out to Pearl Harbor, where he was stationed at the time of the attack. In March 1943, he returned to the States and in '44 signed up again for overseas duty. He is now somewhere in the Pacific. Before his enlistment he attended Eldorado High School and worked with his mother, now Mrs. Rex Jackson, of Anson, at the Eldo Hotel. Roy says he still likes the Navy, but he intends to visit Schleicher Co. when he returns home.

PRESBYTERIAN PICNIC

The senior group of the Presbyterian Sunday School went to Christoval Thursday for a picnic. Mrs. F. B. Gunn and Rev. Carrier accompanied the young people.

Fellows, she married you for life . . . and she expects you to show some.

To the optimist it is a rose bush, to the pessimist it is a bush horns.

These Will Not Return

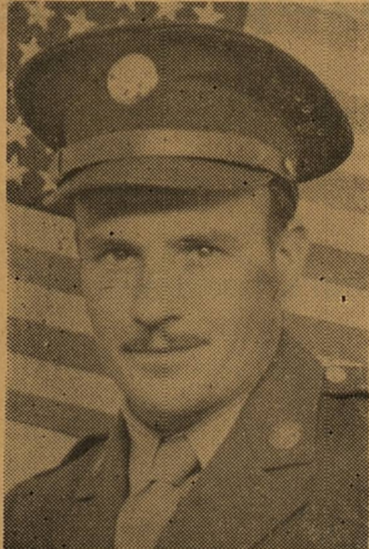

STAFF SGT. ROBERT EARL DOTY died in action in Belgium on December 14, 1944, in the heavy fighting in the December enemy offensive. He entered service in August 1942, in the Infantry. Surviving are his wife, Mrs. Edna Doty, now serving in the nurse's corps in San Angelo, and his parents, Mr. and Mrs. E. M. Doty of Eldorado.

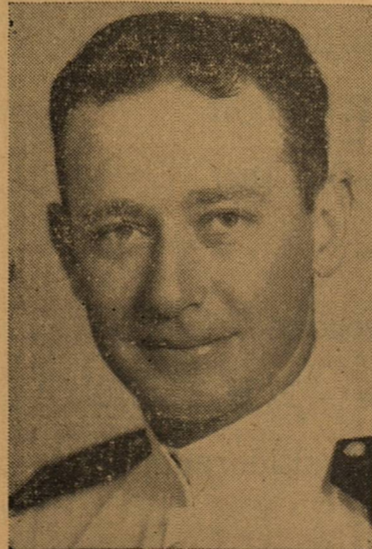

LT. TOM R. HENDERSON, JR., army instructor at Goodfellow Field, entered the service command at Randolph Field, San Antonio, in November 1943. He was a former Eldorado High School student. He is survived by his wife, Mrs. Kelly Henderson of San Angelo, and his parents, Mr. and Mrs. Tom R. Henderson of Eldorado. His death occurred on August 29, 1944.

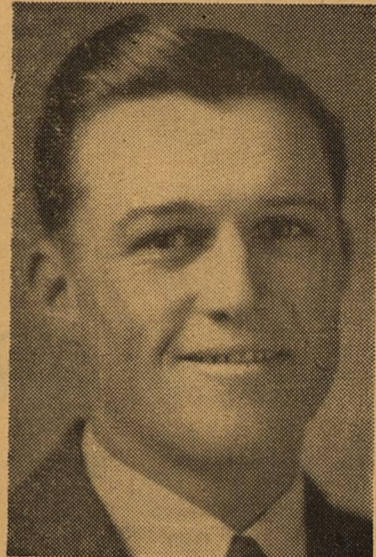

PFC. CLARK M. REYNOLDS was killed in action in France, October 9, 1944. He entered service in July 1942, serving in the Field Artillery. He attended Eldorado High School. His parents are Mr. and Mrs. C. M. Reynolds of the Reynolds community, named after members of the family.

SGT. RAYMOND R. REYNOLDS, a welder, serving in the ground crew of the Air Corps, died May 13, 1944, of wounds received in action on the European front. He had been overseas since February 1943. He attended Eldorado High School before enlisting. He was the son of Mrs. M. M. Reynolds of Rudd Community.

LT. DAVID ELWORTH DE LONG a pilot in the U. S. Navy, made the supreme sacrifice on August 19, 1943, in the South Pacific, death claiming the young pilot when his plane crashed. He volunteered in March 1941. He was the son of Mr. and Mrs. D. E. DeLong of Eldorado, and husband of Mrs. Rita DeLong of Jacksonville, Fla.

IRA GARTH CLARK, not an enlisted man, but due military honors because of his war-connected employment, was killed while training horses for re-mount service, in June 1941. A government employee, he was serving as trainer in an Oklahoma re-mount cavalry center. His widow is Mrs. Ellen Clark of New Braunfels, and his parents are Mr. and Mrs. Jack Clark of Eldorado.

SGT. ARTHUR H. ASHMORE, an aerial gunner in the air corps, lost his life when his transport ship sank in the African area, news of the tragedy reaching his parents in May 1944. A graduate of Eldorado High School, he has relatives now living in this city. His parents are Mr. and Mrs. H. R. Ashmore of Ft. Stockton and his widow is Mrs. Ruth Ashmore, of Topeka, Kansas.

Your husband knows it's sensible to buy FURS early

Men realize that in furs . . . as in everything else . . . the early selection is the best. By purchasing now you get the fresh, prime pelts . . . and workmanship that is superior because it was done out of season. Come in and see all the glorious new styles . . . in your favorite fur!

LIFE'S Little TROUBLES

-CAN'T EAT-

You don't have to worry and fret because CONSTIPATION or GAS PRESSURE discomforts won't let you eat. Instead of feeling nervous—blue or bewildered, take a dash of

ADLER-I-KA

to quickly expel gas—to soften and assist food wastes thru a comfortable bowel movement. Enjoy that clean, refreshed feeling that lifts spirits—rekindles smiles—improves appetite. Buy it! Try it! You'll never be without Adlerika again. Caution: use only as directed. Get Adlerika from your druggist today.

HOOVER DRUG STORE

Recipe Column Opens With Candy Recipe

A popular recipe with Eldorado women who like a candy which can be shipped to soldiers, is the following, submitted by a local woman, who has had many calls for it. This newspaper is glad to print the recipe, and would be glad to receive other favorite recipes from local housewives for publication each week.

Pecan Log Candy (by Mrs. Jack Etheredge)

2 cups sugar
1-2 can Eagle brand milk.
2-3 cup white karo.
Boil to rich brown. Cook until golden brown, stirring constantly (soft ball stage.) Take off fire and beat until cool enough to roll. Make 5 or 6 rolls and let thoroughly cool on greased paper.
1-2 can Eagle brand milk.
1-2 cup white karo.
1 cup sugar.
Cook to hard ball stage and beat until creamy. Dip logs in above mixture and roll quickly in crushed pecans.

CARD OF THANKS

Words cannot express our sincere thanks to our friends and neighbors for the beautiful floral offerings and many kind deeds rendered during the illness and death of our baby. May God bless you all.—(Signed) Mr. and Mrs. J. B. Swain and family, Mr. and Mrs. Chester Winans and C. H. Mrs. Norene McCartney, Mr. and Mrs. Leo Ivy and family.

For Printing Call No. 77.

People used to say there were only two things certain in this funny old world of ours—death and taxes. We would like to nominate a third. And that is that a dollar buys a lot less today than it did fifteen years ago. That's certain, isn't it? Every time you go to a store to buy anything, you can't help realizing it. But—unlike the other two—there is one exception. It's electricity! Believe it or not, a dollar today buys more electricity than ever before!

You may not have noticed it—because with everything else going up in price, you'd likely assume your electricity costs more too. Actually, however, electricity has been coming down in price for years—and has even been reduced since the war. Of course, you've probably added a lot of electrical conveniences to your home in the last few years, and that's another reason you may not have noticed how much the price of electricity has come down. So much, in fact, that if you're an average user of household electricity, you're getting about twice as much for your money as you did fifteen years ago.

And that's quite a trick! Because the business-managed electric light and power companies that supply over eighty percent of our electric needs, have had enormous tax bills—and a lot of other problems to meet since the war. Nevertheless it has been accomplished . . . through efficient business management on the part of the experienced men and women who operate America's electric light and power companies.

West Texas Utilities Company

14,000 Determined Texans

The war production record of Humble employees, in the field, in plants and in offices, is a magnificent climax to a quarter of a century of teamwork by a great organization. In this team are scientists, drillers, roustabouts, stenographers, geologists and glassblowers; men and women in hundreds of occupations, all working toward one goal—supplying Oil for Victory.

Through their determination and singleness of purpose they have made Humble first in four important fields.

FIRST to produce at one refinery one billion gallons of finished 100-octane aviation gasoline

FIRST in production of synthetic toluene

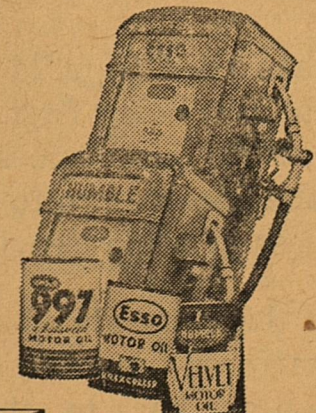

FIRST in U. S. production of crude oil

FIRST in transportation of oil by pipe line

This is the same combination of resources, know-how and teamwork that brings you quality Humble products for your car.

TEXAS' FINEST PETROLEUM PRODUCTS

The same skill and resources that produce Humble quality gasolines and motor oils go also into the making of all Humble products: Industrial, farm, aviation and marine fuels and lubricants, rust preventives, household and automotive specialties. Look for the Humble sign when you buy gasoline, motor oil or any petroleum product. Behind it lies the experience of one of the FIRST names in the petroleum industry.

WRIGHT'S CASH STORE

Eldorado, Texas

Victorious Allied Nations are writing the closing chapter of a war-torn world. Are we, as a people, worthy of the task that confronts us? Let us, as far as possible, forget the ills of the war and press forward toward righteousness and a better world.

We have tried to build our business on fair dealings, being first fair to those who have made our business profitable, and then the best we can for others, with the shortness of some items.

Better days are ahead—many of us have not suffered—and it will not be long until we can get back to the American way of living. So stand by for a short while, but keep your eyes on the right way of living.

We are going to make some changes in our stock and will discontinue handling feed, and will add additional new stock as it becomes available.

WITH THE MEN IN SERVICE

Among the most enthusiastic observers of Army Air Forces Day was a group of Texans. Special reason: the Army Air Forces Air Transport Command was speeding them home from the wars.

Wiping out a distance of 7,300 miles as if by magic, the ATC planes put them into Miami Army Air Field just hours after taking off at Casablanca, North Africa. Twenty-four hours after arriving at Miami, they were on their way again, for Camp Blanding, Fla. From Blanding, they move on by rail to centers nearer their homes, where they will be separated from service, or given furloughs before assignment.

Among the returnees was Pfc. Wilbert O. Faull, 30, infantry, 28 months overseas service completed in Germany, and three battle stars.

Pfc. Wilbert O. Faull, son of Mr. and Mrs. Joseph H. Faull of Eldorado, arrived last week in this city, having received his discharge papers Wednesday noon. He expects to return to the farm on Bailey Ranch. Two other Faull boys also are in service.

An Associated Press dispatch Monday stated that Brig. Gen. Alvin R. Leudecke, of Eldorado was made deputy chief of air staff for the Southeast Asia command. He formerly was assistant to the chief of air staff for operations, training, plans and intelligence for AAF headquarters in the India Burma theatre.

Ray Jones, CMOMM, who spent a recent leave here with his wife and other relatives, is now stationed on Treasure Island, San Francisco, Calif.

Pfc. W. K. Pittman visited his sister-in-law, Mrs. Fannie Pittman Monday on his way home to Morse. He received his discharge recently after 34 months in the Pacific.

Sgt. William H. Oglesby of Ft. Sill, Okla., is visiting here with his parents, Mr. and Mrs. Sam Oglesby, Jr.

Aboard the USS Salt Lake City in the East China Sea—Earl B. Huckaby, radioman, third class, USNR, son of Robert G. Huckaby, East Port Orchard, Wash., and Mrs. Ruby Stella Huckaby, route 1, Eldorado, Texas, were aboard this heavy cruiser when she hurled more than 150,000 tons of projectiles at enemy planes, ships and land emplacements off Okinawa.

Wallace Joiner of the 473rd Infantry, with 36 months overseas, winner of the Purple Heart, good conduct ribbon and five battle stars—recently landed at Miami, Fla., from Europe. He was sent immediately to Camp Blanding, Fla., and from there will go to a reception center nearer home for separation from the service or furlough prior to reassignment.

S/Sgt. Robert L. McWhorter arrived here Saturday and is spending a furlough with his mother, Mrs. W. L. McWhorter and other relatives.

SgSgt. McWhorter who has been overseas since February 1945 is a member of Co. C, 70th At. Bn. and has participated in several campaigns in central Germany.

Nine Texas boys, one of whom, Sgt. Glen W. Green, gunner, is from Eldorado, rode in a B-29 raid late in July, and sank seven Jap ships totaling 7,900 tons north of Pusan, Korea, and badly damaged three others. The fliers are members of the 5th Air Force bomb group commanded by Col. Hawes of Seadrift.

Pvt. William T. Parker was in Eldorado on a 3-day pass during the week end. He is in the Brooks General Hospital at San Antonio.

George Stanley Finley, 1945 graduate of Eldorado High School, took his V-5 examination recently in Dallas, and on about November 1 expects to go to school. He is the son of Mr. and Mrs. H. T. Finley.

PTA AT CRISTOVAL TO HAVE BINGO PARTY

A bingo party with homemade cakes as prizes will be held Saturday night at the Christoval Park, sponsored by the Christoval Parent-Teacher Association.

Mrs. W. C. Weddell, chairman of the finance committee, is in charge of arrangements, and the public is invited to attend. Proceeds will be used for the unit project of purchasing a movie projector for the school.

Mrs. H. J. Morehouse and son Jack of Coronado, Calif., are visiting Mr. and Mrs. Dee DeLong of Eldorado and Mr. and Mrs. H. H. Morehouse of San Antonio.

Born: Tuesday night at 9:00 o'clock, a ten-pound son to Mr. and Mrs. Willie Burlison.

Pfc. Bill R. Matteson of Ft. Sam Houston was a week end visitor in the Coulter home, returning to camp Sunday night.
