Real Estate Deals Made, Many Move

Real estate deals, involving lots and houses, improvements in residences, and changes in rent property, have effected many families, as Eldorado citizens play the game of "fruit basket turn over"—someone moves and a dozen others are effected.

Hassell Ratliff, who recently returned from service, has bought his brother Ed's interest in the Tishia Ratliff estate, including the residence. Ed makes his home at Station A in Schleicher County, and Hassell and family occupy the home place.

Mrs. Irene Rutland has bought the rent house owned by Mrs. A. K. Bailey located in the west part of town, and will move there soon. Mrs. Rutland and family have been living in the C. C. Doty house since coming to Eldorado.

Arthur Faul has sold to Calvin Bounds lot 77, block 1, in Orient Heights addition, the sale having been made on January 4.

James Williams has bought of Rex Boone of San Angelo, a lot adjoining his place in the Glendale addition.

Jess Padgett has bought a rent house owned by A. J. Roach and located in the east part of town across the street from the Primitive Baptist Church. Mr. Padgett is employed on the W. A. Davis ranch, and his parents-in-law, Mr. and Mrs. Estes and daughter, Miss Hattie Estes, will move into the house in a few days. They have been living in the McGinnes house recently purchased by G. W. Barnett.

Mr. and Mrs. G. W. Barnett, who have been living in the Patton house, expect to move soon into their house formerly occupied by the Estes family. Mr. Barnett, who is employed by the Shell Oil Co., purchased the house from Sam McGinnes, and has been improving the grounds about the place.

The W. A. Blaylocks, who bought the R. L. Sample farm, are remodeling the house, adding new roof and additional rooms. Wade King is in charge of the work.

Residences and apartments continue to be scarce, with no relief in sight.

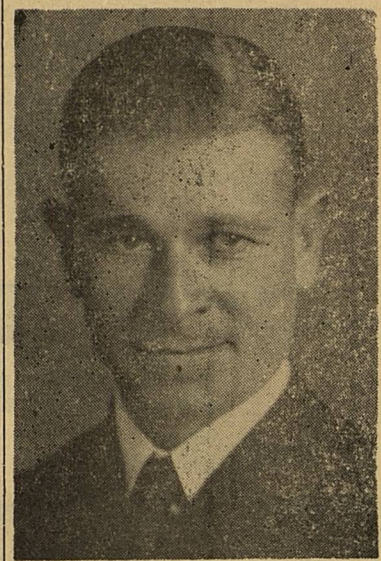

Richey Purchases Crain Gin Property

A. D. Richey, Jr., has purchased from the Eldorado Gin Company 13 lots which comprise the gin site, and all buildings thereon except the gin house and machinery.

It is part of the agreement that the gin building and equipment will be moved off the lots in six months or before.

Mrs. F. L. Powers, Jr., of Alpine who has been visiting here with her sister, Mrs. W. C. Doyle and other relatives, was carried to a San Angelo hospital last Thursday for medical treatment. She will remain there several days longer. Mr. Powers, who is employed in Alpine, spent Tuesday in San Angelo with his wife.

PAGE DRUG STORE OPENS SATURDAY

Robert Page will open his new drug store Saturday in the Ratliff building adjoining the Benton Abstract office. Free coffee will be served throughout the day.

The opening of this store Saturday culminates several weeks of activity on the part of Mr. Page and his crew. A major project was installation of a de-luxe fountain which arrived Monday in Eldorado. The entire interior has been renovated, and a color scheme of natural wood topped with maroon surfaces is carried out in tables, chairs and fountain. Walls and shelving are in white.

Mr. Page, son of Mr. and Mrs. Bert Page, worked for the West Texas Lumber Co., and later owned and operated the Eldorado Lumber Co., leaving that business to serve Uncle Sam 3½ years. He is married and he and his wife make their home here.

4-H CLUBS, LIONS MAKE PLANS FOR BIG 4-H CO. SHOW

Plans are being worked out and stock is undergoing conditioning for the Schleicher County 4-H Club Show, which will be held here Feb. 9th.

In general charge of arrangements is W. G. Godwin, county agent. He will be assisted by the Lions Club which will assist with financing the project, by furnishing cash prizes and ribbons, and with the staging of the show. James Grote of San Angelo will be judge.

Basketball Boys Lose To Del Rio

The Eldorado high school boys basket ball team met defeat last Friday evening when the Del Rio team outscored them 28 to 19 in the local gym. This is the second game of the season and the boys' first defeat.

The team will go to Big Lake Friday where they will enter the Invitation Tournament which opens Friday and closes Saturday.

TO WORK IN DALLAS

Ford Sturdevant, whose parents teach at Bailey Ranch, has accepted a position with Humble Oil Co., in Dallas, his work to be in the book keeping department. He spent Friday and Saturday with home folks and returned to Dallas to begin work Monday. He is a college graduate with a business administration major, and was recently discharged from service.

Mrs. Georgia Britain of Austin is here to spend a few days with her mother, Mrs. R. A. King and her brother, John Irvin King.

Elder Sta. goes Phillips is Re-named

With the intention of bringing to their customers the widest line of commodities obtainable, the Elder Humble Station has secured wholesale and retail connection with Phillips 66, the deal having been made Monday.

The other Elder station, known as Rock Station No. 1, remains Humble.

The deal, bringing the Elder businesses under one title, involves choice of a new name, the Elder Oil Company.

Jack Elder and Arthur Montgomery, who made this business change this week, state that by having wholesale connections, and by having access to Phillips products, including the company's many accessories, expansion of their business is assured.

The business has undergone much growth since the Elders bought the Humble Station last March. The various businesses now operated by Mr. and Mrs. Jack Elder and Mr. and Mrs. Arthur Montgomery include the former Elder Humble Station, Rock Station No. 1 and the Rock Courts, the Snack Bar, and the bus station.

Phillips 66 had not been carried recently by any Schleicher County station until the Elder Oil Company signed up Monday for the product. Other lines now carried in Eldorado are: Humble, Magnolia, Texaco, Gulf and Cosden.

Mid-Term Tests At Local School

Mid-term examinations in the Eldorado School opened Wednesday at noon and will be completed possibly at noon Friday. Students, since returning to school following the holidays, have been busily reviewing work done during the first half term. Attendance has almost returned to normal after the recent flu epidemic. Bad weather this week has caused a few absences.

Mrs. J. C. Wells of Baton Rouge, La., has been visiting her parents, Mr. and Mrs. E. E. Newlin and other relatives.

Farmers' Co-Operative Gin to Be Rebuilt This Year; New Equipment Is Planned

The Farmers' Cooperative Gin will be re-built and new machinery installed, according to vote taken by the directors, meeting in call session Saturday. Re-building will be contingent upon securing materials and equipment. Estimated cost will be \$15,000 to \$20,000. If plans proceed as mapped out Saturday, the 1946 cotton crop will be ginned by new machinery in a new sheet metal building.

Directors present at the Saturday meeting were Hugh McAngus, B. E. Moore, Robert Dixon, John Williams, T. H. Alexander and Dick Bearce.

The gin officials hope to locate material and equipment soon, so that work may be rushed on through the spring months.

The location of the new building has not yet been designated. It is

Lions Zone Meet Held Here Tues.

About 40 Lions from Junction, Sonora and Eldorado gathered at the Eldo Hotel dining room Tuesday evening for a zone meeting. After the dinner Zone Chairman Leon Powell of Junction presided over the business session and program. Principal speaker was Buzzy Stokes of Sonora, past district governor, who talked on the place of the Lions Club in the community. In mentioning community business relationships he stated that a good citizen is a man who talks of "What we do," not of "what they do."

During the business session a committee, composed of Joe Eden, Joe Wagley and Earl Parker, was appointed to assist with the 4-H Boys' County Show, which will be held here on Feb. 9.

Work Continues on Parker's Grocery

Parker's Red and White Grocery continues its transformation into a swanky super-market as crews of workmen alternate during the 24 hours of the day.

Order has returned to the store in record breaking time. Most radical of the changes—removing of partitions, moving of the entire stock into new bins and shelves painting of the entire interior, installation of new refrigeration facilities, addition of mirrors at the rear of new wall-length vegetable bins, and a new fluorescent lighting system—have been completed and carpenters are now working on the numerous smaller, time-consuming jobs which are part of all major renovation projects.

Bill Sproul, manager of the Red & White at Menard, and his wife are in Menard at present, but have not yet located a house or apartment. It is planned to paint the interior of that store later. Sproul is former manager of Parker's store here.

BAILEY SERVICES

Rev. W. A. Knight will preach Sunday at the Bailey Ranch Baptist Church.

THINNEST REA IN ENTIRE STATE NOW SERVING 56

The Southwest Texas Electric Co-Op., which takes its place in the limelight as the thinnest REA Co-Op in the state of Texas (and possibly thinnest in the US) is today giving service to 53 members. By the first of next week it is hoped that service will be extended to include the entire 78 included in the first 90-mile section of energized lines.

The entire Southwest Texas REA system comprises 251 miles, with 193 members, which averages .7 customer per mile—considerably less than the national average. For this reason, the system is to be watched as an experimental co-op—if it is successful, it is certain that there will be other co-ops established in territory similar to this, or possibly thinner.

The local co-op will continue to grow also, as more users are available and lines are extended, states Don McCormick, manager.

EUROPEAN RELIEF CLOTHING DRIVE CONTINUES HERE

"What Can You Spare That They Can Wear" is the slogan of the Victory Clothing Collection which opened January 7 and closes Jan. 31. Goal for the collection has been set at 100,000,000 garments, plus shoes and bedding. If your contribution seems negligible, bear this in mind: Every garment you give means one more human being saved from cold or sickness or possibly death. Your spare clothing will be distributed free, without discrimination, to victims of Nazi and Jap oppression in Europe, the Philippines, and the Far East.

Fred Watson, chairman, has announced that the local drive here will be extended to Saturday, Jan. 26, with clothing being collected in a house-to-house canvass on the coming two Saturdays. Due to cold and rainy weather, the Scouts were unable to make this canvass last Saturday as previously announced.

Ladies of the town are asked to work at the designated station in the rear of the ration board building, now occupied by the Ashmore Barber Shop, on each of the Saturday afternoons, to assist with the assorting and packing of the donated garments.

Rural residents are asked to bring their bundles in on those two days when someone will be on duty to receive them.

In almost any town or city overseas there is someone who can translate English. You can help build international friendship by writing a simple, friendly letter to pin on the clothing you contribute.

Dig into your attics, trunks and closets today. Dig out all the clothing you can spare, and take it to your local collection depot January 19 and the 26th.

MRS. VANCE IMPROVES

Mrs. Al Vance is improving in a San Antonio hospital, where she was taken Christmas week, suffering from nervousness. The couple and their daughter Brenda had gone to San Antonio to spend Christmas, and shortly before their arrival there, Mrs. Vance's mother died suddenly. The shock caused Mrs. Vance to have a nervous attack from which she has not yet fully recovered.

Mr. Vance and Brenda have returned to Eldorado, and Mrs. Vance may be ready to return in a week or two.

Good Rain Welcomed by Ranchers

Sunday night was the beginning of another rainfall in this section, grains and winter weeds benefitting much by the precipitation. Moderately cool temperature accompanied the rain. Total moisture for Schleicher Co., has been 1.53 inches since the first of the year, as recorded by rain gages throughout the county:

City	2.1
J. F. Runge	1.3
W. R. Bearce	1.25
J. F. Kinser	1.49

A cold front which drove into Texas this week struck Schleicher Tuesday, bringing a decided drop in temperature. There were also flurries of snow during the day.

New Picture Machine Received at School

With the addition of the new 16 m.m. Victor sound motion picture machine in the Eldorado school, the visual education training program is continuing with greater incentive, enabling students to better enjoy and benefit through this worthwhile program.

The machine purchased by the school and the Parent Teachers Association, was received last Thursday and since its arrival, has already been put into use. Supt. Reynolds states that the machine works perfectly, already proving its value. Heretofore, a silent machine has been in use in the school.

Also arriving recently is the first of the new play ground equipment, project this year for the local P. T. A. A set of six swings and part of the merry-go-round has been received with more to follow. As soon as the weather permits, the new equipment will be installed. The equipment, a necessity in all schools, will be an addition to the old equipment already in use on the grounds.

New Music Teacher In Eldorado School

Miss Esther Gault of Rochelle, has been employed in the Eldorado School as public school music teacher. Miss Gault began her work here Monday of this week, replacing Mrs. Maxine Page, whose resignation was accepted recently.

Miss Gault is a graduate of Howard Payne College, and attended the Southwest State Teachers College at San Marcos. She has had about ten years of experience in teaching and comes to Eldorado well recommended. Miss Gault taught at Rocksprings last year, and since that time was employed in the Triple A office at Pecos.

RATION BOARD FURNITURE IS MOVED TO DALLAS

An army truck came in Tuesday morning and moved the ration board furniture to Dallas. The board is now in the courthouse with Mrs. Dorothy Evans as employee.

A New Year's Prayer
 By JAMES STREET

Reprinted from the January issue of Good Housekeeping magazine

Our Father, Lord of all, be patient with us, the incessant prodigals who shun You when we are fat and crawl to You when we are lean; be tolerant of us whose reflective selfishness leads us into darkness where we wait for light; be more tolerant of us than we are of our fellow-beings, even of You.

Please help us to be humble, never confusing humility with servility. Give us who trumpet our challenges in battle and total our blessings in the countinghouses the simple courage to walk in the shadows or the sun, unafraid of strangers. Help us to find a way to talk to the strangers, to share our loaf without coveting theirs, to demand not two crumbs for one given.

We are grateful, we hope, for victory and peace, if this be peace. But suffer us not to stand on stumps and street corners and beat our bosoms and brag that You were on our side, that Your buckler saved us. Let us not, in our vain attempt to justify man's stupidity, put You on a charger and present You a lance. That, we know, is an idol.

Engrave on our minds, burn it there, the divine truth that mankind is a brotherhood and that there are no chosen races, people, or nations, that Your dwelling is now and ever shall be man's contrite heart, although the man be in a skyscraper or a seared hovel at Nagasaki.

The echo You hear from earth is not the thunder from the Armageddon that we survived. It is the babel of our voices, for we are confused and frightened. And we are awed. With blood still dripping from the wounds of our children, we really haven't forgot so soon the passion of the Ardennes, the agony of Okinawa. It just seems that we have. That's because we are awed. We want to forget the night and seek the morning. Lord, if we seem to be running from Aachen to our countinghouses, then forgive us and do not despair of us, for we know not what we do.

Remove from us this confusion, this awe. We have proved, in a measure, to be worthy of sacrifice in big things. Now let us be worthy in little things. Help us to be as stalwart in peace as we were in war.

God of unborn time, grant us the blessing of a gracious year, of good fields and cheer. Bless this earth, not only this land of ours, but this earth of Yours, this speck that we have despoiled. Keep reminding us that this land only is a loan from You and that the interest thereon is work and love. Please, Father, teach us the meaning of love.

Mercy on Your people, God, and in begging mercy let us give mercy and justice. Remove from us the burden of hate.

Help us to wear our crown of victory with responsibility, never forsaking compassion. Thank You for this wreath of laurel, but let it remind us of the crown of thorns, of sacrifice.

A good year for Your people, Lord.
 Amen.

THOMPSON - PETERS WEDDING IS HELD AT METHODIST CHURCH SATURDAY; COUPLE WILL LIVE IN WISCONSIN

Mrs. Elmer Peters

Miss Frances Thompson, daughter of Mr. and Mrs. Luke Thompson, became the bride of Elmer C. Peters, son of Mrs. Anna Peters, of Oconomowoc, Wis., in a candle-light ceremony Saturday evening at 6:00 o'clock. The Rev. F. B. Faust read the double ring ceremony at the First Methodist Church.

Candelabras with white tapers, baskets of white gladioli, and fern flanked the altar, and white tapers and a bowl of white gladioli were on the piano.
Preceding the ceremony, Miss Mae Ellington, pianist, accompanied Mrs. Margaret Tinning who sang, "The Sweetest Story Ever Told" and "Because." Miss Ellington also played the traditional wedding marches and during the ceremony she played Engelmann's "Melody of Love."

The bride wore a white satin wedding gown of period style with a fitted bodice, and long sleeves ending in deep points. Her veil was fastened with a cluster of orange blossoms, and she wore a single strand of pearls. She carried a bouquet of white carnations centered with an orchid and sprays of white maline.

Miss Betty Jo Bryant, maid of honor, wore a light green gown of net with fitted bodice, sweetheart neckline, and short puff sleeves. She wore a shoulder length veil of light green and carried a colonial bouquet.

Mrs. Lawton Brevard, matron of honor, wore a light blue dress identical with that of Miss Bryant, and also carried a colonial bouquet.

Misses Sarah Hill and Elizabeth Graves, bridesmaids, wore dresses of shell pink and carried colonial bouquets. Jan Keng of Sonora and Virgie Tinning, flower girls, wore yellow net dresses with tight bodices, square necks, puff sleeves, and full skirts ruffled from the waist to the floor. They carried small bouquets of pastel flowers.

The bridegroom was attended by W. G. Beshears, Jr., of Denison, as best man, and Morris Whitten and Joe Wagley were ushers.

At a reception in the home of Mrs. Margaret Tinning, following

the ceremony, the bridal couple was assisted in receiving by Mrs. Thompson, Mrs. Anna Peters of Oconomowoc, Wis., mother of the groom, and Mrs. C. E. Thompson of San Angelo, grandmother of the bride.

Mrs. Tinning presided at the three-tiered wedding cake topped with a miniature bride and groom. Mrs. Billie Hollingsworth of San Angelo assisted in serving, and Mrs. Hugo Mika was at the bride's corsage.
Following the reception, the couple left on a wedding trip to San Antonio. Mrs. Peters' traveling costume was a brown gabardine suit with brwn and winter white accessories and she wore an orchid corsage.

Among the out-of-town guests were Mrs. Peters, Mr. and Mrs. Bill Spiller of Houston, Mr. and Mrs. E. B. Keng and Mr. and Mrs. A. E. Prugal of Sonora, Mr. and Mrs. J. W. Lawhon and Worth, Mr. and Mrs. Aubrey Baugh, all of Marfa; Mrs. C. E. Thompson, Mrs. Hollingsworth, Mr. and Mrs. Raymond Wilson, Mrs. Mollie Williams, Mr. and Mrs. Olen L. Fenner, and Miss Nelda Jeske, all of San Angelo.

Gift Shower

Honoring Mrs. Elmer C. Peters, the former Miss Frances Thompson, Misses Sarah Hill, Betty Bryant, Elizabeth Graves, and Mrs. Lawton Brevard entertained with a gift tea last Thursday afternoon in the home of Mrs. F. B. Faust.

Elizabeth Graves and Mrs. Brevard presided at the silver tea and coffee service which was served from a lace covered table centered with a bowl of white carnations and white chrysanthemums flanked by lighted golden tapers in crystal holders. Flowers and tapers were also on the piano. Receiving guests were Misses Sarah Hill and Betty Bryant, and Mrs. Morris Whitten was at the guest register.

Special music by Miss Oma Ford on the violin, accompanied by Miss Frankie Thompson at the piano was presented during the tea hours. Approximately 80 guests called during the afternoon.

FARM CROP LOANS NOW BEING MADE BY FCA.

Loans are now being made to finance crop production in Schleicher County, according to J. C. Hunnicutt, local field supervisor for the Dallas Emergency Crop Loan office of the Farm Credit Administration.

Applications for these loans are being taken in Eldorado at the AAA office. The security required is a first lien on the crops to be financed. The loans are available only to those farmers unable to secure loans from banks or other sources.

These loans, generally known as "the Seed Loans," have been made in Texas since 1931 and have proven of great benefit to farmers whose cash requirements are small. Repayment of the loans has been

high. Borrowers are required to plant large gardens for home use and a balanced program of feed, food and cash crops is encouraged. A loan to finance the purchase or production of feed is also made on livestock by this agency. The maximum loan to an individual is \$400.

DINNER PARTY

In celebration of her birthday, Miss Nettie Isaacs entertained with a dinner party at her home recently. Present were Mr. and Mrs. Ben Isaacs, Mr. and Mrs. John Isaacs and Mrs. John Luedecke and son Mickey and daughter Sherry Kay.

Latin - American PTA Has Meeting

At 7:15 on January 11th the Latin American Parent-Teacher Association met at the Eldorado Latin American school. The opening exercises of the program was singing The Eyes of Texas in both Spanish and English. Mr. Lorenzo Fritos, the first vice president, presided over the meeting in the absence of the president.

The constitution prepared and offered by the chairman of that committee was adopted with an additional clause to the effect that any officer absent for three consecutive meetings be replaced by election or appointment by the president.

A talk by Mr. Lorenzo Fritos on the importance of all working together was followed by Mrs. Davis explaining the need of funds for a library to provide books for both children and parents to read. As the third vice president had been absent, and sent word that he did not want to serve, Mr. Martin Garcia was selected for that office which makes him the chairman of the committee to raise funds. A donation was made of \$5.00 by Mr. Martin Garcia; others following.

Miss Annie Herbert, a teacher in the Eldorado schools, operated the moving pictures of The City of Mexico and Sunday in Mexico, which were enjoyed and appreciated by all present. Every one is invited to attend the next meeting on the second Friday evening in February.

CHANGING FOOD HABITS BUILD NATIONAL HEALTH

One of the most significant changes in American food habits in recent years is the rapid increase in milk consumption. According to the U. S. Department of Agriculture the average consumption of milk and cream per person in the United States during the decade from 1930 to 1939 was less than 325 pints per person, or less than .89 of a pint per day for each individual.

By 1943 milk and cream consumption reached 374 pints, the first time the Americans had ever consumed more than a pint per day each. The next year this consumption climbed to 392 pints, or 1.07 pints daily. The latest Department of Agriculture estimates are that milk and cream consumption will reach another high in 1945 with 411 pints for the year per person or 1.10 pints per person daily.

"Hey, Ref—aren't you out of bounds?"

In basketball or business, Americans expect fair play all down the line. In basketball, the referee is there to see that the game is played according to the rules. But he's not a player.

In business, the referee is the government, which establishes regulations for fair practices.

But when government goes beyond governing and into business and competes with its own tax paying citizens, the American tradition of fair play is set aside. The referee then becomes a player, and he takes advantages that are denied to all the other players in the game.

Take government-owned or subsidized electric power systems, for example. They pay no taxes. When they need money, they call on our U. S. Treasury funds and get it at little or no interest. If they have losses, through political management, why worry? You, as a taxpayer, will have to take care of that.

Business-managed power systems, on the other hand, do not have these special government privileges. They pay their full share of taxes, pay fair interest on any loans.

It is a tribute to American self-reliance that tax-paying, self-supporting companies supply over four-fifths of the tremendous amount of electricity used in this country.

The same forethought and experience which furnished the required electric power to win a global war will continue to assure America dependable—and cheap—electric service for a postwar world. And businessmen can do the job better than bureaucrats.
