Work Under Way On Ropers' Arena

Calf Ropers who join the organization by Saturday, April 20, will be counted charter members, according to decision made by the club in a recent meeting.

Those who expect to join by Saturday night are urged to turn in their names at once, as the fee will be higher after Saturday night. Minors may join with consent of their parents.

Immediate attention of members has been turned toward plans for building of the arena and preparing for an opening event, which will be announced soon. Enough members to assure building facilities have already been secured, but more members are desired to make club activities more interesting.

It is tentatively planned that three Saturdays or Sundays will be devoted to events for Schleicher ropers only, with one day per month open to the general public. The open date will be so selected, members state, that it will not conflict with dates designated by neighboring counties as open to the public. This will enable ropers of the Southwest to participate in each other's open events.

Construction of the arena, located in the locality of the Fair Grounds, started Tuesday, and is still under way today.

Regular meetings of the Calf Ropers Club are held each Friday night at 8:30 in the City Hall, and are always open to the public.

Present membership includes: Sam H. Henderson, J. F. Oglesby, Jr., Billy McCravy, Howard Belcher, J. H. Mace, W. F. Meador, Jr., N. L. Benson, Jack Montgomery, F. M. Bradley Jr., Ira V. Locklear, N. E. Britton, Jack W. Jones, Billy Green, A. C. Jeffrey, J. H. Luedicke, Jr., W. L. Kinser, Roy Boyer, C. L. Meador, Jr., Horace Linthicum, Robt. Nixon, A. G. Clark

15 Cars Cattle Shipped By Davis

W. A. Davis, Schleicher County ranchman, loaded out 15 cars of yearling cattle last Saturday to be sent to Kansas. Davis raises around 1,600 or more calves annually and has been a breeder of registered Herefords for more than 35 years. Each year he makes a shipment of yearlings to Kansas where he feeds them through the winter. This year, due to the shortage of feed, he will likely sell some of the cattle off the range.

Estimates of the weight of cattle loaded out this week was 500 lbs. This Saturday, Mr. Davis will ship 186 cows, most with calves at side, to a Kansas feeder.

Rodgers In California To Enter College

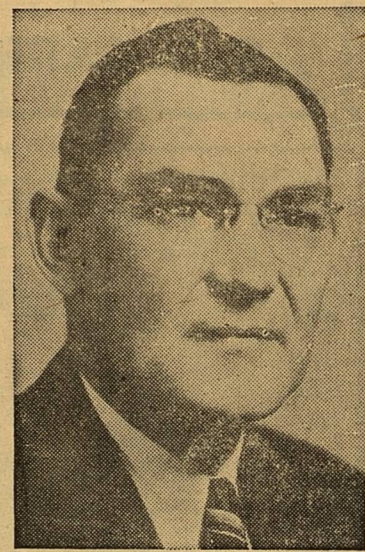

Raymond Rodgers, son of Mr. and Mrs. John Rodgers, left Tuesday morning for Los Angeles, Cal., where he plans to stay until next fall, when he expects to enter school at the University of California.

Another son, Cpl. John Edwin Rodgers, has just reported back to a hospital in San Antonio after a 30-day furlough spent at Long Beach, Calif., and here with his parents. Cpl. Rodgers received a broken leg in an accident in Alaska Nov. 5, 1945, and has been receiving treatment since that time. He is considered to be doing fine now, and will probably receive his discharge soon.

SNOW WHITE ARRIVES

Puddles, the Pekinese dog owned by Mr. and Mrs. Jack Elder, presented her proud owners with five puppies Monday—one of these is snow white, without one colored hair anywhere on its small body. Two of the pups are gold and two are black.

REVIVAL IN PROGRESS

A successful revival, characterized by good music, excellent sermons & large crowds is under way at the First Baptist Church this week, and will close with two big Easter services Sunday. Rev. Lawrence Hays, brother of the pastor, is doing the preaching.

COMPANY HONORS W. O. ALEXANDER IN DISPLAY AD

Another honor goes this week to W. O. Alexander, local representative of the Southwestern Life Insurance Co., when the company presents Mr. Alexander's picture in their regular display ad. Readers of this publication are urged to turn to this ad—to appreciate in full the extent of the honor accorded Mr. Alexander, as it will be noted the picture appears under the caption, "Helping to Build Texas."

Mr. Alexander, 28 years with the company, has spent all of this time in Eldorado and has written policies for people in Schleicher Co., and other places. He is also vice president and cashier of the First National Bank, and vice president of Howard Payne College, Brownwood.

Shearing Starts On Willoughbys Large Wool Clip

Shearing of the nation's largest individually owned wool clip was begun last week on the Schleicher County and Terrell County ranches operated by Ray Willoughby of San Angelo.

Mr. Willoughby estimated that the clip this year would aggregate approximately 300,000 pounds of wool, about 40 per cent less than the record clip of approximately 500,000 pounds early in the war years. He also plans to begin shipping the yearling sheep to market within about 60 days, or about 30 days after they are sheared.

Eldorado Receives Its First New Oldsmobile

Eldorado's first Oldsmobile—and the first display car shown here since the war—was driven into Eldorado Friday night by Dealer Ray Jones and placed in the show room at the Jones Motor Company, authorized Oldsmobile dealers.

The car, a faun colored 76 club sedan, with the new Hydra-matic drive perfected by General Motors, will be kept for display and demonstration until the company releases it for sale.

Arrival of the car caused some excitement in the Eldorado business district, and the new Oldsmobile has been inspected by crowds of people since Friday night.

Schleicher County has been late receiving a demonstrator, due to the fact that Jones Brothers were among seven dealers who signed up last for the agency, and were caught by the strike in the motor plant during the spring months. Work having been resumed April 1, the car came in only two weeks later. The new models are most attractive.

When peak production has been reached, an even dozen smart new body styles will complete the 1946 offerings. These will offer a wide selection in three series—the '66', '76-78' and '98', on 119-inch, 125-inch, and 127-inch wheelbases respectively, the first two with 6 cylinders and the last eight, with corresponding price range.

General Motors Hydra-Matic Drive, which affords fully automatic shifting through all four forward speeds and eliminates the clutch pedal, has been extensively improved during the war years and remains one of the most important features of the new cars. Hydra-Matic drive, of a type identical in principle with that employed in Oldsmobile, underwent rigid Army tests and proved its stamina and durability. Of all the cars produced by Oldsmobile in its 48-year history, the 1946 models are the most colorful, literally and figuratively. With production at the factory constantly increasing, many body styles and options are scheduled to

become available at an early date in wide range of color choices.

Throughout all series of the new Oldsmobile, car interiors reflect good taste. Upholstery fabrics are fine in quality, long-lasting and wearing. Both front and rear seats are wide, with ample cushioning for passenger comfort. Window areas are large and afford good visibility. Instrument panels group proper dials directly before the driver's eyes, contributing both to convenience and safety.

Many improvements, contributing to longer engine life and smoother and quieter car operation have been incorporated in the new 100-horsepower six-cylinder engines and 110 horsepower eights that drive the 1946 Oldsmobiles. The 1946 engines have new synthetic rubber mountings that are coated with a material that is impervious to oil and, for that reason, superior to natural rubber. Every mounting is rigidly tested to assure finest quality. A new higher rating thermostat is provided in the manifold, which raises manifold temperature and assures best possible engine performance with all grades of gasoline.

Exterior beauty of the new Oldsmobiles is enhanced by a number of intriguing developments. The radiator grille, about which many people in Eldorado have remarked, is entirely different from any previous design. It combines beauty and sturdiness with utility. It is made up of five different die-cast sections—the four horizontal bars and the base—all in gleaming chrome.

Bumpers of the new Oldsmobile are of the "wrap-around" type, curving gracefully and sturdily around the fenders and affording maximum protection against damage. The new hood ornament adds a definite touch to the car's beauty.

With resumption of work at the factory, it is expected that production will increase steadily. The Jones state that it will be a long time before they can fill their orders, due to popularity of the car.

LIONS MEET

Soil Conservationist Keng of Sonora showed a film on soil conservation at the Lions Club meeting Wednesday. During the business session plans were made to

attend the 3-day convention at San Angelo next month, and it was voted to make a down payment on a bus for the school. Rev. Lawrence Hays who is holding a revival here, was a guest.

Successful Senior Play Draws Large Crowd

Playgoers Friday night dropped over \$200 into the Senior Class purse, as a result of successful staging of their Senior class play, "Look Me in the Eye." The auditorium was packed with relatives and friends of the young people and the class netted a good sum as the result of sale of tickets—and an additional amount from between act sale of cakes, auctioned off by Bob Page, who appeared in his old role as auctioneer in better form than ever.

Coach and class sponsor was Miss Oma Ford, who also assisted publicity committeemen Edda Lou Meador, Alma Ruth Luedicke, Jean Meador and Johnnie Mae West with bang-up advance publicity. The play was presented smoothly, without a bobble, the young amateurs portraying their parts without a hitch.

Danell Baker, in a difficult character role, played her part as the maiden aunt with verve and animation and with such deadpan seriousness that she easily dominated many scenes in which she appeared.

Doris Calcote, as a hypnotized maid speaking only as instructed, also portrayed her character clearly. Dorothy Neill, suddenly transformed into a startlingly dark and hand-

some brunette "furriner," presented her part, accent and all, smoothly and convincingly. Completely at home in their major parts were Lillian Ellington, newlywed, and Betty Sproul an engaged young friend of the newlyweds.

Wanda Dannheim and Tommy Green, as Pernicious and Anemia, the colored help, captivated their audience with their spontaneous reactions to the numerous ghosts and other unexpected apparitions who moved in and out too often for their comfort.

J. D. Yardley as Gideon Gumen, Susie's faithful "finance," Hal Whitten as the crotchety and ailing wealthy uncle, and Lilburn Hazelwood as Prof. Paxton, professional hypnotist whose special knowledge was utilized to get the crowd out of a jam, all played their parts without miffing a line or bungling an exit.

Straight young men parts were ably taken by Howard Mittel and Stuart Williams who portrayed their major roles with ease and finish.

Fortune—in the form of good weather and absence of unexpected last-minute set-backs—favored the young people through practice and presentation of their play.

Memorial Park Is Voters' Preference

Night Football To Be Saturday

It will be Exes vs. Eagles in the first football game ever played here on a lighted court at Fair Park, Saturday night beginning at 8:00 o'clock.

Football enthusiasts have been at work this week ironing out last minute hitches in arrangements. By Wednesday noon every detail had been planned, hence the sudden release of publicity and whirlwind advance sale of tickets (price 25c and \$1.00).

The event, sponsored by the Lions will provide funds for purchase of an all-purpose 48-passenger school bus, to be used for transportation of school groups to and from various school activities. It is expected that the bus will be on the grounds by fall—so state the Lions who always put over a project when they put their combined shoulder to the wheel.

A record-shattering crowd is expected Saturday night. Advance information indicates that they are coming from every mesquite flat and bone dry lake bed and river valley of the Southwest.

Baseball Friday

On Friday afternoon at 3:30 o'clock the first High School baseball game of the season will be played with a doubleheader between Ozona and Eldorado teams. The first game is to be played between the Ozona High School B team vs. Eldorado B with five innings. The second game will be the Ozona High School A team vs. Eldorado High School A team. These games will be played on the baseball field north of the courthouse.

BASEBALL SEASON OFF TO A START WITH SUN. GAME

The baseball season got off to a good start with some 40 or 50 cars of spectators watching the opening game last Sunday afternoon at the baseball field north of the courthouse, in which the town team proved victorious over the high school team with a score of about 20 to 2.

With interest growing, future games are being planned with Mgr. Johnny Luedicke announcing that his town team will play the Eldorado Colored team next Sunday afternoon, April 21 at 3:00 o'clock.

The following is the starting lineup for the game last Sunday:

Town Team	pos.	H. S.
Oran Doty	c	Frank Doty
Jack Griffin	p	Bill Humphrey
E. W. Perry	1b	Joe Whitten
Farlan Otterbury	2b	C Sproul
L. A. Goss	3b	Tommy Green
Lyndon Isaacs	ss	Howard Parker
Harold Isaacs	lf	Jack Hodges
Wilbert Paull	cf	Billy Whitley

FINNEGAN IMPROVES

Ed Finnegan is resting fairly well in a San Angelo hospital following a blood transfusion given him on Monday. The blood was donated by Jack Hext, and others of the same type of blood who accompanied Mr. Hext to San Angelo for the transfusion, were Jack Whitten and Willie Bridgeman.

Becoming seriously ill at his home here recently, Mr. Finnegan was carried to the hospital last week.

PIANO PROGRAM

Miss Mollie Turner will present three of her pupils and five former pupils in a program April 28. The public is invited to attend.

Schleicher County's eligible voters indicated preference for a municipal park over a memorial hospital in the "straw vote" polled by the committee during the past week, thus paving the way for preparing and presenting of a petition for a bond election.

Votes were counted Monday as follows:

Total vote	565
For Park	322
For Hospital	243
Majority for Park	79

About 965 cards had been mailed out to eligible voters to determine the sentiment of the majority, and over half were mailed back to the committee with a choice indicated.

It is probable that a petition for a bond election for the park will be presented at the May session of the Commissioners' Court, and if granted will be presented as soon as possible to the public.

The architect's drawings for the memorial park call for a tile building including rooms for various organizations and a swimming pool.

TWO CHURCHES TO PRESENT EASTER CANTATA

"The Glory of Easter," a cantata by the joint choirs of the Presbyterian and Methodist Churches will be presented at the Methodist Church at 8:00 o'clock on Easter night. Miss Mae Ellington is the pianist and James Faust is replacing Mrs. James Page, who until her recent illness, was the director. W. F. Meador and W. M. Patterson are the ushers and Mrs. T. K. Jones is in charge of the decorations.

The program will open with the prelude and a hymn by the congregation, followed by the Easter Story from Luke 24:1-12, by the Rev. F. B. Faust, and a prayer by the Rev. J. A. Carriker.

The Cantata will include ten numbers, and solo and duet parts will be taken by Mrs. Luke Thompson, Mrs. Leola Cartwright, Mrs. Margaret Tinning, Misses Betty Jo Bryant and Patsy Ballew. A solo "Calvary" by James Faust will also be included on the program.

The choir personnel includes: Soprano section, Misses Betty Jo Bryant, Jo Ann Bearce, Mary Lillian Ellington, Margaret Hicks, Edda Lou Meador, Joyce Ann Van Horn, Joy Winters, Mmes. Reuben Dickens, Jim Finley, S. D. Harper, Keno Ogden, Robert Page, Margaret Tinning, Luke Thompson and John Williams. Alto section: Misses Patsy Ballew, Emily Ann Harper, Marselaine Patterson, Mmes. Leola Cartwright, F. B. Faust, Fred Gunstead, Will Isaacs, Coralie Mebane, and Frank Van Horn.

EDNA DOTY WEDS BENNIE JOE DOTY AT ANSON RITES

Mrs. Edna Doty, widow of the late Robert Doty, was married to his brother, Bennie Joe, recently of the Marines, at 2:00 p. m., April 10. The officiating pastor was Rev. K. W. Horn who performed the ceremony in the parsonage of the Baptist Church at Anson. The couple were accompanied by the groom's brother, J. B. Doty and his wife of Stanford, in whose home the couple have been visiting.

A wedding dinner served Sunday at the home of Mr. and Mrs. J. B. Doty, was attended by the following from Eldorado: Mr. and Mrs. E. M. Doty, their sons Carol and Kenneth, and a third son, Emory and his children and a grandson of Edinburg, who were visiting here.

The bride has been taking a nurse's course at San Angelo during the past year and a half, and the groom has been in the Marines until his recent discharge. They have not yet announced their plans.

Results Count..

IN THE CATTLE BUSINESS, same as anywhere else—a ranchman may have a wonderful-looking bunch of cows and good-looking bulls. If they do not nick, the results are apparent both in the show ring and in commercial auction sales. That is, even with good pasture, chemicals, water and feed, it takes proper handling and management.

The same conditions apply to the electric business. Miles of well-constructed transmission lines, neatly-kept substations and impressive generating stations do not complete the service of an electric company to its community. It takes folks seasoned in the "know how" of their business to render proper service and steeped in the customs of this section to sell this section's advantages to the nation.

Employees of this company are proud of their West Texas ancestry, and of their part in rendering, in addition to electric service, community service worthy of this great section.

Sunday dresses and suits: Juanita McAlpine, Vera Faye Biggs, Mary Lillian Ellington, Patsy Ballew, Patsy Wade, Imogene Rampy, Carolyn Montgomery, Louise Kuykendall, Jerry Blaylock, Wanda Dannheim, Wenonh Sudduth, Charlene Edmiston.

Evening gowns: Alma Luedecke, Margaret Hicks, Juanita McAlpine.

Sport clothes: several of above. Pages were Joyce Ann Van Horn and Ebba Ann Finley. During the show Frankie Thompson played the piano, a trio composed of Vera Faye Biggs, Patsy Ballew and Frankie Thompson sang "Easter Parade" and Miss Biggs sang a solo.

The business session was opened by Mrs. Edwin Jackson, who presided during opening preliminaries, greeted guests and after invocation by Rev. J. W. Carriker, reading of minutes by Mrs. Ellington and the room count, introduced Mrs. Arthur Mund who reported on the San Angelo district meeting. Mrs. Van Horn and Mrs. Palmer West were commended on behalf of their scrap book and year book committees, both the scrap book and year book having been given high recognition at the meet.

Refreshments were served in the home economics rooms.

H. R. (Hop) Ashmore has been moved to his home at Ft. Stockton from an El Paso hospital where he underwent surgery recently for a broken leg. The limb has been placed in a cast which he will wear for eight weeks, with the leg elevated for six weeks of the time. He is reported to be doing nicely. Mr. and Mrs. Gordie Alexander and daughters, spent the past week end in San Antonio visiting with relatives.

Mrs. W. F. Meador Is Party Honoree

Mrs. W. F. Meador was honored on her birthday anniversary when a group of friends surprised her with a party Monday evening in the dining room of the Hotel Eldo. The honoree, who was attending the picture show, was called to the hotel, and on arriving, was greeted with "Happy Birthday" sung by friends gathered there. An impromptu musical program and opening of the many nice gifts by the honoree furnished entertainment for the group.

Punch and angel food cake was served from the linen covered table centered with a large bouquet of peonies. Approximately 40 were present.

W. G. McAlpine and son Pat of Eldorado and Bill Ratliff and Mr. Buchanan of Robert Lee went fishing this week on Devils River.

Supt. Reynolds and Lester Baker went to Austin Tuesday on business for the school. Their wives accompanied them.

Mrs. Bill Ratliff and daughter of Robert Lee have been visiting Fay McAlpine and other Eldorado relatives this week.

Mr. and Mrs. Tobe Whitley of Junction, have been visiting their daughter Mrs. Gene Koy and her husband.

Dr. and Mrs. Malone Hill and family of Alpine are visiting here with their parents, Mr. and Mrs. D. C. Hill. Dr. Hill has just returned to the States from overseas duty with the Medical Corps.

A Western theme will be carried out in the annual Junior Senior banquet to be given in the school gymnasium Saturday night. The dinner will be served by J's Cafe.

The Eldorado school board has accepted the resignation of Mrs. James Page as public school music teacher due to illness. No one has yet been elected to the vacancy.

Mrs. O. F. Harlow of Denison is a guest this week of her sister, Mrs. W. C. Doyle and her father, G. H. Davis.

Further Instructions on Use of DDT Given

By Co. Agent Godwin

In general a water spray made by using 1 lb. of 50% DDT powder in 100 gals. of water gives control of most flower and ornamental insect pests without injuring the plant or flowers.

DDT is not effective on these pests: red spider, mealy bugs, and aphids. These insects are mostly the ones playing havoc to shrubs, garden plants and in some instances, fruit trees.

Insects common to Schleicher Co are listed below. Following each name is the answer to the question, "Does DDT offer better control than other insecticides?" Where the answer is "no" the name of a more effective insecticide is given.

Thrips, yes, 3% dust.
 Flea Hopper, yes, 5% dust.
 Plant Lice, no, use nicotine.
 Red spider, no, sulphur better.
 Boll weevil, no, use lead arsenate.
 Boll worm, yes, 4% dust.
 Leaf worm, no; calcium arsenate
 Stink bugs, yes, 4% dust.
 Grasshoppers, no, use bait.
 Pecan Nut case borer, questionable.
 Curculio worm, no, lead arsenate
 Borers, no.
 Peach twig borer, yes, 1 lb. 50% powder 100 gal. water.
 Ants, yes, 3% dust.
 Leaf hoppers, yes, 3% dust.
 Squash borer, yes, 3% dust.
 Sow or pill bug, yes, 3% dust.
 Tomato worm, no.
 Wire worm, no.
 House flies, yes, 5% spray.
 Mosquitoes, yes, 5% spray.
 Bedbugs, yes, 5% spray.
 Fleas, yes, 5% spray.
 Cockroaches, no, but 10% dust or 5% spray about as good.
 Horn flies, yes, 2% or 1%.
 Cattle Lice, yes, 2% of 1%.
 Stable flies, same as horn flies.
 Chiggers, no, but 5% dust on lawn is as good sulphur.
 Termites, no, but 10% dust of 5% spray as good.
 Bag worm, no, lead arsenate is better.
 White Flies, yes, 3% dust or

spray.
 Chicken lice, no, sodium fluoride is better.
 Blue Bug, yes, 10% dust or 5% spray.
 Horse fly, no.
 Sheep and Goat lice, yes, 2% of 1%.
 Sheep tick, yes, 2% of 1%.
 Ear tick, yes, 5% spray.
 Cattle Ticks, yes, 2% of 1%.
 Heel flies or grubs, no, Rotonne is better.
 Screw worm fly and worm, no, Smeer No. 62 is better.

1 oz. of 3% DDT per 100 lbs. protects seers from insect.
 Storage places can be cleaned up of insect pests by spraying with 5% spray solution before the seed or grain is put in storage.
 Treating bags before filling with seed or grain in a 10% DDT solution will prevent insect damage.

COUNTRY WOMANS CLUB MEETS WITH MRS. GRAF

"The Selection and Care of Electrical Equipment" was the program given when the Country Womans Club met in the home of Mrs. Herbert Graf on Wednesday, March 27.

The meeting was called to order and presided over by Mrs. Raymond Dickens, president of the club. Roll call was by Mrs. Gordie Alexander with each member answering to "my best color."

After the business meeting "the selection and care of electrical equipment" was given with Mrs. Savola Bolt and Mrs. Fred Gillaspay leading the discussion, aided by a booklet on the subject secured from the West-Texas Utilities Co. Stress was placed on the fact that all loose nuts, bolts and connections should be tightened at the first signs of looseness. Another good point brought out was that a drop or two of oil will keep down to a minimum the wearing of parts.

The electric refrigerator, roaster oven, waffle iron, sandwich grill, washing machine, iron, vacuum cleaner and fan were discussed. Present for the meeting were six members, two visitors, and seven children.—Mrs. F. O. Prochaska, reporter.

Mr. and Mrs. Earl Ralston of Dallas were guests over the weekend in the home of her parents, the Rev. and Mrs. F. B. Faust.

Latin American PTA Meets Last Week

Last Friday evening the Latin American Parent Teacher Association met at the school for the regular April meeting. A short program given by the intermediate pupils opened the meeting as follows:

Reading of Stevenson's The Wind by Lydia Minor.

Play of Visitors from Other Nations, by Mary Santos, Elida Hill, Ramiro Minor, and Antonio Flores

Reading, It Is Spring, by Sara Rivera.
 Discussion of the moving of the school house to the upper side of the sloping half-block of school ground that has recently been leveled and filled in by the patrons of the school, was engaged in by almost all of the members present and approved by them to be done during the summer vacation. A suggestion was made that the moving be done after the plans for building more rooms is decided.

Officers elected to serve during the term 1946 and 1947 were: Frank Basmans, a veteran of World War 2 was chosen president; Lorenzo Frutos was elected 1st vice president, and will be chairman of the program committee; Mrs. Amelia P. Torrez was elected 2nd vice president, and will be chairman of the membership committee; Martin Garcia was elected 3rd vice president and will be chairman of the ways and means committee. Luis Hippolito was again chosen treasurer, and Mrs. Mariana R. Lopez was re-elected secretary.

Eighteen subscriptions to The Eldorado Success were reported by Martin Garcia, half of which price will go into the P. T. A.

Mrs. W. M. Davis announced that a program will be given in May to commemorate the Independence of Mexico from European interference

Child Celebrates Her 4th Birthday

Jean Bounds was honored on her fourth birthday anniversary when her mother, Mrs. Calvin Bounds entertained with party at the Roadside Park Tuesday afternoon, April 9th. Games were played and refreshments served to 12 children and Mrs. E. T. Turnbow, Mrs. W. E. Turnbow, Mrs. Clovis Taylor and the hostess.

Mr. and Mrs. Fred Gunstead will meet their daughter Mary Lee at San Angelo today. She will be at home from Canyon for the Easter holidays.

Mrs. Pennington Is Shower Honoree

Mrs. Jerry Pennington was honored with a layette shower by Mrs. J. H. Mace and members of the Eldorado Home Demonstration Club in the home of Mrs. Mace on Thursday afternoon, April 11.

Mrs. Palmer West led the program which included a reading, "Pink and Blue" by Mrs. E. H. Coulter and two songs, "Birds in the Night" and "Mighty Lak a Rose" by Mrs. Thorpe Parker. Mrs. L. D. Christian directed a game in which Mrs. Pennington won the prize, a baby doll. Mrs. Parker played "Easter Parade" while Riedale West and Becky Mund presented the gifts to the honoree in a doll carriage decorated in pink and white crepe paper. Other children in the parade included Mary Jo and Ruthie Parker and Iretta Faye Mace.

Refreshments of pink ribbon sandwiches, pink punch, cookies and nuts were served from a lace covered tea table centered with a bouquet of pink roses surrounded by miniature birds and a deer.

Following the program, a short business session was led by Mr. Christian, club president.

Gifts were received from 16 club

members and the following guests, E. Jones, Iretta Faye Mace, and Mmes. Jack Etheredge, Parker, Mary Jo and Ruthie Parker.

Now... no wheat used in beer or ale

And wheat alone can solve the problem of feeding the world's hungry

Actually wheat has never been a large item in the brewing process—only $\frac{8}{10,000}$ of the entire U. S. wheat crop was used in 1945:

In accordance with United States Government policy, the brewing industry has used no wheat whatever since March 1, 1946.

OTHER MATERIALS CUT 30%

The other grains used have been reduced by 30%—that is, to 70% of the 1945 amount.

Wheat alone can solve the problem of feeding the hungry. The grains to which the industry is now restricted, are of a variety and grade not normally consumed by the people of the world as food.

LESS BEER AND ALE

Altogether, the brewing industry is using 30%

less materials than in 1945. This results in a proportionately lower production. But since the current demand for beer and ale is about 25% greater than a year ago, the real shortage is nearer 50%.

Consequently, your dealer will not be able to supply you with all the beer and ale you would like. We know you will understand the reason for this.

Your attention is earnestly directed to the recommendations of President Truman's Famine Emergency Committee, which are summarized in the box below.

This statement tells in clear, simple terms what each of us individually can do to help during the emergency.

What the President's Famine Emergency Committee asks us all to do

1. Save and share wheat and fat products . . . Go light on all foods that take wheat, fats and oils—save breads, macaroni, cakes, cookies, pastries and deep-fried foods. Use drippings for pan-frying. Save salad oil—use boiled dressings.
2. Buy and serve more plentiful foods . . . Balance diets with the more plentiful foods, such as potatoes, fresh fruits and vegetables.
3. Waste NO food . . . Dress up today's leftovers for tomorrow. Make every crust count with melba toast, crumb-toppings, bread puddings and stuffings. Take no more than you can eat. Clean your plate. Turn in unusable fat salvage promptly.

SCHOOL STUDENTS PLANT 14 TREES AS MEMORIAL

Cooperating with Schleicher County's beautification project as a living memorial to our service men, students from the Grade and High schools, assisted by teachers and Mrs. E. W. Mund, chairman of the school project, planted 14 trees on the school grounds Monday and Tuesday of this week. These included 4 red buds, 4 senecias and 6 crepe myrtles, and plans are being made to set out more at a later date. The trees were planted in pairs symmetrically about the school buildings.

The tree planted by the 8th grade was dedicated to the memory of S-Sgt. Robert E. Doty, whose brother, L. D. is a member of the class.

MRS. CRAIG LOSES HER NEW HOUSE IN TIDAL WAVE

In a letter to her mother Mrs. Geo. Williams, dated Honolulu, April 3, Mrs. Margaret Craig tells of the destruction of their new home by the tidal wave.

She was awakened when her bed crashed through the wall into water. The maid, already up with the baby, saw the wall of water coming and screamed. Mrs. Craig managed to save her baby Sandra by holding onto a coconut tree as wave after wave washed over them and the maid also escaped. Eventually they were picked up, all suffering from shock, and taken to a make-shift hospital.

Mr. Craig had been in town, also the couple's daughter Ruth. While all escaped with their lives, they saved none of their possessions except their car.

The house was new, and the couple had not moved quite all of their furniture into it when the wave struck. They are turning their business over to a partner and are coming back to the States to make their home.

GOOD NEWS

A glorious time was had by all who attended the services at the Fundamental Baptist Church last Sunday. Rev. Oscar Wells, our returned missionary, brought a very inspiring message.

We had an old fashioned meeting brought in the old fashioned way, where formality was forgotten, where sinners were saved, and Saints made to rejoice. As the result of these services thirteen people found Christ precious to their souls. Seven were baptized Sunday night, and there will be another baptismal service next Sunday night, April 21.

As pastor of this church I sincerely believe that the one thing needful for the age in which we are living is for the churches of America to return to the preaching of the old time gospel in the old fashioned way.

The message for Sunday morning will be "All for Me." Sunday night we will be speaking on "What We Believe." Come and bring a friend. Rev. D. I. Miller, pastor.

The Eldorado High School has again been accepted by the Southern Ass'n of Secondary Schools, according to word received by Supr. Reynolds this week.

CARD OF THANKS

We wish to thank all of our friends for their kindness and help at the loss of our dear wife and mother. May God bless each of you. W. E. Price and children.
