## STATE H. D. TO TOP THREE BUSINESS BLOCKS IN CITY

Three business blocks in Eldorado will receive new blacktop beginning about May 15, the highway department notifying the city officials that they would bring in their topping equipment on that date.

It is not known when the blacktopping of the Menard highway will start, but it is conjectured that, with equipment on the ground, the state will go on with that strip after the business district is completed. According to previous agreement, the highway department will also pave the block in front of the post office.

In preparation for topping of the 3 city blocks, Lum Burk has been directing a crew of men in cleaning and washing the streets.

## ELDORADO WINS 1st CONF. GAME WITH MAVERICK

Minus Love at infield and Isaacs at outfield, Eldorado's baseball nine gave spectators a scare thru eight innings but rallied to take home the long end of a 9 to 6 score in their game with Maverick last Sunday.

The victory gives the boys a good start for the season, as it was the first League game. The tilt was characterized by good officiating and excellent sportsmanship.

Eldorado played men on base in each inning except the 6th, but Whip Faul was the only man to score for Eldorado before the 9th.

Eldorado then staged a rally which paid off.

Bob Faught had started in the box for Eldorado with Ray Alexander catching, but partly due to slack support Maverick scored 3 runs off of Faught, Kerr relieved him and received better support, holding them scoreless until the last half of the 9th, when a Maverick rally brought in 2 runs. Griffin relieved Kerr and retired the side before any more damage was done.

R. J. Alexander did some fancy catching in the last four innings.

The outcome of the game upset the dope in the Maverick locality. The little town has few business houses, but is long on husky ball players, and the entire countryside there had expected the hand picked Maverick boys to win.

The first home conference game will be held here Sunday afternoon with Eola. As Eola has been an old rival of Eldorado since early days when Ollie Alexander was a star performer, a big crowd is expected to turn out.

Here are Eldorado's players for last Sunday: Martin 1b, Halbert 3b, Goss cf, Griffin 2b, Kerr ss, Faught p, Perry rf, Alexander v, Logan lf, Ottaberry lf.

## New Petty Office in Robinson Bldg.

The Petty Geophysical crew are coming in a few at a time from Canadian, with indications that many of the men will be here in another week.

The crew have established an office on the second floor of the Robinson store building.

Clifford Schooley and A. G. McCormick are among the recent arrivals here.

## Local News Items

Jackie, small daughter of Mr. and Mrs. Jack Shugart, has returned from a three weeks visit in Dallas with her grandmother, Mrs. Bertha Shugart and other relatives.

Mr. and Mrs. E. H. Topliffe and family spent the week end at the Boy Scout Lodge near Merton.

Marion Wade is reported to be improving at a San Angelo hospital.

The Methodists had a yard working bee at the church Wednesday afternoon, following by a supper and choir practice for Sunday's Mothers Day service.

## Mothers Day Services At Local Churches

Special Mothers Day services will be observed Sunday at the Methodist Church at 11 a. m. with a sermon on "Mother's Rights" by the Rev. F. B. Faust, an anthem by the choir, and recognition of mothers present. Pot plants will be presented to the oldest member mother present, one to the mother present having the largest number of relatives present with her, and one to the member mother traveling the greatest distance to be present.

At the First Baptist Church, Darrell Tapley, ministerial student from Howard Payne College, who is in charge of the Latin American Mission Church here, will preach at 11:00 o'clock, using the Mothers Day theme for his sermon. Roses will be pinned on all mothers present, and music will be presented by the choir.

The Rev. DeVoer, pastor of the Fundamental Baptist Church, will hold preaching services at 11:00 a. m., with Sunday school at 10. The young peoples meeting will be at 6:30 and evening services at 7:30 p. m.

## LADIES NIGHT IS PLANNED BY LIONS CLUB

Mrs. Leroy Train, the former Winnie Jean Steward, now of Chattanooga, Tenn., entertained with several trumpet solos at the Lions Club meeting Wednesday. She was accompanied by Frankie Thompson. In the business session, W. M. Patterson's resignation as secretary treasurer was accepted, and L. A. Goss was elected to this position. Announcement was made of ladies night next Wednesday evening, May 14 in the school gymnasium. This will take the place of the regular noon meeting. Supper will be served by the Home Ec classes and an athletic program will be presented by the school.

The following fourteen members were presented perfect attendance awards for the past nine months period, ending April 22: E. W. Brooks, L. B. Burk, E. H. Coulter, Lum Davis, H. E. Finnegan, L. A. Goss, E. C. Hill, L. M. Hoover, Jack Hext, W. M. Patterson, Jerry Pennington, Joe Wagley, Jimmie West, and Carroll White.

Other visitors at the meeting included Will Steward of San Angelo and H. W. Scott.

## OGLESBYS VISIT BOBBY IN STEPHENVILLE HOSPITAL

Mr. and Mrs. Sam Oglesby returned Tuesday night from Stephenville where they were called last Saturday when their son, Bobby, was injured when thrown from a Brahma bull which he was riding in the annual all-Tarleton rodeo.

Bobby received nine broken ribs, numerous bruises and painful soreness, causing him much suffering, his parents state. However his condition has improved, and they feel that he is out of danger unless further complications arise. He will be confined to the hospital for about two weeks. Mr. and Mrs. Oglesby plan to return to Stephenville about Friday.

## LEGION NOTICE

The American Legion meeting has been postponed from Thursday May 8 until Thursday, May 15, at 8:00 p. m. All members are urged to be present.

## CARNIVAL COMING

The American Legion will sponsor appearance of the Borderland Carnival here a week early in June.

## BAND PARENTS TO MEET

New officers will be elected at a meeting of the Band Parents Club Thursday (tonight) at 8:00 p. m., in the band room at the school. All members are urged to attend.

Mr. and Mrs. R. T. Hazzard left Saturday for their home in Shreveport, La., after a week's visit in the home of Mr. and Mrs. D. C. Ogden Wilson.

Mrs. A. J. Atkins was among those attending the San Angelo District Woman's Conference of the Methodist Church in San Angelo last week.

W. R. (Bill) Word continues to improve in a San Antonio hospital following a major operation which he underwent recently.

## NIGHT SESSION DRILLS PARENTS IN THEIR 3 R's

Parents, grand parents, aunts, uncles and cousins of Schleicher County school students squeezed into school seats which for some reason were smaller than they used to be, or occupied chairs or standing room, in classrooms of Eldorado's two buildings Tuesday night, in response to the school's invitation to Parents' Night.

A combination of reasons had brought them out: Teacher and little Johnnie had urged them to come; they had wanted to visit the school and to do so en masse was less conspicuous, everybody was going; what the school does concerns everyone—but, most important of all, the realization that in an increasingly competitive world an education is an essential thing, and that the child MUST have more of it than his parents had.

The grown-ups visited classes throughout the two buildings, then an hour later filed into the gymnasium, to talk over school problems.

After Senior play skits, H. S. Principal Peyton Cain talked on "What it Takes to Make a Good School," stressing three necessary factors: a student who wants to learn, parents who want him to learn, and a teacher who wants to teach; concluding with emphasis on need of correct student, parent, and teacher attitudes.

Supt. Reynolds explained the state's 5-year program: every teacher trained for her job; minimum salary from \$2,000 up; a 12-month school schedule which includes summer recreational program—and he recommended local improvements: an adequate and well equipped building; adult education; education on the junior college level; better handling of the exceptional pupil; a kindergarten; a health nurse; improvement in home ec facilities, and introduction of manual training. He submitted a financial statement for the current year and pointed out that more money will be needed for next year if increased salary and operating expenses are to be met.

Refreshments in the home ec rooms concluded the evening's entertainment.

## Presb. Revival Closes On Sunday

Dr. Frank Weedon, state evangelist, closed a successful meeting at the First Baptist Church Sunday evening, with baptismal services for 18 new members, fifteen of whom were present. Six members were received by transfer of letter, three by other conversion, and 38 rededications of life.

A genuine revival with far reaching results was experienced by those attending, it was reported. Song services were inspiring with Mrs. J. M. Hays in charge of the music. Dr. Weedon is former pastor of the First Baptist Church at Denton.

## ROAD BEING WORKED

Co. Commissioner Edgar Spencer has the county road equipment out on the old Ozona road. Starting between the Tom Alexander and Irving Mund places, the work will be done first on the worst spots in the road.

## EDDIE OHLENBURG FALLS FROM CAR

Eddie, son of Mr. and Mrs. A. L. Ohlenburg of McCamey, suffered minor cuts and bruises when he fell out of a car on the street here Saturday afternoon. Mrs. Ohlenburg was leaving the Presbyterian Church, when in turning a corner, the car door came open, throwing the child out. He was not seriously hurt, and Mrs. Ohlenburg, Eddie and Johnny were able to return home Monday after spending the week end here with their parents and grandparents, Mr. and Mrs. Tom Jones.

Mr. and Mrs. Thomas Baker and daughter, Doris spent the week end in Big Lake visiting with Mr. and Mrs. Polk. Mr. Polk is a former army buddy of Mr. Baker.

Postmaster E. W. Brooks will spend Friday and Saturday at San Angelo, attending the postmasters convention, and will go on to Bangs to spend Mothers Day with his mother.

## MAN PAYS FINE FOR POSSESSING LIQUOR FOR SALE

Pablo Burrola, local Latin American, paid a fine Tuesday of \$150 plus costs, after pleading guilty to a charge of possessing beer for sale in a dry county.

The raid was made Saturday night by Liquor Control Inspector Gerald Black of San Angelo and Deputy Sheriff Floyd Spurgers, who found 11 cases of beer behind a partition in the Burrola grocery store in Eldorado's Latin American quarters.

His fine was \$150 plus costs—about \$25.

## JONES ELECTED NEW PRESIDENT CEMETERY ASSN.

T. K. Jones was elected president of the Eldorado Cemetery Association, replacing Ben Hext, whose resignation was accepted, at a meeting of the organization last Saturday afternoon. New directors elected included Ben Hext, and S. L. Stanford. Other officers are: H. T. Finley, vice president; Leslie Baker, treasurer; Ruth Baker, secretary, and directors include Mmes W. M. Davis, Bert Page, R. A. Evans, Tom Jones, and L. M. Hoover, and the two named above.

At a future meeting, the association will make plans for the purchasing of additional needed equipment at the cemetery.

## WESTERN MOVES ANOTHER ROTARY TO LOCAL FIELD

Western Drilling Co., has moved in a rotary to take over drilling of Al Grobl of San Angelo No. 1 Jess Koy, after Zentlock of Odessa, under subcontract with Western, has finished the surface hole. Location of this test, scheduled to drill to 6,000 feet, is 1 mile north of Page field, CNW SW 34-L-GH and SA.

A Schlumberger on Cooper No. 3D Bert Page (C NE NE 39-L-GH and SA) was followed by cementing 7 inch casing and perforations will be made opposite indicated pay. This is a south offset to Cooper 4A Koy, completed.

After 5,000 gallons of acid had been used to treat Cooper Gas Co. No. 1C Jess Koy, seven inch pipe cemented at 5884 was to be perforated above 5600 feet. This test is C SW NE 38-L-GH & SA.

Whether F. A. Callery No. 1 Sam E. Jones will make a producer is still not known, but there have been no shows in the first two tests. This wildcat is 8 miles southeast of the Page-Koy field, and is in the C SW SW 31 K GH & SA.

## MEXICAN CELEBRATION IS PASSED QUIETLY

Cinco de Maya, a national holiday in Mexico, was celebrated quietly by Eldorado's Latin Americans, reports the Sheriff's department. Many from here attended the celebration in Sonora, and there was no conflict with the law in either town, it is reported.

## OLD METER DEPOSITS MUST BE EXCHANGED

Some of Eldorado's gas users have responded promptly to the city's plea for gas patrons to trade in their old Rio gas deposits in exchange for new ones.

City Gas Manager Palmer West points out that those who have not done so must attend to this matter by the 10th. There is no charge for the exchange—the city makes a new record of the payment.

## NEW EQUIPMENT AT TRIGG'S

After days of labor and some blasting of rock, Charlie Trigg Motors has installed a new hydraulic lift which is now in operation, with J. W. Hawkins in charge. Mr. Wates has recently been added to the mechanical crew, and Nat Blaylock has been put in charge of the laboratory test set and distributor tester.

H. T. Finley will return home soon from a San Angelo hospital where he has been undergoing treatment. He is much improved.

James Sloane is a new mechanic at Charlie Trigg Motors. Milton Baugh has a new Studebaker pickup.

## Weedon Closes Baptist Revival

A week of revival services closed Sunday evening at the Presbyterian Church with good crowds hearing inspiring messages by the Rev. F. E. King of Edinburg. One new member was received on profession of faith, and one infant christened.

Mrs. King assisted with the song services, and Mrs. F. B. Faust was the accompanist.

A barbecue dinner for the congregation and visitors with the Rev. and Mrs. Faust and the visiting pastor and wife as special guests, was served at noon Sunday.

## INFANT DIES

Word has been received here recently of the death of Bryan Leslie, four-month old son of Mr. and Mrs. John Gorczynski of Utica, N. S. The baby died April 16 in a hospital there after an illness of only a few days.

Mrs. Gorczynski is the former Marguerite Clark, and the baby was a grandson of Mrs. C. S. Chick, former Eldorado resident, who now lives at Winters.

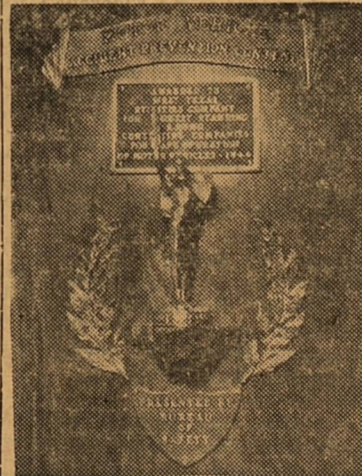

## REA SECTION A IS COMPLETED BY TAYLOR CREW

The last ten miles of Section A of the Southwest Texas Electric CoOp has been energized this week, providing current for four customers on the 4-mile and 6-mile strip on which Taylor Construction strung wire this week.

Following a routine check by an inspector, current is now being furnished to three new customers in Schleicher Co. Mr. Robinson on McIntosh Ranch, McIntosh Lower Ranch, and Joe Logan, and one, the Treadwell Ranch, in Menard Co.

The CoOp has been delayed many months in completing Section A, due to shortage of wire.

## W. TEX. UTILITIES RECEIVES AWARD FOR SAFETY

The West Texas Utilities Company, in establishing a record of over three million vehicle miles of operation with only 23 minor accidents, was named as winner of the first division of the 1946 national Vehicle Accident Prevention contest according to a recent announcement by the Bureau of Safety.

Competing in the contest were companies located in Kentucky, Oklahoma, Illinois, Wisconsin, Arkansas, Louisiana and Texas, having a total mileage operation in excess of 25 million vehicle miles.

In presenting the trophy awarded to the winner, Buford B. McCulloch of the Bureau of Safety, praised the West Texas Utilities Company's winning record as outstanding; pointing out that the average accident ratio of all competing companies was 48% higher than that of the West Texas Utilities Company.

In extending congratulations to the entire personnel of the West Texas Utilities Company upon the achievement of this remarkable safety record, Price Campbell, president, said "The winning record of the West Texas Utilities Company could be established only thru the loyal support and cooperation of the entire organization. We take great pride in this further accomplishment."

A. F. Greele, who has been seriously ill in a San Angelo hospital, is improving, according to reports.

## CARR TO OPEN PHOTO STUDIO IN PATTON BLDG.

Bernard Carr has rented the old Patton office and is making extensive changes and improvements on the interior in preparation for the opening of a photograph studio about June 1st. He already has secured most of his photographer's equipment, which he will install as soon as remodeling is completed.

After his discharge from service last year he returned to his old job at the West Texas Woolen Mills, where he will continue to be employed, doing his work at the studio after his working day at the Woolen Mills is completed.

Mrs. Corene Morris, daughter of Bill Allen, will assist in the studio and do re-touching, tinting and lab work.

## MANY EVENTS SCHEDULED FOR SCHOOL CLOSING

**Exams**  
Final examinations will begin May 21 and continue through May 23 which will be the last day school buses will run, until May 28 when they will bring the children in to receive their report cards.

**Senior Trip**  
The Senior class will leave the morning of May 23 for a five day trip to Austin, Galveston and San Antonio. Sightseeing trips will be made to the state capital, the University of Texas, San Jacinto battleground, the Missions, and other points of interest in San Antonio. The group will make the trip in one of the school buses, and will return here Tuesday, May 27.

## Senior Class Play Friday and Saturday

The Seniors present "Here Comes Charlie," a farce comedy in three acts at the school auditorium Friday and Saturday nights. Last minute touches have been put on the play during intensive rehearsals this week, and a good show is promised.

## SUMMER, TIME TO BEWARE OF POISON IVY

With the advent of summer and the ensuing exodus from city to country resorts and picnic spots, the annual problem of ivy poisoning is once more making its appearance. In order that city dwellers may guard against this poisonous plant by instant recognition of it, Dr. Geo. Cox, state health officer, has issued the following statement: "Poison ivy may be recognized by its leaves and its fruit. Each leaf is divided into three leaflets, the margins of which vary from smooth to more or less notched outlines. The small greenish flowers appear in May or June and the fruits which are the size of a small pea are pale green and poisonous when immature."

The symptoms of ivy poisoning range from slight redness and itching to exaggerated swelling and blisters, accompanied by severe burning sensations. There are all gradations between these extremes. In mild cases the skin is covered by numerous small blisters containing a colorless serum which is not poisonous. The poison cannot spread from broken blisters but pustules may form and infections may result as secondary consequence. Recovery usually occurs in from 10 days to 3 weeks. Occasionally a persistent skin inflammation follows.

Dr. Cox advised persons planning picnics and out door excursions to learn to recognize poison ivy and thus be able to avoid it.

**PIANO AUDITIONS TODAY**

The National Piano Auditions will open at 1:30 p. m. continuing until 4:00 p. m. today (Thursday) in the studio of Miss Mollie Turner with Wirt Harvey of the University of Texas, as judge for the auditions. The national auditions for this district have been held for the past several years in Eldorado.

On May 10, all national winners in this area will appear on a fine arts program in Ozona, and several of Miss Turner's pupils are expected to be included on the program.

**LEVER PRICES DOWN**

Lever Brothers have ordered a 10 per cent reduction in the price of their soap and glycerine products, including Lux items, Rinsol, Lifebuoy, Swan, etc., and recently reduced Spry 2c per pound. In addition to lowering the price of their products, they recently increased wages of Lever employees.

**METHODIST WSCS**

"China" was the subject of the yearbook lesson when the WSCS met Monday afternoon at the Methodist Church with Mrs. F. B. Faust as leader. Others on the program were Mmes. F. G. Clark, J. E. Tisdale, Palmer West, and Lewis Wilson. Mrs. Keno Ogden gave a report of the San Angelo District Conference which met last week in San Angelo.

Mrs. W. H. McClatchey served refreshments to 12 members.

Mr. and Mrs. Will Steward of San Angelo and their daughter, Mrs. LeRoy Train of Chattanooga, Tenn., visited last Thursday and Friday in the home of their son and brother, Aaron Steward and family. Mrs. Train, who will return soon to her home, will be accompanied there by her parents. The Stewards are former residents of Schleicher Co.

Guests Monday in the home of Mrs. Mattie Bruton included Mr. and Mrs. Tom Collins, ranch people from near Junction.

A second four-year contract has been awarded P. W. Askew, rural mail carrier, to carry the mail between San Angelo, Eldorado, and Sonora, according to word received last week. Askew was employed at Concho Field before taking over the route in 1943.

Shelby Burk of Alpine spent the week end here recently visiting with his wife, and her parents, Mr. and Mrs. Jess Thompson.

Earl Parker is receiving delivery Saturday on a new Frazer. The Parker Motor Co., has dealership on Kaiser and Frazer cars.

**LATIN AMERICAN PUPILS PRESENT MAY PROGRAM**

A large crowd is expected to attend the annual May program of the Latin American school Friday evening, May 9, at the Domingo Cortes dance pavillion. Highlighting the program are two plays: "Best Man Wins" by the advanced pupils and "The Little Pigs" by the third and fourth graders. Other numbers included on the program are songs, readings and a patriotic march. From where I sit... by Joe Marsh

## Where's the Argument?

You should have heard Ed Carey and Spike Miller debating the merits of Guernseys versus Holsteins. Ed's our firechief, and Spike handles hardware—but to hear them argue you'd have thought that they'd been dairying for life.

Finally they put it up to Sam Carter, who breeds dairy cows! Sam hems and haws... and concludes there's a lot to be said for Holsteins, and about as much for Guernseys... take your pick!

Actually, Ed and Spike were like people arguing about—say, beer

versus buttermilk. Folks who've never tasted beer will sometimes get mighty vehement about their choice of beverages. And folks who've never tasted buttermilk will be equally pig-headed.

From where I sit, it's in things we know nothing about that we get bigoted and stubborn. But when it comes to things we know a lot about, we're able to see both sides... be tolerant and reasonable... and above all, understanding.

Mr. and Mrs. Buster Gunn and Bobo spent the week end recently at Pearsall, and Mr. Gunn has returned there this week to take a load of their household goods.

Messrs and Mmes Marvin McDonald, Roy Andrews, W. A. Schuller, and Gordon McDonald and baby report a good catch on a week end fishing trip on the Pecos river.

LOOK what Grandma got for a penny when she was a little girl—a trained dog act! Towser grips the coin in his iron jaws, leaps merrily through the clown's hoop, and deposits the little red cent neatly in the little red barrel.

Quite a show for a penny! But nothing to the show your present-day electrical penny puts on for you. That penny does a lot. It will:

Tell you the correct time for four days or vacuum-clean six large room-size rugs or bring you an evening's radio entertainment, or run your sewing-machine for eight hours, or wash three heaping tubfuls of clothes for you!

Grandma's gay little bank may be a collector's item today, but electricity puts on a bigger and better show as it takes more and more work out of your housework.

It costs so little—and it does so much! Dollar values for penny prices—that's the record of the friendly folks in this company, under local business management.

**GYMNASIUM IS PACKED FOR OPERETTA**

"Springtime is here, tra la la la" caroled practically hundreds of grade school children Friday night as the Eldorado grammar grades presented their spring operetta, "Awake, 'Tis May," with the grade school faculty in charge.

What is estimated to be the largest crowd ever seen at a local school program packed the gymnasium to capacity, and overflowed from the hall into the street; this is accounted for by the fact that an unusually large number of children participated, and also by the fact that many new people are settling here and that the population of Schleicher County is on the increase.

Defying Schleicher County's drouth, and proving once again that the county could grow more crops with less rain than any county in the state of Texas, the gymnasium had blossomed over night into a fairland of trees, flowers, and other growing things.

The large gymnasium floor was centered with a pool, flanked with a mass of greenery and a stone wall, banked with a profusion of colorful flowers—festoons in pastel shades, and colored lights giving the scene a festive touch of spring.

Much of Frankie Thompson's piano music was in gay waltz time, for songs and dances were happy and gay throughout the evening.

Older grade children in jeans and gingham wielded hoes and fish poles, and the garden which they planted attracted a gay procession of frolicking butterflies, raindrops and seed fairies, brownies, flowers, bluebirds—and bunnies! A long rainbow and gay sun rays added zest to the scene, and the frolic ended with a grand finale in which the entire cast proclaimed in song that spring was definitely here.

All of the pupils in the first seven grades participated in the operetta. Because each child could consider his part a star part, and because all of the grade children had been given direction in program work for public presentation, the operetta is considered by many to have been one of the finest things the school has done during the 1946-7 school year. (The mothers of the many young performers who required costumes report that it was a busy time for them.)

The operetta took the place of the traditional May Fete which the school has presented in previous years.

**Freshmen, Sophs On Saturday Trip**

End of the school picnics and parties are being held early this year in order that students may give full time to reviewing and making last minute preparations for closing examinations.

On a rainy Saturday recently the Freshmen and Sophomores accompanied by room mothers and sponsors journeyed to Christoval for an outing which turned out to be an "inning" as the rain came down in torrents, and even the Fish, who are supposed to like water, took to cover. The management of the park graciously lent their cafe to the students and mothers for their lunch, and afterwards, the group went to San Angelo for roller skating and movies.

Accompanying the students were freshmen room mothers, Mmes. L. B. Burk, Gene Edmiston, Carl Ellington and Tom Kent, and sponsor Dorothy Maxfield; sophomore room mothers, Mmes. Leslie Baker, Frank Van Horn, W. G. McAlpine, B. T. Williams, and Myrtle Williams; sponsor C. F. Jones, Coach Ernest Sutherland, and Nora Koen.

Mrs. Dwight McClatchey who underwent a major operation in a hospital at Lubbock Monday of last week, was able to return to her home at Wink yesterday (Wednesday). She is a daughter-in-law of Mrs. W. H. McClatchey of this place.

*Picture* **OF A HAPPY FAMILY**

Yes, sir, this is the picture of a happy family—one whose home will always be on the same street . . . in the neighborhood where Daddy and Mother want their youngster to grow up—a happy family whose present and future are both protected by Southwestern Life Insurance.

It's the picture of a family that didn't stop with building a home. Mother and Daddy both realized that unforeseen circumstances beyond their control might stop Dad's pay check. They wanted the mortgage on the home paid, in any event . . . an income for life for Mother . . . a retirement "nest egg" with a guaranteed return. They wanted baby's education assured, all the way through high school and college. So they arranged a complete program of protection through Southwestern Life Insurance.

How about the future financial picture of your family? Have you guaranteed it? Southwestern Life protection can be patterned to fit your needs, at a cost so reasonable you'll never miss the few dollars a month you put away to make it possible. Start your family a plan of guaranteed protection today.

### Agent Discusses Spraying Of Cattle

A pound of DDT is worth 2000 pounds of beef to the Texas stockmen during fly season this year.

A tall statement? County Agent, W. G. Godwin, says "Figure it up yourself." One pound of wettable DDT powder, mixed in 25 gallons of water, will spray about 25 head of cattle. Stockmen who have used DDT spray the past two years will testify that beef animals will put on an average of 80 pounds of flesh as a result of thorough spraying throughout the fly season. When 25 head gain 80 pounds, that's 2000 pounds of beef from one pound of DDT.

Godwin says that the fly season is getting underway now, and experienced stockmen are checking up on spraying equipment and DDT supplies. Four pounds of wettable DDT powder at a strength of .2 of one per cent, mixed in 100 gallons of water, is the spray to use. When

to spray? Godwin says "Let the flies tell you." If the pests are thick, the spray is needed. A lot of factors enter into the "when to spray" picture. Often the treatment holds flies in check for months but a heavy rain can mean the job needs re-doing after a ten-day period.

Dairymen also have an opportunity to cash in on DDT, Godwin says. After spraying barns and cows, dairy farmers have reported a 5 to 15 percent boost in milk production.

Mr. and Mrs. Milton Baugh returned home last Thursday from Marlin where they took a course of bath treatments.

Miss Mabel McClatchey of Monahans visited recently with her mother, Mrs. W. H. McClatchey. She came over by plane.

Mr. and Mrs. Nolan McDonald and Mr. and Mrs. Wm. McDonald and baby spent Sunday on the river at Ft. McKavett.

### Agent Warns Against Poultry Cannibalism

Cannibalism in chickens and turkeys, a big item on the Texas poultryman's list of worries, will start taking its toll from poultry flocks soon.

W. G. Godwin, county agent, believes that poultry raisers can cut down losses from cannibalism by taking steps to stop it before it starts—by prevention. Cannibalism—poultry's vicious habit of picking toes, combs, vents, feathers and other parts of the body, spreads rapidly in a poultry flock due to two peculiarities of chickens and turkeys. One: they are attracted to the red color of freshly picked sections of the body, and two: they are born with the desire to imitate one another.

Poultry busbandmen and veterinarians can list many factors that result in cannibalism. Godwin points out ten conditions that often lead to the trouble: Among these are crowding, inadequate eating and drinking space, too much heat, not enough air, idleness, close confinement, floor laying, blow outs, injured birds, insufficient and improperly constructed nests, and malnutrition.

From those ten factors, says Godwin, the poultry raiser can pick probably four that are most likely to cause trouble, and work toward preventing those conditions. Crowding is considered the most common cause of cannibalism. In batteries, a baby chick needs 10 square inches of floor space during his first two weeks, 20 inches the third and fourth weeks, 40 inches from four to six weeks, 60 inches from six to eight weeks; and 75 inches from eight weeks on. In colony houses, each chick needs half a square foot. Turkeys need just twice the amount of space as chicks.

To stop "too much heat" troubles, the producer can start chicks in a well ventilated brooder, registering 90 to 100 degrees at the edge of the hover, and keep brooder temperature around 65 to 70 degrees. By regulating and admitting fresh air, the brooder can be cooled down about five degrees each week as the chicks grow older.

Chicks that have less than eight feet of eating space and two feet of drinking space are likely to start some form of cannibalism, Godwin says. They need twice that much eating and drinking space by the end of their first eight weeks, and three times the amount when they are three months old.

Rations that are unbalanced, too low in fiber content, or lacking in vitamins and minerals are another cause leading to cannibalism. Those are steps to take in prevention. If cannibalism breaks out in the flock, experienced poultry raisers will:

1. Trim the beak—the upper mandible—with a debreaking machine or a knife. Electric debreaking machines can be bought now. The machines are easy to operate, and full instructions come with the purchase.
2. Paint the picked chicks, as well as those not picked yet, with bone oil, pine tar oil, or commercial "anti-pick" compounds.
3. Remove the picked birds from the flock if possible.
4. Check all the factors that lead to cannibalism and correct them at once.

#### PRESBYTERIAN AUX

Mrs. A. J. Mund gave the Bible study, "Sermon on the Mount" from Matthew, chapters 5, 6 and 7 when the Auxiliary met Monday afternoon in the Presbyterian Church. Those present included Mmes. Edwin Jackson, John Williams, Sam Jones, R. A. King, Sallie Murchison, Bert Page, Mund, Joe Edens, H. Z. Padgett, and Ellen Strickland.

Doris and Irene Hill of San Angelo spent Sunday with their sister Mrs. Ralph Steward and family.

Mr. and Mrs. Carl Joiner of Plainview are visiting this week in the home of Mr. and Mrs. Joe Wagley.

Mr. and Mrs. J. B. Bruton of Big Spring spent last Thursday visiting with the former's mother, Mrs. Mattie Bruton.

### Washington News Letter

By Cong. O. C. Fisher

History was made in Washington last week when President Aleman of Mexico became the first Mexican chief executive to cross the Rio Grande for an official visit to Washington.

Anything that was missing in the way of good will between the two nations was patched up before the visitor left the capitol city. Flown here from Mexico City in the Truman plane, the Sacred Cow, Aleman was received by President Truman at the airport, then rode in a parade witnessed by 600,000 people. The size of this turn-out was second only to that which received General Eisenhower upon his triumphal return from Europe after the war.

The visiting President addressed the Congress in Spanish. Translations were distributed and he was easy to follow as he bore down on the friendly relations between the two countries separated by the Rio Grande. Incidentally, there was the matter of a \$60 million loan discussed while the visiting President was here. But one thing about Mexico is that she is always a good credit risk and has paid her obligations to this country in the past in a satisfactory manner.

Elsewhere on Capital Hill, the Senate wrangled over the Labor bill and rumors began to fly that President Truman will veto any labor bill that is passed if it has any teeth in it. The House sliced the State Department's foreign relief bill to \$200 million, and amended it so very little relief will go to the Communist-dominated countries. The wool bill continued to be tied up in the House Rules committee where the questions of the import fees on foreign wool is causing some disturbance among the members. The Boston wool trade, which opposes any wool bill, has been fairly effective in arousing opposition to pending legislation, their new strategy being to appeal to those who are opposed to tariffs on imports.

Representative Ewing Thomason of El Paso is the latest Texan to retire from Congress, his resignation being expected this summer. He has been appointed Federal Judge at El Paso. . . Out in California the state legislature finally got around to elevating the importance of the goat. The goat out there can now lift its head in pride. No longer is it just a misdemeanor to steal a goat in that state; a new law has made it felony. . . Referring again to President Aleman's visit, the hasty preparations for his reception caused some red faces in the State Department. The 650 Mexican flags strung along the parade route to welcome him were not the official flag of Mexico at all, but merely the merchant marine flag of Mexico, which happens to be identical with the official flag of Italy. Mexico and Italy are technically still at war. . . A few of the official Mexican flags were on display, however.

#### BAPTIST WMU

The Mission study book, "Quest for Souls" was led by Mrs. Roy Davidson when WMU Circle No. 1 met Monday afternoon in the home of Mrs. Joe Wagley with ten members present and one visitor, Mrs. Carl Joiner of Plainview.

Circle 2 met in the home of Mrs. Joab Campbell with Miss John Alexander giving three chapters in the book, "Robes of Splendor." Mrs. Henry Mund gave the devotional and refreshments were served to 9 members and four Sunbeams. Mrs. Mattie Bruton and daughter, Mary, were hostesses to Circle 3 with Mrs. Fred Watson in charge and Mrs. George Barnett giving the lesson. Miss Bruton accompanied by Mrs. Kenneth Cheek, sang a solo. There were six members present.

Circle 4 met with Mrs. Gordie Alexander with Mrs. W. N. Ramsay as leader. Refreshments were served to nine.

### BAPTIST HOUR PROGRAM FOR MOTHERS DAY

A special Baptist Hour program originating from the Southern Baptist Convention in session at St. Louis, Mo., and featuring Mothers Day, will be broadcast next Sunday, May 11, according to S. F. Lowe, director, Atlanta, Ga. Dr. Louie D. Newton, president of the convention will bring the second of his two messages, using as his subject, "Our Mothers" as divulged in the announcement.

The Baptist Hour may heard in Texas at 7:30 a. m. Sunday.

### Steady Improvement For Polio Victim

A little over a year ago, on April 5, young Ollie Alexander, Jr., then in training with the U. S. Navy, was stricken with what at that time looked like a hopeless case of infantile paralysis. For many days his life hung by a thread while his anxious parents stayed at his bedside watching for the slightest change in his condition. For several months, he was confined to the Naval hospital at Corpus Christi while every known treatment for the often fatal disease, was given him. Gradually a change took place, slowly, and often very discouraging, but in time, a decided improvement was noted in his condition.

After the disease itself was gone, he was left almost totally paralyzed, and he was sent to the Warm Springs Foundation in Georgia for a course of treatment in bringing his paralyzed muscles to life again. For several months his mother stayed with him, feeding him, writing for him, reading to him, encouraging and watching for every improvement. Equally as patient, his father waited and watched for every word and sign which told him of any change, sometimes despairing when he felt the almost hopelessness of the case, as he went about his duties here.

Now, after a year of watching, waiting and praying, it would seem that their courage as well as that of the patient victim, has been rewarded, for there is a decided change and improvement in his condition. The parents talked with Ollie, Jr., by telephone last Sunday, and found him cheerful, much encouraged by the fact that his muscle coordination is much better, he is able to use his hands some now, his voice has grown stronger, and all muscles are much more limber. In the swimming pool, he is able to walk across the pool, a fact which proves itself. In his occupational therapy course, after going through his paces last Saturday, he told his parents that he had only made two errors which is considered very good in this course of treatment.

Through it all, Ollie, Jr., has never lost his cheerfulness, and his unflinching courage has been a factor which has helped more than perhaps anything else, state those who have been with him.

Mrs. Evans Etheredge and two boys of Balmorhea spent the week end visiting here with their parents and grandparents, Mr. and Mrs. Jeff Enochs, and with Mr. and Mrs. Jack Etheredge, and other relatives. They were accompanied here by S. E. Etheredge and family, and with his daughters, Mrs. Vernal Sudduth and Mrs. R. A. McDonald.

Mrs. J. C. Crosby has been visiting for the past two weeks in Teuple with her mother, Mrs. Fred Hanie.

Mrs. James Sloane is substituting for her sister-in-law Mrs. Rose Sloane Doyle, as clerk at Page Drug Store, while Mrs. Doyle and her husband Kenneth Doyle are out of town on a honeymoon trip.

The Christoval school is closing 1946-7 school year this week.

Mr. and Mrs. Joe Thornton of San Angelo spent last Sunday with the former's mother, Mrs. Mattie Thornton. Mrs. Thornton expects to spend this week end in San Angelo with her son and daughter-in-law.

### Officers Installed At DAR Meeting

Closing the year's work, the DAR met at the home of Mrs. W. O. Alexander, with Mrs. V. G. Tisdale, regent, in charge. Mrs. Campbell's scripture lesson on happiness was followed by an anthem and the flag salute.

Mrs. V. H. Blocker of Corpus Christi was elected to membership Mrs. L. M. Hoover gave the annual report and the regent recounted the year's activities.

Mrs. Alexander installed new officers as follows:  
Regent: Mrs. J. E. Hill.  
1st Vice: Miss John Alexander.  
2nd Vice: Mrs. L. M. Hoover.  
Sec: Mrs. L. W. Ballew.  
Treas: Mrs. J. B. Edens.  
Registrar: Mrs. Margaret Tinning  
Historian: Mrs. W. O. Alexander  
Chaplain: Mrs. Joab Campbell.

Mrs. Tisdale presented the new regent with a box of stationery carrying the DAR insignia and regent's name. Chairman of the standing committees were appointed and Mrs. Alexander gave a description of Warm Springs.

Mrs. John Stigler presented her piano pupils in a musical program at Christoval May 6.
