### PRESBYTERIAN AUX HAS ANNIVERSARY TEA

Observing the silver anniversary of the Presbyterian Auxiliary, the ladies of the Presbyterian Church entertained May 26 with a program and tea with members of the Methodist WSCS as special guests.

Mrs. Edwin Jackson was leader for the program which opened with the devotional by Mrs. Bert Page followed by the invocation by Mrs. Joe Edens. Mrs. Coralie Mebane gave a brief history of the work of the Auxiliary during the past twenty-five years, outlining the different phases of the work, and telling of those helped by the birthday offerings.

Mrs. A. J. Mund told briefly the objectives of the work, explaining that 50% of the money goes to China, 25% to Korea, and 25% to Japan for the rebuilding of schools and missions, and to continue the work started in these nations before the war.

Those taking part on the program were dressed in Chinese costumes and the lace covered tea table was centered with a bowl of pink roses and other spring flowers were used about the room. Mrs. Mund served tea, sandwiches, cookies and Chinese mints to ap-

proximately thirty-eight members and guests.

Senate Joint Resolution No. 4

Proposing an amendment to Article VII of the Constitution of the State of Texas by the addition of two new sections to be known as Sections 17 and 18 providing a special fund for the payment of Confederate pensions and providing a method of payment for the construction and equipment of buildings and other permanent improvements at state institutions of higher learning; providing for a five-cent reduction in the maximum allowable state tax on property; providing for an election and the issuance of a proclamation therefor. BE IT RESOLVED by the Legislature of the State of Texas:

Section 1. That Article 7 of the Constitution of the State of Texas be amended by adding thereto Sections 17 and 18 which shall read as follows:

"Section 17. In lieu of the state ad valorem tax on property of Seven (7c) Cents on the One Hundred (\$100.00) Dollars valuation heretofore permitted to be levied by Section 51 of Article 3, as amended, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a state ad valorem tax on property of Two (2c) Cents on the One Hundred (\$100.00) Dollars valuation for the purpose of creating a special fund for the payment of pensions for services in the Confederate army and navy, frontier organizations, and the militia of the State of Texas, and for the widows of such soldiers serving in said armies, navies, organizations or militia; provided that the Legislature may reduce the tax rate hereinabove levied.

"Also, there is hereby levied, in addition to all other taxes permitted by the constitution of Texas, a state ad valorem tax on property of Five (5c) Cents on the One Hundred (\$100.00) Dollars valuation for the purpose of creating a special fund for the purpose of acquiring, constructing and initially equipping buildings, or other permanent improvements at the designated institutions of higher learning; and the governing board of each of such institutions of higher learning is fully authorized to pledge all or any part of said funds allotted to such institution as hereinafter provided, to secure bonds or notes issued for the purpose of acquiring, constructing and initially equipping such buildings or other permanent improvements at said respective institutions. Such bonds or notes shall be issued in such amounts as may be determined by the governing boards of said respective institutions, shall bear interest not to exceed three (3%) per cent per annum and shall mature serially or otherwise not to exceed ten (10) years from the first (1st) day of January of each year in which such funds are allocated or re-allocated to said respective institutions; provided, the power to issue bonds or notes hereunder is expressly limited to a period of thirty (30) years from the date of the adoption of this amendment; and provided further, that the Five (5c) Cent tax hereby levied shall expire finally upon payment of all bonds hereby authorized; provided further, that the state tax on property as heretofore permitted to be levied by Section 9 of Article VIII, as amended, exclusive of the tax necessary to pay the public debt, and of the taxes provided for the benefit of the public free schools, shall never exceed Thirty (30c) Cents on the One Hundred (\$100.00) Dollars valuation. All bonds shall be examined and approved by the Attorney

General of the State of Texas, and when so approved shall be incontestable; and all approved bonds shall be registered in the office of the Comptroller of Public Accounts of the State of Texas. Said bonds shall be sold only through competitive bids and shall never be sold for less than their par value and accrued interest.

## GIRL SCOUTS ON AN OUTING AT CAMP RUNGE

Girl Scouts of Eldorado went to Forrest Runge ranch 18 miles north east of town on May 28 for a three day camp. They left at 2:30 p. m. on a school bus and after reaching the ranch hiked to their camp site two miles away. A cold wet norther blew up during the night and Scouts and leaders scurried to shelter in goat-shed, cars and the ranch house.

While in camp the girls worked on camp craft, pioneer outdoor cooking, pottery and wild plant finder badges.

They took a hike to watch a bulldozer dig into a prehistoric Indian mound; decorated their camp by transplanting wild flowers around it; made pottery bowls for a wild flower exhibit; made agarita berry pie in a Dutch oven over the camp fire, and swam.

Billy Jo Jeffrey, Jean Goss and Esther Jones received child care, pioneer, camp craft and drawing and painting badges.

Margaret Ellen Edmiston received camp craft, pioneer, hostess and horsewoman badges. Coreena Burk received camp craft, pioneer, hostess, book-finder and book-binder badges.

Pansy Owens received campcraft, pioneer and hostess badges.

A gift was presented to Miss Annie Herbert who has helped the Girl Scouts ever since she organized them 12 years ago in Eldorado. She is leaving Eldorado.

Brownies present were: Martha Dell Williams, Riedale West, Linda Pearl Jeffrey, Ellen Wheeler, Donna Beth McCormick, Wilma Jean Kuykendal, Shirley Jean Severns, Ann Ballew, Tomasine Jones, Diane Padgett, Wanda Owens.

Girl Scout leaders: Mrs. John Williams, Mrs. B. Jeffrey, Miss Annie Herbert, Mrs. Forrest Runge. Brownie leaders: Mrs. Palmer West, Mrs. Lionel Ballew. Mothers: Mrs. Chester Wheeler, Mrs. Don McCormick, Mrs. Marion Owens, Mrs. T. R. Jones, Linda and Richard, Mrs. Jess Padgett, Mrs. Odie Harris, Mrs. Freeman Yardley, Ray Boyer, Dick and Jim Runge. This was the sixth annual camp of the Girl Scouts on the Runge ranch.

From where I sit... by Joe Marsh

## How to Go to Sleep

We were sitting around Bill Webster's parlor Friday evening and the talk turned to the best way of overcoming sleeplessness...like breathing real slow and deep, imagining that you weigh a ton, or simply throwing away the pillow.

The consensus favored counting sheep. But right away was the question: what kind of sheep? There were some votes for countin' Merinos, Shropshires, Oxfords and Dorsets. Ed Mapes said he had best luck counting crossbreeds.

Finally, Bert Childers spoke up with his formula: A light snack and a mellow glass of beer at bedtime. Sort of puts you in the mood for quiet thoughts and peace of mind. Lets you relax... and "ho hum," off to pleasant dreams!

From where I sit, there's nothing like a temperate glass of beer to smooth away the creases of the day, relax a body, and pave the way for a good night's sleep. Try it, and see if I'm not right.

Joe Marsh
