\$2yr

NUMBER 8

## Groeble Makes Location For Schleicher Wildcat

The Will Lovelace ranch, owner of which lives in Eden, provides the site for Schleicher County's newest wildcat, location for which is 660 ft. of sw corner sec. 4, block M, GH&SA RR survey. Al P. Groebl, and associates, of San Angelo are making the test, which is north of the Page field.

Scheduled depth is 6500 to explore Ellenburger if necessary. The location is 2 3-4 miles north and three quarters of a mile west of Morgan Aikman and Co. 3-E Jess Koy, nearest producer.

The Groebl test gives Morgan Aikman a south offset, sec. 5, block EEE Cartwright survey and Shell Oil Co. a north offset.

J. Ralph Stewart and Virgil J. Powell of San Angelo are associated with Groebl in the new test, with Campbell Drilling Co. of this city holding spudding contract. A rotary will be moved in soon.

### Near Ohio Wildcat

The Groebl Lovelace wildcat is two miles south and 1 1/4 miles east of Ohio Oil Co. No. 1 Hayden Baugh estate (C-SE SE 18-M-GH & SA). This test is drilling ahead, after surface casing was cemented at 540 feet.

2 3-4 miles south and one mile east of the Ohio, La Gloria Corp. no. 1 Hayden Baugh Estate Ellenburger wildcat (C-NW NW 15-M-GH & SA) has been testing this week, a drill stem test Monday from 6394-6490 for 90 minutes recovering 180 feet of drilling fluid with salt water. More drilling is planned, but chances for production seem to be slim.

The Sorrells Oil Co. no. 1 Mrs. J. E. Tisdale wildcat (C-NW NW 10-A-HE&WT) about 4 1/2 miles west and a little south of the Page field has been plugged and abandoned at 6987 feet in Ellenburger.

Cooper Gas Co. no. 6-A-33 Bert Page, in the Page field, (C-SE SW 33-L-GH&SA) is drilling at about 4500. The spudder is moving in for Cooper Gas Co. no. 7-A-33 Page (C-NE NW 33-L-GH&SA) a south offset to Morgan Aikman and Co. 2-D Koy, a producer. Western Drilling will move a rotary from 6-A-33 Page to 7-A-33 Page.

## SENIOR CLASS IS HONORED AT BANQUET

Members of the First Baptist W.M.U. entertained the senior class at a banquet held last Friday evening in the basement of the First Baptist Church. George Washington's birthday was the theme used in decorations and refreshments.

Red, white and blue streamers decorated the entrance and pillars in the basement, and a bouquet of red roses was used as the centerpiece at the speakers' table. Place cards were hatched, and programs were silhouettes of George Washington, made of black paper with white cotton wig attached. Several cherry trees were also used as decorations on the tables.

The group were served tomato juice cocktail, ham, string beans, parsley potatoes, carrot sticks, frozen salad, hot rolls, cherry pie and ice tea.

Carroll Ratliff was master of ceremonies. Rev. J. M. Hays delivered the invocation, and Mrs. Roy Davidson welcomed the group. David Allen, senior student, gave a response from the class.

A trio composed of Lola Beth Ballew, Myra Mae Farrington, and Gail Childers, accompanied by Miss Lucille Farmer, sang two numbers. Miss Gloria Henshaw, sponsor of the senior class, introduced the seniors.

Jack Hodges of San Angelo, speaker for the evening, discussed "Christian Education" and also did some of his famous magic tricks for the group. Supt. C. A. Reynolds pronounced the benediction.

Other faculty members present in addition to those mentioned above were Gordon Griggs, high school principal, and his wife. About thirty-six were present.

Mrs. W. E. Humphrey of Rochelle visited here this week with the W. J. Humphreys.

## Magnolia Field Crew Is In Midland

The field crew of the Magnolia Seismic organization located here have moved to Midland for several months, to work there during the lambing season in this county. Eleven men made the trip, leaving their families and the office force here.

The crew in Midland expect to go back and forth to Eldorado part of the time during the next several months, but will not do any work in this county because of the lambing season.

Five members of the force, comprising the office crew, were left in Eldorado.

## YEARBOOK QUEEN TO BE CROWNED TOMORROW NIGHT

The coronation of the Talon Queen will be held in the school auditorium at 7:30 Friday with Miss Iola Sutton in charge of the program. The general public is invited to attend.

The queen, chosen from one of four candidates, will be presented with elected duchesses from each class, and the three other candidates as princesses. A "Talon" program will be presented for the benefit of the Queen and her court, with a number of high school students taking part.

The Eldorado school is quite proud of the new trophy cabinet recently completed by Desmond King and placed in the hall of the high school building.

The case, which was ordered some time ago, and which was partly paid for by three senior classes, measures 7 1/2 feet by 7 feet, contains three shelves, and is of oak veneer finish. The solid glass front and fluorescent light display to the best advantage the many trophies with which it is already filled.

Awards include those presented to Eldorado students for excellence in football, basket ball, volley ball, track, and typewriting.

### 1949 Football Schedule

For the first time in several years, Eldorado school officials have been able to complete an early football schedule for the fall season. Ten games have been scheduled, with six of these played on the home field.

Coach Kirby has announced the following schedule: (\* are conference games):

Sept. 9 — Eldorado vs. Del Rio there.

Sept. 16 — Eldorado vs. Lakeview here.

Sept. 23 — Eldorado vs. Iraan here.\*

Sept. 30 — Eldorado vs. Bronte here.\*

Oct. 7 — Eldorado vs. Menard here.\*

Oct. 14 — Open.

Oct. 21 — Eldorado vs. Sonora there.\*

Oct. 28 — Eldorado vs. Richland Springs here.

Nov. 5 — Eldorado vs. Ozona there.\*

Nov. 11 — Eldorado vs. Big Lake here.\*

Nov. 18 — Eldorado vs. Junction there.\*

Eldorado school coaches and students have been busy this week clearing off the vacant lot across from the school buildings in preparation for a football practice field as well as a place for other sports. The lot, which has been cleared of rocks and dragged by the city machinery will be planted with grass seed.

The Girls' Volley Ball team will go to Ozona today (Thursday) where they will play their first conference game of the season at 4:00 p. m. Miss Pauline Jones is coach for the team.

Mr. and Mrs. J. B. Christian visited in San Angelo Tuesday with relatives and friends.

## WELFARE BOARD SETS NEW DATE FOR MEETING

Club and church representatives composing the Welfare Board of Eldorado, meeting in the First Baptist Church Saturday night, selected Feb. 28 as their next meeting time, and discussed the need of an active welfare board in this city. Present were about eight representatives of local organizations.

The group urged 100 per cent attendance at the next meeting, at which it is planned to elect officers and perfect the organization.

The Welfare Board grew out of recent discussion by Lions, who suggested a city-wide representation on the proposed board. When in operation it will provide designated authority for taking care of emergency aid cases in the county, or transients, who in the past have often been referred to pastors or other individuals.

## CONSERVATIONIST NOW ON JOB AT ELDORADO

A new range conservationist from A&M has reported for duty at the Eldorado Divide Soil Conservation district office. The new member of the office force is W. T. Matlock, Jr., of San Angelo, graduate of A&M, with range experience at Woodville.

He has a wife and a seven-months-old daughter. The family are looking for an apartment.

## SQUARE DANCE MEETING IS CANCELLED

The Pioneer Square Dance Club will not meet Friday night because of the school program.—Mrs. Carroll White, Secretary.

Mrs. Fred H. Barney and Mrs. Gene Horton of Ft. Worth arrived Friday and will visit until Sunday with their daughters, Mrs. Jack Jones and Mrs. Joe Ed Hill.

## FUNERAL HOME AT OZONA QUILTS BUSINESS

The Ratliff Funeral Home in Ozona will close April 1, according to announcement made in Ozona recently.

The funeral home is owned and operated by Carrol Ratliff of this city, and Tom Ratliff of Sonora, the two having bought out their brother Vernon. The building which houses the director's apartment as well as chapel and funeral home, is owned by J. L. Ratliff, who states that the business is for sale and the quarters are available for lease. If it does not sell, he states, he may refinish the house into a duplex.

The modern funeral home, put up about two years ago, is similar to that built in Eldorado by Carrol Ratliff at the same time.

It is understood that Ozona residents are especially worried over loss of ambulance services.

## JUNCTION LIONS PRESENT SPEAKER AT MEETING

Mr. Marrs, field representative of the University of Texas in adult education, was presented in an exchange program by a group of Junction Lions at the regular meeting of the Eldorado Lions Club Wednesday. The speaker was introduced by Lion Wright of Junction, who is connected with the Veterans' School there.

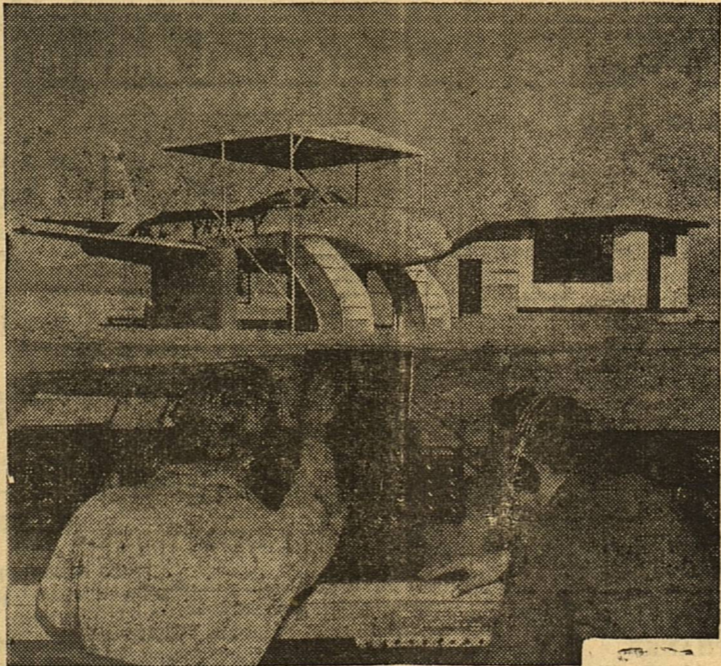

The Eldorado club will return the program at a later date.

Discussion was made of the furnishing of a kitchen to be used by the Lions Club in the Memorial building.

## VOGUE EDITOR TO VISIT HERE

Mrs. Thad Thomson will have as her guests soon, her father and stepmother, Mr. and Mrs. Richard Newton of New York City. Mrs. Newton, who uses the pen name of Edna Woolman Chase, is editor-in-chief of Vogue magazine.

## Students Learn To Fly On The Ground

Down near Phoenix, Ariz., there's a sleek, high-powered F-80 "Shooting Star" that has given hundreds of Air Force pilots their first experience in flying a jet airplane—and yet it has never left the ground.

It is called the "Captiv-Air" and is a regular jet aircraft complete with wings, jet engine, and instruments. It could fly at 600 miles per hour and climb to 45,000 feet, if it had its landing gear restored. Yet it is worth much more embedded on steel-reinforced concrete supports at Williams Air Force Base.

For Aviation Cadets are learning a lot about flying from this plane that never flies. When the Cadets arrive at Williams Air Force Base, they've had 170 hours of flying in a 600 horsepower T-6 "Teran" advanced trainer. They have completed basic training and have learned to fly formation, to do some flight instrument work, and to fly at night.

But they have never been at the controls of a jet aircraft. The purpose of the "Captiv-Air" is to acquaint these student pilots with jet procedure. According to trainers, it is a superb "self confidence" builder and definitely has been an important factor in accident prevention.

Pilots take turns in climbing a ladder to the cockpit and simulating all the procedures of take-offs, turns, and landings. Their simulated flights are indicated on two sets of instruments—the regular instruments in the cockpit and another set in a nearby control building for the instructor and other Cadets to watch.

The instruments in the plane can be controlled by the instructor to simulate engine failure and other light difficulties, thus giving the pilot practice with emergency measures. The very low accident rate among jet powered aircraft indicates the effectiveness of this type of training.

After the student is thoroughly familiar with the "Shooting Star" on the ground, he advances to actual flight training in TF-80C two-seater jet planes. During the four months at Williams, the Cadets spend from 65 to 80 hours in the air.

Aviation Cadet graduates receive their pilot's wings and a Reserve commission as a second lieutenant. Outstanding graduates are given a regular commission immediately and the others have the opportunity to apply for Regular commissions while on active duty.

## Fourth Wettest Spring In 45 Years, Record Here To Date

Schleicher County's farmers and ranchers are notably pessimistic when it comes to moisture—but even the most conservative are joyful over about 1 1/4 inches of rain which fell Tuesday night and Wednesday. Following as it does a wet January, the rain is expected to do a maximum of good, sending the moisture deeper into the ground providing new life for bare pastures, and creating ideal planting conditions in cultivated areas.

The rain came as a complete surprise. "It just looked a little like rain AND IT RAINED", as one rancher put it.

Schleicher County soil received the maximum benefit from the late winter precipitation of January and February. Practically every drop penetrated the dry soil, which is now soft and fluffy.

Native grasses are expected to be benefitted if allowed to grow. These are the main Schleicher key grasses: little blue stem, side oats gramma, pinhole gramma, and Falls witch grass. Others are buffalograss, mesquite, spear grasses (especially Texas needlegrass), tobosa and others.

## Eldorado Divide Soil Conservation District News

Clover planting time has rolled around again and it looks as if moisture conditions are going to be favorable for a good clover year. Two varieties of clover, Hubam and Madrid, will be planted this spring on several co-operators' places in the Eldorado - Divide Soil Conservation District.

Hubam clover is an annual white sweet clover which produces seed each year and is used for soil improvement, hay, and grazing purposes.

Recommended planting dates are from Feb. 15 through March for spring planting. A smooth firm seed bed is necessary and should be planted at the rate of approximately three pounds per acre in three-foot rows. The seed should be inoculated with a good grade of inoculant and planted to a depth of about 1/2 inch.

Madrid clover is a hardy biennial yellow sweet clover. It is a low growing, leafy, and fine stemmed clover, having an early seedling vigor which makes it a more desirable variety for droughty conditions. It is being used extensively in adjoining districts for a soil improving crop, hay, and for grazing.

Time of planting, depths and is the same as for Hubam Clover.

It is estimated that a good clover crop will add approximately 200 pounds of nitrogen per acre by extracting it from the air and storing in the roots of the plant and making it available to the following crop.

This week J. Walton Davis has been busy planting approximately 100 acres to Madrid Clover. Other co-operators of the district who plan to plant clover this spring include: Truett Stanford, John Bledsoe, L. E. Lloyd, W. A. Schuller, Bill McWhorter, Will L. Isaacs, and Henry Mittel.

J. H. Wagley is planning to take advantage of the good moisture conditions by deferring his north Blaylock pasture this spring for about six or eight weeks.

Complete deferment of a pasture during the growing season and when moisture conditions are good gives the better grasses a chance to seed out and mature. This is certainly a practice the district would recommend for our ranges—especially after about four hard dry years.

Range deferment is one of the many conservation practices Mr. Wagley is carrying out in co-operation with the Eldorado - Divide Soil Conservation District.

Mr. and Mrs. Dick Jones and daughter of Eldorado and Mrs. Ada Jones and Mr. and Mrs. J. B. Jones of Christoval visited Sunday in Sterling City with Mr. and Mrs. Ralph Welch.

**Farmers Planting**  
Farmers are bedding and planting. Some spring oats is already in the ground, with prospects of good oat acreage. Wheat and oats, planted late last fall, looked dead until revived by the rains. The precipitation will also be beneficial later this spring when row crops and cotton are planted.

**Above 45-Year Average**  
With the most moisture the county has had since 1944 in January and February, ranchers and farmers are elated over prospects for an unusually good year.

According to official records over a 45-year period, the average for January is .85, with the same figure for February.

According to official Schleicher County records, January was the fourth wettest January in 45 years!

January rainfall totaled 3.86 in 1944, which is slightly higher than the 1949 January total of 2.94. This week's rain of 1 1/4 inches brings the February total over the 45-year February average of .85.

### Pastures Need Rest

Ranch activities will probably level off, with prospects bright for a good but not outstanding year. Ranchers find breeding stock scarce and high.

It is pointed out that due to the poor condition of much of the pasture land, it is well to continue stocking lightly, to give the range time to make a comeback. W. G. Godwin, County Agent, points out this fact, stressing the advantages of getting good seed. The plants' vigor has been weakened and pasturage must have time to regain its normal stand, he states.

Though prospects look bright for a banner year, with a leveling off of prices, producers will continue to pay out heavily for machinery (now 15 per cent higher than in 1947), for gasoline, labor, and building materials.

### We Quote----

Concerning 1949 prospects for West Texas ranchers, A&M specialists have the following to say:

The drought is broken. These words have brought new hope and cheer to the ranchmen of West Texas. Even in far West Texas, rains have been favorable. Moisture penetration, in the San Angelo country, on the good condition ranges, is 16-18 inches. A. H. Walker, extension range specialist of Texas A&M College, says ranchmen are pleased with range prospects, and many are thinking now of restocking their ranges. With livestock prices good and the numbers low, ranchmen figure they can't lose.

But Walker says they can lose if they are not careful. The drought and overgrazing have severely reduced the stand of the better grasses and heavy grazing this spring will keep grass from coming back.

Perennial grasses must build their top growth each year from plant food stored in the roots, and the better grasses, already weak, can't stand too much heavy grazing.

The poorest condition pastures should be rested this spring and summer. This will give the desirable grasses a chance to make a seed crop and re-establish themselves.

It will, concludes Walker, pay off in the long run with more pounds of meat produced per acre.

### ORLAND HARRIS ILL

Orland Harris, proprietor of Harris Magnolia Station, has employed Gene Harvey to take his place at the station, and has entered Brooks General Hospital in San Antonio as a patient. He has been troubled with a back ailment, and after being quite ill all day Sunday left for the hospital Monday, entering the hospital Monday night. He made the trip with Carrol Ratliff, in the Ratliff car, and Bob McWhorter. Mrs. Harris is operating the cafe, assisted by Mrs. C. G. Brooks.

### Personal News Items

Newt Williamson, former Eldo-  
 rado resident, is reported to be  
 seriously ill in a Los Angeles hos-  
 pital where he recently underwent  
 a leg amputation due to gangrene  
 poison. Mrs. Roy Williamson of  
 Ft. Worth, daughter of Mrs. Allie  
 Sweatt, wrote that her husband  
 had recently visited with his father  
 and found his condition to be quite  
 serious. Mr. Williamson resided  
 here for several years, and since  
 moving to California, has visited  
 frequently with friends here.

Mr. and Mrs. A. L. Jones visited  
 Sunday at McCamey with their  
 son, Elton Jones and wife. Mrs. A.  
 H. Green, who accompanied them,  
 visited with her daughter, Mrs.  
 Jim Patton and family.

Iretta Fay Mace was brought  
 home Tuesday evening from a San  
 Angelo hospital where she under-  
 went an appendectomy at 4:30 p.  
 m. Saturday. She is reported to be  
 doing nicely.

W. M. Patterson, manager of  
 William Cameron Lumber Co., and  
 Clovis Taylor returned Tuesday  
 night from San Antonio where they  
 attended an air conditioning  
 school.

Mrs. O. Sudduth visited last week  
 end at Harper with her mother,  
 Mrs. Charlie Spencer, and on Sun-  
 day attended church at Kerrville.

Mr. and Mrs. Kenneth Kuykend-  
 all of Vallejo, Calif., are here for  
 a few days visit with his brother,  
 Allen Kuykendall and family.

Doris Calcote, who is attending  
 Draughon's Business College in  
 Abilene, and Mr. and Mrs. J. H.  
 Minyard of Sweetwater, spent the  
 week end with the women's par-  
 ents, Mr. and Mrs. F. B. Calcote.  
 Celia Ann, daughter of Mrs. Min-  
 yard, remained for a longer visit  
 with her grandparents.

A. D. Richey has returned to the  
 veterans' hospital at San Antonio  
 after a few weeks' visit in Eldo-  
 rado.

Mr. and Mrs. R. C. Edmiston of  
 Andrews visited one night last  
 week with his mother, Mrs. W. F.  
 Edmiston.

G. H. Davis, father of Mrs. W.  
 C. Doyle, Lum and Richard Davis,  
 is quite ill at his home here, and  
 relatives report little change in his  
 condition. He has been taking x-  
 ray treatments in San Angelo for  
 some time.

### San Antonio Plans 54th Annual Fiesta

San Antonio—Themes have been  
 announced for four of the big  
 events of San Antonio's 54th an-  
 nual Fiesta San Jacinto, to be held  
 April 18 through 24.

The events are the river pageant  
 marking arrival of King Antonio  
 XXVII, the Coronation of the  
 Queen, the Battle of Flowers Pa-  
 rade and the Illuminated Night  
 Parade.

The river pageant, sponsored by  
 the colorful Texas Cavaliers, will  
 have as its theme "Fantasy of  
 Song" and His Royal Highness will  
 lead a gayly decorated Royal Fleet  
 down the San Antonio river as he  
 makes his formal entry into the  
 city on Monday evening of fiesta  
 week.

The spectacular Coronation of  
 the Queen, sponsored by the Order  
 of the Alamo, will be known as the  
 "Court of Gaiety." This event, in  
 which young ladies from many  
 parts of the state participate as  
 duchesses, will take place on Thurs-  
 day evening in Municipal Auditor-  
 ium, which always is assured of a  
 sellout for the Coronation.

Theme of the Battle of Flowers  
 Parade, best known of all the  
 Fiesta activities, is "Happy Days."  
 Traditionally held on Friday after-  
 noon, the brilliant spectacle is  
 sponsored by the Battle of Flowers  
 Association and was the basis  
 around which Fiesta San Jacinto  
 was built. It features the Queen  
 and her court and the Fiesta King.

The Illuminated Night Parade,  
 an event of growing importance,  
 will have as its theme "Spotlights  
 on Texas" and will be held on Sat-  
 urday under sponsorship of the  
 Fiesta San Jacinto Assn. Designed  
 to sum up all the gaiety and bril-  
 liance of the week, it will include  
 representatives of other Texas  
 Festivals.

### Woman's Club Meets At Joe Edens Home

The Eldorado Woman's Club met  
 Tuesday afternoon in the home of  
 Mrs. Joe B. Edens with Mrs. Ar-  
 thur Mund as leader for the pro-  
 gram.

An interesting and informative  
 paper on the Dominion of Canada  
 was given by Mrs. Edgar Spencer,  
 and Mrs. D. C. Hill, chairman of  
 legislation, gave a few timely  
 pointers on current legislation and  
 urged all members to exercise  
 their voting rights at all times.

The hostess served pie, coffee,  
 tea and cokes to 22 members and  
 Mrs. Charlie Robinson and Mrs. C.  
 J. Tribble, guests.

### MISS BAKER ENTERTAINS WITH LUNCHEON, BRIDGE

The George Washington motif  
 was carried out in the decorations  
 when Miss Danell Baker enter-  
 tained the Slam Bridge Club with  
 a luncheon party in her home Tues-  
 day. Red and white carnations  
 were used in the dining room in  
 carrying out the color scheme.

Mrs. E. C. Peters was winner of  
 the high score, and Mrs. Patton  
 Enochs won bingo. There were ten  
 members present and guests in-  
 cluded Mrs. Fred H. Barney and  
 Mrs. Gene Horton of Ft. Worth;  
 Mrs. J. T. Ratliff and Mrs. Max  
 Henry of San Angelo; Mrs. Sidney  
 Rogge of Sonora, and Mrs. Ray  
 Hudgens, Mrs. H. T. Finley and  
 Miss Helen McGill.

The next meeting will be with  
 Mrs. Pat Enochs.

### HOMEMAKING CLUB MEETS

The Junior Homemaking Club  
 met on Feb. 21 with Suzy Linthicum,  
 president, in charge. Jorgia  
 Lagow was introduced as a new  
 member. It was decided to have a  
 picnic or hayride in the near future  
 with each member inviting a guest.  
 It was announced that there would  
 be an area meeting at Midland on  
 March 26.

Mr. and Mrs. W. M. Butterfield,  
 accompanied by his father, M. W.  
 Butterfield of Big Lake, went to  
 Texarkana during the week end  
 and brought back the rest of their  
 house hold goods. Mrs. M. W. But-  
 terfield spent the week end at her  
 son's apartment in the home of  
 Mrs. W. H. McClatchey.

Mr. and Mrs. Billy D. King of  
 Midland visited Wednesday of last  
 week with his brother, G. J. King  
 and family.

Mrs. W. T. Parker has received  
 word this week of the death of her  
 brother, J. L. Stephenson, 46, at  
 Minneapolis, Minn. Survivors are  
 his wife, a young son, three sis-  
 ters and a brother. Mrs. Parker  
 was not able to attend the funeral  
 because of the illness of her child-  
 ren.

Roy Lynn, small son of Mr. and  
 Mrs. Gus Love, is improving fol-  
 lowing an attack of pneumonia. He  
 is at the home of his grandparents,  
 Mr. and Mrs. Roy Andrews.

### NEW BABY

Mr. and Mrs. Irl Breedlove of  
 Kilgore announce the arrival of a  
 new son, Feb. 18, at Kilgore. The  
 baby, who weighed 7 pounds and  
 11 ounces, has been named Steven  
 Miller.

The Breedloves, former publish-  
 ers of the Eldorado Success, moved  
 away from Eldorado in early Aug-  
 ust, 1945. They have four other  
 children besides Steven Miller.

### NEW DAUGHTER

A daughter, weighing 7 pounds,  
 was born Wednesday morning, Feb.  
 23, at Clinic Hospital in San An-  
 gelo, to Mr. and Mrs. James Page.  
 Grandparents are Mr. and Mrs.  
 Tom Wilton of Ft. Sumner, N. Mex.  
 and Mr. and Mrs. Bert Page of this  
 city. The baby, whose name has  
 not yet been announced, has a sis-  
 ter, Mary Ann.

Mr. and Mrs. Herbert Dortch  
 are the parents of a daughter born  
 Tuesday night, Feb. 22 in a San  
 Angelo hospital. The infant, who  
 weighed 7 pounds, 11 ounces, was  
 born on her paternal grandmoth-  
 er's birthday. Mrs. H. H. Dortch,  
 Sr., who lives in East Texas, is  
 expected in this week for a visit  
 with her son and family. Mr.  
 Dortch is employed by Western  
 Drilling Co. here.

### SIX PERCENT DROP IN RETAIL SALES

Austin.—Texas retail sales, es-  
 timated at \$321 million for January  
 1949, dropped 6 per cent under  
 figures for January 1948, the  
 University of Texas Bureau of  
 Business Research reported.

Apparel stores, with sales de-  
 creasing less than 1 per cent, food  
 stores, with sales declining less  
 than 2 per cent, and department  
 stores, with sales dipping 3 per  
 cent, recorded the smallest declines  
 over this 12-month period. Lumber  
 and building materials sales, show-  
 ing the greatest fall in business for  
 January 1949, tumbled 28 per cent  
 from the January 1948 figures.

Greatest gains for 1949 in retail  
 sales placed family clothing stores  
 and men's and boys' clothing es-  
 tablishments at top with 5% jumps  
 over January 1948, and drug stores,  
 filling stations, and florists with  
 2% rises. General merchandise, eat-  
 ing and drinking places, and res-  
 taurants maintained nominal in-  
 creases of less than 1% over Janu-  
 ary 1948.

Christmas influenced retail sales  
 for December 1948, when sales  
 stood 80 per cent above those for  
 January 1949 in jewelry, 49% in  
 family clothing stores, 53% in  
 mens and boys clothing stores, 48%  
 in hardware stores, 58% in depart-  
 ment stores, 49% in apparel, 47%  
 in womens specialty shops, 50% in  
 general merchandise, and 43% in  
 shoe stores.

January sales of durable goods  
 stores fell 26% from December and  
 11% from a year earlier, while  
 nondurable store sales slid 44%  
 from December and 2% from Janu-  
 ary 1948.

Gus Love has bought the C. Z.  
 Padgett house.

### Firemen Entertain At Supper Party

The Eldorado Volunteer Fire De-  
 partment and their wives and oth-  
 er guests met at the City Hall  
 Tuesday night for a covered dish  
 supper and social.

The group spent the evening  
 playing games of 42. Prizes were  
 awarded to Ray Hudgens, high for  
 men, Mrs. Albert McGinness, high  
 for the women, and Mrs. Elton Mc-  
 Guinness, low.

There were about 30 present.

### COLLIE ARRIVES ALONE FROM OCCUPIED GERMANY

Buddie, little Dickie Davis' pet  
 collie, surveyed Eldoradoans with  
 an air of extreme boredom Tues-  
 day morning as he set paw for the  
 first time on American soil.

After 22 days in a crate Buddie,  
 who started on his long trip from  
 Germany February 1, looked tired  
 and indifferent, but still game, as  
 he peered from his box on Lum  
 Davis' pickup, which was the last  
 conveyance to take him to his des-  
 tination—the Lum Davis residence.

What he was thinking was any-  
 one's guess — it could have been  
 "nicht versteh", or "Gutentag",  
 or "verdammte" or even "heil  
 Hitler" — if anyone heils Hitler  
 anymore; it is expected that he  
 will be quite the hero in the city's  
 canine population.

Buddie belongs to Dickie Davis,  
 little son of Mr. and Mrs. Paul  
 Davis, who will arrive in the States  
 next month for new assignment to  
 Randolph Field, where Mr. Davis  
 will be cadet instructor. Paul en-  
 tered service in '41, and has since  
 reenlisted. He has been in the air  
 lift in occupied Germany.

Buddie, the first of their person-  
 al effects to be shipped out, will  
 remain here until the family takes  
 up residence again in Texas.

## Frances Williams Is Selected As DAR Good Citizen

Frances Williams, daughter of Mr. and Mrs. B. T. Williams, has been selected as the DAR Good Citizenship representative from this community, and is eligible for the place of DAR Good Citizenship Pilgrim from Texas, should her name be chosen in the state contest.

Miss Williams was selected by the high school faculty from a group of three senior girls, chosen by the senior class as being most representative of the qualifications set forth for the good citizenship awards. These qualifications are dependability, service, leadership and patriotism; a student's scholarship is taken into consideration also.

Names of representatives will be sent in to the district superintendent, who will draw for district winner. These will be sent to the state superintendent, who will choose by lot the DAR Good Citizenship Pilgrim of Texas. This year's winner will be presented with a \$100 bond instead of the usual trip to Washington.

Frances, who will be 16 years of age on March 18, is the youngest member of the senior class, and is known for her very likeable personality, her interest in school and in extra-curricular activities. She is considered an outstanding student by both faculty and classmates.

Born in the Reynolds Community where she attended school until the eighth grade, Miss Williams has always been interested in 4-H club work. In her rural community, she held various offices in club work, and after entering Eldorado High School, became a member of the PFA Club. She was representative last year for an area office in Ballinger.

She is a member of the Dramatics Club, and the Spanish Club, and is Editor-in-Chief this year of the Talon, school yearbook. She has served as reporter for the school paper and has had parts in both the junior and senior plays. She is interested in tennis and played baseball for two years. In the scholastic meet this year, she is entering the spelling and number sense divisions.

Miss Williams plans to enter college next year where she will major in applied arts concentrating on interior decorating. She will be presented with a pin from the local DAR chapter.

## Sewing Club Has Supper, 42 Party

The monthly social for members of the So and Sew Club and their husbands was held last Wednesday evening in the home of Mr. and Mrs. Delbert Edmiston. Following supper, the group enjoyed games of 42, and Mrs. Edmiston was presented with the gift for the month.

Those present were Messrs. and Mmes. Eddie Brown, Howard Belcher, Bud Davidson, Jack Halbert Jr., Jack Montgomery, James Linsley, Gene Harvey, Clifford Schooley and the hosts.

### FIRST BAPTIST NEWS

Circle 1 met in the home of Mrs. Joab Campbell, with Mrs. John Stigler presiding. Mrs. Felix Susan gave the devotional. Those on the program were Mrs. Stigler, Mrs. Joe Wagley, Mrs. Campbell, and Mrs. Mattie Cozzens. Mrs. Sallie Murchison led in prayer. Cherry pie and coffee was served to seven members and two children.

Circle 2 met in the home of Mrs. W. T. Whitten for a program on Baptist World Alliance and Home Missions with Mrs. L. M. Hoover as leader. Others on the program were Mmes. Fred Watson, T. C. Stanford and J. F. Kinser. A salad plate was served to 6 members.

Mrs. E. W. Perry had charge of the program and business when Circle 3 met in the home of Mrs. S. L. Stanford and Mrs. W. A. Taylor. Mrs. A. M. Nixon gave the devotional and others taking part on the program were Mmes. Stanford, Perry, W. N. Ramsay and Ray Jones. Mrs. Taylor was introduced as a new member of the circle. Refreshments were served to 6 members and two children.

Mrs. F. B. Calcote gave the lesson on World Alliance when Circle 4 met in the home of Mrs. W. G. McAlpine. The meeting was opened with prayer by Mrs. McAlpine and the devotional by Mrs. George Williams. Refreshments were served to 8 members, one child, and a visitor, Mrs. W. H. Joiner.

Circle 5 met with Mrs. Weldon Davis for a program on missions, with Mrs. Davis giving the devotional. Others taking part were Mmes. Bud Davidson, Floyd Spurgers and Roy Davidson. Refreshments were served to 6 members and 5 children.

Regular services were held Sunday at the Bailey Ranch Baptist Church with Rev. Baltis Mathews of San Angelo in the pulpit. His wife accompanied him here.

E. H. Topliffe has done some remodeling at his shop, including the enlarging of his showroom, and the addition of a new office.

Mrs. Haywood T. Bird and Mrs. Robert E. Horn, Jr. and Judy of San Angelo visited last Friday with Mr. and Mrs. A. J. Atkins.

Earl Bryant and wife and son, Dennis Earl of Sweetwater, visited last Friday with his parents, the E. R. Bryants.

Mr. and Mrs. Jim Duncan of Mason were week end visitors in the home of his sister, Mrs. Savola Bolt and family.

From where I sit... by Joe Marsh

### How's Your Listening Time?

Buck Howell and I were in Balleville last week. Dropped in at Bob's diner where some friends were sitting around talking about whether to sell hogs now or wait.

Buck plunges right into the discussion. He's lecturing away when suddenly they all stand up and start stomping their feet like it was an Indian war dance.

I'm flabbergasted. But Buck only looked sheepish and explains, "Guess I was talking again, when I should've been listening. When a person's talking time gets out of

line with his listening time around here, the gang reminds him by standing up and stomping."

From where I sit, that's a good system. Everyone has a right to his opinions—but others have a right to theirs, too—whether it's deciding between to sell or not to sell, apple pie or cherry pie, or a glass of mellow beer or cider. Life's more interesting that way, and hang it if you don't sometimes learn something!

Joe Marsh

**MRS. PAUL PAGE IS HONORED AT GIFT TEA**

Mrs. Paul Page, whose marriage took place in Dallas on February 12, was honored at a gift tea last Friday afternoon in the home of Mrs. John Williams. Members of the Presbyterian Auxiliary were hostesses.

The honoree, Mrs. Bert Page and Mrs. Williams greeted guests at the door and ushered them to the other rooms where gifts were displayed.

The tea table in the living room was laid with an appliqued cloth and centered with an arrangement of gladioli and fern. A similar bouquet was on the piano. Mrs. Harold Scherz of Sonora and Miss Katherine Davis poured tea and coffee, and Mrs. R. J. Page cut the decorated cake. Open faced sandwiches, mints and nuts were also served.

Miss Katherine Davis sang during the afternoon and Miss Mary Lee Gunstead was at the piano. Mrs. S. E. Jones, Jr. registered the guests.

About fifty called during the afternoon, and a number of others sent gifts.

Mrs. Lila Phillips of Hood River, Oregon arrived here Monday for a visit with her son, Paul Phillips and family. She plans to visit also with another son in Victoria before she returns home.

**ST. LUKE'S BAPTIST CHURCH**

Services were held Sunday at the usual hours. Rev. C. H. Adkins brought a black-board demonstration at the 11:00 service, using as his subject "You Can Make It If You Stand Fast." In the afternoon Mrs. Leola Spears brought the lesson at the mission program. Rev. Adkins also gave a short talk on "The Value of Women", and delivered the sermon at the evening hour.

The all-women's day has been scheduled for Sunday, Feb. 27, and the minister of the Presbyterian Church has been asked to preach at 3:00 on that day. All church members are invited.

Each church member is asked for \$1.00 in order that all bills may be paid.

Weekly activities include YWA Tuesday night, prayer meeting Wednesday night, teachers' meeting on Friday night, and entertainment at the church Saturday night. Sunday there will be all-day services.

Mr. and Mrs. B. F. Kinser were Sunday dinner guests in the J. H. Wagley home.

Mr. and Mrs. Fred Gunstead and Mary Lee visited in Big Lake Sunday with Mr. and Mrs. J. L. Worst and family. He is editor of the Big Lake Wildcat.

Mrs. Stella Floss of Houston is visiting her sister, Mrs. T. A. Smith for several weeks.

Miss Jerry Blaylock, student at Sul Ross, spent the week end at home.

The Jack Ratliff family visited the Tom Ratliff family in Sonora Sunday.

Mr. and Mrs. Curtis Smith of San Angelo visited in the Jack Ratliff home Saturday.

Mrs. Slick Nolan and children spent several days here with her parents, Mr. and Mrs. O. L. Woodward. Jerry Nolan has measles.

### Clovis Taylor Heads Sunday School Class

Clovis Taylor was elected president of the Methodist Young Adult Class at a social and business meeting last Saturday night at the church. L. B. Sheffield was elected vice president and Mary Lee Gunstead secretary.

Other business during the meeting was the choosing of the name "The F-B-F Class" as official title for the group. The class was organized by Rev. F. B. Faust, whose initials are used, and the motto will be "For Being Friendly".

The group spent the evening playing 42, and cake and coffee were served to about sixteen members.

Ann and Ray Lewis Ballew have measles.

Mr. and Mrs. Fred Furr visited Sunday in Calf Creek with her brother, W. R. Duncan.

Mr. and Mrs. Jim Duncan and baby of Mason visited Mr. and Mrs. Savola Bolt Saturday night and Sunday.

Mr. and Mrs. J. A. Griffin left Monday for California where they planned to visit their daughter, Mrs. Jane Bracken, who is moving back to Eldorado and is coming home with them.

Judy Hext has been ill with a bad cold.

Mrs. W. T. Huber was brought home from a San Angelo hospital last Wednesday and is doing nicely, according to reports, after a recent operation. Her husband, who sustained a broken foot recently, has had the cast removed but is still lying on crutches. The Hubers' daughter, Miss Loyce Higgins, who works in San Angelo, spent from Friday to Tuesday with her parents.

Mrs. Zora Pool left Thursday for Girvin to attend the funeral of a nephew, age 22, who was killed in an oil field accident. She visited there about a week before returning to Eldorado.

Mrs. Will Faught of Lampasas, mother of Mrs. H. A. Belk, Milton and Bob Faught, is reported to be doing fairly well in a Temple hospital.

### METHODIST NEWS

The Dorcas Circle of the WSCS met last Thursday afternoon in the home of Mrs. E. C. Peters, with Mrs. Roy Shilling presenting the study, "Newness of Life". Mrs. Peters gave the devotional. Punch and cake were served to six.

The Lydia Circle met Wednesday, Feb. 16 with Mrs. Stanley Gaynor for the study on China. Mrs. Laurence Steen gave the scripture reading, Mrs. J. Hall Bowman sang, and Mrs. Roy Shilling gave the study. Refreshments were served by the hostess.

Wayne Dickens, son of the Raymond Dickenses, who received a fractured ankle the latter part of November, had the cast removed from his leg Monday at a San Angelo hospital.

J. A. Enochs, Oran Enochs, and Miss Chris Enochs attended funeral services at Oak Hill near Austin Tuesday afternoon for an uncle, Tom Wheeler, who died Monday morning.

Mr. and Mrs. Edgar Pierce of Menard visited over the week end with the C. N. Shaws.

Mrs. V. A. Porter and Mr. and Mrs. Clinton Porter of Lampasas visited over the week end with Mr. and Mrs. Will Doyle.

Mrs. D. J. Wilson, who was ill in a San Angelo hospital recently, is convalescing at home, and is reported to be doing nicely.

D. E. DeLong, who celebrated his birthday this month, was honored with a dinner at the family home Sunday. Present were Mr. and Mrs. Ed DeLong and Mrs. Robert Campbell of San Angelo; Mr. and Mrs. S. D. Harper and Myrta Bob, Mr. and Mrs. Lawrence Steen and David, Mr. and Mrs. Ralph Fowler, Mr. and Mrs. C. L. Meador, Jr., Mr. and Mrs. Edward Meador and Lynn, Mr. and Mrs. Jess Koy and Mr. and Mrs. DeLong.

Mrs. Lewis Wilson is a new employee at Royster's Cafe.

### Local News Items

Mrs. Rutha Boyer, Mr. and Mrs. Roy Boyer, Ray Boyer, Mrs. Don McCormick, Mrs. Howard Belcher all of Eldorado and Mr. and Mrs. Howard Stephenson of Menard attended funeral services Saturday at Glen Cove for their sister-in-law and aunt, Mrs. Denton May, who died Wednesday night. Judy and Jimmie Belcher, children of the Howard Belchers, visited in San Angelo Saturday with their grandparents, while their mother attended the services.

Honoring their son, Lynn, Mr. and Mrs. Tom Alexander entertained Sunday with a birthday dinner at their home. Guests included Mrs. Carrie Currie of Austin; Mr. and Mrs. Ray Alexander and family, Mr. and Mrs. Claude Alexander and boys, Mrs. R. J. Alexander and family, the honoree and hosts.

Mrs. G. A. Neill, Mrs. Reuben Dickens and girls visited relatives and friends in San Angelo Sunday. A. J. Roach was brought home Tuesday from a San Angelo hospital, and is reported to be improving.

Mrs. Henry Mercer spent the week end in Sonora with her son, Dial Mercer and family.

D. J. Childers of Mercury visited Saturday with his son, Edwin Childers and family.

Chester Burk of El Paso visited last Friday with his brothers, Lum and A. J. Burk and families.

Mr. and Mrs. Fred Furr visited Sunday with her brother, W. R. Duncan and wife at Calf Creek.

Abbie Holmes of Abilene, and Jerry Blaylock, students at Sul Ross, spent the week end with Jerry's parents, Mr. and Mrs. W. A. lock.

Mrs. John Boothe has been on the sick list this week, but is improving.

Mrs. Kenneth Doyle has been ill with a severe cold.

Mrs. J. A. Whitten has returned home from the hospital, and is getting along nicely.

Mrs. A. K. Bailey, who has been on the sick list recently, is reported to be doing fairly well.

Ralph and Richard Copeland, who attend the San Antonio Military Academy, spent the week end with their parents, Mr. and Mrs. Gay Copeland.

L. D. Doty of Ballinger spent the week end with his brother, O. V. Doty and family.

## DODGE TO INTRODUCE NEW KIND OF CAR BUILT FOR TODAY'S BIGGER TALLER AMERICANS

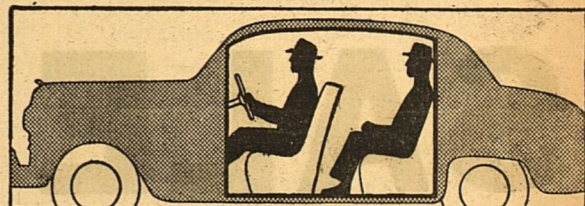

Daring New Dodge establishes new trend . . . provides more head room, elbow room and leg room, at the same time decreasing outside dimensions. Extreme lines, uncomfortable seats and cramped interiors have no place in Dodge thinking.

"BODY-CRAMPING ROOF LINES MUST GO," said Dodge! Army physical exams revealed that our wartime generation was bigger, taller and more active. A car with more interior space—not less—is the goal Dodge engineers achieved.

Army statistics revealed that the G.I.'s of World War II averaged 1½" taller than the Doughboys of World War I. The same statistics showed they were also heavier and more active.

DODGE STARTED WITH A SPACIOUS INTERIOR—and practically built the rest of the car around it! Here is room to "roam around in"—plenty of room to let the human body take positions that are natural and therefore comfortable.

DODGE SAID "NO" TO THIS . . . repairing dented or torn fenders is sure to be costly when fenders are formed right into great masses of sheet metal. Now look below and see why Dodge owners don't have this worry.

TIRING? YES! Doctors agree that people can't go for long periods "sitting on their spines" without becoming tired, irritable. Dodge did something about this, too!

AH-HI RELAXING! Dodge "knee level" seats, shown above, put the entire body in a natural position . . . with full leg support for restful, all-day comfort.

DOWN GO REPAIR COSTS! No costly-to-repair, massive sheet metal fender sections in new Dodge. Fender unit is bolted (not welded) to body; easily removed, repaired and even replaced, if necessary, at reasonable cost.

"NECK-CRICKING" CONTOURS ARE ALREADY OLD-FASHIONED," says Dodge. How can today's bigger, taller Americans be comfortable in a car where it's even hard to lean back or sit up straight?

DODGE ROOMINESS IS ROOM ALL AROUND . . . The new Dodge, shorter, narrower and lower, gives you more elbow room . . . leg room . . . head room . . . that today's bigger Americans will WELCOME!

LOWER ON THE OUTSIDE . . . Higher on the Inside • SHORTER ON THE OUTSIDE . . . Longer on the Inside  
NARROWER ON THE OUTSIDE . . . Wider on the Inside

## SEE HOW DODGE DOES IT!

Coming Feb. 25th

**Personal News Items**

Mr. and Mrs. Seth Ramsey spent from Wednesday to Sunday in San Angelo with their daughter and husband, Mr. and Mrs. John Koschak, and their grandson, Carl Koschak, who has been quite ill. He is improved. Mrs. J. D. Ramsey visited them in San Angelo Saturday, and all came home Sunday.

Mr. and Mrs. John Roach of Abilene have been visiting here and in San Angelo with his brother, A. J. Roach, who is ill in a hospital there. Mr. Roach is somewhat improved but it is not yet known when he will be able to come home from the hospital.

Mr. and Mrs. A. T. Wright attended funeral services in Brady Saturday for his brother's wife, Mrs. A. D. Wright, who died of pneumonia and a heart attack. They returned home Saturday night.

Rev. C. H. Adkins, pastor of St. Luke's negro Baptist Church, is to leave Saturday for Santa Anna, where he will conduct church services on Sunday. He plans to visit relatives in Brownwood also and will return to Eldorado next Saturday.

Roy Shilling Jr. spent the week end here with his parents. He is a student at McMurry College, Abilene.

The Albert, Elton and Sam McGinnes families attended double funeral services in Menard Sunday for Clint Word and Sam Cochran. The wives of the deceased are sisters and are cousins of Mrs. Sam McGinnes.

Mrs. W. E. Turnbow and daughter both have measles.

Mr. and Mrs. Leo Richardson of Iraan visited Mr. and Mrs. John Williams Monday.

Mrs. Luke Thompson left Saturday for Borger to visit her husband, who is working there, for several days. They planned to visit in Lubbock with their son, Luke Jr., student at Tech, before she returned home sometime this week.

Mr. and Mrs. Fred Watson returned Tuesday of last week from Luling where they attended the funeral of Mrs. Walter Johnson, a friend, who died Feb. 12 and was buried at Talfurias.

Mrs. Uppercu Paul of S. Orange, N. J., has been a visitor recently in the home of her niece, Mrs. Thad Thomson. She went from Eldorado to Tucson, Ariz.

Bill Matteson, who had been on the job a week in the advertising department at Joske's, San Antonio, came in Sunday for his car, which had been undergoing repair.

"Uncle Sid" Boothe, who has been ill, is improving somewhat.

L. A. Goss, who formerly lived here, and his wife have moved from San Antonio to the P. K. McIntosh ranch, where Mr. Goss is employed.

Kyle, son of the Russell Donaldsons, is ill this week with measles.

Cheek and Spencer of Eldorado recently sold and delivered 200 head of fed lambs weighing 103.8 pounds to Vestel Askew, buyer for Armour & Co., at 18c pounds. The lambs were taken to Mid-West Feed Yards eleven days before their delivery to the packer buyer, and were shorn and fed at the yards. Askew shipped the lambs to his company on Feb. 12.

About 18 or 20 members of the Presbyterian congregation had a get-together and singing at the John Williams home after church Sunday night. Cake and coffee was served.

Billy Wilton of Ft. Sumner, N. Mex., spent Friday night with his sister, Mrs. James Page and family.

Mr. and Mrs. Tom Kent and boys of Alpine spent the week end with her mother, Mrs. Frank Spencer.

Mrs. Charles Mund spent Saturday night and Sunday in San Angelo with her daughter, Mrs. Wendall Yates.

Mr. and Mrs. A. G. Taylor, Yvonda and Patsy Taylor, Myrta Bob Harper, Gordon Hamm and Gerald Hicks visited Iretta Fay Mace, who had an appendix operation, in a San Angelo hospital Sunday.

Mrs. Henry Mittel was brought home from a San Angelo hospital last Thursday, and will remain here for awhile before going back for an operation.

Arthur Martin of San Angelo spent the week end with his niece, Mrs. J. Forrest Runge and family. Jerry Lynn and Kenneth Paul Pennington have measles.

Mr. and Mrs. Eugene Yearout of Hobbs, N. M. spent the week end with Mr. and Mrs. Andrew Nixon.

Mr. and Mrs. Paul Page returned Sunday to Dallas after spending several days here with his parents, Mr. and Mrs. Bert Page and other relatives. The couple were married about two weeks ago in Dallas. Page has a job with a lumber company in Dallas, where they will live until August, when they will move to Baltimore for a season of professional football. They then plan to return to Dallas for about a year.

Mrs. Sidney Rogge and daughter Kara Lynn of Sonora are spending several days here with her parents, the E. R. Bryants, while her husband is working out of town.

### Washington News Letter

By Congressman O. C. Fisher  
Anyone who doubts the decisive role air power will play in any future would have been disillusioned at the air show held at nearby Andrews Field last week.

Before an audience which included President Truman, members of the cabinet, and members of the House and Senate Armed Services Committee, the Army Air Forces put on the biggest show of its kind ever held.

It was a parade of power and speed, featuring the jet driven B 47 which streaks along at nearly the speed of sound—more than 600 miles per hour. (The speed of sound at sea level is 760 miles an hour.) The F-86, holder of the official world's speed record 670 MPH—was shown, as were a half dozen other jet models.

The exhibit also included the Air Force's two biggest bombers, the B-36 with the longest range and greatest speed load capacity of any bomber in the world, the YB-49 eight-jet bomber, making its first flight to the eastern seaboard for this review. A formation of B-29's, which bombed Tokyo and dropped the two atomic bombs, flew in from a base in South Dakota. This plane is now considered obsolescent and is being replaced by the faster longer-range B-36s and B-50s.

The show reminded us of the importance of long-range planning plane that was used in the recent future airplane progress. Every one was on the drawing boards before Pearl Harbor. The B-29, for example, which went into large-scale production and was first used in 1944, was begun in 1937.

Now, less than four years after the war's end, every plane used during World War II is today considered out of date.

The B-36, manufactured only at Ft. Worth, is a favorite of Secretary of Air Stuart Symington. It can fly well above 40,000 feet. At this altitude, because of the rarity of the atmosphere, any fighter developed to date maneuvers with great difficulty, and therefore becomes an excellent target for the defensive guns of any bomber.

It is significant that the B-36, equipped with heavy cannon, is by far the most heavily armed bomber yet known.

### OCCUPATION TAX BILL IS UNDER CONSIDERATION BY FARMERS, RANCHERS

Delegations of farmers, ranchers, county officials, dairymen, school officials, rural letter carriers and business men are expected to converge on Austin, Monday, March 7, to attend a public hearing before the House Revenue and Taxation Committee on Rep. C. S. McLellan's bill no. 59.

This bill proposes an occupation

tax on the production of natural gas for the purpose of building a system of local county rural roads—a type not now included in the State Farm-to-Market road program.

"The future of the small town business man is as vitally affected by this measure as that of the farmers themselves," according to Jim Cantrell, Princeton banker and president of the Texas Rural Roads Association, sponsors of a plan calling for a 10-year program to build 10,000 miles of rural farm roads each year, to be paid for, in part, by using a portion of the tax proceeds from natural gas.

"Our natural resources are a capital asset and it is only prudent that the State adopt a policy of placing some of this tax yield into permanent improvements which will remain long after the natural resources which have meant so much to us no longer remain to be taxed. It is highly important that every citizen in Texas interested in rural roads attend this meeting," he said.

"It is of vital importance to the future of Texas that our school systems be served by busses travelling over all-weather roads and that the farmers have the benefits derived from such uninterrupted transportation. I urge each public official in this State to bring a delegation to this hearing," said Judge John S. Simmang, Giddings, president of the State Association of County Judges and Commissioners.

According to C. H. Davis, Austin, Rural Letter Carriers of Texas Road Chairman, the rural people of Texas are not interested in super-duper highways, all they want is a road over which the mail carrier can travel every day in the year.

Mr. Davis estimated that less than 30 per cent of the 82,000 miles of rural mail routes in Texas are of all-weather construction.

"As Texas' basic economy is agriculture, the farmers who are interested in a program which will build the type and miles necessary to bring them out of the mud, should appear before this committee hearing in support of H. B. 59" urged Love D. Barbour, Wichita county farmer and Chairman of the Texas Farm Bureau Rural Roads Committee.

It is Mr. Barbour's opinion that the bill is designed to place the administration on a local basis, in the hands of local authorities, who know best the type of road and location necessary. "Such a plan," he said, "is practical, as there is nothing wrong with local administration that an election every two years cannot cure."

Karen, infant daughter of Mr. and Mrs. L. J. Alexander of San Angelo, is visiting her grandparents, the W. O. Alexanders for a few days.

Mrs. Albert McGinnes was honored on her birthday anniversary when her sisters-in-law, Mmes Elton and Floyd McGinnes, entertained with a birthday supper last Friday evening in the Elton McGinnes home. The honoree received several gifts. Present in addition to the honoree and her family, and the hostesses and their families, were Mr. and Mrs. Sam McGinnes.

Mr. and Mrs. Clinton Porter and Mrs. V. A. Porter and daughter, Reba of Lampasas spent the week end with Mr. and Mrs. Will Doyle. On Saturday afternoon, Mrs. Doyle and Mrs. V. A. Porter visited in Sonora with a niece, Mrs. J. T. Perkins.

Mrs. Camellia Raggio and H. Leslie Jones from the C B Ranch near Ft. McKavett visited in Sonora and Eldorado Monday.
