

The New Compromise Farm Bill

To date, most of the major support programs have been based on parity tied to the 1909-14 average, going back nearly forty years. A new formula in the bill brings parity calculations down to more recent times, and keeps it there.

In other words it has a moving base, figured on the average of the previous ten years. The new formula tends to favor the farmer by figuring the cost of hired help, and by including war time subsidies in dairy products. Congress directed NSDA to apply to each of the six basic commodities, the particular formula that would give the highest parity price to the farmer. It now appears that the 1904-14 formula may apply to wheat, corn, cotton, peanuts, and the moving base formula apply to tobacco and rice.

This is the story of the six basic commodities — corn, wheat, cotton, tobacco, rice and peanuts: 1950, supports continued at 90% of parity, if acreage allotments are in effect and IF farmers have not voted down marketing quotas that may have been proclaimed. If quotas are voted down, the support drops to 50%.

1951 — supports at 80-90% of parity, with the same provisions about allotments and quotas as above.

1952 — supports, 75-90% of parity, still with same general provisions.

"Mandatory non-basic" products are:

Milk and milk products, to be supported at 75-90% of parity.

Wool, at 60-90% of parity. The bill ties support to size of U. S. production in such a way that the support prices probably will be 90% for the next two years.

Irish potatoes, tung oil, honey— 60-90% of parity.

Mohair, 60-90% of parity.

The new parity formula applies on feed grains, chickens, eggs, beef cattle, hogs, fruits, and vegetables, if and when production and marketing controls are in effect.

Recent Questions of Farmers And Ranchers

"With prices leveling off, will money start toward the city again as in 1920-29?" "Will it be difficult to borrow money?"

Bureau of Agricultural Economics thinks the situation is different following the setbacks of 1920-29. Country banks in all regions are strongly fortified with highly liquid assets, such as cash reserves and federal securities maturing in less than five years. Of course another long drought could drain off money mighty fast.

But farmers in all parts of the U. S. have been preparing against such a day. They have built up bank deposits to an unusually high level and are among the largest buyers of U. S. Savings bonds. Barring a drastic turn of affairs, it doesn't look as if the country banks will be forced to put pressure on farmer borrowers.

Hunting Season Opens Locally; Many Get Deer

With hunting season opening here Wednesday, Schleicher County hunters went into action yesterday.

Some hunters who do not mind a longer trip have been hunting during the open season west of the Pecos. Among those bringing in deer for local storage are:

Pat Finley, Bill Taylor, J. A. Enochs, Dan McWhorter, Orval Edmiston, M. L. Calhoun, Jack Meador, Hal Whitten, Bob McWhorter, Bill McWhorter, Jack Shugart, Claude Meador, Robert Nixon, Skeet Mace, Elton McGinness, and Henry Speck.

Three elk were brought in after a Colorado hunting trip by Mr. and Mrs. Sam Henderson and the former Virginia McBurnett.

Local storage businesses report today that deer are coming in much more rapidly since the local season opened yesterday morning.

LIONS SPONSOR HOME TALENT 3-ACT PLAY

Meeting in regular session Wednesday noon, the Lions Club of Eldorado voted to sponsor and put on a home talent entertainment, "Aunt Silly", a three-act comedy, on December 8 and 9 or December 9 and 10.

A director will arrive in this city November 28 to start rehearsals. A large mixed cast of Eldorado and Schleicher county men, women and young people will appear in the production. Proceeds will go to the Lions' Club treasury, for civic improvements.

A popular type of play, "Aunt Silly" provides ample room for display of the county's wide variety of talent, and a fine show is promised, according to advance publicity.

WEST BUYS BULL

Attending the Brooks, Essar, Shaban sale in Brady recently were Mr. and Mrs. Jim West and children of Eldorado and Mr. and Mrs. Ben Meekel of Sonora. Mr. West was one of the buyers at the sale, purchasing an Aberdeen-Angus bull, coming two years old, for \$600. This was a Brooks bull.

Eldorado, Schleicher County, Texas,

THURSDAY, NOVEMBER 17, 1949

NUMBER 46

Styling of the 1950 Ford Custom Deluxe Fordor sedan includes features which add to the performance, economy, safety, comfort and appearance of the new cars. With improved quality as the keynote, the 1950 Fords introduce a new treatment of the grille and parking lights, a colorful new crest — the first in Ford history — a new ornamental rear deck handle

and lock, new instrument knobs, new and larger ring, foam rubber front seats with non-sag seat springs and a complete new line of interior trim fabrics. In addition the powerful Ford V-8 and 6-cylinder engines have been improved to give Ford the quietest and smoothest running engines ever produced by the Ford Motor Company.

## New Ford to Be Shown Here Friday

The 1950 Ford line of passenger cars, with scores of improvements, was made public today by the Ford Division of Ford Motor Company.

The new Fords will be on display in the showrooms of 6,400 Ford dealers throughout the nation starting tomorrow (November 18), including Charlie Trigg Motors of Eldorado.

All improvements in the 1950 Fords have been geared to offer even greater quality than was offered in the high quality 1949 Ford cars.

The new features embody improvements throughout the entire car—in the engine, the body, the seats, doors, frame, trunk, fabrics, instrument panel, brakes, floors and elsewhere.

The '50 Fords will be offered in two lines—the Custom Deluxe and the lower-priced Deluxe series. A full range of body styles will be available, including station wagons and convertibles. Ford will continue to offer the choice of two engines—the 100-horsepower V-8 and the 95-horsepower Six.

STYLING of the 1950 car, although not radically changed because of the wide public acceptance of the modern design of the Fords, nevertheless includes several distinctive features to enrich the appearance.

A colorful new crest, derived from an authentic coat of arms dating back to 17th century England, appears on the front of the hood and center of the trunk lid.

This is the first crest which has ever appeared on Ford cars.

Other styling features include a new hood ornament, re-styled parking lights in new positions and a new ornamental deck lid handle.

ENGINE improvements include the latest developments in engine design to give 1950 Ford cars the quietest and smoothest running V-8s and 6-cylinder engines ever produced by the Company.

Some of the engine features are a new timing gear, autothermic type pistons, new design camshaft lobes, new fan and reduction of fan speed on the V-8s and many other improvements adding to the life and quietness of the engine.

ECONOMY is keynoted through all of the many engine changes highlighted by still greater economy of oil consumption. The oil economy results from an addition of an oil squirt hole in the connecting rods, new cylinder wall finish and a rubber seal ring on the intake valve stem guide of the V-8 engine.

COMFORT features offer a new non-sag front seat spring, new sponge rubber front seat cushion, improved front-end suspension, additional headroom and increased areas of sound conditioning for quieter operation.

SAFETY factors include the strengthening of Ford's famed "Lifeguard" body, new bumper guards, a ribbed rear bumper and bumper supports for added strength, easier operating hand-

brake, wider sun visors and improved steering linkage for easier control.

COLORS are offered in a brilliant new array of 11 choices. There are new colors of broadcloth and mohair for interior finishings.

DOORS will be equipped with new rotary locks as in the costliest cars. The exterior handle will have a touch-button latch and there will be arm rest door closers.

LUGGAGE compartments, which are the roomiest in the Ford-priced field, offer a new deck-lid latch and an automatic releasing support arm for easy operation together with attractive compartment lining.

MAGIC AIR HEATERS will have a higher speed motor to increase the air flow 25 per cent and the heater control positions will be clustered and clearly marked and illuminated for easy reading and simple adjustment.

OTHER FEATURES include an attractive new three-quarter horn ring, new gas filler tube and cover, new rigid regulators for windows, new double-walled glove compartment door, new automatic courtesy lights which go on when front doors are opened, new durable floor coverings and increased openings for defrosters.

OVERDRIVE, which improves gasoline economy up to 15 per cent, will continue to be sold as factory-installed optional equipment on all models.

## School Band Takes Part In Two Affairs on Friday

The Eldorado school band will devote their day Friday to band activities, and will take part in the homecoming celebration at Sonora and go on from there to play for the night game at Junction.

At Sonora the band will attend a dinner at noon, and will take part in the parade which will be a feature of Sonora's homecoming and new building dedication.

At Junction they will play for the last conference game of the football season.

Cowgirl Band Coming

Under sponsorship of the Eldorado band, the Hardin-Simmons Cowgirl Band will give a program here Monday, Dec. 5. More details will be announced at an early date.

## West Makes Change To Aberdeen Angus

Disposing of the last of his Hereford cattle this week was Jimmie West. Bert Page bought the last of Jimmie's Herefords for \$230 per pair for cows with small calves.

Changing from Herefords to Aberdeen-Angus, Jimmie has received 57 cows of mixed ages in the last couple of weeks. Part of these came from the Pat Jackson herd at Sterling City, and part were formerly Sol Mayer cattle. He paid \$175 per head.

THANKSGIVING HOLIDAYS SET FOR LOCAL SCHOOLS

The Eldorado schools will observe Thanksgiving with a two-day holiday, November 24 and 25. Classes will resume Monday, November 28.

Wednesday, November 23, marks the end of the second six-weeks period at the school.

—Eldorado Success, \$2.00 per year.

## FOOTBALL BOYS TO BE BANQUETED BY LIONS CLUB

The Lions Club of Eldorado will entertain the football squad and their coaches with a special Thanksgiving dinner, at the regular meeting of the Lions club next Wednesday noon. Decision to recognize the squad for their excellent showing made this year, and to show appreciation of the city for their efforts, was made during the business session, and the members voted unanimously to fete the boys on that day. A turkey dinner will be served. The football boys will play their last conference game Friday.

## Band Takes Part In Band Festival At Ozona Saturday

The Eldorado band, directed by C. F. Jones, did not place in the contest at Ozona Saturday, but gave an excellent performance, according to those who attended. First place went to Iraan, second to Big Lake, and third to Sonora.

The festival was held in conjunction with the Homecoming Day at Ozona. Bands participating were Sonora, Eldorado, Iraan, Ozona, Big Lake, and Junction.

The competition is expected to be an annual affair, with more bands participating.

Eldoradoans who have been attending the ball games here regularly during the football season have commented on the steady improvement which the band has made in performance, especially in marching.

## Shilling To Attend Nation-Wide Meeting At Philadelphia, Pa.

Rev. Roy Shilling of the Eldorado Methodist Church and Rev. Grady Peters of the Eden Methodist Church will leave Thanksgiving Day for a Methodist Advance evangelistic meeting at Philadelphia, Pa. Rev. Shilling has made arrangements to fill his pulpit during his absence, as he will be away from his charge two Sundays.

Leaders of Methodism from areas throughout the entire United States will be present and will give inspirational messages.

Those attending will be prepared to take part in visitation evangelism or any other assignment they may be given.

Three hundred churches of Philadelphia and surrounding vicinity will be host churches. Especially stressed will be visitation evangelism, carried out by pairs of evangelists in personal contact with the public, and preaching of "Our Faith" from historic pulpits, on the streets, in shops and schools.

The main meeting place will be the large Arch Street Methodist church. An interesting focal point of inspiration will be Old St. George's Methodist church, oldest and most historic church in America, founded in 1767. From here John Wesley received and sent out his missionaries, especially Asbury, and here the Methodist Publishing House was founded.

## Junction Juniors Defeat Eldorado; Last Game Tonight

Junction defeated Eldorado 20-7 in a junior football game here last Thursday night. McDale Farrington made the touchdown for the Eagles.

Eldorado plays Junction tonight, Thursday, at 7:30 in Junction. This game is the last junior game of the season.

## Baptist Brotherhood Sponsors Mass Meeting

### LIONS AUCTION SALE SATURDAY NETS GOOD SUM

An enthusiastic crowd spent the day in Eldorado last Saturday, and attended the Lions Club auction sale, which was held in the business district from noon until late in the evening.

Response of businessmen of Eldorado and neighboring towns, and of ranchers was generous, and an assortment of donated commodities and live stock was auctioned off at good prices that afternoon. Clowns, races, an air show, and other entertainment features kept the crowd interested during the afternoon and evening.

While all reports have not been compiled as yet, it is unofficially estimated that the club would clear about \$1250 for the auction sale.

Lion President W. M. Patterson expressed the appreciation of club members when he said, "Thanks to every person who helped us put on a successful sale."

### Fire Fighting Clowns Put Out Gin Blaze

The sounding of the fire alarm and the immediate appearance of the fire truck manned by clowns, was NOT part of the program at the Lions Club Auction Sale Saturday afternoon. There was a real fire, no kidding; the scene was unscheduled and definitely unrehearsed!

The fire broke out at the gin, and caught at points inside and outside the building, presenting a serious threat to the property for a short time, until the fire boys extinguished the blaze.

A run to the gin is nothing new — there have been several other such fires this fall during the ginning season. The thing that made this run different was the fact that five fire boys happened also to be clowns at the Auction Sale, and jumped on the fire trucks just as they were.

It is not to be wondered at that when the red fire truck drove through the business district manned by fire boys wearing something new in fire-fighting costumes, onlookers thought it was just part of the show!

The boys did a good job of fighting the blaze, A. G. Clark, Bob McWhorter, W. F. Edmiston and Eddie Brown in clown suits and E. H. Topliffe in a flannelette nightie.

It's just as the boys so often point out: there is no hard and fast rule as to what the well dressed fireman will wear.

### MYF Entertains Sub-District Here

Day Memorial Church, of San Angelo, won the attendance prize awarded on the percentage basis, when 127 young people of the sub-district MYF met for a regular meeting at the Eldorado Methodist church Sunday from 3:00 to 5:00, with the local MYF as hosts.

Accompanying the group were twelve or fifteen ministers and counselors, MYF organizations from Sterling City, Bronte, Robert Lee, Mertzon, and four from San Angelo (Trinity, First, Bethel and Day Memorial) were represented.

Roy Shilling Jr., principal speaker, addressed the group on "Service Opportunities For Youth". Kenneth Reece of San Angelo, president, presided over the business session. The next meeting time was set for January 8, at First Church, San Angelo.

The local MYF served refreshments to about 150, under direction of Mrs. S. D. Harper, young people's department superintendent, Rev. Roy Shilling, and other adult workers and young people.

### LUNCHROOM RECEIVES SURPLUS FOOD

A shipment of surplus foods has been received by the school lunchroom from the government. It includes apples, canned tomatoes, and potatoes.

The lunchroom is serving around 170 lunches daily.

Mr. and Mrs. E. E. Irvin of Pandora visited from Friday to Monday with Mr. and Mrs. L. Wheeler. The women are sisters.

The brotherhood of the First Baptist Church have designated the date and engaged an outstanding speaker for a men's mass meeting in Eldorado.

The speaker will be P. D. O'Brien of Big Spring, pastor of the First Baptist Church there, who is one of the most popular after-dinner speakers in West Texas, and especially in demand at men's meetings.

Engagement of the speaker for a definite time enabled the members of the Brotherhood to set the date — which will be December 5.

The church leaders who are making the arrangements state that supper will be served at 7:00 p. m. in the First Baptist Church dining room, with the program following.

All men of the entire community are cordially invited to attend.

### Eagles Lose To Big Lake In Armistice Game

Eldorado Eagles lost to Big Lake 12-6 in an Armistice afternoon game here last week. A large crowd of football fans from this area was on hand for the game.

Big Lake made its touchdown in the third quarter, and Bill Jones scored for Eldorado in the last quarter.

Bobby Galbreath sustained a cracked vertebra in his neck, and Chester Biggs hurt his knee, during the game. Both boys are out for the last game of the '49 season. Bobby will wear a neck brace for about a month.

Last Game With Junction  
Eldorado's last game of the season will be against Junction Friday night at 7:30, in Junction.

### NEW SON FOR MEADORS

A son, named John Dale, weighing seven pounds and four ounces, was born Sunday morning at San Angelo to Mr. and Mrs. Edward Meador. The couple have one other son, Lynn.

Grandparents are Mr. and Mrs. C. L. Meador Jr. of Eldorado and Mr. and Mrs. P. S. Dudley of Hebbronville, and the great grandmother is Mrs. C. L. Meador Sr.

Mother and baby are returning home from the hospital today.

### BRIDE ELECT HONORED

A gift was presented by the Slam Bridge Club to Danell Baker, a member of the club, whose marriage will take place Saturday.

The club met Tuesday with Mrs. Patton Enochs, Mrs. Jo Ed Hill won high and Mrs. Jack Jones and Mrs. Ray Hudgens tied for bingo.

Mrs. Edwin Childers and Mrs. J. A. Neill attended the meetings of the grand chapter of the Eastern Star at Dallas last week. Mr. Neill and daughter and Mrs. Glenn Cox of Ozona accompanied them to Ft. Worth to visit relatives, and while there Mr. Neill made a business trip by bus to Ladonia.

Jackie Henderson will spend the Thanksgiving vacation in Houston with her roommate, where she will attend the San Jacinto dance and the Rice game. The daughter of Mr. and Mrs. Tom Henderson, Jackie is a student at St. Mary's in San Antonio.

Mrs. Lawton Brevard has been ill in the Holcomb clinic here, and expects to return to her home in Levelland today or tomorrow. Her husband visited her here early in the week.

Mr. and Mrs. Jack Whitley and son Jeffrey of Haskell, and Billy Whitley of Lackland Field visited relatives here during the past week end.

Mr. and Mrs. B. O. Bridgeman of Lubbock visited here during the week end. Their little granddaughter accompanied them home after a week's visit there.

Mr. and Mrs. Lewis Whitten, Mr. and Mrs. Chester Wheeler and Mr. and Mrs. Ralph McMillan were among those from here who attended the Texas-TCU game at Austin.

Guests in the J. D. Ashmore home over the week end were Mr. and Mrs. E. W. Perry of Seymour, and Mr. and Mrs. Bill Gay Kennerly and sons of Brady.

Edda Lou Meador of SMU will arrive here Friday for a week end visit.

### Protect Yourself Against Hot Checks

Most folks don't know the difference between a "hot check" which will put the fellow in jail and one which won't.

The following outline should help businessmen cut down their losses through hot checks.

(It's important because a criminal ought to be punished. Also, chances of collecting are better if you can prosecute when you want to.)

The hot check artist knows the difference. First, the swindle—you can put him in jail. Second, the non-swindle—you can't put him in jail.

For a swindle, he must: 1. Falsely represent that he has money in the bank. 2. Obtain money, groceries, gasoline or something of value AT THE TIME he gives you the worthless check.

Thus, in most cases, a charge account paid by a "hot check" is NOT a swindle. Neither in most cases, is rent paid by a hot check at the end of the month's swindle.

But, to be a swindle, in the vast majority of cases, the "hot check" must be given AT THE TIME the groceries, gasoline, money or something of value changes hands. Then you have been swindled, and you can prosecute.

Check that check! Follow these simple rules:

1. Be sure that the date, amount, name of bank, signature and address are correct!
2. Refuse a post-dated check... and don't agree to hold a check to some future date. In both cases, you're being told there's no money in the bank! There can be no criminal prosecution.
3. Require identification.
4. Be extra cautious about checks drawn on out-of-county banks. Criminal prosecution is difficult because necessary out-of-county witnesses are hard to obtain.
5. Beware of endorsed checks. The endorser of a worthless check cannot be criminally prosecuted unless he conspired with the original giver... and that's always hard to prove.

Mrs. Ola Pollen of Buda left Tuesday after a several day visit with her aunt, Mrs. G. A. Neill. The two women visited from Saturday until Monday in Abilene with their uncle and brother, I. A. Pruitt and family.

### Boys' Ranch Reports Good Progress At Recent Meeting

Meeting with a group of representative citizens headed by Scott Peters in Ozona last week, the Executive Committee of Boys' Ranch of West Texas reported good progress recently in efforts to establish the West Texas institution designed to care for homeless, neglected and dependent boys of this area.

This meeting was one of a series scheduled for the month of November to be held in strategic towns in the 32-county area of West Texas from Ft. Davis to Brownwood to be served by Boys' Ranch, the purpose of which is to initiate the beginning phase of a drive for funds necessary for retirement of a \$50,000 indebtedness on the ranch property and required facilities necessary to the care of boys.

Boys' Ranch is operating now under the supervision of an experienced ranch foreman. One boy, a victim of parental discord and neglect, is already on the ranch and a barracks-type building is now being remodeled preparatory to admitting five more boys within the next sixty days.

Some livestock, including cattle and sheep, have been donated to the ranch, and a feed crop consisting of several thousand bushels of feed and some two thousand bushels of oats, all produced on the farm land in the ranch, are in storage to feed stock. The farm land has been replanted in oats and a good stand has developed.

Applications of boys throughout the region to be served will be considered by a citizenship committee and admitted on recommendation of their county judge.

Considerable building will be necessary before the Ranch will be equipped to care for its capacity.

Mrs. Tom Jones spent four days last week in a San Angelo hospital, where she had a minor operation. She is doing nicely. The Joneses' daughter, Mrs. A. L. Ohlenburg of McCamey, has returned home after a several days visit here, and another daughter, Mrs. Blaine Sammons of Van Horn, arrived Tuesday for a visit with her parents.

Dinner guests in the A. J. Roach home Sunday were Mr. and Mrs. T. J. Bailey of Ozona, Mrs. A. Bailey, Eldred Roach of Mertzon, and Father Ronnie Einhaus.

Mrs. I. M. Fickling has returned to her home in Fort Worth after spending the summer and fall here with her daughter, Mrs. John Rodgers.

## 48 lb. HEAVIER CALVES TO SELL...than on cake

The big difference was proved by Purina in a ranch feeding test. 50 cows winter-fed on Purina Range Breeder Checkers weaned 48-lb. heavier calves than 50 cows fed on cake. Both groups were fed exactly the same amount. The 48 lbs. difference in weight per calf meant about \$9.60 extra income per head.

Here's why Purina Checkers do the job—correct protein percent (not too high)... more carbohydrates... more calcium and other minerals... more vitamin A. See us now for your winter feeding needs.

YOUR STORE WITH THE CHECKERBOARD SIGN

## ELDORADO WOOL COMPANY Feed Department

### Dr. Bailey Has Just Completed Special Course

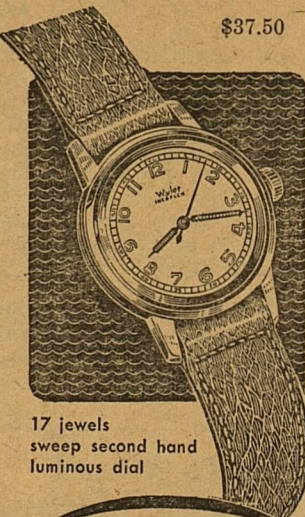

I have just completed a special course in reducing and normalizing tonsils, which I think the people of Eldorado should know about and investigate.

My method reduces tonsils without pain and the danger of complications.

If you or your child are especially susceptible to colds and sore throats, I invite you to investigate this new scientific method of dealing with troublesome tonsils.

L. R. BAILEY, D. C.

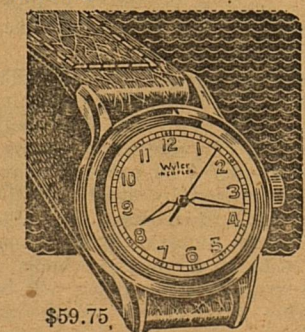

### WEATHERPROOF RIGHT AS RAIN

17 jewels sweep second hand luminous dial

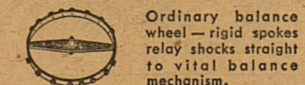

No "fair weather friend", Wyler Incalflex serves you loyally through storm and dust. Sealed against water, secure against shock, Wyler is the most practical watch on the farm—the proudest watch in town.

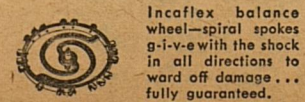

\$59.75. SELF WINDING • WATERPROOF • 17 jewels • sweep second hand • luminous dial

How the flexible balance wheel absorbs shock:

Ordinary balance wheel—rigid spokes relay shocks straight to vital balance mechanism.

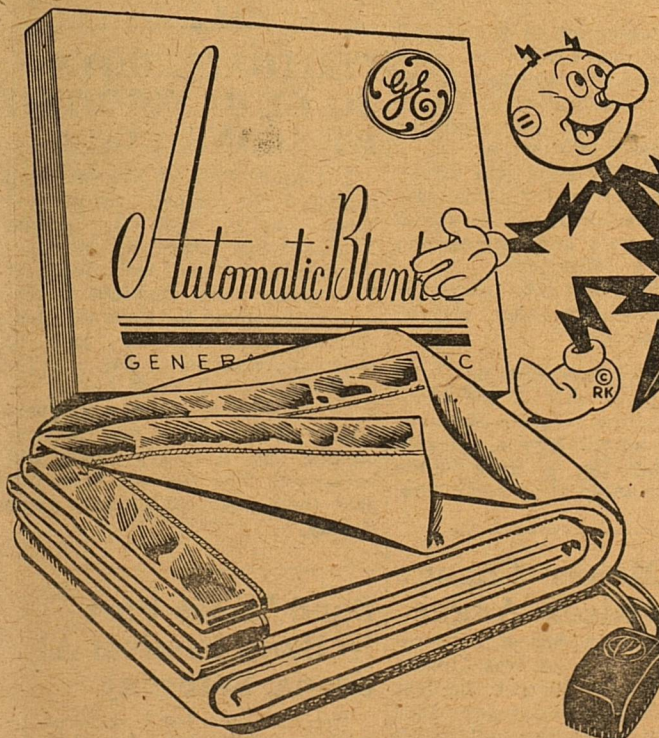

Incalflex balance wheel—spiral spokes give with the shock in all directions to ward off damage... fully guaranteed.

With a General Electric Automatic Blanket—so airy-light, so soft and luxurious, and oh, so WARM, you give the gift of sleeping comfort.

West Texas Utilities Company

### 1950 Net Income of Farmers, Ranchers Should Hold Steady

The net income of Texas farmers and ranchmen, on the average, should be good again next year.

In the first place, net farm income is expected to be good in terms of previous years even if the decline expected in 1950 materializes. This will make the third straight year that farm prices have dropped from the postwar high of 1947. Net farm incomes for 1950 may be down as much as 10 to 12 percent under 1949 if yields are average.

Secondly, incomes of persons not living on farms and receiving their earnings from business profits, wages, dividends and rents may find their net incomes dropping less than those of farmers—maybe only 5 percent. The expectation that exports will hold up, that business inventories will continue in good shape, that a large volume of savings is still waiting for prices of many postwar products to drop more and the cashing-in of the insurance repayment to veterans amounting to some 2.8 billions of dollars are the dominant factors in the general outlook.

A third consideration is that the level of farm profits in 1950 likely would be much lower were it not for the strong government assistance in providing dollars for foreign countries to buy our products. And to a lesser extent by supporting the prices of some farm products sold in this country.

Part of the profits at least for 1950 have a risky foundation and much depends upon the continuation of government assistance.

The cost of farming is likely to decrease less than total farm income, and that means lower farm profits. Total farm production is expected to continue at or near record level and this means it will be between 35 and 40 percent above the pre-war level.

Profit opportunities for livestock look better than those for crops, generally speaking. The supply-demand ratio for livestock is more favorable to the producer. Yet, prices of livestock could drop more than those of major crops since some current livestock prices are considerably above parity and for cattle, as an example, presently no government support prices have been established at any level. By comparison, prices of commodities such as cotton and grain sorghums are hovering near the government support prices.

Although incomes look good again for 1950, farmers and ranchmen should not lose sight of the fact that American agriculture has never come out winner from wartime inflationary periods. It has been the same story—after the war of 1812, Civil War, World War I and so far, after World War II—the prices paid farmers have gone down faster and lower and stayed longer than the prices for things the farmers had to buy.

### Personal News Items

Mr. and Mrs. E. H. Dannheim spent from Thursday to Saturday at Buchanan Dam. They stopped at San Angelo for their daughter Wanda and her room mate, Joy Cheatham, who accompanied them. At the lake they met Mr. and Mrs. Leo Spencer and Mrs. V. O. Cople of Bertram.

Mrs. George Sims, Mr. and Mrs. Willis Hornburger, and Mrs. Leonard Schwobel and son Tex, all of Austin, visited Mr. and Mrs. J. W. Davis recently. Mrs. Sims, Mrs. Hornburger and Mrs. Davis are sisters, and Mrs. Schwobel is the Davis' daughter.

Mr. and Mrs. Delbert Taylor had as guests during the week end Mrs. Taylor's mother, Mrs. W. H. Thomas, who has been ill but is improving.

**Eldorado Lodge**  
No. 890 — A. F. & A. M.  
Stated Meeting 2nd Thursday in each month.  
Visiting Brethren Welcome.

### The Eldorado Success

Entered as Second Class Matter at the post office at Eldorado, Texas, under the Act of March 3, 1879.

PUBLISHED EVERY THURSDAY  
At Eldorado, Texas  
FRED GUNSTEAD Publisher  
ALICE GUNSTEAD Editor

Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation which may appear in the columns of the Success will be gladly corrected upon same being brought to the attention of the publisher.

Notice of entertainments where a charge of admission is made, obituaries, cards of thanks, resolutions of respect, and all matters not news will be charged for at the regular rates.

Mr. and Mrs. A. J. Atkins have visited recently with their daughter, Mrs. H. T. Bird, who sustained an operation in a San Angelo hospital. They report that she is doing nicely. She returned to her home in San Angelo the middle of this week.

Mr. and Mrs. Fred Watson, and Mrs. Floyd Spurgers and two sons of San Angelo attended the highway meeting at Camp Wood Thursday, went on to San Antonio to visit and shop, and visited relatives at Luling before returning home Saturday. Mrs. Spurgers and the boys took the bus to San Angelo that evening.

Mr. and Mrs. W. O. Alexander took their son, Ollie, back to Houston after a several-weeks visit here. He will begin physical therapy treatments soon. The Alexanders will return home this week end.

Mrs. Myrtle Williams and Mrs. Ervin Mund and Becky visited during the week end at Waco with their daughters, Betty Sue Williams, a freshman, and Jane Mund, sophomore. They attended a number of student events, including a football game.

Mr. and Mrs. L. C. Scott of Tuscola spent the week end in the Scott home.

Mr. and Mrs. Wilfred Armour of Eden visited Sunday with Mr. and Mrs. Gratton Edmiston.

### DIES IN SAN ANGELO

W. E. Johnson, 50, truck operator, died at 7:30 Friday evening at a San Angelo hospital after several months' illness.

He is survived by his wife, who is ill in a San Angelo hospital; two sons, one of whom, Don Johnson of San Antonio, attended school here two years; two daughters; three sisters; a brother; and two grandchildren.

Mrs. Hayden Lewis and Mr. and Mrs. Arthur Donaldson and two children of San Angelo spent the day Sunday with Mr. and Mrs. Albert Thigpen.

### FIRST BAPTIST CHURCH ANNOUNCEMENT

Sunday is the day set aside for members to subscribe to the annual budget, according to Rev. Jim Hays, pastor, and pledges will be made at that time.

The congregation will have a covered dish luncheon immediately following the morning services, in the church basement.

Albert Thigpen has put up a new machine shed at his farm in the Reynolds community.

Cecil Schooley of Robert Lee visited Monday night with Mrs. F. D. Schooley and Mr. and Mrs. Clifford Schooley.

Mrs. Dwight Wiedenmann of Lubbock is here visiting in the Ralph McMillan home.

Audrey Reese of San Angelo and Roy Reese of A&M spent Saturday with their sister Mrs. Pete Ringle.

# 1950 FORD

## IT'S HERE FRIDAY AND 50 WAYS NEW!

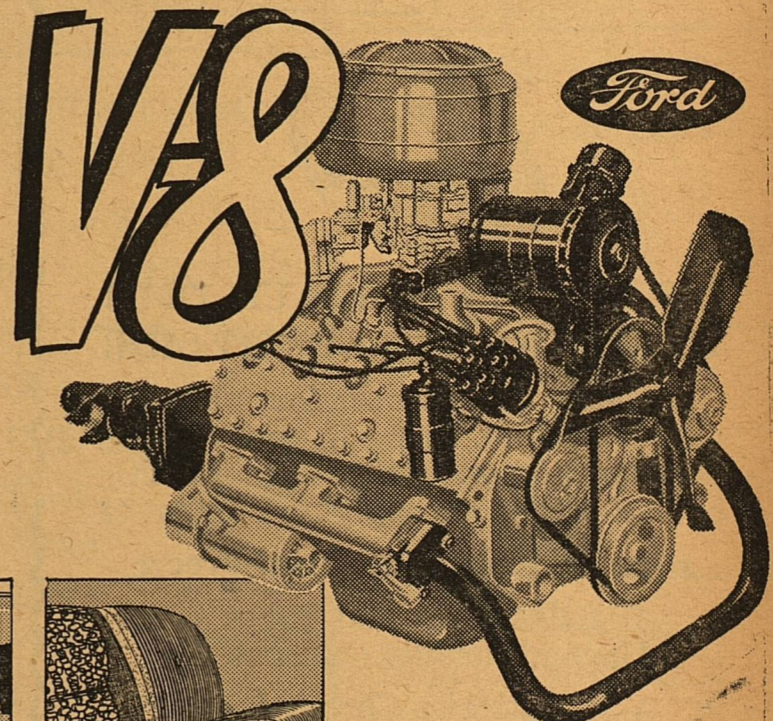

White sidewall tires available at extra cost.

## WITH THE EXCLUSIVE NEW 100 H.P. FORD

### ITS QUIET WHISPERS QUALITY

It's the quiet of new super-fitted pistons, new "hushed" timing gear, new fan designed for better cooling at slower quieter speeds. And what power! There's a full 100 horsepower wrapped up in this V-8 design that makes you master of any road. It delivers more power than any other car anywhere near Ford's low price and sells for less than most conventional "sixes." And Ford offers a Six, too—an advanced Six with 95 horsepower.

### NEW SOUND CONDITIONING

New "sound conditioning" in floor, doors and body panels insulates Ford's "Lifeguard" Body against road noises. More extensive body insulation and sealing in 41 areas give additional interior quietness and protection.

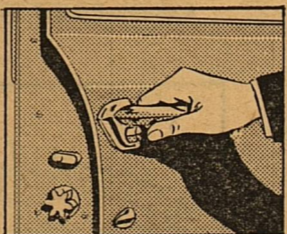

There's a Ford in your future...with a future built in

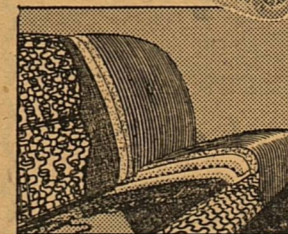

### NEW "HUSHED" RIDE

Ford's famous "Mid-Ship" Ride is now so quiet you can talk in whispers while traveling at highway speeds. So smooth (with its great team of "Hydra-Coil" and "Para-Flex" Springs) that it virtually erases every bump.

### NEW QUALITY FEATURES

New quality is easy to find in this 50-way-new Ford. You find it in the new push-button door handles, in the new rotary door latch that needs only a feather touch to open, yet closes so securely. You find it in new sparkling upholstery colors.

### NEW DRIVING COMFORT

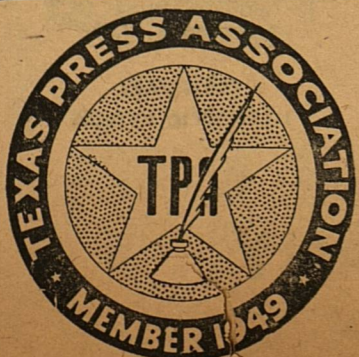

Not only does the 1950 Ford offer you more hip and shoulder room than any other car in its field—it offers you the long-lived driving comfort of a new foam rubber front seat cushion over new non-sag seat springs. Arrive relaxed after hours of riding.

But see it for yourself. Drive it so you can feel and hear the difference. And price it and see how much less it costs than any other really fine car.

### Bride - Elect Is Shower Honoree

Miss Danell Baker, bride-elect of A. G. McCormack, was honored at a gift tea Saturday afternoon in the reception room of the Presbyterian Church. Members of the Presbyterian Auxiliary were hostesses.

Fall flowers were used as decorations. A bouquet of giant white mums formed the centerpiece for the refreshment table. Cake, sandwiches, fruit slices and orange punch were served to the guests. The cake, which was iced in blue, was decorated with pink rosebuds and wedding bells.

Mrs. J. T. Ratliff of San Angelo, sister of the honoree, was at the guest book. Mrs. Jack Shugart, Mrs. Ray Hudgens, Miss Mary Lee Gunstead and Mrs. Harold Scherz of Sonora served cake and poured punch.

Mrs. Horace Linthicum and Mrs. James Page played piano music during the afternoon, and Mrs. Wilson Page sang.

About one hundred guests registered. Among those present from out of town were Mrs. Wiley Ratliff, Mrs. J. P. Hare, and Mrs. Bula Bennett, all of San Angelo.

### AMERICAN LEGION PARTY SCHEDULED FOR TONIGHT

Members of the American Legion and their families are invited to a party tonight at 7:00 at the memorial building. The group will play table games, and refreshments will be served.

### PRESBYTERIAN WOMEN MEET

The Presbyterian women of the church met Monday afternoon at the church. Mrs. F. E. King led the opening prayer, and Mrs. Bert Page gave the lesson, "Do We Witness for Christ?" Mrs. Joe Edens gave the supplementary lesson. During the business session, routine business was taken care of. Mrs. Sam Oglesby and Mrs. Joe Edens served refreshments to twelve.

### ATTEND MEETING AT CAMP WOOD

In the interest of the proposed through highway to Corpus Christi, Camp Wood boosters were hosts at a barbecue there Thursday for highway officials and highway boosters. Among the large number of men present were Fred Watson, Jeff Enochs, Joe Edens, and Rev. Roy Shilling of Eldorado.

### BAPTIST BROTHERHOOD TO HAVE FATHER-SON NIGHT

Members of the brotherhood of the First Baptist church are planning a father-son night for their meeting next Monday night, November 21. Supper will be served to the group at 7:00, followed by a program.

Each member is asked to bring his son, or some other boy or young man, as his guest.

### Miss Baker Honored At Bridge Party

Mrs. Carrol Ratliff entertained Monday afternoon with a bridge party honoring Miss Danell Baker, bride-elect of A. G. McCormack. A salad plate was served to the guests, and the hostess presented the honoree with a gift.

Mrs. Jack Hext, Mrs. Jack Shugart, and Mrs. Jo Ed Hill won the prizes. Others present were Mrs. Billie McCravey, Mrs. Ray Hudgens, Mrs. L. L. Baker, and Mrs. C. C. McLaughlin.

Mr. and Mrs. Henry Clark of Mertzon spent the day Sunday with Mr. and Mrs. Charles M. Reynolds.

Mrs. Forrest Runge spent the week end with her sisters and brother near Menard.

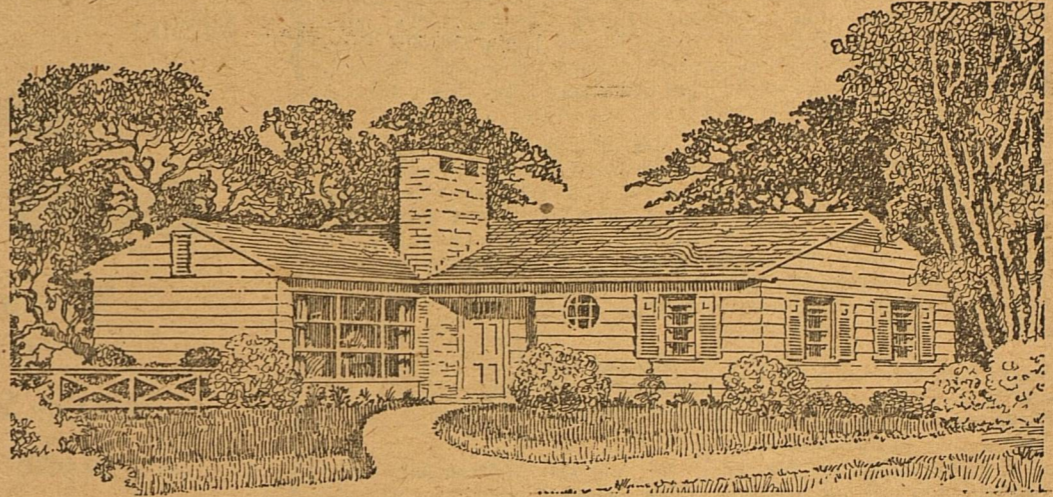

Roy Shilling Jr., student at McMurry college, visited his parents here over the week end.

**State Health Officer Gives Suggestions For Stopping Colds**

There's hardly anyone who hasn't caught cold at one time or another. The common cold is common indeed!

Besides making you feel miserable, colds steal your time and your money. They fool you, too, because the early signs are often the same as those of more serious illnesses. And long-continued colds may pave the way for an attack of pneumonia, tuberculosis, or a chronic infection of the nose, throat, ears, or sinuses.

So, do your best to keep from catching cold. And if you do catch one, take proper care of yourself so you can get rid of it.

Dr. Geo. W. Cox, state health officer, offers the following suggestions to help you recover from a cold as quickly as possible.

1. Get as much rest as possible. Stay in bed or indoors for the first day or so if you can.

2. Keep comfortably warm and dry. If you must go to work, wear clothes that will protect you adequately when you go outdoors, and avoid drafts and sudden chilling when overheated.
3. Drink plenty of citrus fruit juices, water, and other liquids. Eat simple foods which agree with you.
4. Protect other people as much as possible. Cover your mouth and nose when you cough or sneeze. Use paper handkerchiefs or paper napkins that can be burned. Wash your hands frequently with soap and water.
5. Blow your nose gently. If you don't, you may force infected material from your nose into your sinuses or middle ear and develop sinus trouble or serious ear infection.
6. If a cold starts with chills, fever, or aching, or seems more severe, or lasts longer than usual, consult a physician without delay.

—Eldorado Success, \$2.00 per year.

**..News From Our Neighbors..**

**101 Ranch Sold**  
The sale of the "101" ranch in Brewster and Presidio counties to Massie West of Ozona was announced last week end by Mrs. W. W. Turney, El Paso, owner.

The ranch consisted of approximately 20,000 acres, sold for approximately \$400,000, it was stated.

Mr. West will take possession of the ranch about Jan. 1, it was stated. It has been under lease for the past five years to C. K. Smith of Marfa.

The ranch was owned and operated for a number of years by Mrs. Turney's father, the late Gid Guthrie of Alpine, who died in about 1915.—Alpine Avalanche.

**Hospital for Ft. Stockton**  
Final details on construction of the memorial hospital in Ft. Stockton are being completed this week under supervision of the general contractor, Oscar Rose, Abilene. Rose, several subcontractors, representatives of the Hedrick firm, project architects, county officials and hospital board members inspected the building Wednesday, and a number of minor corrections were begun immediately.

Delivery of the completed building is expected within the next few days, and installation of equipment can begin immediately. Hospital furniture arrived the first of the week, and is stored at Gibbs Field pending acceptance of the building.

Miss Ellen Flynn, superintendent of memorial hospital, expects the institution to be in operation by January 1 or sooner.—Ft. Stockton Pioneer.

**Kimble REA Extensions**  
Construction contract for 172 miles of rural distribution line of Section Two in western Edwards County went to the low bidder H. B. Zachary & Co. of San Antonio at approximately \$86,000.00, Chester Kirk, Kimble Electric Cooperative manager, said Tuesday.

Construction is expected to start within the next 30 days or as soon as final approval from the REA is received and the closing of the contract completed.

The new line will serve about 95 members. Section One in the Edwards-Real County area under construction by Wm. H. Alsop and Associates of Jackson, Miss., is being completed. About 100 miles of the section is to be energized about Nov. 10th.—Junction Eagle.

**Menard Votes School**  
The School Bond election held in Menard last Saturday carried with a large majority. 556 votes were cast and all three proposals passed.

As soon as the legal work and architectural plans are completed, bids will be accepted for the actual construction of the school.—Menard News.

**Big Crowd Attends District Conference**

A large crowd, including over 30 from Eldorado, attended the Methodist district conference Tuesday at Sonora. Bishop A. Frank Smith spoke at 11:30 a. m. and again at 2:00 p. m.

The Eldorado Methodist church was represented officially by Rev. Roy Shilling and Roy Jr., Mrs. Keno Ogden, Clovis Taylor, Mrs. Tom Alexander, Mrs. Luke Thompson, E. H. Topliffe, Elton McGinness, and Frank Meador.

Others attending were Mrs. Roy Shilling, Mrs. Elton McGinness, Mrs. Clovis Taylor, Dr. and Mrs. Helcomb, Dr. and Mrs. Leonard Bailey, Mrs. Mary Ann Johnston, Mrs. D. E. DeLong, Mrs. Ben Hext, Mrs. Carl Ellington, Mrs. Allie Sweatt, Miss Tom Smith, Mrs. L. Wheeler, Mrs. Mabel Parker, Mrs. W. T. Parker, Mrs. Arthur Davis, John Thomas Alexander, Lewis Wilson Jr., Sue Shilling, Lilla Jean Ellington, Jimmie Martin, Myrta Bob Harper and Jonnie Lee Dickens.

**Community Singing Sunday Afternoon**

There will be a community singing Sunday afternoon at 2:30 at the Community Building, under sponsorship of the Business Men's Bible Class.

Refreshments will be served following the meeting. Everyone who enjoys singing is urged to attend.

**SCS District Considered**  
First step was taken by a group of Crockett County ranchmen to form a soil conservation district in this county following a meeting in the social hall of the Methodist church Tuesday evening when soil conservationists and ranchmen from neighboring counties where districts are already in operation explained the advantages and program of such organizations.

A petition seeking an election in this county to determine the sentiment among land owners on the question was signed by some 25 land owner ranchmen at the conclusion of the meeting and the petition is to be circulated among other ranchmen for their signatures to bring about the election. A minimum of 50 signatures of resident land owners is required before machinery will be set in motion by the State Soil Conservation Board to bring about an election in the county.—Ozona Stockman.

**Sonora Hospital Grant**  
Final approval of building plans for the Lillian M. Hudspeth Memorial Hospital are expected any day, it was reported at the regular meeting of the hospital directors Monday afternoon. The announcement came following a report by L. W. Elliott, vice-president of the hospital, and architect John G. Becker of San Angelo on final plans and specifications. Becker said that state and federal agencies had requested 73 minor changes in the plans, and that all these had been made. Becker added that he had been informed that final approval would be forthcoming quickly.

The long delay in approval, however, has been most beneficial to the hospital, for during the wait the federal government has increased its aid to the hospital from 33 1-3 percent to a minimum of 50 percent, and possibly 54 percent. On the basis of an increase to 50 percent, the added grant will mean over \$35,000 more federal aid for the project. Estimated cost at present is \$210,000 for the two-story structure.—Devil's River News, Sonora.

**Teachers To Attend State Convention Held in Fort Worth**  
A number of teachers from the Eldorado school will be among the thousands of Texas school teachers who will attend the Texas State Teachers Association meeting next week end.

Nationally-known leaders in education, business and government fields will be the principal speakers at the annual convention, which will be held in Fort Worth Nov. 24, 25 and 26. An estimated 12,000 teachers will attend.

Heading the list of educators who will address the general sessions are Dr. Andy Holt of Nashville, Tenn., president of the National Education Association; Dr. Henry Hill, president of Peabody College in Nashville, Tenn., and Dr. L. D. Haskew, Dean of the School of Education of the University of Texas.

Governor Allan Shivers, Texas attorney general Price Daniel, and Lyndon B. Johnson, junior U. S. senator from Texas, are among the leaders in governmental circles who will address the convention.

Eric Johnston, president of the Motion Pictures Association, is the principal representative of the business world who will speak at the general sessions.

The group will also hear a panel discussion of the Gilmer-Aikin laws. Dr. W. R. White, president of Baylor University, will preach the Thanksgiving Day sermon.

**Woman's Club Tea, Book Review, Tuesday**  
The Woman's Club will sponsor a tea and book review in the banquet room of the memorial building Tuesday, Nov. 22, beginning at 2:30. Mrs. L. D. Ochsner, member of the club, will review "Kinfolk".

Special guests will be the El Concho Study Club of Christoval and the Junior Woman's Club of Eldorado.

The social committee will be in charge of the tea.

TEXAS' USO PROGRAM is discussed by Anne Revere, Hollywood character actress, and T. E. Braniff, state campaign chairman of the drive to raise \$500,000 in Texas for the continuation of the "home away from home" services of USO to the enlarged peacetime armed forces. Miss Revere was in Texas to participate in USO shows at the Veterans Administration Hospitals in the state. She and Braniff talked over the needs of the 98,000 young Texas men and women now in the armed forces.

#### Don't Spend Thanksgiving In The Kitchen; Use Home Freezer To Store Prepared Dishes

The wise homemaker is already planning and preparing the Thanksgiving dinner, and by doing many of the jobs early she will be able to spend the day with the family and friends. The home freezer which is in so many Schleicher county homes certainly comes in handy on occasions like Thanksgiving.

For the Thanksgiving dinner a traditional meal is always popular: roast turkey with stuffing; giblet gravy and cranberry sauce; mashed potatoes; creamed onions with toasted peanuts; celery-peach pickles; string beans; hot rolls with butter; pumpkin pie, whipped cream and coffee.

The turkey can be dressed and stuffed several days ahead of time, wrapped and placed in the home freezer. The pumpkin pies can be baked and stored in the freezer. The fresh vegetables can be washed and sorted and held in the refrigerator. The cranberry sauce can be made early and the yeast dough can be prepared ahead of time and stored in the freezer. This advanced preparation will certainly lessen the hustle and bustle of preparing the meal.

Other members of the family can help prepare and arrange the table decorations, see that the sil-

ver is in order and can bring the canned goods from the pantry or cellar. For after all, the Thanksgiving dinner should be a family affair.

The turkey may be roasted with or without a stuffing. The skin should be well greased to hold the moisture in and the grease can be applied with a folded cloth dipped in melted fat. Place the bird breast down on a rack in a shallow open pan; cover with the cloth moistened with fat and be sure the sides and top of the turkey are well covered. No basting is necessary and it is now ready for roasting.

An eight to ten pound turkey should be cooked for about three and one-half hours in an oven at not more than 325 degrees. Larger birds require longer cooking time, and 30 minutes per pound is the generally recommended cooking time for the larger birds. If low heat is used, there is less shrinkage, and the drippings are not burned. The drippings are needed for making the giblet gravy.

Now with a minimum of effort and if advanced preparations have been made, on Thanksgiving morning the dinner can be ready on time and mother can come out of the kitchen and enjoy the day with the family and friends.

#### Good Livestock Range Is Important To Producers, Public

Ninety-three million acres is a lot of land, even in Texas, and they are mighty important to the meat producers and consumers of the state and nation. Approximately 7½ million cattle, 7½ million sheep and 2½ million goats are depending on these ranges for their livelihood, to say nothing about the human element.

Livestock ranges in Texas have been exploited for the past fifty years to the extent that their grazing capacity has been lowered about fifty percent, but applied research can and is helping to correct the situation. In many instances, we have ruined our stands of good grasses and they have been replaced by poor grasses, noxious weeds and shrubs. Surface and gully erosion have also left many ugly scars on our range lands.

In rebuilding, Dr. V. A. Young, head of the range and forestry department at Texas A&M, says we must first reduce our livestock numbers to fit the grazing capacity of the ranges. This should be based on how many of the good grasses are present and consideration should be given to both year-round and seasonal grazing periods. Low producing and poor quality animals eat more than their share of the range vegetation. They should be marketed.

Then, continues Young, we should graze so as to leave at least 50 percent of the short grasses on the range. A stubble of 2½ to 3½ inches should be left on the flat rolling ranges and more on the

steep slopes. This will keep the land from washing and will add organic matter for fertility and plant growth. Even on the best ranges, it is best to leave 40 percent of the good grasses and a 4 to 6 inch stubble of the tall grasses, depending on the species.

If the range has been severely overgrazed, he suggests a long-time deferred grazing program: no grazing for one or more years. This type of grazing is economical for it gives the best forage plants a chance to re-seed, gain strength, develop a good root system and produce the leaves that are necessary for greater production and reserve food storage. If it is not possible to follow this practice, then deferred rotation grazing system should be followed. The native grass pastures should be deferred first and grazing should be withheld long enough to give the good grasses a chance to make and mature a seed crop.

Range plants are in their most critical state in the spring. The food supply in the roots is low and leaf and stem growth must take place before the supply can be built up. Springtime care of the range plus a well planned and conducted range improvement program will certainly help to get sick range land back on its feet, says Young. He suggests that you talk your range problems over with your local county agent, because he can give you a lot of suggestions that are based on local situations.

He states that overgrazing of ranges never paid and never will.

THE STATE OF TEXAS )  
 COUNTY OF SCHLEICHER )

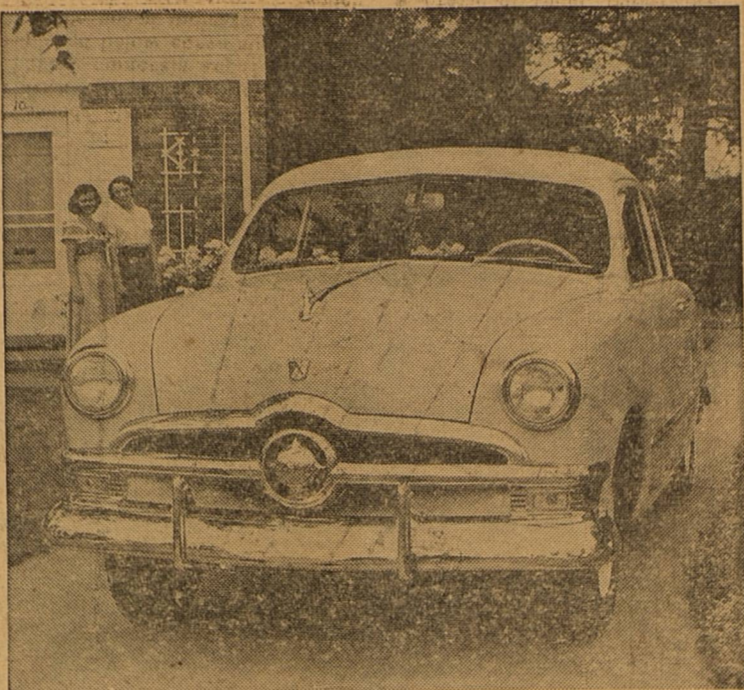

On this the 31st day of October, A. D. 1949, there came on and was held a Special Term of the Commissioners' Court of Schleicher County, Texas, at the County Court House in Eldorado, Texas, with the following members of said Court present, to-wit:

Hon. C. L. Meador, Jr., County Judge, Presiding; J. E. Spencer, Commissioner Precinct No. One; L. G. Edmiston, Commissioner Precinct No. Two; Carrol White, Commissioner Precinct No. Three; L. Moore, Commissioner Precinct No. Four; H. T. Finley, County Clerk; E. H. Sweatt, Sheriff when the following, among other, proceedings were had, to-wit:

There came on for consideration, the proposition of executing an oil, gas and mineral lease on the minerals in and under Labor Nos. 4, 5, 15, and W 1/2 16, League 283, Schleicher County school land in Gaines County, Texas, all of which are owned by Schleicher County, Texas.

On motion of Commissioner Carrol White seconded by Commissioner J. E. Spencer, the following resolution was unanimously adopted, to-wit:

THAT THE COMMISSIONERS' COURT advertise and receive bids for an oil, gas and mineral lease on said land on November 28, 1949, next in accordance with the terms and provisions of the following notice, and the County Clerk of this County is hereby instructed and authorized to cause to be published for three issues, in a newspaper of general circulation in this county, and also in Gaines County, Texas, where the land is located, and said publication, and

The 1950 Ford Deluxe Tudor Sedan combines the modern styling so widely acclaimed by the car-buying public with the comfort and economy demanded of a family automobile. Smart new treatment of the grille and parking lights and a colorful new crest—the first in Ford history—distinguish the front of the new models. Comfort features include new non-sag front seat springs covered with a new foam rubber cushion, additional head room and smoother, quieter V-8 and 6-cylinder engines.

**BULLS PURCHASED**  
 W. M. Whitten and V. G. Tisdale recently purchased two purebred Aberdeen-Angus bulls each from Lee O. Gowdy of Jacksboro.

Mrs. Ruth Nolen is a new clerk at Hoover's Drug Store.

Mike Henderson, student at Lubbock Tech, spent the week end with his parents, Mr. and Mrs. D. C. Henderson.

Mrs. J. A. Neill and daughter took Mrs. Glenn Cox to Hamlin yesterday for a visit.

Tom Westbrook, a new mechanic at Triggs, has moved his family (wife and two children) to Eldorado from Junction.

BELTSVILLE white turkeys dressed to order, phone 24020. 1tc

WANTED to buy, an old fashioned 8-day pendulum clock.—Mrs. J. A. Neill, phone 22086. 1tc

all other acts in connection herewith, be in full conformity to, and covered by Article 5400A of the Revised Statutes of Texas for the year 1925. Said notice is as follows:

**NOTICE FOR BIDS OF MINERAL LEASE**

NOTICE IS HEREBY GIVEN that the Commissioners' Court of Schleicher County, Texas, will receive and consider bids at ten o'clock A. M. on November 28, 1949, at its regular meeting place in the Court House in the City of Eldorado, Texas, for an oil, gas and mineral lease and/or leases on the following described land, to-wit:

Labor Nos. 4, 5, 15 and W 1/2 16, League 283 Schleicher County School land in Gaines County, Texas, containing 619.92 acres, more or less.

Schleicher County, in behalf of its public free school land, owning all of the minerals in and under the above described land; said bid to be on a lease or leases for not longer than a period of ten years from date of execution and approval thereof, and Lessor shall retain at least one-eighth (1-8th) of the royalty to Schleicher County. The Commissioners' Court reserves the right to reject any and all bids.

GIVEN under my hand and seal of office this the 31st day of October, A. D. 1949.

H. T. Finley, County Clerk Schleicher County, Texas (Nov. 8-10-17)

**Gin Totals Near 5500**

Mikeska Gin reports a total of 3144 bales today. They report that they are running until midnight this week, then closing down for about eight hours.

Moore's Gin reports 2300, making a total to date for the county of 5444.

Picking is still general though the heavy first picking has been completed, and pickers are going over the fields a second time.

The weather has been ideal for the cotton grower throughout most of the month.

It is estimated that over half of the crop has been gathered.

**NEW WILDCAT IN SCHLEICHER**

A new wildcat was staked this week on Lake Tankersley land, in section 29, in the northern part of the county.

The location is only 126 feet and 9 inches from the Irion County line, in Schleicher, and is a Shell farm-out to Frankel Brothers of Houston.

The wildcat will be a deep test. There is production in the Irion sections to the north and northeast.

**COMMISSIONERS REJECT ALL BIDS FOR FENCING**

All bids were rejected for fencing the first part of the new Ozona highway, at a regular meeting of the County Commissioners Monday.

The Commissioners Court canvassed the election returns and conducted routine business. They found that all of the amendments were defeated in this county.

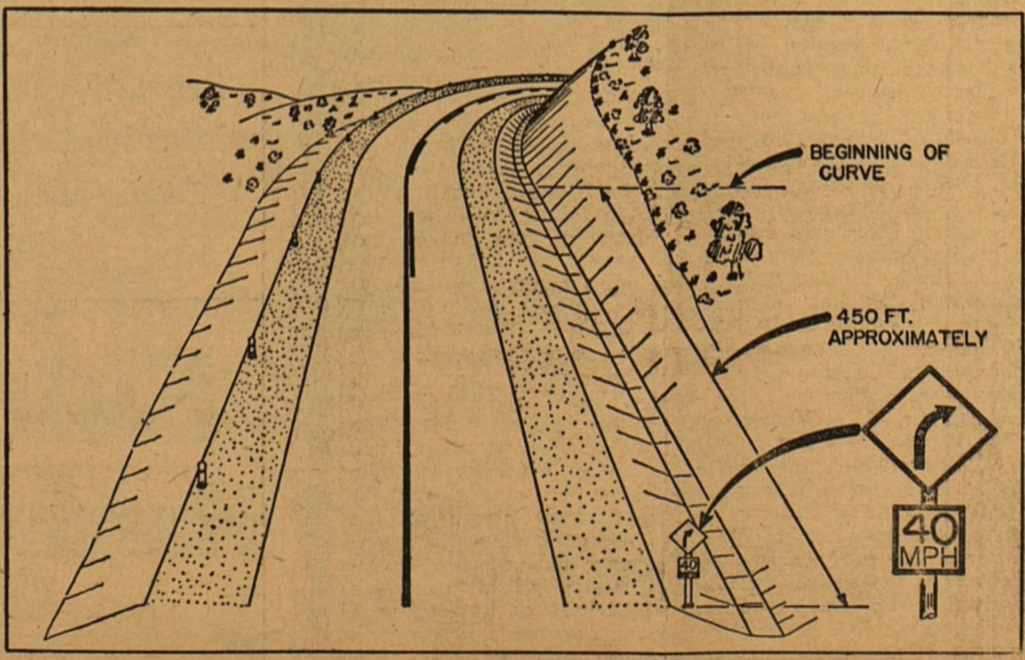

**NEW FAMILIES HERE**

With several new families moving here this week with Abercrombie (drilling the Frank Meador test) the total number of new men moving here to compose the three towers will soon be 15. All of the men are married except one, and all are moving to Eldorado, it is understood.

**CLOSED FOR THANKSGIVING**

Most of the business houses of the city will be closed all day Thanksgiving Day. Some of the filling stations, cafes and drug stores will probably remain open.

**New Highway Signs On Main Texas Roads**

A few months ago a new type of highway sign, an advisory speed sign designed to aid in traffic safety, made its appearance on Texas main highways. This was part of the Texas Highway Department's program of informing motorists of the maximum safe and comfortable speed on curves and turns which are not considered safe to travel at

speeds above 50mph. It is a sign with a yellow background and black numerals and letters and is placed below curve signs.

The speed indicated on the sign is not the maximum at which a turn may be taken, but is the maximum at which the average car can make the turn without an uncomfortable side-throw of its pas-

sengers and still stay on its side of the road.

Motorists using speeds indicated on the signs are enthusiastic in praise of them. Letters commending the signs as part of the highway safety program are received daily in the Austin office of the Texas Highway Department.
