GODWIN GIVES CHINCH BUG CONTROL METHOD

Farmers should realize that weather conditions were especially unfavorable this year for chinch bugs. Unless steps are taken this fall to destroy them in their winter quarters, serious crop losses are to follow in 1948 on wheat, oats, barley, corn, and grain sorghums. A majority of producers suffered this year on oats, wheat and grain sorghums.

80-90% of the chinch bugs will be found on our native bunch grasses on the south slope or sheltered spots adjoining fields in winter. Chinch bugs will start coming to their winter homes in November. The homes will be grama grass, tobosa grass, and other bunch grasses. Fall control measures may be secured at the County Agent's office. Chinch bugs attack plants of the graminaceous family, or grass family.

Since a majority of farmers have chinch bugs in their grain sorghum, I would suggest the following control.

If the bugs are concentrated in small areas it would be worth while to treat these infested areas with one of the following: Dust the plants with 10% DDT unless the forage and grain are to be harvested within the next three weeks. It will take fifteen pounds to the acre to get a good coverage. Or dust the lower half of the plants with Dinitro. Caution: Do not get it on the upper tender leaves as it will burn them. Dust with 10% Sabadilla dust, fifteen pounds to the acre. A spray of three pounds of laundry soap, one quart of 40% nicotine sulphate per fifty gallons of water. Usually fifty gallons will spray one acre.

If the bugs are dispersed throughout the field they will number only a few per plant and serious damage will not occur. And too, it would be too expensive to treat the entire field.

If young grain sorghum is coming on in adjoining or nearby fields the bugs will soon migrate to these fields. A trench barrier may be constructed around or between the fields. Either dinitro or creosote is good for treating the barriers.

After the older grain sorghum plants get tough and approach maturity the bugs will leave and go to grasses or young grain that is more tender.

Burning the weeds and grasses around the field margins in the fall will destroy a majority of the "over wintering" bugs and thus eliminate the possibility of a serious infestation for the coming year.

Adjustment Made On Band Uniforms

Final adjustment on band uniforms, ordered more than eight months ago, will be made soon, according to a representative from the company who met with a committee from the Band Parents Club here Monday.

The uniforms which arrived last January, at a cost of approximately \$2100.00, raised through donations and sales, did not measure up to specifications in several different ways, including color, and material as well as the belts and citation cords.

After several months of delay while school officials and band club officers attempted to come to some agreement with the company making the sale, entirely new uniforms of the original gray color, have been promised for early delivery, possibly before school opens in September. Students were measured Monday for the new uniforms.

REA NEWS

W. A. Schuller and Jack Faught received electricity from REA lines last week. These lines were built by the co-op crew.

LEGION MEETING

The American Legion will have their regular meeting tonight, Thursday, at 8:15 at the courthouse. There will be election of officers for which a good attendance is needed.

Mr. and Mrs. Albert Wright of Brady visited this week with the former's brother, A. T. Wright and family.

Disc Sighted Here

If it hadn't been for Tom McGill, look what everyone would have missed! When Tom gave the alarm by yelling and pointing upward, 35 people saw what he saw—a flying disc!

Most of the Eldoradoites who saw the disc Tuesday noon were in the Elder Station neighborhood and it was from there that it was first sighted. Neighbors, occupants of a bus which stopped, and other passersby all saw it.

Whether one or two were sighted cannot be proved—it may have been the same one on a return trip! The disc was high in the air, and a few people saw glints of sunlight on it, and a few saw it when it made a sudden drop, then disappeared behind a cloud. It was in sight about ten minutes, they state.

Miss Chris Enochs saw a disc last week, and one other resident here admits having seen one a month ago, but not reporting it as she did not want to be considered queer.

Now everyone is on the alert and looking upward.

PRESBYTERIAN BIBLE SCHOOL OPENS MONDAY

The Rev. and Mrs. F. E. King will act as general supervisors, with Miss Edith Clark from the training school at Richmond, Va., as director, when the Presbyterian vacation Bible school opens Monday morning, July 14. Sessions will be held each morning from 8:30 a. m. to 10:30 a. m., continuing through Friday.

Teachers will include Mrs. Arthur Mund, Mrs. Edwin Jackson, and Mrs. John Williams, assisted by the young girls of the church. Mrs. L. L. Baker is chairman of the refreshment committee.

Mrs. Bert Page and Mrs. Douglas Mebane will conduct a Bible school for the colored children of the town at the same time.

All children of the town and community between the ages of 4 to 15 are cordially invited to attend this school.

Elementary School Gets Coat of Paint

The interior of the elementary school is receiving a coat of paint, in preparation for the opening of school in September. One of the teacherages was also painted recently.

Janitors are making a good start on planting of Bermuda sod on the grounds surrounding the high school building.

FUNERAL HOME'S NEW QUARTERS ARE COMPLETED

A series of moves, made possible by recent completion of the new Ratliff Funeral Home building, has been made during the past few days.

Carroll Ratliff and his family moved Friday to their modern five-room residence in this large new building. When drapes are up and other last minute touches are made, the date for a formal opening for the funeral home will be selected and announced. It is understood that the formal opening will be held probably in a few weeks.

The former funeral home has been sold to L. D. Christian, who has moved there, and the Christian place has been sold to Tiny King, who has also moved. The apartment at the Mrs. Ora Davis house, occupied by the Kings, is not for rent at this time.

NEW EMPLOYEE ON GROEBL — KOY IS INJURED

William Talbert of Chickasaw, Oklahoma, new employee on a night tower at the Groebl-Koy well, will probably lose part or all of his hand as the result of an accident at midnight Saturday night. The accident occurred when his hand was caught in the swabbing line and the fingers stripped of flesh.

It is understood that he lost two fingers in the accident and may lose his hand, as the flesh was badly crushed.

Wagner brought him to Eldorado for treatment and later drove to San Angelo with him. The youth had been employed on the Groebl only a few days.

SHELL HOUSES RENOVATED

A crew of five Shell men is here, renovating the four Shell employees' houses at the pumping station near Eldorado. Roofs were replaced early this year. Work now under way includes complete renovation of the interiors—varnishing, painting, and sanding and varnishing of floors.

POSTAL RATE SET

A bill, passed the House and Senate recently, was signed by the President June 30th making permanent the 3 cent letter rate and other postage rates and fees in effect on that date.

Mr. and Mrs. G. L. Ballew and son returned Wednesday from a visit with Ora Ballew at Abilene and the Kelly's at Sweetwater.

BIGGS OPEN NEW RESTAURANT IN FINLEY BLDG.

The Eldorado Cafe is the name chosen by Mr. and Mrs. B. A. Biggs for their new restaurant, open today for business in the old Hamburger Bill location.

The Biggses are renting the building from Pat Finley, who bought it last year from Bill Word, now a resident of Del Rio. The interior of the building has been completely modernized and renovated throughout, from front door to back, and counter and tables and new kitchen equipment added.

The new cafe operators have been spending the past week on preparation for the opening, and on Wednesday went to "town" to buy last-minute necessities. They will give regular cafe service—short orders, plate lunches, snacks, cold drinks, candy and cigarettes.

Both Mr. and Mrs. Biggs have been living here for sometime and are well and favorably known throughout the county.

GODWIN'S SISTER DIES

Mrs. E. D. Keeney, a sister of County Agent W. G. Godwin, passed away at her home in Chappel last Thursday afternoon after an extended illness. Funeral services were held Friday, July 4 at Chappel.

Mrs. Keeney, a teacher and pianist in the Chappel Methodist Sunday School, was also active in Eastern Star work, and was formerly council chairman of the home demonstration clubs in the county.

She is survived by her husband, a Chappel and Bend merchant; two sons, Douglas and Kenneth; a sister, Mrs. Julian Millican, and one grandchild, all of Chappel, and several brothers including W. G. Godwin.

MCCULLOUGH COUNTY ASKS FOR NEW ROAD

McCullough County Commissioners' court is requesting the state to designate a state highway from Brady to Menard County, a 20.8 mile stretch, 14.8 of it new. The court is also asking for a farm-to-market road from Davis School to Hext and Calf Creek—a project which has already been set up but delayed because of lack of funds.

BOYER TO MOVE

Ray Boyer has rented the Patton building and expects to move his electrical shop there as soon as work is completed.

Repairs, painting of interior, sanding and varnishing of floors and papering of walls will be done during the next few weeks. Boyer has a long-time lease on the place.

Sonora 12, Eldorado 7

Sonora won 12 to 7 over Eldorado Sunday, in spite of a 7 to 7 tie at the end of the 7th inning. Sonora had ten 1-base hits, 5 two, 1 three, and 3 errors, 7 strike-outs, and 3 walks. Eldorado had 6 one-base hits, 1 two, 1 three, 10 strike-outs and 4 walks. Griffin, Faught and Goss pitched for Eldorado.

MAN INJURED, CAR DAMAGED AT JONES CURVE

A Buick driven by a soldier with another soldier as a passenger turned completely over at the T. K. Jones railroad crossing at 4:00 Sunday afternoon, injuring the driver and almost completely wrecking the car.

The men, stationed at Hobbs, New Mexico, and Ft. Bliss, El Paso, were returning to camp from a visit in San Antonio. The accident occurred when a tire blew out on the curve at the Jones crossing, and the car turned completely over.

The driver sustained a deep head cut, but after a local physician dressed it, he and his companion went on by bus. The car was towed to a local repair shop. The entire body of the car is crushed and bent and will require major repair work or a new body. The skidding rim cut into the highway road bed, through the caliche, before the car overturned.

This accident is one of a series which have occurred on this curve during the past several years.

SERVICE FLAG TO BE LOWERED AT BAPT. CHURCH

A special service for the lowering of the Service Flag will be observed at the 11:00 o'clock service Sunday morning at the First Baptist Church. The Honor roll will also be removed, and a permanent roll put up at a later date. Service men whose names appear on the roll, and their families, will be special guests at the church.

The following names are on the First Baptist honor roll:

Robert L. Anderson, A. E. Pittmann, Harmon Bodine, Ray Jacoby, Earnest Dickey Jr., Roy Jacoby, Wallace Joiner, Lewel Alexander, Alvin Luedecke, Edna Luedecke Doty, Earl McKinney, Earnest Sutherland, Pete Rampy, Joe B. SERIOUSLY ILL

John Deaton of Sanderson, father of Mrs. Lewis Wilson of this place, remains gravely ill in the Shannon Hospital following an emergency operation which he underwent last Saturday morning. Mr. Deaton and his wife were visiting in the home of their daughter, when he became ill and was rushed to the hospital for the operation.

Relatives at his bedside include his wife, Mr. and Mrs. Wilson of Eldorado, a son, Mildred Deaton and family of California, and a brother, Arthur Deaton and wife of Comstock.

NEW HOUSES, RENOVATIONS, IN COUNTY

Defying high costs of labor and materials and continued shortages in some lines, Schleicher County ranchers and other residents are building new houses and renovating the old.

Division of the estate is resulting in building of a new ranchhouse on the Rae ranch southwest of town. Fred Jeffers of San Angelo has employed W. C. Rutherford of San Angelo as contractor for this residence which will be occupied by Henry Speck.

It is understood that the Powells will take over the north half of the original ranch now occupied by Specks. The new house will have five rooms and bath and will be of frame. Work is already started on the foundation.

Jess Koy has started an extensive remodeling project on his ranchhouse on the Hill Ranch, on which the producing oil wells are located. With C. L. Martin in charge, the remodeling will include addition of a bath and bedroom, and extensive repairs on the entire interior and exterior of the residence. The house is occupied by an employee.

Improvements are being made on the Horace Linthicum ranchhouse which the family are occupying. A new back porch is to be added and other changes and improvements made.

Workmen are laying tile this week on the large new Spence ranch house, on which construction started last week. This ranch is located in the Rudd Community.

Progress is also reported on Jack Ratliff's large new ranch home. The new Tom Smith house in Eldorado is nearing completion and the Jack Halbert house is nearly ready for occupancy. The Jess Thompson, Sofge, and Jones Bros. barracks are in various stages of repair and improvement.

Delbert Edmiston, who moved a barracks recently to a lot in the south part of town, has completely dismantled the building and began Tuesday to lay the foundation for a new residence. The house will have bath, built ins and four rooms. Edmiston, son of Bill Edmiston, is a returned veteran and a prisoner of war in Germany about a year.

Oil News

Rotary is up and drilling is proceeding steadily on the Luke Robinson wildcat, 660 ft. E and 660 ft. S SE ¼, Sec. 49 bl. 1. The well will be drilled to Ellenburger by Chapman and McFarland.

Officials are already running tower on this test. Crew members are staying in San Angelo, Christoval and Eldorado; and at least three are local men: Punk Bridgeman, Raider Cozzens, and Elmer C. Peters.

The rotary took over drilling Tuesday on this test and 24-hour drilling in three shifts is under way.

The rotary has been rigged up on the Hayden Baugh Estate test, Al Groebl having moved it from his semi-wildcat test known as Groebl Koy, on which testing continues. The Baugh test is located 660 SE 8 U G H & S A, 7800 Block A. Ellenburger is reached at 6,000 to 6,500 in the Robinson-Baugh neighborhood.

A surprising turn of events is the news that the wildcat Groebl-Koy No. 1 will make a well after all! Continued swabbing and acidizing brought production of five to eight barrels per hour early this week and this is expected to increase. The test is C NW SW 34 L GH & SA.

The highway department has moved most of their equipment and crew to Ballinger on a short job, after they had spent most of this year on the Eldorado-Menard road, now nearly completed.

Bobby Oglesby went to Stephenville this week to make arrangements for attending school at John Tarleton College. He returned home Tuesday night.

Arthur Faulf is having the exterior of his feed store painted, Arch Wootton doing the work.

Cotton in Schleicher County is looking fine, but is beginning to need rain.

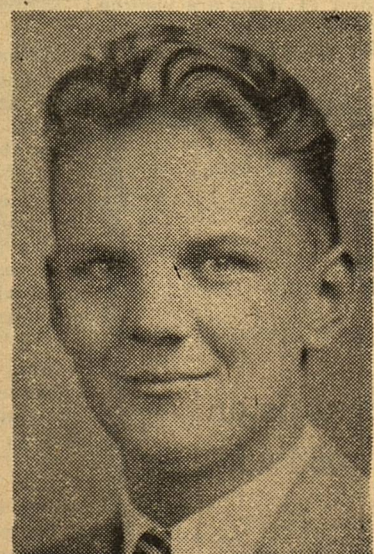

Battery of Talent for Coming Revival

DR. KENNETH POPE
Evangelist

MRS. JAMES FAUST
Soloist

JIMMY FAUST
Song Leader

An imposing array of musical talent will lend further interest to sermons by an outstanding pastor of the Southwest, when the Methodist Church holds their revival in Eldorado July 20 through 25. The pastor, Rev. F. B. Faust, will also hold a several day revival at Rudd, closing July 20.

Dr. William K. Pope, pastor of First Church, Austin, will deliver the messages. A graduate of SMU, with advanced work at Southwestern and Yale, he has had outstanding charges, such as Georgetown & Springfield, Ill., and has served the Austin Church since 1940. He was an associate delegate to the World

conference at Oxford in 1937, represented the church on a tour of Europe and is a Lion and member of the Inter-Racial Commission of Texas. He is well known as an outstanding pastor in Texas and a popular speaker.

Mr. and Mrs. James Faust, a musical pair of unusual ability will assist with the music.

Mr. Faust has been a visitor here often while his father served the local church, and is a popular and talented singer. His marriage in the East to Lola Sanders took place before his recent discharge from service. This will be his bride's first trip to Eldorado and first appear-

ance before the local church as a soloist.

Mrs. Faust is a music major, with special advanced study under several well known teachers of voice. She has made numerous public appearances before clubs, in light opera on numerous occasions, in hospitals as USO entertainer, and as choir singer and soloist. She sang often at the White House during Roosevelt's terms, and was a member of the quartet which sang at his funeral in the East Room of the White House. She is now under contract for radio, recordings and other professional engagements in Washington.

Mr. and Mrs. Edward Meador had as their guests over the week end, Mr. and Mrs. R. S. Guthrie and two boys, Bobby and Charles of Houston. The two lads are former roommates.

T. W. Johnson is spending several days this week in Austin.

Mrs. G. A. Neill is visiting with relatives at San Angelo and Abilene.

Good Laundering Keeps Bedding Fresh and Fragrant

NOTHING makes sleep more enjoyable than clean sheets and pillow cases, fluffy clean blankets and fragrant bed spreads, Georgia Leffingwell points out in nationally-circulated Capper's Farmer.

Listing home laundering methods that will insure fresh and fragrant bedding, she writes:

"Manufacturer's instructions give a washing machine's capacity. Be sure there's plenty of suds when washing a quilt, blanket or spread. Four to six sheets are a normal load, but a mixture of sheets and pillow cases gives better circulation and cleaner bedding."

Sheets and pillow cases, she adds, should be washed in water about 130 degrees F., with a rich, two inch suds. Let wash from 5 to 15 minutes, depending on how soiled the bedding is. Then give them a clear rinse and follow with a cool rinse.

Pinning on the clothesline from the corners or edges is an invitation

to tearing, so fold sheets or pillow-cases from hem to hem with corners even. Hang a third to half over the line.

"Blankets and spreads need a bit more careful handling," she writes in the magazine read by 1,300,000 farm families. "Use lukewarm water and rich suds. Spots may be rubbed with two well-soaped fingers and blanket binding with a soft brush. Give them three rinses to remove every bit of soap. Keep the wringer loose."

"Dry the blankets or rayon colored spreads in the shade or on a line indoors away from direct heat or sunlight. Reverse them occasionally as they stop dripping to prevent sagging. Blot moisture with a towel as it collects. When dry, brush both sides of blanket with clean brush to bring up nap. Press the binding with warm iron."

BIRTHDAY DINNER

Mrs. Joe Krecklow was honored with a birthday dinner Wednesday night at her home. Attending were Mr. and Mrs. Wm. Patterson and daughter, Marselaine, Mr. and Mrs. Charlie Trigg, Jack and Gene Moore and the Krecklows. Mrs. Patterson baked the birthday cake for the occasion.

Everett Johnson of Abilene and two daughters, Mrs. J. D. Word and son of Abilene and Mrs. Jim Keady and daughter of Waco are visiting Mr. Johnson's brother, Tom Johnson and his sister, Mrs. Cora Putman.

The Owen Frys are leaving Friday on a visit to San Saba.

Mrs. Tom Smith is visiting with her brothers at Marshall, Texas, and Hope, Arkansas. She left Wednesday of last week and will be away about two weeks.

Mr. and Mrs. Ira McDonald, Mr. and Mrs. Glenn McDonald and Mr. and Mrs. Winfred Schuller are returning today from a several day fishing trip to Devil's Lake.

Arthur Faull has gone to Del Rio and Alpine to sell a load of oats and expects to bring back alfalfa from Artesia. He has been gone about a week.

Mr. and Mrs. James Sloan and son and Mr. and Mrs. Oles McMillan spent the Fourth in Brady and Jimmie remained for a longer visit with his grandparents, Mr. and Mrs. Claude Ward.

Mrs. Glenn Lindley and four-months-old baby of Grand Prairie, are visiting her parents, Mr. and Mrs. C. E. Sloan.

Mrs. Wm. W. Spurlock, Jr. will return to Stephenville today after a visit of several days here with her parents, Mr. and Mrs. J. L. Neill.

Wilkes Campbell, who stays at the Eldo, was taken to San Angelo today suffering with an attack of pneumonia. He is head of Campbell Drilling Company, who have been drilling surface holes in the oil field, ahead of the rotary.

No definite answer has been given Rudd telephone users concerning the company's proposition to build a 22-mile main line through the community if customers would pay for labor of digging holes and erecting poles. The subscribers would build their own taps. The proposition was submitted a few weeks ago by the company.

Washington News Letter

By Cong. O. C. Fisher

Hawaii and Statehood

The House last week voted 193 to 133 in favor of permitting the Territory of Hawaii to become the 49th state in the Union. I voted against the resolution because I have grave doubts that such action is wise.

At its request, Hawaii became a Territory of the U. S. in 1898. It now has a population of 502,122. Of this number only 11,000 are racially Hawaiians. There are 61,000 part-Hawaiians, 9,000 Porto Ricans, 30,000 Chinese, 7,000 Koreans, 46,000 Filipinos, 172,000 Caucasians, and 163,000 Japanese.

In the last election only 71,000 voted. And yet if admitted to statehood those 71,000 would elect two United State Senators and one Member of the House.

The admission would establish a strong precedent for the admission of Alaska and Porto Rico.

The Territory of Hawaii is made up of eight tiny volcanic islands 2,000 miles off the coast. Some 60 odd percent of the population of the islands is of oriental origin. Most of the land is owned by a handful of people. It can hardly be expected that the rank-and-file of the people there share our thinking and ideals and have the same spirit of Americanism that typifies the average American. Their interests are different and their background is quite different from ours.

The bill now goes to the Senate where action at this session is not expected.

Peanut Quotas

It now appears that Secretary of Agriculture Anderson will order acreage allotments on peanuts for the 1948 crop. He has already stated his intention of doing so. A number of us, especially from Texas and Oklahoma, have protested this move and urged that reductions on a voluntary basis be first given a chance. Congressman Steve Pace of Georgia, who was instrumental in preventing quotas for 1947, has a bill pending to prohibit quotas for 1948, but it is doubtful the bill will be favored by the Agriculture Committee. The Secretary contends the Government peanut support program be too expensive unless there is a sharp acreage reduction.

The exact basis for determining acreage allotments for individual farmers has not yet been devised. The formula must conform in general to the peanut quota law passed by Congress in 1941, but there are details that will be of interest to Texas growers. We are striving for a program, if one is imposed, which will protect the best interests of Texas growers as compared with growers in other parts of the country.

Peanuts has become a big crop in Texas and has replaced cotton in many localities as principal farm product. In our area, the counties of San Saba, Brown, Mills, Gillespie, Mason and Llano have increased production, while smaller quantities are raised in surrounding counties. Peanut acreage in Texas has jumped from 129,000 acres in 1929 to 750,000 acres in 1946. During that same period the acreage jumped in the state of Georgia, the leading state, from 389,000 to 1,090,000 acres.

Another 2-billion-pound peanut crop is in prospect this year. Such a crop would be the sixth in succession above 2 billion pounds. The 1931-40 average was 1.2 billions. Foot and Mouth Disease

The eradication program of the dreaded foot-and-mouth disease in Mexico is progressing and is proving very expensive. But that was expected and cannot be avoided. Congress has already provided \$10 1/2 million to start with, and the Department of Agriculture has come in and asked for another \$65 million to continue the slaughter program. Chairman Taber of the Appropriations Committee declined this request pending an inspection and investigation by a Congressional committee. That is now being done. It would be disastrous to relax the program at this time, regardless of cost.

Earl Parker brought in a new Kaiser for his show room yesterday. He now has both a Kaiser and a Frazer on his floor.

HOUSE PARTY AT CROSBY'S RANCH WEEKEND OF 4TH

Kathleen Crosby was hostess at a house party at Crosby Ranch in Schleicher County during the holidays. Present from out of town were Catherine Conning of Houston, Gene St. Claire of Austin, and Dottie Camp of Thorndale, and from this locality Jimmie Danford and B. L. Blakeway.

A barbecue at the ranch was attended by the following, in addition to those mentioned above: the J. C. Crosby's, G. C. Crosby, Mr. and Mrs. Herman Murchison, Junior Williams and June and Jane Craig. Members of the house party spent the evening of the Fourth at Sonora and on the 5th visited Mrs. Crosby at Via Acuna, leaving San Angelo by plane Sunday, after they had been served a turkey dinner at the home of Mr. and Mrs. J. ***WHO WILL RUN
THE NATION'S LARGEST
BUSINESSES IN 1974?**

YOUNG MEN back from war wonder about the country's future and their own future. What will they be doing 27 years from now?

The 143 top men who manage 50 of the nation's largest businesses can help answer that one.

Twenty-seven years ago, most of them came back from a war, too.

All of them, after the war or before, began their business careers at the bottom.

One started work for \$1.50 a week—11 others for less than \$5 a week. 43 others started work for less than \$10 a week.

Eighty-one others received between \$10 and \$25 a week. Only 7 received more than \$25—the highest getting paid \$69.23 a week.

The average first wage of all 143 was \$13.40 a week.

Who will manage the nation's largest businesses in 1974? Exactly the same kind of men.

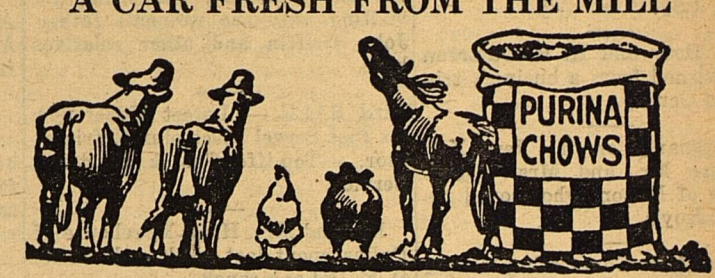

Then, as now, they will be leaders with courage, ambition and initiative enough to come up the business ladder, rung by rung.

Neither the men and women in industry nor the money in industry can be effective without good management. Nothing else is so important to the workers' welfare, the investors' welfare, or the public welfare.

A Tribute

The following data concerning the recent death of Earnest Dickey, reported in the Eldorado Success several weeks ago, will be of interest to Eldorado friends of the family.

Earnest Dickey, Jr., was born near Robinson, Illinois in Crawford County October 22, 1921. His family moved to Texas when he was four years of age, and since that time has made Texas their home. He became a christian and joined the Eastview Baptist Church of Kilgore at the age of 11½ years, and later moved his membership to the First Baptist Church of Kilgore.

He enlisted in the Navy July 6, 1942, and was honored with a farewell party by a group of young people of the Eldorado Baptist Church, where his membership was at the time of his death. He went to San Diego, Calif., where he received his boot training and medical training. After completing his training, he was immediately sent to the Pacific area. He had been overseas a very short time when he received a back injury for which he received a Purple Heart. This accident happened in January, 1943.

He was sent back to the states in October, 1945, and was given a 30 day leave which he spent at home. After his leave, he reported to New Orleans and was assigned to duty at Houston, Texas, where he stayed a little more than a year. During this time his family moved from Eldorado to Austin, Texas, making it more convenient for his visits home. Soon afterwards he went to Camp Wallace where it was understood he was to receive his discharge, but underwent an operation instead. He was then sent to a hospital in California where he remained for three months, and was then sent back to Corpus Christi for further treatment. He was brought home on leave October 13, and during this time he was in a cast until December. Although he had to report back to the hospital at Corpus Christi, it was made pos-

sible for him to be home for Christmas as he was given another leave December 24th and stayed until February 18. After this leave he was sent to McClosky Hospital at Temple, where he received his discharge. His family, who had been so faithful in doing everything possible for his recovery, felt that the treatments at the hospital in Glen Rose, Texas would help him, and he entered this hospital April 11. He remained there until Mother's Day.

Earnest was loved and appreciated by his friends, who were many, because he loved people and loved to have them visit during his illness. Among these friends was a group of young people of the Congress Ave. Baptist Church in Austin, where his family's membership is, who visited him often during his illness. These young people were always blessed by these visits, because he was always so cheerful and was never discouraged over his condition, although his greatest desire was to soon be up as these young people were. He was very fond of Rev. Finis A. Williams, who is the pastor of this church, and always looked forward to his visits.

Earnest was always anxious to attend the services of this church, and this was made possible for him, even during the time he was in bed, by Mr. Martin Blomquist of the Cook Funeral Home, who took him to one of the morning services on their stretchers. Mr. Blomquist, who attended Earnest often during the times he was moved from home to hospitals, said this was the first time during the years he had been in this business that they had received a request of this nature. Another of his dearest friends was Rev. Jack Lewis, who was a Chaplain in the services and who knew Earnest well. Even during the time he was so ill, he always knew Chaplain Lewis who visited him often during these days. Earnest closed the prayer of Rev. Lewis Wednesday morning before his death that afternoon. His christian spirit was maintained to the time of his death, even as he encouraged his family during their anxiety and sorrow. As he could hear the music in Heaven and wanted his family to hear what he could hear.

Earnest died May 28, 1947 at the age of 25. The funeral was conduct-

ed by Rev. Finis A. Williams from the Congress Avenue Baptist Church May 31, at 2 p. m. Earnest's favorite song, "His Love Won My Heart" was sung by a quartet of the young people of this church, Miss Valla Lee Holliday, Miss Linda Weeks, Bobby Williams, and Glynn Hopkins. The pallbearers were Webb Woodland, Tracey Metcalfe, and Olin Dearing of Austin, Pat Joiner, Wallace Joiner, and Pat McAlpine of Eldorado.

He leaves to mourn his loss, one sister, Marilyn Jane, father and mother, Earnest and Bessie H. Dickey.

Mrs. George Williams has returned from San Antonio where she visited her son and his wife and their infant son, John Lee Williams, born there June 24. The infant, who weighed 7 lbs. 5 oz., has three grand parents, Mrs. George Williams of Eldorado and Mr. and Mrs. John Lee of San Antonio, and a great grandmother, Mrs. A. P. Curry of Eldorado. The young father is teaching math and coaching athletics in a San Antonio high school.

LOCAL MAN SERVING ON BATTLESHIP NEW JERSEY
Billie F. Carson, seaman first class, USN, son of Mr. and Mrs. R. A. Donaldson of Eldorado, is serving aboard the battleship USS New Jersey, which is making an extended cruise to Europe training midshipmen from the U. S. Naval Academy, Annapolis, Md.

The cruise, first to be made to Europe by midshipmen since 1937, began June 23 at Rosyth, Scotland, and includes Copenhagen, Denmark; Oslo, Norway; Goteborg, Sweden; and the English ports of Portsmouth, Weymouth, Plymouth, Greenwich, and Woolwich, as ports of call.

In addition to the 2,100 midshipmen, there are aboard 200 members of the Naval Reserve Officers Training Corps from various colleges and universities.

Besides the New Jersey, midshipman training is taking place aboard the battleship USS Wisconsin, the aircraft carriers USS Randolph and Kearsarge, and the destroyers USS Cone, Striberg, Meredith, O'Hare, Hugh Purvis, and Beatty.

Mrs. Jim Patton of McCamey, who was taken to the Shannon hospital last week, underwent major surgery Saturday morning, and although very ill, is improving some. Relatives who have been with her included her husband and children, David, Jimmie Mae and Mary Jane, her mother, Mrs. A. H. Green, and sister, Ethelene.

Mr. and Mrs. J. H. Mace and two daughters spent the 4th and over the week end at Ft. Worth visiting with Mr. Mace's parents, Mr. and Mrs. E. D. Mace.

Mr. and Mrs. W. T. Whitten and Mr. and Mrs. Leslie Baker and family of Eldorado, the Rev. and Mrs. Noel Wilkinson and daughters of Itasca, and Mr. and Mrs. Sam Lloyd and son of Ft. Stockton spent last week camping on the river at Christoval.

Mr. and Mrs. Russell Donaldson spent July 4 in Brady attending the celebration, and visiting with relatives of Mrs. Donaldson's, including several brothers and sisters. This was the first time for all of their family to be together in seven years.

Work on the new greenhouse for the Eldorado Flower Shop is being completed this week.

R. C., W. C., and Lloyd Spurgers are working on a new house being built on the John Rae ranch.

Mrs. F. B. Faust returned home Monday from a two weeks visit in Dallas with her daughter, Mrs. Earl Ralston and family.

New residents at Sofge's (Doc's Place) are Mr. and Mrs. W. J. Gilmore, who are occupying a room there until an apartment is completed. Mr. Gilmore is employed in the oil field.

Mr. and Mrs. Jack Elder went to Brady last Friday for their daughters, who have been visiting for the past two weeks with their grandparents on their farm near Brady.

Mrs. Sam Sheen and sons, Johnny and Jerry, Mrs. W. F. Wilson of San Angelo, and Paul Harzke, son of Woodrow Harzke of Christoval, were business visitors in Eldorado Tuesday. Mrs. Wilson formerly resided in the Rudd community.

The A. T. Wright family enjoyed a family reunion on July 4th and over the week end while their son, Commander and Mrs. A. T. Wright and family are visiting here from Orangesburg, S. C. Others present included Mr. and Mrs. L. T. Barber and Bobby, and Misses Agnes and Beatrice Wright of San Angelo.

Fish Bites Woman!
Willie Wells was coming home from Seward's Creek the other evening with a string of trout, when a stern looking lady (visitor at the Boxwood Inn) stops him, and tells him a man his size could be better occupied than catching fish.
Willie tells her off real good-naturedly by saying: "Perhaps you're right, but if these fish had kept their mouths shut, they wouldn't be here." (At that, says Willie, laughing out loud, she looked just as if a fish had bit her!)

Washington News Letter

By Cong. O. C. Fisher

Should the U. S. admit 400,000 of Europe's Displaced Persons. That question was debated on the American Forum of the Air broadcast last week in which I took part supporting the negative. My opening statement included the following, which contains some of my reasons for opposing this pending legislation:

"By all means, these attempts to break down our immigration laws and scuttle our quota system, and admit 400,000 Eastern Europeans should be defeated.

"Already under existing law we can admit a total of 154,000 quota immigrants each year, mostly from Europe. A total of 312,000 aliens, including tourists, business men and transients, were admitted last year, and that does not include the unknown number who came in illegally. Under our quota law we are now admitting about 1600 a month from our Displaced Persons camps in Germany.

"But those who want to break down our immigration laws say that is not enough. They want to bring in 400,000 over and above the quota allotments under the existing law.

"Our quota system is sound and should not be disturbed. Under it the number who may be admitted during a year is limited to a percentage of people of that same nationality living here in 1920. The quota system is based on the desire of Congress to preserve the racial composition of this country through the selection of immigrants from those countries whose traditions, languages, and political systems historically were akin to ours.

"I maintain we have no obligation to admit those 400,000. Let us first rehabilitate our own underprivileged, provide housing and jobs for our own people, before burdening our problems and our economy with an influx of job-seekers and perhaps many trouble makers.

"Instead of relaxing our immigration laws, I favor reducing the number who can come in for at least a few years. Why pollute our country with this vast number of people, many of whom I am reliably informed are among the dregs and riff-raff of Eastern Europe?"

Supporting me in this debate was Mr. Omar B. Ketchum, National Legislative Representative, Veterans of Foreign Wars. On the other side were Congressman Emanuel Celler of New York and Mr. Edward Mark O'Connor, Executive Assistant, War Relief Services, National Catholic Welfare Conference.

The fact is that a major portion of the 700,000 displaced persons now in the American and British camps in Germany entered the camps long after the war ended. Army officers just back from Europe assure me that many of those people are undesirables, subversives, and trouble-makers. They are looking for a soft life and many get into the camps in order to enter the United States.

Most of them are from Yugoslavia, Poland, and the Baltic countries. General Lowell Rooks, who has had charge of our camps over there came back recently to report that nearly all those people could be safely repatriated to their own countries if they were willing to return. "Let them go home where, I am convinced, the greater part of them would find their best opportunity to rehabilitate themselves," said General Rooks. More than 7,000,000 have already been repatriated to their native lands since the war's end, and General Rooks said he knew of no instance of persecution upon the return.

Our only hope of survival in a mad world is to keep this country virile and strong. That cannot be done if we become simply a dumping ground for the undesirables of other lands. Our immigrants who are admitted should be limited to a good stock of people.

Visitor Honored

Mrs. W. C. Mebane, who has returned to her home in Houston after a three-weeks visit here, was honored when Mrs. Douglas Mebane and Mrs. C. C. West entertained with a barbecue supper last Saturday evening at the West home. Others present were Mr. and Mrs. Harry Strange and Miss Mary Mebane of Houston; Dr. and Mrs. C. T. Womack, Jimmie and Bill of San Angelo; Mr. and Mrs. Herman West and Miss Venita West of San Antonio; the Rev. and Mrs. F. E. King, Mr. and Mrs. Edwin Jackson and Edward Martin, Mr. and Mrs. Jimmie West, Barbara and Charles and Mr. and Mrs. Palmer West and Riedale.

Two Mexicans were charged with simple assault here following a fight Saturday night.

Farm Income Highest On Edwards Plateau

In terms of Texas farmers' income, 1947 is fulfilling its prosperity promises. Farm cash income totaled \$370,895,000 in the first five months of 1947 to stand 13 per cent above the total for the same period in 1946, reports from The University of Texas Bureau of Business Research reveal.

The Bureau's seasonally-adjusted index dipped to 267.5 in May from April's 295, for a drop of 9 per cent, since the April-to-May gain was not as great as the anticipated monthly hike. (Base 1935-39 -100). In dollar value of income, however, a 15 per cent gain was chalked up during the month to bring May's total up to \$98,618,000.

Greatest percent advance for the month was in the Edwards Plateau district where income skyrocketed upward 114 per cent to more than double April's total. Gains of 86 per cent were recorded in the Red Bed Plains and Western Cross Timbers districts.

In actual dollar income, the Edwards Plateau district was far in front with a May total of \$14,787,000.

In the comparison with income in May 1946, gains ranged as high as the 153 per cent scored in the South Texas Plains and 85 per cent increase reported in the East Texas Timbered Plains.

Income in the period January through May showed gains in all but two districts, the Trans-Pecos area and the Lower Rio Grande Valley. Increases ranged up to the 82 per cent hike turned in by the Northern High Plains.

The Bureau's index for the crop reporting districts was highest in the Southern High Plains.

Mr. and Mrs. Truett Stanford attended two family reunions recently including the Stanford reunion at Liberty Hill last Saturday, and the Hill reunion on Sunday at Normangee. S. L. Stanford also attended the reunion at Liberty Hill and remained for a visit with relatives there, and Mrs. A. E. Kent, who attended the Hill reunion, is visiting with relatives at Normangee.

Mrs. R. L. Nelson and baby and D. K. Neill of Abilene visited recently with their parents, Mr. and Mrs. J. A. Neill, and Mrs. D. K. Neill and daughter returned home with them after a week's visit here.

Mr. and Mrs. Orville James of Cohoma, Mrs. J. C. Wells of Bunkie, La., and Mr. and Mrs. A. A. Cooper of Big Spring have been visiting here with the women's parents, Mr. and Mrs. E. E. Newlin and other relatives. On Sunday the group and Mr. and Mrs. E. H. Sweatt of Eldorado enjoyed a family reunion at Christoval. Mr. and Mrs. James returned home Sunday afternoon, and the others remained for a longer visit.

Mrs. Orville Jones spent the week end here with the latter's parents, Mr. and Mrs. E. E. Newlin and other relatives.

Mr. and Mrs. A. L. Stewardson, Miss Sammie Lee Stewardson and Miss Helen Nicks of Ft. Stockton were week end visitors in the home of the Stewardsons' daughter, Mrs. E. W. Mund and family. They were enroute home from Santa Anna where Mr. Stewardson had undergone medical treatment.

Honor Graduate To Enter A. & M.

Tommy Franklin Green, honor graduate last month from Eldorado High school, will enter Texas A & M College next September as an Opportunity Award winner, one of twenty-six Texas high school graduates chosen this year to receive four-year scholarships at Aggie-land.

Having chosen agriculture as his major course of study, young Green was awarded one of six special agricultural scholarships sponsored by Jesse H. Jones, Houston capitalist.

Son of Mrs. T. F. Green, whose farm is eight miles southwest of Eldorado, Tommy held a scholastic average of 90.17 at Eldorado High, and was top-ranking boy in his school during his sophomore and junior years, and also received an award for participating in most school activities.

He was a three-year member of the Dramatics club, a three-year letterman in football, in which he was chosen all-district center and team captain, and a two-year track letterman. He is president of the Schleicher county 4-H club.

YOUNG PEOPLE WED

In a ceremony performed at 9:00 a. m. Sunday in the home of her father, L. F. Hodges of Sterling City, Miss Fredamae Hodges became the bride of William R. Brooks, son of Mr. and Mrs. Ben Brooks of Tennyson. The Rev. Ed Lovelace, pastor of the Sterling City Methodist Church, read the double ring ceremony in the presence of relatives and a few close friends.

The bride, given in marriage by her father, wore a street-length dress of light blue with a corsage of white roses, and accessories of black and white. Miss Lucille Hodges attended her sister as maid of honor, and Biff Wilson attended Mr. Brooks as best man.

Mrs. Brooks is a graduate of Sterling City High School and Texas Tech College where she received a degree in Home Economics. She was employed recently at Cox-Rushing-Greer in San Angelo. Mr. Brooks, a graduate of the Bronte High School, attended San Angelo College, and is now employed in the office of the Sunset Motor Lines in San Angelo. The couple will be at home at 709 Kohlerin in San Angelo.

Mr. Brooks, a brother of Mrs. Albert McGinnes of this city, is well known here, having visited in Eldorado a number of times, and his bride has also visited here on several occasions.

SLUMBER PARTY

Dancing and games furnished diversion when Mary Thompson entertained Monday evening with a party at the home of her parents, Mr. and Mrs. Jess Thompson. Refreshments of ritz crackers, cake and cokes were served to June and Jane Craig, Irene Childers, Jonnie Lee Dickens, Patricia Humphrey, Iretta Faye Mace, Lilla Jean Ellington, Buddy Baker, Joe Prince, Wayne McGill, George Graf, Chester Biggs, Gordon Hamm, Donald West, Billy Ray Jones and the hostess.

Following the party, the girls remained for a "slumber party," sleeping on bed rolls in the back yard, and Mrs. Thompson served breakfast to the group before they returned to their homes Tuesday morning.

Mr. and Mrs. Jack Halbert, Jr., Lee Halbert, and Frances Lee Bauguess have returned from a trip to New Mexico where they visited relatives and did some sight seeing. They stopped at El Paso and Juarez and visited relatives at Hot Springs and Gallup, New Mexico, also stopping at Albuquerque before returning home Manday night.

WATER MANAGER ATTENDS SCHOOL IN SAN ANGELO

L. B. Burk, city water manager, is attending a school in the production, treatment, and distribution of water, designed to help all men engaged in this work, secure licenses, which opened Monday night in San Angelo with J. E. Williams of Texas A & M in charge. The school, which is sponsored by the A & M extension service, is for employees of municipal and private water systems. Classes are being held at 8:00 o'clock on Monday, Wednesday, and Friday nights, and will continue for three weeks. It is being held at the water treatment plant of West Texas Utilities Company.

Subjects being taught include sanitary precautions necessary for problems involved in developing water wells, surface water treatment, and water distribution. A state law requires all men working in water systems to be licensed, but this law has not been rigidly enforced, heretofore, Williams said, but the state law plans to tighten up on the regulation.

Mrs. West is Hostess to Wednesday Bridge

Mrs. Jimmie West was hostess at a luncheon and bridge party last week when she entertained the Wednesday Bridge Club in her home. Mrs. Sam Oglesby was awarded high score, and Mrs. Edward Meador received the bingo prize. Others present included Mmes. Kenneth Cheek, C. C. McLaughlin, Pat Finley, Carroll White, Charlie Trigg, C. A. Reynolds and Jack Shugart.

Bridge Barbecue At Bearce Home

Mr. and Mrs. W. R. Bearce entertained the Night Bridge Club with a barbecue supper followed by bridge games, in their home Tuesday evening. Prizes were awarded Mr. and Mrs. Carroll Ratliff, high club; Mr. and Mrs. E. B. Keng of Sonora, high guest; C. A. Reynolds and Mrs. C. C. McLaughlin, bingo. Those present were Messrs. and Mmes. Leslie Baker, C. C. McLaughlin, Reynolds, Jimmie West, Ratliff, club members, Mr. and Mrs. Charlie Trigg, and Mr. and Mrs. Keng, guests.

Mr. and Mrs. G. L. Ballew, Mr. and Mrs. Tom Clark and daughter of San Angelo and Cap Fry of Merton spent the weekend fishing at Devil's Lake.

Peggy Garrett, who makes her home with her aunt, Mrs. C. E. Sloan, has returned from a visit with her father in Dallas and her mother in Coleman County, and attended a family reunion in Coleman county Sunday. Mrs. Sloan drove after her Tuesday.

Mr. and Mrs. Roy Moore and children, Mrs. Moore's sister and family were among a party of about fourteen who have gone on a three-day fishing trip to Devil's River.

C. E. Sloan is working for De Paw Drilling Co. at Sonora.

Ollie Alexander, Jr. Continues to Improve

Ollie Alexander, Jr.'s, condition continues to improve, he states in a recent letter to his parents, and says that the doctors are well pleased with his progress, after an examination which they made recently. For the first time since his illness, he is able to sit up without support, and his general condition, looks, and health are fine. He will probably be confined to the Foundation for several months longer, it is thought.

PALMER WEST AGAIN INSTALLED FIRE CHIEF

A record playing contest followed by the installation of new officers, was a feature of the entertainment when the Eldorado Volunteer Fire Department entertained Tuesday evening with a party on the West Texas Utilities lawn.

Approximately fifteen prizes, donated by merchants of the town, were awarded in the record playing contest, and following the installation of officers by W. T. Whitten, most of the members of the Department were run through the "belt line." The following officers were installed: Palmer West, first chief; J. H. Mace, second chief; Marvin McAngus, third chief; B. O. Bridgeman, president; Lum Davis, vice president; Joe Wagley, secretary treasurer; A. G. Clark, sheriff; L. D. Mund, deputy sheriff; Roy Andrews, fire marshal.

Ice cream and cold drinks were served to approximately thirty firemen, wives and visitors, including Mr. and Mrs. John Williams and Martha Dell, Mr. and Mrs. E. W. Mund, Jane and Beccy; Mrs. W. T. Whitten, Mrs. Clyde Galbreath, Mr. and Mrs. E. H. Topliffe, Martha Ellen and Myrta Ann, Janice Bridgeman, and Bob McWhorter, a new member.

Mrs. Meador's Sister Weds McAllen Man

Miss Marylou Dudley, daughter of Mr. and Mrs. P. S. Dudley of Freer, and a sister of Mrs. Edward Meador of this place, became the bride of Edwin Wells of McAllen on June 22. The ceremony took place at the home of the bride's parents in Freer, and Mrs. Meador attended her sister as matron of honor, and Mr. Meador attended the bridegroom as best man.

Mrs. Wells, who is a graduate of the Freer High School, attended the San Angelo Business College for a time and has been a visitor in Eldorado on several occasions.

The couple will make their home in McAllen.

Miss Bonnie Shelton of Davidson, N. C., and Mr. and Mrs. John Robert Florence and children of Kilgore have returned home after a three-weeks visit in the home of Mr. and Mrs. P. K. McIntosh. Other visitors in the home now include Mrs. Louell Crim and John T. Crim, Jr., of Kilgore, mother and nephew of Mrs. McIntosh.

Mrs. Tom Farris of San Angelo is visiting Mr. and Mrs. Alvin Farris.

PICNIC HONORS PRESB. PASTOR ON WEDNESDAY

Honoring their new pastor and wife, Rev. and Mrs. F. E. King, members of the Presbyterian Church and friends gathered on the church lawn Wednesday evening for a bountiful picnic supper.

Following the meal, games were played including one in which the honored couple were blindfolded, and upon removing the blindfold, were surprised with an old fashioned "pounding" gifts of food from the members of the congregation, presented to the tune of "Happy Landings."

Approximately sixty members and friends were present.

MANY ATTEND FUNERAL RITES OF BRADY DOCTOR

The July 8 issue of the Brady Standard carries the obituary of Dr. Granville, part of which the Success prints herewith.

Funeral services were conducted from the Brady Presbyterian Church at 10 a. m. Friday for Dr. J. B. Granville, 66, who died at Brady hospital at 11 p. m. Wednesday following an illness of several weeks. The Brady physician, who had practiced medicine in Brady since 1908, suffered a heart attack Wednesday night.

Rev. Anson T. Dewey, pastor, officiated, and burial followed in Brady Cemetery. The local Masonic Lodge conducted graveside services.

Arrangements were in charge of Roy O. Wilkerson & Son.

Dr. Granville, who was active in civic and community affairs all of his life, was one of Brady and McCulloch County's most ardent boosters. He was a member of the Presbyterian Church and a 32nd degree Knight Templar. He was one of the first presidents of the Brady Chamber of Commerce.

The son of the late Mr. and Mrs. James B. Granville, the doctor was born in Bellville, May 7, 1881.

He graduated from the School of Medicine at Galveston in 1904 and had practiced medicine 43 years and 40 years of that time in Brady.

Survivors include the widow, three sons, J. B. Granville, Jr., of Dallas, William King Granville of Brady, and Dr. George Granville of Houston; two sisters, Mrs. E. C. Fisk and Mrs. M. F. Weston, both of Kerrville; two brothers, C. W. Granville of Harper and M. F. Granville of Tyler; an aunt, Mrs. O. Rosenberg of Hallettsville. Also surviving are two granddaughters.

Among the out of town residents attending the funeral were Mr. and Mrs. Jim Williams, Mr. and Mrs. Sam Jones, Mr. and Mrs. Bert Page, Mr. and Mrs. R. J. Page, James Page, Mrs. Herbert Finley, Mr. and Mrs. Tom Jones, Mrs. Blaine Sammons and Mrs. R. A. King, all of Eldorado; Mr. and Mrs. Cleve Jones and John Irvine King of Sonora.

Dr. Granville had visited here often and had a host of friends in this county.

Calvin Bounds picked up a two-day-old fox at Ford Oglesby's Ranch recently and Arthur Faulk is raising it.

ALL TIME HIGH IS ESTABLISHED FOR WATER USE

An all-time high in the city's consumption of water was established when a total of about 7 million gallons was used in June—2 million more than any previous high.

City Waterworks Superintendent Lum Burks attributes the heavy consumption to an early summer drouth, which, coming as it did in June, struck when gardens required watering, and also to the fact that highway construction is making heavy demands on the pumping system.

That the pumping facilities were adequate to take care of the demand was due to careful management on the part of city employees.

City officials ask that in case of fire during this period of heavy consumption, all who are watering yards or gardens turn the water off while firemen are making their run.

Howard Co. Rancher Cuts Overstocking

Sheep raisers of Howard County this year saw the value of culling to prevent overstocking, as demonstrated at shearing time by J. W. Overton, stockman at Forsan.

Howard County Agricultural Agent Durward Lewter reports that the entire county had a "fair clip" at shearing time, but some ranchers had very light wool yields due to the dry summer and hard winter. Overton topped the county with an average of 10.1 pounds of fleece from his 400 ewes. He explained to the county agent and his neighbors that his high shearing was due to the fact that he sold off 40% of his ewes when the weather became so dry in the summer of 1946. With that much extra grazing for the ewes he kept, they went ahead to put on good fleeces.

Lewter, "this shows the value of culling your flock and not overstocking."

Spraying sheep out of the shearing pen is another smart practice that is getting started in the county, says Lewter, and many ranchmen in the county plan to add that feature next year.

Wildlife Meeting Set for Rock Springs

The following self-explanatory letter has been received by W. M. Patterson: Chamber of Commerce Eldorado, Texas Gentlemen:

The Edwards County Chamber of Commerce holds its regular monthly meetings the second Monday of each month, beginning at 8:00 p. m. The program outline for 1947 emphasizes one general topic for discussion at each monthly meeting. The meeting for July will be held in the high school auditorium Monday, July 14, beginning at 8:00 p. m. This meeting will emphasize wild life, conservation, and propagation, particularly as regards our section here in the hill country and from the standpoint of the land-owner.

The executive secretary of the Game, Fish, and Oyster Commission, Mr. Howard Dodgen, will be present if possible. Mr. Husfield from the department will be present to lead the discussion and suitable motion pictures from the Game Department will also be exhibited.

We take this opportunity to extend your organization in particular and the people in your section in general, an invitation to attend this meeting and take part in the program and discussion. There will be a free barbecue at the Fair grounds at 6:00 p. m. Make your plans to arrive in time to attend this and if possible please let us know at your earliest convenience how many to expect.

We are expecting a representative group from adjoining counties and localities and a particularly good attendance of local people interested in this subject.

Respectfully yours, Edwards Co. Chamber of Com. Mrs. Monte Kirkland, Sec.

Mr. Patterson suggests that all who plan to attend drop a card to the secretary at Rock Springs.

BACK FROM TRIP

Mr. and Mrs. B. F. Blaylock have returned from a two-weeks trip to Muskegan, Mich. where they visited with Billy Frank's wartime buddy, Clarence Beighley and wife. The two men were hospital companions while recuperating from wounds received overseas. Mr. and Mrs. Blaylock were accompanied on their trip by Mr. and Mrs. Russell Zoet of San Antonio, who visited with Mr. Zoet's parents in Grant, Michigan. Mr. Zoet, who is employed in San Antonio, married a Robert Lee girl, a friend of the Blaylocks.

Mrs. Thad Thomson left Wednesday evening by train for Cincinnati to visit her daughter.

DRIVERS HELP TO PACK EDGES OF CITY PAVING

The City Council are asking the cooperation of the general driving public in packing down the edge of the new city paving by driving on it.

It is explained that hot, dry weather is ideal time to pack down the edges of the paving, on which traffic is normally light. The motorist may do much, they state, to pack down the soft edges by driving close to the right edge of the paving.

This is desired in hot, dry weather, but not in a rainy season.

The Eldorado city fathers also urge motorists to remember that the highway in front of the post office is a one-way street only, and that there is an ordinance on the city books prohibiting parking in the middle of the highway at the head of Main Street.

Mrs. R. A. King left Wednesday for Brady to spend about two weeks with relatives.

Bapt. Mission Church Closes Bible School

A successful two-weeks Vacation Church School with a good attendance reported, at the Latin American Mission Church, will close Friday with Commencement exercises at 8:00 o'clock Friday evening. A program of songs, Bible verses, and dramatizations will be presented by the various departments under the direction of their leaders.

Darrell Tapley, Mission pastor, has been in charge of the school, and he was assisted by Miss Kathleen McClure of Springfield, Mo., and Miss Myrtle Rice of North Carolina. Refreshments have been furnished by the members of the First Baptist WMU.

Mr. and Mrs. G. L. Ballew have moved from the McIntosh Ranch to a house on Case's Ranch, and their nephew Owen Fry and wife and daughter have moved to Eldorado and are occupying the Burk rent house.

Donnie Rae Furr has been visiting relatives in Del Rio.

COOPER'S PUTTING CORSETS ON TIRES

TWO EXTRA PLYS MAKE COOPER TIRES STAY IN SHAPE LONGER

The body of every Cooper tire is specially reinforced with two extra plies of rubber and cord. This extra tough, extra resilient reinforcement acts like a corset—helps Cooper tires keep their shape, protects them from growing flabby in service, absorbs road shock, too. See us soon about new Coopers... tires that give you a better run for your money.

Remember... quality comes first with Cooper
