ELDORADO, SCHLEICHER COUNTY, TEXAS Thursday, September 25, 1947

\$2yr

NUMBER 38

FIRST WEEKS ARE BUSY ONES AT LOCAL SCHOOL

A full program of athletics, music, recreation, and regular classroom instruction, in addition to the organizing of various club and class groups, provides a busy autumn season for the school, as the 1947-48 school year gets off to a good start.

All of the students in the Eldorado school will go to the Shriner circus at San Angelo next week free, as a gift of Eldorado businessmen and the PTA and Lions of the city.

The trip will be made in the 66-passenger school bus, Monday, Tuesday, Wednesday and Thursday and the activity bus will take the place of the large bus on the route on those days. The children will leave for San Angelo at 2:15 each day—grades 1, 2 and 3 on Monday, 4, 5 and 6 on Tuesday, and 7th up in two divisions Wednesday and Thursday. The circus which will be held in the city auditorium is known as the largest indoor circus in the world.

Fred Watson states that he has adult tickets for sale and that any adults who wish to go should contact him. Tickets will sell for \$1.20 each, all proceeds to go to the crippled children's fund. He has 425 free children's tickets for use by the children of the county.

There are matinee and night performances.

Parents of those school children who ride the bus and who wish to attend the circus are asked to call for the children at the school house at 7:30 p. m. All bus routes will be covered as usual, but each child will have to provide his own way home on the day he goes to the circus.

Two new fire escapes are installed and ready for use at the high school.

Ervin Mund and Supt. C. A. Reynolds made a trip to Ft. Worth last weekend to get action on the band uniforms, on which substitution had been made in the original order. The head of the company having died recently, they learned that delivery would be made on a missing uniform, bought 35 citation cords and 28 belts, and again placed an order for caps which they hope to buy there or elsewhere—decision having been made to keep the uniforms, though substitutions had been made in color and material.

Money subscribed for purchase of materials and equipment for the manual arts room has been spent in Eldorado where possible, and the new department is off to a good start. The Lions Club soliciting committee which collected funds were Palmer West, Joe Christian and B. L. Blakeway.

The commercial department of the high school has been improved by purchase of six new Royals. Miss Maxfield is the commercial teacher.

Pictures were made for this year's annual, Thursday, and proofs were brought back Tuesday.

To take care of heavy enrollment in the third grade, eleven of the 43 pupils enrolled in that group have been moved from Mrs. Watson's third grade room into Mrs. Carl Stevens' room. Mrs. Stevens now has a division of the second grade and the group of eleven third graders. There are two first grade teachers and two second grade teachers. To even the teaching load, five pupils have been moved from Mrs. Stevens' second grade to Mrs. Royster's second grade.

The high school girls' chorus has been organized under the direction of the public school music teacher, Miss May Elizabeth Burton, and plans for music for the boys will be worked out.

The band and the pep squad will accompany the football team when they journey to Eden Friday night for a non-conference game under the lights. As Eden lost last week by only 18 to 20 to Menard, a good game is promised, and a large delegation of boosters is expected to attend.

A streak of last-minute luck brought Robert Lee over the goal line, to make the only score of the game (6-0) Friday night at Robert Lee. The game was close throughout, the score being made when a penalty for Eldorado put Robert Lee on the one-yard line.

The coaches have organized Jun-

ior High football, working independently of the High School squad, boys in the 7th, 8th and 9th grades participating. A regular practice schedule has been arranged by coaches Hopkins and Curnutt.

Coach Wilburn Curnutt and his wife were called to Canadian Monday because of the serious illness of his sister.

GODWIN CHILD EXAMINED

O. Robert Warburton of Houston, national divisional supervisor of the Milton H. Berry Foundation Schools held free consultations for and check-ups of children undergoing spastic, polio and paraplegic correction last Sunday at the home of Mrs. J. L. Jones in San Angelo.

Mrs. Jones is a sister of Mrs. W. G. Godwin of this place, who with Mr. Godwin took their 10-year-old daughter, Martha Ann to San Angelo for her monthly check-up. Martha, afflicted with spastic paralysis since birth, was able to stand straight recently after spending three months at Houston, where she was fitted with braces.

TOP SNARES OWN HORSE TO WIN HONORS

A solid bank of cars surrounded the roping arena Saturday afternoon when Lamb Sale visitors attended the show staged by Eldorado amateurs and members of the Roping Club.

Two matched ropings furnished the comedy for the crowd. Louis Yaseen, resplendent in blue checkered shirt, cowboy trousers and chaps refused to mount his mule when his opponent, Rev. Jim Hays, failed to snare a calf with his loops. Shorty Doyle, failing on his second loop, conceded top honors to E. H. Toplife who snared his own horse!

Jack pot ropers included John Merck (Sonora), Jack Jones, Manlin Stokes (Sonora), Horace Linthicum (winner in 21 seconds), Arch Orey, Jack McClatchey (2nd with 32 seconds), and Billy Green—and others who appeared later in the programs.

The boys' roping included a contest between Wayne McGill and James Alexander, McGill winning on a 40.6 record.

Joe Bailey Montgomery roped in 1 min. 10 seconds, ousting Calvin Henderson, concluding the matches.

RECEIVES CITATION

A citation from the President of the United States appointing Paul A. Davis as a First Lieutenant in the Air Corps has been received recently from the War Department by his father, G. H. Davis. The commission which was granted Lt. Davis on Jan. 30th, 1945, was received on his 30th birthday.

Lt. Davis, who attained the rank of a captain in Air Corps during the war, has since the close of the war been reassigned to the regular army of the U. S. He has been stationed in Germany for the past two years where he will remain until March 1949. His wife and son Dickie are with him.

NEW PARKER MECHANICS

Two new men have gone on as new help at Parker Motor Co. Ots Landis, brother of the shop foreman, is new mechanic, and lives in one of the Jack Halbert rooms. Driver of the wholesale truck is Grover L. Johnson, who started work Tuesday.

WOOL SHIPPED

Five cars of wool were loaded out Saturday and a car of maize Monday, at the Eldorado Wool Co., the wool having been sold to two Boston firms.

Mrs. Horace Linthicum entertained the Wednesday Bridge Club with a luncheon party at her home Tuesday with Mrs. Edward Meador winning high score, and Mrs. Sam Oglesby, bingo. Others present included Mmes. Leslie Baker, C. C. McLaughlin, Pat Finley, Joe Ed Hill, Carroll White and Jimmie West.

Mrs. Keno Ogden is reported to be improving following major surgery which she underwent in the Shannon hospital last Friday. She will probably be able to return home soon.

N. SCHLEICHER WILDCAT TEST IS PLANNED

Thomas S. Cox, San Angelo, and B. H. Grube, Midland, announce acquiring of a block of 6579 acres in Schleicher and Tom Green counties for 10 years, with no drilling obligation. The men plan, however, to start an Ellenburger soon.

The block includes about 2419 acres of the E. E. Steen estate in both counties, and 4160 acres in Tom Green from E. J. Jameyson estate. The Steen lease joins at the north the 5,000 acre Shell block, lease on which expires next year. The Steen place is 18 miles northwest of the Page field, and operators hope to pick up Strawn lime production found in the producing Schleicher Co. field. Operations are expected to start in two or three months.

The water well on the Skelly wildcat at Jackson's ranch is completed, and Campbell Drilling Co. has started on the surface hole.

Ralph Lowe of Midland turned the test over to Skelly. The block includes 3264 acres west of Eldorado, and is in the vicinity of the old Opp producer.

The A. P. Groehl of San Angelo No. 1 Hayden Baugh est. wildcat is pulling casing in preparation for plugging up the hole at 6591 feet, oil not having been found in sufficient quantities to justify development. Location is C SE SE 8-M-GH&SA.

The wildcat which Snowden Oil Co. is putting down with cable rig on the Virge Tisdale place is down about 800 feet, and awaiting arrival of pipe.

JACK JONES BUYS CALVES FROM ROPERS

Jack Jones bought the 20 calves which were offered for sale by the Eldorado Ropers after the roping Saturday, these calves having been the property of the club for use during the roping season.

Sale of these calves brings to a close the official 1947 season for the club. Members are expecting to work on the lighting project for the arena, before the season reopens next spring.

THE INVISIBLE MAN IS OUT GARRISON SAYS

Fix your lights so that you can be seen by the other fellow and your brakes so that you can stop, and you'll be all right under the new traffic law, which went into effect Sept. 5.

You must have two burning headlamps and a burning red tail light. The only thing which every motorist has to have after Jan. 1, 1948, which he may not have now is a little white light over the rear license plate. Formerly, reflectors were enough on trailers of all kinds but after Jan. 1 a burning red tail light is required for any vehicle whatsoever on the road. Trucks and busses under 80 inches wide must have in addition to other lights a stop light and two red reflectors on the rear.

Trucks or busses over 80 inches wide or having an actual or registered gross weight in excess of 3,000 pounds must have the following lights besides the headlamps, tail light, license plate light, stop light, and two red reflectors:

Amber clearance light at front outermost top corner on each side; red clearance light at back outermost top corner on each side; red side marker near rear on each side; amber side marker near front on each side; amber side lamp near front on each side; red side lamp near back on each side.

When disabled upon the highway, all types of trucks, busses, and trailers must have three properly spaced warning devices such as pot flares, electric lanterns, etc.

All brakes must be capable of stopping the vehicle going 20 miles per hour within a distance of 30 feet on a smooth, level surface and must be maintained in good working order so as to be applied evenly on all wheels. Any type trailer having an actual or registered gross weight in excess of 3,000 lbs. must have a separate set of brakes thereon.

—Dept. of Public Safety.

ZONE MEETING OF LIONS HELD HERE TUESDAY

Representatives from Sonora, Junction and Big Lake Lions Clubs were here Tuesday night for a zone and regular luncheon meeting. Zone members met in the Commissioners court room at 6:30 p. m. in a meeting presided over by Zone Pres. Jimmy West.

The luncheon meeting took place at the Eldo Hotel at 7:30 with visitors from the three clubs and a large crowd of local Lions attending.

Following the introduction of visitors, Jimmy West introduced Dist. Governor Frank Robertson of San Antonio as principal speaker of the evening, who delivered an address on the "American Way of Life".

The Dist. Governor stated that our standard of living is dependent on free enterprise and that free enterprise was being challenged by those who believed in a socialistic system of planned economy. He declared that over 1100 government bureaus still existed as a hold-over from the war and that they should be abolished. He cited the problem of adequate housing as one of the things which began to speed up when restrictions were removed, and pointed out that the advance made in the housing industry in the last 8 months is a testimony to what free enterprise can do. "We want a strong nation," he said, "without regimentation."

MORE FUNDS ARE NEEDED AT CEMETERY

The improvements on the City Cemetery have cost \$765 and donations to date total \$610, state T. C. Stanford and Fred Watson, who stress the need of more funds to finance the program of improvement now being completed.

The project places the cemetery in good condition for years to come, with water lines laid to sexton's house and the Negro and Mexican parts of the cemetery, and the new electric pump and booster now operating.

All who have not made their donations are urged to do so at once, as the men are anxious to clear the debt and put the project in the black.

RULES ANNOUNCED ON DRIVING TO FIRES

The Eldorado firemen call attention to the fact that civilians must be careful in following fires, as failure to observe rules will mean a misdemeanor. The law reads:

"Following Fire Apparatus Prohibited. The driver of any vehicle other than one on official business shall not follow any fire apparatus traveling in response to a fire alarm closer than five hundred (500) feet or drive into or park such vehicle within the block where the fire apparatus has stopped to answer a fire alarm."

And section 101 reads as follows: "Crossing Fire Hose. No driver of a street car or vehicle shall drive over an unprotected hose of a fire department when laid down in any street, private driveway, or street car track, to be used at any fire or alarm of fire, without the consent of the fire department official in command."

OES PICNIC HONORS MRS. JOHNNY LUEDECKE

Honoring Mrs. Johnny Luedecke who with her family moved last week to Kent, the OES entertained her with a no-hostess picnic supper on the courthouse lawn recently. In addition to the honoree, her husband and two children, some 40 or 50 guests attended the affair.

Mrs. Luedecke was worthy matron of the Eldorado OES.

Mr. and Mrs. Edward Meador and son, Lynn, and C. L. Meador, Jr., spent the weekend in Dallas visiting relatives and attending the professional football game. They returned home Sunday accompanied by Mrs. C. L. Meador, Jr., who had taken their daughter, Edda Lou to Dallas on Wednesday, where she entered SMU, and by Larry Meador, young son of Mr. and Mrs. Jack Meador. Larry is spending two weeks with his grandparents while his parents are vacationing at Pittsburgh.

OSCAR CLIFT DIES

Funeral services for Oscar Clift, 60, formerly of Robert Lee and Bronte, were held Friday afternoon at Corpus Christi. Mr. Clift died at 6:00 a. m. Thursday at Houston where he made his home.

He is survived by two sons, Oscar, Jr. and Jimmie of Houston; one daughter, Mrs. D. O. Holder of Houston; one brother, Bruce Clift of Robert Lee; three sisters, Mrs. Jake Morrow of Bronte, Mrs. W. B. Cobb of San Angelo, formerly of Eldorado, and Mrs. J. Mederia of Corpus Christi, and two nephews.

NOTICE

There will be a meeting of the Cemetery Board Friday afternoon at 3:00 o'clock in the commissioner's court room at the court house. All members are urged to be present and visitors are invited to attend.

FIRE PREVENTION WEEK IS SET BY GOVERNOR

Proclamation by the Governor of the state of Texas

To all whom these presents shall come:

WHEREAS, the rising fire loss in Texas and the United States with its tremendous sacrifice of life and destruction of property has become a vital national problem affecting the welfare of all of our people; and

WHEREAS, the loss of life resulting from fire is appalling—with an average of 465 deaths annually in Texas, and an average of 10,000 deaths annually in the United States, for the past ten years, and

WHEREAS, when there is a universal scarcity of nearly every commodity needed to feed, clothe and shelter not only our own people but the starving and war-torn world, the continued annual destruction of a half-billion dollars in irreplaceable material resources not only becomes more tragic but wholly inexcusable, and cannot continue without permanent impairment to the people of Texas and the United States, and of the world; and

WHEREAS, it is a proven fact from the statistics on fire losses that the cause of fires, to a very large extent, can be controlled by intensive education and intelligent law enforcement; and

WHEREAS, the safety of human lives, and the interest of sound economy, makes it the individual responsibility, and the patriotic duty of every citizen of Texas to aid in the prevention of fires:

NOW, THEREFORE, I, Beauford H. Jester, Governor of Texas, hereby proclaim the week of October 5-11, 1947, as

FIRE PREVENTION WEEK in Texas, and I earnestly call upon every citizen of Texas, particularly civic, school, patriotic, municipal organizations, and all Agencies of the State, to emphasize the danger of fire and to encourage the adoption and enforcement of all fire prevention rules, regulations and laws, in an organized movement to lessen the disastrous consequences of fire

IN TESTIMONY WHEREOF I have hereunto signed my name officially and caused the Seal of State to be affixed hereto at Austin, this 11th day of September, A. D., 1947.

Beauford H. Jester
Governor of Texas

(Seal)
By the Governor
Paul H. Brown
Secretary of State

B. F. Blaylock and E. W. Perry, Scoutmasters, attended the wrestling matches in San Angelo Tuesday evening, receiving pointers which they believe will prove beneficial in their work along this line with the Eldorado Boy Scouts. The organization have bought a mat to be used for their training in this sport.

Mr. and Mrs. Milton Baugh had as their guests this week their son, Milton Baugh, Jr., wife and baby, and their daughter, Mrs. Louis Van Eman and son, all of Marfa. The Milton Baugh Jr.s returned home Wednesday and Mrs. Van Eman and son remained for a longer visit.

CREDIT CONTROLS TO BE LIFTED ON NOVEMBER 1

With government credit control on durable goods scheduled to be lifted November 1, merchants throughout the state are adjusting and reorganizing their credit operations with the view of giving prompt and courteous service to their patrons, Erwin S. Singleton of Beaumont, President of the Retail Merchants Association of Texas, today advised Mrs. Ernestine Hext, Secretary-Manager.

Singleton suggested to Mrs. Hext that she caution all merchants in Eldorado, big and small, to set up their credit operations on a sound and conservative basis.

"It is to the interest of both the merchant and the patron—as well as to the welfare of the community—that wild spending on credit be discouraged," he said.

Singleton said both he and other representatives of the Retail Merchants Association of Texas were visiting as many cities of Texas as possible, helping merchants adjust their consumer credit reporting divisions and encouraging merchants to use their Credit Bureaus to the utmost extent.

"Although the lifting of the government credit restrictions will mean the individual merchant will be free again to work out payment schedules with his individual customers, neither should a merchant encourage spending beyond means, nor should the consumer seek to buy merchandise he is unable to pay for within a reasonable length of time," Singleton said.

"A good credit rating is a very important thing in any community. It means that a family is operating on a sound basis. The best policy for consumers to follow is to plan their credit buying so that obligations can be met promptly on due date."

Singleton said that during tours of several sections of Texas, he had found there were thousands of new business establishments which had not previously operated under unrestricted payment schedules. The attention of each of these merchants should be called to the availability of the services of the consumer credit reporting division of their local association.

Mrs. Hext said that consumers in Eldorado had been exceptionally cooperative and understanding during the war years of government-controlled retail credit, and on behalf of the merchants of Eldorado, she wished to express their appreciation.

Eldorado Team Beats Bracketville Panthers 10 - 9 Sun.

In a hard-fought and evenly matched game, the Eldorado Black Cats beat the Bracketville Panthers at the local baseball grounds Sunday afternoon by a 10-9 score. A ten inning game was necessary to break an 8-8 score at the end of the ninth.

Both Eldorado and Bracketville played good ball, and the Eldorado team made a fine recovery after being five points behind in the second inning. Good pitching was done by both teams.

A large crowd was on hand to witness the game.

NEW GMC HERE

Jones Motor Co. have received delivery on a new GMC truck, the first to be shown here in many months

Production of GMC's newly announced light and medium duty models, as well as the models comprising the heavy-duty gasoline and Diesel-powered line, is expected to increase materially during the coming months as GMC's plant expansion program nears completion.

Mr. and Mrs. Bob Barker are the parents of a son born Sept. 16 at their home in Eldorado. The baby, who weighed 7 lbs. has been named Robert Joe. Mr. Barker is with the Western Drilling Co.

Mr. and Mrs. B. E. Moore spent the weekend in San Antonio visiting with their children, Joe H. Moore and family, Mr. and Mrs. Cecil Moore, and Miss Katherine Moore.

Wright's Cash Store

MRS. EDENS LEADS PROGRAM AT WOMANS CLUB

Mrs. Joe B. Edens was program leader when the Woman's Club met Tuesday afternoon in the home of Mrs. Jess Walston with Mrs. Walston and Mrs. Luke Robinson as hostesses.

Mrs. Douglas Mebane gave an interesting report of Ft. Concho Inter-County Federation meeting which she and Mrs. R. J. Page attended in San Angelo, Saturday, Sept. 20. Both Mrs. Mebane and Mrs. Page have been elected to positions on the Sixth District Executive Board, Mrs. Mebane as chairman of nursing, and Mrs. Page as chairman of International Relations.

Mrs. Mebane and Mrs. John Williams were appointed on a committee to help with a beautification program in the county, and Mrs. Edwin Jackson was elected to membership in the club.

"First Glimpses of a Journey to Mexico" was the program subject and discussions were given by Mrs. Mebane on "National Highway No. One, Mexico Through a Photogenic Land", and by Mrs. V. G. Tisdale on "New Spain with Old Friends".

Refreshments were served to those mentioned above and Mmes. S. D. Harper, L. D. Ochsner, L. Wheeler, W. T. Whitten, W. N. Ramsay, Bert Page, D. C. Hill, Arthur Mund, J. E. Tisdale, members, and Mrs. J. S. Pelt of Edinburgh, and Mrs. A. E. Pruegel and daughter, Nancy of Sonora.

Wilson - Johnson Rites Sunday

In a simple home ceremony performed at 7:30 p. m. Saturday, Miss Tommie Lee Wilson, daughter of Mrs. Bertha Wilson, became the bride of Grover L. Johnson, son of Mr. and Mrs. G. C. Johnson of Gonzales. The Rev. F. B. Faust, pastor of the Methodist Church, officiated at the single ring ceremony.

The bride wore a blue eyelet embroidered dress with black accessories and her corsage was of pink rosebuds. Mrs. Gene Harvey, matron of honor, wore a two-piece woolen suit in dusty rose checks, and her corsage was of pink carnations.

Red Mayfield of Medina attended the bridegroom as best man. Only immediate relatives including the bride's mother, and her grandmother, Mrs. Mary A. Johnston, and a few close friends, were present for the ceremony.

Mrs. Johnson is a 1944 graduate of the EHS, and has been employed since that time as bookkeeper at the Foxworth-Galbraith Lbr. Co. where she will continue with her duties.

Mr. Johnson is a graduate of the Gonzales High School, and was employed since his graduation by the Petty Geophysical Engineering Co. until recently when he resigned to accept a position at the Parker Motor Co.

The couple returned Tuesday from a short wedding trip and are at home in the Mary Cloud apartment.

PRESBYTERIAN CHURCH

Sunday evening at 7:30 the pastor-elect, Rev. F. E. King, will be installed as pastor by a commission from the presbytery, consisting of Rev. B. O. Wood of San Angelo and Rev. B. B. Hester of Carlsbad and others. There will be a fellowship supper served in the basement at 6:00 o'clock. Members and friends are invited.

Morning service at 11:00 a. m.

keynote of today's career

Would you go to Europe, Japan or Korea?

Or would you stay near home? Any man who has had prior service in the Armed Forces may elect to do any of these things if he enlists in the Army now for 3 years or more. He can choose to be assigned directly to duty in Europe or with one of five famous Infantry divisions in the Far East. Or he may choose to be stationed near home for the first full year of his enlistment (where there are vacancies). Men with or without prior service may choose one of the famous combat divisions in Japan or Korea.

Would you select a career in aviation?

This you can do, and be guaranteed the training you choose before you enlist! Only requirements beyond regular physical and mental examinations are that you be a high school graduate, or that you are in the Air Force and can qualify. It's today's great opportunity to write your own ticket in the Air Force.

Would you want to learn to fly? If you are

single, 20 to 26½, and have had two or more years of college education or the equivalent, you can become an Aviation Cadet with the U. S. Air Force. Nowhere else can you get better training, for nowhere else is aviation advancing as fast or as far as in our own Air Force.

Would you go to a leadership school?

If you have qualities of leadership, would you want to develop them to their fullest? U. S. Army Leadership Schools are now selecting likely candidates from servicemen to take these valuable courses.

The Army and Air Force are doing everything possible today to help each individual develop along the lines that he picks for himself. Army and Air Force training is thorough and take-home pay is better than most civilian jobs. Opportunities for advancement are wide open to every man in uniform. Make your choice today at your U. S. Army and Air Force Recruiting Station.

PRESBYTERIANS TO INSTALL NEW PASTOR

Dr. B. O. Wood of San Angelo and Dr. B. B. Hestir of Carlsbad assisted by an elder from San Angelo will be in charge of installation services at 7:30 p. m. Sunday for the Rev. F. E. King, pastor of the local Presbyterian Church.

Preceding the service, a supper will be served at the church to the congregation and visitors at 6 p. m. The public is invited to attend this service.

The Presbyterian Sunday School will observe Rally Day at the church Sunday, and every member of the Sunday School is asked to be present. Promotion Day services will be held Sunday, Oct. 5.

A Fellowship dinner was enjoyed at the church last Sunday by the congregation and a number of guests, including members from outlying farms and ranches in this district, and the Rev. and Mrs. J. M. Hays from the First Baptist Church.

The Presbyterian Auxiliary met Monday at 10 a. m. in the home of Mrs. Bert Page. The morning was spent in making curtains for the Sunday School rooms, and a covered dish luncheon was served at noon. Following this, Mrs. Georgia Gillespie led the afternoon's program on "Brace Thyself". Mrs. Edwin Jackson gave the devotionals, and Mrs. Page spoke on "Christian Education", and a special offering was taken for this cause.

In the business session, plans were made for a church supper Sunday evening. There were 12 members present.

LATIN AMERICANS VISIT SONORA SCHOOL

A group representing the third, fourth and fifth grades of the Eldorado Latin-American School and their teachers were visitors in the L. W. Elliott school of Sonora Friday. The pupils, equipped with note books and pencils, and the teachers with lists of school problems they hoped to solve, left the Eldorado school at 8:45 in two automobiles.

Upon reaching Sonora the party was welcomed by John F. McFadden, principal. The children spent the morning in classes of their grade level and the teachers observed and discussed problems among Latin American children and classroom aids with Mr. McFadden and his assistant principal, Mr. Swindle.

At the noon hour the visiting children were luncheon guests of their newly made friends and the teachers were guests of the faculty members.

An assembly program of group singing, piano selections and songs by the high school trio furnished afternoon entertainment. The nomination, campaigning and election of a fire chief and a school newspaper staff concluded the day's picnic lunch of sandwiches, cookies, events.

En route back to Eldorado a fruit and punch was served. The pupils returned home more determined than ever to learn and speak English. Their teachers were happy at knowing that their pupils could do creditable work in another school.

Vieiento De Leon came this week from San Jose, Calif. to visit his father and other relatives.

Fishing on Devil's River this past weekend were Messers and Mmes. P. W. Hazelwood, Vernon Hazelwood, Laymon Hazelwood, and Roy Andrews.

Ira McDonald spent one day at Harper last week visiting with relatives.

Mr. and Mrs. A. A. Cooper of San Angelo were weekend visitors in the home of the latter's parents, Mr. and Mrs. E. E. Newlin. The couple have just recently moved from Big Spring to San Angelo where Mr. Cooper is employed in the paint department at Montgomery Ward.

Mrs. Robert Sewell of Salamanico, Calif. is here visiting with Miss Chris Enochs and Mrs. O. K. Enochs, who has been quite ill, but is improving. Mrs. Sewell is the former Margaret Powers and formerly lived in the Enochs home.

Mr. and Mrs. Judd Brannon have moved to the former W. A. Davis ranch east of town where Mr. Brannon is now employed, and Mr. and Mrs. Clyde Evans and family have moved into the Brannon house.

Mr. and Mrs. E. D. Otis, who were enroute to their home at Killgore from a vacation trip to points in Colorado and New Mexico, visited several days this week in the home of the latter's sister, Mrs. Fred Watson and family.

Mrs. J. E. Tisdale led the study "Committed Unto Us" when the WSCS met Monday afternoon at the Methodist Church. She was assisted on the program by Mmes. S. D. Harper, O. E. Connor, W. H. McClatchey, L. Wheeler, and F. B. Faust, who took part in the panel discussion. Others present included Mrs. Ben Isaacs and Mrs. Palmer West.

2½ INCH P&R well pipe, 60c per foot. —At Williams & McAngus Hardware.

Max Henry, son-in-law of Mr. and Mrs. C. C. McLaughlin, left Sunday for Eden where he has accepted the position as band teacher in the Eden school. Mr. Henry, who had gone to Alpine last week to complete work on his BA degree at Sul Ross, returned to Eldorado after he was notified that he had been employed by the Eden school. Mrs. Henry and their baby son, Charlie, will join him in about two weeks after living quarters for the family are completed at Eden.

Recent purchases in the Marfa section by Gerald Nicks, Eldorado livestock buyer, include: 1,000 lambs from W. G. Rideout of Marfa at \$16 per hundred pounds, 1,000 lambs from Clarence Arthur of Marfa at the same price; 300 lambs from S. Friend of Ozona at \$17; 750 lambs from Carl Langley of Marfa at \$16; 100 coming yearlings from Charley Hancock, Marfa, at \$18; 64 cows at \$80 per head from Jose Telles, Marfa, and 110 cows at \$90 per head from Charley Bishop of Marfa. At Eldorado he bought 300 lambs from L. G. Kaminon.

NOTICE OF INTENTION TO ISSUE REFUNDING BONDS (THE STATE OF TEXAS) County of Schleicher

In compliance with the provisions of Chapter 163, Acts of the Regular Session of the Forty-second Legislature, 1931, NOTICE IS HEREBY GIVEN that it is the intention of the Commissioners Court of Schleicher County, Texas, to pass an order on the 13th day of October, 1947, authorizing the issuance of SCHLEICHER COUNTY ROAD AND BRIDGE REFUNDING BONDS, SERIES 1947, in the maximum amount of \$12,500.00, for the purpose of refunding, canceling and in lieu of a like amount of Schleicher County Road and Bridge Warrants, Series 1947, dated August 15, 1947; said Refunding Bonds to bear interest at a rate not to exceed three (3%) per cent per annum, and to mature serially, with a maximum maturity date not later than 1957.

THIS NOTICE is given in pursuance of an order passed by the Commissioners Court of Schleicher County, on the 8th day of September, 1947.

Stop! Look! Listen!

If you are planning to build a modern home or any other building, it will pay you to investigate our "featherlight" building units.

You can build a better home! A more beautiful home! And save money, too.

Here's the answer to the post war building question: "Featherlight" Building Units, "Vibrapac"—Oil treated—Steam cured.

Builds everything from modest garage to skyscraper.

"Featherlight" concrete blocks has attracted the universal attention of engineers and architects, because it has solved one of the severest problems of building construction.

"Featherlight" unit walls weigh approximately 20% less than hollow clay tile, 45% less than ordinary concrete blocks, and 60% less than common clay brick.

"Featherlight" unit construction does not merely give you a versatile wall, a lighter weight wall, a lower cost wall; it makes a better wall. The units are uniform in strength, and accurate in size and shape, so the trueness and structural soundness of the wall are assured.

When you build, demand the best—BESSER "VIBRAPAC" "Featherlight" building units.

"Featherlight" Building Units are extensively used in the finest buildings. Many nationally known architects demand them. Call write or wire

Texas Concrete Masonry Co., Inc.

BRADY, TEXAS—PHONE 598

FREE CIRCUS TO BE PROVIDED FOR CHILDREN

Some 400 children at the rate of 100 a day for four days will get a free trip to the circus at San Angelo next week as a result of the generosity of local business firms and a plan sponsored by the Shriners. A committee canvassed the business district here Tuesday and raised a fund of over \$400 to carry out the treat for Schleicher children, and arrangements were made with local school authorities for the children to make the trip.

WEDNESDAY BRIDGE

Several guests were included when Mrs. Pat Finley entertained the Wednesday Bridge Club last week in her home. Prizes were won by Mrs. Horace Linthicum, high club; Mrs. Joe M. Christian, high guest, and Mrs. W. L. Kinser, bingo.

Refreshments were served to Mes. Leslie Baker, W. R. Bearce, Carrol White, Jimmie West, C. A. Reynolds and Jack Shugart, members, and Mes. Christian, Kinser, Joe Ed Hill, Morris Whitten and Lewis Whitten, guests, and Mrs. H. T. Finley, a tea guest.

GIRL SCOUTS, BROWNIES OBSERVE DOG WEEK

Marking the 20th anniversary of National Dog Week, the Eldorado Girl Scouts and Brownies are sponsoring this movement during the week of Sept. 21-27.

Broad objectives of National Dog Week are: 1) dogs more useful and valuable to their owners through emphasis on their proper care and training; 2) respect for the rights of those who do not own dogs.

Special objectives this year include: 1) every dog trained in obedience, guard, or other useful work; 2) proper care and feeding of dogs under abnormal postwar conditions and 3) no stray dogs—every stray dog on public property must be on a lead control under a responsible person.

The entire Girl Scout organization is actively participating in this year's National Dog Week observance and many of the troops in various places are fostering dog obedience training classes, as the organization has found that the care and training of dogs helps to build character in growing youngsters.

Mr. and Mrs. W. S. Carrell and family spent Sunday in San Angelo where they visited with Mrs. Carrell's sister, Cleo Clark, who has been ill in a hospital there.

MISSIONARY MAIN SPEAKER AT BAPTIST WMU

The Rev. C. W. McCullough, missionary, was the principal speaker at the meeting of the Concho Valley Baptist Association of the WMU at the local church last Thursday.

The Rev. and Mrs. McCullough are on leave from their missionary work in San Andres Island, off of the coast of Colombia. In his address, Rev. McCullough told of people being turned away from packed churches in San Andres as they come seeking to learn more about Christianity.

Mrs. E. E. Bradford, president of the association for the past 15 years, presided at the business meeting and accepted the presidency of the organization for the coming year. Mrs. J. M. Hays led in the song service with Mrs. C. T. Aly of San Angelo as pianist. Mrs. Roy Davidson greeted members, and Mrs. Weldon Davis registered 136.

Luncheon was served by the hostess church with tables decorated in fall flowers and Mrs. John Stigler at the piano during the luncheon hour.

In the afternoon, following the devotional and prayer, reports of vice presidents were given, and a memorial service was led by Mrs. Archie Mittel. Vera Fay Biggs, accompanied by Mrs. Hays at the organ, sang "Sunrise".

Local News Items

Von Farrington of San Angelo has leased the Floyd Farrington ranch northeast of town and has already taken charge of the place. The Floyd Farrington family moved last week to McCombs. Mr. Farrington is employed in Girvin but the family could not find a residence there.

Mr. and Mrs. Jim Cheek of Tucson, Ariz., are expected to return here this weekend from Austin where they have been visiting with the latter's mother. They will visit with Mr. Cheek's parents, Mr. and Mrs. B. K. Cheek and other relatives before returning to their home.

The study of missionary work among the American Indians was discussed at the Royal Service program when the WMU met Monday afternoon at the First Baptist Church. Circle 4 was in charge of the program with Mrs. J. S. Hudson as leader. She was assisted by Mrs. Gordie Alexander who gave the devotional, and Mrs. George Fry and Mrs. Ed Finnegan. There were 21 members present.

The Adult department of the First Baptist Sunday School will be entertained Thursday evening with a barbecue supper, sponsored by the Young Men's Bible Class, on the church lawn. Carroll Ratliff is teacher of the Bible class.

Mrs. R. A. King, accompanied by her son, John I. King, returned home Monday from Brady where she spent some time in the Brady hospital undergoing treatment. She is improving, but is still in bed part of the time.

The following new books have been added to the Public Library: "The Way of All Flesh" by Butler; "The Bulwark" by Dreiser; "My Son, My Son" by Spring; "Starling of the White House" by Sugrue, donated by J. C. Whiteley; "Abigail Adams" by Whitney, a Young People's Guild book; "Proud Destiny" by Feuchtwanger, an Adult Guild book; and "A Treasury of Laughter" by Untermeyer.

From where I sit ... by Joe Marsh

We All Need Fun!

Nobody in Our Town is exactly lazy (even though Pete Swanson's missus claims he sleeps till seven A.M.). But the hardest working man of all is Doc Hollister—on call, morning, noon and night.

Funny thing, Doc's favorite prescription to his patients is: You ought to have fun. The pace of modern living, even on the farm, demands some relaxation.

And as Doc says—fun is a personal thing. For the missus it may mean a movie or a good book; for Dad, a mellow and refreshing glass

of beer; and for the kids, parcheesi or the radio. Doesn't mean everybody has to like the same thing—so long as they relax, have fun, together, in the home.

Doc doesn't have much time himself. After a hard day, he'll relax before the fire with a glass of beer—and wait for the phone to ring again. And from where I sit, Doc deserves each well-earned minute of that relaxation.

Joe Marsh

Copyright, 1947, United States Brewers Foundation

NOTICE! Dog Owners

A committee of sheep men met with the city council Tuesday and related their loss of sheep from stray dogs and asked the city to help eliminate this trouble.

The Council passed an ordinance placing a tax of \$5.00 on all dogs within the city limits—to go into effect Sept. 27th.

After that date all dogs without license tags will be placed in pound for three days, and if not redeemed, will be destroyed.

Owners are asked to call at the city hall and register and pay tax on their dogs now, or before Sept. 27.

Ten Little Servants

Ten little servants, waiting in a line,
Call on one to do the wash—and still you have nine!

Nine little servants, working long and late,
Ask one to cook your meals—and still you have eight!

Eight little servants—working like eleven!
Call on one to clean for you, and still you have seven!

Seven little servants—you don't need candlesticks
When this one lights the house for you—and still you have six!

Six little servants, electrically alive,
This one sews a handy seam—and still you have five!

Five little servants to help with every chore;
One breathes a little breeze—and still you have four!

Four little servants—such activity!
One can iron all the shirts—and still you have three!

Three little servants—if you're feeling blue,
One will entertain you—and still you have two!

Two little servants, whose work is never done!
One keeps the food fresh, and thinks it's rather fun—

One tells the proper time from sun to setting sun.
(Dependable electric service makes these servants run—
And saves you lots of elbow grease. Suppose you had none?)

Yes, electricity is always ready to take the work out of housework. And it costs so little! Matter of fact, if yours is the average family, you're getting twice as much electricity for your money as you did 20 years ago. What other item in your budget does so much for so little?

Pyorrhea Is Curable Says State Doctor

Contrary to the popular belief that pyorrhea is incurable, this is true only in the most advanced cases. Dr. Geo. W. Cox, State Health Officer, advises those persons who even suspect the presence of pyorrhea to seek an early diagnosis from their dentist so that proper treatment can be instituted while the disease is still curable.

"Early detection and proper treatment of pyorrhea represent the formula for a successful cure. This means that the dentist must have an opportunity to discover the presence of the disease at the earliest possible moment since the symptoms are often so vague that the patient is unaware of its existence," Dr. Cox said. "Regular visits to the family dentist are therefore extremely important."

The treatment of pyorrhea is not an involved procedure. In the average early case one of the main therapeutic features is the proper hygienic care of teeth as outlined by any reputable dentist. Carelessness regarding mouth hygiene is usually the basic cause for the condition.

The family dentist can usually remove the cause of the trouble, Dr. Cox said, and when this has been done, intelligent routine home care of the mouth by the patient will effect a cure in the majority of early cases.

Mrs. J. L. Joiner returned to her home at San Angelo Sunday after spending the weekend here with her daughter, Mrs. C. C. McLaughlin and family.

Ford Oglesby has pledged Delta Kappa Epsilon at the State University.

Mrs. J. A. Neill has returned from a visit with relatives at Uvalde.

War-Proved POWER,
STAMINA AND
PERFORMANCE

Improved... APPEARANCE... COMFORT... CONVENIENCE

There's brand new styling, comfort, safety and stamina in these new light and medium duty GMCs. They're newly and sleekly streamlined. They have cabs that are 3 3/4 inches longer and 9 5/8 inches wider than prewar... new tubular frame adjustable seats with nearly double the number of seat springs, individually wrapped for greater comfort... new windshields that are 5 1/2 inches wider and 2 inches higher... new ventilation with provision for fresh air heating... new insulation, sound-proofing and weather sealing. And they have many improved, war-proved engine and chassis advancements that make them the strongest, sturdiest GMCs of their kind ever built. They are offered in a wide variety of body and chassis types... all designed to do a better hauling job.
