## Another Big Rain Welcomed Here

Ranchers could hardly believe their good fortune when another big rain fell Tuesday night, following last week's precipitation with a drenching which may at last do something about Schleicher's parched subsoil.

While the moisture was light in a few places, the rains were general throughout most of the county.

Especially favored was the district from Jess Koy's through the ranching area toward Christoval. Joe Muller Christian and his sister Mrs. E. W. Brooks, returning Tuesday night from San Antonio, had to wait 2½ hours for the draw to go down, on the highway near Jess Koy's. On the Tom Wilton place, James Page reports a big rain with loss of some sheep in the draws. The Whittens had 2½ inches, and Forrest Runge 1 3-4. Heavy rains were reported all the way to Christoval.

Some other scattered unofficial reports are: Reynolds community, about 1 3-4 in.; Horace Linthicum over 2; Bailey Ranch school 5-8; Ford Oglesby 1½; Bill Locklear (old Harper place) good rain, Frank Meador, west place 3-4 in., home place 1½ inches; Claude Meador 1½, but lighter between Eldorado and his place; Bill Davis, 2½; Marion Wade 3-4; Ovid Wade 2½; Ross McAngus, good rain, A. P. Thigpen, 1 3-4.

Grass, Schleicher County's principal crop, was off to a good start, after last week's rains, and is now expected to do well.

To fields of feed, the precipitation is a life saver. Cotton is also expected to grow rapidly. In fields where the seed is already growing, the crop will outdistance the weeds, and if it has only recently been planted, it will sprout rapidly but will require heavy working because of weeds.

Some growers who had not yet completed planting, will be delayed in getting the seed in the ground.

It is hoped that the subsoil will get some more moisture, as growth would be checked if the roots cannot reach into wet soil. Several years of drouth cannot be overcome in a rain or two, but the wetting, if it reaches deep, should help, farmers point out.

Shearing of sheep was at its height when the rains came, but growers report that they do not mind the delay in this case. Fewer broken fleeces than expected are reported, indicating that the sheep have weathered the drouth without too much loss. The clip will be short due to loss in the number of animals.

The rainfall of last week and this week may bring May rainfall up to the county's 43-year average. Normally May is the county's wettest month with 3.05 inches, and September is second, with February averaging low, with .78.

Sonora reported ½ inch rain on Monday night and ½ inch Tuesday night.

### Sonora School Orders Bond Election

The Sonora Independent School district has ordered a \$475,000 bond election Saturday, May 29, to build a new elementary school and make other improvements.

Of the amount designated, \$350,000 would go for a new elementary building, and the remainder for a new negro school, a cafeteria at the L. W. Elliott school, renovation of present elementary building to use for other purposes, building of dressing rooms and rest rooms for the stadiums, building of teacherages, repairs for high school and other changes and repairs.

### T. P. ROBINSON, JR., TO GRADUATE FROM BAYLOR

Thomas Payne Robinson, Jr. of Eldorado will receive a bachelor of business administration degree with the largest graduating class in the 103-year history of Baylor University at 10 a. m., May 31. He is the son of Mr. and Mrs. Payne Robinson of Eldorado.

Mr. and Mrs. Lum Davis and Jan have returned from a visit with relatives in San Antonio.

### NINETEEN MEN IN NEW CREW ARRIVE FRIDAY

Twelve men with families and 7 single men, composing a Magnolia Seismograph crew, will arrive in Eldorado Friday to work Schleicher County.

Crew representatives were here recently to find houses and apartments. Among the houses rented to the men are the residences of Mrs. R. A. King and Clarence Martin, and a number of apartments were also rented. As quite a few rooms for single men are available, these may be chosen after the men arrive.

Keno Ogden has rented his Robinson building to the group as an office. The crew is moving here from Big Spring.

### Dr. H. W. Wiedenmann Expanding Eldorado Medical Facilities

Dr. Jerome B. Stone arrived here this week from California to be associated with Dr. H. W. Wiedenmann in his growing medical practice, while at the same time work is rapidly nearing completion on a large addition to the Wiedenmann clinic which will more than double the original space and offer many new services to the citizens of Schleicher County.

Dr. Stone is a graduate of the University of Southern California from which he has a master's degree. He has had 2 years of medical practice in California; has Basic Science certificates from the states of Oregon and Iowa; and holds degrees from the Kansas City College of Osteopathy and Surgery. Other experience includes two years as resident physician at Lakeside Hospital at Kansas City, Mo. He holds a Texas medical license.

Dr. Stone is 33 years of age and is married. The couple have no children. They are making their home in the Marvin McDonald residence in the south part of town. He has a brother who is professor of neuropsychiatry at Northwestern University, Chicago.

Outside work on the clinic addition has been completed and a crew of carpenters are at work this week on the interior and equipment. The extra space will provide an x-ray room, operating room, delivery room and five beds. The doctors will be prepared to handle minor surgery and expect to engage a nurse when their practice gets under way.

### REV. EDGAR'S RESIGNATION NOW IN EFFECT

Rev. Currie Edgar, pastor of the Fundamental Baptist Church, has resigned his pastorate here, and expects to leave Eldorado in a week or two.

Rev. Edgar's resignation is already in effect, and he is making plans to leave as soon as he finds another location. His children completed their year's schooling here last week.

The Edgars have been renting one of Bob Evans' rent houses. The pastor has been doing some carpenter work also during his residence here.

### DANNHEIM INJURED

Harvey Dannheim received a cut requiring four stitches on his left ear, a sore neck, bruises and other minor injuries when he was knocked off his tractor when hit by a Sonora car south of town recently.

Mr. Dannheim, who was driving the tractor home, and the driver of the Sonora car were blinded by the lights of another approaching car, causing the wreck.

The tractor was only slightly damaged but damages to the Sonora car, whose driver stopped and rendered aid, amounted to approximately \$500, according to a patrolman who investigated the accident.

Mr. Dannheim received treatment at a local clinic.

### MRS. ROBINSON PASSES AWAY LATE SATURDAY

Funeral services for Mrs. Kate Ewing Robinson, 85, pioneer resident of this county, were held at 5:00 p. m. Sunday from the First Baptist Church with the Rev. F. Faust, Methodist pastor, officiating. Burial was in Fairmount Cemetery, San Angelo at 2:00 p. m. Monday beside the grave of her husband, Dr. T. P. Robinson, who died June 19, 1904. The Ratliff Funeral Home was in charge of arrangements.

Mrs. Robinson, who died at her home in Eldorado late Saturday evening after an illness of several months, was born in Washington County, Dec. 17, 1862. She moved with her husband to Schleicher County 46 years ago, where she operated a general mercantile business from 1902 until her retirement in 1935.

She was a member of the Eldorado Chapter of the Order of the Eastern Star.

Survivors include a daughter, Mrs. Albert Bailey; a son, Payne Robinson, four grandchildren and three great-grandchildren.

Pallbearers were W. F. Meador, L. M. Hoover, Leslie Baker, Ollie Alexander, C. O. Bruton and Sam Oglesby.

### DR. JIM DAN HILL TO BE GIVEN HONOR DEGREE

Dr. Jim Dan Hill, president of Wisconsin State Teachers College and a son of Mr. and Mrs. D. C. Hill, will receive an honorary degree from Baylor University on Monday evening, May 31. Dr. Hill will also be the principal speaker at the commencement exercises for Baylor graduates on the following day. Three others will also receive honorary degrees at the same time.

The 1948 graduating class of Baylor constitutes the largest class in the history of the school with candidates receiving degrees in arts, sciences, law, business and music.

Dr. Hill, a 1917 graduate of Baylor, is noted as an outstanding educator and is the author of two books. He also writes a syndicated column for newspapers. He served in the U. S. Army during World War II, holding the rank of a major general, and in the Navy during World War I. At present, he is a member of the Committee on Institutions of Higher Education of the North Central Association of Colleges and Secondary Schools and the American, Minnesota, and Mississippi Valley Historical Associations.

### GREAT GRANDCHILDREN ADDED TO WEST FAMILY

Two new great grandchildren have been added to the family of Mrs. C. C. West, bringing the total to four. A son was born on May 5 at Lubbock to Mr. and Mrs. Dudley Brummett, the infant weighing 7 lbs. He has been named Dudley, Jr. Maternal grandparents are Mr. and Mrs. Herman West of Lubbock.

Dr. and Mrs. Foster Elder of Arlington are the parents of a 6 lb. 2 oz. son born on May 13. The child has been named Foster, Jr. Maternal grandparents are Mrs. Bertina Elder of Arlington and Joseph Elder of Brady.

### AT CONVENTION

E. C. Hill, Democratic chairman of Schleicher County, left Monday for Brownwood to attend the state Democratic convention. He returned home Wednesday.

### MISS PATTERSON OF CLASS OF '48 VALEDICTORIAN

At commencement exercises for one of the largest graduating classes in the history of the school last Thursday evening, Miss Marselaine Patterson, valedictorian, received the annual Lions Club award for having the highest scholastic average in the high school. Miss Patterson, daughter of Mr. and Mrs. W. M. Patterson, had an average of 93.4, and was also highest ranking girl in the senior class.

Miss Emily Ann Harper, daughter of Mr. and Mrs. S. D. Harper, was salutatorian with an average of 90.9 and Henry Speck, Jr., was high ranking boy of the senior class with an average of 88.75.

Medals were presented to the highest ranking boy and girl in each class, including Marselaine Patterson and Henry Speck, Jr., seniors; Ebba Ann Finley and Kumler Mund, juniors; Jonnie Lee Dickens and Delbert O'Donnelly, sophomores; Iretta Fay Mace, Joe Ed Spencer and George Ochsner, freshmen.

Bill Lewis Humphrey, senior, was presented with the science award, and perfect attendance awards went to Marselaine Patterson, George Graf, Donald Dannheim and Buddy Baker. Marselaine has a perfect attendance record during her four years of high school.

"Opportunity—Our Tomorrow" was the theme for the program which was under the direction of the students, and opened with the Processional March by Ebba Ann Finley. The invocation was given by Minister Bob Copeland, and Bill Lewis Humphrey was master of ceremonies for the program which was divided into four parts: "Our Heritage", "Our Challenge", and "Our Future". Students taking part in the discussions included Marselaine Patterson, Gerald Harris, Dorothy Valis, Charles Jackson, Henry Speck, and Emily Ann Harper. The program was interspersed with numbers by the glee club and the high school band.

In closing what he termed a most successful year, Supt. C. A. Reynolds, who presented the awards, commented on the class as one of the most outstanding groups of students to graduate from the school.

Jerry Pennington, president of the school board, presented diplomas to 35 students; and Arthur Mund, Jr. and Henry Mittel, mid-term graduates, received diplomas in absentia.

Jo Ann Bearce gave the Graduate's Creed, the benediction was by Wyndell Hall, and the program closed with the singing of the Star Spangled Banner, accompanied by the band.

### IOES INSTALLING OFFICER IS FORMER DEM. AGENT

Mrs. Ira Woods of San Antonio, the former Margaret Stewart, will be the installing officer at public installation services for new officers of the Eldorado Chapter Order of the Eastern Star on Friday evening, June 4 at 8:00 o'clock.

Mrs. Woods, a former demonstration agent here, will be accompanied by her husband and baby, and will go on from here to San Angelo for a visit with friends and relatives.

The public is cordially invited to attend the installation.

Mr. and Mrs. Harvey Garvin and baby of Fort Stockton visited Sunday with his aunt, Mrs. Rosa Owens.

### TRIGG ENTHUSIASTIC OVER NEW FORD

"It's out of this world," says Charlie Trigg, back from Oklahoma City where he (and 1799 other Ford dealers) attended the showing of the new Ford.

The Eldorado dealer brings enthusiastic reports of the appearance and performance of the new car. He brought back a new 3-4 T. heavy duty pickup which he delivered to the REA.

He states that all dealers will have a new model on their floor June 18.

### MINIATURE GOLF COURSE OPENS ON SATURDAY

"We will open Saturday evening at six—if it doesn't rain," state the proprietors of the new Miniature Golf Course, as they put finishing touches on the grounds and make other final arrangements for the gala event.

The proprietors of the new amusement attraction for Schleicher County are B. L. Blakeway and Arthur Montgomery, both of whom have been Eldorado businessmen over two years.

The lot on which the course has been built is north of the courthouse, across the street from the new county recreational building. It is lighted with strings of electric lights, and the course is neatly and attractively laid out. The proprietors have done much of the work themselves.

The general public is cordially invited to attend the opening of the course—to play or to watch, and to return other nights also, as the lights will be on and the ticket window open every night except Sunday.

### RECREATIONAL LEADERS SET FIRST MEETING

Opening the summer recreational program for the youth of the county, an organizational meeting for the High School group has been set for 6:30 p. m. Tuesday, June 1 at the high school building. All young people interested in the program are urged to be present at this meeting when further plans will be announced and a schedule arranged.

On Wednesday, June 2, at 4:00 p. m., a similar meeting will be held for the grade school children from the fourth grade through the 8th. Students are urged to be present and take part in the summer activities which will be under the auspices of the PTA, Lions Club and the school, and which will be in charge of Mr. and Mrs. Wilburn Curmutt, physical education instructors.

A registration fee of \$1 per family will be assessed to help finance the project.

### Morris Speaks To Lions Club

J. B. Morris, Boy Scout executive, was guest speaker at the regular meeting of the Lions Club Wednesday. Mr. Morris spoke on Scouting, the benefits derived from its program, the need for funds, and the purposes for which the money is used. He stressed the fact that money raised through the Boy Scout Concho Valley Council is used within the Council alone, with the local organization receiving its share. Don McCormick was named general chairman of the local drive which will open Saturday morning with a breakfast for the workers.

W. A. Schuller, who was recently named outstanding conservation farmer, was present and expressed his appreciation to the club for the Soil Conservation plaque presented him at a Save the Soil meeting in San Angelo, and which was paid for by the local club.

A standing resolution of thanks was expressed by the club in appreciation of the Rev. F. B. Faust, who is leaving this week.

Plans were made for a second ladies night at the end of the club year in June when new officers will be installed. Visitors present were Mr. Campbell with the REA, Tom Potter, J. B. Morris, Max Henry, Rev. Faust and W. A. Schuller.

Martha Dell Williams visited last week on the S. E. Jones ranch, and later she, and Mr. and Mrs. S. E. Jones and Pam visited in Sonora.

### ROY SHILLING NEW PASTOR OF LOCAL CHURCH

A new pastor will occupy the Methodist pulpit Sunday.

Rev. Roy Shilling arrives in Eldorado soon to assume his duties as new pastor of the Methodist Church, succeeding Rev. F. B. Faust, who leaves this afternoon for Sabinal to serve the Sabinal Methodist Church.

Rev. Shilling comes to Eldorado from Mertzon after about four years in the conference.

He completed his undergraduate work at Southeast Teachers' College, Durant, Okla., and received his Master's in education from Oklahoma State University at Norman. His teaching experience included the school superintendency at Ardmore. He spent three years in service, in the army air corps, and part of that time was stationed at San Angelo.

Rev. Shilling comes to Eldorado with a successful record behind him as Methodist pastor at Mertzon. He is especially interested in youth work.

Rev. Shilling expects to put in an unusually busy year in young people's work, as he has been chosen new MYF director for the San Angelo district, which includes 37 churches. He is also treasurer of the board of town and country commission of the entire SW conference (for towns under 2500).

Rev. Shilling has a wife and three children: Roy, Jr., 17, Mertzon graduate, who enrolls June 14 for summer work at McMurry; Sue, 12, who will enter 8th grade here; and Bess, 10, who will be a sixth grader.

He announces regular services next Sunday: Sunday School at 10:00, church at 11:00 a. m. and 8:00 p. m., and MYF at 7:00. He is especially anxious to meet all of the young people at the Sunday night meeting, and organize the work and become acquainted with the personnel of the group.

### Faust Leaves Friday

The best wishes of the church and the community go with Rev. Faust, who has served the Eldorado charge seven years—three more than are normally assigned to a Methodist pastor. The parsonage which he occupied when he arrived was located several blocks from church and paving.

When fire damaged the church building four years ago Rev. Faust managed the renovating project. Later he and his wife moved to the church basement to live while the old parsonage was dismantled and a new one built beside the church. Under the pastor's leadership the parsonage, erected at a cost of nearly \$15,000, and known as one of the finest in the conference, is now completely out of debt.

Rev. Faust has often received commendation for his well-prepared and well-delivered sermons, and he has no "sermon barrel". Because of her capable work in all church departments, Mrs. Faust has often been termed a "perfect minister's wife".

Their new charge at Sabinal is in the same salary bracket as is Eldorado and the church and town are understood to be about the same size as church and town here.

Members of the church gave a "going away" party in their honor Monday night, and presented them with gifts in appreciation of their service.

### BILL McCRAVEY IN ST. LOUIS AT PURINA MEET

Billy McCravey, manager of the feed and supply department of the Eldorado Wool Company, left San Angelo by plane Sunday for St. Louis where he will spend several days this week in an inspection and educational tour of the feed and sanitation products manufacturing plants of the Ralston-Purina Company, the home of the world famous and widely used Checkerboard products.

While in that area, McCravey will also spend a couple of days at Summit, Mo., viewing one of the nation's most complete and modern research and experimental facilities which is the Mid-West's "proving ground" for the latest in present day feeding practices, animal husbandry, and the combat of animal parasites.

## 80c Wool

The Eldorado Wool Company announces the sale this week of approximately 125,000 pounds of spring 12-months wool at prices ranging from 60c to 80c per pound. Buyers taking these wools were J. B. DuPont and Company a car at 60c to 68c; Colonial Wool Company a car at 68c and 70c; Forstman Wool Company a car at 75c and 76c; and Forte, Dupee, Sawyer Company a car at 80c.

The local warehouse has sold so far this season approximately 425,000 pounds of the 1948 clip and has been engaged in shipping for several days.

### H. S. GRADUATES CAN GET COUNSELING AT TEXAS U. WORKSHOP

High school graduates who need counseling in vocation and plans for further education will have an opportunity to get free advice at the University of Texas this summer. A two-weeks workshop dealing with educational and vocational counseling of high school graduates will be offered by the Testing and Guidance Bureau July 16-30, Dr. H. T. Manuel, director, reported.

Thorough counseling service will be given students who can spend three days in Austin at their own expense. High school principals will be asked to recommend recent graduates in need of help.

Mr. and Mrs. Arthur Faull and son spent the week end with the Morgan family in Junction.

Mrs. J. T. Ottaberry has returned from a visit in Jacksonville and Dallas.

Poppies made by wounded vets will be on sale Saturday, it is announced today.

### Rotary Moves In

Surface hole on the Cheek wildcat was set this week at 530 feet, and rotary is to be moved to this test from the McClatchey well as soon as roads are passable. Rig moving is to be done by Cecil McClatchey.

The wildcat is by Eastland Oil Co of Ft. Worth and Wahlenmaier of San Angelo, depth to be 7200 feet. Location is 660 SE Sec. 69, Block LL, GC&SF RR Co., four miles northeast of Eldorado.

The McClatchey wildcat has been abandoned.

### PRESBYTERIANS HONOR MRS. KING AND FAUSTS

Honoring Mrs. R. A. King, who will make her home in Austin, and Rev. and Mrs. F. B. Faust, who are moving to Sabin, the Presbyterian Church entertained with a church supper Wednesday night.

Rev. King paid tribute to the honorees and in a poem expressed the appreciation of the church for the fellowship enjoyed during the past years, to which the honorees responded. Mrs. Faust and Mrs. King were presented with corsages.

### TROPHY CUP TO BE AWARDED BY SONORA ASS'N

The directors of the Sonora National Farm Association, being interested in the production of wool and mohair, have voted to award a trophy cup (27" high) to the 4H club or vocational agriculture class making the over-all best showing at the Sonora Wool and Mohair Show, held there each spring. This announcement was made this week by A. E. Prugel, Secretary-Treasurer.

This trophy will be a traveling award and when any one 4-H club or vocational agriculture class shall win it three years, it will become the permanent property of that group. The name of each year's winner will be engraved on the cup, and when it has been won permanently, another cup will be purchased by the association.

The wool and mohair committee will appoint a committee of three judges each year to determine the winner, and emphasis will be given the following points in making the selection:

1. The number and quality of fleeces entered in the show.
2. Number of boys and-or girls participating.
3. Participation in the various classes.
4. Participation in other phases of the show such as demonstrations, judging teams, etc.

The judges will not necessarily place equal emphasis on each of these points, but will make the award to the club or class making the greatest contribution to the success of the show and would, consequently, in return receive the most good therefrom.

The directors of the association are Joe B. Ross of Sonora, Chas. E. Davidson, Jr. and P. T. Robison of Ozona, and B. E. Moore and Jno. I. King of Eldorado.

Tom Johnson, who is confined to a San Angelo hospital, was able to sit up some this week.

Fire Chief Palmer West put out a fire single handed, emerging with two burned fingers, at the home of Mrs. Annie Currie Monday afternoon. Chief West had gone to the house to see M. C. Williams when Mrs. Williams discovered that her kitchen stove was on fire. West was able to put out the blaze, burning his hand in removing a hot pan from the stove. There was no telephone in the house, and "anyway I didn't have time to call for the fire department", he said.

A favored area in Schleicher County Monday night was the neighborhood in which the Carrol White, Tisdale, Baugh, Koy and Bill Locklear places are located—about an inch of rain falling in that locality during the night.

Mrs. J. D. Ashmore gave the devotional and discussions included "Laborers" by Mrs. James Scarborough; "Together in the WMU" by Mrs. Roy Davidson; "Together With Our Denomination" by Mrs. Kenneth Cheek; "A Helper Indeed" by Mrs. Edgar Spencer. The program closed with a song and prayer.

In the business session, plans were made to buy window shades for the Latin American mission, and the meeting time was changed from 3:00 p. m. to 4:00 p. m.

### Washington News Letter

By Cong. O. C. Fisher  
The 57th Continental Congress of Daughters of the American Revolution met in Washington recently—as they do each year. There were 4000 delegates, including 32 from Texas.

This great patriotic organization placed emphasis on building up this country's military might for self protection and the members dedicated themselves to war on Communism.

Tidelands Bill Reported  
The Tidelands bill, which means much to the future of Texas has now been approved by the House Judiciary Committee and is due to be placed on the House calendar for early consideration. The bill would establish state title to tidelands up to a 3-mile point beyond the low-tide mark. A Senate judiciary subcommittee has approved a similar bill.

Research Slated  
A proposed new international wool research program was discussed the other day at a meeting which I attended.

The new research program may be carried out at Princeton Textile Institute under joint auspices of International Wool Secretariat American Wool Council and the Agriculture Department, with an over-all objective of increasing utility of wool fibers, particularly of coarser wools.

Mohair will be included in this study.  
On the cotton front, at a meeting held recently at Atlanta, much stress was placed on continued research.

Cotton will continue to be the South's most important crop, but if it is to compete successfully with an increasing number of synthetic fibers, the South must produce better cotton at a lower cost of production, it was contended.

It was pointed out that cotton has practically lost to synthetics and paper the tire fabric and bag markets, and ramie, the toughest fabric yet produced, when perfected, will seriously compete with heavy cotton goods in work shirts and overalls.

Revolving Fund Bill  
The Senate has before it a bill to create a \$150 million revolving fund for use by the Secretary of the Army in the purchase of natural fibers such as cotton, wool and mohair. Such raw materials would be shipped to occupied areas in Germany and Japan and sold. The purpose is to get the textile plants in those countries into production and thereby reduce our occupation costs considerably.

It is not known what amounts of these fibers will be acquired. That will be left up to the secretary of the army. There will undoubtedly be a substantial amount of cotton included, some wool, and we hope the Secretary will be able to make use of some of our surplus mohair.

41 Senators, including our two from Texas, are sponsoring the bill. Prospects appear good for its enactment.

New Cook Book  
My office has been allotted 2,000 copies of a new cookbook for free distribution. It is being put out by the Department of Agriculture and is designed to fit in with the government's food conservation program. So if you would like to have a copy of this new publication, please write me and one will be promptly supplied.

Mrs. C. M. McWhorter and Miss Kitty Buchanan are visiting with relatives and friends at Houston, College Station, Brenham and New Braunfels.

Horace Linthicum is reported to have sold 500 pairs of ewes and lambs to S. D. Harper.

Mr. and Mrs. E. W. Morton of Odessa visited last week end with her mother, Mrs. L. M. Sayles and family. They were accompanied home by Mrs. Morton's sister, Norma Jean Sayles, who will visit with them for awhile.

Capt. and Mrs. E. F. Ikeman and son and Mrs. Oscar Gibson of Williamsfield, Ariz., left Tuesday for other points in Texas after a weekend visit with Mrs. Mattie Cozzens and Mrs. A. K. Bailey.

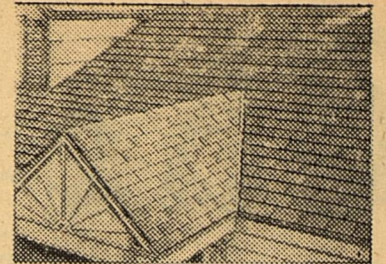

Mr. and Mrs. Elton Jones of McCamey and Mrs. Arch Crosby of Sonora were recent visitors in the home of Mr. and Mrs. A. L. Jones.

Mr. and Mrs. Will Lewis of Brownwood spent last week end visiting with Mr. and Mrs. B. E. Moore.

Jack Etheredge, who has been renting the Graves house, has bought the new 5-room J. A. Enochs house.

Mr. and Mrs. Billie Galbreath and baby of Sonora attended the Grade School Commencement exercises here last week.

E. W. Brooks, local postmaster, will attend the annual state post office convention in Del Rio May 29-30. O. C. Fisher will address the group at a banquet on May 29 in Villa Acunia. Mexican officials have been invited as guests.

Mr. and Mrs. Alf Bruton of San Angelo visited last Sunday in the home of his mother, Mrs. Mattie Bruton.

**Credit Bureau Gets More Credit Inquiries**

Plain folks—worrying about possible atomic warfare—can find one reassuring fact right here at home. That is the willingness of Eldorado's business people to bet on the stability of our economic future. Business is expressing its faith by continuing to sell with your promise to pay as security.

Retailers are doing more than just talking optimism. They are backing their judgment by underwriting more credit purchases for Mr. and Mrs. American than ever before. According to Ernestine Hext, manager of Eldorado Retail Merchants Association, the volume of credit business is growing every day. The number of inquiries the local credit bureau is receiving for credit reports indicates retailers are not scared. They are planning on a long period of stable jobs and continued prosperity.

This optimism is not confined to just our town. Federal Reserve Board figures show that this is a

general trend all over the United States. This optimism doesn't mean that retailers are avoiding unpleasant facts, however. They aren't extending credit blindly. Reports from the Associated Credit Bureaus of America, the trade association in St. Louis which gives the local bureau national coverage, indicate that merchants all over the country are demanding to know the paying habits of their credit applicants before they sell their merchandise or

time. Every credit customer, says Mrs. Hext, has the responsibility for justifying this confidence in his promise to pay. Businesses that extend credit just cannot continue successful operation if their credit customers fail to pay their accounts as agreed. Credit customers can share the faith of American businessmen in our future, states Mrs. Hext, if they will keep paying records good.

**Former Resident Dies At Bronte**

Funeral services for Mrs. J. D. McWhorter, 70, wife of a former Methodist pastor here, were held at 4:00 o'clock Monday afternoon from the Robert Massie Chapel in San Angelo with four ministers conducting the services. They include the Rev. F. H. Hamner, Methodist district superintendent; the Rev. A. R. Mauldin, pastor of the Bronte Methodist Church; the Rev. C. R. Blake, pastor of the First Baptist Church of Bronte; and the Rev. B. B. Hester, pastor of the First Presbyterian church of Carlsbad.

Mrs. McWhorter died at 6:40 o'clock Saturday evening in a Bronte hospital. She had been an invalid since suffering a stroke on Aug. 24, 1942.

She was the daughter of the late Rev. W. M. Commander, Methodist minister. She was married to Rev. McWhorter on April 12, 1903 in Mississippi, and the couple came to Texas in 1911.

The Rev. McWhorter started serving West Texas Methodist churches in 1914 and pastorates included Sterling City, Garden City, Ozona, Eldorado, Mertzon and Veribest. After his retirement four years ago, he and Mrs. McWhorter moved to Bronte where they made their home with a son-in-law and daughter, Mr. and Mrs. Jeff Dean. Survivors include the husband; two daughters, Mrs. Katherin E. Parris of San Angelo and Mrs. Jeff Dean of Bronte; a son, James D. McWhorter, Jr., of Alpine; four grandsons, three sisters and two brothers.

Delbert Taylor and Nolan McDonald spent last week end fishing at the Lake.

Mr. and Mrs. Leon Ferguson of San Angelo spent last week end visiting in the home of Mr. and Mrs. S. H. Cheatham. Mr. Ferguson is a nephew of Mrs. Cheatham.

The resort at Christoval, now under new management, has been given the name of Warren's Christoval-Concho Park. The name chosen was submitted by Mr. McDermitt of San Angelo, who won the grand prize of \$50 or two weeks free rent in a cabin at the park. A dance, on May 29 to 31, will officially open the park.

Mrs. W. E. Burton of Abilene spent the week end with her daughter, Miss Mav Burton, who has been teaching public school music here during the past year. They returned Monday to Abilene, where Miss Burton will spend the summer with her parents.

Mr. and Mrs. H. T. Allmond of Colorado City visited last Thursday night with her parents, Mr. and Mrs. Raymond Dickens. They were accompanied by Jack Gary who was a guest of Miss Dorothy Valis.

**MISS ELLINGTON PRESENTS OLDER PUPILS IN RECITAL**

Miss Mae Ellington presented her older pupils in a musical tea last Thursday afternoon at 4:00 in the home economics dining room. On the program were recordings made by her pupils, and several readings by pupils of Mrs. John Koschak.

This was the second program of students' recordings presented by Miss Ellington, the first being given a week ago. The unusual method of presentation was greatly enjoyed by the audience.

Recordings were played by Cynthia Reynolds, Barbara West, Martha Dell Williams, Jerry Lynn Pennington, Carol Lynn Dickens, Raymond Mittel, May Runge, Rita Ann Elder, Betty Mae Doyle, Jane Belk, Iretta Faye Mace, Betty Sue Williams, Lilla Jean Ellington, Patricia Humphrey, Patricia Elder, and Ebba Ann Finley.

The following presented humorous readings: Betty Mae Doyle, "The Bald Headed Man"; Lilla Jean Ellington, "The Quarrel"; and Ebba Ann Finley, "At the Bridge Party".

T-Sgt. and Mrs. J. C. Helmandotter and baby, who were enroute from Dayton, Ohio to San Antonio where he is being transferred, visited last week with her sister, Mrs. Marion Owens and family. On Saturday they were dinner guests of Mr. and Mrs. A. E. Tree. Sgt. Helmandotter is with the ATC.

Billy Phil Edmiston and Mr. and Mrs. R. L. Bridgeman have gone to Odessa where the men have accepted employment. Mrs. W. F. Edmiston, who accompanied them last week to Andrews and Odessa for a visit with relatives, has returned home, accompanied by a granddaughter, Penny Edmiston, who will visit here for awhile.

Mrs. George Barnett mailed a check for her Success subscription recently from Box 392, Kilgore, and with it the following note: "At the present writing we are all well except my mother, Mrs. Viola Bayless. She is confined to her bed in the hospital with a broken hip. She is doing as well as we can expect her to do at her age, considering the severity of the break. Tell all of our friends there hello for us. We would surely like to see every one."

From where I sit... by Joe Marsh

**It's Leap Year, Girls!**

First girl in our town to "get her man" on Leap Year was the Cuppers' daughter, Jane, who wed Bill Webster's boy last Saturday.

I know it's usual for older folks to shake their heads over the younger generation. (It's gone on for hundreds of years, now.)

When I asked Bill Jr. if it was true that Janey really did the proposing, Bill said: No, but she made it plain she'd make an ideal wife. Instead of looking for diversion or excitement every evening, she was content to chat beside the fire.

But from where I sit, young people of marrying age today are every bit as commendable as their elders were—in their temperance (a glass of beer for instance), tolerance, and common sense. So to Jane and Bill—the best of luck!

"I could plainly see," says Bill, "that we'd really have a happy home life—which is just exactly what I want from marriage."

Joe Marsh

Mr. and Mrs. Kenneth Love are the parents of a daughter, Martha Ann, born Saturday morning at 7:30 o'clock in a San Angelo hospital. The baby weighed 8 lbs., 10 oz. The couple have one other daughter.

H. Leslie Jones of Fort McKavett was a business visitor in town Monday.

**Auxiliary Observes Birthday Monday**

The Presbyterian Auxiliary met Monday, May 24 at the ranch home of Mrs. P. K. McIntosh for a covered dish luncheon in observance of the annual birthday of the Auxiliary.

Following the luncheon, a program was given with the theme "Our Birthday Objective". Mrs. Edwin Jackson was program leader and gave the devotional, which was followed by a poem by Mrs. Mund. Mrs. Pete Ringle, Mrs. Marvin McAngus and Mrs. Ray Hudgens gave a skit which brought out the history and work of the Assembly's Training School for foreign missions and religious education at Montreal. The birthday offering is used to further the causes of this institution, and an offering of \$136.50 was given at the meeting.

Mrs. F. E. King gave the dedication and closing prayer. At the business session, clothing for the orphan girl was discussed and the picnic supper for Wednesday night was planned. Present besides those mentioned above were Mmes. Leslie Baker, Joe Edens, Jim Williams, Jim Simpson, and Sam Jones; Rev King, Edwin Jackson, the host and hostess, Mr. and Mrs. McIntosh, and two guests, Mrs. Harris and Mrs. Ernest C. Hill.

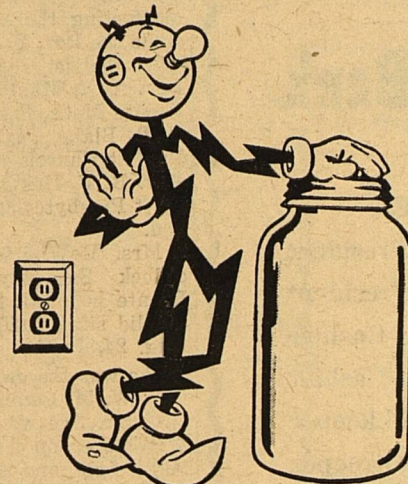

**MISS CASE RECEIVES DEGREE FROM STEVENS**

Miss Helen Case, daughter of Mr. and Mrs. P. F. Case, received her Associate of Arts degree in commencement exercises held at Stevens College, Columbia, Mo., Tuesday morning, May 25. Her completion of two years of college work climaxes Miss Case's education begun at home at the age of eight under the tutelage of her mother, and four years of prep school at Hockaday School for Girls in Dallas.

Closing of school activities in which Helen participated included a water carnival Saturday afternoon and the horse show Saturday night. She plans a ten-day visit in Maryland with friends before returning home for the summer vacation.

Mr. and Mrs. Case, who planned to attend their daughter's graduation, were forced to abandon their plans when their son, Freddie, injured his hand in an accident at home last week.

Fred Watson left Tuesday morning on an official Shell business trip to Houston. He was accompanied by Mrs. Watson, who will visit in Houston, and their daughter, Mrs. Floyd Spurgers and son, Lannie, who will go on to La Grange for a visit with friends.

Your Electric Servant

**"You can't can me!  
I have to be made  
the INSTANT  
I am needed!"**

There are plenty of things that can be stored for future use but your electric service is one thing that has to be served fresh—straight from the electric generator to you.

Every time you snap a switch you get brand new electricity. It can't be stored, canned, or stock-piled. It has to be generated, transmitted and distributed to you the instant you need it.

To be sure that your electric

service will continue to be instantly available for your needs—the West Texas Utilities Company is investing \$18,000,000 through a construction program which includes installation of additional generating equipment, new improved substations, lines and structures.

This new construction will insure low-cost electric service for the future needs of West Texans on a dependable 24-hour-a-day basis.

**How To Use The Dial Telephone**

1. Lift the receiver and wait for the dial tone — a steady humming sound.
2. Place your finger in the hole through which the first figure of the called number appears.
3. Pull the dial around, clockwise, until your finger strikes the finger stop.
4. Release the dial, allowing it to return. Do not interfere with the

dial or try to "force" it on the return. If you do, your call may go astray.

Dial the other figures in order, the same way. In a short time you will hear a 'burr-burr-burr' sound as the other telephone rings. If the line is busy you will hear a fast 'buzz-buzz-buzz.'

If a mistake is made in dialing, hang up for a few seconds, then dial the complete number again.

Firemen Get New Eldorado Jackets

The Eldorado Volunteer Fire Department entertained with a picnic supper at 7:30 p. m. Tuesday at the Roadside Park with their wives and the sponsors as guests. The supper included fried chicken, potato salad, beans, potato chips, pickles, cake and tea. Members of the department have received new jackets which are white with the name of the department in red letters inscribed on the backs.

Approximately 40 members and guests were present for the supper.

MRS. HUMPHREY ILL

Mrs. W. E. Humphrey is quite ill in the Clinic Hospital at San Angelo where she was taken last Sunday night following a minor operation which she underwent at a Sonora clinic. Weak from the loss of blood, she has been given several blood transfusions by local men and her condition is reported to be slightly improved. Doctors have been unable to make a thorough examination but state that her condition would not permit an operation at present and possibly not for some time. Willard and W. J. Humphrey have been at their mother's bedside, as well as other relatives.

Swimming and tennis provided entertainment and refreshments of candy, cookies and punch were served to Mrs. Nimitz and son, Mrs. Wilkinson, Clyde and Melba June, Mrs. Jimmie West, Barbara and Charles, Ruthie Dee and Elton Harris, Frieda and Betty Marie Yardley, Raymond Mittel, Jerry Johnson, Mr. and Mrs. McDonald and Jimmy, the hosts and May, Dick and Jim Runge.

WEDNESDAY BRIDGE

Mrs. Sam Oglesby entertained the Wednesday Bridge Club in her home last week, with Mrs. Pat Finley winning high score, Mrs. W. R. Bearce, bingo, and Mrs. J. M. Christian, slam. Others present included Mmes. Leslie Baker, Edward Meador, John Williams, members, and Mrs. Luke Thompson and Mrs. E. C. Peters, guests.

Mrs. Lucius Wheeler and Ellen left Wednesday for a week's visit with relatives in San Antonio, Pandora and Nixon.

Mrs. W. M. Davis and Mrs. D. C. Royster will leave Monday for Alpine where they will attend the first six weeks summer session of school at Sul Ross College.

SENIORS BACK FROM BIG TRIP TO GALVESTON

Blistered by sun and wind, but still in high spirits, the Seniors of Eldorado returned Tuesday night from their trip to Galveston.

The crowd made the journey in the school's largest bus, and Mrs. Dick Jackson's car. They left Eldorado Thursday morning at 4:30, and reached their cabins along the Seawall at Galveston at 8:30 that night. Their 3 1/2 hours of stops on the way included a visit to the State Capitol and the University at Austin.

They report an unusually restful four days at Galveston where they had plenty of time to see the sights and swim in the ocean. C. F. Jones, Wilburn Curnutt and several of the boys included some deep sea fishing in their vacation activities there.

Monday was devoted to sight seeing. They visited the San Jacinto battle field near Houston and went on to Texas City where because of the numerous suits pending as a result of the explosion last year they were able to see the damage done by that catastrophe; nothing can be moved until the suits are settled.

Tuesday they made the long trek home, arriving in Eldorado at 9:30 p. m.

All report a fine trip and a most enjoyable outing.

Gifts to School

Pictures taken on the trip with the class's kodak will comprise the concluding chapter in their scrap book, which will be placed in the library for permanent filing.

Miss Edna Earle Johnson, their teacher in the fifth grade, donated a scrap book and a kodak to the class, who started the scrap book that year and have added clippings and pictures each ensuing year. The class voted to donate the kodak to each Senior class hereafter.

A \$50 fund which remained in the class treasury goes into a fund Mothers on Trip

WILSON PAGE TO GRADUATE FROM SMU

Wilson Page, son of Mr. and Mrs. Bert Page, will receive a degree in Business Administration at SMU at commencement exercises Monday night, May 31. Due to an accident in which she was burned this week, Mrs. Page will not be able to attend her son's graduation, but will accompany Mr. Page to Dallas where she will visit a daughter, Mrs. Ernest Kinnamon and family, and Mr. Page will attend the exercises. Another son, Paul, also a student at SMU, will spend this week end at home, returning to Dallas with his parents where he will attend his brother's graduation and remain for the summer session of school.

Mrs. Page's face, a hand and foot were badly burned when she lifted a pan of grease which had ignited, from the stove, and although she thought she had put the fire out, the grease exploded in her face as she was carrying it outside. Mrs. Page received treatment from a local physician and the burns are healing nicely.

Mrs. Howard Belcher and infant son were brought home Monday from a San Angelo hospital and both are reported to be doing fine.

SHORTER HAIR-DO'S ARE IN THE NEWS

Shorter hair styles are all the rage, and anyway vacation is the time for a hair trim.

Come in and talk with us about your summer permanent and maybe we can make some suggestions.

TRAINING CENTER AT SAN ANGELO COMMISSIONED

Formal commissioning of the San Angelo Training Reserve Center was held in San Angelo Tuesday afternoon with Rear Admiral L. F. Reifsnider, Eighth Naval District commandant reading the orders which turned the command of the division over to Lt. Com. Claude Meadows, Jr.

Following the commissioning, review and inspection, military personnel and several hundred guests attended the open house to view radio, radar, telegraph, engineering, machine and other training sections of the center. Refreshments of cake and cokes were served.

Among officers of the center taking part in the ceremonies was Lt. Edward F. Meador, Jr., functional advisor of Eldorado. He was accompanied by Mrs. Meador, and others attending from here included Mrs. Reuben Dickens, and Jonnie Lee and Carol Lynn.

NEW LIBRARY BOOKS

New books added to the Eldorado Public Library recently include "The House of a Thousand Candles" by Nicholson, donated; "Parris Mitchell of King's Row" by Bellaman, an Adult Guild book; "Ships of a U. S. Merchant Marine" by Farrington, donated; and "Reluctant Rebel" by Van de Water, a Young People's Guild book.

Mr. and Mrs. B. A. Whitten and family have moved this week to their ranch home which they are improving. They formerly lived in Bob Evans' rent house on the Angelo highway.

Burke - Blakeway Wedding Tonight

Helen Burke and B. L. Blakeway will be quietly married this evening, Thursday, at the Bethel Methodist parsonage in San Angelo, the pastor, Rev. Baumfaught, officiating.

For the ceremony the bride will wear white with white and navy accessories. Present will be Mr. and Mrs. Jerry Pennington of Eldorado, and probably other relatives of the couple from Eldorado and San Angelo. Soon after the wedding, the pair will leave on a several-day honeymoon trip, after which they will be at home in Eldorado.

The bride, oldest daughter of Mr. and Mrs. Jess Thompson, was reared here, attended college at Alpine, and has been employed as stenographer at the office of the county clerk. The groom, who was reared at San Angelo, opened an electric shop in Eldorado shortly after receiving his discharge from service over two years ago.
