FORTY-SEVENTH YEAR 5c copy

ELDORADO, SCHLEICHER COUNTY, TEXAS THURSDAY, OCTOBER 21, 1948

\$2yr

NUMBER 43

## FARM BUREAU COMMITTEEMEN BEGIN MEMBERSHIP DRIVE HERE

At a recent meeting of interested farmers and ranchers, with Field Representative Austin A. Crowmover of Waco and District Director C. H. DeVaney of Coahoma assisting, an organizational committee was selected to start a drive for membership in a Farm Bureau Federation for Schleicher County.

Pat Enoch was chosen chairman to head an organizational committee, other members of which are: Joe B. Edens, Jim Hoover, William Jarrett, Vernon Lux, Farris Nixon, Dick Bearce, W. A. Schuller, E. H. Nimitz, Billy Frank Blaylock, and Edward Meador.

The committee will tie in with plans for a state-wide drive for members, during the state organizational week of Oct. 21-28.

Farmers and ranchers are receiving circulars, which committeemen urge them to read, and there is other publicity concerning the value of the Bureau, in the news and advertising columns of this issue of the Success.

Annual membership dues are \$5, about half of which is retained in the local treasury. A goal of 200 members, or 80 percent of Schleicher County, has been set up.

The name of the new organization will be "Schleicher County Farm Bureau Federation." Its purpose will be to support and protect Schleicher County agricultural producers, whose efforts, coordinated with the numerous other such units in the state, benefit all farmers and ranchers.

State President J. Walter Hammond will launch Texas Farm Bureau organization week with a radio address on the evening of Oct. 21 at 8:30, over Texas Quality Network. All who are interested are urged to listen in. Schleicher County will conduct their drive during the state-wide organizational week, which opens today.

Some of the benefits derived from membership in the Bureau are pointed out in the following comparative study of statistics:

Industry has been organized since 1828—today, 85% strong represents 10% population, receives 20% national income.

A coal miner with \$40 of equipment and a union card makes twice as much as the average farmer of the U. S.

This is a day of organization. 1456 lobbyists registered in Washington in 1948. Agriculture had 8, Farm Bureau, 4 of the 8. It is between a 5<sup>th</sup> and 10 million dollar business.

Industry and labor spend 2% to 18% of their capital investment each year to secure, protect and promote their business. If a farmer or rancher is not a member of a commodity organization or a general farm organization like the Farm Bureau, what is he doing to protect his business, other than vote and pay taxes?

After a Farm Bureau investigation was started in 1947, cottonseed prices rose \$15-\$20 a ton. A similar investigation has been instigated this year, and the price is already up \$10 per ton.

What would be the price of cotton, rice, peanuts, grain sorghum, wheat and corn if we did not have the 90% supporting loans?

Tractor gasoline tax rebates are paid because it is a law. A definite element is preparing to introduce a bill next year to stop the rebate. How many years will the rebate from one tractor pay a member's Farm Bureau dues?

The J. F. Kinsers have decided to move from their place in Bailey Ranch to their home in Eldorado which they built three years ago. Their renters, the C. N. Shaws, are moving to the Gus Love house, until recently rented by the M. J. Miller family. Mr. Love is completely renovating the place, inside and out, and will build a cement porch and an additional room, and stucco the exterior. Mr. and Mrs. M. J. Miller have moved to San Angelo with their sons Russell, who has been employed in janitor and yard work, J. C., who has been working for Dick Bearce, and M. J., employee at Lum Davis' Corden station. The young men all have employment at San Angelo.

## Wildcat And Outpost Will Be New Tests In Schleicher County

Two new oil tests, one of which is to be a wildcat, are scheduled for Schleicher County.

Sorrells Oil Co. of Ft. Worth will drill Mrs. J. E. Tisdale no. 1, a deep test, (660 feet out of nw sec. 10, block A, HE & WTRCO.). This test is due to start about Oct. 25, and will go to 7000 feet if necessary to explore Ellenburger. The location will be 4 1/2 miles west and a little south of the Koy-Page field, and possibly 3 miles south of Elliott trustee, Virgil Tisdale no. 1, sec. 16-A-HE&WT, which showed oil at about 3000 feet. This wildcat will be on a 3200 acre block, turned to Sorrells by V. J. Powell and Al P. Groehl. Groehl leased the acreage from Mrs. Tisdale in December, 1930, later transferring it to the Powell and Groehl partnership.

The block consists of sec. 10, block A, HE&WT RR; S 2-3 of sec. 6 and 7, block 9, TW & NG RR, and S 2-3 sec. 12-A-HE&WT. Assisting are Magnolia and Sinclair Prairie, holding adjoining leases to the west.

Old timers will remember that the Sorrells Oil Co. drilled a wildcat on Allison's, in Sutton Co. in 1924. The firm have been active in drilling in several West Texas counties.

The outpost to the proven Page-Koy field will be no. 1 Tom Henderson, C NW NW 26-L-GH&SA, one mile SE of Cooper Gas Co. 6-A Bert Page, the nearest producer. Western Drilling Co. will move in a rotary.

## LATIN AMERICAN PRIMARY PUPILS GET BOOK GIFTS

Twenty Lois Lenski books were added to the Latin American school library this week as a courtesy of the author and a local friend. The books include a set of Mr. Small books and "Strawberry Girl", a book that won the 1946 Newberry Medal for Miss Lenski.

Miss Lenski is an artist as well as an author who has the rare gift of knowing just what children like. All of her books contain illustrations which are distinguished for their action and fascinating details.

Miss Lenski visited the Eldorado Latin-American school last spring when she made her initial trip to Texas, and was impressed with the type and number of books she found in the school library. The author's identity was not made known at the time of her visit. The books were a big surprise for the children.

## Couple Return Home From Holy Land

Mr. and Mrs. Oscar Burden and son Tom of Wichita Falls, who have just recently returned from Arabia, were week end visitors in the home of Mrs. Burden's parents, Mr. and Mrs. Tom Johnson.

Mr. Burden, who spent a year in Arabia, was joined later by his wife, the former Joyce Johnson, and their nine-year-old son, Tom, who flew by plane to Turkey where Mr. Burden met them. The two months of their stay was spent in touring various places, including Arabia, Assyria, Naples, London, Paris, and other important countries and cities. They returned to the States aboard the luxury liner SS Queen Elizabeth.

The family brought back many souvenirs. Among them were New Testaments with covers of olive wood which they brought from the Holy Land, and which they presented to Mrs. Johnson and Mrs. W. N. Ramsay.

They toured part of the Holy Land where they visited Bethlehem and other well-known places. They report their stay both pleasant and instructive.

Mr. and Mrs. Louis Yaseen returned Monday night from a trip to New York state, where they visited relatives and bought Christmas gift goods for the Bauer Jewellery here.

## Water Departments Return To Old Rate On Next Month's Bill

In an official announcement this week, the city announces a return to the old water rate, \$2.50 per 5,000 gallons.

The city officials call attention to the fact that the 10,000 gallon minimum was set to encourage planting of gardens during the war. Repealing of the war rate of the special summer rate is in accordance with steps taken by other West Texas cities in the past few years.

The city has had to absorb increasing costs of pipe, material and labor, officials point out, and the regular rate must be re-established to help the water department balance its books.

## Club Room Furniture Discussed By Clubs

Furnishing of club rooms in the recreational building is under consideration, as the building shapes up into what will be a completed structure in a month or two.

The Lions Club is to furnish and equip the kitchen as their part in the project. They have already bought a complete set of cafe open stock china and silver for 60 people, including plates, cups, saucers, glasses, knives, forks and spoons, plus serving bowls, salt and pepper shakers, sugar bowls, serving spoons, etc.

The purchasing committee, consisting of Carrol White, H. T. Finley, and Jack Hext, is getting prices on chairs and tables to furnish the kitchen and dining area as the next part of the project. Finley is trying to get some army surplus dining tables, and the committee is considering various prices on 100 top-quality chairs, a refrigerator and a stove. The Lions are starting with a purchasing fund of \$1000 which will probably not be sufficient.

The American Legion are making a survey of their needs.

The DAR, Woman's Club, Junior Woman's Club, and Mias Amigas are the four clubs which will use one room jointly. They are beginning to consider plans for buying furniture, and committees are reporting to their clubs what they have learned to date concerning needs and costs of this project. Eventually the clubs will make their decisions and begin plans for raising money. Some of the old shelving will be moved to the library room, but other furniture will be needed for the new library.

Three women, Mrs. Virge Tisdale, DAR, Mrs. Gladys Mittel, Woman's Club, and Mrs. Ida Neill, Mias Amigas, talked with the commissioners at the regular meeting of the court Monday.

## WILLIAMS BUYS SHOE BUSINESS FROM BLAYLOCK

W. W. Williams has bought the boot and shoe repair business from Billy Frank Blaylock and is already doing business in the same location.

Mr. Williams lived here in about 1934, when he worked for Russell Donaldson, George Whitley, and others. He has had three years' experience in the boot and shoe business, and some of that time was employed at Leddy's in San Angelo. Blaylock sold his repair business because of trouble he has been having with his injured leg.

The deal between Williams and Blaylock was closed last week.

At the PTA meeting this week, G. C. Churchwell, representative of the Maico Company of San Antonio, gave a demonstration of the audiometer, a machine for testing the hearing of school children. Purpose of the machine, which can be used by teachers, is to find out if there is a hearing loss in the student, so he can be referred to a specialist for correction.

Mrs. Hollis McCormick returned Saturday by plane from Los Angeles where she visited her mother, Mrs. Emma Angelo, who is ill in a hospital there. She reports that her mother's condition had improved some, but she was to undergo further surgery this week.

Food Ogleby is attending a meeting of the Texas Power Reserve in Austin this week. He was accompanied by Mrs. Ogleby.

## JUNIOR PLAY REHEARSALS ARE UNDER WAY

A cast has been selected and rehearsals are well under way on the Junior Play, which will be presented in November, according to Miss Jewel Shelton, director and class sponsor. The play is entitled "Keep Movin'", and is a three-act comedy.

The cast includes: Lilla Jean Ellington, Joyce Burk, Kathryn Hall, Mary Thompson, Patsy Jones, Euda B. Isaacs, Billy Ray Jones, Earl Dean Clark, Chester Biggs, Earl Lloyd, and Lewis Wilson. Another member of the class will be appointed later to be stage manager and to make announcements the night of the play.

Several of the characters provide comedy interest. Lewis Wilson plays the part of a college professor, who finds that his "book learning" doesn't always help in the problems of everyday living. Later, however, it does help him to adopt a more philosophical attitude toward life. Chester Biggs is the "problem". Patsy Jones tries to court the Professor but finds him much more interested in his hobby, the trombone. Lilla Jean Ellington is a daughter who is a stabilizing influence on her family; Euda B. Isaacs plays a maid who has a droll sense of humor; Kathryn Hall is the Professor's calm secretary.

A tentative date of about November 16 has been set by the cast for the play. The group is rehearsing three nights a week at the present time. During the week of the First Baptist revival, they will suspend rehearsals; after that time they will rehearse every night and put the final polish on the play.

## 16 YOUTHS CLASSIFY I-A UNDER DRAFT

Of the 24 Schleicher County youths classified for military service under the draft, 16 are I-A, or available for military service, according to figures released from the main office in Sonora, where Grace Stroud serves as clerk. Those who have received classification from Schleicher are:

Jesus Montez Adame and Jack Gray; to leave Oct. 21.

James Eris Griffith I-A, Billy Green H-C, Paul Eugene Page I-D (taking military training), Robert Holland Ogleby I-D (taking military training), Olge Franklin Halbert I-A, Euselicio Belaquez Martinez I-A, Matilda Rivero Garcia I-A, William Monroe Spurgers I-A P (postponed), Armador Moreno I-A, William Fred Gunstead I-A P (postponed), Henry Mittel, Jr. I-D (military training), Frank Stuart Williams I-D (military training), Hal Edward Whitten I-A, Chester Jackson Faught I-A, Walter Edward Jones I-A, Lupe Espinosa I-A, Manuel Dominguez Gana I-A, Jack Samuel Hodges I-A, Fred Louis Speck I-D (military training), David Dewey Griffin I-A, Tommy Franklin Green I-A, Cayetano Lopez Angiono I-A.

The young men were classified by the following board members: Guy Munn of Junction, Roy Davidson of Eldorado, Paul Gibbs of Ozona, Joe F. Logan, chairman, of Sonora, and Hardin Tobin of Rocksprings.

If there is a change of address, the registrant should notify the Sonora office immediately. Sonora is headquarters for the five-county district which includes Schleicher.

## LUNCHROOM ATTENDANCE ON INCREASE

Workers in the lunch room report a gratifying increase in the number of students eating at the lunch room each day. At the beginning of school, around 130 lunches were served daily; this number has increased until now they prepare 170-175 lunches for each school day. A complete hot meal, dessert and milk, is being served for 25c.

The room formerly used as space for lunch tables and benches is needed for a class room, and is housing the second section of the recently-divided seventh grade. These tables have been moved out into the hall, where part of the group now eats lunch. It is planned, when the weather gets colder to add an extra stove in this area so that it will remain comfortable for the group.

## GAS SYSTEM EXPANSION WORK IS UNDER WAY

Expansion of Eldorado's gas system will assure the city of plenty of gas this winter, state city officials, who agreed to an increase in gate rates in order to get the increased supply. Work is already under way, and in a short time the project will be completed, cost to be about \$35,000.

Gas Manager Palmer West states that the city will then lay a 4-inch line up to the meters, a distance of 2,000 feet.

M. R. Stuard of San Angelo received contract for the project. Several welders and other employees are members of the crew which he has employed.

Half of the 9 1/2 mile line, reaching from the city to a point midway between Eldorado and the gas field, will be of 4-inch pipe. Two 2-inch lines will then lead to different points in the field.

At the time the line was installed it supplied sufficient gas for the city. Growth in population has caused a shortage which became increasingly acute during the past several years.

Since the city acquired the Eldorado gas distribution system last year from Rio Power and Gas, much improvement has been made in the network of pipes in Eldorado, indicating that there will now be plenty of gas everywhere in town, during the severest of winters.

The new line will carry approximately three times the amount conveyed by the old line. Other improvements in the city system are also contemplated.

## Revival To Begin Here Sunday At First Baptist Church

The annual fall revival services will begin here this coming Sunday at the First Baptist Church, with Rev. Clifton R. Tenneyson, pastor of the First Baptist Church at Memphis, Texas, as speaker.

Services will last through Sunday, Oct. 31. There will be preaching twice daily, at 10 a. m. and 7 p. m. Rev. Jim Hays, pastor, and various committees are completing plans for special music and other special features.

Rev. Tenneyson comes here well recommended, having had experience both as an evangelical speaker and as a pastor.

A cordial invitation is extended to everyone to attend the services.

Mr. and Mrs. Ben J. Doty have moved from a Halbert apartment into a Gus Love rent house in the east part of town. The L. M. Sayles family, who formerly occupied the house, have moved to the G. L. Ballew residence. Mrs. Ballew and son, Bub have moved to their stock farm near Winters, which they bought recently, and Mr. Ballew who is employed by the Eldorado Gin Co., will join his family as soon as ginning season is over.

## WELCOME RAIN!

Rain which measured from 1/4 inch in part of Schleicher to over 2 1/2 in Rudd community fell Saturday, followed by a good rain Wednesday and showers this morning. Farmers and ranchers are welcoming every drop, as the precipitation is badly needed.

## ROBINSON HONORED

Mr. and Mrs. Payne Robinson will go to Waco Friday to attend special recognition services for the famous 1910 football team, of which he was captain.

Of the squad of 18, thirteen have accepted the invitation. The men played together during four seasons, from 1907 to 1910, and 12 graduated in the spring of 1911. Six of these players also played baseball, and in the spring of 1911 were state baseball champions, winning every game.

According to announced plans, the school will give special recognition to these football immortals by giving them a place of honor at the Baylor-A&M game, providing a special breakfast and luncheon, and honoring them in the parade.

## Traditional Enemies, Eagles — Broncos, Meet Here Friday

The Eldorado Eagles meet their traditional enemy, Sonora, at the local football field tomorrow night, and a packed stadium is expected to be on hand to watch the long-awaited game. According to advance information, all of Sonora will be here to help push their team over Eldorado's goal line.

The Eldorado team comes to the field with the two previous games chalked up as victories. Their competent playing during this season has assured them of a large cheering section made up of practically the whole county.

The Eagles, whose fighting spirit is one of their greatest assets, are out to win, and to get revenge on the Sonora team, who have beat Eldorado for the past several seasons.

Gerald Hicks and Gordon Hamm are on the injured list, and it is unlikely that they will be able to play Friday night. Without these two boys, and with Billy Ray Jones handicapped by a sore thumb, the Eagle lineup is below par, but the boys are determined to do their best until the final whistle blows.

Probable starting lineup will be: Kumlur Mund and Sammy Whitten, guards; Wayne Davis and Glenn Biggs, tackles; Chester Biggs and Dean Clark, ends; James Alexander, quarterback; E. H. Nixon, full back; Billy Ray Jones and Edwin Jackson, halfbacks.

Last Friday night the Eldorado Eagles, without the services of their brilliant sophomore full back, Gerald Hicks, played everybody but the water boy and gave the Bronte Longhorns a thorough 18 to 0 trouncing. Jones, Hamm and Jackson scored for the Eagles and Chester Biggs and Sammie Whitten were shining lights in the Eagle line.

E. H. Nixon was the able replacement for Hicks in the full back slot and did a magnificent job for a freshman boy. The coach, team, and student body are looking forward to Nixon's becoming a great Eagle.

Hicks and Gordon Hamm are on the injured list this week and it is very doubtful if they see any action against the Broncos this Friday night.

The junior football team made the journey to Ozona Monday night to play a game with the Ozona juniors, accompanied by Coach Bud Hopkins. The boys, who outdistanced their opponents in the number of yards gained and number of first downs, were defeated by a score of 12-6.

All the boys played good ball, stated Eldorado spectators who attended the game, and their coaches are well pleased at the improvement they are showing and general progress made. Pinkney Craig made the touchdown for Eldorado in a 75-yard run down the field.

Several of the boys were injured during the course of the evening, including Elton Harris, who sustained a cut over one eye and had to have eight stitches taken.

Mrs. B. A. Biggs, Mrs. W. G. McAlpine, Mrs. Bill Davis and Mrs. C. D. Biggs entertained with a barbecue supper at the McAlpine home on the evening of October 11, honoring the football squad. Present were the boys, their coaches, Ted Kirby and Bud Hopkins, Mrs. Hopkins, Miss Iola Sutton, and Mr. and Mrs. Clyde Biggs of San Angelo.

The boys built a bon fire and shot fire crackers during the evening.

## OCHSNER ON SICK LEAVE

Charlie Land of Snyder is on the job at the local depot, replacing L. D. Ochsner, who has a leave of absence because of ill health.

J. D. Wright of Rule was here for about a week, filling the position, but has been moved by the Santa Fe office to McCamey, where he will be permanently located.

Land, who arrived in Eldorado Monday, has had railroad experience in a number of other cities before coming here.

Ochsner states that if he continues to improve he may be back on the job in a week or two.

## FESTIVITIES MARK SWITCHING OVER TO DIAL TELEPHONES HERE

Friends of the telephone system, including old operators, company officials from San Angelo and the factory in Ohio, local city fathers, county officials, Lions, business men and local telephone employees had a get-together Tuesday afternoon at 3:30 at the telephone office, as a preliminary to the switch over to the dial at midnight, Tuesday night.

The following were among those included in the afternoon party: Chris Enochs, Mrs. Lum Davis, J. C. Ratliff, Wallace Joiner, C. L. Meador, Jr., C. A. Reynolds, W. C. Doyle, W. M. Patterson Jr., Jerry Pennington, W. T. Whitten, H. T. Finley, Junior McLaughlin, R. B. Wiseman of Galion, Ohio, Pat Kelley and E. L. Jones of San Angelo, J. F. Runge, Robert Cluff of Galion, Ohio, J. E. Robbins Jr. of San Angelo, Col. W. V. Parker of San Antonio, Mr. and Mrs. R. J. Limmroth, R. R. McCullough of San Angelo, G. H. McLaughlin of San Angelo, C. C. McLaughlin, Mrs. H. T. Finley, Mrs. Leslie Baker, Mrs. W. T. Whitten, P. Van Valkenburgh of Galion, Ohio, Leslie Baker, Mr. and Mrs. Charlie Trigg, Grace and Connie Cluff, Mrs. W. C. Doyle, Mrs. Fred Gunstead, Mrs. Louise Limmroth, Mrs. R. R. McCullough (chief operator, San Angelo) James J. Clay Jr. of San Angelo and M. C. Neeley.

The visitors were shown through the dial building, where San Angelo officials and factory representatives of the North Electric Co. of Ohio explained the workings of the system. The factory furnished food for the refreshments in the afternoon, and for the evening, which the out-of-town visitors and a number of local men spent at the office until the activities at midnight brought the day to a close.

For the afternoon party in the McLaughlin's home, Miss Chris Enochs presided at the register, Mrs. Lum Davis (Lometa McDonald) poured punch, Mrs. W. C. Doyle (Lucille Davis) served cake, assisted by Mrs. H. T. Finley, Mrs. Leslie Baker (Zelia Shugart), and Mrs. McLaughlin, all of the above having been telephone operators here at some time.

At about 11:00 p. m. the men began pulling out the old fuses, and others worked in the dial building pulling picks, thus effecting the midnight change to dial.

Carroll Ratliff, mayor of the city, who was scheduled to make the first call at midnight, was not present, and Mrs. R. R. McCullough, chief operator of San Angelo, and a sister of Mrs. McLaughlin, put in the first call.

Wednesday morning wet cables which did not show up in the magnetophone, caused some trouble, especially in the cable north from the First Baptist Church. Crews were put on the job immediately and the trouble is being corrected. Open House Saturday

Choosing a date which would be several days after the switchover, when subscribers had had a little experience using the dials, the company announces Open House all day Saturday, from 9:00 a. m. to 12:00 and from 2:00 to 6:00 p. m.; all subscribers are invited to visit the office and to take a trip through the dial building. Officials state that they want everyone to call on them at the office Saturday, as it will not be possible again to open the dial office to the public due to delicacy of the equipment and time consumed in the process of escorting visitors through the building. The officials will answer any questions subscribers may ask. Ads Explain Dialing

A series of ads which starts in this issue of the Success explains the various phases of correct dialing. As these are run for the instruction of the public, customers are urged to read them carefully.

**Sonora Is Next**  
Some time in December will be switchover time for Sonora, stated officials here this week. Bob Cluff, factory representative who installed the equipment here, moved this week to Sonora to complete a similar job there. No dates are set on others in this locality.

**Toll Service Expanded**  
Improvement in toll service out of Eldorado is assured with addition of two lines to San Angelo. San Angelo is installing 6 additional long distance positions and 9 toll circuits.

**List Growing**  
The phones now in use number about 600 and the list is growing. Schleicher is the only county in the state with a complete county-wide dial system.

**Guests of Lions**  
Several officials of the San Angelo Telephone Company were guests at the regular meeting of the Lions Club Wednesday with J. E. Robbins as the principal speaker.

Mr. Robbins reviewed the history of the telephone company in Eldorado, noting the fact that this is the fifth time the system has been enlarged, signifying that the town is continuing to grow. An interesting statement which he made was that before the company started work on the dial system, it was necessary to make surveys to determine how many calls are placed during the peak hour and the average length of calls. He stated that the national average length of a call is 100 seconds. A survey of this area showed that San Angelo calls averaged 101 seconds, Sonora calls 155, and Eldorado calls, 188 seconds, almost twice that of the national. Around 2,000 calls were made through the Eldorado system Wednesday morning, following the switchover. This is twice the usual number handled during the morning hours.

Guests present in addition to the

company officials were Mrs. C. C. McLaughlin, wife of the Eldorado manager, and three long distance operators from San Angelo, chosen from 80 long distance operators, to be present at the Eldorado meeting.

### Junior Woman's Club Has Regular Meeting

Routine business was conducted when the Junior Woman's Club met at the home of Helen McGill last Thursday night.

A committee composed of Mes. Joe Ed Hill, Bud Hopkins and Elmer Peters was appointed by the president, Miss Pauline Jones, to serve with women from the other clubs to help choose furnishings for the club room in the recreation building. Plans were made for the forthcoming social, which will honor members of the Woman's Club. Five new members were elected.

Mrs. Bud Hopkins gave a review of "Your Carriage, Madame," a book on posture. The hostess served refreshments of cake, hot chocolate and coffee to about 15 members.

### BAND PARENTS CLUB HEARS GORDON GRIGGS

Gordon Griggs was the speaker at the regular meeting of the Band Parents Club last Thursday evening in the L. L. Baker home.

He spoke on the advantages and beneficial results of music for the child, and stressed the fact that the student's time is well spent when devoted to music.

Following the business session special music was presented by the band.

### SUL ROSS TO HAVE HOMECOMING SATURDAY

Sul Ross College, Alpine, will have its annual homecoming Saturday, and all exes of the college are urged to attend. There will be a football game with Corpus Christi as part of the day's program.

Gordon Griggs, high school principal here, is president of the Sul Ross Ex-Students' Association, and plans to attend. His wife, also a Sul Ross alumnus, will accompany him.

### BAILEY RANCH SERVICES TO BE TWICE MONTHLY

Rev. Baltis Mathews, San Angelo teacher, who is Bailey Ranch Baptist pastor, will serve the church two Sundays each month instead of one, according to decision made recently by the congregation. Services are to be held on the first and third Sundays of each month.

### SPANISH CLUB MAKES \$20 AT SUPPER

Approximately \$20 was made by the "Los Aguilas" Spanish Club at a Spanish supper last Thursday evening at the Hotel Eldo. Proceeds of the supper will probably be used to finance a club trip to Del Rio and Via Acuna in the spring. Entertainment during the evening included Spanish music by L. M. McMurry, sponsor, and songs by a local Latin-American girl.

GET YOUR car heater now—for all cars.—Charlie Trigg Motors.

The Junior GA's of the First Baptist Church met in the home of Mrs. J. M. Hays Monday for their regular monthly mission program. Those on the program were Jean Kuykendall, Geneva Taliaferro, and Jackie Sparks. Following the program refreshments were served to 8 members.

## WANT ADS

FOR SALE: Used studio couch. Also 1940 Chevrolet pickup in A1 condition.—Nolan McDonald. 39tfc

ANY person found hunting on my premises will be prosecuted to the fullest extent of the law.—Mrs. Myrtle Williams. (50 pd)

FOR SALE: Deer rifle. Light weight. 30-06. Price, \$55.00.—Harry A. Ringle, phone 24871. 1tpd

FOR SALE: John Deere tractor, 1946 Model A, 4 row Planter, and cultivator.—Farris Nixon. (43-44\*

FOR RENT: House, furnished or unfurnished; apartments, furnished or unfurnished.—Mrs. Mattie Cozzens. 1tc

## MENARD LOSES SCHOOL BUILDING IN SUNDAY FIRE

Fire of undetermined origin completely destroyed the Menard High School building early Sunday morning, with an estimated loss of over \$200,000.

Flames were discovered in the two-story brick building at about 3:50 Sunday morning, spreading apparently from the top floor.

Destroyed with the building were valuable records, 22 new typewriters, two electric stoves, desks and other furniture, texts for the entire school and the school library. The band had taken their expensive instruments home after the Menard-Ozona game and these were not burned.

The building was erected in 1930. High school classes were dismissed this week while text books were assembled and equipment and temporary classroom space provided. Churches, the courthouse, and part of the elementary school will be used as classrooms.

The board carried \$75,000 insurance. They expect to replace the structure with a modern new building, but realize that it will cost more than the insurance receipts.

### To Stop Peach Borers

It's the peach tree borer again—he does lots of damage, but it doesn't take much to stop him before he gets started. This is the time of year that the borer starts working.

W. G. Godwin, County Agent, gives the following for getting rid of the peach borer: Clear the grass and weeds from around the tree trunk and build the ground level up a little. Pour ½ pint of dilute ethylene dichloride emulsion on the ground around the mature bearing trees. For young trees, just 2 to 4 years old, use only ¼ pint, and cover the liquid with a few shovelful of dirt.

You'll find directions for diluting this stock solution on the manufacturer's container. The material may be applied anytime after the leaves have shed from the tree until early April, if the temperature is above 45 degrees and the ground is not too wet.

Another good control for peach tree borer is paradichlorobenzene crystals. Just break the soil crust from 15 to 18 inches around the tree, and clear the grass and weeds. Then sprinkle the crystals in a circle around the tree about two or three inches from the base. One ounce is enough for the mature trees; use 3-4 ounce for trees 3 to 5 years old; and for younger trees sprinkle about one-half ounce.

Cover the crystals with soil after they have been sprinkled around the trees, and pack with a shovel. Leave for about six weeks.

It is too late to do much for your trees in the spring and summer, after you have discovered the borers, as there is no known treatment to apply directly to the trunks and limbs. So make it a point to save your tree before the trouble develops.

Mr. and Mrs. Jess Padgett and Dianne of Sterling City visited her parents, Mr. and Mrs. J. E. Estes and other relatives here this week end.

### BAPTIST CIRCLES MEET

Circle 4 of the First Baptist WMU met in the home of Mrs. F. B. Calcote Monday for a program on Youth. Mrs. George Williams, chairman, had charge of the program and others taking part were Mrs. J. D. Ashmore and Mrs. Tom Johnson. Refreshments were served to 8 members.

Stewardship in Honan was reviewed by Mrs. W. R. Davidson when Circle 5 met in the home of Mrs. Joe Wagley for their regular foreign mission program. Refreshments were served to 10 members and 5 children.

### METHODIST CIRCLE 3 MEETS

Circle 3 of the Methodist WSCS met last Thursday at the home of Mrs. D. E. DeLong. Mrs. DeLong gave the devotional and opening prayer, and the study on the Panama Canal and Virgin Islands was given by Mrs. Roy Shilling. Mrs. Bowman gave a poem, and Mrs. Arthur Davis, a visitor from Merton, led the closing prayer. There were 8 members and one visitor present. The next meeting will be at the home of Mrs. Jerry Pennington.

Two new Brownie leaders, Miss Anita Runge and Miss Helen Case, met with Brownie troop no. 1 last Wednesday noon on the Methodist Church lawn. After nibbles, which is the lunch each Brownie brings, the girls made a candy dish from an old victrola record. Their leaders then taught the group a folk dance. There were ten members and four leaders present.

W. M. Patterson and J. C. Linsley of Cameron's spent Thursday in San Angelo attending a district Cameron meeting at which a district official displayed new 1949-1950 wallpaper patterns. On Friday Linsley and George Graf attended the second day's meetings.

Mrs. Claude Doyle and children spent the week end in Kerrville, visiting her relatives. They returned Sunday night by bus and were met in Sonora by Mr. Doyle and Jimmy.

Jim Duncan of Mason visited Sunday in the homes of his sisters, Mrs. Fred Furr and family and Mrs. Savola Bolt and family. Miss Anita Runge is on a trip to Austin and Galveston.

"Empire Wreath"

A border of bold striking leaves. Ensembles with the new bold colorful dinnerware designs, or matches the simple conventional. A "Sharpe" authentic. Has the feel of a dressed-up party. Made in all essential pieces.

## Wright's Cash Store General Merchandise

We have just received a large assortment of Christmas Cards and will soon have them on display.

We have received a new shipment of Infant Shoes—"Little Kicker"—both felt and kid.

Shoes for men, women and children — Work shoes — dress shoes and oxfords.

Fall is here and you will be confronted with colds. Get a supply of candy tablets, Vapor rub, Mentholatum, Nose Drops, Cough Syrup, and many other home remedy medicines.

Pot 'n Pan Pads keep your aluminum bright! Made especially for club aluminum. Twelve soap-filled pads for 25c. It will do the work.

Ladies nobby gloves in assorted colors. Rubber gloves, and a good assortment of mens gloves.

Work Clothing for men and boys, including the famous Blue Bell Wrangler.

When you go gift hunting you will find many useful items in our Gift Department which will be suitable for most any age person—and will be gift-wrapped for you.

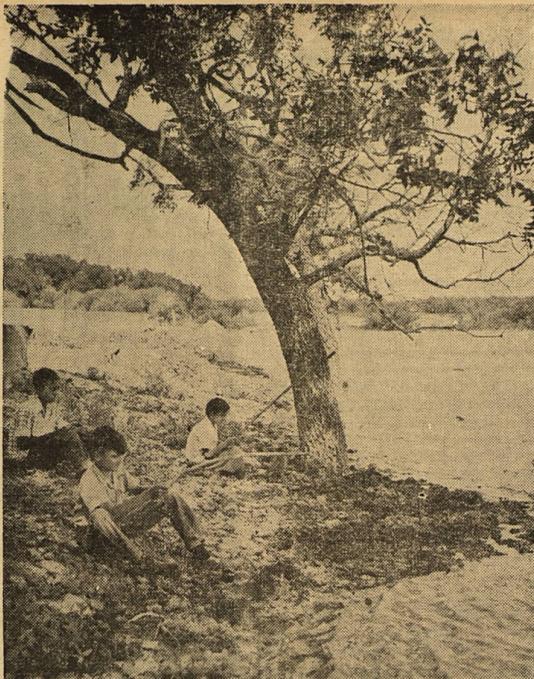

See You  
IN CHURCH  
Sunday

keep your telephone alive

Please replace your telephone receiver on the hook when you have finished talking. If you don't, your line will give a "busy" signal and you will not receive incoming calls. Should yours be a party line and you fail to replace the receiver, the whole line will be "dead." Be a good neighbor — cooperate.

The San Angelo TELEPHONE COMPANY

**FISHIN' IN THE SHADE** — A pole, a string, a hook, a worm and a small boy are sufficient to catch the large catfish in the expanse of dammed up water at Boys' Co-op Ranch of West Texas near Tankersly. The ranch will be a home for parentless, neglected or dependent boys from 32 counties of West Texas. Funds drive to open the ranch is being carried on under the leadership of Edwin S. Mayer of Sonora and M. D. Bryant and C. C. McBurnett of San Angelo. Picture above is posed by members of the Optimist Sunday school class of San Angelo.

Rev. C. H. Richards of Santa Anna held regular monthly services at the Primitive Baptist Church here Saturday and Sunday. He was accompanied by his wife and other out of town visitors were Mr. Malen and family from the Plains; Henry Patterson of Vera; Mr. Higgins of Stephenville; Mr. Ward of Quemado Valley; and Mr. and Mrs. Bill Faught of Lampasas.

Mr. and Mrs. L. G. Gibson of Iraan have been visiting with their daughter, Mrs. Nat Blaylock. The Gibsons are moving from Iraan to San Angelo where they have bought a filling station and garage on north Chadbourne.

**West Texas Is Favored Spot For Textile Growth**

West Texas is in an especially favored spot to acquire a large part of the nation's textile growth, according to a cotton textile industry survey for the area, just issued in a bulletin from Texas Tech. This bulletin was prepared by Mark E. Wood, research associate of the Cotton Research Committee of Texas, for the West Texas Chamber of Commerce-Santa Fe industrial committee.

Wood points to growing western markets as requiring a greater expansion of the textile industry. The area already has five cotton mills within its boundaries and the only textile engineering school west of the Mississippi, where the "know how" of cotton textile manufacturing is taught.

History of the cotton textile industry in the U. S. is fully traced in the report. "There is some evidence that Eastern capital already is interested in West Texas as a potential center of cotton textile manufacturing." Advantages of location in West Texas are then listed, although the report points to the necessity of ample water for the industry.

The Tom Alexanders and Fred Watsons are leaving Friday for Dallas where they will see the State Fair and from there, they will go on to Fort Worth to attend a meeting of the Grand Chapter Order of the Eastern Star. They expect to return Tuesday night.

Spending several days last week on the San Diego River in Old Mexico, fishing were the L. E. Lloyds, the Walter Powells and the Marvin Logans. They report good luck and an enjoyable trip.

Mr. and Mrs. W. E. Terry of Seymour were overnight visitors Saturday night in the home of Mrs. Terry's parents, Mr. and Mrs. J. D. Ashmore.

George Dickens was moved last week from a San Angelo to the home of his daughter, Mrs. W. C. Porter at Odessa. He is recovering nicely, but it will be about 6 weeks before he will be able to walk.

Will Doyle and son Kenneth went to Lampasas Tuesday of last week and were accompanied home on Thursday by their wives, who had been visiting there with relatives.

Katharine Davis of Sonora spent the week end with her mother, Mrs Ora Davis.

Mr. and Mrs. W. H. Dale and family, who have been living here for the past three years, moved Saturday to Monahans, where Mr. Dale is employed with an oil well drilling company. The family have been occupying the Gus Love rent house.

Wendell Hassell of Sidney, Ark., a former Navy shipmate of J. T. Jackson, Jr., accompanied by his uncle who is with the Shell Co. at Big Lake, visited during the week end with Mr. and Mrs. Jackson.

Edwin Jackson went to Cisco Tuesday where he attended the Mid Texas Presbytery as a member of the Evangelism committee.

Mr. and Mrs. Jack Etheredge and son, Billy Jack visited over the week end with the Evans Etheredge family at Balmorhea.

Honoring her daughter, Nancy Jo on her eighth birthday, Mrs. J. T. Jackson entertained last Friday afternoon with a party at her home. The Halloween theme was carried out in the decorations, games, and favors, and refreshments of birthday cake and orange sherbet was served to 22 children and ten mothers.

Mr. and Mrs. W. T. Mays of Fort Worth visited over the week end with her mother, Mrs. A. E. Kent, and sister, Mrs. Truett Stanford and family.

Mr. and Mrs. Gene Harvey and baby spent the week end with his parents, Mr. and Mrs. Noel Harvey at Petersburg.

Jimmie Danford, Billy Green and John Ray Powell attended the TCU—A&M football game at College Station, saw a rodeo there and attended one at Huntsville during the week end.

Mr. and Mrs. Hood of San Angelo visited one afternoon and evening last week in the J. T. Jackson, Jr. home.

Mr. and Mrs. E. E. McDonald of Kerrville visited the Ira McDonalds and other relatives here over the week end.

Jack Elder is having his garage renovated, and a room added, with Way King in charge.

Mrs. W. L. McWhorter and son Bob have gone to Florida on a two weeks' vacation trip. They made the trip by car.

Cameron's office has received a coat of fresh paint. The shelving is light gray and the walls are off-white. Complete re-arranging of stock is under way this week.

**Merry Makers Club  
Guests of Mrs. Hoover**

The regular meeting of the Merry Makers 42 Club was held on last Thursday afternoon at the home of Mrs. L. M. Hoover with Miss John Alexander as hostess. She was assisted in entertaining by Mrs. Hoover and Mrs. Joab Campbell.

The house was decorated with red and white dahlias, and a salad plate, tea and coffee was served to 14. The next meeting will be in the home of Mrs. Louis Yassen on October 28.

**BAPTIST CIRCLES MEET**

Circle 1 of the First Baptist WMU met Monday afternoon in the home of Mrs. Richard Cheatham. The roll call was answered with quotations or Bible verses on "home", topic for the day. The scripture reading was given by Mrs. Sallie Murchison. Those on the program were Miss John Alexander, Mrs. J. B. Montgomery and Mrs. Felix Susen. A poem was read by Mrs. John Stigler. Refreshments were served to 7 members.

Mrs. Fred Watson had charge of the program when circle 2 met in the home of Mrs. W. O. Alexander. On the program were Mmes. J. F. Kinser, G. J. King, E. W. Mund and Truett Stanford. A salad plate was served to 9 members.

Circle 3 met in the home of Mrs. E. W. Perry with Mrs. Mattie Bruton and Miss Mary Bruton as hostesses. Mrs. Perry, chairman, had charge of the business, and Mrs. J. C. Ratliff was program leader. Refreshments were served to 8 members and one child.

**GOING AWAY PARTY  
HONORS CAROL DALE**

Carol Dale, who left Saturday for her new home at Monahans, was honored with a going away party Friday evening at the home of Iretta Fay Mace. Members of the sophomore class were hosts and were assisted in entertaining by Mr and Mrs. J. H. Mace.

As a farewell gift, the honoree was presented with a gold compact, engraved with her name, and the figures '48-'49, from the class. Entertainment included games and dancing, and refreshments of punch and cookies were served to approximately 25.

**WSCS CIRCLE MEETS**

Circle 1 of the WSCS met Monday afternoon at the Methodist Church with Mrs. J. E. Tisdale leading the study on Puerto Rico. Mrs. L. Wheeler gave the devotional and others taking part were Mmes. Lewis Wilson, F. G. Clark and O. E. Conner. Mrs. W. H. McClatchey and Mrs. Jess Koy, hostesses, served refreshments to 13.

Mrs. Judy Schultz of Wells is visiting here with her father, J. E. Estes and wife and other relatives.

T. J. Bailey of Ozona was one of the referees at the Eldorado-Bronte ball game Friday night. He was accompanied by his wife and children, who visited with her parents, Mr. and Mrs. A. J. Roach.

**You Can't Swim the Mississippi  
with a Million Head of Cattle**

The Mississippi River always has been the "continental divide" in the geography of the livestock-meat industry. In the old days the great herds of longhorns trailing north from Texas had many rivers to cross. The Red. The Canadian. The Big Blue. The Platte . . . but there was never a trail that ended east of the Father of Waters. The Mississippi was, and is, one river you couldn't swim with a million head of cattle.

It's a staggering job to get the nation's meat from producer to consumer. Two-thirds of the meat animals are produced west of the Mississippi . . . two-thirds of the meat is eaten east of it. On the average, meat has to be transported more than 1,000 miles. It's a big job—a huge job. Just consider: in 1947 alone, this job of getting the nation's meat from the farm and range to the cooking range involved 32,158,000 beef animals, 24,044,000 sheep and lambs, 82,579,000 hogs!

Harvesting any national crop—from wheat to meat—is a big job. Big machines are needed. Who uses binders when combines are more efficient? Similarly, in the processing and nationwide distribution of meat it takes large-scale, efficient "machinery." There's a need for all of us—producers and meat packers; shippers and marketing people; transportation lines; wholesalers and retailers. We all play a part—whether we are individuals or companies, whether we operate locally or on a nationwide basis.

Over the years, we at Swift have worked to perfect our nationwide system of marketing. We, and 26,000 other commercial slaughterers, provide a competitive cash market for your livestock. We buy your animals and dress them. We process and refrigerate them. Then, we distribute the meat to retail store men everywhere. (Our earnings for all these essential services are only a fraction of a cent a pound.) Because this big job is done efficiently, you producers are assured of markets . . . consumers everywhere are assured of meat. We at Swift & Company are proud of our part in building the "1,000-mile bridge"; the "bridge" which carries meat from the point of surplus production to the point of consumption. So long as all America wants meat it will take efficient nationwide organizations to bridge that 1,000-mile gap.

**Soda Bill Sez:**

Time counts unless you're counting time.  
Some people will do almost anything for money  
—except work for it.  
Generally it's better to have PUSH than PULL.

**Tally and Cull "Newcomers"  
in Breeding Ewe Flocks**  
by Clair E. Terrill

United States Department of Agriculture

As you swing the cut gate, you can increase total salable lamb weight—your margin of profit. For here you can cull ewes that are barren in their first lambing season. You can also cut out those unable to raise singles in their first lambing year. These ewes often get by on their appearance alone. For frequently they are heavier woolled and in better condition than nursing ewes. But they do not always pay their way.

Recent research has proved that subsequent market lamb production from such dry ewes may not justify keeping them in efficient commercial breeding bands. Experiments with Columbia range ewes at the U. S. Sheep Experiment Station, Dubois, Idaho, established this fact. There is a definite relationship between the total weaning weight of lambs produced in the first year and in the three following years of lambing.

All ewes that twinned the first year, regardless of whether the lambs were raised, weaned 19 pounds more lamb weight in the three years of study than ewes that failed to lamb—five pounds more than ewes which did not rear their first single lamb. Ewes that dropped and raised singles had 16 pounds greater annual lamb yield thereafter than ewes which did not lamb. And ewes that did not rear their first lamb later produced 14 pounds more lamb weight yearly than ewes which were barren their first lambing season.

So, to increase efficiency in market lamb production, tally "newcomers" in ewe herds at breeding time. Then mark barren low-producing ewes for culling after the lambing season.

**All That Glitters  
Isn't Profit**

J. F. Brandt

Government reports tell of farm and ranch income from livestock that totals more than 17 billion dollars. Many folks read those reports and say—"No wonder meat is so high. Livestock producers must be coining money."

That is a thoughtless comment, based on misunderstanding. That 17 billion dollars is not profit—it is gross income. Many expenses must come out of your gross livestock income before you can make any profit on it. There's the cost of breeding-stock and feeding-stock . . . of your hired labor . . . of feed, machinery, equipment. All these costs are at all-time high levels. Out of your gross income also must come property and income taxes, interest; insurance premiums; repairs; new buildings; fences; death losses, etc. After you've paid all those necessary business expenses, you're lucky if you end up with 10 or 15 per cent profit.

A lot of people are just as wrong about Swift's profit as they are about yours. They look at our total sales of 2 1/4 billion dollars last year and say—"That's a barrel of money. No wonder meat is high!" But the fact is that competition in both buying and selling is so keen that from those 2 1/4 billion sales dollars an average of 79¢ went to pay you for your livestock. 10¢ for pay to our employees. 6 1/2¢ for supplies and other necessary business costs. 3¢ for taxes and transportation. All we had left as earnings was 1 1/2¢.

Yes, in our business, as in yours, there's a big difference between gross income and net profit!

*J. F. Brandt*  
Vice President and Comptroller  
Swift & Company

**Martha Logan's Recipe for  
CHICKEN À LA MARYLAND**

Cut a cleaned hen into serving pieces. Season. Dip into egg diluted with milk, then roll in sifted cracker crumbs. Brown in a 1/2-inch layer of shortening. Add a 1-inch layer of rich milk. Cover. Bake in a moderate oven (350°F.) 2 hours. Remove the cover and bake 15 minutes. Make a gravy, using the liquid in the pan, to serve with the chicken. Serve with Pickled Orange Slices.

**PICKLED ORANGE SLICES**

1 orange 1/4 cup vinegar  
1/2 cup brown sugar 6 cloves for each orange slice  
Boil orange 1 hour. Cut in slices 1/2-inch thick. Stick cloves on rind of each slice. Boil together sugar and vinegar 5 minutes. Add orange slices. Simmer 15 minutes. Serve hot or cold.

### ELDORADO LIBRARY RECEIVES NEW BOOKS

The Eldorado Public Library has received two new Young People's Guild books for October and November. "Pioneer Preacher" is the story of George Carroll Berryman, a Baptist preacher from La Mesa, and "Bride of Fortune" is a historical novel based on the life of Mrs. Jefferson Davis. Other books added include "Freckles" donated by Jackie Henderson, and "Anna Karenina" and "Independent People" donated by Mrs. Cecil Meador.

### PINE TREE PATROL MEETS

The Pine Tree Patrol of the Girl Scouts met in the Methodist Church Saturday, Oct. 16. 7 girls were present with Louise Kuykendall and Mrs. J. F. Runge as leaders. The officers elected were: President, Cynthia Reynolds; Vice President, Barbara West; Secretary, Colleen Hicks; Program Committee, Jonnie Rae Whitten, chairman, and Donna Beth McCormick and Beth Shilling. The girl scouts are to have an all night camping trip at the Whitten ranch. Plans were made for the trip. There was one visitor, Mrs. Burren Whitten, present.

### BROWNIES MEET

The Brownies met at noon Wednesday at the Methodist Church for their regular meeting. Leaders are Mrs. Palmer West, Mrs. R. L. Ballew and Mrs. Fred Logan.

The girls are working on a waste paper basket for their troop room. Members are Ann Ballew, Jimmie Dell Williams, Thomasyne Jones, Dale West, Ellen Wheeler, Charleen Logan, Barbara Rutland Doris Dickens and Janelle Turnbow. Their mascot is a dog named Topper.

Included with the list of officers elected by the Tarleton Rodeo Ass'n is the name of Jack Hodges, vice-president, son of Mr. and Mrs. N. G. Hodges.

Week end guests in the home of the Patton Enochs' included Mrs. Fred Schultz of Somerville, and Mr. and Mrs. A. J. Couch of Tyler, mother and grandparents of Mrs. Enochs. They were accompanied home by the Enochs' small daughter, Patricia, who will visit them for a few days.

Mary Yvonne Griggs entertained the MYF Saturday night at the home of her parents. The young people played games and were served refreshments of cocoa and cake.

Mr. and Mrs. Joe B. Edens and Mr. and Mrs. Don McCormick and daughter, Donna Beth, left Sunday for Austin where they will attend a four-day meeting of members of the Texas Power Reserve, and the women will visit and shop.

From where I sit ... by Joe Marsh

I'm Glad  
We're "Different!"

There's a lot of difference of opinion in our county on the best kind of pasture. Some say alfalfa mixed with brome grass—others say mixed with oats or barley. But all agree that a mixture's better than a single crop.

I sometimes think people are the same way—and the strength of America is its mixture of so many different strains—some from one country, some from another—right down to little differences: like folks who have a taste for beer and those who prefer cider.

From where I sit, so long as we never become intolerant of one another's different tastes—so long as we live together with our differences, and even supplement them the way brome grass does alfalfa, then we're a mighty good crop!

So neighbor—enjoy your cider while I enjoy my beer! Vote for your candidate—I'll stand by mine! But never let our differences divide us!

Joe Marsh

# 1 1/2 Billion Dollar Road Block!

RAILROADS MUST OPERATE around the clock every day and night of the year.

Although they know this, leaders of 16 railroad unions are demanding a five-day, Monday through Friday, week for one million railroad employees.

They want 48 hours pay for 40 hours work—in itself a 20% wage increase.

They also demand a minimum of 12 hours pay for any work performed on Saturdays, and 16 hours pay for any work performed on Sundays and holidays.

On top of all this they want an additional increase of 25c an hour for every employe!

### You'd Pay the Bill!

Summing up these demands, they mean that these union leaders seek to force the railroads to give one million employes an annual raise which would average \$1500 per employe!

The total cost of this would be no less than 1 1/2 billion dollars per year, which is more than twice the expected net income of the railroads this year.

You'd pay the bill, because if these increased costs are forced on the railroads,

they must have still further rate and fare increases.

### Demands Unreasonable

These employes have had substantial raises during and since the war. Their average weekly earnings are higher than the average weekly earnings of workers in manufacturing industries. They have more job security than the average worker in American industry. They also enjoy paid vacations, a retirement system and other advantages more generous than the average worker receives.

In contrast with the demands of these 16 unions, which add up to the equivalent of 48c an hour, the Conductors and Trainmen recently settled their wage request for an increase of 10c an hour.

### Railroads Run for Everybody—Not Employes Alone

The railroad industry must serve not one but many groups—producers, businessmen, shippers, passengers and the general public—night and day, every day of the year. These unions are proceeding in utter disregard of this important difference between railroads and other industries. Industrial plants can be shut down over weekends and holidays, but freight, mail, express and passengers must continue to move. *Everybody who enters railroad employment knows this.*

### Strike Threat

On September 18, 1948, the leaders of these 16 unions began taking a strike vote. *But the threat of a strike will not alter the opposition of the railroads to such unreasonable demands!*

Mr. and Mrs. G. S. Robinson and children of Ballinger are visiting this week with her mother, Mrs. L. R. Damron.

### Captain of Industry

Meet Butch—Pres., Treas., and Field Force of the One Man Odd Jobs Co., Uninc. Take a good look at him—for Butch is America.

Butch wants a bicycle. Lots of lawn and lemonade and baby-sitting lie between Butch and that bike, but we're betting on the boy. He has energy, vision, and our national habit of working hard for what he wants. He's American business—in miniature.

There are many names for Butch's philosophy. You can call it Free Enterprise, Opportunity, Democracy, or Capitalism, if you want.

But, whatever the name, America owes it much. For our most valuable natural resource lies in the ambition and initiative of Americans like Butch.

As great publications have grown from the dreams of young men with old handpresses—and great industries from the products of grubby little cellar workshops—the electric industry had small beginnings, too. Like our own company. A few men with vision strung the first small lines. People with faith risked their savings. Better and better service, at lower and lower cost, created more and more jobs—and carried the benefits of electric living to more and more people.

Free enterprise and hard work will bring Butch and his bike together. They are what built America and the American way of life, which is the highest standard of living in the world. No nation on earth has found a satisfactory substitute for that combination.

This advertisement, awarded "Advertising cum laude" in the September READER'S DIGEST, is reprinted in the Public Interest.

MR. & MRS. W. J. LOCKLEAR

Mr. and Mrs. Howard Cox of San Angelo were week end guests in the home of Mr. and Mrs. Jim Wiloughby. Additional guests for Sunday dinner included Mr. and Mrs. Thad A. Thomson and tea guests were the W. T. Whittens, Lewis Whittens, Morris Whittens, David Powells and the Milton Baughs.

Mr. and Mrs. Grover-Lee Johnson have moved to the city hall apartment, where they will take care of the fire calls which come over the dial phone from 5 p. m. to 8 a. m., and all day Sunday. They are furnished utilities, apartment, and probably a small salary to take care of the job, which was made necessary by switching to the dial system, thus eliminating a local operator.

Misses Tina McMullen and Edda Lou Meador, who attend SAC, spent the weekend here with their parents.

Mrs. W. R. Duncan, her sister, Mrs. Vernon Cavin, and her grandsons, Sherrell and Dan Gandy of Brady visited over the week end with Mr. and Mrs. O. B. Bradshaw and Mr. and Mrs. Jack Wade and families. Mrs. Duncan is the mother of Mmes. Bradshaw and Wade. Mr. and Mrs. Sam Oglesby have gone to Brownwood to visit their daughter.

Bob Oglesby, accompanied by his room mate, of Stephenville, were week end visitors in the home of his parents, Mr. and Mrs. Sam Oglesby.

Mrs. J. L. Neill and her brother-in-law and sister, Mr. and Mrs. John McLeod of Pontotoc, who visited relatives here Friday, spent the night in San Angelo, returning to their homes Saturday.

Mr. and Mrs. Billy Ashmore and son Tommy, and Mrs. C. A. May and son Bobby and daughter Sue Anne of Fort Worth visited last week with their parents and grandparents, Mr. and Mrs. J. D. Ashmore and other relatives here.

Mr. and Mrs. G. B. Moore of Colmanche visited one day last week with his brother, B. E. Moore and wife. A son, G. B. Jr. and wife, who accompanied them, visited in the Dee Love home. The family were returning from California.

Bob Copeland, who with his family has been out of town several months in revival work, moved his household goods last week end to Anton, where he will be Church of Christ minister. The church there recently bought a parsonage.

### Questions Answered About Boys Co-Op Ranch For This Area

Below are answers to some of the questions asked most about the Boys' Co-op Ranch for this area, organization of which is under way at this time:

1. Where is Boys' Co-op Ranch of West Texas to be located?  
The Ranch will be located near the little town of Tankersly in Tom Green County.

2. What is the need for the establishment of Boys' Co-op Ranch?  
Fundamentally, it is the eternal need of rearing youth toward a finer adulthood. In the entire stretch of territory between Alpine—Marfa area and Brownwood, there is not one home for parentless, neglected or dependent boys. Fourteen county judges in this area have attested that in a single year they could have recommended 33 boys for such a home—not habitual misdoers, but boys who might have been guilty of little more than the pranks that we ourselves indulged in as youths. If this average holds for all 32 counties, in one year almost 100 boys could be recommended. There are several such homes already in Texas but every one is full and has a long waiting list.

3. Can boys from our county be entered?  
Homeless, neglected or dependent boys from every one of our 32 counties who, according to juvenile authorities, are not so far on the road to delinquency to deserve to be sent to a reformatory—and there are many such boys who have no other place else to go—may be sent to Boys Co-op Ranch.

4. How is it to be financed in the future?  
The momentum given the ranch by the \$250,000 initial fund raising campaign will largely carry the ranch forward for its year to year budget requirements. Bequests, service club agreements such as the dollar-per-year-per-member understanding already existing in some civic organizations insurance policies, and land and property grants, plus the fact that the ranch will be partially self-supporting, will meet the needs of the ranch in the future years.

5. From what sources will boys come to the ranch?  
Boys will be sent to the ranch upon recommendation of juvenile authorities such as county judges to whom their cases have been submitted. As a basis of recommendation, the judge will consider whether there is any other suitable home or guardianship to which the boy may be assigned.

6. Have you a superintendent in mind?  
More than 50 applications have come in for such an appointment, some from experienced, highly qualified persons.

7. How will boys attend school?  
Buses will take boys to schools in nearby communities.

Sam McGinnes was honored on his 59th birthday with a family dinner Sunday at his home. Present were Mr. and Mrs. McGinnes and Floyd, the Elton McGinnes family, the Albert McGinnes family, all of Eldorado, Mrs. Ben Brooks of Tennyson, and Mr. and Mrs. Joe Poynter of San Angelo.

Mr. and Mrs. Carl Ellington and daughter, Lilla Jean spent the week end in Austin with their daughter and sister, Mary Lillian, student at the University. While there, they attended the Texas-Ark game and saw the Phillip Morris Show, featuring in person, Dick Cantino, famed accordion player.

### Health Program Given At PTA

"The Home—in the Light of the Health of the Family" was the subject of the program when the Parent Teachers Association met Tuesday afternoon in the school auditorium.

The program opened with Jerry Johnson, seventh grade student, demonstrating a "typical" pupil who told the teacher various historical incidents as he had learned it from his "pa". This was followed by a song presented by pupils of the sixth grade, accompanied by Miss Lucille Farmer.

A quiz program, with C. F. Jones as announcer, was conducted by elective pupils from the two seventh grades, sponsored by Miss Farmer and Mr. Jones. Pupils taking part were Mae Runge, Esther Jones, Jerry Perry, Myrl Sudduth, Carol Lynn Dickens and Bill Ethredge.

In the business session, with Mrs. J. C. Ratliff in charge, Mrs. Don Severns, secretary, read the following recommendations from the executive board which were voted on and passed by the assembly: that the room mothers take care of the expense and entertainment of parties in any way that they see fit; that the PTA purchase an audiometer; and that Mrs. Ratliff serve as the delegate to the State PTA Convention in El Paso on Nov. 18 and 19, and that an alternate be chosen.

Mr. and Mrs. E. W. Mund, Becky and Jack, Mrs. Henry Mund and Charles (Tart) Mund visited last Thursday night at Waco with Jane Mund, daughter of the E. W. Mund and student at Baylor. On Friday, they went on to Temple where Mrs. Henry Mund underwent minor surgery, and returned home Friday night.

**REVENUE-BEARING PECAN TREES**—Part of the budded pecan grove at Boys' Co-Op Ranch near Tankersly. The grove has yielded over \$4,000 annually. Homeless or neglected boys and even misdoers who judges do not think should be submitted to the hardening environment of a reformatory will be admitted to live at the Ranch.

Relatives visiting last week with Ira McDonald, who has been on the sick list for some time included Mr. and Mrs. E. E. Spencer and Billy of Kerrville; Mr. and Mrs. Joe Flynt and Eva Joe of Ballinger; Leo Spencer and Leota of Bertram; Mr. and Mrs. C. O. Spencer and Janice of Ozona; Mr. and Mrs. Wesley Farrington of Christoval and Misses Wanda Dannheim and Loleta Farrington of San Angelo.

Mr. and Mrs. Claude Dittmore of Tennyson attended the football game here Friday night and visited until Saturday in the home of their daughter, Mrs. Elton McGinnes and family.

#### ORGAN DONATED

A beautiful electric organ has been given to St. James Episcopal Church in Ft. McKavett by members and friends in loving memory of some of the pioneer women who worked so unselfishly and gave of their time to the church, and for others who have died in later years. A plate with all names who have been so honored will be hung in the church and a Book of Memory will be placed in the church with all names of those who have made the memorial possible. A dedication will be held at some further date with the Rt. Rev. Everett Jones officiating.

#### IN THE MATTER OF THE QUARTERLY REPORT OF

### MRS. MABEL PARKER

TREASURER, SCHLEICHER COUNTY, TEXAS

IN THE COMMISSIONERS' COURT, SCHLEICHER COUNTY, TEXAS

OCTOBER 11TH TERM, 1948

On this 11th day of October A. D., 1948, in Regular Session of the Commissioners' Court of Schleicher County, Texas, came on for examination the Quarterly Report of Mrs. Mabel Parker, Treasurer of Schleicher County, Texas, for the period beginning on the 1st day of July A. D. 1948, and ending on the 30th day of September A. D. 1948, filed herein on the 5th day of October A. D., 1948, and the same having been compared and examined by the Court, and found to be correct, IT IS THEREFORE ORDERED by the Court that the same be and is hereby approved, and it appearing to the Court that during said time the said County Treasurer had received for account and credit of, and paid out of each of the several County funds, the amount set forth, and leaving balance to each of said funds, as follows, to-wit:

Amount balance to credit of the Jury Fund as per last report	1220.08
Amount received since last report	2.85
Total "Cr." as shown by current report	1222.93
Amount paid out and disbursed since last report	171.97
Leaving and showing to credit of Jury Fund on September 30th, 1948, a balance of	1050.96
Amount to credit of the Road and Bridge Fund No. 1 as per last report	6196.55
Amount received since last report and transferred from other funds	380.25
Total "Cr." as shown by current report	6576.80
Amount paid out and disbursed since last report	5583.91
Leaving and showing to credit of R. and B. Fund No. 1, on September 30th, 1948, a balance of	992.89
Amount to credit of the Road and Bridge Fund No. 2 as per last report	1732.09
Amount received since last report and transferred from other funds	100.09
Total "Cr." as shown by current report	1832.18
Amount paid out and disbursed since last report	1744.08
Leaving and showing to credit of R. and B. Fund No. 2, on September 30th, 1948, a balance of	88.10
Amount to credit of the Road and Bridge Fund No. 3 as per last report	5680.19
Amount received since last report and transferred from other funds	100.09
Total "Cr." as shown by current report	5780.28
Amount paid out and disbursed since last report	2351.58
Leaving and showing to credit of R. and B. Fund No. 3, on September 30th, 1948, a balance of	3428.70
Amount to credit of the Road and Bridge Fund No. 4 as per last report	3213.85
Amount received since last report and transferred from other funds	261.37
Total "Cr." as shown by current report	3475.22
Amount paid out and disbursed since last report	2343.81
Leaving and showing to credit of R. and B. Fund No. 4, on September 30th, 1948, a balance of	1131.41
Amount balance to credit of the General Fund as per last report	3716.08
Amount received since last report	171.50
Total "Cr." as shown by current report	3887.58
Amount paid out and disbursed since last report	3744.76
Leaving and showing to credit of General Fund on September 30th, 1948, a balance of	142.82
Amount to credit of Road Bond Interest Fund (1919 Ser) as per last report	2591.14
Amount received since last report	None
Total "Cr." as shown by current report	2591.14
Amount paid out and disbursed since last report	None
Leaving and showing to credit of Road Bond Interest Fund on September 30th, 1948, a balance of	2591.14
Amount balance to credit of the Court House Int. Fund as per last report	1985.57
Amount received since last report	9.96
Total "Cr." as shown by current report	1995.52
Amount paid out and disbursed since last report	1.82
Leaving and showing to credit of Court House Interest Fund, on September 30th, 1948, a balance of	1993.71

Amount balance to credit of Schleicher Co. Park Bond Building Fund as per last report	29,909.24
Amount received since last report	None
Total "Cr." as shown by current report	29,909.24
Amount paid out and disbursed since last report	15,336.00
Leaving and showing to credit of Park Bond Building Fund on September 30th, 1948, a balance of	14,573.08
Amount balance to credit of Schleicher Co. Park Bond Int. Fund as per last report	5651.97
Amount received since last report	14.22
Total "Cr." as shown by current report	5666.19
Amount paid out and disbursed since last report	1542.45
Leaving and showing to credit of Park Bond Interest Fund on September 30th, 1948, a balance of	4123.74
Amount balance to credit 1945 Road Operating Fund as per last report	9871.95
Amount received since last report	None
Total "Cr." as shown by current report	9871.95
Amount paid out and disbursed since last report	None
Leaving and showing to credit of 1945 Road Bond Operating Fund on September 30th, 1948, a balance of	9871.95
Amount balance to credit of Schleicher Co. 1945 Road Bond Int. Fund as per last report	2985.38
Amount received since last report	14.22
Total "Cr." as shown by current report	2999.60
Amount paid out and disbursed since last report	None
Leaving and showing to credit of said Road Bond Int. Fund on September 30th, 1948, a balance of	2999.60
Amount balance to credit of the Permanent Improvement Fund as per last report	4321.31
Amount received since last report	21.32
Total "Cr." as shown by current report	4342.63
Amount paid out and disbursed since last report	2589.91
Leaving and showing to credit of Per. Imp'vt Fund, on September 30th, 1948, a balance of	1752.72
Amount balance to credit of the Road Warrants Fund as per last report	447.32
Amount received since last report	7.12
Total "Cr." as shown by current report	454.44
Amount paid out and disbursed since last report	32.50
Leaving and showing to credit of Road Warrants Fund on September 30th, 1948, a balance of	421.94
Amount balance to credit of the Road and Bridge Special Fund as per last report	51.65
Amount received since last report	14.22
Total "Cr." as shown by current report	72.57
Amt. paid out and disbursed since last report & trans. to Rd & Bridge	1.19
Leaving and showing to credit of Road and Bridge Special Fund on September 30th, 1948, a balance of	71.38
Amount to credit of the Schleicher Co. Lateral Rd Fund as per last report	1052.98
Amount received since last report	10,432.55
Total "Cr." as shown by current report	11,485.53
Amount paid out and disbursed since last report	2,692.55
Leaving and showing to credit of Schleicher Co. Lateral Rd. Fund on September 30th, 1948, a balance of	8,792.98

And that said amounts were received and paid out of each of the respective funds since the filing of the preceding Quarterly Report of said County Treasurer, and during the period above stated, and that the said separate amounts as therein shown are correct. IT IS THEREFORE, FURTHER ORDERED by the Court, that the said detailed report be, and the same is hereby, in all things approved, and the Clerk of this Court, is hereby ordered to enter the said report, together with this order, upon the Minutes of the Commissioners' Court of Schleicher County, Texas, and that the proper credits be made in the accounts of the County Treasurer in accordance with this order.

Witness our hands, this 11th day of October A. D., 1948.
