NUMBER 36

Good Enrollment Increase Shows Up in Schleicher Schools Monday

A noticeable increase in enrollment was reported Tuesday at a special school assembly in the school auditorium. According to figures released by Supt. T. E. Holcomb at that time, the school now has the largest enrollment in its history.

By Tuesday morning the enrollment was 503, as compared with 448 on opening day last year. Of these, 285 were in the first six grades, and 218 in the upper grades from 7th through 12th. This does not count the negro school which also opened this week with Bertha Mae Miles as teacher.

The new school superintendent, T. E. Holcomb, was master of ceremonies at the assembly, which opened at 9:00 Tuesday morning, with the entire school and many parents in attendance.

The program opened with group singing of America, led by Miss Lucille Farmer. Rev. Charles Bruce of the Presbyterian Church read the scripture from the story of Esther, citing the bravery of this Biblical character as an example of the strength the world needs today. He added that none are so handicapped that they cannot become spiritual giants, that social and moral attitudes determine one's spiritual development. "Today is your day, tomorrow is too late," he said, adding that today's children may save their generation.

While the school band has been having rehearsals only about a week, they made a most creditable appearance at the assembly, playing two numbers, then concluding with the school song, under direction of the new band leader, Charles H. Ludwig.

Mr. Holcomb then greeted the student body and the visitors, and in a brief talk stated, "As goes your school, so goes the world." He expressed the appreciation of the faculty for the welcome given the teachers and for the interest in the school shown in many ways. He stated that it was the aim of the faculty to make this the best year the school has ever had.

Wyndell Hall, grade school principal, introduced the teachers and pupils of the first six grades, giving each group an appropriate name. He also mentioned the three special teachers who spend part of their time with the grade school groups.

Of interest to adult visitors in the audience was the fact that the primary grades alone—the various sections of the first three grades—occupied the entire south section of the auditorium.

W. J. Fraker, the new high school principal, introduced the classes from the seventh grade up, and also the high school teachers and special teachers.

Mrs. Charles Gary gave a reading, in which she related an incident which she said took place during Holcomb's and Fraker's college days!

With Miss Lucille Farmer as pianist and director, the girls' sextette sang. Members of the sextette were Myrta Bob Harper, Margaret Edmiston, Helen Morgan, Sue Shilling, Carolyn Ratliff, and Lola Beth Ballaw.

Charlene Atkinson and Pansy Owens presided at the flag salute with which the program closed.

PTA Memberships Taken

While committees have been at work during the summer and the new officers have been on the job during that time, formal launching of the new year took place Tuesday morning when PTA officials sold memberships in the organization before and after the program. Paid members comprise the working nucleus of the group as they have votes in Parent-Teacher questions. Part of the small membership dues assessed goes to state and national headquarters to be used in promoting various activities of interest to parents and the schools, and in helping local units to function at their best level.

Marvin McAngus heads the Eldorado unit this year.

Faculty Is Complete

The complete faculty is as follows:

High School

W. J. Fraker, high school principal.
Charles A. Ludwig, Band.
Jane Overby, Business Administration.
Mrs. Charles Gary, English.
Katherine Hill, English.
Patricia Keffer Moore, English.
Frances Barton, Homemaking.
Jewel Shelton, Librarian, English.
Charles Gary, Mathematics.
Lucille Farmer, Music.
John Waldrum, Physical Educa-

tion and Science.

Miers Johnson, Physical Education and Science.

Wayne Griffin, Shop.

Wallace Price, Social Science.

Mrs. Mary Lou Griffin, Physical Education.

Grade School

Wyndell Hall, Grade School Principal.

Mrs. Nancy Thompson, 1st.

Mrs. Imogene Newport, 1st.

Jo Beth Taylor, 1st.

Mrs. D. C. Royster, 2nd.

Margaret Wilkinson, 2nd.

Thelma Ellington, 3rd.

Mrs. Evelyn Nelson, 3rd.

Ina Mae Lightsey, 4th.

Mrs. Payne Robinson, 4th.

Mrs. Wallace Price, 5th.

Mrs. Irene Thornton, 5th.

Mrs. Jimmy Lou Taylor, 6th.

Mrs. Pauline Martin, 6th.

All other teachers were on the job Friday, enrollment day, and again this week for regular classwork.

Faculty Is Highly Trained

Of interest to the general public is the fact that all of the teachers in the school system have degrees, that they are teaching in their major fields, and that seven have Master's. Six high school teachers are new in the system, and also several grade teachers.

Cafeteria Open

The school cafeteria is open, with Mrs. Elvis Craig as manager of the school lunchroom and Mrs. Russell Donaldson and Mrs. Sam Gausmeier as her assistants. Some minor changes are being worked out in the room.

The Negro school opened Monday in remodeled quarters, and with an opening enrollment of about 20.

Mrs. Askew Opens School of Dance Next Wednesday

Mrs. Gwen Askew of Sonora, who is highly qualified by education and experience for her line of work, will return to Eldorado this year to open her school of dance.

Mrs. Askew was in this city Tuesday making arrangements for her opening class period, which will be Wednesday of next week in the Memorial Building.

Mrs. Askew has been in San Antonio this summer where she has been instructing in a Fred Astaire dance studio, and managing a branch studio. A graduate of Gladys Heights School of Dance in Chicago, she is a member of the Texas Association of Dance Members and a direct member of Dance Members of America (DM of A).

Her classwork will include ballet, tap, acrobatic and ballroom dancing. This will be her third year as a dance teacher here.

She announces that all who are interested in the course may call Mrs. Horace Linthicum.

Stewart Williams has landed in Tokyo, report Mr. and Mrs. John Williams, who state that he had made the trip by plane, with stops at Honolulu, Wake and Johnston Islands and other places en route.

His new address is: Cpl Frank S Williams, US 54025042 APO 201 % Postmaster San Francisco, Calif.

Mr. and Mrs. Russell Donaldson have word from their son, Billy Frank Carson, in Germany, that he has been promoted to Sergeant First Class.

Gerald A. Henderson, son of Mr. and Mrs. C. C. Henderson of this city, and his family, left Tokyo Friday, August 31, according to a letter received by the family here Tuesday. His family consists of wife and two sons, one of whom he has never seen. He has been stationed there three years, and he has been in service twelve years.

He expects the trip to San Francisco to take about ten days, remain in that city about two days, then the family will fly to San Angelo. Mrs. Henderson has relatives in Victoria. Mr. Henderson hopes to be stationed hereafter somewhere in Texas.

Glyndon Aldredge, who is stationed at Wichita Falls, spent from Saturday to Monday here with his mother, Mrs. Jerome Mitchell and her family.

Pfc Wayne McGill, who has been stationed in Illinois for some time, has been transferred to Warrensburg, Mo., to start on a business course. He is the son of Mr. and Mrs. Tom McGill.

Summer Round-up Work Is Completed

The Summer Round-up Committee of the Parent Teacher Association has completed its work, and has tabulated results of the round-up.

Committee Chairman Mrs. Patton Enochs, with Mrs. L. L. Kinser, Mrs. Lester Early, Mrs. Lum Davis, and Mrs. Luke Thompson assisting, reports that 38 were present with their parents at the Round-up and that 11 were taken care of later in the summer. To date there are 45 Anglo-American primaries and 12 Latin American.

POST - SCRIPT

Guess this publisher has been here a long time. For the first time in the post war years, we forgot to mention to the family that we've chalked up another year in Eldorado. We took over publishing of the Success the second issue in August 1945—six years ago.

Prissy Linthicum is quite disturbed over the loss of her Chihuahua dog—and we understand that her mother misses it too. They think it might have followed them to the highway, and gotten picked up by some passing motorist. Anyway—it's missing from Do Ci Ranch, and they'd like to have it back.

The northeast third of Schleicher County which received big rains recently is looking green again, showing the benefit of the heavy rainfall. The little damage done by washing has been repaired, and ranchers are sitting back and watching the grass grow. They all agree that they could use more rain, though.

One sign of a growing town is when you see building going on out on the outskirts.

One scene of activity this week is out on the Menard highway just across the railroad track. First you come to the Santa Fe right-of-way, which is covered with stacks of pipe and supplies of all kinds belonging to the Ohio Oil Co.

Next you come to a construction crew who are fencing in a block of land preparing to build a warehouse and office for the State Highway Department. This construction crew expects to be here nearly two months.

Next to this is the county barn, in process of construction, and across the road Delbert Edmiston is working on his land for the new theater.

Let's of activity out there!

It is hoped that the crop will be larger than people think it will be. The drought is thought to have taken a big percentage of the crop—but cotton being cotton, it sometimes surprises the grower and produces more than he expects.

It always surprises the general public how rapidly a stretch of hillside can begin to look like a budding oil field. The new Henry Mittel well started things out that way—suddenly there are new roads and cattle guards, plus leveling off of places for two offsets and a third one already rigged up and drilling—everything all cleaned up around the discovery well and tanks in place on a nearby hill. And two derricks light up the place at night.

Unless there is unusual care on the part of the general public and farm and ranch families, there will be lots of grass fires this fall. The present situation is just right for starting of fires—grass and weeds along highways and fences, and in range country, are bone dry, exactly right for the starting of fires.

Because of the necessity of furnishing as many head of live stock as possible for the consuming public, everyone is worried over the situation. A blackened range resulting from a carelessly dropped match can cost a lot.

The nation needs every pound of meat producers can furnish and the grass is the cheapest source of feed. State officials urge everyone to organize into groups for fighting of fires and better still for preventing them from starting.

Completion of the West Road to the Barnhart-Ozona Highway by October 1 doesn't seem impossible,

EAGLE SQUAD BEING PUT THRU HARD PRACTICE

With the first football game of the season barely a week off, Coaches Puny Waldrum and Miers Johnson were working out daily with the team this week to meet Llano, there, on September 14. Coach Waldrum said that the Llano team, which won first in their district last year, will have most of their old team back, and that it should be a good game.

The coaches announced the probable starting line-up as follows: Center, Truman Biggs; Guards, David Powell, Winfield Fry;

Tackles, John Phillips, Lynn Griffin, James Connor; Ends, Roger Sofge, Bill Cheek, James Logan;

Quarterback, Bill Bearce or Sam Whitten; Fullback, E. H. Nixon; Left Halfback, Bobby Galbreath or Frank Edmiston;

Right halfback, Pinkney Craig. First substitutes are: James Connor, Jimmy Doyle, Buddy Estes, Truett Stanford, Wilson Humphrey, Jimmy Morgan, Vernon Phillips, W. A. Smith, Jack Stanford and Billy Tom Young.

All told, there are 40 boys on the squad, with most of the main team back from last year, Coach Waldrum pointed out.

Scrimmage Saturday

The team from Big Lake came here Saturday for scrimmage play. The coaches pointed out that Big Lake, along with Iraan and Mason, are no longer in this district. The Eldorado Eagles will meet Eden for the first time this year in this district.

Coaches Attend Meetings

Last weekend Coaches Johnson and Waldrum and Supt. T. E. Holcomb attended a Rules and Interpretation meeting in San Angelo, with other officials from the area. Wednesday night the same three, with W. J. Fraker, high school principal, took in a meeting of school men in Junction for the purpose of certifying eligibility of football players.

Junior High Team

Coach Johnson, who has charge of the Junior High team, issued suits this week to the boys, who are from grades 7 and 8. Out of the 50 who reported, there will be about 35 taking football, it was stated.

The schedule and plans of the Junior High team are indefinite at this time.

Those reporting were: Franklin Tuckness, Herman Phillips, Hubert Hight, David Kuykendall, Billy Williams, George Sofge, Jimmy Whitten, Ronnie Kerr, Bernay Sheffield;

Taylor King, Jimmy Harris, Curtis Stockton, Larry Capansky, Tony Cheatham, Jimmy Carroll, Donald Parks, Jimmy Brown, Kenneth Pennington.

John L. Dickens, Robert Bruce, H. L. Turnbow, Frank Otto Prochaska, Monte Hill, Bob Ratliff, Ray Tidant, Charles Griffin;

David Holden, Jimmy Westbrook, Bobby Jeffrey, Vernon Baker, Dorfan Haens, Bob Stewart, Rudolph Minor, James Lee Swain, John Edward, Romelode Robledo;

Noel Dannheim, Sherrill Dannheim, Charles McLaughlin, Cecil Jeffrey, Lee Neitherrut, Harold Lloyd, Ray Stevens, Herman Early, W. L. Wilson, Ralph Taylor, Clyde Bauguess, Bill Gaynor, Billy Parker.

Those visiting in the Jim Willoughby home were Mr. and Mrs. C. Sammons of Corpus Christi, Mr. and Mrs. A. B. Sammons of Fort Worth, T. R. Sammons of Grants Pass, Oregon, and Mrs. Frank P. Cole of Tulsa. The Frank Meadors joined them at dinner Sunday evening. Ann Cole, who spent nearly two months with the Willoughbys, accompanied her mother home.

In the Huldale-Strawn field, Standard of Texas No. 2-2, (originally 4-2) H. F. Thomson estate was drilling below 750 feet. Surface pipe will be set when the project reaches approximately 1,400 feet.

Ohio No. 14 Thomson is drilling below 3638 feet in lime and sand. Ohio No. 15 Thomson is digging below 3452 feet in lime and shale and Ohio No. 17 Thomson is drilling below 3978 feet in the same formation.

Wesley W. West No. 2 Mrs. Christina Mittel, northwest offset to West No. 1, Pennsylvania lime discovery has been spudded to 600 feet where surface pipe was cemented. At last report operator was drilling plug to dig deeper.

Pan American has spudded in its No. 1-B Christina Mittel 660 feet from north and west lines of the southwest quarter of section 78. It

26 Producers In Huldale Vicinity

Counting as of yesterday there are 7 producers in the north Huldale field, 18 in south Huldale and 1 producer on Mittel's—making a total of 26 producing wells in the North Schleicher area. Recently there were 12 rotaries in that area, and a number of spudders, and a gathering system under construction. It is conservatively estimated that over 400 men are employed in the field in one capacity or another.

G. W. Strake has completed his No. 2 J. Forrest Runge as the 7th producer in the north Huldale Pennsylvania field of central north Schleicher County. This new producer was completed for a daily flowing potential of 717 barrels of 40-gravity oil and no water.

The flow was from perforations in casing at 5,599 to 5,606 feet and through a 12-64 inch tubing choke. Daily potential was based on a six-hour gauge of 179 barrels of oil. Gas-oil ratio was 622-1. Operator used 500 gallons of mud acid to complete the well which is located 330 feet from south and 1,977 feet from west lines of section 66, block M, GH&SA survey and one location east of the discovery well of the field.

Hiawatha Oil & Gas Company and Dan Auld No. 1 Jeff Harkey, central-north Schleicher County wildcat, is drilling below 5,682 feet in lime and shale. This project found interesting shows of oil on two drillstem tests in the top of the Canyon sand, but in each instance the oil was accompanied by water. On the latest drillstem test, which was taken in the interval from 5,060 to 5,127 feet, recovery was 340 feet of very slightly gas-cut mud and 80 feet of salt water.

Previously the project made 840 feet of heavily oil- and gas-cut mud and 1,052 feet of sulphur water. The Canyon sand was topped at 4,845 feet. Location is 660 feet from north and east lines of section 77, block T, GH&SO survey and 24 miles northeast of Eldorado.

Registering a daily potential of 362.62 barrels of oil, American Republics No. 4 H. F. Thomson estate Tuesday became the 17th completed producer and the firm's fourth in the Huldale (Pennsylvania) field in northern Schleicher County.

The rating was based on a 12-hour gauge through a quarter inch choke and four jets to the foot and two bullets per foot from 5696 to 5726 feet in 5½ inch casing cemented on bottom at 5,734 feet. Gas-oil ratio was 6002-1. Pay was topped at 5,610 feet. No. 4 Thomson is on the south-east side of the field, 646 from the north, and 1120 feet from the east line of section 82.

The Ohio Oil Company No. 12 Thomson was brought in Wednesday for the 18th producer in south Huldale. Potential has not yet been determined. This test is located in the northeast part of the field.

Standard Oil Company of Texas No. 2-1 Mrs. Frances May Thomson is a dry hole in the north Huldale field. It was reported plugged and abandoned on total depth of 5,672 feet. The last drillstem test in the failure indicated that oil was present in the formation from 5646-72 feet, but it was accompanied by salt water which killed its chances of making a commercial producer.

In the Huldale-Strawn field, Standard of Texas No. 2-2, (originally 4-2) H. F. Thomson estate was drilling below 750 feet. Surface pipe will be set when the project reaches approximately 1,400 feet.

Ohio No. 14 Thomson is drilling below 3638 feet in lime and sand. Ohio No. 15 Thomson is digging below 3452 feet in lime and shale and Ohio No. 17 Thomson is drilling below 3978 feet in the same formation.

Wesley W. West No. 2 Mrs. Christina Mittel, northwest offset to West No. 1, Pennsylvania lime discovery has been spudded to 600 feet where surface pipe was cemented. At last report operator was drilling plug to dig deeper.

Pan American has spudded in its No. 1-B Christina Mittel 660 feet from north and west lines of the southwest quarter of section 78. It

is located south of the Mittel discovery well.

E. B. Fletcher of Dallas has plugged and abandoned his No. 1 Mrs. Mary O'Harrow Robinson, wildcat in Schleicher County, on total depth of 6,216 feet in the Ellenburger.

Baseball Teams Continue Games

Last Friday night the Mertzton team came to Eldorado and trimmed both of the local nines. They beat Ohio 6 to 4, and the City team 5 to 3.

Tonight (Thursday) the City team goes to Mertzton to try their luck again.

Local managers report that in addition to donated labor, the cash cost of the ball field lights came to \$436. Over \$300 in cash has been collected and paid toward this bill, and there is \$125 still due. The members of both the local teams appreciate very much the generous donations that have been made to date.

Game Monday Night

It was announced yesterday that Ohio and City teams will meet for a game on Monday night under the lights. The first three innings will be a comic game, after which they will engage in regular fastball.

WOMAN'S CLUB PLANNING MEET HELD WEDNESDAY

In an informal meeting Wednesday in the home of Mrs. James Page plans were formulated for the new year's work of the Eldorado Woman's Club. Mrs. Edwin Jackson announced committee members for all standing committees and outlined their duties. At the same time, the year book committee headed by Mrs. Jess Walston completed the year's program.

This year's study will be on "Public Affairs" and each program is planned to deal with some phase of public affairs of interest to women, as it affects women, and the influence Federated women may have on public affairs. The first meeting of the year will be in the form of a coffee to be held in the club room at 9:30 a. m., Tuesday, September 11th. Hostesses will be the Executive Board, and Mrs. L. D. Chrestman will be program director. It is hoped that the year may be started with 100 per cent attendance. The yearbooks will be given out at that time, and dues for the year accepted.

Officers and committees for 1951 to 1952 are as follows:

President, Mrs. Edwin Jackson; first vice president, Mrs. Jess Walston; second vice president, Mrs. J. E. Spencer; secretary, Mrs. James Page; treasurer, Mrs. John Stigler; historian, Walter Ramsey; parliamentarian, Mrs. D. E. DeLong; club counselor, Mrs. V. G. Tisdale.

Department chairmen: American Home, Mrs. L. D. Christian; Citizenship, Mrs. E. F. Meador; Education, Mrs. E. K. Nimitz; Fine Arts, Mrs. Carl Stevens; International Relations, Mrs. J. E. Tisdale; Legislation, Mrs. L. D. Ochsner; Public Welfare, Mrs. Keno Ogden; Press and Publicity, Mrs. Arthur Mund; Extension Secretary, Mrs. Archie Mittel.

Standing Committees: Calendar, Mmes. Jess Walston, S. D. Harper, R. J. Page; Social, Mmes. J. E. Spencer, Marvin McAngus, M. G. Holcomb; Library, Mrs. Bert Page, Mrs. E. W. Craig; Telephone, Mmes. Jno. Williams, W. T. Huber, W. T. Whitten; Beautification, Mrs. D. E. DeLong, Mrs. D. J. Wilson; Study Course Librarian, Mrs. Jess Walston; Time Keeper, Program Leader.

At Howard Payne two local boys are out for football, Billy Ray Jones has returned there for another year after lettering last year, and Glenn Biggs, Freshman, is trying out for the first time.

Visiting Mrs. L. R. Damron Sunday were: Mr. and Mrs. Bill Crocker, Miss Geneva Farmer, and Miss Martha Thompson, of Fort Worth; Mr. and Mrs. Melvin Dean and baby Susie of Waco; and Mr. and Mrs. Ray Malone and children and Mr. and Mrs. George S. Robinson and children, all of Ballinger.

The Henry Moore family made a trip last week to El Paso, White Sands, Cloudercroft and Juarez.

Several Attend 6th District Clinic On Safety Yesterday

Several members of the Woman's Club attended the Safety Clinic and annual board meeting for sixth district, Texas Federation of Woman's Clubs, Wednesday in San Angelo. Included in the group attending from here were Mrs. Edwin Jackson, Mrs. Arthur Mund and others. The district president, Mrs. Jeff D. Jackson of Lampasas, called the meeting to order and turned the program over to the safety committee. Speakers included Mrs. Jud Collier of Mumford, state safety chairman, Mrs. Agnes Beaton of Washington, D. C., and J. O. Musick, general manager of the Texas Safety Association. A board meeting was called during the day.

WCS MEMBERS TO ATTEND SEMINAR IN EDEN

Members of the WCS of the Methodist Church will meet at the church next Wednesday morning if they wish to attend the missionary education seminar of the San Angelo District, at Eden. The group will leave the church at 8:00, and carry a picnic lunch.

The theme of the meeting is "The Church for You Doth Wait." There will be two studies during the morning, on Latin America, and on the Book of Acts. There will be also meetings of children's and youth secretaries during the morning. In the afternoon the studies will be on Family Life, a Christian Concern, and Churches for our Country's needs.

A number from the local church plan to attend.

Wallis Cozzens of Midland has returned home after an overnight visit with his mother, Mrs. Mattie Cozzens. He took his daughter home with him, after leaving her here with his mother for six weeks while he and his wife got established in Midland.

Mr. and Mrs. O. Sudduth and Mrs. John West returned Thursday from a two-day visit with the C. A. W. A., and E. D. Spencer families at Harper.

Mr. and Mrs. L. B. McClary of Big Spring, former Eldorado residents, spent from Saturday through Monday with old friends in Eldorado.

Mr. and Mrs. Paul Hamby and son, Keith, of Dallas, spent the weekend with the Jess Thompsons. Mrs. Hamby is the former Frankie Thompson.

Otis Deal, who lives in Merton and works the ranch which he owns in the Reynolds community, is tearing down the house on the place and will build a new ranch-house. It is understood that the Deals will live most of the time on the ranch.

First Baptist News

We welcome the many visitors to our services Sunday. Mr. and Mrs. James Ward and Mrs. Edna from Eastland, Texas, were weekend guests of Rev. and Mrs. Clifford Nelson. Also Mr. Isabell from San Antonio, Bro. and Mrs. Holmes and family of the city, and perhaps others that we did not know about. We are always grateful for those who visit us on the Lord's day in the Lord's house.

We hate to lose our many fine boys and girls who will be going away to college this week, but we wish for them the best of everything in their school year. Ebba Jean Blaylock, Jane Mund and Jack Mund will be leaving for Baylor. Iretta Faye Mace and Sonny Stanford go to Texas Tech. Durward Rutland and Glenn Biggs leave for Howard Payne. We are going to miss them from our church life.

There will be an important meeting of all the men of the church Monday night, Sept. 24. We also invite all other men who would be interested in the work of our church to be present for that meeting. The speaker for that hour will be Mr. J. Ivey Boggs of Dallas, who is our State Brotherhood president. This will be a vital meeting for the life of our church. All men of church are urged to be present, and all visitors are welcome.

Fall revival dates are set, September 28 through October 7. Rev. H. J. Starnes of Weatherford will do the preaching and Rev. J. K. Bissett of Burkett will have charge of the song service. All are welcome to these services which will be held twice daily at 10 a.m. and 8:00 p.m.

We welcome Bro. and Mrs. Isabell into our church fellowship. If your home is to be in Eldorado and you are a Baptist we invite you to make our church your church home.

ATTEND FAMILY REUNION AT HOME OF McMILLAN

Members of the family of the late C. R. McMillan held a family reunion Saturday night and Sunday at the home of Mr. and Mrs. Ralph McMillan of this city. Those present were Mr. and Mrs. K. R. Herbert of Austin, Mr. and Mrs. R. I. Collier of Big Lake, Mr. and Mrs. T. A. McMillan and Mr. and Mrs. L. O. McMillan and daughter of Winters, Mr. and Mrs. T. A. Parks and Mr. and Mrs. E. L. Harms and two children of San Angelo—also the following from Schleicher County: Mrs. Paul Nixon, Mrs. Lewis Ballew, Mr. and Mrs. Dwight Wiedenmann, and Mr. and Mrs. Ralph McMillan.

Mr. and Mrs. John Stigler, Eldorado jewelers, attended the Gift Show in Dallas.

LOYALTY SUNDAY COMING AT METHODIST CHURCH

This coming Sunday, September 9, will be loyalty day at the Methodist church. Vacation time is over and it will be a general returning of all members to regular church attendance.

A full house is expected Sunday morning as the church now has one of the largest memberships in its history. Every member is urged to be present Sunday morning and friends of the church are always welcome.

The church has been preparing for some time now for its evangelistic mission, dates of which have been set for over a year, which is to be October 6 to October 14. Every Methodist church in Texas will have an evangelistic mission in October.

Rev. Rollo Davidson of Northwest Texas will be the preacher for the local Methodist Church, it was announced this week by Rev. Roy Shilling. In the latter part of the month Rev. Shilling will be in Northwest Texas conducting a like mission.

Of interest also to Methodist men will be the fellowship meeting next Monday evening September 10. Any man is welcome for the supper and for the fellowship program. Time will be 7:30 p.m.

This year because of the evangelistic mission coming in October, all Methodist churches will observe World Communion Sunday on September 30.

Ray Shilling urges all to remember these dates:

- Sept. 9—Church Loyalty day.
- Sept. 10—Men's Fellowship supper.
- Sept. 30—World Communion Sunday.
- Oct. 6 to 14—Evangelistic Mission.

Between semesters at SMU George Finley is spending a week with his parents, Mr. and Mrs. H. T. Finley. Accompanying him is Bill Miliken. George will return to SMU to continue with his law work.

Mr. and Mrs. Bud Davidson and Mrs. Roy Davidson spent the weekend near Dryden with Mr. and Mrs. Clyde Young, relatives of the Davidsons.

Eva Loy Wheeler of Santos spent from Tuesday to Friday here with her sister, Mrs. L. E. McCalla and her family.

HONORED ON BIRTHDAY

Honoring Gene Edmiston on his birthday, his son and daughter-in-law Mr. and Mrs. Orval Edmiston, entertained with a birthday barbecue dinner at their home Tuesday night, about 28 members of the family attending, also several friends.

Present were Mrs. Rudy Spigarelli and three children, daughter of the Edmiston, who left the following day for her home at Pittsburg, Kansas; Mrs. Frances Mund; Mrs. Wendell Yates and two children of San Angelo; the H. A. Belks and four children, the Gene Edmiston and Billy Jean and Mary Dell, and the Orval Edmiston family, and the L. B. Sheffields.

PARTY FOR COLLEGIANS

Honoring those who are leaving for college, Mrs. Ben Biggs and Mrs. E. W. Mund entertained with a party at the Memorial Building Thursday night. During the evening the roll was called of those present, and each responded by telling where he was going and what courses he was planning to take.

The hostesses served home made ice cream and cake.

Mr. and Mrs. Grover Lee Johnson and the latter's mother, Mrs. Bertha Wilson, spent the Labor Day weekend at Gonzales. The Johnsons joined relatives on a weekend fishing trip on the Guadalupe.

Mrs. C. P. Hunnicutt of Snyder and Mr. and Mrs. James Guthrie and baby of Temple have been visiting with Mr. and Mrs. Robert Sproul. Dr. Guthrie returned home after spending the weekend here and the girls remained for a longer visit with their parents.

Sgt. and Mrs. R. M. Stafford and daughter Mary Alice of San Antonio and Dodge City, Kansas, spent the weekend with the Delbert Edmiston family.

Jim Dan Hill, president of the college at Superior, Wisconsin, and his two sons, visited one day recently with his parents, Mr. and Mrs. D. C. Hill.

OPS Representative Lists Amendments

A representative from the Fort Worth District OPS has announced amendments to the Defense Production Act under which the agency operates, and are of direct interest to farmers and ranchers.

Herman A. Golden who conducted a "price clinic" here August 21 for local businessmen, said the price stabilization law as amended by Congress has several provisions of interest to agriculture. These are:

Two of the three beef price roll-backs have been cancelled.

The quota system for livestock slaughtering has been eliminated, but provisions for licensing slaughterers are retained.

One amendment provides that no ceiling shall be established or maintained on any agricultural product below 90 per cent of the price received, by grade, by producers on May 19, 1951.

Another amendment provides that no producer's ceiling prices for milk or butterfat used for manufacturing dairy products shall be issued until and unless the Secretary of Agriculture shall determine that such prices are reasonable.

In determining reasonable prices, the Secretary is to take into consideration the price and availability of feeds, and other economic conditions which affect the supply and demand for dairy products. The Secretary must also determine if the ceiling will insure a sufficient quantity of dairy products and be in the public interest.

Further provisions of the amendment are that prices so determined shall be adjusted by him for use, grade, quality, location, and season of the year.

Mr. Golden said the next "Price Clinic" for Eldorado would be September 18 at the Schleicher County Memorial Building, starting at 9 a.m.

Garrison To Quell Misinformation On New Safety Law

Homer Garrison, Jr., director of the Texas Department of Public Safety, has announced his intentions of calling upon the State's newspapers and radio stations to assist his department in putting the "damper" on the false rumors and misinformation that is currently being spread in some circles concerning Texas' new Motor Vehicle Safety Responsibility Law.

According to Garrison, the new regulations bear no resemblance to a compulsory insurance law. He pointed further to the fact that only one state has such a law but that Texas became the 35th state to enact a security-type Safety Responsibility Law. It is true, according to Garrison that, beginning January 1st a motor vehicle owner or operator who is involved in an accident resulting in death or injury, or property damage, exceeding \$100, must furnish proof of his ability to meet claims up to \$15,000 or have his motoring privileges suspended until he does. Proper insurance may be accepted as sufficient proof of such financial responsibility but the law also offers several other choices of furnishing such proof. Among these are the posting of a bond with the Texas Department of Public Safety or the depositing of satisfactory security with the Department. Also, under certain conditions, individuals or firms may qualify as self-insurers under the terms of the law.

"SOUL OF A CHILD" IS POEM SUBJECT

The Eldorado Success is pleased to come across this poem, which is especially appropriate in a school opening edition. It was written by Mrs. E. B. Mace, 68, of Ft. Worth, mother of J. H. Mace of this city and was printed in a Fort Worth newspaper:

THE SOUL OF A CHILD

The soul of a child is the loveliest flower
That grows in the garden of God,
It climbs from weakness to knowledge and power
To the sky from city and sod.

To beauty and sweetness it grows under care
Neglected it is rugged and wild,
It's a plant that is tender and wondrously rare
The sweet wistful soul of a child.

Be tender, oh gardener and give it its share
Of moisture, of warmth, and light,
And let it not lack for its painstaking care
To protect it from frost and blight.

A glad day will come when its bloom will unfold
It will seem that an angel has smiled,
Reflecting a beauty and sweetness untold
The sweet wistful soul of a child.

By Mrs. E. B. Mace
Rt. 12, Box 238, Fort Worth

—The Eldorado Success, \$2.00 year.

Picture of a Dog!

THE ABOVE PICTURE MIGHT HAVE BEEN TAKEN HERE IN ELDORADO OR ON A FARM OR RANCH IN SCHLEICHER COUNTY, MONDAY MORNING WHEN SCHOOL OPENED.

AND WE HAVE A HUNCH THAT QUITE A LOT OF PARENTS WERE LOOKING PRETTY SERIOUS TOO ABOUT THE SAME TIME.

FOR—it's quite an institution—this school of ours. It effects practically every home in our community. It's **big business**—it handles quite a lot of money and employs well-educated people to operate it; when we hand our children over to it, it's a big thing in our lives as well as theirs, for right then it assumes a lot of heavy responsibility.

Something else to think about: The sum total of that school's effectiveness lies in the backing it gets from the county which it serves.

WE CAN HELP THE SCHOOL MAKE GOOD CITIZENS OUT OF THESE OUR CHILDREN. LET US ALL PLEDGE OUR SUPPORT.

PARENT - TEACHER ASSOCIATION GETS DELIVERY ON 1951-52 YEARBOOKS, AS MEMBERS EXPECT BIGGEST YEAR EVER

Yearbooks for the 1951-52 PTA year were delivered to committee members within the past few days, and ribbons for the membership drive are in the hands of the workers—as a complete slate of officers takes over for what promises to be a most successful PTA year.

New officers were installed before school closed last year, and have been working as they could through the summer months. An especially heavy assignment has been carried out by the yearbook committee, which has had a number of meetings to plan programs and prepare copy for the yearbook.

Edward Meador will lead off as lesson director for the opening meeting, which will be September 18, at 7:30 p.m.

Here is the slate of officers:
General Officers: National presi-

dent, Mrs. John E. Hayes; state president, Mrs. H. G. Stinnett, Jr.; district president, Mrs. Edwin Jackson.

Local officers: President, Mrs. Marvin McAngus; first vice-president, Mrs. Archie Mittel; second vice president, Mr. Walter McGregor; third vice president, Mrs. Gus Love; secretary, Mrs. Jack Hext; treasurer, Mrs. James Williams; parliamentarian, Mrs. John Williams; historian, Mrs. W. J. Humphrey; school superintendent, Mr. T. E. Holcom.

Standing committees: program, Mrs. Archie Mittel, Mrs. Edwin Jackson, Mr. T. E. Holcomb, Mr. Carrol Ratliff, Mrs. Edgar Spencer.

Membership: Mr. Walter McGregor, Mrs. Roy Phelps, Mr. Frank Prochaska, Mrs. Charles Gary,

Mrs. O. B. Bradshaw, Rev. Roy Shilling.

Finance: Mrs. Gus Love, Mrs. John Williams, Mrs. Horace Linthicum, Mrs. Walter McGregor, Mrs. Dee Love, Mr. James Williams, Mrs. Jess Walston.

Hospitality: Mrs. Joe M. Christian, Mrs. L. V. Newport, Mrs. Kenneth Cheek, Mrs. Carrol Ratliff, Mrs. Elizabeth Powell, Mrs. Dick Bearce, Mrs. Erwin Mund.

Health, Mrs. L. D. Mund, Mrs. Charles Bruce, Mrs. T. E. Holcomb, Mrs. Roy Shilling, Mrs. Bob Faught.

Summer Round-Up: Mrs. Patton Enochs, Mrs. L. L. Kinser, Mrs. Lester Early, Mrs. Lum Davis, Mrs. Luke Thompson Jr.

Representative to County Library: Mrs. Arthur Mund.

Committee Chairmen
Publicity, Roy Phelps; publications, Charles Gary; Safety, Palmer West; goals, Miss Jewel Shelton; scrap book, Mrs. Jess Walston; song leader, Miss Lucille Farmer.

DO YOU WANT BLUEBONNETS NEXT SPRING?

COLLEGE STATION—Take a tip from Mother Nature and plant bluebonnet seed before September 15th. They can be planted later but they may not bloom well. Bluebonnet seeds are small but tough, so its a good idea to soak them for 24 hours before planting, says Sadie Hatfield, Extension specialist in Homestead Improvement of Texas A&M College. Planted early they normally come up in October. They grow all through the winter except during extreme temperatures.

The state flower thrives in many soils, but does best on light sandy soil. One of the beauty spots of Texas is Old Indianola or Matagorda Bay near Port Lavaca where the variety adopted as our state flower grows. The soil at Indianola is coarse white sand with an abundance of shell fragments. In rich well fertilized soil, the bluebonnet stalks will grow tall with many large leaves but few blooms. Acid soils of East Texas could grow bluebonnets nicely if sweetened with alkali. Adding one pound of lime or ashes to each ten square feet of soil will counteract acid, adds Miss Hatfield.

Bluebonnets should have plenty of sunshine and good drainage. They can be transplanted in late winter but will do better if planted where they can be left to bloom. In the coldest areas of the state, it will be necessary to start bluebonnets in greenhouses or small flower garden pots. The bluebonnet has few insect and disease enemies.

Bluebonnets are soil building legumes. They seem to be of little or no value for grazing.

The well known Texas botanist, H. B. Parks, has described four blue bonnets; the Chisos Mountain or tall bluebonnet of West Texas, sandy land or Texas bluebonnet, the rock or purple bluebonnet of

Central and West Texas and a "pink" bluebonnet. The pink bluebonnet is a perennial in the Western and Big Bend areas.

Large Lake Planned For Big Bend Park On Rio Grande River

Southwest Texas' interest in the Big Bend Park gets new impetus by announcement of a plan for a multi-million dollar project by the United States and Mexico for harnessing the waters of the mighty river with a series of dams.

A middle dam to be built in the Big Bend area, and other dams, will create a series of lakes, the first slated for early attention being at Falcon, 75 miles downstream from Laredo, cost of this dam to be estimated at over 33 million. This dam will create an 80,000 acre lake, which will stretch for 50 miles above the dam.

This and other dams to be built will provide excellent fishing and other recreational facilities. Two man-made Mexican lakes, Marta Govez, southeast of Roma, and Don Martin, south of Laredo, are already drawing anglers from hundreds of miles away. There will be power plants on each side of the dam.

The dam will help to prevent floods, and provide good irrigation water, in addition to furnishing the above named advantages.

With a river bed 1800 miles long, starting in Colorado, the Rio Grande is one of the longest rivers in the world. In time of drouth, with heavier irrigation on, it is nearly dry, then after heavy rains the river bed cannot carry the load and there is overflow, with loss of property and waste of valuable water.

Building of a lake in the Big Bend area will give further attraction to the large southwest Texas park, which is undergoing development.

Guests recently in the Floyd Nunley home were Mr. and Mrs. Ruck Meinzer of Benjamin.

We are now prepared to handle your orders for **ENGRAVED** Wedding Invitations and announcements as well as high class printed forms.

Jerry Blaylock, who has completed a year of nursing at Baylor, has transferred to the Baylor Memorial Hospital at Dallas, where she will continue with her training under the Baylor School of Nursing.

Mr. and Mrs. Jack Montgomery and children have gone to Wausau, Wis., to take Mrs. D. M. Humphrey, Jack's sister home, after an extended visit here. They will be away from home about two weeks. On their way back they will stop in Kansas City to visit Mr. and Mrs. Wm. E. Reno, Jr. Mr. Reno was Jack's pilot in the war, and was with him as a prisoner of war for 14 months. The men have not met since their release from the prison camp in Germany.

Mr. and Mrs. Sam Oglesby have had as guests a niece and her family, Mr. and Mrs. Otis Matlock and daughter Marilyn of Brownwood.

Mrs. R. A. King, who has been hospitalized in Brady, is back home, and her daughter Georgia of Austin is here to stay with her for awhile.

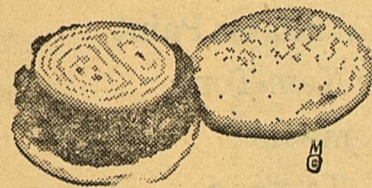

The E. E. Newlins had as guests the past weekend and on Sunday Mr. and Mrs. A. A. Cooper of San Angelo, the W. W. Newlin family of Austin, Mr. and Mrs. E. E. Newlin Jr. and children of San Angelo, and Mrs. Fred Logan and Mrs. Ernest Sweat of Eldorado. The Newlins report that the Coopers are moving to Big Spring, where he will go into the paint business on their own.

Miss Mary Hoover of Dallas spent the weekend here with her parents, Mr. and Mrs. L. M. Hoover.

Mr. and Mrs. Paul Page of Dallas spent from Wednesday to Sunday with his parents, Mr. and Mrs. Bert Page.

The Albert McGinnes family spent Sunday evening and Monday with Albert's sister, Mrs. Walter Lowe and her family at Eden.

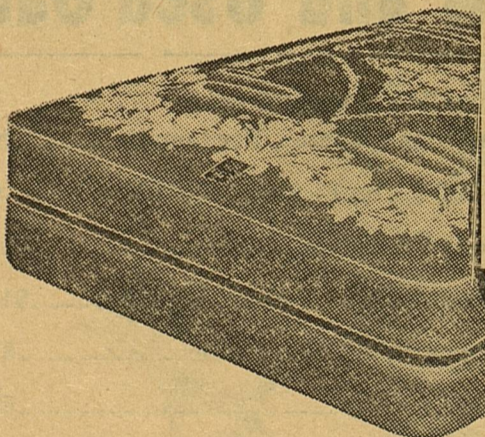

Guests of Mr. and Mrs. J. D. Meador Saturday and Sunday were Mr. and Mrs. P. V. O'Neill of San Angelo.

"HANDBOOK OF TEXAS" TO BE PUBLISHED

AUSTIN—Do you know where your town and county got their names, and the dates of their establishment?

If not, you will have a reference available next year which will provide that information. A two-volume "Handbook of Texas" has been completed at the University of Texas and is scheduled for publication next year by the Texas State Historical Association.

Dr. H. Bailey Carroll, director of the association, estimates the handbook will include 2,000,000 words concerning all phases of Texas history. More than 1,000 contributors wrote articles for the publication, which has been in preparation ten years.

Here are some samples of the information contained:

Brahman cattle, a breed which has existed in India for more than 4,000 years, rank second to the Hereford as the chief range animal in Texas. The breed was introduced in Texas about 1895.

The first reports of Texas buffalo were written by Alvar Nunez Cabeza de Vaca in his description of his journey from Florida to Mexico from 1528 to 1536.

Gail Borden, Jr., famous as the father of condensed milk, came to Texas in 1829, and died at Borden, Texas, on January 11, 1874.

Big Bend National Park, Texas' first national park, consists of approximately 788,682 acres and is the fifth largest national park in the United States.

Jimmie Cook has shipped out from San Diego, and Mrs. Cook, the former Ernestine Clark, has returned to Eldorado to stay with her parents, Mr. and Mrs. A. G. Clark, in his absence from the States.

CARD OF THANKS

I should like to take this seemingly impersonal means of expressing in a very warm, personal way my sincere gratitude to a very fine doctor, surgeon, and gentleman, Dr. Mickey Holcomb, who was so kind and who performed so wonderfully in my recent illness. My thanks go also to his attending staff, and to the many friends who shortened and made happier the days I spent convalescing.

Sincerely,
Roy B. Shilling, Jr. 1t*

Notice to Patrons of Water Department

I have been having a number of complaints in regard to the trash collecting.

This department only handles assessing and collection of these charges. We have nothing to do with the service rendered.

Any complaints should go direct to the City Council.

L. B. Burk

Water Superintendent

OLDSTERS LOSE IN HOT GAME VS. TEENAGERS

The Teen Agers got around a little faster and won their game against the Oldsters Saturday night at the lighted ball park.

What the score was has not been officially reported—possibly because no one was certain of the figures. The two all-girl teams were captained by Mrs. E. W. Perry, heading the Oldsters, and Carolyn Ratliff the Teeners. Jack Halbert was umpire.

While it was generally agreed that all of the girls looked well in their clothes, Ernestine Hext and Helen McAngus were conceded to be the best dressed women on the

grounds. Onlookers dropped \$30 in the hat which was passed around, for the PTA treasury.

Another PTA event planned is a big bazaar, some time in October, details to be worked out.

The first PTA meeting of the year will be at 7:30 p.m. on the night of Sept. 18, in the school auditorium. All parents are urged to attend, and committee members stress the fact that the PTA wants the fathers especially to be present.

All members of the Woman's club are urged to be present for the first meeting of the new club year, which will be a coffee Tuesday morning at 9 in the Memorial building.

News From Our Neighbors

Twins At Sonora

The first twins to be born in the Hudspeth Memorial Hospital arrived Wednesday morning. Mr. and Mrs. Ignacio Romero are the parents of a boy weighing 5 pounds 2 ounces, and a girl weighing 5 pounds, 4 1/2 ounces. The babies have not been named yet. —Devil's River News, Aug. 23.

Rain For Kimble

Several inches of rain Monday ended an all-time high heat wave here and broke the prolonged drouth, solving serious water problems over most of the county and the city.

Cleve Stephen, official observer, recorded a total of 2.96 inches. Unofficial report from ranchmen in various communities show from three to six inches over all but the southwest part, which is still dry. —Junction Eagle.

Lifts Ban On Water Use

Thanks to Monday's rain, all restrictions on the use of water in Menard have been removed until further notice, according to Mayor Ike Hallman. The ban was lifted at a meeting of the city council Tuesday evening. —Menard News.

Get Sul Ross Degrees

One hundred ninety-one degrees were conferred at the commencement exercises for Sul Ross college summer term held at the college auditorium last night at which Dr. Jos. R. Griggs, superintendent of Huntsville public schools, was the speaker.

Of the 191-total, 108 were master's degrees—the largest in the

history of the college. Baccalaureate services were held Sunday evening with Dr. C. Q. Smith, president of Oklahoma City university, delivering the message. —Alpine Avalanche.

Road To Open

Formal opening of Farm-to-Market road 42 will be held next Thursday evening, September 6, on the Menard-McCulloch county line. The ceremony will start at 6 o'clock.

Both the Brady and Menard High school bands will play and a short program is also on the schedule. The Brady band is directed by Douglas Fry and J. R. Hendricks leads the local musicians. —Menard News.

Farmers Spray Cotton

Cotton farmers in this locality have been busy the past week spraying their crop to stop infestation of worms. The varieties are said to include leaf, careless and boll worms.

Cotton continues to look good but another rain is needed. —Robert Lee Observer.

Flight To Stop At Ozona

Ozona's air port will receive a mass flight of private aircraft composing the third annual All Texas Air Tour sponsored by the Texas Aeronautics Commission at Austin, Texas, according to notice received here the past week from Asa Burroughs, acting director.

The 3,000-mile air tour of Texas will get under way October 6 and continue for one week. The flight of private aircraft will start at Temple and stops are scheduled at some forty Texas towns in a tour which will circle the state to Monahans on the West, Borger in the Panhandle, Paris, Marshall, Tyler

in East Texas, to Galveston, on the Gulf and to Brownsville on the southern tip of Texas, ending at Laredo on the Mexican border.

The flight is scheduled to reach Ozona from Eagle Pass on Sunday, October 7, proceeding the same day from here to Monahans, to Midland and to San Angelo for an overnight stay. —Ozona Stockman.

Hospital Approved

CHICAGO, Ill., Sept. 1. — The Holcomb Clinic and hospital of Eldorado, Texas, has been listed as a registered hospital by the American Osteopathic association, it was announced today at the association's national headquarters here.

To qualify for the registered list, osteopathic hospitals must meet or exceed the standards established by the association's bureau of hospitals. Recommendations for listing are made annually by the bureau of hospitals, and final approval is granted by the A. O. A. board of trustees.

Mrs. J. S. Miller and her parents, Mr. and Mrs. Clyde Vinson of San Angelo made a flying trip to visit Mrs. Miller's grandmothers, at El Reno, Okla., and Dallas, Saturday and Sunday.

Guests of Mr. and Mrs. Tom McGill were his brother and family, Mr. and Mrs. Dave McGill and daughters Mary Alice and Davelyn of Alpine, who spent Saturday and Sunday here. On Sunday afternoon all attended a family reunion at the home of Mrs. A. A. McGill in San Angelo. Eight children were present.

Mr. and Mrs. Mervin Gilland, who are now Ozona residents, where Mr. Gilland is teaching, visited recently with Mr. and Mrs. L. E. McCalla. The Gillands' son was injured shortly afterward in San Angelo, where they were visiting, when he fell on an ice pick, running it through his body. He was hospitalized for a week and is doing well.

Mr. and Mrs. L. E. McCalla and children returned Sunday from a visit with relatives at Santo and Ft. Worth. They were away from home ten days, and while there attended the wedding of Mrs. McCalla's brother, Everett Wheeler, and Betty Jean Ingram of Ft. Worth, on Sept. 1.

Mr. and Mrs. Wm. A. Butterfield had as guests over the Labor Day week-end Mrs. Butterfield's father and step-mother, Mr. and Mrs. W. M. Cline, and sister and family, Mr. and Mrs. C. R. Jones and two sons, all of Mount Pleasant.

Luther Parker returned Monday to El Paso after spending a week with his parents, Mr. and Mrs. Gene Parker.

The Ervin Munds will go to Waco Friday with Jane Mund, Senior at Baylor, and Jack Mund and Ebba-gene Blaylock, freshmen.

**LAYENA EGGS
Really Taste Swell**

Folks agree there's a difference in the taste of eggs. Purina Research shows that hens fed Purina Layena lay fine-flavored eggs. Layena Eggs have firm, yellow yolks and thick whites that stand up, don't run all over the pan. And the flavor — Ummmmmm! Layena Eggs can't be beat for flavor. Some morning soon, please your husband with breakfast of Layena Eggs.

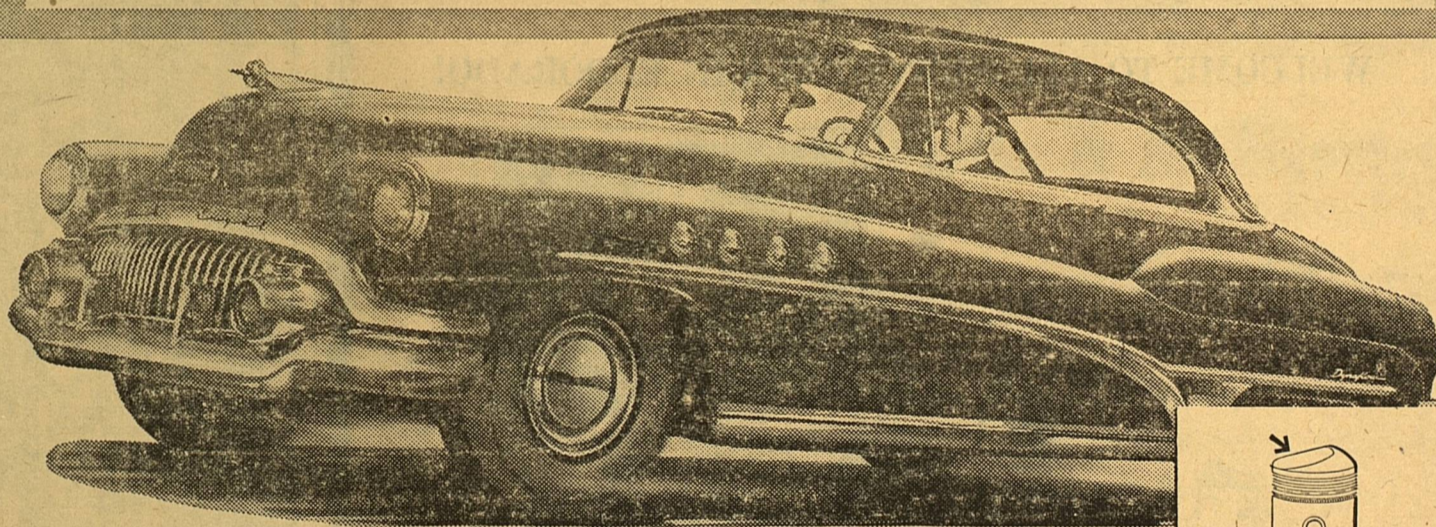

Look for Layena Eggs—the standard of egg quality the nation over!

ELDORADO WOOL COMPANY

**TRAIL BLAZER—
with plenty on the ball**

How long since you lifted the hood of a car, and took a good look at what's beneath?

We like to have folks do that with a Buick.

You'll find that broad bonnet isn't put there for show. It's packed with horsepower—high, wide and handsome—more horsepower than normal drivers will ever use in full.

And—if you're up to date on modern features—you'll find that this bonnet is packed with these too.

Do you know, for example, that every new engine introduced or previewed in recent years is built on the valve-in-head principle?

Score one for Buick. No Buick engine has ever been built in any other way.

Do you know what it takes to make full use of high compression? A valve-in-head engine!

Score two: Buick has been stepping up compression ratios for years.

But Buick has blazed one trail which other engines still haven't followed—don't ask us why.

Every Buick has a Fireball Engine which, as we've said before, is like having a string of comets by the tail.

Fact is, in every flame-packed cylinder there is a comet—rolled into a swirling ball by a special turbo-top piston—touched off by a flashing spark every 5 inches you travel in a Buick.

That's why we're proud to show folks that Buicks have a Fireball Engine—and prouder still to have them take one of these thrilling performers out on the road.

Want to try it? Come in and see us soon.

Equipment, accessories, trim and models are subject to change without notice.

"Smart Buy's Buick"

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

The secret of Fireball Power is in the use of dome-and-dip design of the piston shown above.

Here's the piston inside the cylinder. As it moves down, the fuel charge rushes in—sets up a swirl when it hits the piston top.

The piston moves up—compresses the swirling fuel into the comet shape shown here. "Compression ratios" are simply a measure of how much the fuel is compressed.

The ball of fuel is compressed around the spark plug—lets loose its pent-up charge when the spark is fired—delivering a higher percentage of power from each charge of fuel.

The Pete Ringles spent the weekend with Mrs. Ringle's parents, Mr. and Mrs. J. W. Reece in Ballinger.

Herman Carroll, who is suffering with rheumatic fever, will probably have the casts removed from his legs tomorrow, Friday, and hopes to be able to return to school Monday, though he expects to be lame for some time. He is doing well, relatives report. He is the son of Mr. and Mrs. Tom Carroll, both of whom have also been on the sick list this year.

Mr. and Mrs. J. H. Mace and two daughters spent the weekend in Fort Worth, visiting Mr. Mace's parents, Mr. and Mrs. E. D. Mace. They returned home Monday evening.

Miltia Hill has returned to her work as teacher in Sul Ross, Alpine. She attended the summer term at Columbia University in New York City.

Mr. and Mrs. William Sauer of Big Spring spent the weekend and Labor Day here with relatives.

Mr. and Mrs. Homer Wolfe of Falfurrias have been visiting the latter's parents, Mr. and Mrs. S. D. Harper.

Mr. and Mrs. Stewart Davis spent the weekend with relatives in Junction.

Juri Nou of Abilene has been visiting Mr. and Mrs. Ralph Fowler on the ranch, between semesters at McMurry.

Mr. and Mrs. C. A. Bauguess and children, who moved to Stanford while he was employed on an oil rig, have moved back to the farm near Eldorado and the children have entered school here.

Mr. and Mrs. Wiley Hight spent the weekend in London with a sister of Wiley's.

EDDA LOU MEADOR HONORED WITH SHOWER THIS WEEK

Three hostesses, Mrs. Horace Linthicum, Suzie Linthicum, and Mrs. James Guthrie of Temple, entertained with a shower attended by about 35 friends of Edda Lou Meador, whose wedding is set for next month.

Guests gathered for the Coke party at 4:00 Tuesday afternoon at the Linthicum home. All signed Edda Lou's bride's register, then were served from the dining table by Mrs. R. J. Page and Mrs. Edward Meador. A basket of cut flowers centered the serving table, with streamers and hearts completing the centerpiece, which was in a color scheme of white and orchid.

The hostesses presented Miss Meador with a corsage, and an assortment of miscellaneous gifts was given to her during the afternoon.

Further plans for organizing a post of Explorer Scouts, for Boy Scouts 14 and older, were announced this week to get under way soon. All prospective committeemen and interested parents are urged to attend a meeting Monday night at 7:30 in the Memorial building.

At the regular meeting Monday night of Troop 18, first prize in the inter-patrol contest went to the Comanche patrol, of which Sherrill Dannheim is leader. The contest has been carried on during the summer months and points were awarded to patrols on basis of patrol room improvement, attendance at meetings, payment of dues, advancement, and good turns. Comanches took 255 points, followed by Navaho with 247 and Flaming Arrow with 245.

The troop is again meeting every Monday night at 7:00 in the Scout Hall, leaders announce.

Mr. and Mrs. W. E. Jeffrey of Dallas, former Eldorado residents, and their grandson, are visiting here with his mother, Mrs. J. T. Jeffrey. Mr. Jeffrey will attend the convention next week in Denver, Col., of the International Oil Workers before returning to his job in Dallas with Lone Star Gas Co.

Mr. and Mrs. John Wren of Houston, and their son Ed and four children, visited over the weekend with Mr. and Mrs. W. G. McAlpine.

Guests in the Frank Barrett home were Mr. and Mrs. M. Z. Lehman and children of Aspermont.

Mrs. Mattie Bruton had as guests Sunday Mr. and Mrs. W. E. Bruton and son and Claude Bruton and wife and son of this county, Mr. and Mrs. J. B. Bruton and son of Big Spring, Edwin Bruton and wife and four daughters of Melvin, and others.

Guests in the J. W. Davis home for ten days are their daughter and her family, Mr. and Mrs. Bill Schwobel and children of Austin.

Mrs. Pauline Norton of Phoenix, Arizona, is visiting her sister, Mrs. Mary Johnston.

Carl Turner of Junction is spending the week here with his sister, Mrs. W. H. Joiner.

Mrs. Joe Reynolds and children of Yeso, New Mexico, are here to visit her parents, Mr. and Mrs. T. K. Jones.

ATTEND FUNERAL

Mr. and Mrs. Eddie Peel, Mr. and Mrs. Charlie Sudduth, and Davis Murr, attended the funeral last week in Sonora of Mrs. Jess Barker. Mrs. Barker was a sister of Mrs. Jodie Warren.

LEGION MEETS TONIGHT

Regular monthly business meeting of the American Legion will be held tonight at 7:30 in the Legion room of the Memorial building, it was announced this week.

Mr. and Mrs. G. S. Cathey of Mineral Wells spent the day Sunday here with Mr. and Mrs. A. J. Halbert. Mr. Cathey will be released from service next month. He is Mrs. Halbert's brother.

Guests in the home of Mrs. Frank Bradley last weekend were Mrs. Bradley's sister, Mrs. R. L. Pierce of Fife, and daughter Mrs. J. H. Frank and child of Brady, and the Bob Bradleys of Midland who also visited other Eldorado relatives.

Mr. and Mrs. Howard Belcher and children spent the weekend out of town. Leaving Saturday, they attended the steer roping at Clovis, New Mexico, Sunday, and the races Monday at Raton, New Mexico, where they saw Pat Joiner's horse Rena come in second. They returned home earlier this week.

—The Eldorado Success, \$2.00 year.

Jack Shugart and his family have gone to Dallas for a several-day visit with relatives.

In San Angelo for the weekend were Mr. and Mrs. H. T. Finley who visited Mr. and Mrs. Bobby Barber.
