NUMBER 47

## District Title Goes to Eden

Some 300 people braved a bitter north wind Friday night to watch Eldorado and Eden battle for district 6-A championship here in a game that was full of fumbles, and which finally resulted in the defeat of the Eagles by 7-13.

Eldorado, favored to win by the dopsters, may claim they lost the game on a fumble in the second quarter when they were up within 7 yards of the goal.

But fumbles and breaks had nothing to do with it in the second half, when Eden staying strictly to the ground, advanced up the field in a series of first downs, and got their two TD's the hard way. It was Brandon through the line, and Brandon around the end all the way.

There were very few penalties in the game, and very few players knocked out. Brandon was hurt temporarily and so was Nixon, but they were soon back in the play.

The first quarter was a see-saw affair with no particular advantage to either team. Just as the quarter ended the lights went out, and the game was delayed about 20 minutes until electric service was restored.

In the second quarter it was somewhat the same brand of football with the ball going back and forth, until the Eagles blocked a Bulldog punt and ran the ball up to Eden's 8-yard line. There, in pay territory, a fumble lost them the ball, and Eden brought it back out of the danger zone. Before the quarter ended Eldorado again held the ball and were back within a few yards of the goal, but Eden was saved by the "bell"—and the half ended 0 to 0.

In the second half the Bulldogs came back strong. From their own 48, they racked out five straight ground first downs, with Brandon doing most of the battering.

Green sneaked over for the score, Lee converted, and Eden led, 7-0.

In the last quarter it was a long series of Brandon-into-the-line. He carried to the Eldorado two, where it was first and goal. Three times Brandon battered, and three times Eldorado held him short of the goal.

But on the fourth he twisted over, and it was 13-0 Eden.

Eldorado struck back, chiefly with Nixon to Logan. One drive faltered, and they kicked. But the Eagles held Eden and got the ball on Eden's 36.

One long Nixon pass was caught out of the end zone. Then he hit Logan on the 15. Logan barely missed the next one in the end zone, and Edmiston ran to the five for a first down.

Craig skirted his left side for a touchdown. Nixon converted, and that was the scoring.

Eden stalled the one remaining minute.

On Friday night, while Eldorado was being eliminated by Eden, the District 5A championship was being played between Iraan and Wink. Wink won by a score of 32 to 14.

Bi-district honors between Eden and Wink will be decided in a game to be played at Wink Thursday (Thanksgiving) afternoon, Nov. 22.

Mr. and Mrs. E. F. Williams have had as a guest the latter's mother, Mrs. Mary Jordan at Hobbs, New Mexico. The Williamses took her home, Mrs. Williams remaining there for a longer visit.

Mrs. Rutha Boyer has as a guest her brother D. L. May of Coleman. During the weekend they and the Howard Belchers visited Mr. and Mrs. H. M. Stephenson and Mr. and Mrs. Clarence Rampy of Menard.

### Football Queen Crowned

Frank Edmiston and David Powell crowned Lola Beth Ballew football queen in a ceremony on the field half an hour before game time. Miss Ballew and her escorts drove onto the field in an open car.

### Superintendent Thanks All

T. E. Holcomb, superintendent of schools, expressed appreciation to all whose attendance and patronage made this season such a success, especially last Friday night when the Eagles were losers. Mr. Holcomb especially cited the Lions club, the Fire department, and the American Legion, for their help. Also Bob Page and Edward Meador, announcers.

### Banquet Dec. 8

Last event of football season will be the football banquet Saturday, December 8. Captains are David Powell and Roger Sofge.

### Basketball Season Opens Next Month

The Eagle basketball team will meet the Big Lake team, there, December 7, with a return engagement December 11, Supt. T. E. Holcomb announced this week. A game may be scheduled Dec. 4. Mr. Holcomb added. Coach Miers Johnson has charge. Admission will be 25c and 50c.

### SCHOOL OUT THIS WEEKEND

Many Schleicherites are out of town for the long holiday weekend. School was dismissed following classwork Wednesday and will be resumed Monday morning.

### MRS. ROUNTREE'S MOTHER DIES IN TENNESSEE

Mrs. Bill Rountree, who has been in Chattanooga, Tennessee, with her mother during her serious illness, notified her husband late Sunday evening of the death of her mother. Funeral arrangements were to be made later. Mr. Rountree, who is in charge of the soil conservation office here, left Monday, and expected to reach Chattanooga late Tuesday, probably arriving there in time to attend the funeral.

Mrs. Rountree, who is employed in the city office, was called to Chattanooga many weeks ago.

### PHANTOM BUCK HAUNTS EAST END OF COUNTY

Whispers are going around among the hunters of this county that a phantom-like buck deer has been seen at various places alongside the lonely roads in the east part of the county. It seems that he is a big 8-point flag buck and he won't stay under cover and he won't stay shy. He haunts the brushy pastures way out in the east end of the county, and has been seen just inside the fences by a number of people from their cars.

This, of course, is the kind of story a reporter can never verify because real buck or phantom buck, it is very much against the law to take a shot at one from the road. Also, it is against the law to shine car lights on such a target—and it seems that he has been picked up by several people just as they were rounding a sharp curve just after dark.

So... nobody will admit to having taken a shot from the road at a big tempting looking buck, but quite a few are talking about it.

H. T. Finley, who returned last weekend from Galveston where he had been hospitalized, is improving and is able to be in town part of the time.

### FREE THEM FROM MISERY

Freedom from aggression is not enough. The Korean people must be saved from the misery that follows war's devastation. Your Thanksgiving gift of CARE packages provides needed food and clothing for Korean war orphans and refugees. Send your contribution at once — today! Campaign closes Thanksgiving Day.

The CARE-For-Korea campaign of the General Federation of Women's Clubs. Mail checks to Mrs. May Tisdale. Make them out to Care For Korea. Get them in the mail today.

### J. F. KINSERS HOSTS TO EIGHTY-FIVE RELATIVES AND FRIENDS AT GOLDEN WEDDING OPEN HOUSE SATURDAY

About 85 relatives and friends of Mr. and Mrs. J. F. Kinser called at the family home in Eldorado late Saturday afternoon and evening, to assist the couple in the celebration of their fiftieth wedding anniversary.

The residence was festive for the occasion in colors appropriate to the Golden Wedding anniversary. The dining table was centered with an arrangement of gold mums. The three-tiered white wedding cake was decorated with tiny gold roses; this was served with coffee to callers during the three tea hours.

Serving the coffee and cake were Mrs. Clifford Nelson and Mrs. Gladys Cheek, Mrs. Edgar Spencer and Mrs. Archie Mittel, and Mrs. C. N. Shaw and Mrs. Pat Finley. Presiding at the register were Mrs. Billy McCravey, Mrs. H. T. Finley and Mrs. Carol Ratliff.

The honored couple state that they will never forget the kindnesses of their friends who made the celebration a never-to-be-forgotten occasion. As they express it, "The many gifts we received will be an every-day reminder of our many friendships made during our years here."

### Wed In Cleburne

J. F. Kinser, and Kate Weatherly were married at Cleburne, Texas, November 14, 1901. The first years of their married life were spent in that section of the state.

### Construction Work On Upward Swing For Coming Year

There can be a lot of construction work done in Schleicher county during the next year, but it will consist mostly of smaller buildings, according to J. H. Mace, local lumber and building material dealer and members of the Public Affairs Committee of the National Retail Lumber Dealers Association.

"Larger homes and commercial and industrial buildings cannot be put up without securing permission in Washington unless they are designed to require a minimum of steel and copper, and few permits are being approved," Mr. Mace said.

"On the other hand, no permit is needed to build a single-family home if it uses no structural steel and not more than 1800 pounds of other steel and 35 pounds of cop-

per, not counting fabricated building products, such as heating and plumbing fixtures whose weight need not be considered.

"In the case of stores, garages, warehouses, and other commercial and institutional buildings, construction can go ahead without a permit if no more than 4000 pounds of steel and 200 pounds of copper are to be used in any calendar quarter.

"In other words, the size of a new building, except one intended for amusement or recreational purposes, is limited only by the quantity of critical material it requires. "Any type of repair and modernization work also can go ahead without special authorization from Washington, provided the necessary materials are available."

Mrs. Eloise Woodhull, one of the T Circle owners, spent several days recently on the ranch. She lives in San Antonio.

### Oil News

By James Watson Midland

Taylor Refining Company is to start operations at once on its No. 1 Tissue Wardlaw, a scheduled 6,000-foot Ellenburger wildcat in southwest Schleicher County. The prospector will be 20 miles southeast of Eldorado and 660 feet from north and 1980 feet from east lines of section 18, block K, GH&SA survey. That puts it 1 1/2 miles southeast of Gray-Wolfe Drilling Company No. 1 Edmiston, recently abandoned 4,888-foot dry hole.

Taylor No. 1 Wardlaw is to spud with cable tools and then be drilled to contract depth with rotary equipment.

Standard Oil Company of Texas No. 3-1 Christena Mittel has been completed as the third oiler and a one-location east extension to production in the Neva West field of Northeast Schleicher County.

The well flowed 24 hours through a 3-8 inch tubing choke to make an initial production of 1,291 barrels of 47-gravity oil.

Gas-oil ratio was 727-1. Tubing pressure on the casing was 300 pounds. Production was through open hole in the Strawn between 6,205 feet and total depth.

Pan American Production Company No. 1-B Mrs. Christena Mittel, Neva West field test, kicked off and was flowing at the rate of approximately three barrels of oil, basic sediment and water (10 percent oil) hourly from perforations between 6,270-80 and 6,258-84 and 6,290-6,310 feet, opposite Strawn. Operator was still flowing the test at last report.

Delta Gulf Drilling Company staked locations for two new tests in the Huldale field of Central-North Schleicher County.

No. 1 McWhorter will be 467 feet from north and east lines of the south half of the northeast quarter of section 70, block TT, TCR survey. It is a south offset to Pan American Production Company No. 1 McWhorter.

No. 1-D H. F. Thomson estate will be drilled 467 feet from north and west lines of the most southwesterly 81.6 acres of section 82, block TT, TC survey.

It is a south offset to Standard Oil Company of Texas No. 2-2 Thomson and a diagonal southeast offset to Pan American No. 1 McWhorter.

K. D. Owen and others of Houston have plugged and abandoned No. 1 Miss Ethel Williams, wildcat in Central-North Schleicher county. It was quit on total depth of 6,407 feet in the Ellenburger where there were no shows of oil, gas or water.

Location was 660 feet from north and east lines of GC&SF survey No. 1 and 18 miles northeast of Eldorado.

The same concern stopped operations on No. 1 W. C. Jones, northeast offset to No. 1 Williams, at total depth of 482 feet.

It was 660 feet from west line of H&TC survey and 660 feet from south lines of Sam H. Holl survey No. 7 1/4 which is the north line of R. A. Evans survey No. 2.

Cities Service Oil Company has plugged and abandoned its No. 1 M. W. Hicks, north offset to Owen No. 1 Williams. Total depth was not reported. It was located 660 feet from north and west lines of R. A. Evans survey No. 2.

National Associated Petroleum Company of Tulsa has plugged and abandoned its No. 2 Boyd, Northeast Schleicher County wildcat. It is the second wildcat on the Rocking Chair Ranch of Blair M. Boyd which has been plugged. It was at total depth of 5,036 feet in the Strawn.

Location is 660 feet out of the northeast corner of section 13, block H, GH&SA survey and one mile east and one-quarter of a mile south of the same concern's No. 1 Boyd, dry hole at 5,510 feet.

Pan American No. 1 Mrs. Viola McWhorter, Huldale field test, was setting 5 1/2-inch casing at 5,774

### Delivery Starts On Small Amounts Of Rancho Materials

A little material for the new Rancho Pipe Line and Bailey Station is already arriving in Eldorado, well ahead of the actual start of construction work which will be about January 2.

On Tuesday, Pan Am received a car of large 30-inch pipe, to be used for their manifolds (lines between tanks and to the station). Other smaller material is already here, awaiting starting of the work.

Pan American's six-inch line from the Huldale Field in Schleicher County is in operation, construction having been completed last week. The line is now going to the Shell Station, but will later go to the new Bailey Station on the Rancho line, as will also a new line from the Snyder Field.

The main 24-inch Rancho line will start at McCamey in the Permian Basin, and go to the Houston-Texas City area.

Considerable interest is being shown in Schleicher County in the proposed new station, which will be located on land bought from Mrs. Gey Williams just south of Eldorado. It will be an ultra-modern, pushbutton station with the latest in equipment and seven or eight residences.

Completion of the line through this county will bring a good amount of taxable property into Schleicher County, and provide employment for a number of men.

Construction of this line, the largest crossing Schleicher County, will require most of 1952. Letting will probably be in five or six spreads, allowing work to go on in all at the same time.

### Texas Gets Slice Of Road Money Allotted By Govt.

From the \$500,000,000 federal aid fund for the next fiscal year, Texas will receive over 29 million, an amount second only to New York.

Following is the amount Texas will receive for (1) federal-aid highways (major roads), (2) secondary or feeder roads and (3) urban highways, along with state total: Texas — 14,305,046, 9,577,321, 5,799,612, 29,681,979.

Mr. and Mrs. Roy Boyer and Mrs. Ovid Wade and Mrs. Charlie Wade spent the weekend with Mr. and Mrs. Clevie Slough of Howland, William D. Bray, in the vet hospital in Temple, Mr. and Mrs. G. W. Wade and family at Zephyr, and Mrs. C. W. Starks and family at Bangs. They returned home Monday.

Mrs. Arthur Mund returned Saturday night from San Diego where she was called because of the death of her mother Mrs. A. C. Coffeen two weeks before.

feet on total depth of 5,787 feet in the Strawn reef, topped at 5,551 feet, elevation 2,350 feet. Operator will complete from open hole.

Pan American No. 2 McWhorter, another Huldale test, set surface pipe at 605 feet and operator was moving in rotary to deepen.

Delta Gulf No. 1 Mrs. Mary Lee Fowler, another project in the same field, was drilling at 3,800 feet in sand and shale. Standard No. 2-1 McWhorter, another Huldale test, was drilling below 1,500 feet in shale and lime.

In the same field, Standard No. 2-2 H. F. Thomson, was coring below 5,596 feet after topping the reef at 5,515 feet, elevation 2,357 feet.

Ohio No. 22 Thomson estate was digging below 513 feet after setting surface pipe at 436 feet. The same concern's No. 16 Thomson was drilling below 1,267 feet in lime and shale.

These two tests are in the Huldale field.

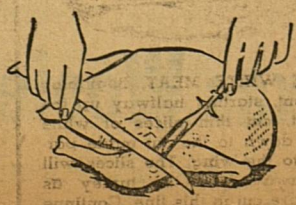

### HOW TO CARVE A TURKEY

Prepared by Poultry and Egg National Board for and released by Purina News Bureau

REMOVE LEG (thigh or second joint and drumstick). Hold the drumstick firmly with fingers, pulling gently away from turkey body. At the same time cut through skin between leg and body. Continue as follows: (1) PRESS LEG AWAY FROM BODY WITH FLAT SIDE OF KNIFE.

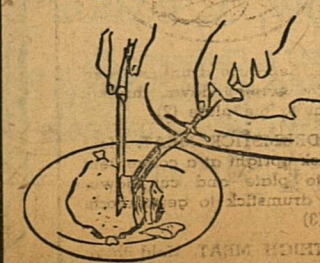

Then cut through joint joining leg to backbone and skin on the back. If the "oyster", a choice oyster-shaped piece lying in the spoon-shaped section of the backbone, was not removed with the thigh, remove it at this point. Hold leg on service plate with drumstick at a convenient angle

to plate. Separate drumstick and thigh by cutting down through the joint to the plate (2). SLICE DRUMSTICK MEAT. Hold drumstick upright at a convenient angle to plate and cut down, turning drumstick to get uniform slices. (3) SLICE THIGH MEAT. Hold thigh

firmly on plate with a fork. Cut slices of meat parallel to the bone. (4)

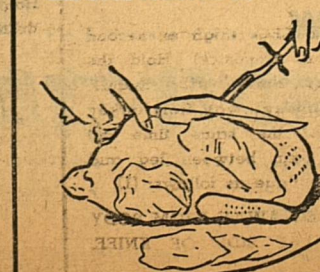

CUT INTO WHITE MEAT PARALLEL TO WING. Make a cut deep into the breast to the body frame parallel to and as close to the wing as possible. (5)

SLICE WHITE MEAT. Beginning at front, starting halfway up the breast, cut thin slices of white meat down to the cut made parallel to the wing. The slices will fall away from the turkey as they are cut to this line. Continue

carving until enough meat has been carved for first servings. Additional turkey may be carved as needed.

Remove individual servings of stuffing from an opening cut into the side of the turkey where leg has been removed. (6)

**News From Our Neighbors**

**Deer Season Opens**  
Nimrods aplenty, as usual, are expected to start rolling into the West of the Pecos country this weekend to be on hand for the opening of the hunting season on deer in this area.  
The season opens next Tuesday and runs through the following Sunday, Nov. 25.  
Only one buck deer of either the mule or flagtail species may be killed West of the Pecos this season. —Alpine Avalanche.

**Bond Election Called**  
In a special meeting of the Santa Anna Independent School District Monday night, a petition containing 86 names was submitted, petitioning the Board to call an election asking for \$160,000 to build a new elementary school building. —Santa Anna News.

**Hunting Season Opens**  
A surge of hunters to the Hill Country is expected to fill every lodging place in town tonight and spread out over the countryside on the opening day of the deer and turkey hunting season tomorrow.  
A check with hotels, motels and tourist courts early in the week by Game Warden Joe Matlock showed all from the most expensive down to be booked solid with reservations from Thursday until Sunday.  
Game is in fair condition, better than indicated a month ago, due to the unexpected acorn crop, which caused the game to mend. —Junction Eagle.

**Blood Donation**  
O. V. Christoffers, chairman of the blood-bank drive which had secured a special hour, 3:30 to 4:30 today (Thursday) at the Red Cross Bloodmobile in Angelo during the hours selected as "Eden Hour," reports that 40 have registered in the urgent appeal for more blood for our boys in the armed services. —Eden Echo.

**Auction Big Success**  
The Menard Parent-Teacher association will have \$5,404.50 to spend on future projects as a result of the PTA auction held here Monday. That figure was the net profit realized from the 11th annual affair, according to Mrs. George Grandstaff Jr., PTA president.

The above figure came from the following sources, Mrs. Grandstaff said:  
Auction—\$5,060.06.  
Cash Donations—\$250.00.  
Turkey Sale—\$94.00.  
Despite the drouth which has plagued Menard county this year, the sale was the biggest yet. The previous record was set last year when the local organization made a profit of around \$3,900. —Menard News.

**More Ozona Publicity**  
More national publicity for Ozona came last week as a result of the visit of Ozona's Packard dealers to Detroit to witness the showing of the 1952 model Packards.  
The occasion was the presence at the Packard family meeting of 3-year-old Stephen Taliaferro, son of Mr. and Mrs. Warren Taliaferro, and grandson of Mr. and Mrs. C. W. Taliaferro, all associated in the local Packard agency.  
Packard Motor Co. picked out young Stevie as the youngest Packard salesman at the meeting and took his picture, with dad and granddad, for use in Detroit papers, in "Automotive News" and in the Packard dealers monthly publication. —Ozona Stockman.

**Increased Enrollment**  
Enrollment in the Reagan County schools continues to increase according to figures compiled the first of this month by Supt. C. E. Ellison. The entire enrollment was 689, a 20 per cent increase since last year at the same time, and a 3 1/2 per cent increase over the previous month of this year. No comparative figures were given on the Texon and the Davenport schools as their enrollment has remained about the same, the increase being in the Reagan County High School and the Big Lake Elementary school. —Big Lake Wildcat.

**JOINS HEREFORD ASSN.**  
 KANSAS CITY, Mo., Nov. 16—J. S. Miller, Eldorado, Texas, today was named to membership in the American Hereford Association, the world's largest pure-bred registry organization, with headquarters in Kansas City.

Two hundred and fifty-one Hereford breeders were placed on the Association's official roster during October to boost the total membership to an all-time high of 19,448. Members represent every state in the nation.

The Hereford Association last year recorded a new world record of 506,061 purebred calves, an increase of 79,090 over the record established during the previous fiscal year. White faced calves registered last year were nearly three times the total registrations of all other beef breeds.

**Explanation Given On New Safety Law Effective January 1**

Public Safety Director Homer Garrison, Jr., reminded Texas motorists tonight that their licenses will be suspended if they are involved in a traffic accident and fail to meet damage claims up to \$15,000 when the state's new Motor Vehicle Safety Responsibility Law becomes effective on January 1.

Declaring it "will greatly affect the personal safety and economic security of every man, woman and child in the state," Director Garrison gave the public its first official analysis of the new law since its adoption by the last session of the legislature. He spoke from Austin over a state-wide radio network and announced that during the next two months the Texas Department of Public Safety will fully acquaint the people with the purposes and requirements of the law through the press and radio and by means of an official leaflet that may be obtained at any service station.

Director Garrison pointed to the rapidly increasing number of traffic accidents and public indignation over the failure of motor vehicle owners and operators to pay for the damage they cause through negligence as the reasons that prompted the legislature to enact the law, which closely follows safety responsibility statutes in 34 other states. He declared the law's primary objectives were to deny motoring privileges to owners or operators who do not meet just damage claims resulting from accidents and to put chronic accident causers off of the highways permanently.

In a carefully summarized explanation of the law's principal features, Director Garrison explained its operation as follows:

The operator of every motor vehicle that is involved in an accident resulting in death or injury to a person, or property damage to any one person exceeding \$100, must file with the Texas Department of Public Safety a new report in addition to the regular accident report that is now required by the state's Uniform Traffic Law. The regular accident report must be filed within 24 hours, but motorists have up to 10 days to file the new report form. Both reports are mandatory regardless of who caused the accident.

The law does not apply, except with respect to filing the new report form, to insured owners or operators, provided the insurance covers possible damage claims resulting from a traffic accident, up to \$15,000. Uninsured motorists will receive a notice from the Texas Department of Public Safety that they must deposit sufficient security to cover the damage they caused, as determined by the Department. This may range anywhere from \$101 to \$15,000, and the collateral may be in the form of cash or negotiable securities. The deposit must be made with the Department within a maximum of 60 days after the accident report was filed.

An uninsured motorist will not be required to deposit security, however, if he files satisfactory evidence, within the 60-day period, that he has been released from liability, been finally adjudicated not to be liable, executed a duly acknowledged agreement to pay damage claims up to \$15,000, or that his motor vehicle was legally parked or was being operated without his permission at the time of the accident.

Should an uninsured motorist fail to meet any of these requirements within 60 days after filing

his accident report, both his operator's license and registration of ownership will be suspended until he does or until a year has elapsed without court action for damages being filed. Suspension of registration will apply to all cars owned by the defaulting motorist.

**Sale of TB Seals Launched By Gov.**

Citing the "invaluable work" of the Texas Tuberculosis Association in fighting tuberculosis in Texas, Governor Shivers made public today a formal proclamation calling for "100 per cent generous support" of the 1951 Christmas Seal sale. The campaign will be conducted by the Tuberculosis Association from Nov. 19 to Christmas.

In issuing his proclamation, the Governor spoke of all "the excellent tuberculosis-fighting projects of the Association," but singled out the Association's health education programs for special commendation.

"Working on a year-round basis, the Texas Tuberculosis Association and its local affiliates make every effort to get across to the people facts about tuberculosis which will help them protect themselves against the disease," the Governor pointed out.

**COACH MIERS JOHNSON GETS 15-POINT DEER**

Menard vicinity provided unusually good hunting grounds for Assistant Coach Miers Johnson, who killed a 15-point deer, weighing 122 pounds. He has it on storage in the Eldorado Ice House.

Street talk these days is all about hunting—most of the men of the county have either gone or are getting ready to go.

## A Salute To The Average American Man

- He provides for his family.
- He enjoys living.
- He's sold on the American Way of Life!

And that's what we're thankful for today—a free and united and liberty-loving country, with a high standard of living and plenty of freedom.

May we today, as we eat our Thanksgiving dinner with our loved ones, humble ourselves before our maker and resolve to do all that lies within our power to share our many blessings with those throughout the world who are less fortunate.

**Recipe of the Week**

**A Special Pumpkin Pie**

1½ cups mashed pumpkin;  
 2 eggs;  
 2/3 cup brown sugar;  
 ½ teaspoon ginger;  
 ½ teaspoon cinnamon;  
 1½ cups milk (This is a very light filling. If you prefer it heavier, use ½ cup of milk and ½ cup of cream or all cream);  
 ½ cup cream;  
 1 teaspoon vanilla;  
 1 lemon, rind and juice;  
 3/4 cup black walnut or pecan meats (optional);  
 ½ teaspoon salt.

Separate eggs and beat separately. Combine beaten egg yolks, pumpkin, and all the ingredients except the egg whites. Fold stiffly beaten egg whites into the combined ingredients. Fill pie shells. Bake in a hot oven (450) for 15 minutes, and in a moderate oven (325) for an additional 30 minutes. Makes two seven-inch pies.

Chester Wheeler and his family spent the weekend with the Tom Hendersons and the L. Wheelers.

BIRTHDAY FOR LYNN MEADOR

Mrs. Edward Meador entertained 30 children with a Hopalong Cassidy party Wednesday evening in the Methodist Church basement, honoring her son Lynn on his sixth birthday.

The children pinned the tail on Hopalong's horse, Kara Lynn Rogge of Sonora and Mack McAngus winning this contest; in the hunt for gold nuggets Carol Tisdale and Dwight McDonald were winners.

The Western motif was carried out in the cake decorations. Yo-yo's and cowboy baskets filled with candies were the favors.

CRUSADERS MEET

Crusaders met in regular session Tues. Nov. 20, at 4:00 in the basement of the Presbyterian church with Mrs. Edwin Jackson as their leader.

The following officers were elected: president, Nancy Jo Jackson; vice president, Monetta Bradshaw; secretary, Robert Bruce; treasurer, Mary Jo Parker; reporter, Rebecca McAngus; recreation committee, Sandra Holcomb, Cecil Mac Walston and Myrta Ann Topliffe.

Refreshment chairman is Thomasine Jones. Ann Ballew assisted Mrs. Jackson with the lesson, before which they were served fruits and candies.

ENTERTAINS FOR DAUGHTER

Honoring her daughter Mrs. T. A. Gable of San Angelo on her 19th birthday, Mrs. R. S. Cress entertained with a birthday dinner at the family home here Sunday. Attending in addition to Mrs. Gable and her husband and the Cresses were Mr. and Mrs. John Garrett of San Angelo and Mary Ruth Young of Eldorado.

DAUGHTER FOR MATTESONS

Born Monday evening a 7 1/2 lb. daughter to Mr. and Mrs. Bill Matteson at Great Falls, Montana. The Mattesons have named her Cynthia. The young mother is the former Patricia Smith of San Antonio and California. The E. H. Coulters of Eldorado are grand parents, and there are maternal grand parents in California.

Mrs. H. F. Webb has returned from a visit with relatives near Abilene.

Mr. and Mrs. E. D. Otis of Fredericksburg spent the weekend with Mr. and Mrs. Fred Watson. The Watsons have as a guest through the holidays their grandson, Lannie Spurgers of San Angelo.

RHONDA SPROUL IS TWO SINCE BIRTHDAY TUESDAY

Honoring her daughter Rhonda on her second birthday, Mrs. Carroll Sproul entertained about 25 children at the Community Building Tuesday afternoon. Favors were balloons, and refreshments were decorated birthday cake, decorated cookies, and ice cream. Several adults attended, in addition to the children and members of the family.

Rita Ann Elder of the State University came in by plane in time to attend the game Friday night. Also with the Jack Elders at the game was Mrs. Elder's uncle, Charles McGill, of San Angelo, West Texas Utilities salesman.

**Pontiac Prepares To Launch 1952 Models**

PONTIAC, Mich.—First of the General Motors car units to launch 1952 sales activities, Pontiac Motor Division will hold a series of factory and dealer meetings in key cities throughout the country beginning Nov. 19, according to an announcement this week by L. W. Ward, general sales manager of the Pontiac Motor Division.

The dealer meetings will be held in 25 cities where details of the 1952 line of Pontiac cars will be discussed and plans outlined for their public introduction.

Ward said that production of the new models already is under way with view to supplying dealers in time for public display early in December. Important engineering developments having to do with engine performance and power transmission will be among features of the new line, he said.

Current dealer stocks are at a minimum and Pontiac showrooms across the country will be relatively bare immediately prior to the announcement of new models. The executive said that production will be scheduled to insure prompt delivery of the 1952 cars beginning in December.

In Texas dealer meetings are scheduled in Houston on Nov. 26, and in Dallas Nov. 27.

The Gillispie family, here with Pan American, are renting the Mercer residence, and two oil employees have rented the garage apartment.

The J. D. Ashmores had as guests Sunday their son-in-law and daughter, Mr. and Mrs. W. E. Terry of San Angelo.

Frank Barrett, who is temporarily employed in Lovington, New Mexico, is expected in for Thanksgiving.

The Eldorado Success, \$2.00 year.

**PTA Meets Tuesday In Regular Session**

The Parent Teacher Association met Tuesday night in regular session. During the business session the budget as worked out by the committee and submitted for consideration by the group was adopted.

Four delegates to the state convention at Dallas, President Mrs. Marvin McAngus, Mrs. Carrol Raliff, Mrs. W. J. Humphrey and Mrs. Jack Hext touched on highlights from the state sessions November 14 through 16. Carrying out the theme of Safeguarding Our Freedoms through Responsible Citizenship, the convention presented an interesting program of speeches by national and state leaders, workshops and roundtables.

The sixth grade taught by Mrs. Martin and Mrs. Jimmie Lou Taylor presented a pantomime in which a large group participated.

W. J. Fraker introduced a High School students' panel discussion on "What Makes up a Good School?" as follows:

Leader, S. E. Etheredge.  
A Good Student Body, Jerry Pennington.

Cooperation Between Students and Faculty, Sue Shilling.

A Good School Plant, Melba June Wilkinson.

A Good Faculty, Jean Kuykendall.

A Good Community, Margaret Ellen Edmiston.

Mr. and Mrs. T. H. Alexander spent from Tuesday to Friday in Snyder with the R. J. Alexanders.

Mrs. Velma Smith of Coleman is here to spend several days with Mr. and Mrs. O. B. Bradshaw.

J. E. Bruton and his family of Melvin visited Sunday with Mrs. Mattie Bruton, his mother.

Mr. and Mrs. Tom Carroll had as dinner guests Sunday Mr. and Mrs. C. H. Edsell of San Angelo.

**POST - SCRIPT**

With postcards going up to two cents by January 1, the publisher of this newspaper urges everyone to cooperate by bringing in their subscription money on time. It has been our custom to mail out at least two cards before taking names off our list—one card goes out around the 20th, and another one or more a couple of weeks later when the subscription has expired.

Women often tell us that they had received no notice when their name was taken off. We have a hunch that the men did not get home with the bill!

By cutting every corner we can we hope to keep from raising our subscription rates.

Mailing charges on bills, and the record work required to keep our list up to date eat into our subscription receipts in increasing amounts.

We don't expect anyone to know when his subscription is out—but we hope to keep our mailing expenses down as much as possible.

So—mail or bring in your check—please!

The postal department urges people to mail their packages early. As Postmaster Brooks explains it: early mailing gives you more time to get the package off, helps the local postal department to take care of it, and gives the package better mailing service on its way to its destination.

Brooks also urges everyone to pack articles well—to wrap breakable items carefully, and to pack all in a strong box.

The Christmas mailing season has barely begun, only overseas packages reaching the mails to date.

Most of the cotton in local ginners predict that there may not be more than 50 bales left in the fields. Ginned to date, as reported Tuesday morning, were 596 bales.

If the family next door were burned out of their home by fire, neighbors would rush to help—to offer whatever was needed.

It is hard to realize the effects of a fire when the flames were 10,000 miles away. In South Korea, millions of helpless civilians—many of them children—have suffered the conflagrations of war. Homes have been destroyed, all possessions lost, normal means of livelihood wiped out. At least five million persons are homeless refugees. The various governments have pledged supplies to UN relief pools, but supplemental, individual aid is still necessary to meet the desperate need for clothing, for blankets, for food.

The General Federation of Women's Clubs is sponsoring Thanksgiving season campaign to send CARE food and textile packages from Americans to Korean war victims. Funds are being solicited by Women's Club members in this city. The help CARE packages bring to the people in many countries of Europe and Asia is well known. Nowhere is CARE more needed than in Korea today. No time could be more appropriate to extend that aid than now, as Americans prepare to give thanks for the abundance we enjoy—an abundance beyond the wildest dreams of the hungry and cold men, women and children in South Korea.

Make out your check to Care for Korea. Mail it to Mrs. May Tisdale—today.

H. B. Dunham is tool pusher for Two-States Drilling Company, which is moving a rotary in this week from a location in the Toenail Trail corner of Schleicher County.

With this rotary are 15 men, most of whom are moving here into apartments or houses with their families. Dunham has a trailer at the residence of Mrs. W. H. McClatchy, and others have either moved in or are planning to move here in a day or two.

Two-States will drill Fullerton-No. 1 McIntosh, in the east part of the county. Roads are being built to the location.

A Sinclair seismograph crew is scheduled also to move into Eldorado this week, according to word picked up on the streets today. Only a small number are moving in, but they will add to the crew by hiring local men.

Most of Eldorado's business houses will be closed all day Thanksgiving Day.

**★ The Military ★**

Jimmie Woodward, of the U. S. Navy, came in Saturday to visit his parents, Mr. and Mrs. O. L. Woodward for about 15 days. He expects to receive assignment to a school or overseas when he reports back to camp at San Diego. With him was Johnnie Smith of Sonora, also home for 15 days. The two youths took their training together at San Diego.

Aubrey Jarrett reports his new address as follows:  
Aubrey R. Jarrett S. N.  
Com. Nav. F E Navy 1165  
Finance Bldg., 7/2 Fleet P O  
San Francisco, Cal.  
He lists his phone number as 57-8508.

**San Angelo Guests Give Program At D. A. R. Meeting**

Three San Angelo women, members of the Tom Green County Historical Society, were special guests Thursday when the El Dorado chapter of the D. A. R. met in the home of Mrs. W. F. Meador with Mrs. Elizabeth Powell as co-hostesses.

The Chapter opened in regular form by the chaplain, Mrs. John Luedecke who read of Paul's voyage to Rome and his occasions to give thanks. In the business session four amendments to the local By-Laws were adopted. Mrs. Horace Linthicum was elected to membership. Mrs. J. E. Tisdale, chairman for CARE packages to Korea explained the necessity for aid and urged members to contribute to this cause, which is being sponsored by the Federated Clubs.

The four members who attended Divisional meetings made reports. The D. A. R. forest of long-leaf pine near Beaumont is now bringing in some revenue through sale of pine. This forest is the gift to Texas D. A. R. by a former Regent, Mrs. McFadden. New members received into chapters in Texas last year totaled 375. Mrs. J. E. Hill and Mrs. W. F. Meador represented this chapter at San Antonio, and Mrs. J. E. Tisdale and Mrs. W. O. Alexander, at Abilene. The State Regent urged the study and spread of information concerning our Flag; and better movies for schools and theaters be shown. The Press Relation's and Historian's Scrap Books each received second place at the National Convention in 1950. The State Regent was presented with a corsage of fifty One-Dollar bills which she will give to the State Building Fund.

The visitors, Miss Christine Schott, Miss Susan Miles and Mrs. Jose Tweedy Sr. were introduced to the Chapter by Mrs. Alexander. Miss Schott and Mrs. Tweedy alternated in reading from a paper prepared by Miss Schott on the life of Gustav Schleicher. This presentation was unusual and gave an interesting way the life of the man for whom this county was named. He came to Texas from Germany in 1847 and settled near the present town of Llano. The colonists who came with him were not used to pioneer life and hardships and this venture was unsuccessful but later Schleicher settled many of his own people in this state where they made splendid citizens. He mastered the English language and in 1853 was elected to the Legislature; later to the Senate.

He was chosen to survey the Fisher-Miller Grant of land which includes all of this section of Texas. He was instrumental in getting a toll bridge built over the Guadalupe River near New Braunfels; and in the construction of the San

Antonio, Mexico and Gulf Railroad from Port Lavaca to Cuero. Much freight for the colonists was hauled over this road in early years. He volunteered into the Engineers' Corps when the Civil War started and served his adopted state throughout the war as captain. He was elected to Congress and was considered an authority on Mexican affairs. He died in 1879 in Washington, D. C., before beginning his third term as Congressman. He was brought back to Texas and buried in San Antonio. He was a cultured man, patriotic and loyal to his adopted country. He was a leader of men and a great statesman.

Refreshments were served from the dining table covered with hand made cloth centered with a large bowl of chrysanthemums. Mrs. J. E. Tisdale and Mrs. J. E. Hill served the following members and guests: Mesdames V. G. Tisdale, J. H. Luedecke, W. O. Alexander, Jerry Hartgraves, J. B. Montgomery, Raymond Schrank, Luke Thompson Sr., C. M. McWhorter, E. C. Hill, P. K. McIntosh, L. M. Hoover, Horace Linthicum and Jose Tweedy and Misses John Al-

xander, Susan Miles, Christine Schott and Kitty Buchanan and the hostesses.

Slim Boyer and Howard Belcher have returned from an unsuccessful deer and wolf hunting trip in South Texas.

Here from Independence, Kansas, for a visit with Texas relatives are Mr. and Mrs. F. L. Powers and family who visited in Eldorado, then went to Albino for a visit until Thanksgiving Day. Mrs. Powers is the former Venita Davis. They left their baby, Mary Jane, here with Mr. and Mrs. W. C. Doyle while they visited in Albino.

Ruth Reid of Stillwater, Oklahoma, is here visiting Mr. and Mrs. Arch Edmiston.

Mrs. Bill Matthews of San Angelo visited last weekend with the Calvin Matthews family.

Relatives of O. W. Duncan will attend a family dinner Sunday at the home of Mrs. Fred Furr, his daughter, honoring him on his 86th birthday.

*Official Memorandum*  
by  
Allan Shivers  
Governor of Texas  
AUSTIN, TEXAS  
GREETINGS:  
The people of the State of Texas are always willing to show their appreciation for services rendered.  
The Electric Lineman's profession has never been recognized on a statewide basis. The Electric Lineman, for years, has rendered courageous and faithful service to the citizens of the State of Texas, often under great handicaps and dangerous situations. These services must be rendered regardless of season or time of day or night.  
Many Electric Linemen will gather at Texas A & M College on November 23-24 for their annual Job Training and Safety Conference.  
NOW, THEREFORE, I, as Governor of the State of Texas, hereby designate November 23, 1951, as a day of recognition of the Electric Lineman of the State of Texas.  
In official recognition whereof, I hereby affix my signature this 18th day of October, 1951:  
(SEAL)  
Allan Shivers  
Governor of Texas

**How to Broil a Small Turkey**

Use a young turkey weighing 2 to 4 pounds. Have turkey split in half lengthwise for broiling. Break drumstick, hip and wing joints to keep bird flat during broiling.  
**Flatten halves**—skewer leg to body. Fold wing tip back under wing. Skewer wing flat against cut edge of backbone.  
Season each half turkey with about 1/4 teaspoon salt and a sprinkling of pepper.  
Place turkey in broiler pan (not on rack). Brush with melted fat and then place skin side down.  
**Broil slowly**—place in broiler 5 to 7 inches under heat source. Regulate heat or pan position so that turkey

just begins to brown lightly in 10 minutes. Cook slowly.  
Turn and brush with fat two or three times during broiling to brown and cook evenly. Total cooking time, 50 to 60 minutes for 2 1/2 pound ready-to-cook turkey.  
**Test for doneness**—the turkey is done when meat on the thickest part of the drumstick cuts easily and there is no pink color visible.  
Serve on warm platter with pan drippings poured over turkey.  
If giblets are served with broiled turkey, coat the liver and precooked heart and gizzard with fat, season and broil just long enough to brown.

**First Baptist News**

These are important hours and events for Monday through Thursday Nov. 26-29. Each evening at 7 in the church auditorium we will have the privilege of hearing returned missionaries speak to us. They will represent Africa, China, Japan and Mexico. We extend a cordial invitation to all the people of Eldorado who will wish to avail themselves of this treat. Don't miss this blessing and privilege.

We regret the news of the death of Mrs. William Rountree's mother who passed away Monday at Chattanooga, Tenn. If any would wish to send expressions of sympathy to Mrs. Rountree her address is: 1506 Vance Ave., Chattanooga, Tenn. Certainly our sympathy and prayers go out to Margaret in her deep loss.

Be sure and watch this column for future announcement for the showing of the picture, "Mr. Texas." This is one of our greatest religious pictures. The picture was filmed in connection with Billy Graham's greater Fort Worth revival held last March. It will be shown in our church in January. Watch for the date. Make up your mind right now to see this picture. Bring all the family. All churches welcome.

Mrs. Vida Faulk and Miss Shirley Faulk were baptized into the fellowship of our church Sunday

evening at the evening worship hour. We express our gratitude to these fine people for their stand for Christ and His church, and pledge our prayers and help to them as they seek to live the abundant life for Christ.

We invite you to hear Rev. Vernon Shaw Sunday morning at the morning worship hour speaking in behalf of our orphanages. This will be kick off day for our offering for the orphanages. This offering will close the second Sunday in December. The offering will be divided equally between our three orphanages. Let us resolve in our heart that we will make a worthy offering to this cause.

The choir is busy at work on their Christmas music. The choir, under the direction of Miss Farmer, will present this year, "The Nativity." We urge the earnest cooperation of each choir member in the preparation of this program. Watch this column and bulletin for announcement of date and time.

The Eldorado Success, \$2.00 year.

**TO THE VOTERS OF  
SCHLEICHER COUNTY**

It is with sincere and heartfelt appreciation that I thank my friends for their loyalty and their support of my candidacy for Representative for the 86th Legislative District. I feel very humble, and shall do my very best to merit this confidence and trust as I represent your interests in the Legislature.

JOE BURKETT, Jr.

Mrs. O. L. Woodward has a painfully injured foot which she burned with hot grease when she was trying out some lard recently.

Mr. and Mrs. D. C. O. Wilson have returned from a business trip to Fort Stockton, where they also visited friends.

Mr. and Mrs. R. A. Tisdale of Eden were weekend visitors in the home of Mr. and Mrs. Virge Tisdale.

George Ochsner of SAC, San Angelo, spent the weekend here with his parents, Mr. and Mrs. L. D. Ochsner.

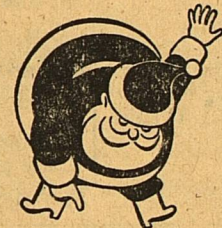

Help your cows produce a big Calf Crop  
SUPPLEMENT RANGE WITH

**PURINA RANGE CHECKERS**

While a cow is carrying her calf, nutritional needs are high, much higher than can be normally supplied by grass alone. For this reason, thousands of well-known ranchers supplement with Purina Range Checkers. Checkers supply vitamins, minerals, carbohydrates and a variety of protein. For big results—a big calf crop and lots of milk—feed Purina Range Checkers. The variety in Range Checkers makes a difference, all right!

**SOPHS ENTERTAINED AT RUNGE RANCH**

Mothers entertained the Sophomore Class with a dinner and evening of games Saturday, at the Forrest Runge home near Eldorado.

The group gathered at the ranch at 4:00, and a fried chicken supper was served to 35, including the young people and several adults.

The Runge garage, which is equipped with a barbecue pit, was decorated and furnished as a tavern, and the chickens were served from iron skillets on the barbecue grate.

**JUNIOR HI FOOTBALL PARTY**

The students of Eldorado Junior High School had their Junior High

Football party Saturday night, November 17, in the Memorial building, sponsored by Miss Barton, Miss Hill, and Mrs. Jack Moore. The color scheme for the party was black and gold.

Nancy Jo Elder, escorted by captains Tony Kerr and Jimmy Harris was crowned Junior High Football Sweetheart for the year of 1951-1952.

Tony Kerr presented Coach Johnson with a gift in behalf of the Junior High football boys.

Various games were played after which sandwiches, cookies, and punch was served by mothers of the seventh and eighth grades.

**Caution Is Needed In Hunting Season**

COLLEGE STATION, Nov. 22.—During the next few weeks thousands of hunters will take to the fields and woods on their annual hunts and unless the simple rules of safety are followed, many will be involved in a serious accident. Most hunting accidents can be prevented. It is the "trigger happy" hunters, says R. E. Callender, Extension specialist in wildlife conservation of Texas A&M College, who endanger the lives of every other hunter in the woods and cause needless damage to wildlife. Wild shooting leaves many birds and animals crippled and these are usually lost because they are never found.

Practicing safety with guns in the fields or woods, says Callender, is a good conservation practice that applies both to humans and wildlife. He points out that about two-thirds of all hunting accidents result from three causes: humans in line of fire, mistaking humans for game and hunting with the safety catch off on the gun or rifle.

According to Callender, good sportsmanship is just using good manners while on the hunt. It includes using the right gun for the right game; hunting only in season and not taking more game than can be used even though the bag limit may permit the hunter to take more. Wise hunters, he adds, will use a trained dog to retrieve crippled birds. The careful and wise hunter never thrown down a lighted cigarette nor leaves a campfire burning for either may start a destructive grass or forest fire. He breaks matches after they are struck and before they are dropped to the ground and leaves the area where he has hunted in good condition. In other words, Callender says, he is a good housekeeper in the woods.

Here is Callender's code of safety for the hunter. Treat every gun as if it were loaded; it is usually the empty gun—they thought it was empty—that takes the most lives. Loaded guns should never be carried in an automobile. The gun barrel and action should always be checked to make sure there are no obstructions in either. The gun should be carried so that the hunter always has control of the direction of the muzzle, even if he should stumble. The good hunter never pulls the trigger until he is sure of his target and never points a gun at anything he doesn't intend to shoot.

The specialist says loaded guns should never be left unattended and that the hunter should unload his gun before climbing a tree or over a fence. Bullets fired at flat, hard surfaces, or at objects on the surface of water may ricochet and hit objects not thought to be in the line of fire. Last but not least, important, he says gunpowder and alcohol should never be mixed for the results can be disastrous.

The intelligent hunter will be thinking how he can aid in conserving the wildlife of the land so that he and others will have areas where they can continue to enjoy one of America's greatest sports in the future. Wasteful and careless hunting habits on the other hand, says Callender, can destroy the protection, vegetation and even the wildlife itself. It's up to every hunter, he concludes, to see that this situation does not exist in the areas where he hunts.

**METHODIST MEN MEET MONDAY NIGHT**

About 35 were present when the Methodist Men met in their regular third Monday meeting.

During the business session it was agreed to make the December 17 meeting a ladies night and Christmas party. Announcement was made that application has been made to church headquarters for charter for the local group. The men voted to accept the invitation of the Baptist Brotherhood to a meeting with them in January when a special program will be presented.

Two films were shown; one built around the work done by the land grant colleges of America and another on wildlife.

The supper was prepared and served by ladies of the W. S. C. S.

Mr. and Mrs. Eldon Calk spent Friday and Saturday in Waco, buying holiday goods for their drug store. They left their two children in Ballinger with the children's grandparents during their absence from home.

Mrs. D. C. O. Wilson has returned from Kermit where she visited a sister several days.

**The Eldorado Success**

Entered as Second Class Matter at the post office at Eldorado, Texas, under the Act of March 3, 1879.

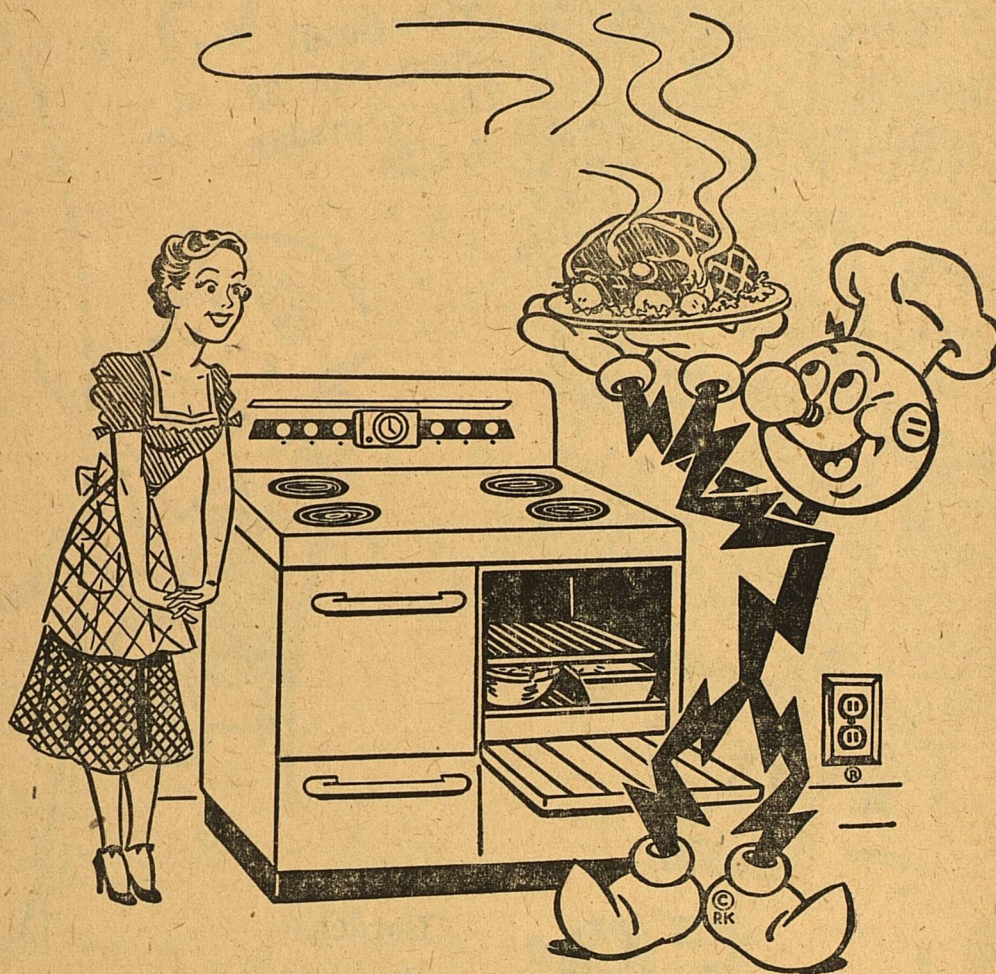

PUBLISHED EVERY THURSDAY At Eldorado, Texas  
Fred Gunstead Publisher

**PRETTY EXPENSIVE !**

Seems like a high price to pay for a pound or so of porcelain, doesn't it? Yet that's just what it cost one co-op recently to replace an insulator broken by a very thoughtless fellow with a rifle and nothing else to shoot at. It took over 75 man-hours and 180 miles of line inspection to locate and repair the insulator.

The man who fired the shot just couldn't realize that he would cause all that trouble and expense. More important, he probably couldn't realize that the outage his stupidity caused would work a real hardship on many consumers on that line.

And "hardship" doesn't just mean that those folks wouldn't have any lights. In the present emergency, farmers and ranchmen are depending more and more on electricity to help them do the job of producing the food and fiber that is needed.

Our job is to keep the farmers and ranchmen supplied with that electricity, and to extend service to farms not yet electrified. Please don't make us take time from that job to repair equipment that wouldn't be damaged except for thoughtless shooting.

We would like to ask every member of this community to do one thing: When you use a gun, use your head. Don't sabotage vital electric equipment.
