ELDORADO — SCHLEICHER COUNTY, TEXAS

THURSDAY, APRIL 24, 1952

NUMBER 17

Voters Again Reminded of Precinct Conventions On Saturday, May 3rd

Schleicher County voters are again reminded that the Democratic party precinct conventions will be held throughout the county on Saturday, May 3rd.

It is in the precinct convention that the party's national platform has its origin. It is there, also, that the ultimate strategy of the state's delegation to the national party convention has its beginnings. Because a good attendance is desired in each of the nine precinct meetings, we list below the location of each of the precinct conventions, and by whom it will be held.

Voting Precincts

- No. 1—held by Joe Edens at the court house.
- No. 1A—By Marvin McDonald at the school house.
- No. 2—By Arch Edmiston at the W. A. Edmiston home.
- No. 3—By Otto Williams at the Adams school house.
- No. 4—By Oran Enochs at his home.
- No. 5—By Merlin Rogers at his home.
- No. 6—By Ralph Fowler at the home of Milton Faught.
- No. 7—By Forrest Runge at his home.
- No. 9—By Buck Davis at the Reynolds school house.

If one is to function effectively in the precinct convention, he needs to know something about how such a convention should be conducted.

The precinct chairman elected in the party primary last July is charged with the duty of calling the precinct convention to order. He is to preside until the permanent chairman is elected.

If the precinct chairman does not arrive in time to open the convention at the duly designated moment, any qualified voter living in the precinct may be selected to serve as temporary chairman and preside until the permanent chairman is named.

If one wishes to have an active part in getting his precinct convention to follow his political views in its selections and decisions, he should do some preliminary work—at least a week before the convention. This can best be done by arranging a preliminary caucus among friends and neighbors. There, proposed candidates for permanent chairman and permanent secretary should be selected. A floor leader and assistants should be designated to make motions in the convention on election of the permanent chairman, the permanent secretary, the committee on delegates (to the county convention) and the committee on resolutions.

Each precinct is entitled to one delegate in the county convention for every 25 votes cast for governor in the precinct in the last general election. (This figure can be obtained from the Co. Clerk.)

It is the Resolutions Committee report that will contain such items as whether the precinct's delegates shall vote as a unit in the county convention, and whether the precinct shall favor having the Texas delegation instructed or uninstructed in the National Convention. That is, whether the precinct would rather have Texas' national dele-

gation pledged to support one man only as presidential candidate, or whether it would have the delegation free to take advantage of on-the-spot developments in the national convention.

The time for holding precinct conventions has been set for 3:00 p. m., Saturday, May 3rd—unless the voters in a given precinct get together and agree on a different hour.

MISS BALLEW VALEDICTORIAN OF CLASS OF '52

Lola Beth Ballew, second daughter of Mr. and Mrs. Lewis Ballew, is valedictorian of the Class of 1952 with an average of 90.0. Salutatorian is Jimmy Morgan, son of Mr. and Mrs. R. C. Morgan, with an average of 87.7.

Miss Ballew has carried out a well-rounded program of extra-curricula activities during her years in high school. She was cheer leader one year, 1951-52, and also was honored this year by being chosen as football sweetheart. In 1949-50 she was on the student council. For three years she has been a member of the band, has sung alto in the school sextette, and has been a member of the choral club.

For two years she was a member of the Dramatics Club and has distinguished herself by portraying difficult character parts in plays this year: in the one-act play, winning a place on the all-star cast at district meet; and the Senior play, in which she had a leading part. This year she has been on the Talon staff. She has also been a member of the Home Ec Club for three years.

Miss Ballew, who finished her high school work in three years, has enrolled at the University of Texas, for the fall term.

Jimmy Morgan, son of Mr. and Mrs. R. C. Morgan, is second high with an average of 87.7. He has been a member of the High School band four years, and played football last fall. Last year he was a member of the Photo Club and of the Dramatics Club, and was in the Junior play and the Senior play, taking one of the leading parts in the latter. He has been on the staff of Eagle Scratches this year, was in 4-H work two years, and in his Junior year ranked as high boy with an average of 90.3.

Fastball News

Ohio took a score of 24 to Hank's Gulf team's 4 last Thursday night in fastball. Friday night Republic Exploration handed the Eldorado team the losing end of a 25 to 20 score.

Tomorrow night a double header is scheduled with Ohio vs. Magnolia and Hanks Gulf vs. the Eldorado team.

Monday night Republic meets Magnolia and Tuesday will see the clash between Ohio and Eldorado, according to a report from Jack Halbert yesterday.

—The Eldorado Success, \$2.00 year.

Fisher Speaks To Full House As Brotherhoods Meet Monday

The Hon. O. C. Fisher, congressman, had his first opportunity, in a good many years, to address the people of Schleicher County, when he spoke at the joint Brotherhood meeting at the Methodist Church on Monday night.

By the time the Congressman was due to speak, the auditorium will be filled to capacity and several rows of chairs were brought in to accommodate the overflow.

Fisher, who has been in Washington for nearly ten years, was able to be in Eldorado at this time due to the fact that the House of Representatives were having their usual Easter recess; he was due to fly back to Washington Tuesday.

The Congressman talked for about 45 minutes, during which time he touched on several legislative matters, including the question of an ambassador to the Vatican. (He is against it.) On a broader plane, he pointed out that the world is now engaged in a struggle between the forces of Freedom and Communism—that Communism has never been voluntarily accepted by the people of any nation—it is imposed upon them. He warned against the danger of "creeping" socialism, and pointed out three: socialized medicine, socialized far-

ming and socialized housing—as examples that should not be allowed to creep too far.

The business of free enterprise, declared Fisher, is under challenge all the time, and the audience was given to understand that to lose it, was to lose also the sense of responsibility and the dignity of man. His speech was attentively received and much enjoyed by the large crowd present.

The Program

The meeting opened at 7:00 p. m., with the men assembling in the church auditorium and filing down to the basement for supper where a total of over 115 were served.

About 8:00 o'clock the crowd re-assembled in the auditorium where they were joined by many others, including women, for the evening's program. Chuck Gary, president of Methodist Men, was toastmaster for the evening. A sing-song, led by Miss Lucille Farmer, was followed by a piano solo by Bob Ratliff, and two numbers by Miss Farmer's high school sextette. Following this, the speaker of the evening was introduced.

The supper was efficiently handled by members of the Methodist WSCS.

Schleicher County Oil News

The Huldale-Strawn field ten miles north of Eldorado has received its first commercial gas producer. The new well is Skelly Oil Company No. 2 Davis estate located at the southeast side of the field. Operator reported a daily potential of 306,000 cubic feet of gas per day with six barrels of 36-gravity oil. The flow was gauged on a 12/64-inch tubing choke. Completion was from one foot of perforations at 5611-12 feet opposite the Strawn lime.

Completion on the pump is slated for Delta Gulf Drilling Co. No. 1 Blair M. Boyd, wildcat and Canyon sand discovery in extreme north-east Schleicher county. Latest gauges available report about one barrel of oil per hour on the pump. Gravity of the oil so far produced is 34.4 gravity. Production is thru perforations at 4416-4436 feet. That section had been given a 4200-gallon fractureal treatment.

The Pure Oil Company No. 1 J. S. Roach, northwest Schleicher wildcat, is drilling ahead in the top of the Ellenburger below 7456 feet. That formation was topped by samples at 7440 feet, datum minus 4990 feet. The project has not logged any shows of oil or gas in the section of the Ellenburger so far penetrated.

Pure No. 2 Roach found oil and water in the top of the Strawn line in a drillstem test at 7303-23 feet. That zone was drillstem tested for three hours. Gas surfaced in 10 minutes. The gas blow had declined to practically zero by the end of the period.

Recovery was 360 feet of clean, 42-gravity oil, 360 feet of oil and gas-cut drilling mud and 5770 feet of salty, sulphur water. Open flowing bottom hole pressure was from zero to 2900 pounds. Shutin bottom hole pressure after 15 minutes was 2900 pounds. Operator is preparing to take electric log surveys and then plug back and test in zones above the Strawn which had some shows of possible production. The well is three quarters of a mile east of Pure No. 1 Roach.

Skelly Oil Company No. 3 Davis, Huldale field test, was drilling below 1337 feet in lime.

Standary No. 3-2 Wilson, project in the Neva West field was digging below 2276 feet in lime and shale.

Headwaters Oil Co., No. 1 Spencer, wildcat in southeast Schleicher was drilling below 5290 feet in Ellenburger topped at 5265 feet. No elevation was reported. This project, 17 miles southeast of Eldorado has found no shows for production.

Cities Service No. 1 Robinson, another Schleicher wildcat, was digging below 862 feet in lime and shale.

Humble No. 1 Henderson, Schleicher wildcat, was swabbing on perforations at 6698-6710 feet. Last recovery was 1 1/2 barrels of fluid per hour, which was 35 percent clean oil and 65 per cent salt water. Those perforations were squeezed off and another set made from 6668-86 feet. Those holes were treated with 500 gallons of acid and fractured with 1500 gallons and swabbing resumed.

SALT WATER IN WEST

The Stanolind No. 1 Mrs. C. C. West, wildcat one mile west of Eldorado, reached its total depth of 8250 feet at 6:00 p. m. Tuesday. A drilled test from 8160 to 8250, completed yesterday morning, showed 280 feet of salt water-cut mud, and 1260 feet of salt water, in the Hickory sand. It is expected that the well will be abandoned as a dry hole. The crew today is waiting on orders.

Arthur Mund Takes Place On Draft Board

AUSTIN—Arthur J. Mund of Eldorado was informed recently that he has been appointed a member of local draft board No. 110 at Sonora to represent Schleicher county.

Mr. Mund was appointed by President Truman after being recommended by Governor Allan Shivers. He was advised of his appointment by Brigadier General Paul L. Wakefield, state director of Selective Service.

"I am sure your membership on this board will reflect great credit to yourself and your state and nation," General Wakefield wrote Mr. Mund.

Local Board No. 110 has jurisdiction over Sutton, Kimble, Schleicher, Crockett, and Edwards counties.

Weekend Rainfall Brings Hope For Dry Schleicher

Commencement Set For Friday, May 16; Grindstaff To Speak

E. C. Grindstaff of Bailinger will be speaker at commencement exercises to be held in the Eldorado school auditorium Friday night, May 16, at 8:00 p. m., Supt. T. E. Holcomb has announced. Grindstaff is district attorney of the 119th district, and has been active in the Lions club organization.

Plans for other events are involved in the closing weeks of school. Baccalaureate will be held Sunday night, May 11, with Rev. Roy Shilling as speaker.

Final exams start May 12, Supt. Holcomb said.

Set for this Saturday night is the Junior-Senior barquet, which will be held in the school cafeteria starting at 7:30.

T. H. ALEXANDERS OBSERVE 50th ANNIVERSARY

Mr. and Mrs. T. H. Alexander observed their 50th wedding anniversary with a barbecue dinner and all-day family get-together at their home near Eldorado.

T. H. Alexander and Ollie Harlow were married April 20, 1902, at the home of the bride's parents in Llano county. Mrs. Alexander is the daughter of the late Mr. and Mrs. A. J. Harlow of Esbon, in Llano county, and Mr. Alexander is the son of Mr. and Mrs. Jack Alexander.

They lived in Llano County two years, moving in 1905 to McCullough county. There they operated a cotton gin for 12 years, a well drill for four years, and a general store and post office in Calf Creek. In 1925 they moved to Schleicher County where Mr. Alexander has been engaged in stock farming 27 years.

To this couple six children were born, five boys and one girl. The five sons are still living but the little daughter died at the age of six. There are nine grandchildren, six boys and three girls. The living children are Gordie of Austin, R. J. of Snyder, and Ray, Lynn, and Claude, of Eldorado.

Mr. Alexander has been a member of the Masonic Lodge for forty years and a charter member of the Suez Shrine Temple. Mrs. Alexander has been a member of the Eastern Star for eighteen years and they have both been members of the Methodist church for fifty years.

Among the guests, including those from out of town, who called on the Alexanders during the day were Mr. and Mrs. A. J. Alexander and boys from Snyder, Jewel Perry from San Antonio, Mr. and Mrs. Clyde Harlow, and Don Ray from Valley Spring, Mrs. Vernon White and boys from San Antonio, John Morgan and Dorothy Nell Alexander from Austin, Mrs. F. L. Perry Jr. of San Antonio, Jim Alexander of Rochelle.

Mr. and Mrs. Gordie Alexander and Norma Jean of Austin, Mr. and Mrs. Travis Perry and Mr. and Mrs. Floyd Spurgers and boys of San Angelo, Mr. and Mrs. C. A. Bruton of San Angelo; Ron Kerston, Mr. and Mrs. E. W. Mund and Beckv. Rev. and Mrs. Roy Shilling and Beth, Sue Shilling and Fred Coleman, Mr. and Mrs. Claude Alexander and John, Bubba Alexander and Mae Runge, Mr. and Mrs. Ray Alexander and James, Mary Lou Alexander and Keith Hillman. Mr. and Mrs. W. C. Parks and boys, Mr. and Mrs. Fred Watson, Mr. and Mrs. Lynn Alexander, and Mr. and Mrs. W. E. Bruton.

STUDENT COUNCIL GUESTS AT LIONS CLUB MEETING

Members of the Student Council of Eldorado high school were guests of the Lions club at the meeting yesterday noon in the Memorial building. W. J. Fraker, high school principal and sponsor of the Council, introduced Bill Cheek, Council president and president-elect for next year.

Cheek discussed aims and purposes of the Council and introduced four of the members. Jerry Lynn Pennington described the trip made by some of the group in November to Lubbock. S. E. Etheredge told of the state convention held recently in Corpus Christi and Sue Shilling discussed the organization in Midland last fall of the West Texas Forum of Student Councils.

Trudy Gaynor told of qualifications for Council officers. Cynthia Hall of Sonora gave two monologues.

Rainfall that averaged about 3 inches in the county on Saturday and early Monday morning, has put new hope in drouth-stricken Schleicher, and has stepped up activity of all kinds in the farming area near Eldorado. The rain is enough to make general planting in order, and the farm tractor, gasoline and seed business has suddenly been given a shot in the arm. It is generally agreed that the rain was enough to "start things off" nicely, but the concern is expressed at the same time that more similar rains are needed.

The general precipitation brought hope that this was the beginning of the end of the record drouth, which has extended over a 19-month period dating from September 1950. Rainfall during the year of 1951 averaged less than seven inches over the county, and the first months of 1952 have been equally dry.

Lions Will Entertain Oil Industry People With Supper May 20

Oil men will be honored by the Lions Club with a ladies night and entertainment Tuesday night, May 20, it was announced this week by Lion President Carrol Ratliff. The evening will get under way with a supper, it was stated.

Committees for this event were announced as follows:

Coordinator: E. C. Hill, to work with other committees.

Invitations: Roger Jones, Ernest Finnegan, Ray Hudgens, L. V. Newport.

Program: Roy Shilling, Wilson Page, Ray Tisdale, Clifford Nelson.

Food: W. T. Whitten, Jimmie West, Wilson Page.

Finance: Gus Love, J. H. Mace, Joe Christian, C. C. McLaughlin, John Williams.

Pre-Schoolers Enroll Next Week At School

Pre-enrollment and visitation for six-year-old or beginning Latin-American children will be held this Monday, April 28, at the grade school, Grade Principal Wyndell Hall announced this week. Mr. Hall said that Latin parents should bring their children to school at 11:00 o'clock and leave them with Miss Jo. Beth Taylor for visitation.

The newcomers are to be guests of the first grade Latin American pupils at lunch in the school cafeteria. They will take the room rest period and school activity period from 12:45 to 1:30. At 1:30 they will be sent to play on the school ground under the care of a supervisor, Mr. Hall said.

Also at 1:30 the parents will meet in the home room of Miss Taylor. From there they will go to the cafeteria where refreshments will be served and where the business of pre-enrollment will be taken care of.

Parents will pick up their children as soon as pre-enrollment is completed. Mr. Hall emphasized that both parents should attend if possible.

All six-year-old Latin American children and those who will be six before September 1, and those who have never before been enrolled in the first grade, are invited to pre-enrollment, Mr. Hall said.

Friday, May 2nd, the beginning Anglo American pupils will be guests of the first grade sections of Mrs. Newport and Mrs. Thompson for a similar pre-enrollment. The children will be brought to school at 11:00 a. m. on that day and left in the care of the first graders and their teachers. Parents will return at 1:30 for pre-enrollment and refreshments.

Mr. Hall urged all parents to cooperate on above respective dates. It is important that all beginners in 1952 be pre-enrolled whether or not they receive special invitation, he added.

On the basis of school census returns, Mr. Hall estimated that from 12 to 20 Latin American pupils will be pre-enrolled Monday, and that about 40 Anglo American pupils will be pre-enrolled the following Friday, May 2nd.

JACKIE HENDERSON IS CLUB NOMINEE FOR RODEO QUEEN

Jackie Henderson, daughter of Mr. and Mrs. Tom Henderson, has been nominated as candidate for rodeo queen at Texas Tech, representing the Rodeo Club of that college.

The rodeo is scheduled to take place the first weekend in May, and friends of the local nominee are invited to attend. Votes for candidates are selling for one cent each, and Schleicher County friends of this popular young ranch girl will undoubtedly help her candidacy with their "vote and influence."

Here are some unofficial figures for weekend and Monday night totals:

Figure 3	2.00
R. B. Anderson	2.75
W. V. Lux	4.50
H. A. Belk	4.31
W. A. Blaylock	3.00
Roy Boyer	2.65

Forrest Runge	2.40
Raymond Schrank	3.00
Henry Speck	4.00
Henry Speck Jr.	4.00
S. L. Stanford	3.50
C. B. Sudduth	2.00
V. G. Tisdale	1.80
Jimmie West	3.10
Mrs. Geo. Williams	3.20
J. Tom Williams	3.20
Truett Stanford	2.50
Tom Henderson, over	2.00

For a day the Huldale Oil Field activities were slowed down because of draws brought out of tanks by a .75 inch rain in ten minutes, and other heavy rains through the rainy weekend. On Monday the school bus made its trip through on the Runge road in the morning, but in the afternoon had to turn around at Runge's, the children getting home by wading the stream. Most of the school busses experienced little trouble.

Future Home Makers At State Convention

Miss Frances Barton, home making teacher in the Eldorado school system, left by car at noon today, with three of her students, to attend the state Future Home Makers meeting in Dallas, in session until Saturday. Sue Shilling, as district 5 Future Homemakers' president, will attend an executive officers' meeting also at the Adolphus Hotel and at this meeting plans will probably be made for the district meeting next fall, which is scheduled to be held in Eldorado. That date will probably be some time in October.

Other home making students attending from here are Clarice Dannheim and Ann Williams.

"Leadership" will be the general theme of the State meeting this week.

J. C. Johnson House Burns Yesterday

The eight-room J. C. Johnson house, in which Mr. Johnson, J. C. Jr. and Cecil Johnson lived, burned completely down Wednesday afternoon, when, according to report, hot lard ignited on the kitchen stove, starting the blaze.

The fire spread rapidly and firemen were unable to reach the place in time to do any more than put out the smouldering coals, from which the men salvaged a set of silverware and some cash in boxes.

The house was located on the Johnson farm a few miles south of Eldorado.

—The Eldorado Success, \$2.00 year.

Viki Lou Carroll of Sonora, spent from Thursday to Monday here her cousin, Shirley Carroll, and the family drove up after her on Monday.

Mr. and Mrs. T. J. Bailey and Joe and Martha Pearl of Ozona visited last weekend with the A. J. Roaches.

Mrs. B. E. Jones, who had been improving, is again on the sick list.

Mrs. Pete Ringle and Clyde Reece visited Sunday in Ballinger with their parents.

Mr. and Mrs. Bill Wade and family of Sonora were here Sunday visiting the Ovid Wades.

All Set For E Club Sport Night Tonight

Coach Puny Waldrum said this week that plans were complete for the annual E Club sport night, set for 7:30 tonight in the school gym. Admission will be 25c and 75c for this event, which includes tumbling, boxing, wrestling, and soccer, with high school and grade school boys taking part. Waldrum announced some changes in the program from that given last week.

Tumbling will be the first event of the evening by fourth, fifth, and sixth grade boys.

Tumbling Team

Fourth graders: Woodward, Robledo, Bradshaw, Bates, Torres, Parks, Swindale, Dimetro, Brown.

Fifth graders: Nixon, Nettles, Whitten, Prochaska, Westbrook, Sauer, Dacy.

Sixth graders: Bover, Wilkinson, Walston, Mitchell, Wren, Ohlenburg, Robledo, Runge, Daniel.

Gym soccer will be played between E Club members and Exes.

Boxing

Fourth grade: Dimetro vs. Brown; and Swindale vs. Brown.

Fifth grade: Nixon vs. Nettles.

Sixth grade: Wilkinson vs. Ohlenburg.

Junior high: Bruce vs. Lloyd.

Ninth: Mittel vs. Moore; Holcomb vs. Pennington; Love vs. Hale.

Tenth: Jack Stanford vs. Jack Steward.

Wrestling

Peewee Logan vs. Slim Sofge.

Man Mountain Phillips vs. Two-Ton Biggs.

Three-Man Roll, a coordination skill, will be performed by Logan, Sofge, and Phillips.

D. A. R. MEETS

The El Dorado Chapter, D. A. R., met Thursday in the home of Mrs. C. M. McWhorter with Mrs. E. C. Hill as co-hostess. The chaplain led in opening the chapter and read from the 13th chapter of John as her devotional. She stressed the necessity of the peoples of the world loving and understanding each other better in order to have peace. Mrs. Bert Page was elected to membership in the chapter with papers pending.

Mrs. Elizabeth Powell was leader of the program which followed. Three department chairmen made reports of the work which her department was to sponsor. Mrs. Thompson read a report for Mrs. Gerald Hartgraves about girl home makers in which she reported on the home economics department of our own high school. Mrs. W. O. Alexander told about the historical research she has done, and Mrs. Hoover discussed reporting, and described the State D. A. R. scrap book in which all clippings from local chapters are filed.

Miss John Alexander read a paper telling the latest efforts which are being made toward national defense; she stressed the importance of keeping America strong at all times and being vigilant lest we lose the freedom for which our forefathers fought to give themselves and their children.

Mrs. Ed Hill read "Melting Pot—Americanization" describing the process which takes place when immigrants enter America and become citizens. She told about the important positions which many of these second generation immigrants hold in their adopted country, and of their loyalty to this country.

Frosted punch and cake were served from the table which had a centerpiece of beautiful rose pink and white peonies, grown by the hostess. Purple iris completed the decorations in the other rooms. Present were Mrs. Marv Coune, Mrs. Luke Thompson, Mrs. John Luedecke, Mrs. W. O. Alexander, Miss John Alexander, Mrs. J. E. Tisdale, Mrs. P. K. McIntosh, Mrs. John Ewing, Mrs. J. E. Hill, Mrs. Chas. Gary, Mrs. Carrol Sproul, Mrs. Hoover, Mrs. Powell, members; and Mrs. Roy Shilling and Miss Kitty Buchanan, guests, and the hostesses. —Mrs. L. M. Hoover, reporter.

Businessmen Get Soc. Sec. Coverage

Nearly every independent businessman in the San Angelo area acquired old-age and survivors insurance protection through social security this spring according to George Clark, manager of the San Angelo social security office.

Most self-employed people whose earning began counting toward social security on January 1, 1951, earned their sixth "quarter of coverage" in April, Mr. Clark explained. Before any social security old-age benefits are payable, an individual who retires at age 65 or over, must have at least six calendar quarters of work covered by social security.

"Family benefits through old-age and survivors insurance would be payable if any of these insured businessmen should die today," he added.

"However, more than six quarters of work will be needed to qualify for retirement payments, unless the person reaches 65 before July 1, 1954."

Starts Second Year With Baptist Church

Rev. CLIFFORD NELSON

Sunday, April 27, will mark the first anniversary of Rev. Clifford Nelson as pastor of the First Baptist church in Eldorado. Rev. and Mrs. Nelson began their work with the church the fourth Sunday in April, 1951.

In the first year of Rev. Nelson's pastorate here there have been 77 additions to the church, 63 by letter and 14 by baptism. The \$4,000 debt has been lifted from the Sunday school annex that was built under the leadership of Rev. and Mrs. J. M. Hays, now pastor of the Baptist church at Brookshire, Texas. Work totaling \$4,100 was done toward sealing off the leak in basement, enlarging and installing a modern kitchen, and enlarging Beginners department and painting the basement.

Formal observance of the pastor's anniversary will be Sunday, May 4. This is Christian Education day. Special program is outlined for that day and lunch will be served at the church.

Brother and Mrs. Nelson wish to make a formal announcement about their first year in Eldorado. "We have never had better cooperation from a people to whom we have tried to preach. Their friendliness and genuine interest in us is heart warming. They have been kind to us, and very thoughtful in spite of our mistakes. We have tried to become a part of the church life and community life. We have tried to preach and live our convictions and we covet the continued prayers and support of the people of Eldorado and the First Baptist church as we seek to go forward in His name."

Among those from here attending the Kimble County Singing convention Sunday at the Presbyterian church in Roosevelt were Mr. and Mrs. R. N. McDonald, the Gus Love family, Mr. and Mrs. Roy Andrews, Happy Kerr and children, and Mr. and Mrs. Walter Taylor.

The Henry Moore family visited at Veribest Sunday.

Leonard Schwobel, Senior Electrical Engineering student at the University of Texas, has gone to St. Louis to a district meeting of the American Institute of Electrical Engineers to present a technical paper which he compiled. He was sent by the University and is the only competing student from the entire state of Texas. His wife is the former Jewel Davis, who is staying here with her parents.

Mr. and Mrs. B. L. Blakeway of Eldorado, also Mrs. Carrie Blakeway of San Angelo, drove last week to Waco and brought back their 15-months-old niece Dena for a two-weeks' stay. Dena has a new brother, born last week to Mr. and Mrs. Clayton Blakeway of Waco. The baby weighed four pounds at birth and is still in an incubator at the hospital there.

Mr. and Mrs. L. R. Buse of Sacramento, Calif., are here visiting Mrs. Buse's sister, Mrs. W. H. McClatchy. They arrived here Wednesday.

Pat McAlpine drove to Sweetwater Monday to meet Mrs. McAlpine and Carol Jean, who had been visiting Carol Jean's grandparents at Greenville, S. C., and friends in Georgia, making the trip by train.

LONNIE HAS BIRTHDAY
Honoring her son, Lonnie, on his first birthday, Mrs. Lilburn Hazelwood entertained 20 children and several adults with a birthday party Thursday afternoon at the Memorial building.
Cookies and ice cream was served to the children and cake and coffee to the adults. Lonnie received a number of gifts.

FIRST GRADERS TAKE TRIP
Latin American first graders are taking their field trip to Sonora today, going down on the train and returning by bus. Other first graders will take the trip tomorrow, it was stated.

R. A. Klein, Chester Biggs, B. S. Hatley, and J. C. Lamens have been on a several-day fishing trip to Buchanan.

CERTIFICATION TO BE CONSIDERED
School teachers and administrators of Eldorado and the surrounding area will have a chance on April 26 to voice their opinions on proposed new certification standards for Texas school personnel.
An all-day hearing panel on the teacher standards will be held at the Brownwood high school at 9:00 a. m. on April 26. Mrs. Payne Robinson and Miss Jewel Shelton are Eldorado members of the hearing panel.

LOCAL BAND GOING TO McMURRAY FOR CONTEST
Abilene.—Members of the Eldorado High School Band will be one of the 36 junior high and high school bands at McMurray College April 25 and 26 for the annual University Interscholastic League Music Competition Festival.
About 3,000 are expected to be on the McMurray campus during the two-day festival, while an equal number is anticipated at Hardin Simmons University, who is also helping co-host the meet.
Members of the Eldorado band will be in concert at 2:45 p. m., April 26, at the Radford Memorial Student Life Center at McMurray. They will participate in the marching division at HSU, at 8:00 p. m.
Davis Murr of the Murr Community spent Sunday night with the Eddie Peels.

LINEN SHOWER IS HELD FRIDAY FOR BRIDE-ELECT
A linen shower for Miss Teena McMullen, daughter of Mr. and Mrs. Jim O'Harrow of this county, was attended by business girls of the city Friday afternoon at 5:00 at the home of Mrs. Sadie Davidson. Assisting Mrs. Davidson were Mrs. C. N. Shaw, Mrs. Etheredge, Mrs. Robert Sproul, Mrs. N. G. Hodges, and Miss Fay McAlpine.
The predominating color in the decorations was orchid. Easter lilies and other spring flowers decorated the table and the reception rooms. Mrs. Robert Sproul poured and Miss Martha Dell Edmiston served the cake, which was iced in white.
Over 40 attended this tea, and Miss McMullen was presented with a nice assortment of table linens, towels, sheets and pillow cases and other household linen supplies.
Miss McMullen is bookkeeper at Foxworth-Galbraith Lbr. Co.

SAC Completes Kuder Program
"Over 1,161 high school seniors from 42 schools have taken the Kuder Preference Tests," said Mr. Barnes, administrator of the project. The program of giving the Kuder tests was started Feb. 4 and ended April 9.
The Kuder test benefits all parties. The individual who takes the test gets a clearer picture of what field he is the most interested in and what job he is best suited. The school administrator who has cooperated with San Angelo college in giving the test has an invaluable record of the student. Thus the administrator has a better picture of the likes and dislikes of his pupils.
Mrs. Skeet Griffin has returned from the hospital in San Angelo where she had minor surgery.
Mr. and Mrs. Lilburn Hazelwood and son Lonnie left Friday noon for California, where they will visit the Morgans, Mrs. Hazelwood's relatives, and friends whom she knew when attending school there. On the way they stopped in El Paso to visit Mrs. Johnnie Welsh, the former Pat Humphrey, and at Phoenix, Arizona, to visit Mrs. Ernest Laymon, daughter of the Walter Taylors. They are due back home on May 5.
Mr. and Mrs. Fred Gunstead and Bill went to San Angelo Sunday afternoon and were met there by Mr. and Mrs. Wm. Sauer of Big Spring. All attended the picture, "Quo Vadis."

Mr. and Mrs. Raymond May of San Antonio visited Mrs. May's sister, Mrs. Clyde Keeney. Another visitor in the home was the women's mother Mrs. J. D. Tant of Abilene.

Mrs. J. B. Christian, who has a broken pelvic bone, and is still hospitalized in San Angelo, was able to sit up last week, and may be in a walker this week. Reports indicate that she is doing well.

Mrs. C. C. Henderson and daughter Mrs. Bill Oglesby spent the weekend at Denton visiting their son and brother, Mike. They attended a play at North Texas in which Mike had a part.

Help your cows produce a big Calf Crop
SUPPLEMENT RANGE WITH
PURINA RANGE CHECKERS

While a cow is carrying her calf, nutritional needs are high, much higher than can be normally supplied by grass alone. For this reason, thousands of well-known ranchers supplement with Purina Range Checkers. Checkers supply vitamins, minerals, carbohydrates and a variety of protein. For big results—a big calf crop and lots of milk—feed Purina Range Checkers. The variety in Range Checkers makes a difference, all right!

Dorsey Hardeman Announces For State Senate

Dorsey B. Hardeman of San Angelo has announced his candidacy for State Senator for the newly created 25th District of Texas. The district is composed of the following counties: Brewster, Coleman, Coke, Crane, Crockett, Edwards, Glasscock, Irion, Jeff Davis, Pecos, Presidio, Reagan, Runnels, Schleicher, Sterling, Sutton, Terrell, Tom Green, Upton and Val Verde.
Hardeman was first elected senator in 1946, following his return from more than 3 years military service. He was re-elected in 1950 without an opponent.
Senator and Mrs. Hardeman reside in San Angelo with their two young sons, Mark and Bryan.
Hardeman is a member of the San Angelo firm of Runge, Hardeman & Steib. Senator Hardeman is well known throughout West Texas. He was mayor of San Angelo for two years, and then elected to the House of Representatives without an opponent. He was re-elected in 1940 and again in 1942. Mr. Hardeman resigned from the Legislature and enlisted as a private in the army. After several months enlisted service he was sent to Officer Candidate School and received a commission. He was honorably discharged with the rank of captain.

In the Senate, Hardeman is the recognized leader for constitutional and economical government. He has held membership on all of the major standing committees of the Senate and has served as chairman of various ones. In addition, he served on the General Investigating committee and numerous special committees. His work thereon is considered outstanding. Mr. Hardeman also served as a member of the Legislative Budget committee, which was created as the result of the bill he sponsored.

Mr. Hardeman stated that he expected to make an active campaign, as has always been his custom, in an effort to visit with as many citizens of the district as possible. Incidentally, this is the largest Senatorial district in the state and covers almost one-sixth of the land area of Texas.

In his formal announcement, Senator Hardeman said: "It is with pleasure that I submit my candidacy for State Senator for the new 25th Senatorial District. For the help and support given me in prior campaigns, and subsequently, I am most grateful.

"Naturally, as official ties are thus severed with several of the counties comprising the former 25th District, it is not without regret on my part, because of my sense of gratitude for the support they gave me. I could not have hoped for finer co-operation.

"With the reapportionment of the state, district lines were rearranged and different counties were grouped together. I think that no finer district exists than this which I am seeking to represent in the Senate of Texas. The new district unites a conservative, thrifty and self-reliant people, with common interests, into a single political subdivision of the state.

"It shall be my purpose, as ever, to represent this fine district and the state within constitutional provisions and the principles of sound governmental practices.

"I have sponsored or supported much constructive legislation. Likewise, I have opposed legislation designed to gain advantages for special interests and pressure-groups. My position has been often sustained by decisions of the Supreme Court when such matters have come before it for judicial review.

"I have been conservative in the expenditure of public funds and have opposed discriminatory and unconstitutional appropriations. I have voted for the reduction of expenditures and have opposed increasing the already heavy tax burdens of our people.

"Limited space suggests that I not discuss my legislative record here. As I go about the district during the coming months, I shall discuss it, however, as opportunity and occasion arise.

"I earnestly solicit your help and your vote in the primary election of next July 26."

TWO ELDORADO BOYS NOW AT BOYS' RANCH

Eldorado now has two boys at Boys' Ranch near Tankersley, Douglas (Bo-Bo) Calcote, age 12, son of Mr. and Mrs. Buster Calcote, went to Tankersley Sunday and enrolled at the Ranch.

Burkett Announces For Re-Election As State Representative

State Representative Joe Burkett Jr., authorizes the Eldorado Success to announce his candidacy for re-election to the post of State Representative of the 78th Representative District, subject to action of the Democratic Primary.

Mr. Burkett was elected to the office last November 13 in a special election in connection with the constitutional amendments, after Rep. Callan Graham moved from the district.

Mr. Burkett is a native Texan, born and raised in Eastland county. He attended public school at Eastland and graduated from the San Antonio schools. He earned his law degree from Cumberland University, Lebanon, Tennessee in 1933.

Mr. Burkett launched his public life in Kerr County where he served 2 terms as Justice of the Peace. His talents as a fair and energetic public servant were recognized and he was appointed Kerr County Attorney to fill an unexpired term. This was followed by two elected terms to the office, from which he resigned in 1949. His services were once again desired by the citizens of Kerr County, who recalled him by appointment to fill the vacated office of County Judge of Kerr County, January 1, 1950. Mr. Burkett retired to private law practice at the completion of that term of office.

A sound believer in the principles of Democratic government, Mr. Burkett no less is a firm adherent to local self-government. He is convinced that State taxes should not be increased for any purpose except as the people of the State voluntarily authorize tax levies upon themselves for a specific purpose. He has lived in the Hill Country for 21 years, and feels that he can properly and sympathetically represent the people of the Hill Country and the entire district in an integrated legislative program.

Mr. Burkett is cognizant of and sympathetic to the needs and problems of the war veterans. He served four years as field artilleryman in World War II; eighteen months were spent overseas in the European theatre of operations under the late Gen. George S. Patton, where he earned two major campaign ribbons: Battle of Central Germany and Battle of the Rhine.

He is married and the father of two children.
Mr. Burkett promises to make a sincere attempt to see every voter in the district to make a personal solicitation of his vote, and he earnestly solicits the influence and ballot of every man and woman in the support of his campaign.

Mrs. Rutha Boyer is visiting this week with a daughter in Abilene.

Glenn Green Weds Girl From Sonora

April 13 was the wedding date for Miss Margaret Schwiening and Glenn W. Green, who were married in a double ring ceremony at the home of the bride's parents, Mayor and Mrs. Alfred Schwiening of Sonora. The officiating minister was the groom's brother, Rev. Kenneth Green, pastor of the First Baptist Church at Saratoga.

The bride, who was given in marriage by her father, wore a ballerina length two-piece dress of egg-shell faille. She carried a white bible topped with a purple orchid. The matron of honor was Mrs. N. J. Moore of Sonora, sister of the bride, who wore a ballerina length dress of apple green net. Her colonial bouquet was of yellow roses. White glads, carnations and stock provided the altar decorations. Jean Ellen and Curt Schwiening niece and nephew of the bride, were candle lighters.

A reception followed the ceremony, with Mrs. Billy Green, Mrs. Curt Schwiening, and Mrs. George Schwiening serving the three-tiered wedding cake, which was flanked with green tapers. Miss Lula Mae Green, sister of the groom, of Eldorado, registered the guests.

For traveling the bride wore a navy faille suit with navy and white trim.

The bride is a graduate of TSCW Denton, and his taught in the Sonora school system several years. The groom, son of Mrs. T. F. Green of this county, was reared here, graduated from EHS and A&M, and has been living in Baird where he is county agent, and where the couple will make their home.

Relatives from here were among the out-of-town people attending the wedding.

A rehearsal dinner was given by Mr. and Mrs. Alfred Schwiening Jr. at the KaBar Club, Saturday.

AUBREY BAUGH INJURED

Aubrey Baugh, rancher who lives 40 miles southwest of Marfa, was badly injured in a fall from a 35-foot windmill tower Saturday, and is under treatment at Searl's hospital at Marfa. Among those who have been with him are a brother, Milton Baugh, and his wife and a sister, Mrs. Josh Ewing of Eldorado, and another sister, Mrs. Reese Spence of College Station, who was visiting here.

Baugh is still in serious condition. It is understood that in the fall he broke both pelvic bones, and has internal injuries. It was reported here this morning that a bone specialist was taking Mr. Baugh to El Paso this afternoon. Convalescence will take about six weeks.

BRIDGE LUNCHEON

Mrs. Lillian Crosby was hostess to the Bridge Club Wednesday with a luncheon for five tables of players. Included with the members were five guests, Mrs. Jess Walston, Mrs. H. T. Finley, Mrs. Ben Hext, Mrs. Oliver Teel and Mrs. Archie Mittel.

Mrs. Ben Hext won high guest, Mrs. Elizabeth Powell high club, Mrs. Leslie Baker bingo and Mrs. Jack Shugart traveling.

BIRTHDAY PARTY

Helen Morgan honored Rutha Dee Harris with a party at the Morgan home Saturday afternoon, celebrating Rutha Dee's 18th birthday. The hostess served cold drinks, sandwiches, and other party food and the honoree was presented a number of gifts by the 15 attending.

Mr. and Mrs. Bill Jones of Camp Stewart, at Hunt, spent Tuesday with Mr. and Mrs. Charlie Trigg.

The sub-district MYF of the Methodist Church will be held here a week from next Sunday, according to announcement made by church leaders.

Mr. and Mrs. Grady Cooper spent Saturday with the Dildines, and Mrs. Cooper took the bus that afternoon for San Antonio to visit her daughter there.

Several Scout leaders will attend a district round table next Thursday night in Sonora.

Doctors Recommend Gentle Baby Rocking

Through the years the question of whether to rock or not to rock the baby has been debated by the public and the medical profession alike. A few years back the picture of a cradle for an infant was so closely allied to old-fashioned notions that it always brought a smile to the lips of the modern generation. Time has turned backward, however, to where now a cradle and a rocking chair are very much in mode again, and the picture of a mother gently rocking her child as she hums a little song is as up-to-the-minute as the policy of letting the infant work out his own feeding schedule.

These changes in policies have rocked back and forth since mankind first discovered that he could exert some control over the health of his body. Back in 150 A. D. in Rome the question of rocking the baby was a medical topic of the day and Galen, the medical scholar who set up regulations that held sway for 1500 years, took a firm stand in favor of gentle rocking, accompanied by a lullaby. He implied that the rocking gave the internal organs the motion they required and the lullaby seemed to be the motion to sway the mind.

He had bitter opponents for his ideas back in those days. Different ideas about health are as healthy for the study of medicine, keeping it in motion and alive, as the rocking motion of each person is vital to his health.

Motion is recognized today as the keynote of life. All parts of the body, even the tiny cells, are constantly undergoing some activity. There must be motion to retain life.

Like the pendulum of a clock, the organs of the body follow a rocking motion. Every organ is cradled in a sac which sets the limits of its rocking. Without the power to rock or swing, the organ is unable to perform its duty.

"Stasis" is the medical word for lack of motion, whether it be of the bloodstream or the organs of the body. Stasis in your body, like static on your radio, causes discord.

There is a slight pause in the healthy swaying of the parts of the body. When the pendulum of a clock reaches as far to one side as it can go, there is a pause before it swings back. If it gets stuck and fails to swing back, there is lack of motion similar to that caused by adhesions in the body, when one organ or part of the body grows to another, causing a stickiness that interferes with the swing and sway of motion.

DATING STAMPS — New shipment. For dates 1952 through 1957. \$1.00. — Eldorado Success.

WOMANS CLUB

Mrs. Edwin Jackson called the Womens Club to order when Flag Day was observed on Tuesday at the home of Mrs. S. D. Harper. Program leader was Mrs. Archie Mittel and roll call was answered by naming a United Nations flag.

Mrs. L. D. Christian gave a history of the Flag. A prayer for peace was given by Mrs. W. Ramsey and Mrs. Jas. Page gave the flag code. Mrs. Ernest Nimitz gave a call to action for all federated club women.

A musical number "America the Beautiful" was rendered by Mrs. John Stigler accompanied by Mrs. James Page. The group sang the national anthem and the meeting closed by singing America.

At the business session Mrs. John Stigler reported on the District Conference at Cisco, stating that it was the largest in the history of the district. May 24 was date set for the club's annual arts, crafts and hobby show.

Mrs. Harper, hostess, served refreshments to 23 members and Mrs. DeLozier, a guest.

Jonnie Ray, daughter of Mr. and Mrs. Buren Whitten, has measles.

Mrs. C. C. West had as guests her sister and brother-in-law, Mr. and Mrs. Joe Prowse and daughter and family, Mr. and Mrs. Floyd Edwards and sons, all of Austin.

New renters in apartments at the residences of Mrs. Mattie Cozzens, are John Moore and wife and daughter of Seagraves, and W. A. Ward, who will move his wife and daughter here soon from Arkansas.

Mrs. Buster Calcote has returned from the Sonora hospital. Among those visiting her there were Mrs. Dildine and Mrs. Virginia McIntyre and daughter, and others. Mrs. Calcote was a surgical patient.

Mr. and Mrs. Bill Matteson and daughter Cynthia Ann arrived here Tuesday for a visit with Bill's parents, Mr. and Mrs. E. H. Coulter. They will spend the remainder of the week here, then go to San Antonio, where both were formerly employed in the advertising department at Joske's. They will stop here again on their way back to Great Falls, Montana, where Bill is advertising manager of a Great Falls store.

Week end guests in the Dildine home were Mrs. Dildine's brother, Ed Nowotny of San Antonio, Douglas Calcote, who has been with them the past three weeks, Dean Ellis and Lanell Bingham. On Sunday afternoon all went to San Angelo and brought back Mrs. Lowell Ellis to spend a few days with her parents here.

Mr. and Mrs. J. W. Yates and girls of San Angelo spent the week end here with the H. W. Scotts.

Mr. and Mrs. Kenneth Love write home folks that they are now living at Spur.

Miss Patricia Todd, a geologist with Humble Oil and Refining Co. at Houston, spent the week end here with an old Texas Tech school friend, Mrs. Jack Moore, the former Pat Keffer.

The Delbert Taylor family visited Mr. and Mrs. Randall Hamilton last week end in San Angelo.

Ab Williams, age nearly 80, father of Bill and George Williams, is at home after having a leg amputated at San Angelo, following his recent attack of phlebitis. He is in bed most of the time, but is able to be up some each day in his new wheel chair.

The Military

TMSN Kenneth Menees left yesterday for Japan after spending a 30-day leave here with his parents, Mr. and Mrs. W. A. Menees. Mr. Menees is here with Pan American.

David Dewey Griffin, son of Mr. and Mrs. Skeet Griffin, will arrive home next week from San Diego where he has finished boot training. He has been in service since late December.

Mr. and Mrs. Tom Westbrook have as a guest this week their son, Johnny Westbrook of the U. S. Navy. He has had 6½ year's service in the Navy and recently re-enlisted for a period of 6 more years. He will leave in the near future for San Diego.

Mrs. Harold Yates and daughter left recently by plane from New York, to join Harold, who is stationed in Paris, France. The family will probably be out of the States a year and a half.

Mr. and Mrs. L. D. Ochsner and Mr. and Mrs. Harold Scherz of Sonora visited in Afton over the weekend with Mrs. Ochsner's mother, Mrs. S. P. Shelton, and her brother, Kyle E. Shelton, who was leaving for Alaska where he will be stationed at Anchorage. The Ochsners also visited in Lubbock with their son John who is a student at Tech.

Lester Ingram and his wife of Brownwood and Mrs. F. E. McCreary of Rockwood visited Tuesday with their brother-in-law and sister, Mr. and Mrs. J. D. Ashmore.

The Truett Stanfords have had as guests Mrs. Stanford's sister and family, Mr. and Mrs. W. B. Means and children of Houston, L. A. Kent of Tyler and Mr. and Mrs. Alvis Waldrip of Melvin, all of whom visited also in the home of Mrs. A. E. Kent.

A new family in the Bertha Wilson rent house are Mr. and Mrs. Jack Smith and two sons, who came in Sunday.

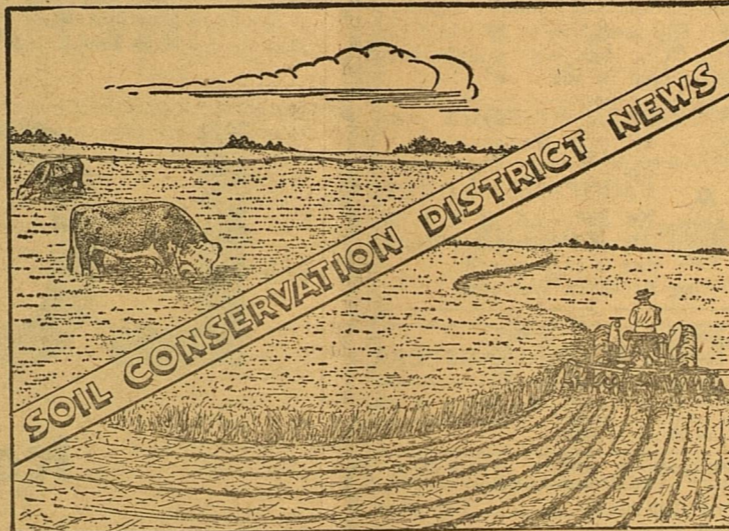

Post Script

The rains did a little damage—nothing serious—to the phone system. Wet cables put a few Eldorado phones out of commission for a few hours, and some rural lines needed the attention of repair men from San Angelo Tuesday.

Billy Frank Blaylock is new bookkeeper at Foxworth-Galbraith Lbr. Co.

Fire Chief Palmer West called home folks Tuesday night, notifying them that he and Bob McWhorter and E. C. Peters had arrived safe and sound at Anderson, Indiana, where they were to pick up a new Chevrolet fire truck for city and county use. As they would be driving back very slowly with the new truck, they are not expected home until the coming weekend.

The whole country is rejoicing over the weekend rains and already things are beginning to look different. In cultivated areas of the county folks are getting out their plows, in preparation for planting of grain and cotton—and a few who dry planted are glad indeed that they did.

In an address by Dr. Robert M. Salter, chief, Soil Conservation Service, U. S. Department of Agriculture, to the National Farm Institute, Des Moines, Iowa, February 15, 1952, the following remarks were made on the topic, "America's Capacity To Produce Food."

"If we are willing to give up our meat, milk, and eggs, and concentrate our farm production on high calorie food crops, we have the capacity to produce enough food to support a population several times our present number," Dr. Salter said. He went on to say that he didn't want them to misunderstand him for he didn't want to give up eating livestock products and fruits, as he liked them as well as anyone else. He just meant that if we shifted our national diet to beans, bread and potatoes, which we would be willing to do before we starved, America could support a much larger population than it has at present.

Salter said, "You can see that I'm not concerned about our starving to death, but in view of our expanding population I am concerned about maintaining our dietary levels and our general standards of living, and improving them if possible." Dr. Salter said he wanted a continuation or improvement of present dietary levels, and production at a price that will give farmers a high standard of living and still be at a level that consumers could buy without lowering their purchase of other goods and services which contribute to our high standard of living.

"Farmers and ranchmen are already producing at a record level. Crop production last year was the third largest in history despite an uphill battle against the weather. There can be no doubt but that last year's farm output was the product of greatly increased efficiency on farms; efficiency resulting from the adoption of improved technology. Farmers and ranchers are just farming and ranching better," Salter said.

In so many words Dr. Salter said that the key to the situation is producing more per acre. "Our record is good, but even better records will be needed in the future, and existing acreages must produce more abundantly to satisfy the nation's growing needs for agricultural commodities. The biggest contributing factors to the upward trend in crop yields have been mechanization, improved crop varieties, crop pest control, improved land use, and better soil and water management."

The modern conservation farming and ranching concept according to Dr. Salter is applying the necessary practices on a farm or ranch to increase production and to build up soil productivity, both at the

same time. "It means making soils yield abundantly year in and year out for an indefinite period. There is more to conservation farming and ranching than controlling erosion. It involves the prevention of soil deterioration and erosion. It involves the prevention of soil deterioration and erosion, more productive use of the rain that falls on the land, rebuilding eroded soil, building up soil fertility, and increasing yields and income—all at the same time. It involves increasing production and increasing standards of living for today, tomorrow and for posterity."

Dr. Salter went on to say, "You can conserve soil without improving it, but you can't build soil up without conserving it. Soil is like a living thing. Feed it right and treat it right, and it grows like any living thing—and produces more while it is growing." This involves putting into use on the land combinations of good practices that we now have or that research can discover for us. Soil seldom produces at its full capacity by using a single improved practice. The combinations are different in different areas, and on different kinds of soil. They may vary widely from farm to farm and from field to field. The farmers and ranchers who are applying these combinations of practices in all parts of the country are making their soils produce about double what the average is producing. To speed up the use of improved technology is, in Salter's opinion, the biggest challenge facing agriculture today. How well we succeed at this will have a vital bearing on America's future to produce food.

Dr. Salter added, "There is a vast acreage of grasslands in the United States much of which is unimproved. More than half of our land area, over a billion acres, is in grazing lands. Much of this is in the sub-humid plains, the arid deserts, and in forests. He emphasized grassland improvement for two main reasons—first, grassland improvement offers one of our greatest opportunities for expanding our capacity to produce food. Not only can we increase the quantity of forage, but also the quality. With better grasslands our milk and meat can be raised with less feed grains. Second, good grasslands can help a lot in preventing erosion on soils highly susceptible to erosion."

In conclusion Dr. Salter said, "As chief of the Soil Conservation Service, I am making it my primary concern to speed up the rate at which farmers and ranchers get the sound on-site technical assistance in the field of soil, water and crop management that they need to maintain and build up America's capacity to produce."

First Baptist News

Our attendance continues to be good in April. We had 196 in Sunday School last Sunday, with 71 in Training Union. Orchids went to the Beginner department with a grade of 77. Onions went to the general officers with 50. Highest percentage of attendance was the Beginner department. They have 22 enrolled and had 22 present. The young people were second; with 15 enrolled they had 13 present. Let each of us try to maintain this fine average for our department in April. Don't forget our Sunday School goal for 1952. Our goal is to average 200 in Sunday school. Do you know what your department's goal is?

Some of the young people are missing out on our youth fellowship meetings each Sunday evening after services. We still need more of the youth in our choir each Sunday evening. There was a good group last Sunday evening and we deeply appreciated the fine special music they brought. Don't forget youth nights are Wednesday and Sunday nights. We wish to express our appreciation to Miss Marie Welsh for the fine work she is doing with our young people. If you are not yet getting in on these programs we give you an earnest invitation.

The last word we have had from R. B. Cooper who was injured in an automobile accident is that he continues to improve. If you would care to write him a letter or send him a card his address will be for the next several days as follows: R. B. Cooper Jr. 1320 Walmsley St. Dallas 8, Texas.

Don't forget our big day Sunday, May 4. This is Christian Education day. Dr. W. A. Todd of Howard Payne college will bring the morning message. Students from the college will have the afternoon service, and Glenn Biggs will bring the evening message. Young people's choir will sing special message for the evening hour.

No-hostess luncheon will be served at the church at the noon hour. This Sunday will be kick off day for our rally to raise our goal for financial help for Howard Payne college. Put this down as a must on your calendar of activity.

This Sunday we will close our offering for our district encampment at Lake Brownwood. The special offering envelopes are in the collection plates. If you wish to make a love offering to this worthy cause will you take one of the envelopes and do so. All we give in this offering will be credited to the purchase of a lot, which costs \$300. \$25 has already been paid by one individual. The immediate needs of the camp is a swimming pool and an enlarged and improved dining hall. I know that many of our people wish to have a part in this offering.

Don't forget these two important events in April. Tuesday evening April 29 is our regular monthly workers conference. Our inspirational message will be brought by Rev. T. H. Harding, pastor of the Hillcrest Baptist Church in San Angelo. A covered dish supper will be served at 7:00 p. m. Vacation Bible school will be the general theme. Every worker, class president, teacher, superintendent, and person interested in Sunday school and Training Union should be in this meeting. Then on the evenings of April 28, 30, and May 1 and 2 we will offer our second Sunday school study course. Make your plans to be in these good services. For God has always told his children to "go forward."

Our pastor will preach at the morning hour on the subject "Possibilities Unlimited." The subject for the evening hour will be "Because of the Blood." The Lord's Supper will be observed at the evening hour. We welcome you that have been visiting with us. We would invite you to make this church your church home. We strive earnestly to be the friendly church with a spiritual program. If you are a Baptist living in Eldorado we invite you to become one of us.

IT'S THE LAW

Social Security Tax On Household Workers Explained

April 0th is the deadline on which social security payments for household workers for the first quarter of 1952 are due at the office of your Collector of Internal Revenue.

The federal law bringing household workers under the old-age and survivors insurance system went into effect January 1, 1951. However, lawyers say that many persons who employ help in their homes are still in the dark about requirements of the law.

Here are some provisions everyone should know. Household workers covered by the law include maids, laundresses, housekeepers, cooks, nursemaids, gardeners, handymen, valets, footmen, grooms, chauffeurs of privately owned cars, practical nurses, and others.

Whether or not a household worker is included in the law depends on how many days she works and how much money she is paid. If the person works 24 days and earns \$50 during any one of the three month periods into which the calendar year has been divided, a tax report must be filed and payment made.

Only cash wages are considered, which includes bus fare if paid in cash, but does not include bus tokens, clothing, room and board, or other noncash items furnished the employee. A domestic worker does not have to put in a full day to count on the 24 day rule—any portion of the day worked counts as a full day.

The rule is different for domestic workers on farms operated for profit. In such cases the domestic is considered a farm worker and is covered only if he or she meets the test for farm labor.

The tax in all amounts to 3% of the cash wages paid. You, as an employer, must deduct 1 1/2% from your household worker's cash wages if the person meets the 24 day, fifty dollar test. You then include another 1 1/2% which is the employer's contribution. After the close of each specified three-month period you should send the tax, with a report of the wages paid, to the Collector of Internal Revenue.

These three-month periods, or quarters, end on March 31st, June 30th, September 30th and December 31st. Reports and payments are due by the last day of the month following the close of each quarter. During any quarterly period that a household worker does not work 24 days or earn \$50, the employer need not be concerned. You need not consider the work your employee performs for any other employer.

The Bureau of Internal Revenue has a special household report form, printed on the back of a return envelope, which can be obtained from your Collector upon request. Just ask for Form 942.

(This column, based on Texas law, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts, because the facts may change the interpretation of the law.)

Mrs. Eddie Peel will spend several days in San Antonio with her sister, Mrs. Irene Hallmark, of Long Beach, California, who is living in San Antonio for the present while a grandson is stationed there.

Mr. and Mrs. Roy Boyer have returned from Pearsall where they visited Mr. and Mrs. Owen Rowin-sky and Mr. and Mrs. Willie Jay Allen.

Mrs. W. C. Doyle has returned from Sherman and Denison where she visited her sisters.

PRESBYTERIAN NEWS

Rev. Charles Bruce was in Cisco Friday and Saturday to attend a preparatory course for the Cisco camp, to be held for young people July 7 to 12. Rev. Bruce will be one of the teachers and Mrs. Bruce will have charge of the music.

Next Sunday an important congregational meeting is scheduled following the sermon at the morning church service at 11:00. It is planned to elect six deacons from the membership, to add to the ten composing the present board.

Mrs. Albert McGinnes and her family have had as guests her sister Mrs. Joe Poynter and Stanley of Detroit, Mich., who returned to Tennyson, where they had previously visited, Tuesday. Other weekend visitors in the home were Mr. and Mrs. Bill Brooks and Beverly of Sterling.

The Ernest Finnegans attended a singing at San Angelo Sunday.

Mrs. Clarence Jessup of Sanderson has been visiting her parents Mr. and Mrs. Ovid Wade and other local relatives.

Dan Gandy of Calf Creek, age 10, is here convalescing from an injury sustained while he and some friends were playing cowboy and Indian at their home at Calf Creek. He badly injured an eye when it was struck by the limb of a tree, but after hospitalization in Brady and San Angelo he is reported to be doing well.

Mrs. Melba Minyard and her little son, who have been here over a month because the dust at Midland aggravated the child's respiratory ailment, left for home Tuesday after the recent rains had laid the dust. Celia Ann will remain here until school is out.

News From Our Neighbors

Tie Vote

A special election to choose one school trustee has been ordered by the Board of Trustees of Fort Stockton Independent School district for Saturday, May 3, as result of the tie vote cast ten days ago for J. Burney Ligon and John A. Vickrey.

The tie vote resulted in opening the race to anyone who might wish to file for a place on the ballot, with April 24 (Thursday of next week) set as the deadline for filing. — Ft. Stockton Pioneer.

Big Lake Bond Issue

An impending \$1,500,000 bond issue is being discussed for Reagan county and Big Lake, to be used for the following purposes:

- 74 miles of road at \$14,000 per mile (including maintenance equipment)—\$1,036,000;
 - Right of way and fences—\$175,000;
 - Swimming pool—\$44,000;
 - City streets—\$220,000;
 - Total—\$1,475,000.
- The proposed bond issue for the airport is for \$25,000.

Jury Quarters Improved

Work was started this week on remodeling the jury rooms of the courthouse. New ceiling and insulation will be put in the rooms, additional lavatories installed; shower bath added, hot water heater added upstairs, and closet space for coats built.

More comfortable bedding will be added where necessary, and new seats for the jurors installed. The work called for additional plumbing and electrical wiring, it was stated, and this work is being done first. —The Alpine Avalanche.

New School Studied

Bronte school trustees discussed the possibilities of constructing a new elementary school building here at their meeting Monday night. An architect's drawing and floor plan were submitted by Supt. J. L. Carroll and studied by the board. —The Bronte Enterprise.

Missing Car Located

The 1942 Pontiac owned by Mr. and Mrs. Vernon Bates which was stolen Sunday evening was recovered Thursday morning (today) in San Saba, according to word received by Sheriff Gay Miller.

The vehicle was taken while Mrs. Bates was attending a show at the Mission theatre here.

It is believed that a soldier participating in the maneuvers near Cometa might have taken the car, although no arrest has been made.

Bates and Miller left Thursday morning to return the car here. —The Menard News.

?????

We heard recently about the Latin-American couple who left their children in the hall in the court house while they went in to get a marriage license. —The Junction Eagle.

Moving Store

James F. House is making plans to move the stock and fixtures of his grocery store to El Paso in the near future. He is closing out his stock in a special sale which began Wednesday.

Mr. and Mrs. House came to Sanderson from Carrizo Springs 23 years ago and opened a grocery store known as the James House Grocery and Market. —The Sanderson Times.

Brazen and Elusive

A house-breaker was loose in the community last week but probably has left these parts ere this. Friday night he entered the Alfred Kinsey home in town after taking off his shoes and leaving them outside the kitchen door. He went into Alfred's bedroom while the family was asleep and took several dollars from Alfred's pants. Mrs. Kinsey was awakened and promptly woke up her husband. Alfred gave chase to the burglar in his bare feet, and almost caught him until grass burrs became too painful. The burglar had not stopped to retrieve his shoes but apparently weathered the burrs because he had his socks on. —Mason County News.

Irion County Race

Cub Lawdermilk announces for the office of sheriff, assessor-collector of Irion county, Texas. Mr. Lawdermilk was born at Sherwood in 1917 and has resided in Irion county continuously. —Mertzon Weekly Star.

Radio Station Proposed

James A. Rutherford, president of the McCamey Chamber of Commerce, has been notified that an application had been made to the Secretary of State for a charter for the Sprayberry Broadcasting Co., and to the Federal Communications Commission for permit for a radio station in McCamey.

The notification came from Jack Hawkins, general manager of the Cactus Network in Pecos, which has four stations operating in West Texas communities. The Cactus system has stations in Odessa, Pecos, Alpine and Monahans. —The McCamey News.

Spring Training

Coach Wilkins called for Spring training Wednesday afternoon of this week and 38 boys reported for the month-long conditioning program.

The Spring training period will continue through May 15, with Coach Wilkins giving his charges the benefit of things he learned in the recent coaches' school at Baylor University in Waco. —The Ozona Stockman.

Repairing Court House

Workmen began moving in material for repairs on the Llano county courthouse Wednesday, preparatory to beginning the reconstruction program immediately.

The commissioners' court let the contract Monday to Thraillkill Construction Co. of San Antonio for \$37,000. Contract calls for completion within 80 working days. —The Llano News.

Overcome By Fumes

Nathan O'Bryant, an employee of the City of Eden, was overcome with gas, sulphur and galvanize fumes on Friday night of last week as he was assisting members of the Menard water department make line repairs.

City Secretary Carl Smith, stated that O'Bryant was working in close quarters in a small pump house, and was overcome by gas, sulphur and galvanize fumes.

He was taken to a Brady hospital later after continuous coughing where he is being confined in an effort to ward off pneumonia to which a person is subject following such exposures.

He is expected home sometime Friday. —The Eden Echo.

Retired Physician Dies

The entire community has been saddened by the death of Dr. J. K. Griffith, 86, retired Robert Lee physician, whose passing occurred soon after noon last Saturday at Coke County Memorial hospital.

His health had been failing the past three years, but it was not until a few months ago that his condition became critical. He was hospitalized the last three weeks.

Funeral services were held from the Robert Lee Methodist church Monday at 3 p.m. in charge of the pastor, the Rev. Ray Lee. —Robert Lee Observer.

Friends here will be interested in learning that Jimmie Faust has opened his law office for general practice of law at 203-204 Barrister Bldg., at 635 F Street, N W, Washington 4, D. C. Jimmie and his wife Lola visited here while his father, the late Rev. F. B. Faust, was pastor of the Methodist church. The couple are well known in musical circles of the Capitol City.

Bubba Sammons, of Eldorado and Van Horn, will be the escort for Blanche Lavon Taylor of Sonora, Freshman at the University of Texas, who is representing the Sonora A and M Mothers Club as duchess at the A and M Cotton Ball in College Station tomorrow.

Lawton Brevard, employed with Stanolind, has been transferred from Levelland to Andrews. He and his wife, the former Tommie Davidson, were weekend visitors in the home of the latter's mother, Mrs. Sadie Davidson and other local relatives.

KEITH HILLMAN IS ASS'T AGENT OF EL PASO COUNTY

Keith Hillman, assistant agent-in-training of Schleicher County from February 11, 1952 to April 26, 1952, was made assistant county agent of El Paso County effective April 28th.

Mr. Hillman will be in charge of 4-H clubs of El Paso County. He will also supervise, with 50% of the irrigated area growing alfalfa and cotton. The other half of the irrigated area being in charge of another assistant agent.

While in Schleicher County Mr. Hillman was in charge of the 4-H club, working with 99 4-H club members. At present he is preparing judging teams for district competition in livestock, wool and mohair and grass judging. While here Mr. Hillman re-organized the 4-H club and set goals for the year of 1952. Hillman also strengthened

the Sears-Roebuck breeding sheep program by purchasing ewe lambs for 4-H members participating. He also assisted 4-H members in demonstrations on how to put wool up properly, help prepare for the 4-H club local wool show and area shows.

W. G. Godwin, county agent, says of Hillman, "He is a very conscientious worker, and very interested in becoming a county agent,

in spite of the fact there are many other fields of endeavor where pay is better and advancement is faster. He should go far in county agent work."

Mr. and Mrs. J. N. Early and Gene have returned from Valley Mills where they spent a week with their daughter, Mrs. A. E. Cox, who with her son accompanied them home for an overnight visit.

FORD WINS AGAIN!

TAKES FIRST PLACE IN CLASS "A"

IN THE 1952

Mobilgas Economy Run

Ford's the Class "A" Winner for 3rd Consecutive Year!

New Ford Mileage Maker SIX Thriftiest in its Field!

Again this year . . . as in the past two years . . . Ford was first in gas economy over all other cars in its price class in the Mobilgas Economy Run. In this toughest test, a stock model Ford Six equipped with Overdrive (optional at extra cost) averaged 53.855 ton-miles per gallon and 25.463 actual miles per gallon.

This was a very special triumph for Ford's All-New Mileage Maker high-compression Six. For now, with its new design providing 101-horsepower and free-turning overhead valves, Ford is definitely pound-for-pound the most economical low-priced car to run! Yes . . . Ford's thrift was clearly proved by the 1,415-mile grind from Los Angeles to Sun Valley. And a very important factor contributing to this victory is Ford's Automatic Power Pilot which squeezes the last ounce of power out of every drop of gas.

*The AAA Contest Board determines the winner by a "ton-mile per gallon" formula to insure equal chance for all cars in each class regardless of size and weight. Ton-miles per gallon equals the car weight (including passengers) in tons, multiplied by number of miles travelled, divided by number of gallons consumed.

"Test Drive" the Economy Winner Today!
