Many Visitors Here For Third Homecoming Event

The Homecoming—Eldorado Exes' third—was a BIG SUCCESS, according to county-wide report of local people and the enthusiastic response made by exes who traveled many miles to take in the event. Some families made special plans well in advance so that they could take it in—some visited in local homes for the weekend or longer, and others came in just for the day to mingle with the crowd.

From the opening of the doors at the school early Saturday morning until the Home Sweet Home rendered by the band late in the evening there were crowds at all of the festivities. Orland Harris served 700 barbecue plates at the dinner at noon from his portable barbecue pit.

Trimming of the floats got the various classes together — some meeting Friday evening and others Saturday afternoon.

10 A. M. Program

Following registration at 9:00 in the morning, homecomers gathered in the school auditorium for the program. Carrol Ratliff had general charge as master of ceremonies.

Mrs. James Page played piano selections, followed by the invocation by Supt. T. E. Holcomb. Lavelle Meckel then led a sing-song, accompanied by Mrs. Page.

Carrol Ratliff brought a word of welcome to the homecomers, and expressed thanks to Mrs. Gus Love for her work as general chairman of the homecoming. She and her committee will serve in the same capacities for homecoming next year, it was announced. Homecoming is now set annually for the second Saturday in August.

Ratliff then presented awards. As ex-student traveling the farthest distance to be present, Dorothy Burk McWhirter, who lives in Florida, received a corsage for coming 1760 miles.

Ex-teacher coming farthest distance was James Huggins, who came 7,000 miles from Cairo, Egypt, where he is an airline freight superintendent.

Mrs. J. E. Tisdale, who taught here in 1902, was recognized as having taught at earliest time. Mrs. A. L. Jones, who attended school here in 1895, was earliest ex-student of the gathering.

The oldest report card brought forward was that of Pearl McCartney, dated for the winter term ending March 5, 1897. This report card is written on ruled paper with space at top, similar to our present-day notebook paper. It lists reading, arithmetic, spelling and writing, also attendance and deportment, and mentions the fact that it is for the winter term ending March 5, 1897. Issued to Pearl McCartney when she was nine years old, the report card was made out by the teacher in the one-room school, Sam Lard, who taught here two terms, about 15 pupils of all ages attending his school at the time this report card was made out; he was succeeded by E. E. Stricklin.

Mrs. Jones took the report card out of an old scrap book to bring it to the Homecoming. Ratliff then introduced ex-Supt. Dave Williamson, now of La-Marque, Texas, who in turn introduced ex-Supt. R. D. Holt of Santa Anna as speaker for the morning. Another ex-superintendent of Eldorado school who was recognized from the stage was C. A. Reynolds of Brady.

Mr. Holt was superintendent of the Eldorado schools from 1927 to 1935. He expressed his thanks for being asked to address the 1952 homecoming of Eldorado exes.

In paying his respects to school boards in general, Mr. Holt pointed out that in our Democratic system, the job of school trustee has more responsibility than pay. In referring to the new school plant, completed here in 1950, Holt cited the tireless efforts of the school board in having made it possible.

Mr. Holt recalled that times were good at the time he came here, and that while the Depression set in later, Eldorado was one of the few schools continuing to pay their faculty in cash each month.

Mr. Holt cited the trend toward the left of the last two or three decades as putting in danger our American way of life, which is exemplified in part by the public school system.

Numerous occurrences during his administration here were recalled by Mr. Holt during his talk.

Winning Floats

Hundreds of Eldoradoans and visitors lined the streets to watch the parade of the classes at 5:00. The Class of 1942 won first prize with a representation of Schleicher

County's agricultural products and oil. Bauer Jewelry, who donated the plaque for the first prize last year, will again add the name of the prize winning class, free. Last year's first prize winners, the class of 1930, won second this year with a rain making theme. The Class of 1933 was third with a purple and yellow trimmed vehicle.

Retired Shell Man Dies At Brownwood; Is Buried Here

Joseph A. Neill, retired Shell employee, resident of Eldorado 15 years, a prominent Mason and Baptist, died in a Brownwood hospital Thursday morning, age 53.

He had retired because of ill health, his retirement becoming effective August 1, 1951. He and his family then bought a 15-acre place at Owens, where they have been living.

Funeral services were held at the First Baptist church in Eldorado, the family's former pastor, Rev. J. M. Hays, coming back from Brookshire to conduct the services, assisted by Rev. Clifford Nelson, now pastor of the church. Pall bearers were Shell or former Shell employees; Ben Hext, Fred Watson, Bill Huber, E. W. Perry, Palmer West and Jess Thompson.

The regular choir of the church rendered the music. At the grave in the Eldorado cemetery, the Masonic rites of burial were read by the Masonic Lodge of which he had been a member many years.

J. A. Neill was employed by Shell 23 years, moving to Eldorado from Big Lake, and serving at the local station as engineer. He was a Mason and a member of the First Baptist church.

He is survived by his wife, two sons, Donald of Odessa and Morland of Grand Prairie; two daughters, Mrs. R. D. Nelson of Grand Prairie and Gwendolyn of Owens; five brothers, A. E. of Waco, J. M. of Hamlin, T. W. of Odessa, E. M. of Kermit, and S. R. of Crane; a sister, Mrs. C. H. Harrison of Abilene; and three grandchildren.

Absentee Balloting For Second Primary Starts Here this Week

Absentee balloting started this week in the county clerk's office for the second Democratic Primary which is scheduled for August 23rd, a week from this Saturday. It was reported at noon yesterday that only one vote had been cast, and that absentee balloting in the Primary would be closed next Tuesday.

Local interest in this run-off centers around the contest for District Judge of the 51st Judicial District. Candidates are Joe L. Mays and Clyde Vinson. W. S. Leslie was eliminated in the First Primary held July 26.

Also listed on the ballot are candidates for Place No. 1, Associate Justice Supreme Court, who are Spurgeon Bell of Harris county and Frank P. Culver of Tarrant county. Martin Dies is listed as unopposed candidate for Congressman-At-Large.

Absentee balloting is prescribed by state election laws to start 20 days before the date of the Second Primary, but copy for the ballots was not made available that soon by state Democratic officials. Tuesday's deadline is in keeping with the prescribed three full days before the date of the Primary.

Over 1000 Miles of Line In Operation Reported At 7th Annual REA Meeting

Approximately 500 people were in attendance at the Seventh annual barbecue given by the Southwestern Texas Electric Co-Op on the courthouse lawn in Eldorado Tuesday evening. The barbecue was followed by the annual business meeting which was held in the district court room, where officers were elected for the coming year and current reports were heard.

The annual business meeting was opened by Louis Gayer, Co-Op attorney, and the following directors

Schleicher County Oil News

Another Wildcat

George W. Strake of Houston has filed application to drill a 7,000-foot Ellenburger wildcat, his No. 1-B J. F. Runge, in northern Schleicher County.

Location will be 660 feet from south and 1,980 feet from east lines of section 67-M-GH&SA, 11 3/4 miles south of Christoval in Tom Green County; 3/4 mile north and slightly east of Strake No. 2 Runge, dry hole plugged and abandoned April 4, 1951, at total depth of 6,400 feet; 1 1/8 miles southwest of Norsworthy No. 1 Williams, dry hole abandoned July 10, 1951, at total depth of 6,823 feet; and one mile north of production in the Huldale field.

It will be on a 1,760-acre lease. Elevation is 2,152 feet. Drilling will start Aug. 16.

Tucker Drilling Company of San Angelo No. 1 Jeff Harkey has been completed as a discovery from the Canyon sand in Northeast Schleicher County. It was completed for a calculated daily flowing potential of 111 barrels of high-gravity oil. Gas-oil ratio was 975-1 and flow was through a 3/16-inch tubing choke.

Production was through perforations at 4,851 feet to 4,855 feet.

The Canyon sand was topped at 4,851 feet, elevation 2,430 feet. Pay was fractured with 2,000 gallons. Location is at the center of the northeast quarter of section 77, block H, GH&SA survey.

Operator has asked the discovery to be called the opener of the Butler field.

The Pure Oil Company ran a second drillstem test on the full Ellenburger section in its No. 1 R. S. Williams, Northwest Schleicher County wildcat, 14 miles northwest of Eldorado.

The test covered the zone at 7,472-8,005 feet. The tool was open five hours and 20 minutes.

Gas surfaced in four minutes and mud started flowing out at the top in 33 minutes. Oil and gas cut salt water began to flow at the surface in one hour and three minutes. The fluid was run to pits four hours and 17 minutes. The flow was at the rate of 15 barrels of salt water per hour. There was a scum of oil in the water.

The gas volume during the test averaged 410,000 cubic feet per day.

Operator was pulling the testing tool at last report.

The hole probably will be plugged back to try to eliminate the water and then the section in the Ellenburger which is left open will be tested to try to make some sort of an oil and gas producer.

Top of the Ellenburger is at 4,470 feet. Elevation is 2,440 feet. None of the upper sections had any shows of possible production.

Delta Gulf Drilling Company has

completed its No. 2-C H. E. Thomson estate as a new producer in the southeast part of the Huldale (Strawn) field in North-Central Schleicher County. The well flowed 24 hours through a one-quarter-inch choke to make a potential gauge of 365 barrels of oil. Flowing tubing pressure was 600 pounds. Gas-oil ratio was 720-1. Production is coming through perforations from 5,714 feet to 5,720 feet and from 5,727 to 5,733 feet. Seven-inch casing is set at 5,796 feet, four feet off bottom.

Plugged back depth is 5,783 feet. The perforated section was washed with 500 gallons of mud acid. Location of the new oiler is 2,165 feet from south and 598 feet from east lines of section 82, block TT, TTRR survey.

Taylor Oil & Gas Company spotted location for a 6,300-foot Ellenburger wildcat in Northeast Schleicher County. It will be drilled as No. 1 Mrs. Sadie J. Weddell, 467 feet from south and east lines of section 74, block M, GH&SA survey and 16 1/2 miles northeast of Eldorado. It is approximately one mile west and slightly north of Phillips Petroleum Company No. 1 Weddell, depleted discovery well of the Oliver (Strawn) field.

Operator was drilling below 5,337 feet in the Ellenburger at Austral Oil Exploration Company No. 1 T. P. Russell, wildcat in Northeast Schleicher County.

The Ellenburger was topped at 5,129 feet, on datum point of minus 2,721 feet. No shows have been encountered in the Ellenburger.

Standard Oil Company of Texas No. 3-4 Wilson, project in the Neva West field of Schleicher County, was being drilled below 6,071 feet in shale.

School Gets Delivery On New Equipment As Opening Nears

School officials this week received confirmation of September 1 as delivery date here of two new school buses. These are 30-capacity International buses with fan heaters and cost \$2931 each, FOB New Boston, Texas, it was stated.

Delivery was made this week on 29 new desk units which will be set up in the sixth grade room. It is understood that this is the start of a project to replace all the old desks in the old elementary building, which will probably take three or four years to complete.

Also on order is equipment to be used in connection with the mechanical drawing course being offered this year in the school for the first time. Mechanical drawing instruments and drafting tables are expected to be here by September 1. This course will be used as a prerequisite to shop.

Glyndon Aldridge who is stationed at Hunter AFB, at Savannah, writes home folks that he had spent four days in England recently.

AGED WOMAN PASSES AWAY IN ELDORADO

Mrs. Alice Lee Isaacs, widow of the late John F. Isaacs, resident of Schleicher County over 40 years, died Friday night at her home in Eldorado, age 92. She had been in failing health five years, and very seriously ill a week.

Funeral services were held Sunday afternoon at the First Baptist Church in Eldorado, conducted by the Rev. Clifford Nelson, pastor of the church, assisted by two Methodist pastors, the Rev. Roy Shilling of Big Lake and the Rev. Doyle Morton of Eldorado. Music was rendered by a choir from the Baptist and other churches. Burial rites at the grave were in charge of the Order of the Eastern Star, in which the local chapter had given her life membership.

Alice Lee Clark was born in Mississippi, March 1, 1860, oldest of the three children born to Mr. and Mrs. John L. Clark. In her childhood she moved to Texas with the family. She was married at Rockdale to John F. Isaacs, who later bought a ranch in Schleicher County and moved the family here over 40 years ago. When she was 13 she joined the Methodist Church, joining the Christian Church, to which her husband belonged, after the couple's marriage.

Her husband, who was a 32nd degree Mason, and prominent in activities of this county, died Dec. 5, 1912. Two children preceded her in death, Ben, who died about five years ago, and Leonard Conn, who died in infancy.

She is survived by two sons, Will of Eldorado and John of Sierra Blanca; three daughters, Mrs. Betty Denson, and Mrs. Mabel Stone of Austin and Miss Nettie Isaacs, Eldorado; 15 grandchildren, 28 great grandchildren, and two great greats.

Joining local people in attendance at the funeral were these relatives:

Sierra Blanca: Johnnie Isaacs, Mr. and Mrs. Harold Isaacs.

Austin: Mrs. Mabel Stone, Mr. and Mrs. Clay Nations and family, Mr. and Mrs. E. Warden and family, Robert Isaacs and daughter Deloris, Mrs. Jewel Lindholm, Mrs. Euda Isaacs and daughter Sylvia.

Junction: Mr. and Mrs. W. H. Meredith.

Georgetown: Mr. and Mrs. Floyd Isaacs and daughter Nancy.

Fredericksburg: Mr. and Mrs. Ben Isaacs.

Brady: Mr. and Mrs. W. L. Isaacs Jr.

Out of town friends included Mrs. Jim Daniels and Mrs. Buryl Burk of Eden; and Mrs. Copeland of San Angelo.

Guests of the Robert Nixons were Mr. and Mrs. Allen J. Hinton and daughter Doris of Hobbs, New Mexico, and Mr. and Mrs. F. O. Franklin of San Angelo, who were here to attend Homecoming and visit their parents.

What sign were you born under?

It makes a difference, some folks say! But whatever your sign — one thing you probably have in common with most Americans is that either *directly* or *indirectly* you're an owner of one of America's electric light and power companies like the West Texas Utilities Company.

It's like this: about *three million* people from all walks of life — teachers, housewives, doctors, mechanics, farmers — put their savings into companies like the West Texas Utilities. They're *direct* owners.

Another *seventy-five* million people, through their life insurance policies and savings bank accounts, are *indirect* owners. For their banks invest a substantial part of their premiums and savings in the securities of the nation's electric companies.

So, you see, these companies, like the West Texas Utilities, that serve nearly everybody are *owned* by nearly everybody!

McCormicks Return From California Trip

Mr. and Mrs. Hollis McCormick and children Buzze and Phil have returned from a 12-day vacation trip to California, where they have relatives. The boys slept as they could in the car while the parents took turns driving—and they made it straight through to California in 33 hours.

They started out on a Monday with their first adventure, when Mrs. McCormick was given a ticket near Ft. Stockton for driving at 75 miles. "That's to be attended to later," she says.

They went through El Paso and straight west to El Centro. In the Imperial Valley they saw the irrigated crops and the large dam which makes them possible.

Their first visit was at Fresno where they were with Mrs. McCormick's brother and sister-in-law, Mr. and Mrs. Ben Angelo, then they went on to Los Gatos near San Francisco, where they visited another brother John and his wife.

They report seeing beautiful crops—heavy yields of hay, cotton waist high, fruits of all kinds, such as plums, peaches, grapes, and such vegetables as corn, tomatoes and cucumbers, all reasonably priced.

At San Jose a brother bought a crate and a half of strawberries from a roadside stand for \$2.50.

They saw both of the bridges, the zoo, the aquarium, rode on the cable car, went out on the Santa Cruz board walk and waded in the ocean, and were in and out of San Francisco and other coastal cities several times.

They returned via Las Vegas, where they saw the Hoover Dam, and went by way of the Petrified Forest, the Painted Desert, and other western beauty spots. They also visited Capt. and Mrs. R. D. Adams, old friends, in their new home at Roswell, and at Big Spring with the J. B. Neelys who were also moving into a new home, and they called on the Arthur Montgomerys at Van Horn.

They employed help at the grocery and station in their absence and report that they are pleased with their trip and that they returned home to find home and business in good condition.

Mrs. Cliff Jones and daughter Betty Lou of Corpus Christi were Eldorado visitors the past week.

HOUSE JOINT RESOLUTION NUMBER 38

providing an amendment to Article III of the Constitution of the State of Texas by the addition of a new Section to be known as Section 50a, providing for the establishment of a State Medical Education Board and a State Medical Scholarship Fund from which grants, loans or scholarships may be made to students desiring to study medicine; providing that such students shall agree to practice in rural areas of this State; providing certain restrictions and limitations; providing for an election and the issuance of a proclamation therefor.

Be It Resolved By The Legislature of the State of Texas:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding thereto a new Section to be known as Section 50a which shall read as follows:

"Sec. 50a. The Legislature shall create a State Medical Education Board to be composed of not more than six (6) members whose qualifications, duties and terms of office shall be prescribed by law. The Legislature shall also establish a State Medical Education Fund and make adequate appropriations therefor to be used by the State Medical Education Board to provide grants, loans or scholarships to students desiring to study medicine and agreeing to practice in the rural areas of this State, upon such terms and conditions as shall be prescribed by law. The term 'rural areas' as used in this Section shall be defined by law."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, A. D. 1952, at which all ballots shall have printed thereon (or in counties using voting machines the machines shall provide for) the following:

"FOR the Constitutional Amendment providing for the establishment of a State Medical Education Fund from which grants, loans or scholarships may be made to students desiring to study medicine."

"AGAINST the Constitutional Amendment providing for the establishment of a State Medical Education Fund from which grants, loans or scholarships may be made to students desiring to study medicine."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment; and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said amendment, the same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

HOUSE JOINT RESOLUTION NUMBER 20

proposing an Amendment to Article III of the Constitution of the State of Texas by adding a new section thereto to be known as Section 61 to authorize cities, towns, and villages of this State to provide insurance for employees; providing for the submission of the proposed Amendment to the qualified electorate; and providing for proclamation and publication by the Governor.

Be It Resolved By the Legislature of the State of Texas:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding a new section thereto to be known as Section 61 to read as follows:

"Sec. 61. The Legislature shall have the power to enact laws to enable cities, towns, and villages of this State to provide Workmen's Compensation Insurance, including the right to provide their own insurance risk for all employees; and the Legislature shall provide suitable laws for the administration of such insurance in the said municipalities and for payment of the costs, charges, and premiums on policies of insurance and the benefits to be paid thereunder."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electorate of the State at the General Election to be held on the first Tuesday after the first Monday in November, 1952, at which election all ballots shall have printed thereon (or in counties using voting machines the said machines shall provide for) the following:

"FOR the Constitutional Amendment authorizing the Legislature to provide for Workmen's Compensation Insurance for employees of cities, towns and villages;" and

"AGAINST the Constitutional Amendment authorizing the Legislature to provide for Workmen's Compensation Insurance for employees of cities, towns and villages."

Each voter shall mark out one (1) of said clauses on the ballot, leaving the one (1) expressing his vote on the proposed Amendment; and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said Amendment, the same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

Nixon Reunion Held

Registration included 110 people, and many did not register, when the Nixon family met for their 23rd family reunion Saturday and Sunday at Squaw Creek Spring, site of the old family home, near Doss.

The group spent the time visiting and a barbecue dinner was served at noon Sunday. Included with the group of Nixon relatives attending were Gertrude Sauer of San Angelo, Mr. and Mrs. Wm. Sauer of Big Spring, and Mrs. Otto Sauer, Harvey Dannheim and family, Victor Sauer and family, Henry Mittel and son, Perry Mittel and family, Mrs. Christina Mittel, Albert Nixon, Ray Jones, Mr. and Mrs. Arthur Mund, Mrs. Joseph Faulk, Mr. and Mrs. John Faught and son Johnnie, Mr. and Mrs. Lee Patrick and daughter, Mr. and Mrs. Milton Faught and Carol Jane.

Of the 16 children born to Mr. and Mrs. Andrew Jackson Nixon at Squaw Creek, eleven lived to adulthood, and of these four were present at the reunion; a sister and three brothers have died and the other three were unable to attend; five children in the family died in childhood or infancy.

Here for Homecoming and a visit with Mr. and Mrs. Archie Wright were Mr. and Mrs. L. T. Barber, Mrs. Agnes Crosby and Mrs. Mabel Dosse and son Kit of San Angelo, and Mr. Wright's brother A. D. of Kingsville. Other visitors in the home were Mr. and Mrs. Bobby Barber, who also visited their parents Mr. and Mrs. H. T. Finley.

Recipe of the Week

Basic Beaten Batter
 1 1/4 cups lukewarm water
 1 package yeast
 1/4 cup sugar
 1 teaspoon salt
 3 1/2 cups sifted enriched flour (about)
 3 to 4 tablespoons dry milk solids
 1/2 cup melted margarine or shortening
 2 eggs.

Measure lukewarm water into large mixing bowl. Sprinkle dry yeast on top. Let stand a minute or two to soften yeast. Stir. Add sugar, salt, 2 cups flour, and dry milk solids. Mix well. Add melted margarine or shortening. Blend thoroughly. Add eggs and beat hard. Add more flour to make a medium-stiff batter. Beat until batter follows spoon. Scrape batter from sides of bowl. Cover with waxed paper or bowl cover. Set aside in warm place to rise until doubled (45 minutes to 1 hour). Stir down. Shape into rolls or tea cakes as desired. (For finer texture let batter rise a second time.) Makes one 9-inch tea cake and about 1 dozen 2-inch rolls.

Section 1. That Article III of the Constitution of the State of Texas be amended by adding a new section thereto to be known as Section 61 to read as follows:

"Sec. 61. The Legislature shall have the power to enact laws to enable cities, towns, and villages of this State to provide Workmen's Compensation Insurance, including the right to provide their own insurance risk for all employees; and the Legislature shall provide suitable laws for the administration of such insurance in the said municipalities and for payment of the costs, charges, and premiums on policies of insurance and the benefits to be paid thereunder."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electorate of the State at the General Election to be held on the first Tuesday after the first Monday in November, 1952, at which election all ballots shall have printed thereon (or in counties using voting machines the said machines shall provide for) the following:

"FOR the Constitutional Amendment authorizing the Legislature to provide for Workmen's Compensation Insurance for employees of cities, towns and villages;" and

"AGAINST the Constitutional Amendment authorizing the Legislature to provide for Workmen's Compensation Insurance for employees of cities, towns and villages."

Each voter shall mark out one (1) of said clauses on the ballot, leaving the one (1) expressing his vote on the proposed Amendment; and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said Amendment, the same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

Mr. and Mrs. Roy Phelps will move to the Ernest Finnegan rent house (the former Mrs. F. G. THIS IS THE YEAR OF THE CHALLENGER

CLYDE VINSON, CANDIDATE FOR JUDGE OF THE 51ST DISTRICT COURT, IS CHALLENGER

Again Clyde Vinson thanks the many friends of himself and family who assisted him in his campaign and those who voted for him in the first primary.

Clyde Vinson believed the people were tired of the way justice was being administered in the 51st District Court, and he offered himself for this important office before the present district judge revealed his plans; and Clyde Vinson does not ask for a PROMOTION, as his opponent does, but for opportunity to use his training and his 27 years experience as a trial lawyer in this District Court, to improve the administration of justice in this court.

In giving his active support to Clyde Vinson's opponent the present District Judge reveals his plans, namely, to choose his successor. There were approximately 4,000 votes cast for the third candidate in the first primary. The present district judge was likewise active in his opposition to this third candidate.

Clyde Vinson believes the 4,000 voters for the third candidate disapprove of the present District Judge's efforts to choose his successor; and Clyde Vinson seeks these votes, and the continued support and votes of those who backed him in the first primary, and the votes of the 10,000 who neglected to vote in the first primary, and last, but not least, the enlightened vote of those who believe that their vote should go to the candidate of their choice and not to the candidate chosen or dictated by the present district judge.

Clyde Vinson is under obligation to no one. If chosen your District Judge, Clyde Vinson will consider the office a sacred trust to be discharged with justice to all and malice toward none.

COMPARE THE RECORDS: Clyde Vinson has had 27 years experience as a trial lawyer in this 51st District Court, experience which a presiding judge needs, just as the president of a bank needs banking experience to run a bank.

Carry on the campaign! Are you satisfied with the way justice has been administered in the 51st District Court? Do you want the present district judge to choose his successor?

Clyde Vinson made the challenge and he earnestly invites your support.

★ The Military ★

Sherril Dean Posey, 19, son of Mrs. Ada Posey of Eldorado recently enlisted in the United States Marine Corps for a period of four years. Young Posey, a 1951 graduate of Eldorado High school, was among a group of young men that enlisted at the Marine Corps Recruiting Office in San Angelo. He is now at basic training at San Diego, California, where he will be thoroughly trained in military subjects and the functioning of small arms.

Technical Sgt. Wesley Ward, in charge of the Marine Corps Recruiting office in San Angelo, will visit Eldorado next Saturday to interview young men and women for enlistment in the Marines. The sergeant will be at the Eldorado post office from 1 to 4 p.m. and will be glad to answer any questions on the Marine Corps. He has requested all men who face military service in the near future to see him and find out about the opportunities offered in the Marines. He also has complete information on the newly enacted Veterans' bill for men enlisting now. He says that a three-year enlistment in the Marines entitles a man to four full years in any college or university with a monthly allowance to cover expenses and tuition.

Mr. and Mrs. R. J. Alexander of Snyder were here for a short visit Sunday afternoon.

Keep costs down, performance up, with a Dodge

- ▶ Haul at lower cost with a Dodge truck — 1/2- through 4-ton—that's "Job-Rated" to fit your job.
- ▶ Boost gasoline mileage with features like high-compression ratio and special gas-saving carburetor.
- ▶ Reduce upkeep with such wear-saving features as floating oil intake and positive-pressure lubrication.
- ▶ Enjoy super-smooth performance with glycol Fluid Drive, wear-protecting advantage available on all 1/2-, 3/4-, 1-ton and Route-Van models.
- ▶ Come in for a demonstration—and a good deal!

Save on gas and oil. All 8 Dodge truck engines give exceptional economy with plenty of power. You get advantages like lightweight aluminum pistons, improved fuel system with economy control, precision-balanced crankshaft, and other money-saving features.

Save on maintenance. Rugged engines and chassis make Dodge trucks famous for dependability. Upkeep costs stay low because of special Dodge features like 4-ring pistons, chrome-plated top ring, and wear-resisting exhaust valve seat inserts.

Save with long life. Because Dodge trucks last so long, depreciation is less and trade-in value stays up. Long life and dependability are result of such features as alloy steel springs, shot-peened axle shafts, and extra-sturdy frames.

"My Dodge trucks save a lot of money on gas!"

says H. A. ROBINSON
 Contract Hauler,
 Mobile, Ala.

"On a 200-mile run I save 1 1/2 to 2 gallons of gas. I get this saving seven days a week, and on my two trucks that means I save over \$300.00 a year on gas alone. That's good, because each of my trucks makes an average of 50 stops per day hauling mail.

"My first Dodge truck cost me only \$54.00 of repair expense in two years. I ran my second Dodge over 103,000 miles in two years and spent only \$15.50 on it for repairs.

"If I'd known what I know now about Dodge trucks, I'd have switched to them long ago and saved myself a lot of money."

News From Our Neighbors

Thumbs Down On School

Patrons of the Bronte Independent school district turned down the \$260,000 bond issue by a vote of 243 to 142 last Saturday.

The proposal to issue \$260,000 in bonds was for the erection of a new elementary school building.

Two other propositions were also on the ballot and were also defeated. The second was a proposal to levy a maintenance tax and a third would have provided for assumption of the bonded indebtedness if the first proposal had been approved. —Bronte Enterprise.

Water Is Short

Word comes from City Hall that the water situation is getting desperate.

City Water Superintendent J. M. Pirkle has stated that residents were cooperative about not watering lawns last Sunday, and consequently, both tanks were almost full Monday morning—something over 300,000 gallons.

BUT — McCameyites used up those 300,000 gallons plus 550,000 gallons more pumped during Monday for a total of over 800,000 gallons of water. —McCamey News.

In The Army

Vester T. Hughes, Jr., who was sworn in as the Law Clerk to Associate Justice Tom C. Clark of the United States Supreme Court July 2, resigned the position after four weeks when the local draft board decided against deferment.

Hughes was commissioned First Lieutenant and will serve as Judge Advocate General's Corps, and is to report back to the Pentagon, Arlington, Va., Friday, August 8th. He received his commission through the 2nd army at Fort Meade. —Mertzon Weekly Star.

Businesses Burn

BRADY, Aug. 7—Lightning was said to have been the cause of a fire here late Wednesday which destroyed three business establishments and resulted in an estimated \$138,000 loss.

Believed to be the worst fire in this city in some years, the blaze started on the roof of the Smith Electric Shop, then spread to two other businesses.

Also gutted by fire were Carlson Cleaners and the offices of the Sunset Motor Lines. An empty warehouse in the block was destroyed.

Exploding oil drums in the electric shop blew out the front glass of the store, tossing pieces of glass some 75 feet. —Standard Times.

Ozona School To Open

Pre-opening day registration of Ozona High School students has been set for Thursday and Friday, August 28 and 29, P. O. Hatley, high school principal, announced this week. —Ozona Stockman.

Two daughters, Mrs. Zona Hallcomb, who remained here two days, and Mrs. Mary Jess Childress, who stayed several days, were guests in the home of the Jess Koys. Mr. Koy left today for Roswell, to spend some time on the ranch, on which they had good rains Friday and Saturday.

Guests in the home of the Horace Linthicum are their niece and nephew, Susan and Pascal Allison of Sonora, who are here for two days.

Mrs. Leonard Lloyd and children spent Friday at Paint Rock with Mr. and Mrs. J. C. Hoffman. Milton Peek, a nephew, accompanied them home for a week's visit.

Bruce Wilson of Comstock, who is spending the summer with his grandparents, Mr. and Mrs. L. T. Wilson, has been joined here by a cousin, Warren Carson and his sister Corinne, both of Comstock, for a ten-day visit.

The W. H. Hale family have had as guests Mr. Hale's brother G. Hale and his wife and daughter Margaret of Iran. Billy Sam Hale accompanied them home to spend the week.

Mrs. Elvin Bawcom of Christoval spent the day Tuesday with Mrs. Robert Milligan.

FORT WORTH—Most classes of cattle and calves staged a sharp rally Monday at Fort Worth. Cows were 50 cents to \$1 higher and bulls sold strong to 50 cents higher. Stocker calves were from 50 cents to \$1.50 higher, and slaughter calves were strong to 50 cents higher. Stocker and feeder cattle were strong to \$1 higher, and some stocker yearlings were over \$1 higher. Slaughter steers and yearlings sold steady.

Butcher hogs and sows opened the week with a 50-cent advance at Fort Worth, best hogs at \$23.

Sheep and lambs cashed at steady prices for both slaughter and stocker kinds.

A partial walk-out of CIO Packing House Workers at the Armour plant in the lamb, calf and hog departments had a negligible effect on the trading at Fort Worth.

Good and choice slaughter steers and yearlings sold for \$26 to \$32, and common and medium grassy and supplementary fed steers and yearlings cashed at \$16 to \$25, with cull yearlings around \$13 to \$16.

Fat cows sold for \$15 to \$18, a few heiferette kinds higher. Canners and cutters sold for \$10 to \$15. Bulls cashed at \$15 to \$23.50.

Good and choice slaughter calves sold from \$24 to \$27.50 and plain and medium butcher sorts sold from \$16 to \$24. Culls cashed at \$13 to \$16.

Good and choice stocker calves moved at \$25 to \$29.50 and common to medium quality sold from \$16 to \$24. Stocker and feeder steers and yearlings bulked at \$18 to \$26, with a few extreme lightweights to \$27, and commoner kinds sold at \$15 to \$18. Stocker cows moved at \$14 to \$19. Stocker and feeder heifers sold from \$25.50 downward.

Good and choice slaughter spring lambs sold for \$25 to \$27 and the medium killers sold around \$20 to \$24. Stocker and feeder spring lambs cashed at \$12 to \$20. Stocker and feeder yearling wethers sold at \$10 to \$15, and fat yearlings sold at \$18 down.

Two-year-old wethers cashed at \$9 to \$12, and aged wethers drew \$10 downward. Slaughter ewes sold at \$5.50 to \$8. Old bucks drew \$6.50 down.

Good and choice butcher hogs sold Monday at a top of \$23. Sows drew \$16 to \$18.50. Butcher pigs sold around \$12 down.

Mrs. Wiley Hight and boys returned Friday from San Antonio where they have been visiting. During the weekend they had as guests Mr. and Mrs. Leonard Hight and two sons, and on Sunday were joined by a sister and family, Mr. and Mrs. Irving Pool and son of London.

Mr. and Mrs. John Moore, who have an apartment at the residence of Mrs. Mattie Cozzens, have had as guests Mrs. Pearl Martin and Mrs. Rachel Berry.

Hot Weather Hints On Livestock Care

COLLEGE STATION — Livestock and poultry, if given proper attention during the hot summer months, will produce profits for their owners. Our domesticated animals, says Dr. C. M. Patterson, veterinarian for the Texas Agricultural Extension Service, must depend on man to provide them with comfortable surroundings. If proper attention is not given, the animals suffer and down goes production.

Especially important, says Patterson, is a continuous supply of cool, fresh water for all animals and poultry on the farm. The loss of moisture from the animal's body in hot weather is rapid and heavy and unless water is available losses are sure to occur. These losses show up in lost weight, a drop in milk production by the dairy herd or in the case poultry, a drop in egg production.

Of almost equal importance, says the veterinarian, is the need for plenty of ventilated shade. Circulation of air is needed under the shade or in poultry houses to remove the moisture being given off

by the animals. The moisture content of the air is more important than the actual temperature of the air in cooling the animal's body. Heat exhaustion is just as likely to occur in humid, stuffy, though shaded places, as in the sun. Don't overcrowd birds or animals, warns Patterson, for it prevents body heat loss and interferes with ventilation.

Supply feed, he says, in accordance with activity so that breeding, dairy, work animals or poultry don't become too fat. Keep animals in a thrifty condition and don't forget that salt is essential in body heat regulation and should be supplied in adequate amounts at all times.

Animals should not be driven about or forced to exercise during the hot part of the day nor should anything be done to excite them. Exercise and excitement build up body heat rapidly, says Patterson and therefore, livestock should not be disturbed during the hot part of the day.

Control the insects that disturb and injure the livestock such as flies, ticks, screw worms and wool maggots. Failure to provide comfortable surroundings for livestock

may also result in digestive troubles and some types of livestock especially cattle, sheep and hogs frequently contract pneumonia as a result of overheating.

Successful and profitable livestock and poultry production can be maintained during the hot summer months provided their owners make them comfortable and protect them from insects and diseases.

Mr. and Mrs. Aaron Steward visited last weekend with the Hugh McAnguses at Kerrville. They were accompanied by Mrs. E. H. Dannheim who visited Mr. and Mrs. B. O. McDonald and Mr. and Mrs. E. E. Spencer.

Edwin Johnson and family of Midland were here for Homecoming and to visit home folks.

Mr. and Mrs. Buster Dickens have been in Odessa visiting their daughter Mrs. H. T. Allmond.

Mr. and Mrs. W. C. Doyle were among those attending the Doyle family reunion at Lampasas Sunday.

From where I sit... by Joe Marsh

Well, What Do You Know?

Do you believe in a bunch of old tales about lightning—about how it's attracted by cats or the warmth of cattle... how it never strikes in the same place twice... or how it's liable to turn milk sour? Lots of people often do—but they're wrong.

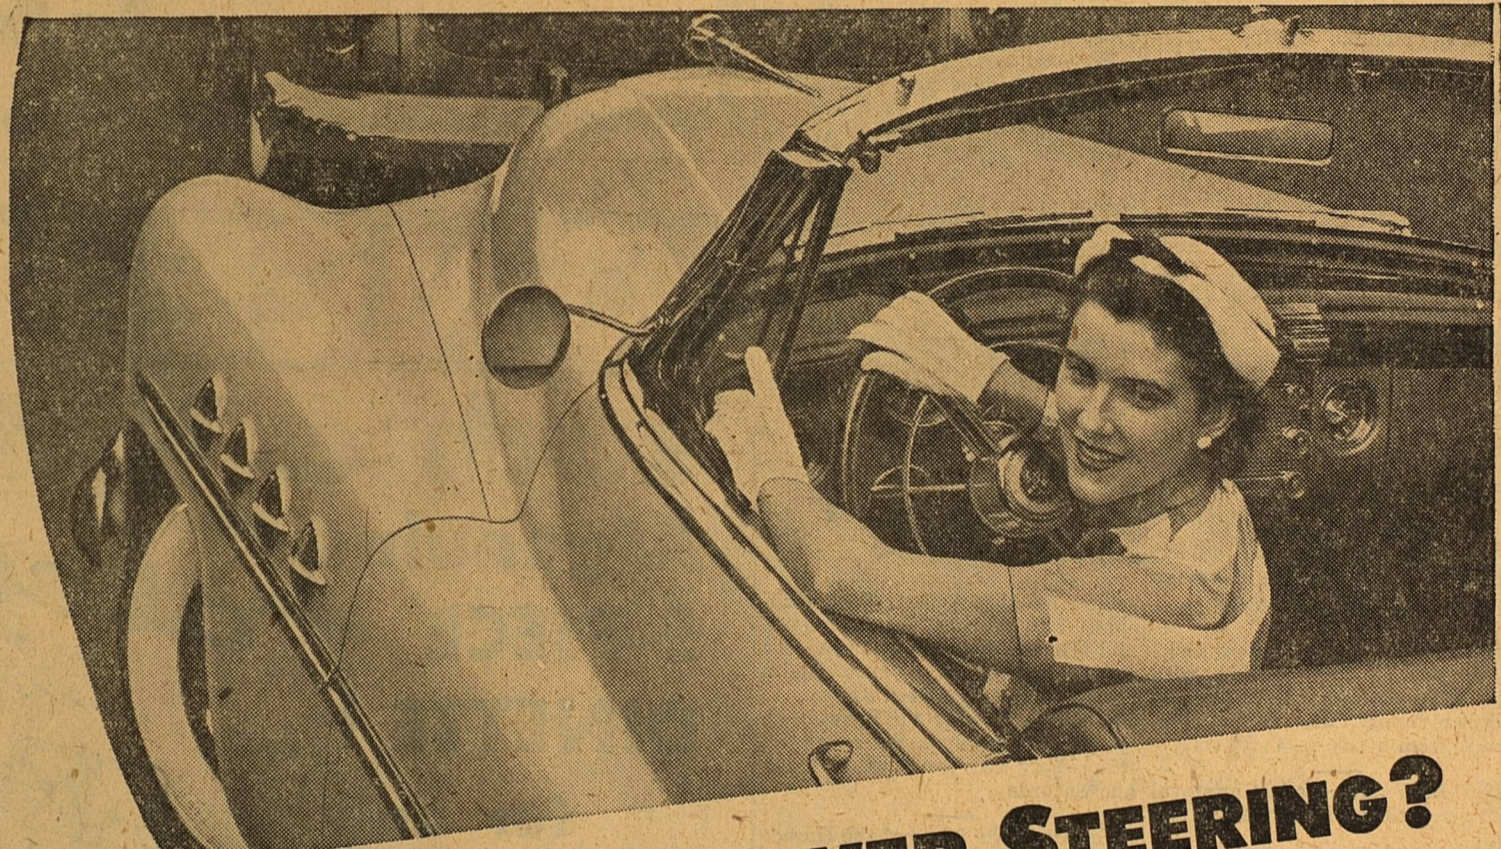

Dad Hawkins inspired this column today. He's really studied up on lightning since his own cow barn was struck that time.

"Trouble is, most of us don't know half enough about the subject," Dad says. "And about half of what we do know is false!"

From where I sit, Dad's statement applies to a lot of things besides lightning. Too many people think they know their neighbor's wrong when he votes for his candidate instead of theirs. Some people even resent our right to enjoy a friendly glass of beer if and when we choose. Opinions based on misinformation and prejudice, instead of being "grounded" on true facts can cause more damage than lightning ever did.

BUICK'S POWER STEERING?
It's the big NEWS of the year

THERE is a host of things that endear a ROADMASTER to anyone who loves to drive.

There's the might of its Fireball 8 Engine — most powerful ever put in a Buick.

There's the thrift of its Airpower carburetor — a four-barrel automatic that literally brings increased power right out of thin air.

There's its hushed and luxurious silence — its poised and level ride that cost a million dollars to develop — and the infinite smoothness of its Dynaflo Drive.

But the thing that has brought the most cheers for this big and obedient beauty is Buick's version of Power Steering.*

Gone is the tug of turning, parking, maneuvering in small space.

Power Steering takes over the effort of turning the front wheels—makes it a one-hand operation.

Do you have to learn to drive all over again if you have this new Buick feature?

You definitely do not. On the open road, you have that same sure sense of command that you've always had. Coming out of a curve, you can loosen your grip, and the front wheels right themselves just as they do on every Buick.

But you'll notice this: When you suddenly hit loose dirt or sand—or a stretch of rough road—Power Steering smoothly goes into action — helps take up the jerk — makes control of the wheel easier and driving safer.

Wouldn't you like to try out this newest wonder — on a ROADMASTER or a SUPER? You say the word, and we'll do the rest.

Equipment, accessories, trim and models are subject to change without notice. *Optional at extra cost on Roadmaster and Super only.

First Baptist News

Our Sunday school and training union attendance continues to be good. We had 182 in Sunday school and 84 in training union Sunday. Our interest and attendance in our revival has been good. Good crowds have been enjoying the cool comfort of the evening services under the stars. Our revival will close Sunday evening with baptismal services after the final message. If you haven't yet been to the revival we issue you a warm welcome.

The members of the church certainly express their sympathy and extend their prayers to the Neill and Isaacs families in this hour of their sorrow. And we wish to take this means of again thanking Mrs. J. A. Neill for the lovely floral offering sent in the memory of J. A. for our worship services Sunday. That was very thoughtful.

Let us not forget our goal for Sunday school Sunday. And for training union Sunday. Let us make it break all record days. The record attendance in Sunday school for any one Sunday is 227. Let us go over that goal. The record attendance in training union is 126. Let that record fall too. If each department will accept their enrollment and seek to reach that we will go over our goals.

ATTENTION all men. Monday night, August 18, is brotherhood night. There will be election of officers, good program, and a watermelon feed. We trust that every man of the church will make it a point to be at this program. We will make plans for attending the big brotherhood jubilee held at Lake Brownwood. The dates this year are August 25 through 26. We trust that we will have a good group to go and stay for all of the program. We have a tent up on the grounds. This is to be a wonderful program and copies of program will be on the bulletin board at the church.

Mr. and Mrs. Billy Jack Reynolds and son, and Mrs. C. M. Reynolds and grandson C. F. Dacy, left Saturday for Parlin, near Gunnison, Colorado, to visit Mr. and Mrs. Bernard Williams. From there they expected to go on to Yellowstone and other places, and will be away from home ten or twelve days.

Mrs. Grover Joiner broke her right arm above the wrist in a fall on wet linoleum at her house. Donna Beth McCormick is taking her place at the news stand.

Rev. and Mrs. Jim Hays of Brookshire were here Friday to attend the funeral of J. A. Neill, and visited an hour or two afterwards with friends in the city.

Everett Turnbow is completing his residence.

Here for Homecoming and for a visit in the Alvin Farris home were Mark Holland and Mr. and Mrs. Jack Holland and daughter Sharon, of San Angelo.

Mr. and Mrs. Wiley Hight are adding two bedrooms and a porch to their residence in Campbellite Flat. They are doing their own carpenter work.

Beth Shilling accompanied her father to Eldorado Sunday when he was called here from Big Lake to conduct a funeral, and visited a few hours in the city.

NOTICE OF ELECTION THE STATE OF TEXAS COUNTY OF SCHLEICHER

To the Resident Qualified Property Taxpaying Voters of Schleicher County, Texas:

TAKE NOTICE that an election will be held on the 6th day of September, 1952, in said County, in obedience to an order duly entered by the Commissioners Court on the 4th day of August, 1952, which is as follows:

"On this the 4th day of August, 1952, the Commissioners Court of Schleicher County, Texas, convened in regular session at a Special Term thereof in the Courthouse at Eldorado, Texas, with the following members of the Court, to-wit:

- E. W. Craig, County Judge,
- A. J. Halbert, Commissioner Precinct No. 1,
- L. G. Edmiston, Commissioner Precinct No. 2,
- Carrol White, Commissioner Precinct No. 3,
- H. A. Belk, Commissioner Precinct No. 4,
- Ida C. Neill, Deputy, County Clerk,

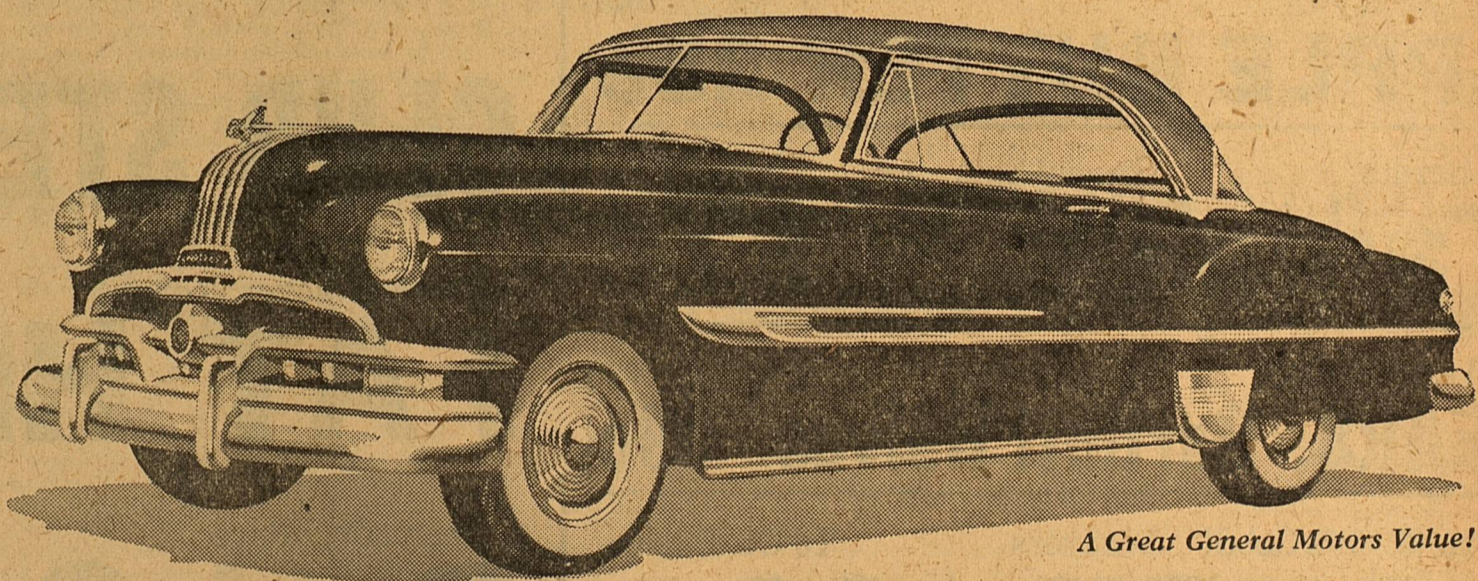

being present, came on to be considered the petition of Edgar F. Sauer and 72 other persons, praying that an election be ordered to determine whether or not bonds of said County shall be issued in the sum of Seventy-five Thousand (\$75,000.00) Dollars, bearing interest at a rate not to exceed two and one-half (2½%) per cent per annum, and maturing at such times as may be fixed by the Commissioners Court, serially or otherwise, not to exceed twelve (12) years from date thereof, for the purpose of the construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes, or in aid thereof, in said County; and whether or not an ad valorem tax shall be levied upon all the taxable property in Schleicher County for the purpose of paying the interest on said bonds and to provide a sinking fund for the redemption thereof at maturity;

And it appearing to the Court that said petition is signed by more than fifty of the resident property taxpaying voters of said Schleicher County, Texas, who own taxable property within said County and who have duly rendered the same for taxation;

And it further appearing that the amount of bonds to be issued will not exceed one-fourth of the assessed valuation of the real property of said Schleicher County;

IT IS THEREFORE CONSIDERED AND ORDERED by the Court that an election be held in said County on the 6th day of September, 1952, which is not less than thirty (30) days from the date of this order, to determine whether or not the bonds of said County shall be issued in the amount of Seventy-five Thousand (\$75,000.00) Dollars, for the purpose of the construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes, or in aid thereof, in said County, bearing interest at a rate not to exceed two and one-half (2½%) per cent per annum, maturing at such times as may be fixed by the Commissioners Court, serially or otherwise, not to exceed twelve (12) years from
