NUMBER 47

## Lions To Pack Box For State Hospital

The Eldorado Lions club will pack a box of clothing and other articles at their meeting next Wednesday at noon in the Memorial building, for the Abilene State Hospital, which cares for epileptic patients.

Plans for this were presented at yesterday's Lions club meeting by Palmer West, president.

For the program, four selections were rendered by the high school sextette. Miss Lucille Farmer, director and accompanist, introduced Barbara West, Gaynelle Belk, and Janice Cales as new members of the sextette this year, and M. A. Runge, Mary Lou Alexander, and Carolyn Ratliff as old members.

During the business session John Miller urged all Scouters to attend the annual meeting set for Monday night, at which Dr. Rex Johnston of San Angelo college will be the speaker.

W. M. Patterson Jr. reported that the annual fund drive would start in Eldorado next week for the Boy Scouts.

## Dallas Area Gets Rain First Of This Week

A weak norther tried to penetrate Schleicher county Monday, but it petered out without causing much change in weather conditions. The Dallas area was more fortunate; heavy rains were reported over a number of counties in that North Texas area.

W. F. Faught is reported to be doing as well as can be expected after major surgery two weeks ago. He is in Clinic hospital, San Angelo.

## The Military

Induction call for seven men to report on November 25 has been issued by Local Board 110. The seven to report are: Aubrey Jay Parker, Kimble; James Miller Tinsley, Kimble County; Roy Bryant Shilling, Jr., Schleicher; John Duke Leamons, Kimble County; Samuel Theodore Fairchild, Kimble; Roy Clinton Connell, Edwards Co.; and Dillard R. B. Nash, Kimble.

Three delinquents are also ordered for immediate induction: Car Lee Miller, Sutton Co.; Ascension Belaquez Martinez, Schleicher; and Amador Noriega Reyna, Sutton Co. On the 1st of December six will report for induction: Donnie Jack Ottaberry, Schleicher Co.; Richard Bennett Boone, Kimble Co.; Salvador Torres Cardona, Sutton Co.; Jimmy Lane Hutto, Edwards Co.; Leslie Vaughn (Buddy) Baker, Schleicher Co.; Delmon Ray West, Sutton Co.

If anyone knows the whereabouts of Ascension Belaquez Martinez, please notify Local Board No. 110, Sonora, Texas, it is requested this week by Mrs. Jessie V. Truden, clerk.

Kumler Mund of the Bar S ranch near Mertzton was among those from Board No. 110 to report for pre-induction physical examinations at San Antonio Nov. 17th.

Mrs. John S. Williams, Mrs. S. E. Jones and Mrs. Charles Bruce were in San Antonio, where the relatives visited Frank S. Williams, who has returned home after 15 months overseas duty in Japan and Korea. He expects to receive his discharge from service this week.

Douglas Peel, who has been in the National Guard, is now in the Air Corps, and is a supervisor in the maintenance department at Goodfellow Field, San Angelo.

Floyd McGinness left Eldorado Monday and accompanied his parents, Mr. and Mrs. Sam McGinness, to San Angelo from where he went by plane to New York for overseas assignment. All of the family spent the day with the McGinnesses Sunday, Mr. and Mrs. Walter Lowe of Eden joining the local group for the weekend. Floyd's wife is remaining here for several days before she returns to Crosbyton, where she will make her home most of the time while Floyd is in service.

Pvt. Reuben N. Dickens, who graduated Oct. 28 in a motion picture sound recording course from the Signal Corps Training School at Fort Monmouth, N. J., has been spending a 13-day furlough in San Angelo and Eldorado with relatives. Dickens is the son of Mr. and Mrs. Reuben Dickens and a grandson of Mrs. C. A. Neill.

He received his basic training at Camp Gordon, Ga. He will report at Fort Lawton, Seattle, Wash., Nov. 21, for overseas assignment.

## BOYS ACQUITTED

Jimmy Thornton and Billy Gene Edmiston, Eldorado High School youths, were found not guilty in a jury trial in justice court Tuesday afternoon. The boys had been arrested when found on the D. C. O. Wilson ranch, a game preserve, with rifles in their possession. Wilson's son-in-law, Walter Pope, who lives on the 45-section ranch and is a game warden, testified that he had seen the boys with guns, on the ranch, at about 7:15 Sunday morning.

Attorneys in the case were Clyde Vinson of San Angelo and T. P. Robinson Jr. of Eldorado.

## Schleicher County Oil News

Sinclair Oil & Gas Company this week spotted location for a one-half east outpost to its No. 1 Dwight McClatchy, assured one mile southeast extender to Pennsylvania production in the Huddale field of north central Schleicher County.

The new test is No. 1 Cecil McClatchy. Site is 467 feet from the south and west lines of the north-east quarter of section 31, block M, GH&SA survey and seven miles north of Eldorado. It is to go to 6,000 feet.

No. 1 Dwight McClatchy is at plugged back total depth of 5651 feet cleaning out to complete. After running tubing, the well kicked off and flowed through perforations at 5630-40 feet and one-half choke. During 12 hours of flowing it made 374 barrels of 42-gravity oil and 66 barrels of muddy drilling water.

L. E. (Lour) Scherck of San Angelo is scheduled to drill a 6000-foot Ellenburger wildcat in south-east Schleicher county. It is No. 1 D. C. O. Wilson. Location is 660 feet from north and west lines of section 4, block K, GH&SA survey. That makes it 19 miles southeast of Eldorado and 10½ miles southeast of production in the Page (Strawn) field. Rotary tools will be moved in and rilling will begin at once.

Black & Rodman No. 1 Henderson, Schleicher wildcat, was progressing below 3695 feet at last report in shale and lime.

Sinclair No. 1-101 University, another Schleicher wildcat, was making hole below 5,010 feet in shale. This test is slated for a 6500-foot depth for tests of the Ellenburger.

LaGloria No. 1 Meador, north-east Schleicher wildcat, was plugged and abandoned at total depth of 5766 feet.

## Mrs. Arch Edmiston's Mother Dies Saturday

Mrs. R. M. Cozby, 76, mother of Mrs. Arch Edmiston, died at a San Angelo hospital Saturday afternoon at 3:30 after a day's hospitalization.

Funeral services were held at 3:00 Sunday afternoon at Christoval Baptist church, conducted by the Rev. Ernest Edwards, Baptist pastor, and Rev. J. R. Medlock, pastor of the Methodist church. Eddie Peel of this city was one of the pallbearers. Interment was made in Christoval cemetery.

Survivors are the husband, R. M. Cozby; three daughters, Mrs. Roy Valliant, Sonora, Mrs. Arch Edmiston, Eldorado, and Mrs. T. R. Knight, Houston; two sons, W. D. of San Angelo and Winston of Dilley; a brother, George Berry Borger; two sisters, Mrs. Walter Steward of Coleman and Mrs. Ben Ray of Monadesta, California; 14 grandchildren and five greats. All of the family were here for the funeral except three grandchildren and two great grandchildren.

The Cozby's were making plans to celebrate their 54th wedding anniversary Dec. 23.

The couple previously lived in Menard County, moving to Schleicher County in 1902 to ranch in the Rudd community, and from here moving to Christoval in 1910.

Relatives visiting with Mrs. Geo. A. Neill Sunday included a sister, Mrs. Birdie Manies, Mr. and Mrs. John L. Barrows and son, Robert Lynn, Mrs. Annie Dickens and Pvt. Reuben N. Dickens, all of San Angelo; Mr. and Mrs. Geo. H. Neill of Sonora, and Mr. and Mrs. J. L. Neill of Eldorado.

Mr. and Mrs. L. M. Hill have gone to Oklahoma to visit Mrs. Hill's mother, age 87, who is on the sick list. Monty remained here to attend school.

## Ministerial Alliance Sponsors Union Service

Quentin Dunn, minister of the Rock Church of Christ, will bring the message of Thanksgiving when the Ministerial Alliance presents their second union Thanksgiving service at 8:00 o'clock Thanksgiving morning — Thursday of next week, in the high school auditorium.

The five pastors who are members of the Alliance—Rev. Clifford Nelson, of the First Baptist church, Rev. Doyle Morton of the Methodist church, Rev. Charles Bruce of the Presbyterian church, Rev. F. H. Pryor of the Fundamental Baptist church and Quentin Dunn, of the Rock Church of Christ—have planned the program.

All of the pastors will have part on the program, with Minister

Dunn delivering the Thanksgiving sermon. There will be several anthems presented by the combined choirs of the churches, who held their first practice last night, Wednesday, at the Presbyterian church.

A freewill offering will be taken at this meeting to help defray expenses incurred by the Ministerial Alliance in carrying on of their work.

The entire community is invited and urged to attend this service. The hour has been set early, to enable families expecting guests or planning to drive elsewhere to attend church first and then carry out other plans.

The pastors of the city urge their members and the general public to attend this service.

## Junior High Football Banquet Is Scheduled

Saturday is the date for the Junior High school football banquet, which will be held that evening in the cafeteria of the school building. Junior High school room mothers are in charge of the arrangements. Special guests will be the coaches, the superintendent and principals and their wives.

Rev. Clifford Nelson will be principal speaker, and there will also be other program numbers. A dance in the Memorial building will follow the dinner and program, which starts at 7:00.

Food is being furnished by mothers of the young people of Junior high school, and should be in the cafeteria ready to serve by six, committee members announce. The students will decorate the auditorium of the Memorial building beginning at 2:00 Saturday afternoon, and the mothers will decorate the cafeteria Saturday morning. The banquet will honor the football boys, coached by Meiers Johnson, and the pep squad, sponsored by Miss Marie Welsh.

On Nov. 11, Mrs. McGregor, den mother of Den 3 Cub Scouts took her boys out to the Forrest Runge ranch for a Thanksgiving program. After a flag raising ceremony, a prayer of Thanksgiving was read by Johnnie Griffin. The group was divided into Pilgrims and Indians. The Indians helped the Pilgrims build a log cabin of cedar posts. They gathered pecans and had a wienie roast. The group practiced a skit for their Pack meeting.

On Nov. 18, Den 3 Cub Scouts met at the home of Mrs. McGregor. They practiced on their skit, added "spools" to their den dole and made gifts for their mothers.

Mr. and Mrs. Floyd Isaacs and baby of Austin are here visiting in the Will Isaacs home.

## Post Script

Practically all of the business houses will close as usual on Thanksgiving day next Thursday. The school will have a long weekend next week, with Nov. 27 and 28 designated as holidays.

A surprise to the general public was Jack Ratliff's decision to close out his furniture store in Eldorado and to sell the building to Bob Page. It is understood that Jack will retain possession until he closes out his furniture stock, which is selling fast as this paper goes to press this week.

Jack is listing everything he has in stock at bargain prices and is rapidly moving out what was a good sized stock of furniture. He states that he will give free storage of purchases until Christmas — (don't miss his ad on page 6.)

Ratliff, who maintains an insurance office and is rural mail carrier also, will continue to operate his insurance business in his old stand adjoining the furniture store, where customers may find him as usual after Page takes possession of the other building.

Energizing and completing of the Southwest Texas Electric Co-Op's Section D in the Ozona locality has extended the service provided by the Southwest Texas Electric Co-Op. To take care of the increasing number of users in Crockett and to answer trouble calls, the local Co-op is moving Jack Logan to Ozona.

Logan has been a materialman here, and at Ozona will be a line-man. He and Mrs. Logan will vacate a Love duplex soon when he makes the move.

Mrs. J. B. Christian is having a rent house built on a lot which she owns, at the rear of Mrs. D. E. DeLong's. The foundation was started this week, and workmen started on walls yesterday. The house, which is a half block from the school, facing east, will have three rooms and bath, including a living room 24 feet long. The Jack Elders are assisting Mrs. Christian with managing of the building project, and Mrs. Elder will decorate it when the main part of the carpenter work has been completed.

Several Shell employees were in Austin last week, attending a division supervisors' meeting, all returning home Thursday. In the group were Mr. and Mrs. Fred Watson and their grandson Lannie Spurgers, who is their guest until Christmas, Mr. and Mrs. Jack Smith, Mr. and Mrs. George Cales and W. T. Huber.

Mrs. Daisy Ford and her daughter Mrs. Harland Graves drove through from Kansas for a stay of a week or two in Eldorado. Mrs. Ford's other daughters Mrs. Headstream and Mrs. Callentine are also here to assist their mother in closing out of her home, which she is selling to Earl Parker. Mrs. Ford is selling her furniture and is giving possession of the house about the first. It is understood that Mr. Parker will remodel and enlarge the residence.

## Two Have Accidents

School children who have had accidents recently are convalescing at their homes. Billy Jack, six-year-old son of Mr. and Mrs. Jack McClatchy, broke his arm Monday in a fall from his horse in a pasture on the McClatchy ranch. He also has a cut on his forehead and other bruises, none of which are serious. He is wearing a cast on his injured arm. Billy Jack is one of Eldorado's first graders.

Bob Stewart, age 13, son of Mr. and Mrs. Aaron Stewart, broke his leg at the knee, in a Junior High football game recently at Sonora. He will miss about six weeks of school, it is understood.

Mr. and Mrs. Jess Thompson moved yesterday to McCamey, where Mr. Thompson has employment with West Texas Utilities, and where they have rented a furnished apartment. They have rented their house here, furnished, to Mr. and Mrs. L. W. Matherly, here with Delta Gulf. The Thompsons have previously lived on a ranch 17 miles from McCamey.

Among trailer families moving away were Mr. and Mrs. Bill Hedrick and three children, who lived at the Cozzens place, and the Schulzes, who stayed in the Halbert trailer court. Both families went to Aspermont.

Mrs. Pat Martin is spending the week with the Carl Martins in Menard.

## Eldorado Loses 20-0 To Sonora

Although the final score was 20 to 0, it was generally agreed that the Eldorado Eagles made their best showing of the season when they played Sonora here Friday night.

Sonora scored early in the first quarter, failed for the extra point, and the score stood 6 to 0 from then on for the next three quarters. During the second and third quarters the Eagles showed up well on the defensive—breaking up Sonora plays time after time.

Along in the fourth quarter after Sonora had been downed for a loss three times in a row, they let go a long pass which connected and was good for a T. D. Another score followed a short time later.

## Other Games

Eden played at Ozona Friday night and lost by a score of 7 to 35.

The Menard Yellowjackets went to Junction and played their hearts out trying to upset the undefeated Junction Eagles. It turned out: Junction 7, and Menard 0, but the Yellowjackets were so close to the goal line in the last minute of the play that it almost caused a riot.

This made Junction the district winner for District 6-A.

Tomorrow Eldorado goes to Eden where the two teams play for the cellar position.

## Half Activities

A nice performance was given during the half when the bands and pep squads of both schools appeared on the field together. Musical selections and formations were presented as an Armistice Day tribute. Charles Ludwig is band director.

## Junction To Be Location For Thanksgiving Day Bi-District Contest

Representatives from Junction and Wink met at the midway city of Big Lake this week and made arrangements for the bi-district contest between the two teams. The Junction Eagles are the champions of District 6-A, and Wink the top team for District 5-A.

The bi-district tilt will be held at Junction on Thanksgiving Day, Nov. 27th, at 2:00 p.m. The site was determined by the toss of a coin.

Both of the teams involved have passed through district play without defeat, but both lost two non-district battles. Wink went down in defeat to two Class A powers, Monahans and Pecos, while the Eagles were dropped by Class AA Featherjacksburg and by Mason, which is in another Class A district.

The contest will probably draw a large number of fans from this county.

## NEW PLYMOUTH NOW ON DISPLAY AT PARKER MOTOR CO.

The new Plymouth for 1953 is on display today at Earl Parker Motors, Plymouth and Dodge dealer for Eldorado.

"Advanced engineering and styling make the new Plymouth more than ever before the outstanding car of the low-priced field," Mr. Parker said.

The 1953 Plymouth is the most completely new Plymouth to be presented to the public in the quarter-century since the original model rolled off the assembly line.

Plymouth Motor Corporation executives predict motorists will be delighted with the new, streamlined exterior, the luxuriously tailored harmonizing interiors, the increased horsepower and the scores of engineering innovations in the 1953 line which goes on display in dealers' showrooms November 29.

## Several Crews Now At Work On Right-of-Way

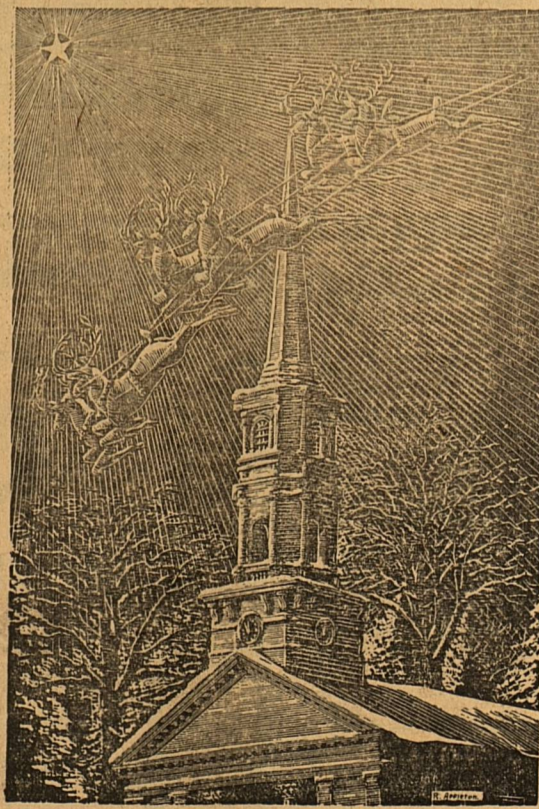

County officials this week report that all right-of-way deeds on the Mertzton road have been signed up, with the exception of one small tract, which will probably be secured in a few days.

In the meantime, various crews are at work. Ray Martin has finished the water well on McWhorter's and has started work on a well on Whittens. Skeet Griffin is putting material on the ground for building water tanks, and the fencing crew has set up about two miles of posts.

All phases of the road job are proceeding according to schedule.

Guests of the Marvin McDonalds and other local relatives are Mr. and Mrs. W. A. Schuller and son and daughter of Houston. Mrs. Tom Kinsman of Vinton, a niece, is also a guest of the McDonalds.

Only 28 Shopping Days Until Christmas

**BRIDGE CLUB MEETS**

Mr. and Mrs. Gerald Hartgraves entertained the night bridge club at the Memorial building recently. Mr. and Mrs. Henry Speck, Jr., won high club, Dr. and Mrs. Wm. Lindsey won bingo, Mrs. Elizabeth Powell and her daughter Mrs. George Graham of Big Lake, won high guest, and Mrs. Jo Ed Hill traveling.

Mrs. F. B. Gunn has returned from Wimsboro, where she spent most of the past year with her sister Mrs. J. B. Parker, whose death occurred recently following her long illness.

**LAYMAN TO SPEAK SUNDAY AT PRESBYTERIAN CHURCH**

Tom Lear, an attorney who is a member of the First Presbyterian Church of San Angelo, will be lay speaker at the Presbyterian Church Sunday morning, substituting for the pastor, Rev. Charles Bruce, who is out of town attending a camp training course. There will be no night service, except Junior choir, at the regular practice time.

Guests of Mr. and Mrs. Dudley Hopson on the Josh Ewing ranch were Mrs. Hopson's sister and daughter Mrs. Irene Jones and Mrs. Burnet Jones of San Saba.

**ROCK CHURCH OF CHRIST**

Bible study for all ages 10:00 a. m., each Lord's Day.

Worship services 10:55 each Lord's day. The sermon topic will be, "Misconceptions Clarified."

Evening worship will be at seven o'clock.

Women's Bible class each Monday afternoon at three o'clock.

Devotional service will be at 7:00 o'clock each Wednesday evening.

If you live in Eldorado and are a member of the Church of Christ, you are urged to worship with us. If you have no church preference, we invite you to assemble with us. Everyone, regardless of religious convictions, will receive a warm welcome.

Quentin A. Dunn, Minister.

Mrs. J. B. Christian has gone to Camp Saba, to visit her mother, Mrs. Ellen Williams, who will soon celebrate her 84th birthday.

The Otto Wilsons have vacated the McDonald rent house and have moved to the Harris house, formerly rented by Mr. and Mrs. Bill Williams.

Mr. and Mrs. Roy Andrews and Mr. and Mrs. Nolan McDonald were in London Sunday to attend the Kimble County singing convention.

Ray Tisdale made a business trip to Dallas, returning home Saturday. He also saw the TCU game at Ft. Worth.

Guests of Mr. and Mrs. Walter Fowler last week end were Houston friends, Mr. and Mrs. Ed Sedar, who drove to this county in their pickup to take home five of the nine heifers they recently bought from Fowlers. The Sedars, who were married a few weeks ago, live on a rice farm near Houston. They will claim the other four head of stock soon.

Arthur Mund Sr. made a business trip to San Antonio Monday.

Miss Grete Mund and Lt. Tommy Green visited their parents over the weekend. Grete attends SWTSC at San Marcos and Lt. Green is stationed at San Marcos Air Force Base. Both expect to return for Thanksgiving holidays.

Mrs. Joe Griffin is still hospitalized at Santa Rosa in San Antonio following surgery nearly two weeks ago. Her sister-in-law, Mrs. W. F. Parrent, has returned home after staying with her a week, and Mr. Griffin is still with her. She may be allowed to return home this week.

Mr. and Mrs. Arch Crosby visited their daughter Grace Saturday at San Angelo.

Mrs. Joe B. Kegans returned Tuesday to San Angelo, after staying with Mr. and Mrs. Hop Cheatham during Mr. Cheatham's illness. He is reported to be much improved and is able to sit up and occasionally walk around for a short time.

Mrs. Edwin Childers had surgery last week in Shannon hospital, San Angelo. Her daughters Mrs. C. W. Sudduth and Mrs. Kenneth Willy have been staying with the family here during her absence from home.

Guests of Mr. and Mrs. L. W. Chrestman were Mrs. Bill Wooster and daughter Finley of Wichita Falls who spent the week end here, and Mrs. Henry Jenkins and family of San Angelo who were dinner guests in their home Saturday night. On Sunday all spent the day in San Angelo.

Mrs. O. R. Burden and Tom and Jack and his wife of Wichita Falls visited last week end with Mr. and Mrs. Tom Johnson. Jack hunted at Mason and was joined there by O. R. Burden.

**Built with features usually reserved "for big trucks only" — that's why GMC's last longer!**

THERE'S extra value in a GMC pickup, stake or panel truck because there's extra quality in the way it's built—a long list of heavy-duty features that are usually reserved by other manufacturers for their "big trucks only."

First, there's the sturdy, truck-built valve-in-head engine—protected against wear and breakdown by the same features you find in the big 200-H.P. GMC's: Tocco-Hardened crankshaft, airplane-type main and rod bearings, full-floating piston pins

and rifle-drilled connecting rods carrying full-pressure lubrication all the way to the piston pins.

There's extra stopping power in a GMC's burly brakes, extra strength in its deep truck frame—extra comfort in a GMC's longer "pillow-action" springs, extra ease in a GMC's recirculating ball-bearing steering.

They're features usually reserved for "big trucks only"—yours in a GMC at no extra cost. *You won't find a better truck on the market!*

**First Baptist News**

We were grateful for our fine attendance Sunday. We had 255 in Sunday school and 91 in Training Union. The orchids were won Sunday by the Junior department with a grade of 71. The onions went to the Young People's Department with a grade of 62. We concluded a good all church study course Wednesday evening. There were 92 enrolled in the three classes with an average of 64. There were 65 awards earned. We wish to express our appreciation to Mrs. F. B. Calcutt, Mrs. William Rountree and Mrs. Morris Isabell who taught with the pastor.

Next Tuesday evening at 7:00 is our regular officers and teachers workers' conference. Every one is urged to come and bring a covered dish. The meal will be served at 7:00 p.m. The program will follow at 7:45. Our guest speaker will be Rev. O. Byron Richardson, pastor of the Park Heights Baptist church in San Angelo. Each department will be checked to see which one has the majority of their teachers and officers present for the meeting. Special recognition will be given the department that has the best attendance.

The men's brotherhood enjoyed a good covered dish luncheon Monday evening. We had a good message from one of our laymen upon the subject, "Laymen Helping Build A Great Church." We hope more of our men will take advantage of these meetings and will meet with us. Every man of the church is eligible to become a member of the men's brotherhood. The brotherhood meets each Monday following the third Sunday of each month. You have a cordial welcome to be

with us.

Mark these two important dates the first two weeks in December. On Sunday December 7th, we will be privileged to have the Mission Volunteer Band from Howard Payne college with us. There will be a covered dish luncheon served at the church at noon Sunday, December 7th. At the Training Union hour the Mission Band will present their mission play. Then Dec. 8th through 12th Sunday school study course.

We were grateful for those who were visiting with us Sunday. You will always receive a warm welcome at the First Baptist church. We have a Sunday school with a class for all ages. A training union with a union for all ages. Good music from a fine choir. Warm messages from the Word of God. If you have no church choice come worship with us. If you are a Baptist looking for a church home, we offer you our church home. Our pastor will preach at both services Sunday. His message for the morning hour will be, "The Christian's Relationship To The Cross." His subject for the evening hour will be, "Life's Greatest Rejection."

**FUNDAMENTAL BAPTIST CHURCH SERVICES**

Regular services at our church Sunday, Nov. 23.  
 Sunday School, 10:00 a.m.  
 Morning service, 11:00 a.m.  
 Sunday evening preaching at 7:30. Sermon subject, "My Objection to the New Revised Bible."  
 —Rev. F. H. Pryor, Pastor.

Guests from Friday to Monday in the Tyrrell Conway home were Tyrrell's sister Mrs. Leo Boozer and her husband and two sons, of Manitou, Oklahoma.

**Eldorado Drug Store**

SHOP HERE FOR THE WHOLE FAMILY. WE HAVE SOMETHING SUITABLE FOR EVERY PERSON ON YOUR LIST. WE CARRY FIVE NATIONALLY ADVERTISED LINES OF COSMETICS— ALWAYS STANDARD AND MOST WELCOME GIFTS! COME IN TODAY — IT'S LATER THAN YOU THINK!

ELDON CALK, PROP.

Among those attending the TCU-State University game at Ft. Worth were Mrs. Horace Linthicum, who also visited Suzie, Mrs. Lewis Ballew, who was joined there by Lola Beth of Austin, Mrs. Elizabeth Powell, Mrs. Victoria Ohlenburg, and Mrs. Jess Walston.

Mr. and Mrs. Hugh McAngus of Kerrville visited recently with Mr. and Mrs. Aaron Steward.

Here from San Angelo, visiting Mr. and Mrs. Robert Milligan were Albert Tisdale and Mrs. Joe Tisdale.

Mr. and Mrs. Paul Page will attend the football game at Dallas while visiting relatives there, and will also attend the SMU Homecoming.

Mr. and Mrs. Oscar Brown of Orient were here visiting their son-in-law and daughter Mr. and Mrs. Wilson Page.

Out-of-town guests leaving Monday after a visit in the Andy Nixon home were Mr. and Mrs. Bill Yearout of Hobbs, N. M., and Mr. and Mrs. Bob Warren and Carl Yearout of Hobbs, New Mexico.

Visitors in the E. E. Newlin home recently were their son-in-law and daughter, Mr. and Mrs. A. A. Cooper of Big Spring.

Mr. and Mrs. O. C. Webb of Ozona drove to Fredericksburg Thursday with Mrs. H. F. Webb, who entered the hospital there as a patient, remaining until Monday night. She is now improving at her home here and is able to be up part of the time.

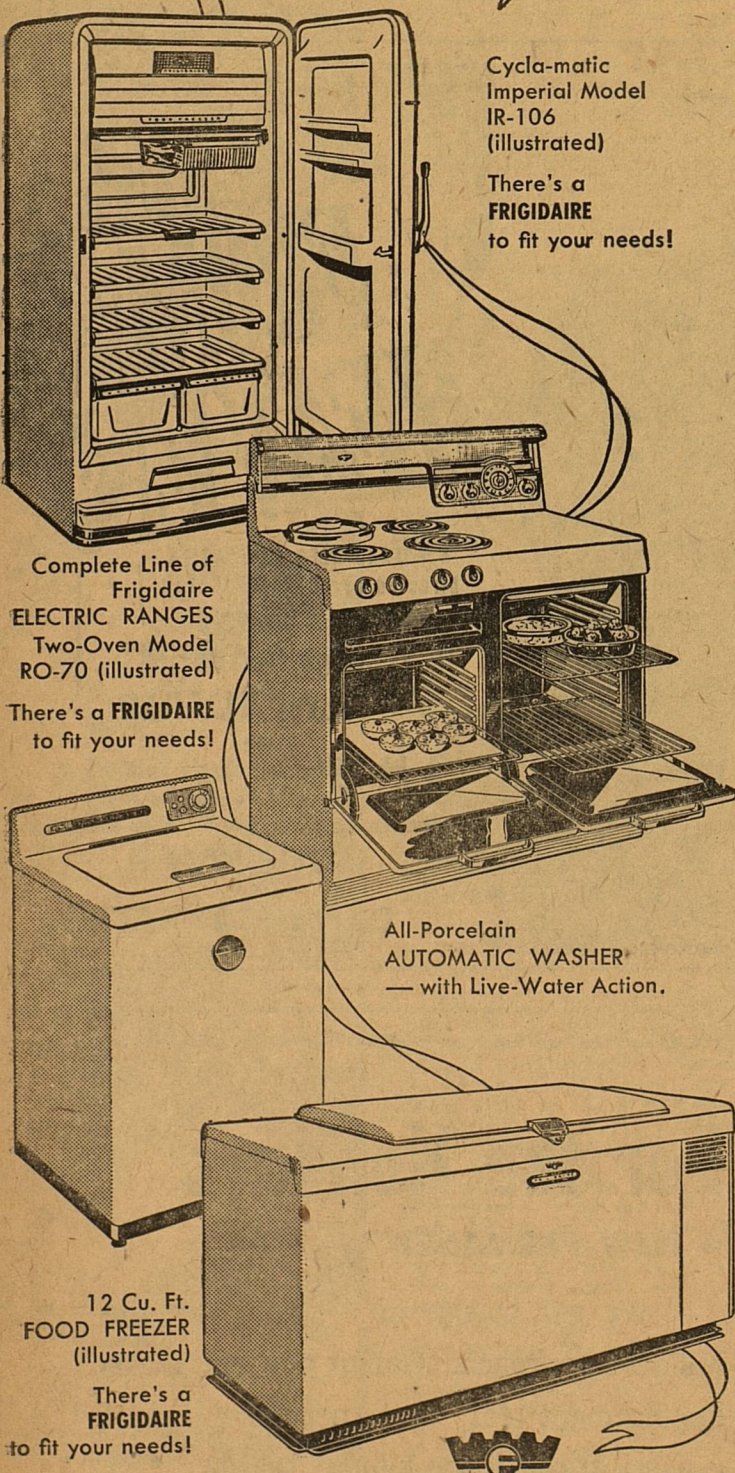

Rev. and Mrs. F. H. Pryor have gone to Teague to visit Mrs. Pryor's mother.

Mr. and Mrs. H. T. Finley have returned from a visit in Dallas with their son and daughter-in-law, Mr. and Mrs. George Stanley Finley.

Mr. and Mrs. Luke Thompson have had as guests Mrs. Thompson's parents, Mr. and Mrs. J. R. Wilson, of Claude. Mrs. Thompson and daughter accompanied them home to spend several days.

Mr. and Mrs. Carroll Doty of San Angelo spent the day Sunday with Mr. and Mrs. O. V. Doty. Carroll is a cashier at a San Angelo store.

**Rusty Meador Celebrates Third Birthday Thursday**

Honoring her son Rusty on his third birthday, Mrs. Edward Meador entertained with a birthday party Thursday afternoon at the Methodist church. About 25 children attended, also Rusty's grandmother Mrs. C. L. Meador, his great aunt, Mrs. D. E. DeLong, and several others.

Candy balloons topped the white frosted birthday cake. Favors were whistles. The hostess directed games for the children to play, and Rusty received a number of gifts. Mrs. Meador is giving another birthday party today, for Lynn, who is seven.

**NEW BABIES**

Born, Tuesday morning, Nov. 18, at 10:57 at Clinic Hospital in San Angelo, a daughter to Mr. and Mrs. L. V. Newport. The baby weighed eight pounds and 10 ounces and has been named Verna Gene. Grandparents of the baby are Mrs. Rosa Newport of Cyril, Oklahoma, and Ira Knight of Commerce. Mr. Newport is employed by Ohio Oil Company and Mrs. Newport is a former teacher in the Eldorado school system. The couple have been Eldorado residents several years, moving here from Iran.

**CIRCLE MEETS**

Mrs. R. R. Cumbie was hostess to 13 members of the Elizabeth Truley Circle. The program was centered around the Lottie Moon Christmas offering theme, Mrs. O. L. Woodward directing the program assisted by several others. The next meeting will be with Mrs. Jeff Enochs.

Frank Benham, high school teacher, Pinkney Craig and Mrs. E. W. Craig spent the week end in Fort Worth, where Benham visited with friends, Mrs. Craig visited her sisters, and Pinkney also visited relatives and attended the game.

On Saturday Mrs. A. T. Allmond of Odessa and her daughter Phyllis arrived here to visit her parents, Mr. and Mrs. Buster Dickens. They will remain until Thanksgiving, when Mr. Allmond will drive down after them.

**LET'S TALK LIVESTOCK**  
 BY TED GOULDY

**FORT WORTH**—Increasing concern is being expressed by livestock men at Fort Worth and over the country about the weakened condition of many cows, as well as other kinds of livestock due to drouthy conditions.

Supplemental feed sales are reported rather slow in comparison with a year ago by the trade and fears are being expressed that if a hard winter comes, or bad storms hit, the death loss will be of staggering proportions.

It is pointed out that mineral and vitamin deficiencies, as well as thin flesh, are the rule. Already reports of "white muscle disease" and other similar disturbances are being heard from producers interviewed at Fort Worth.

It is feared that many livestock producers may suffer a tragic "die up" this winter because of the weakened condition of the stock, which in some cases is in worse shape than the owners realized, when they arrive at Fort Worth for sale.

Unless special care is given cows and ewes it is expected that the calf and lamb crops for next year will be curtailed sharply.

In the sheep country last year, many ewes refused to accept their lambs and left them to die in the drouth ridden country. A recurrence of this heavy loss is considered possible.

Stock water shortages are now on par with feed shortages in the dry sections of the country. Many shipments of livestock are being forced because of shortage of water and water hauling is becoming more and more common in the drouth areas.

The livestock trade in general looks for a strong stocker market in the Spring provided dry sections get some rain.

The break in cattle prices this year was predicted over a year ago by many "experts" who cautioned about the high cattle population which at this time was getting ready to go over the 90 million mark.

The high cattle population, coupled with sub-normal pasture and feed conditions over the Great Plains area of the United States made the break more severe than anyone had anticipated.

**Cattle, Calves and Sheep Continue Rush To Market**

**FORT WORTH**—The week opened with another heavy run of cattle, calves and sheep at Fort Worth and other points around the market circle. Twelve major livestock markets reported 165,800 cattle, 8,300 above a week ago and 76,000 more than the same Monday last year. Calf receipts at 12 markets were 41,900, or 7,400 above last week and 26,700 above a year ago. Thus, cattle and calf shipments on Monday were 102,700 above the same day last year. Sheep receipts at 12 markets Monday were 67,800, or 18,500 over a year ago, and 31,500 above the same day last year.

These heavy shipments of livestock to market have been going on for more than six months at Fort Worth and other major livestock markets.

Slaughter cattle opened 50 cents, and spots \$1 lower at Fort Worth Monday. Exceptions were that bulls sold steady. Stocker cattle and calves were steady, other killing calves were 50 cents and spots \$1 off. Lambs sold weak to \$1 lower for slaughter & feeder lambs were 50 cents lower. Yearling ewes sold steady.

Good and choice fed steers and yearlings drew \$22.00-30.00; plain and medium butcher cattle brought \$13.00-21.00, with ranny yearlings \$10.00-12.00. Fat cows drew \$12.00-16.00, and canners and cutters sold for \$7.00-12.00. Bulls cashed at \$10.00-18.00.

Good and choice fat calves cashed at \$19.00-26.00, and plain and medium butcher kinds sold for \$13.00-18.00, with rannies from \$10.00-12.00.

Good and choice stocker steer calves drew \$20.00-23.00 and heifers sold for \$21.00 down. Stocker steer yearlings sold at \$22.00 down, and heifer calves and yearlings usually sold around \$2 or more under similar steers. Stocker cows cashed at \$11 to \$18, four loads Monday at \$17.50.

Fat lambs sold at \$17 to \$22, and feeder lambs drew \$10 to \$15. Aged wethers at \$9 down. Slaughter ewes cashed at \$5 to \$7. Old bucks sold around \$4 to \$5. Fat yearling wethers sold from \$11 to \$15. Feeder yearlings sold at \$11 down.

Mrs. George Faught, who has been visiting her daughter, Mrs. Bob Anderson in San Angelo several weeks, has returned to Eldorado to spend the winter with another daughter, Mrs. Bud Kerr.

Success, \$2 year — anywhere.

**Overheated House Said Cause of Colds**

**AUSTIN**—It is an illogical fact that many people complain about the heat of Texas summers and yet sit indoors during the winter months in a temperature about as high as that about which they complained in the summer season, is the view of Dr. Geo. W. Cox, state health officer.

"If the average person would realize the definite hazard in developing and maintaining an indoor temperature about 70 degrees, or at most 72 degrees, when the outside thermometer registers around freezing," he said, "there would be fewer colds, less bronchial conditions, and less pneumonia than there are today."

"Fresh air is one of the body's basic needs and no amount of luxury or artificial pleasure can be substituted. It may be comfortable to be warm, especially with the consciousness of the tough weather outdoors, but it is quite another matter to achieve this comfort at the probable cost of health."

"Winters in the Temperate Zone are sufficiently trying upon the human system with their sudden and sharp temperature changes, without adding to the burden of making a hothouse of one's home. Of course, colds and other respiratory infections can be acquired in many different ways, but one of the easiest methods of becoming victims of such hazards is the overheated house."

"To become overheated and perspire, though the latter condition may not be perceived, and in this softened state to brave the cold winter blasts, is to take a thoroughly unwarranted chance with health."

"The wise householder therefore will check up on his artificial heat problem. He will resolve to keep his thermometer within safe limits."

Mrs. B. F. Jones has been quite ill recently.

**Carnival Is Success**

The Student Council Halloween Carnival held October 30, brought in a total of \$1,256, according to Billy Scott, student council president. The proceeds, which will be distributed among various school classes and organizations, are slightly above last year's total in spite of the drouth and a change in location of the carnival.

This year's carnival was held at the football field in conjunction with the Sonora-Junction Junior High football game. —Devil's River News.

### IT'S THE LAW in Texas

A public service feature of the State Bar of Texas

#### Selection of Jury Panels Explained

To many people, the call for jury service always seems to come at the wrong time. Just when plans for that hunting trip are complete, an inventory or other business problem is demanding special attention, or the best Jersey comes down with a serious ailment, a jury summons is sure to arrive.

In spite of the regularity with which such unhappy coincidences occur to some individuals, no gremlin is watching to see when you can least afford to be away from home and business. Being chosen for jury service at any particular time is largely a matter of chance.

Under Texas laws jury panels for District Courts are selected by one of two methods—the Jury Wheel or the Jury Commission. The jury wheel is a hollow metal wheel or container, so erected that it will freely revolve on its axle.

In counties using a jury wheel a list of all qualified jurors is prepared from the official tax lists in August of each year. Taking part in the ceremony are the County Tax Assessor, the District Clerk, the County Sheriff, and the County

Clerk. Each prospective juror's name is written on a card of uniform size and placed in the metal container.

Then the wheel is locked with two separate locks, the key to one lock being kept by the District Clerk and the other key being kept by the Sheriff. As jurors are needed, the wheel is revolved to mix the names and the required number drawn for preparation of jury lists.

Three persons must be present when the wheel is unlocked and the names drawn therefrom—the Sheriff (or one of his deputies), the District Clerk (or one of his deputies), and the District Judge. Upon completion of currently required jury lists, all names are returned to the container, which is again double locked.

Later, when the time comes to prepare a new set of lists, some of the same names will very likely be drawn again. Others may never be drawn.

In counties not operating under the jury wheel system, the District Judge at each term of his court appoints from three to five persons from different sections of the county to act as Jury Commissioners.

Using the county tax assessment roll, these men follow the Judge's instructions as to the number of jurors to be selected for various weeks of the court term. The lists of names prepared by them are sealed in separate envelopes and delivered to the Judge. He, in turn, turns them over to the District Clerk or one of his deputies in open court, who immediately files the envelopes away in a safe place in the Clerk's office.

Although ordinary inconveniences are not usually sufficient to gain an excuse from jury service, emergency or hardship is a different matter. If you face such extreme circumstances in your business or personal affairs that your mind cannot freely reflect and meditate upon the important issues to be tried, call this to the attention of the judge.

Courts try to be reasonable in granting excuses. The judge will consider your situation carefully and thoughtfully, and may determine that your service should be deferred.

#### To Improve Road

An appropriation of \$90,000 has been set aside for construction of secondary roads in Crockett county, the State Highway Department has informed the Commissioners Court,

and the department has asked the court to designate the road on which construction is desired.

The court last week designated the Pandale road, intersecting Highway 290 at a point about 4 miles west of Ozona, as the road on which it wishes the state paving work to be done. Whether or not there will be changes from the present location of road will be determined by engineers of the State Highway Department when construction of the first segment is ordered. The amount appropriated is expected to build eight or nine miles of pavement. —Ozona Stockman.

#### About Hearing

"He who hath ears to hear, let him hear," urges the Bible.

"He that has ears to hear, let him stuff them with cotton," wisecracked Thackeray, nineteenth century English author. Do you suppose that he, too, had just been through an election?

In spite of election years, with political speeches coming so fast and furious that Grandpa is tempted to turn off his hearing aid, the sense of hearing is one of man's most valuable possessions.

Babies are born deaf. Normally, hearing begins the first day of life, as soon as air is forced into the tube leading from the throat to the middle ear (the Eustachian tube). After this, the infant has such good hearing that he jumps suddenly when there is a loud noise.

Man does not hear with his ears alone; sight is also a big help. Even if your hearing is normal, you can read lips. Furthermore, when you see a book fall, you expect a thud to follow. Hearing is closely related to voice and speech as well; hearing others talk is one way in which you learn to speak.

Man in earliest times needed keen, animal-like hearing. He still hears better than is absolutely necessary. However, civilization and its noises seem to be cutting down on the ability to over-hear which he still possesses.

How can you find out exactly how much you do hear?

Hearing tests are many. Generally the examiner uses only one or two to separate people with normal hearing from those who have less than normal hearing. It may be necessary, then, for more extensive tests to be given those with sub-normal hearing.

One of the tests most often used is the spoken voice and whisper test. Only one ear is tested at a time, the opposite one being blocked off with the patient's finger. The

# Thanks

to the people of Eldorado and Schleicher County for all business and other courtesies extended to me while I was in business here. Those who left shoes with me for repair and who still have not picked them up can get them at the City Cafe.

## W. W. Williams

patient is seated so that the ear being tested is toward the examiner. The examiner stands 20 feet away and asks that the words (usually combinations of numbers) he speaks be repeated; then he moves to 15 feet and whispers the numbers. If the patient can repeat the numbers correctly, he is said to have normal hearing, recorded as 20-20 (spoken voice) and 15-15 (whisper). If the patient can't hear the examiner moves toward him until he can, say 15 feet away, and the hearing (that is less than normal) is recorded as 15-20 (spoken voice).

Tuning forks, used to tune musical instruments, also can be used to find out quickly how high and how low the patient can hear and also what type of deafness is present. Sometimes they help to locate where the trouble lies when the fork is moved about to different positions on the head and around the ear. Another way to measure hearing is with the audiometer, a box-like device with knobs and dials

that looks something like a medium sized radio. It was first used about 1920 and since then has been improved and made in different models for group and individual testing.

As you know, there are great differences in hearing—from normal, through just a slight defect, to total deafness. The two large classes of deafness are called conduction and nerve (or perception) deafness. In some cases both may be present.

Conduction deafness is caused by anything that stops sound on its way through the ear canal, ear drum, or middle ear. Nerve or perception deafness is caused by anything that keeps sound from being recognized by the brain, once it has reached the inner ear. This may be something wrong with the cochlea (the part of the inner ear which picks up the sound), the nerve that goes to the brain (the acoustic or auditory nerve), or the brain itself.

When a person is born with bad hearing it is called congenital deaf-

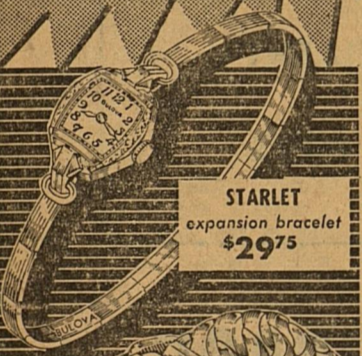

ness. If it is severe, it usually is of the nerve type. It may be caused by a birth injury, syphilis, the taking of quinine by the expectant mother, or faulty development of the inner ear.

Hearing aids are prescribed by the doctor only after treatment has proved of no further use. Not every patient can be helped with a hearing device. However, many persons have found that hearing aids mean the difference in being able to earn a living or being dependent on others. These aids can make possible carrying on conversations and feeling "in touch with the world" by regaining the hearing.

The aid must be fitted to the individual patient; its type will depend upon such things as the cause of deafness, the needs of a job; or the desire to have a type of instrument that will be least noticeable. There are a large variety of hearing aids, and with the help of the doctor and the experienced hearing aid consultant, the one that is most suitable can be chosen.

### Students Censure Adult Drivers

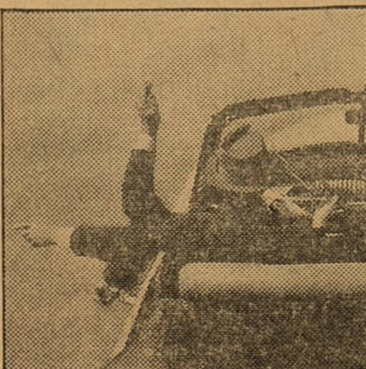

Chevrolet checked 5,000 high school students on their opinions of adult auto drivers and found Disregard of Traffic Signs (enacted above) a prime target for criticism. Recklessness was worst fault in poll.

DETROIT—If an adult driver could look at himself through the eyes of the younger generation he'd see a person who is inconsiderate of others, who cheats a bit on speed laws and who believes he can solve traffic jams by getting mad.

At least this is the picture given by a Chevrolet Motor Division survey which asked 5,000 high school driving students what they thought of their elders. Here's the way the juveniles ranked adult driving faults:

No. 1—Recklessness. ("Lots of times we ride the bumper of the car ahead.") No. 2—Poor Sportsmanship. ("He thinks the road belongs to him.") No. 3—Speeding. ("Dad goes just as fast when there's traffic as when there isn't.") No. 4—Failure to Signal Properly. ("We got hit once when pop stopped too quick for a hamburger.") No. 5—Impatience. ("My father thinks he can untangle traffic by just swearing.")

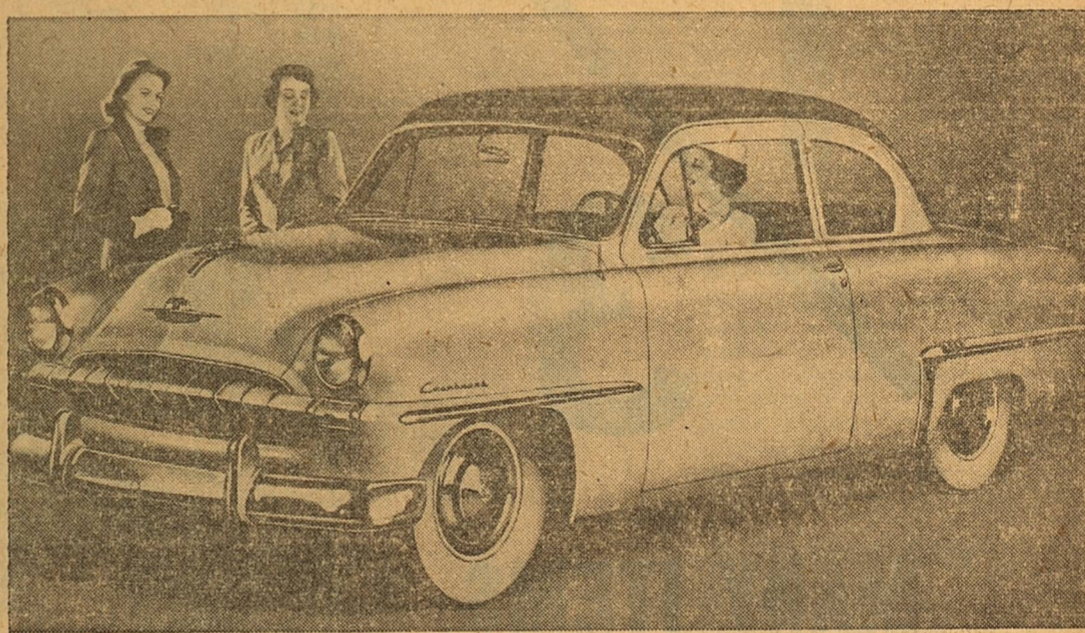

No. 6—Disregard of Signs. ("Some speed up when they see 'Slow School Crossing.'") No. 7—Inattention. ("Mom talks too much when she's driving.") No. 8—Neglect of Car's Safety Features. ("All of us cross our fin-

No hydra-armed monster but a cameraman's trick to illustrate Failure to Signal Properly by grownups.

gers when dad steps on the brakes.") No. 9—Ignorance of Laws. ("When two drivers meet at a corner they eye each other like in a duel. Neither of them knows who's supposed to stop.") No. 10—Lack of Skill. ("She can't get out of skids.")

The Chevrolet survey gave a cross-section of national opinion. Cities covered included Baltimore, Los Angeles, Miami, St. Paul, Atlanta, Dallas, Denver and Pittsburgh among others.

**JUNIOR WOMAN'S CLUB**

American Art, Our American Heritage, was the subject on which Mrs. Joe Kreklow spoke Thursday evening to the Junior Woman's club. She urged the use of our American heritage, to appreciate, to understand, and to know why we like American art; that we, as parents, engender in our children, a feeling for art. She stated that the heritage of art, the feeling of pleasure for art, would be a greater gift of inheritance to our children than would be the inheritance of property.

According to Mrs. Kreklow America is fast becoming the Mecca in the field of art. Where once the artist went to Europe to study he now comes to America. Here he can have absolute freedom of expression. Painters of today who are really important are here.

Americans are fast accepting and participating in art. Seventy times more art materials have been sold than ten years ago.

Mrs. Luke Thompson Jr., president, presided during business session.

Mrs. S. E. Jones and Mrs. Howard Derrick were hostesses to 20 members and one guest, Mrs. Kreklow.

**MERRYMAKERS CLUB**

Three tables of players spent the afternoon at "42" at the regular meeting of the Merry Makers club last week in the Memorial Building. Mrs. Chris Enochs, hostess, served coffee and pie to the group at a local cafe.

Work continues on the McClatchy ranch house in the Huldale Oil Field locality. The house has new windows and doors, foundation repairs, complete paint job, and other improvements.

**METHODIST NEWS**

Rev. Doyle Morton left for Robert Lee Sunday afternoon to preach at a stewardship meeting at the Robert Lee Methodist church. The meeting will close Friday night. Methodist churches throughout the state are holding these stewardship meetings this fall.

In the absence of the pastor Sunday night T. A. Barfield of San Angelo, a layman from First Methodist Church there, delivered a sermon on "Happiness in the Life of the Christian."

All general officers of the WSCS of the Methodist church will meet at the church at 2:30 Friday afternoon in an executive meeting. Mrs. Frank Meador, WSCS president, will be in general charge of this meeting.

Sunday School each Sunday morning at 9:45, morning worship at 10:55, evening worship at 7:00, MYF at 6:00. Youth choir practice Monday night at 7:30; prayer meeting Wednesday night at 7:00; choir practice at 7:30.

At a work meeting Tuesday afternoon Mrs. Carroll Sproul and Mrs. Frank Van Horn, teachers in the nursery, took charge of papering the nursery room and making other improvements, assisted by several mothers of the children.

**TO APPEAR IN PLAY**

DENTON (Spl.)—Milke Henderson of Eldorado will play the role of Biff in the College Players' production of "Death of a Salesman" at North Texas State College Nov. 18, 19, 20, and 21.

The Arthur Miller drama is the first major production of the College Players this season.

Henderson, son of Mr. and Mrs. C. C. Henderson of Eldorado, is a graduate student majoring in speech education at NTSC. He holds a teaching fellowship at NTSC this year.

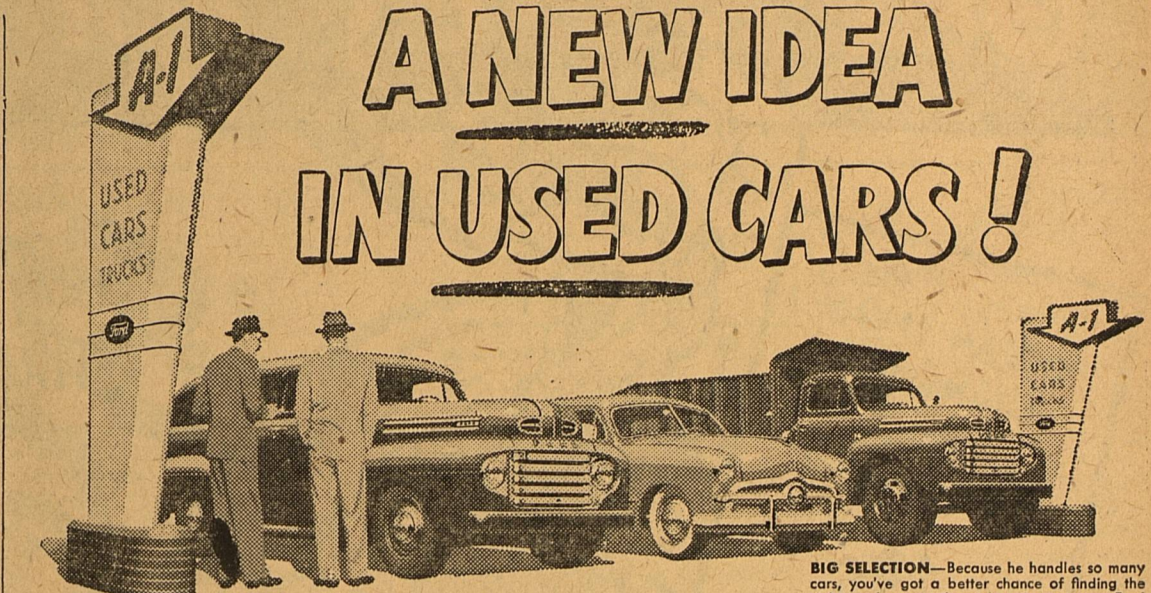

**GUILD TO MEET**

Eldorado Guild of St. John's Episcopal church will meet next Monday with Mrs. Lillian Crosby.

Mr. and Mrs. J. R. Trentham had as a guest their son-in-law A. F. Uherek of Hobbs, New Mexico, whose family, including the new baby, are staying with the Trenthams for the time. He returned to Hobbs Tuesday.

Mr. and Mrs. Dwight McClatchy of Midland were here Saturday and Sunday visiting Mrs. W. H. McClatchy. Other recent guests in the home were Mr. and Mrs. Leon Younger of Snyder.

Mr. and Mrs. Henry Moore and Mrs. L. Moore attended two sales last week, the Brooks and Shahan Angus sale at Brady and the Marvin Simpson sale at Robert Lee.

**A NEW IDEA  
IN USED CARS!**

Now you can get New Car Driving Confidence, at a used car price  
**WITH FORD A-1 USED CARS**

Here's how a new system of selecting and reconditioning used cars gives you the value protection of full dealer backing

When you buy a used car, you want to buy with confidence! When you drive a used car, you want to drive with confidence. You can do both as a result of your Ford Dealer's new A-1 used car program. Ford Dealer's A-1 used cars are fully checked for mechanical soundness . . . fully backed by the name of your Ford Dealer. See your Ford Dealer about an A-1 car . . . one that gives you new car driving confidence, at a used car price.

CAREFUL RECONDITIONING—Ford A-1 Used Cars are checked from bumper to bumper, and carefully reconditioned where necessary to bring them up to A-1 standards.

**Be Sure! Be A-1 Sure!**  
WITH THE FORD DEALER'S QUALITY CODE  
To give you topmost value, Ford Dealers always do these things to every A-1 used car:  
1. BRAKE lining is examined for wear. Brake lines and brake fluid checked for safety. 2. CLUTCH is tested for smooth engagement and checked for safety. 3. FRAME is checked for alignment and structural fitness, adjusted. 4. ENGINE gets a complete test, plus tune-up to make sure it's all set for plenty of dependable mileage. 5. IGNITION system gets full check-up for reliable starting and efficient operation. 6. AXLE and operation is checked to assure road-worthiness of gears and bearings. 7. UPHOLSTERY is checked for wear and appearance, and reconditioned where necessary. 8. STEERING is tested and inspected from wheel to knuckles. 9. UNIVERSAL JOINTS and propeller shaft are checked for alignment. 10. TRANSMISSION is tested for shifting ease.

ELDORADO, TEXAS

Mr. and Mrs. Perry Mittel had as weekend guests Mr. Mittel's mother Mrs. Christena Mittel and Mrs. Charlie Hull of Sonora.

Mr. and Mrs. Bill Lester moved recently from the Otto Mund house to the new Cameron house in Glendale.

Joe Thornton and Con Johnson of San Angelo spent two days in Schleicher County visiting Joe's mother Mrs. B. C. Thornton, and hunting in this county.

Mr. and Mrs. Lowell Ellis and son Dean of San Angelo went on a hunting trip to Llano last weekend and Mr. Ellis bagged his first buck, a six-pointer. The Ellises are son-in-law and daughter of Mr. and Mrs. Thad Dildine.

Mrs. Delbert Taylor had dental surgery Monday in San Angelo.

Mrs. Frank Van Horn and her mother Mrs. Fannie Fury spent ten days at Ft. Stockton with Mr. Marcus Fury, who has been sick.

Mrs. Geneva Johnson of Abilene has been visiting with Mrs. Rutha Boyer, her mother and other Schleicher County relatives. She spent Tuesday in San Angelo with the Howard Belcher family.

Mr. and Mrs. C. O. Neff and daughter visited the H. E. Null family in Big Lake last weekend.

Claude Jeffrey was brought home Monday from the San Angelo hospital, where he underwent an operation last week.

**From where I sit ... by Joe Marsh**  
**Going ... Going ... Almost Gone**  
Granny Robinson put on quite a show the other night at the annual White Elephant auction held at the Women's Club. Towards the end of the evening, she had the ladies battling for anything she put up. "What am I bid for this woman's lovely black coat here—good as new? Who'll say ten dollars?" she asked. Granny held the coat up, and commenced describing the coat's lining, sleeves, buttons—really "selling hard." Then, suddenly, she took a close look and blurted out "Land sakes, no more bidding please—this is my own coat!" From where I sit, what almost happened to Granny was good for a laugh, but sometimes when people "get carried away" with their own talk it's not so funny. I prefer a glass of temperate beer while listening to my favorite radio program—you may like soda pop—or cider. I suggest we hold on to our personal opinions—and believe in them—but take a good close look at them before we try to "sell" them to our neighbor!

**Better Buy**  
WITH CHEVROLET TRUCKS!

(Continuation of standard equipment and trim illustrated is dependent on availability of material.)

**A better deal because . . .**

Every Chevrolet truck is factory-matched to the job—with the right power, the right capacity, right engine, transmission, springs, axle, and tires to do its work at the lowest possible cost.

**A better buy because . . .**

THEY LIST FOR LESS  
Production economies, possible because Chevrolet is the world's largest truck manufacturer, let Chevrolet trucks list for less than comparable models of any other make.

**LOWER OPERATION AND MAINTENANCE COST**

Valve-in-Head engine design; strong and sturdy Hypoid rear axles; Flexi-Mounted cabs; rigid, channel-type frames; single-unit rear axle housings; Unit-Design bodies and many, many other features reduce costs and increase the life of your Chevrolet Advance-Design trucks.

**TRADITIONALLY HIGHER TRADE-IN**

Chevrolet trucks keep their value longer—proof of the greater value built into Chevrolet trucks and a wonderful plus at trade-in time.

MORE CHEVROLET TRUCKS IN USE THAN ANY OTHER MAKE!
