Sterling	75	22
Irion	342	263
Schleicher	245	86
Coke (incomplete)	242	86
Totals	5038	2433

DISTRICT MEETING OF BUTANE MEN HELD HERE TUESDAY

E. H. Topliffe, wholesale and retail dealer in Butane products, was host Tuesday evening in Eldorado at the meeting of the southern half of District 12 of the Texas Butane Dealers' Association.

Before the meeting the group went to Royster's Cafe for a steak and fish supper, after which they gathered at the home of Mr. and Mrs. E. H. Topliffe for the business session.

The theme of the meeting was adequate storage. Wholesalers and retailers were urged to stress the importance of providing themselves with tanks which will hold a quantity of butane. As the wholesalers are rationed, it is also urged that the consumer lay in a supply during the summer which will help the retailer get enough gas to supply the customers.

The importance of plenty of storage space was stressed for the wholesaler and retailer as well as the consumer, to help all through the peak period of consumption. Mr. Topliffe and R. G. Nance provided the program for the evening. Attending and participating in the discussions were representatives of the Butane industry and also of the steel industry. These were:

Gordon Edgar and Dick Salmon of the Wendland Mfg. Co. of San Angelo, and Jerry T. Madole of Houston, representing Mozie Steel Co.; and Butane retailers and wholesalers and their assistants: Mr. and Mrs. Guy Swan of Ballinger, Mr. and Mrs. J. D. Smith and son Dick of Menard, R. G. Nance and George Chalk of Sonora, Howard Bunch and Howard Bunch Jr., and John Ryan of San Angelo, W. R. Lovelace of Eden, Mr. and Mrs. E. H. Topliffe, Eldorado, Bob Dickerson, Ballinger, Fred Matthews, Rocksprings, Bill Taylor, Rocksprings, R. A. Urban, Miles, and Jerry S. Sargent, Eola.

Also Elmer Rogers, representing the refinery, Barnhart Hydro-Carbon Corp.

A similar meeting for the north half of District 12 was held recently at the Hotel Cactus in San Angelo.

Post Script

A. J. Roach has made some major improvements in the exterior of his business building, which is rented to Dr. Lindsey. The renovations include exterior painting, cement sidewalk the entire length of the building, and minor repairs as needed.

A typical drought report is this item: Virge Tisdale and Gerald Hartgraves have moved their cattle from pasture west of Eldorado and have put them on pear at the home place. Stock men seem to be eyeing with favor such lowly foods as pear, and mesquite beans!

At Marvin Logan's a shower Monday afternoon measured a half inch, and others in the neighborhood had some rain. There have been a few local showers in the county in the past few days but no general rain.

Cub Pack Meeting Is Set For Friday Night

Cub Scouts, prospective Cubs, den chiefs, and their parents and committeemen will meet tomorrow night, Friday, on the West Texas Utilities lawn at 8:00 o'clock for their first pack meeting of the new season. Ray Boyer, neighborhood commissioner, and other leaders, have urged good attendance in order to make the meeting a success. Watermelon will be served.

Preliminary Plans Announced For Boy Scout National Jamboree

A "once-in-a-lifetime" experience will be enjoyed next summer by 50,000 Boy Scouts, Explorers, and Scout leaders who trek "On to the Pacific" for America's third National Boy Scout Jamboree.

A huge tent city will rise on the 3,000-acre site loaned to the Boy Scouts by the owners of Irvine Ranch in Orange County, California, at the Newport Harbor Area in California, on the shores of the Pacific.

The youngest, newest and busiest city of 50,000 will teem with excitement. Boys from all walks of life, of all races and creeds will live together, exchanging skills, swapping home-town products and learning about the customs and traditions of many sections of the nation.

The National Jamboree will also have an international flavor. Living with American boys throughout the camp will be Scouts of other lands, invited to represent their national Scouting organizations. There are now fifty other nations around the world with Scouting programs.

There will be pageants and ceremonies, campfires and music, demonstrations of all types of campcraft and Scoutcraft, swapping and friendship-making and the opportunity of meeting some of America's outstanding citizens.

And while the tent city will disappear almost as suddenly as it appeared a week or ten days before, the impressions, friendships and memories will long remain.

Dr. Arthur A. Schuck, Chief Scout Executive of the Boy Scouts of America, who will be Camp Chief, sees the Jamboree as a "top experience in the life of a boy."

"The spiritual impact on the lives of 50,000 boys is obvious," said Dr. Schuck who feels the Jamboree will make a great contribution to the character training of boys.

"The great convocations and the boys from all walks of life, representing every religious faith and creed, living and sharing together will be a practical demonstration of our democratic way of life. Here is a great experiment in citizenship, with the Scout Oath and Law and democratic procedures guiding the operation of each patrol and troop, and the great camp itself."

The Jamboree, says Dr. Schuck, "will dramatize proper camping skills, unit organization and operation through the patrol method, trained functioning unit leadership and sectional camp leadership, all a living example of the Scout method."

Together with the Jamboree experience itself will be the unusual opportunity for the Jamboree campers to see the United States. Circle trips, side tours, excursions and visits to historic shrines and points of interest will add to the educational values.

It is estimated that 80 per cent of those attending the Jamboree set for next summer in California, about 40,000 Scouts and Leaders, will go by train. About one hundred special trains will be their rolling camps, enroute and return. Near the Jamboree site seven railroad stations on three different railroads will be used to handle arriving special trains from all parts of the country.

Because of the number of Jamboree participants involved, arrivals will be scheduled for four days before the Jamboree opens on July 17. Departures will similarly require four days after the Jamboree program ends on July 23.

Scouts and Explorers eligible to take part in the Jamboree will need to have previous Scout camping experience either at short-term camps or summer camp. Everyone will be on his own, although working together by Patrols and Troops. To be eligible, Scouts need to be at least Second Class in rank at the time of the Jamboree and at least 12 years of age by Jan. 1, 1953.

A self-liquidating enterprise, each participant in the Jamboree pays a fee which provides the food, use of certain equipment and Jamboree camp costs.

FIRST COTTON BALE ARRIVES HERE FROM WEST SCHLEICHER

The first bale of cotton was delivered to the Eldorado Gin last Saturday by Elmer Bruton of the Reynolds community. The load of seed cotton weighed 1890 pounds and made a 510-pound bale.

On Monday Bruton brought in a second bale, and he has a crew of pickers on the job this week. There should be several more bales brought in from his place.

1949 was the last year that Schleicher county really did its stuff on cotton production—ginning over 7,000 bales. Last year the drouth cut production down to one-tenth of a crop, for a total of 706 bales. This year the picture is still worse. There is a scattering of cotton in low places and up against terrace lines, but the gin men don't expect to get over 150 bales all told.

Under the circumstances it will be impossible to have anything like a regular labor crew at the local gin. Sam Gausemeier, local gin manager, has been helping out recently at the Wall and Eola gins, and has arranged for several part-time workers who will help him run the gin here in the evenings. Starting about 6:00 or 7:00 p.m. they will be in a position to gin several bales each evening.

SUPREME COURT RACE IS CLOSE

Three days of counting failed to produce decisive winners in the two races of Saturday's Democratic runoff.

At 6 p.m. Monday the Texas Election Bureau reported Justice Frank Culver, Fort Worth, with a 9,958 margin over Houston Atty. Spurgeon Bell for Place 1 on the State Supreme Court.

Mr. and Mrs. W. J. Fraker visited Mrs. Fraker's sister and family Sunday in Abilene.

MIKE MOORE IS DOUBLE WINNER AT 4-H SHEEP SHOW

Mike Moore, son of Mr. and Mrs. Henry Moore, showed the top ewe and ram lambs in the first 4-H registered show held Saturday, August 23rd. The lambs were uniform and very good according to Clint Langford, judge, especially the ewe lambs.

Each boy gave his top lamb to be given to another 4-H boy to enter the Schleicher county boys registered program. Bob Stewart was the boy selected by the committee.

Results were as follows:

Ram Lambs—\$50
1st, Mike Moore, \$15.00; 2nd, Ken Love, \$12.50; 3rd, Mike Moore, \$10.00; 4th, Ken Love, \$7.50; 5th, Dick Runge, \$5.00.

Ewe Lambs—\$50
1st, Mike Moore, \$15.00; 2nd, Ronnie Mittel, \$12.50; 3rd, Dick Runge, \$10.00; 4th, Ronnie Mittel, \$7.50; 5th, Dick Runge, \$5.00.

The top four lambs of each class were taken to show in an area show at Junction August 23rd. Competition was from five counties, Kimble, Menard, Kerr, Gillespie, and Schleicher.

Mike Moore placed 5th with his ewe lamb out of a class of 20. Ronnie Mittel placed 8th in the same class.

In the ram lamb class Mike Moore placed 8th. Ken Love placed 9th. Twenty ram lambs were in the class.

Eldorado Roping Club

Members of the Eldorado Roping Club announce this week that the first roping of the new season will be held Sunday afternoon at 2:00 at the arena, and that ropings will be held each Wednesday night and Sunday afternoon.

About 30 fresh calves are now on hand for the ropings, it was stated.

Assembly On Tuesday Morning To Formally Open School Year

Football Practice Starts Monday, September 1st

Boys interested in football will report to Coaches Waldrum and Johnson at the high school gym 7:30 a.m. Monday, Sept. 1.

Lettermen will be issued equipment first. Reserves will be second and new boys last. Everyone is urged to be on time for practice which will begin at 9:00 a.m.

There will also be an afternoon practice to begin at 2:30, the coaches said.

Captains for the year will be Pinkney Craig, Billy Kenneth Cheek, and Frank Edmiston.

Thirteen New Teachers For The Eldorado School

The thirteen new teachers who have received their assignments to teach this coming year in the Eldorado school have a varied background of college work and number of years of experience.

Mrs. Oliver Teele has a Bachelor of Science degree from Sul Ross State College, with major in Public School Music. She has 19 years of experience.

Mrs. Jewel West Miller majored in Elementary Education at South-west Texas State Teachers college where she received her bachelor of science degree. She has taught for 19 years.

Mrs. Marie Hall, Bachelor of Science, Sul Ross State College; Elementary Education major; six years' experience.

Mrs. Mary Virginia Holcomb, Bachelor of Arts, Hardin Simmons University; Elementary Education major; seven years' experience.

Mrs. Hazel Marx, Bachelor of Science, Daniel Baker College; Elementary Education major; eight years' experience.

Charles E. Love, Bachelor of Science, North Texas State college; Shop major; Elementary Education minor; two years' experience.

Mrs. Charles E. Love, Bachelor of Science, North Texas State college; Elementary Education major; one year's experience.

Frank Benham, Bachelor of Science, North Texas State college; Social Science major; one year's experience.

H. L. Brod, Bachelor of Science, North Texas State college; Industrial Arts major; no experience.

Edgar A. Burrow, Bachelor of Business Administration, Southwest Texas State Teachers college; one year's experience.

Miss Geneva Knox, Bachelor of Science, Texas Wesleyan college; Physical Education major; four years' experience.

Milton T. Campbell, Master of Arts, Texas Christian university; majors in Mathematics and Chemistry; four years' experience.

Miss Mary Algood, Master of Education, Baylor university; English major; 26 years' experience.

Business As Usual Seen On Labor Day Holiday

Most Eldorado businessmen have indicated that they will remain open next Monday, Labor Day, and people shopping in the business district on that day will be able to satisfy most of their needs.

Notable exceptions will be the bank for whom Labor Day is a holiday designated by the American Banking Association, and the post office, which is governed by federal time. Mail will be put up at the regular times on Labor Day, it is pointed out, but the windows will remain closed all day. Both Eldorado lumber yards will be closed.

MEN'S CLASS TO BE HOST

The Businessmen's Bible Class, which meets at the Memorial building, will be host this Sunday morning at 9:45 to the men's classes from the Methodist and Baptist churches, it was announced here this week. Glenn Biggs will be speaker.

All men are urged to attend at that time.

New residents of Eldorado, who live at the Rock Courts are Mrs. Nettie Bible and son Bobby, who have moved here from Seminole in time for Bobby to enter the 7th grade of the local school. Mrs. Bible is a sister of Mrs. N. R. Densman and daughter of Mrs. W. B. Walters of Eldorado. E. W. Bible helped moved to Eldorado. The Bibles spent the summer with relatives in California.

School will be formally opened in Eldorado with assembly Tuesday morning at 9:00, to which the general public is invited. Registration and enrollment will follow.

There will be a teachers' meeting, the first of the 1952-53 school year, Monday morning at 10:00. Some of the teachers have already arrived in Eldorado, and others are expected to move in during the coming weekend.

Opening plans, as announced last week, and repeated this week, are these:

High School students assemble in rooms assigned on bulletin boards after assembly Tuesday morning to receive their text books. Elementary students will report to their home rooms.

New students must present book cards from school last attended.

Luncheon opens Wednesday, with Mrs. Lester Henderson, Mrs. Sam Gausemeier, and Mrs. Emma Bradshaw in charge.

Busses will operate in regular schedule but students may go home as soon as they have completed their work if they have ways Tuesday.

Principal W. J. Fraker Announces Registration Schedule For Friday

Principal W. J. Fraker announces the following enrollment schedule for High School students:

All new high school students who wish to enroll and all others in the high school who wish to change their schedules are asked to come to the Eldorado High School principal's office for these purposes in accordance with the following schedule:

Friday morning, August 29: Seniors 9:00 to 10:00; Juniors and Freshmen 10:00 to 11:00; Sophomores and new students 11:00 to 12:00.

W. J. Fraker, principal of the high school, and Mrs. Fraker, returned Thursday from San Marcos where Mr. Fraker has been taking graduate work at the college.

On Friday, Sup't. T. E. Holcomb and Mr. Fraker went to Fort Stockton, to attend an associational meeting.

Scarcity of teachers throughout the state continues to plague school men. Fortunately Eldorado has not had to employ teachers without degrees as some schools have done—but the state will have to be lenient with schools if degree requirements are not met.

West Texas Schools Spend Liberally

According to a recent report issued by the Texas Mid-Continent Oil and Gas Assn., some of the schools in this area are liberal spenders. Per scholastic expenditures of a few are these:

Rankin, per student	\$693.00
Ector, per student	308.84
Kermit, per student	392.00
McCamey, per student	443.89
Wink, per student	473.65
Glasscock, per student	435.98
Midland, per student	216.35

Schools Beckon '52 Grads As Transcripts Are Sent

With the approach of September, grads of the 1952 class of Eldorado high school look toward the various colleges over the state, and school officials report this week that transcripts for a number have already been sent in.

San Angelo college is beckoning the largest group, with five girls having transcripts sent: Charlene Atkinson, Grace Crosby, Margaret Ellen Edmiston, Ruthie Dee Harris and Marianne Craig.

Lola Beth Ballew will attend Texas University and Suzy Linticum will go to Texas Christian University at Fort Worth.

Truman Biggs has applied at Texas Tech, Lubbock.

Billie Jo Jeffrey will enter Shannon nurses' school in San Angelo.

Attending A&M will be Jimmy Hill and Roger Sofge who enter this fall, in addition to David Powell who attended the last six weeks of summer school there.

John Phillips will go to Abilene Christian college.

Mrs. Max Henry had as guests Monday two sisters, Mrs. Foyle Wilden of Phoenix, Arizona, and Mrs. J. S. Cole of Sterling City.

HOW DO YOU LIKE OUR NEW TYPE?

With this issue The Success puts into use this new 14-point Erbar type, which will be used from now on in headings and advertisements. This is in keeping with our policy of bringing to you, our readers, a readable paper each week.

The new type will replace this old Century Bold, which has been in use since the Linotype was first installed in the Success printing plant in 1929.

WITH THE SCOUTS

(Continued From Front Page)

The Jamboree is a tremendous undertaking, requiring careful detailed planning. Jamboree headquarters are scheduled to be established at the Irvine Ranch in September, 1952, under the leadership of the National Engineering Service of the Boy Scouts of America, which had a major responsibility in planning for the first National Jamboree at Washington, D. C., in 1937 and the second Jamboree at Valley Forge, Pa., in 1950.

Using the 3,000 acres loaned for the Jamboree, the Jamboree Camp will be divided into forty sections each having 34 troops. There will be 1,360 Troop Campsites, each 90 by 90 feet covering a total of 800 acres. A troop will comprise four Patrols of eight Scouts each with its own Patrol Leader, other older boy leaders, and three adult leaders, namely, the Scoutmaster and two Assistant Scoutmasters.

Each section will have its own health lodge, office tent and post office. Each will have an 18-head shower.

The camp will consume 18 million gallons during its comparatively short life. About 15 tons of garbage will be hauled from camp each day. About eight miles of inter-camp service roads will be constructed.

From the seven railroad stations serving the Jamboree over two thousand tons of baggage will be moved to the Jamboree camp.

Providing ample food for the temporary city of over 50,000 Boy Scouts and their leaders at their Jamboree calls for lots of planning.

Food will be issued each day in units for ten persons. It will be cooked by the Scouts over charcoal fires which will consume over 40 freight car loads of charcoal.

During the Jamboree over 100 tons of meat, 175,000 loaves of bread, 600,000 quarts of milk will be needed. One serving of pancakes towers in a stack higher than the Empire State Building. Over 150,000 doughnuts will be consumed daily, and one serving of tomatoes will come to seven and a half tons.

The temporary community of 50,000 will be larger than the neighboring city of Santa Ana. The Jamboree camp will contain more persons than there are in half the counties of the nation. It will be a "city" of 30,000 tents and use 5,440 Troop kitchens. Paper dishes, mountains of them, will be used each day and destroyed. Cooking dishes, knives, forks and spoons

will be cleaned in a detergent. About 12 miles of water mains and four miles of sewer lines will be constructed for the Jamboree Camp. Several miles of primary electric lines will bring in 600,000 watts of power.

The Scout City will have its own telephone system, using 4-80 line switchboards with about 25 trunk lines connecting it with the outside world.

The excellent record of safety and health at the two previous Jamborees shows what is possible with good planning, able personnel and adequate facilities. The Scouts will have four medical doctors and four doctors' aides in each sectional camp lodge. The assistance of the U. S. Public Health Service and medical societies near the camp will be obtained. Adequate hospital facilities near the camp will also be provided.

Leaders of industry, county and state officials have volunteered their complete cooperation to make the Jamboree a success.

Jamboree chaplains of the various faiths will provide for the spiritual needs of all Scouts at the Jamboree. Scouting recognizes religion as an integral part of the character building process and encourages boys to adhere to the beliefs and practices as taught by their own parents and religious leaders.

CAROLYN RATLIFF RETURNS FROM CAMP MYSTIC

CAMP MYSTIC, Hunt, Texas — Second term activities at Camp Mystic near Kerrville closed Friday night as the last campfire burned and final awards were made to outstanding campers.

Carolyn Ratliff, daughter of Mr. and Mrs. Carrol Ratliff of Eldorado, received membership in the following clubs: Annie Oakley, rifle shooting club; Blades, canoeing club; Swans, swimming club; and senior Land Sports club.

She is sports manager of the Kiowa tribe. At Mystic last summer Carolyn was voted an "M" girl, one of the highest awards in camp.

Mrs. Dan Berry of Richmond, California, a former resident of Eldorado, visited recently in San Angelo with Mrs. Annie Dickens. Mrs. Berry was in San Angelo to be with a brother who was ill in the hospital. She was accompanied to Texas by another brother and a sister, also of Richmond.

C. A. Graves is putting an addition on his residence.

ROACH BOYS ARE ENROLLED IN SAN ANTONIO SCHOOL

Tommy Jo and Henry Roach, ages 10 and six respectively, have been enrolled in Sacred Heart School in San Antonio for the current school year. When they registered Friday, 360 other boys had already been enrolled in this parochial school, taught by Catholic sisters, and open to day school and boarding school pupils. They were accompanied to San Antonio by their grandparents, Mr. and Mrs. A. J. Roach, their father Jim Tom Roach, and the parish priest the Rev. Father Howard Meyer. They will leave for San Antonio tomorrow to start their school work. The school offers courses from kindergarten age through the eighth grade.

To Sue For Taxes

One hundred eighty suits have been filed by Mrs. Mae M. Ament, of Alpine, delinquent tax attorney working under contract for the City of Fort Stockton.

The suits were filed in 83rd district court for appearance at the September term, beginning Sept. 8. In many of the suits other taxing agencies have intervened, including Pecos County, the State of Texas, and Fort Stockton Independent School District.

If property owners fail to pay back taxes before judgment is taken, they still will have opportunity to bid in their property for the amount of accrued taxes, plus various costs which have been added by the suit. —Fort Stockton Pioneer.

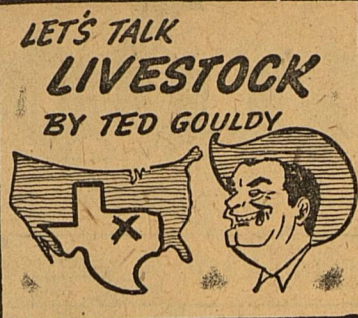

Voters Okay Bonds

Property owning taxpaying voters of Crockett county last Saturday approved by a vote of 6 1/2 to 1 the issuance of \$200,000 in bonds of the county for the purpose of constructing paved roads in the oil field area in the north-central section of the county, for right-of-way and fencing of a 17 1/2 mile stretch of connecting highway to be built by the state in the same area, and for a seal coat on Ozona paved streets. —Ozona Stockman.

Ozona School To Open

With a full faculty, 44-teacher-administrator strong, the Ozona Schools were all set this week to open on September 2 for the 1952-53 term.

Superintendent Lem Bray announced this week a complete faculty roster, which shows fourteen new names on the list from last year's roll. (list follows) —Ozona Stockman.

FORT WORTH—Heavy receipts again favored livestock marketing at Fort Worth and other points around the market circle. Prices of cows and bulls on Monday were 50 cents and spots \$1 lower, and grass steers and yearlings suffered a similar decline.

Values were uneven, however, with prices steady on good and choice fed cattle, and steady on good and choice fat calves. The medium and lower grade calves eased off 50 cents or more per hundred. High grade stocker cattle and calves ruled steady but the plainer quality was weak to lower.

The Monday reports from 12 major markets showed the biggest cattle run of the season, over 127,000 head, 28,000 above a week earlier and 54,000 ahead of a year ago on the same day.

Hogs topped at Fort Worth at \$21.50, around 25c lower. Sows were steady at \$15 to \$18.

Sheep and lambs were steady, except some of the lightweight feeder lambs recovered some of last week's losses.

A few good and choice fed steers and yearlings brought \$26 to \$32, a package weighing 904 pounds from H. M. Erwin, Ladonia, at \$32. Common, plain and medium kinds drew \$15 to \$25. Fat cows drew \$15.50 to \$18, odds higher, canners and cutters got \$9 to \$15.50. Bulls sold at \$14 to \$22.50.

Good and choice fat calves \$25 to \$28, plain and medium sorts \$15 to \$24, culls \$12 to \$15.

Good and choice stocker and feeder calves and yearlings sold at \$25 to \$31, a load from L. L. Edwards, Jack County, at 518 pounds at \$31, and a load from W. M. and R. E. Shutts, Clay County, averaged 465 pounds at \$30. Common, plain and medium sorts sold from \$17 to \$24. Stocker cows drew \$14 to \$20. Older stocker steers sold largely at \$24.50 down.

Good and choice fat Spring lambs sold for \$25 to \$28, and medium to good kinds sold for \$20 to \$25, with culls down from \$10 to \$15. Stocker and feeder Spring lambs brought \$10 to \$19. Fat yearling wethers cashed at \$15 to \$18, and stocker and feeder kinds drew \$10 to \$15. Slaughter ewes sold from \$6.50 to \$8.50, the canner ewes at the best price at Fort Worth in several weeks. Two-year-old wethers sold at \$15 down, Old bucks cashed around \$6.50.

Stockman Jim Hoover will start work on or before the 15th as pharmacist for Mason Drug Company at Mason. He states that he considers the job as a temporary one. He has another place near Mason, which has good grass, and no longer has stock in dry Schleicher county.

Visiting Mr. and Mrs. J. W. Davis over the weekend were her sister Mrs. W. Hornburger and Mr. Hornburger, and Mr. and Mrs. Jack McGuire and children of Austin.

Success, \$2 year — anywhere.

Mr. and Mrs. J. C. McKinley and Jimmie of Longview and Miss June Johnson of Bertram are visiting in the Edwin Jackson home. Mrs. McKinley is Mrs. Jackson's sister.

Edwin Jackson went to Liberty Hill Sunday to attend the funeral of Hiram Chance, an old friend.

Success, \$2 year — anywhere.

Switches to Dodge... lowers hauling costs

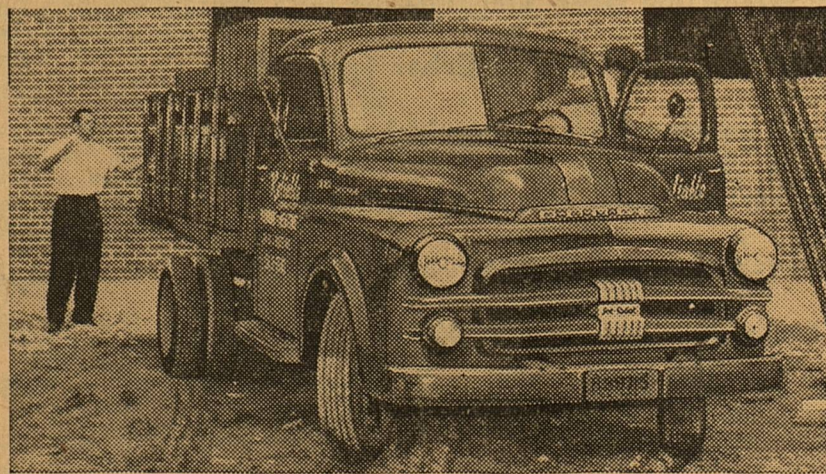

- ▶ Whatever you haul, there's a Dodge truck—1/2-ton through 4-ton—that's "Job-Rated" to fit your job and save you money.
- ▶ Full crankcase ventilation saves oil, lengthens engine life, and lowers upkeep costs.
- ▶ Two fuel filters—instead of only one—keep fuel clean to help prevent carburetor clogging and fouled cylinders.
- ▶ For smooth power that saves wear and tear, Gyrol Fluid Drive—a Dodge "exclusive"—is available on 1/2-, 3/4-, 1-ton, and Route-Van models.
- ▶ Come in today for a demonstration and a real good deal.

says LEWIS ENGEL, Reliable Supply Company, Chicago, Ill.

"My Dodge has proved to be a real saver on gas!"

"We are getting several more miles per gallon with our Dodge 'Job-Rated' truck—and in a small business like mine, economy is important. "My Dodge has not only proved to be a real saver on gas—but we are real pleased with Dodge dependability. Hauling pipes, fixtures, plumbing tools and other heavy equipment has broken down several trucks for us. But our Dodge has taken heavy-duty use over bumpy roads for a long time now and we haven't had to have a single mechanical repair."

Enjoy over-all economy. Dodge "Job-Rated" trucks are easy on gas and oil, thanks to compression ratios as high as 7.0 to 1. Other cost-cutting advantages include lightweight aluminum-alloy pistons and gas-saving carburetor with economizer valve.

Cut down upkeep. With a Dodge "Job-Rated" truck you get such proved money-saving features as 4-ring pistons with chrome-plated top rings, exhaust valve seat inserts, pre-fitted connecting rod bearings, positive-pressure lubrication, and other features.

Get long life. A Dodge "Job-Rated" truck gives you special alloy steel springs and shot-peened axle shafts. Other dependable Dodge long-life advantages include such features as wear- and heat-resistant valves, oil-bath air cleaner, and floating oil intake.

O R Young Dies Monday; Buried in San Angelo

Ollie R. Young, San Angelo contractor and rockmason, who had done some work in this county, died Monday morning at his home in San Angelo after many months of illness. Funeral services were held Tuesday afternoon in Johnson Funeral Chapel in San Angelo, and burial was made in Lawnhaven Memorial Park. The Rev. Floyd Harris, pastor of the Harris Avenue Baptist church, officiated. Pallbearers were brothers-in-law: Albert Thigpen of Eldorado, Floyd Thigpen of Brownfield, Roy Thigpen of San Angelo, Houston Thigpen of Eldorado, Lee K. Choate of Fredericksburg, Wayne Burton of Odessa and Jim Thigpen of D'Hanis.

He was born December 24, 1905, in San Saba. He was married June 24, 1924, in Menard, to Velma Thigpen. Survivors include his wife; two sons, Donald R. and John David; a daughter, Judy Rhea; a brother, O. B., all of San Angelo; five sisters, Mrs. Wayne Barton of Odessa, Mrs. Lee Choate of Fredericksburg, Mrs. R. C. Wilson of Marysville, Calif., Mrs. H. B. Stevens of Killen, Mrs. D. G. Henley of Shawnee, Okla.; and an uncle, C. Y. Young of San Angelo.

Mr. Young was well known here. He worked on the courthouse rock-work, on the Memorial Building, Jess Koy and Horace Linticum ranch homes, and other brick, tile, and rock jobs in this county. A leg bruise later developed malignancy, and several periods of hospitalization failed to save his life. He had been quite ill for some time before his death.

The Military

Pvt. E-2 Reuben Neill Dickens has completed a course in basic electricity at Camp Wood, a division of Fort Monmouth, N. J. He has been transferred to the Port where he will enroll in a course on repair of motion picture machinery. Dickens recently enjoyed a visit with a friend, Eugene Gibson of Eldorado, who was also stationed in New Jersey while awaiting shipment to Germany. The two made a week end trip to New York City before Gibson sailed on Aug. 15 for Germany. He is a son of Mr. and Mrs. E. V. Gibson of Eldorado.

Melvin G. Harris, son of Mrs. Rance McDonald of Eldorado, arrived in Pensacola, Florida, last week to begin 18 months of rugged training as a Naval Aviation cadet. Harris enlisted in the Naval Aviation Cadet Program on June 27, 1952, at the Naval Air Station at Dallas. His orders to flight school came through last week and after final processing at the Dallas station, Harris was on his way to the world's best school of aviation. He will spend the largest portion of his training period at Pensacola, the "Annapolis of the Air," receiving pre-flight and basic instruction. Then he will go to Corpus Christi to receive advanced training in either carrier jets, or big patrol bombers.

If he completes his training successfully, Harris will be designated a Naval Aviator, commissioned in the Naval Reserve, and as an Ensign, be assigned to duty with the Fleet. Harris attended Eldorado High school and received college education at Sul Ross and North Texas State colleges. "I'll consider it a great honor to become a Naval Officer and Pilot," he said before embarking for Pensacola. The Naval Aviation Cadet Program is open to men 18 through 27 with two years of college and a yen to get airborne.

Henry Mittel Jr. who is stationed at Waco, is visiting home folks, and will report to Randolph AFB in San Antonio when he leaves next week. Ralph L. Menees of the U. S. Navy is returning to Norfolk, Va., to be stationed on the USS Midway CVB41 which will be operating in the Mediterranean. He has been visiting at the home of his father, W. A. Menees, for ten days.

Schleicher County Oil News

Three new producers have been completed and another is in sight in Schleicher County.

Wesley W. West of Houston has completed No. 6 Mrs. Christena Mittel as a new producer in the Neva West (Strawn) field of North Central Schleicher County.

The cement was drilled out to 6,367 feet. The perforations were washed with 500 gallons of mud acid. Flowing pressures were 820 pounds on the tubing and 220 pounds on the casing.

Standard Oil Company of Texas has completed its No. 3-4 Mrs. Lulalee Wilson as a north extension to the Neva West (Strawn) field in Central-North Schleicher County.

The rig for No. 3-4 Wilson has been moved to Standard No. 2-2 McWhorter, project in the south part of the Huldale (Strawn) field of Central-North Schleicher County.

The Huldale (Strawn) field in North-Central Schleicher county has been extended more than one-quarter of a mile south.

The gauge was through a 20/64-inch tubing choke and perforations from 5,762 to 5,768 feet.

The Post Office Department is recognizing that little oil town known as Hadaacol Corner—but not with such an undignified name.

Hot, dry weather continues in Coke County and has spread from West Texas to a large area of the state.

Road Work Starts

Fencing on the Copperas Farm-To-Market road in Prec. 2 will start Monday, Alvah Pearl, county road supervisor, said.

Louis Bruce, who has the fencing contract, is now clearing the right-of-way on the strip of road leading toward Fort McKavett from Highway 290 which is being repaired and straightened for paving.—Junction Eagle.

Good Cotton Crop

A cotton crop expected to yield 12 to 13,000 bales is in prospect for Pecos County, despite reduced acreage in several parts of the county as result of limited water supply.

The multi-million-dollar crop will begin rolling to three county gins within the next few weeks in volume, with Bakersfield, well-irrigation areas southwest of Imperial, and the district west of Fort Stockton producing the larger portions of the crop.

Limited water supply in the Red Bluff area has resulted in drastic curtailment of planting in the Pecos Valley water districts, while the lands under Comanche Springs at Fort Stockton have shifted largely to feed crops and winter grazing projects to obtain maximum benefits of available water.—Fort Stockton Pioneer.

Better Days Ahead For The Poultryman

College Station.—Poultrymen who have raised a normal number of pullets this year should soon begin to receive a profit on their investment.

The outlook for egg prices wasn't good last spring, says Parnell and producers reduced their flocks and also their pullet replacements by 7 per cent.

It is now too late to do anything about raising pullets for egg production this year but Parnell points to the present situation as a reminder that profits are seldom made by those who are in the business one year and out the next.

For those who have the egg producers, Parnell says, feed them well; give them plenty of room; practice sanitation and keep them in good health.

13 HIROSHIMAS!

When the white-hot glare over Hiroshima faded away, the world trembled at the thought—one blast, 78,150 lives!

Yet since the turn of the century one million lives have been wiped out on the highways of our country. It would take the death-dealing power of *thirteen* Hiroshimas to equal that slaughter. All the American military deaths since Lexington, after 176 years, just equaled at the end of 1951 the toll of automobile deaths since 1900.

And death continues to ride the highways at an increasingly alarming rate. 35,000 killed in 1950! 300,000 in the ten years since Pearl Harbor! Last year more than 100 lives sacrificed to speed and carelessness *every day!* 5,000 injured every day!

You ask: What can I do about it?

You and 60,000,000 other drivers can do *everything* about it. You can be a safe driver alert to danger, sensitive to the killing power of speed. You can be a courteous driver considerate of other drivers and pedestrians.

Your contribution toward reducing this wanton waste of life on the highways, this calamitous toll of injuries and destruction of property, is your own effort to drive and walk safely and the common sense you use behind the wheel.

Drive As Though Your Life Depends On It - - IT DOES!

Drouth Conditions Are Discussed By FHA Office

As a result of serious drouth conditions in many areas of Texas many farmers are faced with an emergency need for credit not available through local sources to buy feed for their livestock and seed and fertilizer for the planting of fall grain and pasture crops, according to L. J. Cappleman, State Director of the Farmers Home Administration of Dallas, who has received reports from every section of the State on conditions as they exist at this time. Mr. Cappleman has been told that if such assistance is not provided it will be necessary for farmers in these drouth stricken areas to reduce sharply, or in many instances to liquidate entirely, their livestock enterprises because of the lack of feed stuff and pastures for grazing. In the interest of the farmers concerned, the agricultural economy of the areas affected and the welfare of the farming interests of Texas, the Farmers Home Administration is taking every reasonable step to prevent the liquidation of desirable productive livestock by drouth stricken farmers.

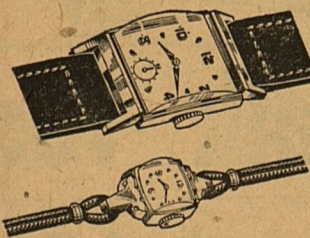

Mr. Cappleman pointed out that in order to accomplish this purpose and to help farmers continue in business county offices of the Farmers Home Administration are in a position immediately to make disaster loans in any county in the state of Texas to qualified applicants in accordance with published instructions and revised policies outlined at a meeting of State Field Representatives in Dallas last week. At the meeting held here in Dallas, Mr. Cappleman received reports of serious crop losses through drouth and that farmers and ranchmen are in urgent need of funds to buy feed, seed and other supplies to continue their operations for the remainder of this year. In many instances it was pointed out that these farmers will require emergency credit to put in their 1953 crops and funds are available through the local Farmers Home Administration County office now for the purposes indicated. These funds are available at 3 per cent interest for crop production needs, under the provisions of Public Law 38.

The purpose of the disaster loan program authorized by Public Law 38, said County Supervisor Denny O. Sullivan of San Angelo is to provide a source of temporary or emergency credit to assist farmers in designated areas who have suffered serious production losses as a result of drouth or other natural causes, and who are unable to obtain from other established sources the credit needed to continue their farming or ranching operations.

The area county office of the Farmers Home Administration is located on the third floor of the courthouse in San Angelo and applicants may contact Supervisor Sullivan there for the purpose of discussing their needs. The County Committee in each county is composed of three members who certify to the eligibility of applicants for loans and otherwise assist the county supervisor in the administration of Public Law 38 and other phases of the County Farmers Home Administration program.

First Baptist News

We were grateful for our continued attendance in our services. We had 196 in our Sunday school. The orchids went to the Primary department with a grade of 72. The nursery was second with a grade of 71. The onions went to the adult and the Junior departments with grade of 45. We welcome into the fellowship of our church Mr. Frank Estes. There were several visitors in our congregation for whom we were deeply grateful. If you have no regular church home we welcome you to visit with us. If you are a Baptist and looking for a church home there is none finer than the First Baptist.

Some of the men along with Brother Nelson attended the Brotherhood Jubilee at Lake Brownwood Monday and Tuesday. The district board of District Sixteen met at 2:00 p.m. Monday. Brother Nelson is the chairman of the Executive Board of District Sixteen. Mrs. Nelson and Sylvia Ann accompanied him to Bangs, Texas, where they visited with Brother Nelson's parents, Mr. and Mrs. W. W. Nelson. This was a wonderful program and we trust that many more of the men will be able to attend next year.

The annual Concho Valley Baptist Association will meet with the Harris Avenue Baptist church Thursday evening and Friday, September 11 and 12. We trust that a good group of our people will plan now to attend part or all of the services. Brother Nelson will bring the annual sermon Friday morning at 11:30. This is a very vital meeting for our church life and we urge a good group to be present.

The brotherhood officers for the coming year are as follows: Roy Phelps, president; John Stigler, membership vice president; Bill Rountree, program vice president; T. P. Robinson Jr., treasurer; Lillburn Hazelwood, secretary; T. E. Holcomb, chorister. Good programs are in the making. Every man of the church is eligible to become a member of the brotherhood and is urged to do so. The regular meeting time is the Monday after the third Sunday of each month. The next meeting date will be September 22.

It will soon be time for the election of new officers and teachers. Before you say no to the plea for workers, first ask yourself this question: Do I owe any obligation to the church? If the answer is yes, then answer this question: Am I doing anything to meet this responsibility? If the answer is no then maybe you had better do some praying before you say you won't work in the church.

Our outdoor services are meeting with success. We meet on the church lawn for services each Wednesday and Sunday evening. Our prayer services begin promptly at 8:00 each evening. Our Sunday evening services begin at 8:30 each Sunday evening. Notice that our evening service time will change beginning next Sunday. Training union will meet at 7:00 p.m. and preaching services at 8:00 p.m. Come on out under the stars where it is cool and worship God with us each Sunday evening at 8:00. You are welcome.

MRS. COZZENS SON-IN-LAW IS BURIED AT JUNCTION

Frank Black, of Junction, son-in-law of Mrs. Mattie Cozzens of Eldorado, died in a San Antonio hospital Thursday morning after a week's illness.

Funeral services were held at 10:00 Friday morning at the Junction First Presbyterian church, the pastor, Rev. Henry Grubbs, officiating, and burial was made in the Junction Cemetery.

He was born Dec. 14, 1885, in Georgia. He practised law in Chicago many years, was in the oil business in Fort Worth five years, and moved to Kimble County in 1940 to engage in ranching.

He is survived by his wife, his mother, Mrs. George Black of Toledo, Ohio, and three nephews.

Mrs. Mattie Cozzens of this city was among those from out of town in attendance at the funeral.

PRESBYTERIANS OBSERVE FAMILY NIGHT WEDNESDAY

The members of the Presbyterian Church and their families observed Family Night with a fellowship supper on the church lawn last night, Wednesday.

METHODIST NEWS

The Methodist Men met in regular monthly session Monday night at the church. Ice cream and cookies were served to about 25 men in the church dining room, after which Chairman Jerry Pennington conducted a business session.

The group then went to the auditorium where two travel films were shown by courtesy of Gulf Consigne Ernest Finnigan, of Gulf Oil Corp.

Mrs. Luke Thompson was in Kerrville last week as a WSCS delegate at the School of Missions.

BRIDE IS HONORED

Honoring Mrs. Frank Franklin, the former Pauline Nixon, a shower was held in the Memorial Building Friday afternoon from 3:00 to 5:00, with Mrs. Grat Edmiston, Mrs. Clifford Schooley, Mrs. Arch Edmiston and Margaret Ellen Edmiston as hostesses. The bride's colors of orchid and yellow were carried out in the centerpiece of asters, and the cake which was iced in white was trimmed in orchid and yellow.

Marianne Craig registered guests and Mrs. Clyde Reece presided at the table. A large number of relatives and friends called and a nice assortment of gifts was presented to the honoree.

KINDERGARTEN CLASS TO OPEN MONDAY

Mrs. J. B. Montgomery will enroll pupils in her nursery school class Monday morning at 9:00. She is conducting this private class in her home.

HONORED ON BIRTHDAY

Honoring Clarice Dannheim on her 16th birthday, Mrs. Flora Fore and daughter Wanda Nell were hostesses at a party at the home of Dorothy Carrell, daughter of the Sam Carrells, August 20. The group gathered at 4:00 in the afternoon, and had a swimming party before the supper. Present were Glowanda Jeffrey, Joan Trentham, Oreltha Powell, Ann Williams, Colleen Hicks, Dorothy Carrell and Wanda Fore, in addition to the honoree and Mrs. Carrell, Mrs. Fore, and Mrs. Harvey Dannheim.

Mrs. Coralee Mebane has gone to San Antonio to visit in the home of the J. W. Hills. On Monday she attended a luncheon at the Gunter Hotel given by the state committee honoring National Republican Committeeman Jack Porter and National Committeewoman Mrs. Thelma Black.
