United Church Women To Present Fellowship Program Friday, May 1

May Fellowship Day will be observed with a program Friday afternoon, May 1, at 3:30 at the Presbyterian Church, under sponsorship of the United Church Women of the National Council of Churches. This group, which meets in Eldorado three times a year with the churches of the city participating, takes turns meeting with the various churches, and this year the Presbyterian Church will provide the meeting place.

Carrying out a theme of fellowship and Christian brotherhood the program will be presented by the congregation, readers from the churches, and a speaker, who is Rev. Charles Bruce.

All are urged to attend this important meeting, which is held to promote harmony among the various churches and to educate the churches on the work being done throughout the world to spread Christianity.

Observance of this special day is worldwide. This year's theme is "Citizenship, our Christian Concern."

Nationally the United Church Women's program has emphasized the women's political responsibility, during the past year. Now the women are being called on to consider more direct political action as part of their concern as Christians. In the call to May Fellowship Day, Mrs. Allen Knight Chalmers, national chairman of MFD urges that church women make May 1 a day of dedication to informed and active citizenship.

Lions Elect Officers For New Fiscal Year

At their meeting yesterday, the Eldorado Lions club elected officers for the new year, following the previous naming of the slate or officers by the nominating committee. New officers are elected:

President: Joe M. Christian
First V. P.: W. T. Whitten.
Second V. P.: Gus Love.
Third V. P.: John Williams.
Sec-Treasurer: Bill Lester
Tail Twister: Eldon Calk.
Directors: Ray Tisdale and Harold Hunt.

These officers will be installed at the beginning of the club year in June.

Preliminary plans for the silver-anniversary meeting of the Lions club, which is set for May 23rd, were discussed by Ernest Hill, general chairman. This event which will be a ladies' night, a celebration, and a memorial service, will celebrate the Lions club's 25 years of service in Eldorado. This event will cost \$2 per plate.

A J. Long was taken in as a new member.

Mrs. Jack Elder and daughters Nancy Jo and Patricia drove Sunday to Mason with Rita Ann and James Hill, who took a bus from there to Austin where they attend the University.

County Extension News

Producers planting grain sorghums or cotton should remember to treat their seed with ceresan for seed borne diseases such as smut on grain sorghums and anthracnose on cotton. This treatment will cost less than ten cents per acre and may save the producer many dollars per acre. Seed should be treated twenty-four hours before planting. Best results may be obtained when seed are placed in a rotary container and the ceresan thoroughly mixed with the seed.

Control of Wire Worms
Wire worm in some instances may destroy the seed when planted and prevent the producer from getting a stand of cotton or grain sorghum. One-half pound of 25% lindane to 100 pounds of seed will control the wire worm at planting. The cost is fifteen cents per acre.

Control of Cutworm
The cutworm will attack small plants at night cutting them to the ground. To control the cutworm in cotton or grain sorghums use toxaphene 2-1: two parts toxaphene and one part DDT; 2 to 3 pounds to the acre in a spray. Dust does not seem to be as effective as the spray in this situation. DDT may be used at the rate of 1 to 2 pounds per acre in a spray as needed.

In the garden a poison bait is much better to use. This bait can be purchased at most any seed or feed store.

We take it all back—what we said in last year's April 24 edition about rain. We'd had three inches—and we told our readers about how this might break the record drought of 19 months, beginning in 1950! But it didn't—we're still dry.

Some showers fell Tuesday—3.3 inches in down-town Eldorado, with some hail, .25 at O. Sudduths, .1 at Victor Sauers, .4 at Newlins and Faris Nixons, and a good rain at Claude Meador's ranch.

—ps—
West Texas Utilities crews were out with their repair equipment Wednesday repairing damage caused by the heavy winds. The principal trouble spots were a broken pole in the Mrs. George Williams pasture north of Bailey Station and a burned pole south of the station. The fire developed when a cross arm broke off, shorting out against a pole. In Eldorado two or three transformers were knocked out.

Out of electricity for a short time because of the high high line damage were points south—Bailey Station, the City of Sonora, and REA lines in Sutton, Crockett and Val Verde counties—all of which are served by West Texas Utilities.

Marking lambs has been under way.

To mention a few: Bert Page and his sons have all completed their markings and report unusually good percentages in spite of drought. Family dinners on the ground, traditional among the Pages, were carried out as usual.

Typical of reports of difficulties of marking during Wednesday's winds came from north of town where Jimmie West finished in rolling clouds of dust and the men at Meckel's termed it the roughest marking job they'd ever gone through!

As this paper goes to press today, everything is shaping up for the cooking school given by the West Texas Utilities Co. at the Memorial building, beginning at 2:30. The usual good crowd is expected—these cooking schools have proved to be popular in the past.

—ps—
Visitors reported in the D. C. O. Wilson home last week were not theirs, but were guests of the Howard Derricks, and are our faces red! A phone cross-up did it this time—we thought we were talking with the Wilsons, whom we had dialed, and we had gotten the Derricks' residence. Fortunately that type of error doesn't happen often. And we're glad it doesn't as we use the phone a lot in gathering our news.

—ps—
We add to a recent news item concerning divorces granted that Mrs. Lydia Thorpe Cumby had the name of Lydia Thorpe restored by court order. She asks that this paper make this explanation as she will be using the name of Thorpe hereafter.

Something often happens to Schleicher County fruit, and this spring seems to be no exception. Wednesday's high winds did it this time, just when some growers reported that they thought they would have some fruit this year. The wind blew some of the crop off the trees, though plums seem to be unharmed, and part of the peaches and apricots may come through all right.

The Joiners' Eldorado News Stand reported a sale of 95 copies of the Success last week. News stand sales there have climbed from a beginning weekly total of 20 last year up to nearly 100 a week! And that's in addition to our own growing sub list and some over-the-counter sales too!

Ralph Bates has opened a shop named the Oil Field Barber Shop in one of the offices in the new Finnigan building.

The new building which Ray Tisdale is putting up in the south part of town is nearing completion and Tisdale expects to move his Chevrolet establishment there soon.

Soil Conservation District Week May 3rd - 9th

Governor Allan Shivers has designated the week of May 3rd to May 9th as Soil Conservation District week, a special occasion enabling land owners to call special attention to their individual soil conservation district as a public information and technical service.

At the present time there are 164 soil conservation districts in Texas which covers 95 per cent of the land area of the state. These

districts "are proving that known conservation techniques and practices will stabilize our soil, conserve our water and render each acre of land more productive," Gov. Shivers said in his proclamation.

R. M. Fielder, chairman of the West Texas Chamber of Commerce will be guest speaker at the Lions club on Wednesday, May 6, during Soil Conservation District week.

OIL NEWS

JAMES C. WATSON

Midland, Texas

Lone Star Producing Co. No. 1 Joe Tisdale, wildcat and major extender to Strawn reef production in the Huldale field, was shut in for completion after flowing 132 barrels of oil in 12 hours on production test. The wildcat was tested through perforations at 5685-5710 feet. That set was washed with 500 gallons of mud acid and 3,000 gallons of regular acid. Gravity of the oil is 42.2 degrees. Gas-oil ratio at the end of the test was 1429-1.

As soon as tank battery can be installed, operator will complete the project. Location is 467 feet from north and east lines of the southeast quarter of section 74, block LL, TC survey.

Texas Mid-Continent and Southern Corporation of Fort Worth will drill No. 1 R. L. Henderson as an 8,000 foot wildcat in northwest Schleicher County. Slated for a test of the Ellenburger, it will be dug 467 feet from north and east lines of section 1214, E. McCronan survey, abstr. No. 1359, and 14 1/2 miles northwest of Eldorado. It is three miles southeast of the Dove Creek field. Operations are to start at once.

Wesley W. West of Houston No. 10-c Christena Mittel has been completed as a producer on the west side of the Neva West field of north central Schleicher. The well was finished for a daily flow of 256.83 barrels of 39.4 gravity oil through an 18/64-inch choke and perforations at 6139-162 feet. Gas-oil ratio was 501-1. Location for the new oil is in section 77, block LL, TC survey.

Two more projects have been staked at the south side of the Huldale field. Sinclair Oil & Gas Co., will drill No. 5 McClatchey Estate 467 feet

from north and 1667 feet from west lines of section 42. It is scheduled for a 5800-foot bottom.

Humble will dig No. 4 Anne May Brooks 1630 feet from south and 2400 feet from east lines of section 83, block LL, TC survey. It will go to 6100 feet.

Hunt Oil Company No. 1 King, wildcat in Schleicher, was drilling below 4585 feet in lime and shale after taking two drillstem tests above that point. First test was in the interval from 4380 to 4392 feet. Tool was open two hours. Recovery was 270 feet of slightly gas and salt water-cut mud and 765 feet of slightly gas-cut salt water. Second test was 4563 to 4585 feet. Tool was open 90 minutes. Recovery was 10 feet of drilling mud with no shows of oil or water.

Other wildcat activity included Humble No. 1 Stanford, drilling below 5260 feet in lime, shale and chert.

McFarland and Texas Crude No. 1-45 Mittel was making hole below 5890 feet in shale.

Delta Gulf No. 2 McClatchey was coring Tuesday at about 5590 feet.

American Republics No. 5 McClatchey was swabbing Tuesday. Perforations were between 5680 and 5690, with six jet shots per foot.

Sinclair is completing their No. 3 McClatchey at 5691 and were scheduled to run electric log last night.

Sinclair No. 4 McClatchey Est., was drilling yesterday afternoon at 5029 feet in shale.

Cellars are being readied and spudders moving in for wildcat tests on Lavelle Meckels. They are Stanolind farm-outs, and Delaware Drillers have contracts for both.

Postmasterships Are Discussed By Senator

By LYNDON JOHNSON

POSTMASTER EXAMS: Postmaster vacancies in 80 Texas towns and cities have been announced. There may be more to come. All eligible registers were terminated when the Civil Service Commission, at the request of the new Postmaster General, "raised standards" for postmasters.

I wrote the Postmaster General to ask (1) if postmasterships are to be denied because of political affiliations to persons who have passed Civil Service examinations recently but whose appointments have yet to be confirmed, and (2) if postal appointments are to be removed from Civil Service.

The Deputy Postmaster General replied that "No one is being denied opportunity to compete for a postmastership because of political affiliations." He said standards had been raised because "The position of postmaster is much more important than has been generally recognized." It is interesting that the Republicans didn't recognize the importance of postmasters until they started making appointments. He also wrote: "There is no intention of removing from office any of the postmasters appointed during the previous administration if they are now performing and continue to perform satisfactory service."

Numerous Accidents Break Out In County During Past Week

Dust Storm Causes Accidents
Dust storms, with high winds and spotted clouds of dirt which obscured vision, were responsible for two accidents Wednesday just south of Eldorado.

Arlo O. Gjerde, driver and W. O. Cain, owner of the car, of Abilene, occupants of a blue Dodge pickup, had a collision with a Ford passenger car driven by Mrs. Buster Calcote at about 9:00 Wednesday morning a short distance north of the Bailey Station. Both vehicles were damaged.

Gjerde has bruises and shoulder injuries; Mrs. Calcote was bruised, her sister Mrs. Zola Gook, who was riding with her, has a back injury, and Johnnie Calcote, third occupant, has a facial cut.

The other accident involved Jack Montgomery's family car, and another passenger car, a cloud of dust obscuring vision as the dirt rolled in from the C. O. Bruton plowed fields. Montgomery was not injured. In the other car, in which several members of the family were riding, Mrs. Sam Odom received first aid treatment at Lindsey Clinic and was taken to Sonora. She has broken ribs, back injuries, and possibly internal injuries.

Both of these accidents happened when visibility was cut almost to zero.

Three Injured

Three people were injured Saturday in a two-car collision on the highway in front of the West Texas Woolen Mills. Mrs. Carson West, driver of one of the cars, has fractured arm and knee cap and was confined to her bed until Sunday evening. Her aunt, Mrs. T. H. Crook of Dallas, who was riding with her, has fractured arm and other injuries and is being treated in a San Angelo hospital. Suzie Linthicum, student at TCU, Fort Worth, driver of the other car, has a fractured arm. Both cars were damaged.

The Delbert Taylor car was damaged in an accident north of San Angelo, but the members of the family were not injured. They were returning from Coleman where they had been visiting relatives when they were sideswiped by a car in congested traffic north

of San Angelo. One of the two other cars involved was damaged only slightly and the other more seriously, but no one was hurt.

A car belonging to W. Whately burned during the weekend on the San Angelo highway near Eldorado. Firemen made a run to the scene of the fire.

Three Killed

Three men involved in a two-car accident Friday morning 15 miles north of Eldorado all lost their lives as a result of a head-on collision.

The dead are Raymond Gerry, 23, of Leominster, Mass., and Henry Allen Douglas, 33, of San Francisco, California, salesmen driving a panel truck, who were killed instantly, and Francisco R. Santellano, 37, of San Angelo, driver of the other car, who lived until Sunday.

The scene of the accident, which occurred at 3:05 a. m. on a straight stretch of highway, was the San Angelo highway, No. 277. The Latin American from San Angelo was alone in his car, a 1938 Chevrolet coach, when the accident occurred. The two salesmen who were reported to have stopped in Eldorado earlier in the evening, were driving north, with Gerry at the wheel, according to report made by investigating patrolmen. In the collision the cars interlocked, totally wrecking both vehicles, and killing the two men instantly.

Two San Angelo patrolmen, Donald Joy and T. P. Jones, who investigated the wreck, said Santellano's car was on the wrong side of the road at the time of the crash.

Passing motorists summoned aid, and the bodies of the two salesmen were taken to San Angelo pending word from relatives, and the Latin American was taken to Shannon in critical condition. Santellano whose age was 37 had compound fractures of both legs, broken arm, and other injuries. Two of his sisters, Sista Santellano and Mrs. Dolores Fava, a brother Lewis, and his parents, Mr. and Mrs. Nieves Santellano, all live in Eldorado.

The fatalities of this accident were Schleicher County's first for 1953.

School News

Pinkney Craig and Billy Gene Edmiston participated in the Regional Track Meet in Brownwood, Saturday. These two boys won first at District and advanced to the Regional Meet. Craig placed fourth in the 880 dash with a good time of 2:04.5. Edmiston became sick on his second lap of the mile and failed to place. These boys competed in Class B which had unusually good times in several races. Craig's time bettered the winner in the Class A division. Both these boys are fine track men and should be good in college competition.

Pinkney Craig was voted outstanding Trackman by the members of the "E" Club Monday night and his name will be inscribed on the large beautiful trophy that was bought by the club members to recognize outstanding players in football, basketball, and track.

"E" Club Initiation

The "E" Club had its annual initiation for new members Monday night with the following boys being selected for initiation: Jerry Perry, Jerry Pennington, Jim Steward, Jack Steward, Ramiro Minor and Billy Jack Etheredge. Having passed the initiation set forth by members of the club, the boys were praised by Coach Waldrum for their fine attitude, and good sportsmanship during the year and during the initiation.

President Bill Bearce presented a membership pin to each boy and the "E" was printed on his forehead. The boys then went to a local cafe for hamburgers and french fries as a treat. Old members present were: Billy Kenneth Cheek, Frank Estes, Lynn Griffin, Jack Stanford, Jimmy Doyle, Vernon Phillips, and Bill Bearce.

Band News

The Eldorado Band had a very profitable time in San Antonio last week-end. After sight-seeing Friday and Saturday they participated in the illuminated night parade, and were shown for a time on television. The parade was about 7 1/2 miles long. Needless to say, when the group arrived home at 7:00 a. m. Sunday they were ready for

bed.

The Formal Spring Concert of the Eldorado Band was held in the high school auditorium Tuesday evening at 7:30. Soloists for the band were Myrl Sudduth who gave a composition for piano and band; Jimmie Dell Williams, who played a Sonata by Weinberger for flute and piano with Carolyn Ratliff as accompanist; and Martha Humphrey and Sandra Hall in a piano duet composition. Esther Jones was featured twirler.

The Band had the honor of having Mr. William Bradley, the band director of Sonora, to conduct them in the march "Symbol of Honor" by Messang. A good crowd attended.

Pre-Enrollees To Visit

Superintendent T. E. Holcomb announces the pre-enrollment visitation for all beginning first grade students will be held on Monday, May 11 for the Anglo children, and on Thursday, May 14 for the Latin American. These children will be guests of our first grade rooms from 11:00 a. m. on the above dates, be served in the cafeteria and will participate in the school activities until 1:30 p. m.

At 1:30 p. m. on the respective dates mothers of the pre-enrollment children (those who will be six years old by September 1, 1953) will report to a designated room for instructions and refreshments. All parents are asked to please bring child's birth certificate.

Debaters To Brownwood

On Friday, April 24, the debate team, composed of Glenna Edmondson and Jean Kuykendall, attended the Interscholastic League Regional Meet held in Brownwood. The team was defeated by Paint Rock, the winner of the meet.

While in Brownwood the girls attended the Community Playhouse production of "You Can't Take It With You."

Mr. and Mrs. A. J. Roach and Jim Tom spent the week-end in San Antonio visiting Jim Tom's sons, whose school, Sacred Heart, won first in the water carnival and second in the float during the Battle of Flowers.

First Baptist News

This has been a busy, but a good week. We were grateful for the good attendance we had in our services. We had 215 in Sunday school and 78 in training union. Our average for April in Sunday school was the highest in the history of the church. The average was 252. Our average in training union was 91. The efficiency banner for April was won by the Intermediate department with a grade of 72. The Primary department was second with a grade of 71. Good group Monday evening for our brotherhood meeting. More of our men should avail themselves of this blessing. Tuesday evening we had a good group for our Sunday school officers and teachers meeting. Good group for our prayer services Wednesday evening. Yes, this has been a busy week. But busy churches are growing churches. The Lord did not call and baptize a single disciple that wasn't already at work at something. This is no coincidence. "Hats off to April, coats off to May."

Keep this important date and this important event in mind. Beginning this Friday evening at 7:30 we will have a weekend mission revival. Our guest missionary will be Rev. Evan F. Holmes from Chile. Rev. and Mrs. Holmes have just finished their first five years of work in Chile and are home on leave. This will afford a great opportunity for each and all of us. There will be four services in this weekend mission revival. Friday evening, and Saturday evening, and both services Sunday. Tell your friends, invite your neighbors. Come yourselves. This will be a good day for us all. We will be looking for you.

We still need Vacation Bible School workers. If you will work see or call Brother Welsh. Call 22731 or 23331. We trust that each department superintendent will enlist all the help they can and will call all the faculty meeting necessary to get their work planned to detail. The date of the school is June 1 through 12. It will be from 8-11:30 each morning Mondays through Fridays for two weeks. Registration day, parade, and picnic will be held Saturday afternoon May 30. Make your plans now to be ready for this fine school. The goal for our enrollment is 300 in our church and mission school.

Record day is May 17th. This will be the last Sunday our pastor will be with us before taking up his work as District Missionary of District 16. Our goals for Sunday, May 17th, are 235 in Sunday school, and 150 in our training union. Let us each give our best to making this the greatest day in our church. Will you mark your calendar now? Put a big circle around May 17th. Then circle your heart with a pledge: I do appreciate what our pastor has meant to me and to the church and God willing I will be one of 325 in Sunday school and one of 150 in Training union.

We received into the fellowship of our church by baptism Sunday evening Mrs. Roy Phelps and Mrs.

bids if in its opinion same do not represent the fair value of such lease or leases.

Only cash bids will be considered and a cash deposit in amount of 5 per cent of bid will be required of successful bidder as security during reasonable time for his title investigation.

RUPTURE Shield Expert Here

H. M. SHEVNAN, widely known expert of Chicago, will personally be at the Cactus Hotel, San Angelo, Tuesday only, May 5. Mr. Shevnan says: The Zoetic Shield is a tremendous improvement over all former methods, effecting immediate results. It will not only hold the rupture perfectly no matter the size or location but it will increase the circulation, strengthen the weakened parts, and thereby close the opening in ten days on the average case, regardless of heavy lifting, straining or any position the body may assume. A nationally known scientific method. No under straps or cumbersome arrangements and absolutely no medicines or medical treatments.

Mr. Shevnan will be glad to demonstrate without charge, 6509 N. Artesian Ave., Chicago 45. Large incisional hernia or rupture following surgical operation especially solicited.

Irene Rutland. We had several visitors in our services Sunday. We are always happy to have our visitors. If you are a Baptist and making your home in Eldorado, we welcome you to make our church your church home. If you have no preference we welcome you to worship with us. We strive to be, "The friendly church with a spiritual program." We have a class for everyone, and a warm welcome always for all."

Jerry Blaylock, Senior in the Baylor School of Nursing, was chosen one of two students to represent the Baylor nurses at the five-day meeting of the Association in Houston, and at a meeting in Galveston. She is the daughter of Mr. and Mrs. W. A. Blaylock.

Mrs. Hattie Blaylock is taking treatments in Christoval.

Mr. and Mrs. Howard Stephenson and Mack visited Sunday in Ballinger with Mrs. Stephenson's sister Mrs. S. E. Davis, who is in a hospital there.

Mr. and Mrs. Tom McGill had as weekend guests Mr. and Mrs. Lloyd Spurgers and children of Fort Worth.

The Albert McGinnes family spent the weekend in Rankin with Bill Brooks and his family. They stopped Saturday in Big Lake for a visit with Rev. Roy Shilling and family and report that Sue is convalescing from an appendectomy.

The Spud Smith family were in Richland Springs visiting Spud's parents, Mr. and Mrs. Emmet Smith.

Joe H. Moore of San Antonio came in by plane Friday and took Sonny back home with him for a weekend visit.

Mr. and Mrs. Kenneth Duckworth spent the weekend in Eden visiting relatives.

Mrs. J. B. Montgomery is taking her private nursery class to Sonora by train Friday, and the group will be met there by the mothers.

Mrs. A. E. Kent has had as guests Mr. and Mrs. Raymond Allsup of San Antonio.

Mr. and Mrs. Walter Barclay and children Shannon and Thomas and Pat Perry visited in Richland Springs this weekend with relatives.

D. A. R. MEETING

"United to Safeguard Our Children's Future" was the subject of the program for the El Dorado Chapter, Daughters of the American Revolution when it met Thursday in the home of Mrs. C. M. McWhorter with Mrs. Ernest C. Hill and Mrs. P. K. McIntosh as co-hostesses.

In the absence of the Regent, Mrs. Ernest C. Hill presided. Mrs. Mabel Parker was introduced to the group as a new member with papers pending. Mrs. Charles E. Gary resigned as she has moved from this community.

Mrs. L. M. Hoover was leader of the program in which Mrs. Bailey Montgomery discussed "Your Child is Their Target" from the American Legion Magazine.

Mrs. W. F. Meador Sr. told from the Washington Post the story of the dedication of the Valley Forge Bell Tower Sunday April 19th. Mrs. W. O. Alexander gave the program for the Continental Congress; and told of the Memorial Service for the 3,074 members who died during the past year. Mrs. John Luedcke, Regent elect and Mrs. Horace Linthicum, Page, are

attending this Congress.

A large centerpiece of pink and white cut flowers decorated the linen covered table from which refreshments were served to Mrs. Ernest Nimitz, Mrs. W. N. Ramsay and Miss Kitty Buchanan, guests; and to Mrs. Raymond Schrank, Elizabeth Powell, Mrs. L. M. Hoover, Mrs. W. O. Alexander, Mrs. W. F. THE SUCCESS OFFICE

Craig-Phillips Wedding Is Set For June 4 At Eldorado Church

Mr. and Mrs. E. W. Craig announce the engagement and approaching marriage of their daughter Marianne to John Phillips, son of Mr. and Mrs. Paul Phillips. Both of the young people are graduates of EHS and are now attending college.

The wedding will take place on June 4 at 8:00 p.m. at the Rock Church of Christ. Miss Craig is completing her semester's college work at SAC and John is finishing his spring semester at Abilene Christian College.

ROBERT TISDALE HONORED ON HIS 4th BIRTHDAY

Mrs. Ray Tisdale was hostess at a children's party at her home Wednesday afternoon, honoring her youngest child, Robert, on his fourth birthday.

The large crowd of children attending the party were directed in a number of games by the hostess, assisted by others, and birthday cake and ice cream was served later in the afternoon. Favors were toy birds.

Methodist News

Rev. Fred Brucks will hold quarterly conference here Sunday night and will preach also at the evening service, which starts at 8:00. All members of the conference and all other members are urged to be in their regular places for this service.

A group of the young people are making plans to go to Miles to attend the sub-district meeting, beginning at 3:00. Several adults will accompany the group.

Mrs. Frank Meador, assisted by a group of WSCS committees are making plans for a banquet honoring the Seniors Friday night. The cowboy theme will be carried out throughout the evening, and guests will wear western garb.

The Methodist Men and others who would like to attend are making plans for the annual fishing trip to Upper Lake May 8-9.

Members of the WSCS are attending an officers' training school today, Thursday, in Sonora.

Fundamental Baptist

We are happy to report that the Fundamental Baptist Church is progressing in a marvelous way. May we continue to work and pray and stay humble before Him. We truly believe the scripture recorded in I Peter 4:17 "For the time is come that judgment must begin at the house of God. We are thankful for the many visitors that have been coming our way. You have a cordial invitation to come and worship with us each Lord's day.

We are blessed with renewed inspiration as we witness the increased interest and attendance of our young people. All young people who are not regularly attending other churches are invited to our young people's meeting every Sunday at 7:00 p.m. Last Sunday night W. L. Wilson brought a wonderful message on "Christian Living." Next Sunday James Swain will bring the message. Come and hear how God is using these young people.

Saturday, Children's Bible Study Hour, 3:00 p.m. All children are invited to come to this Bible study.

Sunday, Bible school, 10:00 a.m. Morning worship, 11:00 a.m., on subject, "Empty Vessels."

Young people's Bible study at 7:00 p.m.

Evening service, 8:00 p.m., subject, "The Word of God Is Not Bound."

Wednesday: Bible Study and prayer service at 8:00 p.m.

Thursday, Teachers' and workers' meeting, 8:00 p.m.

Friday: Singing.

Everyone welcome to come and enjoy singing praises to our Lord.

—Pastor, Cliff McDougal.

Popular Ozona Reviewer Makes Guest Appearance For Woman's Club Event

Eldorado Woman's Club entertained with a book review and tea on Tuesday, April 28th, in the Methodist Church. The Houses Between was reviewed by Mrs. Sherman Taylor of Ozona. This is a most fascinating story of an English woman from the time of Queen Victoria down to present times, and was told in a most absorbing manner.

Mrs. Taylor was introduced by Mrs. Bud Russell of Ozona. Following the review frosted punch and cake squares were served from the tea table centered with the club flower, pink roses, and tall candles in crystal holders. Mrs. Edwin Jackson, president, ladled punch, and Mrs. L. Steen served cake squares.

Besides the club members the following guests were present: Mrs. Bud Russell, Mrs. Taylor and Mrs. Bill Holcombe of Ozona; Mmes. Ed Joco, Bailey Montgomery, Pat Finley, Robert Baker, L. M. Hoover, Henry Moore, Van McCormick, J. F. Mayo, Elizabeth Powell, and George Cales.

The social committee composed of Mmes. John Stigler, James Page, C. L. Meador and L. Steen was in charge of arrangements.

YOUNG PEOPLE'S PARTY AT CORRAL ON SATURDAY

Margo Mittel, Nancy Jo Jackson and Peggy Spencer were hostesses at a western party in the Corral Saturday night.

The guests at this party were members of the sixth grade, in which the three girls are enrolled. Guests came dressed in jeans, boots, cowboy hats, and western type of shirts.

The mothers of the girls, Mrs. Archie Mittel, Mrs. J. T. Jackson, Jr., and Mrs. Edgar Spencer, served refreshments to 25 from here and one out of town guest, Lexie Jane Wilson of Mertzon.

Paul B. Keele of Lubbock, who owns land in Schleicher County, was a business visitor in Eldorado early this week.

GIRLS' AUXILIARIES MEET

Among activities at the First Baptist Church was a joint meeting of the Junior Girls' Auxiliary and Intermediate Girls' Auxiliary. At this meeting, which was held at the church, Mrs. Carl Stevens of Ozona reviewed "Ann Judson, Friend of Burma," for the girls and their sponsors, Mrs. C. O. Dewey and Mrs. E. W. Perry. Mrs. Clifford Nelson served refreshments to 25 members and guests.

Mr. and Mrs. Farris Nixon returned home Monday night from Wichita Falls where they were called because of the death of Mrs. Nixon's step father, W. H. Barr, age 62. The funeral was held Monday afternoon and the Nixons drove home that night.

Mr. and Mrs. A. A. Cooper of Big Spring spent last week here on vacation, and accompanied the Logans on a fishing trip.

Mr. and Mrs. Raymond Schrank and Gordon spent the week end in Big Spring with Mr. and Mrs. R. H. Cantrell.

Mrs. A. R. Parker's brother-in-law and sister, Mr. and Mrs. W. E. Anderson of Grandfalls were here Sunday to visit in the Parker home.

Mrs. L. V. Newport has had as guests this week her sister and family, Mr. and Mrs. Owen Dunham and twin four-year-old children Deborah and Warren Paul, of McAllen.

Jackie Wiles of San Angelo visited this weekend with Tony Cheatham. Other guests in the Richard Cheatham home were Mrs. R. B. Glasscock and daughter Teresa of Sonora.

Mrs. Frank Bradley and Chris Enochs have gone to Alexandria, Virginia, for a visit with Mrs. Bradley's daughter Mrs. Robert Frost and her family. They made the trip east by bus.

Mrs. Ben Biggs has been hospitalized in Clinic Hospital, San Angelo, where she is undergoing treatment for an ear ailment. She was admitted as a patient Thursday.

AMERICA'S NEW RAILROAD

"I want a ticket on the Atomic Super Chief!"

Well, sonny, just hang on to that dream. By the time you're a full fare, it might come true!

Of course there is no "Atomic Super Chief" ... yet.

But, don't sell American ingenuity and progress short. At the rate things grow new for you on the Santa Fe, you only need to squint your mind's eye just a little to see tomorrow streaming toward you down the track!

You can almost feel the future of Santa Fe in the quickened tempo of its progress in the recent past.

Just count the growing number of Santa Fe diesels that speed your freight and smooth your ride today.

Nineteen years ago there weren't any. Today there are 1422 units. By year's end there'll be 97 more. Steam is disappearing fast. And more than 250 coaling and watering stations have bit the dust.

Santa Fe folks just don't dally when it comes to building new.

For today the Santa Fe is America's new railroad. And it's going to stay that way by growing newer every day—in every way that can mean new safety, better service, new comfort and dependability for you.

It costs millions of dollars to serve you so. But it doesn't add a penny to the taxes you pay. Santa Fe folks are proud of that, too—proud that the newness of the Santa Fe is a part of American progress that pays its own way.

New Business To Open

A ceramic tile plant is due to begin production here about Sept. 1st, and will be located in the old Ford Motor building in the east part of town. The plant will employ approximately 40 persons soon after production starts and it is planned that some 36 or 37 of these persons will be local people. About half of them will be men, the other half women—Santa Anna News.

Stops Cattle Sales

Because of the continued dry weather and the fact that there is a shortage of stock in the county, Roy Robbins has decided to close the Ranchers' Commission Company until further notice. "I still have full confidence in the cattle business," Robbins said. He plans to resume the weekly sales when the general rains return and trading revives.—The Junction Eagle.

Fort Worth.—Fed cattle prices reacted and well-finished steers and yearlings sold strong to 50 cents or more higher at Ft. Worth Monday. Three loads of steers scaling 1,064 pounds from Castleberry Bros., Donley County, cashed at \$21.50, appeared fully 50 cents up. Two loads of steers from Post, Texas, averaged 1,166 lbs. and were lot mates to steers sold here last week. Monday they brought \$20, against \$19.50 a week ago. Emphasizing the good outlet for

truly fat young cattle was a shipment of crossbred Brahma yearlings and heifers from J. B. Jones of Marquez (Leon County). These young cattle averaged just over 700 pounds and the price was \$20. Creepfeeding of calves to produce beef calves comparable with these is being planned by cattlemen throughout the territory and it looks at present like the best bet since Northern feeders claim they are going into the loan with lots of their corn this year. Some sources in the middle west are saying they feel that stocker calves and yearlings should be bought around \$12 to \$15 this fall under present conditions. If such a market as that develops it will be good business for cowmen in this area to figure on selling "beef" calves by creepfeeding this summer. Best stocker calves sold at \$16 to \$19.50 at Fort Worth Monday. Yearlings sold at \$18 down for stocker purposes. Stocker cows drew \$11 to \$15. Fat steers and yearlings of good and choice kinds sold from \$18 to \$22, and common, plain and medium butcher cattle drew \$12 to \$17, some shells lower. Fat cows drew \$11.50 to \$13, a few to \$15.50. Cannons and cutters drew \$8 to \$11.50. Bulls cashed at \$10 to \$15. Fat calves drew \$15 to \$22, others \$8 to \$15.

Taller Signs Adopted By Highway Department

The Texas Highway Department has reached a new height in highway signs, D. C. Greer, State Highway Engineer, announced today. Greer said existing signs will gradually be replaced by taller ones 3 1/2 feet high measured from the pavement level to the bottom of the sign. The present signs range from 18 to 24 inches in height.

The reason for this change-over, Greer continued, is to reduce the maintenance cost and to increase readability and visibility, especially during the growing season when native flora often interferes with or partially covers the present low signs if not mowed frequently. In the spring, for example, they sow and cultivate wild flowers along the roadside and in order for these flowers to reseed, it is necessary to permit them to reach maturity. However, this is impossible in areas where low signs are in use since the flowers would hide the signs. Greer said that in wet weather, vehicles continually splashed

mud on the present low signs, causing an expensive maintenance cleaning problem.

Greer added that within the next three years this change-over should be completed throughout the state. There are 208,000 signs on the 42,206 miles of state-maintained highways and when replacement is necessary, the new height sign will be used. This original change-over will enable the department to erect the new signs at no extra cost to the taxpayer.

He pointed out that when three or more signs are to be mounted on a post, the bottom sign will be 2 1/2 feet from the pavement level so that the top sign will not be too high for easy readability. In the areas where the new signs have been tried, the results have been most gratifying. The higher signs are more visible to motorists and have greatly reduced maintenance cost, Greer said.

Mr. and Mrs. Pete Ringle were in Ballinger last week and as guests of the latter's parents Mr. and Mrs. J. W. Reece.

University Land Up For Bids On Leases With June 19 As Date

June 19 is the date for auctioning of the largest number of drilling blocks ever offered on University land in West Texas. The 17 blocks all call for deep tests, with some of the land lying in this county.

Most of the acreage to be offered for lease center around Crockett county, with some of the blocks spreading in Irion, Reagan and Schleicher counties. All of these require wildcats to the Ellenburger.

The blocks are:
Tract 62, block 6, Reagan and Crockett, 2,612.8 acres.
Tract 74, block 46, Crockett, 2,775.45 acres.
Tract 84, block 38, Crockett and Irion, 2,595.08 acres.
Tract 85, block 38, Crockett, 2,706.5 acres.
Tract 86, blocks 38 and 39, Crockett, 2,726.75 acres.
Tract 87, block 55, Crockett and Schleicher, 2,688.51 acres.
Tract 92, block 56, Crockett and Schleicher, 2,655.79 acres.
Tract 105, block 31 and 32, Crockett, 2,560 acres.
Tract 110, blocks 31 and 32, Crockett, 2,560 acres.
Tract 113, block 31, Crockett, 2,560 acres.
Tract 121, block 31, Crockett, 2,560 acres.

Wildcats to 12,750 for test of the Devonian are required in a pair of blocks in northeastern Andrews county.

These are:
Tract 24, block 5, 2,582.2 acres.
Tract 34, block 4, 4,574.2 acres.

A block of 2,286.2 acres will be offered in southeastern Upton, lying in block 5, and designated tract 57. It requires an Ellenburger wildcat to 11,500 feet.

A Reagan drilling block will be offered as tract 72, consisting of 2,260.3 acres and lying in block 9. It requires an Ellenburger test to

11,000 feet.
The remaining blocks are divided between Winkler and Ward counties, each requiring 7,500-foot tests. The Winkler acreage, designated tract 126, is in block 21 and consists of 2,562.8 acres.
That in Ward is tract 137 and consists of 2,570.4 acres. It is in block 16.

PRESBYTERIAN NOTES

The three circles of Women of the Church met in regular joint session Monday afternoon at the church, with Mrs. John Williams, president, leading the lesson study from the first chapter of "My Church." Mrs. Bert Page was hostess.

Regular services will be held Sunday. The sermon at the morning preaching hour will be on "Soil and Soul" in observance of soil conservation week.

A workshop for vacation Bible School workers is scheduled for this district May 11 at Eldorado. Included will be workers from San Angelo, Sweetwater, Roscoe, Sterling City and Eldorado. The last week in May has been set for the schools here at both Presbyterian and Negro churches.

Mr. and Mrs. Will Isaacs and Kenneth were in Austin, where they visited relatives and attended the Texas Fine Arts Festival. On their way home they stopped in San Antonio and spent the day at Brackinridge Park.

Here during the weekend for a visit in the Lige Chrestman home were Mr. and Mrs. C. E. Morrison of Wichita Falls, Mrs. Bill Wooster and daughter and two children of Holiday, Mrs. Henry Jenkins of San Angelo and Mr. and Mrs. Sam Baker of Christoval.

Mary Davis of Fort Worth has been a visitor in the home of her parents, Mr. and Mrs. E. T. Davis and her sister Mrs. Elvis Craig. Other guests in the Craig home were Mr. and Mrs. A. C. Craig of Colorado City and Mrs. Fannie Kincaid.

The W. H. Hale family were in San Angelo Sunday afternoon visiting Mr. Hale's mother and sisters.

MOBILGAS ECONOMY RUN FLASH!

FORD BEATS ALL IN ECONOMY!

Economy Winner 4 Years in a Row!

MILEAGE MAKER "6" WINS SWEEPSTAKES!

Score a blazing victory for Ford's dollar-saving gas economy! Ford's high-compression Mileage Maker "6" with Overdrive beat every car entered in this year's Mobilgas Economy Run, regardless of size or weight, to sweep the sweepstakes! Ford's winning average was 56.70 ton-miles per gallon.* And Ford's high-compression 110-h.p. Strato-Star V-8 with Overdrive was right up there in economy, too, with a record of 48.55 ton-miles per gallon!

The winning Ford was a regular production car, just like thousands of other '53 Fords you see on the road every day. This 1,206-mile trip from Los Angeles to Sun Valley covered all types of driving conditions. The route threaded through city traffic, where stop-and-go driving tests an engine's fuel economy under the toughest conditions . . . and out along the highways of four western states.

The Ford Mileage Maker "6" took all this in stride, maintaining a speed above the required 44.25 m.p.h. minimum, to finish 1st in the sweepstakes! What better proof is there that Ford is the thriftest car of all? What better way to show why Ford is worth more when you buy it . . . worth more when you sell it!

See . . . Value Check . . . Test Drive the WINNER

OFFICIAL  PROOF!

FORD 101-h.p. Mileage Maker "6"
WITH OVERDRIVE
56.70
TON-MILES PER GALLON*

Ford is the first car in its weight class . . . in the history of the Economy Run . . . to win top honors in ton-miles per gallon over all other cars regardless of size or weight.

* The AAA Contest Board determines the winner by a "ton-mile per gallon" formula to insure equal chance for all cars in each class regardless of size and weight. Ton-miles per gallon equals the car weight (including passengers) in tons, multiplied by number of miles traveled, divided by number of gallons of gasoline consumed.

CUB SCOUTS MEET

The Cub Scouts held their scheduled pack meeting Saturday afternoon, but changed the meeting place from the Roadside Park to the home of Mrs. Wm. Lindsey because of the rains.

Bill Rountree was in charge of the meeting, at which he showed leaves and grasses and taught the boys the various names—in preparation for the contest on Cub Day at Fort McKavett. T. P. Robinson, Jr., Cubmaster, gave the awards. Fifteen boys and several adults attended.

Mr. and Mrs. Arch Edmiston were in San Antonio several days, while Mrs. Edmiston took an advanced course in hair cutting and styling from Jeff Mills, a beauty specialist.

25 YEARS in SAN ANGELO

Eight Scouts of Troop 18 attended the camporee Saturday of the West Ranch District, which was held at Camp Sol Mayer, with troops from Sonora and Ozona also taking part.

Contests among patrols included compass course, fire by flint and steel, string burning, knot tying, nature study and uniform insignia.

Those attending from here were Eugene Bradshaw, Joe Stanford, Hunter Bill Edmiston, Ernest K. Nimitz, Arnie Lee Westbrook, James Lee Swain, Farris Nixon, and Roy Lynn Taylor; also Clovis Taylor and his younger son Velton, E. H. Nimitz, and Scoutmaster Bill Gunstead.

A meeting of workers in Cub Scouting held Thursday in San Angelo included four from Eldorado: Mrs. Hollis McCormick, Mrs. Edward Meador, Mrs. W. McGregor, and Mrs. Forrest Runge.

Marlin Feig, assistant national director of Cubbing, from the national office in New York, gave instruction in phases of Cubbing, including den meetings and advancement.

Sessions were held from 10:00 a.m. to 3:00 p.m., and included a luncheon in the Green Room of the St. Angelus hotel.

**HOUSTON TO ENTERTAIN
SOUTH'N BAPT. CONVENTION**

Houston will be the host city when the Southern Baptist Convention meets on May 6-11. Messengers to the convention are part of 7,373,398 Southern Baptists belonging to 28,298 churches in 22 states. In Texas there are 1,254,000 members representing 3400 churches.

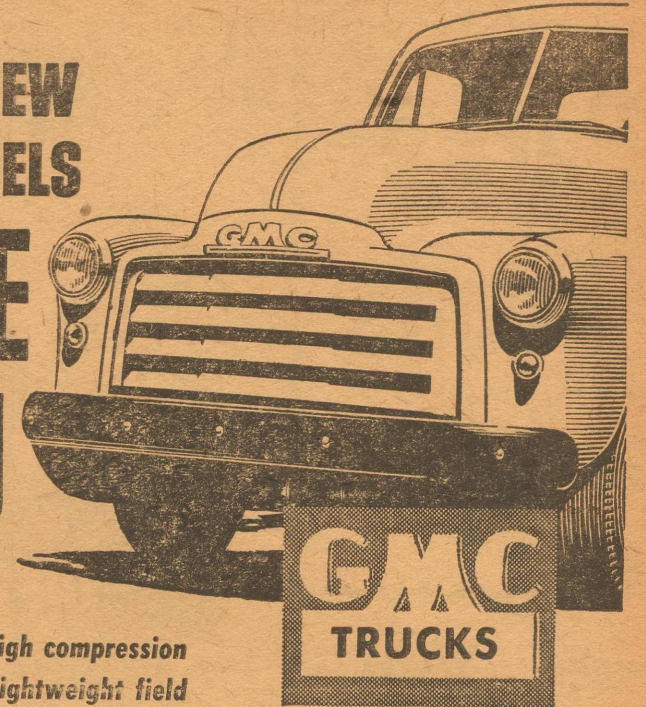

It is expected that Eldorado's First Church will probably have representatives there.

Mrs. Cliff McDougal and her family have had as guests Friday and Saturday her parents, Mr. and Mrs. R. F. Jones, and her sister Mary Alice Jones, of Lubbock.

George Williams and family and Mr. and Mrs. J. D. Holden visited Sunday in Odessa with relatives. They were guests in the homes of Mr. and Mrs. W. W. Williams, Mrs. Dollie Wallace, John Masey, who is Mrs. Williams' twin brother, and Cal Masey. Other relatives joining them there included Mr. and Mrs. Troy Behrens and children of San Antonio, Mr. and Mrs. James Masey of Andrews, and Mr. and Mrs. Teena Huichuman of Sweetwater.

Mr. and Mrs. Ralph Fowler were in San Antonio attending a display of motel and hotel furnishings.

A GENERAL MOTORS VALUE

HAUL HEAVIER LOADS MORE EASILY

228 cubic inch engine with 105 horsepower—highest in its class.

SHIFT FOR THEMSELVES—WITHOUT MISTAKES

Dual-Range Truck Hydra-Matic* unerringly selects the right gear ratio for all needs—automatically.

GET MORE POWER FROM REGULAR GAS

8.0 to 1 compression—highest of any gasoline truck engine—extracts more punch, faster response, from non-premium fuel.

SAVE FUEL

Hydra-Matic's 3-speed range for traffic, 4-speed range for open going, cuts engine rpm to the minimum needed for the job.

CUT MAINTENANCE COSTS

Hydra-Matic's fluid coupling prevents engine strains, shock loading of drive line and rear axle, reducing servicing and repair needs.

SAVE TIME

Better acceleration without shifting lag, cuts "traffic light time" at every stop.

SPARE THE DRIVERS

Elimination of clutch-and-gearshift effort keeps drivers fresher, more alert to accident hazards.

*Standard equipment on Package Delivery model; optional at moderate extra cost on the others.

ELDORADO WOOL COMPANY

Highest-powered ENGINE in the low-price field

plus all these other buyer benefits that only the New Chevrolet offers you!

Entirely new Styling

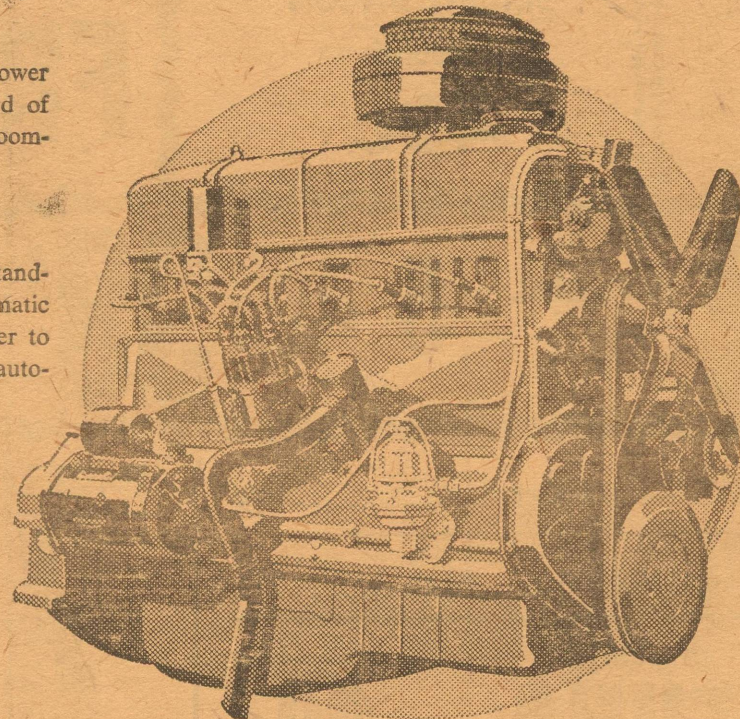

Strikingly new—with longer, lower lines that set a new standard of beauty for low-priced cars. Roomier, richer interiors, too.

Entirely new Powerglide*

Faster acceleration from a standing start with new automatic starting range... new power to pass in city traffic with new automatic passing range.

Entirely new Economy

The most important gain in economy in Chevrolet's history! Two great engines now offer even more economy than you have enjoyed with Chevrolet in the past.

Entirely new Safety

New one-piece curved windshield for greater visibility. New, sturdier construction. New, easier brake action and new Foot-Form brake pedal.

Entirely new Durability

Chevrolet's new Body by Fisher is strengthened throughout. New heavier door-posts and sills. New bracing in roof and framing.

Entirely new Power Steering*

Exclusive to Chevrolet in the low-price field! It permits you to park with finger-tip ease. You turn the wheel and the power unit does the work.

Pictured above, you see the great new 115-h.p. "Blue-Flame" engine—one of the most important advances in engine design in many and many a year.

New high compression! The 7.5 to 1 compression ratio is among the highest in the industry. Free-breathing carburetion, new aluminum pistons and many other features also play an important role in making this the most powerful engine in its field!

Yet, both the "Blue-Flame" engine (teamed with

the new Powerglide automatic transmission*) and the advanced "Thrift-King" engine (in gearshift models) offer a wonderful gain in economy, too.

Why not come in and take the wheel on a demonstration drive? Why not make it soon?

*Optional at extra cost. Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine available on "Two-Ten" and Bel Air models only. Power Steering available on all models. (Continuation of standard equipment and trim illustrated is dependent on availability of material.)
