## Baccalaureate Is Held; Commencement Slated

The first of the scheduled Commencement events for the Seniors of 1953 was held Sunday night at the school auditorium, when 24 graduates participated in baccalaureate services.

A good crowd attended this service, including a large number of relatives of the graduates, some of whom were from out of town.

Mrs. Joe Muller Christian played the processional and the recessional for entrance and exit of the young people.

Rev. Cliff McDougal, pastor of the Fundamental Baptist Church, delivered the invocation, after which Rev. Doyle Morton, Methodist pastor, read the scripture.

Minister Quentin Dunn of the Church of Christ, pronounced the benediction.

A robed choir, composed of the choral club of the school, with Miss Lucille Farmer as director, sang two religious selections.

Supt. T. E. Holcomb introduced the speaker for the evening, Rev. Clifford Nelson, pastor of the First Baptist church. This was Rev. Nelson's last sermon in this city as he moved the following day to Brownwood, where he has another position.

Stressing the fact that there is no premium on ignorance, Rev. Nelson commended the students and parents on their graduation. His sermon was based on the 25th chapter of Luke, and his subject was "What is your philosophy of life?"

Concerning possessions, he told the graduates, there are three attitudes: that of the thief who takes what he wants, that of the self-centered man who says "what's mine is mine and what's yours is yours," and the third, and better type, "What's mine is yours."

The third attitude, he stated, is the bulwark of our way of life, something we must not lose—for possessions alone are not worth anything when the end of this life comes.

Is life a treasure to be enjoyed within one's self, causing us to build bigger barns to store more and more of these worldly goods—or is there an obligation to others?—these are some of the questions he asked as he developed his theme: that all of the great characters of history are those who realize life's obligations, and that we can never expect to find ourselves without responsibilities to our fellow man.

### Commencement

Mrs. James Page will be pianist and Rev. F. H. Pryor and Rev. Charles Bruce will deliver the invocation and benediction at graduation exercises tomorrow, Friday, night. The starting time for this program will be 8:00 p.m.

Special music will be rendered by Fred Gillaspay and the sextette, and Jane Alexander and Wilson Humphrey will deliver salutatory and valedictory addresses. Joe H. Foy, the speaker for the evening, will be introduced by Supt. T. E. Holcomb.

W. J. Fraker, principal of the high school, will present awards, and Henry Speck, president of the school board, will present the diplomas to the graduates.

### Report Cards Saturday

Final examinations are under way this week in preparation for closing of the school year. From Thursday noon until Saturday morning there will be no school, giving teachers time to grade exam papers and close out their records. Students will return Saturday morning at 9:00 for report cards and book cards.

### ROPINGS SCHEDULED

An open jackpot roping will be held tonight at the local arena, it was announced this week by the Eldorado Roping Club. Another roping will be held Sunday afternoon.

### SAFE CRACKERS FAIL

When proprietors entered the Red and White store Sunday morning they found that burglars had tried to blow open the store safe during the night. The dial and lever had been blown off, but the heavy doors remained securely bolted.

The Claude Alexander family moved Wednesday to Freepoot where Mr. Alexander is employed.

The Jack Montgomery family and Mrs. J. B. Montgomery spent the weekend in San Antonio visiting with Joe Bailey Montgomery and his family.

## Bob Stewart Wins First In County Wool Show

The Schleicher County 4-H Wool Show held last Friday was won by Bob Stewart. Bob exhibited the first, second, and fifth place yearling ewe fleeces, Champion Fleece, and Champion Group of Four Fleeces exhibited by one boy. He is the newest breeder under the Sears Foundation which gives 4-H boys start in breeding registered Rambouillet sheep.

Ken Love exhibited the first place aged ewe fleece. He also placed two other aged fleeces in the top five, winning fourth and fifth.

Dick Runge took his share of honors by winning second and third with aged ewe fleeces, and fourth with a yearling fleece.

Mike Moore showed the third place yearling fleece and Ronnie Mittel showed a good fleece in the yearling ewe class.

The judging was done by two county agents, Mr. Clinton Langford of Sutton county and Mr. Paul Newton of Menard county. They did a good job and everyone seemed satisfied.

Several local growers attended the judging which was held in the Eldorado Wool Co. warehouse. Not only did they enjoy the judging, but also heard Mr. Roux, a sheep and wool specialist from South Africa, discuss wool preparation and marketing in Africa. He pointed out that they bale the wool over there instead of bagging as we do. It goes through a process similar to cotton in that it is first baled then sent to a compress and pressed into smaller bales. Most of their wool is exported to foreign countries. They also take out any inferior wool such as tags, britch wool, and sometimes the dirty back wool before rolling. Rolling is also different and the wool is not tied. Premiums awarded were as follows:

Bob Stewart, first place, \$9.00 and rosette.

### Aged Wool Fleeces

1st, Ken Love, \$10, ribbon;  
2nd, Dick Runge, \$8, ribbon;  
3rd, Dick Runge, \$6, ribbon;  
4th, Ken Love, \$5, ribbon;  
5th, Ken Love, \$4, ribbon.

### Yearling Ewe Fleeces

1st, Bob Stewart, \$10, ribbon;  
2nd, Bob Stewart, \$8, ribbon;  
3rd, Mike Moore, \$6, ribbon;  
4th, Dick Runge, \$5, ribbon;  
5th, Bob Stewart, \$4, ribbon.  
Champion fleece by Bob Stewart, rosette.

## Application Blanks For Cotton Classing Ready

Application forms for Group membership in the 1953 Smith-Doxey program are being sent to W. G. Godwin, Schleicher County Agent, according to H. J. Matejowsky of the Abilene Cotton Classing office this week.

Farmers who wish to join the Cotton Improvement group in this county and avail themselves of free classing and market quotation service should not waste any time, Matejowsky stated. They should join a group before they plant their cotton.

After they're in a group, the elected group leader will make one application, with the assistance of the County Agent or local ginmer, covering all members. He will send it to the Abilene Cotton Classing Office.

Under the Smith-Doxey Act, Matejowsky explained, any group of farmers organized to promote improvement of cotton, which adopts a single variety, files an application, arranges for sampling, and meets certain other requirements, is eligible to take part. No fees are involved. Members then get their cotton classed free by the U. S. Department of Agriculture at the local classing office.

After classing, a green card on each bale is returned to the farmer. This, plus the market news service, gives him a definite advantage in trading for he knows exactly what he's selling and how much it is worth. Also, he can even sell his cotton by presenting his green card to the buyer for examination in place of an actual sample.

Mr. and Mrs. D. C. Hill, who spent most of the winter in Alpine, came in by private plane for a week's stay at their home in Eldorado, and they will return to Alpine by plane.

## FAREWELL PARTY HONORS NELSONS FRIDAY NIGHT

Church members and others attended a tea given by the entire church Friday night, honoring Rev. Clifford Nelson, who was moving to Brownwood after completing two years as pastor of the First Baptist Church in Eldorado.

In the receiving line were Rev. and Mrs. Nelson, and the assistant pastor and his wife, Rev. and Mrs. Darwin Welsh; also Mrs. Sadie Davidson and Mrs. C. W. Galbraith alternated in receiving the guests.

The pink and green colors were carried out in the table decorations. Individual cakes were iced in white with pink and green trim, and these were served with coffee or punch. Pink roses centered the serving table.

During the evening, Mrs. Roy Phelps, Mrs. John Stigler, Mrs. Joe Muller Christian and Carolyn Ratliff played piano numbers, and Miss Lucille Farmer, the Phelps girls and Mrs. Roy Phelps sang. After the piano recital at the schoolhouse, Sue Hall, Judy Blaylock, Margo Mittel and Darla Jones played their recital numbers also.

A movie projector with screen and some film, a silver teapot and several individual gifts were presented to the couple.

## 4-H Land Judging Team Qualifies For State Meet

The District 4-H Club Elimination Contest was held at Fredericksburg last Saturday. The Land Judging Team from Schleicher County qualified for the state meet. Raymond Mittel, Jim Whitten, Sonny Moore, and Herman Phillips are working on land judging. The team will participate in the state judging contest at College Station, June 25.

The local grass judging team narrowly missed qualifying for the state judging by placing third out of about ten teams. Only the top two teams can go to the state contest. Jack Stanford, Ronnie Mittel, and Dick Runge were the three highest boys for Eldorado in grass judging. Other boys in the grass contest were Mike Moore, Jerry Johnson, Ken Love, and Jim Whitten.

Raymond Mittel, Sonny Moore, Robert Townsend, Jerry Perry and Cecil Walston made up the Rifle Shooting Team.

The next contest for the boys will be the State Wool and Mohair Judging at San Angelo on June 17.

Delma Logan, who is employed with an insurance company in Dallas, spent the weekend here with her parents Mr. and Mrs. Marvin Logan.

## OIL NEWS

JAMES C. WATSON

Midland, Texas

Two wildcat operations in Schleicher County this week indicated as possible new field openers to pace the stepped up activity in the area.

Renwar Oil Company and Delta Gulf Drilling Company No. 1 D. D. DeLong, Northwest Schleicher co. wildcat, 12 miles northwest of Eldorado, found slight shows of possible production in a drillstem test at 6,426-50 feet.

The section covered by the test is in the Canyon sand, top of which was called by some geologists to be at 6,420 feet. The elevation has not been reported.

The tool was open one hour and 35 minutes for the test at 6,426-50 feet. Recovery was 310 feet of heavily oil and gas-cut drilling mud. There were no signs of formation water.

Open flowing bottomhole pressure was 150 pounds. Shutin bottomhole pressure after 15 minutes was 275 pounds.

The prospecter, which is contracted to 8,500 feet, or a test of the Ellenburger at a lesser depth, is drilling deeper.

The exploration is nine miles west of the Huldale field and 660 feet from south and 1,980 feet from east lines of section 52, block TT.

Shows of oil, gas and water have been reported in Richard King, Jr., of San Angelo No. 1-16 Otto Williams, wildcat in Central-East Schleicher County.

King No. 1 Williams was drillstem tested in the Strawn reef from 5,109 to 5,129 feet. Tool was open one hour and 45 minutes. Gas surfaced in 15 minutes, with no gauge or estimate being made on volume.

Recovery was 50 feet of free oil, 20 feet of oil and water-cut mud and 560 feet of salt water.

The project was bottomed at 5,180 feet with another drillstem test slated. Location is 20 miles east of Eldorado and in section 16, block 1, GH&SA survey.

C. L. Norsworthy, Jr., of Dallas No. 1 Powell, wildcat in Central-East Schleicher County, was to be plugged back from the Ellenburger for tests of a Pennsylvanian gas sand.

After finding salt water in a drillstem test of the Ellenburger operator ran logs and was preparing for the plugging back operation at last report.

The wildcat took a drillstem test in a Canyon sand from 4341 to 4389 feet. Tool was open two hours. There was a weak blow of air throughout the test. Recovery was 60 feet slightly oil-cut mud.

Another drillstem test was run from 4388 to 4450 feet. Tool was open two hours. Recovery was 95 feet of drilling mud and 90 feet of salt water. Location is 23 miles east of Eldorado.

Carter & Carter of San Antonio filed application to drill No. 1 Sheen Brothers as a 5,000-foot wildcat in central-east Schleicher County, 27 miles east of Eldorado. Drillsite is 660 feet from north and west lines of section 1650, Johannes Miller survey. It is 1 1/2

miles southeast of Carter & Carter No. 2 Webster, gas-distillate discovery. Operations are to start at once.

Wesley West of Houston has spotted his 12 Christena Mittel as a west stepout to production in the Neva West field of north central Schleicher. Rotary drilling to 6,700 feet will start at once.

Location is 2436 feet from north and 467 feet from west lines of section 77, block TT, TC survey and 12 miles north of Eldorado.

B. L. McFarland and Texas Crude No. 1-45 Mittel, Ellenburger failure one mile north of Eldorado, has been plugged. It was drilled to total depth of 7210 feet. The Ellenburger was topped at 7038 feet, elevation 2452 feet.

Mr. and Mrs. Tom Johnson have returned from Midland where they attended a 45-minute voice recital given by their granddaughter, Elaine Johnson.

### Post Script

The rain has not been enough to assure good crops, but many in the Reynolds Community are planting and crops are beginning to come up in a few fields. As the rains were spotted not all farmers are in position to plant as yet. Cotton seems to be most generally planted but some have gone in for feed also.

There were out-of-state visitors on the P. F. Case Ranch Monday. These four men, all of Illinois, spent the day on the ranch, and the first two named bought six heifers each from the Case stock: Albert and Roy Webb, and Dann Wood of Ewing and C. L. McHatton of Baldwin. The stock is being shipped this week.

Dates to remember at the courthouse: Old Age Assistance official Aikin is in the courthouse each first Wednesday; the driver's license examiner is there all day each fourth Friday; the commissioners' court is in session each Second Monday.

Promoted to a better job with the Wm. Cameron Lbr. Co. is David Stewart, who has gone to Waco to become a traveling auditor for the company. Mrs. Stewart remained here to complete her work as teacher in the Eldorado school system. The couple have two children. The family will join Mr. Stewart soon.

Cameron's are building another residence, to be moved.

News stand sales of the Eldorado Success over the past week ended totaled a flat one-hundred copies, according to the proprietors of the Eldorado News Stand near the post office. For the past two months sales have been from 85 to 95 copies, but last week was the first time it hit the century mark. This of course is in addition to our regular list of mail subscribers and a considerable number sold over the counter at the print shop.

## Local Co-Op Buys Land For Future New Home

According to a deed filed this week, the Southwest Texas Electric Co-Operative, Inc., has purchased from Bert Page and wife a lot 200 x 300 feet out of the north corner of block 84 in the city of Eldorado.

This lot is directly across the street southeast of the telephone office and is now being used by Weaver Trucking Company.

The Co-Op will probably build a new warehouse on the property this year and at a later date an office building will be erected on the north corner. The property is bounded on two sides by black-top streets, and when it is eventually developed by the Co-Op, will make a valuable addition to the Eldorado business district.

Organization of the Southwest Texas Electric Co-Op got under way during the war years. The first line began giving service early in 1946, and since then the system has been growing until its service lines extend into all of the adjoining counties.

Present Co-Op directors are: Forrest Runge, Joe Edens, Frank Bond, W. W. Sheen, E. L. Tankersley, J. V. Drisdale and Alvin Harrell.

Don McCormick has been manager of the Co-Op since before the lines were energized.

## Twenty-fifth Anniversary Will Be Celebrated By Lions Club Saturday

Members of the Eldorado Lions club will review the years of service in Eldorado Saturday night at the twenty-fifth anniversary celebration of the club. The banquet meeting, which will start at 8:00, will be a ladies' night.

The program will include a memorial service, and a portion will be given by the San Angelo Lions' club, which organized the local unit in May of 1928 with 30 charter members.

E. C. Hill, one of the charter members, is general chairman of arrangements for Saturday night.

## Mrs. Patterson's Pupils In Recital Monday; Public Is Invited

Mrs. W. M. Patterson will present her piano pupils in recital in the school auditorium at 8:00 on the evening of the 25th.

The general public is cordially invited to attend this recital.

## S. S. Payments On Increase In This Area

Social security payments totaling \$82,136 went to 2515 people in the 13 county area serviced by the San Angelo office in April 1953, according to George D. Clark, manager of the San Angelo social security office. These figures are based on revised estimates of current benefits and represent an increase of 51% over payments at the end of 1951.

Changes made by the 1950 and 1952 amendments to the Social Security Act accounted for a considerable part of the increases, both in the number of people receiving benefits and in the amount of their payments. In 1950 the law was changed to include millions of people not covered before, and to make it easier for them to qualify for payments. Among those newly covered were self-employed people and regularly employed household and farm workers.

The 1952 changes, effective in September, raised the amounts of practically all benefits, gave social security credits for military service after the end of World War II, and provided that a person can be considered "retired" even though he is earning as much as \$75.00 a month.

### LIBRARY NEWS

April 20th was the 18th anniversary of the library. The average monthly circulation the past year was 508 books. We have 3091 volumes at present. 279 books were added, 168 books were mended, 86 books were discarded, and 208 new readers were added.

New Guild books are: The Intruder, by Fowler; The Silent Reefs, by Cottrell; Mary Lincoln, by Ranadill; Snips and Snails, by Baker; Stephania, by Karmel; Good Morning Young Lady, by Kennelly.

We have added a copy of the Revised Standard Version of the Bible.

Mrs. DeLong and Mr. and Mrs. S. D. Harper gave books in memory of R. A. Evans, Mrs. Winslow and Dr. and Mrs. Wiedenmann in April.

You are invited to visit your library.

## ★ The Military ★

Harland McAlpine, radar man with the Navy, came in Saturday on 20-day leave. He is the son of Mr. and Mrs. W. G. McAlpine. His ship is now in dry dock at San Francisco.

Rusty Dannheim, who is serving a hitch in the Navy, reports that he is now located on an island near Pearl Harbor. His new address is: Donald R. Dannheim, AM3, Air Transport Sqdn. 7, F.P.O., San Francisco.

Mrs. Donald Dannheim arrived in Eldorado last week for an extended visit with her husband's parents, Mr. and Mrs. E. H. Dannheim.

PACIFIC FLEET (fhnc)—Taking part in "Operation Seajump," a large scale amphibious training exercise off the coast of southern California, is David D. Griffen, Seaman, USN, son of Mr. and Mrs. James A. Griffen of Eldorado, Texas, serving aboard the attack cargo ship, USS Skagit.

The climax of the exercise will be a full scale land assault by amphibious forces supported by air units and helicopter landing attack forces, against an "enemy" entrenched at Camp Pendleton, Oceanside, Cal.

Among boys reporting for physicals Wednesday at San Antonio were Jerry Lee Thompson, James Logan, Bobby Galbreath, Truman Biggs, Joe Ed Spencer, and George Ochsner.

Mrs. Dickens and Carol Lynn had returned Tuesday from Fort Leonard Wood, Mo., where they visited Private Benjamin D. Dusek, fiancé of Carol Lynn and son of Mrs. Frank Dusek, who with her daughter Jerrylyn, accompanied the Dickens. They were at Fort Smith, Ark., when they first heard of the tornado at San Angelo. Mrs. Dickens also reports that she had received a telegram from Neill, sent through the Red Cross from Korea, asking about the safety of his relatives. Neill has been with photographers taking pictures of the wounded prisoners as they were moved from the hospital and loaded onto helicopters headed for Tokyo.

Albert Ray Thigpen and his family returned Tuesday to the home of his parents, Mr. and Mrs. Albert Thigpen, where he will assist with farm work for several days. He is employed in the tractor department of a Honda business firm.

First Baptist News

Brother and Mrs. Nelson and Sylvia Ann wish to express their appreciation to the church and their friends of Eldorado for the lovely farewell party given for them Friday evening in the church fellowship room. For the love that prompted it, and for the lovely and useful gifts, we express our deepest thanks. This has been the happiest pastorate we have ever had. We have one consolation: Eldorado is in our district. Again we say thanks to a wonderful people.

Official Notice: After noon Monday, May 18th, any person or persons may claim credit for any rain, if any, but for those that have fallen since April 19th, one Clifford Nelson receives all the credit. All we have heard from every source for two years has been, "You brought the drought. It hasn't rained since you have been here." Well, I resigned April 19th and it immediately began to rain. Better be careful who you call. I understand the Baptist preachers at San Angelo and Waco cause quite a different kind of weather.

Don't forget the important Vacation Bible School meeting to be here at the church Friday afternoon, May 29. This will be registration day. The activities will be in this order. First, all boys and girls will be registered. Second, there will be a parade. Third, return to the church for a picnic. The ages for this school are from 1 through 16. We will have five departments. Mrs. John Stigler will be superintendent of the Intermediate department, Mrs. Pynes the Junior, Mrs. E. W. Perry the Beginner, Mrs. L. D. Mund the Primary, and Mrs. Roy Martin the Nursery. Our goal for enrollment is 300. We still can use workers. Brother Welsh will be Principal and Miss Carolyn Ratliff pianist. Plan now to see that your boys and girls are here. All are welcome. Any boy or girl in Eldorado will receive a warm welcome to the school.

Brother and Mrs. Nelson and Sylvia left Eldorado Monday for their new home at Brownwood. They will live at 2411 Third Street in Brownwood. They will be happy to see any of their friends at any time they are in Brownwood. Brother Nelson's office will be in the Public Relations Office on the campus of Howard Payne College. They insist that you must not come through Brownwood without coming to see them.

We had good attendance at all of our services Sunday. There were 234 in Sunday school. There were 61 in Training Union. The evening services were dismissed for the service for the graduating seniors at the high school. Our pastor brought the message on the subject, "What Is Your Life?" We welcomed into the fellowship of our church by letter the following: Mrs. L. C. Higgins, Willa Higgins, Patricia Higgins, Carol Higgins, Mrs. Joe Dossett, Miss Lovetta Joe Dossett.

In the two years that Brother Nelson has been our pastor there have been 193 additions to the church, 156 having joined by letter and 37 by baptism. The average Sunday school attendance grew from 176 to 230. The training union average attendance increased from 65 to 94. There have been decisions each Sunday in 1953. The church gave \$421.72 this past Sunday for relief to the victims of the Lake View storm. Our people believe the words of our Lord who said, "Inasmuch as ye have done it unto the least of one of these, my brethren, ye have done it unto me also."

Our congratulations to Brother Welsh. At 8:00 p.m. Friday, May 22, he will receive his B. A. degree from Howard Payne college. I know that many of our people will be happy for this achievement and will wish to congratulate him. Some of you will want to be present at this service. We trust that each will support Brother Darwin as he carries on for the Lord.

Shearing is under way on Lawrence Steen's north ranch, after the crew completed the job on their place south of Eldorado.

Tornadoes In Sutton

Two separate tornadoes swept through parts of south and southeastern Sutton County Monday morning, uprooting large trees, rolling up fences and killing and maiming livestock and wild game, but taking no human lives. No ranch buildings were harmed, although several were in the paths of the storms. —Devil's River News.

Seek Paving

A petition signed by 45 landowners or their legal representatives was presented to the Commissioners' court Monday.

Persons signing the petition requested the court to designate the road running west of the city past the municipal water plant as a farm-to-market road and that it be hard surfaced. —The Menard News

County On Cash Basis

FORT DAVIS, May 12.—For the first time in at least 20 years, it is declared, Jeff Davis county is operating on a cash basis. All outstanding warrants have been taken up, County Judge Howard L. Bell Jr. said, and there is money in the bank to take care of all foreseeable expenses until tax money comes in next winter. —Alpine Avalanche.

Air Patrol Organized

Sheriff Orvel Capehart announces that a Sheriff's Air Patrol for Van Horn and surrounding areas was organized last Thursday night at the sheriff's office here.

The purpose of the organization is to cover this territory in case of an emergency, such as a lost person or escaped criminal. —Van Horn Advocate.

Commissioner Named

Dayton Barrett, rancher of Precinct 2 of Sterling County, was named as county commissioner by County Judge G. C. Murrell in the April term of court. Dayton replaces Foster Conger, who has leased a ranch in New Mexico and had resigned. Conger plans to be out of the county a lot looking after his interests in New Mexico. —Sterling City News-Record.

Crop Prospects Good

Bronte farmers and ranchers, as well as townspeople, were rejoicing over the fine rains in spite of the damage which came with it. The rainfall also gave conviction that the longest drought in the history of the county, may finally have been broken. —Bronte Enterprise.

MR. AND MRS. CRAMER SOFGE, OWNERS

Mr. and Mrs. A. D. Dorris of Iraan, and son John Dean, visited relatives in Eldorado during the weekend.

Mr. and Mrs. Dildine, Romona, and Mrs. Gracie Copper went to San Angelo Saturday afternoon to help the Dildines' daughter, Mrs. Lowell Ellis, find a house to rent as their house on Bowie was blown away in the tornado. Mrs. Mrs. Dildine stayed over until Sunday morning and helped her daughter. The Ellises lost most of their furniture and all good clothing.

An extensive renovating project which has been under way on the Eddie Peel residence is nearly completed, only a little interior work remaining to be done.

### Rock Church of Christ

Vacation Bible School. Keep these very important dates in mind: June 8 to June 19. The Bible school is planned from 9:00 to 11:00 each morning with classes for all from pre-school through high school. We want every child and every young person who desires instruction in the word of God to be in this school regardless of where he attends church.

Bible Study at 10:00 a.m. Morning worship at 10:55. The sermon topic will be "Purity of Work and Worship."

The Herald of Truth can be heard each Sunday afternoon at one o'clock.

Young people's class at 7:00 p.m. All young people who live in Eldorado are welcome to participate in this class.

Evening service at 7:45. The sermon topic will be "Purity of Mind and Speech."

Women's Bible Class Monday afternoon at 4:00 p.m.

Devotional service Wednesday evening at 7:45.

Quentin A. Dunn, evangelist  
Phone 23901.

### Woman's Club Slates Installation Luncheon As Year's Final Meeting

Installation of officers for the new club year will be the highlight of a luncheon meeting of the Eldorado Woman's Club next Tuesday at 12:30 in the Memorial Building. This will be the last meeting of the club until next fall.

Members who plan to attend are urged to let one of the social committee know by Sunday. Members of the social committee are Mrs. John Stigler, Mrs. James Page and Mrs. Claude Meador.

### E-CLUB NEWS

Last Saturday night the E Club members gave a barbecue for themselves and their dates.

After the barbecue they were entertained with a dance at the Memorial Building.

The club met last week for their last meeting of the year. Officers were elected for next year as follows: President, Jimmy Doyle; Vice President, Lynn Griffin; and Sec.-Treas., Billy Jack Etheredge. —Reporter.

Ronnie Sauer, age ten, narrowly escaped serious injury when he fell from the tractor which he and his brother Duwain, were driving on the Sauer place. He was thrown between a front and back wheel, but Duwain was able to put the tractor in reverse before he was crushed. Ronnie's parents, Mr. and Mrs. Victor Sauer, brought him in to the doctor where X-rays showed that his right lung was slightly injured. He was able to return to school Monday.

Guests in the J. Tom Williams home from Friday to Monday were Mr. and Mrs. Garland Williams and baby Gary of Amarillo, and Billy Manning also of Amarillo. Roy Williams of Camp Hood and Fay Williams of San Angelo were here also for the weekend. The Cecil Williams family joined them for Sunday dinner.

Eldorado Success, \$2.00 Year

### Fundamental Baptist

Everyone is rejoicing over the attendance last Lord's day. May we all continue to work and pray and stay humble before Him. Gal. 6:9 "And let us not be weary in well doing; for in due season we shall reap, if faint not."

Everyone is invited to attend every service of our revival meeting which begins June 14 and will be going on every night through 28th. Rev. Porter McDougal of Amarillo will be doing the preaching at this time. Watch this paper for announcements concerning this meeting.

The West Texas Fellowship of Fundamental Baptist will meet with this church Thursday, June 4 for their monthly fellowship meeting. The public is invited to attend this meeting. There will be services throughout the day. Also night services. Come and enjoy the blessings of God with us in these services.

We praise God for our young people and their willingness to help in all services. The Lord is using our young people in a mighty way. May they continue to be surrendered unto Him.

Sunday: Bible school at 10 a. m. Morning worship 11 a. m. Young people's meeting 7 p. m. Evening evangelistic service 8 p. m.

Wednesday: Bible study and prayer meeting 8 p. m.

Thursday: Teachers and workers meeting at 8 p. m.

Our young people's singing will be dismissed this Friday night for the Commencement services. This church is growing; there is a reason—come and see.

Cliff McDougal, Pastor.

### COFFEE HONORS MRS. ESTES

Honoring Mrs. Martin Estes, the members of the Nixon class of the First Baptist church gave a coffee yesterday morning at the home of Mrs. Arch Crosby, with twelve attending.

Mr. and Mrs. Estes are moving this week end to Belleville, Ark.

Here for a visit with Mr. and Mrs. Freeman Yardley, are their son J. D. and his family of Oakland, Iowa. They arrived here Saturday, and will visit relatives for about two weeks. J. D. is employed by a gas company in Iowa.

The Jack Shugart family spent the week end in Dallas with relatives.

Mrs. Georgia Springston and her sister Mrs. Ruth Danford are leaving for Marfa to visit relatives on the Virge Tisdale Ranch.

Mrs. Frank Van Horn has returned from Christoval where she visited her mother, Mrs. Fannie Furry.

Shearing is under way this week on the Virge Tisdale Ranch.

Mr. and Mrs. Alvis Waldrip of Melvin are visiting the Truett Stanfords.

Mrs. Ford Haskins and two children of Odessa visited relatives here during the weekend.

## Nancy Posey Honoree At Tea Last Tuesday

Nancy Posey, daughter of Mrs. Arch Posey, was honored with a gift tea Tuesday afternoon in the banquet room of the Memorial building, with women of the Fundamental Baptist Church as hostesses.

A linen cloth covered the serving table which was centered with a heart of white styrofoam, with red lace ruffle and miniature bride and groom, and a small arch covered with pansies. A matching red ruffle decorated the linen covered table.

Mrs. John Stigler played during the reception hours. Margaret Faulk served frosted lime punch, and Fern Parrent served the iced angel food cake squares. Helen Aldridge registered the guests.

Baskets of larkspur, roses and lilies decorated the reception room. Miss Posey will be married at the Fundamental Baptist Church, with Rev. Cliff McDougal officiating with the single ring ceremony, Saturday, May 23. The groom-to-be is Ross Thompson of Houston, son of Mrs. Lois Craig of Pleasant Hill, La., and the couple will live in Houston. Thompson was employed on pipeline construction work some time ago in this locality.

## NANCY JO HONORED

Honoring her daughter on her third birthday, Mrs. Luke Thompson Jr., entertained about 25 children with a party at the Memorial building Saturday afternoon (her birthday was Sunday.)

Favors were toy airplanes, and refreshments were decorated birthday cake and ice cream.

## NURSERY SCHOOL CLOSES

Mrs. J. B. Montgomery closed out her nursery school Friday, after her year's work with pre-school children. Those enrolled were Phil McCormick, son of Mr. and Mrs. Hollis McCormick, Jack Miles Montgomery Jr., son of Mr. and Mrs. Jack Montgomery, Charlie Henry, son of Mr. and Mrs. Max Henry, J. W. Hawkins, son of Mr. and Mrs. Johnnie Hawkins, Roy Lynn Love, son of Mr. and Mrs. Gus Love, and Helen Bauer, daughter of Mr. and Mrs. Ernie Bauer.

All of the children except Helen Bauer, who is younger than the others, have enrolled for the first grade of the public school.

## PRESBYTERIANS PLAN FOR VACATION BIBLE SCHOOL

Mrs. Joe Edens will be in general charge of the one-week vacation Bible school for the children of the Negro community of Eldorado. Her assistants will be Ann Ballew, Thomasine Jones and Monetta Bradshaw.

The starting time will be next Monday morning, beginning at 8:30 and closing each morning throughout the week at 11:00. This school is operated under direction of Presbyterians.

At the same time, the Presbyterian Bible school will be in progress at the church, with Mrs. Edwin Jackson in general charge, and the two-hour period from 9:00 a. m. to 11:00 designated for the six sessions. Assisting Mrs. Jackson will be Mrs. Wilson Page and Mrs. Pat Finley in the beginners' department, Mrs. James Page, Mrs. James McDonald and Mrs. John Williams, in the primary, and Mrs. J. F. Mayo and Mrs. Charles Bruce, assisted by Mrs. Jackson, in the Junior. Other workers will probably be recruited as needed.

## LOVES ENTERTAIN

Mr. and Mrs. Gus Love were hosts at a buffet supper and bridge at their home Monday night. Players at the three tables were Mr. and Mrs. Ed Mayer Jr., of Sonora, and Mr. and Mrs. Bob Page, Mr. and Mrs. Leslie Baker, Mr. and Mrs. Carroll White, Mr. and Mrs. Jimmie West and Mr. and Mrs. Charlie Trigg.

Mr. and Mrs. West won high. Mrs. Leslie Baker bingo for ladies, and Carroll White for the men.

## WESTS ENTERTAIN

Honoring visiting relatives, Mr. and Mrs. A. D. Magill of California, Mr. and Mrs. Palmer West entertained with a fish fry at their home Monday night. Others present were Mr. and Mrs. S. D. Happer, Dr. and Mrs. Wm. Lindsey, Mrs. D. E. DeLong, Mrs. C. C. West, Mrs. Coralee Mebane, Mr. and Mrs. T. E. Holcomb and Mr. and Mrs. Bill Mund.

## METHODIST NOTES

A morning service centered around the theme of Pentecost, and a night service honoring the 30 new members who have been received during the year are on the schedule Sunday at the Methodist Church.

The night service will start at 6:00 when a covered dish supper will be served, after which children and adults will have a fellowship hour and the young people will have their regular MYF meeting. Church services will start at 8:00 p. m. as scheduled for the summer months. All are urged to attend this meeting.

On the last Sunday of the month there will be no morning or evening church services as the pastor will be at conference in San Antonio. There will Sunday school as usual.

Plans are practically completed for the Vacation Bible school opening Monday for children from the ages of four through 11. Mrs. Wiley Hight is in general charge of the school with the following as assistants: Mrs. Ray Tisdale, Mrs. W. H. Hale, Mrs. Palmer West, Mrs. Sandy Donaldson, Dale West, Mary Tisdale, Mrs. Elton McGinnis, Mrs. Clovis Taylor, Mrs. Frank Van Horn, Betty Hunt, Mrs. Glenn Parker, Mrs. Carroll Sproul, Mrs. Albert Fore, Wanda Fore, Mrs. Bill Moore, Mrs. Alvin Atkinson, Helen Kay Taylor and probably others.

Mrs. Hayden Lewis of San Angelo is here visiting her parents Mr. and Mrs. Albert Thigpen while her husband is employed near San Antonio. Their residence was four blocks from the main path of the San Angelo storm, but there were several inches of water on the floor, and a little other damage was done.

Cecil Meador has returned from the hospital at San Antonio where he was taken last week because of a compound fracture of his leg. He spent several days in the Lindsey Clinic and returned Tuesday to his home. He has his leg in a cast but is able to be up.

The Success made an error in reporting the housewarming for Mr. and Mrs. E. R. Bryant last week—a hostess was Mrs. Gus Graves, not Mrs. Gus Love as reported. Sorry!

## Alice Mund Honored By San Diego Club

The honor of being elected president of Legal Secretaries of San Diego, a club composed of lawyers' secretaries in that city, has been bestowed upon Miss Alice Mund, daughter of Arthur Mund of Eldorado. Miss Mund was graduated from EHS in 1938.

We quote from a San Diego daily:

Vivacious and fun-loving, Miss Mund takes her legal secretary's job seriously. During the coming year she said the association will concentrate on its charity projects. First will be the picnic in August, followed by the Globe Theatre program.

A native of Eldorado, Tex., Miss Mund learned early about our area—her mother was a San Diegan.

Miss Mund graduated from Texas State College for Women, at Denton. She majored in business administration and economics. Following graduation Miss Mund was secretary to the sales training director of an insurance firm in Dallas for two years. And then for the next two years she worked in Dallas for the Army Motion Picture Service.

But it was after coming to San Diego some half dozen years ago that Miss Mund became interested in legal secretarial work. For three years she was with the law firm of Levenson & Levenson, and for the past three years has been legal secretary to John W. McInnis, of the law firm of McInnis & Hamilton. She has been active in the legal secretaries' group for more than five years.

## A Little Bit Of Sweet

COLLEGE STATION—The first of fresh fruits are coming in and preserving time is just around the corner. For that little bit of sweet so good with hot breads at meal time, start filling the pantry shelf with luscious red strawberries, preserved at the peak of their goodness, adding other preserves and sparkling jellies as the season progresses.

When making strawberry preserves, remember, the specialist says, their color and flavor are easily destroyed by heat, so cook them only a short time.

Select four cups of firm, tart berries, wash, drain, remove the caps. Juice will be lost if caps are removed before washing. Prepare syrup by boiling two cups of sugar and a cup of water until the mixture begins to form a thread from a fork dipped into the syrup. Add two cups and cook ten minutes. Add the other two cups of berries with one cup sugar sprinkled on top and one tablespoon lemon juice. Boil another ten minutes or until it reaches jelly stage.

Remove from the fire and shake the pan gently until the foam collects in the center and can be scooped off easily. Pour into a flat pan and let cool about eight hours or overnight to allow the berries to plump. Drain without reheating and fill hot sterilized jars three-fourths full with berries. Boil syrup rapidly until it thickens and pour boiling hot over the berries to one-fourth inch of top of jar. Cover the berries with hot paraffin and seal at once.

DESK SIZE blotting paper—Twenty cents.—Eldorado Success.

## Personal News Items

Ernest Wayne Williams, age 5, of Weatherford is a guest in the home of his grandparents, Mr. and Mrs. George Cales.

Mr. and Mrs. Martin Estes are moving Saturday to Belleville, Ark., where they will take over their 80-acre farm—the deal represents a swap with Jerry Pennington, who traded the farm for the Estes residence in Eldorado. The Penningtons will improve the residence and plan to move there in a few weeks.

A number of young people of the School band are planning to attend the band clinic at Alpine in early June.

Mrs. Ed Hill, who has been quite ill in a San Angelo hospital, continues to improve.

Bruce Wilson, who completed his Senior year at mid-term, returned to Eldorado last weekend from Comstock to take part in the Baccalaureate services with his class. With him was his older brother Lewis, who has been teaching in the Comstock schools. They will return for the Commencement services tomorrow night, accompanied by their mother Mrs. Johnnie Wilson and their grandmother Mrs. John Deaton, both of Comstock.

Mr. and Mrs. Joe Edens have returned from Brackettville where they delivered sheep Monday.

Mr. and Mrs. C. O. Neff had as guests Sunday Mr. and Mrs. J. F. Bricker and children of Sonora.

### Tips On Tornadoes

(From Texas Press Assn.)

This is the tornado season in the Central and South-Central states. Already there have been two tornadoes of major proportions in Texas, and several smaller ones. Here is some information about the violent storms.

1. Tornadoes are not peculiar to Texas. They have occurred in every state in the union. They are more common in the central United States.

2. A tornado is usually seen as a spinning funnel-shaped cloud, extending toward the earth from the base of a thundercloud. When close by, it sounds like the roar of hundreds of airplanes. Oftentimes the funnel cloud is obscured by rain, dust or low clouds, or cannot be seen because of darkness. Sometimes two or more funnels may be seen in the same thundercloud. The funnel cloud may be in the shape of a rope spinning down from the cloud; or it may be barrel shaped or like a huge elephant's trunk.

3. Familiar thunderstorm clouds are present. An hour or two before

a tornado the under part of the clouds may be seen bulging down instead of up. Often there is a greenish-black color to the clouds. Rain and hail often accompany the tornado. The funnel-shaped cloud of a tornado should not be confused with low or ragged cloud remnants which frequently are seen hanging down from the main cloud, often where the visible cloud leaves off and the curtain of rain begins.

4. Tornadoes are localized. They usually cover a very limited area. Most tornadoes are less than a block wide. A few have had paths over two miles in width, but this is unusual. Tornado paths are usually short, less than five miles long. Because they are extremely localized, the chances for tornadoes striking a given area are very slight. Most Texans will never see nor ever experience a tornado in their entire lifetimes.

Tornado damage varies greatly with the storm and where it strikes, and many tornadoes cause little or no damage and no loss of life nor injuries.

6. Tornadoes have occurred every month of the year, but about two-thirds of all tornadoes occur between April 8 and June 9.

7. Tornadoes are most likely to occur in the late afternoon or early evening. Thirty-five percent of all tornadoes occur between 3 p.m. and 6 p.m. Twenty-nine percent between 6 p.m. and 9 p.m. Less than one-fourth of all tornadoes occur during school hours, 8 a.m. to 4 p.m.

8. Tornadoes usually move from southwest to northeast; less frequently from west to east. Tornado spotters should particularly keep watch in these directions. There are exceptions—they have moved from practically every direction. In some few cases they have traveled almost in a circle.

9. Tornadoes move forward at a rate usually from 15 to 40 miles per hour average, but the rate of progress has been somewhat less as well as much greater.

10. Warnings about an approaching tornado are seldom possible longer than an hour in advance, usually less and sometimes only a few minutes, but despite any disadvantage occasioned by a brief warning period, the warnings can be extremely effective in saving human lives.

11. School officials should become familiar with factual information regarding the characteristics of tornadoes, safety precautions to be taken in case a tornado is sighted in their immediate locality, and recommended procedure to be followed when forecasts and warnings are in effect and until an "All Clear" advisory is issued. The same suggestion holds for the public in general.

12. In the great majority of cases, the tornado affects less than one-tenth of 1 per cent of the "warned area" and is seen by less than 1 per cent of the population. Safety precautions generally need not be taken until the tornado cloud is seen or local community warning given or until unusually threatening thunderstorm type clouds are observed.

13. School officials and instructors have a special responsibility to remain calm and thus prevent school children from becoming excited. Do not wait until a storm is approaching but have a prearranged plan well thought out beforehand and be ready to carry it out should the necessity arise. It would be a good plan to have two or more good pictures of tornadoes in action in Texas or nearby states in order that school children and others might early and easily recognize such a storm, either while in attendance or in going home from school.

## Eldorado Lions Club Charter Shows Business Dist. Changes

There have been many changes in the Eldorado business district since 1928, as a look at the charter of the Eldorado Lions club, dated that year, shows. This framed document is kept at the Eldorado Hardware.

A notation gives the organization date of the club as May 13, although the charter is dated May 23rd and signed that date by Fred W. Smith, national president, and the national secretary.

Organizer was Vernon H. Gallowsay, and the charter members numbered 30. The meeting place was set at 12:30 each Wednesday in the Eldo Hotel, and the club continued to meet in the hotel until about 1950 when the Memorial Building was completed.

Charter members of the club were as follows:  
President, Joab Campbell;  
Secretary, L. T. Barber, newspaper;

A. A. Buch, Ford dealer;  
O. W. Evans, Chevrolet dealer;  
R. A. Evans, real estate;  
H. T. Finley, barber;  
Fred O. Green, telephone co.;  
E. C. Hill, hardware;  
J. E. Hill, bank;  
G. O. Hines, county judge;  
R. D. Holt, school superintendent;

John F. Isaacs, county clerk;  
J. A. Whitten, ranchman;  
George Williams, stock farmer;  
Joe Williams, men's wear;  
A. T. Wright, general merchant;  
R. A. Young, ranchman;  
T. K. Jones, ranchman;  
Sam E. Jones, ranchman;  
J. W. Lawhon Jr., ranchman;  
James S. Lloyd, lumber;  
A. F. Lueddecke, sheriff;  
Don McCormick, cotton ginner;  
W. F. Meador, insurance;  
W. C. Mund, ranchman;  
H. G. Parker, grocer;  
W. N. Ramsay, postmaster;  
L. F. Sumner, county agent;  
W. R. Word, sandwich shop;  
Ernest Ware, bakery.

Mr. and Mrs. Edward Meador and family are leaving this week end for Gainesville where they will visit Mrs. Meador's parents, Mr. and Mrs. P. S. Dudley. Edward will return home, and go after the family the following week end.

S. L. Stanford is on crutches because of a painful foot infection.

### Personal News Items

Mr. and Mrs. H. W. Hunt have vacated the J. L. Ratliff house and are now at home in one of the new residences at the Bailey Station.

Lavell Meckel is still confined to his bed, but has returned home after hospitalization in San Antonio and is somewhat improved.

Mr. and Mrs. Al McGill of Whittier, California, are here visiting their aunt, Mrs. C. C. West and other local relatives.

Mr. and Mrs. Walter Taylor and the Delbert Taylor family spent the week end on the Delbert Taylor farm at Hamilton. They report a great deal of rain.

The Flud family, who have been here for about ten months, during construction of the Bailey Station, have completed their work here and left Wednesday on a trip to Oklahoma. They will visit relatives before he goes on another job for his company. They occupied a Walter Taylor house.
