County-Wide Rains Start Breaking Long Drouth

The best start made in a long time toward breaking the drouth is the good news spread by people living all over Schleicher County, who report rainfall in amounts varying from 1.5 to 6.5 during the week end.

Largest amount recorded was at the S. E. Jones ranch, where the rain filled up the rain gauge holding six inches, then for a time ran over, bringing the total up to approximately six and one-half inches. Mr. and Mrs. S. E. Jones, Jr., who live on the ranch, report it to be the largest amount recorded at one time since they moved there eight years ago.

They have no draws on the ranch, but report that the rain fell slowly and that water was standing everywhere. Arch Edmiston, in that locality, had around 5 1/2 inches and John I. King over three.

D. C. O. Wilson who lives near the edge of the county, had from 3.5 up to 4.25 on his ranch. For the first time in six years the lake near the ranch house was full.

On the Russell-Spencer-Lewis Ranch and on Judkins' Figure Three, also throughout the Fort McKavett country, around four inches was recorded.

The Menard Highway was under water and closed to traffic half a day due to water over the highway from Allison and Clear Creek draws. Through traffic was held up many hours until the water went down. Two from here who had expected to attend the Fredericksburg Firemen's Convention waited several hours at a draw,

then turned around and came home. The Carroll Whites are reported to have been caught on the other side of the draws, causing them to return home via San Angelo.

People who had occasion to use the San Angelo highway report good rains all the way between Eldorado and San Angelo. Jimmie West had three inches or better, and Joe Wagley had three.

Mrs. George Williams, south of Eldorado, had over 3 inches; Virge Tisdale Ranch, east of town, had from 2.5 to 3, and John Williams 3.6.

Jim Willoughby had 2.5, with most of it falling Saturday night, and by Monday morning some of the draws on the place were still running.

Jim O'Harrow in the Rudd community reports 3.9, with water holes full all over the ranch, but water absorbed enough to keep the draws running.

Among other reports are these totals, taken at random: E. E. Newlin 1.50; Andy Nixon 2.3; Lester Nixon 2.5; Sam Oglesby 2 to 2.5; Page Ranches, average of 2.5; Mrs. Charles Reynolds 1.75; Victor Sauer 2.15; Walter Powell 1.1; J. Tom Williams 1.6.

Henry Speck 1.50; S. L. Stanford 4.40; A. J. Stevens 2.25; W. H. Joiner 4.20; Clyde Keeney 3.50; A. W. Keys 2.20; Jess Koy 3.10; Cooper Gas Lease 3.00 to 3.50; Marvin Logan 2.50; Martin Ranch 3.50; Mathews & Bledsoe 2.00; Mrs. F. B. Gunn 3.50; Sam Henderson 3.25; C. O. Bruton 2.00; Sam McGinnis 3.00; John Miller 3.60; B. E. Moore 3.50; Elizabeth Powell 2.50.

OIL NEWS

JAMES C. WATSON

Midland, Texas

Two tests southwest of Eldorado continue to hold the interest of the public this week.

Ira Glascock has taken over the shallow test 7 miles southwest of Eldorado and is trying to make a small pumper out of it. What success he is having is not reported this morning.

Atlantic Refining No. 1 Roberts, Schleicher County wildcat 10 miles southwest of Eldorado, recovered gas on a drillstem test in the section from 7004 to 7024 feet. Tool was open 90 minutes. Gas surfaced in 16 minutes at the daily rate of 125,000 cubic feet. Recovery was 90 feet of drilling mud and no oil. The project also showed gas on a drillstem test from 6977 to 7004 feet. Operator continues to core and drill-stem test.

Lucerne Corporation has plugged and abandoned its No. 1 Otto Williams, wildcat in east central Schleicher at total depth of 4150 feet. Location was in section 13, block 1, GH&A survey and 25 miles east of Eldorado.

The Huldale field has been extended one location south and east on the east side with the completion of Skelly No. 8 W. A. Davis for a calculated potential of 228 barrels of 40.3 gravity oil, no water, with gas-oil ratio of 810-1.

The potential was based on an actual 21-hour flow of 200.42 barrels of oil through a 14/64 inch choke and perforations between 5687-725 feet in 5 1/2 inch casing cemented at 5723 feet on total depth of 5730 feet. Completion was natural. Tubing pressure was 240 pounds, casing pressure 580 lbs.

Humble has spotted location for No. 7 Annie May Brooks in the south side of the Huldale field. It is to go to 6100 feet, starting at once.

The Toenail field of northeast Schleicher gained its seventh well with completion of Superior 1-65-A Thomason. It was finished for a 24-hour flowing potential of 144 barrels of 38.8-gravity oil thru perforations at 5323-329 feet. Location is in section 65, block H.

The tax offices of the city and the county are busy places this week, with every mail heavy with checks and waiting lines forming at times in the offices.

All officials connected with the taxes of school, city and county report that collections are good probably due to the fact that every one wants to get that three percent discount.

In case anyone is interested in some firsts, here are some: First to pay school taxes, J. T. Jackson of Merard. First to pay city taxes, Walter Taylor. First to pay county and state, L. T. Wilson. First with a poll tax payment, Frank (Pancho) Bradley

OIL EDITION NEXT WEEK

Next Thursday's edition of the Eldorado Success will be the annual Oil Progress edition. It will be larger than an average issue, and will carry news and advertising pertaining to oil, oil development in the county, and the general uses of the product.

The week is from October 11 to October 17, and this year's slogan is Oil—at your Service.

Some of the Eldorado merchants and others have already arranged for their ads—and others will be scheduled during the coming few days.

In view of the growing importance of oil in this county we are sure that most people connected with the business district and with the entire oil industry here will want to be represented in the advertising columns of our county paper.

The general public also is urged to report interesting bits of information concerning oil and what it has meant to them or others—news concerning oil is always read with interest.

MRS. E. E. STEEN DIES

A number from here were in Sonora Friday to attend the funeral of Mrs. E. E. Steen, mother of Lawrence Steen of this city, who died at 3:00 Thursday morning at her home in Sonora at the age of 77. She had been ill a number of years.

Funeral services were held at the First Baptist Church with Rev. J. E. Eldridge officiating. Burial was made in Sutton County Cemetery. She was born January 23, 1873, in Upshur County, and married E. E. Steen January 13, 1897. She was the former Nettie Bell. The couple lived at Cuero until 1907 when they moved to Sutton County and settled on a ranch seven miles east of Sonora. In 1939 after the death of her husband Mrs. Steen moved to Sonora.

She is survived by two daughters, Mrs. Pearl Martin and Mrs. George Wynn, both of Sonora, a son, Lawrence Steen of Eldorado, two grandchildren and two greats.

LIONS CLUB

Fire Chief Palmer West addressed the Lions Club Wednesday on the timely subject of fire prevention, in observance of Fire Prevention Week. He stressed the local angle, mentioning duties of the fire boys and listing ways in which Eldorado and surrounding communities are protected.

FIRST BAPTISTS' KICK-OFF SUNDAY MAY BE LAST PRELIMINARY BEFORE PARSONAGE CONSTRUCTION STARTS

With decision concerning disposition of the First Baptist parsonage and designation of Sunday as Kick-Off Day, the way is rapidly being cleared for building of the church's proposed new parsonage.

After considering of other plans, including advertising for bids on the old parsonage with the intention of having it moved off the lot, the church members talked the matter over in church conference September 30 and decided to keep the building, and to use it as a nursery.

The old parsonage will be moved to the rear of the new church annex, and will be set aside for use of the nursery department. It is planned to improve it later as church finances permit. It will face the side street.

Space vacated by the nursery department in the annex, will be utilized in various ways, including expanding of the office facilities. The pastor's study will be enlarged and educational offices will be located in the rooms vacated by the nursery group.

Kick-Off Sunday

Three important committees, with cooperation of the entire membership, will have part in this building project—Allan Kuykendall heads the finance committee; Carroll Ratliff the building committee and J. H. Mace the plans committee.

Of these, the first-named, the finance committee, will be in charge of a special Kick-Off Day, next Sunday, October 11, when the morning church service will be given over to explanation of the immediate plans for the building

Eagles Have Dismal Time At Iraan

After six minutes of scoreless play, the Iraan Braves broke the ice with a 30-yard run by Bobby Locker. This was the beginning of a rout which saw Locker scoring 3 more times on runs of 5, 25 and 6 yards. Other Braves breaking into the scoring column were Gary Monrow, who ran 46 yards. The other two scores came on passes, Lyall Eves to Wayne Grantham; the other, Jarbie Belcher to Bobby Gray. After the dismal first half, which found the Eldorado behind 32-0, Coach Kitchens of Iraan called off his first string. The Eldorado boys then battled on even terms for the rest of the game.

Looking particularly good on the offensive for the Eagles were Billy Jack Etheridge and Billy Gene Edmiston. The Eagles got their first points of the year when after driving to Braves 1-yd line, they lost the ball and then stopped Iraan behind the goal for a safety.

The Eagles will next be seen on the night of October 16, when they meet Menard here.

GRADE TEAM LOSES FIRST GAME OF THE SEASON

Eldorado's grade team lost their first game of the season 32-20 to Ozona. The Eagles had to spot the Ozona team 32 points at the half-time before they could get started. This large lead was due mainly to a lack of experience on the part of the Eldorado boys. After getting over their first-game jitters, the boys proceeded to move down the field.

Eldorado made 3 scores on the passing arm of Dan Mittel to Rayes Robledo. The first two passes going for 60 yards each. Rayes ran around end for an extra point; Domingo Pena got the other point with a plunge over center.

The Eagles meet Sonora at Sonora Thursday night at 7:15. Probable starting line-up will be:

L. E.—Cecil Mac Walston
L. T.—Jimmy Doyle
C.—Johnny Ohlenburg
R. G.—Thomas Barclay
R. T.—John Dickens
R. T.—Barry McHalek
R. E.—Dick Runge
O. B.—Dan Mittel
L. H.—Rayes Robledo
F. R.—Buster Brock
R. H.—Farris Nixon.

Rev. Billy Graham, nationally known Evangelist and producer of the world's first Christian western film "Mr. Texas," has just completed another religious film, "Oil Town U. S. A." to be presented here in a premiere showing tonight October 8th in the high school auditorium.

The Ministerial Alliance, in charge of local arrangements for the showing, announced that the picture will begin at 7:30 p. m., with the doors of the auditorium opened at 7:00 p. m.

Graham's new film features the evangelist and members of his team in their city-wide evangelistic crusade in Houston, Texas, last summer. Highlighting the film are scenes from the meeting in Rice Stadium where 60,000 gathered to hear Graham for the largest evangelistic meeting in American history.

Featured in the film are professional Hollywood players who have become Christians themselves including Colleen Townsend Evans, Georgia Lee, Paul Power, Robert Clarke and the stars of "Mr. Texas" Red Harper and Cindy Walker. "Oil Town U. S. A." is in natural color and is approximately ninety minutes in length.

Rev. Clifton Hancock pointed out that there is no charge for admission, and that the seats of the auditorium will be on a "first come" basis.

How Long Will Drouthy Ranges Take To Recuperate

College Station. — Three factors of prime importance determine how long overgrazed south and west Texas ranges will take to recover from the drouth.

According to A. H. Walker, extension range specialist, research conducted by Leo B. Merrill at the Sonora experiment station shows it depends upon the drain of past grazing, the kinds of grasses on the pastures and grazing management after rains. These factors were recently concluded following grass survival tests to determine the effect of three years' severe drouth on native grass cover.

After the application of 4½ inches of moisture to designated test plots, grass plants which did not green up after three weeks were considered dead. A check of the plots showed bunch grasses withstood drouth conditions much better than other grass types. Side-oats grama suffered only 3 percent loss while silver bluestem and wright threecawn showed a loss of 15 and 55 per cent, respectively. No loss of little bluestem was observed. Curly mesquite in pure stands suffered 88 per cent loss for all stocking rates.

These tests emphasize that light grazing and deferment must be followed several years if ranges are to recover their former grazing capacity. Walker says. Ranchmen should let the plants make some top growth and increase crown size before they are heavily grazed. This will also deepen the root system, the specialist says.

The goal for helping grasslands recuperate should be to have a good cover of the best kind of grass, Walker added.

Mr. and Mrs. E. E. Newlin spent the week end in Big Springs visiting their daughters and sons-in-law, Mr. and Mrs. O. C. James and Mr. and Mrs. A. A. Cooper.

Mr. and Mrs. Bill Lester and three children spent the week end with Mr. Lester's parents in Lubbock and Mrs. Lester's parents at Colorado City.

Two Schleicherites Visit In England

Mrs. Walter Pope and her brother Duncan Wilson, Jr., have gone to London, England, for a month's visit with an aunt. They left by plane from Dallas Saturday morning at 3:00, had a 2½ hour lay-over at New York, and arrived in London Sunday morning at 2:00 (our time).

Both have been in England before. Mrs. Pope, who is the former Dorothy Wilson, had visited there when she was a child. Duncan, who had also been there at that time, was in London again during the war—making this his third trip.

Mrs. Pope is a resident of this county and her brother is a geologist with Gulf, stationed at Marfa, who is taking this trip during his month's vacation. They are children of Mr. and Mrs. D. C. O. Wilson.

Recipe of the Week

Hungarian Goulash

¾ pound salt pork
 ¾ pound lean raw beef
 ¾ pound lean raw pork
 Salt and pepper; Flour
 1 onion, sliced
 1 green pepper, sliced
 1 bay leaf.
 Few whole cloves
 3 potatoes, diced
 3 carrots, diced

Dice the salt pork and fry until crisp. Cut the lean meat in inch cubes, sprinkle with salt, pepper and flour. Brown in 2 to 3 tablespoons of the salt pork drippings. Add the onion and green pepper and cook a few minutes. Add water to cover and the bay leaf and cloves. Put on the lid, and cook slowly for 2 to 3 hours or until the meat is tender. Then add the diced potatoes and carrots, and cook until tender.

If the stew is not thick enough, mix 1 to 2 tablespoons of flour to a smooth paste with an equal quantity of cold water. Add several spoonfuls of the stew to the paste, then stir the mixture into the rest of the stew and cook until smooth and thickened. Season to taste with salt and pepper.

Humphrey - Tatum Rites In El Paso

Barbara Jo Tatum, daughter of Mr. and Mrs. Robert E. Tatum of Parrot, Chihuahua, Mexico, was married to William Lewis Humphrey, son of Mr. and Mrs. William J. Humphrey of Eldorado in a single ring ceremony at 5:30 p. m. Saturday in St. Rita's Chapel of St. Patrick's Cathedral in El Paso.

Baskets of white mums and greenery banked the altar rail and tall palms were at either side. Small bouquets of fall flowers marked the pews tied with white streamers. The Rev. Father Thomas Rowland officiated. Mrs. A. L. Delgado played traditional wedding music on the organ.

Miss Carmelita Tatum was her sister's only attendant. Steve Dukony of Nashville, Tenn., was best man.

The bride's father escorted her to the altar. She wore an eggshell linen dress with matching lace bodice and linen bolero. Her small brown velvet hat had rhinestone trim and her colonial bouquet was of brown orchids and gold mums.

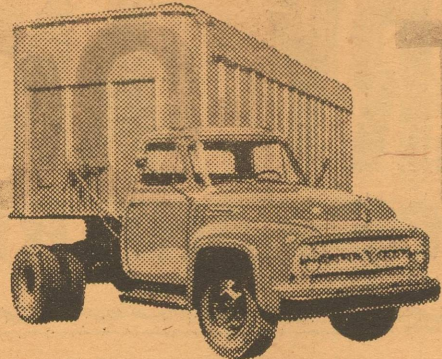

In the receiving line at the reception at the home of the bride's grandmother, Mrs. Carmelita Pomeroy of 501 Randolph were the bride's parents, her grandmother, the bridegroom's sister and brother-in-law, the groom's maternal grandparents, Mr. and Mrs. W. C. Wilson, the bride and bridegroom, and the bride's sister.

White mums and greenery decorated the reception rooms and banked the stairway. The table was spread with a damask cloth, the centerpiece was a display of flowers in fall colors. A three-tier wedding cake was served and punch ladled from a bowl garlanded with smilax and gardenias. Miss Alice Pomeroy, an aunt of the bride, registered guests in a wedding book embossed with the bride and bridegroom's names and the date of their wedding.

The bride was graduated from Loretta Academy and was a junior student at Texas Western College. Her sorority is Chi Omega. She was a member of the annual staff and the Tennis Club. She is a member of the Junior Woman's Club of El Paso.

The bridegroom received his degree from Texas Western College last May where he was a member of Phi Kappa Tau fraternity, Sardonix men's club and played on the varsity basketball team. He was one of the ten men chosen from the graduating class to join Men of Mines, an honor club for leadership.

The couple left for short wedding trip to the Glen Springs Mountain Lodge in northern New Mexico and upon returning will make their home in Alpine, where the bridegroom is athletic coach for the junior high school.

Miss Mollie Turner Passes Away Sunday; Funeral Is At Dallas

Miss Mollie Turner, for many years a music teacher in Eldorado, died Sunday morning, and was buried Monday in Dallas. She was in her 80's when her death occurred.

She was born in East Texas and received her elementary education there. She graduated from the old Sam Houston Normal Institute, and received her permanent teaching certificate from that college. She later attended the woman's college at Baylor Belton.

She devoted her entire life to music, teaching in East Texas, and working her way south to Louisiana and Florida where she taught a number of years.

After teaching in Mertzon for some time she moved to Eldorado in about 1920. She taught her first classes here in the old Methodist Church until she built her own studio and residence in the school-house neighborhood. This place has been rented since she left Eldorado.

Over the years she taught a large class of music students, mainly in piano, but some also in violin and other stringed instruments. Her specialty was work with beginners. Her studio, with

the pianos, charts, books and many teaching materials, showed the intense interest she had in her chosen profession. She was known on a number of occasions to give lessons free to talented children who could not afford to pay for them.

Friends who had been hearing from her since she left here state that she was still hoping to return to Eldorado to teach!

She is survived by three half sisters, two half brothers, and many nephews and nieces.

Long Illness

Miss Turner's health began to fail about six or seven years ago, and she was in Fredericksburg receiving treatment for awhile, then returned to Eldorado, and shortly afterward moved to San Angelo, making her home for a few months with the Stewards. While living in San Angelo she fell and broke her hip, and spent most of her remaining years in a wheel chair.

After her accident she moved to Dallas, and for a year lived with her sister Miss Ann Turner, at 818 South Tyler, later moving to a home at Lancaster, a suburb of Dallas.

Co-Op In Family Fight

Turmoil within the Central Texas Electric Cooperative continued unabated yesterday after directors, by a vote of 4 to 3, Tuesday fired Mgr. Ralph Swanson and his assistant W. C. McWilliams. Twenty-four hours later the membership investigating committee filed charges seeking the removal of the four directors who voted for the ousting of the manager executive; these directors being President Hugo Weinheimer, Chester Schwethelm, Paul Stehling and Luke Moss. Yesterday's action of the investigating committee called for a membership meeting to be held at Fredericksburg on October 16 at which time efforts will again be made to amend the charter.—Mason Co. **MARY DELL EDMISTON WEDS HOBBS
MAN IN MORNING CHURCH CEREMONY**

Mrs. Lloyd Baskin

About 25 relatives and close friends attended the wedding of Mary Dell Edmiston and Lloyd Baskin Saturday morning, October 3 at 10:30 at the West Side Church of Christ. The couple plighted their troth before an altar of greenery flanked with pink glads, Travis Williamson of the North Side Church of Christ in San Angelo officiating with the double ring ceremony.

For the ceremony the bride wore a navy blue gabardine suit with white hat and navy accessories. She carried a white Bible topped with a white orchid.

The maid of honor was Donnie Lawson of Leveland, who wore a suit of powder blue with navy accessories, and she carried carnations. Also present was Joan Garrison of Leveland. Miss Lawson and Miss Garrison are both Texas Tech college friends of the bride.

Best man was Cotton Baskin of Leveland, brother of the groom. Ushers were Jim Thornton and Billy Gene Edmiston. The bride was given in marriage by her father, Gene Edmiston.

Before the ceremony Davis Murrang Because, and the bride's cousin, Penny Edmiston, played the accompaniment and also played the traditional wedding music.

Following the wedding a reception was held at the family ranch home near Eldorado. Mrs. W. F. Edmiston cut the cake and Mrs. Orval Edmiston ladled punch. The wedding cake was topped with a miniature bride and groom and there were orange blossoms and other wedding decorations on the white icing.

The serving table was centered with an arrangement of pink roses, which had also decorated the piano at the church, and there were room decorations of glads.

The bride was graduated from Eldorado High School, attended college at Texas Tech, and has been employed here in the Benton Abstract office and later as receptionist at the Eldorado Clinic Hospital. The groom was reared

at Leveland, was graduated from Leveland High School and from Texas Tech at Lubbock, and after a period of employment with Indian Mud here moved to Hobbs where he is employed with a drilling company.

The couple stopped in Midland on a brief wedding trip, then went on to Hobbs where they are now at home at 908 South Shipp St.

Honored At Shower

Honoring Miss Edmiston, whose marriage was to take place the following Saturday, eight relatives and friends entertained with a bridal shower Thursday evening from 4:00 to 6:00 at the Memorial building.

Hostesses were Mrs. Ida Neill, Mrs. Bob Evans, Jr., Mrs. Arch Edmiston, Mrs. Lum Davis, Mrs. Frank Meador, Mrs. Aaron Steward, Mrs. W. C. Doyle and Mrs. Charlie Sudduth.

The serving table was laid with a Madeira cloth in cutwork, and was centered with pink dahlias in a crystal bowl, on a reflector.

Mrs. Jack Halbert registered guests. In the receiving line were Mrs. Orval Edmiston, Mrs. W. F. Edmiston, Mrs. Gene Edmiston, and the honoree.

Presiding at the serving table were Mrs. E. L. Edmiston and Mrs. Sallie McLaughlin the first hour, and Mrs. Lum Davis and Mrs. W. C. Doyle the second. Mrs. James Page, Mrs. Ida Neill and Jan Davis alternated at the piano during the reception hours.

Sunday, October 11 has been set as "Kick Off Day." The parsonage building project is the consideration of the day. It will be a most important day, so we urge all members to be present for the meeting. There is a thrill in store for every person who will come next Sunday.

Sunday, October 11 is also Laymen's Day and there will be one or two laymen to speak during the morning worship hour. This will be a most rewarding service. Come and see what a layman will say about our work.

Mr. John Christy was with us this last Sunday. Mr. Christy comes from the First Baptist Church of Justin, Texas. He will be known as our Educational Director. We feel that he will be a blessing to us and will give us good work in many areas.

The weather has been steadily improving since the pastor moved to town. Now this good rain has come. But wait, we do not claim any credit in any way, so just let it be known that we are happy with everyone for the fine rain.

The people of the First Baptist Church invite everyone to come to our services if not in services somewhere else. Let's make our town, a church-going town.

J. C. Hancock, Pastor.

EPISCOPAL GUILD MEETS

Mrs. Charles Ludwig was hostess to the Eldorado Episcopal Guild at the regular meeting of the group Monday. The women had their regular all-day meeting with luncheon at noon.

On Wednesday the Guild members were guests at a luncheon given in Sonora by Mrs. John Winslow, wife of the rector.

Success, \$2 year — anywhere.

School News

The news at school this week was both good and bad; from the students' standpoint it was bad because six weeks exams were scheduled; good because the six weeks means that one-sixth of the year has passed.

Mrs. Elizabeth Smith, from Midland, visited the school and discussed plans for the year with Mrs. Evans. Mrs. Smith is the Homemaking supervisor for this area. She was well pleased with the plans formulated by Mrs. Evans and the method she is using in conducting her classes. Fire Prevention was stressed in

assembly today. Fire Chief Palmer West gave an informative talk and demonstration on fire prevention.

The photographer for the Talca will be here tomorrow to retake some pictures and pictures of those students who were absent when he was here in September.

The Junior High football team will play Sonora at Sonora tonight at 7:15. The site of the game has been changed due to a conflict with the showing of the Billy Graham film, "Oiltown, U. S. A."

The L. V. Newport family are among those who attended the Old Settlers' reunion at Iraan Saturday. They visited while there with old friends.

YOUR LEGION

The American Legion presented a Good Sportsmanship cup at a pep rally Friday morning at the school.

Each year the award will go to the boy showing the most outstanding sportsmanship, regardless of how many games he participates in or what his place on the team may be—only sportsmanship will count when the winner is chosen.

The boys participating in the school's sports program will pick the winner themselves. The name of the winner will be engraved each year on the cup, and the trophy will always be on display in the school's trophy case.

The winner will also be given an award to keep, a bronze charm engraved with the year of the award. Eligible boys will be those who participate in one or all of the school's sports.

The Legion has drawn up a set of rules for this award, so that the selection may be made each year under the "yardstick." The winner will be announced after organized athletics are dropped in the spring, and before Commencement.

The trophy is already on display, and the boys in the High School have most of the year remaining in which to aspire toward being the lucky boy.

The local post might well receive some state-wide publicity on this award, as the idea is original with the local members, and the purpose is worthy enough to attract more than community-wide interest.

Because of a shortage of flags in the business district members of the American Legion are taking orders for flags; some for the business district and smaller ones, if preferred for the residential areas.

Flags ordered for the business district match in size the ones already on display.

Guests for dinner and the afternoon Sunday in the Van McCormick home were Len G. McCormick, Dr. Jake Shapiro and his wife, Mr. and Mrs. Skeet Meador, and Mrs. Betty Sue Thomas, all of Midland.

Ann Cowart and Frances Cary of San Angelo visited Sunday with Mr. and Mrs. W. G. Godwin.

Mrs. Paul Johnson of Brady has been here visiting her aunts and uncle, Mrs. Clyde Galbraith and Mr. and Mrs. Leslie Galbraith.

Mrs. Rosa Owens, who has been suffering with arthritis, and who has been a patient at the Eldorado Clinic Hospital recently, is at home, but spends much of her time on crutches or in a wheel chair. She is somewhat improved.

Mr. and Mrs. Paul M. Halcomb and daughter of Carlsbad, New Mexico, have been visiting Mrs. Halcomb's parents, Mr. and Mrs. Jess Koy.

Fred Logan has been on the sick list two weeks.

Mr. and Mrs. John R. Jones and their son John Lee, who has been at home on furlough, spent the week end at Brownwood with their son Billy Ray, senior at Howard Payne, and attended the football game.

Mrs. B. E. Moore and grandson Sonny Moore will spend the week end in San Antonio with relatives.

Mrs. Sam Oglesby returned Sunday from Brownwood where she spent a week with her daughter and family.
