O'Shea Fails In Wild Tilt

Irishman

By HANK HART

After Eddie O'Shea had taken advantage" of Mervin Barackman last night, to take the first fall in less than a minute, the Washington lad presented a display that convinced the "Ladies' Night" crowd of his championship stuff.

O'Shea failed to give the middle weight champion time enough to liscard his robe and threw him to the mat with a series of flying head locks in barely a minute after the match had begun.

The crowd disapproved of Ed lie's actions and gave the Coas boy their applause when he fought to overcome the disadvantage. Mervin fought back and soor

had the Wild Irishman in a bad way. Barackman finally slipped under the wild swinging O'Shea and tossed him to the mat with an assorted combination of rough body slams which seemed to hamper the offensive tactics of O'Shea for the remainder of the bout

After Barackman had thrown O'Shea, which took about twelve minutes, the Western champion stepped out in the deciding fall to slam the Detroit boy around the ring and take the fall and match in about ten minutes.

In the semi-windup, Jimmy Black of Ohio more than fulfilled the promises made of him who he tossed Dutch Aultman of Han burg, Germany in two successive

Dr. FORSAN (Spl)-Forsan Drillers Spann, former paster of the First Methodist church of this city, declined to comment on the political situation in Louisiana.

"It has been a genuine pleasure to be here with my friends in Big Spring and I have really enjoyed my visit immensely," he said.

Dr. Spann has a membership of 2,000 at Baton Rouge, he said. Besides being the capital of Louisiana Baton Rouge also is the seat of Louisiana State University, "We have approximately 800 members in our church."

How do you CHOOSE?

EVERY time you make a purchase you make a choice. Buying a certain product may be so much a matter of habit that you don't realize you are choosing. But the fact remains that in accepting one brand of goods you are always rejecting others; and the satisfaction you get from what you buy depends on the knowledge of quality and values that guides your se-

How do you know which bed-sheets, or which roofing material, or which radio will give you service you require? You can't personally test everything you buy and compare it with all the other products in its class. But there is a way to find out which brand fits your needs.

The people who are most successful in their buying-who achieve the highest percentage of satisfaction from the things they own and use-are those who consistently read the advertising columns, and buy consistently advertised goods.

Choosing isn't just "guessing" when you follow the guidance of the advertisements.

YOU CAN DEPEND ON ADVERTISED GOODS. IT PAYS TO READ THE ADVERTISEMENTS

The proved power, speed, economy of the V-8 engine . . . plus improvements that make it a more rugged hauler than ever

THE Ford V-8 Pickup has always been a car that could take punishment.

This year, improvements have been added that enable you to use the Ford V-8 Pickup harder than ever—and to do it at less cost.

Even the proved V-8 engine has been made more economical, more dependable. It has new

more economical, more dependable. It has new erankcase ventilation that rids the engine of water vapor, minimizes studge, reduces oil dilu-tion and corrosion. It has copper-lead connecting soil bearings that resist burning and pounding

sed bearings that resist burning and pounding out. It has cast alloy camshaft and crankshaft that outwear forged steel.

The frome axie is stronger—20%. The frame has been strongthened—with a new X-member, double reinforced side rails, slew cross members at from, center and rear. The chassis is mounted on the Ford Full-floating Springbase—giving

more uniform tire wear, longer brake life, better brake action, improved over-all operation, easier riding and handling.

But the way to find out what this new Ford V-8 Pickup will do for you - and save for you is to put it through a tough trial on your own job. Your Ford dealer will let you have one
