J. E. ESTES, 102 IS HONORED BY HIS FAMILY

J. E. Estes, who was 102 years old on February 10, was honored with a quiet home celebration at his residence on the Stanford place Sunday. Present from out of town were Mrs. W. D. Gay and daughter Willie Dean and Mrs. Johnnie Gay and son Bruce of Ruston, La., Mrs. J. E. Padgett of Mallickoff, Mr. and Mrs. W. D. Runnels of San Angelo, and Mrs. Frank Brazzelton and Pat McWhorter of Hammett. A number of others called.

Mr. Estes is doing well considering his advanced age. His hearing is growing worse, but he is able to be up some of the time, and can get around over the house by sliding a chair before him.

His wife, who is in her late eighties, is still living, as are nine children, two of whom are by a first wife.

The couple were married June 11, 1885.

Lions Club

At special presentation ceremonies at Lions Club Wednesday noon, Second Lt. Tommy L. Green was awarded the bronze star medal, the presentation speech being made by LeRoy Aldwell of Sonora, commander of the reserve unit at Sonora. Joe Andrews read the citation.

An address was made by Mr. Aldwell, who talked on the organized military reserve as an economical program for preserving the peace and maintaining a ready force for national emergencies.

The cast for the Womanless Wedding which the club will present Friday, Feb. 26, at 7:30 (adm. 25c & 50c) was read by J. M. Christian, and practice was announced for Saturday night, February 20 at 7:30 in the auditorium.

Ladies' Night will be March 2. This will be District Governor's night—honoring District Governor James Mogford of Carrizo Springs—and will be held in Eldorado at the Memorial building with Sonora and Eldorado clubs meeting jointly.

On the 24th Halliburton will have charge of the program at Lions Club, showing a film on their work. Men from San Angelo and Abilene offices will be in charge of the program.

School News

The basketball season will close Friday night with 3 games scheduled in the local gym. Eldorado will meet Junction in games featuring Junior High boys, girls, and the A team. In their first game this season Junction was defeated by the girls, but we lost both of the boys games. Since that time, the Eldorado teams have shown improvement which resulted in a nip and tuck battle with Menard Tuesday night with the Eagles edging Menard 60-57. Why not make plans to see the last games of the season. First game will start at 6:00 o'clock.

The 8th grade class will present an assembly Friday morning. Parents and friends are invited to attend.

Next week's schedule is filled with six weeks exams. The exams will be scheduled as follows:

Monday: 1st & 4th period classes
Tuesday: 2nd & 5th period classes
Wednesday: 3rd period classes
Thursday: 6th period classes.

Plans for Public School Week, March 1-6, are being formulated and will be released next week.

Track will start next week and Coach McAllister is expecting about 85 boys out. Coach Warren is working with the tennis hopefuls and assisting in track. Dates of track meets and spring events will be announced later.

MRS. STEWARDSON FUNERAL BEING HELD HERE TODAY

Funeral services for Mrs. A. L. Stewardson are scheduled for today, Thursday, at 2:30 at the Methodist Church in Eldorado with interment beside the body of her husband and daughter in the Eldorado Cemetery.

The officiating pastor will be Rev. Lloyd Hughes, minister of the Methodist Church of Fort Stockton, with the Rev. Doyle Morton, pastor of the Eldorado Methodist Church, assisting. The Methodist choir will be in charge of the music. Request hymns will be Beautiful Isle of Somewhere and Old Rugged Cross.

Mrs. Stewardson died Wednesday morning, the 17th at 4:00 o'clock, in Fort Stockton, after several years of failing health. She was 78 years old.

Pall bearers will be Jo Ed Spencer, Eldorado, Olen Wesley Nicks, Inglewood, Calif., Sam Ed Ashmore, Memphis, Tenn., Jack Mund, Eldorado, Alvin Houdek, San Angelo, Felix Murr, Junction, and Travis King, Dallas. All are grandsons.

Ora Lee Williams was born July 19, 1875 in Bell County, near Temple, the daughter of Mr. and Mrs. Marion Williams. When she was 16 she moved with the family to Coleman County, where in 1904 she was married to A. L. Stewardson. The family moved to Eldorado in 1920, residing here until 1930 when they moved to Fort Stockton to ranch. She had been a member of the Methodist Church since she was about 10.

After the death of her husband in 1949 Mrs. Stewardson continued to live in Fort Stockton with her daughter Miss Sammie.

The couple lost one daughter, Elizabeth, at the age of 20. The surviving children are Sammie, Ft. Stockton, Mrs. A. L. King, Rockwood, Mrs. H. R. Ashmore, Fort Stockton, Mrs. C. A. Crump, Coleman, Mrs. O. M. Nicks, Ft. Stockton, Mrs. Ervin Mund, Eldorado, Billie Stewardson, Fort Stockton; there are also 15 grandchildren; six greats; two sisters, Mrs. M. L. Rendelman of Skidmore, and Mrs. Leona Hicks, Abilene; and one brother, Byron Williams, of New Mexico.

A large number of out-of-town relatives and friends are here today to attend the funeral.

Lions To Present Woman-less Wedding

As a benefit for the Boy Scouts, who are one of the principal projects of the Lions Club, the Lions will present a Womanless Wedding Friday night, the 26th, beginning at 7:30 in the school auditorium. At work on the project are Carroll Ratliff and his finance committee, the advertising committee and the entire club.

OIL NEWS

Preparations are being made to complete a gas well in the Tillery (Pennsylvanian) field.

This well, the Southern Minerals No. 3 Virgil Powell, located in 3-A-AB&M, 3 1/2 miles northwest of Fort McKavett, surfaced dry gas in one minute on a 3 1/2-minute drill-stem test between 4042-4049 feet in Canyon sand. The pressure had built up to 700 pounds, when the tool was closed after 3 1/2 minutes. Flowing pressure was 1275 pounds, 15-minute shut-in pressure was 1600 pounds. The well was not gauged, but it was estimated that the flow was at approximate rate of five million cubic feet and upward daily.

Operator set 5 1/2-inch casing at 4049 feet and was running tubing to complete.

Two shallow wildcats have been staked southwest of Eldorado. Robert Page et al, Eldorado, No. 1 Ray W. Willoughby, a 1500 foot cable tool project, is located 330 feet from the south and 467 feet from west lines of 116-A-HE&WT, about ten miles southwest of Eldorado. Homer E. Ogden No. 2 E. B. Willoughby, a 1500-foot test, is located 330 feet from north and 1650 feet from west lines of the southwest quarter of 130-A-HE&WT, one location east of the same operator's No. 1 Willoughby, shallow Cretaceous discovery.

The Page well yesterday set surface pipe at 329 feet.

The eyes of the industry, meanwhile are on the portion of Schleicher lying in the Cambrian trend. The south leg of this trend swings southwest from the Pecan Station field, located 10 miles south of San Angelo in Tom Green County, to the Atlantic Refining Co., No. 1 Roberts, Cambrian and Ellenburger gas-distillate discovery located southwest of Eldorado.

A San Angelo broker has been buying acreage 3 to 10 miles northeast of the Humble No. 1 Spencer and the Atlantic No. 1 Roberts. This acreage, directly in

the trend, has been purchased for an average of \$15 per acre plus \$1.00 rental.

This interest in the Cambrian, plus the fact that 1954 lease expirations will total some 126,560 acres, appears to assure what may be a record number of exploratory wells in 1954.

At least a part of the story will be told by the end of next week, what with two key wildcats located southwest of Eldorado due to drill into expected pay formations. One of these tests, the Atlantic Refining Co. No. 1 Teele, located C SW NE 190-A-HE&WT was drilling below 6800 feet Tuesday night. The second project, the American Trading and Production Corp. No. 1 Otto Sauer located a mile north in section 191, was drilling at about the same depth. The formations in both these wells were running low to the Spencer well, which is about a mile to east.

At 8:00 o'clock this morning (Thursday) the Sauer well was drilling at 6925 feet in sand and shale—and had not topped the pay up to that time.

The Teele well, with about the same kind of report, was down to 6980 this morning.

Other wildcat drilling depths: British American Oil Producing Co. No. 1 Harvey Keyes et al, located in 69-1-GH&SA, 15 miles northeast of Eldorado, 5900 feet; Edwin L. Cox No. 1 O'Harrow, 12 miles east of Huldale, 2420 feet, shale and lime; Sinclair No. 1 Felix Smith, 10 miles southwest of Eldorado, 4900 feet in shale; C. L. Norsworthy No. 2 Willoughby, 9 miles southwest of Eldorado, 3000 feet, shale; Taylor Oil & Gas Co., No. 1 Isaacs, 16 1/2 miles east of Eldorado, 200 feet early this week.

In an attempt to shut off some of the gas, Standard of Texas are working over their McWhorter 2A No. 2 well, which has developed excessive gas-oil ratio.

Fort Worth Press Conservation Awards

The big hunt is on for Texas farmers and ranchers who have done an outstanding job in conservation.

Sponsoring this program, which annually honors the outstanding soil conservation district, conservation group, and many others, is the Fort Worth Press. This is co-sponsored by 23 other Texas organizations. Among the list of co-sponsors are the Texas Soil Conservation District Supervisors Association and the East Texas Agricultural Council.

The East Texas Agricultural Council will present a handsome plaque for the best individual showing in woodland conservation. Competition in this field will center largely in East Texas.

Tarleton A. Jenkins, former regional information officer of the Soil Conservation Service, will serve as director of the awards program this year. He succeeds Delbert Willis, who has become city editor of the paper.

Top award of \$1,000.00 dollars in state competition will be offered for the outstanding soil conservation district, with \$300.00 dollars going to each winning district in the five divisions of the state. The outstanding soil conservation group will receive \$500.00 with regional winners receiving \$200.00.

The conservation farmer or rancher judged outstanding in the state will get \$500.00, with \$100.00 going to each regional winner.

SLIDES, MOVIES TO BE FEATURED ON MARCH 6th

An evening of home movies and slides of kodak pictures of civic interest is planned at the Memorial building, Saturday evening, March 6, beginning at 7:30.

Mrs. Palmer West and Mrs. Jack Elder, assisted probably by others, are planning this evening of entertainment, which will be presented entirely free, "just for fun."

A projector and screen will be on hand for the program, also a 35 mm slide projector. It is planned to show home movies, and between these to throw slides of the kodak pictures on the screen.

The project arises out of the oft-heard wish that people could see home movies and kodak pictures which other people had taken of various events of civic interest.

The program planned will fulfill that wish: for instance, Mr. and Mrs. J. H. Moore of San Antonio who are avid camera fans, will have pictures of the 4H livestock show, some will have slides or pictures of Homecoming which others have not seen, and there will be movies of the San Antonio livestock show, showing Eldorado's part in the parade.

Instigators of this evening of entertainment state that they are anxious to get people to bring whatever they have of civic interest along this line. Those who have pictures or movies for the program are asked to bring them at 7:00 o'clock.

It is expected that if anything is shown of which someone in the audience wants a print the owner may take orders and supply them. If anyone has questions to ask he may contact either Mrs. Elder or Mrs. West.

55th District Masons Plan Chili Supper

George Poulter of San Angelo will be principal speaker at the 55th district Masonic chili supper, to be held in the Memorial building in Eldorado Monday night.

SPEAKER AT CHURCHES

Rev. E. C. Ray, of San Angelo, district representative of United Drys, will be here Sunday to speak to the Methodists at 10:55 a. m., and to the First Baptists at 7:30 that night.

S. E. Davis, 60, a brother-in-law of several Eldorado people, died of a heart attack at 6:15 Sunday evening at his home in Ballinger. Attending the funeral Tuesday were Mr. and Mrs. Don McCormick, and daughter Donna Beth, Mr. and Mrs. Howard Stephenson, Mr. and Mrs. Roy Boyer and family, Mr. and Mrs. Clarence Rumpy and family, Mr. and Mrs. Roy Boyer, Mr. and Mrs. A. J. Halbert and Mrs. Rutha Boyer.

At their regular meeting Wednesday night, the members of the First Baptist Church awarded their new parsonage contract to Cameron Roofing Co., of Eldorado, W. M. Patterson agent, and work is starting at once.

Five bids for the work were submitted, two of them from out of town.

Plans and specifications were approved at a meeting of the members in early January, and bids were then advertised for.

As finally approved, the plans show a brick veneer building matching the finish of the church, and facing the church. The parsonage will have three bedrooms and two baths, one with tub and the other with shower; a large living room-dining room, 34 feet long and 14 1/2 feet wide; kitchen with dining area, 21x11 1/2; hall with large closet, two floor furnaces, car porte with connecting roof, double hung steel windows, asbestos shingle roof, and numerous closets and built-ins.

MOORE IS CHOSEN NEW PRESIDENT ABERDEEN ASS'N

About 250 members and guests of the large Texas Aberdeen-Angus Association were on hand February 3 for the annual meeting and banquet at the Texas Hotel in Fort Worth. During the evening, Henry Moore of Eldorado, was named president for the ensuing year.

Those present heard talks by Ray Greene of the Swift and Co., research department, and Frank Richards, secretary of the national Angus association. A report on Texas sales during 1953 showed that 1,045 registered Aberdeen-Angus cattle had been sold through the state association sales, for a total of \$406,190, and an average of \$392.23.

Fat Stock Show, Rodeo Under Way In Angelo

Ford's New Ball-Joint Suspension gives you the Newest Ride on the Road!

This revolutionary new Ford front suspension soaks up road shock before it reaches you! Makes all riding and handling easier!

THE "OLD" ROADS won't seem the same with Ford's new Ball-Joint Suspension "paving" the way for you. You'll enjoy a softer, more level ride because Ford's new system allows greater shock absorbing movement of the front wheels. Handling is far better, too. That's because conventional kingpins have been replaced by simple, sealed ball joints that won't stick or bind. No other car in Ford's field can equal Ford's ride—because no other has Ball-Joint Suspension.

Agile new performance, too, is yours in a '54 Ford... whether you choose Ford's new 130-h.p. Y-block V-8 or 115-h.p. I-block Six. And no matter which of Ford's 28 new models you choose you enjoy recognized style leadership—with clean, modern lines... sparkling new colors... and harmonizing upholstery fabrics and trim.

Eliminates 12 wear points. Ford's Ball-Joint Front Suspension eliminates 12 of 16 points of wear found in conventional systems. Rubber-bushed supports at inner ends of suspension control arms reduce the number of wear points and insulate chassis from road noises.

We cordially invite you to Test Drive a

PTA OBSERVES FOUNDERS' DAY ON TUESDAY

The Parent Teacher Association held their regular Founders' Day program Tuesday night in the school auditorium with Mrs. Gus Love, president, in the chair. A meeting of the executive board preceded the meeting.

Appointment of the nominating committee members, Mrs. Jess Walston, Mrs. James Williams and Mrs. Marvin McAngus, was announced. Report was made that subscriptions to the PTA magazine were ordered for the Eldorado Hospital and the school library. Plans were announced for public school week beginning March 5.

The gift of risers for the stage has been received, and wrought iron baskets are being made, it was announced.

Attendance prizes were won by Mrs. Miller's first, Mrs. Thornton's 6th, Mr. Wosiard's 9th, and Miss Midgett's 7th.

Mrs. Marvin McAngus, program leader, directed a contest on Founder's Day and a prize was awarded the winners. Mrs. Irene Thornton directed a radio skit in which participants were elementary teachers and pupils and the Ray Tisdale family. In the cast were Mrs. Irene Thornton, Mr. and Mrs. Lewis Jordan, Mrs. Joe Andrews, C. E. Love, Mrs. Jewel Miller, Wyndell Hall, Patrick Preston and Eddie Etheredge, also the Tisdales.

Judy Hext played two piano numbers. A high point of the program was presentation of a life membership to Miss Thelma Ellington, a teacher in the elementary school.

The hospitality committee were hostesses at a reception, at which life members were in the receiving line. The birthday cake, which was decorated in gold and blue, with 1897-1954 inscribed on it, was served by Mrs. Edwin Jackson, Mrs. Carroll Ratliff and Mrs. Kenneth Cheek pouring coffee and punch. Mrs. Edwin Jackson will lead the next program March 16, at 7:30. The speaker will be Penrose Metcalfe, of the state board of education, and a film on narcotics will be shown, upon recommendation of Dr. Wm. Lindsey.

CARD PARTY

Eldorado Guild of St. John's Episcopal Church will have their Benefit Party on February 27 at 7:30 at the Memorial building. There will be tables of bridge, canasta, and 42, with a prize for every table. Refreshments will be served after the games. Everyone is urged to come and have a good time. Tickets at 75 cents each may be obtained at the door.

Handy Insect Control Guide Just Off The Press

College Station.—Insect pests frequently attack ornamental plants around the home and in many instances insecticides are the only means of control.

The 1954 Guide for Controlling Insects on Ornamental Plants in Texas, a handy guide for home owners on insecticides and their uses, is just off the press and is now available.

Compiled by Neal M. Randolph and F. M. Fuller, Jr., extension entomologists, the new 1954 guide lists control methods and insecticide doses for more than 50 common insect pests.

In addition to containing instructions on mailing insect specimens to Texas A&M College for identification, the bulletin tells how to store and handle household and bulk insecticides.

It also gives a brief outline of the three type poisons—stomach, contact and fumigant—and how each works.

Additionally, the bulletin contains a useful dilution chart for mixing sprays at home. For example, two teaspoons of 50 percent wettable DDT added to one gallon of water makes a handy spray. This is only one of 25 such dilutions listed in the guide.

Copies of the bulletin, C-341, Guide for Controlling Insects on Ornamental Plants in Texas, 1954, are available from any county agent or from the Agricultural Information Office, College Station, Texas.

EATON'S Corrasable Bond, legal size, at Success Office.

Television Viewing Tips Are Explained

College Station.—Television is growing up in a hurry and is prompting marked changes in home living habits of Texans.

Several pointers watching your set will help make the family's viewing even more enjoyable, says Bernice Claytor, extension home management specialist.

A TV set should be located neither in front of a source of light such as a window nor so direct rays will fall upon the screen. Mrs. Claytor suggests set placement so that any light entering the room will be at right angles to the line of vision.

Never operate a set in a totally dark room, she emphasizes. Tele-

vision screens are about 10 times brighter than movie screen and many times smaller. Viewing in complete darkness causes severe eye-strain, she points out.

Light should come from an indirect source in the room and not from an adjoining one. For your eyesight's sake, Mrs. Claytor says, use an indirect lighting fixture placed on the wall or on furniture on either side of the set. A floor lamp with a small wattage bulb will do the trick.

Most people agree the best viewing distance is nine to 15 feet, depending upon screen size. An occasional glance away from the screen will further help prevent tired eyes.

Many authorities, Mrs. Claytor concludes, believe that television viewed under proper lighting conditions will not strain the eyes any more than reading, sewing or watching the movies.

FIRST BAPTIST CIRCLES

Circle 3; Feb. 15 was the meeting

date for Circle 3 of the First Baptist WMU, with Mrs. Arch Crosby as hostess. Mrs. Cheatham conducted the business session on community missions. Mrs. Lavelle Meckel, program leader, brought a skit "Housecleaning Time" with Mrs. Calcote, Mrs. Watson, Mrs. Townsend and Mrs. Meckel in the cast. Others on the program were Mrs. Walter Ramsay, Mrs. Cheatham, Mrs. Hancock and Mrs. Montgomery. Refreshments were served to 15 members and three visitors.

Circle 2: The meeting was held at the home of Mrs. B. E. Moore. Plans were made for the WMU meeting next week, at which Circle 2 will furnish the refreshments and the program from Royal Service. It was announced that eleven packages had been sent to the needy in Korea from all of the circles.

The program emphasized home missions. Refreshments were served to 14 members and Mrs. Carroll Ratliff, general chairman.

Mrs. W. A. Schuller and two children have all been on the sick list.

Wayne McGill has gone to Edna to visit his mother.

Mrs. George Cales will have surgery Saturday morning in San Angelo, for a stomach ailment.

Mr. and Mrs. T. K. Jones left Saturday night for Dallas where they were called because of the serious illness of their son-in-law Blaine Sammons, who has been there for some time in a veterans' hospital.

SCOUT FUND DRIVE TO BE LAUNCHED ON FEBRUARY 24

Joe Muller Christian will be general chairman for the annual Scout fund drive, for which the kick-off date has been set as Feb. 24. All are urged to remember this important date and to respond generously.

There will be a meeting at the Negro school at 7:00 p. m., March 5 for the purpose of organizing Scouting for the Negro boys of the community. The movement is under sponsorship of the Presbyterian Church.

The annual Cub Scout blue and gold banquet will be held Thursday night, tonight, at the Memorial building, beginning at 7:00.

The following explanation of the finance drive is given:

Scout Finance

Boy Scout finance has become a controversial issue in Schleicher County. The rather definite conclusion regarding the techniques of Scout financing have become apparent. The facts are, that there are two distinct and separate types of Boy Scout financing.

First, there is the local organization. Surely, a Cub pack, Scout troop or Explorer post needs and must have monetary backing. However, funds for these units should be provided by the boys, through and with the support of their unit sponsor. It has been proven many, many times that it is much better for a Scout to help earn his own way through such projects on a local level.

Such activities develop a sense of responsibility in the Scout. A Scouting unit, such as a Cub pack, Scout troop or Explorer post, does not operate through solicitations. Anyone who wishes to help on a local level should contact the Scout unit or sponsoring institution and find out what the needs of that unit are and how he can best help that particular unit.

Secondly, there is the area Council and the National Organization. It should be thoroughly understood that any organization as big and as busy as the Boy Scouts of America must have a central staff of well trained professional leaders. There are Scout units in our community because the people have wanted them enough to help set up and financially support a Council that does most of the hard work of planning and organizing a Boy Scout program. This professional group organizes new units, helps to find and train new leaders and workers, runs summer camps, furnishes educational material for adult leaders, keeps records on each Scout,

furnishes awards for achievements and offers many indispensable aids. The Council does the things for scouting that few volunteers have the time to do. The Council is your Council and operates under the direction of your local representatives. The only method of financing the professional organization—the Council—is through solicitation. Local Scouting units have many sources or opportunities for obtaining operating expense, but the Council has only one—solicitation for individual investments in Scouting. If there was no Council or similar governing or directing body it is my opinion that eventually there would be no local Scout units at all.

In conclusion your financial investment in the Boy Scout program will best help the local units if made through your local council—the Concho Valley Council Boy Scouts of America.

David Dewey Griffin, son of Mr. and Mrs. Skeet Griffin, is hospitalized in San Diego, where x-rays are being made by Naval doctors in an attempt to locate the cause of his trouble. David Dewey, who is 24, has been in the Navy two years, and has been in Korea and Japan on one trip and expected to sail with his ship on a return trip there Friday when he became ill. The Success is glad to print his present address for the benefit of those who may wish to write to him:

Two Schleicher County youths left Monday for San Antonio to take their physicals for service in the Marines. These boys are Melvin Owens, 17, son of the Marion Owens, who was reared here and attended the local schools, and Louis Chancey, 19, who has been staying here with his brother and working in the oil fields. The enlistment period is for three years.

Another new house for Eldorado: Camerons are starting work on a three-bedroom house in Glendale on lots adjoining the Lawrence Steen property at the north. The house will face west on the 119x130 foot lot. It will have an attached garage, a terrace, central heating and other modern features. The lots were purchased from Ralph Logan. Work started this week.

—ps—

Literally dozens of meadow larks cavorted around over our vacant lot the other day, and many of them remained to make their home (we hope). With quite a few fruit trees in full bloom, in addition to the birds' singing, we have a feeling that spring is definitely here.

But there's no rain! A salesman in the shop the other day brought the report of a Rocksprings man who had two inches of dust in his rain gauge—we felt real bad to find that we had only half an inch in ours.

—ps—

Someone estimated that there must have been 50 families from this county at the Fat Stock in San Antonio, and that wouldn't surprise us at all. The float was a big success, and attracted considerable attention as it passed along the parade route with its display of Schleicher products, including pretty girls and quality stock. Those who put over the float state that interest in the project and competition to do a good deed by working on it were keen, and that it did a lot to create good will among Schleicherites as well as call attention to the enterprise the county can display.

Everyone who worked on the float gives the report that he was glad he did it.

A report on the boys' displays will be available for next week's paper.

DORCAS CIRCLE TEA

Mrs. Doyle Morton and Mrs. W. G. Godwin were hostesses to the Dorcas Circle with a silver tea at the parsonage Friday afternoon. The members spent the afternoon visiting and were served refreshments in which the Valentine motif was carried out.

ELECTION NOTICE

AN ELECTION HAS BEEN CALLED IN THE CITY OF ELDORADO FOR THE PURPOSE OF ELECTING TWO ALDERMEN, TO BE HELD APRIL 6, 1954.

Operation Heartbreak -

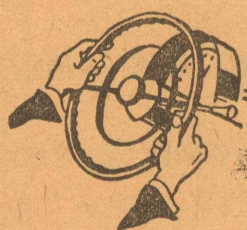

"What can I do to help?"

Hardened highway authorities choked as they read this desperate appeal in a grieving mother's letter. It was about a new plan to reduce traffic accidents she had just read in her newspaper. Her son, riding with a 15-year-old licensed driver, had been killed in 1952. In her anguish and sorrow and the aching void in her family circle, her first thought was for other mothers. She felt she must do something to save others from that endless heartbreak which strikes into some 40,000 homes every year.

"What can I do?" she pleaded. "As a citizen I feel that such a plan is most worthy of everyone's consideration. As a mother whose boy was one of 38,000 Americans who lost their lives, I will whole-heartedly enlist to recruit others—to put such a plan into effect."

Must other mothers and fathers be so tragically shocked into a life-saving crusade to stop this killing on the highways? Not if you do your part in the way you drive. And you can join community projects to make streets and highways safer, too. A citizenry sick and ashamed of this reckless, heedless, unnecessary killing could contribute much to saving thousands of lives.

Think safety—talk safety—drive safely!

SLOW DOWN—LIVES ARE IN YOUR HANDS!

Margaret Faull Weds in Her Grandmother's Home

Margaret Faull, daughter of Mr. and Mrs. Howard Faull of this city, was married in a home ceremony Saturday evening at 7:30 to Elmer Stires, son of Mr. and Mrs. Norman Stires of Avery. The ceremony was performed in the home of the bride's grandmother, Mrs. Joseph Faull.

For the ceremony Miss Faull wore a spring suit of gray, with black accessories and corsage of white carnations. The officiating pastor was Rev. Cliff McDougal, pastor of the Fundamental Baptist Church.

An arrangement of palms, baskets of red and white carnations, and candles around a picture window in the home provided the setting for the single ring ceremony. Candle lighters were the bride's cousin, W. L. Ivy of Sheffield and her employer Eldon Calk. The couple's only attendants were the

groom's brother and sister-in-law Mr. and Mrs. Bruce Stires of Wichita Falls.

Included with the group of 30 who attended the wedding were several families from out of town, Mr. and Mrs. Leo Ivy of Sheffield and their children, Mr. and Mrs. Bruce Stires of Wichita Falls, Mrs. Norman Stires of Avery and Mrs. Adams of Mason.

Following the wedding the couple left for Wichita Falls where they will make their home. The groom is employed in an oilfield wedding shop there.

A reception followed the wedding in the Faull home. Mrs. Earl Hicks served the wedding cake which was a three-tiered white cake topped with bride and groom and other wedding decorations. Dorothy Faull, the bride's sister, served the punch and Mrs. J. B. Swain registered the guests.

The bride is a 1953 spring graduate of Eldorado High School and has been employed in the business district since last May. While in high school she took part in many of the school's sports, including basketball and other phases of the girls' athletic program.

The groom attended grade school in Eldorado for several years, moved away with the family, then returned to take his 8th grade work here. The remainder of his education was received in other schools.

Mr. and Mrs. Floyd McGinnis left Tuesday for Austin to visit relatives and friends.

First Baptist News

The annual Brotherhood Sweet-heart banquet was held Monday night in the basement of the church. Some seventy-five people attended. The program included special music by the Sextet and introductory remarks by Brotherhood President Roy Phelps. Main speaker of the evening was Dr. Frank Royal of Abilene. His subject was "I am a Baptist: What Does It Mean?" Dr. Royal was accompanied by L. W. Caldwell of Abilene.

By the time this paragraph is printed the contract will no doubt be awarded for the construction of the new parsonage. It has been a great inspiration to all concerned to observe the cooperation that has been given by everyone in this program.

The attendance was off to some extent last Sunday. We try to account for it in many ways. If our average is kept up we will have to keep the attendance high for some time to overcome days like that.

Bro. R. B. Cooper Jr., pastor of the Mexican Mission led the singing for us Sunday evening. Bro. Cooper will soon be leaving us it seems, for he is finishing his college work at Howard-Payne and will enter Southwestern Seminary next fall.

S. S. attendance:
 First Church 195
 First Mission 41
 Mexican Mission 24
 Go to church somewhere next Sunday.

Howard Parker of Texas Tech, Lubbock, was a week end visitor in the home of his mother Mrs. Mabel Parker.

O. O. Craig of Big Spring, an oil company employee, spent a day and a night here with his brother Elvis and family.
