## Former Eldorado Boy Killed Near Dryden; Funeral Held Tuesday

Wilne Leo Ivy, 19½, son of Mr. and Mrs. Leo Ivy of Sheffield, former Eldorado resident, was killed instantly in a car accident early Monday morning on the farm road 1217, 30 miles north of Dryden.

Funeral services were held at the Baptist Church in Sheffield Tuesday afternoon at 4:30, and interment was made in the Sheffield Cemetery. In charge of the services was Rev. Price of Corpus Christi, Baptist pastor. Pall bearers were young men from the school and community.

W. L. was born in Eldorado, Sept. 2, 1934, and attended the schools of this city. When the family moved to a ranch near Sheffield five years ago, he enrolled in the school at Iraan, and during his Senior year was president of the FFA Club. He later began working on ranches in that locality, his specialty being breaking horses, and he also did some oil field work.

### How It Happened

He and two other men, Bobby Locker and Kenneth Herron of Iraan had attended the rodeo in Christoval and were making the trip back home during the night when the accident occurred. Although the car belonged to the other men, W. L. was driving at the time the car turned over, which is thought to have been caused by blowout of a rear tire, judging by its appearance—the others were asleep and did not know how it occurred.

Leaving the scene of the accident in the early morning to summon aid, the two surviving men wasted hours finding help, the country being sparsely settled with little traffic on the road. A sheriff from Iraan, driving to Sanderson on business, found the men by chance, and they located the car soon afterward, just three miles from the ranchhouse where the three had planned to spend the night.

Survivors are his parents, Mr. and Mrs. Leo Ivy; five younger brothers and sisters, Bud, age 18, Truett, 15, Louise, 14, Ann, 11, and Rosie, who is nine; a grandmother, Mrs. Chester Winans of Christoval; and a great grandmother Mrs. Ivy of Menard.

### Attend Funeral

Among those attending the funeral from here were Dick Bearce, Mr. and Mrs. Truett Stanford and Jack, Rev. and Mrs. Cliff McDougal and Ann, Mr. and Mrs. Marvin Lozan, Mr. and Mrs. Russell Donaldson, Mrs. Jerome Mitchell, the J. B. Swain family and Mrs. Chester Winans of Christoval, Mr. and Mrs. Norman Faust, Mr. and Mrs. Elmer Stires of Wichita Falls, who are cousins, Mr. and Mrs. Howard Faulk and children, Mr. and Mrs. B. R. Daniels, Jimmie Daniels and others.

## Appreciative Crowd Attends Showing of Movies and Films

About 80 people spent an informal evening at a free showing of films and kodak pictures at the school auditorium in Eldorado Saturday night under general management of Mrs. Palmer West and Mrs. Jack Elder.

Narrators were Mrs. Joe Hearn Moore of San Antonio, Mrs. Jack Elder, Mrs. Claude Alexander.

Included with the scenes were a Senior banquet, young people at the Methodist Church, the 1954 4-H stock show, a Senior class on annual trip to coast, several Homecoming groups, with floats, pictures taken in the zoo at San Antonio, snap shots of rain scenes (at Elder station), a fireman's float, High School band last year, pictures taken by the Runge girls on their trip to Europe last summer, a football game, the air show in San Angelo, Senior Kid Day in 1952, scenes of the float which Eldorado entered in San Antonio and San Angelo stock shows, other parade scenes at both places, class reunions, Big Bend scenes, a PTA-Lions Club lamb sale in 1946, and other interesting events and people.

Adding zest to the evening of entertainment was the running comment which people in the audience kept up throughout the program. Slides and moving pictures of interest to Schleicherites were shown.

### AT SALES SCHOOL

Elmer Peters, salesman and shop foreman for Tisdale Chevrolet Co., attended a three-day Chevrolet district sales school in Mineral Wells last week. Salesmen from a wide area were put through a short course in the sale of both new and used cars.

## The Military

Grover Lee Johnson, who is stationed in the British West Indies, writes that he and a buddy were expecting to spend the past weekend at Nassau "vacationing" on a week end pass.

Clyde Halbert Baugness, son of Mr. and Mrs. A. N. Baugness of this city, has completed his boot training and is now enrolled in a special eight-weeks' course in electronics at San Diego, Calif. He entered service four months ago and is now private first class.

Dale McHallek, who has been in the air force stationed in Florida, stopped here to visit his mother, Mrs. J. B. Jennings, and both went to Fredericksburg this week for a visit with relatives. Dale is on his way to his new assignment in Oklahoma.

Master Sergeant J. D. Ashmore, Jr., who is back in the States after 18 months spent in Germany, called home folks at Eldorado to notify them that he has been assigned to Wright Patterson Field at Dayton, Ohio, and that he would arrive here next week to help move his family to Dayton. His wife and children have been living here while he was overseas.

Mr. and Mrs. Skeet Griffin have received word that their son David Dewey Griffin underwent major surgery Thursday in the Naval hospital at San Diego for removal of the lower left lobe of a lung to cure a chronic ailment. He has been in service two years. For those who would like to send cards or letters to him, the Eldorado Success is glad to print the following address:

David Dewey Griffin, S. N. U. S. Naval Hospital, Ward 20-2, San Diego, Calif.

Ray Long, who is stationed at Othello, Washington, as radar operator with the air force, left for Othello during the week end, after a furlough with his parents Mr. and Mrs. George Long. He was dismissed Friday from Goodfellow Hospital where he had treatment for minor injuries received in a car accident near Sonora, about a week earlier.

Cpl. Reuben N. Dickens, of San Angelo, formerly of Eldorado, arrived in the States Feb. 27, after completing his two years of service in the Army. Now separated from the services he arrived in San Angelo Tuesday and was in Eldorado Wednesday, with his sister Carol Lynn (Mrs. Benny Dusek) visiting old friends and relatives. He received his discharge March 3 at Fort Bliss. He has been a photographer for the 304th Signal Bn., in Seoul during the past year, and during that time has carried out some important assignments such as taking pictures of the prisoner exchange, and of the visits of Vice President Nixon and Syngman Rhee. He is the son of Mrs. Annie Dickens of San Angelo and Reuben Dickens of Odessa, and the grandson of Mrs. G. A. Neill.

## Post Script

A nursery truck stopped Tuesday at the Eldorado Station on the Rancho line and unloaded trees and shrubs for planting around the houses, the stations and in the circles. Sycamores will be planted just inside the fence along the highway, it is understood, and altogether 900 trees and shrubs will be set out.

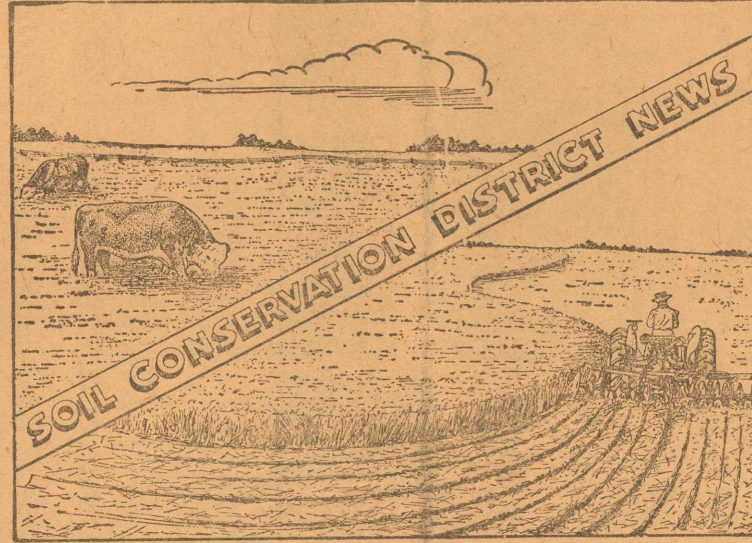

This seems to be an extensive landscaping project, and must require quite a lot of bravery in the face of this continued drought.

With grounds leveled and planted to grass, the station already presents an attractive green appearance.

In the alley at the back of the Eldorado Hardware store, Proprietor Ernest Hill has had built a sort of guard fence to keep free-wheeling truck drivers from backing into his steel shop building. It is especially noticeable (and appealing) to some of us old-timers because it looks like a hitching rack!

## New Babies

Born, Monday, March 8 in San Angelo, a son to Mr. and Mrs. Jimmie Danford. The baby weighed six pounds and five ounces at birth and has been named Gary Lee. He has one brother, Johnnie, age two. Grandparents are Mr. and Mrs. Fred Furr and Mrs. Ruth Danford of Eldorado and E. H. Danford of Sonora. The mother is the former Donnie Rae Furr.

Blue Panic Grass planted May 6, 1953 on the Parker Estate, northwest of Eldorado, made good growth and produced good seed crop considering the dry year.

Have you made plans for taking care of diverted acres due to this year's cotton allotment program? Would you consider a crop such as blue panic, which is a soil builder, grazing crop, cash crop, hay crop, and a crop which will do a good job of breaking up the hard pan on your cultivated land?

Blue panic shows promise of filling the need for a perennial grass (one that comes back from the crowns) that can be used in rotation with field crops in the Eldorado-Divide Soil Conservation District.

Besides being an excellent soil conserver, it affords lush grazing, some say it makes better grazing than sudan grass, but grows similar to sudan and more drought resistant.

Last year blue panic was planted in the district with a great amount of success. Farmers and ranchers who tried blue panic last year and have been watching the grass are quite optimistic about its possibilities.

The above planting was planted May 6th of last year following a fair rain of about 3/4 of an inch. About the time it was about to come up a quarter of an inch of rain fell. This was all the moisture received for quite some time. The blue panic stayed pretty and green through the hot month of June and part of July. It held up just like cotton, and then the latter part of July 1.33 inches of moisture fell. You could almost see the grass grow. After a short while the grass had grown to waist and shoulder high.

Due to moisture coming late in the year the blue panic was not grazed, but allowed to make seed.

### NEW WILDCAT SET FOR SCHLEICHER COUNTY

White Eagle-Oil Co. of Midland has filed application to drill a 7,200-foot Ellenburger wildcat in Schleicher County, 3½ miles southwest of production in the Huldale field and 5½ miles north of Eldorado. It will be the No. 1 Wilton. Operations on the project will begin in two weeks. Location is 1980 feet from the south and 660 feet from the west lines of 14-LL-TCRR. The No. 1 Wilton is being drilled on a farmout from Argo Oil Corp.

Robert Page et al 1 Ray W. Willoughby, shallow wildcat, has been plugged and abandoned at 800 feet.

Robert Miller of A&M spent the week end here with his brother John Miller and his family.

Not all of the seed was harvested, but about 50 pounds was harvested for planting this year.

Upon checking the grass lately technicians found it to have sprouts coming out of the ground some three or four inches long. In other words, it is even with or just ahead of Johnson grass in coming out in the spring. Those observing the grass have reason to believe that one can almost be grazing blue panic the second year while he is waiting to plant sudan grass.

The growing habits of blue panic are similar to sudan grass—upright, very rapid, and palatable until it begins to make seed. The grass should not be grazed closer than six to ten inches. Rotation grazing would be very much desirable. This grass branches freely at the nodes, and the branches are almost as long as the main stems. It grows throughout the warm season of the year as long as plant food and moisture is available. Its root system is extensive, having thick, heavy rhizomes which cause the plant to spread slowly.

Blue panic is a perennial pasture plant. The best use of it is to plant in rows on cultivated land at the rate of 1 to 1½ pounds per acre. Seeding should be made in the spring after danger of frost is past. A clean, firm, well-preserved seedbed is required with the seed being covered about one-fourth inch and packed if possible.

For information as to price of seed, places where seed may be purchased, method of planting, and time of planting contact your District Supervisor or office of the Soil Conservation Service. At the present time these seed can be bought from 85c to \$1.50 per lb.

### MUSICAL PROGRAM SCHEDULED

The DAR is sponsoring a musical program to be presented Tuesday to the general public Wednesday afternoon beginning at 2:30 at the Methodist Church. Local talent and a vocalist and a violinist from Sonora will appear on the program.

The Explorers and the Boy Scouts leave tonight for Camp Louis Farr at Merton to spend the night and tomorrow, there being no school Friday. They will be accompanied by the Explorer advisor, Rev. Doyle Morton, and the Scoutmaster Eldon Edge, or a substitute. This is a regular scheduled outing for both groups.

## Car Accident Injuries Prove Fatal to Local H. S. Student

Sue Kinser, 15, High School student, second daughter of Mr. and Mrs. Lewis Kinser, died Tuesday night in the hospital in Sonora, five days after she was critically injured in a car accident a few miles south of Eldorado.

Because of the serious nature of her injuries, little hope was held for her recovery from the start, but every effort was made to save her life, and doctors and nurses were in constant attendance during her hospitalization.

In the accident Sue received severe diffuse brain injuries, multiple bruises and cuts on the face and all over her body, double break of the lower jaw, and dislocated right elbow.

Her companion, Merl Spencer of West Virginia, Goodfellow Field soldier, who has been stationed at San Angelo for about two years, has foot and back injuries, none of which were serious, and was hospitalized only a short time. His 1950 Chevrolet is a total loss.

Sue and Spencer, accompanied by Sue's mother, Mrs. Fat Kinser, had gone to the show, then returned to the house, when the young people decided to drive around—the accident happened only 15 minutes later on the Sonora highway.

The car turned completely over three or four times, and Sue was thrown from the vehicle, striking her head against some blunt object.

### Funeral Wednesday

Funeral services were held at the First Baptist Church, Eldorado at 4:00 Wednesday afternoon. Mrs. John Stigler played the organ, and a 24-voice choir sang Does Jesus Care and Old Rugged Cross. Mrs. Wilson Page and Mrs. Roy Phelps sang as a duet Somewhere the Sun is Shining. Davis Murr,

minister of the West Side Church of Christ, read the Scripture and delivered the prayer.

Rev. J. C. Hancock, centering his message around the question of "Why," addressed words of comfort to the family, pointing out that the Bible is the only place which can give an answer, and that there, in Old and New Testament, are found such comforting statements as "He has given and He has taken away," "All things work together for good," and John's immortal words of consolation, "Let not your heart be troubled."

Interment was made in the Eldorado Cemetery with Ratliff in charge.

The entire crew of the Southwest Texas Electric Co.-Op., of which Sue's father is a member, were pall bearers. These were—active pallbearers: Elton McGinnes, Clifford Schooley, Earl Hicks, Jack Logan, Fred Butler, and A. E. Atkinson; the others were honorary pall bearers: Jerome Mitchell, Doyle Easterwood, Joe Griffin, Monroe Allen and Manager Don McCormick.

Sue Kinser was born in Eldorado March 1, 1939, and spent all of her life here with the exception of a few years when the family lived in Sonora during her early life. She has been attending the Eldorado school, enrolling here in the spring of 1948, and receiving all of her later schooling in the local schools. She was in the 9th grade, and had participated in volleyball and band, and was a member of the Homemaking Club.

Survivors include the parents, two sisters, Patsy and Kathie, four grandparents, Mr. and Mrs. C. L. Martin and Mrs. Frank Kinser, all of Eldorado, and other relatives.

## OIL NEWS

The search for Cambrian oil has been extended into extreme eastern Schleicher County with the staking of the Taylor Oil & Gas Co., and G. L. Rowsey No. 1 Sheen Brothers, a 6,000-foot rotary wildcat.

Location for the prospector will be 660 feet from north and east lines of EL&RR survey 65, 27 miles east and slightly north of Eldorado. Date of spudding was not announced.

A second wildcat, scheduled to drill to the Ellenburger or Cambrian, will be drilled one mile southwest of Huldale. It is the Wayne E. Moore and Bill Gilmore of Midland No. 1 Meckel. Exact contract depth has not been announced. Location is C SE NW 67-TT-TC survey.

Sinclair No. 1 Powell, Tillery field project, set 5½ inch casing at 3615 feet, the total depth, and was preparing to complete.

Taylor Oil & Gas Co. No. 1 Will T. Isaacs, wildcat located in 32-1-GH&A, 16¼ miles east and slightly north of Eldorado, logged slight shows after entering the Strawn porosity zone. The project cored from 5107 to 5122 feet, recovering

15 feet. The first six feet was hard, finely crystalline lime. The top two feet of this six feet had fair porosity with slight oil stain and odor. The bottom four feet was salty. The bottom nine feet of the 15-foot recovery was very porous lime bleeding salt water.

The following tops were picked on derrick floor elevation of 2293 feet: Palo Pinto, 4240 feet, minus datum point of 1947 feet; Strawn lime, 5086 feet, minus datum point of 2793 feet; and Strawn porosity, 5103 feet, minus datum point of 2810 feet.

Drilline depths: C. L. Norsworthy 2 Willoughby, nine miles southwest of Eldorado, below 6500 feet in shale; Sinclair 1 Felix Smith, 10 miles southwest of Eldorado, below 6924 feet, lime, shale and sand; Sinclair No. 2 Southland Royalty, 11 miles northeast of Eldorado, below 450 feet.

The Teale well some 10 miles southwest of Eldorado, has been plugged and abandoned.

The Sauer test is coming at 7648—no showing to date. This is the report at 8:30 this morning.

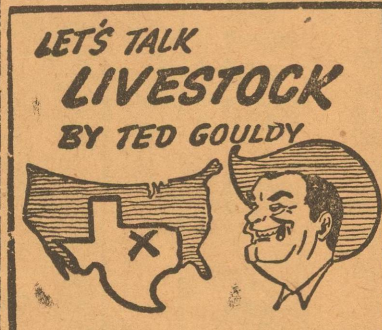

Old sheep were scarce and strong Yearlings and two's at \$13 to \$16.50, old wethers \$12 down. Old ewes \$7 to \$9, stocker ewes \$10 to \$11. Old bucks \$4 to \$5.

Cattle trade at Fort Worth was a pretty active affair. Good many spots on cattle and calves were stronger, as the receipts around the 12 major markets were about 25,000 short of the same day last week.

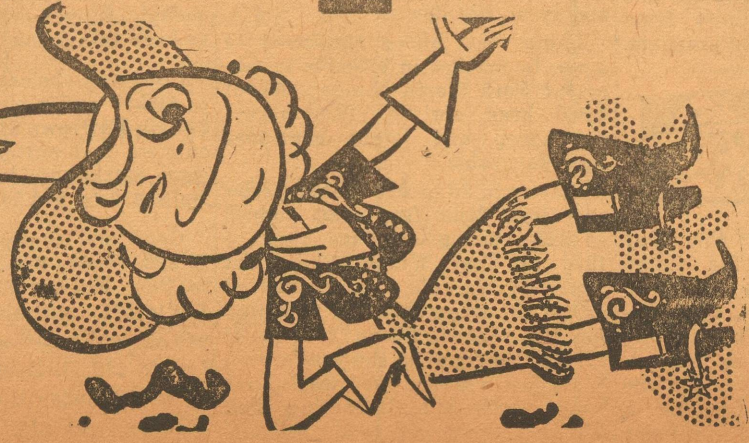

A strong spot was renewed interest in stocker calves and yearlings, which had been very dull last week. Packers apparently needed some cattle and calves and enough shipper trade was on hand to keep things moving.

Good and choice fed cattle \$17.50 to \$22.50 and plainer kinds \$13 to \$17.50. Fat cows \$11 to \$13.50, and canners and cutters \$8 to \$11.50, some cattle outside those brackets. Bulls \$10 to \$14.50.

Good and choice fat calves \$17 to \$20, few to \$20.50. Common and medium butcher \$13 to \$16. Culls \$10 to \$13. Good and choice stocker calves and yearlings \$17 to \$19, few to \$19.50. Heifers well around \$2 to \$3 under their steer mates. Stocker cows \$10 to \$13.50. Some feeder steers \$18.50 down.

**YOUNG SONORA WOMAN MURDERED; MAN IS JAILED**

Leonard Bingham, age 24, was brought back to Sonora in chains Friday morning, just 17 hours after he had left the scene of a vicious and brutal murder of a young Sonora business woman.

Apprehended at Van Horn, where he was taken from an El-Paso bus, Bingham, on his way back to Sonora, pointed out to officers where he hid his car, his bloody trousers, change taken from the Lambert Grocery, and the knife which he said he used to murder Mrs. Jeff Lambert Thursday afternoon. He was wearing new clothing when taken into custody.

He signed a confession in which he told in detail how he had planned Thursday morning to rob the Lambert Store, and how he had stabbed the young woman because she screamed.

He later said that he was sorry about the crime. He stated that he pulled out his knife and told Mrs. Lambert he was taking the money, and she moved over toward the cash register, then started screaming. As Bingham told it, "I stabbed her to make her be quiet. I couldn't seem to stop."

Bingham's bail was set for \$50,000, and about 15 officers stood guard for awhile over the jail where he was confined. He was later moved to the Tom Green County jail.

His car, a green 1948 Kaiser four door sedan, was found where he said it would be—in a ravine a short distance from the Preston Love house on the Station A road, 16 miles west of Sonora. The fast work on the part of officers brot to a close a manhunt which covered many counties and included many officers.

Bingham had been employed with a highway construction survey crew recently. It is understood that he has a wife in Navasota and mother in Uvalde.

State Game Warden T. F. Wheelis and Crockett Deputy Billy Mills were credited with discovering that he bought a bus ticket from Ozona to El Paso, which was a major break in the case.

Bingham is an ex-convict, having been sentenced to two years in 1950 and to three years in '52 for forgery, and at the time of the Sonora crime was out on parole.

Mrs. Jeff Lambert, victim of the vicious crime, was 27 years old, and leaves a husband, two children ages seven and five, and parents at Corona, California. She and her husband owned and operated the Lambert Grocery, near the east city limits of Sonora on U. S. Highway 290, and at the time of the murder was alone in the store. She was discovered early Thursday afternoon when customers entered the store to make purchases. She was rushed to the Sonora hospital where she died soon afterward.

**News From Our Neighbors**

**Car Accident Fatal**

Joe Dennis Thetford, 22, former Robert Lee resident, was killed instantly about 9 a. m. Tuesday when his auto collided head-on with a truck. He is the son of Mr. and Mrs. J. T. Thetford, who moved to McCamey a year and a half ago. The accident occurred outside Lordsburg, New Mex., where Joe is believed to have fallen asleep at the wheel of his auto.—Robert Lee Observer.

**New Mason Coach**

Clovis Riley, 21, a football star of last year's Texas Western eleven, El Paso, was engaged Saturday as the new Mason High School football coach, succeeding Bill Tittle, resigned.—Mason Co. News.

**New Water Well**

A prospective new source of supply for Ozona's water system is believed found in a test well completed early this week by the Crockett County Water district on the hill west of Ozona. The test, was gauged at 200 gallons per minute capacity in a four-hour test Tuesday afternoon. This natural production, from a broken lime stratum at 335 feet, may be increased by acidizing, district officials believe.—OzonaStockman.

**Crime On Increase**

Robbery accompanied by a brutal assault with intent to murder, hijacking of a hitchhiking soldier, and burglary of a Fort Stockton business firm during the last week have given local officers sleepless nights.—Ft. Stockton Pioneer.

**Big Horns For Park**

They probably won't be seen by tourists, except through binoculars and perhaps a telescope set up on the south rim, but bighorn sheep are expected soon in the Big Bend National Park.—Alpine Avalanche.

**They're Burning Pear**

So you think you are burning lots of pear? Well, the Joe Gardeners on their ten section ranch southeast of Roosevelt are doing it in a really big way. Mrs. G. says they are burning 50 tons, that's right, a day. Using a butane burner mounted on a truck and operating in a flat almost solid with pear, it takes about four hours to burn that much. At that, Joe walks about as fast as he can. Sheep and cattle both eat the pear.—Junction Eagle.

Mr. and Mrs. Tom Wilton arrived here Wednesday from Fort Sumner, New Mexico, to visit in the home of their daughter Mrs. James Page.

Clovis Taylor broke a bone in his foot in an accident at the lumber yard recently.

Mrs. Eloise Woodhull of San Antonio and Mr. and Mrs. Charles C. Allen of St. Louis will arrive here in a few days to spend some time on their T Circle Ranch.

Mr. and Mrs. Elmer Stires and Mr. and Mrs. Lewis Byres and children of Wichita Falls spent the week end with Mr. and Mrs. Howard Faull, and all went to Hobbs, New Mexico and Carlsbad, N. M., before stopping again in Eldorado. Mr. and Mrs. Byres and Mr. Stires returned home Monday but Mrs. Stires, the former Margaret Faull remained to attend the funeral of her cousin W. L. Ivy at Sheffield. Mr. and Mrs. Norman Faught were also here from Hobbs for the funeral.

**Presbyterian News**

Rev. and Mrs. Charles Bruce will leave early next week for Baton Rouge to visit their son Carl and his wife at the University. They will be accompanied by Mrs. A. J. Darden of Centerville, Miss., who will arrive here Monday after spending the winter at Los Angeles. There will be a supply pastor in the pulpit the following Sunday, Rev. Flynn Long, executive secretary of the Presbytery, who will preach on the 21st.

A large crowd attended an oyster supper given for the church by the men last Wednesday night.

Dedication services for the memorial cross and candlesticks of solid brass, presented by friends in memory of the late H. T. Finley, will be held at the Sunday morning services.

The three circles of Women of the Church met this week. Circle No. 1 met with Mrs. B. F. Cox, with Mrs. Edwin Jackson leader of the Bible lesson Mrs. Pete Ringle led the "talk-about" on

evangelism. Eight attended. Mrs. John Williams will be the hostess at the April 12 meeting.

Circle No. 2 met with Mrs. R. A. King. Mrs. F. B. Gunn led the Bible lesson and Mrs. Sam Jones presented a survey article. Six attended.

Circle No. 3 met at the church with Mrs. Charles Bruce as hostess, 12 attending. Mrs. Jack Mowrey led the Bible lesson from the Book of Acts, and Mrs. James Page gave an article from Presbyterian Women.

Mr. and Mrs. V. H. Humphrey are returning this week to San Antonio after spending several days at home. Mr. Humphrey is somewhat improved after having medical attention there.

Mr. and Mrs. Harris Napier are leaving Port Arthur soon, as the former enters service from the Brady board on the 25th. Mrs. Napier expects to remain with her parents Mr. and Mrs. Tom Henderson for awhile after her husband leaves, and hopes to join him later.

Guests Sunday in the Ruby Damron home were Mr. and Mrs. G. S. Roberson and children and Mrs. Louise Damron and baby of Ballinger.

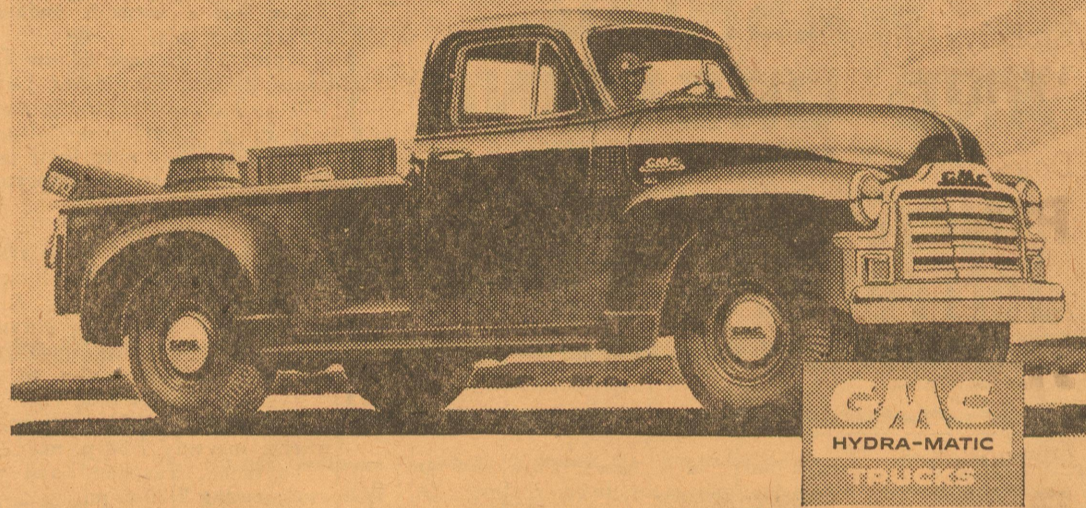

Mrs. M. O. Kimmey and daughter Su-Ann of Los Cruces, New Mexico, are here spending a month while Mrs. Kimmey convalesces from a long stay in the hospital where she was a pneumonia patient. She is the daughter of Mr. and Mrs. Arch Edmiston.

Guests in the home of Mr. and Mrs. Luke Thompson Jr., were Mrs. Thompson's sister and family, Mr. and Mrs. Gene McMasters and daughter of Abernathy.

Mr. and Mrs. Russell Beach of McCamey are leaving their baby here with Mrs. Beach's parents Mr. and Mrs. C. L. Meador this week end, while the Beaches attend the teachers convention at San Angelo.

**Half-ton beauty with a two-ton punch**

This new '54 GMC light-duty wasn't born just to win beauty contests.

Sure, its sleek lines, full-width grille and panoramic windshield are handsomely un-trucklike.

There's the same dashing air about the inside, too. Two-tone color scheme. Harmonizing, supple-leather upholstery. Smart instrument panel, with dials clustered for instant reading.

But mister—take another look!

A burly, brawny brute of an engine—a real truck engine—makes you think of a Miss America who also can bend horseshoes. 125 horsepower says that this beauty can heft a top load with ease and dash.

That's more power than some makers pack into their two-ton models. That's

more usable power than in any other 6-cylinder engine in its class!

And its wide, deep box holds at least 8 cubic feet more than the roomy '53 model. That tail gate is grain-tight—and sand-tight.

Finally, it offers Truck Hydra-Matic Drive\* that saves you, saves your cash, saves your time.

(Note to the luxury-minded: there's a DE LUXE model at extra cost, with chrome grille and trim, two-tone paint, curved rear corner windows—the works!)

Come in and drive this great GMC. It will do all its own selling!

\*Truck Hydra-Matic Drive standard on some models, optional at extra cost on others.

**Gift Tea Honors Jack Hodges And Bride Sunday Afternoon**

Honoring Mr. and Mrs. Jack Hodges, of Austin, who were married recently and who spent the week end in Eldorado, a gift tea was held Sunday afternoon at the home of Mrs. Palmer West.

A large assortment of gifts was displayed on tables in the reception rooms. In the receiving line were Mrs. Palmer West, Mrs. Norman Hodges, the groom's mother, and Jack and his bride.

Jane Mund and Mary Sproul of San Angelo registered guests. Pouring tea and coffee from the silver services and cutting and serving the decorated cake were Mrs. Carroll Sproul and Mrs. Clifford Schooley, the first hour and Mrs. L. D. Mund and Mrs. Claude Alexander the second.

The serving table was covered with cutwork centered with a miniature bride and groom and an arrangement of white carnations.

The program consisted of songs by a group of girls, accompanied by Mrs. Horace Linthicum, flute solo by Jimmie Dell Williams with Dale West as accompanist, song by Jeanie Mund and Becky Mund, and solo "Through the Years" by Dale West.

Hostesses were: Mrs. Robert Sproul, Mrs. E. H. Sweatt, Sr., Mrs. Dick Jones, Mrs. Perry Mittel, Mrs. E. H. Dannheim, Mrs. Palmer West, Mrs. Bernard Carr, Mrs. John Williams, Mrs. L. B. Burk, Mrs. L. D. Christian, Mrs. Martha Jo Morgan, Mrs. Lewis Whitten, Mrs. E. N. Edmiston, Mrs. W. C. Doyle, Mrs. Lum Davis and Mrs. Jack Etheredge.

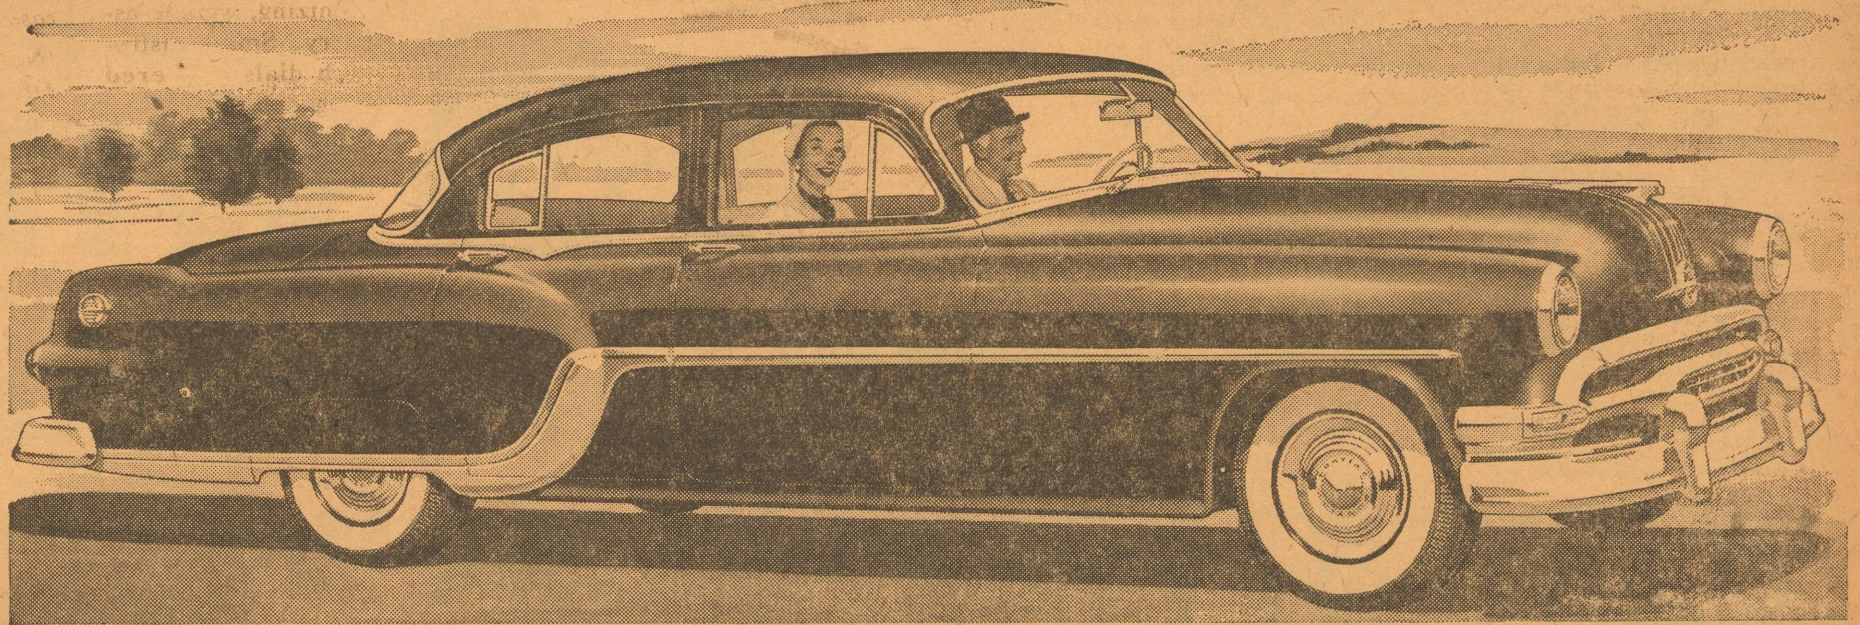

Attending the tea in addition to a large number from the county, were: Mr. and Mrs. Cassius Taylor, O. H. Wright, Emma Hamilton, Mrs. Ervin Willman, Mrs. Jackie Sharp of Sonora; Mrs. Dan Adams of San Angelo; Mr. and Mrs. Bill Lewis Humphrey and Billy Wright Taylor of Alpine; Henry Mittel Jr. of Austin.

**CALVARY BAPTIST CHURCH**

A visiting minister, accompanied by a group of musicians, will preach Sunday at the Calvary Baptist Church. At 2:00 p. m. there will be a meeting under leadership of the Inter-city Fellowship of San Angelo.

**THEME "THAT THEY MAY HAVE LIFE" IS CARRIED OUT BY LOCAL CHURCHES AT WORLD DAY OF PRAYER MEETING**

"That they may have life" was the theme for the United Church Women's Day of Prayer Friday afternoon beginning at 4:00 at the Presbyterian Church.

Mrs. Hardy, Sonora pianist, played the piano for the congregational hymns. Mrs. Runge presided over the meeting and introduced the leaders for the program. Rev. John Winslow, Episcopal minister from Sonora, read the prayer from the liturgy, following Rev. Charles Bruce's opening prayer. The president Mrs. Forrest Runge, then explained the purpose of the World Day of prayer, and gave its history.

The Presbyterian Church, with Mrs. John Miller as reader, assisted by Mrs. James Page, had the opening part on the program, the theme of which was praise and thanksgiving, and she read a hymn of praise which was used many times at the first assembly of the World Council of Churches at Amsterdam, and is still loved by Christians throughout the world.

Mrs. Walter McGregor was leader for the Episcopalians' part on the program the theme being penitence, following this with a part of the liturgy devoted to the subject of penitence. She was assisted by Mrs. Pete Parker, Mrs. Forrest Runge, and Rev. John Winslow.

The Methodists' part, on intercession, was opened with prayer by Rev. Dovie Morton, with Mrs. Harold Hunt as reader and leader. Mrs. Maynard Welch summarized the aims of the organization, explained the purposes of the movement, and listed old and new projects which are carried on under sponsorship of this group.

Mrs. James Page, pianist and children's leader, presented a group of children in songs and liturgy. Those with speaking parts were Sammy Mayo, Judy Mc-

Gregor, Linda Jones, Jim Runge, and Jim Lindsey, and these were joined by Judy Hext, John McGregor, Carol Tisdale and Dorrit Sue Cox to compose the junior choir. The general theme of this part on the program was sympathy toward all of the children of the world.

An offering was taken for the work the group is carrying out. The lesson leaders concluded the program with statements and responses on dedication, including, "We dedicate our bodies, O Lord, to the uses befitting the temple of the living God—we dedicate our wills to thy will, and ask that we may be worthy followers of Christ, our Lord and Redeemer."

Mr. and Mrs. W. E. Terry of San Angelo and Mr. and Mrs. John T. Hodges and son of Seymour spent the week end with their parents, Mr. and Mrs. J. D. Ashmore.

Guests of Mr. and Mrs. Milton Paugh Sunday were Mr. and Mrs. M. P. Duderstadt and son and daughter of Harper and Mr. and Mrs. Jack Brown and children of San Angelo.

Guests of Mr. and Mrs. P. F. Case on Case Ranch this week are Mr. and Mrs. Otto J. Divekey, who farm at Sugar Grove, Illinois. They are cousins of the Cases, and stopped on their way to California.

**LEGAL NOTICE THE STATE OF TEXAS**

To Charles S. Patterson and his unknown heirs, defendants:

You and each of you are commanded to appear before the District Court of Schleicher County Texas, to be held at the courthouse of said County in the City of Eldorado, at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of the issuance hereof, to-wit, Monday, April 19, 1954, at 10 o'clock A. M., by filing written answer to plaintiff, J. L. Cheek's amended motion filed on the 3rd day of March, 1954, in Cause No. 630, styled J. L. Cheek vs. Charles S. Patterson et al, in said Court. Plaintiff's motion states that in said cause on April 6, 1942, the Court actually pronounced judgment that plaintiff recover judgment against the defendants Charles S. Patterson and his unknown heirs for the title and possession of Section 70, Block LL, Certificate 2344, G. C. & S. F. Ry. Co. lands, situated in Schleicher County, Texas, and to cancel defendants' claims of title as clouds on his title, but that through inadvertence or clerical error the judgment as entered in the minutes of said Court make it appear that judgment was entered against the defendant Charles S. Patterson only, and plaintiff moves the Court to correct its minutes by entering its judgment nunc pro tunc in accordance with the judgment actually pronounced.

Witness my official hand and seal of this the 3rd day of March, 1954, on which date this notice is issued.

J. P. ENOCHS, District Clerk, Schleicher County, Texas. (Mar 4-11-18-25)

From where I sit... by Joe Marsh

**Steve Tips the Balance**

Was just leaving home this morning when the Missus reminded me to stop at Steve and Al's Meat Market for a pound of hamburger. "Be sure to get it from Steve," she said.

"Why?" I wondered. So when I got to the market I asked Steve if he knew. "I'll tell you, Joe," he said. "Al and I sell the same meat, and a pound is a pound. Maybe it's just that we go at it differently.

"Al loads the scales and takes away 'til he has a pound. But I put too little on and start adding.

To your wife — that probably looks like a better buy."

From where I sit, there's always more than one way to approach a thing and still come out fair and square to all. My wife likes a cup of tea with dinner; I prefer a temperate glass of beer. We get along fine. Gets me pretty mad though, when somebody starts "throwing his weight around" and demands that I see things exactly his way.

### School News

Public School Week was climaxed with an inspiring assembly Friday, March 5th. The Eldorado chapter of the National Honor Society was installed along with the following charter members: Ann Williams, Nell Williams, Jerry Perry, Trudy Gaynor, Myrl Sudduth, Jorgi Lagow, Fae Davis, Jerry Pennington, Bill Holcomb, Jean Kuykendall, Pat Higgins, and Ronnie Mittel. Members of the San Angelo chapter performed the installation. The candle light ceremony was highlighted with speeches from the San Angelo students on idealism, character, leadership, service and scholarship. High School Principal Joe Andrews challenged the candidates to continue to base their lives on the objectives of the National Honor Society. Supt. T. E. Holcomb presented the society pins to the new members.

The school parade scheduled for last week was canceled due to inclement weather. Visitation of the schools was not as anticipated; however Public School Week was a success in many ways for parents and teachers became acquainted, discussed mutual problems, and interests. We, here at school, are both glad and sorry that we had parents and friends visit us. By this, we mean, we are glad that you came and sorry that others did not. If you were unable to visit school during Public School Week, feel free to come visit any time, for "better schools build a stronger America."

The students will have a holiday Friday, but not the teachers. The Texas State Teachers Association will meet in San Angelo March 12 and 13. The theme of the annual meet is "A Century of Progress in Texas Education." The program starts Thursday night and continues through Saturday. The general assembly is Friday, March 12 with Dr. Kenneth McFarland of General Motors Corporation as the

### principal speaker.

Supt. T. E. Holcomb is a delegate to the convention.

## Ford rides on a Ball-Joint cushion

...and it handles with ball-bearing ease

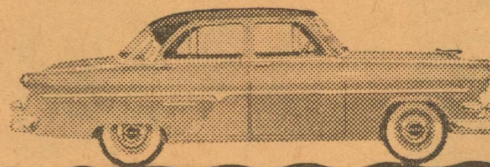

CONVENTIONAL KINGPIN SUSPENSION depends on hinge-like joints for movement of front wheels up and down or right and left. This system also requires lubrication at 8 points of wear at each front wheel. Doesn't permit maximum up-and-down wheel travel and is not sealed against dirt and water.

NEW FORD BALL-JOINT FRONT SUSPENSION replaces "hinges" for pivoting and up-and-down wheel movement with sealed ball joints. This eliminates 12 points of wear... helps keep front wheels in line longer. You get a smoother, more level ride. Your Ford keeps that new car "feel" longer.

It's THE GREATEST chassis advance in 20 years. And only the '54 Ford in its field has it! It pays off with the smoothest ride you've ever experienced in a low-priced car... easier handling... fewer service worries... and many, many other advantages.

And besides this revolutionary advance, Ford offers two brand new deep-block power plants: the 130-h.p. Y-block V-8 and the 115-h.p. I-block Six. You'll also find a new stronger frame... a beautiful new Astra-Dial control panel... new styling inside and out... plus all the other fine-car features that have already established Ford as America's "worth more" car!

Come in and Test Drive the '54 FORD

with New Ball-Joint Front Suspension
