Soaking Rains Put County Crops In Splendid Condition

Rains that totaled from 4 to 6 inches (and maybe more) fell here in the early hours of Monday and Tuesday and gave a mighty boost to Schleicher county farm and ranch prospects.

"If we had had the power to turn it on, we couldn't have planned it any better," was one characteristic comment.

The small grain crops — oats, wheat and barley—were about 70 percent harvested, and cotton was beginning to need moisture as well as other crops.

County Agent Godwin described it as the "true million dollar" rain, and said it would be of untold benefit to pasture grasses, in that it would stimulate the growth of "good" grasses.

Irrigation farmers seemed to be especially fortunate, as the rain saved them an expensive watering job. A number of them were all set to start their pumps and begin watering, but the rain filled all the furrows and did the job "for free."

Mrs. Victor Sauer gave a typical report from their farm in the Reynolds community. They had 100 acres in grain and all but 10 acres had been combined, and the men were getting ready to start irrigating the cotton crop. She declared that it came just about right—

there was no wind, and the remaining grain was not appreciably damaged, and they were all pleased to save a heavy watering bill.

One rain gauge in Eldorado showed 2.60 Monday morning when emptied, and 1.50 Tuesday—making a total of 4.10, but many others reported more.

Everyone is predicting a bumper crop of feed.

The Roads

The highway to San Angelo was closed for a time Monday and the road to Menard was closed part of Monday and Tuesday due to the rains northeast of Eldorado.

Tuesday morning a car was washed off the road at the Whitten draw about five miles northwest of town and the two occupants from Mertzton narrowly escaped injury, after several harrowing hours when they clung to fence posts in the middle of the racing stream.

And Streets

City crews were busy Tuesday filling in a large crack that developed during the rain in the caliche street near the Lum Davis station. It was probably caused from dirt beginning to settle around a water main which was laid about a year ago. At that time the soil used to

fill around the pipe was very dry and could not be properly packed, but caved in when the moisture reached that depth this week. Early Tuesday morning Clovis Taylor drove his pickup into the crack as he was crossing the street and had to be pulled out. The crevice was approximately three feet deep and four feet wide in some places.

Some of the totals registered over the county are as follows:

Airport	4.10

LIONS CLUB

A note from E. W. Brooks and Ray Boyer, who were attending the Lions district convention at McAllen early this week, was read by Ed Meador at yesterday's meeting of the Lions club.

A proposal to sponsor a carnival here was turned down by the members.

Installation of officers will be at the regular meeting next week, with C. C. McLaughlin as installing officer.

Little League To Open On Tuesday As Scheduled

Tuesday night, June 24, has been set for the opening game of the Little League baseball season at Legion field. While the rains this week have delayed the team workouts, it is believed that the season will get under way as scheduled, with the Tigers playing against the White Sox Tuesday night.

One week from tonight, on Thursday, the Red Sox will play Christoval, and a drawing will be held for a suit of clothes. Guy Whitaker is director of the Little League program again this year, and Carroll Ratliff will again officiate at the games.

The schedule as previously announced is as follows:

LITTLE LEAGUE SCHEDULE

First Half	
Tuesday, June 24:	Tigers vs. White Sox.
Thursday, June 26:	Red Sox vs. Christoval.
Friday, June 27:	Tigers vs. Christoval.
Tuesday, July 1:	White Sox vs. Red Sox.
Thursday, July 3:	Tigers vs. Red Sox.
Friday, July 4:	Christoval vs. White Sox.
Saturday, July 5:	All-Star game. First and Fourth vs. Second and Third place teams in standings.
Second Half	
Tuesday, July 8:	White Sox vs. Tigers.
Thursday, July 10:	Christoval vs. Red Sox.
Friday, July 11:	Christoval vs. Tigers.
Tuesday, July 15:	Red Sox vs. White Sox.
Thursday, July 17:	Red Sox vs. Tigers.
Friday, July 18:	White Sox vs. Christoval.

Oil Activity Limited But Due For Early Pick-Up

The Texas Railroad Commission granted a nine day production schedule for the state this week which is an increase of one day over the allowable for the last three months. This is exactly one-half the production allowed by the Commission in March of last year when the state was on an

eighteen-day pattern. In Schleicher county there were only three rigs running this week, but other operations were scheduled to begin as soon as the weather cleared and trucks could operate in moving two more rigs to new locations. One location will be drilled on Mrs. M. M. Reynolds' place by Fortune Drilling Co. It will be a step-out to Ashmund-Hilliard No. 1-F E. Otto Williams which is being completed.

Mias Amigas To Meet Here Next Week

The 28th annual meeting of the Mias Amigas will meet June 26 and 27 in the Memorial building with the opening session scheduled for 9:00 a. m.

Membership includes classes attending the Eldorado school from 1907 through 1919. Officers of the group are: Mrs. Ida C. Neill, president; Mrs. Ed Hill, 1st vice president; Mrs. L. M. Hoover, 2nd vice president; Mrs. W. F. Meador, 3rd vice president; Miss Ruth Baker, secretary-treasurer; Mrs. Stephen Perner, historian; and Mrs. Agnes W. Womack, publicity.

All members of the group and their friends are invited to an informal get-together to be held June 26th at 8:00 p. m.

Success in Schleicher County, \$2 year—elsewhere \$3 year.

Pan-American is preparing to drill a deep test near Toenail Trail on their own lease. It will be drilled by Great Western Drilling Co., of Midland, whose crews are now rigging up.

Hancock O'Harrow No. 2 is drilling at 3,810 feet in lime and shale.

Standard Oil Co. of Texas 3-A, Christina Mittel, well No. 3, bottomed at 6,314 feet with operator running logs.

L. E. Scherck Baugh No. 1 running logs with a total depth of 5,798 feet. On a drill stem test between 5773-98 feet recovery was 2,640 feet of salt water, 460 feet of oil and gas-cut salt water and 60 feet of oil and salt water-cut mud.

LET'S TALK LIVESTOCK BY TED GOULDY

Fort Worth.—Cattle trade opened this week with very strong demand for choice fat calves and prices were strong to 25 to 50 cents higher. Lightweight stockers, with quality, also sold on a stronger basis. Canner and cutter cows were firm, but fat cows were 25 to 50 cents lower. Fed steers closed weak to 50 cents lower, however, earlier sales were fully steady.

Good and choice slaughter steers and yearlings drew \$24 to \$27, while plain and medium sorts sold from \$17 to \$23. Fat cows drew \$17 to \$20, and canners and cutters cashed at \$12 to \$17. Bulls sold from \$17 to \$21.50.

Good and choice slaughter calves cleared at \$24 to \$28.25, and common and medium sorts sold from \$18 to \$23, with culls from \$14 to \$17. Stocker calves cashed at \$32.50 down, and stocker yearlings drew \$27.50 down. Feeder steers sold from \$26 downward.

SWIMMING CLASSES POSTPONED A WEEK

Because of the weather, the swimming classes, scheduled to start last Monday, were postponed until next Monday, June 23. A listing of class schedules has been posted at the pool and anyone wanting to participate in this program should do so before Monday. There will be classes for beginners, intermediates, and Junior and Senior life saving. No charge will be made in the life saving courses.

Anyone interested is urged to contact Mrs. S. E. Jones, Jr., Bob Burkart, or David Kuykendall.

Life Term of Chavira Appealed Here Tuesday

Post Script

The rains early Monday morning put a kink in plans for a number of events which were to have started that day. These included the Little League program at Legion field under direction of Guy Whitaker, the girls' recreation program under Earl Barnett, swimming classes at the pool, and girls who were leaving for Baptist camp.

As result of the rains, firemen should enjoy a respite from the grass fires which have plagued them in recent weeks. High weeds on lots became tinder-dry and led to as many as four or five alarms in one day.

Firemen were called out Thursday afternoon to W. V. Lux's to extinguish a tractor fire.

Mrs. E. H. Coulter announced this week that she had sold her residence here to Mrs. Pat Martin in a deal recently transacted. Part of the furniture was also sold to Mrs. Martin and the remainder will either be sold or stored.

Mrs. Curtis Stockton, Jr., was employed this week in the bank here and will work during the summer months. She completed a secretarial course at San Angelo Business College May 31.

Mr. and Mrs. Stockton and son, Scott, moved here from San Angelo two weeks ago and will remain until the beginning of the college fall semester. Mrs. Stockton is the former Dale West.

Mrs. Emma Bradshaw was released from Shannon hospital in San Angelo last Friday after being a medical patient there for several days. She is doing nicely.

Judge Joe L. Mays Tuesday sentenced Ernesto Chavira, 29-year-old Sonora man to life in prison for the mistaken identity slaying of Luis Martinez. Martinez was shot to death in February at his home here when he answered a knock after midnight.

Defense counsel William C. McDonald of San Angelo gave notice of appeal. Earlier Judge Mays had overruled a motion of a new trial. District Attorney Justin A. Kever was assisted in the prosecution of the case by Schleicher county attorney T. P. Robinson, Jr.

Chavira has remained in the Schleicher county jail since the trial and will remain here until the Court of Criminal Appeals hands down a decision, which will probably be within 90 days.

Gilberto Gander, also charged in the same crime as an accomplice, will be tried in the September term of court.

Boy Scouts Encounter Experiences Not Bargained For At Camp Fawcett

Twenty Boy Scouts spending this week at Camp Fawcett near Barksdale have encountered experiences not bargained for as a result of torrential rains in the area. The rains early this week put the usually placid Nueces river on a rise.

In a telephone conversation with Scout Executive Carl Nicholas, director of Camp Fawcett, on Monday, Orval Edmiston learned that the Eldorado troop had pitched their camp on campsite 1 upon their arrival Sunday afternoon, and had moved with the rest of the campers to higher ground when the

river rose. Also, Mr. Nicholas stated that the border patrol was upstream ready to warn the camp of any sudden flood conditions.

Rains which measured several inches in the Rocksprings area contributed to the river rise, but reports from camp this week indicate that all Scouts have spirits undampened and are continuing the camp activities. Paul Goodwin, associate pastor of the First Baptist church here, is with the local group as counselor.

Joe Muller Christian and Orval

Edmiston visited the camp Tuesday and reported all campers making out well.

Camp Fawcett was flooded in 1954, at the time of the Johnson Draw flood at Ozona, and camp facilities were largely rebuilt at that time.

The troop left for the week in camp Sunday afternoon at about 1:30 after loading their gear at the Scout hall.

Reports indicate that camp activities are about back to normal this latter part of the week, although swimming, boating and canoeing were delayed. Handicrafts, nature lore, and scoutcraft are also emphasized in camp.

Explorer Scouts, aged 14 and older, expected to go through the Devil's Sinkhole, a cave below Rocksprings, while in camp this week.

Today, Thursday, has been designated as visitors' day in camp, and it is expected that many parents, Scouters, committeemen, and other friends of Scouting will be making the 106-mile trip to visit the troop in camp. Some visitors will take picnic baskets and others will purchase the evening meal in the camp dining hall. There will be a campfire program to close the day.

Tomorrow night the tapping out campfire for the Order of the Arrow will be held. The Order of the Arrow is the national camping honorary organization of the Boy Scouts.

The camping session will officially close with the noon meal on Saturday, after which the Eldorado Scouts will start for home.

Alvin Luedecke Is Named To Top Job With AEC Recently

ALVIN R. LUEDECKE

Major General, U. S. Air Force

One of Eldorado's most famous native sons, Maj. Gen. Alvin R. Luedecke, has been named new manager of the Atomic Energy Commission. K. E. Field, present general manager of the AEC, has resigned effective July 1, and it was stated this week by AEC Chairman Lewis Strauss that Luedecke will retire from active duty in the Air Force and assume the new post at conclusion of the present nuclear weapons tests in the Pacific.

Gen. Luedecke is now heading Joint Task Force 7, which is conducting nuclear weapons tests.

A graduate of Eldorado High school, Class of '28, General Luedecke is still considered a resident of Schleicher county. He pays his taxes in the county, buys his car license tags here, and votes here absentee.

Career Spanned Two Services After graduating from Texas A & M, Luedecke was commissioned a second lieutenant in the Army in 1932 and had subsequent assignments in the Canal Zone and Central and South American countries. In 1944, when he was 33, he was made a brigadier general, one of the youngest generals in service at that time.

He was one of the youngest major generals at 42, and is now 47. He rose to his present high rank in the Air Force.

Honored Last July 4

On July 4th, 1957, many months of planning and work by the Eldorado Lions club and other organizations were culminated when Gen. Luedecke was honored with Gen. Alvin Luedecke Day. The day featured a coffee and parade in the morning, a free barbecue at noon, an afternoon review, and a banquet at night at which Gen. Luedecke was main speaker.

The general's mother, Mrs. John Luedecke, still makes her home here in Eldorado where she is active in the D. A. R. chapter, the Easter Star, and other organizations. John Luedecke died in 1944 while Alvin was serving in the Far East.

General Luedecke is believed to be the only Schleicher native who is listed in "Who's Who In America."

RETURN FROM CONVENTION

Mr. and Mrs. Palmer West, Mrs. Curtis Stockton, Jr., and Scott, and Mr. and Mrs. Lum Davis and Jan attended the State Firemen's convention held last week in San Antonio. Mrs. West was elected 2nd vice president of the Texas State Firemen's Auxiliary.

The next convention will be held next June in Fort Worth.

Mr. and Mrs. West visited in Rio Grande City where Mrs. West was installing officer for the Eastern Star chapter there. They also visited in the home of Mr. and Mrs. Bill Mund in Nacogoches and with Mrs. Coralie Mebane in Tyler before returning home.

BOY SCOUTS spending this week at Camp Fawcett posed for this picture before they left Sunday afternoon. Left to right are — Front row: Monty Montgomery, Jerry Edmiston, Phil Edmiston, Roy Lynn Love, Jimmy McDonald, and Phil McCormick. Second row: Buz McCormick, Charles West, Johnnie Griffin, Bryan Edmiston, Roy Lynn Sallee, Lynn Meador, and Bobbie Halbert. Back row: Counselor Paul Goodwin, Kenneth Van Dusen, David Childers, Richard Preston, Alton Roy Mitchell, Joe Charles Christian, Herman Walker, Jerry Thomerson.

Informative Meeting Scheduled For Tonight

A very informative meeting on legal questions is scheduled for tonight (Thursday) at 8:00 p. m., at the Memorial building when everyone is invited by the Home Demonstration clubs to participate in a discussion on family legal problems arising almost daily. The meeting will be conducted by Judge Dick Bearce and Co. Atty. T. P. Robinson, assisted by County Clerk Patton Enochs.

Some of the topics for discussion will be: Do you know who can lawfully make a will? Do you and members of your family who could make a will, have one?

Do you know the legal complications of signing a bank check "by wife"? Do you have a joint account?

Do you know what community property is and who gets it in case of a property settlement?

These and many other questions will be answered during the panel discussion in an effort to acquaint everyone with the answers.

DR. WELDON B. GIBSON

July Snow Storm—Next summer's Democratic precinct conventions will be like an extra after-hours election. There'll be rival "platforms" and rival candidates, but only one key issue—who's to control the party.

Battle lines were drawn when the State Democratic Executive committee held its June meeting in Austin. Governor Daniel, as head of the party in Texas, called on his moderate-conservative cohorts to "snow under" the liberal-labor Democrats of Texas at the conventions. He accused DOT of trying to usurp the party name for a "splinter group."

SDEC is recommending electing precinct delegates to county conventions by primary ballot and moving primaries up to May and June. It also suggests a search for means to prevent party line crossing at primary time.

DOT is pushing for its "code of ethics" for conducting conventions and a party registration law to keep out Republicans.

Relative merits of the two "platforms" may be as confusing to some voters as a snowstorm in July. What's clear is that if the moderate conservatives win out, Governor Daniel will continue at the helm of party affairs in Texas. If the DOT prevails, Mrs. Frankie Randolph, national committeewoman and DOT chairman, will take the wheel.

To Visit Here This Week End

House guests of the Ed Meador family this week end will be Dr. and Mrs. Weldon B. Gibson and their two children of Palo Alto, California. Dr. Gibson has been connected with the Stanford Research Institute of Stanford, Cal., since 1947, and at present is associate director of the institute.

He is a 1934 graduate of Eldorado High school and holds degrees from Washington State and Stanford. He left service at the end of World War II with the rank of colonel and received his doctor's degree from Stanford in 1949.

Last summer Dr. Gibson, with Edgar R. Baker, managing director of Time-Life International, took an extensive world tour in connection with the International Industrial Development conference which followed in October in San Francisco. In 1953 Dr. Gibson was speaker here at homecoming.

Mr. and Mrs. R. N. McDonald received word this week that their son, Capt. R. N. McDonald, will return to the States about July 2. He has been stationed on Guam three months with the Strategic Air Command.

News From Our Neighbors

Tax Increase?

A boost in Fort Stockton city taxes—designed to keep the city on a cash basis and to save money over the long haul—appears in the offing.

Currently under consideration by the city council is a plan to hike the city tax rate from its present \$1.50 for \$100 in valuation to \$1.65, said Mayor H. H. Tracy. According to Tracy, the plan is designed to avoid a city bond issue and at the same time, produce enough revenue to repair and maintain the city's somewhat shopporn streets.—Fort Stockton Pioneer.

On National Roster

Reagan County Junior Rodeo, scheduled to get under way here June 20 for a two-night performance, is now a member of the American Junior Rodeo Association, it has been announced by E. O. Nevills, county agent. This national association is an organization of non-professional junior cowboys and cowgirls, and high school junior rodeos of the United States, Canada and Mexico.—The Big Lake Wildcat.

Drainage Problems

The McCamey City Council voted unanimously to follow their engineer's suggestion to convert east 13th street to an inverted crown pavement to aid the flow of water when it rains. Homes have been flooded in east McCamey during rains because of the inability of the natural flow to handle the water drainage.—The McCamey News.

Seek 80-Acre Spacing

Oil companies operating in the new I. A. B. (Menielle Penn) field of Coke County requested 80-acre drilling spacing in a hearing before the Railroad Commission in Austin Wednesday, June 4. Their request was opposed by land and royalty owners, who are seeking to have the field rules established at 40-acre spacing.

Boundaries of the field have not been determined as yet. It has a proven length of several miles while the width is not so well defined.—Robert Lee Observer.

Traffic Problems

County Judge R. S. Wilkinson stated Monday that the signs for traffic control in Sanderson had been ordered and would be installed as soon as they came in.

A committee from the Terrell County Chamber of Commerce, composed of Rev. John W. Byrd, Rav Hodgkins and E. F. Pierson, will make recommendations to the Commissioners Court for the location of the signs.

Menard Grain Harvest

Combines continued to hum in Menard County grain fields this week, as county farmers moved into the second half of the harvest of what appeared to be the best small grain crop since 1938.

According to County Agent Don Shelton, the county has some 5,000 to 7,000 acres in wheat, oats and barley this year. Oats reportedly were yielding 50 to 100 bushels per acre, barley 50 to 75 bushels and wheat 20 to 25 bushels.—The Menard News.

Reduced Valuations Call For Higher Rates

Tax men representing the oil companies operating in Crockett county presented a convincing case on the depleted values of oil properties in Crockett county in a meeting with the Commissioners Court, sitting as a board of equalization, last Friday and then suggested and approved a stop-gap school tax rate raise as a means of avoiding a deficit in school operating funds this year. — The Ozona Stockman.

MRS. ROBERT MARTIN

Martin - Carroll Rites Performed Saturday

In a formal double ring ceremony Robert Martin was married to Miss Susan Ruth Carroll in the Calvary Episcopal church in Menard Saturday evening at 8:00 p. m. The Rev. Joseph H. Fasel of Junction performed the ceremony before a large group of friends of the couple. Mother of the bride is Mrs. Joe Hunter Russell of Menard and the groom is the son of Mrs. Pat Martin of Schleicher county.

Mr. Russell escorted the bride to the altar after Mrs. Carlton Kothmann presented selections on the organ. Mrs. Ronald Adams of Brownwood served as matron of honor and Miss Janie Arnold was maid of honor.

Bridesmaids were Misses Lilyth Ed Rogers of Fort McKavett and Marjorie May Russell, sister of the bride. Jim Martin of Eldorado served his brother as best man. Ushers were Phil Carroll of Port Arthur, Bobby Sikes, and Walter Russell.

The bride wore a gown of embroidered Swiss organdy featuring a three-tiered skirt with a chapel-length train. The bodice was designed with a Sabrina neck line and pointed waistline. Her white crown was set with seed pearls and held a short veil of bride's illusion. After the ceremony, a reception

was held at the Menard Country Club and the couple left for a trip to Mexico City and Alcapulco.

The bride is a graduate of Menard high school and attended San Angelo College. Mr. Martin graduated from the Eldorado high school and attended Southern Methodist University. He manages the Martin Ranch in the northeast part of Schleicher county and is county commissioner of precinct 3.

Mr. and Mrs. Fritz Luckenbach of Menard were hosts at the rehearsal dinner at their home in Menard Friday evening.

The newlyweds will be at home on the Martin ranch after their return from Mexico.

Enrollment Up At Sul Ross

Enrollment at Sul Ross State College during the first summer terms probably will be 10 per cent over last summer, President Bryan Wildenthal said yesterday. Dr. Wildenthal said 644 students had registered through yesterday and 45 more would register during the next two weeks at special summer workshops.—The Alpine Avalanche.

Centennial At Mason

Next week's issue of the News will be the Centennial Edition of 28 pages. It will contain the history of Mason County with many interesting pictures of the early days. Individual sales other than to regular subscribers will be 25 cents per copy and will be handled only at the Centennial headquarters starting Thursday afternoon, June 19.—The Mason County News.

Jimmie Whitten has completed his freshman year at A&M college and has been at home with his parents, Mr. and Mrs. Chan Whitten.

Methodist Board Reorganizes For Year

Reorganization of the Official Board for the 1958-59 year was done Monday night in a meeting in the Methodist church. W. H. Hale was re-elected chairman, and Ford Oglesby Jr. was elected vice chairman. Mrs. Ed Meador is new secretary.

In his treasurer's report, Jo Ed Hill reported that the church was starting the year with a small balance in the treasury and that \$500 had been transferred to the building fund.

Mrs. Ed Meador reported that the WSCS was still taking donations for further remodeling of the interior of the church. The chancel was remodeled recently and further plans call for painting all windows ivory and extending the oak paneling all around the interior. New exterior doors are also on hand ready for installation, it was stated.

Much of the labor has been donated by the Methodist Men in the remodeling.

MR. AND MRS. HOSS RETURN FROM TRIP

Mr. and Mrs. Ted Hoss returned Thursday night from a trip to Oklahoma and Kansas. They transacted business matters in Neodesha, Kansas and visited with friends.

They spent a few days in Seminole, Oklahoma visiting with friends before returning home.

ENROLLS FOR SUMMER TERM

San Marcos.—Jim Herridge, son of Mrs. Emily Herridge of Wichita Falls, and a faculty member at Eldorado, has enrolled for summer school at Southwest Texas State College. Herridge, a graduate student, is working toward the master's degree in physical education.

A total of 1584 students are enrolled for summer school at Southwest Texas State, according to Dr. Joe H. Wilson, registrar. This enrollment is an increase over last summer's figure of 1525.

The first summer term will run through July 12, with the second term scheduled for July 15 thru August 22.

SPECK FAMILIES MEET FOR REUNION

The children, grandchildren, and great grand children of the late Mr. and Mrs. Fred Speck met June 15 at the Christoval park house for a reunion.

Those attending included Mr. and Mrs. Pete Speck and Arthur, Leo and George; Mr. and Mrs. Fritz Speck and Joe, Joy, Eob, Buddy and Gala, all of Menard; Mr. and Mrs. Dennie Ray Speck and children of Eden; Mr. and Mrs. Charles Speck, Jr., and Su of Sterling City; Mr. and Mrs. J. In Those Days

ONE YEAR AGO

A. P. Fambrough, proprietor of Fambrough Chevrolet Co., announced the purchase of the Lola (Ballew) Archer house on North Divide street, and planned to remodel it.

Eldorado Presbyterians were in Sonora helping to organize a Presbyterian church there.

Coaches W. A. Algood and Jack Browning resigned their positions in the local schools and were planning to take similar jobs at Hillsboro.

Barbara Rutland became the bride of Bill Hall in a service in the First Baptist church.

FIVE YEARS AGO

Boy Scouts back from a week at Camp Fawcett were Eugene Bradshaw, Sherrill Dannheim, Hunter Bill Edmiston, James Gillaspay, Dan Griffin, Ernest K. Nimitz, Farris Nixon, David Steen, Roy Lynn Taylor and Arnie Lee Westbrook. They were accompanied by Clovis Taylor as counselor.

Esther Jones became the bride of Roger Sofge, in a service in the Methodist church.

12 YEARS AGO

Lions club officers installed were Jimmy West, W. C. Doyle, C. A. Reynolds, Ernest Finnigan, Pat Patterson, Ed Meador, Lum Davis, W. G. Godwin and Truett Stanford.

Mr. and Mrs. R. H. Dameron sold their laundry building and equipment to Mrs. J. T. Ottaberry and Mrs. O. B. Wallace.

Forty-three students were in the summer band program under direction of C. F. Jones.

W. R. (Hamburger Bill) Word announced his retirement.

Jo Ed Hill received his Bachelor of Science in Commerce from the School of Business at Texas Christian University.

Polly McLaughlin became the bride of Max Henry.

Returning service men included Billy Jack Reynolds, Joe T. Logan, and Robert A. Evans, Jr.

35 YEARS AGO

Joe A. Williams and Miss Margie Clark were married.

George Sofge purchased a four-section ranch 22 miles west of Eldorado from Mr. Huie for \$10 per acre.

Clyde Meador (better known as Pecos Pete) will leave Friday for Begonia, New York, where he has a position training horses for an endurance race.

Cleve Jones was in from Mayer Tuesday meeting with friends and transacting business.

Paul Hinyard, who has been attending the Southwestern University at Dallas, came home the latter part of last week, accompanied by Miss Elizabeth Hinyard, who had been visiting in Dallas two weeks.

Other students returning home included Fred Baker of El Paso; Miss Ruby Jones of C.I.A.; Miss Maude Jones, C. I. A.; and Mordecai Davis, Baylor.

MERRY MAKERS MEET

The Merry Makers met in the home of Mrs. Robert Milligan last week for an afternoon of 42. One guest, Mrs. Lize Chrestman, was present in addition to club members.

The hostess served ice cream and a lemon drink. She was assisted by her grand daughters, Myrta Ann and Martha Ellen Topliffe.

Approaching Marriage of Mary Tisdale Told

The approaching marriage of Mary Tisdale to Lt. Donald Bongfeldt has been announced in San Angelo by Mr. and Mrs. Ray Tisdale, the bride-elect's parents. Mr. and Mrs. Karl E. Bongfeldt of Van Nuys, California, are parents of the groom-to-be.

Miss Tisdale attended the Eldorado schools when the family lived here for several years and graduated from San Angelo High school. She attended San Angelo college where she belonged to Lambda Tau sorority, Phi Theta Kappa, a cappella choir, Little Theater, and was a cheer leader.

Lt. Bongfeldt attended the University of California after graduation from Van Nuys High school and was an instructor pilot at Goodfellow Air Force base before being transferred to Harlingen.

The wedding is planned for July 5 and will be held in the First Methodist church in San Angelo.

RETURN FROM VACATION

Mr. and Mrs. George Cales and Janice returned Friday from a 10-day vacation. They visited Dr. and Mrs. James Morris and family in Lubbock then drove to Wichita Falls where they visited with old friends.

They also visited friends in Texarkana and Ft. Worth before returning home.

JIMMY MERCER SUSTAINS LEG INJURY

Jimmy Mercer, grandson of Mrs. Mae Mercer, sustained serious cuts of muscles and ligaments to his left leg when he fell on a coffee can at his home in San Angelo.

He underwent surgery for two hours in the Shannon hospital Monday and his leg will be put in a cast later while it heals, according to his mother, Mrs. Merle Heron. The child is one year old and is a patient at the Shannon hospital.

ELDORADO WOOL COMPANY

Eldorado, Texas

Remember his first great adventure?

With full heart and watchful eyes you helped him enjoy his very first taste of independence.

And how proud you were when he achieved his goal, all by himself, and then, laughing, ran to your waiting arms to share his triumph with you!

Nothing you can give your child is half so precious as this wonderful opportunity to be himself. All through life you want him to be free to choose his way.

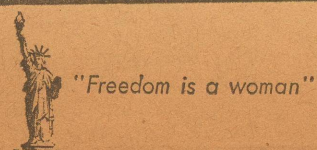

That's why it's so important to be on the watch for ideas or ideologies that could set limits to his independence. The idea, for instance, that government should own and run more and more businesses, services, institutions. Don't forget that when government runs more and more things, the individual has less and less freedom and independence!

Think of your son's first "independence day" when you hear talk like that. Point out that in countries where government does control almost everything, the individual is controlled, also. And the loss of anybody's independence is a threat to everybody's freedom.

Very much aware of this danger are the independent electric light and power companies, because government already runs part of the electric business. And powerful people are pressing to take over more.

COUNTY AGENT'S COLUMN

by Tiny Godwin

Schleicher County Agricultural Agent

Schleicher County wheat farmers will help make an important decision when they vote June 20 in the national wheat marketing quota referendum.

If at least two-thirds of the growers who vote in the referendum approve quotas for the 1959 crop, the 1959 wheat program will include acreage allotments, marketing quotas (with penalties on excess wheat) and price supports at a minimum national average of \$1.80 per bushel, or 75 per cent of parity.

If the quotas are not approved by at least two-thirds of those voting, there will be no national quotas or penalties, but allotments will remain in effect as a means of determining eligibility for price support. The price support rate would be about \$1.20 per bushel, or 50 per cent off parity, as provided by law.

Wheat marketing quotas and acreage allotments operate only in commercial wheat states—those with allotments of more than 25,000 acres. Texas has an allotment of 4,099,094 acres for the 1959 wheat crop.

Growers eligible to vote in the referendum are those who will be affected by the wheat quotas if they become effective. Thus, farmers who will have 15 acres or less of wheat for harvest as grain in

1959 and those who are taking part in the 1958 feed wheat program are not eligible to cast ballots in the 1959 wheat quota referendum of June 20.

Voting will be in the county ASC office. Polls open at 8:00 a. m. and close at 7:00 p. m.

4-H club activities have been varied and quite profitable to 4-H'ers during the month of June. Joe Charles Christian placed 2nd and 3rd in the area wool show June 6, held at Menard. These two fleeces were yearling fleeces weighing 16 and 14.5 pounds, of high quality, well prepared, and of light shrink.

Jimmie O'Harrow placed 4 and 5 in the same class with two good fleeces, weighing 14.5 and 12 lbs. The shrinkage was light and the fleeces of good quality.

John McGregor placed 10th in the aged ewe class.

The grass team of John McGregor, Charles West, James Sallee with Jerry Don Johnson as alternate, placed 3rd in the state contest. 22 teams competed. The contest was held at the 4-H Round-Up, College Station, June 10-12. Activities were varied with some 38 contests taking place Wednesday, June 11.

Entertainment the first night

was a 50 year history of 4-H club work, started in Texas, with members of the first 4-H club ever organized, present. Friends of 4-H furnished the entertainment the night of the 11th with top acts of balancing, tumbling, and comedy flown in from various parts of the U. S.

The 4-H range team placed 4th in the state. Members of this team were Judge Whitten, Farris Nixon, Dick Runge and Ernest K. Nimitz. Twenty-four teams competed for the state title. Nine points separated the first four teams, a very close contest.

Congratulations to all the boys! Should you not have placed in the first ten teams—you are still a winner for attending and taking part in these activities.

Ministers of Texas will gather at A&M College June 23-25 to study the place of the rural church in solving the problems confronting small towns and rural communities. Theme for this year is "Understanding and developing our rural communities."

Rev. Heaner of the First Methodist Church plans to attend this conference.

Avoid wetting the foliage of roses when watering—cause this helps control diseases such as brown or black rot.

Black spot is characterized by large, roundish, black spots with irregular or frayed margins. The spots occur on either or both surfaces of the leaf, and frequently develops unnoticed on the tender stems and leaves, causing them to yellow and drop off. This weakens the rose and makes it more susceptible to dieback, drought and winter damage. It also results in smaller flowers that are weak in color and fragrance.

Use the fungicide captan, zineb or maneb for control of black rot and powdery mildew.

The number of wise things done is so small in comparison with the number of wise things said.

WOMAN'S CLUB MEETS

An adjourned meeting of the Eldorado Woman's Club was held on Tuesday morning at the club room, in order to revise the by-laws and transact other unfinished business.

The secretary reported that many new and interesting books had been added to the library the past year. The club made a cash donation to the library, as is done each year.

It was reported to the club that General Alvin Luedeck had received another nice promotion. His mother, Mrs. John Luedeck of Eldorado, is a member of the Woman's Club. Eldorado is justly proud of her most famous native son, and the Eldorado Woman's Club is proud to have his mother as one of its members.

Mrs. Keno Ogden, chairman of the social committee, served cakes to eleven members, after which the club recessed for the summer. The next meeting will be Sept. 16.

MOWREYS HAVE GUESTS

Guests in the home of Dr. and Mrs. Jack Mowrey this week have been Dr. and Mrs. Charles T. Edmondson and two children of Malden, Missouri.

They arrived Tuesday and left today (Thursday) to attend the American Medical Association convention in San Francisco, California. The two doctors were school mates.

FIRST BAPTIST GROUP GOES TO BROWNWOOD

The Girls' Auxiliary of the First Baptist church left Monday morning for a camp in Brownwood. There were 15 girls in the group. Sponsors were Mrs. Carroll Ratliff, Mrs. Leonard Wilson, Mrs. Joe Wagley, and Mrs. John Coleman.

The girls are meeting with similar groups from this district at the camp. They expect to return today (Thursday).

Week end visitors in the home of Mr. and Mrs. George Williams were her brother and sister-in-law, Mr. and Mrs. John Masey and son of Odessa.

Fishing at Granite Shoals a few days this week were Ted Hoss, Clovis Taylor, and his son, Velton. The group left here Tuesday morning.

Mrs. W. B. McCutcheon returned to her home in Austin Saturday accompanied by Mrs. Otto Williams and Mrs. Frank Bradley. They visited in the McCutcheon home until Monday before returning to Eldorado.

Visiting here on Father's Day in the home of Mr. and Mrs. Ted Hoss were their daughter and son-in-law, Mr. and Mrs. V. J. Friesen of Royalty. A grand daughter of Mr. and Mrs. Hoss, Betty Jo Friesen, enlisted in the Air Force last week and is stationed at Lackland Air Base.

Mrs. James Morris and Jim, Craig, and Anne visited in the home of Mr. and Mrs. George Cales Monday. They left Tuesday for Garner Park in Uvalde for a sight seeing trip of three or four days. Their home is in Lubbock.

BACK TO THE BIBLE

What does the Lord require?

"And now, Israel, what doth the Lord thy God require of thee, but to fear the Lord thy God, to walk in ALL his ways, and to love him, ad to serve the Lord thy God with all thy heart and with all thy soul; To keep the commandments of the Lord, and his statutes, which I command thee this day for thy good." Deut. 10:12-13.

Let us hear the conclusion of the whole matter: "Fear God, and keep his commandments; for this is the whole duty of man." Eccl. 12:13. Read verse 14 also.

At the time the above passages were written, Israel was under the law of Moses. The law of Moses was abrogated at the Cross. Col.

2:13-14. Man today is living under the New Testament law—the will of the Lord Jesus Christ. Read Heb. 8th, 9th and 10th chapters.

In the new Testament God says, "This is my Son, hear ye him." Mat. 17:1-5. In Heb. 5:8-9 the Holy Spirit teaches that "Christ is the author of eternal salvation to all who obey him."

In 2 Thes. 1:7-9 the Holy Spirit teaches plainly that those who do not obey the gospel of Christ will

Something happened this week history of Schleicher county, and it was all due to the rain. A large draw running through the Howard Derrick ranch was still running so full Tuesday afternoon, due to the eight-inch rain in that vicinity, that Derrick used a plane to fly in cigarettes to his ranch foreman. They were unable to land the plane, but dropped the cigarettes to a very grateful foreman, who was just out.

Guests attending the meeting were from Sonora, Dallas, and Kennedy.

SAN ANGELO REGISTERED RAMBOUILLET RAM SALE SCHEDULED FOR JUNE 24-25

The 22nd Annual Registered Rambouillet Ram Sale will be held June 24 through 26 at the San Angelo fairgrounds. There will be 300 top quality Rambouillet rams. The sale is sponsored by the American Rambouillet Sheep Breeders Association.

All rams must be in the barns by 8:00 a. m., Tuesday, when a committee of five breeders will begin selecting the studs from the best two rams of each consignor. The committee also will pass on pens of A-B-C where the buyer has the privilege of taking all or any part of the pen at the winning bid.

All sifting and studding will be completed on Tuesday so the consignors will be free to talk sheep and show their rams to interested sheep men on Wednesday.

The sale proper starts Thursday at 10:00 a. m., June 26th with Lem Jones as auctioneer.

For Cool Refreshment On Hot Days, Use Milk

College Station.—Do you reach for something cold to drink on these hot summer afternoons? A frosty glass of milk is your best choice, both flavor-wise and nutrition-wise, according to extension foods and nutrition specialists.

A glass of milk is refreshing any time during the day. Try drinking it when you stop to rest in the midst of your housework. Serve to children and adults as between-meal snack. It serves as a quick energy pick-up, and is loaded with food nutrients.

An 8-ounce glass of whole milk has 170 calories, about one-thirtieth of the needed daily caloric requirements, but it is high in food values. You get a third of your calcium requirement, more than one-fourth of the riboflavin, and more than one-sixth of the protein requirement. Milk is your best source of calcium, the mineral that keeps bones hard.

Most people like plain milk at mealtime, but for between meals try adding a scoop of ice cream or a little sweetened, crushed, fresh fruit. Whether you're enjoying plain milk, or a dressed up version, milk tastes better these hot summer days when it's served in a frosty, cold glass.

"Good Milk For Good Meals," an extension bulletin available from your county extension agent's office, gives up-to-date information about the use of dry milk solids, buttermilk, skim milk and condensed milk, as well as the more familiar pasteurized milk.

Mr. and Mrs. Bert Calcote and family of San Angelo visited in the home of his mother, Mrs. Zula Calcote Sunday.

Mrs. B. O. Bridgeman is accompanying Mr. and Mrs. R. L. Bridgeman and family of Midland on a vacation trip to California and points of interest on the West coast. She expects to return Monday.

Visiting in the home of Mr. and Mrs. A. D. Williams last week end was his mother, Mrs. T. A. Williams and Johnnie, Aubrey, and Lyman of San Angelo.

Gary Parks returned Saturday after spending a week in San Antonio. He visited in the home of Mr. and Mrs. John Swope and family and Mr. and Mrs. Willard Humphrey and family while there.

Mrs. J. E. Spencer left Saturday for Longview where she will visit in the home of Mr. and Mrs. Monte Hill for several days. Her son, Claudie, accompanied her.

QUALITY COTTON IN GOOD DEMAND REPORT REVEALS

College Station.—Extra rewards await the cotton producer who succeeds in producing a high-quality crop this year, while discounts for low quality will continue to be stiff, reports Fred C. Elliott, extension cotton specialist. The abundance of low-grade cotton that was left over from last year's crop will continue to depress the market for lower grades, points out Elliott. However, he adds, the present outlook for the 1958 crop indicates a continued shortage of high grade fiber.

A late spring, shortages of good seed, and too much moisture have contributed to a poor start for cotton this year in many areas. But the specialist says there is still plenty of opportunity to aim for high quality through careful management and harvest practices.

These practices include weed, disease and insect control; fertilization at rates based on Extension Service recommendations; irrigating for good maturity in areas where it is done with special reference to cutoff dates; careful harvesting and ginning; keeping low and high grade fiber separate and selling on grade.

Almost a third of last year's cotton crop classified as spotted, resulting in a lower average grade for the 1957 crop than for any year on record.

Much of this spotting could have been avoided through better management practices, says Elliott. Widespread failure to adhere to such practices weakens cotton's position with synthetic and other fibers in marketing for many uses. And this, in turn, contributes to cotton surpluses and depressed prices.

Food For Camping Trips

College Station.—For a camping trip, a picnic, or a meal in the backyard, food cooked in aluminum foil is delicious and easy to do. You can bake and serve in the foil and save on dish washing.

Vegetables, meats and fruits can be "pressure cooked" in their own juices this way, with only a bit of seasoning, shortening, butter or bacon added for flavor and moisture. For best results, extension foods and nutrition specialists offer these suggestions:

Wrap carefully—piece of foil should be large enough to allow for drug store wrap. Place food in center. Add butter or fat and seasonings. Fold edges until tight on food. Double the layer around the food by repeating the process with another piece of foil.

Place package directly on a bed of hot coals. Never use a flaming fire (except when using a reflector oven).

Cooking time will vary with type of firewood, wind strength and other factors. Recipes can give only approximate time. Turn food package at approximately half its cooking time. Serve contents directly from the wrap, doing away with a dish or plate.

Details on foil cookery are given in the bulletin on "Food For Camp." Get a copy from your local county extension agent's office.

Any hope for relief for our hard-pressed Texas oil industry at this session of Congress may have gone down the drain last week when the House voted against an amendment to the reciprocal trade extension bill, then being debated.

The amendment, in the form of a substitute bill, while by no means adequate in respect to oil would at least have provided a procedural remedy and a ray of hope for domestic industries plagued by excessive low-cost imports.

With drilling operations down 25% and producing wells allowed to operate only 8 days out of each month in Texas, the import of ever-increasing imports is playing havoc with drilling contractors, independent oil operators, and with our state economy.

The bill which was approved offers little hope of relief to any domestic industry adversely affected by the dumping of competitive products on our markets. The reciprocal trade program, which is sound in theory, has drifted far afield from its proper purposes. The House-approved bill continues the program for five years and delegates to the State Department the right, without Congressional review, to reduce tariffs up to 25% on any imported commodity.

CIRCLE 3 MEETS AT HALLMARK HOME

Circle No. 3 of the First Baptist church met in the home of Mrs. J. D. Hallmark Monday afternoon. Mrs. Douglas DuBose led the opening prayer and Mrs. Harry Mercer gave the Bible study for the group. Mrs. Weldon Davis dismissed the meeting with a prayer.

The hostess served refreshments to the six members present.

HAYHURSTS VISIT HERE

Mr. and Mrs. Wesley Hayhurst and Bobby and Carol Ann from Eagle, Colorado, visited here with friends this week. They were guests in the home of Mr. and Mrs. Robert Milligan.

They were returning to their home in Colorado from a trip to Taylor, Texas, where they visited Mrs. Hayhurst's mother, Mrs. M. T. Bozarth. Mrs. Bozarth is confined to a Taylor hospital after suffering a fractured hip in a fall several days ago. She is recovering nicely.

MRS. PAT MARTIN IN HOSPITAL

Mrs. Pat Martin entered the Clinic Hospital in San Angelo Tuesday for a medical check-up and possible treatment. Mr. and Mrs. Jim Martin accompanied her to San Angelo.

TO DALLAS SEMINAR

Mr. and Mrs. George Humphrey will be in Dallas Friday where he will serve on a sales seminar panel for Ford dealers.

WEDNESDAY CLUB

Mrs. Joe M. Christian was hostess to the Wednesday Bridge club when three tables of members met in her home last week.

Playing bridge during the afternoon, Mrs. Luke Thompson won high, Mrs. Elizabeth Powell, bingo, and Mrs. W. R. Bearce, low.

Mrs. Christian served ice cream and cake to those present.
