ELDORADO — SCHLEICHER COUNTY, TEXAS

THURSDAY, JUNE 26, 1958

NUMBER 26

## One Hour Lashing Storm Monday Brings Rain; and Wind Damage

A wind storm that came up fast about 4:30 Monday afternoon, dumped about 1.75 inches of rain on Eldorado and community, broke tree limbs and damaged T-V aeri-als and windmills and probably caused severe damage to unharvested ripe grain crops.

The storm blew in with a rush of dust and dirt and followed with driving rain, which kept up for about an hour, and was then fol-lowed by clearing skies and sun-shine.

Electric service was interrupted in some rural areas, and many rural telephones were out of com-mission. Some of the spotted re-ports picked up over the county are as follows:

West of town, A. W. Keys re-ported a twisting wind blew off tree limbs, and the family took to their storm cellar.

In the Reynolds community the cotton crops were laid low by the fierce wind-driven rains. Extent of the damage to crops will not be definitely known for a while.

Also in Reynolds, the winds blew a sliding door off an imple-ment shed and a 9-inch limb from a mesquite tree at Victor Sauer's. Pecan trees were damaged at Hen-ry Moore's, and many other trees in the area had some damage.

W. O. Faulk in Bailey Ranch community had 30 or 40 acres of ripe oats, which he presumed were ruined.

Granary roof and windmill badly damaged at Victor Kent's place. His neighbors, Mr. and Mrs. C. N. Shaw, come over to the shelter of Kent's storm cellar.

Barn damaged for Farris Nixon. A cotton dusting airplane parked in Reynolds community was rolled around by the wind and badly damaged.

Windmills damaged for Victor Sauer and Elmer Bruton; feed stacks scattered.

Large mulberry tree back of the pool hall in Eldorado, was blown down.

Edgar Spencer sustained consid-erable damage to about 80 acres of small grain.

A number of phones were out due to wet cables, but the trouble

### THIRD DEALER NOW IN BUTANE BUSINESS HERE

Jack Halbert, Jr., has become the latest individual to open up a new business to serve the rapidly ex-panding economy of Schleicher county.

With an announcement on page 3 of this paper, he becomes the third dealer in butane and propane —products which are finding in-creasing uses on local farms and ranches.

Halbert, who has been in the oil business as Magnolia consigne here for the past 8 years, decided about six months ago to also enter the butane trade. It has taken him nearly that long to complete vari-ous examinations and secure a state license, plus bonds and in-surance and equipment.

He bought a new 2-ton truck from Fambrough Chevrolet Co., and had the tanks installed on it by the Wendland Mfg. Co., of San Angelo. He reports that he expects to buy all of his supplies from Sinclair-Skelly gas products plant No. 23 at Huldale.

cleared up by noon Tuesday. There was no report of broken lines or poles.

The Blaylock draw was up at the crossing on the Huldale road causing more damage to the road which was washed out quite a lot in the rains last week. Mr. and Mrs. Charlie Clark were barely able to cross it in going home from a trip to the Pecan booster station.

John Jackson sustained fatal in-juries in an accident indirectly related to the storm in Sonora Monday evening. He was employed by the county and was removing trees blown over into the street by the storm, when he was struck by a car.

There was much damage to trees and shrubbery in Sonora Monday.

The roof of Archie Mittel's house was ruined with most of the shingles being blown off. Mr. Mittel and Ronny were the only members of the family at home when the storm hit and they were joined in their storm cellar by Herman Walker who was passing by on his way home.

Henry Moore sustained extensive damage to his roof and A. J. Stevens had two large trees blown down.

Damage to corn in the county was extensive in some localities. Ben Hext had a nice crop just

beginning to silk that was des-troyed.

The cage house at the Ross McAngus place was destroyed in the storm Monday, with the top being blown off and the sides of the building caving in. There were 290 hens in the building when the storm hit and only one of them was killed.

All the water troughs, feeders, and electrical equipment was lost. No insurance was carried. The hens were moved to a broiler house which was not damaged although it was only 100 feet away from the cage house.

The following are some of the rain totals around the county measured after the Monday evening rains:

Bledsoe-Matthews	1.20
Dan McWhorter	2.30
Henry Speck Jr.	1.20
Mrs. Grace O'Harrow	shower
Raymond Schrank	2.00
O. Sudduth	2.00
Gene Edmiston	1.20
Joe Edens	2.00
A. W. Keys	2.10
W. O. Faulk	1.80
Victor Sauer	1.60
Capt. Thad A. Thomson	1.50
Bob Anderson	2.00
Gay Copeland	1.40
Clyde Keeney	1.50
Ben Hext	1.40

## Two Little League Ball Games Re-Scheduled For Tonight

### Brady's Annual Jubilee Set For July 3, 4, 5, 6

Jim Harkrider, manager of the Brady July Jubilee and Race Meet, has announced one of the best race cards for the celebration this year in the thirty-one year old history of the Jubilee.

The highlights of the program for this year will be the coronation of the queen and queen's dance on the night of July 2nd; a big, mile-long, colorful parade on the morning of the 3rd at 10:00 o'clock; horse racing each afternoon of the 3, 4, 5, and 6th at 2:00 p. m., with entertainment between each race.

Senator Lyndon B. Johnson will be the speaker July 4th at 10:00 o'clock at cool, shady Richards Park.

### Burkart In Accident

Bob Burkart, a member of the faculty of Eldorado High school this past year, was involved in an accident with his station wagon at about 6:30 Monday morning. His vehicle reportedly left the highway a few miles from Bonham, in north Texas, where he was going to pick up Mrs. Burkart and their three daughters.

According to report received by friends here, Mr. Burkart was apparently uninjured although the station wagon, which he bought a few months ago, had some damage done to it.

The Burkart family expect to have their car repaired in time to return to Eldorado Friday.

## Old Reynolds School Building To Be Abandoned As Precinct Voting Place

The Reynolds school house has about "had its day"—as the saying goes. For several years now it has only been used at elections.

When Schleicher county consol-idated its schools, Reynolds school lost its windmill, rest rooms, and its lights. As we had to have buses to carry our students to town, we in turn got our all weather roads. Before we had time to realize it, we were going to town for everything — church, school, parties, and even just to see our neighbors. That was not only on Saturdays, as had always been a rural custom, but on any day of the week. The school building deteriorated rapidly; soon its steps were not safe to step upon. It was the coldest place when it was cold and the hottest place when it was hot. At the last two elections, the brave ones that ventured out to vote waded mud, ankle deep, to get from their cars to the building. One of the duties of your Pre-

dict Committee is to see that its voters have a decent place to vote. I decided to see if something could be done about it.

I called the Permian Basin Pipeline Co., to see if we might be able to vote there. They checked and said they would be more than glad for us to vote there. I then called County Judge Bearce and asked him what our chances would be of changing our voting place to the gas plant. He said it would be up to the voters—you and I. If we were in favor of it he felt sure the Commissioners Court would vote for it. (They have charge of all special elections as well as the general election, and this type of business is voted on either in July or August.)

At the special Bond election in the winter, I asked each voter as he came to vote about making the change. All were in favor except two; one of them just didn't com-mit himself and the other one

White Sox vs. Tigers -----6:00

Red Sox vs. Christoval -----3:00

Due to the heavy rains, Tuesday night's game between the White Sox and Tigers was rescheduled for tonight.

All teams have shown great im-provement over last year. The man-agers of each team have a problem trying to get the best nine boys from their roster. All teams have 15 boys and most of them have been at practice every day.

The minor league boys have been working hard. The attendance at practice has been good. There have been around 35 boys that have signed to play. About 10 more are needed before three teams can participate. Bro. DuBose and Clifford Schooley are working with the minor league boys.

Guy Whitaker is director of the program this year.

Friday night's Minor League game will start at 6:00 instead of 6:30, and will be followed by the formal opening ceremonies and giving away of \$100 worth of mer-chandise at about 7:30.

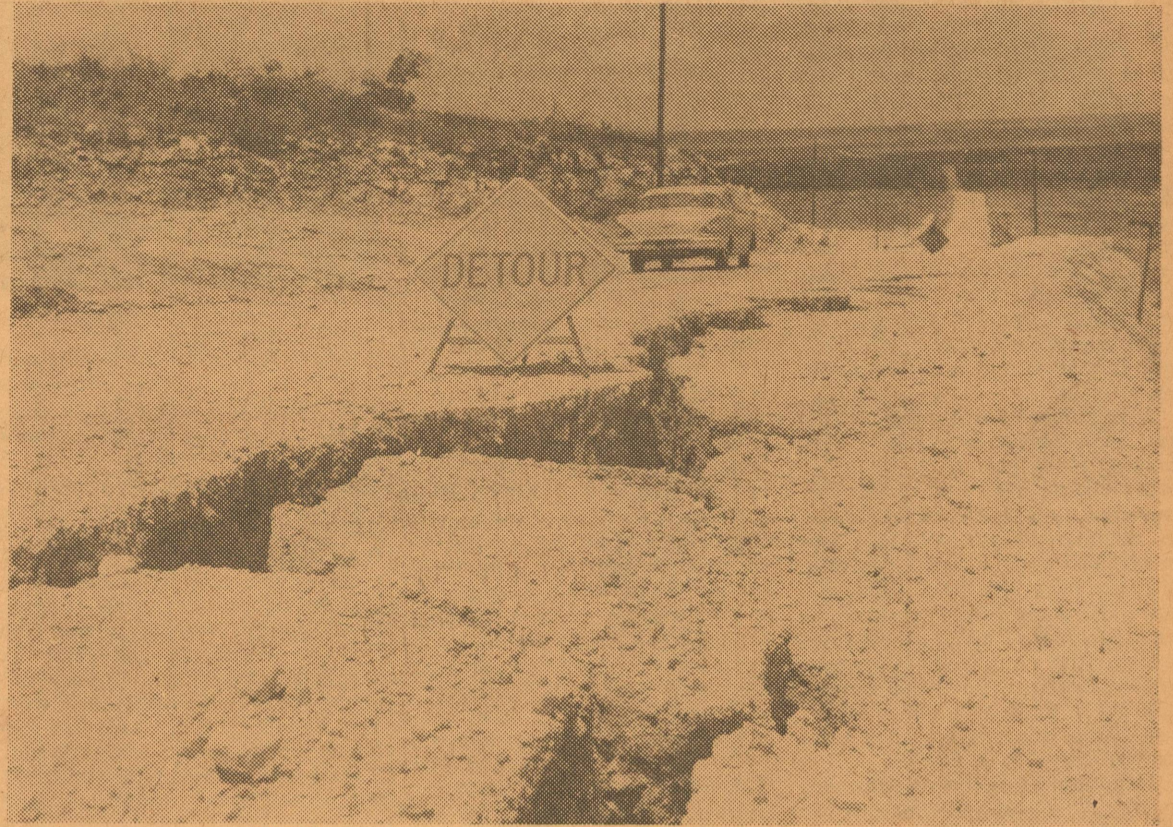

### SINGING

The Kimble-Menard county sing-ing convention will be held in the Baptist Tabernacle at Hext, Texas, June 29th at 2:00 p. m. Everyone is invited announces the secretary, Mrs. Jeso Slaughtner.

### ENTERS V. A. HOSPITAL

Glenn McDonald was admitted to the Veterans Administration hospital in Big Spring Friday for medical treatment. Mrs. McDonald is with him.

## Huldale Road Bed Threatens To Give Way

The county road which leads into the Huldale field has again become a problem as shown by this large crack which developed last week following the heavy rains of the 16th.

The road was first built when the Huldale field started booming, and it has been worked over sever-

al times, with the county and the oil companies often sharing the expense. Last year a major re-building job was done to straighten out the road and eliminate a hair-pin curve. A great deal of filling was done to build up this new grade—part of which is now threaten-

Much heavy equipment uses the road over this hill — especially large butane transport trucks which come from all over this area to the Sinclair products plant for their supplies. The road is still passable and the problem is receiving the attention of the county officials. The picture was taken a week ago.

### Post Script

This week end it especially pays to buy in Eldorado. At least three local business men have special sales on.

Tony's Drug is having an anniv-ersary sale. It was one year ago that Tony Kerr purchased the establishment from C. N. Shaw.

Western Auto Associate Store is having a Red Tag Sale starting tomorrow, with values galore. Roy Phelps is owner and proprietor.

Ratloff Store is having their semi-annual clearance sale.

More information on all these sales is in ads elsewhere in this Success issue.

—ps—

"Check Checks," an informative pamphlet for individuals and busi-nesses which cash checks, is avail-able in the office of Orval Edmis-ton, Schleicher sheriff, tax assessor and collector. Many facts and pre-cautions in regard to checks are brought out.

—ps—

A norther which blew in last night was providing welcome relief this (Thursday) morning from the long hot spell.

## Three New Locations Help Brighten County Oil Picture

A new location being drilled this week which is just inside the Sch-leicher county line on the north is the Sinclair Stansberry No. 2. Op-erator now drilling surface hole with rotary at 160 feet. Tucker Drilling Co. of San Angelo has the drilling contract.

Another new location in the county is the Great Western Drill-ing Co. Garrett No. 1 Cecil Meador located 15 miles northeast of Eldo-rado.

Operator set surface pipe at 506 feet Tuesday and was drilling Wed-nesday at 519 feet. It is being drill-ed with company rig No. 5. Most of the crews live in Christoval with the exception of one man driving from San Angelo, one from Sonora, and two from Eldorado.

Fortune and Ashmund & Hilliard E. Otto Williams is a step-out to their 1-F E. Otto Williams, a re-cently completed producer. Location

has been built and operators are waiting on rotary. Drilling will be done with a Fortune Drilling Co. rig.

\*\*\*

El Paso Natural Gas Co., whose field office was established in Eldorado about two months ago, has filed application to drill five out-posts in the Sonora (Canyon sand) gas field of Sutton county. Their latest project was completed for an absolute open flow of 9,300,000 cu. feet of gas daily. It was the El Paso Natural Gas Co. No. 1-A Davis four miles north of Sonora.

Gas-liquid ratio was 65.9-1. Pro-duction was through perforations between 5,538-768 feet in 5½-inch casing, cemented at 6,049 feet.

Total depth for the new outposts will be 6,100 feet drilling with rotary.

\*\*\*

Standard Oil Co. of Texas 3-A, Christina Mittel, well No. 3 was completed with a total depth of 6,314 feet. On a potential run this week it was flowing 17 barrels of 47 gravity pipeline oil, no water per hour.

The same company moved to a new location, their Standard Oil Co. Texas No. 4 Christina Mittel, Wednesday (yesterday). Location is on a 160 acre lease and is 660 feet from the south line and 467 feet from the east line of the northeast quarter of 65-TT-TCRR.

Tucker Drilling company has the drilling contract and moved rotary in Wednesday.

\*\*\*

Hancock O'Harrow No. 2 cemen-ted oil string Saturday at 5,300 feet and operator is trying for completion.

\*\*\*

L. E. Scherck Baugh No. 1 has been plugged and abandoned at a total depth of 5,798 feet. On the last test between 5,773-98 feet re-covery was 3,007 feet of fluid. There was 60 feet of gas and salt water-cut mud, 450 feet of gas and oil-cut salt water, and 2,560 feet of salt water.

### FORT MCKAVETT TO HAVE CEMETERY CLEAN-UP

According to cards in the mail this week, the Fort McKavett people will have a clean-up day in their cemetery Saturday, June 28 starting at 6:00 a. m. The Fort McKavett Masonic Lodge will serve a barbecue dinner with those at-tending furnishing potato salad.

Those participating in the clean-up program are advised to bring their own garden tools.

### C. C. DIRECTORS MEET

A meeting of the board of direc-tors of the Chamber of Commerce was held Monday night at the manager's office.

Edwin Jackson was nominated to serve as director of the West Texas Chamber of Commerce.

Routine business occupied the remainder of the time.

## Land Valuations Are Set For Eldorado Highway Re-Routing

An important step toward the final re-routing of Highway 277 through the city of Eldorado was taken this week when a panel of special commissioners were ap-pointed by Judge Bearce for the purpose of setting valuations on property to be used in the new highway construction.

Right of way has long since been secured from the Sutton county line up to the Eldorado city limits, and fencing has been going for-ward for some time. As soon as right-of-way is secured through Eldorado everything will be ready for the letting of bids, which has been predicted will take place in Aug-ust.

Those serving on the panel were Bob McWhorter, Henry Speck, Ben Hext, Elton McGinness, Walter Mc-Gregor, and Bob Reynolds.

Those whose property has been appraised are H. L. Hazelwood, Mrs. D. W. Smith, Arthur Hender-son estate, Lum Davis, C. R. Kee-ney, and P. D. Haley.

Tentative values were set by the panel yesterday for all the land-owners in question except Clyde Keeney, but a number of technical-ities were still to be ironed out.

The findings of the special com-missioners can be appealed by the county or state or by the landown-ers within ten days.

As set forth in a hearing last fall by highway engineers, the new route for the Sonora highway will go down South Divide street, which parallels the present South Main street one block to the west.

The lands being condemned lie south of the present South Divide street route.

### Jack Ratloff Buys 8-Section Ranch Near Pinon, N. M.

The June issue of the New Mexico Stockman magazine, con-tained the following article, which will be of interest to Schleicher county friends of Mr. and Mrs. Jack Ratloff:

"Jack Ratloff, who moved to New Mexico from Eldorado, Texas, last November, recently purchased the Fred Gentry ranch near Pinon, N. M. This is an eight section ranch with all but 560 acres being deeded. Included in the sale was all livestock which consisted prin-cipally of Deboillet sheep. Ratloff also has two ranches in the moun-tains near Cloudcroft. To stock his new ranch, Ratloff recently went to San Antonio, Texas, and pur-chased 60 Angus heifers and two bulls from Essar Ranch."

### LIONS CLUB MEETS

Officers for the 1958-59 club year were installed at yesterday's meeting of the Eldorado Lions club. Headed by Ed Meador as president, the slate also includes Charlie Hahn, Joe R. Andrews, Dick Preston, Arch Mittel, W. H. Hale, and T. P. Robinson, Jr.

E. W. Brooks and Ray Boyer gave reports on the district con-vention they attended last week in McAllen. There will be no meet-ing next week, which is Fourth of July week.

Home Demonstration Agent's Column

By MRS. VIDA KREKUCW

Don't be apologetic if you need a coffee break, or its equal, while at work. Some people do and some don't. Dr. Edward H. Rynearson, Mayo Clinic, Rochester, gives a scientific explanation. Nervous tension stimulates increased production of insulin. This results in a lowered blood sugar level, creating fatigue and a desire for food. Persons under tension are more apt to need a coffee break than others. The coffee break could be a milk break or a tea break. The idea is to break the tension, the work pattern and to refresh yourself.

It's June and garden time. All the fresh and tender vegetables you dreamed about a few weeks ago when the seeds were planted are as good as you thought they would be and are as pretty as the seed catalog showed them to be. Don't waste any extra you can't eat. Can or freeze everything you are able to.

A new, one-step canning method has been perfected which makes canning much easier.

Directions are simple. As an example, take snap beans. Begin by washing all pint or quart jars in hot soapy water and rinse well. It is not necessary to sterilize jars since the pressure canner must be used in canning all non-acid vegetables. Use only fresh, young, tender beans. The bean should just be beginning to form in the pod. Wash thoroughly, trim ends and cut into 1-inch pieces.

Thus far there is nothing different from the old method of canning snap beans. Now you will note that the fill is different.

Pack raw beans tightly into clean jars to 1/2 inch of top. Cover with boiling water, again leaving 1/2 inch space at the top of the jar. Add 1/2 teaspoon salt to pints and 1 teaspoon salt to quarts.

Close jar with two-piece lid and place it in the pressure canner. Exhaust canner for 10 minutes, close petcock and process at 10 pounds pressure—pint jars 20 minutes, quart jars 25 minutes. Remove canner from heat, let pressure return to zero and remove the jars.

This new one-step method can also be used for canning fresh lima beans, carrots, cream style corn, whole kernel corn, black-eye peas and summer squash.

For further information call my office, 24281. You may also have a copy of B-194, "Home Canning, Fruits and Vegetables," for the asking.

We had a very good meeting the other night on the court house lawn. Women of the county and their husbands too, came to learn a few things that a woman should know about business. Judge Dick Bearce, County Attorney T. P. Robinson, Jr., and County Clerk Patton Enochs, were a trio of discussion leaders and answer-men of top calibre. The business of living and dying, and especially dying, is so serious that sometimes it is forced into area of levity—so it was far from being a solemn meeting.

The panel led the thinking on wills, deeds, bank accounts and many of the allied subjects which these broad subjects cover. Patton Enochs admonished every woman present to do these simple things concerning her signature:

(1) If married, sign thusly: Mrs. Mary J. Doe, and not Mrs. John Doe. The initial J stands for Jones, Mrs. Doe's maiden name.

(2) Never sign a husband's name and add—"by wife."  
(3) To sign the name the same at all times.

He cited the conditions which arise when one oil lease is signed one way, another paper still another way and the checks signed by even another.

(4) In the case of a second marriage, drop the first married name; never simply add the second married name to the already existing three.

The why of all of this: Some day away down the line, some heir may have to prove that his great, great grandmother was Mrs. Mary J. Doe and that at the same time she was Mrs. Mary Louise Jones Doe and at the same time was Mrs. John Doe.

T. P. Robinson covered the subject of what steps were involved in probating a will. A will becomes invalid if not probated within four years.

Judge Bearce pointed out the fact that on the death of a person, the spouse must not open the bank box except in the presence of the county judge. The contents are noted, written down, recorded and filed; however a paper such as an insurance policy need not be described as to amount and beneficiary, simply noted.

About 65 men and women asked questions, listened, volunteered information based on experience, and learned together. The Home Demonstration Council sponsored the meeting as a part of their effort to bring information to the people of our county on as many subjects as have been asked for.

If you would like the same bulletins and literature which was given to those attending last Thursday's meeting call 24281, my number, and copies will be sent immediately.

In an opening question T. P. asked the group this question, "I've had occasion to review the last 38 wills which have been probated in this county; how many would you guess were women who were left to carry on?" Clyde Keeney almost guessed it. He said 35 out of 38 were widows. The answer was 33 out of the 38.

The will of the late Herman Obelweiss of Anderson County is a lawyer's collectors item. A mimeographed copy of the will was given out just to show what would stand up in court. These excerpts give you an idea of what Herman's thinking was and how his writing was:

I am writing of my will mine-selluff that lawyer he wont he should have too much money, he asked to many answers about family, first thing I don't want my brother oscar to have one ting I goot, he done me out of 40 dollars fourteen years since.

Tell mamma that six hundred dollars she been looking for for twenty years is berried from the back house behind about 10 feet down. she better let little frederick do the digging and count it when he comes up."

He went on to dispose of his land and money in his usual careful fashion. He even stipulated that if that loafer Husband of his sister hilda didn't have the 60 acres plowed by a certain time that "I should have that back."

He ended on—"Momma the rest should get, but i want it that adolph shud tell her what not she do so no more slick irishers sell her wokum cleaners dy make to much noise and a broom don't cost so much."

Mrs. L. T. Wilson left last week end to visit her daughters in California.

Nimitz High Individual At Recent Sonora Show

ERNEST K. NIMITZ

Ernest K. Nimitz, son of Mr. and Mrs. E. H. Nimitz, was awarded a gold medal for over-all high individual in judging at the Sonora Wool Show, June 19-20.

To accomplish such a success, Ernest K. had to judge eight classes of sheep, giving reasons on four classes, and two classes of goats giving reason on one class. He also judged 20 fleeces of wool, 20 fleeces of mohair, giving the fineness, length of staple and the shrinkage of each fleece; place two classes of four fleeces each of wool and mohair, placing them and giving reasons on each class. Ernest K. also had to identify and give the characteristics of 40 grasses and place range plots giving why these plots were so judged which involves the skill of knowing all vegetation of the area and its value in a grazing rotation, and plant secession cycle.

The team of Ernest K., Judge Whitten, Jerry Don Johnson, and Dick Runge was the over-all high team on grass and range.

Ernest K. is president of the county 4-H club.

MARFA VISITOR LEAVES

Sandra Nicks, daughter of Mr. and Mrs. Gerald Nicks of Marfa, left for her home this week after visiting here about two weeks.

She visited in the home of Mr. and Mrs. W. R. Nicks, Mr. and Mrs. Lavelle Meckel, and with Miss Georgia Springstun and Mrs. Ruth Danford while here.

Mrs. Joe Lawrence and son, Sandy, of Austin arrived here Sunday for a visit with friends and relatives. Mrs. Lawrence returned to Austin Wednesday and Sandy will be here for a longer visit.

ATTEND DEDICATION

Mr. and Mrs. R. A. Peterson and family were accompanied by Mrs. A. J. Roach when they attended the dedication of the St. Anthony's Catholic church in Harper recently.

There were about fifteen hundred people present for the ceremonies and for the barbecue dinner served afterward.

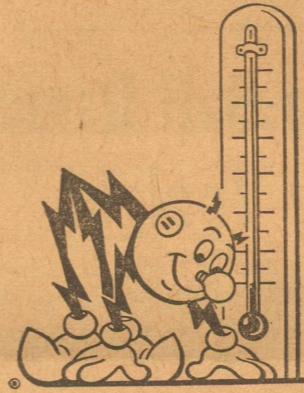

Mr. and Mrs. L. P. Haynes and Dale of Katy are visiting this week in the home of her mother, Mrs. R. A. Evans, Sr. They all spent Sunday in San Angelo where they visited with friends and relatives.

BACK FROM CALIFORNIA

Mrs. B. O. Bridgeman returned Sunday by train from a trip to points in California. She accompanied Mr. and Mrs. R. L. Bridgeman and family of Midland and they remained in California for a longer visit.

The group visited in Las Vegas, Nevada, and Pismo Beach, Calif. They also saw many points of interest, including the Hoover Dam.

Mr. and Mrs. L. D. Ochsner spent the week end in Midland where they visited their son, George.

**Miss Sofge Honored With Shower Saturday**

Miss Janis Sofge, bride-elect of George L. Worden, was honored with a gift tea Saturday, June 21 in the home of Mrs. Edwin Martin Jackson, Jr., from 4:00 p. m. until 5:30 p. m.

Hostesses were members of Circle No. 1 of the First Presbyterian church. Miss Sofge's chosen colors of blue and white were carried out in the decorations. The tea table was centered with an arrangement of white daisies and white candles.

Margo Mittel and Peggy Spencer presided at the tea table and served the guests white cake squares and punch. Nancy Jo Jackson was at the guest register.

Miss Sofge and Mr. Worden will be married July 5 in the First Presbyterian church here.

**Miss Cales, Mr. Graves, To Marry August 30th**

Mr. and Mrs. George F. Cales announce the approaching marriage of their daughter, Mary Janice, to Mr. Richard Wayne Graves of Texarkana, Texas. His parents are Mr. and Mrs. C. B. Graves.

The wedding has been set for August 30 in the First Baptist church here. Miss Cales is a 1954 graduate of the Eldorado High school, and she and her fiancé are both May graduates of Baylor University in Waco.

**SPEND VACATION AT GRANITE SHOALS**

Mr. and Mrs. B. F. Blaylock and family spent last week at Granite Shoals on a fishing and boating vacation. They were accompanied by Mr. and Mrs. L. D. Mund and family, Miss Tomasine Jones, Sam H. Henderson and little Sam who stayed until the middle of the week.

Others who spent part of the week with them were Jerry Blaylock and Mary Ann Eubanks of Dallas and Lt. and Mrs. John Nikolausk and family of Waco.

Week end visitors in the home of Mr. and Mrs. Ray Bruton were her parents Mr. and Mrs. B. L. Hughes of Brady.

Visitors in the home of Mr. and Mrs. E. T. Dannheim recently were Mr. and Mrs. H. L. Spencer of Austin. Sherrill Dannheim accompanied them home for a visit of several days. He returned here Sunday afternoon.

**Penny Receives Ft. Worth Press Regional Award At Sweetwater**

Miss Penny Dollar is shown receiving from Marvin Garrett, conservation editor of the Fort Worth Press the conservation award for the prize winning essay, "We Are Stewards of the Soil."

The Sweetwater Board of City Development and the Soil Conservation district of the Upper Clear

Fork of the Brazos in Nolan and Fisher counties entertained at the Sweetwater country club in honor of the Fort Worth Press Conservation Contest Award of Region 2, of Texas.

M. B. Templeton, Nolan county agent, served as toastmaster, introducing Penny. Penny read her

**Girls' Recreation Program Underway**

The summer recreation program for high school and junior high school girls got off to a slow start last week due to rainy weather, but participation is increasing steadily. More girls are needed, especially in the high school and junior high divisions.

Ladder tournaments are being held in the different groups. In the elementary division Christine Henry is at the top in tennis, Kaye Harkey in badminton, and Joan Griffin in table tennis.

In the junior high division Tissy Enochs is at the top in tennis and Terry Phelps in table tennis.

In high school Kay Thomerson seems to be best in both badminton and tennis.

The program is conducted Monday through Friday for grades from 4 through 12, and includes table tennis, basketball, croquet, badminton, volleyball, softball, and tennis.

Judy Belcher, daughter of Mr. and Mrs. Howard Belcher of San Angelo, is visiting her grandmother, Mrs. Rutha Boyer this week.

Recent visitors in the home of Mr. and Mrs. H. L. Hazelwood were Mr. and Mrs. Tom Carroll and Vicki and Jimmy of Ozona. Mr. and Mrs. L. V. Hazelwood joined the group for lunch.

Visiting friends and relatives here recently were Mr. and Mrs. Marvin McDonald and Mr. and Mrs. Glen McDonald of Buchanan Dam.

Mr. and Mrs. Hall Hagler returned from their summer home in Lake City, Colorado, Sunday evening after spending two weeks there.

Mrs. P. T. French of Quitman visited in the home of Mr. and Mrs. W. A. Van Dusen during the week end. Her son, Joe Frank, who had been here two weeks, returned home with her.

prize winning essay to the press and the many distinguished guests present at this banquet.

Local Soil Conservation supervisors sponsor this essay writing event in the local school each year, giving \$50 as premiums to youngsters who have the best essays.

Members of the local Soil Conservation district are J. F. Runge, chairman; Ernest Foster, secretary; Ford Boulware, Ben Hext, and B. E. Moore.

**INSURANCE**

Stevens Celebrate Golden Wedding Anniversary

ALFRED AND CORA STEVENS

Even the weather helped Alfred and Cora Stevens celebrate their Golden Wedding Anniversary the night of Saturday, June 21, 1958 at their ranch home southwest of Eldorado. The anniversary observance was celebrated with a barbecue supper served to more than 100 guests.

After the meal, Mr. and Mrs. Stevens cut a three-tiered white anniversary cake.

Their wedding took place at the bride's father's ranch home, southwest of Eldorado at 6:00 p.m. June 21, 1908 in the presence of 25 guests. The minister presiding at the service was Rev. P. D. Swift, a Baptist who was holding a protracted meeting in the community. The bride was Cora Agnes Spencer, daughter of Frank and Agnes Spencer, both deceased who moved to the Eldorado Divide area from Harper in 1907.

Alfred Jackson Stevens was the youngest son of Joseph and Ella Jane Stevens, also deceased, who resided near Harper. Mr. Stevens and the bride were childhood friends.

Guests at the barbecue Saturday included Mrs. Stevens' sisters, Mrs. Mary Harvey of Ozona, Mrs. Zelma Henderson and Mrs. Alfa Blaylock both of Eldorado and a brother, J. Edgar Spencer also of Eldorado. A nephew, C. O. Spencer of Ozona also attended.

Relatives of Mr. Stevens attending were a sister, Mrs. Olivia Spencer of this county, a brother, J. M. Stevens of Harper, and two nieces and their husbands, Mr. and Mrs. Rueben Bode of Harper and Mr. and Mrs. C. A. Nay of Brownwood.

Mrs. Olivia Spencer was a member of the original wedding party.

Others of the family present for the anniversary celebration were the two daughters and a son of Mr. and Mrs. Stevens. The son, Carl, resides in Eldorado, the older daughter, Mrs. Peyton Cain lives at Alpine, and the other daughter, Mrs. Phil Swatzell in Canyon. Six grandchildren present were Sally, Gerry Gayle, Phylis Dale, and Carla Swatzell and Jane and Beep

**Notice Of Meeting**

and public hearing by the city council of the city of Eldorado concerning certain proposed actions under the Urban Renewal law of Texas.

Pursuant to the provisions of the "Urban Renewal Law" of the State of Texas, notice is hereby given that the City Council of the City of Eldorado will meet at the Memorial Building in said city on the 26th day of Aug., 1958, at 8:00 o'clock p.m., at which time and place said Council will conduct a public hearing to determine whether the city should adopt the program offered by the Urban Renewal Law.

Brother Dies

Chance Davis, 47, died in a Dallas hospital Sunday at 4:15 a. m., after an illness of 17 months. He is survived by the widow, a son, mother, and six brothers, one of whom is Weldon Davis of Eldorado. Funeral services were held in the Ann Arbor Church of Christ in Dallas Monday at 3:00 p. m., and interment was in the Laurel Land Memorial Park in Dallas.

Mr. and Mrs. Weldon Davis and Jacque left here Friday for Dallas and returned Tuesday morning.

PLACES IN STEER WRASTLING IN NATIONAL RODEO

Alpine, July 18.—Bob Johnson, son of Mr. and Mrs. R. D. Johnson, Sonora route, Eldorado, placed fourth in second go-around steer wrestling, and was fourth in average in the nation in steer wrestling in the National Intercollegiate Rodeo. This contest for world championship in NIRA was held in Colorado Springs on June 12-15.

IRA COPPLE DIES AT HARPER

Ira Copple, former Schleicher county resident, died at his home in Harper June 15. He was 64 years old. Funeral services were conducted from the First Baptist Church in Harper, June 17.

Survivors include his widow and three children. He was a son-in-law of Mrs. Hattie Blaylock of Eldorado.

Those attending services from here included Mr. and Mrs. E. T. Dannheim, Mr. and Mrs. Rance McDonald, Mr. and Mrs. Lum Davis, and Mr. and Mrs. W. A. Elylock.

GROUP ATTENDS MASON CENTENNIAL

Among those from Schleicher county attending the Mason county centennial last week end were Mr. and Mrs. Arch Edmiston, Mr. and Mrs. Gene Edmiston, Mr. and Mrs. Robert Nixon, Mrs. Lillian Crosby, G. C. Crosby, and Mrs. Gene St. Clair and daughter.

Mrs. St. Clair was met in Mason by her husband and the family returned to their in College Station.

H. D. CLUB MEETS

The Town and Country Home Demonstration club met in the home of Mrs. E. H. Dannheim Tuesday with Mrs. W. C. Parks, Jr., conducting the business session. Mrs. Kreklow gave a demonstration on preparing food for freezing, stressing the importance of blanching all vegetables before freezing.

The hostess served refreshments to nine members and three children present.

Is Your Car Safe?

Is your car safe? This is a question that every motorist should be able to answer in the affirmative says Major Wilson E. Speir, regional commander of the Texas Department of Public Safety, Midland region.

If you have not had a recent safety check on your car it will be beneficial to you to take advantage of the low cost safety check at any Department of Public Safety authorized inspection station. The safety check consists of an examination by an authorized mechanic of the following: The brakes for equalization and fluid level, the head light for adjustment both high and low beams, the tail light and reflectors, the stop light, license plate light, turn indicators, rear view mirror, and the horn. The cost for this service is only \$1.00. If you are planning a vacation or July 4th trip, this step may well pay for time lost on the trip due to a break down or an accident caused by a defective vehicle.

The Texas Department of Public Safety warns that the long 3-day July 4th holiday will be a tragic one for many who are careless. The prediction of deaths due to traffic for this period is 28 persons.

Political Calendar

- July 6-22—Absentee voting for First Democratic Primary.
- July 26—First Democratic Primary. Precinct conventions.

IN HOSPITAL

Mrs. W. R. Davidson of DeQuicy La., was admitted to the St. John's hospital in San Angelo last week, for medical treatment.

She was here with her family on vacation when she became ill and will remain here for a month. Mr. Davidson will return home in a few days and will return for her later.

News From Our Neighbors

Losses Hand In Accident

A. B. Carroll, prominent farmer and rancher of the Shields community, suffered the loss of his right hand just above the wrist in a combine accident last Thursday morning. The accident occurred on his farm 16 miles south of Santa Anna about 9:30 a.m.—Santa Anna News.

City Taxes Restored

Big Lake property owners, free from city taxes in 1957, will receive assessment notices this fall for 1958 taxes. Finding it necessary to restore municipal taxes, the city council, in a special session last Thursday night, passed an ordinance which provides for the levying of an ad valorem tax for 1958 and the collection of the taxes.

The tax rate was set at \$1 per \$100 valuation, the assessment to be made at 40% of actual cash value.—Big Lake Wilcoat.

New Masonic Hall At Iraan

The efforts of the members of Iraan Masonic Lodge No. 1267 to build a new building are now becoming fruitful.

In addition to the money now on hand and the money derived from the sale of the old building, the Lodge will need approximately two thousand dollars to complete the building.—The Iraan News.

Blakley Visits In Mertzon

William A. Blakley, senatorial candidate, spent a short time in Mertzon Monday shaking hands with the voters of the little community. Senator Blakley owns the Rooker B ranch in Irion county. He bought the property several years ago from the Sawyer Cattle Company.—Mertzon Star.

More Water Storage

Contract has been awarded the Chicago Bridge and Iron Works of Houston for the erection of a half million gallon water storage tank to be erected on the hill west of

Ozona to augment the city supply and to equalize pressures throughout the city.—The Ozona Stockman.

Bond Election

City of Alpine will hold an election Tuesday, July 8, on the proposed issuance of \$65,000 in water works system improvement and extension bonds.

The City Commission ordered the election at a special meeting last Monday night after rescinding its action of June 9 calling for the issuance of \$65,000 in time warrants.—Alpine Avalanche.

Mayor Resigns In Controversy

Oscar Vehle, elected mayor of Menard less than three months ago, resigned Wednesday in the midst of controversy, charging insubordination on the part of the City Marshal and lack of backing by the City Council.

Vehle told The News he was resigning because he had found it impossible to accomplish anything charging the Council with having a "do-nothing" attitude. "All they want of the mayor," he said, "is to sign the checks and take the complaints."—The Menard News.

County Judge Appointed

A. W. Dearen was appointed as Sterling County Judge Tuesday afternoon of this week.

Judge Dearen, a former Justice of the Peace here (and a candidate for that job now) was appointed to fill out the unexpired term of Mrs. Murrell—or until December 31, 1958.

Four men are in the race for the County Judge's job at present. The four are T. E. Carr, a former judge of Glasscock county and presently local justice of the peace, C. T. Boots Williams, station operator and feed dealer; W. R. Brooks, assistant cashier at the bank, and a former deputy sheriff here, and Bill V. Davis, insurance man and former school teacher.—Sterling City News-Record.

Surplus Food Available

County Judge Jeff Dean announces that arrangements are being made to distribute surplus food commodities to needy families of Coke county. The action was taken at a recent meeting of the Commissioners Court.

Interested persons are requested to make application in person at the judge's office where eligibility will be explained. Persons do not necessarily have to be destitute in order to qualify, Judge Dean said.—Robert Lee Observer.

BACK TO THE BIBLE

If man does not have to obey the Lord Jesus Christ, in order to be saved, then what does passages like these mean?—

"Not everyone that sayeth unto me, Lord, Lord, shall enter into the kingdom of heaven; but he that doeth the will of my Father, which is in heaven." Mt. 7:21.

"Though he were a son, yet learned he obedience by the things which he suffered; and being made perfect, he became the author of eternal salvation unto all them that obey him." Heb. 5:8-9. "And to you who are troubled rest with us, when the Lord Jesus shall be revealed from heaven with his

mighty angels, in flaming fire taking vengeance on them that know not God, and that obey not the gospel of our Lord Jesus Christ." 2 Thes. 1:7-8. Read 1 Pet 4:17-18. If these passages don't teach that man must obey the gospel of Christ, I will gladly give this space to any one who can tell me what they do teach. Who will do that?

My salvation depends upon me preaching exactly what the apostles of Christ taught. Gal. 1:6-9. If you like to hear the gospel preached like it reads in your Bible, come to the Church of Christ. You are always welcome.

Price Bankhead — Minister

BEN HEXT ..... MEMBER, ELDORADO

The harvesting of the best oat, wheat and barley crop since 1950, is nearing completion in the Eldorado Soil Conservation District. Some farmers are still waiting for combines to cut their grain. Those who have been unable to get their grain harvested naturally get a little uneasy when it looks like it might get ruined by a hard rain or hail storm. They also realize that a fire in a dry grain field can mean total loss. It is needless to say that the good grain crop is something that has been needed for a long time.

Good small grain crops are important to the farmers who produce them, to the community in which he lives and to the nation as a whole. The manner in which the crop residue (stubble and straw) is handled after the grain is harvested is equally important. The care of the land, from a soil and water conservation standpoint, is one of the big factors when a good yield will be made again. By leaving the crop residue following a grain crop, a farmer is doing what he can do to assure that a good crop will again be made.

Farmers should carefully consider the effects and consequences before wilfully destroying, by grazing or by fire, crop residue.

"The returning of large quantities of crop residue to the soil is our best means of helping nature keep our soil in a permanent, productive state," says Lloyd B. Johnson of the Soil Conservation Service.

The continuous removal of large crops of feed and cotton from our cultivated land takes large quantities of plant nutrients from the soil. These plant nutrients were

put in the soil by nature over a period of many years. Burning not only hastens complete removal by destroying plant nutrients, but the soil is left bare and erosion will greatly hasten depletion.

Organic matter in the soil is very essential to maintain fertility, increase the rate water will go in the soil, increase water holding capacity and provide necessary biological activity.

Crop residue should not be turned completely under, but should be mixed in with the topsoil in such a manner that much of it remains exposed. The crop residue on top of the soil protects the soil from wind and water erosion. The movement of water is slowed down during heavy rains, permitting more of it to soak in. Evaporation caused by wind and sun action is also greatly reduced.

Although crop residue utilization is one of the most important soil and water conservation practices in use today, it can be applied with little expense.

It can be used in normal farming operations at little or no inconvenience to the farmer.

**RETURN FROM TRIP**

Mr. and Mrs. W. A. Menees spent the week end in Vian, Oklahoma and Fort Worth. In Vian they visited with his sister and family and left his parents, Mr. and Mrs. R. L. Menees of Wasco, California, there for a longer visit.

In Fort Worth they were guests in the home of Mrs. Menees' daughter and son-in-law, Mr. and Mrs. John Smith. Mr. and Mrs. R. L. Menees had been visiting here for several days before going to Oklahoma.

Mrs. Ida George and Mrs. P. B. Hagler, mothers of Mr. and Mrs. Hall Hagler, are visiting in the Hagler home this week. Their homes are in Coleman.

Visiting in the home of Mr. and Mrs. Jack Jones a few days this week have been Mr. and Mrs. Floyd Mankins of Lansing, Ill. They are en route to their home after making a trip to California. Mrs. Jones is their niece.

Mr. and Mrs. Robert Sproul, Jr., of Washington, D. C., visited here with relatives and friends from Friday until Wednesday (yesterday).

**Methodist News**

T. P. Robinson, Jr., will speak to the senior MYF next Wednesday at 6:30 p. m. His subject will be, "Problems of the Christian Politician." All young people of high school age are cordially invited to attend. Mr. and Mrs. Bill Brooks are the sponsors.

Four young people from Eldorado will attend the 9th and 10th grade assembly at Mount Wesley next week. They are: Genele Edmiston, Martha Ellen Topliffe, Judy Hext and Linda McGinnes. They are all members of the Intermediate MYF, of which Mrs. R. R. Heener is the sponsor.

Miss Diane Thomas is at Mount Wesley this week, attending the 11th and 12th grade assembly. The Commission on Education will meet next Thursday night, July 3, at 8:00 o'clock. Mrs. E. H. Topliffe is chairman of this commission.

**Mrs. Montgomery Honored By Mission**

Mrs. J. B. Montgomery was honored with a surprise party by members of the Baptist Mission at the close of their regular youth meeting last Friday night.

Rev. Jose Orena presented Mrs. Montgomery with a plaque commemorating her twelve years of service with the Mission. Other members also presented her with two table lamps and several other gifts in appreciation of her faithful service.

A large cake inscribed in her honor and punch were served to about 50 present, by the Mission W. M. U.

Mrs. Montgomery has resigned from her duties with the Mission after having helped organize it and taking a very active part in the work for the last twelve years.

**ATTEND REUNION**

Mr. and Mrs. Elton McGinnes attended the Ditmore family reunion held recently at Caddo State Park near Marshall, Texas. About 60 were present and were served a barbecue lunch on the two-day outing.

Mr. and Mrs. McGinnes returned by Abilene where they visited her brother and family, Mr. and Mrs. Raymond Ditmore.

Last Sunday they attended the Cole and Low reunion held at the Brady park and were accompanied by Mr. and Mrs. Sam McGinnes. There were about 40 present and they spread basket lunches at noon.

**VISITORS IN MOORE HOME**

Week end visitors in the home of Mr. and Mrs. B. E. Moore were Mrs. J. T. Mounts and two children of Monahans. She is the former Ruby Lewis and attended school here.

Another guest has been the Moore's grandson, Sonny Moore of Climax, Colorado. He is spending this week with his parents, Mr. and Mrs. Joe H. Moore in San Antonio, then will return here for the rest of the summer.

Sunday visitors in the home of Mr. and Mrs. A. T. Wright were their daughters, Mrs. Agnes Crosby and Mrs. Mabel Doose of San Angelo. Visiting in the Wright home Monday were Mrs. L. T. Barber, Mr. and Mrs. Bob Barber, and Scott and Von, all of San Angelo.

Harvey Turnbow, 10-year-old grandson of Mr. and Mrs. Walter E. Turnbow is spending several days visiting here. He arrived from his home in Barnhart Sunday.

Fishing at Buchanan Dam from Tuesday until Friday last week were Mrs. Gus Love and Linda Bess and Mrs. Roy Andrews.

Mrs. John Mayo and Johnny spent last week in Hobbs, New Mexico, where they visited in the home of Mr. and Mrs. Art Pruett and family. They returned to Eldorado Saturday.

Charles McLaughlin, Jr., and James Clark, who are students in the University of Texas, spent the week end here with their parents.

Mrs. Palmer West has returned to her duties at the Sonora hospital after having a two weeks vacation.

Mrs. L. Wheeler was ill a few days last week but is improving. Her son and his wife, Mr. and Mrs. Chester Wheeler of San Angelo, spent the week end here with her.

Mr. and Mrs. Thomas Baker spent the week end in San Angelo visiting with friends and relatives.

Mr. and Mrs. S. E. Jones Jr., and family spent the week end in San Antonio on a pleasure trip.

Peggy and Susan Hill, daughters of Mr. and Mrs. Jo Ed Hill, returned home last week after spending two weeks visiting in the home of Mr. and Mrs. Jack Horton and family in Ft. Worth.

Elton Spencer of Harper spent Monday night in the home of Mr. and Mrs. O. Sudduth.

**CARR FAMILY RETURNS FROM JAPAN**

Capt. and Mrs. Aris L. Carr returned this week from Japan where he has been stationed with the Air Force for the last four years.

They arrived in Eldorado at noon Tuesday and left Wednesday to visit other friends and relatives before going to Charleston, South Carolina, where he will be stationed. They have three daughters, Pamela, 12, Karen, 8, and Debbie, 2, who was born in Japan. From here they will go to Kerrville, Priddy, and then to Evant where they will visit his parents. Here they were guests of his brother, Mr. and Mrs. Bernard Carr.

**Former Resident Dies In Arizona**

Mrs. W. W. Howard, former Schleicher county resident, died in a hospital in Tucson, Arizona, June 18, accordig to word received here by friends. She and her first husband, a brother of Mrs. B. K. Cheek, lived here until about 1904. She was the former Maude Bird. Funeral services were held in Tucson June 20 and interment was made in the Tuscon cemetery.

**UNCLE DIES**

Jess Lane died suddenly Monday morning of a heart attack. His nephew, Joe Lane, resides in Eldorado. Funeral services were held Wednesday in Junction at 2:00 p. m., with interment in the Junction cemetery.

Mrs. Cordie Birdwell and her daughter, Mrs. Dixie Green and Nancy of Wichita Falls visited in the home of Mrs. Birdwell's brother, Mr. and Mrs. Lige Chrestman the first of the week.

Mr. and Mrs. Albert McGinnes and family visited her sister and brother-in-law, Mr. and Mrs. Bill Hawkins in San Angelo last Thursday night.

Mr. and Mrs. Arnold Gene Clark and Mrs. Mae Mercer visited in Brady Saturday evening. Mrs. Clark's mother returned home with them and will be here several days.

Mr. and Mrs. Charles Kellogg of Kermit are on vacation and spent the first part of the week at Granite Shoals. Their daughter, Deborah, stayed with her grand parents, Mr. and Mrs. Clovis Taylor, while they were gone.

**In Those Days**

**ONE YEAR AGO**

There was a major change in plans for the July 4 Luedecke Day, with the announcement that the noon barbecue would be free.

Tony Kerr purchased C. N. Shaw's drug store, and took over operation of the business.

J. M. Weymouth and E. E. Smith were here arranging for right-of-way for the gas lines for Pioneer Gathering System.

**FIVE YEARS AGO**

Dr. Jack Mowrey and his family moved here. They had rented the Glenn McDonald house.

Mr. and Mrs. Elton Donelson were parents of a son born June 19.

The Ratliff Store was having their annual clearance sale, with many bargains listed.

Mrs. P. W. Hazelwood died at her home here at the age of 74.

Miss Dora Riley, long-time resident of Schleicher county, died at the age of 83 in a San Angelo nursing home.

**12 YEARS AGO**

June rains averaged three inches for the county and had put the crop prospects in fine shape.

Voters were to go to the polls Saturday to vote for or against a bond issue of \$50,000 for building a memorial to the county men who had served in the last war.

Marshall Davis of Shep, Texas, was conducting a revival at the Reynolds school house.

The members of the First Baptist church were organizing a Latin-American Sunday School.

Jack Shugart was sworn in as deputy sheriff, succeeding Rance McDonald, who had resigned.

Mrs. W. B. Terpenning left for her home in Oregon after spending several weeks here visiting her parents, Mr. and Mrs. T. W. Johnson.

Mr. and Mrs. Jo Ed Hill moved here from Fort Worth after he had received his degree from TCU.

More than 100 people attended the Jess Koy barbecue held at the ranch in celebration of bringing in the first oil well on that place. Parker Drilling Co. had the drilling contract.

**35 YEARS AGO**

Oscar Roberts and family of Colorado City visited here with Mr. and Mrs. A. J. Spears.

Born—Tuesday to Mr. and Mrs. Edwin DeLong, an eight-pound boy. Buck Bailey came over from Brady Tuesday and is still going on crutches from getting his leg broken while playing ball at Brady, several weeks ago.

Mrs. J. R. Alexander of the Rudd neighborhood reports that there will be a meeting starting at the Adams school house Saturday. Rev. Baucom of San Angelo will do the preaching.

**TONY'S DRUG**

Mrs. E. R. Bryant and her grand son, Dennis, visited in the home of Mr. and Mrs. Charlie Davis in San Angelo Sunday.

of Mr. and Mrs. J. B. Montgomery were Mr. and Mrs. Billy Edmiston and boys of Midland and Miss Lenora Hedlund of San Angelo.

Mr. and Mrs. Jimmy Doyle returned last week after a vacation to points in Oklahoma and north-east Texas. They were gone about ten days.

Supt. and Mrs. A. M. Whitis and Mr. and Mrs. E. H. Whitis, Sr., of San Antonio will leave Saturday on a two weeks vacation trip to the West Coast.

Mr. and Mrs. A. J. Burk and children of Midland visited her mother, Mrs. Way King, and other relatives here last week end.

Mrs. Monty Hill and daughter, Monte Renne of Longview, accompanied her mother, Mrs. J. E. Spencer home and will visit here for a week or ten days. Mrs. Spencer had visited in the Hill home for about a week.

Robby Williams, 14 year old son of Maj. and Mrs. Robert Williams of Fort Riley, Kansas, arrived here Saturday to spend the summer with Mr. and Mrs. Marvin McAngus and family.

Jarvis L. Steed, newly elected band director for the Eldorado schools, has been in town looking for an unfurnished house for he and his family, this week.

Week end visitors in the home

**Among Those Who Know the Candidates Best**

It's **JOE GREENHILL**

by more than **3 to 1**

FOR THE **TEXAS SUPREME COURT**

A statewide poll of the legal profession, conducted by the State Bar of Texas, shows the vote to be:

JOE GREENHILL ..... 5,844 votes  
His Opponent ..... 1,727

This is the overwhelming verdict of members of the candidates' own profession after carefully weighing their qualifications and experience, studying their record and considering their judicial temperament and personal integrity.

The lawyers of Texas have thus joined farmers, ranchers, merchants, laborers, businessmen and other professional people in supporting the candidacy of **Judge JOE GREENHILL** because all of them want to keep a fair, honest and sincere judge on the Texas Supreme Court.

# THE RATLIFF STORE

ELDORADO, TEXAS

## COUNTY AGENT'S COLUMN

by Tiny Godwin

Schleicher County Agricultural Agent

The County Agent's office has received from the Dallas office of the Internal Revenue Service form 2240 and instructions on gas tax refunds. The federal tax on gasoline is at the rate of 3 cents per gallon.

The period covered for the 1957 claims is July 1, 1957 to June 30, 1958. The tax payer (farmer or ranchman) may claim a refund of the tax on any gasoline which is used on a farm or ranch for farming or ranching purposes.

The person having custom plowing or combining done on his place should claim the tax refund used for the operation. For such jobs as terracing, making irrigation ditches and similar jobs by a contractor, no refunds can be claimed.

The claims must be made by September 30, 1958, and only on form 2240. Only one claim a year may be made, covering the entire period.

Call 24281, Mrs. Jo Woodward, for your form 2240 with complete instructions. She will be glad to mail information and send your form to you.

All forms 2240 from this county should be sent to Director Internal Revenue, Dallas, Texas.

Staple length of cotton begins the day the bloom opens and pollination takes place. Available soil moisture is the limiting factor in determining length of lint in a given variety. Length of fiber is influenced by moisture conditions particularly those that bring about water stress within the plant. When water stress is severe the plants wilt. Even before wilting occurs, a slowing down in the rate of fiber elongation during a 13-20 day period after blooming results in the production of short fiber.

The length of staple 13-20 days after blooming determines good staple length and 25-40 days after blooming determines spinning count. Therefore, proper amounts of moisture should be available to the plant during this period. The rate of water required by cotton increases from about .25 inches to .40 inches per day during this period. This being the most critical period for all cotton, especially the irrigatorist, who can control water at this period.

Average rainfall for Schleicher county for up to 1950 was 20.64, based upon the best available records for 45 years. Including seven drouth years and the 1957 total of 28.90", the average rainfall is 19.63 inches up to January 1, 1958. The 7-year drouth total of rain from 1950 until January 1, 1957, was 76.17 inches, or an average rainfall of 10.88 inches per year during the drouth.

For the month of June up to 10:00 a.m. June 24, Schleicher county has had the second heaviest rainfall month on record or 6.13 inches exceeded by June of 1940

by 6.41 inches. The average rainfall for June of a normal year is 1.94 inches.

All the citizens of Schleicher county are looking with pride to the youngsters, whose pictures are in the Success this week: Penny Dollar and Ernest K. Nimitz. They have excelled in their fields of endeavor and let us step up and claim them.

Penny's accomplishment of having the area 2 winning essay sponsored by the local Soil Conservation supervisors has been shown in leading newspapers over the state and nation as Miss Penny Dollar of Kerrville, Texas.

An honest mistake by the press, but we in Schleicher county like for it to read Penny Dollar of Eldorado, Texas, and Schleicher county.

Cotton producers Gene and Henry Moore, Bill Smith, Johnny Mayo Bill McWhorter, Jimmie Powell, Ray Bruton and many others have had trouble due to rains and showers of getting early season control on the cotton flea. Showers and rains when poisoning cotton cause the job to begin over again and upset the time table in regular application. Then too, the showers bring on excessive hatches of cotton fleas hatching on "host plants" in the pastures which migrate to the more succulent cotton.

Time is a master worker that heals the wounds of temporary defeat and equalizes the inequalities and rights and wrongs of the world. There is nothing "impossible" with time.

**MRS. JOHNSON RETURNS**  
Mrs. T. W. Johnson returned home Tuesday afternoon from Wichita Falls accompanied by her two daughters, Mrs. O. R. Burden with whom she had visited ten days, and Mrs. W. B. Terpening of Eugene, Oregon.

Mrs. Burden will be here several days and Mrs. Terpening will visit about a month.

Jackie Wade is here visiting his parents and other relatives for about two weeks. He is serving in the army and stationed at Fort Sill, Okla.

### ★ The Military ★

Norfolk, Va.—James C. Griffin, seaman apprentice, USN, son of Mr. and Mrs. Joe Griffin of Eldorado, is attending the Radioman School, at the Naval Station, Norfolk, Va. Students at the school are trained to operate transmitters, radio direction finders, teletype-writers and radio receiving equipment. They also are taught to transmit and receive messages by International Morse Code and type incoming messages. The 16-week course convened May 26.

### REYNOLDS - ALEXANDER H. D. CLUB

The Reynolds-Alexander Home Demonstration club met June 13 at 2:00 o'clock at the home of Mrs. Leonard Lloyd. Thirteen members were present. Visitors were: Mrs. Wimer and Charlene, Mmes Lux, Bell, Reynolds, Sauer and Nall. 4-H club girls present were Kathy Sauer, Carrol Jane Becket and Verna Ann Lux.

A motion was made and seconded that the Reynolds community piano be sold and the funds given to the H. D. club, as it is the only organized club in the community.

The 4-H club girls gave a report on the camp they attended at Ingram.

Mrs. Kreklow gave a demonstration on the preparation of food for home freezing and talked on the convenience of frozen meals.

After the club meeting a pink and blue shower was given Mrs. Billy Jack Reynolds. Cake and punch was then served to all present.

### W. M. U. MEETS

The W. M. U. of the First Baptist church met Monday afternoon at the church with a Royal Service program presented by the Y. W. A. girls.

A trio composed of Linda Bess Love, Jeannie Mund and Luethel Dawkins, was accompanied by Margo Mittel in rendering a vocal selection. The scripture was read by Wanda Cross; Becky Mund gave the devotional, and Mary Martha Lowrance gave the meditation. Others taking part in the program were Janice Cales, Herma B. Whitten, Peggy Spencer, and Margo Mittel. There were 30 present.

Clovis Taylor and Velton and Ted Hoss spent from Tuesday thru Friday of last week at Granite Shoals on a fishing trip.

### Presbyterian Notes

Calendar For The Week

10:00 Sunday school  
11:00 Morning worship.  
5:00 P F and S H F  
8:10 Evening worship.

No special activity the remainder of the week.

Mrs. Jack Hext and six young ladies spent a week in LaMarque Texas visiting the Galveston beach daily and other points of interest such as Houston, Texas City. The group consisted of Judy Hext, Nancy Jo Jackson, Linda Jones, Samye Ann Mayo, Peggy Spencer and June Williams. They report a very enjoyable week but were happy to get back home again.

Our evening worship time has been set for 8:10 for the summer months.

Ben Hext attended the Mason centennial last Friday and Saturday.

Mary Martha Lowrance is visiting in the home of Mr. and Mrs. Carl Stevens for several days.

Luethel Dawkins of Kermit is visiting Linda Bess Love and Margo Mittel this week.

# JULY 4th TIRE SALE

# Economy is what you save — not what you do without

That's why Ford economy is true economy! The facts are plain. With the 58 FORD:

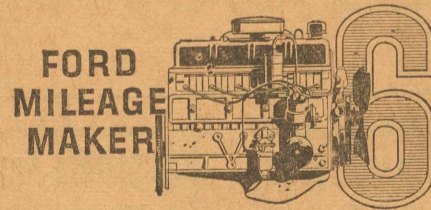

### 1. You don't have to do without modern styling to own a car within your budget

World-famed Thunderbird styling, a Ford exclusive, gives luxurious beauty to every 58 Ford. Yet Ford has the lowest-priced\* convertible . . . and the lowest-priced\* V-8 sedans and station wagons on the market today! You'll drive these beautiful cars with pride!

### 2. You don't have to do without big-car comfort to obtain a low price

Every Ford car has Automatic Ride Control . . . Angle-Poised Ball-Joint Front Suspension combined with long, tailored-to-weight rear springs . . . for a real luxury ride. For still greater comfort, front seats are foam rubber padded in every Ford model at no extra cost!

### 3. You don't have to do without lively performance to save on gas

The liveliest, most powerful Six you can buy is Ford's Mileage Maker Six. It's the only truly modern Six in any car today. With its exclusive short-stroke, low-friction design, this engine delivered the most actual miles per gallon of any car in Class A in the last two Mobilgas Economy Runs! Six or V-8 the savings are great in a Ford!

\*Based on a comparison of manufacturers' suggested retail delivered prices

**58 FORD** WITH PERFORMANCE, STYLE AND COMFORT THAT MATCH ITS SAVINGS!
