62ND YEAR

ELDORADO — SCHLEICHER COUNTY — TEXAS

THURSDAY, JULY 4, 1963

NUMBER 27

## Bearce Back Home, Much Improved

W. R. Bearce, county judge, who suffered a cerebral stroke in Florida two weeks ago, returned by plane to San Angelo Monday and was immediately brought home to Eldorado. His condition is rapidly improving but he will be required to remain at home and rest for an indefinite time.

## Ponies Looking For Opponents

Jack Halbert reports that he has about 20 boys working out for Pony League and that they are looking for someone to play. Pony League ball is for boys in the 13, 14, and 15 age bracket and there are not much more than enough here for one team. Many boys in this age group have summer jobs or are engaged in Scout work and are not available for baseball. Jack says he has communicated with several nearby towns in an effort to work up a game. The Bev McCormick post of The American Legion voted at their meeting Monday night to sponsor the Pony League.

## Blaylock To Head Legion

Billy Frank Blaylock, as commander, and Edwin M. Jackson Jr. as adjutant will head the slate of new officers of the Bev McCormick Post of The American Legion for the 1963-64 year, as result of election held Monday night at a called meeting of Legionnaires. The officers will be installed at a special program the night of Thursday, August 1st, which will include an ice cream supper and Legion family night. Further plans on this will be announced later. The local post voted to sponsor Pony League baseball, and the hat will be passed at remaining Little League games for this program.

## OIL NEWS

Delta No. 1-A Jones has come in as a gas and distillate producer and is being flared this week. Observers on the ground declare that it "looks awful good."

Delta No. 1 Delhi-Jones, which was bottomed at about the same time, had not kicked off Tuesday night and was still being swabbed. On Wednesday morning it was kicking off and flaring intermittently, with the swab being run occasionally.

Texaco has staked its No. 3 Mary Jackson. Cattle guard and road was built Tuesday to the new location.

Enochs and Gouras No. 1 Dyer is being abandoned as a dry hole at 910 feet. The doctor says, "I'm going to make me a water well out of it."

Humble No. 1 Koy, drilling around 6,000 feet and going on down to the Ellenburger.

Signal No. 1 Koy drilling below 2500 feet.

## Fourth Is Holiday

With exception of a few cafes and service stations, virtually all of Eldorado's business houses are closed today for the Fourth of July holiday. Most people have just today off from work; it will be back to work Friday morning. A few, however, will take the remainder of the week off.

## News of the Sick

City Secretary Lum Burk is back at work part time following his recent stay in the Sonora hospital. C. N. Clark is in the Shannon hospital where he was admitted for a check-up and tests. Little Gregory Toburen, son of Mr. and Mrs. Toby Toburen, is convalescing at home after undergoing surgery at the Shannon hospital about two weeks ago. John Sedberry is at the Clinic-Hospital in San Angelo where he is undergoing tests since having minor surgery on his hand. Mrs. M. M. Reynolds is still in the Clinic-Hospital in San Angelo, room 220.

## New Eagle Scout

PHIL McCORMICK

Completing requirements recently for Eagle Scout rank in Eldorado's Explorer Scout Post, No. 318, was Phil McCormick, son of Mr. and Mrs. Hollis McCormick. Phil was passed by the district board of review which approves all Eagle Scout applications. Eagle Scout is the highest rank in Scouting and calls for earning of 21 merit badges, many of which are specified. Phil will receive his Eagle badge and certificate at an awards program soon. Paul Johnson, advisor of the Explorer unit here, reports that Phil McCormick is the first member of the post to earn this highest rank while a member of the unit. Johnson states that a few others will complete requirements soon.

## New Vehicles For Month Of June

Twenty-two new vehicles were registered during June in the office of Orval Edmiston, sheriff and tax assessor-collector:

- Ed Meador Agency, '63 Olds 4-door station wagon;
- Charles N. White, Odessa, '63 Ford 4-door;
- Isael A. Perez, Sonora, '63 Chevrolet 4-door.
- W. F. Meador Sr., '63 Buick 4-door;
- Pablo Romeri, '63 Chevrolet pickup;
- R. N. Tidwell, Big Spring, '63 Chevrolet 4-door;
- Shell Pipe Line Corp., Midland, '63 Ford pickup;
- Jess Koy, '63 Chevrolet pickup;
- Dr. Marcus E. Young, '63 Rambler station wagon;
- Patricia D. Enochs, '63 Chevrolet 2-door;
- John J. Mormon, '63 Ford Falcon station wagon;
- Schleicher County Independent School District, two '63 Chevrolet school buses;
- L. L. Watson, '63 Chevrolet 4-door;
- Speck Ranch Co., '63 Chevrolet pickup;
- Charlotte E. Wright, Midland, '63 Ford 4-door;
- Rebecca Mund, '63 Chevrolet 2-door;
- Frank Kemble, '63 Ford 4-door;
- Christian Ranch, '63 Ford pickup;
- Raymond Schrank, '63 Ford pickup;
- Mrs. Esther Smith, Hamlin, '63 Chevrolet 4-door;
- Bill McWhorter, '63 Chevrolet pickup.

## Scouts To Leave Sunday For Week At Camp

Fred Watson reports that plans are complete for local Boy Scouts to leave Sunday afternoon for a week of camp at Camp Sol Mayer near Fort McKavett. As of now, there are five Scouts lined up to go. They will have physical examinations Saturday morning and meet Sunday afternoon at 2:30 at Mr. Watson's house to leave for camp. There is still time for other Boy Scouts to apply and join the group of campers, Mr. Watson stated. He reminded Scouts and parents that Little League players will be allowed to come home on the nights their team plays.

Road crews are working on the Sojge by-pass route and also clearing right-of-way north of town. No detours set up in city limits as yet.

## Cougars Continue As L. L. Champions

**Thursday**  
White Sox 16—Red Sox 4  
It would have been a close game Thursday night if the Red Sox hadn't weakened in the third inning and allowed the Whites to run in 12 scores, which they did with the help of 7 bases on balls. The score by inning tells the story:

|           |   |   |    |   |      |
|-----------|---|---|----|---|------|
|           | 1 | 2 | 3  | 4 | 5—   |
| White Sox | 2 | 1 | 12 | 1 | 0—16 |
| Red Sox   | 0 | 2 | 0  | 0 | 2—4  |

**Friday**  
Tigers 11—Cougars 16  
The Christoval Cougars have not been defeated here this year, but early in the season they played a 6-6 tie game with the Tigers. Friday night they met again and for the first half of the game it looked like it was going to be the Tigers' night. The first inning ended 3-0 in favor of the Tigers. At the end of the second they were leading 5-4, and in the top of the 3rd it was 7-4 in Tigers favor. Then their luck ran out. The Cougars ran in 6 scores in the 3rd inning and another 6 in the 4th; making it 16 to 7 for the Cougars. Tigers last chance came in the top of the 5th and they started a rally that brought in four scores, but that was all they could manage. It was a good game and a good crowd was out. Score Innings: 1 2 3 4 5—  
Cougars ----- 0 4 6 6 0—16  
Tigers ----- 3 2 2 0 4—11

**Monday**  
Tigers 20—Red Sox 11  
The weather was chilly for the Little League game Monday night and blankets and sweaters were numerous in the small crowd that watched the Tigers beat the Red Sox 20 to 11. There were lots of runs—lots of errors and lots of excitement and everyone stayed until the last out was made. The Tigers ran in 8 scores in the first inning and the Tigers tied it up in the second, but after that they fell behind and were unable to catch up. By Innings 1 2 3 4 5  
Tigers ----- 8 6 3 3 0—20  
Red Sox ----- 1 7 2 0 1—11

**Tuesday**  
Cougars 20—White Sox 4  
The Christoval Cougars continued their devastating campaign in Little League Tuesday night by defeating the White Sox 20 to 4. They started right off in the top of the first inning by running in no less than 12 scores. And to top it off they shut the White Sox out in 4 out of 5 innings. Robert Rios, left-hander, pitched all the way for the Cougars, and allowed only one honest hit to the White Sox in the whole game. This was a long fly to center field by Keith Williams in the last inning, but he was left on base with the third out. Two walks and a series of in-field overthrows enabled the White Sox to get four scores in the 4th—the only ones in the game. Score by Ings. 1 2 3 4 5  
Cougars ---- 12 2 4 0 2—20  
White Sox ---- 0 0 0 4 0—4

**No Game Tonight**  
There will be no Little League game tonight (Thursday) but a double-header is scheduled for Friday night.

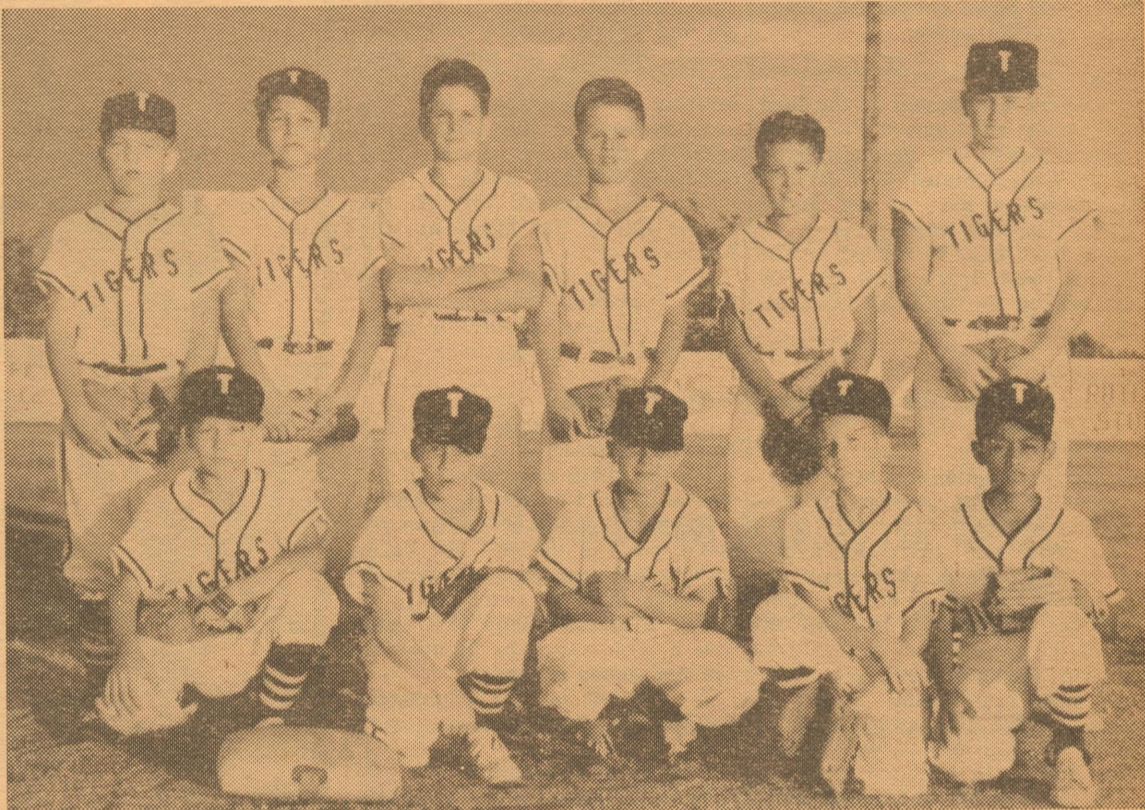

**Upcoming Games**  
July 5----- Christoval—Red Sox  
July 5----- Tigers—White Sox  
July 8----- White Sox—Red Sox  
July 9----- Tigers—Christoval

## Nearly 10 Inches Of Rain In Six Months

Taking the average of three official gauges, the county agent's office comes up with a report that 9.89 inches of rain has fallen on Schleicher county in the first six months of 1963. The accompanying tabulation shows that just about half of this amount fell during the month of May—when it was appreciated and needed the most. June had a series of scattered rains which averaged nearly two inches. It has prompted more than one person to say, "I've never seen the county looking better."

CHRISTOVAL COUGARS—Left to right on front row: Delmar Slone, bat boy; Ken Founget, Al Thomerson, Aubry Hatton, Jimmy Jimenez, Johnny Van Court, Ricky Menchaca. On back row: Manager Menchaca, Bobby Slone, David Slone, Clark Butts, Hector Montalno, Robert Rios, Mike Stewart, John Garcia.

THE TIGERS—Left to right on the front row are Jack Williams, Willie Manning, Bob Whitten, Denny Phelps, and Jimmy Martinez. Back row, Mike Prather, Mickey Clark, Paul Page, Ross Whitten, Allan Sallee, and Jimmy McGinnes.

## Post Script

John Adams thought the birthday of the United States ought to be celebrated "from one end of this continent to the other" and prescribed pomp and parade, bells and bonfires for the occasion. But one of the largest and most impressive observances of Independence Day takes place thousands of miles away, in Denmark. Each year as many as 40,000 Danes and Americans gather at Rebild National Park in northern Jutland in an enduring gesture of international friendship. While the Stars and Stripes waves beside the Dannebrog, Denmark's flag, and television cameras glide along an avenue of U. S. state flags, there is band music and singing and even the traditional Fourth-of-July oratory.

After the ceremonies in the park, the guests move to the neighboring town of Aalborg, where they end the Fourth with parades and fireworks. The Fourth of July is also the birthday of the Philippines. The United States, which celebrates its own independence on that day, granted independence to the Philippines on July 4, 1946.

The celebration has taken place annually except during years of war. But even in 1940, when Denmark was an occupied country, a group of Danes raised the American flag alongside the Dannebrog within the park grounds. In recent years, American speakers have included Chief Justice Earl Warren, Paul G. Hoffman and former vice president Richard M. Nixon. True to the memory of John Adams, however, the pomp doesn't end with the speeches.

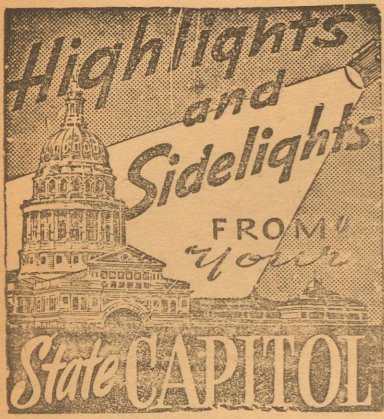

The sheriff's office reported a flurry of work over the week end as Texas' tax on motor vehicle transfers was hiked from 1½% to 2%, to put vehicles under the general sales tax. There were quite a few sales of both new and used vehicles before the old 1½% rate expired. A few other changes were made in the tax, notably the doing away with the exemption on outer clothing sales less than \$10. Hereafter all clothing will be taxed.

The Rebild Festival was the in-

Austin.—Creation of many new lakes in Texas has resulted in a money problem for the State Highway Commission.

Commission Chairman Herb Petry Jr. of Carrizo Springs expounded on the situation when a Nacogdoches delegation headed by Carl Monk and County Judge F. L. Harris came to Austin to ask for a farm-to-market road from Nacogdoches to McGee Bend Reservoir, now 59% complete.

Petry said cities and lakes are draining heavily on state road funds. He pointed out that the State Highway Department worked up a plan for access roads to McGee Bend in 1959. That work has been proceeding in cooperation with the surrounding counties. But there was no new Nacogdoches county road in the plan.

**Padre's Deed**

Lawyers have drawn up the deed by which state-owned land in Laguna Madre will be transferred to the United States. This land is to become a part of the Padre Island National Seashore.

But deed can't be signed by the School Land Board until the law authorizing the transfer takes effect on August 23.

**Vacation**

Gov. John Connally and his family took off for the family ranch at Floresville for a brief vacation. So far his vacation has been interrupted twice for speeches in Austin and Dallas.

Connally also took along a pile of work to do. He has many appointments to state boards, commissions and courts to make. He gathered up a file of letters containing recommendations. These will help him decide whom to name to the two new Courts of Civil Appeals (at Corpus Christi and Tyler), to the new Parks & Wildlife Commission, and to many other state boards.

He also obtained an opinion from Atty. Gen. Waggoner Carr, saying that the six new justices he will name need not live in the districts at the time of their appointments. Only requirement is that they move into the district before they take oath of office.

**Red Register**

Attorney General Carr is taking steps to force Texas' only known communist to register. But he has not decided where to bring suit.

A 1951 law requires any communist remaining in Texas as long as five days to register with the Department of Public Safety. No one has ever registered.

Two weeks ago, U.S. Atty. Gen. Robert Kennedy notified the man, a resident of San Antonio, to register within 20 days under a Federal registration law, or face prosecution.

Carr picked up the ball and decided to try to make him register under the unused state law, too.

**Liquor Fines**

People still keep violating the liquor laws.

Liquor Administrator Coke Stevenson Jr. reports that his agents filed 743 cases last month. There were 738 convictions, with 28 jail terms, for violations. Fines came to \$46,172 during the month.

The Lubbock district, mainly dry, was as usual the location of the largest number of cases among the 18 enforcement districts.

**Insurance Up**

Recommendations for higher auto insurance rates have been

made to the State Board of Insurance, by insurance companies, and the Board's own staff.

Losses under current rates prompt a general statewide increase averaging 8.6%. But there are variations.

Farmers and ranchers, who have chalked up a good non-accident record, will get substantial cuts. They will range from 20 to 30%, in various parts of the state.

City drivers will face higher rates for their public liability insurance. Statistics show that where there are more cars there are more accidents.

State is divided into 26 rating territories. Drivers living in safer areas will pay less for their insurance. Board will announce its decision soon, and new rates will take effect on August 1.

**Sewer Aid**

State Health Department has compiled a list of 37 cities awaiting word that Congress has appropriated money to continue the federal-aid program for construction of sewage treatment facilities.

These cities have applied for \$4,067,628 worth of grants to help them build \$15,980,384 worth of projects.

Expected Texas allocation is about \$3,200,000. So some will have to do without federal aid—or wait for next year.

**Ethics**

Three representatives who piloted a tough code of ethics bill through the House of Representatives still are trying.

Reps. James E. Nugent of Kerrville, Robert C. Eukhardt of Houston and Travis P. Peeler of Corpus Christi presently are seeking help from the Attorney General in drafting a new version for the next session of the Legislature. Later on they hope to talk with Governor Connally about it.

Their bill zoomed through the House. But it was killed in the Senate.

It would prohibit state officials (and legislators) from having extensive business holdings in areas they regulate—or legislate.

**Swedes Celebrate**

Some 1,300 Texans of Swedish descent gathered in Austin to observe the 125th anniversary of the arrival of the first Swede in Texas.

He was S. M. Swenson, who became quite a power in Texas affairs, and then brought hundreds of other Swedish immigrants to Texas. Swenson family still operates a large ranch in Throckmorton and Jones counties.

A program in two languages marked the observance.

**Clerks Have Convention**

Folks who keep the official records in the 254 courthouses of Texas had a convention in Austin.

County Clerk Val D. Huvar of Victoria county wound up as the new president of the County and District Clerks' Association of Texas. Rannels County Clerk Frankie Berryman was named first vice president, and will move up to president in 1964.

**Sales Up**

Retail sales in Texas improved a bit in May, after a slump in April. Mal sales were 4% above April and 1% above May, 1962.

**Rains On The Range**

Ranchers got some breaks in some parts of the state, reports the U. S. Department of Agriculture.

Summer range and pasture feed prospects continued on the upgrade in the northwest part of Texas. Prospects also were improved by rains in the central and

southeastern parts of the state. There ranchers had been culling herds, and sales had been heavy until the rains came.

**Bed-Rock Ruling**

Securities Commissioner William M. King issued an order prohibiting further sales of stock in the Roka-Bed Corporation of Lubbock.

Firm was organized to make children's furniture, including a baby bed which would rock baby to sleep when he cries.

Advertising said Roka-Bed had been tested on 5,000 babies. But promoters told investigators no such tests had been made.

Stock was sold to about 200 persons, mainly in the South Plains area.

Mr. and Mrs. Jud Brannan visited their granddaughter, Mrs. Rose Marie Meeks and children, in San Angelo last Sunday.

**HAVE OUTING AT LAKE**

Enjoying a two days' stay at the Nyquists' cottage on Inks Lake last week were Mrs. C. M. Nyquist, Mrs. R. S. Boynton, Linda Boynton, Sharon Nyquist, Mary Lynn McGinnes, Kay Peters, Micky Phelps, Jan Porter, Betsy Bruton, Rita Rozean, Paula Mace, and on Thursday night Frankie Blaylock and Christie Moore were there.

The girls went boat riding and swimming. They also went through Longhorn Cavern. They returned home Saturday; all reported a good time.

**VISIT LOCAL RELATIVES**

Alma Sauer of Tulsa, Oklahoma, and her daughter, Kathy, of Beaumont Texas, were here this week visiting relatives and friends. They also visited in San Angelo.

Mrs. Sauer reported that she is taking a new job in the bookkeeping department of the International Harvester company in Tulsa.

**MERRY MAKERS MEET**

The Merry Makers "42" club met at the West Texas Cafe last Thursday afternoon for their regular session of 42, with Mrs. W. H. McClatchy as hostess.

Mrs. Virge Tisdale and Mrs. Roy Andrews were guests and completed the three tables of players. Refreshments of cream cake, ice cream and coffee and tea were served.

Mr. and Mrs. Cramer Sofge had as their dinner guests Sunday, Mr. and Mrs. Milton Doyle and boys, Roby; Mrs. Opal Blackman, Victoria; Mrs. Ruby Damrin; and Mr. and Mrs. Kenneth Doyle and Joan and Wayne.

Mrs. Myrtle Wade and Wes Wade of Eldorado and Jackie Wade of Sonora visited recently with Mr. and Mrs. Clarence Jessup at Sanderson. Wes remained there for a week's visit.

**H. D. CLUB MEETS**

The Earn and Learn Home Demonstration club met last Thursday night at the home of Mrs. Edgar Spencer. Mrs. Ruth Williams, president of the club, presided over the meeting. Mrs. Vida Kreklow demonstrated washing of electric blankets. Six members and a guest Mrs. H. S. Joiner, attended.

The club meets the 4th Thursday night every month.

Mr. and Mrs. Claude Doyle had as their guests over the week end Mr. and Mrs. Jerry Doyle, Mr. and Mrs. Edd Fairbee, of Lubbock, Mr. and Mrs. Jimmy Doyle and boys, George Sofge, Alvin Atkison, and Lucy McCleann if San Angelo.

Mrs. Opal Blackman of Victoria has been visiting her brothers, Claude and Kenneth Doyle, also her sisters, Ruby Damron and Mary Sofge, for the past week. She will return home soon.

**HOLD HIGH THE TORCH OF FREEDOM on this FOURTH OF JULY, 1963**

The flame of patriotism will burn brighter today and the remainder of this week. Flags will wave; bands will play; military men will march. Americans are proud of the heritage of their forefathers. But, how many citizens know that the freedoms they enjoy, are for the most part, spiritual? The founding fathers of the Republic were religious men. They wrote into the Constitution certain guarantees of freedom which we in the twentieth century still enjoy. Their dependence upon God and their belief in the value of the individual soul sparked their love of freedom.

So on this 188th Independence Day, let us celebrate with fervor as they did that first Fourth of July in 1776. But let us not in the joy of our freedom fail to hear the Liberty Bell ringing down through the years this tocsin: "The condition upon which God hath given liberty to man is eternal vigilance."

**DeLong Reunion Held**

June 30, the Christoval Park was the setting for a barbecue picnic for the descendants of George Washington, Dave D., and Sam DeLong. One hundred years ago this month, George W. DeLong came from Kentucky to Lipan Springs near San Angelo. Dave and Sam, his brothers, followed in a few years. George W. served as an Indian Scout for the government, until he and his brothers settled three miles north of Christoval and engaged in farming and raising sheep.

Descendants of George W. DeLong attending the reunion were his daughter Mrs. Dovie Kannady, who is the only living member of his immediate family. Also attending was his daughter-in-law, Mrs. George DeLong, widow of the late George DeLong of Merton, her daughter, Mrs. Love Boyd and her sons Bobby and Layton A. Boyd, his wife and son of Breckenridge, Texas. Mr. and Mrs. Aubrey DeLong and grandchildren of Merton, also Mrs. Nell Mayes and family. Mr. and Mrs. Weir Hall and son Hubert and family of Robert Lee. Mr. and Mrs. Mills Lasater and daughter of Pyote, Texas.

Mrs. Daisy Chapple of Christoval attended with her son Harry Chapple, and wife of San Angelo.

Descendants of Sam DeLong there were Mr. and Mrs. Frank DeLong and daughter and son, Mr. and Mrs. James DeLong and son of San Angelo, Mrs. Wes Harris and daughter Mrs. Richard Gallo-way and children of Eastland.

Mrs. Joan Gauntt, daughter of the late Mrs. Minnie DeLong Bowen, her daughter and son-in-law, Mr. and Mrs. Jim Watts and children of San Angelo.

Jim Hal DeLong, son of the late Jim DeLong of Christoval, his wife and son of Alamogordo, N. Mexico. Also his mother Mrs. Lyda Legion of Kerrville.

Children of the late Mr. and Mrs. Dave E. DeLong attending included Ruby D. Fowler of El Paso, Mrs. Ruth Harper and grandson of Eldorado, Mrs. Mary Steen and Mr. and Mrs. W. E. DeLong and sons of Eldorado. Also a daughter of W. E. DeLong, Mrs. George Rice and family of Houston.

Descendants of Dave D. DeLong present were S. A. Douglas, his grandson of El Paso; and Mr. and Mrs. D. J. Wilson and children of Merton.

Descendants of Sam DeLong, R. B. Austin, son of the late Arminta DeLong, his daughter Clare Austin, both of San Angelo. Mr. and Mrs. W. F. DeLong of Wizzard Wells, Texas. From Christoval: Letha DeLong and son, Jessie DeLong Wilkinson and family, and Mrs. Emma Peoples. Mrs. Melba Soloman came from San Angelo, and Mr. and Mrs. Marvin Krall and children of Robert Lee. Also Mr. and Mrs. Lewis Farris of Carrizozo, N. Mexico.

This was the first reunion held for the DeLongs in about 15 years and everyone enjoyed it so much that after visiting, eating, and taking movies, they decided to have another one at Merton next year at about the same time.

**WHAT BIRD IS THIS?**

You thought you heard a squirrel in your tree, but when you looked for it you couldn't find it? Perhaps it wasn't a squirrel at all. In this area, it would much more likely have been the wary, elusive Yellow-billed Cuckoo. His voice, a series of unmusical clucks, and his straight flight from the center of one tree to the center of another make him a mystery to those who do not know him. He has thus become immortal in the words of Wordsworth:

"O Cuckoo! shall I call thee bird? Or but a wandering voice . . . ?"

And a wandering but wonderful and welcome voice he is; for the Yellow-billed Cuckoo is one of our most useful birds. He and his relative, the Black-billed Cuckoo, are the chief destroyers of the hairy species of caterpillars, many of which are highly harmful. You are fortunate when the tentworms invade your walnuts if you have a Yellow-bill about your property. He may eat as many as 250 of the larvae in one day, and that is about the size of a single infant colony.

The Yellow-billed Cuckoo (*Coccyzus americanus*) is a member of the family Cuculidae. The world family of Cuckoos consists of 128 species. They appear often in legends, ballads, and folk songs. Four members of this family are to be found in Texas: The Yellow-billed Cuckoo, the Black-billed Cuckoo of East Texas, the familiar Roadrunner, and the Groove-billed Ani of South Texas. The Yellow-bill can be found from April thru November throughout the state in woodlands, mesquite thickets, and secondary growth where trees have been cut down. The winter he spends in South America, especially in Colombia and Venezuela. According to Jean Dorst in *The Migrations of Birds*, this species can be found on occasion in Europe, where it is carried by west winds sweeping across the Atlantic.

Many of the foreign species are parasitic in their nesting habits, that is to say they lay their eggs in the nests of other birds, and

the builders of the nests so invaded take on the duties of foster parents. The American species are, however, exceptions to the rule; they all build their own nests and tend their own young.

The Yellow-billed Cuckoo is also known as Rain Crow because many people believe that his call indicates the coming of rain. About 12 inches long, he is brown above with white underparts. In flight, he may be recognized by the flash of rufous in the wings, his straight flight, and his generally slim, arrow-like appearance. If you are fortunate enough to see him sitting in a tree, you may observe the large white spots in his tail; and if you have a pair of binoculars, you may even see his yellow lower mandible and note the curve of his bill.

It is seldom, however, that one can observe him this closely. I have seen Yellow-bills hundreds of times, but only once have I seen a really good display from one. Last Sunday afternoon at the ranch, my father and I heard a Yellow-bill calling. Contrary to the usual shy manner of the cuckoo, this one flew straight to us and began to try to attract our attention. Her action could only mean one thing: she had a nest. So in the fashion of those who have observed other nesting birds, we turned the opposite direction from her flight and began to search for the nest. Soon she began to circle about us and her calling became more excited and incessant. Then Dad discovered it. Sitting silently and completely still in a small mesquite just a few feet from him was a baby Yellow-billed Cuckoo, almost adult in body size, but with only a half inch of tail. We could have touched it easily, but instead we walked on, content to have seen a rare sight, one which we may never see again.

Listen to the sounds of the trees; listen for the call of the Rain Crow. Look for the flight of an arrow and a flash of rufous-colored wings. Perhaps you, too, will find a Cuckoo, and he will be your friend. —Ruth S. Parker

**Miss Shugart To Marry On Aug. 3**

**JACQUELYN SHUGART**

The engagement of Jacquelyn Shugart to Phillip Loy McClure is being announced by Mr. and Mrs. Jack Shugart of Fort Stockton, parents of the bride-elect. The Shugart family are former residents of Eldorado.

The prospective bridegroom is the son of Mr. and Mrs. Earl McClure of Fort Stockton.

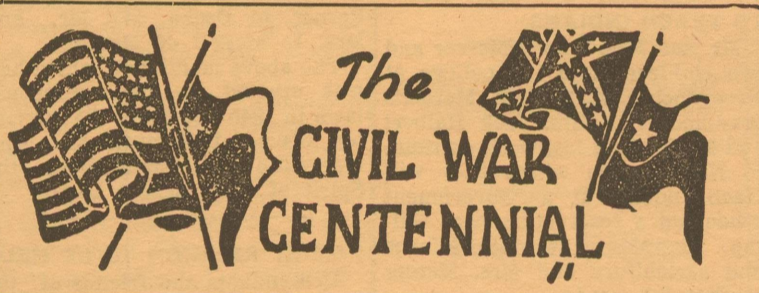

The wedding will be held on Saturday, August 3, at 7:30 p.m. in the First Methodist Church at Fort Stockton.

Miss Shugart is a graduate of Fort Stockton High school and is attending Texas Christian University in Fort Worth. Her fiancé was graduated from Fort Stockton High school, and attended Texas Tech at Lubbock and Sul Ross at Alpine.

**LOCAL TEACHERS ATTENDED MATHEMATICS WORKSHOP**

Eight-five public school teachers and teacher trainees participated in a two-week workshop in Materials and Techniques for Teaching the New Mathematics, which closed Friday, June 28 at Howard Payne College at Brownwood, according to Dr. Francis L. Merritt, chairman of the college's Division of Professional Studies and director of teacher education.

Those enrolled for the workshop included Mr. and Mrs. Curtis Humphries and Mrs. Frances Nimitz of the Eldorado schools; also Ina Mae Lightsey of Merton.

By Dayton Kelley  
Mary Hardin-Baylor College  
Belton, Texas

Some time ago we asked readers to select the Confederate heroines of Texas, write and tell us of these choices and also send a copy of their letter to the National Civil War Centennial Commission in Washington, D. C. We hoped, in this manner, to get a short biographical sketch of some of the Texas ladies who contributed to the cause of the Confederacy included in a booklet then being compiled.

Several readers wrote to make selections and we corresponded briefly with the compilers of the booklet, suggesting that such outstanding women from Texas as Lucy Holcombe Pickens and her sister, both of Marshall, be included.

Now the booklet is off the press and we were quite disappointed to note that not a single Texas woman is mentioned among the three dozen or so whose contribution is worthy of mention. The closest Texas comes to having a woman mentioned in the booklet, "Our Women of the Sixties," is a short biography of Loreta Janeta Velasquez, who disguised herself as a man, adopted the name Lt. Harry B. Buford, and campaigned with Confederate soldiers in Virginia, Kentucky and Tennessee.

She was twice wounded in action, served as a Southern secret agent in Washington and was later exposed as an impersonator. She lived for a brief time in Texas, but when she entered the Confederate service, was married to a wealthy planter in Louisiana.

Nevertheless, we found the booklet to be quite intriguing reading and believe it to be a unique contribution to the literature of the Civil War. The authors are Sylvia G. L. Dannett and Katharine M. Jones, both of whom are well-known for their works about women of the War years.

Recommended Reading for This Week: For Confederates—The University of Indiana Press has added two more volumes to its Civil War Centennial Series bringing the total to more than 20 volumes. "Military Memoirs of a Confederate" by E. P. Alexander, the universally-quoted classic first published in 1907, has been edited by the eminent T. Harry Williams.

Walter H. Taylor's "Four Years With General Lee" has been edited and provided with an introduction by James I. Robertson Jr., the executive director of the National

Civil War Centennial Commission. Both of these republications are valuable references for the Civil War buff or scholar.

Also for Confederate readers we recommend "The Railroads of the Confederacy," written by Robert C. Black III, and published by the University of No. Carolina Press.

For Yankees: Another kind of railroad was that called the underground railroad, whose story is told so adequately in Horatio T. Strother's "The Underground Railroad in Connecticut," published by Wesleyan University Press of Middletown, Conn., and Larry Gara's "The Liberty Line," from the University of Kentucky Press.

And a final item of importance is "Grierson's Raid" which D. Alexander Brown has written for the University of Illinois Press. This is one of the best accounts of the famous raid we've seen.

**Field Day Set Tuesday At Sonora Exp. Station**

The Texas Section of the American Society of Range Management in cooperation with the Texas Agricultural Experiment Station, is holding a field day on the Sonora Experiment Station between Rock-springs and Sonora on July 9th.

Following registration at 9:00 a. m., and a welcoming address, visitors will begin a tour of the study pastures. En route there will be field discussions, one on "Plant Reaction to Various Intensities of Use" by Dr. C. L. Leinweber, head of the Department of Range and Forestry, Texas A&M University, and one on "Underground Water and Its Relationship to Varying Plant Cover on Watersheds" by Walter G. Knisel, Agricultural Engineer, Agricultural Research Service, Riesel, Texas.

After a "dutch-treat" lunch, to be served by the 4-H Parents' club of Sonora, Dr. Walter W. Thames, A&M plant pathologist, will talk on "Nematodes and Other Micro-Organisms in Relation to Plant Health and Grazing Use."

**SHERRY GRIFFITH IS ONE**

The Rev. and Mrs. Johnny Griffith honored their daughter, Sherry Yvonne, with a small gathering of family and friends Tuesday evening on her first birthday.

Several were on hand for fireworks, a supper, and they did some work on the nearby Assembly of God church building.

The Griffith family considered it an early Fourth of July celebration as well as their daughter's birthday celebration.

The ELDORADO SUCCESS

**WTU efforts to help this community wins a national . . .**

**FIRST PRIZE**

For years we've promoted the business and industrial advantages of this and other area communities.

The program includes national advertising, personal calls on prospects and many mailings of specially prepared material.

The four mailing pieces shown on the left won first prize for advertising excellence. The national competition was conducted by the Public Utilities Advertising Association.

It is another example of the conscientious effort we put forth to aid in developing communities in our service area . . . because we believe the CENTER OF THE SOUTHWEST faces growth unlimited.

In Those Days

Compiled From Success Files

ONE YEAR AGO

July 5, 1962—Sheriff Orval Edmiston received the Good Citizen Award from the Lions club.

Funerals were held for Mark Holland and Joe Sawyer. Jack and Lois Etheredge arrived home from a trip to the Seattle world's fair.

Following his release from active duty with the Air Force, Dr. John Dennis Blackburn was planning to join his father-in-law, Dr. Dyer, in the local medical practice.

Joyce Woodward, Paula Mace, Mary Ann Page and Frankie Blaylock were among the winners in the district 4-H contests in San Angelo.

FIVE YEARS AGO

July 3, 1958—J. W. Nesom, San Angelo contractor, expected to have work under way Monday on the new \$93,000 building for the Southwest Texas Electric Co-Op.

Service Pipe Line transferred Hall Hagler to Stamford. W. L. Barnes of Austin was awarded contract on the Reynolds road job.

Janis Sofge, bride-elect of George Worden, was honored with a coke party in the home of Nancy Jo Jackson.

A daughter was born to Mr. and Mrs. Charlie Warnock. Mr. and Mrs. Benny Harkey and Kaye left on a trip to the West Coast.

Miss Joy Dodd, bride-elect of Monte Robinett, was honored with a gift tea.

12 YEARS AGO

July 5, 1951—T. E. Holcomb, new school superintendent, moved here with his wife and son, Bill.

Funeral services were held for A. D. Richey, former grocery-man here. Material was on the ground for building the new highway warehouse, on the Menard road.

A son was born to Mr. and Mrs. Morris Whiten. The Rev. Charles Garnett Bruce preached his first sermon as pastor of the First Presbyterian church here, following his move from Kenedy.

Mr. and Mrs. T. W. Johnson returned from a trip to Kermit and Midland. Mary Sue Chilton and Fred L. Speck were married. Durward Rutland went to Brownwood to see about enrolling in Howard Payne college in September.

35 YEARS AGO

July 6, 1928—Miss Mabel Roach became the bride of Gaston Charles Brock, in a sunset wedding at the John S. Roach home in Abilene. The couple will make their home on the L. S. Munger ranch 45 miles southwest of Abilene.

Bert Page has sold his 7-section ranch near Mayer to Jack Wardlow of Sutton county. The price was reported as better than \$16 per acre.

Oran Nicks has sold his 640-acre stock farm to J. B. Christian for \$21 per acre. Mr. Nicks has leased the Otto Williams ranch east of Eldorado.

H. T. Finley has sold his Palace Barber Shop to Austin Buck of Coleman county, who has moved here to take over the business.

E. H. Sweat was taken to Temple last Sunday for medical treatment. Mrs. Stella Buck and Mrs. H. B. Clark and son were guests of Mr. and Mrs. L. Kent this week.

Sellers Dismukes and bride arrived in Eldorado Sunday. He and Miss Orva Ellis were married Sunday morning and came here immediately after the ceremony.

See the General Electric Refrigerator, new Perfection Oil Stove, porch and lawn chairs, self-oiling Samson windmills; and let us build your fly traps. —Humphrey Hardware, phone 148.

Mr. and Mrs. P. W. Sewell have had a family reunion at the Sewell ranch this week. Those from a distance are Mr. and Mrs. C. B. Lowe of Los Angeles, Cal., Mrs. H. V. Carr, Mrs. E. O. Rodgers and husband and Mrs. Jack Connally of San Antonio.

Mr. and Mrs. Sam Roberts of Ozona were in Eldorado Monday. They are preparing for a trip during the summer which will include the big rodeo at Cheyenne, Wyo.

July 9, Tuesday. Reynolds H. D. meets with Mrs. B. J. Reynolds. July 9, Tuesday. City Board of Equalization meets, 7:30 pm. at City Hall.

July 10, Wednesday. Lions club meets 12:15. Memorial Building. July 10, Wednesday. Social Security representative at the Court House, 1:00 to 2:30 pm.

July 11, Thursday. Masonic Lodge meets. Aug. 1, Thursday. American Legion meeting.

Aug. 2, Friday. County-wide picnic sponsored by H. D. clubs. Aug. 8, Thurs. Masonic Lodge.

Aug. 13, Tuesday. Annual meeting of Southwest Texas Electric Co-Op, Inc.

LOCAL WOMEN HONORED WITH GOING-AWAY COFFEE

Mrs. Edwin Jackson, assisted by Mrs. Bascom Hartgraves, honored three Eldorado women, Mrs. Payne Robinson, Mrs. W. T. Whitea and Mrs. V. G. Tisdale with a going-away coffee at her home Wednesday morning. Guests were members of the Garden Club, Mrs. Buster Gunn and Mrs. T. R. Spence.

Mrs. Hartgraves served Brazilian coffee from a silver coffee service to the 16 ladies present. The table was covered with a white linen cloth and centered with an arrangement of red carnations.

The honorees were presented gifts of soap in lovely pastel colors. The women will leave San Angelo Sunday morning and fly to Dallas, where they will meet other members of the Certified Tour, then take a jet for New York, and arrive in Holland the next day. They will tour 11 countries and will be gone about six weeks.

TO TEACH INDIANS

Mr. and Mrs. Sidney Mercer and two children from the college at Nacogdoches visited Mr. Mercer's grandmother, Mrs. Jack Halbert and Mr. Halbert last week en route to New Mexico where they will teach Indians at a government school on a reservation near Gallup. Mr. Mercer teaches science and agriculture and Mrs. Mercer teaches 5th grade.

Two other grandsons joined their brother at Mrs. Halbert's, Richard and Jimmy Mercer of San Angelo. The group visited another grandson and wife, Mr. and Mrs. Arnold Gene Clark at Sonora, one night while they were here.

Mrs. W. T. Whitten received a card from Mrs. Mary Helen Tisdale Hughes of Mertzon, formerly of Eldorado, post-marked Kyoto, Japan, and Bob McWhorter received one from her from Tokyo. Mrs. Hughes is on a tour of the Orient with Porter Randall, the news analyst.

FAMILY REUNION TO BE HELD

Descendants and friends of the family of the late Mr. and Mrs. John Doyal, Mason county pioneers, will meet at the Christoval park next Saturday and Sunday for the annual Doyal family reunion.

Recent visitors in the home of Mr. and Mrs. Skeet Griffin have included Mr. and Mrs. James Bracken and daughters of Norwalk, Cal., who were here for 10 days; Mr. and Mrs. James A. Griffin of Hobbs, New Mexico; and the two children of David Dewey Griffin, who are still here. It was the first time for all the family to be together in several years.

Mias Amigas Club Meets

The old school bell that called so many young people to classes back in the early days of Eldorado, rang once again last Thursday morning and called some 50 or more of the same people, though not quite so young, together once again. It was the opening of the 33rd annual Mias Amigas Club meeting.

This club consists of students from the Eldorado schools from the time of the first schools thru the 1919 graduates, and their friends. The dues are \$1 per member per year, never having been raised since the club was first organized in the early 1930's. The dues go to pay the club expenses and to buy books which are given in memory of deceased members, to the local library.

During the business meeting correspondence was read from members who were unable to attend. Mrs. Hoover presented the club with a gavel to be used in future business meetings that was made by her niece, Miss Nell Campbell.

A luncheon was served at the Memorial Building by Mrs. Lester Henderson, and a sandwich supper at 7:00 p.m., after which the program was presented, led by Mrs. J. W. Walker of Plainview.

During the coffee at Mrs. Ed Hill's on Friday morning officers for next year were elected. They are: Mrs. Miltia Hill, president; Dr. and Mrs. C. T. Womack of San Angelo, 1st vice presidents; Mrs. Ed Hill, 2nd v. pres.; Mrs. J. B. Montgomery, 3rd v. pres.; Miss Ruth Baker, sec.-treas.; and Mrs. J. L. Neill, historian.

Those from out of town attending the meeting were: Mrs. W. D. Terpenning of Eugene, Oregon; Mrs. O. R. Burden of Wichita Falls; Mrs. Ruby Fowler, El Paso; Mrs. John J. Robertson, Shawnee, Okla.; Mr. and Mrs. J. W. Walker, Plainview; Mr. and Mrs. H. W. Smith, Austin; Mr. and Mrs. J. A. Nixon, Fort Worth; Mr. and Mrs. Henry Todd, Abilene; Dr. and Mrs. C. T. Womack, Mrs. Mae Williams, Mrs. Lucy Williams, and Mrs. R. O. Smith all of San Angelo; Mr. and Mrs. T. J. Bailey, Mrs. Stephen Perner, of Ozona; and Mr. and Mrs. L. McFall of Mertzon.

The above mentioned school bell was erected on the courthouse lawn in 1940 and bears the inscription, Erected 1940 by the Mias Amigas Club to Commemorate the Spirit of their School Days.

Mr. and Mrs. W. B. Terpenning of Eugene, Oregon, and Mrs. O. R. Burden of Wichita Falls, left last week end after visiting the women's mother, Mrs. T. W. Johnson, and attending the Mias Amigas meeting. They left for Mrs. Burden's home in Wichita Falls and took Mrs. Johnson with them. The Terpennings will return to their home the latter part of this week.

Mrs. Bernice Turner of Brownwood and Mrs. Jessie Rotto of Odessa visited in Eldorado last week in the home of their niece, Mrs. Leonard Wilson, and also with their brother, Whit Smith. Mr. Smith accompanied his sisters to Brady where they expected to visit through the 4th in the home of Mrs. Lilly Smith.

The Rodney Hammonds have sold their house north of the school to Paul Phillips. The Hammond family are moving to Iowa where he will have new assignment with Northern Natural Gas Co. Mrs. Hammond was honored with a coffee Monday morning by several of her friends.

Mary Leigh Tisdale, who is attending San Angelo College this summer, was home for the week end visiting her parents, Mr. and Mrs. Albert Tisdale.

Misses Terry Phelps and Deanne Hext were in Ballinger last week end to attend the Ballinger Rodeo and to visit a friend, Miss Ginger Newby.

Mrs. Otto Sauer and Mr. and Mrs. Milton Fought were in Roby over the week end where they visited the Bernard Williams family.

Large, Heavy Manila Envelopes with metal clasp. Size 6 1/2 x 9 1/2 each 5c. Size 8 3/4 x 11 1/2 each 5c. Size 9 1/2 x 12 1/2 each 5c. Size 10 x 15 each 10c - for long legal papers. Success Office

CASH IN ADVANCE Please... Don't phone your want ads to the Success office... Our charge for the average little ad is only 50c, and with the increase in postage rates, we can't afford to keep books on 50-cent items and mail out bills. Please bring your little ads (including cards of thanks, \$1.00) to the office and pay for them cash in advance. Exceptions: If your husband is an advertiser and the item can be charged to his advertising account... Or if you are a shut-in and too feeble to come to town.

One of a series of reports by this newspaper and the Print Advertising Association on the advantages of print media.

Don't you read before you buy? Most people generally do. Not only do they read; they cut out and show ads to their family and friends; they clip coupons for information and samples. When people see an advertisement in print, they can compare designs... features... and prices of nationally known products and services. (And people do compare before they buy.) Advertising in print is a handy thing. You can always check back; the message is still there even if your attention is distracted. When you add it up, print advertising—the kind you read in this newspaper—makes sense. And because it measures up to the buying habits of most consumers, print makes sales.

Eldorado Success

TEXAS PRESS ASSOCIATION Member 1963

### Livestockmen Enjoy Year Nearly Free Of Screwworms

Schleicher County livestock men can be proud of their contributing to the screwworm fund. Contributions totaled \$30,944.46 with 93.8% of 263 individuals owning livestock in the county paying at the rate prescribed, 50 cents per head for cattle, horses, swine and deer and 10 cents per head for mature sheep and goats.

The total producer fund for the state raising better than \$3 million was unprecedented in an attempt of producers helping themselves. The totals were:

|                      |                |
|----------------------|----------------|
| Texas                | \$2,916,598.37 |
| Oklahoma             | 24,090.60      |
| New Mexico           | 33,541.45      |
| Louisiana            | 38,751.26      |
| California sportsmen | 500.00         |
| Total                | \$3,013,481.03 |

To date only nine screwworm cases have shown up in the county for 1963. No cases have been reported and marked since June 15th. All outbreaks were marked and sterile flies released at the rate of 650 sterile male flies per section in a five-mile radius in three separate drops.

In order to continue this special treatment, any new cases must be reported at once to limit spread of the pest. In addition, livestock producers can make the program more effective through use of preventive sprays and wound treatments.

The economics of screwworm eradication means this to producers of the county—annually: Savings in death loss—\$80,000 Savings in 50% of total labor for 7 months of year, medicine, equipment and man hours—\$155,000 Total annually—\$235,000

The hidden asset being 110,000 man hours whether hired or done by the producer in doing other useful work on the ranch by a labor force of 263 men. Then too, the peace of mind and breeding for fluxation in markets will add to family income many additional dollars.

You cannot afford the luxury of being independent of not reporting screwworm cases.

### Family Reunion

A family reunion and get-together was held at Christoval Sunday honoring Vernon Hazelwood on his birthday.

Present were Mr. and Mrs. J. C. Whiteley, Mr. and Mrs. Vernon Carroll, Mr. and Mrs. Laman Hazelwood and Mr. and Mrs. Vernon Hazelwood, of Eldorado; Mr. and Mrs. Jack Whiteley of Brady, Mr. and Mrs. Edward Whiteley and Paula and Ken of Brady; Mr. and Mrs. Tom Carroll of Ozona; Mr. and Mrs. Johnny Aubrey and Tammy N. of Highlands, Calif.; Herman Carroll of Lubbock; Mr. and Mrs. Lilburn Hazelwood and Lonny, Danny and Mary of Fairfax Virginia; Mr. and Mrs. Sam Granberry and Cindy of San Antonio. Also Tom and Vernon Carroll's sister and brother Mrs. Red Hammons and boys of Fort Worth and Jessie Carroll of Fort Worth. And the following friends: Lloyd Payne of Alpine, Arlene Harris of Alpine and Lee Rhuebottom of San Angelo.

### PARTY TUESDAY

Summer piano students of Mrs. R. Q. Harris were entertained at her home with a swimming party and weiner roast Tuesday afternoon. Showers, which at first threatened the fate of the outing, merely served to heighten spirits and prevent sunbeams.

Those assisting Mrs. Harris were her mother and sister, Mrs. Ethel Wright and Miss Charlotte Wright of Midland, a friend Mrs. Bobbie Young of Fort Worth, daughter Mrs. John Mittel, Sonora, and Mmes. Wilson Page, W. R. Davidson, and Leo Prater of Eldorado.

Jack Montgomery reports that the swimming pool is open today, July 4th. The pool was closed yesterday, Wednesday the 3rd.

### Miss McGregor Bride Of Robert C. Maier

Before her marriage Saturday evening in St. Mary's Episcopal church here in Eldorado, Mrs. Robert Chris Maier was Miss Julia Ann McGregor. The Rev. Lea Roy Aldwell, rector, performed the ceremony.

The bride is the daughter of Mr. and Mrs. Walter Scott McGregor Jr., of Eldorado, and parents of the bridegroom are Mr. and Mrs. William Bryan Maier of Houston.

The bride was attended by Miss Carol Brown of Arlington, maid of honor, with Miss Shirley Rogers of Houston, Mrs. R. S. Runge of Mineral Wells and Miss Judy Hext as bridesmaids.

William B. Maier II of Chicago served his brother as best man. Groomsmen were Wayne Witt of Sweetwater, John McGregor, brother of the bride, and Nick Soter of Dallas.

Steve Senevey of Fort Worth and Robert H. Turner of Marlin served as ushers, with Scott McGregor, brother of the bride, as acolyte. Mrs. James Page presented nuptial organ music.

The bride wore an original gown of pure silk organza over peau de soi fashioned with a scooped neckline. The moulded bodice was designed with short sleeves and was trimmed with re-embroidered Alencon lace and seed pearls. The skirt was bell-shaped and trimmed with lace and pearl appliques. The back was fashioned with a bouffant bow and a single large self-fabric rose above the chape-length train.

Her headdress was a small pill-box of peau de soie and organza with two fabric roses above a tiered bouffant veil of silk illusion. Her jewelry included an heirloom diamond brooch, worn by her paternal grandmother in her wedding, and a necklace with a heart-diamond encased in a white gold heart, gift of the bridegroom.

Escorted by her father, the bride carried a bouquet of white butterfly roses and Frenched white carnations centered on a white Japette orchid. The arrangement was trimmed with lilies-of-the-valley and miniature pearls and streamers and carried on a white Bible, belonging to Miss Peggy Hill.

The wedding reception was held at Schleicher County Memorial Building. Members of the house-party included Mrs. Carrol White, Mrs. Robert Page, Mrs. Leslie Baker and Mrs. Joe Kreklow, all of Eldorado, Mrs. Sam Ray of San Angelo and Mrs. J. C. Appleman of Menard. Jennie Sue Martin, Peggy Hill, atti Page and Jeannie McCravey were in charge of the rice bags. Joe Kreklow, pianist, presented musical selections during the event.

A graduate of Eldorado High School, the bride was a member of the National Honor Society and girls basketball team. She attended Trinity University at San Antonio, Texas Christian University at Fort Worth and will attend Southern Methodist University.

Following his graduation from Seminole High School in Seminole, Okla., the bridegroom was a student at the University of Oklahoma in Norman, where he was a member of Sigma Phi Epsilon social fraternity. Presently he is affiliated with Phi Chi medical fraternity at SMS in Dallas.

Following a wedding trip, the couple will be at home in Dallas where the bridegroom is a student at Southwestern Medical School.

### Out-Of-Town Guests

Mr. and Mrs. William Bryan Maier, parents of the groom, Houston; Mr. and Mrs. William Bryan Maier II, brother and sister-in-law of the groom, from Chicago, Ill.; Mr. and Mrs. David Edger, Tulsa, Okla.; Mr. and Mrs. Lester Phillips, Mr. and Mrs. Fred Rogers and Mr. and Mrs. Jack Myers, all of Midland;

Mrs. Patricia Elliott, aunt of the bride, and daughter Lynn Ann, of Temple; Mrs. Hexie Potter and Mrs. Waldemar Striegler, Eden; Lt. and Mrs. Richard Runge, Mineral Wells; Mr. and Mrs. Sam Ray, Mrs. Herbert Yancy, Mr. and Mrs. Harry Ridling, Mr. and Mrs. George Smith, and Mr. and Mrs. A.

A. Bizet, San Angelo; Mr. and Mrs. Sam Fitzhugh and children, Rankin; Mrs. Joe Freeman, Fort McKavett; Mrs. Ogden Wilson, San Antonio; Mrs. Milton Barnett, Big Spring; Jim and Susan Lindsey, Waxahachie, formerly of Eldorado;

Mr. and Mrs. Charles Clark, San Angelo; Mrs. Louis Tisdale, Sr., Menard; Mr. and Mrs. Bobby Helmers, Christoval.

Guests in the home of Mr. and Mrs. Walter McGregor were Miss Carol Brown of Arlington & Shirley Rogers of Houston.

### FIRST BAPTIST CIRCLES

The W.M.U. met in circles in various homes this week, each circle presenting the program on Leadership Training, from the Royal Service Magazine.

The Kuykendall circle met with Mrs. E. H. Dannheim with five members and one guest, Mrs. Ruth Davis, W.M.U. president, present. They were served brownies and tea during the social hour following the program.

The Van Dusen circle met in the home of Mrs. W. N. Ramsay with 9 members present and were served iced drinks and cookies by the hostess.

The Montgomery circle met on Monday morning at 9:00 with Mrs. S. D. Maxfield and were served cookies and coffee or orange juice. They had nine members and two guests, Mrs. Riley Alexander of Fort Stockton and Mrs. Ruth Williams.

The Barnett circle met Tuesday afternoon with Mrs. Raymond Hall with 7 members and one guest, Mrs. Guy Whitaker, present.

### VISITORS IN VAN O'HARROW HOME

Mrs. M. E. Wooten of Clarksville, Tennessee, is visiting in the home of her parents, Mr. and Mrs. Van O'Harrow and will be here through Sunday. Expected here today are her daughter and family Sgt. and Mrs. Samuel Rountree and Robin also of Clarksville, as well as Mr. and Mrs. Jerry Wooten and Van of Dallas.

### Home Demonstration Agent's Column

By MRS. VIDA KREKLOW

During June the subject under discussion for Home Demonstration clubs was vital even though not very glamorous—the family laundry.

And, even though it might be hard to believe, homemakers are tremendously interested, because this washing business is here to stay and goes on every week.

We found out these things: water over 10 grains hardness is considered hard, but average. Our city water is about 14 grains.

Wells over the county vary from 14 to 30 grains. The instructions today are to wash by a "recipe."

Try this for city water. To 10 gallons water, use 1/4 cup high-sudsing detergent.

To 10 gallons water use 3/4 cup all purpose, low sudsing detergent.

Too much unrinsed detergent causes harsh, stiff fabrics.

To strip clothes, which means to remove the accumulated detergents, use 3/4 cup Calgon and wash clothes as usual. Do NOT use any detergent with the Calgon.

Clothes will be whitened a great deal by stripping and once every six weeks is enough.

The electric blankets we washed came out very nicely.

Do you need a copy of the instructions for washing your electric or other type blanket? I have plenty of the mimeographed copies left from our demonstrations; call 22592 for your copy.

Fixing a picnic lunch may be a picnic but fixing a working lunch every day is hardly a picnic to most people.

To help out I'm giving some sample menus with foods which would go well with the main sandwich.

1. Luncheon meat sandwiches (send along)  
Mustard  
Catsup  
Potato Chips  
Dill Pickles  
Fresh fruit  
Oatmeal cookies  
Tea or coffee.

2. Peanut butter-jelly sandwiches on buns—(send along)  
Carrot sticks—celery sticks  
Gingerbread  
Milk or coffee.

3. Cheese-spread pickle sandwich — (send along)  
hard-cooked egg  
corn chips  
apple sauce (small can opened with lunch)  
nutmeg cake squares  
milk or coffee.

4. Sliced egg with crisp bacon bits sandwiches (send along)  
lettuce and salad dressing to be added to sandwich when ready to eat.  
sweet pickles  
shoe string potato sticks  
orange  
brownies  
milk, tea or coffee.

5. Extra trick—mentally put yourself in the place of the lunch carrier and then ask yourself this question, "How would I like to open up this lunch and eat it?" Your honest answer will help a great deal.

Summer and cookies go together and like each other they have a tendency to disappear very fast. Make up a recipe of this "on the spot" cookie dough, refrigerate it and if you like it then make some more.

**All Kinds Cookie**  
2 cups butter or margarine  
2 cups sugar  
1 cup brown sugar  
4 eggs  
6 1/2 cups flour  
1 tablespoon cream of tartar.  
2 teaspoons baking soda  
1/4 cup milk.

Cream butter and sugars together until smooth and fluffy. Stir in unbeaten eggs, one at a time. Sift dry ingredients together. Add to the creamed mixture, alternately with the milk. Mix thoroughly.

Store (unfavored) dough, tightly covered, in refrigerator. Makes 8 cups dough. Keeps for 6 weeks. Bake as needed on greased bak-

ing sheets in moderate oven (375 F.) from 10 to 15 minutes.

How to vary the dough:  
Chocolate: Knead into the cookie dough: 1 tablespoon cocoa and 1/3 cup chocolate bits. Shape into round balls. Bake.

Coconut: Knead into 1 cup cookie dough 1 cup flaked coconut and 1/4 teaspoon almond extract. Shape into balls, place on greased cookie sheet, flatten with spatula. Place cherry half on top and bake.

Orange: Stir into one cup cookie dough 1/4 cup orange juice, 1/4 cup sugar and 1 tablespoon orange rind. Bake as drop cookies. Makes 24.

Banana: Stir into 1 cup cookie dough 1/4 cup mashed banana, 1/2 teaspoon grated lemon rind, and 1/4 teaspoon lemon juice. Drop one teaspoon at a time into finely rolled cornflakes. Coat by gently turning with a spoon—the dough will be very soft. Bake on a greased baking sheet. Watch very carefully; these scorch very easily. Makes 24 cookies.

I said these cookies would keep for six weeks and maybe they will if you don't have any little (or big) cookie eaters.

Allan Perry, 13, son of Mr. and Mrs. W. A. Perry Jr., is spending this week with his uncle and aunt, Mr. and Mrs. Arch Mittel.

Norton Cheek of San Antonio visited his mother, Mrs. B. K. Cheek, who is convalescing here at home, and other relatives last week.

Mr. and Mrs. J. Riley Alexander, former Schleicher county residents, now of Fort Stockton, are visiting Mrs. Ruth C. Williams and other friends here this week. They and Mrs. J. B. Montgomery and Mrs. Ed Finnigan toured the Sonora caverns.

Mrs. Ruby Dameron and daughter, Mrs. George S. Robinson and children, Janell and Edward, are vacationing and visiting Mr. and Mrs. Gray Blackman in Victoria. Mrs. Blackman is Mrs. Dameron's sister.

Mrs. J. B. Montgomery had two sisters-in-law from Eden as guests last week. They were Mrs. L. T. Cave and Mrs. M. W. Jones.

Lawrence O. Bell is a new employee at the Northern Natural Gas Co. compressor plant. He has rented the Raymond Hall house.

Mr. and Mrs. M. E. Carothers and baby son of Abilene visited here earlier this week with her parents, Mr. and Mrs. Ray Boyer and Danny.

J. R. Bruton has moved from 2002 St. Mary to 3111 Oxford in San Angelo.

Mrs. W. T. Parker and daughter, Ruth, returned Sunday from Austin where they spent three days with Mary Parker.

Mr. and Mrs. J. W. Walker of Plainview spent four days in Eldorado attending the Mias Amigas meeting and visiting Mrs. Walker's brother and wife, Mr. and Mrs. E. C. Hill, and friends. They attended services at the First Baptist church Sunday.

Mr. and Mrs. T. R. Spence are expecting their daughter-in-law, Mrs. D. W. Spence and children, Tom, Karl, Alan and Laura, of Houston, next Tuesday. Mrs. Spence will leave the children to visit the grandparents for several weeks.

Mrs. L. D. Ochsner and Mrs. Ethel Etheredge visited their sons and families George Ochsner, John Ochsner and S. E. Etheredge, in Midland last week end.

# The Eldorado Success

# Local Men Restore Antique Automobiles

Joining the parade, literally, with other antique automobile fanciers recently were E. H. Topliffe and Bernard Carr, who are members of the Antique Automobile Club of San Angelo.

Carr and Topliffe joined an outing with the club members recently in San Angelo and rode in a parade through downtown streets in Topliffe's 1917 Maxwell, which was put into running shape a while back. They report that traffic stopped while the caravan of vintage vehicles went through.

Carr, who serves as postmaster here and works on antique cars in his spare time, recently acquired his 1928 Buick sedan from the A. E. Locke Estate Ranch in this county. The vehicle had been out in the open weather for a number of years, and extensive work lies ahead in restoring it to running order.

Currently, Carr has the car dismantled in his back yard in northeastern Eldorado and is building a garage to which he will move the Buick to work on.

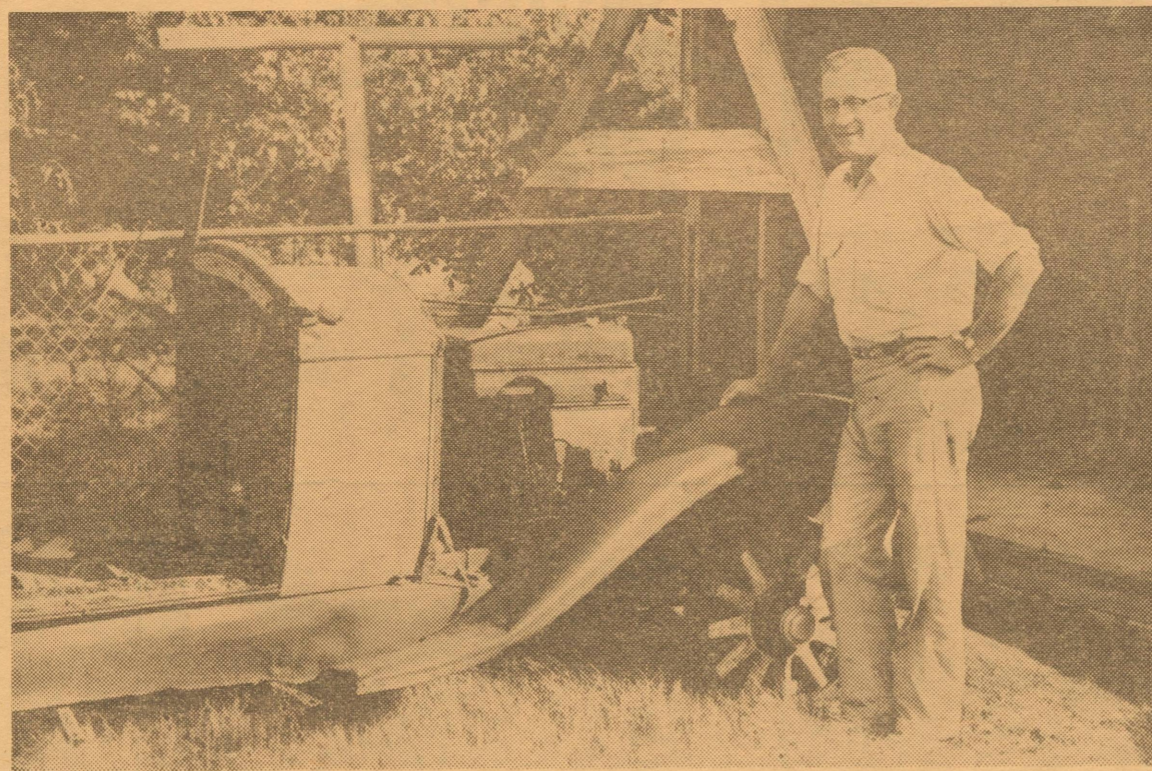

The vehicle has a 4-cylinder engine, a "vacuum" instead of a fuel pump, braces on the oversized radiator, and a step-on button for the starter. The body panels have been removed and laid aside for the initial steps of restoration.

The chassis was built mainly of hardwood, which has long since weathered away. Rebuilding the wooden chassis will be a major project, according to Carr. The body panels were originally mounted with nails but he plans to remount them with screws to form a tighter body.

Carr has even located a leather trunk unit which will be mounted on the rear of the Buick to provide an authentic touch.

"It may all take two or three years," Postmaster Carr said.

Henderson-Ede Company in San Angelo was the Buick dealer for this area in 1928, so presumably

POSTMASTER BERNARD CARR is shown with his 1928 Buick automobile which he plans to restore in the future as he has the time.

the car was bought there. The Henderson-Ede firm's showrooms were located beside the St. Angelus hotel.

Topliffe's '17 Maxwell has been a familiar sight in parades and outings in this area for the past year or so. Presently, he is working on the 1910 Buick which the Antique Auto Club bought a while back from the estate of the late Mrs. E. K. Fawcett of Del Rio. Top is doing extensive work on the engine and other club members will restore the genuine leather upholstery and the body.

Parked in Topliffe's yard is a 1928 Chevrolet which he bought from a ranch below Sonora some

time ago. He plans to restore it when he can get to it.

Jimmy Wayne Harris has a '27 Model T Ford truck in running order.

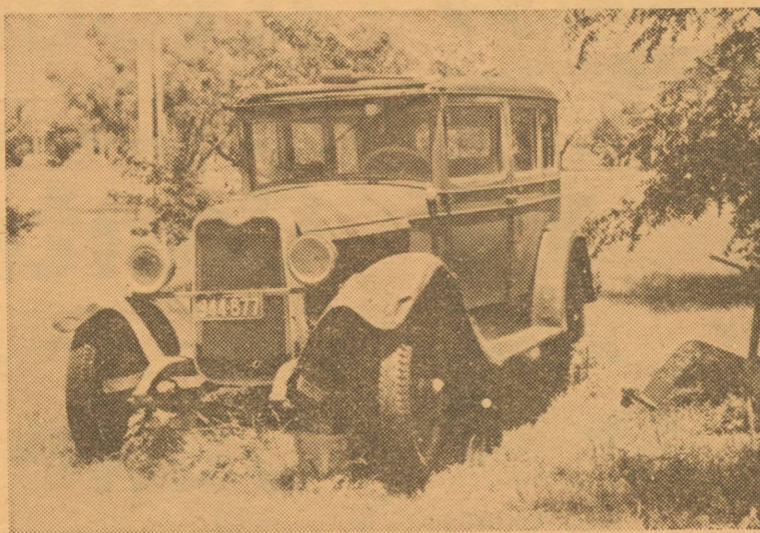

Procuring of needed replacement parts is a major problem encountered by restorers who work with such old vehicles. Not even wrecking yards have many such parts. Club members trade with each other and keep one another informed of "finds" of long-stored cars and parts.

Mail order houses still handle some Model-T Ford parts, but less common vehicles present more of a problem. Tire manufacturers now turn out a few of the obsolete size tires each year for the vintage

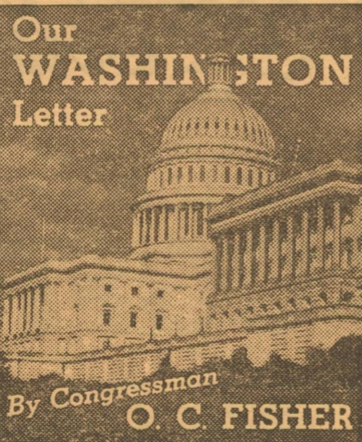

vehicles.

Carr and Topliffe report that the restoring of the vehicles is a fascinating hobby and the meetings of the club provide a means for members to get together and swap parts and information; meetings usually include a picnic dinner.

Bernard Carr recently received a notice of a regional "Grand Ole Tour" of West Texas Antique Auto Clubs, to be held early in August in Lubbock. Antique auto buffs from four regions will drive to Lubbock for about three days of parades, dinners, gatherings, etc., and they will wear vintage costumes to go with their period vehicles. A number from the San Angelo club plan to attend.

AWAITING RESTORATION is this 1928 Chevrolet at E. H. Topliffe's here in Eldorado.

Christmas Spirit in Eldorado, from the Dec. 29, 1963, El Dorado Paper, R. L. Carothers, editor and publisher:

### The Pound Party

Invitations were extended Monday to a large number of our citizens, of the younger set to attend a "round Party" at the residence of Mr. and Mrs. J. W. Alexander on Tuesday night.

We were somewhat jubious at first, as we were afraid we might get "ponded up" but on being assured that no bodily injury was likely we ventured out, arming ourselves with a pound cake (of soap). On arrival we found quite a number present. We presented ourselves and were requested to register our names and what we had bought. (Here we were into it again until we read the entry ahead—it was cake, so we signed up and entered "cake" after our name. Then Miss Emma asked for the cake and then we had to produce our cake—of soap).

After the guests had all arrived their pounds were placed on the table in the dining room and all invited in to partake of the lunch provided. After partaking of the dainties, all enjoyed the various games and music until a late hour, when, after bidding our hostess many pleasant returns, we departed for our homes.

Among those present and the lbs. they brought were:

W. N. Cozzens, crackers; Jud Jones, crackers and blackberries; J. E. Cozzens, cheese; Jennie Murphy, jelly cake; Ed Douglas, pecans; Myrtle Smith, caramel cake; Susie Cantrell, peaches; Cecil Elder, peaches; Pat Elder, crackers; Ed Cozzens, fruit; Mattie Bailey, strawberries; Beulah Sautler, cake; Leetie Anderson, orange cake; Lottie Hill, jelly cake; Lee, Mittie and Tommie Fields, caramel cake; R. L. Carothers, "cake"; Stella Bird, pineapple cake; Joab Campbell, spuds; Madie Bird, pineapple cake; Albert Wright, corn beef; Archie Wright, beans; Steve Wright, a new face; Scottie and Roxie Ingram, jelly cake; V. G. Tisdale, almonds; Maud Cozzens, orange and coconut cake; Lucretia McCleary, jelly cake; Bessie Holland; Joseph Elder, 1 lb. nothing; Edgar Bird, blackberries.

Outlook for mohair continues to be favorable. There has been a sharp rise in both export and domestic sales, with more mohair being used in bulky type fabrics.

After the price drop in 1962, mohair bounced back with demand picking up steadily after September of 1962. In addition to foreign demand, the U. S. knit trade became interested, and large quantities of mohair were purchased for that use.

Fashion often determines mohair demand, and the growers are reaping benefits from that fact at this time. A trend toward bulky, shaggy type fabrics in women's clothing has stirred demand for mohair in brushed and looped-yarn type fabrics. Indications are this trend will gain momentum during the next year.

A recent survey indicated that mohair and wool-mohair blend sweaters were leading in fall buying preferences among retailers throughout the country. Mohair is also in demand for tropical and summer suits, both in the U. S. and abroad. There has been a steady increase in summer suits that use mohair.

Mohair production in Texas is keeping pace with the increased demand; production in 1962 was more than double than what it was ten years ago. Last year it amounted to 26.4 million pounds compared to 11.7 million pounds in 1952.

All in all, a survey of the demand picture in the mohair world is reason for encouragement among the mohair producers of Tex.

**the NEW AERMOTOR SUBMERSIBLE PUMP**

- Stronger Than Ever
- Quieter Than Ever
- More Gallons Per Dollar Than Ever

It's as up-to-date as tomorrow's newspaper. Aermotor's new Model "S" Submersible handles deep wells down to 600 feet. Its maximum capacity now ranges to 1900 gallons of water per hour. With new pump parts molded from the miracle plastics of DuPont and Borg-Warner, these 18 models are now running ahead of comparable brass pumps when it comes to lighter weight, quieter operation and economical performance. Fully automatic operation. You sit back and relax. Pump never loses prime, never freezes, never needs oiling. Easy to install on 4-inch diameter and larger wells. Come in and ask us about the new Aermotor sub today...

## REMEMBER WHEN ?

The "Fourth" meant driving at the break neck speed of 25 miles an hour to all-day picnics complete with band concerts and partiotic addresses? And by night-fall young and old had their share of skinned knees and sore muscles and most important . . . had renewed their humble pride and deep gratitude for being an "American."

We firmly believe that on July 4, 1963, when in the judgment of many, our Nation is in its greatest hour of peril, ALL Americans have responsibility to "Stand up and be counted."

This July 4 Americans everywhere can demonstrate their concern for their Nation's well-being and their deep devotion to it by serious discussion with families and friends of our Nation's history and heritage, and by flying Old Glory.

We Are Closed All This Week For Vacation and Will Be Open Again Monday morning, July 8, To Serve You
