THURSDAY, JULY 31, 1958

NUMBER 31

## Light Turn-Out Features Vote Here

### BOTH COMMISSIONER RACES INTO RUN-OFF AS McCORMACK WINS IN TREASURER RACE

About 820 Schleicher county voters went to the polls Saturday and went along with the rest of the state in naming Price Daniel as governor, Ben Ramsey lieutenant governor, and Yarborough senator, in the first Democratic Primary.

In local contests, both commissioner races were put into the runoff Primary in August, while A. G. (Mack) McCormack defeated Mrs. Mabel Parker for county treasurer.

McCormack's 536 votes compared with a total of 277 for Mrs. Parker.

In the Commissioner's race in Precinct 2, Grat Edmiston led with 47 votes, followed by 44 for Sam H. Henderson, and 42 for Orland Harris. Thus Edmiston and Henderson will be in the runoff next month.

In the four-way commissioner's race in Precinct 4, Leonard Lloyd and Thomas Baker led the field with 41 and 36 votes respectively, and will also be in the runoff. Chan Whitten received 33 votes, and Jack Wade 12.

Jerry Shurley of Sutton county received 517 votes, to Joe Burkett's 218, to carry Schleicher county. Mr. Burkett, however, won the race in the 10-county 78th state representative district. The district takes in the counties between Schleicher and Kerr.

A number of lucky candidates on both the state and local levels were unopposed in this year's Primary.

A breakdown by boxes in some of the more interesting races is as follows:

FOR GOVERNOR	
	O'Dan.
1. Mem. Bldg.	251

### New House Is Started For Carroll Ratliff

Workmen were laying out foundation this week for a new three-bedroom brick home in the Sunset Acres addition for Carroll Ratliff.

Ratliff's residence will be the first to be built in the addition since Howard Derrick and Paul Page erected their own homes there some time back. Ratliff's location is beside Page's, and his contractor is Charles M. Adams of San Angelo.

The Sunset Acres addition is located on the Mertzon highway in northwestern Eldorado and is a restricted building development.

Other building projects on: Work continued on Joe Dossett's moved in house on the Menard highway.

Fred Watson's house was moved in yesterday from the Rancho camp south of town, and workmen are fitting it onto its new foundation on the lot in the Finnigan addition.

Remodeling is under way on W. G. Godwin's house, with a room being added, the kitchen remodeled, and new sewer connections being made.

## New Postal Rates Start at 4:30 This Afternoon

At 4:30 this afternoon, the 3c letter will go the way of the 5c cup of coffee and the penny post card, when the new postal rates will go into effect in the Eldorado post office. Letters may be mailed with the old rate of postage up until the 4:30 closing time.

The new postal rates take effect here today at 4:30. Postmaster Bernard Carr emphasized, and letters and cards mailed after that time must have the new amount of postage affixed.

Although changes in postal rates are taking place in nearly all classes of mail, it is the new rate for letters and cards which affects most postal patrons. These are:

First Class Mail—Letters  
Sent locally, to Eldorado box...3c

Sent locally, star or rural route...4c  
Out of town, U.S. & possessions...4c  
Sent to Mexico and Canada...4c

Postal Cards  
Mailed locally or out of town...3c

Air Mail Rates  
New letter rate...7c  
Air Mail postal cards...5c

Odd sizes and shapes of Third Class mail will carry a minimum rate of 6c. This includes rolls of film.

Unsealed Christmas cards will carry 3c, while sealed ones will have the new First Class rate of 4c.

This is the first major change in postal rates since 1932, when the First Class letter rate went from 2c to 3c.

### THANKS

I would like to take this means to thank all of you who supported me in the Democratic Primary last Saturday. When I assume the duties of this office I shall strive to maintain it to the high standard of efficiency to which it has been accustomed in the past.  
Your continued support and the good will of all will be greatly appreciated.  
Thank you so much.  
—A. G. (Mack) McCormack

Complete vote totals for all the races on the Schleicher County ballot may be found on page 5.

### Odd Run-Off Primary Is Seen For August 23rd

A peculiar run-off election seems to be scheduled for Schleicher county on Saturday, Aug. 23.

Voters in the big box—Precinct No. 1—will sit with their hands folded, and watch the commissioner's races in Precincts 2 and 4.

The only state-wide race that will call for a county-wide vote is that of Robert Hamilton of Midland who will be pitted against Edwin Smith of Houston for the Supreme Court, Place 1 position.

Only a skeleton crew will be necessary at the Memorial Building to hold such a run-off, and very few people will take the trouble to vote, if run-off primaries from other years give any indication.

Ballots will be printed this week end for all of the county boxes, and absentee voting will be permitted starting Monday, August 4.

County Clerk Enoch reminds voters that request for absentee ballot in first primary, does not serve as a request in the run-off. You've got to ask all over again.

### PREPARATIONS FOR JR-RODEO BEING PUSHED THIS WEEK

Members of the Eldorado Riding Club and the 4-H Club are busy these days making preparations for the coming All-Junior Rodeo which will be held here Friday and Saturday, August 8 and 9.

New chutes, gates and other facilities are being built this week, while advertising cards and circulars are being distributed to all towns in this area.

A large crowd is expected and the promoters are highly pleased with the co-operation which Eldorado business houses are showing toward the event.

### Post Script

Chamber of Commerce Manager C. H. Wright reports that out of 631 questionnaires mailed out a week ago, a total of 134 had been returned as of yesterday morning, and he urged all others to fill out the form and mail it in.

The purpose of the survey, Mr. Wright explains, is to invite criticism in order that Eldorado merchants may improve their service. The answers will be tabulated and some of the conclusions will be printed from time to time.

The reports are on file at the C. of C office and are available to C. C. members. Some of them make interesting reading.

In line with the Chamber of Commerce questionnaires, we received an unsolicited comment from a rancher on the street the other day.

He said that he had been in the market for about \$500 worth of building supplies and was in Angelo and got prices from four different concerns. One was considerably lower than the rest, but before placing the order he came back to Eldorado and got prices here—was quoted a price that was lower than the lowest at S. A.

### MRS. MABEL PARKER

thinks those who voted for her in the last election and in the years past and deeply appreciates your friendship and goodwill.

### County Dem. Convention Is Coming Up Saturday

The County Democratic Convention will be held this Saturday, August 2nd, at 2:00 p. m., in the district courtroom. The convention will be opened by Edwin Jackson, County Democratic chairman.

Delegates were elected at the precinct conventions the day of the Primary. Delegates who will attend Saturday from the various precincts are:

No. 1: Sam E. Jones, Sr., Ed Meador, W. A. Menees, Howard Derrick, Don McCormick, Fred Watson, Walter Ramsay, O. H. Woodward, Charles Hubbard, Tom Ratliff, Clifford Schooley, Ben Hext, Dick Bearce, B. F. Hartgraves, Mrs. Eldon Calk, and S. E. Jones Jr. Alternate delegates are Eldon Calk, Mrs. Walter Ramsay and Mrs. Ben Hext.

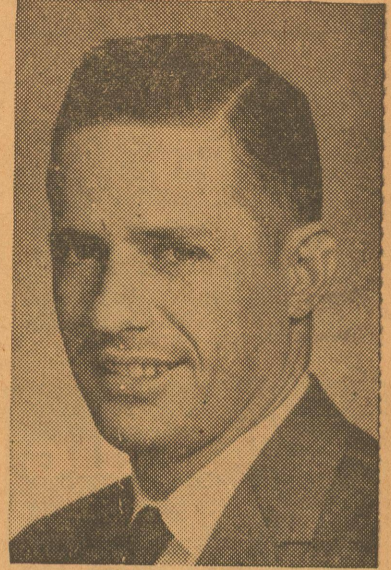

No. 2a: Gene McCalla.  
No. 2b: John I. King.  
No. 3a: Frank (Pancho) Bradley  
No. 3b: None.  
No. 4a: Jimmy West and Oran Enoch.

No. 4b: Jene Moore.  
Mr. and Mrs. W. E. West of West Palm Beach, Florida, have been here visiting Mrs. Rex McCormick and other relatives.

### Only 108 Votes Difference In District Race

JOE BURKETT  
Re-elected Representative

JERRY SHURLEY  
Strong Contender

By a close margin of 108 votes, Joe Burkett of Kerrville was re-elected as representative to the State Legislature of the 78th District, in last Saturday's Democratic Primary.

His opponent was Jerry Shurley of Sonora, who ran up a total of 4847 votes in the 10-county district, compared to 4955 for Burkett.

Shurley carried the counties of Schleicher, Crockett, Edwards, Sutton, by substantial margins, and Menard and Mason counties by narrow margins.  
Burkett drew a lot of support

from populous Kerr county, as well as Kimble, Bandera, and Real.

Break-down of votes by counties is as follows:

	Shurley	Burkett
Schleicher	517	218
Crockett	335	266
Edwards	339	271
Bandera	520	764
Menard	465	464
Sutton	510	75
Kimble	440	523
Mason	549	520
Kerr	954	2490
Real	218	364
Totals	4847	4955

## Another Drilling Crew Moves In to Drill Several Sinclair Wells

Twelve families moved in to Eldorado last week and were assisted in getting located by the local Chamber of Commerce.

They reported that they were with the Marlo Drilling Company and that they were to drill a number of wells for Sinclair in Schleicher county.

Nine of the families came with house trailers and the other three took furnished apartments or houses.

Rigging up operations were completed early in the week and drilling was started on the Sinclair No. 1 Martin, 32 miles northeast of Eldorado Tuesday.

Tool pusher is Jack Cope who lives in Mrs. V. G. Tisdale's rent house. Others here for Marlo Drilling are Mr. and Mrs. E. L. Burk and two children, Mr. and Mrs. Tommy Davis and three children, Mr. and Mrs. McDonald Clements and two children, Mr. and Mrs. Sam Jones and two children, Mr. and Mrs. S. A. Basham and four children, Mr. and Mrs. E. M. Rice and two children, and Mr. and Mrs. B. D. Cochran. They are working on rig No. 4 out of Abilene and most of the families moved here from Monahans.

Last week Sinclair completed its No. 2 Stansberry in the Toe Nail pool in the north part of Schleicher county. It was flowing 18,000,000 cubic feet of gas daily through various chokes from Harkey perforations at 4664-69 feet.

It is a direct offset to the Standard No. 1 Harris gasser which was completed the last of April for a flow of 19 million cubic feet. It was reported at that time that Sinclair would have at least two forced offsets.

With the completion of their prolific Stansberry gasser last week, it is presumed that development will continue without interruption.

These gassers are being connected to the gathering system that leads to Sinclair Gas Products plant No. 23 in the Hulldale field.

### NEW TEST BY STANDARD

Standard Oil Co. of Texas will drill the No. 5-3-A Christina Mittel one location southwest of production in the Neva West (Strawn) field of Schleicher County, 14 miles northwest of Eldorado.

Location, on a 160-acre lease, is 1,240 feet from the north and 1,321 feet from the east lines of 65-TT-TCRR. Contract depth is 6,500 feet with rotary. Tucker Drilling Co., is the drilling contractor.

### INSTALLING PUMP

Hancock Oil Co., was installing a pump at its No. 1 J. M. Treadwell in 2-2-TW&NG, 1400-foot offset to Fryer & Hanson No. 1 Callan, opener and lone producer in the F&H (Cisco) field of Schleicher County, 12 miles north of Fort McKavett.

Swabbed eight hours through new perforations between 2662-666 feet, recovery was 40 barrels of load oil, cut 10 per cent basic sediment, no water.

Operator then washed through perforations with 250 gallons of mud acid and swabbed an unreported time, recovering 40 bbls of load oil. Then in 10 hours, operator swabbed 47 barrels of fluid, cut 20 per cent acid water. At the end of the test, the project swabbed five barrels of fluid per hour, cut 4 per cent basic sediment, no water, and the rest new oil.

### WILDCAT SCHEDULED

Tucker Drilling Co., and L. E. Scherck, both of San Angelo, filed application to drill the No. 1 Faye Dell Derrick, a 5,000-foot rotary wildcat in Schleicher county, 21 miles east of Eldorado.

Location, on an 80-acre lease, is 660 feet from the north and west lines of 40-A-Abst. 1041. The prospector is 1 3/8 miles southwest of gas production in the Tillery multipay field.

### NEW FIELD PAY

Chambers & Kennedy, et al, of Midland have suggested field des-

ignation of Otto field (lower Strawn) and will ask for discovery allowable on the recently completed No. 1-G Otto Williams, 15 miles northeast of Eldorado.

It was finaled for a daily flowing potential of 141.88 barrels of 40.5 gravity oil, no water, through a 12/64-inch choke and perforations between 5258-261 feet. Gas oil ratio was 947-1.

Location is 1,980 feet from the north line and 660 feet from the west line of 36-IGH&SA.

The strike is 1/2 mile south of the opener of the two-well Otto (Strawn) field that was completed from pay topped at 5,115 feet on ground elevation of 2,307 feet. It flowed 154 barrels of 37 gravity oil through a 14/64-inch choke and perforations between 5161-240 feet.

### Construction Under Way On Reynolds Road Job

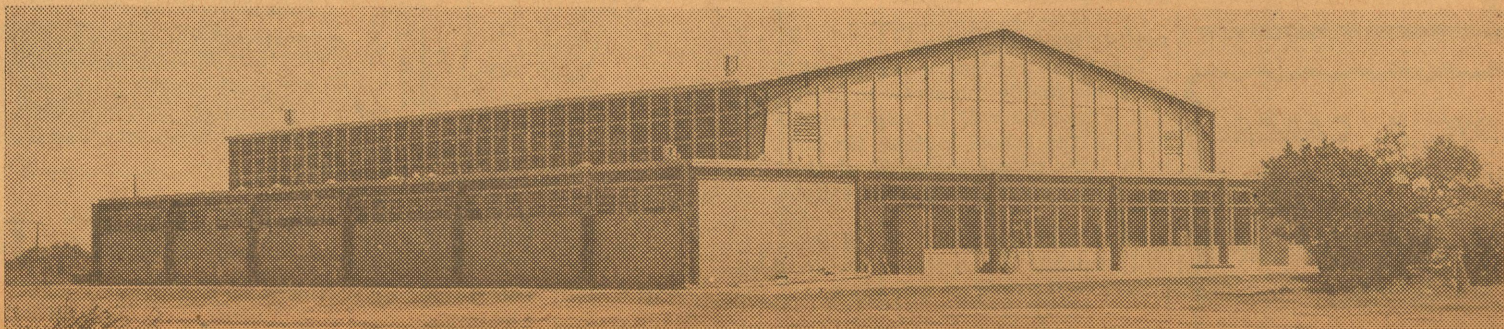

The W. L. Barnes construction crew has moved into the community to start work on 5 1/2 miles of farm roads.

The project extends from a point on the Mertzon highway 7 miles northwest of Eldorado, for a distance of 5 1/2 miles on the present Reynolds road. The area around the intersection had bulldozers and other heavy equipment scattered all over the place late last week and work was scheduled to get under way the first of this week.

The crew that moved in here last week found quarters at Docs Courts, and is headed by W. L. Worthington and his son Billy and his wife. Others located there include Mr. and Mrs. L. D. Grimes, Mr. and Mrs. Leon Griffith, and Mr. and Mrs. Gilmer James. The James family is located in a Sofge apartment, while all of the others moved in with house trailers. They estimated that the job would require about two months.

Doc's Courts now has a "no vacancy" sign on their door, but this would have reference to apartments only—there is still room for more house trailers.

### High School Gymnasium Nears Completion

THE EXTERIOR of the new high school gymnasium has been about completed, as shown in this recent photo. Much interior work remains to be done by the contractor, but school officials report that the gym should be ready for use early in the Fall. The gym will be adapted to all

indoor sports in addition to basketball, and will feature folding bleachers for spectators. This exterior view will be modified after landscaping of the grounds is done, and parking area is added. Construction got under way last Fall following voters' approval of a \$150,000 bond issue.

**TENNYSON VISITORS**  
Mr. and Mrs. Albert McGinnes, Mary Lynn and Larry visited with her parents, Mr. and Mrs. Ben Brooks in Tennyson Monday night. Also visiting in the home of her parents is Mrs. McGinnes's grandmother, Mrs. Lillie Cotten of Los Angeles, Calif., who is 97 years old. She made the trip to Texas by auto with a son-in-law and daughter. All plan to returned to Los Angeles later this week. Mrs. McGinnes found her father, who had been ill recently, much improved, but found that her mother had suffered a painful injury to her left foot in a fall in her kitchen late Monday evening.

**BUYS RANCHO HOUSE**  
Tom McGill has purchased one of the houses at the Rancho station and plans to move it off soon. Of the five houses designated for moving from the station, two have been purchased and moved into Eldorado by Joe Dossett and Fred Watson, one has been purchased by Hall Hagler for moving to Stamford, and McGill is the fourth buyer. Bids from company employees on the fifth house were still being considered this week.

**BIRTHDAY DINNER**  
Members of the family honored Mrs. Sam McGinnes and Elton McGinnes with a joint birthday dinner Sunday in the Sam McGinnes home. Mrs. McGinnes's birthday was Sunday and Elton's was Monday. Present for the occasion besides the local families were Mr. and Mrs. Floyd McGinnes of Crosbyton. Lynda, daughter of Mr. and Mrs. Elton McGinnes, returned to Crosbyton with them for a week's visit. Her parents plan to go for her this week end.

**ANDREWS MOVING**  
Joe Andrews reports that he will move his family tomorrow to Mertzon, where he will be superintendent of the school system. He has been high school principal of the Eldorado school for the past five years. The Eldorado school board was still considering applications for high school principal this week.

**SUNDAY SINGING**  
Regular first Sunday community singing will be at the Memorial Building in Eldorado from 2:00 to 4:00. Everybody invited.

### Highway Contract To Be Let In September

Contract for the building and surfacing of the new Sonora highway will probably be let sometime in September, it was reported here this week by county and highway officials.

In the meantime, work continued on the right of way for the new road from the Sutton county line north to Eldorado.

Marion Wade has completed fencing from the county line north to about George Long's place.

The Davis and Hazelwood houses are still to be moved to make way for the new route.

It was last fall that the state highway department announced that the Sonora highway would be rebuilt and would come into Eldorado on South Divide street, which is one block west of the present South Main street route.

### SERVICE PLAQUE AWARDED

Ernest C. Hill, owner of Eldorado Hardware, has recently been awarded a service plaque by Fairbanks, Morse & Co., Chicago manufacturers of home water systems, hot water heaters, softeners and many other products used throughout industry and agriculture.

This plaque certifies that Mr. Hill is an authorized service representative for home water service products, and gives special recognition to the fact that the Eldorado Hardware Co. has been a Fairbanks Morse dealer since 1911.

### 'I thought For The Week Ministerial Alliance

Text: Romans 8:26. "Likewise the spirit helps us in our weakness; for we do not know how to pray as we ought, but the spirit himself intercedes for us with sighs too deep for words."

The prayer of the sincere Christian is not the effort to persuade or cajole or induce God to grant something that is desired. It is rather the effort to achieve through harmony with God's purpose and spirit and lay hold upon his power and purpose.

If we can achieve the spirit, in the presence of every day and every task, that says, "Father, this is your day and your task. I do not know all about it but I want to do the best I can in it. Let your spirit and your power act and work through me." Then we can indeed achieve victorious living. —Hubert Chaney.

### DRILLING OPERATIONS UNDER WAY AT MARTINS

Drilling operations got under way at 5:30 yesterday afternoon on the Sinclair No. 1 Martin well in the Rudd community, according to Ted Hoss, field foreman. Surface pipe was set Tuesday at 537 feet. Location is 660 feet from and 660 feet from south lines of sec. 41, block 8, in Schleicher county.

### LIONS CLUB MEETS

Announcement was made by Ray Boyer in regard to the bicycle inspection day set for August 20, at yesterday's meeting of the Lions club.

Ed Meador reported that Paul Goodwin will be program chairman for the new club year, assisted by J. E. Spencer, Russell Heaner and A. M. Whitis.

Guests were L. C. Cunningham of San Angelo and David Kuykendall.

### MRS. BRUTON IS 92

One of Schleicher county's oldest residents is Mrs. Mattie Bruton, who celebrated her 92nd birthday a while back. She makes her home with her daughter, Mary, in their home in the West Addition, and the day was observed quietly.

### East Side Baptist

The Brotherhood met Monday night. A supper was served with wives of the members being the guests. H. G. Loden brought the devotional.

Members are still rejoicing over the success of the recent revival which resulted in 20 additions.

### News From Our Neighbors

**Gross Revenue Tax**  
George E. Chisholm, local manager for West Texas Utilities Company, presented Mayor M. J. Green with a check this week in the amount of \$1,306.33.

The check was for West Texas Utilities Company gross revenue tax for the year ending June 30, and is based on two per cent of the company's gross revenue for the local office.

The mayor said the money will go into the general fund. —The Eden Echo.

**Surplus Food Delivery Set**  
First distribution of surplus food commodities in Coke county has been set for next Wednesday, starting at 9:00 a.m.

Judge Jeff Dean states that 106 persons have qualified to receive the six varieties of food stuffs. This is included in the July allotment and another distribution for next month will be made early in August. —The Bronte Enterprise.

**Hospital Expansion**  
The Pecos County Commissioners Court will open bids on two projects, including expansion of the two county hospitals, at a special meeting July 31, it has been announced by County Judge Paul Counts.

The court also is scheduled to open bids on a community building for Cayanosa at its next regular meeting Aug. 11. —The Fort Stockton Pioneer.

### Four New Cottages Completed

Thirty-eighth consecutive session of Paisano Baptist Encampment will open Monday, July 28, continuing through Sunday, Aug. 3.

Four new cottages have been built at the encampment grounds in the mountains between Alpine and Marfa and a number of additions have been made to dormitories and other buildings. Paisano now has over 100 dormi-

tories and cottages, according to Don Littleton of Alpine, vice-president and assistant superintendent of grounds. —Alpine Avalanche.

### Rains At Santa Anna

Good rains fell in this area Sunday night and Tuesday morning. Varying amounts fell over the area with just about an inch being reported in Santa Anna. All areas of the county received some rain.

Crops in the area have been suffering from lack of rain for several days. High, dry winds had taken just about all the top moisture from the soil. —Santa Anna News.

### New H.S. Principal Resigns

At a special meeting of the school board last Saturday morning, the resignation of Wallace C. Hill of Houston, recently elected principal of Junction High school, was accepted, M. J. Nethery, Jr., chairman of the board, reported Tuesday afternoon. A new superintendent and a new principal were being sought by the board at that time. —Junction Eagle.

### TV Tower Going Up

Work started Wednesday toward erecting a tower to bring a television signal to Menard. Ray C. Durgan, who plans to install the TV cable service, said the tower would be completed in a few days but a period of testing would follow, and results of the test would determine whether he went ahead and installed the service. —Menard News.

**WHEN'S THE TIME TO BUY A CAR?**

**"WHEN I CAN AFFORD IT!"**  
Tsk, tsk! Too bad he hasn't checked up on car prices lately. He'd find that Ford is the lowest priced\* of the best-selling three!

**"WHEN THEY INVENT A CAR THAT DOESN'T NEED GAS!"**  
Gracious! The gentleman obviously hasn't heard about Ford's Mileage Maker Six—the modern short-stroke Six that delivered the most miles per gallon in Class A in the last two Mobilgas Economy Runs!

**"WHEN THE OLD CAR'S HAD IT!"**  
But it has... and so has his budget. If he could only have back all the money he's been paying out (and is going to pay out) in repair bills... he could be the proud owner of a 58 Ford!

**"WHEN MY PRESENT CAR IS WORTH MORE!"**  
Poor man. He's not only missing out on summer driving in a Thunderbird-inspired Ford... he's missing out on money! Doesn't he know that his present car will NEVER be worth more in trade than right NOW!

**"WHEN FORD DEALERS ARE GIVING THE YEAR'S BEST DEALS DURING FORD'S SUMMER TRADING PICNIC!"**

**NOW'S THE TIME TO BUY A FORD!**

## COUNTY AGENT'S COLUMN

by T. G. Godwin

Schleicher County Agricultural Agent

Entomologists C. F. Garner of the Texas Extension Service and A. A. Priddy of the Southwest Sprayer and Chemical, will be in Schleicher county Friday, August 1, 1958, to meet cotton producers and discuss cotton insects and their control.

Mr. Garner and Mr. Priddy will take the insect situation as existing August 1, giving information as to the overall best control till harvest time.

The meeting place will be at the Henry Moore farm, Friday, August 1, at 3:00 p.m.

Do you know the answers?

Under present production control programs, the percentage reduction in output is generally less than the percentage reduction in acreage? (a) true; (b) false.

It is generally conceded that non-agricultural industry enjoys a much greater degree of control over supply than do farmers; hence a more effective control over price. (a) true; (b) false.

Answers will be found at the bottom of this column.

Producers may expect best kills on mesquite when soil moisture is adequate and the mesquite has a lush growth. If mesquite is in poor foliage as a result of drouth, hail, insect damage, or frost, delay the spraying or treatment until the following year.

The trunk base method is effective, using 1 pound of 2-4-5T in 10 gallons of kerosene or diesel oil. A gallon of this mixture should treat 20-30 mesquites of average size at a cost of 1 1/2 cents for material alone.

For aerial application use 1/3 pound 2-4-5T or silvex mixed in 1/2 gallon of diesel oil mixed in enough water to make 3 gallons of spray solution per acre. The swath width should not exceed 60 feet.

These chemicals should not be sprayed near broad leaf plants such as cotton.

Complete information on mesquite spraying may be obtained at the county agent's office, in bulletin No. 127, Revised, Chemical Control of Mesquite.

A wheel designed to turn on a circular chart will give you the answer to the best buy when confronted with the best concentrate to buy to feed cattle and sheep. The calculations are based upon

the relative productive energy of the grains.

For instance if corn is worth \$1.00 per bushel, you can afford to pay up to \$1.67 per 100 pounds for grain sorghum, \$1.03 per bushel for wheat, provided wheat does not exceed 1/3 of the ration and 0.49 cents per bushel for oats.

Call for MP-192 Grain substitution wheel.

First installment of \$5,488,245 of federal funds will be released to Texas schools in the national school lunch program Sept. 1. Public schools will get \$5,166,017—an increase of \$661,449 over last year and private schools will get \$322,228, an increase of \$72,570.

There are some basic facts that producers should remember when spraying cattle with insecticides. For instance: since residue studies indicate that beef animals are sprayed, dipped or dusted with DDT, the tolerance will be exceeded, DDT is omitted from the recommendations for controlling pests of beef cattle. Do not use DDT on hogs or sheep within 30 days of slaughter. The tolerance is 7 parts per million in the fat of beef cattle, hogs and sheep.

Toxaphene should not be applied to beef cattle, sheep, and goats within 4 weeks of slaughter.

Methoxychlor can be applied without restriction to beef cattle, hogs and sheep.

Lindane should not be applied to dairy animals being finished for slaughter.

Malathion should not be applied to dairy animals and calves under 1 month of age.

Answers: 1. A. True; 2. A. True.

Unless you sell the first man you see in the morning with kindness, consideration, helpfulness, positiveness there's not much use of trying to sell others. That first man you see is yourself in the mirror.

### Mrs. Wolf Dies At 90

Funeral services were held Monday of last week at Naurena for Mrs. Julia Wolf, 90, of Lampasas. Mrs. Wolf was a sister of Mrs. B. K. Cheek of Eldorado.

Mrs. Cheek and her daughter, Mrs. Bernard Carr, were accompanied by Mrs. Bill Sproul of Menard to the funeral.

Mrs. Wolf was a former teacher, and two of her former pupils are L. M. Hoover and Sam Jones of Eldorado.

### Presbyterian Notes

Calendar For The Week

#### Sunday

- 10:00.....Sunday School
- 11:00.....Morning Worship
- 5:00.....S H F
- 5:30.....Pioneer Fellowship
- 8:10.....Evening Worship
- 8:50.....Session Meeting

Our children's services in the evening are proving to be very successful. There will be two more such services in the two next Sundays. All children are cordially invited to be present.

Mrs. James Page, our Minister of Music, her daughters, Mary Ann and Martha Sue, our organist, Nancy Jo Jackson and our pianist, Judy Sue Hext, will go to Mo-Ranch Monday, the 4th for the annual church music school.

### Little League Games Set With Sonora Next Week

A Little League team, composed of the best players from the three Eldorado teams, and the Christoval team, will play two games next week with Sonora.

The first game will be held Monday night at 8:00 o'clock at Legion field here in Eldorado.

A return game will be held Friday night of next week in Sonora, also starting at 8:00.

Team managers for the locals will be Jack Halbert and Billy Frank Blaylock.

### New Leaflet Released On "Bible and Agriculture"

College Station.—The Bible is filled with references, laws and advice concerning agriculture. Prophets of the Old Testament taught and recorded many basic agricultural principles and Christ used agriculture as a basis for many of his parables. New Testament writers also exhibited a keen interest in agriculture.

The Texas Agricultural Extension Service has released a leaflet entitled "The Bible and Agriculture." The author is Reagan Brown, extension rural sociologist.

The leaflet states that today farmers talk and practice many of the principles found in the Bible. The laws of nature are the laws of God and success in agriculture may well depend on how thoroughly these laws are understood and applied, it adds.

This publication points out a few Biblical references to agriculture and discusses them. It may be obtained from local county agents or from the Agricultural Information Office, College Station, Texas. Ask for L-146.

### FAREWELL SUPPER

Mr. and Mrs. Joe R. Andrews were honored with a farewell supper, Saturday, July 19, at the Memorial building. A buffet supper was served to approximately 60 guests.

The theme of travel was carried out in the decorations. The centerpiece of the serving table was a replica of a moving van, which was filled with summer flowers. The individual tables were centered with small packing boxes filled with daisies. Miniature suit cases filled with mints were used as favors.

A silver tray was presented to Mr. and Mrs. Andrews. A group of friends served as hostesses.

### Methodist News

The Methodist Men met Monday evening in the educational building. There was an excellent program and the refreshments were delicious. Seven new men were present at the meeting. Charles Wimer, the vice-president, was in charge. The president, Charlie Trigg, was ill.

The work in the sanctuary and the narthex is almost completed. Many people have remarked how beautiful is the effect of the extensive remodeling and renovating that has been under way for several months. Mrs. W. F. Meador Sr., is chairman of the committee which planned the work. It started as a project of the Woman's Society of Christian Service, and later the committee was appointed by the official board to go further in its planning. Many individual contributions of money and labor were made, and several hundred dollars from the surplus in the budget was allocated to the work, also.

Mrs. R. R. Heaner is teaching in

the school of missions at Texas Technological College in Lubbock this week. She will teach her last classes on Friday morning and will then return to Eldorado.

An observation laboratory school for primary children, their teachers and their parents, will be held next Tuesday, Wednesday and Thursday at the First Methodist Church in Sonora. Mrs. Lawrence

Newport is our primary teacher and is asking all of her pupils and their mothers to attend the sessions at Sonora all three mornings, from 8:30 a. m. until 11:30 a. m., each day.

Mrs. R. R. Heaner will be in Kerrville next Tuesday and Wednesday, attending the conference Board of Missions, of which she is a member.

## CORRAL TRADING POST

Your Hunting and Fishing Headquarters — Sonora, Texas

HUMBLE OIL & REFINING COMPANY

# HUMBLE

# Tigers Are Little League Champions

By RAY LEWIS BALLEW

**Christoval Cougars vs. Tigers**  
Backed by a record crowd, the Christoval Cougars were downed easily by the batting and fielding of the Tigers. The Tigers made two errors and the Cougars five. The Cougars left three stranded on base and the Tigers left four.

The Tigers made nineteen runs off of fifteen hits, while the Cougars made only five runs off of five hits.

Bobby Menchaca, Rudy Menchaca, and Gary Bivens pitched in vain against the Tigers battery. Mac McAngus and Roy Lynn Love held the Cougars to a five hit game for Eldorado.

The Cougars scored all of their runs in the first inning. The Tigers made runs in every inning except the fifth. Mac Angus stepped up to the plate in the second inning and lined the first pitch over the fence. Bob Page was the umpire.

There was a practice game between the All-Stars and the Cougars at Christoval Monday night. The Cougars won by a score of five to three.

### TOP BATTERS

Mac McAngus	518
Jimmie McDonald	489
Rudy Menchaca	465
Benny Reed	447
Gary Bivins	417

### TEAM STANDINGS

	W	L	Pct
Tigers	6	2	.750
Cougars	5	3	.625
Red Sox	3	3	.500
White Sox	0	6	.000

Two exhibition games will be played Monday and Friday of next week, August 4 and 8, between the AllStars and Sonora.

### In Those Days

#### ONE YEAR AGO

Mr. and Mrs. T. E. Holcomb accepted jobs in the Lake View school in San Angelo.

Several young people returned from the PYF retreat in New Mexico. They were accompanied by the Jack Hexits.

Mrs. Homer Wolfe and children of Dallas were visiting her parents, the S. D. Harpers.

Mrs. Jack Elder went to work for the Success as reporter.

#### FIVE YEARS AGO

Summer band practice was under way under direction of Charles Ludwig.

J. M. (Max) Henry opened his insurance office in Eldorado.

Dr. Wm. Lindsey and Dr. Jack Mowrey moved into their new clinic building.

A gift tea honored Mrs. Pinkney Craig, the former Barbara West.

#### 12 YEARS AGO

Local Presbyterians honored the Rev. J. W. Carriker, who was leaving for a new position in North Carolina.

Success advertisers included the Walston Stock Medicine & Commission Co., Wagley's Magnolia Station, Hoover Drug, Williams & McAngus Hardware, Page Drug store, West Texas cafe, Cox-Vautrain Funeral home, J's cafe, and the Friendly Flower shop.

The Lone Star theater closed for two days for repairs.

The all-day show at the airport was coming up Sunday.

#### 35 YEARS AGO

Jack Crosby of San Antonio is visiting his uncle, G. C. Crosby on the ranch at Mayer this week.

Miss Neyla Layne of Rocksprings was visiting friends here, and was a guest of Earline Atkins.

W. F. Parent and Grady Turner made a business trip to Mertzon.

Listings in the general directory included: 16th Congressional district, C. B. Hudspeth, El Paso; 25th Senatorial district, R. M. Dudley, El Paso; 86th Representative district, B. J. Stewart, Barksdale; 51st Judicial district, C. E. DuBoise of San Angelo, judge, and Oscar Frink of San Angelo, district attorney.

Col. A. H. Palmer and Miss Kitty returned from Fort Worth where they had been on a visit with Mrs. B. A. Rose.

### Primitive Baptist Session Starts Tonight At 7:30

The 74th annual session of the Friendship Association of Primitive Baptists will be held with the Eldorado church starting tonight, Thursday, July 31, at 7:30, and will continue through Sunday, at the Memorial Building.

Everyone is cordially invited.

### FIREMEN AUCTION A SUCCESS

Eldorado firemen report that their rummage auction sale at the election night party was a big success, with the department taking in over \$200 from the sale of articles during the evening.

All rummage items were disposed of, and the department has expressed appreciation to all who donated items, and to all who bid.

### Bicycle Inspection Day Is Set For August 20th

Inspection day for children's bicycles will be held the morning of August 20th, according to plans made this week by the Eldorado Lions club, who are sponsoring the event.

Herman Moore of the State Highway patrol will inspect the bicycles starting at 9:00 o'clock, and will explain safety rules to the group. A safety film will be shown, and refreshments will be served. Also door prizes and attendance prizes will be given.

A certificate will be given each boy or girl whose bicycle meets the safety requirements.

### Belks Are Honored On Silver Anniversary

A large number of friends and relatives called on Mr. and Mrs. H. A. Belk at their ranch home in the Reynolds community Sunday afternoon, the day of their 25th wedding anniversary.

In the receiving line with the Belks were their daughters, Mrs. James Alexander and Mrs. Jodie Minnick, and his parents, Mr. and Mrs. J. B. Belk.

Mrs. W. V. Lux and Mrs. John Luedecke had charge of the guest book. Serving refreshments were Mrs. E. H. Sweatt and Mrs. Bill Edmiston, and later Barbara and Marlene Faught.

A number of nice gifts were received by the honorees. A total of 114 called during the afternoon.

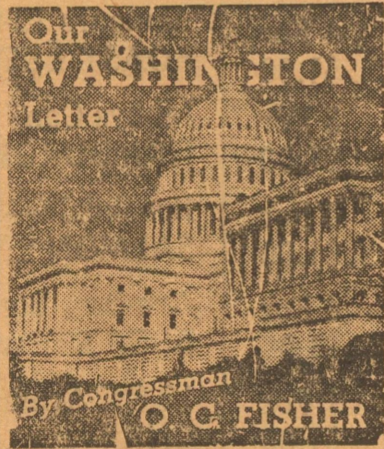

Out of town guests were: Mr. and Mrs. J. B. Belk of Miles, Mr. and Mrs. Jodie Minnick of Midland, Mr. and Mrs. Riley Lowe and son Bobby of San Angelo, Mr. and Mrs. Reginald Jacoby and sons Randy and Roger of San Angelo, Mr. and Mrs. Gomer Minnick of Sonora, Mrs. Eastham of Sonora, Mr. and Mrs. L. B. Sheffield of Menard, Mrs. Clyde S. Perkins and Gayle and Carl of Dumas, and Mr. and Mrs. Virgil Gray of San Angelo.

### The Military

Fort Leonard Wood, Mo.—Army Pvt. William R. Bearce Jr., whose parents live in Eldorado, Texas, recently completed the supply specialist course at Fort Leonard Wood. Bearce also completed basic combat training at Fort Leonard Wood. The 23-year-old soldier was graduated from Eldorado High School in 1953 and has attended Texas Tech for four years.

James Connor, who has completed his basic Army training at Fort Carson, Colo., has been here visiting his grandparents Mr. and Mrs. Orville Connor. At the close of his leave in August he will go to Fort Dix, N. J., and later is scheduled for duty in Germany.

Billy Sam Hale is employed for the summer in Iraan. He is a student at Texas Tech.

Small business had a good week in Congress last week. Two bills were passed, one giving estates the right to make 10 annual installment payments of inheritance tax, the other accelerated depreciation write-offs of equipment costs. The latter would also apply to farmers. Actually, these measures are more accurately described as tax postponements rather than relief items. But they should ease hardship problems considerably. Both had my support.

Reciprocal trade extension was assured last week by Senate passage of the House approved bill, with some minor changes. Designed to facilitate trade negotiations and policies with foreign countries, this legislation contains no protection for domestic industries that are plagued by the dumping of low-cost competitive products on our markets. A good many of us felt some procedural safeguards should be included to enable a domestic industry to have a "day in court" for an objective and factual determination of its complaints.

A wool bill, to extend the present wool program, which expires next spring, gained hope for approval at this session when the Senate included the extension in an omnibus farm measure that was approved last Friday. It is now up to the House Agriculture Committee to act, and the outlook is fairly favorable.

### ROBERT MORRIS PICNIC SET

The Eastern Star Chapter 140 will hold their annual Robert Morris picnic this coming Monday August 4. The Masons and their families are invited as guests for this occasion. Mrs. Lizzie Luedecke, Worthy Matron, announced this week. Meeting time is 6:00 p. m., on the court house lawn.

### VISITING

Mr. and Mrs. Harry Mercer and family were in Corpus Christi recently where they visited the Roy Shilling family, and they then went on to Duncan and Marlow, Okla., to visit other relatives.

Earlier this month they were in Gainesville, Texas, to attend a reunion of Mrs. Mercer's family, and then on to Ponca City, Okla., to visit friends who were formerly located in Big Lake.

### Big Change Taking Place In Agriculture

College Station—Agriculture has had a highly shifting nature—big changes are in store and many have already occurred, according to Alvin B. Wooten, extension economist.

For example, U. S. farm population dropped nearly two million persons in 1956—an all-time record drop for any single year, says Wooten. But while numbers are decreasing, farm size is increasing. Since 1940, average farm size has increased 40 per cent and investment per farm has shot up 300 per cent (when inflation is allowed for.) Farm land values have risen 40 per cent in the last seven years.

Only 12 per cent of the population is engaged in farming, says the economist. This means 12 per cent of the population now provides the raw material to feed itself and the remaining 88 per cent. In colonial times, more than 85 per cent of the nation was engaged in farming.

In 1950, only 30 per cent of farm people were working at off-farm jobs. In 1956 this figure had risen to 40 per cent.

In 1950, 17 per cent of farm wives had off-farm employment. In 1956, 26 per cent were so engaged. This was the largest increase of any occupational group.

In 1957, Wooten points out that 2.1 per cent of the nation's farmers produced 33 per cent of all farm products and half of the farmers produced 90 per cent. Thus, 50 per cent of U. S. farmers produced only 10 per cent of the total farm production.

The farm population is also getting older, he says. Since 1950, the largest decrease in farm population has been in the 18-to-44 year old group.

### Hill Country Race Meet Set For August 7-9

Final plans are being perfected and publicity put out for the 22nd Annual Hill Country Fair Association Race Meet and Billy Sale Aug. 7, 8 and 9.

A huge street parade, marking the opening of the three days of excitement, will be staged on the streets of Junction Thursday morning at 10:00 a. m. There will be six horse races daily on the 7th, 8th and 9th climaxed by the one mile Junction Derby, open, purse \$200 on the 9th.

The Billy Sale will start at 8:30 a. m. on the 8th with 100 pre-qualified, registered billies to be sold each day. Twenty stud billies will be selected from the 200, starting at 8:30 a. m. Aug. 7. These will be sold as stud billies on the 8th and will be sold as placed. A \$100 prize will be given the owner of the top stud billy selected with other prizes for other places. Sales will start at 9:00 each morning.

### ROADSIDE PICNIC

The primary and beginner classes of the First Christian Church, along with parents and teachers, had a get-together picnic at the roadside park last Friday night. The children roasted wieners and marshmallows while the adults visited, and the party was concluded with home made ice cream.

### PRESTONS RETURN

The Dick Preston family have returned from an extended trip to the West Coast. They were gone about a month. They reported seeing the Jack Shugarts and Bill Bowns while on the coast.

**For Commissioner, Prct. 4**  
C. M. Whitten ..... 33  
Thomas Baker ..... 36  
Leonard Lloyd ..... 41  
Jack Wade ..... 12

The cattle trade at Fort Worth Monday reflected the weaker market on fed steers and heifers which developed in Northern markets along with increased cattle supplies. The 12 major markets Monday reported more than a 20 per cent increase in cattle and calves and at Northern points, these were mostly fed cattle. The trade again displayed its sensitivity to the supply situation and fed cattle closed lower everywhere.

At Fort Worth a few choice yearling heifers topped at \$28, but the rank and file fed steers were 50 cents lower and some bids were \$1 off as buyers for packers displayed faint urgency. Their lack of interest was credited to expectations of lower priced beef from their cornbelt plants, as well as from good supplies of fat cattle shipped direct to their plants.

Good and choice slaughter steers and yearlings cashed at \$23.50 to \$26.50 and a few fancy fat yearlings and heifers drew \$27 to \$28. Common and medium slaughter steers and yearlings cashed at \$18 to \$23.50. Mature steers ranged from \$26.50 downward.

Fat cows ranged mostly from \$17 to \$20 with a few to \$20.50 and \$21. Cannons and cutters drew \$11 to \$17. Bulls sold from \$17 to \$22.

Good and choice slaughter calves ranged from \$23.50 to \$27.50, and common and medium sorts sold at \$17 to \$23.50. Culls sold at \$14 to \$17. Good and choice stocker steer calves ranged from \$30 to \$33 and heifer calves cashed at \$29 down. Stocker steer yearlings of good kinds sold from \$27 downward and feeder cattle cashed at \$22 to \$26.

INDELIBLE permanent laundry marking ink—again in stock at the Success office.

**MRS. ANDREWS HONORED**  
A going-away party Tuesday morning of last week in the home of Mrs. Ed Hill honored Mrs. Joe Andrews, who was moving to Mertzon.

Hostesses, in addition to Mrs. Hill, were Mrs. Bob Page and Mrs. Bill McCravy.

The serving table was centered with fruit. Refreshments of fritos with dip, cokes, coffee, and doughnuts, were served to the 18 attending.

The hostesses presented Mrs. Andrews with a gift.
