Masonic Lodge Holds Ground Breaking Ceremonies Saturday

W. O. ALEXANDER, the only living charter member of the Masonic Lodge of Eldorado, is shown as he turned the first spade of earth at the ground-breaking ceremonies held Saturday afternoon at the site of the new Masonic Temple. —photo by Hanson Garvin.

Others turning spades of earth included Henry "Possum" Speck, Jr., Worshipful Master this year of the Lodge; Charlene Edmiston, treasurer of the Eastern Star chapter; and Orval Edmiston, chairman of the building committee.

Sixty-three people signed the register. Refreshments of coffee and cookies were served to all present.

There were representatives from three O.E.S. chapters and seven other Masonic Lodges on hand.

Following the ground-breaking ceremonies Saturday which were open to the public, actual construction was under way this week as Archer & Renfro, Sonora contractors, moved in men and equipment to start on the foundation.

Location of the temple is across the street to the north of the court house, on corner lots which the Masonic Lodge has owned for some time.

The single-storey building will be built of tile, will measure 34 by 80 feet in size, and will cost nearly \$17,000.

Completion is scheduled for later in the spring.

Rancher's Hunting Lease Money Donated To West Texas Boys' Ranch at Tankersley

West Texas Boys Ranch at Tankersley is richer by \$290 as result of the generosity of a Schleicher county rancher, who collected that amount of lease money in the recent hunting season and donated it all to the Ranch.

Morris H. Craig, executive director of the Ranch, has acknowledged receipt of the gift from Fred Case, in a letter dated January 19. Copy of the letter was also mailed to Charlie Trigg who made it available to this paper.

The letter, in part, reads as follows:

"Dear Mr. Case: We are most delighted to acknowledge receipt of the \$290 which was given to West Texas Boys Ranch in lieu of deer hunting fees. I want to thank

With The County Commissioners

In recent meetings, the Schleicher County Commissioners:

- employed Ben Biggs as county parks superintendent effective on Jan. 1, 1964, at a salary of \$100 per month;
- set the salary of Chester L. Wheeler, new County Auditor, at \$5100 per year;
- employed Cherry & Eckert, accounting firm, to audit the books of Schleicher County for the year 1963;
- sold the used Comco radio, transmitter, and receiver, to the Menard County commissioners for \$175.50.

Mothers' March Set Week From Tonight

The fund drive for the National Foundation is continuing this week in Schleicher county and will be culminated a week from tonight when a large group of local women conduct a house to house canvass, in the annual "Mothers' March" for this worthy cause.

Mrs. A. G. McCormack, chairman of the Mothers' March, announces that as of this week the following women have agreed to canvass their respective sections of town:

- Mrs. Orland Harris

School News

Mrs. Beverley Tully was hired at mid-term to teach Mrs. Whittis' third grade for the remainder of the school year. Mrs. Whittis has been given a leave of absence until Sept. 1st.

The photographer was here Tuesday taking pictures for The Talon, the school annual.

The Band will put on the annual banquet Saturday night for the Eagles football team. The team members and their coaches will be honored.

Monday night at 7:00, the district football banquet will be held in Ozona. Attending from here will be the all-district players of the past season, Larry Blair, Bob Halbert, George Draper, Jack Mackey, Mack McAngus, and Lynn Meador. Also attending will be the coaches and administrators of the local schools.

E. C. (PETE) PETERS ANNOUNCES FOR COMMISSIONER, Prct 1

E. C. (Pete) Peters, permanent resident of Eldorado since 1947, this week authorized the Success to announce that he will be a candidate for the office of Commissioner of Precinct No. 1, subject to the Democratic primaries.

Peters is well known here as an automotive mechanic and later as an insurance agent. He was stationed here in military service in World War II, married a local girl and became a permanent resident in 1947.

Peters stated that he felt he was well qualified for the office from the standpoint of experience and training and by interest in civic affairs.

"I promise to devote all the time necessary to the duties of the office if you elect me as your commissioner," said Mr. Peters, "and will appreciate your vote and influence in the coming election."

He said he was preparing to make a thorough canvass of all voters between now and election day.

Purse Snatcher Is Apprehended

When four local women lost purses here within a period of ten days it convinced lawmen that there was more to it than just coincidence.

Sheriff Edmiston finally arranged for a bank employee to leave a purse in her car parked by the bank and then settled down to await developments.

It took a good deal of patience but it finally paid off when a 15-year-old Eldorado youth took the bait. When arrested he confessed to getting the other purses which were from Ethel Etheredge, Phyllis Montgomery, Jane Alexander, and Mrs. Ernest Hill.

Three of the four purses were recovered, but none of the money. Arrangements were made for the money to be repaid and the youth was released.

Eagles Take 3rd In Ozona Tournament

Eldorado won third place in the 33rd annual Ozona Basketball Tournament with a 70-46 win over Mozelle. The Eagles jumped to a 20-9 first quarter lead and never let up as they increased their margin to 33-20 at half time. In the third quarter Eldorado scored 22 points to Mozelle 9 for a 55-29 advantage. The final score could have been much higher, but all Eagles played in each quarter, and eight of them scored. Richard Preston had 19, Lynn Meador 11, Larry Blair 8, Tip Finley 8, Jackie Mackey 8, Scott McGregor 6, Mike McCravery 6, and Mack McAngus 4.

Richard Preston and Larry Blair were named to the all tournament team.

Score by Quarters—
Eldorado — 20 13 22 15—70
Mozelle — 9 11 9 17—46

In the first round action the Eagles beat Rocksprings 54-37. The Eagles were paced by Richard Preston Lynn Meador and Larry Blair.

Score by Quarters—
Eldorado — 11 9 16 16—54
Rocksprings— 4 9 6 18—37

In second round action Big Lake beat the Eagles 50-39. Eldorado could not hit in the early stages of the game and found themselves behind 15-5 at the 1st quarter mark. In the second quarter they hit better as Larry Blair led the attack with three field goals. At half time the Eagles were behind 27-14. With a minute gone in the second half, Richard Preston fouled out, but the Eagles more than held their own against the Owls. In the second half Eldorado scored 25 points to Big Lake's 23, but could not make up the Owls early lead.

Larry Blair hit 14 points and Lynn Meador eight to pace the Eagles.

Score by Quarters—
Eldorado — 5 9 11 14—39
Big Lake — 15 12 9 14—50

GINNING NEARS END

There was a total of 2662 bales at Mikeska Gin yesterday and the season was about to close. Mr. Mikeska said, "There'll be a bale or two more."

Prospect Good For More Oil Activity Here

"Either they are smarter than everybody else or just luckier"—that's the way somebody has described Forward Oil & Gas Co., of San Angelo, who moved into Schleicher county a few weeks ago to drill two wildcats, and are now in the process of making producers out of both of them.

Their No. 1 Keeney, a shallow test just outside of town, is about to be put on the pump, and the company will likely start some more tests nearby as soon as they are ready.

Forward's No. 1 Case, eight miles northwest of Eldorado, made about 4 million cubic feet of gas on a drill stem test about ten days ago on a test between 6510-42 feet. Casing was set during the past week and the well is now in process of completion.

This well appears to be the best gasser in the Canyon sand, which oil men think runs from the Velrex field down to the Jones wells near Eldorado. They are of the opinion that that 12-mile area will see much more prospecting this year.

Tucker Drilling Co., who had the rotary contract, were moving their rig to the Velrex field this week where they will drill a well for Meadco Oil Co., on a T. C. Meador section. This new test will be 1,000 feet southwest of Meadco's No. 3 which was recently completed for a potential of 218 barrels of oil per day.

There is a persistent street rumor this week that a new location had been staked on a Schrank section, two miles south of the Case well, but Raymond told us yesterday that there was not a darn word of truth in it.

We don't know. But anyway, everybody is talking oil here again.

Dist. Atty. Dickey To Seek Re-Election

FRANK C. DICKEY, JR.

Dist. Atty. Frank C. Dickey, Jr., who was appointed by Gov. John Connally last February to complete the unexpired term of Justin Kever, officially declared today his candidacy for the position of Democratic nominee for District Attorney of the 51st Judicial District of Texas.

"I am most grateful to the many friends who recommended me to succeed Justin Kever and to the Governor for his confidence in appointing me," Dickey commented. "The past months as your District Attorney have been both challenging and rewarding. A District Attorney must be not only a man of law but a man of fairness and justice in order to protect the rights of all our citizens. I will continue to do my best in working with your law enforcement officers and fulfilling the responsibilities of my office."

The 51st Judicial District is composed of the counties of Coke, Irion, Schleicher, Sterling and Tom Green.

The appointment to the 51st District Court was the second appointment for Mr. Dickey. In

Building going on
Workmen are staking out a new house in Glendale for Mr. and Mrs. Delbert Taylor. The new house will be located on lots the Taylors bought across the street to the east of the Finnigan and Hext residences. Bunk Wade is in general charge of the job.

Finish work continues on the new Morty Mertz house in Sunset Acres, and a half block away the walls are up on the new Norman Cash house.

Workmen were getting ready to cast the foundation this week for the new educational annex to be erected just east of the First Baptist church. This \$40,000-plus project will also include remodeling the church and reworking the heating and air-conditioning system.

Following the ground-breaking Saturday at the site of the new Masonic temple, the contractor had equipment on the job by Monday morning to start construction of the new building.

With our subscribers:
Mrs. Grace O'Harrow has moved from Christoval to the Cactus hotel in San Angelo.

Charles Pharis is a new subscriber in Sonora.

The Jodie Minnick family have moved from Midkiff to Route 1, Box 142, San Angelo where Mr. Minnick will re-enter college. Mrs. Minnick is the former Gainell Belk.

May Runge left yesterday for Albuquerque to enroll in the University of New Mexico. Her address will be 1315 Coal Ave., SW, Apt. 3, Albuquerque, New Mexico.

Mr. and Mrs. Jerry Lynn Doyle's new address in Lubbock is Route 5, Box 153A, Lubbock, Texas 79410.

Mrs. C. L. Martin Sr. has entered a new subscription for Roy Martin at box 244, McCamey, Texas.

Mrs. D. C. Royster has subscribed for Donald J. Royster who lives at Box 29, Aztec, New Mexico.

Carrie McNeal, elderly colored resident, whose house burned Sunday, has asked the Success to express her appreciation to firemen and friends who came to her aid and helped save some of her household goods.

An elderly widow and nearly blind, Mrs. McNeal is now staying with Lovie Green. Lovie states that the fire destroyed nearly all of Carrie's furniture, and that friends are coming to her assistance and donating household goods and surplus furniture, all of which is gratefully appreciated.

The Success is glad to bring this situation to the attention of the public, since Eldoradoans have always been quick to come to the aid of anyone in need.

The contractor—T. M. Jr. and Don Brown—is expected to put a seal coating on the several blocks of the Angelo highway here in town this week.

This will be welcome news to residents of the school neighborhood and north part of town who have had caliche dust to contend with for the past several months.

The Boy Scout troop committee will meet Monday night at the Scout hall at 7:00 to reorganize for the coming year and make arrangements for re-registering the boys and workers.

All men interested in working with the Scouts are urged to be present.

Leslie C. Davis has moved here from Haskell to work with Service Pipe, and has rented a Martin house.

Pat Finley has done some partial dismantling of the old Silliman-Page house near the water tower which he bought a while back from the Presbyterians, for removal.

Bert Page donated the old house and its corner lots to the church several years ago and the church has sold the house to allow for future expansion of their plant.

The house was occupied in early days by the Silliman family. Mr. Silliman surveyed the town of Eldorado.

CAR BURNS
Firemen were called out at 2:00 a.m. Monday to put out a fire in a late model Chrysler sedan in the east part of town.

The vehicle, belonging to John Henry, a high construction employee, was completely gutted on the inside, but firemen said tires and motor were undamaged.

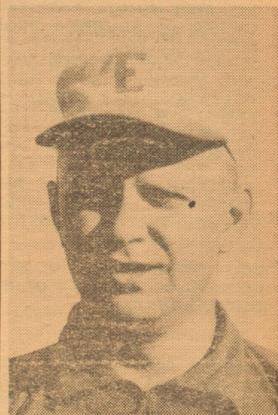

Dirt Storm And Fire Here Sunday

Schleicher county in common with most of West Texas was treated to a violent dust storm Sunday, which made driving difficult and extra housecleaning for homemakers.

The storm seemed to reach its peak about noon with winds as high as 60 miles per hour.

Firemen were forced to respond to an alarm at 11:20 a.m., during the storm's height. A stucco house on East street was ablaze with the entire roof on fire when the firemen arrived. The fire was put out but the structure appears to be a complete loss. It was the home of Carrie McNeal, widow of the late Clarence McNeal.

Jung Accepts New Job In Kerrville School

DOUGLAS JUNG

After serving for three years on the coaching staff of Eldorado High school, Douglas Jung has accepted a position as first assistant coach in Tivy High School at Kerrville.

Coach Jung will serve out the remainder of the school year here and he and Mrs. Jung and their son Gregory will move to Kerrville this summer.

Coach Jung came to the local school system from Rocksprings. Here he succeeded Earl Barnett as assistant coach after Barnett replaced Jim Herridge as head coach.

Mr. and Mrs. Everett Johnson of Abilene spent the week end with Mrs. T. W. Johnson. The Everett Johnsons formerly ranched in this county.

THE STATE OF TEXAS
COUNTY OF SCHLEICHER

Ordinance No. 1

At a meeting of the City Council of the City of Eldorado, Texas, held at the regular meeting place of said City Council, in the City of Eldorado, Texas, on the 7th day of January, 1964, at which the Mayor and all of the members of said Council were present, the following proceedings were had: The following ordinance was introduced and duly read to said City Council:

AN ORDINANCE PROVIDING FOR CERTAIN IMPROVEMENTS ON THAT PART OF STATE HIGHWAY NO. 29, EXTENDING FROM COTTONWOOD STREET SOUTHEAST TO HACKBERRY STREET IN THE CITY LIMITS IN THE CITY OF ELDORADO, TEXAS, FOR ASSESSMENT OF THE COST OF CURBS, GUTTERS AND DRAINS TO BE CONSTRUCTED THEREON AGAINST ABUTTING LOTS AND THE OWNERS THEREOF; APPROVING THE PLANS, SPECIFICATIONS AND ESTIMATES OF THE COST THEREOF FURNISHED BY THE HIGHWAY DEPARTMENT OF TEXAS, AND ACCEPTING THE PROPOSAL OF SAID HIGHWAY DEPARTMENT AS CONTRACTOR FOR THE CONSTRUCTION OF SAID IMPROVEMENTS; PROVIDING FOR A HEARING FOR ABUTTING PROPERTY OWNERS UPON ALL MATTERS OF INTEREST TO EACH SPECIFIC OWNER OF ABUTTING PROPERTY, AND FOR NOTICE BY PUBLICATION OF THE DATE AND PLACE OF SUCH HEARING, AND THAT FINAL ASSESSMENTS THEREFOR WILL BE MADE AT THE CLOSING OF SUCH HEARING, AND FIXING THE COST TO EACH ABUTTING LOT OWNER AND PERSONAL LIABILITY THEREFOR AND THE TOTAL COST OF SAID IMPROVEMENTS.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ELDORADO, TEXAS:

Section No. One:

That a public necessity exists and the City Council does hereby find and determine that it is necessary to make certain permanent improvements upon that portion of State Highway No. 29, within the city limits of the City of Eldorado, Texas, to-wit: the portion of said Highway 29 extending from Cottonwood Street Southeast to Hackberry Street of said City, consisting of the immediate construction by said city of continuous curbs and gutters, drains, etc. in co-operation with the State Highway Department of Texas which department has agreed to construct the paving and support thereof on said portion of said highway at the expense of said State Highway Department; and that said curbs, gutters and drains shall be constructed by said city according to the plans and specifications therefor and at the estimated costs thereof prepared by said State Highway Department and heretofore filed with said City Council, in the office of the city clerk of said city; and that said city undertake to cause the construction of sidewalks and driveways along the borders of said portion of said Highway 29, as needed; and regulate the traffic on said portion of said Highway 29, as necessity requires.

Section No. Two:

It is hereby ordered that said portion of State Highway No. 29 within the limits above described shall be improved by the said city by the construction, reconstruction, repair and re-aligning concrete curbs and gutters on both sides of said portion of said highway on proper line and grade and by construction of such drains and such other incidentals and appurtenances in accordance with the said plans and specifications therefor so prepared and filed by said Highway Department with the City Clerk of said City, as aforesaid, all of such type, construction, materials and dimensions as prescribed in the aforesaid plans and specifications therefor; and in this connection, said Highway Department has proposed to construct the said curbs, gutters and drains for the sum of the aggregate estimated costs thereof to be paid by said city to said Highway Department as contractor therefor; and at the request of said City Council has prepared said plans and specifications and estimates of cost of said curbs, gutters and drains for said project, and heretofore filed the same with said city clerk, pursuant to the provisions of Art. 1105b of the Revised Civil Statutes of Texas of 1925, as amended; and said plans, specifications and estimates of cost are now hereby accepted and approved, and it is ordered that said curbs, gutters and drains on said project be constructed in accordance with said plans and specifications, and that the proposal of said Highway Department to construct the same at

the estimated cost thereof, be and the same is hereby accepted, and said City binds itself to pay for the same as in this ordinance is provided, all pursuant to said Article 1105b, R.C.S. of 1925 as amended, which Article 1105b is hereby adopted by said City as its authority for the construction of said improvements and assessment of the costs thereof against the abutting lots on said highway within said limits in said city, and the true owners thereof for payment of the cost of said improvements. In this connection, the City Council finds that at this time there are more than one thousand persons residing within the corporate city limits of the City of Eldorado, Texas.

Section No. Three:

It is ordered that the improvements to be constructed by the said City of Eldorado, Texas, as aforesaid, shall be paid for as follows:

All of the cost of constructing, reconstructing, repairing and realigning the curbs, gutters and drains abutting said portion of said Highway 29 to be improved as herein provided shall, as to each abutting lot or tract, be paid for by the true owner or owners of such tract.

The amount payable by each of the said abutting property owners shall be assessed against his, or her, or their respective tracts or lots abutting on said portion of said highway to be improved as herein above defined, and upon the true owner or owners thereof, and shall constitute a first and prior lien on such tract or lot, from the date such assessment shall become final, and each of said lot or tract owners shall be personally liable for the payment of such assessment in the proportion of his or their interests therein. All such assessments to be paid for by said respective abutting lot owners, shall become due and payable as follows: When such improvements are completed and accepted by the City Council, the amount assessed against each lot, or group of lots owned by one person or more than one person jointly, against which such assessment shall have been made, shall be and become due and payable in three equal annual installments, the first such installment to become due and payable within thirty days after date of completion and acceptance of said improvements by the City Council, and the two remaining installments shall become due and payable as follows: one installment shall be due and payable one year after the date of completion and acceptance of said improvements by the City Council, and one installment shall become due and payable two years after said date of acceptance of said improvements by the City Council. Each of said installments shall bear interest from the date of the acceptance of said improvements by the City Council at the rate of 5% per annum, payable as set out in certificates issued thereon; and the privilege of prepayment of each installment with accrued interest to the date of payment before maturity shall be available to each person liable for the payment thereof. It is ordered however that if default be made in the payment of any installment, or any part thereof, as the same shall become due and payable, then at the option of the owner or holder of said indebtedness, or of any certificate evidencing the same, the entire unpaid balance upon any assessment may be immediately declared due and payable, with accrued interest to the date of payment, together with reasonable attorneys fees for collection, if incurred, and the owner or holder of said indebtedness shall be authorized to proceed to collect the same and to foreclose the lien securing the payment thereof. It is ordered however, that no assessment shall be made against any land abutting on said portion of said highway 29, to be improved hereunder in a sum greater than the benefits which shall be found by the City Council to accrue to said land by reason of such improvements. It is further ordered that the assessments against any lot or tract of land for its share of the improvements herein provided for, shall be upon the Front Foot Basis, provided for by said Art. 1105b, R.C.S. of 1925, as amended, where ever the City Council finds on final hearing that said assessment plan is not inequitable to the owner or owners of said land, and the City Council now finds that said Front Foot Rule has been followed by the Texas State Highway Department in its plans and specifications and estimates of cost of the improvements being provided for in this ordinance, subject to any adjustment by the City Council on final hearing in respect to any particular tract affected. In this connection, it is ordered that one assessment shall be made against each abutting tract, which may include one or more lots or group of lots adjoining each other and owned by one person, firm or corporation, or jointly owned by two or more persons, firms or corporations, and against the owner or owners thereof according to their interests therein; and if the name or names of the true owner or owners of any such

lot or tract be unknown, or if any assessment be made thereon under the wrong name or names of the true owners thereof, such assessment together with the lien securing the payment of such assessment, shall nevertheless, be valid and binding against such tract, and against the true owner or true owners of such tract, and such owner or owners shall be personally liable for such assessment to the same extent as if they were correctly named as the owner or owners thereof.

Section No. Four:

The City Council finds that each tract abutting on said portion of Highway 29, from Cottonwood Street Southeast to Hackberry Street of said city to be improved by the improvements herein provided for, by the construction of such curbs, gutters, drains and other appurtenances thereto, upon the plans and specifications therefor prepared by the Highway Engineer of the Texas Highway Department and now on file in the office of the City Clerk of the City of Eldorado, Texas, will receive benefits from such improvements of the value equal to or greater than the estimated cost thereof, as set out in said plans, specifications and estimate of costs filed with the said City Clerk as aforesaid, and that an assessment shall be made against each such tract for the said estimated cost of the curb, gutter and drains to be constructed thereon by the City on the front foot basis used in said plans, specifications and estimate of costs; and now a contract for the construction of such improvements upon each such

abutting tract has been made at the cost therefor set out in said estimate of costs, and proper assessment against such tract and the true owners thereof to pay the cost of construction thereof as set out in said estimate of cost and contract shall be made after the hearing herein provided for shall have been closed; and assignable certificates may be issued by said City against each such tract and the true owners thereof for the amount of the cost of construction of such improvements thereon; and the terms and conditions thereof shall be fixed by order of the Council of said City consistent with the provisions of this ordinance and the provisions of said Article 1105b R.C.S. of Texas, as amended.

And the City Council now finds that the following is a true and correct description of each abutting tract on Highway 29 within the limits aforesaid upon which such improvements are to be constructed the name or names of the respective owner or owners thereof as shown by the records in the County Clerk's Office of Schleicher County, Texas, and files of the City of Eldorado, Texas, and the number of feet of curbs, gutters and drains to be constructed on each of said lots where it abuts on said Highway 29, the estimated cost on a front foot basis for the construction thereof on each lot, for which cost and assessments is to be made against such lot and the true owner or owners thereof, and showing the lots upon which curbs already exist and therefore are not to be constructed by this project, all of which is set out in columns as follows:

The Aggregate footage of curbs, gutters, and drains, to be constructed in this project along the north and south side of said State Highway 29, within the city limits of the City of Eldorado, Texas, between Cottonwood Street and Hackberry Street of said City, is 2,090 feet; including the north and south sides of said street or highway.

The total of the estimated costs for the construction of such curbs, gutters and drains, to the lot owners is \$5,183.20.

In the list of lots, owners, estimated costs and other matters set out above, the names of the owners, as above given, are shown by the records in the County Clerk's Office, in said city; and if they are the true owners then as such owners, said estimated costs will be assessed against their said respective lots and against them personally; and if any person or persons, other than the record owners, are in fact the true owners, of any of said lots, then such true owners will be assessed personally for the costs against their respective lots, for the sum assessed against said lots.

Section No. Five:

It is further ordered by the City Council that a hearing is hereby set for the 4th day of February, 1964, at 7 o'clock p. m. at the regular meeting place of the said City Council, in the City Building in the City of Eldorado, Texas, at which all true owners of the lots or tracts hereinabove described are directed to appear before said City Council, if they desire to do so, in person or by duly authorized representative, to contest the amounts of said proposed assessments, the lien or personal liability therefor, the special benefits to any such abutting lot or tract and the owners thereof, by means of the improvements for which such assessments are to be levied, the accuracy, sufficiency, regularity and validity of the proceedings and contract in connection with such improvements and proposed assessments; and the City Council shall have

power to correct any errors, inaccuracies, irregularities, and invalidities, and to supply any deficiencies, and determine the amounts of assessments and all other matters necessary, and by ordinance to close such hearing and levy such assessments, before, during and after the construction of said improvements, but no part of any assessment shall be made to mature prior to acceptance by the city of the improvements for which such assessment is levied.

Anyone owning or claiming any property assessed, or any interest therein, or any railway, street railway or interurban assessed, or any interest therein, who shall desire to contest any such assessment on account of the amount thereof, or any inaccuracy, irregularity or invalidity, or insufficiency of the proceedings, or contract with reference thereto, or with reference to such improvements, or on account of any matter or thing not in the discretion of the City Council, shall have the right to appeal therefrom and from such hearing by instituting suit for that purpose in any court having jurisdiction within fifteen (15) days from the time such assessment is levied; and any one who shall fail to institute such suit within such time shall be held to have waived every matter which might have been taken advantage of at such hearing, and shall be barred and estopped from in any manner contesting or questioning such assessment, the amount, accuracy, validity, regularity and sufficiency thereof and of the proceedings and contract with reference thereto and with reference to such improvements for or on account of any matter whatsoever.

Section No. 6:

It is the order of the City Council that the City Clerk of the City of Eldorado Texas, is hereby directed to make a true and correct copy of this ordinance, and duly certify to the same under his hand and the corporate seal of said City, and cause the same to be published in the Eldorado Success

West Texas Boys Ranch Installs New President

CLAUDE COLLINS

Claude Collins of San Angelo was installed at the eighth president of West Texas Boys Ranch succeeding Roy A. Minear on Jan. 18, 1964, at 2:00 p.m. at the West Texas Boys Ranch. Following the installation meeting a banquet honoring Mr. Collins and Mr. Minear was held at the River Club in San Angelo.

Collins, a rancher and business man, active in civic affairs, accepted the leadership of one of the most outstanding Boys Ranches in the country. The Ranch, organized in 1947, has grown from a one-boy institution to its present capacity of 66 boys in residence and 16 boys in placement away from the Ranch.

The Ranch program provides the West Texas Hard Luck Boy with an opportunity to develop socially, emotionally, and spiritually. The Ranch has its own chapel and full-time chaplain. The boys have the opportunity to finish high school and go on to college. A vocational training program is arranged for those boys who need it. In 1964 the Ranch plans to build a new combination shop and library for the boys providing an opportunity for both the elder and younger boys to develop skills in working with hand tools and power equipment. This is a supplementary program to the regular Ranch training and academic program.

The ever-recurring issue of tariff adjustments is giving sheep and cattle raisers the jitters this year—and for good reason. This is the year for trade negotiations at Geneva, when the big trading nations assemble to bargain on tariffs and trade restriction policies. And the United States has seen fit to place wool and meat, and their products, on the agenda for possible negotiation as to tariff rates, quantitative restrictions, etc.

The Congress ordered that when such negotiations are set, affected people may present their views to a tribunal—namely, the U. S. Tariff Commission. That group has no power to do anything about the complaints that are registered, but is obliged to make findings and recommendations to the President, based upon the record that is made by the witnesses. The negotiators may then make use of the findings, or they may ignore them.

Many of us are deeply concerned about what may happen at Geneva. It is well known that many of our State Department and other trade negotiators are disciples of free trade. And they have the final word, so far as the U. S. is concerned.

An avalanche of evidence has been presented to the Tariff Commission in opposition to any reduction in present tariffs on wool, lamb and beef. I have appeared before the Commission on two occasions this year—once to oppose any reduction in protection on beef, lamb and mutton, and the second time to oppose any cut in the duty on wool and wool textiles. In fact, on each occasion, I urged the need for quantitative restrictions on the amount of such products that may be imported each year.

I reminded the Commission that nearly a third of all our woolen mills have been forced to close down during the past few years, because of the low-cost foreign competition in countries where wage rates, etc., are far below ours. And woolen mills continue to close at the rate of about one each month. Only a few years ago 167,000 people worked in these mills; today only about 60,000 are retained.

We are hoping, of course, that our negotiators at Geneva will take into account the very serious effects now being felt in this country of excessive imports of wool, wool textiles, beef, lamb and mutton. A very convincing record has been made before the Tariff Commission.

Austin.—For the past three months, Texas has led the nation in the number of people taking a newly-developed, 11-lesson course in "Medical Self-Help."

Prepared by the U. S. Public Health Service, the plan is to train at least one member of each family in emergency do-it-yourself doctoring.

Thousands of Texans have been taught what to do until the doctor comes. But state health officials agree with federal officials that still more need to know what to do in case the doctor never gets there. Prime reason of course is in case of a disaster or attack.

Dr. J. E. Peavy, State Commissioner of Health, says more than 4,334 Texans have "graduated" in the pilot program of the Medical Self-Help project and others are studying now. He says that instructions complement rather than duplicate existing programs and has been endorsed by the Texas Medical Association.

Information or assistance in setting up a local program may be obtained from the State Health Department in Austin.

Hiring Policy Strengthened

State Hospital Board has announced tough new hiring rules. Board has drawn fire due to hiring of a former mental patient as a doctor in its Wichita Falls Hospital and a one time convict as a medical assistant at San Antonio Hospital.

Close checks will be made by a special five-member screening committee into backgrounds of all future applicants.

Board tentatively approved an in-service psychiatric training program at four facilities. Also okayed was a contract for a 10-bed psychiatric unit at Beaumont to care for some patients unable to get in the crowded Rusk Hospital.

Patient Payments Up

Patients in seven state schools for the mentally retarded, four state tuberculosis hospitals, eight state hospitals for the mentally ill (including senile persons) and the Houston State Psychiatric Institute paid a bigger share for their care and treatment in December than ever before.

A report by the state hospitals system shows that patient collections for that month totaled \$424,931, bringing the total paid under the patient part-pay program during the past five and a fourth years to more than \$20 million.

Patients at Houston State Psychiatric Institute paid the highest per capita share—\$78.61—for the month of December. Those in Harlingen State Tuberculosis Hospital averaged only \$6.42 for the month. Overall average was \$17.14.

Courts Speak

In upholding the conviction and eight-year prison sentence assessed Billie Sol Estes, the Court of Criminal Appeals announced conclusions of importance to news media, as well as to attorneys and those facing felony trial.

Estes' attorney had complained of television coverage of the trial and contended that widespread newspaper stories on the case kept jurors from being open minded.

Wrote Judge W. A. Morrison: "The wheels of justice must not stop merely because an accused is of such prominence that his alleged misdeeds have been publicized throughout the state. It is apparent that nothing beneficial to appellant (Estes) could be accomplished by changing venue countless times."

As to the controlled TV coverage, Judge Morrison wrote:

"Under the facts certified, we fail to perceive any injury to the appellant as a result of the telecasting of the proceedings. . . . Of the many cases coming to this court, we know of no case where the accused received better or more efficient representation than appellant in the present case."

Same Court declared "constitutional" the Sunday "Blue Law," passed by the 57th Legislature. Court's ruling was in the case of a Houston auto salesman charged with violation of the Sabbath sales Statute.

Under the 1961 law, a retail merchant may observe either Saturday or Sunday as the Sabbath, but cannot make sales on both.

Ruling is considered a setback for Spartan discount stores which is appealing a San Antonio court order curtailing its weekend sales in several Texas cities.

Texas Supreme Court threw out the effort of East Texas oilmen to have 35 civil penalty suits resulting from slant hole oil investigations tried in their home counties rather than Austin.

Cigarette Tax Revenues Holding

A federal study committee's report linking cigarette smoking to lung cancer and other serious ailments is slowing state tobacco tax revenues little so far, according to Comptroller Robert S. Calvert.

Calvert recalls that an earlier warning caused smoking and revenues to decline for about a month. An increase followed.

Last year's cigarette tax take hit an all-time high—\$90.3 million.

Oil Allowable Raised

Railroad Commission set the highest oil production allowable in 12 months when it put the February allowable at 29% of capacity.

It's an estimated increase of 25,249 barrels a day over January.

Commission will invite top officers of oil purchasing companies to a March 18 hearing, to express their views on market prospects and other facets of the oil industry.

Water Hearings Set

Texas Water Commission has scheduled two important hearings for February.

On February 14, it will take up Sabine River Authority's request that the Texas Water Development Board acquire and develop \$15 million worth of storage facilities at the proposed \$500 million Toledo Bend Dam. Dam will create one of the largest man-made lakes in the world. It will be a joint project of the Sabine River authorities of Texas and Louisiana.

On February 12 the Commission will hear the Green Belt Municipal and Industrial Water Authority's proposal to move its dam seven miles upstream on the Red River salt fork. Also another plan for the Water Development Board to acquire \$2.1 million in conservation storage at the reservoir.

Insurance Policies Debated

Texas Insurance Commission has under advisement divergent testimony on whether general home owner package policy rates should be trimmed and coastal area rates should be raised.

Mutual insurance company men opposed both proposals.

Fire, extended coverage and casualty risk home policies totaled \$43 million in business in Texas in 1962. Losses due to Hurricane Carla in 1961 caused a shrinkage in the number of companies offering coverage in the Galveston area.

Texas Insurance Advisory Association suggested \$250 deductible policies for the coastal area.

College Programs Studied

A plan for coordinated development of graduate facilities at both public and private colleges in the Dallas-Fort Worth area is being studied by the Commission on Higher Education.

Chairman Rex Baker of the special committee suggested concentration on engineering graduate programs at Arlington College, drawing on teaching talent from Texas A&M.

Commission approved degree programs for the new Angelo State College, San Angelo, and Pan American College, Edinburg. These two colleges join the state system in 1965.

Reserve champion Rambouillet ewe was shown by Ricky Jones from his own flock.

Lions Promoting Drive For Boy Scout Council

Fred Watson reported to the meeting of the Lions club yesterday that at late report the Concho Valley Council of the Boy Scouts of America was about \$5,000 short of its needed funds to finish out the current year. Watson also reported that when the drive for sustaining members was conducted last fall here in the county, it took in only \$235. Watson pointed out that the Council needs funds to operate and Lions and others interested in Scouting should contribute to the Concho Valley Council if they have not already done so. The Lions club is the long-time sponsor of the Scout programs here. C. J. Hahn presided at the meeting. Guests were Charles K. Moore, San Angelo; Kenneth Rogers, Weatherford; Arnold Prather, Hamburg, Iowa; J. C. Luttrell and Buzzy Stokes of Sonora, and Chester L. Wheeler of Eldorado.

Don McCormick reported that it is planned to stage the annual Broom and Mop Sale on March 11 or 13. Further plans will be announced later on this. Lion Stokes of Sonora addressed the club on aims and purposes of Lionism, especially regarding the camp at Kerrville for crippled children, which is also used now part of the year in instructing the blind.

FIRST BAPTIST CIRCLE MEETS

The Evelyn Smith circle met Monday afternoon with Mrs. J. L. Allie Cheatham, circle chairman, presided over the business session. The hostess served hot tea or coffee to the nine members present. SALES PADS for sale at the Success office.

ATTENDING FUNERAL TODAY

George Kerr, 67, died at a Sulphur Springs hospital Monday morning, January 20th. He was a brother of Mrs. J. A. Griffin of Eldorado and was a visitor here in November. Mr. Kerr is survived by his wife and a foster son; also two other sisters and a brother. Graveside services are being held at Orchard, Texas today (Thursday) at 10:00 a.m. Attending from Eldorado are: Mrs. J. A. Griffin, Mr. and Mrs. Dewey Griffin, and Jack and Richard Jones.

ATTEND FUNERAL

Whit Smith and Mr. and Mrs. Leonard Wilson were in Brady Friday to attend the funeral of James Neff Bingham, 57, who died as result of a heart attack. Interment was made in Calf Creek cemetery. Mr. Bingham was a cousin of Mrs. Leonard Wilson.

Mrs. Lake Tankersly, Mrs. Bill Adams and Mrs. Ralph Trainer, all of Mertzon, and old friends of Mrs. Sadie Davidson, visited her last Friday.

Mr. and Mrs. W. A. Van Dusen visited their children, Mr. and Mrs. David Lawrence and daughter, Brenda Kay, in Odessa last Thursday and Friday.

Home Demonstration Agent's Column
By MRS. VIDA KREKLOW

Hat-Making Work-Shop Here In February . . .

Last fall members of the year book committee of the Home Demonstration Clubs took a poll to see what programs of work would be included in the 1964 plans. One thing was requested by members of all the clubs and fortunately that will be granted. Can you guess? It was to have a work shop on hat making.

- These are the important facts:
1. Everyone is eligible and welcome. You need NOT be a Club member to attend classes.
 2. The work shop will last for two days: dates, Feb. 24 and 25.
 3. The work shop will be conducted by a professional teacher of hat making, Mrs. Mae Mears of the Mears School of Millinery of Fort Worth.
 4. The cost of the 2-day session will be \$5.00.
 5. Materials for making hats may be bought from Mrs. Mears. (She says the cost of a hat is difficult to estimate; so much depends on its size, type of material and trims.)
 6. Reservations are necessary and the committee asked that they be in by February 14 at 5:00 p.m. Call Mrs. Helen Carlman, 24281, county judge's office, mail your check made out to Mae Mears and Mrs. Carlman will reserve a place for you.
 7. The place: Auditorium of the Memorial Building. Time of day will be announced later.

I know of several people who are fighting to lose a few pounds that they picked up during Christmas time. This is indeed a worthy effort, and about the most effective way to meet the problem is to see that the diet is sound from nutritional standpoint and start gradually eating less volume of all foods and cutting out high calorie foods as much as possible. Vegetables play an important part in our diets and I include in the next sentence some facts which prove what all of us actually know already.

Select Vegetables For Their Vitamins . . .

To get the most vitamins for your vegetable dollar, remember these tips from food economists in the U. S. Department of Agriculture's Agricultural Research Service: You get several times as much vitamin A value from bright-orange, mature carrots as from pale-colored, young ones. Even so, young carrots are a good source of vitamin A. Choose deep-orange varieties of sweetpotatoes for highest vitamin A value. The dark-green leaves of leafy vegetables are richer in nutrients, particularly vitamins A and C, than light-green leaves. Peppers are high in vitamins A and C. If the tops of beets are attached and still tender when you buy them, cook them. They are rich in vitamin A. Turnip greens, kale, and collards are good sources of riboflavin as well as of vitamins A and C. Lima beans, peas, and young cowpeas (including black-eye peas) contribute appreciable amounts of thiamine and protein. Make full use of vine-ripened tomatoes in summer when they are plentiful and inexpensive. Tomatoes that ripen on the vine out-of-doors in summer sunlight are twice as rich in vitamin C as those grown in greenhouses in winter. Vitamins A and C are needed regularly for growth and healthy body tissues, say the food economists. And vegetables are a primary source of these nutrients.

Girls Win First District Contest

The defending 8-A champion Eldorado Eagles opened the district race Tuesday night by downing Ozona 56-20.

Christy Moore led the way as she poured in 31 points. Sophomore Marsha Mund contributed 10, Susie Scott 8, Karen Griffin 4 and Rita Rozean 3.

The Eagles held a 33-8 half-time lead. The reason Ozona was able to score only 8 points was due to superb defensive work by Frankie Blaylock who had 13 rebounds, Barbara Johnson 10, and Joan Griffin 7. Enedina Garza hauled in 5 rebounds while Paula Mace and Beth McCalla each had 1 and Mickey Phelps 2.

Score By Quarters—
Eldorado — 15 18 12 11—56
Ozona — 4 4 2 10—20
Sanderson leads the district with two wins by virtue of having played an additional game.

Eldorado To Host Rankin

Eldorado can take sole possession of first place in the district race by defeating the Rankin girls here Friday night. Eldorado girls are 1-0 in district and 17-1 for the season. Game time is 6:30.

Tuesday night the Jr. High and High School girls will go to Rock-springs for non-district games. Rocksprings is the only team to defeat the junior high and high school girls this year.

Marsha Mund, a starting forward, will miss both games due to an ankle injury received in the Ozona contest. She will probably be replaced by Karen Griffin in the line-up.

SEEKS RE-ELECTION

(Continued From Front Page)

1952 he was appointed County Attorney of Coke County. At completion of his term he was elected twice by the voters and served until 1958 when he resigned to become staff attorney in San Angelo for the State Highway Department.

The 38-year-old, 6-foot, 2-inch Dickey is a native of Waco, Texas, and one of the sons of Frank C. and Myrtle Dickey. His father, Frank C. Dickey, Sr., a long-time resident of this area, has practiced law in Runnels and Coke counties for many years and is currently County Attorney of Coke County.

Dickey received his early education in Ballinger, Texas, and graduated from high school there in 1943. He then volunteered as a Marine and served in the Marine Corps until 1946. He attended Yale University for two years as a member of the Marine Corps Officer Program and during this time was a member of the Yale University swimming team.

After war service, he completed pre-law at Yale and worked part time while attending Baylor University, where he received his law degree in 1952. While at Baylor, in addition to studying and working in the law library, on construction jobs and in the oil fields, Dickey was co-captain of the Baylor swimming team and a member of Phi Delta Phi legal fraternity. Dickey presently is a member of the State Bar of Texas and the Tom Green County Bar. He and his wife, the former Sheila Ryan of Minneapolis, Minnesota, reside at 421 S. Adams, San Angelo, with their five children. The couple have two sons and three daughters: Bob 11; Deborah, 9; Bill, 7; Bridget, 3; and Michella, 2. The three oldest children attend Sacred Heart Cathedral school. Bob was All-Conference in the 1953 Gray-Y football league.

BAPTIST WOMEN ATTEND QUARTERLY MEETING

Mrs. Weldon Davis, Mrs. Kenneth Vaughan, Mrs. Frank O'Banion, Mrs. W. N. Ramsay, Mrs. Vernon Rogers, Mrs. Fred Watson, Mrs. Raymond Hall, Mrs. Raymond Mittel and Mrs. J. B. Montgomery attended the quarterly WMU meeting in Veribest last Tuesday. The main speaker of the conference was Dr. Elizabeth Truly, a missionary at home on furlough after spending 25 years in Nigeria. She stated that more progress materially had been made in Nigeria in the last five years than all the 20 years preceding. The local WMU is making plans to have Dr. Truly come to Eldorado in the near future.

TO RECEIVE TEXAS U. DEGREE

Austin.—Nearly 400 University of Texas seniors in the College of Arts and Sciences are candidates for bachelors' degrees Jan. 25 at the close of the current semester. No public graduation exercises will be held. The degree-candidate list, made public by Dean J. Alton Burdine, includes Mrs. Mary Josephine Parker Shannon who will receive the Bachelor of Arts degree. She is the daughter of Mr. and Mrs. W. T. (Pete) Parker of Eldorado.

New Officers Elected As D.A.R. Holds Meeting

At a regular meeting of the Daughters of the American Revolution, the chaplain, Mrs. E. L. Dyer opened the chapter in the usual order. Her subject was controlling the tongue and the Scripture reading was from the 3rd chapter of James. She quoted from a Sioux Indian as follows: "Great Spirit, help me never to judge another until I have walked two weeks in his moccasins." During the business session, in which Mrs. Ernest S. Goens, Regent, presided, following officers were elected:

- Regent.....Mrs. Ernest S. Goens
1st Vice Regent.....Mrs. J. B. Montgomery
2nd Vice Regent.....Mrs. Elizabeth Powell
Chaplain.....Miss John Alexander
Secretary.....Mrs. J. E. Hill
Treasurer.....Mrs. W. F. Meador Sr.
Registrar.....Mrs. Luke Thompson
Historian.....Mrs. L. M. Hoover
Librarian.....Mrs. V. G. Tisdale
Permanent Board Member.....Mrs. W. O. Alexander

The Registrar reported that the National Society had approved the papers of Mrs. S. S. Shanklin of Rocksprings and she is now a member of this chapter.

The Regent read the message of the President General for December; and a letter from the State Regent stating that a bronze plaque had been placed at Warm Springs Foundation at Gonzales. Mrs. Ernest Hill read a report for National Defense which stated the views of Dr. Max Rafferty, state superintendent of schools in California. He explained the difference in the present method of teaching called "Progressive Education" as against the kind which the majority of parents and patrons want installed known as "Education in Depth."

Miss John Alexander reminded the members to display their flags Feb. 2nd. In the program which followed, Miss Ruth Baker was leader; and Mrs. J. B. Montgomery read an interesting paper about "Indian History and Customs", which traced the Indians from the Bering Strait southward on down through South America. She explained the early family groups, culture, architecture, irrigation systems, and customs. Pie a la mode was served by the hostesses to the 13 members who were present.

NEW IN ELDORADO

Mr. and Mrs. Leslie Davis moved to Eldorado the last of the week from Haskell, Texas. He is employed by Service Pipe Line Co. as a machinist and has been with the company 23 years. They lived in Haskell 12 years before moving to Eldorado.

They have a daughter, Nancy Davis, who is a sophomore in high school. She enrolled in the local high school Monday morning.

BROWNIES HAVE MEETING

The Second and Third Grade Brownie Troop No. 153 met at the Corral Tuesday. There were 12 girls and one leader present. The girls worked on the lunch boxes and decorations for the Dad-Daughter Banquet. Refreshments were served by hostess, Melody Davis.

Tom Carroll Sells Laundry At Ozona

Mr. and Mrs. J. T. Carroll recently announced sale of their Sno White Laundry in Ozona to Tommy Thorp of Thorp's Laun-Dry of Ozona and Sonora.

Mr. and Mrs. Carroll have operated the laundry business in Ozona for the past 12 years. He is a brother of Vernon Carroll, and Mrs. Tom Carroll is a sister of Mrs. Vernon Carroll and the two Mrs. Hazelwoods, all of Eldorado.

The Tom Carrolls sold only their equipment, retaining the building. Mr. Thorp has not announced his plans for the operation.

As for the Carrolls, Mrs. Carroll stated that she was going to rest and visit her children and grandchildren, and Mr. Carroll announced that he was "going fishing with Claude Russell", recently retired as ACS manager at Ozona. The Carrolls' further plans for the future are indefinite at this time.

HODGES ATTEND FUNERAL

Mr. and Mrs. N. G. Hodges were in Albuquerque, N.M., last week where they attended funeral services Thursday for his brother-in-law, John L. Hilliard.

Also attending was Mrs. M. A. Thompson of Round Rock and Mr. and Mrs. Carl Clark of Houston. Mrs. Hilliard is a sister of Mr. Hodges and Mrs. Thompson, and Mrs. Clark is a niece.

GAULTS ATTEND FUNERAL

Mr. and Mrs. Joe Gault and Cissy and Marchia were in Brady last week end where they attended funeral services for Mrs. Gault's uncle, J. F. Taylor.

Mr. Taylor made his home at Stacy. His funeral was held Saturday afternoon in Brady and interment was made in a cemetery there.

OLD HOUSE BROUGHT IN

Fred Watson recently had the old house moved in from the Keele place about two miles northwest of town on the Mertzon highway.

Mr. Watson plans to mount the house on new foundation in "Little Mexico" and later have it for rent or for sale.

Lawrence Dannheim now owns the Keele place and is living in a new house there.

Elected New President Of West Texas Utilities

S. B. PHILLIPS, Jr.

Executive changes in West Texas Utilities Company's management were announced following a meeting of the Board of Directors on Monday, Jan. 13.

Effective March 1, S. B. (Si) Phillips, Jr., will succeed Cal Young as president. Also, J. F. Longley was promoted to Executive Vice President.

Si Phillips, a Vice President since 1960 and an employee since 1939, will succeed Cal Young as the chief executive of the company. Young, who reaches the mandatory retirement age of 65 of February 27, will be elevated to Chairman of the Board. Phillips was also elected to the Board of Directors.

Young in commenting on Phillips' election as president said, "I feel he is bringing to this position the youth, vigor, and ability it needs. He is well qualified and will make a very able president."

Phillips was born in 1915 in Portland, Oregon, and later moved with his family to Newton Center, Mass. He is a graduate of Phillips Exeter Academy and holds a Bachelor of Science from Harvard University.

Before joining WTU at San Angelo, Phillips worked with Commonwealth Edison Co. in Chicago. Phillips brings to his new position a wide and varied experience in WTU's operation. He has worked in the District Office in San Angelo, at the Concho Generating Station, and directed the work of the Western Division of WTU's Farm and Ranch Development Service. Phillips, while in the Western

Notice To Parents of School Age Children

The school census for Schleicher County is now being taken. All children who are six years old on or before September 1, 1964, but will not be 18 or older on or before that date should be counted in this census. It is important that all children six to 18 be counted in this census. The child should be counted even though he may not be in school and even though he may be married.

If you, as a parent, have not received and filled out a school census blank on or before January 31, you are being overlooked and should contact one of the following school principals:

Division, assisted in the Industrial Service until 1952 when he was promoted to District Manager of the Big Bend District with headquarters in Marfa. He served there for five years before being transferred to Abilene in 1957 as an administrative and executive assistant in the General Office. As a Vice President, Phillips had been responsible for the supervision and direction of the Personnel, Insurance & Safety, Purchasing and Stores Departments.

A veteran of World War II, he enlisted in the Army Air Corps at Goodfellow Field, San Angelo, in 1941. He served at the Pentagon in Washington and in the China-Burma-India theater. He was re-

leased from active duty as a Major in 1946.

In San Angelo, Marfa, and Abilene, Phillips has established a record as an active participant in community life and civic work. He married the former Frances Rau of San Angelo and they have four children, three daughters and a son.

Longley has been with WTU since 1926. Coung's career in the electric field spans more than 42 years. He joined WTU in 1924 and has served as president of the company since August, 1955.

WTU serves 166 towns and communities in an area extending from north of Shamrock to the Rio Grande in the Big Bend coun-

ty. Operating in 50 West Texas counties, the company provides electric power for more than 118,000 customers.

Annese Conner And John Dyer Exchange Wedding Vows

Annese Conner, daughter of Mr. and Mrs. Earl Conner of Portales, New Mexico, became the bride of John E. Dyer of Portales, and the son of Dr. and Mrs. E. L. Dyer of Eldorado, in a beautiful candle-light ceremony in the First Presbyterian church at Portales, New Mexico, Tuesday evening, December 31st. Rev. Homer C. Akers, pastor of the church was officiant for the double ring ceremony.

The church altar was flanked with two seven-branched candelabra, filled with white candles, laced with emerald leaves and pink stock, centered with a large white bow. In front of the altar was a white kneeling bench covered with white satin.

Mrs. Ernest Dean played pre-nuptial music and accompanied the soloist, Paul Kohler, as he sang "Bless This House" and "The Lord's Prayer."

Mrs. W. C. Van Winkle of Carlsbad, New Mexico, a sister of the bride, was matron of honor. She was dressed in a pink silk organza ballerina length dress with a white venise lace motif and a petal-like head piece with circular veil. Her bouquet was of white stock.

The bride was given in marriage by her father. She was attired in a ballerina length gown of chantilly lace over satin, fashioned with a slit neckline, and a long fitted torso, extending in pleats at the waist line. Center of the skirt was a satin panel underlying the pleats. The lace bodice was fastened with small satin buttons ending in points over the hands. The bride's waist length veil of illusion was attached to a pearl crown and she carried a bouquet of feathered carnations on her white YWA Bible. The bride's only jewelry was a single strand of pearls.

James H. Turner of Portales, New Mexico, served as the groom's best man.

For her daughter's wedding, the bride's mother wore a beige lace dress with camel tan accessories. She wore a pink carnation corsage.

The groom's mother wore a navy blue chiffon dress with navy accessories. She also wore a pink carnation corsage.

The reception was held in the Fellowship Hall of the church following the ceremony. The table was laid with a heavy beige lace cloth over a pink linen cloth. A beautiful arrangement of pink and white carnations and candles centered the table, and the tiered wedding cake, decorated with pink roses and white swans, was topped with a miniature bride and groom. Miss Mary Dyer of Ft. Collins, Colorado, presided at the punch bowl while Miss Alice Dyer of Eldorado served the cake. Both young ladies are sisters of the groom. Miss Linda Chumbley registered the guests for the wedding and also assisted Mrs. Doris Fleming with hostess duties at the reception.

For her going away ensemble, Mrs. Dyer chose a cranberry red suit of loop wool, with which she wore a pink neckscarf and hat. Her corsage of white feathered carnations was taken from her bridal bouquet. Her shoes, gloves and purse were black.

After a wedding trip to points of interest in New Mexico, Mexico and Texas the couple are at home in Portales, New Mexico.

The bride, a graduate of Elida High School, has been employed by J. E. Boothe, at the Roosevelt County Abstract Company, in Portales, for over six years. While in high school, the bride was active in school activities, and a member of the FTA, FHA, Rainbow Assembly No. 22, and YWA.

The groom following his graduation from Kerrville High School, at Kerrville, served two years in the U. S. Army before entering college. He received the degrees of Bachelor of Science in 1961 and Doctor of Veterinary Medicine in 1963 from Texas A&M College. Upon graduation from the school of Veterinary Medicine, he accepted employment with the Department of Agriculture, Animal Disease Eradication Division and is stationed at Portales, New Mexico.

Out of town guests included Dr. and Mrs. E. L. Dyer of Eldorado; and Ernest K. Nimitz, Socorro, N. M.; and the Dr. Dennis Blackburn family of Dimmitt, Texas.

Reynolds H. D. Meets

The Reynolds Home Demonstration club was held in the home of Mrs. H. A. Belk on January 14th with 12 members and five guests, Mrs. James Alexander, Mrs. G. Draper, Mrs. Warrington, Mrs. W. V. Lux, Mrs. C. Sauer, and Mrs. Kreklow, present.

The new president, Mrs. J. Tom Williams, presided. Mrs. Cecil Williams gave the council report.

Mrs. Kreklow gave an interesting demonstration on color in interior design. Delicious refreshments were served by the hostess.

The next meeting will be Mrs. W. E. DeLong on Feb. 11th.

Over 50 tons of a certain tranquilizer pill are manufactured and used each month in the U. S.

Bridal Shower Will Honor Mrs. Skaggs

MRS. HAROLD SKAGGS, JR.
(the former Judy Hext)

The James Page residence in Sunset Acres will provide the setting for a bridal shower to be given Saturday afternoon in honor of Mrs. Harold Skaggs, Jr., a recent bride. Calling hours will be from 2:00 to 4:00 o'clock and hostesses will be Women of the Presbyterian Church. The bride is daughter of Mr. and Mrs. Jack Hext.

Johnny Faull To Marry In Sterling City Saturday

MARSHA STEWART

The engagement and approaching marriage of their daughter, Marsha, and Johnny Faull of Eldorado, has been announced by Mr. and Mrs. Nolan Stewart of Sterling City.

The couple are to be married this Saturday evening, Jan. 25th, at 5:30, in the First Baptist church at Sterling City. The parents of the prospective bridegroom are Mr. and Mrs. Howard Faull of Anaheim, California, formerly of Eldorado.

Following their marriage, the couple will be at home in Midland where he is employed with LaCasa Builders. He graduated from Eldorado High School with the class of 1961.

CANDIDATE FOR DEGREE

Edw. Jackson Named To San Antonio Committee

San Antonio.—An Eldorado livestock leader has been selected to serve as a member of the San Antonio Livestock Exposition's General Livestock Committee for the 15th Annual Stock Show, February 7th thru 16th.

Named was Edwin M. Jackson who will serve as a member of the Committee's Wool and Mohair Division.

The appointment was announced by Mark L. Browne, chairman of the General Livestock Committee and 1st Vice-President of the San Antonio Stock Show. The 15th Annual Stock Show will be held Feb. 7th thru 16th, at the Joe Freeman Coliseum.

Along with other committee members selected from leaders in Texas' livestock industry, he will assist in encouraging livestock breeders and rural youngsters to participate in the 1964 San Antonio Livestock Exposition.

Food Plentiful Are Listed For February

College Station.—A wide variety of foods in good supply at economical prices is available to help appease hearty winter appetites.

Especially abundant are eight items that make up the February list of plentiful foods, reports the Texas Agricultural Extension Service.

Broiler-fryers and pecans are featured on the list, as compiled by the Agricultural Marketing Service in cooperation with producers and the food trade. Other February plentifuls are beef, pork, canned corn, potatoes, canned ripe olives and apples.

With an all-time record 290-million pound pecan crop still moving to market, pecans should be a good buy all month. Broiler-fryer prices are expected to drop even below last year's record February low, as marketings increase.

Fed cattle prices were running more than \$6 per hundred below last year, the lowest since 1956, and not much improvement is expected until spring. Heavy pork supplies through February are expected to keep prices low. In December, hog prices were the lowest for that time of year since

Record-high stocks of canned corn—whole, creamed and on the cob—are the result of three consecutive years of heavy packs. Many stores are running canned corn specials. A heavy fall potato crop will continue to provide large supplies for home use. Apples are

keeping well and remain plentiful. And the year's supply of canned ripe olives totals 3.5 million cases. The largest amount moved in any previous year was 2.4 million cases. So check the plentiful as you shop. The list is your guide for providing more food for your grocery dollar.

AS YOUR FORD DEALER FOR ELDORADO AND SCHLEICHER COUNTY

It was just one year ago that I purchased the local Ford establishment from George Humphrey, and I wish to thank you for the support and good will you have given us since that time. When I became your Ford dealer, I stated in an advertisement in the Success:

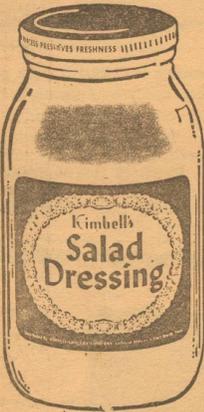

"It is my intention to provide Ford sales and service of the same high standard to which you have become accustomed under my predecessor and I trust that I will be able to merit a continuance of your generous patronage."

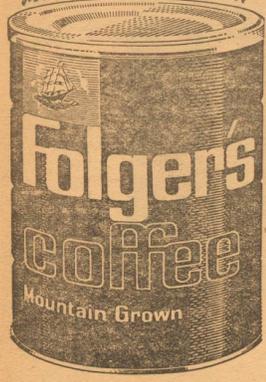

This is a fitting time to re-state that pledge as I prepare to start my second year. So whether you are in the market for one of the all-new '64 Fords we have, or whether your present car needs attention in our service department, you are invited to keep coming here throughout 1964. It is a pleasure to serve you and we are certain now that our confidence in Schleicher county is well placed.
