Hospital Directors Taking Title To Grounds This Week

Perhaps by the time this paper is being read the Schleicher County Hospital District directors will have paid for and assumed title to the land on which the hospital will be built.

The four principal property owners—Turnbow, Bradshaw, Townsite Co., and Congregational Methodist Church, have been ready for the past six weeks, and the directors have been ready also, but some minor technical matters involving the Highway Dept., has stalled closing of the deal. In a three-hour meeting Monday night it was agreed that checks for each of the property owners would be left at the First National Bank Tuesday to be delivered upon receipt of properly signed deed from each of the owners.

With this hurdle out of the way, Architect Don Goss will be given the go-ahead on his job of making specifications for foundation and drainage and it is estimated that he will get out final plans for submission to contractors by the latter part of December.

While there has been this delay in taking title to the land, the time has not been altogether wasted. Floor plans for the institution were approved some time ago, and at Monday night's meeting Consultant Tol Terrell came before the board with a detailed floor plan and stated that he was ready to "finalize" actual orders for nearly all supplies for equipment.

The meeting was called to order at 7:00 o'clock with all board members present except Ed Meador. Consultant Tol Terrell was present along with Curtis Herridge, representing a supply house. Clinic Owner Eldon Calk was also present.

The first two hours were spent with the matter of placing orders for equipment for the various rooms. Consideration was given to equipment existing in Calk's clinic and it was agreed that such usable items would be purchased. Orders are already being placed for some new equipment and shipments may begin arriving in a few weeks to be stored in a warehouse.

Architect Don Goss was not present at Monday's meeting, but Tol Terrell, who has been working closely with him, declared that the overall plan of the hospital was a "honey", that it would be over 17,000 square feet and would be built and equipped for within the amount originally voted, \$450,000.

Schleicher County tax payers traditionally pay the major part of their state and county taxes in October in order to take their 3% discount. Hospital secretary Ronnie Mittel revealed that \$43,848.19 had already been deposited to the district, and some of the money has already been placed on time deposit at five per cent interest.

The Hospital District is petitioning the City of Eldorado to pass an ordinance to close unused streets which will be a part of the hospital grounds.

In fact, Monday night's meeting disposed of a number of delaying problems and the feeling at the meeting was that they are now getting ready TO GO!

Make-It-Yourself-With-Wool Contest Set Here Dec. 2nd

The annual Make-It-Yourself-With-Wool competition for District 5&6 is scheduled for Saturday, Dec. 2, at Schleicher County High School in Eldorado according to the District Director Mrs. Henry Speck, Jr.

Judges for the contest will include Jim Downey, E. G. Jackson, Mrs. Baylis Pope, Mrs. J. C. Sturges and Liz Honea, all of San Angelo and Myra Tankersley of Mertzon.

Mrs. James Hunt of Sonora will be commentator for the show and Mrs. John Mittel, also of Sonora, will be fashion coordinator for the style show at 3:30 p.m. Over 100 contestants will model their self-made garments in the fashion show. The public is cordially invited to attend.

Prior to the 8:00 o'clock competition, Mrs. Jim Martin and committee will host a coffee for contestants in the band hall. Mrs. J. T. Jackson and committee will host a coffee for parents and sponsors of contestants in the school library.

The four divisions include Adults (over 21), Seniors (17-21), Juniors (14-16) and Sub-Deb (10-13). Sub-debs may enter jumpers or skirts. Juniors, Seniors and Adults may enter two-piece suits, coats or dresses.

Junior and senior winners will receive an expense-paid trip to the state competition Jan. 5 in Nacogdoches. Winners in that contest will compete for national honors Jan. 29 in Dallas. This year's national winner will tour Rome, Athens, the Greek Isles and Madrid.

Counties included in Districts 5 & 6 are Bandera, Crockett, Edwards, Gillespie, Kendall, Kerr, Kimble, Kinney, Real, Schleicher, Sutton and Val Verde.

Rusty Meador Presents Program To Lions

Rusty Meador gave a musical program at the meeting of the Eldorado Lions Club the day before Thanksgiving.

Fred and Flora Riley served turkey and dressing with all the trimmings.

Bill Rountree presided.

The club is looking into the matter of sponsoring a Christmas decorating contest again during the coming holiday season. This contest has been put on for a number of years. Further arrangements will be announced as they are worked out.

Elnora Love is showing her line of Christmas goods this Sunday.

Post Script

Thanksgiving Is A Holiday

Today, Thursday, is Thanksgiving and is a general holiday. Neff's Cafe and Java Junction will be open to serve traditional fare to those who don't care to cook a big meal. There may also be a service station or two open.

Otherwise all stores and offices are closed.

The school closed at 2:30 p.m., Wednesday, and is taking both Thursday and Friday as holidays, which will make a four-day week end. City Hall is also closed both days, and so is the Court House.

—ps—

In many homes across the nation today, there's a vacant seat at the dinner table. It seems like yesterday, when the high chair was put up in the attic, and he sat down at the table for the first time, propped up with a few pillows.

As he began to grow tall, he talked about many things. He would be one day a policeman or space scientist, professional ball-player or a college professor. The world was his oyster.

His adolescent years passed quickly—high school days had come and gone—and suddenly overnight he became a man—for Uncle Sam beckoned and approved.

His turkey dinner with all the fixings will not be the same as ours. The Viet Cong may not wait. We'll miss his infectious grin—his kidding around with the rest of the family—no, he is on serious business now.

To those families with the empty chair, words are inadequate to express the feelings of a family separated by war.

What all of us can do, when we sit down to that traditional Thanksgiving Day feast, is to pause, give thanks to the Supreme Being and pray that a safe return may be granted to those absent and that peace will come to the world.

And as George Washington proposed in his Thanksgiving Day proclamation in 1789 thanks for constitutional government, let us hope that the governments of the world may become servants and not masters of the people.

—ps—

As of Monday morning, there had been 540 voter registrations in the Sheriff's office.

County residents are reminded that older voters, those 60 and older, are now required to register to vote in 1968.

—ps—

The following article is re-printed from the Texas Press Messenger, Austin:

TOWNS FADING, PUBLISHER SAYS

During the next 15 years, 270 towns will fade from the map, according to James Roberts, publisher of the Andrews News and president of the Permian Basin Railroad. Roberts was the speaker at the annual banquet of the Crane Chamber of Commerce.

"Towns in West Texas are going to have to climb on the same horse and ride off in the same direction," Roberts said. Crane alone can't save Crane and Andrews alone can't save Andrews, he told his audience. We have a good life now. We have gas and oil to carry us 20 or 30 years, but what then? It's time we found out what minerals are in the soil besides oil and gas.

"Towns in the Permian Basin have one thing in common. There is usually one town in the county, one school district, and we are not

Notified Of Death

Charles Wimer received word Monday night of the death of his father-in-law, Mr. P. M. Church of South Haven, Kansas. Mr. Church was the father of the late Mrs. Wimer who died two months ago. Mr. Church had visited in Eldorado with the Wimers at various times.

Mr. Church is survived by two sons, Basil and Dale Church of Wellington, Kansas, and a daughter, Mrs. Harold Knox of South Haven, Kansas.

Also surviving are 12 grandchildren and 20 great-grandchildren. Mrs. Tom Stewart of Eldorado and Mrs. Bill Gunstead of Eldorado are two of the grandchildren.

Funeral services for Mr. Church will be held Friday afternoon in Wellington, Kansas, followed by interment in a cemetery near South Haven.

growing and providing jobs for our young people," he emphasized. "Growing should be important to everyone, especially to taxpayers and homeowners."

Roberts said he thought the universities should take the lead in finding out what lies below the surface of West Texas land. Using Pecos county as an example, he said geologists knew there was sulphur in Pecos county 30 years ago, but never told anyone about it. "Why shouldn't we employ a geologist to tell us about the soil below the surface? It could be vital to our modern civilization and possibly the key to our growth in future years."

Roberts is a second-generation publisher at Andrews.

—ps—

In order to bring everyone up to date on our future doctor, you will remember that we reported recently that Dr. Brame had been here and had rented the large Claude Meador house, and had also leased the clinic building from Mr. Calk.

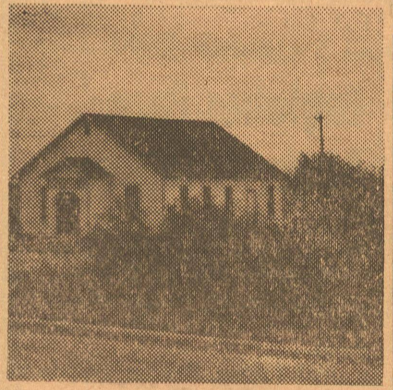

He also engaged Sybil Kinser as his nurse and has charged her with the responsibility of having the clinic in readiness for his practice which he says will be January first. Sybil has been given authority to go over the clinic in detail and to place orders for any and all supplies.

In a letter to this paper this week the doctor reaffirms what he had already told when here—

"My last obstetrical patient is due December 24th. If all goes well, we should be there between Christmas and New Years."

—ps—

In connection with all our hospital talk it is understood that as soon as all deeds have been signed the Board will offer for sale this church building which is located on the property.

Here is the building. It is 28 feet wide and 40 feet long, not counting the vestibule in front. This information is published for the benefit of prospective buyers and is not a notice of sale. When they are ready to sell it the Board will probably call for sealed bids.

Re-Classifications For Draft Announced

Below is a list of the Schleicher County Registrants classified at the last local board meeting:

- George W. Draper, Jr. ----- I-I-S
- Ronald J. Griffin ----- I-S(C)
- Johnny W. Stigler ----- I-A
- Gary K. Donaldson ----- IV-A
- Larry E. Donaldson ----- IV-A
- William W. Jarrett III ----- I-I-S
- James F. Belk ----- I-I-S
- Richard E. Preston II ----- I-I-S
- Albert D. Lukes, Jr. ----- I-Y
- Harry S. Mercer ----- IV-D
- Garland W. McGinnes ----- I-A
- Truman D. Lux ----- I-I-S
- Gerald W. Stigler ----- I-I-S
- Jessie J. Bosmans ----- I-I-S
- Joseph C. Phillips ----- I-I-S
- Carlos M. Muzquiz ----- I-C-Enl
- Walter S. McGregor IV ----- I-I-S
- Stephen L. Blaylock ----- I-I-S
- Joe M. Edmiston ----- I-I-S
- Daniel K. Richardson ----- I-I-S
- Gordon D. Schrank ----- I-I-S
- Don C. Taylor ----- I-I-S
- Robert M. DeLong ----- I-I-S
- Jay F. Halbert ----- I-I-S
- Ramiro E. Barajas ----- I-A
- Lee E. Dacy ----- I-A
- Rodrigo V. Gomez, Jr. ----- I-A

SONORA BOOT MAKER DOWN WITH ILLNESS

Trinidad Ramirez, proprietor of the popular Sonora boot shop, writes that he has been unable to work for the past two weeks, and that it will be another 3 weeks before he will be able to get back on the job. According to his note he had undergone surgery.

Another Application For Package Store Permit

On page 4 of this issue appears application from Cramer Sofge for permit to open a package store on his property on the Menard highway.

Last Saturday the Sofges bought back the grocery business from Mrs. Shipman and will operate it in connection with the package store.

An addition 40 x 14 is being built adjoining the grocery for the package store and will include a rest room 10 x 11 feet. C. L. Martin is in charge of construction and other workers are Jesse Cavness and Ernest Sweatt, Jr.

Golf Club Launches Women's Auxiliary

"We've got 40 paying members and we need 60 to break even," so said Ernestine Hext, secretary of Eldorado Golf Club in a directors meeting November 15th. And so what did they decide to do?

They decided to organize a women's auxiliary and start a fire under the project.

The first meeting was held the next day with 15 women present and they promptly went to work. First they took charge of the concession stand and gave it a thorough tidying up and began serving coffee. It was agreed they would operate it from 2:00 to 5:30 each day except Monday, and are appealing for more volunteers to help in this phase of the work.

An organizational meeting has been set for Thursday, Nov. 30 at 2:00 p.m., in the auditorium of the Memorial Building. All women interested in the Women's Golf Club are urged to attend. You don't necessarily have to be a golf player to join. Officers for the auxiliary will be elected at next Thursday afternoon's meeting. Nominations will be made for president, vice-president and secretary-treas. Committee chairmen will be appointed for publicity, membership, rules, etc.

The ladies, it seems, are already fired up and going to town.

Ralph Waldron is president of the Eldorado Golf Club and at the November 15 meeting appointed the following committees:

Greens work: C. W. Adams, Bob Bland, Jack Hannis, Bailey Rogers, Pat Wester.

Finance: Dick Preston, Bob Bradley, Pat Enoch, Weatherly Kinser, Dot Ratliff.

Rules: Jack Hext, Paul Page, Howard Derrick, J. C. Ratliff.

Results of a recent women's tournament will be found in another column under the heading of "PAR-TEE."

New Rules Set By Water Commission

The Texas Water Rights Commission announced last week that it has begun distribution of reporting forms required by the Water Rights Adjudication Act of 1967.

Persons using public surface water in Texas for any purpose other than for domestic or livestock uses without a permit are required by recent legislative action to file a sworn statement with the Texas Water Rights Commission for recognition of their claim. This must be done no later than September 1, 1969.

The Water Rights Adjudication Act, effective August 23, 1967, provides that all claims of water rights must be recorded with the Water Rights Commission. These claims must be valid under existing law and will be limited to actual use. All water rights are to be adjudicated and administered by the Commission "to the end that the surface water resources of the State may be put to their greatest beneficial use," to quote the new law.

This Act will not affect users of ground water. Users of surface water for domestic or livestock purposes only also will not be affected. The new law applies to and may limit claims to riparian waters, waters diverted or impounded for use other than for domestic and livestock purposes, "... claims to water rights under the Irrigation Acts of 1889 and 1895 which were not filed with the State Board of Water Engineers in accordance with the Irrigation Act of 1913, as amended..." and all other claims to water rights for which permits or certified filings have not been granted.

A legal notice is printed on page 4 of this Success issue.

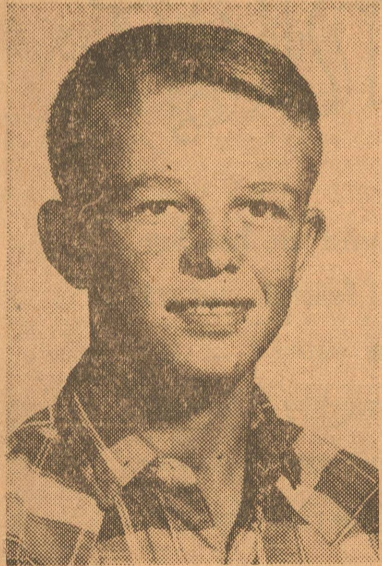

RONNIE MOTLEY WOUNDED

Mrs. Gloria Cavness has received word that her son, Ronnie Motley, was wounded recently in Vietnam and is now convalescing in a hospital.

He is expected to remain in the hospital for several weeks and would be glad to receive cards or letters from any of his friends. His address is:

Sr 4 James R. Motley

Task Force McDonald
APO
San Francisco, Calif 96238

Archie Nixon Is Gold Star Boy

ARCHIE NIXON

Archie Nixon, son of Mr. and Mrs. E. H. Nixon, Jr. has been named the Schleicher County 4-H Club Gold Star Boy for 1967.

Archie has been in 4-H Club work for 4 years and compiled an outstanding record in calf and swine feeding.

In 1966 Archie showed the first place senior calf in the carcass class at the San Antonio livestock show. This calf won first on hoof and after slaughter was judged champion Hereford carcass. Archie also showed the reserve champion carcass of the show.

1967 was more or less a repeat year for Archie having the champion Hereford on hoof and the champion Hereford carcass of the show.

Archie showed champion gilt of Schleicher County show in 1967. He has won first places in grooming the past two years and placed well in showmanship.

This is part of the Archie Nixon story. Archie plans to enter calves and swine in the 1968 shows and participate in judging events in 1968.

Archie Nixon, Jr. and Nan Sauer will be honored with District 7 winners from 22 surrounding counties at the annual Gold Star Luncheon at the Cactus Hotel on November 29 where the West Texas Utilities Company will host 4-H boys, girls, parents, adult leaders and County Extension workers at 12 noon.

IN THE THANKSGIVING TRADITION...

GIVE THANKS...

FOR THE PRIVILEGE OF LIVING IN A FREE LAND!

... Give thanks, for the integrity and high ideals which carried our forbears through rugged times—and can do the same for us! A sincere thank you to the people of Schleicher County who have given First National a year of growth for which we are indeed grateful!

asked if there was any old or new business. Our leader, Mrs. Blair, said that the cookies we made were mailed overseas to Orphans Home for Christmas. —Rep., Vicki Mika.

F.F.A. BOYS 3RD IN CONTEST

The Eldorado FFA Chapter Sr. Farm Skills team placed 3rd at the Area Contest held in Big Spring last Saturday. The team members were: Ross Whitten, Hyman Sauer, Roy Mack Hawkins, and Allan Sallee.

The boys performed by giving a demonstration of the proper method of freeze branding an animal.

Eaglettes Open With 57-31 Win Saturday

Last Saturday night the Eldorado Eaglettes opened their 1967-68 Basketball campaign with a 57-31 trouncing of Class AAA Del Rio. The Wildkits had only seven girls suited up and three fouled out late in the game. So Coach Jack Bell asked that the Del Rio girls be allowed to return to the game rather than play with less than the required number. One Del Rio starter was out with an injury while three other team members were with their high school band. Thus, the return game in Del Rio, February 3, should be more interesting.

All this, however, does not take anything away from the performance of the Eaglettes who took a very quick 19-4 first quarter lead on the scoring of Susan Mobley, Libby Preston and Arlene Hartgraves and the defenses of Chris Edmiston, Sherry Yates and Donna Davis. Nearly every girl played in four quarters as the green took a half-time lead of 35-18.

In the third quarter it was Susan Hill, Susan Mobley and Stella Hubble leading the way along with the same defensive group. The final stanza saw Arlene Hartgraves, Dale Montgomery, and Stella Hubble leading the way along with excellent defenses by Randy Yates, Lisa Whitten and Billie Gayl Blaylock. Both Donna Davis and Shirley Hubble got to see limited action at guard.

Scoring for the game was very equal with everyone playing almost equal time. Libby Preston had 13, Arlene Hartgraves and Susan Mobley, 12 each, Stella Hubble 8, Dale Montgomery 7, and Susan Hill 5. Susan Mobley played an outstanding game as she also got 8 rebounds. Libby Preston was most accurate from the free throw line making 7 of 11. Defenses were led by Chris Edmiston and Randy Yates with 7 rebounds each followed by Sherry Yates with 6, Billie Gayl Blaylock 3, and Lisa Whitten and Shirley Hubble 1 each. The team hit a good 40.5% from the floor but were below par on free throws making only 17 of 33 for 52%.

Coach Bell felt that the team moved well, played well defensively at both forward and guard but need to get their eye on the basket better. Every player got invaluable experience in getting to play so much.

Since most of the girls were part of the Eagle Band which had been rated number 1 that day the victory was icing on the cake!

Scoring:
Eldorado — 19 16 16 6—57
Del Rio — 4 14 2 11—31

Eaglettes Face Angoras Tuesday

Next Tuesday, Nov. 28, the Eldorado girls basketball team will make their annual trip to Rocksprings for an action-packed contest with the always tough Angoras.

Rocksprings has an experienced group of girls with two senior forwards in Candy Gentry and Marsha Nunley, plus an experienced guard, Jimmie Wittenburg graduated but her sister, a sophomore, has taken the spot, and the other two guards will probably include Charlotte Whittle, a senior, and Jan Martin, a junior. Regardless of classification these girls all have experience and ability plus a desire to beat Eldorado. The Angoras last whipped a green and white team in 1964 in Rocksprings and since then the Eaglettes of Coach Jack Bell have taken six straight wins.

Perhaps from all this you wonder why Eldorado would bother making the trip with the red and white having so many strong points. However, a look at the Eaglettes show the mto be a fairly strong aggregate themselves with 5 starting seniors who have no ideas about allowing Rocksprings to break a nice winning streak. Both teams possess height, speed, desire and over-all ability to hit the basket. With all this in mind it should be a fine game but a hard fought one and one that no one will want to miss.

The Eaglettes will take the court at 6:30 followed by the boys. The Eaglettes are seeking their 3rd win against no losses.

Troop 150 Meets

Troop 150 met at 3:25 p.m. on Monday the 20th of November. We had refreshments served by Miss Vicki Rowe. We split into patrols and went on a scavenger hunt. All the girls agreed the hunt was fun. —Sandra Kreie, Reporter.

GERALD HARTGRAVES NAMED NATIONAL ANGUS DELEGATE

Gerald B. Hartgraves, a registered Angus cattle breeder from Eldorado, was elected to represent members of the American Angus Association from Texas at the annual meeting of the national beef registry organization on November 20 in Chicago.

Texas is one of the top ten states in the nation in Angus registration.

Susan Mobley Leads Eaglettes To Victory

Susan Mobley poured in 27 points last Monday to lead the Eaglettes to a 60-41 victory over the Nueces Canyon Panthers. Susan Hill and Libby Preston were right there to hit in double figures making 12 each plus 6 by Arlene Hartgraves, 2 Dale Montgomery, and 1 Stella Hubble.

As a team they hit 61% of their shots the first half before slacking off to 45% the second half. The three starting forwards were indeed hot as Susan Mobley connected on 11 of 18 tries, Libby had 6 of 11 and Susan Hill had 4 of 7. The free throws again were a source of concern as Eldorado made only 12 of 22 for 55%.

The Eaglette guards performed in a nearly flawless manner as Chris Edmiston, Sherry Yates, and Donna Davis held the Blue and White to only 11 points in the first half. Chris netted 17 rebounds for the night with Donna getting 8 and Sherry 5. Billie Gayl Blaylock and Randy Yates got 1 each. Nueces had scrimmaged Rocksprings a couple of times and played split wins each taking victory at home.

The Nueces girls had a good eye for the basket and hit well anytime Eldorado let up.

It took an all out consistent effort to beat them.

The Eaglettes are 2-0 and looking for victory in Rocksprings on Tuesday.

Scoring:
Eldorado — 18 16 10 16—60
Nueces Canyon 8 3 16 14—41

B's Win 32 To 19

The Eaglette "B" team hit a tall Nueces Canyon team with a storm Monday night and beat them 32-19 after a 19-6 half-time margin. Monday it was Linda Derrick who led the scoring with 14 points followed by Sheila Murr with 7, Peggy Hill 5, Kathleen O'Harrow 4, and Sheri Roberts, 2.

The real story took place at the guard end because it was a combination of Mary Lynn McCalla, Claudia Meador, Sheri Roberts, Vicki Preston and Lisa McAngus who did the most damage. Mary Lynn had 18 rebounds for a good night's work. Lisa McAngus did a

fine job outside as did Sheri and Claudia. Vicki Preston played her best game ever in putting the stops to a tall 5' 11" forward who had been plunking them in during the first quarter. Every "B" girl got to play and did a good job. The team hit 31% from the floor and 48% on free throws. The "B's" do not play again until December when they go to Menard.

Home Demonstration Agent's Column

By MRS. VIDA KREKLOW

Hats off to Home Demonstration Club women of Schleicher county! With their usual well organized efforts the group had finished a highly successful food sale by noon last Friday and for another 12 months we will be financially secure.

Our greatest need for money comes each September when three delegates from the county attend the State Convention of Texas Home Demonstration Women. The 1968 meeting will be in Brownsville and it is just possible that we may have to put forth another effort or so to make a little more money because a bus ticket to Brownsville is rather expensive; so are motels and so is food.

Club women are indebted to Parker Foods and Hext Foods for the use of their food markets from which the baked goods were sold. Ready made locations are wonderfully convenient and pleasant and we know that our merchants contributed to the success of the day. We thank them.

There has been a pleasant reaction to the "Holiday Recipe" leaflet which was mailed from my office as a part of our educational plan for Consumer Week. I have no set mailing list, usually using the registers from previous Extension meetings, and if by chance you did not get the sheet of recipes and directions for preparing the turkey and trimmings, please call me at 2715—one will be in the mail the day of the call.

There is a pecan recipe in this set of instructions which I have chosen to call the "San Saba Original." It is the same one which is above my name in the first Methodist cook book but I did not originate it, I wish I had.

This is the first pecan pie I remember and one of the world's finest cooks, Mrs. Marjorie Mallory of San Saba, gave it to me.

Mrs. Mallory also gave me a recipe for mint creams which is virtually the same that appeared in the Sunday San Angelo Standard Times on November 12. If you are looking for something mighty good just try them.

In my teaching days in San Saba the world was not so much with us then and we took time to do some of the fun things of life. I remember many Saturdays before Christmas when my Senior Home-making girls and I would meet at the High School for a big fruitcake making. One Saturday we made, baked and the girls took home 80 pounds of fruit cake; each girl brought her own ingredients, of course.

One afternoon after school we stayed and made 3 gallon syrup buckets full of the cream mints.

The question has been asked, "Must I have a marble slab to make these mints successfully," and the answer is "no." Ideally marble is the thing to have but the only marble most of us have is on a table in the living room, so leave it alone. We used big platters instead of marble and they worked fine.

During the year of 1967 Home Demonstration programs have been focused on the house and its furnishings and floor coverings have come in for a fair share of attention. To refresh you on what is "under foot" I include the following condensed statement on carpet care from my good friend, Jane Berry, formerly of College Station and now of Houston. **Protect Carpet Against Holiday Accidents**

Extra holiday traffic and entertaining brings accidental spills and tracks to home carpets. But, with today's durability and easy care features, it's much easier for the homemaker to protect carpeting from permanent stain and soil damage.

Jane Berry, area housing and home furnishing specialist with Texas A&M University, suggests 3 simple rules which pay big dividends in maintaining the appearance of your carpet during the bustling holiday season.

1. Don't wait until the guests have gone to get busy on that cup of spilled cranberry punch. Act immediately on spills before they dry and "set" or the result may be a permanent reminder of your neglect.

2. Keep cleaning equipment and supplies on hand for immediate "first aid." Two cleaning agents recommended by the American Carpet Institute for home use are: (a) one teaspoon neutral detergent in one quart water, plus one teaspoon of white vinegar added; and (b) a dry-cleaning fluid or solvent available from household cleaning supply merchants.

3. Identify the spot or stain to determine the appropriate removal procedure. Spots that are water soluble may be removed with the detergent solution. On grease and oil-borne stains, use dry cleaning compound.

Often it is impossible to identify the stain or spot. Use a general cleaning procedure utilizing both the water solution and the dry cleaning solution, says Mrs. Berry. When cleaning a carpet, don't

get the area too wet. Dry it off after cleaning as quickly and completely as possible.

Do not forget that Eldorado will host the District "Make It Yourself With Wool Contest" on Saturday, December 2.

This contest is designed to promote wool and encourage young dress designers and makers. Schleicher County has an abundance of both commodities.

Ask yourself now, "What can I do to help?" find out and then go do it. Joyce Ann Speck is a good organizer and as capable as she can be but after all, she is just one and this is a job for us all. We have a bit of our reputation at stake in this event.

About 20 counties will be our guests that day. Do you remember as children we were taught to be nice to "company"?

'B' Girls Take First Win

Led by sharp shooting Kathleen O'Harrow, the "B" Eaglettes opened with a resounding 40-8 win over Del Rio "B" last Saturday.

The game was a "war of nerves" the first quarter with both teams a bit nervous and excited and as a result it was 8-4 at the end of the first period. However, the girls began to loosen up and Eldorado took an 18-5 half-time lead behind Kathleen's 10 points and Linda Derrick's 8.

After the half the Young Eaglettes got down to business and combinations of O'Harrow, Derrick, Peggy Hill, Sheila Murr, and Vicki Preston scored 16 more to make it 34-7. In the final quarter Kathleen and Linda gave way to Peggy Hill, Sheila Murr, Sue Ann Morris and Sheri Roberts.

An excellent performance was turned in by starting guards Mary Lynn McCalla plus Lisa McAngus and coming in to do an equally creditable job were Vicki Preston, Susan Rogers, and Gail Robinson.

The team hit 36% from the floor making 16 of 43 and only 35% on free throws.

Kathleen O'Harrow had 17 points and 10 rebounds, Linda Derrick 10 points and 9 rebounds, Sheila Murr 4 points and 7 rebounds while Vicki Preston had 3 points and 5 rebounds, Sue Ann Morris had 3 points and Sheri Roberts copped 4 rebounds, Peggy Hill was the top rebounder with 11 and contributed 3 points. In the guard department Claudia Meador had 4 rebounds, Mary Lynn 4, Susan 3, and Lisa 3.

The game was fast and furious and the girls played well together. There were many excellent team plays and few bad passes.

The girls will face Del Rio again in February.

Scoring:
Eldorado — 8 10 16 6—40
Del Rio — 4 1 2 1—8

Mr. and Mrs. Duwain Sauer and daughters visited last week end with relatives here. Duwain also did some deer hunting.

Look at this '68 "youngmobile" from Oldsmobile.

Wouldn't it look great in your driveway?

This new Cutlass S has a way of making things look younger. Even driveways. That's because of all the young ideas we built into it. A bigger 350-cubic-inch V-8, for instance. (Or, if you prefer, an Action-Line 6.) And a taut coil spring suspension that makes it easy to cut and turn in tight places. And you can order a whole carful of young-it-up accessories like bucket seats, stick-shift or stereo. But if you think Cutlass S is young all over, don't forget that it is Olds all over, too. Olds quality, Olds engineering and the new GM safety features are all standard.

In Those Days

ONE YEAR AGO Nov. 24, 1966—Beth McCalla and Molly Phillips were given scholarships to Abilene Christian College. Rev. D. G. Salter was named president and Rev. Kenneth Vaughan vice president, of the Ministerial Alliance.

FIVE YEARS AGO Nov. 22, 1962—The Eagles lost district championship to Big Lake, 36 to 20. Dr. Roy R. McCulloch of Brownwood was serving as interim pastor of the First Baptist church.

12 YEARS AGO Nov. 24, 1955—Mr. and Mrs. John Griffin observed their Golden Wedding. Coach W. A. Algood announced football lettermen: Monty Hill, Harold Lloyd, Herman Early, Rony Kerr, Jimmy Whitten, Cecil Wals-ton, Jimmy Harris, George Sofge, Reyes Robledo, Curtis Stockton, Selwyn Taylor, Kenneth Penning-ton, David Kuykendall, Domingo Pina, Bobby Jeffrey, Bob Steward.

35 YEARS AGO Nov. 25, 1932—Eldorado Gin sustained about \$400 damage in a fire. Mr. Crain had it back in operation the following day. Howard Faul and Miss Opal Daniels were married. Mrs. O. F. Osborn and A. J. Burk married. They were making their home here, and he was operating a transfer line between here and San Angelo.

At Baylor, Glenn Ratliff of Eldorado was elected president of the Brooks Hall religious hour. Jess Thompson and J. A. Enochs bagged bucks in the current hunting season. W. J. Hampton, Schleicher resident many years, died in Dallas Nov. 21, 1932. He and his late wife had had 13 children, of whom 12 survived.

Fae Belle Enochs reported the following girls out for basketball: Zona Clare Koy, Gussie Nolen, Cleone Morgan, Anna Ruth Spurgers, Minnie Logan, Evelyn Anderson, Nell Campbell, Frances Mills, Marguerite Chick, Iola Heynes, Mildred Willis, Wenona Enochs, Margaret Bradley, Louise O'Harrow, Louise Boyer, Lillie B. Kent, Jetty Grace DeLong, Inez Bruton, Mary Jess Koy, Ollie Ruth Newlin, and Inez Marshall, in addition to herself. Jim Dan Hill, president of the Michigan College of Mines, visited here with Mr. and Mrs. D. C. Hill and other relatives and friends.

PUBLIC NOTICE OF THE REQUIREMENT FOR RECORDATION AND LIMITATION OF CERTAIN CLAIMS OF WATER RIGHTS. Notice is here given as required by Section 4 of the Water Rights Adjudication Act of 1967 (Article 7542a, Vernon's Civil Statutes) that all claims of riparian water rights, all claims under Article 7500a, Revised Civil Statutes of Texas, 1925, to impound, divert or use public waters for other than domestic and livestock purposes for which no permit has been issued, all claims of water rights under the Irrigation Acts of 1889 and 1895 which were not filed with the State Board of Water Engineers in accordance with the Irrigation Act of 1913, as amended, and all other claims of water rights other than claims under permits and certified filings, must be recorded with the Texas Water Rights Commission. Section 4 does not apply to use of water for domestic and livestock purposes as the same is defined by Commission Rules. On or before September 1, 1968, every person claiming any water rights to which Section 4 applies shall file with the Commission a sworn statement setting forth the nature of the claim of water right. Claims to which the Section applies shall be recognized only if valid under existing law and only to the extent of actual application of water to beneficial use without waste during any calendar year from 1963 to 1967, inclusive. However, in any case where any claimant of a riparian right has prior to August 24, 1967, commenced or completed the construction of works designed to apply a greater quantity of water to beneficial use, such right shall be recognized to the extent of the maximum amount of water actually applied to beneficial use without waste during any calendar year from 1963 to 1970, inclusive; provided an additional sworn statement is filed on or before July 1, 1971. Failure to file the sworn statement or statements in substantial compliance with Section 4 shall extinguish and bar any claim of water rights to which the Section applies. Instructions and forms for recording claims may be obtained without cost from the Texas Water Rights Commission, P. O. Box 12396, Capitol Station, Austin, Texas 78711. Joe D. Carter, Chairman TEXAS WATER RIGHTS COMMISSION (Nov 23-30)

Biggses Receive Letter From Vietnam Recently Mr. and Mrs. Ben Biggs of Eldorado recently received the following letter from Vietnam: "Sun, 12 Nov. '67. Dear Mrs. Biggs, I hope you're not too disappointed in my answering your letter rather than Sergeant Jefferson. When his letter to Dear Abby appeared in newspapers in all of the United States and the rest of the world the letters from nice people like you in the States started pouring in. To date, he has received over 38,000 letters and they're still coming in. Sgt. Jefferson couldn't even read off these letters, much less answer each of them. Consequently he called on many of us here in Vietnam to help him answer them. I am from Texas so I chose letters from Texans to answer. I am a 47-year-old Lieutenant Colonel in the United States Air Force, and am a fighter pilot. I am married but have no children. My wife is living in Denver, Colorado while I'm over here fighting the war. Thank you sincerely for writing. It's nice for us over here to know the folks back home really care. I wish you and your family the best of health, and God bless you. Sincerely, Lyndall W. Tate, Lt. Col. USAF." Mr. and Mrs. Lum Burk are visiting Mrs. Louise Wilkins and family in Grand Prairie during Thanksgiving.

DAR Observes Thanksgiving Day

The El Dorado Chapter of the Daughters of the American Revolution celebrated Thanksgiving Day at the Memorial Building with Mrs. Ernest S. Goens, regent, presiding.

Mrs. L. M. Hoover, chaplain, opened the chapter by reading nine verses from Psalm 136, followed by prayer. She asked Mrs. Walter Ramsey to lead the singing of the National Anthem. The pledge of allegiance to the Flag of the United States was given.

October 26, Districts 7 and 8 had a DAR Workshop in San Angelo which Mrs. Tisdale, Montgomery and Goens attended and made a report to the Chapter.

It was emphasized that by our membership in the DAR, a member serves the nation that permits its existence by the Congress of the United States.

The letter from the President General, Mrs. W. H. Sullivan, Jr., urged that each woman fulfill her destiny in rapidly moving and rapidly changing last third of the twentieth century by becoming an informed and active voter in the community. Exercise the power of the ballot box.

Creating a spiritual, thankful setting for the program, Mrs. Ramsey presented Mrs. Thompson who refreshed the chapter with the meaning of a real Thanksgiving.

Mrs. Hoover, Montgomery and Miss Alexander, the hostesses had used as a decor for the regents table artistic objects Miss Mary Hoover had brought home from her travels in the Orient.

The hostesses served from a tea table laid with cloth embroidered by Miss John Alexander depicting the Pilgrims Thanksgiving setting.

The guests, Mrs. A. W. Hedlund of San Angelo, together with the DAR members were served coffee cake, toasted pecans, and tea or coffee.

PARTEE

Results of the first round of play in the El Dorado Golf Club Women's tournament were completed the latter part of October. Dorothy Ratliff defeated Agnes Hannes; Ernestine Hext def. Mary Robinson; Lora Adams def. Gladys Mittel; Mary Waldron def. Dale Preston in the First Flight.

In Second flight Nell Wester downed Penny Bland; Belle Harris def. Myrta Cash; Janis Hyatt edged out Lillian Page; Vie Henderson def. Nancy Thomas.

Second round of play in First Flight found Dorothy Ratliff downing Ernestine Hext; Lora Adams downing Mary Waldron.

Second round—2nd Flight found Nell Wester def. Belle Harris; Janis Hyatt taking Vie Henderson.

Consolation: 1st Flight; Mary Robinson took Agnes Hannes; Gladys Mittel downed Dale Preston.

Consolation, 2nd Flight; Penny Bland def. Myrta Cash; Nancy Thomas winning by default from Lillian Page.

Three final matches were played last Monday, to wind up the first golf tournament for ladies at the Eldorado Golf Club.

Mrs. Carroll Ratliff won the first flight by winning over Mrs. Charles Adams, and Mrs. T. P. Robinson Jr. took consolation in the first flight by defeating Mrs. Archie Mittel.

In second flight play, Mrs. Pat Wester took first place honors over Mrs. Eddie Hyatt, and Mrs. Bob Bland won consolation by winning from Mrs. Kenneth Thomas.

Prizes will be awarded to winner and runner-up in each flight, and consolation and runner-up in each flight. Awards will be made at the next Ladies Golf Association meeting Nov. 30th.

P-TA Has Program On Jury Duty

Jury duty is a great responsibility and calls for the highest form of citizenship, a San Angelo insurance man told members of the Eldorado High School and Parent Teacher Association Tuesday afternoon (Nov. 21, 1967).

Don Stewart, district manager of Texas Employers' Insurance Association, pointed out that the jury is more powerful than any other functionary in the courts of justice. He added that the jury must depend on facts alone to determine whether the scales are tipped in favor of the plaintiff or defendant.

Sympathy, or in personal injury cases, the amount of insurance carried by the defendant can be false weights on the scales of justice and must not be allowed to influence the verdict, Mr. Stewart stated.

Club members also saw a film on jury service entitled "Justice Is A Matter of Fact."

Mr. Stewart spoke to the group under the auspices of Southwestern Insurance Information Service, Inc. of Austin, a non-profit, public service, and many other public service projects.

Raymond Mittel, student council sponsor, was in charge of the program.

Mrs. Jackson Heads County Heart Group

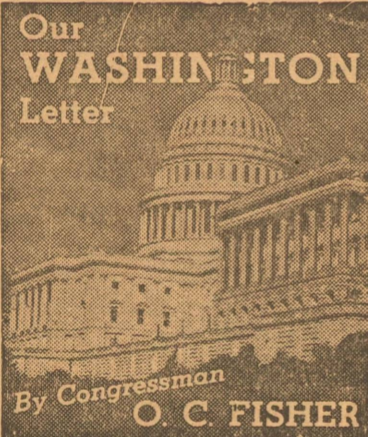

Dr. Julian H. Acker, president of Texas Heart Association, today announced the reappointment of Mrs. Edwin Jackson as chairman of the Schleicher County Heart Association. Mrs. Jackson is well known throughout the West Texas Area as having served the Parent-Teachers Association of Texas in many offices and is a past president of that organization.

At the first organizational meeting called by Mrs. Jackson she, in turn, appointed Mrs. A. G. (Danell) McCormack to the Heart Sunday chairmanship. In this capacity Mrs. McCormack will be organizing the citizens of Schleicher County who would like to contribute some time to working for the cause of Heart. Mr. Bill Gunstead was appointed publicity chairman and Mrs. Helen Carlman accepted reappointment as chairman of Heart Memorials Committee of the Schleicher County Heart Association.

"Friends and families of victims of cardiovascular diseases may contribute," according to Mrs. Carlman. Contributions made in memory of a friend or a member of the family will be acknowledged by the Association, and a memorial card sent to the family stating that a memorial has been received and giving the name of the donor.

"More deaths result from heart diseases than all other causes combined, but gains in Heart Research have been significant in recent years. Rheumatic Fever is yielding to drug therapy, and advanced surgery techniques are enabling patients to live normal, healthy lives. Some of the most dramatic developments have been made in heart research centers in Texas," Mrs. Carlman said. "Memorial funds are received throughout the year and added to the Association's Annual Heart Fund receipts," she pointed out. "Memorial funds are becoming increasingly important to the Association as more families and individuals become aware that they can contribute in the name of a loved one to the fight against this dread disease. The Heart Association is deeply grateful to those already using this practical means of assisting them."

"Memorial funds should be sent to Schleicher County Heart Association, in care of Mrs. Helen Carlman, Eldorado, Texas."

A one-year extension of the so-called anti-poverty program was voted by the House last week. This multi-billion-dollar depression-type project authorizes \$1.6-billion for the next fiscal year.

Hearings and debate on the issue disclosed that vast amounts of anti-poverty money has been expended on agitators, demonstrators, and people with subversive records. Likewise, anti-poverty workers have engaged in labor union organizing drives, with a good many of them joining picket lines during strikes while on OEO's payroll.

The companion Senate bill, already approved in the Senate, authorizes \$2.2 billion. After a hard battle, the economy bloc in the House managed to cut the amount down to \$1.6 billion. Thirteen Texans voted for the cut, while 9 favored the higher spending figure.

The bill was improved a bit with approval of an amendment which will prohibit OEO from spending any of this anti-poverty money on unlawful demonstrations or on defending such characters if they commit crimes during riots and demonstrations. All Texans but two voted for that amendment.

Hearings developed instances where OEO has used anti-poverty money in defense of anti-poverty enrollees and workers who are accused of various criminal acts. In one case 10 peaceniks invaded St. Patrick's Cathedral in New York during a service, disrupted the services, and condemned the U. S. for our involvement in Vietnam. OEO put up the money to hire lawyers to defend them.

The debate contains a statement by me in which I undertook to develop the true facts about the so-called war on poverty. Anyone desiring a copy may let me know.

Mrs. Frank Bradley, Mrs. Elizabeth Ballew and Mrs. R. S. Frost and Mrs. Jack Etheredge all went to Brackettville to see the filming of a new movie at the Alamo filming site. All reported a good time.

C. F. Dacy moved to the Gail Mittel house.

Mrs. Frank Bradley, Mrs. Elizabeth Ballew and Mrs. R. S. Frost went to San Angelo to the stamp show held Sunday in the Town House Motor Hotel. They reported seeing some rare stamps that are now collector's items.

Dr. and Mrs. A. R. Perry of Natchez, Miss., are visiting here this week in the home of Mr. and Mrs. Archie Mittel and also with relatives in San Angelo. The doctor is a brother of Mrs. Archie Mittel.

Mrs. Frank Bradley and Mrs. R. S. Frost took Jamie Lyn Barker to Bronte last Thursday to meet her mother, Mrs. Sherwood Barker to return home to Abilene.

Robert Henderson is new here in a Crosby apartment.

Martha Wilkinson has moved to the Jerome Mitchell house.

The Norm Cashes and S. D. Harpers are spending Thanksgiving at Irving with the James Ainslies and family.

Austin, Tex.—State crackdown on loan abuses in the home improvement field is steadily widening.

Consumer Credit Commissioner Frank Miskell issued cause orders against 16 home improvement firms and 16 individuals, alleging they are lending money at illegal interest rates.

Orders applied to firms in Houston, Dallas, San Antonio, and Kingsland and Fort Worth.

"These cease and desist orders were but the initial step which will be followed by other legal actions as part of our comprehensive program to protect Texas consumers from abuse in the field of home improvement contracts," Miskell said.

Companies and personnel were directed immediately to stop any activity in violation of Texas' Regulatory Loan Act or new Consumer Credit Code.

Practices complained of include cash advances on home improvement loans (primarily for debt consolidation) as an inducement for contracts at interest rates over 10 per cent. Some interest rates, an aide to Miskell said, range from 18 to 24 per cent.

A Houston finance company has filed suit in district court here, challenging Miskell's authority under the Regulatory Loan Act to regulate its purchases of discounted notes executed by homeowners to improvement contractors.

Oil Allowable Unchanged

Railroad Commission set December oil allowable factor at 40.8% of potential, same as November.

Maximum production of 3,375,866 barrels of oil is possible under factor.

Three cuts were made in allow-

ables since August when the factor was increased to 54% during the Mideast crisis.

Constitution Amended

Texas' 91-year-old Constitution, as a result of November 11 elections, has six more amendments.

Voters approved all six proposed new amendments. Also, as a result of the general election, Texas has a new Republican senator, 35-year-old Dallas lawyer Ike Harris. Republicans are in run-off races with Democrats next month in all six districts, one in the Rio Grande Valley, one in Wharton and Matagorda counties and the other in Bailey, Cochran, Hockley, Terry and Yoakum counties of West Texas. GOP candidates led November voting in all but the valley district.

Courts Speak

State Supreme Court has set a January 24 hearing on a damage suit arising from a chartered plane crash that may result in new legal guidelines for cases involving Texas citizens killed or injured in out-of-state accidents. Question is whether damage recovery ceiling of Texas or state where accident occurred applies.

High court upheld lower court decisions that Carrollton-Farmers Branch Independent School District could not legally expel two students because they got married. Montgomery Ward was inefficient in handling the charge account of a Danbury lawyer, top state court agreed, but ruled out damages, finding no intentional or malicious effort to harass him over collections.

In another case, Supreme Court threw out an appeal of a driver who claimed suspension of his license was not proper because one of the traffic convictions which suspension was based on was invalid.

Court of Criminal Appeals held that a man who voluntarily confessed murder to police before he was arrested cannot use as defense contention he did not get warning as to constitutional rights on confessions.

Attorney General Rules

Atty. Gen. Crawford Martin held that the Department of Public Welfare must furnish monthly reports containing names of those seeking aid to blind to the Department of Public Safety so their drivers licenses can be promptly revoked under a new law. Opinion said 1941 law prohibiting disclosure of welfare applicants no longer applies in this particular case but does apply in other situations.

Department of Public Safety, Martin concluded in another opinion, has authority granted by the Legislature this year to purchase land for subdistrict headquarters in El Paso which already has a suitable building to house operations located on it. Legislature appropriated funds to buy property and construct subdistrict headquarters.

Appointments . . .

Victoria farmer and cattleman Sidney Dean was selected head of the Texas Farm Bureau following a four-day convention here. He succeeds C. H. DeVaney of Coahoma. M. F. (Mike) Frost of McAllen was elected vice-president and Steve Lilly of Nacogdoches secretary-treasurer.

Speaker of the House Ben Barnes appointed Reps. R. H. (Dick) Cory of Victoria and Bob Armstrong of Austin to the Texas Commission on Law Enforcement and Administration of Justice. Lt. Gov. Preston Smith earlier named Sens. Jack

Of all the gifts you could choose for Mother this is the one she'll treasure longest

Twin bands of 14 Karat Gold symbolize Mother and Father — joined by lustrous synthetic stones of the month, one for each child in the family

Hers alone — The Mother's Ring. She is the only one who may wear this beautifully-executed tribute created by fine jewelry craftsmen. Can you think of a gift so significantly right for Mother — so individual, so personal? The Mother's Ring symbolizes all of the love you and your children can give her!

There is only one Mother's Ring. It is so distinctive, so unique, it has been awarded U. S. Patent #186,183. Ask for it by name, confirm it by its identifying tag.

JOHN STIGLER — JEWELER

Hightower of Vernon and Jim Bates of Edinburg to the key study group.

Barnes also appointed Armstrong, Rep. Elmer Tarbox of Lubbock, Austin architect Howard Barr, consulting engineer Bernard Johnson of Houston and landscape architect Robert H. Green of Houston to Committee on Relationship Between Architecture, Engineering and Landscape Architecture.

Lloyd F. Palmer of Dallas was named general manager of the Texas Safety Association.

More Migrant Aid Sought

State Board of Education has boosted a federal aid request for seven migrant worker programs to more than \$3.9 million.

Earlier request for migrant children programs was increased to \$2.7 million to expand assistance to 41 participating districts, launch new projects at Dimmitt, Georgetown, El Paso and Lamesa and help Hurricane Beulah victims with clothes and school supplies.

New funds would go to McAllen migrant demonstration school, preschool work in 20 districts; salaries and travel for migrant teachers; and summer institutes at Pan American College, Edinburg, and Texas A&I University, Kingsville, for teachers, teacher aides and administrators working with migrant children. Increases were sought for the special migrant compensatory education program in Rio Grande City and Laredo for children over 14 and the board's inservice and consultative program to revise the migrant school curriculum guide.

Water Rights Forms Available

Texas Water Rights Commission is distributing forms required by the new Water Rights Adjudication Act.

Those using public surface water for any purpose other than domestic or livestock uses without a per-

mit must file a sworn statement with the Commission for recognition of their claim by September 1, 1969. Under adjudication act, all claim of water rights must be recorded with the Commission and must be limited to actual use. Those who have expanded water application facilities but not fully used them must file an additional statement before July 1, 1971.

Six Cities Approve Sales Tax

Voters in seven local elections on November 14 expressed their opinion on a 1% city sales tax. The result: six cities approved it, and one city turned it down. Approval came from Alpine, Georgetown, Granger, San Marcos, Hughes Springs, and Marfa. Tax was turned down in Lufkin.

That brings to 34 the number of cities which have approved the tax. Only three have rejected it. At least 100 more are expected to vote on the question before the end of the year.

Short Snorts . . .

Agriculture Commissioner John C. White is in Vietnam as special observer for U. S. State Department to review food and fiber aid programs and recommend better usage of U. S. farm tools and agricultural shipments.

J. Harrell West of Bishop received Texas Farm Bureau's Distinguished Service Award.

State Bar is pushing for a juris doctor (J.D.) degree for Texas lawyers instead of bachelor of laws. Texas Hospital Association announces plans for spending at least \$1 million over the next five years on programs to interest young people in careers in more than 200 professional and paramedical fields.

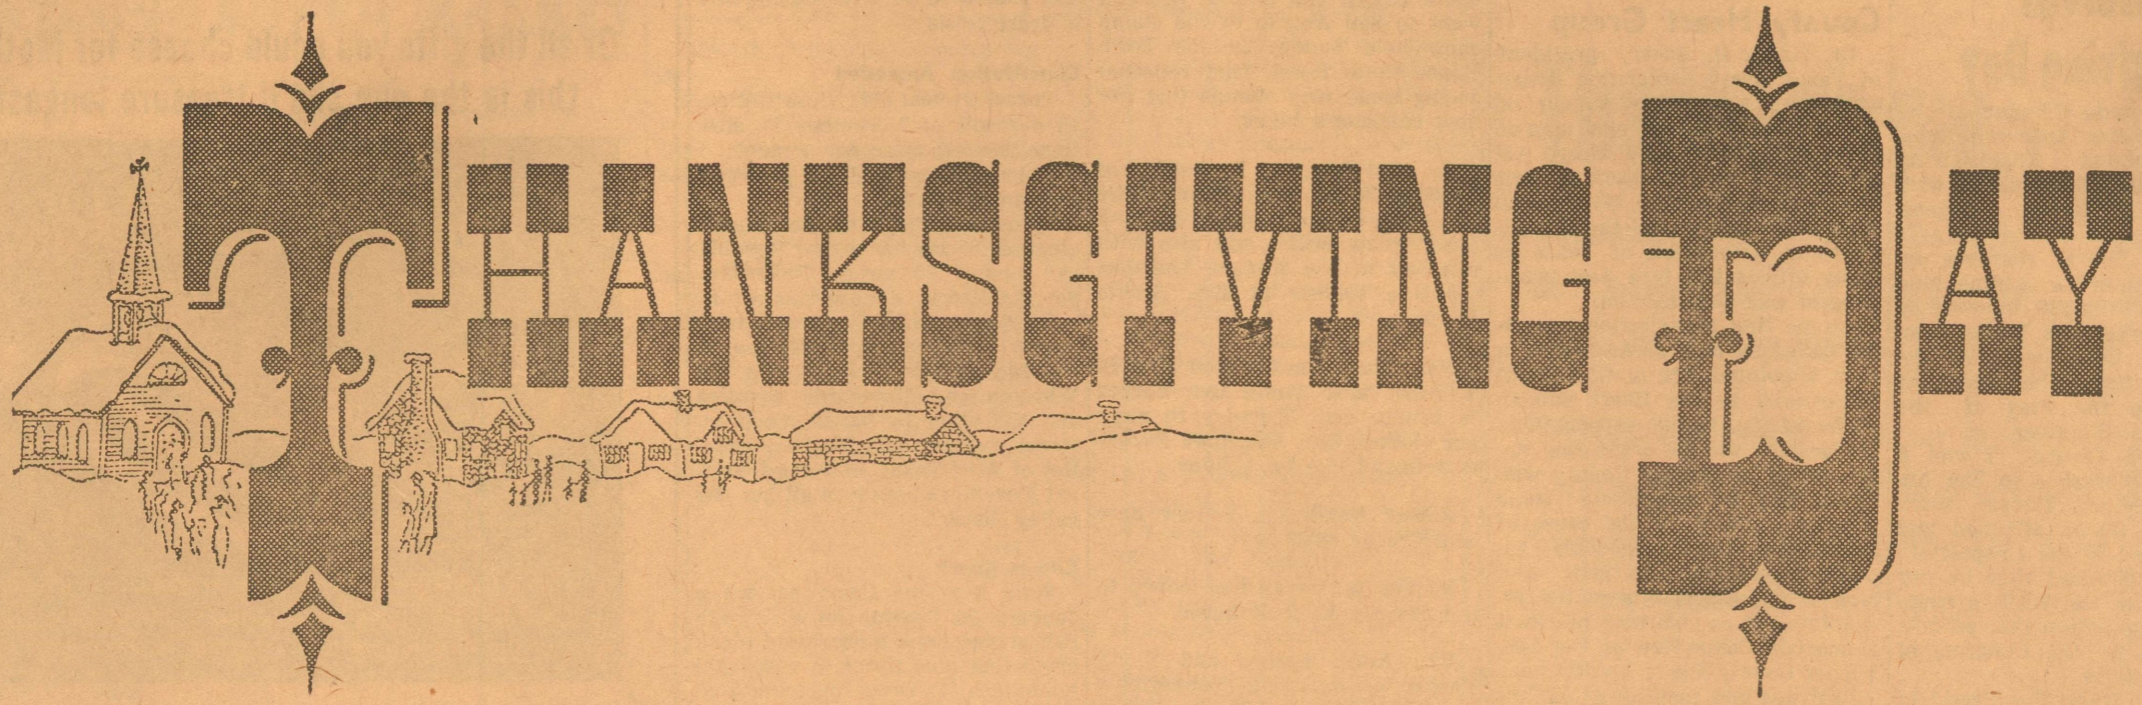

Robert N. Magourik, a veteran state parks official, has been named superintendent of the Eisenhower State Park on Lake Texoma near Denison.

THANKSGIVING DAY

Let us be thankful . . . as they were

We extend best wishes for a happy holiday. And as families everywhere join in the traditional feasting and fellowship of Thanksgiving Day, let us now pay tribute to the Pilgrim Fathers for their courage and for their legacy of a bountiful land. Let us be thankful for our great American heritage of freedom and for the many other blessings that we so often take for granted.

**COUNTY AGENT'S
COLUMN**

by *Tiny Godwin*

Schleicher County Agricultural Agent

The art of Thanksgiving is thanks living. It is gratitude in action. It is applying Albert Schweitzer's philosophy: "In gratitude for your own good fortune you must render in return some sacrifice of your life for the other life."

It is thanking God for the gift of life by living triumphantly.

It is thanking God for your talents and abilities by accepting the mas obligations to be invested by the common good.

It is thanking all that men and women have done for you by doing things for others.

It is thanking God for opportunities by accepting them as a challenge to achievement.

It is thanking God for happiness by striving to make others happy.

It is thanking God for beauty by helping make the world more beautiful.

It is thanking God for inspiration by trying to be an inspiration to others.

It is thanking God for strength and health by the care and reverence you show your body.

It is thanking God for the creative ideas that enrich life by adding your own creative contributions to human progress.

It is thanking God for each new day by living it to the fullest.

It is thanking God by giving hands, arms, legs and voice to your thankful spirit.

It is adding to your prayers of Thanksgiving, acts of thanks living.

We live on a moving line between past and future. That line is our lifeline.

The nation's biggest industry is not U. S. Steel, General Motors or AT&T and yet employs six million workers. What is this industry? The answer is simple. Modern agriculture.

This information is only a small facet of the total agribusiness picture. Farm-City Week, Nov. 17-23, proclaimed by President Lyndon B. Johnson is to promote better understanding between farm and city residents, to increase their knowledge and appreciation of each other and their contributions to the American way of life.

The farmer's contributions to the American way of life are substantiated by figures from the United States Department of Agriculture. The USDA shows that agriculture's assets total \$238 billion. This sum is equal to about half the market value of all corporation stocks on the New York Stock Exchange.

Today's farmer is also a good customer. He spends nearly \$30.3 billion a year for goods and services to produce crops and livestock. In buying the same thing city folks buy, the farmer spends \$12 billion a year on food, clothing, drugs, furniture, appliances and other products.

According to the USDA, the farmer's purchases include: \$4.7 billion in new farm machinery. It takes 119,000 employees to produce this farm equipment; \$3.3 billion for fuel, lubricants and maintenance of machinery and motor vehicles. Farming uses more petroleum than any other industry; \$6.5 billion for feed and seed; \$1.7 billion for fertilizer and lime; 30 billion kilowatt-hours of electricity or more than is needed annually by Baltimore, Chicago, Boston, Detroit, Houston, and Washington, D. C.

A delicious turkey dinner, with friends and loved ones all around us . . . these are the traditions of Thanksgiving. But most of all, this joyful day is a time to remember the many blessings for which we can be thankful. High on the list for us are our cordial relations with our valued customers and friends. To all of you, our sincere thanks and warm greetings on this Thanksgiving Day, 1967.

Thank You

After operating the Shipman drive-in grocery for five years, I have sold it back to Mr. and Mrs. Sofge, and want to thank my many customers for their patronage and other favors during that time.

I will still be seeing you from time to time with my Studio Girl Cosmetics.

Again, I say thank you.

—Mrs. Dee Shipman

**Play Well Received
Night Of Nov. 16th**

"Spooks and Spasms," a play in three acts by Jay Tobias, was presented by the '68 Senior Class in the school auditorium last Thursday night and was well received by a large and appreciative crowd.

The cast consisted of:
