New Year Greetings

The Old Year is gone; the last entry made; the final record closed, and bound in the Book of Remembrance are its joys and sorrows; its success and failures, its happiness and its disappointments. The curtain has fallen on the last scene in the year 1920.

Now the New Year dawns—rosy with promise of better things; glowing with services to be rendered, responsibilities to be shouldered. What the New Year holds for you or for us we cannot know. We are not permitted to read hurriedly or far ahead, but on those mystic pages that comprise its record there will ever be accounts of success and joy and happiness for some, while for others sorrow and disappointment and loss. Who can say what a year will bring.

But this much we DO KNOW: A glad, new, unspoiled Season is upon us and it is exceedingly bright and beautiful and fair. Each day lies before us like a gleaming, radiant page, awaiting the final record of the year's accomplishments. Its very aspect breathes achievements; it is transcribed with and brings to us the promise of glorious opportunity. What greater thing can we ask for than three hundred and sixty-five splendid, untouched days for better work and more conscientious service?

And this Garage wants you to remember that throughout each day of the New Year it will be, as always your friend, ever-ready to serve, with friendliness and promptness and courtesy, its customers, its neighbors and its friends.

We are wishing you a very Happy and Prosperous New Year,

Bush-Smith Co.

Respectfully,
The Highway Garage.

ROBERTS-WILKERSON

At the residence of the bride in Christoval, Wednesday evening at 7 p. m. December 22, 1920, Mrs. Eliza L. Roberts was united in the holy bonds of matrimony to Mr. John Edward Wilkerson of Christoval; Frank C. Van Horn, Justice of the peace of precinct one, officiating.

The relatives and friends present were Mrs. Tom Wilkerson and children, Mrs. Will Wilkerson, Mr. and Mrs. Oliver Rouse, and daughter, Miss Gracie, and sons, Clinton and Leon; Miss Emma DeLong, Mr. and Mrs. Jeff Carter and daughter, Miss Thelma.

"Aunt Liza," as her friends call her, is one of Christoval's most substantial citizens, who has made many friends during her residence here.

The groom is a pioneer settler here who has built many residences here and in adjoining counties and enjoys the respect of all acquaintances.

The Observer joins with the many friends of this estimable couple in sincerely wishing for them a life brimming over with happiness.—Christoval Observer.

REDUCTION ON WALL BOARD.

The West Texas Lumber Co., has a good supply of two kinds of Wall Board, and has reduced the price from \$7.50 to \$6.50 per square, this is almost pre war prices, get in line and fix up that home, take advantages of this greatly reduced rates while they last. A. J. Atkins, Manager.

NEW YEAR GREETING.

This week brings us to the close of the year 1920 with all its blessings, privileges, opportunities and expectations. Some of us will look back, when this chapter of our lives is closed, with remorse, many with regret and all too few with satisfaction in the things we have done and attempted to do.

Financially, the first few months of the year promised much for this institution and its customers, but the ending is disappointing to most of us. When its customers suffer this bank suffers; when they prosper, it prospers; when they have plenty of money, we also have it and when they are "broke", unfortunately, our funds are low.

However, we all have much to be thankful for. The blessings far outweigh the misfortunes. Dwelling on the mistake of the past and brooding on the things we cannot help brings no satisfaction. There never is a time when we can afford to knock our neighbor, our county or West Texas and certainly at this time we must "Hang together or we may hang separately." Let us all pay every dollar possible, save every dollar possible, stand together, have faith in God, in our neighbors and in the country, work and smile and we will come out on top.

We thank you sincerely for your patronage, your goodwill and for every kindness shown us in the year passing into history. The First National Bank.

Will Calcoate, who has been gone from our midst for several years, is spending the holidays at home. He has resided at Kansas City for some time.

Miss Annie Doty is visiting relatives at Odessa this week.

HAPPY NEW YEAR

Resolve—as we stand upon the threshold of a New Year, to strive earnestly and in every way that lies within our power for bigger, better work and service, and with new enthusiasm and unbounded faith in the future to do our full share in making this year of 1921 the biggest and best in our history.

MAY HAVE OIL.

While drilling for water on his farm near Christoval W. L. McWhorter struck oil at a depth of 128 feet on top of a sand rock.

Mr. Collier who is drilling the well exhibited the oil Christmas day to a lot of folks and in drawing out the water you could see the oil in same, the drilling at present is stopped but may latter go through the sand rock in which they stopped.

A fire alarm was given Tuesday morning from G. B. Spear residence and the bucket brigade was soon on the road but on reaching the home it was discovered that it was only the soot in the chimney burning out, but we found our friend Spears in an awful condition, also overtaking our friend Rex McChormick going to the fire with a sack full of water.

The Success tribe spent Christmas day at Christoval, at a family reunion of the tribe of G. M. Holland but three of the boys failed to get there, but those that did reach the dinner table reminded the old gentleman that they still knew how to eat as they did in days of yore. The day was an enjoyable one and a delicious dinner was served.

We Greet You

With gratitude in our hearts for the blessings that the old year has brought; with hope in the promise the New Year brings, we cannot but face it with a feeling of joy and gladness befitting the occasion.

We thank each one who has contributed in any way to the splendid business we received during 1920, and hope to merit your continued patronage throughout 1921.

Ben Hext.

A Happy New Year

To My Friends and Customers.

I thank you for your liberal patronage in the past year, it has been a very successful year for me. From my heart I thank you and wish you success in 1921.

Mrs. E. C. Haynes.

New Year Greetings

Although the year just passed has been full of disappointments for some of our friends and customers, we have never for a moment lost confidence in the resources and future of our country, in the integrity and stamina of our citizenship and the ultimate success and prosperity of our community.

Now, as we face the New Year we have every reason for optimism, for the prospect is bright with promise of prosperous and happy days to come.

We thank one and all for past favors and wish each of you much happiness during the New Year.

TO OUR EXCHANGES.

I've looked my blooming head off for a new year's card for you, but those I found were full of mush and slush and gush and other kinds of goo.

So wishing you the best there and other things besides I just say Happy New Year and let the blame thing ride.

TO OUR READERS.

As we look back upon the past years work and accomplishments, may we do so with the thought that we have done the best we could, if we think in a measure we have failed lets live for a new day, the things that is in store for us may come in an unexpected way.

The best things are those we get unexpectedly, our worst disappointments are those of our best expectation that fail to arrive.

The beginning of 1920 was bright with expectation, we all had a hope of a great reward, the expectations unexpectedly disappeared, but who know after all if the world is not better off, when we fit our selves to coincide with the times, all will be well. After all the most pleasure comes from contentment, we trust that the most of us will be contented with the lot we have drawn for our selves and serve God and man better during 1921 than we have in the past.

TO OUR BUSINESS FRIENDS.

As a business institution The Success has striven to deal just to those who deal with us, if we have erred on this line, it was not from the heart but from oversight, and we are ready to make correction.

We appreciate all business that has come our way, and we can truly say that we have enjoyed a splendid business, not withstanding we have hovered around our pre-war prices, we believe closer than any other business institution in this section of Texas.

We sincerely thank all business concerns that shared in making our year's work and business a success, our thanks go out to the largest and the smallest alike, the small things we do sometimes leads the way for us to do greater things.

Let each business concern in Eldorado unite in making 1921 the best year in the history of our city.

Happy New Year to each of you.

A SUGGESTION FOR THE NEW YEAR TO ALL

Finish each day and be done with it. You have done what you could. Some blunders and absurdities no doubt crept in; forget them as soon as you can. Tomorrow is a new day; begin it well and serenely and with too high a spirit to be cumbered with your past failures. This day is all that is good and fair. It is too dear, with its hopes and invitations, to waste a moment on the yesterdays.

SCHOOL LAND WILL NOT FORFEIT.

I wish to notify the people of Schleicher County that the Commissioner of the General Land office has notified me that on account of the money stringency that he will not declare forfeiture on school land January 1, 1921.

The amount sent will save the lives of ten children, don't you want to save the life of one or more of these poor children.

J. A. Whitten, Chairman.

Old Fashioned Girls

In Song and Stories of the Sixties

Out of the "Long Ago" step four charming girls, bewitchingly attractive in hoop skirts, hand mitts and "bun-nits." In a minute they sweep aside the work-a-day worries, cares and troubles by carrying you back with them through story and song to the olden golden days. Here are visualized for you the quaint pictures which through all your years have hung on "Memory's Wall."

The air seems heavy with sweet lavender as the violin and cello sing of "Robin Adair" and "Annie Laurie," when suddenly you hear "Rally Round the Flag, Boys," and you start forward with a catch in your breath; then, "Tramp, tramp, tramp, the Boys are Marching," and other fiery old war songs of fifty years ago. Then come songs of the modern appeal, the popular ballads of today, which bring back the days of yesterday. Then the old songs of the home and the cradle are exquisitely interpreted by these four charming young artists, and even in the delightful reading numbers the "Old Fashioned" idea is carried out.

It is an evening long long to be remembered and cherished—an evening of delightful vocal and instrumental music and reading—heart satisfied through and through.

Pains Were Terrific

Read how Mrs. Albert Gregory, of R. F. D. No. 1, Bluford, Ill., got rid of her ills. "During . . . I was awfully weak . . . My pains were terrific. I thought I would die. The bearing-down pains were actually so severe I could not stand the pressure of my hands on the lower part of my stomach . . . I simply felt as if life was for but a short time. My husband was worried. . . One evening, while reading the Birthday Almanac, he came across a case similar to mine, and went straight for some Cardui for me to try.

CARDUI

The Woman's Tonic

"I took it faithfully and the results were immediate," adds Mrs. Gregory. "I continued to get better, all my ills left me, and I went through . . . with no further trouble. My baby was fat and strong, and myself—thank God—am once more hale and hearty, can walk miles, do my work, though 44 years old, feel like a new person. All I owe to Cardui." For many years Cardui has been found helpful in building up the system when run down by disorders peculiar to women.

FRUIT TREES, BERRIES, FLOWERING SHRUBS, ROSES.

No better trees were ever grown than we have this year.

We have the sure-bearing varieties for the different sections in all fruits and berries, and the best shades, shrubs and evergreens.

Our Leona Peach beats Elberta. Our Smith Peach has missed one crop in 25 years.

Our Nona and other Plums are wonderful.

Let us make your Home Grounds Forever Beautiful, comfortable and valuable with hardy climate-proof standard and native flowering shrubs, and bulbs, etc., arranged in natural, informal borders, groups and masses.

Plant a background for your home, or a north-breaker, of the glossy leaved Evergreen Japan Ligustrum, like those growing on our State Capitol grounds.

To still further improve our Landscape Department, we have associated with us Mr. F. W. Hensel, who for years has been the head of the Division of Landscape Designing and Engineering of Texas A. & M. College. He is a graduate of A. and M. College, and of Cornell University, and better still, a native Texan who knows Texas.

We want honest energetic men and women to sell our stock. Local or general, temporary or permanent.

A LEOPARD CANNOT CHANGE ITS SPOT

Mr. Dodson, the "Liver Tonic Man, Tells the Treachery of Calomel.

Calomel loses you a day! You know what calomel is. It's mercury; quiet silver. Calomel is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

When you feel bilious, sluggish, get atipated and all knocked out and believe you need a dose of dangerous calomel, just remember that your druggist has for a few cents a large bottle of Dodson's Liver Tonic, which is entirely vegetable and pleasant to take and is a safe substitute for calomel. It is guaranteed to start your liver without stirring up inside, and can act as a laxative. Don't take calomel! It can not be trusted any more than a leopard or wild-cat. Take Dodson's Liver Tonic which straightens you right up and makes you feel fine. Give it to your children because it is perfectly harmless and doesn't gripe.

If you have any thing to sell advertise it.
