SAVED, NOT SPENT.

No one ever heard a savings bank depositor talk about what his deposits cost him. If he is putting away \$20 or \$40 every year, he never thinks of saying it costs me \$20 or \$40 a year to keep up my savings account. It would be absurb for him to think it or say it. His deposits are savings, that much to the Rev. S. C. Dunn, of Sonora, good, something which other wise he might not have had.

It is almost as absurd to talk not an expense, they are a saving. They accumulate for his benefit the same as savings bank bepsits.
