While walking on his stilts near the lot fence of A. T. Wright's, Sunday afternoon, Elton, the 9 year old son of Mr. and Mrs. A. L. Fordson

There is every reason in the world why every farmer should buy a Fordson Tractor, while there is not a single reason in the world why a farmer should not buy a Fordson Tractor.

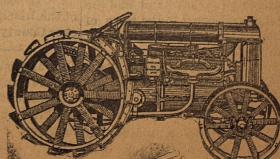

In the claims we make for the Fordson Tractor as being the superior farm Tractor, there is nothing of boasting. Our claims are based upon demonstrated facts. In every sensible test that has been made (and we don't believe in any jockeying or technical tests) but in the real common sense work on the farm—the work the Tractor was intended to accomplish—we say, in all such tests the Fordson has stood head and shoulders above all competing Tractors. And this is best proven in the fact that while there are about three thousand farm Tractors in use in the United States today, and while Tractors have been sold to farmers for twenty years, and while the Fardson Tractor has only been on the market two years, more than one-third of a ll the Tractors in use in the United States ar Fordson Tractors.

Now you can't upset a fact, You can't back away from an established truth, and there it is-out of three hundred thousand Tractors, one hundred thousand are Ford... sons, and there are probably some fifty different makes of Tractors on the market. Just let your common sence consider these facts. "Figs are not plucked from thistle bushes. nor plums from thorn trees."

The Fordson Tractor has the necessary power. It is economical in operation. It is flexible in control and operation, It is simple in design, and it is sturdily built of the best ipon and steel. It is the product of genius of Henry Ford, and it wasn't place d on the market until Henry Ford had tested it, and tested it, and tested it, before he asked the farmers to but it. It is no idel faith that in the Fordson Tractor Henry Ford has given to mankind one of the greatest benefits which has ever come to ctvilized man.

Now we solicit every farmer to buy one or more Fordsons. Come in and see them. Come in and let us tell you more than we can in an advertisement. Let us demonstrate

to you. Let us put it to every test that you ask. The Tractor is just as necessary for the farmer as water is in the house. Come in! Look over the Fordson. Test it. Don't take any chances. Don't experi ment. Supply your farm with the Tractor of established value.

Bush-Smith C

A BIRTHDAY PARTY

The Chumbs of little Misses Bernice and Victoria Jones were entertained with a birthday party. Wednesday afternoon, at the home of Mr. and Mrs. Tom Jones. The guests assembled soon after school, each with a nice little gift, which was receiv ed with exclimations of joy and gratitude by the little hostesses

The children formed a line and marched into the dinning room. This room was cleverly decorat ed in pink and white, Bernice's guests gathered at one end of table and blew out the candles of a huge pink cake, and wished "long life, joy, etc.," for their friend. Victoria's friends as sembled at the other end and blew out the candles of the white cake. Lovely sandwit th es, tied with the colors were disappearing at a very rapid pace when the decorations caught on fire. Jack Silliman and Chandler Whitten proved themselves heroes by beating out the flames. Order was soon restored, and no one evkn lost their appetite. Ice cream was served next, then the merry party rushed out to find Mrs. Cow calmly enjoying the the taste of Chandler's skull cap. Mrs. Cow evidently didn't know how necessary that cap wasto Chandlers beauty.

The guest, on taking their leave, insisted that each would have a birthday soon, and they were "expecting lots of gifts," A guest.

MR. DODSON WARNS ISSES OF CALONE

Says Drug Acts Like Dynamite on Liver and You Lose a Day's Work.

There's no reason why a person should take sickening, salivating calomel when a few cents buys a large bottle of Dodson's Liver Tone-a perfect substitute

It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick

and can not salivate. an and grown folks can take Liver Tone, because it is pertly harmless.

calomel is a dangerous drug. It is mercury and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tone instead and you will wake up feeling, great. No more biliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says if you stemach. Your druggist says if you don't find Douson's Liver Tone acts better than horrible calomel your money is waiting for you.
