A SERIOUS ACCIDENT

George Richardson, one of Angelo's veteran sheepmen and wool commission merchants, met with a serious accidentat 5 o'clock last Wednesday morning and narrowly escaped death. He is able to be at his office with his head bandaged up. Mr Richardson and Loftin Hen derson left here Wednesday morniug in an automoile for J. E Henderson Kickapoo ranch, arriving there about noon. Shortly after dinner, they hitched up a double team to a buggie and went into the Chambers pasture, adjoining, to look at some of Mr Henderson's sheep. All went well until they started to descend a long bill, when one of the horses went on one side of a cactus and the other on the opposite side and thus separating the buckle by which the check rein or short line is fastened to the main line slipped thru the ring on the harness saddle, and control of the team was lost immediately. The horses bolted and made a quick turn, throwing the occupants of the buggie to the ground with terrific torce Mr. Richardson landed on his head, and the scap on the whole right side was badly cut by the sharp rocks and he sustained severe bruises on his body and face. Mr. Henderson escaped with only a few scratches, and he ran down the hill after the team.
