

Mittel and Griffin receive top honors

Area 4-H members were honored for their efforts this past year at the annual 4-H Banquet held last Thursday at the Schleicher County Exhibit Building. Approximately 125 persons attended the gala event that saw Mitzi Mittel and Kelly Griffin being recipients of the coveted Gold Star Award.

The Gold Star Award is the highest 4-H award given on the county level. It is awarded to those outstanding 4-H'ers who have not only completed good project work but have also helped others in the club.

Mitzi, the daughter of Mr. and Mrs. Ronnie Mittel began her 4-H activities showing lambs and cooking projects. She added sewing and showing steers later. Going to the stock shows, 4-H

camp and meeting other 4-H members is among her favorite activities. Mitzi was also recognized for her work in Share The Fun and with the younger 4-H members.

Kelly Griffin, son of Mr. and Mrs. Dan Griffin began his 4-H career by showing lambs and pigs, he later added steers to his projects. Kelly cites attending the State 4-H Round-Up and Congress and getting to compete in the State Share-The-Fun competition as some of his favorite experiences in 4-H. Kelly participated for a number of years in the 4-H camp where he served as a junior leader and helped plan and carry out District 4-H camp. Gold Star Recipients

All District recipients

Davina Vannett, Stephanie Fields and Jennifer Willoughby were all named All District in 9AA in girls basketball this past week. The announcement was made by Coach Rick Singleton. Vannett, the only senior put in a superior performance this year. Willoughby and Fields, both juniors will be expected back next year to resume their outstanding

performances.

Victor Gutierrez and Luke Brame were also named to the All District elite. Gutierrez put in his usual superb performance for the year and will be bringing back his expertise for his senior year at EHS. Brame, who also exhibited a winning style, will be missed by the team.

Interest low in elections

Time is running out for filing for positions soon to be vacated on the hospital board, school board and city council. March 7th is the deadline for filing for the April 7th election.

To date only two incumbent City councilmen have filed for the three seats on that board. Edwin "Rooster" Jackson and Bobby Sanders have placed their names on the ballot for another term but at presstime no one had filed for the seat of A.E. "Gus" Willeke. Willeke resigned his position due to his ineligibility after moving outside the city limits.

The Leader was unable to contact the school office, due to spring break, to get an update on any new filings for the three positions open on that board. Joe Max Edmiston, Terry Green, Bobby Helmers, Phil Edmiston and incumbent Richard Kent are vying for the seats to be vacated by Sonny Turner, Frankie Hardy and Kent.

No one seems interested in holding a place on the hospital board. To date no one has filed for any of the four places coming up for grabs. Terms of Curtis Andrews, E.C. "Pete" Peters, Sam Henderson, Jr., and Mike Moore are all ending.

percent of the County's 1983 assigned dollar goal.

Nationally, 1983 sales of Series EE Bonds totaled \$3,897 million, an increase of almost 20 percent over 1982 sales, representing 111.3 percent of the nation's \$3.5 billion goal. December 1983 sales amounted to \$326 million, the highest sales for the month since 1979. Redemptions for the month were 10 percent below last years, and the lowest for any December since 1973. Savings Bonds held by the public amounted to \$71.48 billion as of Dec. 31, 1983. Increase in the amount outstanding in 1983 was \$3.1 billion.

Clark & Meyer recite vows

The sanctuary of First Baptist Church with baskets of carnations, spider mums and white Dutch Iris in the background, was the setting for the marriage of Dee Dee Clark and Philip Meyer, Saturday afternoon February 25.

Cleva Nell Clark, sister of the bride, of Meyersville was Maid of Honor. Kim Higdon, of San Angelo, and Jo Jo Morrison of Eldorado, were bridesmaids. Jana Meyer, niece of the groom, was flower girl.

Robert Parker of Eldorado was Best Man. Cody Meyer of Eden, and Johnny Meyer of Ozona, brothers of the groom, were groomsmen. Bill Clark, brother of the bride and Ken Koenig of Meyersville were ushers. Jo Dan Minnick was ring bearer.

The bride's dress was of slipper satin, with fitted waist, full skirt with an overlay of tulle edged with alecon lace, seed pearls and sequins. The skirt extended into a cathedral train that was trimmed with applique designs.

Her double veil was floor length with alecon lace around the edge. A finger tip veil over the floor length veil was attached to a fitted cap covered with lace and designs of seed pearls. Her bouquet was a nosegay of white silk roses with seed pearls in a circle of lace around the edge.

The bridesmaids and Maid of Honor dresses were of a burgundy crepe back satin with fitted waist, sweetheart neckline, puffed elbow length sleeves and full skirt. They carried pink and burgundy silk roses, mixed with pink carnations and seed pearls. The flower girl wore a

burgundy dress identical to the bridesmaids.

After Mrs. Robert Parker, accompanying herself on the guitar, sang the Wedding Song, Rev. Clive Johnston, pastor of First Baptist church, performed a beautiful ceremony, using the double ring ceremony. Mrs. Evelyn Stigler was organist.

The bride is the daughter of Mr. and Mrs. Earl Dean Clark of Eldorado. She is a graduate of Eldorado High School and attended Southwest State University in San Marcos, and ASU in San Angelo. She is presently bookkeeper for Coko Cola Bottling Co. in San Angelo.

The groom is the son of Mrs. Jean Meyer of Ponotoc, Texas. He is a graduate of Mason High School and a graduate of ASU in San Angelo. He is presently Junior High Coach and a teacher in Eldorado High School.

The reception was in the Fellowship Hall of the Church. The brides colors of pink and burgundy were carried out in table decorations, centerpiece and cake. Those in the house-party were: Mrs. Luther Dunham, Mrs. Hal Whitten, Mrs. Bill Dykstra, Mrs. Jed Edmiston, Mrs. John Cheatham and Mrs. Carey Bryant.

After a wedding trip to Ruidosa, N.M. the couple will be at home in Eldorado.

A number of showers and parties were given for the couple. A bridal shower in the home of Mrs. Glenn Parker was given Feb. 11. There were ten hostesses.

Another bridal shower was given Feb. 4 in San Angelo.

Orphanage receives help

At 6:00 a.m. February 25, a bus loaded with people from First Baptist Church, groceries and supplies for a week headed for the Baptist Spanish Orphanage in Matamoros, Mexico.

They had found out through the River Ministry on the Rio Grande that there was a dire need for help in many ways. They needed plumbers, painters, carpenters, seamstresses, cooks and just some general work. They took along enough groceries to prepare several meals. The church sent money to pay for the foundation for a dairy that they hope to build. Some of the group are to help get the foundation down while they are there.

Sharon Brown, Education and Youth Director, helped to plan the trip. It was scheduled for the week of Spring Break so that some of the youth could go. They are staying in the Orphanage.

Journalism scholarships available

High school seniors in West Texas are invited to apply for journalism scholarships at Midland College for the 1984-85 school term, Ralph L. Sellmeyer, Allison Professor of Journalism at Midland College, announced this week.

The scholarships are funded by a \$750,000 endowment provided by the James Allison family, former publishers of the Midland Reporter telegram, and provide books, fees and tuition for those receiving the scholarships. The Allison endowment also provides the funds for the Allison Chair of Journalism, the only such endowed journalism chair in a community college in the U.S.

Students from several West Texas Communities have been studying journalism at Midland College this year, Sellmeyer said, noting that such cities as Haskell, Kermit, Pecos, Crane, Odessa,

Midland and Tulia are represented.

Those students granted scholarships are also eligible for paid staff positions on the college's weekly newspaper and the twice yearly college magazine.

"We are interested in getting applications by June 1 from students all over the state, but particularly West Texas," the Midland College and former Texas Tech journalism director said.

Ample housing is available in the city, Sellmeyer noted, and for those students living away from Midland the college will assist in finding suitable living quarters.

Interested students should write to: Ralph L. Sellmeyer, Allison Professor of Journalism, Midland College, 3600 North Garfield, Midland, Texas 79705. Those who desire additional college financial aid should also write Bill Burns, director of financial aids, at the college.

Merry Makers meet

Mrs. Jewel Van Dusen was hostess for the club. There were eleven members present, and one guest,

Mrs. Viola Finnagan. The club met at the Eldorado Dairy Mart, and played forty two.

Eldorado resident speaks out

I believe H. Ross Perot is leading our Texas School system into an inevitable victory of the ideas of Communism. One reason for this is, Mr. Perot close association with Henry Kissinger to overthrow the Shahs Government of Iran and advance the power of Khomeine and Qadofi back Muslim Fundamentalist upsurge throughout the Mideast and Asia. All of this cause our energy cost to go up 200 percent in the last 10 years.

I also read in the paper, that Mr. Perot has said, "That if workshops were not met, the parents could be fined and that schooling be terminated." What does that sound like. I believe you the people can give the right answer to this start of Communism. Part of the blame is on our Gov. Mark White who also appointed Mr. Perot. So please vote at election time. Wake up and put in people who think of America first.
