Happy Easter Bands to perform

Hardin-Simmons University's Concert Band and Cowboy Band will be featured in concerts at Eldorado High School on Thursday, April 18, beginning at 9:50 a.m.

W. Scott Mather, who is completing his first year as director of bands at Hardin-Simmons, will serve as conductor at the concerts.

As director of the university bands, he is the director of the Cowboy Band and the Concert Band. Mather has earned the bachelor of arts degree in music and the master of arts degree from Washington State University, Pullman, Wa., and has been working on a doctor of musical arts degree in conducting at the University of Michigan.

From 1979 to 1982, he was director of bands at the University of Wisconsin, Parkside, and was assistant director of bands at Michigan State University, Lansing, during the 1983-84 school year.

THE CONCERT BAND

Members of this ensemble pursue musical experiences of the highest quality through the rehearsal and performance of the best in wind band literature. Membership in the ensemble is open to all university students (by audition), including students majoring in areas other than that of music.

Performances are usually scheduled both on and off campus, highlighted works this year, thus far, have included the "English Folk Song Suite" of Ralph Vaughan Williams, the "William Byrd Suite" of Gordon Jacob, and "George Washington Bridge", an "impression" for band composed by William Schuman. Works to be performed on tour will include Samuel Barber's "Commando March", the "First Suite in E-flat" of Gustav Holst, and the Shostakovich "Folk Dances". These works are particularly exciting repertoire for the band. Also included will be a richly beautiful "double-setting" of J.S. Bach's "Come Sweet Death".

THE COWBOY BAND

An ensemble rich in tradition, the Cowboy Band continues to be very popular with audiences everywhere.

The Cowboy Band first gained its distinctive style and appearance due to the fact that the school couldn't afford conventional uniforms when the musicians made their first trip in 1923. The bandmen donned makeshift cowboy outfits for an appear-

ance at the West Texas Chamber of Commerce convention in San Angelo, and scored a hit. They have capitalized on the attire every since, and added such things as a super-fast cadence (220MM), the

Much of this includes arrangements and compositions especially commissioned for the band. Perhaps the most unique thing about this band is its eight hundred-plus member foundation. The Cowboy Band

high-kicking Cowstep, and an ability to generate high spirits and good will that makes it popular with audiences all over.

The band has made five overseas tours, including visits to most European countries, several Atlantic islands, and a month-long tour of Japan. It played for five presidential inaugurations, several Texas governors' inaugurations, national and international civic club conventions, and many world championship rodeos. Celebrities such as Will Rogers, Bob Hope, Gene Autry, Bing Crosby, and Gary Cooper have appeared with the band at various times in its sixty-plus year history.

The Cowboy Band performance literature is designed to entertain.

New Reverend

The Eldorado First Baptist Church members voted to call Rev. Chris Graham of Signal Mt., Tennessee as their pastor Sunday night by a majority vote. Chris and his wife Carol, have been in Eldorado since Friday looking the town over and meeting people. They were entertained Friday night with a dinner at Casa Arispe with the pulpit committee and their family as hosts.

Foundation is made up of band exes stretching all the way back to 1923, who are dedicated to providing it with every possible means of support.

Included in its repertoire is everything from traditional marches to pop tunes to western favorites. Members also take pride in their ability to sing as a chorus in barbershop style.

Having recently returned from a tour of Europe in May of 1984, the Band's activities have included three rodeos, six concert performances, and several parades all prior to this tour of West Texas and New Mexico. A tour of Asia is a distinct probability for May of 1986.

The church's deacons and their wives, ex-deacons and their wives along with Chris and Carol were entertained in the Ronnie Mittel home Saturday night with dessert and a get acquainted fellowship.

Rev. Graham preached at both services Sunday, March 31st. There was a covered dish dinner served in the Fellowship Hall during the noon hour.

Free Shots

A free immunization clinic for children 2 months old and up will be held April 16th at the 4-P Barn from 10:00 a.m. to 12:00 noon and from 1:00 p.m. to 3:30 p.m.

This clinic is sponsored by the Texas Department of Public Health and the Schleicher County Family Living Committee. For more information call the County Extension Office or the Public Health Office in San Angelo at 944-9545.

Grand Jury meets

Two men were indicted during last Monday's Schleicher County Grand Jury.

The two were Ralph Merlin

John OK

Eldorado resident, John Stensby was uninjured Thursday morning when his crude oil tanker overturned and burned near Knickerbocker.

Stensby lost control of the tractor trailer causing the trailer to disconnect from the tractor and flip over.

Firefighters from San Angelo and the surrounding area fought the flames for about three hours. The burning wreckage blocked one lane of the highway before being extinguished.

Dupont charged with possession of marijuana, felony of the 3rd degree and Romero Tanguna, aggravated assault.

J. of L. account opened

The Eldorado Volunteer Fire Department has set up a "Jaws-of-Life" account at the First National Bank for contributions toward the purchase of the \$5,000 Jaws-of-Life for the department. Any donation no matter how small will be appreciated.

Area volunteer firemen from the Eldorado Fire Department will be participating in the 15th Annual San Angelo Area Fire Protection School on April 30 - May 1 in San Angelo at

the San Angelo Fire Department Training Field.

The school will feature topics such as: Fire Extinguishers, Transport Spill Fires, House Fires, LP Gas Fires, Christmas Tree Fires, Hazardous Materials and Vehicle Rescue. The school is conducted by the Fire Protection Training Division, Texas Engineering Extension Service, Texas A&M and is sponsored by the State Firemen's and Fire Marshals' Association of Texas and the San Angelo Fire Department.

Floyd West was honored Thursday night by the Big Bend Easter Rally, a touring motorcycle group from Austin. Floyd, for the ninth year,

has lent the group the use of his airport hangar for their night encampment in Eldorado. The group has been coming through Eldorado,

for 11 years. This year the nineteen bikers were received with a BBQ brisket supper, courtesy of West. Friday morning, he joined them in their touring rally.

S.C.I.S.D. looks at growth

The Schleicher County Independent School District Trustees should give the high sign this month to place the question of a new Middle School before the voters.

The Middle School concept being intently studied by the board of trustees will alleviate growing pains now suffered by the district, with an increased number of children being enrolled in the lower classes the room is needed to stay within in the guidelines of teacher - student ratio. The additional room will also alleviate a general overcrowding due to a larger number of elementary enrollees than beforehand experienced in the district, the move is also projected to allow the district to fall within the new guidelines of House Bill 72 in relationship to mandatory kindergarten regulations.

Superintendent Guy Whitaker told The Leader recently that the new facility, if approved by the board and the voters, would allow an increased advantage in the academic resources available at present to the middle school aged students and this would be essential if the continued high level of academic achievement is to be continued in the district. He went on to say that for the past sixteen years his office had continued study which indicated that students graduating from Schleicher County Independent School District, when compared to comparable sized schools in our area, this district excelled in both ACT and the SAT and notoriously carried a higher average.

The proposed plan now being prepared for presentation to the board of trustees is comprised of other elements in relation to the physical school plant. The high school is being looked at for a complete renovation including carpeting and an improved heating and cooling system. Whitaker indicated during the interview that it was a general feeling with the board that the present plant, even though in dire need of repairs, was much too sound a structure not to have many more years of service and that the present plan that the board is reviewing will be the most economical yet, feasible way to alleviate the room problem and still continue to produce a high ranking graduate and again be in compliance with all state regulations including House Bill 72.

Herman Walker in Lubbock Art Festival

Herman Walker of Eldorado will be participating in the seventh annual Lubbock Arts Festival April 19, 20 and 21.

The artist will be in the Gallery area of the "Celebration of the Arts."

The Lubbock Arts Festival attracts artists from all regions of the country. At the Lubbock Memorial Civic Center, it is the largest all indoor festival in the Southwest. In 1984, attendance topped 85,000 and art sales exceeded \$200,000.

In addition to the visual arts, performing arts are also an important part of the Texas festival. Local groups present music dance and

drama in several locations through the civic center. Spotlight performers for this year's festival are Carol Lawrence, star of stage and film, and the Maria Benitez Flamenco Dance Troupe. A highlight of Friday's Children's Day events will be performances by the Zachary Scott Theatre.

Co-sponsors of the Lubbock Arts Festival are the Lubbock Cultural Affairs Council of the Chamber of Commerce and Civic Lubbock, Inc.

For more information about the festival, contact Russell Hughes at 806-763-4666.

Wells gives art demo.

Mr. Bill Wells, Art Instructor of Eldorado High School, will give an art demonstration for The Woman's Club meeting April 9, in the Ag Building at 2:30p.m. There will be a display of children's art and High School art. Anyone who is interested in any form of art is invited to attend.

Grandparents of James are Mr. and Mrs. James E. Mankin of Sonora and Mr. and Mrs. Floyd Marburger of Shallowater. Great grandmothers are Ina Grissom of Anson, Texas and Fenia Kirschbaum of Williston, North Dakota.

James is also welcomed into the family by Sarah Ashley, his 3 year old sister.

I'd Like to Think

by Nadine Bell

I'd like to think for every wrong, somewhere there is a right.
I'd like to think beyond the haze, the sun is shining bright.
I'd like to think for every ill, some where there is a cure.
I'd like to think for every vice, there is a virtue pure.
I'd like to think for every crime, that justice will prevail.
I'd like to think for every calm, the wind will meet the sail.

I'd like to think that every frown will some how turn to a smile.
I'd like to think when out of breath, I'll jog that final mile.
I'd like to think when day is done, peace will fill my soul.
And when I'm all caught up in life, I'll find another goal.
I'd like to think when death does come I'll take its clammy hand
And march in stride its every step, to The Promised Land.

The Mertzon Locker Plant will soon have a new look. Workmen are well underway on the outside structure

of the new addition to John Nicholson's expansion.

Public Notice

Southwestern Bell Telephone Company has filed a tariff with the Public Utility Commission of Texas to introduce a new service offering called ESSX-400 and to limit all rate plans for Centrex services to existing customers.

Rate plans for all Centrex services, as provided in this tariff, are applicable only to customers with service as of the effective date of this tariff. Centrex customers will be able to expand existing systems and enhancements will continue to be provided. The net effect of this tariff would be no change in total billing for Centrex customers.

The Commission has assigned this matter to Docket 6146. A prehearing to discuss the proposed change is scheduled at 9:30 a.m., Wednesday, April 17, 1985, in the Commission offices at 7800 Shoal Creek Boulevard in Austin, Texas.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene, participate or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227, or (512) 458-0221 teletypewriter for the deaf.

Aviso Público

Southwestern Bell Telephone Company anuncia a los usuarios que ha registrado una tarifa ante la Comisión de Servicios Públicos de Texas, con el fin de introducir un nuevo servicio denominado ESSX-400 y de limitar todo plan tarifario para servicios Centrex a los usuarios actuales.

Los planes tarifarios para todos los servicios Centrex, según dispone dicha tarifa, corresponden solamente para los usuarios que tengan servicio a partir de la fecha de vigencia de dicha tarifa. Los usuarios de Centrex podrán expandir sus sistemas actuales, y se seguirán proporcionando mejoras. El efecto real de esta tarifa no constituirá ningún cambio en la facturación total de los usuarios de Centrex.

La Comisión ha registrado este asunto bajo el Docket 6146. A fin de discutir el cambio propuesto, se realizará una pre-audiencia el miércoles 17 de abril de 1985, a las 9:30 de la mañana, en las oficinas de la Comisión, 7800 Shoal Creek Boulevard, en Austin, Texas.

Toda persona que desee intervenir o participar en el presente proceso debe notificar a la Comisión lo antes posible. Las solicitudes de intervención, participación o información deben dirigirse a: Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Para obtener mayor información debe llamar a Public Utility Commission Consumer Affairs Division at (512) 458-0223, o al (512) 458-0227, o al (512) 458-0221 si requiere teletipo para personas con impedimentos de audición.

Eagles' Point honors Burlesons

Eagles' Point supervisors Tyke and Barbara Burleson were honored with a surprise "going away" party at the teen center Tuesday evening. Members of the center and the Adult Council presented the Burlesons with a plaque and an autographed mug from the members. Everyone was then treated to cake, punch and coffee.

With the departure of the Burlesons, who are moving, the center will now be accepting applications from couples to assume the duty of supervisor.

A spokesman for Eagles' Point also urges that interested parents of center members seriously consider being on the Adult Council. Current members of the Council stated that the Council could use some new, fresh and innovative ideas for the center and feel that different members on the Council could only improve Eagles' Point.

Members interested in the T-Shirt Contest should get their entries in soon as the deadline is coming up. The exact date will be announced later.

Work is still being done on the float for the Youth Rodeo Parade, April 26th. Any members interested in helping can do so any Tuesday, Thursday, Friday or Saturday night. Contact Billy Cavaness for more information.

The next meeting of the Youth Council will be April 14th at 2:00p.m. at the Center. The Adult Council will also meet that day at 3:00p.m. Members who cannot come, please contact Carolyn Whitten. These meetings are very important and it is necessary that all members attend. Mark your calendars now for the 14th!

Program on Stress to be presented

The Irion County Extension Homemakers Club will be presenting a program on "Stress" Monday, April 8th at the noon luncheon in the Mertzton Community Center.

Tedra Ulmer, Irion County Extension Agent-Home Economics will be presenting the informative program. She will explain the different aspects of stress such as what it is; how to cope with it; and how to reduce the sources of stress.

Members and guests are invited to attend.

Ballew offers "Tax Tips"

Ray Ballew, chief appraiser for the Schleicher County Appraisal District, offers district residents a tip to help them save on their property taxes.

According to Ballew, a pamphlet available from the district office explains how the property tax system operates in Texas and highlights possible tax savings for property owners.

The State Property Tax Board in Austin publishes "Taxpayers' Rights, Remedies, Responsibilities!" under provisions of the Texas Property Tax Code. He noted that the information in "Remedies" applies to property taxes collected by all types of local government - counties, cities, school districts and special districts such as hospitals and municipal utility districts.

Homeowners may qualify for a variety of property tax exemptions offered by taxing units on residence homesteads. In Texas, a residence homestead is essentially the house and yard used as the owner's principal residence. To qualify as a homestead, a property must meet four tests.

It must be owned by the person or persons claiming the exemption; it must be designed or adapted for human residence; it must actually be used as a residence, and it must be occupied as the principal residence of an owner who qualifies for the exemption.

A mobile home, if it meets the tests, can be claimed as a homestead, even if it is on leased land. A taxpayer can still qualify for the homestead exemptions if part of his residence is used for other purposes, such as a business in the home. And the home will not lose the exemption if the owner moves away temporarily, provided he intends to return and doesn't claim a homestead anywhere else.

For example, all homeowners in a school district are eligible for a \$5,000 general residence homestead exemption. Also, certain disabled taxpayers and those aged 65 or over may qualify for an additional \$10,000 exemption from the value of their homesteads.

A taxpayer who was 65 or older on January 1 of this year is also entitled to a tax freeze, or ceiling, on the tax bill from the school district on his house and yard. This ceiling is based on the taxes assessed when a taxpayer receives the over-65 school homestead exemption for the first time. The ceiling remains the same as long as the elderly taxpayer

owns the homestead, unless he makes an improvement or an addition to the house.

The chief appraiser pointed out, though, that elderly homeowners need not apply again this year if they obtained the exemption and tax freeze last year. Only those who became 65 during 1984 and those who have never had the exemption and freeze must apply for 1985.

Homeowners may also be eligible for a \$3,000 general homestead exemption from the county if the county levies a tax for farm-to-market roads and/or flood control.

Ballew said that any taxing unit may also decide to offer a general "percentage" homestead exemption which can be granted this year for any percentage up to 30 percent off the appraised value of residence homesteads. Currently, the county and school are the only jurisdictions offering this "percentage" homestead.

The taxpayers' pamphlet also describes other exemptions which are available in this district, upon application, to disabled veterans and to other disabled citizens.

Another type of tax relief explained in the pamphlet is the special productivity valuation available to landowners. If the owner and the land qualify, agricultural "1-d" and open-space "1-d-1" acreage may be taxed on its value based on what the land produces rather than on what it would sell for in the open market.

Owners of land taxed last year on its productivity value under 1-d-1 open-space provisions do not have to reapply, unless requested in writing by the appraisal office to do so.

More complete information on special land valuation, tax reductions and exemptions is available from appraisal personnel as well as in the pamphlet.

He said that the "Remedies" pamphlet also contains information about the Appraisal Review Board (ARB) which examines appraisal records and hears appeals to be sure property values in the district are equal and uniform. This section of the pamphlet outlines the steps for making an appeal to the ARB and ways to prepare and present the protest.

"We urge our residents to read the pamphlet and make any applications they need to get all the tax relief to which they are entitled," the chief appraiser said. "Remember, applications must be filed with the appraisal office before May 1."

Tennis members do well in Sonora Tournament

In last week-end's Sonora Tennis Tournament, the Eagles, coached by Scott Barton, were unbeatable. Jennifer Willoughby took first place in the Senior Division Girls Singles and Ron Mittel and Mike Moore took first in the Senior Division Boys Doubles.

Kindergarten registration April 24th

Parents or guardians of children who will be five years old on or before September 1, 1985 are requested to attend an orientation for next year's kindergarten children. The meeting will be held Wednesday, April 24th at 3:00p.m. in the multi-purpose room at the Elementary School.

Parents of these children will have a short meeting after the children are taken to the kindergarten rooms. At this meeting, information will be presented to the parents that will be helpful in the adjustment of their children to the school environment. After the meeting, the parents will pick up the children in the Kindergarten rooms.

The parents of these children are requested to bring the birth certificate and a copy of the immunization

records to the meeting. These will be copied by the school and the originals may be picked up during the week of April 29 - May 3 or they can be mailed back.

Please call the elementary office at 853-2770 or come by before April 24th if you are planning on attending this meeting.

WHAT ARE HOMESTEAD EXEMPTIONS?

A homestead exemption reduces the taxable value of your residence homestead. Various types of homestead exemptions are available in Texas and, if you qualify, they can lower your total property tax bill. Read on for details.

What Exemptions Are Available?

School districts offer a residence homestead exemption to all homeowners and additional exemptions to people who are disabled or over 65.

Counties offer homestead exemptions on their farm-to-market or flood control tax rates and may offer exemptions to the disabled and elderly.

Cities and other taxing units may offer exemptions for the disabled and elderly.

All taxing units offer an exemption for certain disabled veterans on one designated property.

Some taxing units offer an additional local-option percentage homestead exemption to resident homeowners.

How Do I Apply?

If you received a residence homestead exemption on your present home in 1984, you will not need to apply again for 1985, unless the chief appraiser requires you to file.

If you were 65 or disabled on January 1 and have not previously applied for the over-65 or disability homestead exemption, you will need to apply this year.

Or, if you have never had a homestead exemption on your present home, you should file your original application in 1985.

Apply for all exemptions to the county appraisal district at the address below. Forms are available from the appraisal office.

Is There a Deadline?

You should apply before May 1 for 1985 exemptions. While late applications for exemptions may be accepted in certain instances, you can fully protect your rights by applying before May 1.

The State Property Tax Board has a pamphlet, *Taxpayers' Rights, Remedies, Responsibilities*, to help you understand your local property taxes. Get a free copy at the appraisal district office or contact the State Property Tax Board in Austin.

Tree planted by club in observance of Sesquicentennial

In keeping with Texas Sesquicentennial celebration, The Daughters of the Republic of Texas, Fort Concho Chapter, San Angelo, had a tree planting ceremony at the San Angelo Schools Administration building March 29th. The Chactow Pecan Tree was donated to the

Chapter by Olives Nursery. Mr. Olive was present to supervise the planting.

Members attending the ceremony were Kleata Woods, Hazel Cook, Carol Jones, Vada Johnson, Rita Cornelius, Sue Metcalf, Norine Garner and Sarah Griffith.

Doyle honored by Hwy. Dept.

A Schleicher County resident was honored March 27, 1985, when he was presented a Certificate of Service and Lapel Emblem for 30 years service with the State Department of Highways and Public Transportation (DHT).

James C. Doyle, an Engineering Technician V with the Resident Engineer's Office in Sonora, started his DHT career in 1955 at the Sutton County Residency. He was certified a Senior Engineering Technician by

the Institute for the Certification of Engineering Technicians of Washington, D.C., in 1974. He is under the supervision of Joe W. Lane, Supervising Resident Engineer.

The presentation, along with a letter of congratulations was made by District Engineer D.R. Watson, of San Angelo. Mr. Watson thanked Jimmy for his long years of dedicated service to the Department and hoped his continued years would be pleasant and productive.

Marsh named Best Actress

The literary contest held last Saturday in Big Lake featured competition in categories ranging from journalism, prose interpretation and public speaking to science, Number sense and calculator applications.

Six productions competed in one-act play competition, with Reagan County and McCamey getting top honors.

In team scores Reagan County High School had 217, McCamey High School 131 and Eldorado High School 96.

Of the individual scores Michelle Marsh of Eldorado won Best Act-

ress; in prose interpretation Kara Garlitz won 2nd; in journalism Belinda Turner of Eldorado won 3rd; Becky Jones of Eldorado won 1st in Editorial Writing with Michelle Marsh 2nd.; Henry Robles won 3rd in Headline Writing; Henry Robles won 1st in Spelling; Amy Sutto won 2nd in Typewriting.

The top three individual winners on each team in the literary division will go to Lubbock this month for regional competition. Six from Eldorado will go to regional. They are Becky Jones, Michelle Marsh, Kara Garlitz, Amy Sutto, Belinda Turner and Henry Robles.

Ho, hum, 8th grade wins again

This is getting a little old folks but, the 8th Grade Boys Track Team under the guidance of Coach Phillip Meyer, has done it again. Woman's Club to sponsor Cancer Crusade April 15-19

The Woman's Club will sponsor the Cancer Crusade in Eldorado during the month of April. The week of April 15-19 will be the time when volunteers will be canvassing the town and county asking for help to keep the fight against cancer going. The goals of this crusade are to inform as many people as possible about cancer prevention and early

detection and to generate funds for the American Cancer Society's service, research and education programs. The month of April is designated as Cancer Control Month. A contribution to American Cancer Society fights cancer both nationwide and right here in Eldorado.

Library News

The Eldorado Public Library would like the public to know they have Tax Forms for 1984, and may come by and pick up what they need.

New books for this week are:
 "Peter Rabbit"
 "Little Bunnie Follows His Nose"
 "Carebears Counting Book"
 "Style" by Christina Ferrare--a book every woman who loves style and beauty should read.
 "One Day At A Time" by Cristy Lane
 "The Vietnam War"--The illustrated history of the conflict in Southeast Asia.

Older books the Library has but still make good reading are:

"Eden Burning" by Belva Plain
 "The Old Time Cowhand" by Ramon Adams
 "Warwych's Woman" by Rosalind Laker
 "The Lonesome Gods" by Louis L'Amour
 "The Word Made Fresh" by Andy Edington--A unique version of the Bible

The Library is trying very hard to get some of their past due books in so if you are spring cleaning and happen to find one, please return it to the Library.

Daughters of the Republic of Texas hold meeting for March

The March meeting of the Ft. Concho Chapter Daughters of the Republic of Texas was held in the home of Lucille Coleman, 207 Glenmore with Hazel Cook and Septima Andrews as Co-hostesses. Finger sandwiches, cookies, punch and coffee were served before the business meeting.

Vada Johnson, president, presided at the meeting. More plans

were made for the Conference to be held in Midland in May.

On the sick list of members, it was reported that Pansy Gross, registrur for the chapter, remained in St. John's Hospital.

A Texas history test is to be given to a seventh grade class. This is an annual event.

A brief report on publicity and the Year Book that is to be entered in the contest at the Conference was given by Sarah Griffith.

Plans were made to plant a Sesquicentennial tree Marsh 29 on the east side of the new school administration building.

Members present were Kaleta Wood, Hazel Cooke, Sue Metcalf, Vada Johnson, Lucille Coleman, Morine Garner, Eloise Amos, Marjorie Slagle, Sarah Griffith, Frances White and two visitors.

Public Notice

Southwestern Bell Telephone Company, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the Company's intent to implement a new schedule of telephone rates in Texas, effective April 29, 1985, unless otherwise determined by the Commission.

While proposals as to specific rates vary, it is expected that the requested rate schedule will furnish a 10.5 percent increase in the Company's unadjusted test year intrastate revenues.

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas and with each affected incorporated municipality served by Southwestern Bell Telephone Company. The Commission staff has contended in the past that all rates are subject to change as a result of Southwestern Bell Telephone Company's rate application. This filing includes, but is not limited to, proposals to increase rates for local exchange service, intraLATA long distance, intraLATA interexchange private line service (which includes foreign exchange service) and to decrease certain access service rates.

Notice to Customers of Other Telephone Companies

This filing includes, but is not limited to, proposals to increase rates for intraLATA long distance and for intraLATA, interexchange private line service (which includes foreign exchange service) and to decrease certain access service rates. Changes in such rates would also affect customers of other telephone companies because such companies provide certain services in accordance with rates specified in Southwestern Bell Telephone Company's tariffs.

Notice to All Customers Concerning Access Charges and Certain New Service Charges

Southwestern Bell Telephone Company, as a part of this filing, is also proposing to reduce certain access rates charged such customers as AT&T Communications, Inc., MCI and other carriers. The resulting reduction in revenues is proposed to be offset by revenues from two new service charges, late payment charges applicable to business customers only and for certain operator services such as busy line verification, plus stimulation of access service charge revenues. Since this portion of the filing, if granted, would have essentially a zero net revenue effect on Southwestern Bell Telephone Company, Southwestern Bell Telephone Company is proposing that this portion of the filing be expeditiously handled by the Commission and not await Final Order.

Persons who wish to intervene or otherwise participate in these proceedings should notify the commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227, or (512) 458-0221 teletypewriter for the deaf.

Aviso Público

En conformidad con las disposiciones de la Comisión de Servicios Públicos de Texas, Southwestern Bell Telephone Company anuncia mediante el presente aviso su intención de establecer un nuevo arancel de tarifas telefónicas en Texas, con vigencia a partir del 29 de abril de 1985, salvo disposición en contrario de la Comisión.

Si bien existe variación entre las propuestas en cuanto a las tarifas precisas, se anticipa que el arancel tarifario solicitado aumentará en un 10.5% los ingresos intraestatales no ajustados de Southwestern Bell Telephone Company durante el año de prueba.

Una copia completa del nuevo arancel de tarifas se halla archivada en las oficinas de la Comisión de Servicios Públicos en Austin, Texas, así como en cada municipalidad incorporada afectada que tenga servicio de Southwestern Bell Telephone Company. En el pasado, la Comisión ha sostenido que toda tarifa se halla sujeta a cambio toda vez que Southwestern Bell Telephone Company solicite nuevas tarifas. El registro de esta tarifa incluye, pero no en forma limitativa, las propuestas de aumentar las tarifas por servicios de centrales locales, de larga distancia intraLATA y por servicios de línea privada interLATA entre centrales (incluyendo servicios de centrales externas) así como las propuestas de reducir ciertas tarifas de servicio de acceso.

Aviso a los clientes de otras compañías de teléfono

El registro de esta tarifa incluye, pero no en forma limitativa, las propuestas de aumentar las tarifas por servicios de larga distancia intraLATA y por servicios de línea privada intraLATA entre centrales (incluyendo servicios de centrales externas) así como las propuestas de reducir ciertas tarifas de servicio de acceso. Los cambios en dichas tarifas también afectarían a los clientes de otras compañías de teléfono, puesto que dichas compañías proporcionan ciertos servicios de acuerdo con las tarifas especificadas en los aranceles tarifarios de Southwestern Bell Telephone Company.

Aviso a todos los clientes con respecto a los cargos de acceso y a determinados cargos nuevos de servicio

Al registrar esta tarifa, Southwestern Bell Telephone Company también propone reducir ciertas tarifas de acceso que se les cobran a clientes como AT&T Communications, Inc., MCI y otras compañías de larga distancia. La consecuente reducción de ingresos se piensa compensar por medio de dos cargos nuevos de servicio (cargos por pago atrasado que se aplicarían solamente a usuarios comerciales, y cargos por ciertos servicios de operadora, tales como verificación de línea ocupada) además de la estimulación de los ingresos por cargos por servicios de acceso. En vista de que, en caso de otorgarse esta parte del arancel tarifario registrado, su efecto real en los ingresos de Southwestern Bell Telephone Company sería igual a cero, ésta propone que la Comisión tramite dicha parte de la tarifa en forma expeditiva sin esperar la Orden Definitiva.

Toda persona que desee intervenir o participar en el presente proceso debe notificar a la Comisión lo antes posible. Las solicitudes de intervención, participación o información deben dirigirse a: Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Para obtener mayor información debe llamar a Public Utility Commission Consumer Affairs Division, (512) 458-0223, o (512) 458-0227, o al (512) 458-0221 si requiere teletipo para personas con impedimentos de audición.

SLASH HOT WATER BILLS BY 50%

... AND, NEVER AGAIN RUN OUT. SOUND IMPOSSIBLE... READ ON!

Typical tank type hot water heaters can use more energy than any other "appliance" in your home. That's because tanks store heated water — and must keep it hot all the time — just waiting for use.

New THERMAR Heaters can end all that. They create hot water on demand — only when you need it — and so can cut hot water bills by a staggering 50% and more! Call or visit today to get all the facts plus our free energy audit. Each day you wait costs you money!

Storage tanks keep large volumes of water heated all the time. Tank cycles on and off 24 hrs. a day — even when you're away. Tank can also "run out" of heated water when needed.

Tankless design is small in size, doesn't store heated water — but creates it on demand. Uses no energy even when you're away. Can produce 120 gallons of hot water an hour!

LEGAL NOTICE

The Southwest Texas Electric Cooperative, Inc., P.O. Drawer 677, Eldorado, Texas 76936, announces it is making application for an amendment to its Certificate of Convenience and Necessity within Schleicher County.

The Cooperative is planning the construction of a dead end substation with two transformers - a 138-4.16 KV and a 69-4.16 KV. Radial taps will be constructed from existing 69 KV and 138 KV transmission lines. The facilities for the 138 KV transmission will be H-frame wooden pole structures built on a 100 ft. (30.48m) right-of-way. The 69 KV tap will also be H-frame wooden pole structures on a 60 ft. (18.29m) right-of-way. The 138 KV transmission line will be approximately 0.6 miles (0.97m) in length and tap an existing 138 KV transmission line located to the east of the site. The 69 KV transmission line will be approximately 0.7 miles (1.13 km) in length and tap an existing 69 KV line located to the west of the site.

The proposed site is located 1.33 miles (2.13 km) east of U.S. Highway 277 and 17.4 miles (28.0 km) south of the community of Christoval, Texas. The substation will require a one and one-half acre (0.61 ha) site. This site will be on land owned by the United States Air Force. The estimated cost of construction is approximately \$1,196,000.00.

Persons who wish to intervene in the proceeding or comment upon action sought, should contact the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400 N, Austin, Texas 78757, or call the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227 or (512) 458-0221 for teletypewriter for the deaf within 15 days of this notice. 13-14-c

Do we have your name right? Now's the time to tell us.

The new edition of your phone book goes to press soon. But before the presses roll, be sure you're listed correctly. Or tell us if you'd like more listings (the kids, a relative, your spouse, for example). After all, it's your phone book. When you see your name in print, it ought to be the way you want it. So, if you want changes or additions, let us tell you what the charges are. Just call our business office now.

SLASH HOT WATER BILLS BY 50%

... AND, NEVER AGAIN RUN OUT. SOUND IMPOSSIBLE... READ ON!

Typical tank type hot water heaters can use more energy than any other "appliance" in your home. That's because tanks store heated water — and must keep it hot all the time — just waiting for use.

New THERMAR Heaters can end all that. They create hot water on demand — only when you need it — and so can cut hot water bills by a staggering 50% and more! Call or visit today to get all the facts plus our free energy audit. Each day you wait costs you money!

STORAGE TANK THERMAR TANKLESS

Storage tanks keep large volumes of water heated all the time. Tank cycles on and off 24 hrs. a day — even when you're away. Tank can also "run out" of heated water when needed.

Tankless design is small in size, doesn't store heated water — but creates it on demand. Uses no energy even when you're away. Can produce 120 gallons of hot water an hour!
