

PAVE PAWS Ground Breaking scheduled for October 30

The PAVE PAWS Project presents the largest single opportunity for Eldorado to grow and stimulate its economy. This is the best stimulus that has been made available to our community in years. To

capitalize on this opportunity, an Eldorado PAVE PAWS Steering Committee has been established. This committee, headed by Ron Sutto, has defined subcommittees which relate to the current and future

growth activities of the community. The subcommittee task forces are the following: Finance, Publicity, Program, Food, Set-Up.

These task forces are in the process of implementing the neces-

sary activities which will surround the first major PAVE PAWS event - the ground breaking ceremony for the large building which will house the Radar System. This ceremony is currently scheduled to take place Tuesday, October 30, 1984 at 11:00 a.m. As the host community, residents of Schleicher County have been invited to participate in this ceremony. The committee hopes that every citizen of Schleicher County will participate in this new source of pride for our county.

After the ground breaking ceremony, the town of Eldorado will host a barbeque lunch for all dignitaries, guests and residents of Schleicher County. The luncheon site will be the courthouse lawn (or the agricultural barn - in case of rain). The proposed list of dignitaries invited to attend includes Vice President George Bush, Senator John Tower, Representative Phil Gramm, Governor Mark White and State Representative Lloyd Doggett.

This celebration places the town of Eldorado on display! In order to present the town's best image, the Steering Committee is asking everyone to PITCH-IN and start your clean-up campaign. Everyone can play an important part in presenting the bright and clean side of Eldorado. Remember, first impressions are very important! If you have future plans to beautify your property, the committee is asking you to pitch-in and do as much as possible before the 30th of October.

The Finance Task Force is now in the process of soliciting contributions to defray the cost of the welcoming activities. Contributions may be deposited at the Eldorado National Bank.

Over the next three weeks we will keep you posted on all of the events related to the PAVE PAWS project. In the meantime, let's start the clean-up!

Powell selected representative

Victoria Powell, daughter of Mr. and Mrs. James L. Powell, of Ft. McKavett has been selected as a Royal Representative to participate in the Coronation Court and parade pageantry of 1984 Rose Queen Diana Patricia Taylor of the Texas Rose Festival in Tyler October 18 - 21.

Victoria is a sophomore social work major at the University of Texas at Austin where she is a member of the Pi Beta Phi Sorority and the Special Programs Committee. She is a graduate of Eldorado High School where she was a class favorite, football sweetheart, cheerleader, homecoming queen, band president and prom queen. She was named to the Who's Who in American High School Students, received the United States Achievement Academy National Award, and was a member of the National Honor Society.

She was presented at the Admiral's Club Aqua Festival in

Austin. Her sister, Lorrie, was a Duchess in the 1981 Texas Rose Festival.

She will serve with 49 other college coeds from throughout the country on Queen Diana Taylor's Court. She and other members of the Queen's Court will wear gowns and robes depicting the pageant theme, "The Court of the Storybook Kingdom", a feature of the Queen's Coronation October 18-19. The Queen's Court will also attend several social activities during the Festival including the Queen's Tea, the Queen's Ball, and the Rose Parade.

The Texas Rose Festival honors the multi-million dollar rose industry around Tyler. The rose growers produce approximately one-third of the nation's commercially grown rose bushes. The Festival is annually held at harvest time in October and attracts over 100,000 visitors to Tyler.

Hospital Board hosts BBQ for staff

The Hospital Board hosted a barbeque held in the home of Floyd and Norma Butler Monday evening, October 1st.

The hospital staff, nurses, nurses aides, EMT's, the law enforcement, board members and all their spouses and Dr. and Mrs. Dick Respass were all invited to the dinner. There was a lot of food, fun and fellowship where people were meeting one another, some perhaps for the first time, even though they live in the same community.

The purpose of the meeting was to develop a close communication that will help to make our community a better place in which to live.

After the dinner the host, Floyd Butler, asked each division to gather in a group to visit and to select a spokesman for each group. He also spoke about how important communication is between groups who work together and care for people in the same community.

Our own Sheriff, Orval Edmiston, spoke for the law enforcement, Margaret Ellen Nixon for the nurses and Dale Lipssett for the EMT's. Dr. and Mrs. Respass expressed their appreciation for the reception they have received and they have been impressed with the way people work together and care about one another in a small community.

Scouting is for you, too!

Did anyone tell you about all the Fringe Benefits you will enjoy by being a Girl Scout?

Having Fun! You can have as much fun as the girls. Playing games, singing songs, hiking, canoeing, camping.....All the activities girls enjoy are available to every adult in Girl Scouting.

Learning! The Girl Scout program is based on sound educational principles - sounds dry, doesn't it? Well then, you haven't attended a learning event lately. How about a weekend at camp learning about troop camping or how to become a

council trainer? You can even earn CEU's (Continuing Education Units) for some of the courses.

Career Development! Did you know that employers perceive volunteer experience as a valuable asset?

Recognition! Every adult in Girl Scouting has the opportunity to receive recognition for her participation and contribution. It may be a wonderful "Thank You" from a girl, it may be for outstanding contribution through your church or synagogue, it may be from other adults in your community or area, or it may be from the Council.

Making New Friends! Girl Scouting is like a family -- an extended family. You will have the opportunity to make new friends right where you live, throughout our 18 counties, across the state, the nation and around the world! No matter where you move you will find new Girl Scout friends ready to welcome you and make you a part of their council.

The Greatest Benefit of All! Helping girls grow in knowledge, awareness, experience and ability! For more information call 915-655-8961 or come by the El Camino Girl Scout Council, 128 South Magdalen, San Angelo, Texas 76903.

Public Notice

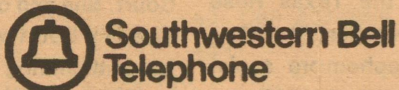

Southwestern Bell Telephone Company hereby gives notice that a Private Coin Service tariff has been filed with the Public Utility Commission of Texas.

Under the proposed tariff, Private Coin Service would be offered for use with a customer-provided instrument-implemented coin telephone at the request of the customer.

Interim approval of the tariff has been requested by Southwestern Bell Telephone Co. and a hearing has been set for Oct. 15. Unless the tariff is approved on an interim basis, the new service is scheduled to become effective on March 7, 1985. The matter has been assigned to Docket 5905.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene, participate or further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N Austin, Texas 78757.

Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227, or (512) 458-0221 teletypewriter for the deaf.

Aviso Público

Por medio del presente aviso, Southwestern Bell Telephone Company anuncia que ha registrado una tarifa referente al Servicio Telefónico Privado a Monedas ante la Comisión de Servicios Públicos de Texas.

De acuerdo con la tarifa propuesta, el Servicio Privado a Monedas podría utilizarse, previa solicitud del usuario, con un aparato telefónico a monedas provisto por el usuario.

Southwestern Bell Telephone Company ha solicitado la aprobación interina de esta nueva tarifa y ha sido fijada una audiencia para el día 15 de octubre. A menos que la tarifa reciba aprobación interina, el nuevo servicio entrará en vigencia a partir del 7 de marzo de 1985. La tarifa se ha registrada bajo el Docket 5905.

Toda persona que desee intervenir o participar en el proceso debe notificar a la Comisión lo antes posible. Las solicitudes de intervención, participación o información deben dirigirse a: Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757.

Para obtener mayor información debe llamar a Public Utility Commission Consumer Affairs Division, al (512) 458-0223, al (512) 458-0227, o al (512) 458-0221 si requiere teletipo para personas con impedimentos de audición.

Public Notice

Southwestern Bell Telephone Company, in accordance with an order from the Public Utility Commission of Texas, hereby gives notice it has filed a tariff to reduce the monthly rates for the Switched Access portion of the company's intraLATA Foreign Exchange (FX) Service offering that was implemented starting June 1, 1984. Simultaneously, the LATA-wide toll-free calling scope, also started June 1, would be discontinued and the calling scope would return to that in effect prior to June 1. The Commission has assigned this matter Docket Number 5891.

The net effect of the tariff will be a monthly decrease in total billing of approximately \$700,000 until November 1, 1984. After that time the net effect on the company's revenue is estimated to be negligible.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene, participate or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227, or (512) 458-0221 teletypewriter for the deaf.

Aviso Público

En conformidad con una orden de la Comisión de Servicios Públicos de Texas, se anuncia mediante el presente aviso público que Southwestern Bell Telephone ha presentado una tarifa con el objeto de reducir las cuotas mensuales que se han cobrado desde el 1 de junio de 1984, por la porción de la tarifa para acceso a la red central necesaria con el uso del Servicio de Zona Exterior (Foreign Exchange (FX) Service).

Simultáneamente, el servicio de llamadas de larga distancia sin cobro dentro del área de servicio que también se efectuó el 1 de junio de 1984, se discontinuará, y el campo de llamadas será al igual que antes del 1 de junio de 1984. Se ha registrado la nueva tarifa bajo el Docket 5891.

El efecto real de la nueva tarifa se verá en la reducción del costo total de facturas de aproximadamente \$700,000 hasta el 1 de noviembre de 1984. Se calcula que después de esta fecha el efecto real para nuestra empresa será despreciable.

Los usuarios de Southwestern Bell Telephone Company que estén interesados en participar en esta reunión, o que requieran mayor información, deben dirigirse por escrito a: Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757. También se puede obtener información adicional llamando a Public Utility Commission Consumer Affairs Division al 512/458-0223, al 512/458-0227, o al 512/458-0221 si requiere teletipo (aparato para personas con impedimentos de audición).

Eagles fall to Menard

The Eagles suffered their second consecutive loss last Friday in Menard at the hands of the Yellow-jackets with the final score reading 7 - 2. Eldorado's only score came in the form of a safety when Menard mis-snapped the ball to its punter and it ended up in the end zone. Menard hit the scoreboard in the last quarter and then came up with the extra point. Each team had five 1st Downs but the penalty column reflected the theme for the game. Eldorado received six penalties for 50 yards. Menard received nine penalties for

88 yards. The mistakes kept coming when we look at the amount of fumbles in the game. Eldorado fumbled eleven times of which six were presented to the opposition. Menard fumbled six times and lost the ball twice and once again the Eldorado fans were presented with a defensive type football game. The gratitude belongs to the defensive string in that they kept tight control on the Yellowjackets particularly when it mattered and that was when the 'Jackets were well into the Eagles' home turf.

DON'T SHOOT AT POWER LINES!

Never shoot at power lines or the insulators that hold them. A severed line could cause a dangerous power outage, and the downed line itself could also be a very serious safety hazard.

Here are a few other tips on how to live more safely — electrically:

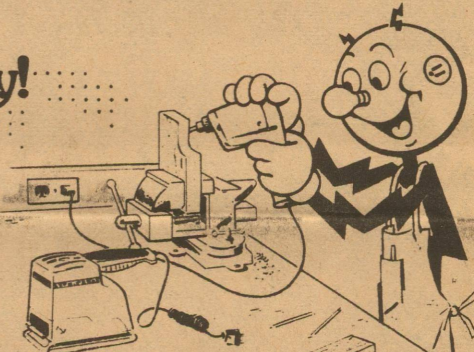

Keep Children Away from Outlets!

Don't let small children play near electrical outlets. A child could easily put a finger or some object in an outlet when you're looking away. A wise safety precaution would be to put safety caps in all wall outlets.

Use Power Tools Wisely!

Be extra careful when using power tools. Always be sure the wiring is adequate for the job. See to it that there are enough circuits of the right size, and that all circuits are grounded. Also, never use electric tools in the rain or on wet surfaces.

Electricity.

It's the Power of Choice.

Truth Shall Live

Thus 2:11 For the grace of God that bringeth salvation hath appeared to all men.

12 - Teaching us that denying ungodliness and worldly lusts we should live soberly, righteously and godly, in this present world.

13 - Looking for that blessed hope, and the glorious appearing of the great God and our Saviour Jesus Christ.

The first appearing of Christ was shrouded in misunderstanding and misinterpretation by those He came to save. As they quibbled and argued over who He was. He began building and forming a kingdom that would one day live in the hearts of men. He walked among men as God manifest in the flesh (I Timothy 3:16). During the last years of His earthly walk, He trained apostles, preached and taught his followers things pertaining to the Kingdom of God.

I want to keep this word in force during my life span. The Lord wants me to tear down idols and false doctrine. I want to say the Joseph Smith doctrine is false doctrine it doesn't line with the word of God. For one thing he didn't see God and Jesus as two persons. John 14 - 7 and 9 he that hath seen me hath seen the Father. On September 21, 1823 the Angel Moroni appeared in a vision to tell Smith of the gold engraved plates containing the history of the ancient inhabitants of American was buried in a hill called Cumorah.

These plates were returned to the custody of Angel Moroni. From these plates Smith translated the book of Mormons.

If this was so Jesus's word was in vain. Mark 16 - 15 and he said unto them go ye into all the world and preach the gospel to every creature.

Jesus also gave Peter the keys to the kingdom of heaven. Repent - Jesus name baptism and the receiving of the Holy Ghost as in Acts 2:38. Moroni has become an idol on the Mormon Tabernacle.

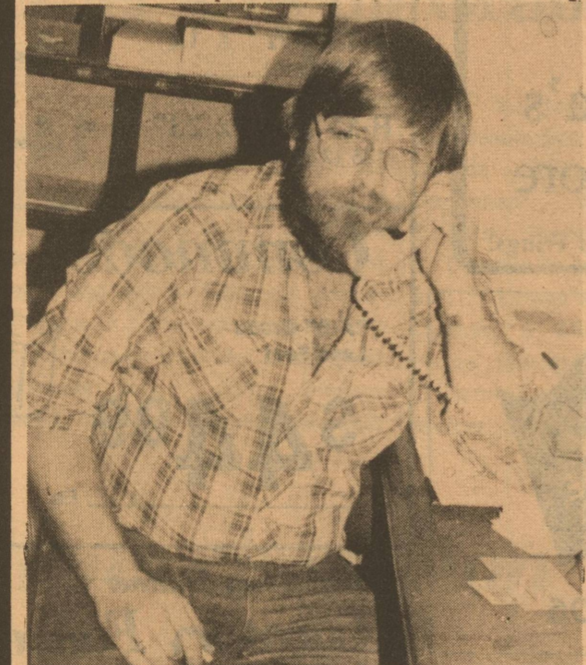

I want to say also the Church of Christ and Christian Church came out of the Baptist Church group Thomas and Alexander Campbell father and son split. Thomas Campbell started the Church of Christ. As I said before they thought they had found their way to pentecost. They kept the baptist trinity baptism which was the Roman Catholic baptism. The Roman Catholic changed the baptism from Jesus name to what is called the holy trinity.

There is a lot of doctrine that is kept throughout the years and then some one will break out with another name of church one group wbut they all keep the trinity doctrine.

All it takes to know Jesus is just come to know the word like it is written. You don't need a Smith, Thomas or Alexander story. Beloved it would be better if you didn't even go to church if you are not going to live the truth. It's not what you or I think but what the bible says.

Come to the only Jesus name Pentecostal Church in Eldorado. Send donations to Box 115.
