

Elementary Honor Roll

An Awards Assembly was held Wednesday, January 8, 1992 in the Elementary Gym.

All Physical Education students in first through fourth grades were recognized for the National Physical Fitness Award or the Presidential Physical Fitness Award in Curl Ups.

The following students in second, third and fourth grades were recognized for being on the Honor Roll, "A" Honor Roll and Eagle Excellence Award for the completed 3rd Six weeks.

2ND GRADE HONOR ROLL

Mrs. Beach's Class
Mandi Armstrong, Franky Estrada, Aaron Fuentes, Sean Gonzales, Carlos Lozano, Elibeth Montalvo, Andrea Robles, David Samarripa

Mrs. Doyle's Class
Ramon Barajas, Leonel Medrano, Brandy Wofford

Mrs. Scssom's Class
David Doran, Jesse Estrada, Benji Gonzalez, Quisito Gonzalez, Randle Goodrum, Jason Holley, Megan Little, Adriane Lozano, Marina Lozano, Jimmy Joe Rodriguez, Samantha Smith

"A" HONOR ROLL

Mrs. Beach's Class
Whitney Edmiston, Tony Fay, Maria Hernandez, Scott Homer, Wesley Jones, Leigh Ann Neal,

Gentry Newman, Nathan Otwell, Tana Williams

Mrs. Doyle's Class
Desiree Anchondo, Thomas Ballew, Xochitl Esparza, Tanner Haynes, Tabitha Lloyd, Melisa Mejia, Mitzi Milby, Dest Sudduth, Will Whitten

Mrs. Scssom's Class
Cristy Belman, Mary Bryant, Brittany Key, Kristina Prater, Misty Simmons

EAGLE EXCELLENCE AWARD

Mrs. Beach's Class
Mandi Armstrong, Franky Estrada, Whitney Edmiston, Aaron Fuentes, Sean Gonzales, Maria Hernandez, Scott Homer, Wesley Jones, Elibeth Montalvo, Leigh Ann Neal, Gentry Newman, Nathan Otwell, Andrea Robles, Tana Williams

Mrs. Doyle's Class
Desiree Anchondo, Thomas Ballew, Ramon Barajas, Xochitl Esparza, Tanner Haynes, Tabitha Lloyd, Melisa Mejia, Mitzi Milby, Dest Sudduth, Will Whitten

Mrs. Scssom's Class
Cristy Belman, Mary Bryant, David Doran, Jesse Estrada, Benji Gonzalez, Quisito Gonzalez, Jason Holley, Brittany Key, Megan Little, Adriane Lozano, Marina Lozano, Kristina Prater, Jimmy Joe Rodriguez, Misty Simmons, Samantha Smith

3rd Grade HONOR ROLL

Mrs. Kuhlmann's Class
Jerrie Arispe, Rikki Bosmans, Kayla Case, John Ray Espinosa, Vanessa Gonzalez, Clay Whitten

Mrs. McGregor's Class
Agathy Fuentes, Alberto Ruentes, Shawn Wiseman

Mrs. Rasco's Class
Sammy Cabrera, Georgina Cardenas, Nancy Cawley, Ruby Robledo

"A" HONOR ROLL

Mrs. Kuhlmann's Class
Lindsay Beach, Lance Belman, Matt Curtis, Cindy Gault, Lupe Salazar, Isaac Saldivar, Sarah Wolfe

Mrs. McGregor's Class
BreeAnne Davis, Ben Edmiston, Annamarie Giovannitti, Amy Green, Johnny Herrera, Kayla McCravey, Stacy Nicholson

Mrs. Rasco's Class
Ashley Barton, J.B. Garcia, Taylor Graham, Kyra Mahanay, Jodi Ritter, Suzanne Rojas, Joseph Wade

EAGLE EXCELLENCE AWARD

Mrs. Kuhlmann's Class
Lindsay Beach, Matt Curtis, Cindy Gault, Vanessa Gonzalez, Lupe Salazar, Clay Whitten

Mrs. McGregor's Class
BreeAnne Davis, Ben Edmiston, Agatha Fuentes, Kayla McCravey, Stacy Nicholson

Mrs. Rasco's Class
Ashley Barton, Sammy Cabrera, Georgina Cardenas, Nancy Cawley, Kyra Mahanay

4TH GRADE

HONOR ROLL

Mrs. Jones's Class
Sarah Anchondo, Patrick Fuentes, Kary Gibson, Kasey Griffin, Cory Lloyd, Evelyn Quintana, Judith Sanchez

Mrs. Moore's Class
Kim Edmiston, Sarah Mankin, Larry Nicholson, Jennah Richters, Clay Smith, Clayton Sykes, Steven Valero

Mrs. O'Harrow's Class
Jackie Barrera, Kenny Covarrubiaz, Gary Gibson, Brandy Nixon, Justin Warren

"A" Honor Roll

Mrs. Jones's Class
Hillary Hodges, Jess Martin

Mrs. Moore's Class
Nicole Althaus

Mrs. O'Harrow's Class
Haley Edmiston, Kimberly Jones, Chelsea Knappick, Lance Mitchel, DeAnn Rodriguez, Joseph Wink

EAGLE EXCELLENCE AWARD

Mrs. Jones's Class
Sarah Anchondo, Kary Gibson, Kasey Griffin, Hillary Hodges, Cory Lloyd, Jess Martin, Judith Sanchez

Mrs. Moore's Class
Kim Edmiston, Sarah Mankin, Larry Nicholson, Clay Smith, Clayton Sykes, Steven Valero

Mrs. O'Harrow's Class
Kenny Covarrubiaz, Haley Edmiston, Gary Gibson, Kimberly Jones, Chelsea Knappick, Lance Mitchel, DeAnn Rodriguez, Joseph Wink

Library Board Meets

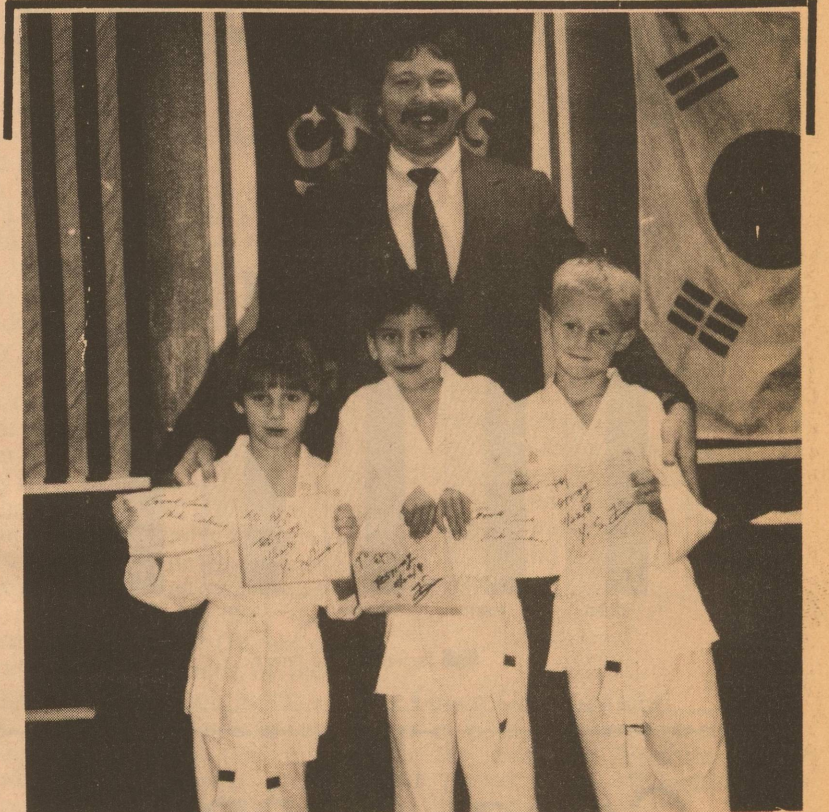

The Schleicher County Library Board met on Wednesday, January 8th for its monthly meeting. Board members present were Carolyn Mayo, Grace White, Florence Williams, Juanita Taylor, Lynn Meador, Penny Bland, Pam White and new member Rev. Hawley Wolfe.

Jerry Whitten, librarian, presented her monthly report. It was noted that the number of books checked out in December of 1991 was 801. This is an increase of 201 over the 600 checked out in December of 1990. In fact, the numbers have increased in all areas since the library moved to its new location. In October, an all time high was reached at 1,382 books. A big thanks goes to the readers of Schleicher County.

Listed below are some

of the new books that have been received in the library for January.

Jesus and His Times - Readers Digest; Promised Land - Leon Urri; Rittenhouse Square - Merla Zellerbach; Dark Angel - Sally Beauman; Seventh Heaven - Alice Hoffman; Cape God - William Martin; The Tokaido Road - Lucia St. Clair Robson; Cross-Country Runner (large print western) - Leon McClinton; Man From the Cherokee Strip (large print western) - John Kilgore; The Hell Raiser (large print western) - Ray Hogan; Savage Land (large print western) - Elliot Long; The Fireman's Fair - Josephine Humphreys; Evidence of Blood - Thomas H. Cook; Stormchild - Bernard Cornwell; Gentle Rogue - Johanna Lindsey; The Stormy Petrel - Mary Stewart.

Three Eldorado 1st Graders recently completed their yellow belt test at Choi's Tae Kwon Do Academy in San Angelo. The yellow belt is the first step on the advancement road to black belt. Pictured are (L-R) Tommy Johnson, Ty Martinez, and Bobby Phillips. Also shown is the boy's instructor, Mr. Mike Sekach.

ASU Spring Registration Begins Today

Registration for the 1992 Spring Semester at Angelo State University begins Thursday, January 16 and runs through Friday, January 17 in the Robert and Nona Carr Education-Fine Arts Building.

Preregistered upperclassmen, Goodfellow Air Force Base active duty personnel, and graduate and evening school students will register Thursday, January 16.

Undergraduates and GAFB active duty personnel will register from 9:30 a.m. to 5 p.m., and graduate and evening school students will register from 6 p.m. to 7 p.m. based on their classifications and the last two digits of their Social Security numbers. The order on Thursday, January 16, is as follows:

Registration employees, 8:30 a.m.

Seniors (90 or more hours), and all active duty personnel at GAFB, 75-99, 9:30 a.m.; 50-74, 10 a.m.; 25-49, 10:30 a.m.; and 00-24, 11 a.m.

Juniors (60-89 hours), 75-99, 11:30 a.m.; (lunch break from 12 noon to 1:30 p.m.); 50-74, 1:30 p.m.; 25-49, 2 p.m.; and 00-24, 2:30 p.m.

Sophomores (30-59 hours), 75-99, 3 p.m.; 50-74, 3:30 p.m.; 25-49, 4 p.m.; and 00-24, 4:30 p.m.

Graduate and evening school students, 50-99, 6 p.m.; and 00-49, 6:30 p.m.

Friday's order for students who have preregistered is as follows:

Freshmen (less than 30 hours), 83-99, 9 a.m.; 67-82, 9:30 a.m.; 50-66, 10 a.m.; 33-49, 10:30 a.m.; 17-32, 11 a.m.; and 00-16, 11:30 a.m.

Students who have not preregistered will register Friday afternoon in the order that follows:

Seniors at 2 p.m.; juniors at 2:30 p.m.; sophomores, 50-99, 3 p.m.; sophomores, 00-49, 3:30 p.m.; freshmen, 50-99, 4 p.m.; and freshmen, 00-49, 4:30 p.m.

Classes in the 1992 Spring Semester begin Monday, January 20.

Late registration also begins Monday, January 20, and runs through Friday, January 24.

Senior students expecting to complete their degree requirements by May should apply for graduation during registration. Deadline for applying for graduation is Friday, January 31.

Final exams for the 1992 Spring Semester are scheduled for May 11-15, and commencement is scheduled for Friday, May 15 at 7 p.m. in the San Angelo Coliseum.

The 1992 Spring Semester Break is scheduled for March 16-20.

Pictured above are the class favorites for the Eldorado Middle School. They are: (L-R) Amanda Manning, Ashlie Whitten, Cari Green, Codybill Whitten, Justin Leggett, and Zack Steele.

The Lion's Roar

For this year the lions are looking for some ideas for their annual fundraiser. Much of the money raised by the Eldorado Lions is returned to the community, but the Lions also try to donate funds to the Crippled Children's Camp/Children's Diabetic camp, near Kerrville.

Anyone with ideas should suggest them to any local

Lion or better yet, if you are not a member and are interested in becoming one, contact the President, Thomas Giovannitti, 853-2833, or any other Lion.

Historical Society Meets

by Ola Ruth Barbee

The Historical Society met on Monday, January 6th. The meeting was opened with the Pledge to the Flag. Ethel Etheredge gave the Secretary's Report, and Mabel Freitag gave the Treasurer's report.

The proposed inscription for the plaque at the Courthouse was approved. Plans were discussed for a reception to be held when the marker is installed. The financial status was reviewed for 1991 and discussions were made on new ideas for 1992.

Those attending were: Mabel Freitag, Mary McGinnes, Ruth Harper, BellnEff, Charlene Edmiston,

Ethel Etheredge, Ola Ruth Barbee, Rene Calcote, and Willie Blanch Johnson.

13 people payed their dues. If you haven't payed your dues, please come by the Museum and pay them.

KEEP WINTER OUTSIDE WHERE IT BELONGS.

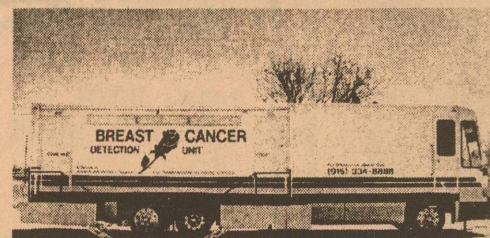

Your home is your castle, as the saying goes. So you don't need uninvited guests, such as cold drafts and chilly breezes. What can you do to keep your castle cozy?

- Check windows and doors for air tightness. They may need caulking or weatherstripping.
- Look for air leaks through walls or ceilings. Seal cracks and holes; fill gaps in insulation; close damper when fireplace is not in use.
- Install storm windows. Combination screen and storm windows are the most energy efficient and convenient because they can be opened easily if there's no need to operate heating or cooling equipment.

Call us for more tips on protecting your home from drafts and cold. We'll help you keep the outside where it belongs.

BREAST CANCER DETECTION UNIT AVAILABLE TO AREA WOMEN

WEDNESDAY, JANUARY 29th
SCHLEICHLER COUNTY MEDICAL CENTER
ELDORADO, TEXAS

Accredited by the American College of Radiology
A Service of Transamerican Diagnostic Services (Providing Mammography Services for over 5 years)

CALL 853-2507 FOR APPOINTMENT

According to the American Cancer Society, one out of ten women in the United States will develop breast cancer sometime in her lifetime. It is currently estimated that over 37,000 women die each year as the result of breast cancer.

Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A woman who is diagnosed as having breast cancer by mammography, before a lump can be felt, has a 97% five year survival rate and a 90% 10 year survival rate.

A mammogram can detect a cancer this small, even before it can be felt.

Guidelines For Screening Mammography Established by the American Cancer Society.

- I. 35-40 years of age - One baseline mammogram.
- II. 40-50 years of age - A mammogram every 1-2 years depending on breast type and risk factor.
- III. 50 years of age and over - An annual physical examination and annual mammogram.
- IV. Asymptomatic women under 50 years of age with significant high risk factors should be examined at appropriate intervals. These risk factors include previous breast cancer and family history of cancer.

V. A symptomatic woman should have a mammogram at any age when she experiences a mass, nipple discharge, skin changes or unexplained breast pain.

A screening mammogram is an x-ray of the breast using extremely low dosages of radiation (usually comparable to dental x-rays) and is designed to find very early cancers.

A female technologist who is highly trained in mammography will perform the examination.

The charge for the screening mammogram is \$62.00. The Unit accepts cash, check, Visa, Mastercard and American Express.

Schleicher County Students Excel In Academics

Schleicher County ISD has received the 1991 scores from the October administration of the TAAS test (Texas Assessment of Academic Skills). This test is a test of academic achievement in the areas of math, reading, and writing in grades three, five, seven, nine, and eleven. Students are required by state law to pass the eleventh grade test before they graduate from high school. Academic achievement, rather than minimum skills competencies as on the former TEAMS test, are tested on the TAAS test.

Third graders scored above state levels in all areas. In math, 91% of Eldorado third graders mastered the test as compared to only 84% statewide. In reading, 98% of Eldorado third graders mastered, as compared to 80% statewide. And on the writing portion on the test, which included both a written essay

and questions concerning the mechanics of writing, 73% of Eldorado third graders mastered the test as compared to 61% statewide. Eldorado third graders also surpassed statewide third graders in the number of students mastering all objectives. In math, 56% of Eldorado third graders mastered all objectives, as compared to 34% statewide. In reading, Eldorado had 72% mastering all objectives with the statewide percentage being 53%. And in writing Eldorado had 18% of the third graders mastering all objectives with the statewide percentage standing at 17%. One third grader, Breanne Davis, was awarded Academic Recognition for scoring a 4 (the highest possible score) on the written composition, mastering all objectives on all three tests, and answering correctly at least 95% of the items on each subject area test.

Fifth graders also scored above state levels in all

areas. In math, 98% of Eldorado fifth graders mastered the test as compared to only 56% statewide. In reading, 89% of Eldorado fifth graders mastered, as compared to 61% statewide.

And on the writing portion of the test 95% of Eldorado fifth graders mastered the test as compared to 75% statewide. Again, Eldorado fifth graders also surpassed fifth graders statewide in the number of students mastering all objectives. In math, 39% of Eldorado fifth graders mastered all objectives, as compared to 15% statewide. In reading, Eldorado had 34% mastering all objectives with the statewide percentage being 19%. And in writing Eldorado had 25% of the fifth graders mastering all objectives with the statewide percentage standing at 21%. One fifth grader, Collier Shurley, was awarded Academic Recognition.

In the seventh grade, 88% of Eldorado students

mastered the math test as compared to just 49% statewide. In reading, 76% of Eldorado seventh graders mastered, as compared to 48% statewide. And in writing, 88% of Eldorado seventh graders mastered the test as compared to 57% statewide.

Eldorado seventh graders also exceeded statewide percentages in the number of students mastering all objectives. In math, 22% of Eldorado seventh graders mastered all objectives, as compared to 10% statewide. In reading, Eldorado had 16% mastering all objectives with the statewide percentage being 9%. And in writing Eldorado had 47% mastering all objectives with the statewide percentage standing at 18%. One seventh grader, Matt McCormick, was awarded Academic Recognition.

High school students also compared well against the state. In math, 67% of Eldorado ninth graders achieved mastery

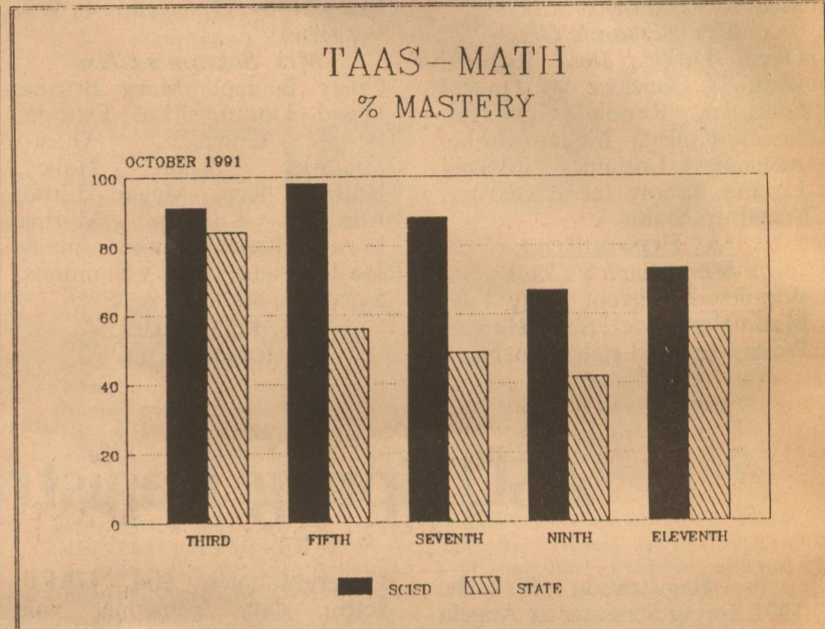

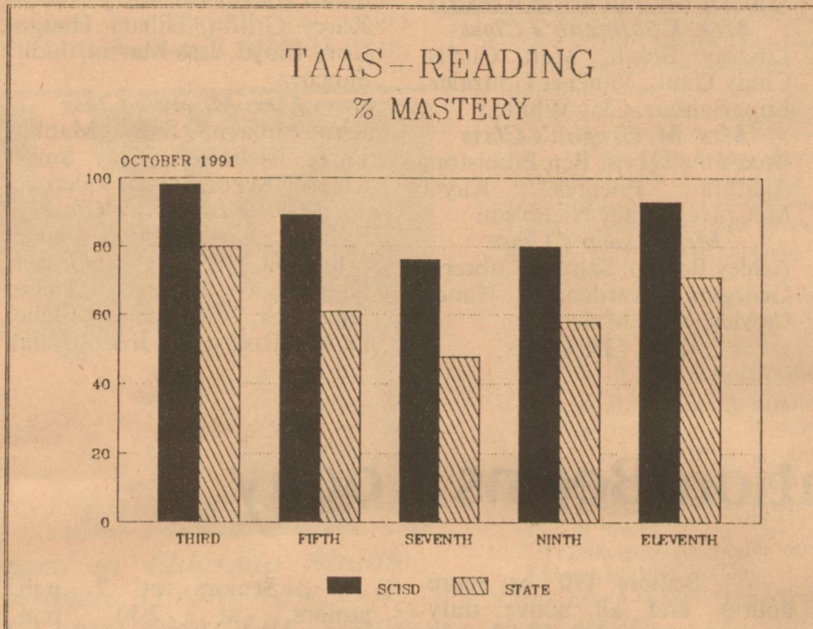

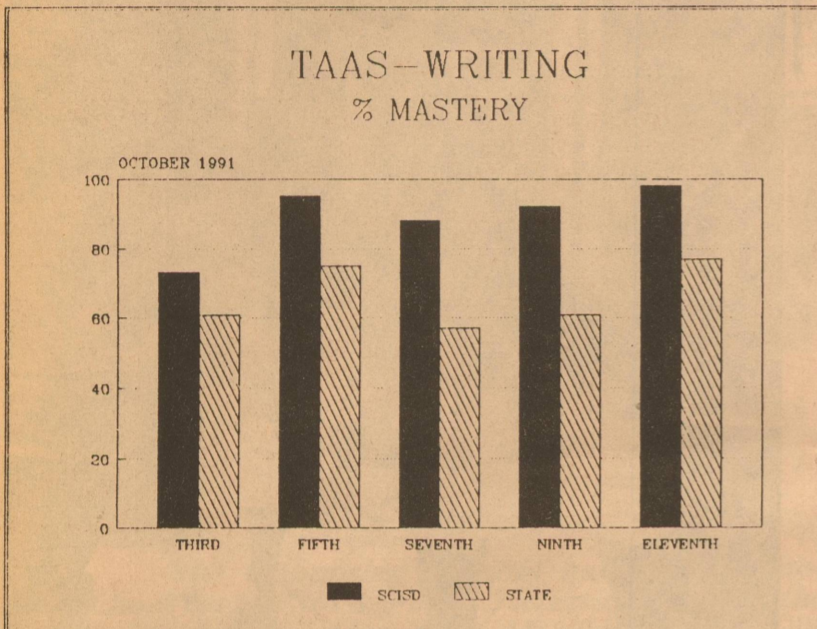

compared to 42% statewide. In reading, Eldorado ninth graders had 80% mastery, while the percentage of mastery for the state was 58%. In writing, SCISD ninth graders had 92% mastery compared to 61% for the state.

In math, 18% of Eldorado ninth graders mastered all objectives, compared to 10% for the state; in reading 42% of Eldorado ninth graders mastered all objectives, compared to 24% for the state; and the percentage of students mastering all objectives in writing was 27% in Eldorado compared to 13% for the state. Ninth grader Jenny Wink was awarded Academic Recognition.

On the eleventh grade Exit Level test, which students must pass in order to graduate, 73% of SCISD students mastered the math test compared to 56% statewide; 93% mastered reading compared to 71% statewide, and 98% mastered writing, compared to

77% statewide. The percentage of Eldorado students mastering all objectives at the exit level was again above the statewide level with 18% mastering all objectives in math compared to 15% statewide; 36% in reading compared to 26% statewide; and 33% mastering all writing objectives as compared to 21% statewide. One student, Matt Williams, was awarded Academic Recognition.

All faculty, staff, and students are to be commended for a job well done. Scores such as these do not come without much hard work. Students who did not master one or more portions of the test are presently being remediated in either the regular classroom or during tutorials or both. The Exit Level test will be administered again in the spring and twice during the twelfth grade for students who did not master one or more portions of the Exit Level test.

by Coach Greg Cleveland
VARSITY BOYS

The Boys opened the Iraan Tournament playing Grand Falls/Royalty and they lost one ballgame, and it was a tough challenge for us and fortunately we fell by four points. The key thing was that we missed four front ends of a one-and-one in the last part of the ballgame, with about three minutes left with the lead. We went to our four to score and we just did not do a good job knocking the free-throws down.

We were behind by five at the beginning of the third quarter, and we caught back up and out scored them the third quarter and tied it 48-48 and it was nip and tuck going into the fourth quarter.

We were led in scoring by Cy Griffin with 22 points, Matt Williams had 16, T.C. Willis had 13.

We are still looking for someone to step forward and play big in a big ballgame, and really say "I want the ball." We need to develop somebody to do that.

The next ballgame was with district rival Wall. It was our second ballgame on Friday and they slowly pulled away from us. We never could do anything with their zone. We didn't shoot the ball real well from outside. We got into a little foul trouble, and we just didn't do a real good job executing. They beat us 54-38. This was one of those ballgames where you feel like if we could have done something early in the ballgame, the score could have been reversed. We were led in scoring by Chris Meador with 9 points, and T.C. Willis had 8. We just couldn't put together a great effort.

We came back on Saturday and played Iraan. They have been winning a lot of close ballgames, and they have a solid ball club. We played a very good ballgame and ended up winning the game. We out-scored them 13-5 during the first quarter. They came back and took a 2 point lead at half-time, and we came out and out-scored them big time during the third quarter 18-10, and then out-scored them 20-18 in the fourth quarter. We knocked down several key free-throws. Chris Meador had two big free throws, and Cy Griffin had four big free throws during the fourth quarter. We were led in scoring by Cy with 28 points, Chris had 17. Even though we won by eight, I thought it was a better ballgame. We showed more intensity and enthusiasm, and consequently I feel like we are starting to make some progress.

We played Sanderson, who I felt like was the weakest squad in the tournament. This was one of those ballgames where we pull out a little bit and slack off a little bit, and pull out and slack off, and we never

could quite get over the hump. They ended up beating us in double over-time 53-50.

Our inability to hit free throws in the latter stage of the ballgame that hurt us. We went to the line several times with 1-1 and we just could not knock them down.

We are improving, but we seem to take one step forward and two step backwards in terms of confidence. Our skills are a lot better, we just need to play together, a little harder, and with a little more enthusiasm, and I think will be O.K.

Our next ballgame was against Sonora on December 27 here in Eldorado. This was close ballgame throughout the game. We were down 2 at half-time and were down 8 at the third quarter, and they just out-scored us. We did not do a good job of scoring and they beat us 50-39.

The score is not indicative of how we played. We played very hard and had a good effort. We didn't execute real well, we missed several key shots, but at the time I felt like we were playing pretty decent and had a chance to win the ballgame.

We were led in scoring by Cy Griffin with 14 points and Matt Williams with 12.

The next day, December 28th, we went to Menard and played the Menard Yellowjackets. We absolutely played the worst five minutes I have ever seen in my life. They had us down 17-0 after five minutes, and we were in serious trouble. To our credit, we pulled out and from that point on, out-scored them 70-54 the rest of the ballgame and got beat 71-70. We had the ball and had a chance to win. We missed six free-throws in the last part of the ballgame. We had the lead and it was a tremendous effort and come-back on our part. We were only down 2 points at half-time, and were ahead going into the fourth quarter.

We were led in scoring by Cy with 23 points, Matt had 19, T.C. Willis had 15, which was the first time he has broken out.

The players have got to understand that we have got to have that kind of effort for three quarters and two minutes for the whole ballgame.

We played Brady on January 3rd. We played a real close ballgame with them, nip-and-tuck in their gym. They came out shooting very well and we came out very sluggish. They had us down 11 in the first quarter, and 19 at the half. I felt like we could come back and get

Basketball Update

Teams Off To Slow Start In District Games

into the ballgame if we took a little bit of time, and we actually did slice their lead by one point going into the fourth quarter, but we just absolutely got dominated in the fourth quarter. We got beat 76-46. I don't know what the problem aside from the fact that we just totally didn't execute. Matt led us with 18 points, and Chris Meador had 9. We have got to learn to be able to execute. Their press took us out of a lot of things. We forced a lot of things, and we just didn't do a good job of executing our offense.

We started district play in Coahoma, which is the pre-season district favorite. I felt going into the ballgame that they were going to overlook us since they handled us twice last year. They have an outstanding ball club. They have one player, Brent Elmore, who is picked as one of the top 100 in the state of Texas. They have four kids coming back that started last year. Three are starters and one is the sixth man. At the time, I felt we ready for an upset and they were not going to pay attention to us. They jumped out very hot, but we came back and we were down by 6 at the end of the first quarter, and at half-time we were down by 8. The third quarter we were down 12 and then we started cutting it. We cut it to a 5 point ballgame and had a chance, but they pulled at the end of the fourth quarter and out-scored us for a 71-56 victory. The sad thing about this is the effort we played with was tremendous. The score was not indicative of how the game was being played.

We were led in scoring by Cy with 30 points, Chris Meador chipped in with 8 and Reagan Bownds had 7. We have got to have more scoring from other people. T.C. Willis and Matt Williams have got to score for us to win. As a matter of fact, our guard play did improve in this ballgame. Jason Whitten made some positive contributions to the team. Some of our other young men have got to step up.

We then played Ozona, who was picked along with Stanton as one of the top three teams. In the past, we have always had nip-and-tuck games with Ozona and this game was no different. They jumped out real early and had us 15-6 in the first quarter. We out scored them 11-6 to go down by four at the half. They had us by seven at the end of the third quarter and then we cut the lead down and were behind by one point with 14 seconds left and had an opportunity to win the

ballgame. The plan that we had drew up on the side-line did not work and we missed our last second 3-pointer to the buzzer and Ozona escaped with a one-point win, 32-31.

Judging by the score you would figure that it was slow ballgame, but neither team pulled the ball out. It was just a game where both defenses were into people, after people, and causing them to shoot pressured shots. We just didn't do a good job of knocking our shots down. They actually went to a box and one type defense, and left several of our young men wide open, and we were just unable to capitalize on that opportunity. In the future our young men have got to accept that responsibility, step up with confidence and knock the shot down. That's one of the things about the game of basketball. If you don't have any confidence in yourself, it's kind of hard to do anything very well.

We were led in scoring by Matt with 14 points, and no one else was even close. Once again, we have got to have three to four men step up and score big for us. The effort in that game was tremendous. I really fell like that if we go ahead and play smart and harder, then we are going to be a threat in this district race. The men have got to understand that it takes winning the close ballgames, and we have got to have someone to step up and lead us through.

VARSITY GIRLS

The last ballgame before the Christmas was against the Forsan Girls in our second district game. It was here in Eldorado and we got beat 42-34. They came out shooting very well, a lot better than I expected, and we put ourselves in a big whole and we just never could seem to get over the hump. We did out-score them in the second half, 20-14, but it wasn't the kind of ballgame that we had

whole for the first round. The first half, we went without scoring for 3 minutes and 38 seconds, so in all, we did not score one whole quarter in the ballgame. Our defense was tremendous. They had probably one of the outstanding scorers in the district, Letisha Anderson. She ended up with 19 points, but she had 13 at the half, we did a tremendous job on her in the second half.

We were led in scoring by Claudia with 14 points, Lindy had 11, and Stephanie Ledbetter had 8.

We have got to maintain our consistency and we cannot go a whole quarter without scoring.

Our last ballgame was here against Ozona. I wasn't worried about the fact of whether we were going to win or lose, but I didn't want to have a let down. We felt like we were not going to be a factor of the district races during the first half. We need to get some momentum and maybe some things will happen and get us into a runner-up spot right now.

We came out and played some excellent defense and showed great patience in our half-court game. We have knocked down some outside shots and we took care of the game.

We didn't score more than 19 in the second half, though. We beat them 51-36.

Our leading scorer was Claudia Martinez with 30 points, which is a high for the year. Cory Barton chipped in with 8 and Lindy had 7.

The Ozona girls had a pretty good post girl who ended up with 22 points. They did a good job of moving their feet, but our kids did a real good job of executing.

by Coach Don Richters

On Friday, January 3rd, the Eldorado Freshman Boys played Brady. Eldorado won this game 41-34.

Scorers for Eldorado were: Eric McGinnes-7, Pepper Nix-7, Casey Peaslee-4, McCra-vey-4, Whitten-4, Goodman-6, Herrera-5, Neal-2, and Middleton-2.

The Lord is good, a strong hold in the day of trouble; and he knoweth them that trust in him. Nahum 1:7

Low-Income Workers Can Get Free Eye Care

For the second year in a row, optometrists nationwide are donating their services to give free eye exams to low-income uninsured working people and their families.

By calling 1-800-766-4466 during January only, low-income people can sign up for the program, called VISION USA, according to the American Optometric Association (AOA). The eye exams will be given in optometrists' private offices in March, coinciding with the 65th anniversary celebration of Save Your Vision Week, March 1-7.

In the 1991 program held last March, more than 8,000 AOA-member optometrists donated their services and nearly 40,000 people received the free eye care. Those served ranged in age from one to 87 years.

"Almost 90 percent of the people we examined in last year's VISION USA program had eye health or vision problems," said Michael Roth,

O.D., Syracuse, NY, who chairs the project. "For over 15 percent, this was their first eye exam ever. And that group included middle-aged adults. It shows what a great need there is for a program like VISION USA."

To qualify for the free eye care, persons must: have a job or live in a household where there is one working member; have no health insurance; have

income below an established level based on family size; and have had no eye examination within 12 months.

"Based on our experience last year, there's no doubt in our minds that many people in low-income families are being held down because they can't see well enough to do their jobs or to learn in school," said Dr. Roth. "We want to put a stop to that by giving these

people access to regular eye care."

VISION USA was started in 1985 with a pilot program in Kentucky. It quickly spread to many other states, and in 1991, became a nationwide program. The 1992 nationwide project is being supported, for the second time, by a grant from Vistakon, a Johnson & Johnson Company.

Savor The Whole Enchilada With This Prize Winner

Here's your chance to enjoy the Whole Enchilada - a main dish with authentic Tex-Mex flavor!

The Whole Enchilada, awarded Best Beef Recipe Utilizing Any Cut from the Chuck in the 1991 National Beef Cook-Off, makes a great choice for a family or company meal. The \$1,000 winner was created by Dan Cherrington of Fairway, Kan.

A winner in more ways than one, this hearty enchilada casserole is bursting with a spicy combination of beef, onions, chilies and jalapenos - and it's really simple to prepare.

Braising, which requires little attention, does the work for you. The pieces of beef chuck cross rib pot roast cook to fork tenderness and take on Tex-Mex flavors from the aromatic blend of seasonings. The beef is shredded, rolled in flour tortillas, topped with taco sauce and cheese, then baked just to heat through.

Fresh fruit like apples, winter pears or grapes makes a simple nutritious accompaniment.

The Whole Enchilada

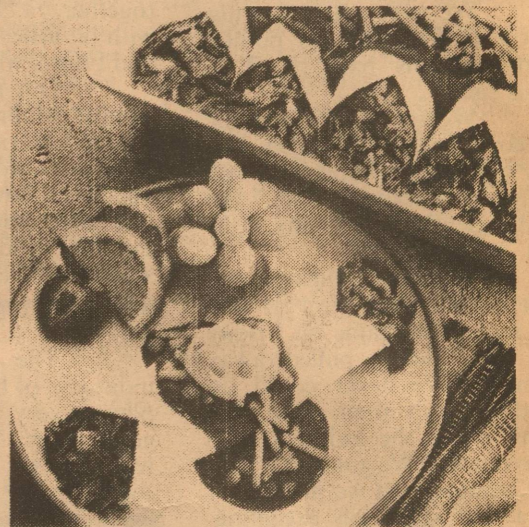

Preparation time: 15 minutes
Cooking time: 2 hours 30 minutes to 3 hours

- 2 1/2 pounds boneless beef chuck cross rib pot roast, cut into 8 pieces
- 1 tablespoon vegetable oil
- 1/2 cup chopped onion
- 1 can (4 ounces) chopped green chilies
- 2 jalapeno peppers, seeded and finely chopped*
- 1 clove garlic, minced
- 1/2 cup single-strength beef broth
- 1 1/2 teaspoons chili powder
- 1/2 teaspoon ground cumin

- 1/8 teaspoon each ground red pepper and salt
- 8 flour tortillas (6 to 7 inches)
- 1 jar (16 ounces) taco sauce
- 1 cup (4 ounces) shredded Cheddar cheese
- Dairy sour cream or plain yogurt
- Finely chopped green onion

Heat oil in Dutch oven over medium-high heat until hot. Cook onion, green chilies, jalapeno peppers and garlic in not oil 2 minutes, stirring frequently. Add beef chuck cross rib pot roast pieces and broth; sprinkle with chili powder, cumin, ground red pepper and salt. Reduce heat; cover and simmer 2 to 2 1/2 hours or until beef is tender. Shred beef with 2 forks and mix well with pan juices. Divide beef mixture evenly among tortillas; roll up. Spread small amount of taco sauce evenly over bottom of 11 x 7-inch baking dish. Place tortillas, seam-side down, in dish; top evenly with remaining taco sauce. Sprinkle evenly with cheese. Bake in 375°F (moderate) oven 15 minutes or until hot. Garnish with sour cream and green onion. 8 servings.

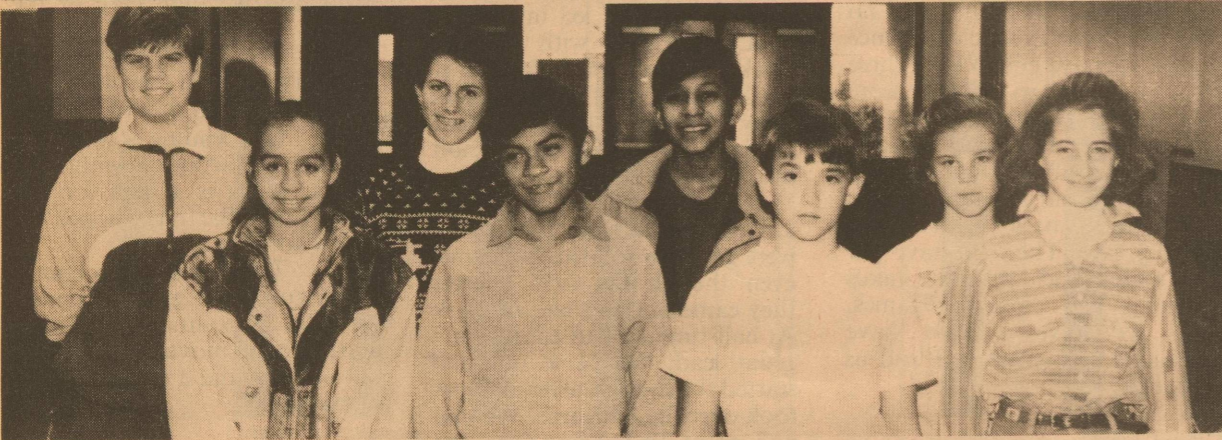

*For spicier beef mixture, do not remove the seeds from jalapeno peppers.

Nutrient data per serving for each enchilada: 407 calories; 13 g fat; 1,010 mg sodium; 100 mg cholesterol.

Your favorite original beef recipe could take you to the 1992 National Beef Cook-Off in Sacramento, Calif., Sept. 17-19, where contestants will compete for more than \$35,500 in cash and prizes! To enter, just mail your original indoor, microwave or outdoor barbecue recipes by March 1, 1992 to: National Beef Cook-Off Entries, 444 N. Michigan Ave., Chicago, IL 60611.

The American National Cattle-Women, Inc. sponsor the event in cooperation with the Beef Industry Council and the Beef Board. Tappan and Kingsford are the corporate contributors of the National Beef Cook-Off.

The Citizenship Awards have been announced at Eldorado Middle School for the 3rd 6 Weeks. Pictured above are the winners. (Front Row, L-R) Yadira Iglesias, Marcellino Martinez, Ricky Gibson, and Mitzi Lux; (Back Row, L-R) Kirk Curtis, Erin Meador, Aaron Sanchez, and Renee Edmiston.

Mobile Breast Cancer Detection Unit To Be In Eldorado

The Mobile Breast Cancer Detection Unit of Odessa, Texas, which services Eldorado, Texas today received the certification of the American College of Radiology Mammography Accreditation Program.

Mammography is an x-ray examination of the breast, which the American Cancer Society and other medical experts see as the best means for the early detection of breast cancer.

The program is voluntary and is designed to insure that women receive optimum quality mammographic examinations. The process is done through a peer review evaluation of the facility's staff qualifications, equipment, quality control and quality assurance programs, image quality, and breast dose.

The accreditation must be renewed every three years.

The accreditation program was instituted because of the concerns of radiologists, other national medical organizations, and the public that qualified personnel perform and interpret mammograms and that dedicated mammographic equipment be used. The American College of Radiology received an American Cancer Society Control Grant which was used to pilot test the Accreditation Program.

Breast cancer will strike one in 10 American women. The American Cancer Society predicts that about 41,000 women will die of breast cancer this year. As there is no way to prevent the disease, early detection and treatment offer the greatest hope for survival.

The American Cancer

Society recommends that women do monthly breast self-exams and have regular physical breast exams by a doctor. It further recommends mammography on the following schedule:

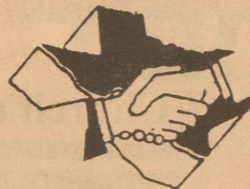

A baseline mammogram (for reference) between age 35 and 39.

A mammogram every one or two years between age 40 and 49.

An annual mammogram from age 50.

The Breast Cancer Detection Unit will be in Eldorado, Texas on Wednesday, January 29th. You may call 853-2507 for an appointment.

Plays Set For February

"The Way Off-Broadway Players" are working on two wonderfully funny one-act plays. These plays will be presented on February 15th, 16th, 22nd, and 23rd.

"A Personal Thing" by Paul Wildman has an all male cast which includes Hawley Wolfe, Gary Smith, Bob Lester and Smokey Taylor. "a.k.a. Marleen" by Carol K. Mack is a mini-musical comedy and the cast consists of Sherry Belk, Eva Jo Sessom, Debbie Joy, and Lewis Whitten with Jo Ann Sprout directing.

Make plans to attend these performances! The dinner theatre will be held on February 22nd and tickets should be purchased by February 14th. The other performances will

have tickets available at the door as well as in advance. Call or go by CR. Sproul's office for tickets (853-3343).

The dinner for the dinner theatre is sponsored by the Chamber Pride Committee as a fund raiser. It was a big success last year and promises to be even better this year. Don't miss it!

Flu Strikes Early This Year

Flu season came early in much of North America, and a second surge may be on the way.

"People who caught influenza earlier in the season could get it again, especially if a different strain hits," said Dr. W. Paul Glezen of the Influenza Research Center at Baylor College of Medicine in Houston. "But people who have been vaccinated are likely to be protected. The two influenza A viruses circulating are similar to those included in the current vaccine."

Flu season generally peaks in late January or early February, but an unusually early round peaked in November.

Those most at risk for potentially fatal flu complications are the elderly and people with heart disease,

lung disease, asthma, chronic bronchitis, diabetes, chronic kidney disease, chronic anemia, sickle cell anemia and immune-system disorders.

"It is still not too late for people in the high-risk groups to get flu shots," Glezen said. "Such patients can be protected by taking the prescription drug amantadine during the 14 days it takes for the vaccine to provide full protection."

Most of the influenza this season has been type A, and the symptoms and duration of an influenza A attack can be minimized by amantadine.

Influenza usually strikes suddenly and brings fever, generalized muscle pain, weakness and a dry, hacking cough.

Flu sufferers should get

plenty of rest and drink lots of liquids, Glezen said.

Adults may take aspirin or an aspirin substitute to reduce fever and pain, but people younger than 21 should use only aspirin-free products.

Aspirin has been associated with Reye's syndrome, a flu and chicken pox complication that can cause vomiting, convulsions, brain damage and even death in children, said Glezen, an epidemiologist and pediatrician.

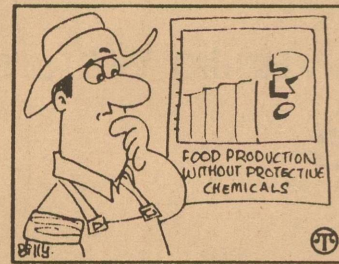

As bad as this current

season has been, it pales by comparison with the 1918 worldwide flu epidemic that afflicted 500 million people and killed 20 million. More than half a million died in the U.S.

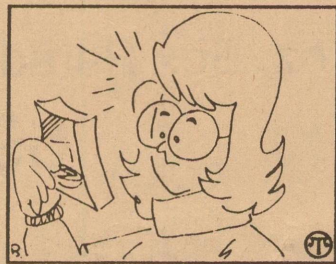

The 1918 epidemic killed more people in less time than any other disease in modern history. It ranks with the Black Death of the 14th Century as one of the few events in recorded history to reduce the earth's population by as much as 1 percent.

QUICK QUIZ

Are you full of facts about food and our great growers? Taking this little test can help you tell.

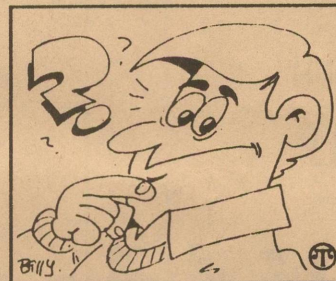

1. If American farmers stopped using crop protection chemicals, studies show, food production would (a) rise sharply (b) stay the same (c) fall dramatically?

2. Consumer prices would likely (a) rise rapidly (b) stay the same (c) fall slightly if farmers stopped using crop protection chemicals?

3. Even without the food grown with the help of crop protection chemicals, the U.S. would still be a leader in the global agricultural market. (a) True (b) False?

4. The health of all Americans would improve if farmers stopped using crop protection chemicals. (a) True (b) False?

ANSWERS

1. (c) A recent study by an independent economics firm found there would be dramatic losses in food production if crop protection chemicals use was suspended. 2. (a) The study also predicted rapid increases in consumer prices. 3. (b) The U.S. could be eliminated as a global competitor in agriculture markets but for crop protection chemicals. 4. (b) Because diets might tend to be poorer, health risks would increase, and agriculture would put greater pressure on the environment, risking our health and safety far into the future. You can learn more about it from a free booklet: "Doing Without." For a copy, write National Agricultural Chemicals Association, The Madison Building, 1155 Fifteenth Street, N.W., Washington, D.C. 20005.

ASCS To Administer Crop Disaster Assistance Program

The Agricultural Stabilization and Conservation Service (ASCS) will administer a crop disaster assistance program to compensate eligible producers for crop losses caused by drought, flood, and other natural disasters in either 1990 or 1991.

"To be eligible, producers with crop insurance must have had losses greater than 35 percent," said county Executive Director, Ronnie Mittel. "Producers without crop insurance must have had losses greater than 40 percent."

Program applications may be filed from February 3 through March 13.

The 1990-91 crop disaster program provides cash payments for production losses on participating program crops of wheat, feed grains, upland cotton, extra long staple cotton, and rice; nonparticipating program crops: peanuts, soybeans, sunflowers, sugar beets, sugarcane and tobacco; and all commercial nonprogram

crops. Mittel said producers who intend to file should begin to assemble their records now, so they will be ready when the program opens. He said that farmers will receive a special mailing with specific information on the program this month. "If a producer does not receive the disaster program information in the mail by February 3, he or she should call the county ASCS office."

Mittel explained that a producer may not file on one crop on a farm for one year and a different crop on the same farm for the other. "However, the producer may request benefits for 1990 on one farm and for 1991 on another farm."

The ASCS official said disaster payments would be computed according to the 1990 Farm Bill, and expects to begin issuing payments to farmers by April 16. Further details of the disaster payment program may be obtained from the local ASCS office.

PUBLIC NOTICE

BID NOTICE

Bids are being accepted through January 20, 1992 for one 1988 3/4 ton Chevrolet Cheyenne four wheel drive pickup with a new bed. The pickup is automatic, air and has approximately 103,000 miles. It may be seen at the Southwest Texas Electric Cooperative yard in Eldorado, Texas.

years old by Sept. 1, 1991 to qualify. The program also is open to disabled children.

Applications can be picked up and submitted between 9:00 a.m. and 4:00 p.m. at the Guadalupe Catholic Church.

The major components of head start include education, health, dental examinations, nutrition, parent involvement, and social services.

Parents or guardians should bring proof of income, copy of child's birth certificate and current immunization records for enrollment.

PUBLIC NOTICE

Tuesday Head Start Program will take applications Monday, January 20th, 1992. Head Start, under the direction of Tom Green County Community Action Council, is a federally funded child development program for 3 and 4 year children from low-income families. Children must be 3

Bids may be mailed to Southwest Texas Electric Cooperative, Inc., Box 677, Eldorado, Texas 76936

Attention: Pickup Bid. Southwest Texas Electric Cooperative reserves the right to refuse all bids.

BID NOTICE

Schleicher County Independent School District will be accepting bids for the removal of two dwellings and the clearing of the premises located at 106 West Warner and 110 West Warner. The deadline for all proposals will be 4:00 p.m., January 31, 1992 at the superintendent's office at 205 Fields Street,

Eldorado, Texas 76936. All inquiries should be directed to Larry Blair at that address or call (915) 853-2514. The Board of Trustees retains the right to reject any or all bids and waive all formalities.

2-(1-9-91)-b

PUBLIC NOTICE

The Tom Green County Community Action Council will accept applications for the following positions: Center Director, Teacher Aide, and Cook.

Center Director must be at least 21 years of age and have a High School diploma or it's equivalent and one of the following: bachelors degree with at least 12 credit hours of child development or early childhood, and one year of experience; child development associate credential, associate of arts degree in child development and one year of experience; day care administrators credential, recognized by the licensing branch and one year of experience or three years experience as a director, or staff of a licensed child care facility and six credit hours in child care development, or early childhood and six credit hours in business management.

Teacher Aide must be at least 21 years of age, and have a High School diploma or it's equivalent or one of the following: child development associate credential or an associate of arts degree in child development.

Cook must be at least 21 years of age and have a High School diploma or it's equivalent. Experience preferred.

Applications will be accepted through January 22nd. Applications will be accepted at the main office of The Tom Green County Community Action Council, located at 17 S. Chadbourne, Suite 200, from 8:00-11:00 a.m. and from 1:00-4:00 p.m., or may be mailed to the Tom Green County Community Action Council, P.O. Box 694, San Angelo, Tx. 76902.

PROFESSOR PHUMBLE by Bill Yates

Weight Loss Surprises Researchers

WASHINGTON --A nutrition organization was hopeful that a nutritionally complete "hi-tech" food tablet would help erase world hunger problems, until a study revealed that one of the ingredients could cause significant weight loss.

Although other studies and scientists may not agree, researchers in Europe found that the ingredient, a natural plant colloid, actually caused people to lose weight, even though specifically instructed not to alter normal eating patterns, according to one study published in the prestigious *British Journal of Nutrition*. Researchers in an earlier study had speculated that the weight loss was due to a decrease in the intestinal absorption of calories.

While the project of National Dietary Research, aptly named Food Source One, would not be used to successfully fulfill its original goal, the formula which has since been improved with other natural colloids has been a windfall for some over-

weight people. A Daytona Beach, Florida woman fighting a weight battle for 12 years used the product on the recommendation of her physician and lost 30 pounds. She stated, "Not only have I lost 30 pounds but my cholesterol has dropped from 232 to 143. I have two closets full of clothes which have not fit me in two years that I can now wear." In a separate report, a telephone interview revealed that a Wilmington, North Carolina pharmacist lost 14 pounds in 3 weeks on the product and was never hungry.

Food Source One tablets are part of National Dietary Research's comprehensive plan to bring a rapid end to obesity in this country. A variety of nutritionally sound diet plans, specially prepared by NDR, accompany each bottle and provide a natural, drug free alternative for confronting the problem of obesity.
