No. 45

ROCKEFELLER'S ABILITY WISE FOX IMPUDENT CRITICISM

I have never believed in fortune tellers, seer or prophet; the wise man is one able to profit by event after they happen.

John D. Rockefeller displayed ability not only in making money, when his stomach failed some years ago, he investigated the subject as he did an oil field and made it function again to his advantage. The Rockefeller Foundation, his tribute to philanthropy is as well managed as the Standard Oil Co.— Although the disposition is not to think of him better, Mr. Rockefeller was once regarded as the world's greatest sinner. If he could be judged justly by some unknown power, I believe his rating, from the cradle to the grave, would be as high as that of any other man that ever lived, all because of his enormous common sense; his knowledge that honesty is the best policy.

Intelligence is merely that cunning exhibited by a fox; knowledge of traps, dogs, men, poison, inherited and acquired from long experience.

A fox, celebrated as smartest of dumb brutes, is never prejudiced or fanatical; he is able to use every particle of sense he has.

If a fox encounters suspicious tracks, he doesn't stop to argue that he is entitled to life, liberty and the pursuit of happiness, but makes off to safer territory. When a man encounters danger, he too frequently stops to argue about his rights, and the danger overtakes him. A fox knows no heaven except hen roosts where there are neither dogs nor men; every fox is his own doctor preacher, and philosopher, and never yet has there been a fox urging foxes and men to make up, and love each other. Foxes have become famous because they use all the intelligence they have, a good habit most men lack.

Constructive criticism is often great impudence. Here are our best men in transportation, finance, manufacturing, farming, mechanics, navigation, engineering, merchandising, and in all the other legitimate activities of life. They have at least done so well that our country ranks first in all essentials respects. But there come a lot of palatable second raters who declare that everything has been done wrong. These bulk of these constructive critics are much like the barbers talking about the money problems of the world, or tennis players discussing the problems of transportation.

If a man harms himself in spite of repeated warnings easily understood, he is lacking in intelligence. I do not care how many powerful poems he may have written, or how many eloquently delivered; if he does not exercise ordinary practical sense and fairness in affairs most vital to him, he is not intelligent. Jean Jacques Rousseau is a famous man, but the man was not intelligent; his private life proves it. A man's private life is the real testing ground. Lazarus is also a famous name, but the man failed so utterly we hear of him only to teach us charity.

WOOD FOR SALE:— Cut and delivered to your house, \$10.00 a load.

Lewis Whitten

Phillips Petroleum

The Phillips Petroleum Company No. 1, J. A. Whitten located about four miles northwest of Eldorado, which caused quite a bit of excitement several weeks ago when it made heads of gas an oil at a depth of 4,915 feet has reached a depth of 5,465 ft. and drilling has been resumed after a cave has been cemented. The well has made some oil recently between the six and eight inch casing which is supposed to be coming from the shawing found at the depth of 4,915 feet that yielded around 70 barrels of oil by swabbing.

Murr—Talbot

A wedding of much interest to the friends of the contracting parties occurred Tuesday afternoon October, 22 at Ft. McKavett when Miss Williamina Thernmirthis (Billie) Talbot was given away in marriage to Mr. Charles Murr. The ceremony took place at half-past five at the St. James Mission Church. Due to the church's having been damaged in the recent wind storm, the crowd had to remain outside the building and witness the pretty ceremony that was carried out. An improvised altar of white and yellow was arranged just inside the door of the church from which place the ceremony was performed.

A large basket of yellow Chrysanthemums was placed on either side of the entrance.

Preceding the reading of the impressive ceremony, Mrs. W. R. Nisbet played "The Flower Song" and Traumeri and the accompaniment for Mrs. Frank Highsmith who sang "Love's Old Sweet Song." Mrs. A. J. Arnold then played Mendelssohn's Wedding March as little Miss Mary Painer of Ft. Worth, niece of the bride, entered dressed in green and carrying a large yellow Chrysanthemum. Mrs. Painer sister of the bride, came next as mother of honor. She wore a charming gown of brown and carried a cluster of pink rosebuds.

The bride was next to appear wearing a lovely wedding gown of rich brown velvet and carrying a large bouquet of rose buds. She was attended by her father, T. W. Talbot. The groom, Charles Murr and best man, Damon Evans entered and Rev. McCaa read the impressive Episcopal Service.

A large crowd stood just outside the church to witness the pretty and impressive ceremony that made the popular couple man and wife. The bride, known as Billie Talbot is a graduate of the Menard School. She also attended T. C. U. in Ft. Worth and the University of Oklahoma where she studied art in which subject she is quite talented. The groom is associated with his father in the ranching business near Fort McKavett and is a splendid polo player of note in this section.

At night, following the wedding a delightful dance was enjoyed by many friends and guests of the bride and groom at the home of the former's parents, Mr. and Mrs. T. W. Talbot.

Eldorado Enjoys Steady Growth

To the average person the name "Eldorado" suggests a boom town, probably in an oil field, built almost overnight and peopled with a fly-by-night class. But this is not Eldorado, the county-seat of Schleicher County. Founded in 1895 and named by Mr. W. B. Silliman, this quiet but enterprising little city has gradually grown to the present time. The citizens have lived through hardships and disappointments, such as droughts and failure of the railroad plans to materialize, but they never gave up hopes and now Eldorado boasts many advantages that the larger towns in the state are proud of. The citizens especially point with pride to the rapid development made in Eldorado during the past year.

Among the noteworthy signs of progress during the past twelve months are the incorporation of the town and the election of city officers; the organization of a live civic club—the Lions Club; the coming of the West Texas Utilities to Eldorado; the installation of street lights; the improvements of the water system; the erection of a brick Baptist Church; and the erection of many new homes and businesses.

Within the last six months at least a score of modern and substantial new residences have been rebuilt and remodeled. A number of other homes are now under construction. Such growth tells of the progress of the town. There is no boom. Much to the satisfaction of most of the citizens, but the growth is steady and gradual. The list of home erected in Eldorado within the past few months reads as follows: A. L. Stewardson, cobblestone; L. B. McClary, stucco; Bud Ellis, stucco; S. L. Stanford, stucco; J. L. Ratliff, brick veneer; Judd Nicks, stone; Those building bungalows of four to seven rooms are: E. M. Reynolds, Sherman Shoemaker; Oscar Gibson; Waltr Fry, R. D. Holt, John Flinn, R. T. Trail, J. S. May; W. M. Pointer, J. A. Cates, Jim Cheek, and a number of others.

Practically every house built is intended for a permanent home and was not built for speculative purposes. Also practically every house is modern and comfortable, equipped with electric lights and water, and provided with bath and septic tank for sewer disposal. Most of the homes are of the kind to add materially to any town.

At the present time there is one business house under construction in Eldorado. This belongs to J. F. Isaacs and is being erected on the east side of Main street and between Duncan's Cafe and E. W. Brook's store. It is to be of brick and tile, one story in height and with a thirty foot front. This building is to be fireproof and Modern thru out and is a gain for Eldorado.

Cicero Swift was in Eldorado last week end visiting home folks and friends.

P. T. A. Carnival A Success

The Hallowe'en carnival given by the Eldorado P. T. A. on Friday night, November 1st, proved to be an enjoyable evening to the large crowd attending it. Songs, stories and reading furnished free entertainment for all while the various booths and side-shows gave added zest and the necessary carnival atmosphere. Many of the merry-makers costumed and masked. The show which seemed to receive the most attention from the crowd was "The Art Gallery", one of the "collections" in this being "The Horse Fair (Fare) of '96" several ears of corn. Another show which received much attention was "The Three Headed Woman", contained similar original and unique exhibits. About \$71.00 was realized from the carnival by the Parent Teachers Associations. This will probably be used for the purpose of books for the grammar grades of the school.

Miles and Eldorado Hi School Play Scoreless Tie

On last Friday afternoon the Miles High School football team held the Eldorado team to a scoreless tie on the former's home field. Both teams threatened to score frequently during the game but neither could muster the necessary punch to put over a touch down. Eldorado defeated Miles earlier in the season but on their home grounds the Bulldogs showed a determination which held Eldorado powerless to score.

Eldorado has three games for the remainder of the season. These are as follows: Rock Springs at Eldorado, November 11th; Ozona at Eldorado, November 22nd; and Sonora, on Thanksgiving day.

The Brady Citizens have given the Brady Volunteer Fire Department a Combination Victor Radio and Victrola for their services. This is a very nice present for the boys but according to the Brady Standard they deserve it. Giving their time free to the protection of the Brady property.

FOR SALE: 8 Registered white Leghorns, Roosters 4 months old M Johnson Stock, Call Lee Johnson, at J F McKee's. (pd 43)

A new store has opened in Ozona going under the name Adams and Adams Dry Goods Store. There has been several stores to open in Ozona recently.

An editorial in the Ozona Stockman in relation to Jim Ferguson planning on running for Governor is worth while, All those interested in Jim or knowing what Mr. White thinks of "Farmer" Jim call at The Success office and we will show you this article. It is really worth your time.

Mr. and Mrs. G. C. Crosby, Mr. J. C. Crosby, and Mrs. George Crawford, spent last week end and the first of this week visiting Mrs. J. C. Crosby and daughter Miss Cathlene, who are in Waco.

A feature of the Trades Day at Brady recently was an armadillo race. The winner making the block in 42 seconds. This is the first race of this kind ever to be staged or that is recorded. Armadillos, Horned Frogs, Fox races and many other amusements will in time it seems will take place of the fast horse race.

Three Eldorado Sisters Freshmen At C. I. A.

Eldorado claims the unique distinction of sending three sisters to the Freshman class of the College of Industrial Arts this year. The girls are Ena, Oma and Una Ford, the daughters of Mrs. W. F. Ford, the widow of the former County Judge of Schleicher County. The girls are neither twins nor triplets, as their names might imply. The eldest of the sisters, Ena, is nine teen and graduated from the Eldorado High School in 1927 with an excellent scholastic record. After graduation she continued the study of commercial work in the high school until her sisters graduated in May, 1929. Una, the youngest of the sisters, graduated with valdictory honors in the class of twenty-three members. At the beginning of the present session of school, Mrs. Ford and her three daughters moved to Denton where all three of the sisters entered C. I. A. as freshmen. They plan to remain in school until all have completed the full four year's work leading to a bachelor of arts degree.

REPORT OF SUPERVISOR ON ELDORADO SCHOOL

The following is the report of Miss Margaret Cotham, school supervisor of the State Department Education, who visited the Eldorado school on October 22nd.

1. That continued attention be given to the elementary library facilities until all needs are met. The increase enrollment has created a need for additional material for general reading.
2. That, if enrollment in the elementary grades continues to increase, an additional teacher be provided.
3. That commendation be given for the various noteworthy features:
 - a. Purchases include a new curtain for the auditorium, building will be needed at no distant date.
 - a mimeograph, and additions to the library and laboratory.
 - b. An unusually interesting collection of historical relics, documents, etc., is being assembled, and plans for a museum are being perfected. This piece of work is decidedly worth encouraging. Good class work was observed. If the increase expected in enrollment should materialize, a new building will be needed at no distant date.

Honor Roll For Second Six Weeks Of School

FIRST GRADE
Hobson Ashmoore. 4 A's and 1 B
Robert McWhorter. 4 A's and 2 B's
Annie Lee Owens — 4 A's and 2 B's
Lyndon Isaacs — 3 A's and 2 B's
Lula May Green — 4A's and 2Bs
Beatrice Wright — 3 A's and 2Bs
Jo Ed Hill — 3 A's and 2 B's

SECOND GRADE
Venetia Morgan— 8 A's and 1 B
Wanda B Rape — 8 A's and 1 B
Genevieve Ramsey, 7 A's and 2 B's
Hazel Outlaw — 8 A's and 1 B
Gerald Nicks — 6 A's and 3 B's
Ben Ellis — 5 A's and 4 B's

THIRD GRADE
Edward Reynolds — 7 A's and 1 B
Banning Wade — 7 A's and 1 B
Hugh D Craig — 6 A's and 2 B's
Marshall Bailey — 7 A's and 1 B
Ray Bruton — 5 A's and 3 B's
James Tisdale — 5 A's and 3 B's
Eloise Whitten — 4 A's and 4 B's

FOURTH GRADE
Maxinee Wilton — 8 A's and 1 B
June Hooker — 9 A's
Johnnie Fern Isaacs — 7 A's and 2 B's
Pauline Bruton — 5 A's and 4 B's
Vernon Logan — 5 A's and 4 B's

SIXTH GRADE
Margaret Hill — 9 A's
Jack Rape — 6 A's and 3 B's

SEVENTH GRADE
Arnold Farrington — 6 A's and 3 B's
W. B. Gipson — 6 A's and 3 B's

Jesse J Bodine Dead

After an illness of twenty-two days Jesse J. Bodine died at his home in Richland Springs.

Mr. Bodine was born August 25th, 1889 near Mt. Vernon, Illinois and came to Texas with his parents in 1890. He was married to Miss Katie October 11, 1911, and to them five children were born, all of whom survive. He was converted early in life and united with the Baptist Church and in a wet way lived a Christian and was loyal to the church of his choice.

Besides his wife and children he leaves a father, two sisters, Mrs. Frank Brazelton of San Angelo, Mrs. H. B. McCarty of Taylor county and five brothers, Frank Bodine of Arizona, Guy and Bonnie Bodine of Eldorado, Walter Bodine of Richland Springs and Plummer Bodine of Lake Arthur, New Mexico, and a wide circle of friends.

GIRLS BASKET BALL TEAM

Basket Ball? Yes and it is the girls too! They are really making the team and November 11, they are going to play Rocksprings. We want everybody out boosting their team and game because this is the first game of the season. They will show you how to play real basket ball. Most of the girls are new and do not say you have seen them before; but come on and see something you have never seen; something entirely new

See Vera Wade, a beautiful maiden, in the one act play, Friday night November 14.

ENGLISH IV

Did you say that you were studying "Macbeth" in English IV Class? Yes, we have been studying "Macbeth". This was written by Shakespeare. Of course we enjoy reading any of Shakespeare's plays because he always makes it so terrible. He always has stormy weather in all of his plays which represents death or something else terrible. Miss Allen explains the meaning of all of the scenes; therefore we have no trouble understanding the plot.

Eat your lunch with your High School Public Speaking Class Wednesday.

ANOTHER ASSEMBLY

Wednesday October 30, at 8:40 A. M., the entire student body marched to the auditorium where they were entertained by a program given by Mr. Curry. In this program, there was demonstrated the many events

which are usually seen in the county fair. Fat Williams showed the mystery of turning clear water into wine.

Another striking feature of the program was "Pokie" Kent losing his pocket book. After the Pop Corn Boy and Preacher had been searched, the pocket book was found in "Pokie's" vest coat pocket.

Oh Yes! Victor Kent had an invitation which was similar to the piano but talked and played at the same time.

This program was enjoyed by the entire student body and they are looking forward to next Wednesday, the day of the next program.

Eldorado vs Rocksprings, Monday November 11th. Biggest Football game of the season. Be sure and see it.

WHAT IF?

There were tardies. The teachers were kind to the pupils.

Garland Billion were tall. Victoria had no gum.

There were no reference books in the study hall.

Miss Bradshaw didn't leave a beam.

There wasn't a study hall keeper.

We didn't have to study. The pep squad yelled for the team.

J. C. Bullion acted like a senior.

The girls had no mirrors. Eli McAngus studied his lessons.

Dahlia Fae tended to her own business.

Jack Elder could not read true stories.

Albert McGinty couldnt talk. Everyone made "A"

ELDORADO—0, MILES—0

The Eagles battled the husky Miles Bulldogs to a scoreless tie here. This is the first game for our Basket Ball Team this year. Everybody go and show the girl that we're for'em strong

them a good hard fought game but failed to defeat them. This was the second time Miles and Eldorado had met this year. The first game the Eagles defeated them by a score of 13 to 0.

The Miles Bulldogs seemed more determined in this game than they did before. The Eagles made several strong threats early in the game and at one time had the ball on Miles three yard line, but a fumble cost them the ball. The Eagles made several other threats during the game but were unable to score.

In the second half Miles came back and started a strong aerial attack which proved hard to stop. The Bulldogs reached the Eagles 4 yard line once in the second half, but the Eagles braced up and held them for four downs. The Miles team was much larger than the Eagles but they did not have the fight the Eagles had.

The line up that started were: Eli McAngus, center; Albert McGinty, left guard; Elzie Moore, right guard; Bill Currie, right tackle; Chich; left tackle; "Lefty" Smith, right end; William McAngus, left end; Kenneth Green, Quarter back; Jack Kerr, left half; Luther Parker, right half; Buck Kent, fullback. There were several substitutions made during the game, J. A. Cates took quarter back; Carl Kerr took left guard; Jim West took right end.

LIBRARY WEEK—IT'S ALMOST HERE!

It won't be long now! Library week starts Monday, Nov. 11. Boys get your hand on your pocket book and show your girl friends a good time during this week of entertainment. It's a chance of a lifetime. Show the girls that you are right there with the goods.

Be in town Monday at 12:15 and see the big parade to be given by high school students. It will beat a circus parade two to one. Don't fail to see it. It's free!

Monday afternoon the E. H. S. Basket Ball girls are to play the Rocksprings Basket Ball team here. This is the first game for our Basket Ball Team this year. Everybody go and show the girl that we're for'em strong Immediately after the Basket

Ball game the Football team will go on the field to beat the Rocksprings Football team. I didn't say they were going on the field to "play" Rocksprings; I said they were going to "beat" them, and that's what they will do. If you don't believe me, just go out to the Fair Park Monday evening at 4:00 and see for yourself. Monday night there will be a Mexican supper served at the Duncan Cafe. There will be a choice of menu and we guarantee that no one shall be hungry after eating this supper. The price is 50c to all except the football boys and Basket Ball girls, who are served free, because the supper is in their honor and we want them to know that the public speaking class is still for them and for them strong.

Tuesday morning Miss Allen's pupils will give a very interesting chapel program on education. This program is free to all and we cordially invite everybody to attend. It starts Tuesday morning at 8:45.

Tuesday is also donation day. Everybody please donate some money or a book of some kind to the High School Library.

Wednesday is lunch day. Lunch will be served at school house. Every school pupil is invited to eat his lunch at school Wednesday. The menu for the lunch is: Chili, 10c; Soup, 15c; Sandwiches, 10c & 15c; Hot dogs Real Hot Ones! 2 for 5c; Pie, Best by Test, 10c; Candy, 5c; Drink—Several kinds, 5c.

Help your school. Eat your lunch with us next Wednesday.

Thursday morning Ruby Wilson is to have charge of a pay chapel. This chapel is a cracker jack entertainment for a little sum of money. It's gonna be good! Don't miss it!

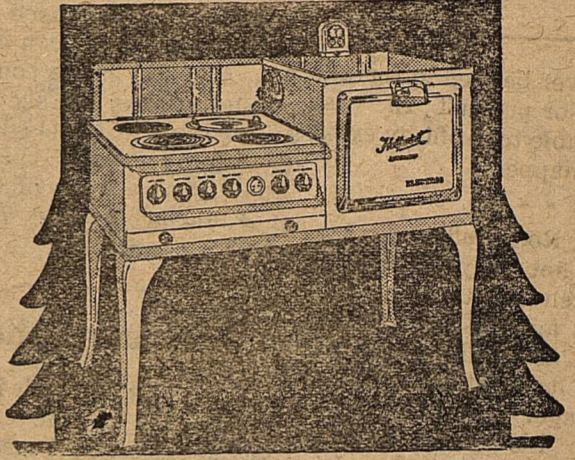

Thursday night is free night! A good program is going to be given free to everybody. This is on night when old folks will be young again and the young folks will be younger. Be at the High School auditorium Thursday Night and hear your favorite selections played and sung.

Friday night there will be two oneact plays given by students of the Public Speaking class. If you wonder what the class in Public Speaking has been doing be at the School house Friday

(Continued on last page)

THIS CHRISTMAS!
Give Mother What She Really Wants

The entire family will benefit from this marvelous Christmas gift Mother receives this year. For, with the Hotpoint Electric Range she will eliminate hours of kitchen drudgery. She will have more time for rest and recreation—more time to spend with her family and friends. Don't let another year go by without presenting her with this "gift" of gifts. Mother will be so happy when she receives this wonderful Electric Maid. It is finished in white porcelain enamel and is equipped with Hotpoint Automatic Heat Control and Thermometer, the new Hi-Speed Calrod Unit, Thrift Cooker and patented smokeless broiler pan. It is the fastest, most economical electric range in the world... and as a gift, the most wonderful of all for Mother!

COMMENT ON SPORTS

The Eldorado Eagles played a scoreless tie against the Miles Giants last Friday. The Eagles this year seem to have trouble when they get near the scoring zone. They cannot put over the necessary punch that counts.

They play the Rocksprings team here Armistice Day and this promises to be a tough struggle for both teams. Although the home boys were defeated down three does not indicate that the visitors will run rough shod over them again. The old fighting spirit may get aroused and the Eagles may spring a surprise on the goat herders of the Rocksprings country.

"Red" Williams coach of the Brady High School Bulldogs this season is making the going rough for the opposition this year. He has not lost a conference game up to date. Mr Williams was a star at Abilene Christian College the same year that Buck Bailey played and starred also with the A. C. C team

The scoreless tie played between Texas and S M U last week end has made many of the large dailies set up and take notice. The strong Texas team has not been scored on this season and was given a three touch down margin over the much weaker S M U team.

The Dallas boys were outplayed by far the last half but the forward wall was very solid when their goal line was in danger.

Quite a bit of free guessing is being made on the two major clashes in the Southwestern Conference, Baylor, Texas, S M U, A & M. Some are predicting large scores and some close. The writer is guessing for Texas to win their game and that the game at College Station will be a very close one and the probable winner will be the Mustangs.

Bob Shawkey is now the new manager of the New York Yankees. We are wondering how he and the mighty Babe Ruth will get along. The little manager Hugging that looked like a dwarf beside the Bambino could do whatever he pleased with the Babe but the new manager is nearer the size of Ruth than the former one and Babe might want to throw him out of the park,

Too much Trainer is the cry of many teams that have met the Sonora Bronchos this season. The rest of the team is not so hard to stop but when this Trainer boy gets that pive of hide under his arm he seems to know where he is going and gets in a hurry. Stopping Trainer is the stopping of Sonora,

Miss Lois Cole of Hallsville, Texas, who has been visiting Jess Ramey and family has returned to her home. She was accompanied to Hallsville by Mr. Ramey. Mr. Ramey went on business.

BRIDGE PARTY

Mrs. Ed Hill entertained the Blue Bonnet Bridge Club Wednesday November 6 with three tables of bridge.

High club prize was awarded Mrs Seth Ramsey and high guest was awarded Mrs L T Barber.

Puddin Allison and Dobbs Locklin were in town last Friday November 1st. They had been to San Angelo on business and stopped over in town and attended the dance at the Cafe Friday night.

BRIDGE PARTY

Agnes Wright entertained the Eldorado Bridge Club Thursday October 31. With three tables of bridge.

High Club prize was awarded Mrs. L T Barber and high guest prize was awarded Miss Mary Helen Jackson

BRIDGE PARTY

Mrs. M. H. Crabb entertained the Eldorado Bridge Club Thursday November 7 with a luncheon. There were three tables of bridge present.

High club prize was awarded Mrs. Van McCormick and high guest prize was awarded Mrs R T Trail.

FREE COOKING SCHOOL HELD BY WEST TEXAS UTILITIES COMPANY

Another chance is offered to the housewives of Eldorado by the West Texas Utilities Company, to attend another three days free cooking school. This is the second school of this kind in the past eight months and should give the homemakers a chance to gather some valuable information in the way of cooking and instructions on the attention of the Electric Stoves,

Mrs Stella Floyd has demonstrated the different means of cooking and giving some valuable information on care and ways of saving electricity for this company for the past eleven years and is rated the best in the state.

PRICE REDUCTION ON ATWATER KENT RADIOS

Mr. Robert Isaacs, local Atwater Kent Radio dealer gave out information that all sets had been reduced from \$27 to \$32. This is quite a reduction on this type of sets, says Mr. Isaacs and places all of the sets down in reach of everyone,

The Atwater Kent Radio Manufacturing Company has grown from a very small concern to one of the largest companies in the United States in Radio Manufacturing,

Mr Isaacs thinks that the new Screen Grid radio now being placed on the market is superior to all makes in the way of power and reception. He asks that you call and investigate the large reduction on these sets and plan on purchasing a set soon

WHAT IS THIS GOLF?

Dedicated to John F Isaacs by T. J. Bailey,

Golf is a form of work made expensive enough for a rich man to enjoy it. It is a physical and mental exertion made attractive by the fact that you have to dress for it in a \$200,000 clubhouse.

Golf is what letter carrying, ditch digging and carpet beating would be if those three tasks had to be performed on the same hot afternoon in short pants and colored socks by gouty-looking gentlemen who required a different kind of implement for every mood.

Golf is the simplest looking game in the world when you decide to take it up and the toughest looking after you have been at it ten or twelve years. It is probably the only game a man can play as long as a quarter of a century and then discover that it was too deep for him in the first place.

The game is played on carefully selected grass with little white balls and as many clubs as the player can afford. These balls cost from 75c to \$25.00, and it is possible to support a family of ten people (all adults) for five months on the money represented by the balls lost by some golfers in a single afternoon. A golf course has 18 holes, 17 of which are unnecessary and put in to make the game harder. A "hole" is a tin cup in the center of a "green." A "green" is a small parcel of grass costing about \$1.98 a blade and usually located between a brook and a couple of apple trees or a lot of unfinished excavations.

The idea is to get the golf ball from a given point into each of the 18 holes in the fewest strokes and the greatest number of words. The ball must be thrown, pushed or carried. It must be propelled by about \$200 worth of curious-looking implements, especially designed to provoke the owner.

Each implement has a specific purpose and ultimately some golfers get to know what the purpose is. They are the exceptions. After each hole has been completed the golfer counts his strokes. Then he subtracts six and says, "Made that in five; that's one over par; shall we play for 50c on the next hole, too, Ed."

After the final, or 18th hole, the golfer adds up his score and stops when he has reached 87. He then has a swim, a pint of gingerale, sings "Sweet Adeline" with 6 or 8 other liars and calls it the end of a perfect day!..

BARBECUE IS GIVEN AS WELL IS SPUDDED

Bert Page gave a barbecue Thursday celebrating the beginning of the oil test that is to be drilled on his ranch. The first stroke of the drill was made at one thirty o'clock Thursday after noon.

About two hundred attended the barbecue and witnessed the first action of the drill.

The machinery is all new, having a steel derrick and the test is presumed to be made with little trouble. This well will be drilled to a depth of 5,000 feet unless production is found.

OIL TEST TO BE MADE NEAR CHRISTOVAL

Mr. R. M. Murray was in Eldorado Wednesday and reported a test to be made for oil near Christoval soon. The well will be drilled to a depth of fifteen hundred feet. There has been several tests made in that vicinity but all were shallow tests and considerable showing of oil has been found in quite a few tests. This well is within a half mile of Mr. Murray's lease.

Miss Mary Alice Stewardson spent last week end in Eldorado. Miss Stewardson is a teacher in the Ozona school this year.
