OF AND FOR ELDORADO AND SCHLEICHER COUNTY. ALL THE TIME

VOL. XXXI

Eldorado, Schleicher County, Texas. Friday, February, 6, 1931.

No. 6

R. H. McCartney Dies At Phoenix Arizona

A telegram was received Sunday evening from Tom McCartney at Phoenix, Arizona, stating that Rophus H. McCartney, formerly of Eldorado and son of Mrs. D. H. McCartney, of our city, died Sunday morning at the home of his son R. H. McCartney, Jr., Mr. McCartney was born February 24, 1872, and would have soon been 59 years old the 24 of February. He lived and married in Eldorado during the early part of its beginning having come to Eldorado with his parents when the town was surveyed out and the citizenship of Verand which was then five miles north of Eldorado, moved to Eldorado. He married here to Miss Brooks and to this union was born three children, two daughters and his son with whom he lived. The girls are married and live in Los Angeles California.

He had been separated from his wife for several years. He leaves his mother, two brothers, Ack and Ben McCartney, and four sisters, Miss Amelia McCartney, and Mrs. A. L. Jones of Eldorado, Mrs. Bert Shell of Abilene and Mrs. John Griffin.

"Eat More Lamb" Campaign

The most outstanding development in the membership drive of the Texas "Eat More Lamb" Club for the two weeks ending January 31, 1931 was the advancing of Reagan County from seventeenth place, with 17 percent of their quota raised, to fourth place with 78 per cent of their quota raised. This shows what can be done with a little effort. Another from third place on the list to first place. Pecos county has now raised 91 per cent of its quota and it appears that they will be the first to go over the 100 per cent mark. Within the next two weeks it is reported that several of the counties will have their entire quotas raised, and it is thought that there will be a considerable advancement in all percentages, together with new percentages from counties that have as yet not started their campaigns. Favorable results have already been announced from various parts of the country as to increased demand for lamb and mutton.

County	Percentage
1. Pecos	91
2. Kerr county	88 1/2
3. Val Verde County	88
4. Reagan County	78
5. Crockett County	56
6. Uvalde County	48
7. Terrell County	45
8. Schleicher County	45
9. Irion County	44
10. Tom Green County	30
11. Sterling County	37
12. Sutton County	32 1/2
13. Nolan County	25
14. Edwards County	23 1/2
15. Menard County	21 1/2
16. Kimble County	19

Schleicher County Has 546 Voters For 1931

Information received from the sheriff's office, as to poll tax paid for year 1931 and is as follows:

Precinct one, Eldorado, 395,
Precinct No. 2, Mayer, 5,
Precinct No. 3, Rudd, 45,
Precinct No. 4, Vermont, 23,
Precinct No. 5, Kaffir, 8,
Precinct No. 6, Alexander, 15,
Precinct No. 8, Cliff, 22,
Exemption, 9

This makes a total of 546. Quite a few poll tax have not been paid, there should have been between 800 and 900.

Schleicher County Tax 87 Percent Paid

The Sheriff's Office reported Wednesday morning that 87 per cent of the State and County tax had been paid, and that the Independent School Tax would run better than that. This is an excellent showing considering that the time was extended by the legislature for payment.

LOCAL B. Y. P. U.'S WIN HONORS

Last Sunday representatives from the five B. Y. P. U.'s of the First Baptist Church of Eldorado attended the Associational B. Y. P. U. meeting and were awarded four out of five banners. There is a banner given in each department based upon work done at home, and also attendance at the Association. This means that the local Unions are doing splendid work. There are others who should be actively identified with the work. Come find your place, it is here for you.

After having completed a tour of the northwest and west coast states E. S. Mayer, manager of the Texas "Eat More Lamb" Club, who has just returned, reports that all six of the states visited received the program very enthusiastically and endorsed it and are at present taking steps to raise their respective quotas. Mr. Mayer's trip carried him into six of the sheep raising states during which he traveled over 6200 miles. The states visited were Idaho, Utah, Montana, Washington, Oregon and California. In adopting the program the Idaho Association voted to send in immediately out of her reserve funds one-half of their quota for the year. Practically the entire quota of the State of Washington was raised at the annual convention of her Wool Growers Association.

Texas was first to start this work but if we are not alert some of the other states are going to pass us by.

Eldorado Troupe Visits Sonora In Contests

On last Saturday night, the Eldorado troupe No. 18, Boy Scouts, went on the annual Field meet at Sonora, where they were royally entertained and met in contests with other troupes.

The Eldorado boys acquitted themselves nobly, amassing a total of 60 points, leaving Eldorado second place. Jack Rape and Frank Bradley won the knot tying contest, Jack Rape and Lawrence Morgan won the essay contest.

The Eldorado semophone signaling team composed of Joe M. Christian, Joe H. Moore, R. L. Sample and Vance Morgan gave a splendid performance of their ability in winning that contest.

Scout Master Gerron says there will be an Anniversary Service at the Methodist Church Sunday night, to which all are invited.

MRS. JOE WILLIAMS ENTERTAINS WITH BRIDGE

Mrs. Joe Williams entertained the Eldorado Bridge Club at her home in Eldorado Thursday, January, 29th.

After the arrival of guests several rubbers of Contract Bridge were played and delicious refreshments were served to a number of twelve. The prize was awarded Mrs. Muller who cut the highest.

Those present were: Mesdames H. T. Finley, L. T. Barber, Van McCormick, Muller, R. T. Crain, Tom R. Henderson, James Hoover, Lewis Balchew, J. W. Lawhon, Melvin Crabb, J. C. Crosby and A. P. Bailey.

Attention Folks!

THERE is going to be fun by the barrels, laughs one right after another Be sure and don't fail to be a witness to the **NEGOBO MINSTREL**, to be given **FRIDAY NIGHT**, at the Palace Theater, February, 6, 1931. Admission 15c for children and 35c for Adults.

Sponsored by the Womens Missionary Society of The Methodist Church. **DON'T MISS IT OR YOU'LL REGRET IT.**

METHODIST CHURCH SERVICE

SUNDAY FEBRUARY 8TH

Sunday School at 10:00 a. m.
J. H. Jarvis, Superintendent.
Preaching at 11:00 a. m., by Pastor
Boy Scout Sermon at 7:00 p. m.

By W. B. Gray

Lets make Sunday a church going day, at least give three hours of the day to the study of God's Word.

If you have no church affiliation, we invite you to our worship and study.

HUMBLE OILS & GASOLINE AT COOK SERVICE STATION AT EVANS FRONT

Authorized Dealer Agency
Buy Humble Oils, Gasoline, Home Institutions

R. T. Crain Buys Out R. T. Trail Motor Co.

R. T. Crain, who came here last year and bought the Eldorado Gin, this week bought out the R. T. Trail Motor Company, dealer in Fords and Auto Accessories. Mr. Crain is not a stranger here and buys the business at one of the duller seasons of the year, he has faith in the Future of Eldorado and his many friends congratulate him on his purchase.

Mr. Trail has been here 18 months and made good money from the business here. He has announced no future plans.

HOME ECONOMICS CLASS TO SPONSOR OPERETTA

The Home Economics of the Eldorado High School under the direction of Miss Turney is sponsoring an Operetta from Christoval.

It is to be given at the school Auditorium Friday night, February 13, at seven thirty.

This operetta was given at Christoval and was very successful and well liked.

Admission prices, 35c and 15c.

P. T. A. TACKY PARTY TO BE MONDAY NIGHT

The tacky party that was to be given last Friday night was postponed on account of rain. It is to take place Monday night in the basement of the Presbyterian Church. A good time for all!

F. M. Cook, of San Angelo, has taken over the Gas and Oil Service, of the Evans Motor Company and will make his home here. He is now ready to serve you.

LOST—Bill Fold, between town and Davis Resident. Finder notify LUM DAVIS and get reward.

We have a nice assortment of Valentines and invite you to do your valentine shopping at Wright's Cash Store

V. G. Tisdale was in from the ranch Wednesday and reports that the road to his ranch is the worse in years. If it rains again, said Verge, we will have to stay at home the rest of the winter.

In writing up the legal notice last week an error of date was made, the date read June 17, 1931, when it should have been February, 17. The copy furnished was in error. But the date has been changed to February, 24 in this issue of the Success.

BORN—Saturday January 31, at the Rush Clinic at San Angelo, to Mr. and Mrs. Blaine Sammons a 6 pound son. The babe has been christened James Kirk, after his grandfather and father. Grandmother Jones is very much elated over the new arrival and truly believe it is the greatest grandson in the whole country.

Offer Prize For Oldest Piece of Home Furniture

Household Science Institute Seeks Material for Exhibit During Chicago World's Fair

Have you a mohair-covered chair or sofa in your home? If so, you may be two hundred and fifty dollars the richer for it!

The Success is in receipt of a message from the Household Science Institute, Chicago, asking for help in locating the oldest piece of mohair upholstered furniture in the United States. The Institute feels that there is a possibility of its being found in this section. The style of the sought for furniture or its use or non-use at the present time are not important, providing it is in good condition. The owner of the piece selected will be awarded two hundred and fifty dollars and the piece itself will be exhibited with other old-time furniture during the World's Fair at Chicago in 1933.

Back of the Institute's offer is the desire on the part of Grace Viall Gray, its director, to ascertain the longevity of mohair. Although innumerable pieces of mohair-covered furniture and mohair rugs have seen many years of hard dally service, it is claimed that unless deliberately injured no instance has yet been found of a mohair fabric ever wearing through.

Eldoradoans who feel that they have something of interest should communicate with Mrs. Grace Viall Gray, Household Science Institute, 7 S. Dearborn St., Chicago, Illinois, giving the history of the piece they have in mind and all facts concerning age, color, condition and other pertinent information. Mrs. Gray will then decide whether the article is the one wanted and make arrangements for shipping it to Chicago.

History does not tell just when it was first discovered that mohair—the long, silky fleece of the Angora goat—made exceedingly beautiful and durable fabrics. But this is known: mohair fabrics are of great antiquity and have always been looked upon as rare and valuable. Prior to 1881, when George B. and Louis B. Goodall of Sanford, Maine, perfected a process for weaving mohair on power looms, the manufacture of mohair velvet was largely confined to Germany and France, where it was made by hand. Especially famed is mohair velvet or velmo as it is called for short, as an upholstery fabric. Years of hard day-in-and day out service leave the deep, rich pile unmarred, its colors fresh and undimmed. Unless one willfully cuts or burns it, it is as nearly indestructible as any woven material can be. This is due largely to the fact that all the rub and wear comes on the top ends or loops of these pile fibres, whereas in smooth surfaced materials the rub comes on the sides of the individual fibres. Also, because the mohair fibres are smooth-surfaced, the

Heavy Rains Fall Sunday Night Some Hail

Sunday evening about 7:30, a hard rain accompanied by hail fell over all of Schleicher county, the ground was already wet and the water covered the earth, and south of Eldorado there was considerable hail.

Schleicher county is thoroughly wet and lakes are all full, in some fields oats are under water.

The South Concho at Christoval was out of banks and all traffic on Highway No. 30 was tied up for 14 hours.

Mr. and Mrs. H. Leaman will leave Sunday for Dallas, to purchase spring merchandise for their store here and Sonora.

Thoroughbred Rhode Island Red setting eggs for sale.
MRS. CLIDE KEENEY

FOR SALE: Some nice young Buff-Orpington Hens, if interested phone 157.

FOR SALE: House and Lot on Highway. Desirable terms. Phone 77.

H. Matthews was in from his stock farm and Hereford ranch, Saturday.

B. E. Moore, who enjoys living down on the farm just west of town, was a business visitor in the city Saturday.

J. S. Clark was trading in the city Saturday from the farm just south of town.

Claud Bruton, cotton buyer, farmer and poultryman, was in the city Saturday buying supplies and paying for a right to travel on the highway.

Mr. and Mrs. Chas. Barlett, of Lubbock, were guest of Mr. and Mrs. S. D. Harper, on the ranch last week.

G. H. Farrington who ranches north of Eldorado some 10 miles, was in the city Saturday meeting old friends and buying supplies.

O. B. Page was in from the ranch Saturday, meeting friends and looking after business.

Valentines, plenty of them, from 1c to 5c, at Wright's Cash Store

dust and dirt do not easily collect on them and usually a light brushing is all that is required to keep mohair fresh and clean. Housewives' fear of moths has been ended by the recent perfection of a mill mothproofing process that makes mohair fabric immune to damage by these pests.

Aside from its use in furniture, mohair velvet is the favored fabric used in the upholstery of automobiles, railroad cars, in the making of fine robes, draperies, clothing and many other articles.

SONORA Wool & Mohair Co. SONORA, TEXAS.

Fire proof building that will accomodate 1,500,000 pounds of Wool and Mohair.
Liberal allowances on Wool and Mohair.

FEBRUARY, 6, 1931

Now since Will Rodgers and "Alfalfa Bill" Murray, of Oklahoma, have met, all dryness of life should be lifted from Oklahoma.

If it is true that Mussolini killed 27 masons, it might also be true that he is a hit-and-run man. Col. Butler might have been right. We know that Col. Butler is a great American. A little investigation would be in place.

The Commissioners Court is planning to do some effective work on the road from town to the Santa Fe Depot. Several teams will probably be put to work this week end in making this road possible in all kinds of weather, a good more at the right time, and the some thing should be done West of Eldorado to the Cemetery. Let the work be of a permanent nature whatever the amount may be. This three miles of road should be built by all means.

While rambling around the Court House Tuesday, we found our friend "Uncle Kip" Judge C. C. Doty, one of Schleicher county's earliest settlers, and probably has spent more days up on its soil than any other man here, very indignant at some of our Texas Legislators, for trying to place a lot of West Texas Counties under one county government, thus saving money by doing away with many county officers.

We tried to tell Judge Doty that we thought such an act would not pass but he seem to think because he "saw it in the paper" that the thing was in the making. We know our representatives have more sense than to try to pass such a law.

The legislators could save more money by adjourning and going home than they can by trying to make such changes as that.

Judge Doty help to organize this county from under the jurisdiction of Menard and does not believe in going backwards, and the discussion of such subjects by our legislators is only a waste of the public's money.

BETTER STAPLE COTTONSEED

The Texas Certified Cottonseed Breeders Association has secured 95 percent of the Texas State Certified Pedigreed Cottonseed stock available for planting the 1931 crop, the leading standard better staple varieties adapted to the Southwest being included. These seed have been tendered to the agricultural interests of this State for intelligent distribution.

It is recommended that these seed be utilized for the establishment of one variety gin communities wherever possible, so as to make available a greater variety of pure type better staple cottonseed for planting in 1932. Where this is not practical, it is recommended this seed be utilized by as many farmers as can be supplied for pedigreed seed blocks in 1931 to the end that these farms may be planted to a pure type better strain cotton in 1932.

The entire program, backed by such men as T. E. Bush, President Texas Cotton Association; A. O. Walton, president of A. & M. College; Frank P. Holland, Editor Farm and Ranch; Victor Schoeffelmeyer, John T. Orr, A. K. Short and many others is a constructive one and should reflect itself in an increased value of the Southwest cotton crop by millions of dollars.

Mrs. W. B. Silliman of Ft. Stockton sends in her renewal to The Success for another year, she said they found many real interesting things in the Schleicher County History. Mrs. Silliman spent her girlhood days on the open range in this and Tom Green counties, her fathers family was among the early ranch settlers of this county and she and Mr. Silliman were identified with the early History of our county and Eldorado.

Sol Meyer and Son of San Angelo, sends in their renewal to The Success. They have large ranch interests in this county, if it hasn't washed away and for one time in life ought to be enjoying ranch life.

Hop Cheatham, who is just as honest as any farmer wants to be, hopped into town Saturday with smiles all over his face, declaring wright was never wrong, and that he had a right to come to town on Saturday if he was a farmer.

BORN—Thursday, January 29, 1931 to Mr. and Mrs. Robert Isaacs a son.

DOMESTIC UTILITY BILLS 6 PER CENT OF FAMILY EXPENSES

The gross domestic utility bill of the United States—what American families pay for electricity, gas telephone, street cars, etc.—totals only 6 per cent of the total of their living expenses, according to statistics printed by Public Service Magazine. The American family's grocery bill alone has increased between 1915 and 1925 four times as much as the average family now spends for the utility services it uses.

A MOVEMENT FOR BETTER COTTONSEED

The effort of the Texas Certified Cottonseed Breeders' Association to improve the staple of cotton in Texas is one of the most important agricultural movements started in this state in many years.

Many fine varieties of cotton have been developed in Texas, but because of haphazard methods of distribution, and unsatisfactory methods of marketing improved staple, the quality of Texas cotton has steadily declined until Texas has lost all the prestige it once held as a producer of high grade staple.

The growers of certified seed have pooled their resources, and under plans worked out in co-operation with A. & M. College, the state department of agriculture, the Texas Co-operative Cotton Association, the Texas Bankers' association, the farm bureau and other agencies, a concerted effort is being made to bring about the planting of better seed.

The seed growers have arranged to distribute through the Texas Co-operative Cotton association, lots of six bushels, each to 50,000 Texas farmers. This nucleus will be sufficient to give each farmer a start in quality seed.

Heretofore, point buying, or the habit of classifying cotton according to communities, has discouraged individual efforts to grow longer staple. Farmers who have grown improved staple have not always received higher prices. This situation is being relieved.

The Texas Co-operative Cotton has established a series of branch offices where federal inspection of cotton may be obtained. With the assistance of their county agents, or their bankers, farmers who grow longer staple may obtain individual recognition, thru these branch offices. In the past keeping seed pure during the ginning season has been a problem. The Texas Ginners' association has agreed to assist in the seed improvement program, one feature of which is the establishment of one variety communities.

This seed improvement is encouraging. The South cannot continue to hold its prestige unless the quality of its cotton is improved. And further deterioration will take place instead of improvement, if the farmers continue to plant half-and-half cotton and all sorts of scrub seed.

BORN—Friday, January 30, 1931, to Mr. and Mrs. Ervin Mund, a daughter, christened, Elizabeth Jane.

J. F. Isaacs and W. T. Whitten made a trip to Kerrville Saturday to see the boys who are in school at Schreiner Institute. Harold Isaacs returned home for a few days.

Felt Bad After Eating

"Before I started taking Black-Draught, three years ago, my health was very bad," writes Mrs. C. C. Carson, 945 Concord St., Beaumont, Texas. "I suffered constantly from constipation. I had headache when I got up in the morning, and I felt dull and sluggish. I hardly ate a meal that my food agreed with me. Frequently I would have gas on my stomach, and felt awful. I read about Black-Draught, and I thought it might help me. After I had taken it a little while, I felt much better. It relieves constipation. I keep it on hand so when I need a laxative I will have it. In the three years I have been taking it, I have never found anything as good for constipation."

WOMEN who are run-down, nervous, or suffer every month, should take CARDUL. Used for over 50 years.

USED CARS

with an OK that counts

We have a few used cars that are priced to sell and we invite you to come look them over. All overhauled and in good condition.

We also ask that you call and settle up your 1930 account either by cash or note, lets get the New Year started right.

Electric Power

Encourages Industry

TWO THOUSAND five hundred miles of trunk transmission network, interlacing this vast empire and distributing economical electric energy from three strategically located major generating plants, insure West Texas a power supply on a par with that of the largest cities and industrial centers.

This territory, dependably served by the West Texas Utilities Company, now offers to industry all the advantages of flexible, ever-ready electric power—of such refined quality as to meet the stringent requirements of the modern electric clock, radio, and talking picture equipment, which were not in use in the days of the small isolated plant.

One hundred and twenty prosperous cities and towns throughout forty-eight West Texas counties are benefiting by the obvious advantages of transmission line service. They look into the future, secure in the knowledge that they will be able to compete with the larger cities on an equal basis.

ABRAHAM LINCOLN'S BIRTHDAY

February twelfth, next Thursday, is Abraham Lincoln's birthday. In every part of the United States there is celebration upon this day. It seems but natural that when Lincoln is mentioned we should think of good government or that when the question of Good Government arises we should invariably pause to recall anew the noble ideals to which President Lincoln adhered. With one accord all men today pay deep reverence to such sentiment as expressed in the "Gettysburg Address," for how great to mankind are the words: "A GOVERNMENT OF THE PEOPLE BY THE PEOPLE FOR THE PEOPLE."
—E.-H.-S.—
SPANISH CLUB ORGANIZED "LOS TRABAJADORES"

"Los Trabajadores," the Spanish Club, met in the Auditorium January 30, 1931 in their first meeting.

The meeting was called to order by the president and the minutes were read by the secretary. The Secretary also called the roll.

All new and old business was brought before the club. The club colors, Roja y Negra (Red and Black) were selected as well as the class flower, la rosa roja (red rose.)

The program was as follows:
1. "America" por todos; 2. "El Octa" por la secretaria; 3. "Un Cuento" por Chida Pruitt; 4. "Un dialogo" por Vance Morgan y Bill Currie; 5. "Anecdotas" por Gusta V. Graves; 6. "Un Quego de Senali" por todos; 7. Un report por la critica por la Senorita Meyer.

This meeting proved very successful and all members are looking forward to the meeting of February 13, 1931.

—E.-H.-S.—
NEW BOOKS IN LIBRARY
Some new books have recently been

added to the High School Library. A list of these follows:
The Sul Ross Annual for 1930; The Broncho, Simmons University Annual for 1930; Marshall, Modern Business; Kahlenberg, Chemistry and its relation to Man; Black, Practical Chemistry; Sedgwick, Short History of Science; Darrow, Boy's own book of Great Inventions; Rowell, Leaders of Great War; Hayes, Political and Social History of Modern Europe, Vol. 1 & 2; Roosevelt, Roosevelt Writing.
—E.-H.-S.—

PROGRESS OF HIGH SCHOOL CHORAL CLUB

The "Double M Club," meaning "Melody Makers" now has about twenty members. These are: Lorene Shoemaker, Margaret Sheen, Margaret Bradley, Lucile Oglesby, Mary Dell Williams, Bina Sue Martin, Fay Kenny, Marjorie Thornton, Elnora Andrews, Thelma Taylor, Anna Ruth Spurgers, Anta Mae Reynolds, Cora Sauer, Pauline Kent, Loleet Andrews, Gusta V. Graves, Ruth Nix, Willie Ruth Nicks, Alicia Burk, Roberta Milligan, Saunmye Luedcke, Atri Mae Woods.

The club under the direction of Miss Lucile McWhorter, sang at Miss Turner's recital a few weeks ago in their first appearance and the entertainment in Chapel the following Wednesday morning. The Melody Makers are also on the program to sing at the P. T. A. program Friday, February 13.

All the girls enjoy being a member of the "Mouble M. Club." This Club will probably appear on many programs during this semester and at commencement.

GAMES FOR GIRLS BASKETBALL TEAM

On account of rain the girls have not practiced for about two weeks; however the last time they practiced more interest was shown than any

time before as there were thirteen girls out for practice. The girls have not played a game this year but because of this don't think they are going to if the weather permits. A game was to be played with Mertzon three weeks ago but on account of the rain they did not get here.

The girls have been trying to get their court in shape but have not been able to get very far as the court is under water most of the time. Just wait until we see the sun once more and see what happens to the girls' basketball team! They are going to get their court in shape and play some games before long!

The girls coming out for basket ball this year are as follows:

Forward—Pauline Rape, Margaret Williams, Pauline Kent, and Jessie Martin.

Guards—Frances Bailew, Evelyn Anderson, Thelma Taylor, and Lola Davis.

Centers—Lucile Oglesby, Evelyn Anderson, Margaret Bradley, and Anna Ruth Spurgers.

—E.-H.-S.—

INTERNATIONAL POLO PLAYER IN ELDORADO HI EX-STUDENT TOM MATHER

Reported by Clifford Archie

Mr. Mather, born in Kyle, Texas in 1897, moved to San Angelo and attended there first school which was where the Lake View school is now located. He later moved from San Angelo to a ranch fifteen miles East of Eldorado and attended Honig school which was moved and is now the Cliff school. He then moved to Eldorado and attended school there several years, along with Buck Bailey and several others that are now away from Eldorado.

After finishing school here he went back to the ranch until the war started, and after the war was over went back to the ranch and stayed there several years. In the spring of 1922 he accepted a position at Long Island, New York to handle a few horses, and while there contested in Tex Austins big Rodeo which was held in August at Yankee Stadium. It was a ten day contest and after contesting at this large rodeo he returned to Long Is-

land. He contested in another show and after that he took a position in one of the big theatres in Brooklyn and the following spring was married to a Long Island girl and accepted a position with the Long Island railroad. After working there a year he returned to Texas and through his connections and experience in the east decided to handle and train a few polo ponies for the eastern market.

Having been raised on a horse though he had no experience in polo he first bought a bunch of cheap ponies and shipped them to Mineola New York where he spent the larger part of the summer trying to dispose of them. Finally each year he had a better grade of horses to take to the east. Each season he learned more about the game polo and in the past two years he has had the opportunity of playing with some of the best polo players in the United States. He has been on enough winning teams to gather some twenty five cups and trophies, and just this last fall went to Mexico City while his team played a series of games of which three were for the international trophy between Mexico and Texas which the Texas team won against the best team that could be put together in our neighboring republic.

—E.-H.-S.—

HONOR ROLL FOR FIFTH MONTH

FIRST GRADE—Miss Una Lee, Jonh Barrus—3 A's and 2 B's, Fred Butler—3 A's and 2 B's, James A. Griffin—3 A's and 2 B's, Joe Lockett—4 A's and 1 B, Wilson Page—4 A's and 1 B, Dwight Wiedenmann—3 A's and 2 B's, Billie Wilton—4 A's and 1 B, Mary Hoover—4 A's and 1 B, Helen Lockett—3 A's and 2 B's, Joycelyn Pruitt—4 A's and 1 B, Mary Jo Rape—4 A's and 1 B, Betty Puckett—3 A's and 2 B's.

Jack Rape—6 A's and 1 B.

HIGH SCHOOL COMMENCEMENT MAY 31ST

The Senior Class met January 30, 1931. After the reading of the minutes the president took charge and all new and old business was brought before the class.

The class motto was first selected. This motto is "We have crossed the bar, the ocean lies before us."

The sunburst rose was selected for the class flower. Mr. McWhorter was chosen to deliver the Baccalaureate Sermon. A speaker for the commencement exercises was not definitely decided upon. This is to be discussed later. A committee consisting of Fred Whit-

James Kenny—8 A's, Charlyne Chestney—7 A's and 1 B, Walter Lee Carnahan—8 A's, Hazel Ruth Rogers—5 A's and 3 B's, Lester Nixon—6 A's and 2 B's.

SECOND GRADE—Mrs. Watson

Earl Bryant—7 A's and 2 B's, C. F. Jones—7 A's and 2 B's, Jo Ed Hill—7 A's and 2 B's, Robert McWhorter—6 A's and 3 B's, Dimple Causey—5 A's and 4 B's, Lulu Mae Green—5 A's and 4 B's, Rosalyn Jones—5 A's and 4 B's, Jimmie Lu Pacey—6 A's and 3 B's, Helen Williams—5 A's and 4 B's, Beatrice Wright—5 A's and 4 B's.

THIRD GRADE—Mrs. Robinson

Erma Lee Bodine—6 A's and 3 B's, Mary Beth Bullock—6 A's and 3 B's, Venita Morgan—7 A's and 2 B's, Genevieve Ramsey—7 A's and 2 B's, Wanda B. Rape—7 A's and 2 B's, Richard Bruton—5 A's and 4 B's, T. C. Casey—5 A's and 4 B's, Willard Newlin—6 A's and 3 B's, Gerald Nicks—5 A's and 4 B's.

FOURTH GRADE—Mrs. Buie

Edward Reynolds—5 A's and 1 B, Dorothy Jarrett—4 A's and 2 B's, Marshall Bailey—4 A's and 2 B's, Hugh De Craig—3 A's and 3 B's, Banning Wade—3 A's and 3 B's.

FIFTH GRADE

June Hooker—6 A's, Johnnie Fern Isaacs—6 A's, Maxine Wilton—6 A's.

SEVENTH GRADE

Jack Rape—6 A's and 1 B.

THE HI-DIVIDE

(Continued)

CHAPEL PROGRAM, FEB. 4

Girls of the Home Economics class were in charge of the assembly program on Wednesday morning. Mabel McClatchey sang, accompanied at the piano by Lucile McWhorter. Then each girl of the Home Economics class walked slowly across the

stage while Miss McWhorter played. This feature was a style show, to show off the wash dresses made by the class. Many pretty dresses were displayed. This work shows how much the class has accomplished.

Last, Miss McWhorter took charge and divided the audience into groups to sing "Old Black Joe," "Old Folks at Home," "Hello," and "Row Your Boat."

can always see, such as keeping an accurate account of your funds—

But it is the **INVISIBLE ELEMENT**—That loyalty and wholehearted concern for the welfare of our patrons—which really little better.

To our patrons we extend **GREETINGS** for the New Year and assure you that we appreciate the business accorded us in 1930

RUPTURE EXPERT HERE

C. F. Redlich, Minneapolis, Minn., will demonstrate without charge his unequalled method in SAN ANGELO THURSDAY, FEBRUARY, 19th at the ROBERTS Hotel from 10 A. M. to 4 P. M.

Mr. C. F. Redlich says: The "Perfect Retention Shields" hold the rupture perfectly, no matter what position the body assumes or how heavy a weight you lift. They give instant relief and contract the opening in a remarkably short time.

The secret of their success is in their simplicity. An expertly adjusted device seals the opening without discomfort or detention from work. It is practically everlasting, sanitary, comfortable and actually holds ruptures which heretofore were considered uncontrollable.

Stomach troubles, backache and constipation, nearly always a consequence of rupture, promptly disappear.

Bring your children. According to statistics 95 per cent recover by our method.

NOTICE: All whom we have treated during the past ten years are invited to come in for a free inspection.

A WORD ON TAX REDUCTION

It should be remembered that tax reduction, in the last analysis, is a matter that can be decided only by the public.

The people elect the officials and vote for or against the bond issues. If government is wasteful, inefficient and extravagant, the responsibility is theirs.

We had some real basketball playing during the noon hour at the school house last Wednesday. The freshmen boys played against the seventh grade boys and defeated them by a score of 8 to 2. Alfred Sharp made two goals and John I. Jones made two for the freshmen and R. J. Alexander made the goal for the seventh graders.

More games are to follow as long as the weather permits, until each team has played every other team.

FALCON FEATHERS

By Joe H. Moore

Mr. Holt: To-day I am going to speak on lions. How many of you have read chapter twenty-five in the text book?

Nearly all students raised their hands.

Mr. Holt: Good! You are the very group to which I used to speak. There is no 25th chapter.

—E.—H.—S.—

Guide (pointing to Empire State Building) That is one of our many Sky scrapers.

Coach: I'd sure like to see the thing in action.

—E.—H.—S.—

He: Aren't you a little Germanic?

She: You dara Theton I am.

—E.—H.—S.—

Thelma: You must like cars don't you?

Jack: Nope, why?

Thelma: I hear that you were going to Christoval to run a truck farm.

—E.—H.—S.—

Lola: Is Miss Blank very old?

Fred: Well I shout shout! When they brought in her birthday cake with the candles lighted, nine people died of heat.

—E.—H.—S.—

SPANISH I EXHIBIT
LA CASA DE FERIAS

The first year Spanish class has, through many efforts and fear of personal injury, finally brought out quite a number of different animals to be put on exhibit in the windows of the Spanish class room.

This zoo is very interesting. It contains wild, untamed animals, which have to be kept in cages, domesticated animals which roam where they will; caged birds who utter sweet and musical songs, and in fact every kind of an animal anyone might wish to see. There are bears, lions, wolves, tigers, camels, deer, monkeys, elephants and zebras. The above mentioned animals are only a start. You will have to come in and see the rest for yourself.

The "King of the animals" and "The King of the Air" are in the zoo.

The two most interesting animals in this zoo are the polar bear and the eagle. The polar bear is so interesting because of its glossy whiteness and because we do not see many of them as they live so far north. The eagle interests us most because it is the king of the air and because it is the emblem of our school.

The object of this zoo in the first year Spanish class is to teach the names of all the different animals to the students. The "object" method is much easier to the students and is more interesting to them. They seem to be having a great deal of fun, and the other students of high school enjoy the antics played upon them by the animals, both wild and tame.

NOTICE

TO ALL OWNING OR CLAIMING ANY PROPERTY ABUTTING UPON THE HEREINBELOW MENTIONED STREETS OR AVENUES IN THE CITY OF ELDORADO, TEXAS, AND TO ALL OWNING ANY INTERESTS IN ANY SUCH PROPERTY:

The governing body of the City of Eldorado has ordered that the hereinbelow mentioned portions of Murchison Avenue from Main Street to Divide Street, Murchison Avenue from Main Street to Cottonwood Street, Cottonwood Street from Murchison Avenue to Callender Avenue, Gillis Avenue from Main Street to Divide Street, Gillis Avenue from Main Street to Cottonwood Street and Callender Avenue from Cottonwood Street to Pecan Street be paved with three-fourths (3/4) inch premixed Uvalde County Rock Asphalt or its equal on a six inch sledge stone base or, three-fourths inch premixed Uvalde County Rock Asphalt or its equal on a base consisting of six inches of compacted caliche topped with two inches of compacted crushed limestone. Contract for the making and construction of such improvements has been made and entered into with Dexter Construction Company. Estimates of the cost of such improvement for such portion of said streets has been prepared and approved.

The said portion of said streets to be improved together with the estimated cost for such portion of said streets and the amount or amounts per square yard proposed to be assessed against the abutting property thereof on such portions of streets are as follows, to-wit:

On Murchison Avenue from Main Street to Divide Street designated as District No. 2, Murchison Avenue from Main Street to Cottonwood Street designated as District No. 3, Cottonwood Street from Murchison Avenue to Callender Avenue designated as Unit or District No. 4, Gillis Avenue from Main Street to Divide Street designated as Unit or District No. 5, Gillis Avenue from Main Street to Cottonwood Street designated as Unit or District No. 6, and Callender Avenue from Cottonwood Street designated as Unit or District No. 7; the estimated cost of improvement is \$10,000.00. The estimated amount per lineal foot to be assessed against abutting property and owners thereof for Eldorado standard concrete combined curb and gutters is \$1.12; for headers \$0.50 per lineal foot; the estimated amount per square yard to be assessed against abutting property and owners thereof for improvements exclusive of curb and gutter is, for three-fourths inch premixed Uvalde County Rock Asphalt or its equal on a six inch sledge stone base, \$1.36; for three-fourth inch premixed Uvalde County Rock Asphalt or its equal on a base consisting of six inches of compacted caliche topped with two inches of compacted crushed limestone \$1.16 per square yard.

A hearing will be given and held by and before the governing body of the City of Eldorado, Texas, on the 24th day of February, A. D., 1931, at 2:30 o'clock P. M., in the County Court House, in the City of Eldorado, Texas, to all owning or claiming any property abutting upon said portion of said streets and to all owning or claiming any interest in any such property. At said time and place all owning or claiming any such abutting property or any interest therein shall be and appear and will be fully heard concerning said improvements, the cost thereof, the amounts to be assessed therefor, the benefits to the respective parcels of abutting property by means of the improvements on the portions of said streets upon which the property abutts and concerning the regularity, validity and sufficiency of the contract for, and all preceding relating to such improvements and proposed assessments therefor, and concerning any matter as to which they are entitled to hearing under the law in force in the city and under the proceedings of the city with reference to said matter. Following such hearing assessments will be levied against abutting property and owners thereof and such assessments when levied shall be a personal liability of the owners of such property and a first and prior lien upon the property as provided by the law in force in the city and under which the proceedings are taken, being the act past at the first called session of the Fortieth Legislature of the State of Texas, and known Chapter 106 of the acts of said Legislature.

Of all said matters and things, all owning or claiming any such property or any interest therein as well as all owners in anywise interested or affected will take notice.

DONE by order of the City Council of the City of Eldorado, this 27th day of January, A. D., 1931.

F. M. BRADLEY, City Secretary of Eldorado, Texas.
