PANCAKES LEAD AS GREAT NATIONAL BREAKFAST DISH

Morning's at seven, God's in His heaven, all's right with the world in America, if breakfast is pancakes. Call them what you will-pancakes, hot cakes, griddle cakes, "plate o' wheats," pancakes are the national American dish.

At the family breakfast table in mansion or hovel, in farmer's home or bachelor apartment, at lunch counter, boarding house or palatial hotel, on board train or boat, the breakfast cry is the same the country over. The American chorus swells from coast to coast, East, West, North, South, calling for pancakes.

For the man of the house the pancake is tasty nourishment, a morning benediction on the work of the day. For the lady of the house it is stamina for the morning's housework. For the children, it is a treat, and a healthy foundation for sturdy body and busy mind. The whole family wants its pancakes.

By the use of self-rising flour the housewife, whatever her means, can gave time and expense, besides insuring success, in the preparation of this great national breakfast. The following recipe, utilizing self-rising flour, ts always successful:

Griddle Cakes. self-rising 1 tbsp. sugar 3 tbsp. fat 1½ cups milk 1 cgs 1½ cups min Directions: Sift and measure flour. Add beaten egg, milk and sugar. Add fat and bake immediately on hot grid

When the warm summer time comes you will need more water, and now is the time to prepare for same.
