## PERMANENT FAIR ASSO- CIATION LAUNCHED.

Officers Elected at Mass Meeting Grounds to be Purchased.

The citizens of Schleicher County met in Mass Meeting Saturday evening at 8:30 p. m. and unanimously voted to have a Fair this Fall. After consideration for some time it was decided to go into permanent organization, and elected the following officers. Geo. Williams, Tom R. Henderson, Lon L. Hoover, J. E. Hill, E. C. Hill, T. K. Jones and O. K. Enochs. The seven named men will serve as directors of the organization.

They are to select a place and buy same and improve it as far as possible.

Everyone should help the officers in every way possible and have something to exhibit at the Fair, we only have about 70 days to prepare for a Fair this fall, so we must get busy at once.

## EL DORADO TAKES TWO GAMES FROM ROBERT LEE.

As we went to press last week The Robert Lee Base Ball was here for two games, the game Thursday was 4 to 1 in favor of El Dorado and the game Friday was 16 to one in favor of the home town team.

The first game was real interesting but the game Friday was almost a burlesque.

The Robert Lee team were a nice bunch, played clean ball and smiled with defeat.

Our team are playing Robert Lee two return games this week end.

## NEW MARKET ANNOUNCEMENT.

Ratliff & Whitley announces the opening of the City Market the last of this week, we expect to keep at all times the best Meat the country affords and solicit a share of your patronage.

You will find us on Main Street just South of Parker & Son's Grocery, we invite you to call and see us when in need of fresh meat. The City Market.

Schleicher County can show the outside world what it can produce this fall, she has on her Sunday clothes, people from every where who come this way are surprised at the beautiful crops that they see growing.

This is the fall to put forth an effort to let others know where the Garden of Eden is.

## TO THE PUBLIC.

If you own a One or Two section ranch and want to sell, list it with me. I can sell it for you if priced right, as I have had several inquiries lately for such places.

Name..... Address.....

El Dorado won two more ball games this week, these were captured from Robert Lee, with out much difficulty.

With the bumper crop that is coming on in Schleicher County this fall, Schleicher County should be able to have a fine exhibit, one that could win at other Fairs, let's get busy and have a good one.

Mr. Ford is one publisher that has been running a magazine that has never accepted any advertising, but he will begin to accept advertising after October 3rd. Mr. Ford himself is one of the largest advertisers in the United States, but up to date he has never carried his own ad in his own publication.

Whistle before you knock and you may not need to knock.

It costs \$148.57 a year to educate a high school pupil. But those are the school board's figures. Wait for father's.

Do not spend your life in trying to add insults to injuries, on the other hand smile and the world will smile with you.

Four thousand bales of cotton won't be a bad crop for Schleicher County this year.

The knock of the hammer and buzz of saw can be heard in El Dorado from day to day and in almost every portion of town, growing, yes, I should say so.

Now since El Dorado is an incorporated town let's work the more to make it the most agreeable town in West Texas to live in, this can only be done by all pulling together, we mean by all a large majority of the people, as no one ever hopes to get all lined up, but the larger part can accomplish much if they will unite in management of the City Government, you may not approve every act of your City Council, but when you try to override any ordinance the City may have you put your self in discord with the City government, which results in things unfavorable. Any person has a right to oppose any law the city might want to pass, but none has a right to violate a law because he opposed it before it became a law.

The Success does not anticipate much willfull opposition as most of our people want to be agreeable and law abiding.

The Success favored the incorporation, for we have kept in touch with the Sanitary condition of our city for the past several years and congratulate ourselves for the success we have had along this line, but we be-

lieve the situation can be improved with incorporation.

Therefore we are honest in our views, we might be wrong, but then it might the other fellow is wrong.

The Golden Rule can never be improved upon, but it can be enlarged upon with profit to our selves and mankind. How about this paraphrase of the subject: Do unto your community as you would want you community to do unto you? Your community is the sum total of yourself and your neighbors. If you would find happiness, tranquil home and community life, prosperity and the emulation of the unselfish spirit, support local merchants, local bank, and home institutions generally. Too strong a statement you say. True, it may not bring about the community millennium, but it will place you in a strengthened attitude of consistently boosting for El Dorado. It will give you poise among your friends, courage in your own business adventures, hope in your job or daily task, respect for what your community is trying to accomplish, and a satisfaction that you had a share in its growth.

Mayor Spencer and wife made a business trip to San Angelo Tuesday.

Rex McCormick and father P. H. McCormick went to Barnhart Sunday after Mrs. Rex McCormick who had spent last week with relatives their.

Miss Helen Bailey and Miss Margaret Stites, of San Angelo, are guest of Miss Lucile Page this week.

I will be in El Dorado September 1st, to repair my house and also will want to sell it at that time. If interested see me when I come, or write me at Uvalde, Texas. W. B. Roberts.

Phone us the news

Mr. and Mrs. Frank Murphy and sons Prince and Wence, were in the city Wednesday trying to secure a house for the school year, but were of the opinion that they would have to build, as El Dorado is over flowing with people and no vacant houses.

For feed cutting see or phone J. B. Bruton.

Mrs. Amie Brady and children and Grandma Harrison, who have been visiting Mr. and Mrs. W. J. Luedecke and family, left this week, accompanied by Bruce Luedecke, for San Antonio, Lockhart, Austin and San Marcos.

Rev. Mercer, Episcopalian Minister, for many years traveling through this section of Texas died at San Antonio Sunday and was buried at Menard, Texas, Tuesday. Mr. and Mrs. Sam E. Jones and Mrs. H. E. Shape of our city attended the funeral.

Mr and Mrs. Leslie Baker returned Sunday from a week visit to relatives at Brady and Junction, Miss Hazel Owen of Bandy returned with them for a visit here. Mrs. Shugart remained for an extended visit.

One of the slowest big institutions in the United States to catch on a real good thing is our Santa Fe Railroad officials, the best territory in the United States is needing a railroad and these big guys has never seen it, if so have not made any move to serve it by bulding a railroad to it. They ran a survey into El Dorado several years ago but we guess they have forgotten about it by this time.

F. C. Bates Jr., of Sheffield, sent in a nice remittance on the subscription this week. Fincy is well known throughout West Texas and served as County Clerk for several years of Schleicher County, but is now a large ranch owner of the Sheffield country. Thanks Old Top

J. A. Williams, proprietor of the City Tailor Shop, has been elected to membership in the Born Tailors Guild, a national association of master tailors, according to word received from that organization, by The Success.

## CHRISTIAN MEETING.

C. C. West announces that W. G. Cypret will be here the fifth Sunday in August to hold a meeting at the Christian Church and extends an invitation to everybody to be present.

Ben Anderson, now of Barnhart, but for the past 15 months of Los Angeles California, is in El Dorado this week visiting his daughter Mrs. Rex McCormick. While here made The Success office an appreciated visit.

Plenty of Rope, the kind that you want.

West Texas Lumber Co

El Dorado,

San Angelo

Up to date the leaf from has done very little damage to the cotton in this County, the farmers are keeping them down well.

It is not known just now when the El Dorado School will begin as it is uncertain just when the new building will be finished, but it is hoped to be ready by the middle of September, the finishing will depend largely on the weather between now and then.

Paul McWhorter is here visiting his Uncle C. M. and W. L. McWhorter this week, Paul is a former graduate from our school.

W. A. Alexander and two sons Hubert and Riley, of Breckenridge, Texas, were in El Dorado Monday for a few minutes, they had been touring West Texas out as far as Lubock and report the crops in this County were the best to be found, they visited on the G. H. Farrington and Sam Farrington ranches while here, returning to San Angelo Monday morning.

Hensel Matthews was in from the ranch Saturday, he is sporting a new Dodge Coupe, Hensel is just one of our prosperous Stockfarmers, and breeder of fine Hereford Bulls.

## Texas Items

Burnet day at the county fair held at Bertram proved a great success. The parade was led by the Burnet band.

J. U. Yarbrough has been named by the board of regents of the University of Texas as director of the University Junior college of San Antonio.

Work of dredging the slips serving Piers 10 and 11 has been started, according to announcement made by E. E. Gosrau, general manager of the Galveston Wharf Company.

Loss by fire in Texas during July amounted to \$679,798.58, J. J. Timmins, state fire marshal, reported the other day. Eighty two fires of unknown origin caused \$398,650.14 loss.

Sanitary corrections were made on 25 municipal water supplies by the division of sanitary engineering of the state board of health, the July reports show.

The Yoakum Light and Water Company is making considerable improvement in the water service. It is installing over 1500 feet of 6-inch mains on Gonzales Street and West Grand Avenue.

Early in the year it was thought that the pecan crop in the Burnet section this fall would be a complete failure. It is estimated now that Marble Falls will ship six to eight cars, which is about 15 cars short of a normal crop.

Application for \$20,000 in state and federal aid to be used in constructing 11.2 miles of rock asphalt from Uvalde to Knippa, was filed several days ago with the state highway commission by Uvalde County. Estimated cost of the project is \$60,000.

The construction train of the San Benito and Rio Grande Valley railroad has entered the city of Hidalgo, near Mission, work on the road having progressed that far, according to George Winsor, general manager of the road.

An organization known as the United States Army Press Association has been formed at Camp Normoyle for the purpose of drawing all army publications into a mutual association with members exchanging news and working together for the benefit of the army as a whole.

Complete report on the West Texas interstate commerce commission hearing on proposed extensions of railroads July 20 to 25, was received a few days ago by the Texas railroad commission. It consists of 1526 typewritten pages and includes all the testimony offered.

An experiment is now in progress near Hebronville looking toward the development of that section as a date growing area. Mrs. Lorine Jones Spoons has planted more than 100 date palms on her ranch, six miles north of Hebronville and announces if the experiment is successful a large additional acreage will be devoted to raising of dates.

M. E. Ludlow, one of the leading melon growers of Gregg County, has carried 30 giant watermelons to Marshall, where they will be kept in cold storage until the opening of the Marshall fair, where the melons will be exhibited. One of the melons weighs 105 pounds. Ludlow will also exhibit melons at the state fair of Texas this year.

W. Churchill, Wichita, Kan., chief engineer, and R. W. Cooper, locating engineer of the Kansas City, Mexico and Orient Railroad Company, soon will begin surveying operations to determine the most direct rail route from Alpine to Mexico. They made this announcement a short time ago when in Alpine making arrangements for the survey.

A state gasoline tax of 3 cents a gallon, revenue of which is to be devoted entirely to highway construction and maintenance, will be proposed in a bill to be submitted by him at the next regular session of the legislature, R. S. Bowers, state senator from the Fourteenth District, told the Associated Press a few days ago. Gus Russek, state senator from the Fifteenth District, said he would support such a bill.

Actual construction of the Houston-Gulf Gas Company's line from the Refugio gas field in Refugio County to Houston will start the first week in September, according to W. L. Moody III, director of the company. The Hope Engineering and Supply Company, which has the contract for the complete construction of the line has completed the survey from Refugio to Edna and is working towards Houston. The Youngstown Sheet and Tube Company of Youngstown, Ohio, is rushing work on the manufacture of the pipe, and delivery along the right of way will begin at an early date.

The turkey crop throughout the section of Bastrop will be the smallest ever known this year. The low price of 10c paid for turkeys last year discouraged the farmers and many discontinued raising the birds. Due to the severe drouth conditions the egg yield this spring was low and turkey chicks, through lack of moisture were unable to break the shell. Young turkeys are unusually scarce and of very small size and old fowls with the flocks are likewise in poor condition. The turkey revenue in normal years is quite an asset to farmers in this section.

CARE OF CONVALESCENT IN SUMMER

For those who are just recovering from a serious illness the problem of food is a serious one. The patient, though well on the road to recovery, is usually weakened by the rigors of disease and the excessive heat is wont to sap his energy. Hence, the foods that are consumed during this period should be considered carefully as to digestibility, food value, ease of assimilation, purity and sterility. These are important in any food but especially so when the consumer is not strong and healthy.

In most cases, the one who is convalescing consumes milk in large quantities. This food contains all of the elements that are essential to the body. If milk is pure and germless, it is easily digested and assimilated.

Where the milk supply is uncertain or the quality not of the best, evaporated milk should be employed. It is sterile; it is just pure milk with about sixty per cent of the water removed. Its double richness may be modified, if desired, by the addition of water or it may be used just as it is, where rich, creamy dishes are desired.

Many people make the mistake of confusing evaporated milk with condensed milk. They are not at all similar in appearance, composition or taste. They cannot be used for the same purposes; condensed milk is a combination of sugar and milk; evaporated milk has no added sugar, being pure milk of double-rich quality and food value.

Following are recipes of easily prepared dishes and foods that are well suited for the invalid and the convalescent.

### Loganberry Cream.

¼ cup evaporated milk ½ cup loganberry juice  
¼ cup water 2 tbsap. lemon juice  
Pinch salt

Put all ingredients in a Mason fruit jar and shake thoroughly. Chill and serve in glasses filled ¾ full of ice chips. Raspberry, blackberry, and cherry juice may be used instead of the loganberry.

### Iced Cocoa.

3 tsp. cocoa milk diluted  
3 tsp. sugar with  
¼ cup water ¼ cup water  
Pinch salt ¼ tsp. vanilla  
½ cup evaporated

Mix cocoa and sugar thoroughly and add the ¼ cup water and boil over a low flame for 15 minutes. Scald the diluted milk and add cocoa syrup and salt. Continue cooking for 15 minutes in double boiler. Add vanilla. Chill and serve with chopped ice. Top with whipped cream.

August Luedecke, had as his guest this week two old time friends from Hondo, they were A. W. and Clyde Stone, and Sheriff Luedecke says they were well pleased with the looks of our country.

## For All The Family

"We use Black-Draught in our family of six children and find it a good liver and bowel regulator," says Mrs. C. E. Nutt, of Mineral Springs, Ark. "I have taken it myself in the last two or three years for indigestion. I would feel dizzy, have gas and sour stomach, also feel a tightness in my chest. I'd take a good dose of

## BLACK-DRAUGHT

### Liver Medicine

when I felt that way, and it would relieve me, and I would feel better for days.

"My husband takes it for biliousness. He says he has never found its equal. When he has the tired, heavy feeling, he takes Black-Draught night and morning for a few days and he doesn't complain any more.

"I sure do recommend Theford's Black-Draught." Your liver is the largest organ in your body. When out of order, it causes many complaints. Put your liver in shape by taking Black-Draught. Purely vegetable.
