TO THE VOTERS OF SCHLEICHER COUNTY;

San Angelo, Texas, June 14th, 1926.

On account of business engagements, I have thus far been deprived of the privilege of meeting you personally and presenting my candidacy for District Attorney, but I hope to be able in the near future to so arrange my affairs that I may have the pleasure of meeting as great a number of you as is possible under the circumstances, before the close of the campaign, and have a personal interview with you in behalf of my candidacy. In the meantime, I shall be profoundly grateful to you for any interest you may deem proper to take in my behalf, and I wish you, and each of you, to consider this as a personal letter, and I promise you, if elected, to so order my life both as a man and as an official as to give you no cause for regret. I am.

Very Respectfully,

RUPTURE EXPERT HERE

F. H. Seeley, of Chicago and Philadelphia, the noted expert, will personally be at the St. Angels and remain in San Angelo Friday only, June 25th from 9 A. M. until 3 P. M., only. Mr. Seeley says:

"The Spermatic Shield will not only retain any case of rupture perfectly, but contracts the opening in 10 days on the average case. Being a vast advancement over all former methods—exemplifying instantaneous effects immediately appreciable and withstanding any strain or position no matter size or location. Large or difficult cases, or incisional ruptures (following operations), specially solicited. This instrument received the only award in England and in Spain, producing results without surgery, injections, medical treatments or prescriptions.

CAUTION—All cases should be cautioned against the use of any elastic or webb truss with understraps, as same rest where bump is and not where the opening is, producing complications necessitating surgical operation. Mr. Seeley has documents from the United States Government Washington, D. C. for inspection. He will be glad to demonstrate without charge or fit them if desired. Business demands prevent stopping at any other place in this section.

N. B.—Every statement in this notice has been verified before the Federal and State Courts.—F. H. Seeley. Home Office, 117 N. Dearborn St., Chicago.

TREATMENT FOR STOMACH WORMS IN SHEEP.

For the information of those who have sheep suffering or dying from stomach worms the following treatment is recommended.

Hold the animals in a trap away from feed or water for at least 12 hours. Then drench with a 1 per cent solution of copper sulphate (blue stone). After being drenched the animal should be bled off feed and water for another six to twelve hours. A 1 per cent solution is made up this way; dissolve one fourth pound of the clear blue crystals of copper sulphate in one pint of boiling water, then add enough cold water to make a total of 3 gallons of the solution. Crock or porcelain vessels should be used for this solution because blue stone will corrode metal. This amount will dose 100 mature sheep.

A dose for yearling or mature sheep is 3 oz. and for lambs 3 months old 1 and 1-2 oz.

Extreme care must be exercised in drenching sheep. For best results a small syringe with 5 or 6 inch nozzle is best.

The above treatment is recommended by all great experiment stations. It has been found to be as good as any patent on the market.

F. M. Bradley El Dorado's City Marshall, was exhibiting a fine specimen of plumb on the streets Monday, taken from his plumb orchard, the fruit was of a delicious flavor and sharpened the teeth of the "Devil" in the Printing office to a keene edge, the Editor being out of the office lost the taste of this delicious fruit. Mrs. Bradley reports that this plumb was the entire crop from Mr. Bradley's orchard, and we think that a fellow that can grow a plumb under such adverse circumstances as this spring was, deserves special comment, and the "Devil" urges a special tip because he got the plumb.

Last week Mrs. Leslie Baker gave us a news item for the paper, in regard to a visit of some of her uncles and their wives, but in some way we missed placed the names and did not get the item in. We trust however that Mrs. Baker will not forget us when she has friends visiting her again, and we promise to do better next time.

Some of our papers are writing columns of Editorials trying to get the voters to support Dan Meedy or Lynch Dadidson for

Governor instead of Jim Ferguson, and yet those same papers help to put the Fergusons in office two years ago, so did Dan and Lynch. Ferguson is no worse now than before. The men they are advocating are no better than the one they opposed before, how inconstance some folks are.

The Success has been requested to announce that the Salvation Army people of San Angelo, will preach on the streets of El Dorado Saturday afternoon at 4 o'clock, they will be accompanied by their band. All are invited to call and hear them.

The Court of Civil Appeals at Austin reversed and rendered the case in which Joe Tisdale and others Vs. The El Dorado Independent School District. This is the case where Mr. Tisdale sought not to pay the tax on property in the district rendered for taxes in 1925. The district court held that they must pay the tax, but the court of Civil Appeals has reversed the case.

The guys that blewed the court house safe last week got about three dollars in money and a shot gun, but in getting into the box they mowed an envelop that contained \$106.00. Such stupid robbers they must have been.

Andy Bowen is the champion bass fisherman of the week with his catch of a big one weighing six and one fourth pounds at Shaw's engine near Christoval-San Angelo Standard.

What we want to know is, did you see that bass, or have you just got Andy's word for the catch.

Some of the former supporters of Jim, now fighting him, claim that he has lots of Klansmen working in the various State offices, we are glad to learn something favorable of Jim.

Zim is not a Klansman, but believes that you might find a decent man in the Frater naty.

Mr. and Mrs. R. H. Ellis, of Wilcox Arizona, were here this week guest of Mr. and Mrs. C. C. Doty. At one time Mr. and Mrs. Ellis ranched in Schleicher County, they owned the old Rocking Chair ranch and latter owned the Joab Cambell and Honig ranch they still have a few old time friends in our city that they wanted to bowdy with before returning to Arizona.

The Editor of this paper have known them since he was a small lad and enjoyed the hospitality of their home on many occasion. They have been camping at Christoval for a few days. For years Mr. Ellis was the Doctor for that community, and will be remembered by many as Dr. Ellis.

El Dorado is fortunate in having a good mattress factory right here in our midst, Mr. and Mrs. A. P. Carrie are doing nice work in making new mattress as well as making old ones over, why not give them the work if you are going to have it done. The Editor has had some made over and we can recommend their work to be as good as any, and they are home people and are just as appreciative as the other fellow.

All News items appreciated.

W. D. Pierce and son, of Brownwood, were in El Dorado Saturday shaking hands with acquaintances and making new ones. Mr. Pierce owns 320 acres of good land in this county and came over to see about it, and while here renewed his subscription to The Success. We gave him a good drink of good water and think he will eventually make this his home.

The reason we are voting for Zim is because he did not support the Fergusons before.

Get Yourself a Brand New Liver

How Dodson's Liver Tone Makes You Feel the Old Liver is Born Again

Just off the slant of Old Piedmont where it rolls away into the foothills of South Georgia, Bud Evans makes a good stand of cotton. A year ago he was too sick to even follow a plow. His right side seemed hard, felt as if his liver had turned to stone; belched gas all the time; couldn't hold up his head for the pain; colic just turned him inside out. You couldn't imagine anyone sicker than Bud Evans. It just happened that an egg buyer dropped in on him one day and says: "What you need, Bud, is a dose of Dodson's Liver Tone—your liver is baked and full up so it doesn't work." And so Bud got a bottle at the town drug store for a few cents. The very first night it loosened up so much sour bile and fermenting food that the swelling went down, his whole system righted itself and he was a new man entirely before noon.

There is no question but that Dodson's Liver Tone will do more for bilious people than anything else ever known. It works easily and smoothly, without gripe or distress, and cleans out all the sour bile and sickening stuff that gives you headache, nausea, vomiting, bilious fever and all the other distresses due to obstinate constipation.

Get one bottle of Dodson's Liver Tone, and if it doesn't make you feel like you had traded your old, worn-out liver for a new one full of pep, go to the drug-gist and he will refund the price.

RARE OPERATION SAVES GIRL'S LIFE

Food Enters Her Stomach Through a Tube.

Indianapolis, Ind.—A long fight for the life of thirteen-year-old Beatrice McCrary of Rushville, Ind., has been won and the girl will live and thrive, as the result of a daring and unusual operation.

Food is taken into the girl's stomach through a tube through the chest connected with the stomach. The child, ten years ago, swallowed a quantity of lye and the scars in the passage-way from her mouth had become so constricted that it was impossible for solid foods to pass.

To keep her from starving, a severe operation dilating the passage-way from the mouth was performed forty-three times, records show.

This operation was so painful that a general anesthesia was necessary each time. Following the operations the girl would be able to take food for a time until the burn scars again would close the passage. The child had suffered the pangs of hunger many times and she had learned to know the horror of a painful seige on the operating table.

The name of the surgeon to whom the operation was entrusted was not made public. The operation was carried out by making an incision through the chest wall and stitching an opening in the stomach wall to the borders of this incision, leaving an opening to the stomach from the exterior.

For several days after the operation the life of the little patient hung in the balance, but with the healing of the wound, and the introduction of food through the new route, recovery was rapid. During the last few days before leaving the hospital, Beatrice gained weight at the rate of a pound a day.

Love Kindles Again, Reunites Pair, 61-60

New York.—A lad and a lassie, sixty-one and sixty years old, who had been sweethearts together in Scotland, were reunited by the arrival here of the liner Tuscania. The bride-to-be, Mrs. Buchanan Brice, who arrived from Wishaw, Scotland, is a widow. The bridegroom-to-be, James Winning, also had been married.

Twenty-four years ago Mrs. Brice lost her first husband, Mr. Winning's wife died 12 years ago. Two years ago he returned to Scotland and discovered that his boyhood sweetheart no longer was married. He took the first train to Wishaw to resume courting. After some delay the banns were proclaimed. Mrs. Brice refused, however, to agree to an early marriage. Also there was the matter of the Scotch quota with which to contend. So it was two years before Jimmie saw his bride-to-be walking down the gangplank.

GOLDEN TEXT—A broken and con-
 trite spirit, O God, thou wilt not de-
 spise.—Ps. 51:17.
PRIMARY TOPIC—Judah's Love for
 His Brother and His Father.
JUNIOR TOPIC—Judah's Unselfish
 Offer.
**INTERMEDIATE AND SENIOR TOP-
 IC**—Standing True to Our Home Folk.
**YOUNG PEOPLE AND ADULT TOP-
 IC**—Loving Devotion to Our Kindred.

The lesson subject should not be, as
 suggested by the lesson committee,
 Judah's plea, but rather Joseph's for-
 giving love. The emphasis should not
 be primarily upon the sinning and pen-
 itent brothers, but upon the magnani-
 mous and forgiving brother, Joseph.
 I. Joseph's Elevation to the Pre-
 miership of Egypt (41:14-44).
 The circumstances which led to his
 elevation from prison to the position
 of prime minister were:

1. The dreams of Pharaoh's butler
 and baker (ch. 40).
 These were two very important of-
 ficers in Pharaoh's court. Their busi-
 ness was to provide the drink and food
 of the ruler and of his household. It
 was most important not only that
 proper food and drink be provided, but
 that the monarch should be protected
 against poisoning. These officers had
 disturbing dreams. He interpreted
 their dreams.
 2. Pharaoh's dream (41:1-13).
 For two full years Joseph remained
 in prison forgotten by the butler.
 Pharaoh's dream of the fat kine and
 the lean one and the full ear of corn
 and the blasted one brought to Joseph
 the great opportunity. The failure of
 the wise men of Egypt to interpret this
 dream caused the chief butler to re-
 member what Joseph had done for him,
 whereupon Pharaoh brought Joseph
 out of the prison. He made known to
 Pharaoh that it meant seven years of
 plenty, followed by seven years of
 famine, and suggested that a part of
 the produce of the land be stored up
 during the years of plenty, that there
 might be food for the people in the
 famine period. The plan appealed to
 Pharaoh as feasible. Therefore he
 assigned the task to Joseph and in-
 vested him with authority to execute
 it.

II. Joseph's Harsh Treatment of
 His Brothers (42:1-4; 4:17).
 Driven by sore need his brethren
 came to Egypt for food. To test them,
 Joseph

1. Accused them of being spies
 (42:9-17).
 He cast them into prison and de-
 manded that their youngest brother be
 brought as a proof of the truthfulness
 of their word.
 2. He kept Simeon as a hostage.
 Because he feared God he sent the
 rest home with provisions for their
 families.
 3. Benjamin's peril (44:2-12). By a
 clever device Joseph's cup was placed
 in Benjamin's sack and was used as
 an occasion for bringing them back
 on the charge of theft. Convicted of
 their sins Judah pleaded for the re-
 lease of Benjamin.

III. Judah's Plea (44:18-34).
 1. For turning away of Joseph's
 anger (v. 18). He recited the history
 of the family and their coming to
 Egypt and appealed on the basis of
 the effect upon Jacob, their father, if
 Benjamin was not permitted to accom-
 pany them home.
 2. That he himself might be kept
 in slavery instead of Benjamin (v. 33).

IV. Joseph Reveals Himself to His
 Brethren (45:1-15).
 1. He declares his identity (vv. 1-3).
 This act on the part of Joseph trou-
 bled them. It ought to have made
 them glad. This not only affords a
 beautiful example of forgiving love,
 but most beautifully illustrates
 Christ's dealing with His brethren, the
 Jews.
 2. He bids his brethren come near
 (vv. 4-8).
 When he revealed himself to his
 brethren, the remembrance of their
 sins pierced them through. Joseph's
 first question was about his father,
 showing that his desire was to put
 their thoughts far away from their
 crime. He invited them to come near
 to him and assured them that God had
 overruled their crime for their salva-
 tion.
 3. Joseph sends his brethren away
 with good news (vv. 9-15).
 As soon as Joseph's brethren knew
 him and were reconciled to him, they
 were sent with the glad tidings to
 their father. As soon as the Jews
 come to know Jesus Christ as their
 Messiah, He will send them away to
 the ends of the earth with the good
 news of His saving grace.

The Accounting
 God will not call you to account for
 the four or five talents you have not
 received, but He will ask a strict ac-
 count for that one which He has en-
 trusted to you.—The Maritime Bap-
 tist.

Selfishness
 Selfishness expects love and sacri-
 fice from all, and gives love and sac-
 rifice to none. That is why selfish
 people complain so of life.—Young Peo-
 ple.

Bilious
 dull feeling
 "MY old stand-by is Thedford's
 Black-Draught—I have used
 it off and on for about 20 years,"
 says Mr. W. S. Reynolds, of
 R. F. D. 2, Arcadia, La.
 "I get bilious and have a bad
 taste in my mouth. My head
 feels dull. I don't just feel like
 getting around and doing my
 work. I know it isn't laziness,
 but biliousness.
 "So I take a few doses of Black-
 Draught and when it acts well, I
 get up feeling like new—"full of
 pep" and ready for any kind of
 work."
 "I can certainly recommend it."
 In case of biliousness and other
 disagreeable conditions due to
 an inactive liver, Black-Draught
 helps to drive the poisonous im-
 purities out of the system and
 tends to leave the organs in a
 state of normal, healthy activity.
 Black-Draught is made entirely
 of pure medicinal roots and herbs
 and contains no dangerous or
 harmful mineral drugs. It can
 be safely taken by everyone.
 Sold everywhere. Price 25c.
