No. 33

## MOODY AND FERGUSON IN AUGUST RUN-OFF.

At a meeting of the Executive Committee of the State Democratic Party Monday, after canvassing the official returns, it was found that Dan Moody liked 1,770 of having a majority over all candidates, thus causing a run-off between the two leading candidates. Mrs. Ferguson had previously announced that she would have no run-off, but has never notified the committee in an official way, so the committee has ordered both names put on the ticket. And again it has developed by sworn statements of Moody in making his expense account that he has accepted money in violation of the state laws for campaign expenses. These of course are now being explained by the donors to the Moody campaign. Just what results this will have on the next campaign is to be later determined, but Texas is likely to witness some lively times during the next two weeks.

See me before buying your ready to wear silk and rayon dresses. I expect have to them here for display Saturday  
Sharpe's Mercantile.

Mr. Sumner, Schleicher county's Farm Demonstrator, is at the A & M. college this week taking the short summer course.

## WILLIAM KIRBY KILLED BY TRACTOR.

William Kirby, who is working the highway on the Sonora road, was killed Monday near Sonora, by a Holt tractor. It is supposed that he attempted to mount the tractor while in motion, as he was crushed between track and the tank, his neck was broken and his chest was crushed, he was instantly killed, his remains were shipped to Lometa for interment.

## MEXICO FACES CRISES WITH ROMANISM

President Calles and his cabinet, of Mexico, are now faced with Romanism in Mexico. Rome has called a boy cot and in some instances has even attacked the police forces causing death and other serious troubles.

Protestant America is watching her neighbor country struggle under its burden and many predict that the end may yet be a serious thing even to this country.

The El Dorado Fair Ground Association is getting their work done in a hurry, and its time were setting a time for the Fall Fair, and making preparations for same.

## ELDORADO SCHOOL REGAINS CREDITS IN SPANISH.

Miss Alpha Strigler who taught Spanish in the El Dorado School last year and who has been secured for another year, wires the President of the Board that Austin had wired her that the El Dorado School had regained the credits that they had lost the year before, the past year. Miss Strigler was proud of the fact as well as the school authorities here.

Miss Strigler was elected to a position at first but declined because she wanted to go to school but decided to teach and on account of the resignation of Prof. Whitten, who was employed to instruct the Spanish class, she has been given her former position.

The President of the Board here has not heard direct from Austin in regard to our last year work, it is hoped to gain other credits.

## EL DORADO DAY DRAWS LARGEST CROWD.

The El Dorado Day at the Old Soldiers Re-union at Christoval draws the largest crowd, so says those that attended from year to year. This scribe only got to attend one day but enjoyed it very much and it was a real pleasure to be there.

Mrs. E. B. Newsom returned Monday from a few days visit at Abilene, bringing Dr. Newsom's mother back with her, whom she found visiting her daughter at Abilene.

## CALLES BLAMES POPE FOR MEXICO MEDDLING.

Mexico City, Aug. 7—President Calles Saturday arraigned Pope Pius himself for alleged meddling in Mexican affairs; denied the insinuations of his opponents that he was endeavoring to sovietize Mexico and attacked the Church for its intolerance and claims to infallibility.

The president participated in one of the most remarkable interviews ever given by a chief of State. It was direct and forceful effort at justification of his government's position in the struggle between church and State.

Citing the papal approval of the Mexican episcopate's decision to cease priestly services in the temples and alleging that the pope had ordered Roman Catholics to disobey the constitution, Calles asked:

"By what right did he do it?"

"How could any government submit to meddling of this kind?"

The president received the United Press correspondent and three other American correspondents in his private study in the magnificent Chapultepec Castle. He answered completely and without hesitation every question arising during the conversation. President Calles words were in defiance to the church. He denied that efforts at mediation had been made except for the action of President Begua of Peru, who this week cabled a plea for harmony and received a tart reply from Calles.

Mediation, Calles said Saturday would not be accepted by the Mexican government.

Mr. and Mrs. L. T. Wilson and family returned from Del Rio Sunday, where they had been sightseeing, while there they crossed over into Old Mexico and viewed the scenery, but whether L. T. stepped aside from the family circle while over there, we have not learned and of course we won't insinuate that he did. Mrs. Wilson reports a pleasant trip and brought back lots of those delicious grape that grow so abundantly down that way.

### STAR

## Running-in-oil

You will find in the new running-in-oil STAR the many features you have always wanted in a windmill—one oiling a year—your choice of Timken Tapered Roller Bearings or "NO-OIL-EM" Bearings—two gears, two pinions and two pitmans—direct center lift to pump rod—crosshead, guides and pitman bearings flooded with oil—a scientifically designed wheel with angle steel arms and braces and ball-bearing turn table.

The fans of this new Star are curved to give great efficiency in an 8 to 10 mile an hour wind. Plunger pump in crank case floods crosshead, guides and pitman bearings with oil, and tight cover keeps out dirt, rain or snow.

One filling of crank case with oil each year will save many trips up the tower. May be fitted on any tower.

The new STAR is the last word in Windmill construction. Come in and let us show you this mill. You will want to know about it whether you are needing a new mill right now, and we want you to know what a really fine windmill we have in this new Star.

Another deposed Governor was defeated at the polls the past week, this guy lives in Oklahoma and he too said the Ku Klux did it to him. Such funny feelings they must have after such defeat.

The work on the Schleicher county fair grounds is progressing nicely this week and it won't be long until Schleicher county will have a good place to have her entertainment, furnishing seats and shades for the people to rest in.

A car load of poison was shipped into El Dorado this week to combat the leaf worms with Tuesday was a busy day for the farmers dividing and distributing poison. The leaf worm has hit here in quite a number of places and many of the farmers are getting the poison whether they need it or not, just an insurance policy.

Our friend Kavanaugh over at Brady has won a decisive victory over us in the Governor's race, we admit he is a better politician than we are, but after all what is there in being a good politician, its not always the best man for the job that gets elected, and we are not now casting stones at Moody.

Cicero Swift was painfully burned about the head and face Saturday when he was getting some barber work done at the Barber shop, some one went to light a cigarette just as he got his hair saturated with tonic and the match was to close to him and ignited the tonic which burned his head and face.

**You that have suffered--**

YOU that have suffered for years-- a thousand.  
YOU that have embittered the earth with your tears  
YOU that have wept by the wailing walls of Jerusalem; and the cruel nations of the earth have made you take these walls with you wherever you journey, so that your bitter tears have watered the lands of the world from east to west.  
YOU that have found in the land of AMERICA at least a better shelter than any other land, not perfect; not not perfect, but at least better than before  
Come see how this country that has given you shelter was made.  
See how it with its precious freedom, was gained through tears and sacrifice and sorrow.  
Come, for you will find there laughter, tremendous thrills, and you will see the great sacrifices of the first Americans, their sorrows and triumphs, and you will see how they wailed by their walls of mourning at Valley Forge, Lexington and Bunker Hill, and how they, the first Americans, arose to the tremendous heights that you have arisen to.  
The country they made, they made for all.  
This country is now yours as well as theirs.  
You must help to keep it that the lights of freedom may not die out.  
Help to keep this land of America free from intolerance, from hatred; a refuge for all the oppressed for ever and ever; your land, the land of all people: AMERICA! AMERICA! AMERICA!  
All this you will see, all this you will feel as truth in D. W. Griffith's play of that name "AMERICA" coming to the Palace Theatre, Thursday, August 19.  
Matinee and Night, Admission 25c and 50c.

**DIES FROM OPERATION.**

We understand that the oldest son of Mr. and Mrs. Grover Spurges was operated on for appendicitis last week at the Brady Sanitarium. Mr. Spurges and family were attending a Primitive Baptist Encampment at Field Creek when the boy took sick.

Later word was received Wednesday morning that Jack had died and that the remains would be brought back to El Dorado for burial.

Jack was 9 years of age and when he left home last week was the picture of health and happiness, today a vacant space is in that home, hearts are saddened at his going, and grief untold is hovering around the home he blessed for so short a while.

Rev J. C. Young conducted the funeral at the Cemetery. Mr. and Mrs. Spurges have the sympathy of their host of friends in this community.

J. A. Enochs has gone to Temple where he had a son operated on last week. Mr. Enochs has been sick himself for some two weeks and has been taking bath at Christoval, his boy was taken sick with appendicitis and was carried to the Sanitarium at Temple where he was operated on and was getting along nicely at last reports.

## Saffron Skin from Sour Bile

South Georgian Drives Out  
Enormous Quantity Sour  
Bile with Dodson's  
Liver Tone

After a long period of the worst form of weakness and the terrible feeling of sickness that comes from a system loaded with sour bile, Mr. Sam Fackett says: "When I kept getting those bilious attacks reckon I took enough calomel to kill a mule. Got worse all the time. Finally I turned saffron color all over. My wife happened to read about Dodson's Liver Tone in the Weekly Constitution, so we drove to town and got a bottle. It was like magic. It drove quarts of sour bile out of me as black as ink. From that day I have felt as if I had a new liver, and whenever I begin to feel weary and bilious, with no appetite, a dose of Dodson's Liver Tone puts me to rights." This wonderful, quick-action, liver starter ought to be in every household, if for no other reason than to stop the use of dangerous calomel. Dodson's Liver Tone is pleasant to take, even for children, and never makes you sick.

Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle costs but a few cents, and if it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back.

**JETHRO'S WISE COUNSEL**

LESSON TEXT—Exodus 18:1-27.

GOLDEN TEXT—To every man his work.

PRIMARY TOPIC—Jethro Helps Moses.

JUNIOR TOPIC—Jethro Gives Moses Good Advice.

INTERMEDIATE AND SENIOR TOPIC—Being Helpers.

YOUNG PEOPLE AND ADULT TOPIC—Organizing for Service.

I. Jethro's Visit to Moses (vv. 1-6).

1. The occasion (v. 1).

Upon the receipt of the news of the marvelous deliverance of the Israelites from the Egyptians, Jethro went out to meet Moses.

2. The object (vv. 2-4).

It was to bring to Moses his wife and children. When God called him to Egypt to deliver His people Moses did not deem it wise to take his wife and children, therefore left them with his father-in-law.

3. The place (vv. 5, 6).

At Mount Sinai where the Israelites were encamped.

II. Moses' Reception of Jethro (vv. 7-12).

1. He bowed to him and kissed him (v. 7).

Moses not only honored him as his father-in-law, but as a priest of Midian. Jethro, though outside of the covenant people, evidently retained proofs of the true God as Melchisedec before him did.

2. Moses rehearsed to him the wonders which God had wrought through him (v. 8).

It is through the testimony of those who have experienced the wonders of God's grace that men come to know the true God.

3. Jethro's response (vv. 9-12).

(1) He rejoiced for all the goodness which the Lord had done to Israel, whom He had delivered out of the hand of the Egyptians (v. 9).

(2) He blessed the Lord (v. 10). He not only praised the Lord for His deliverance of his son-in-law from the Egyptians, but for the deliverance of the people of Israel from their bondage.

(3) He confessed the supremacy of the Lord (v. 11). He said, "Now I know that the Lord is greater than all gods."

(4) He offered sacrifices to God (v. 12). We are unable to determine the degree of intelligence of this worship, but he evidently out of a sincere heart made this offering.

III. The Occasion (vv. 13-18).

1. After Jethro came to Moses he observed how completely Moses' time was taken in judging Israel. When he saw the greatness of the task, he inquired as to why he was doing the work all alone. Moses explained to him that his task was not merely a matter of judging, but of teaching the statutes and laws of God to the people. Jethro recognized Moses' motive, but insisted that his method was not a good one, as it would result in wasting his strength.

2. Jethro's plan (vv. 19-23).

(1) Moses was to be unto the people Godward—to bring their causes unto God and teach them the ordinances and laws, to show them the way wherein they must walk and the work they must do (vv. 19, 20).

(2) Suitable men should be provided as rulers over thousands, hundreds, fifties and tens (v. 21). All great matters should be disposed of by Moses, and all subsidiary matters should be adjusted by these judges.

(3) Qualifications of these subordinate judges (v. 26).

(a) They were to be "able men," that is, men of strength. They must be men of such intellectual power as to enable them to understand the problems presented, and of such will power as to execute the judgments rendered.

(b) "Such as fear God." This is the basis of true strength.

(c) "Men of truth." This means men who are able to discern truth, men who love truth, men who tell the truth.

(d) "Hating covetousness." These men must be haters of unjust gain. The man who is to be a ruler of the people must be free from the suspicion of following his profession because of personal gain.

IV. Moses Accedes to Jethro's Counsel (vv. 24-27).

This common-sense advice made a response in Moses' heart. He recognized that God was speaking through Jethro. According to Deut. 1:9-18 the people selected the judges and Moses appointed them. When this work had been done according to Jethro's advice, he took his departure, going into his own land.

**Lesson From the Son of God**

The highest service may be prepared for and done in the humblest surroundings. In silence, in waiting, obscure, unnoticed. In years of uneventful, unrecorded duties, the Son of God grew and waxed strong.

**Cure for Indolence**

The only cure for indolence is work; the only cure for selfishness is sacrifice; the only cure for unbelief is to shake off the ague of doubt by doing Christ's bidding.

**Bilious  
 dull feeling**

"MY old stand-by is Thedford's Black-Draught—I have used it off and on for about 20 years," says Mr. W. S. Reynolds, of R. F. D. 2, Arcadia, La.

"I get bilious and have a bad taste in my mouth. My head feels dull. I don't just feel like getting around and doing my work. I know it isn't laziness, but biliousness.

"So I take a few doses of Black-Draught and when it acts well, I get up feeling like new—full of pep and ready for any kind of work.

"I can certainly recommend it." In case of biliousness and other disagreeable conditions due to an inactive liver, Black-Draught helps to drive the poisonous impurities out of the system and tends to leave the organs in a state of normal, healthy activity.

Black-Draught is made entirely of pure medicinal roots and herbs and contains no dangerous or harmful mineral drugs. It can be safely taken by everyone. Sold everywhere. Price 25c.
