Just Between Us

The "mysterious" industry we've talked so much about in recent weeks really is no mystery now to McLean people.

But we still hesitate to say too much about it in the News, for obvious reasons. The less towns and cities McLean must compete with, the better chance we have of landing what seems to be a lucrative payroll.

Many of you attended the meeting last Thursday night, when the president of the company now seeking a location explained his plans. You saw a working model of his product, and we could see that most of those attending were quite interested.

The fact is, we were surprised at the amount of interest shown, and at the large number of persons attending the public meeting. Much of the credit for the big turnout, we feel, should go to Mrs. Ernest Watson and several other women who volunteered to telephone residents to remind them of the meeting.

Now, we still don't know where the factory will be located. We do know, however, that the company representatives were impressed by the interest shown.

They also liked the proposed plant sites shown to them before the meeting. But they pointed out in a meeting with members of the city commission following the public session that a decision probably would not be made for 60, 90 or even 120 days.

Several have asked us what the company would want from the city. Actually, nothing has been requested... and nothing pledged. The president of the firm was asked what we could do to cause McLean to receive serious consideration. He replied that he would like for us to send him whatever information we have about the city—tax and utility rates, labor force, etc.

The fact that the company representatives were willing to come here and explain their product would indicate they are interested in McLean as a possible site.

And now the waiting period begins...

Bert (Mrs. Les) Darsey proved last week that women nowadays still possess some of the stuff the pioneer woman was made of.

Her dogs were raising all sorts of Cain out back of the family's ranch home north of Alanreed last Friday. Bert checked on the situation and found that they had a bobcat up a tree.

Instructing the dogs to keep the culprit there, Bert rushed back into the house for a gun. We didn't find out how many shots it took, but a few minutes later the bobcat lay dead.

If it hadn't been so far out to Les and Bert's place, and if we hadn't been involved with a job that couldn't wait, by golly we would have preserved that scene for posterity.

How people can keep on reading the poison dished out by Tullia's H. M. Baggary and continue to come back for more is a little beyond our comprehension.

We gave you a sample of his viciousness a couple of weeks ago. Baggary furnishes more and more each time his Tullia Herald goes to press.

When J. Edgar Hoover, Federal Bureau of Investigation director, charged that Martin Luther King, the Negro civil rights leader, was a "notorious liar," Baggary pounced on Hoover with all four feet.

King had accused the FBI of dragging its feet in the investigation into the deaths of three civil

YULE CONCERTS HERE MONDAY

School Bands Will Perform

Christmas concerts will be presented by the McLean High School and Junior High School Bands next Monday, according to Director Herb Germer.

Junior high musicians will perform at 3 p.m. for grade school and junior high students in the high school auditorium.

The high school band appears in concert at 7 p.m., also in the auditorium.

Germer said the public is invited to attend the programs.

Selections on the programs will include:

HIGH SCHOOL
"Never on Sunday," "Greensleeves," "Carol of the Drum," "Christmas Sing Along," "Lydla," "Slavonic Dance," "Street of Athens," "Rhapsody" and "Elmira."

JUNIOR HIGH
"Greensleeves," "Skip to My Lou Cha Cha," "Yellow Rose of Texas," "All Through the Night," "Junior Varsity," "The Mascot," "Castles in Spain" and "Frosty the Snowman."

JUNIOR HIGH SQUADS WIN

The McLean Junior High Cubs and Cubettes clipped Shamrock again here Monday night, after losing a pair of games to White Deer last Thursday.

Led by Joel McCarty with 13 points, the Cubs dropped the visiting Shamrock team 21-20 in a thrilling tussle.

Thacker Haynes made the other eight points for the Cubs.

Norma Hill was top scorer for the Cubettes as they downed the Irish girls 20-13. Norma made eight points.

She was followed in scoring by Marsha Hunt with seven and Nila Richards and Janet Middleton with two each.

In the tilt with White Deer, the Cubettes were narrowly defeated 23-21.

Marsha scored 16 of the local's points, with Norma getting three and Debra McClellan two.

Records of the Cubs' game with White Deer were unavailable.

No further action is scheduled for the junior high squads until Jan. 14, when they go to Skellytown.

Too Late Now For Early Mailing, But Holiday's Upon Us

"It's too late to mail early, so please mail now." Acting Postmaster Frank Simpson said today.

"The biggest mail explosion in history is upon us and we need the cooperation of everyone to make sure that the holiday mail is all delivered before Christmas," the McLean postmaster said.

Simpson suggested the use of air mail and special delivery to guarantee Christmas Day delivery, for out-of-town mail.

In all instances, the use of ZIP Codes will be helpful. The codes generally mean that mail moves in a more direct route and is handled fewer times.

Parcels with ZIPED addresses may be delivered 24 hours or more before others going to the same destination which do not include the five-digit code.

Simpson announced that all postal operations will be on a holiday schedule Christmas Day. Only special delivery mail will be delivered on Dec. 25.

Simpson thanked all the citizens of McLean who cooperated in the "Shop and Mail Early" campaign.

"It now appears that we have passed the peak for outgoing mail. However, there still is a small mountain of holiday mail which must be delivered," he said.

Friday Services Are Held for R. F. Day

Funeral services for R. F. (Shorty) Day, 68, were held Friday afternoon in the Wesley Methodist Church at Hereford.

Interment was in Rest Lawn Cemetery at Hereford.

Mr. Day died on the preceding Tuesday of injuries sustained when he was crushed between a truck and a house he was moving.

A former resident of McLean, he was born on March 10, 1895, in Hill County.

He is survived by his wife, Odie; three sons, Frank Day, Hereford, and Orval F. Holt and Oscar D. Holt, both of Amarillo; four daughters, Mrs. Floe Simpson, McLean, Mrs. Fay Davis, Hobbs, N. M., Mrs. Iva McGeehee and Mrs. Alta Reynolds, both of Pampa; his mother, Mrs. Mattie Day, McLean; two brothers, Elmer Day, McLean, and Louis Day, Odessa; three sisters, Mrs. Bessie Hale, McLean, Mrs. Delecie Smith, Sayre, Okla., and Mrs. May Ancell, Vernon; 28 grandchildren and four great grandchildren.

Boy Scouts Sell Fire Extinguishers

McLean Boy Scouts have begun the sale of "Flame Tame" fire extinguishers for homes and cars.

The dry chemical extinguishers are recommended by fire companies everywhere.

Price for each extinguisher is \$1.50.

Money raised from the sales will help pay expenses of Scouts attending Camp Kiowa next summer.

MOST FIRMS TO OBSERVE LONG WEEKEND

Many Stores Will Be Closed Day After Christmas

A long weekend will be observed by most McLean business establishments next week.

A majority of the local firms are announcing this week that they will be closed Friday, Christmas Day, and Saturday.

Among the exceptions are Puckett's Food Store, the American National Bank and Terry Electric, which will be closed on Christmas Day but open the day after.

The bank will observe its regular Saturday business hours, closing at noon.

Most service stations and cafes also are expected to be open on Dec. 26, as well as on Christmas Day.

The McLean News will be published on Wednesday of next week in order for the Christmas edition to reach subscribers before the holidays begin.

City offices and Lovett Memorial Library are to observe the Christmas period by closing three days—Thursday, Friday and Saturday.

McLean and Alanreed schools will begin the holidays at 3 p.m. next Tuesday. Classes will be dismissed until Jan. 4.

Businesses Listed
Firms indicating they plan to close Christmas Day and the day after include:

Cooper's Food Market, Master Cleaners, McLean Hardware and Furniture, Johnnie F. Mertel Boot Shop, Mullanax Men's Store, Jane Simpson Agency, G and W Auto Supply, Marzel's, Harrell's Variety Store, Jewel Box Fashions, S. A. Cousins Agency, Crawford Furniture.

Williams Appliances, McLean Community TV System, Veral Lynn Gift Shop, Jones Pontiac and Equipment Co., Corinne's Style Shop, Motor Inn Auto Supply, Ellison Motor Co., Cicero Smith Lumber Co., Windom Garage, Parsons Rexall Drug, Southwestern Public Services Co., Bill Simpson's Garage.

Joe's Barber Shop, City Barber Shop, Smith Brothers Garage, Peb's Barber Shop and The McLean News.

Doctor Herefords In National Show

Doctor Herefords of McLean will be among the some 75 exhibitors of Hereford breeding cattle at the National Western Stock Show in Denver, Colo., Jan. 15-23.

National Western officials announced entries have been received for nearly 600 head of Herefords, representing herds from 18 states.

The National Western is known in the Hereford industry as "the World Series for Herefords." Each year both large and small breeders of Herefords meet in Denver to battle for Register of Merit honors and prize money with their show strings.

Bone-Chilling Two Degrees Recorded

The coldest weather of the season whipped across McLean on a strong wind Wednesday night, plunging temperatures to a low of two degrees by early today.

Some snow flurries were expected to accompany the cold front, but weathermen didn't believe enough would fall to pose any serious threat to cattle or motorists.

High thermometer reading for the week ending Wednesday was 60 degrees. This occurred Tuesday and Wednesday.

No moisture has fallen on the city since last Thursday, when 1.11 inches was measured. The total for the year now stands at 20.92 inches, with 1.19 of this falling in December.

A year ago McLean had received an official 14.83 inches, and only .58 inch came during the entire month of December.

'Santa Day' Will Be Saturday in McLean

It'll be "Santa Day" Saturday in McLean, and the Lions Club invites all children from throughout this area to attend the event and visit with the jolly gentleman from the North Pole.

Santa Claus will be on hand for the beginning of festivities at 10:30 a.m. in downtown McLean.

Plans for Santa's official pre-Christmas visit to McLean were completed at Tuesday's Lions Club luncheon.

Sacks of candy and other treats will be distributed to the youngsters by Santa Claus and his Lions helpers.

The red-suited gift-giver will arrive in town aboard a firetruck, and if his activities are the same as in past years, Santa will invite the children to ride the firetruck with him while in the city.

Lions President Cliff Day appointed Jay Thompson as chairman of the Santa Day observance.

Delivery of Christmas baskets of food, another Lions Club project, also is planned. The baskets will go to underprivileged families.

The Christmas season is already in evidence in McLean, with street decorations in place and more and more residences being decorated.

The Junior Chamber of Commerce is sponsoring a house decoration contest, with judging planned for next week.

Awards will be \$15 for first place, \$10 for second and \$5 for third.

Judging will be based on originality, beauty and use of the Christmas theme.

It is not necessary for residents to enter the contest. All homes are to be judged.

TOURNEY TO BEGIN TODAY

Local Teams Are Going to Miami

Miami is the scene of action today through Saturday for the McLean High School Tigers and Tigerettes.

The local teams are competing in the annual Miami Tournament, with first round of action scheduled today.

Last weekend, the Tigerettes captured the sportsmanship trophy in the Samnorwood Tournament, even though they were eliminated from contention for the championship after being downed 53-50 by Samnorwood in the second round on Friday.

In their first game on Thursday, the Tigerettes crushed Kelton 61-49, as Sharon Goldston tossed in 27 points.

Jan Badley finished the evening with 22, Barbara McCurley with 11 and Pam Burnett with one.

All-Tournament
In the Samnorwood tilt, Barbara counted 23 points, while Sharon had 16 and Jan 11.

Barbara McCurley and Sarah Colman were named to the All-Tournament Team at the Shamrock Tournament the weekend before.

The Shamrock Irish continued their winning ways over the Tigers at the Samnorwood Tournament, dumping the locals 64-45 on the opening day of action Thursday.

Still, Eddy Windom was the game's top pointer, with 19. George Green bucketed 15, Ronnie Hunt six and Gary Hester five.

After this weekend's tournament in Miami, the Tigers and Tigerettes will rest until Jan. 5, when they host Groom.

Derby Town Jubilee Sponsorship Studied

By the Lions Club

A Lions Club committee was appointed Tuesday to consider future sponsorship of Derby Town Jubilees, with proceeds to be used to purchase Christmas decorations for downtown streets.

Appointed by Lions President Cliff Day to serve on the committee were George Terry, Jim Hathaway and John C. Haynes.

The suggestion that the Lions sponsor the programs for this purpose was made by Boyd Meador.

The Jubilee was started in McLean several months ago by Donald Cunningham, with the American Legion as sponsoring organization. The Junior Chamber of Commerce has sponsored the every-other-Saturday programs for some seven months.

Meador said he had been told that last Saturday's show was the last one to be sponsored by the Jaycees.

Widely Recognized
The Jubilee has received wide recognition, and in recent months other towns in the Panhandle have started similar shows, using talent which regularly appears here.

Boss Lion Day also announced that he has accepted the chairmanship of the annual March of Dimes to be conducted in McLean during January. Assistants will be appointed before the fund drive begins.

Jewel Meacham was presented a plaque during Tuesday's Lions Club luncheon for 12 years of service as fund, chapter and home service chairman for the Red Cross in McLean.

Meacham has resigned the position.

A contribution of \$100 was received by the club this week from the American National Bank in McLean, Day announced.

A guest at the luncheon was Bobby Webb.

Linda Guill Named To LCC Honor Roll

Linda Joyce Guill of McLean has been named to the mid-semester honor roll at Lubbock Christian College, according to Dr. Jack W. Bates, academic dean.

To be placed on the honor roll, a student must maintain a 3.5 grade-point average. On LCC's 4.0 scale, 4.0 indicates a straight "A" record and 3.0 indicates straight "B."

Miss Guill was one of 20 sophomores from her class of 218 who achieved the honor. Her grade-point average was 3.70.

Miss Guill is active in band and chorus at LCC.

She is the daughter of Mr. and Mrs. H. W. Guill of McLean.

Singing Is Sunday
At Assembly of God

The monthly Third Sunday Singing will be held at 2 p.m. next Sunday at the Assembly of God Church.

A cordial invitation is extended to everyone who likes gospel singing.

Officers of the organization are Sam Haynes, president; S. A. Cousins, vice president, and Mrs. Pauline Miller, secretary-treasurer.

422 BALES OF COTTON GINNED

Harvest Activity Picks Up in Area

There was little doubt this week that this area's late cotton harvest was in full swing.

Wednesday afternoon, the McLean Gin yard was filled with trailers loaded with cotton, and Manager B. F. Holland said much more is expected this week—provided ideal harvesting weather continues.

At last count Wednesday 422 bales had been ginned here. Holland said he expects another 150 before the end of the week.

One of the best fields of cotton in this area, on the Tony Smitherman place, is now being gathered. Holland said.

1 1/2-Bale Average
The irrigated cotton is producing an average of 1 1/2 bales per acre.

The U. S. Department of Agriculture Marketing Service office in Memphis reported this week that as stripper harvesting increases the quality of cotton classed goes down.

K. E. Voelkel, who is in charge of the Memphis office, said that 20,000 samples of cotton were classed during the week ending Friday. This is the largest volume classed any week this season.

Total samples classed now stand at 64,000, compared with 122,000 as of the same date a year ago.

Based on samples classed last week, white grades decreased to 20 per cent and light spotted and spotted grades increased to 80 per cent.

Strict Low Middling
Strict low middling was the predominant grade in the white cotton, with 10 per cent, and middling light spotted prevailed in the colored cotton with 26 per cent.

Predominant staple length was 15/16, with 74 per cent.

Although prices declined somewhat from the week before, the market was more active. Average prices paid for cotton mostly selling and having a micronaire reading of 3.5 to 4.9 were:

Strict low middling 15/16, \$27.25 per 100 pounds; middling light spotted 15/16, \$27.70; strict low middling light spotted 15/16, \$26.65.

Cottonseed prices advanced \$2 per ton at most gin points, and the farmer was receiving \$49 per ton during most of the week.

Baptist Christmas Program Is Sunday

The adult one department of the First Baptist Church will present a special Christmas program Sunday evening.

J. B. Brown, Training Union director, said the program will be held in the church auditorium starting at 6:30 p.m.

The public is invited to attend.

Fruit Cake Orders Ending on Friday

Friday is the deadline for placing Christmas fruit cake orders with the McLean Band Boosters Club.

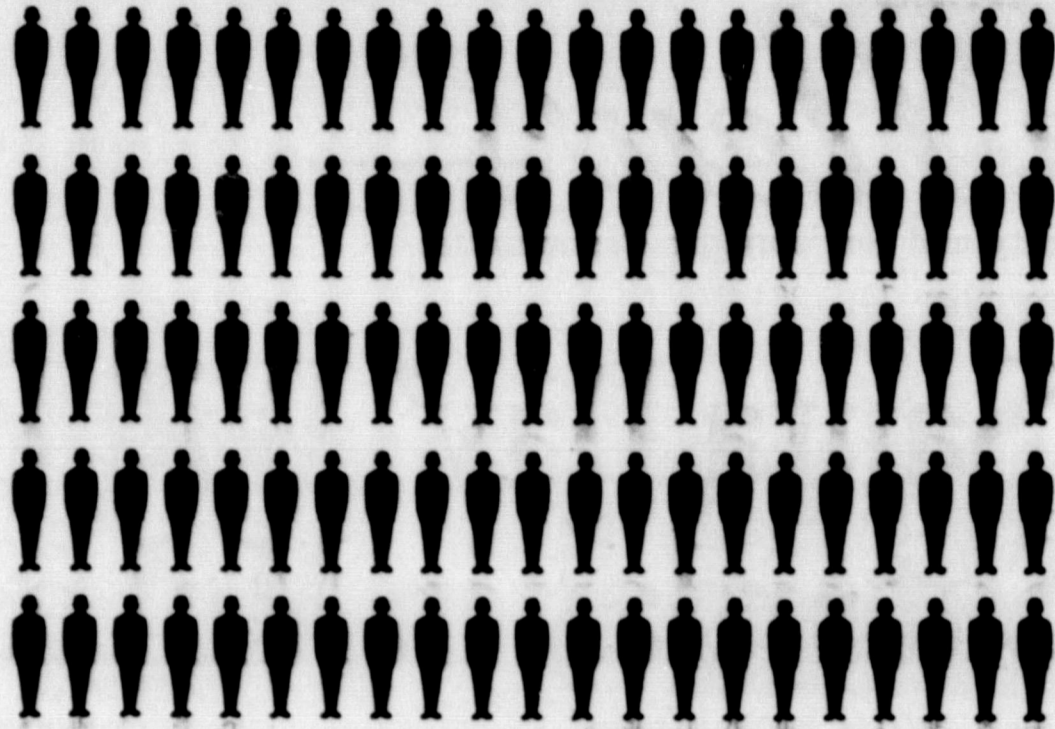

The club and members of the band have been selling fruit cakes for several weeks. Money raised will be used for band activities.

OPERATION "DEATHWATCH"
DEC. 24 thru JAN. 3 ESTIMATE 105 MOTORCIDES

The figures above represent the estimated toll of 105 lives expected to be lost in Texas traffic accidents during the 11-day holiday period from December 24 through January 3. During this period, the Texas Department of Public Safety will tabulate these tragedies as they occur and make periodic releases in an effort to focus public attention on the added dangers of holiday travel. A special appeal has been issued to Texans to do their part in proving the estimate is too high.

Mr. Jack B. Shelton,
Owner & Publisher,
The McLean News,
McLean, Texas 79057
Dear Mr. Shelton:
I would like to express satisfaction with the column, "Just Between Us," in the December 3 McLean News. The Tulsa Herald editorial statement by Mr. H. M. Baggartly that, although flooding gasoline in Lubbock he passed up one filling station because he "unconsciously" associated its American flag with a "government hater" seems incredibly illogical, and, as you say, "extreme."
Perhaps just a slight increase in display of patriotism for our country by the rest of us will cause some of these vocal, but unconscious, Americans to run out of gas.

Sincerely,
Frederick M. Dunn

McLean News,
Dear Sir:
Will you please put this in your paper.
There will not be any more hootenannies in Groom until after New Year's, due to all the holiday events coming up. I feel we will do better by giving everyone a few weeks rest. I want to thank everyone in the McLean area who has helped us on our show in any way. Without your help our shows wouldn't have been a success.
We are inviting all of you back to help us in the New Year.
Thanks to everyone.

STATE CAPITAL Highlights AND Sidelights
by Vern Sanford

AUSTIN — (Special)—Gov. John Connally's delayed second inaugural program may set some records for simplicity.

The Legislature, in an informal poll, has agreed to postpone the inauguration from Jan. 19 to Jan. 26. This to avoid conflict with the swearing-in of President Johnson in Washington on Jan. 20. Formal approval of the delay will be necessary after lawmakers convene on Jan. 12.

There will be no parade, inaugural ball or all-night reception for Connally.

Gov. Connally and Lt. Gov. Preston Smith will take the oath of office at high noon at the State Capitol. An afternoon reception will follow at the governor's mansion.

Dancing and entertainment is scheduled the night before—at a

big Democratic victory dinner in Austin's Municipal Auditorium.

More than 500 Texans are expected to make the pilgrimage to Washington to see President Johnson sworn in. Texas officials, state college and university bands and marching groups will have a prominent place in the Washington festivities.

JOBLESS RATE DECLINES — Unemployment in Texas during October dropped to 133,000, 3.5 per cent of the labor force, Texas Employment Commission reports. This is 3,000 below the September level and 20,000 under October 1963.

TEC also reports that the state unemployment compensation trust fund finished the year in the black for the first time in eight years due to the decline in joblessness. Number of claimants for unemployment insurance dropped 12 per cent.

REGENTS PRESSURE DENIED — Gov. Connally heatedly denied he pressured University of Texas regents into withdrawing appointment of an El Paso architectural firm to plan a new building.

Regent John S. Dedditt of Lufkin resigned from the board. He was quoted as saying he quit because of Connally's "dictation to the board" and regents' "howling to pressure."

"I categorically deny I have ever attempted to dictate to Sen. Dedditt or any member of the board with respect to any matter concerning the university," Connally told reporters.

A rider to the appropriations bill last year gave the governor authority to approve or disapprove appointment of architects for state buildings. Connally said he did not ask the power but would "live up to it."

He stated he did not "act one way or another" on regents' proposal to hire the El Paso firm of Nesmith, Lane and Associates to plan a \$2,000,000 science-mathematics building at Texas Western College. Rea Nesmith, head of the firm, is an active Republican and has charged Connally withheld approval of the selection for political reasons.

16 Rural Accidents Occur in November; Deadly Days Ahead

There were 16 rural traffic accidents in Gray County during the month of November, according to Sgt. J. W. Wilson, Highway Patrol supervisor of this area.

These crashes resulted in two persons being injured and a loss of \$5,152 in property damage.

Summarizing rural traffic accidents from January through November of 1964, the picture shows 175 wrecks, three persons killed, 129 injured and \$111,272 in property damage.

The most deadly month of the year is here again. The patrol supervisor stated that during each month of the past five years there was only month higher than the month of December in traffic deaths.

10 Per Cent in December

Of the 12,171 persons killed during the last five years over 10 per cent were killed during December.

Of the 1,246 persons killed in traffic accidents during the month of December over the past five years over 30 per cent were killed during the Christmas holidays.

This means that the Christmas holidays are about three times as deadly as the remaining days of December.

December, 1963, was the most deadly month in the history of Texas. The sergeant appealed to every motorist and pedestrian, "Please do not let this become a reality again."

"Monticello," name of Thomas Jefferson's home, means "little mountain" in Italian.

Twentieth Century Study Club Holds Christmas Party

The Alanreed Twentieth Century Study Club held its annual Christmas party on Dec. 10 in the cafeteria of the Alanreed School.

A decorated and lighted Christmas tree and centerpieces for the tables carried out the Christmas theme.

A supper of turkey and ham and all the trimmings was served at 7 o'clock.

The president, Mrs. Marjorie Fish, welcomed all the members and guests and presented the following program:

George Smith reading the second chapter of Luke, Kinnette Hambricht singing "Rudolph the Red Nosed Reindeer," Beth Hambricht singing "Merry Christmas."

Dean Anderson and Stephen and Kevin Smith singing "Christmas Time Is Here."

Stephanie Smith and Sue Anderson singing "Winter Wonderland" and "Silver Bells."

The program closed with the singing of "Silent Night" and "Jingle Bells" by the group, accompanied by Mrs. Mary Durham at the piano.

Gifts were exchanged and the remainder of the evening was spent in playing games and visiting.

Members and guests present were Messrs. and Mmes. Red Easton, Enloe Crisp, Granville Lily and granddaughter, Frank Crisp, Raymond Glass, Lavern Goldston, Frank Hambricht and Gene, J. D. Fish and Jay Dee, Marvin Hall, George Smith and Stephanie, Stephen and Kevin, K. W. Hambricht and Kinnette, Beth and Billy Frank, and Granville Simmons and Britt.

And Mmes. Ada Simmons, Alma Glass, Al Cooke, Lurah Rhodes, Laura Goodman, Mary Durham and Harrison Worsham.

And Tommy Watkins, Sharon Stroud and Linda, Sue and Dean Anderson.

Mr. and Mrs. Luther Petty were Shamrock visitors Friday. Mrs. Petty attended a Christmas party in the home of Mrs. Frank Solomon, Bible class teacher. Mrs. Solomon gave a resume of their trip through different countries to the Holy Land. On Monday night she and her husband were hosts as they showed slides of their trip at the Fundamentalist Methodist Church. The Pettys were among those present.

DID YOU KNOW?

That Matt. 7:21 teaches us that we have to do God's will to enter Heaven, and Matt. 28:20 teaches us that we must do all His will or commandments, not just part of them.

That faith or belief is part of His will. (Heb. 11:6 and Jno. 8:24)

That we are damned if we don't believe. (Mk. 16:16)

That there are two kinds of faith or belief. One is the faith which the devils had, a trembling or do-nothing faith. They wouldn't obey God. The other faith which saves is the faith that Abraham had, which moved him to obey God by offering Isaac, his son, upon the altar, and he was called the friend of God. (James 2:19-23)

That Noah's faith moved him to obey God by building an ark, and it saved him and seven more. (Heb. 11:7) Therefore faith is part of God's will.

That we must believe to the saving of the soul. (Heb. 10:39)

WORLD'S FASTEST: This is Art Arfons' "Green Monster" jet streamliner which holds the world land speed record. Arfons, who hopes eventually to surpass the speed of sound on land, drove the racer at an average speed of 536.71

miles per hour over the Salt Flats track in Utah. At one point during the second half of his two-way run over the track, his car reached a speed of more than 600 miles per hour.

NEWS from YOUR

COUNTY AGRICULTURAL AGENT
TEXAS A & M. COLLEGE EXTENSION SERVICE

By FOSTER WHALEY

BRUCELLOSIS TESTING:

The brucellosis laboratory which has been in the county since Oct. 26 will soon be moving to Amarillo. Testing of Potter County will soon be underway. The only remaining counties to be tested are Roberts and Hemphill in the Panhandle of Texas. For that matter they are the only counties in the Panhandle, South and Rolling Plains.

The herds that have not been tested in Gray County number very few. For various reasons they have not been tested as yet. In some cases the owners live out of the county and the lineup men have not been able to get in touch with them.

Someone asked if the testing was compulsory. The answer to this question is yes. When at least 75 per cent of the ranchers sign a petition and the ones signing own at least 51 per cent of the cattle the program becomes compulsory. In the case of Gray County it was estimated that over 95 per cent of the cattle owners signed the petition.

A group of Gray County ranchers circulated the petitions last July that brought this county into the testing program.

Refusal to have a herd tested can get expensive although the law has never been used but one time to my knowledge. A person can be fined up to \$100 per day for each day he refuses to test, plus a jail sentence.

The Texas Animal Health Commission has the authority for enforcing the provisions of the law.

If you have a herd that did not get scheduled for some reason you may still contact your lineup man or call my office and I would be glad to advise you how to get in touch with the laboratory after it gets to Amarillo.

COTTON HARVEST

Bad weather still has everyone shut down. It appears there will be a lot of the 1964 cotton crop harvested in 1965.

INCOME TAX SCHOOL

We had another good one. For those of you that make out your own return, whether it is a form return or not, there have been several important changes. One that might help you is the new minimum standard deduction. In many cases this will help lower your tax. We still have some Tax Guides for Farmers that you should pick up at the News office.

Mr. and Mrs. J. S. Stratton of Tyler visited last week with their sisters, Mrs. Forrest Switzer and Miss Eunice Stratton. Another sister, Mrs. Vina Meier of Amarillo, was here for the weekend.

WHEAT PASTURE

The colder weather has stopped most new growth of wheat. Many people that had planned earlier to stock heavier have cut their plans back. At one time it appeared there would be a surplus of wheat pasture. Cold weather has changed this. Most everyone has light grazing but few have abundant. Actually this is an ideal condition to produce a bumper wheat crop in 1965. Last week's moisture added to the abundant sub-soil moisture we already have. It is much better that cold weather has held back the growth as far as yields are concerned. It means the sub-soil moisture will not be used up until next spring when it will be needed so badly.

P.C.A. MEETING AT PAMPA

We ran into a large delegation of McLean residents at the Pampa PCA membership meeting last Monday night—Pete and Clyde Brown, James Cliett and Wilson Boyd, to mention a few.

News From HEALD

The Ott Davis family visited in the home of their daughter, Mrs. Jacqueline Gray of Amarillo, last Saturday.

Mr. and Mrs. Wesley Masters and Toni of Amarillo visited her parents, the O. O. Bates, last Friday. Wesley Jr., who had been visiting his grandparents, returned home with them.

The women of the Heald WSCS enjoyed a pot luck dinner with Mrs. Roy McMullin on Wednesday of last week. They were celebrating their birthdays.

Mesdames Ramah Lou Lankford, K. S. Rippy, Nida Rippy Green and Miss Mickey Lankford were in Pampa on Thursday of last week.

The Heald community honored the Leonard Hutsons with a singing at the church last Sunday night. The Hutson family will be greatly missed when they move to Conway this week.

NEWS OF CONSERVATION

Sailor Bros. staked 80 acres for irrigation land leveling on the Joe Gordon farm south of Pampa.

V. Dillger is staking 30 acres for land leveling on his farm east of Pampa. George Philpott is leveling 15 acres on his farm east of Pampa. Land leveling will more efficiently distribute irrigation water which will result in production of more uniform crops.

WINDBREAKS — Evergreen and deciduous trees will serve as windbreaks for homes and feedlots. They will beautify farmsteads and protect them from severe climatic conditions.

Experiments have proven that evergreen windbreaks have reduced home fuel costs 10 to 15 per cent during cold winter months. Deciduous trees provide shade during the summer.

People interested in establishing trees should plant them no later than April 1. There are several sources for windbreak trees in the Gray County Soil Conservation District next spring. Competitive brush such as shinnery oak and sagebrush provide competition to our desirable native grasses.

In some areas of Gray County,

brush infestation is as high as 90 per cent of the vegetative cover. Brush should be reduced to at least 20 per cent and in most cases 10.

Chemical control will kill and set back the brush where the desirable grasses will have a chance to grow. There were approximately 6,000 acres of brush sprayed in Gray County this year.

Billy Davis sprayed 1,200 acres on his ranch east of Lefors.

Robert Richards sprayed 900 acres on the Vera Dial Dickey ranch southeast of Lefors.

Billy Davis stated that brush control and deferred grazing had made him more money than any other conservation practice.

Gifts Exchanged At Pioneer Study Club Meeting on Thursday

The beautifully decorated home of Mrs. Guy Hester was the meeting place for the Pioneer Study Club on Thursday, Dec. 10.
Mrs. Hester was assisted by Mrs. Leslie Webb.
Gold and white were the colors used in the decorations throughout.
The center table in the living room held a small maline tree trimmed with tiny gold balls. Gifts were exchanged from under it. Other decorations in the room included gold wreaths above the piano, gold and white candles, mistletoe balls in the window and arrangements of holly about the room.
The serving table in the den was laid with a cloth of white net over satin embroidered with gold sequins. Centering the table was a white and gold tree.
Refreshments of white and green hors d'oeuvres, sandwiches and assorted Christmas cookies were served.
Mrs. Harold Fabian presided at the silver service.
Favors were tiny stockings filled with candy.
Following the social hour the program, "Christmas at the White House" was given by Mrs. Clyde Magee.
Playing Santa Claus for the gift exchange were Mrs. Morris Brown and Mrs. Hester.
Attending were Mesdames H. W. Finley, June Woods, David Thomas, Dale Glass, Magee, Jesse Coleman, Alice Short Smith, Jim Allison, Creed Lamb, Brown, Jim Back, Fabian, Forrest Hupp, Bob Stubblefield, Jim Hathaway, W. E. Bogan, Webb and Hester, all members, and one guest, Mrs. Laura Holt of Springfield, Colo.

Mr. and Mrs. James Smith and children, Vickie and Ronnie, of Amarillo spent the weekend here with Mr. and Mrs. Bill Moore and other relatives.

Centennial Culture Clubs Meets With Mrs. Homer Abbott

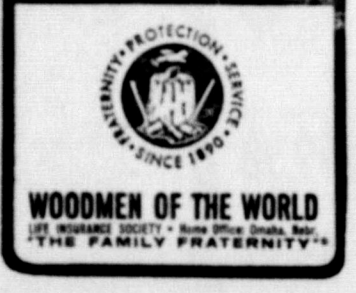

The Centennial Culture Club held its Christmas party Friday, Dec. 11, at the country home of Mrs. Homer Abbott. Assisting were Mesdames H. W. Finley, Kid McCoy and Earl Eustace.
The members gathered in the living room around the silver and blue Christmas tree. Mrs. Brent Chapman accompanied the group at the piano as they sang Christmas hymns and carols.
Mrs. Eustace then read two poems by Edgar Guest.
The ladies then went into the den where quartet tables were set up and laid with white cloths and centered with swirl candles wrapped with red ribbon, which led to individual favors of smaller candles.
A plate consisting of chicken salad, fruit cake, pickles and olives was served.
Following the exchange of gifts, the guests departed with the Christmas spirit of peace and good will.
Attending were Mesdames Charles Carpenter, Elmer Kirby, Byrd Guill, Glenn Florey, W. E. Bogan, Newt Barker, Brent Chapman, and the hostesses.
The anniversary luncheon will be with Mrs. Guill on Jan. 8.
Dale Greenhouse and Mrs. Mildred Greenhouse visited in the R. K. Wooten home in Springer, N. M., over the weekend. Dale also did some skiing at Red River while there.
Mr. and Mrs. Jerry Hamilton and girls of Perryton visited with the Custer Lowrys over the weekend.

WASHINGTON AND "SMALL BUSINESS" BY C. WILSON HARDER

Much has been written, much will still be written, on report of the Warren Commission.

But it is interesting to note that in the report some attempt is made to charge the FBI with failure to provide proper protection. Of course, ever since J. Edgar Hoover published in 1958 his book "Masters of Deceit" in which he exposed the Communist C. W. Harder strategies, there have been numerous attempts to discredit the agency he heads.

But as has been released, the FBI was apparently never notified that Lee Harvey Oswald was a dangerous character. While the State Department denies it, it seems quite clear that the United States Embassy in Russia, which not only cleared his way to return to the United States, but also financed his travel fare, took the position he was quite a nice young man who had had time while in Russia to reflect on the error of his ways, and he was quite repentant. Thus, the State Dept. did not automatically notify FBI that a person was re-entering the nation whose past actions merited some surveillance.

On reflection, this procedure becomes quite weird. A person can immigrate to this country, and after due time of residence, study, et al. can become a citizen of the United States. However, if a naturalized citizen returns to his homeland, or goes to any other

country, and stays away for a limited number of years, his citizenship is automatically revoked.

On the other hand, here in Oswald's case, a man born in this country, deliberately goes to a land which is opposed to the United States, even tries to forswear his American citizenship to become a citizen of an alien foreign land, and marries a national of that country. Then when denied Russian citizenship, he becomes unhappy and finally decides to return.

So he tells his story to the U.S. Embassy, saying he is sorry he made a mistake in turning against his country and flag, and is told in affect, "That's all right, boy. We'll send you home."

This is somewhat tantamount to a man attempting to murder his mother, then getting off with a mild reprimand when he tells the court he made a mistake and was sorry.

Presumably, a young man can become confused and try living in Russia, and subsequently learn his mistake. Again, he can be lying and only wants to return to carry out some plan in which he has been instructed by the Kremlin.

Obviously, a naturalized citizen who pulled such a stunt, if re-admitted to the U.S. would be closely watched for a long time. But apparently in Oswald's case he was given a pat on the back and told in affect "Go and sin no more."

And thus he returned to full rights of a loyal American citizen, without FBI being notified he should be watched.

rights workers in Mississippi. And the Negro leader had several other unkind remarks to make about Hoover, the most dedicated American alive today.

Yet when the FBI director, already burdened with numerous problems of his office, became fed up and exploded—as any man would do—Baggary jumped to the side of King.

Developments since have proved that King was, indeed, a "notorious liar" and quite obviously looking for another way to get his name into the headlines.

Not only Baggary, but other columnists as well used the incident as an opportunity to "sympathetically" suggest that perhaps Hoover's usefulness is nearing an end.

The tremendous job he has done, and is still doing, makes no difference. He has attacked the "darling" of the civil rights movement, and Hoover must go.

Perhaps Mr. Baggary objects to the FBI director's patriotism. This Baggary is the same one who a few weeks ago wrote in his column that he chooses not to do business with firms flying the American flag.

This also is the same Baggary who last week wrote:

"We are glad we live in a country where in a running battle between church and state, our sympathy is with the state."

And away he goes on a tirade against ministers who challenged the Supreme Court's decision which halted the repetition of prayer in the public school classroom exercises.

Another minister was ripped because he criticized the type of special Christmas stamps issued by the Post Office Department.

The stamps bear pictures of holly, mistletoe, etc., instead of showing the birth of Christ and other religious scenes.

Sorry, senator, but don't expect any money from us.

We received in the mail a few days ago a letter from Sen. Ralph W. Yarborough of Texas, seeking donations to pay his campaign expenses.

"By your sacrifices the victories were won both in May and in November," he wrote.

"Now we need your help again. Bill McIntyre, state-wide campaign manager, advises me that the post-election bills are continuing to come in, and that our deficit will run about \$40,000.

"Rather than attempt fund-raising dinners in Christmas month, we are making this direct appeal to you to help us with this deficit. We need aid now, in any amount. Every dollar counts.

We would suggest, senator, that you take some of that \$7,500 a year salary increase you helped vote for yourself and pay your own debts.

An alternate plan might be to sign up for the government's anti-poverty program handout.

Clawson Takes Part In Naval Operation

USS HANCOCK—(Special)—Navy Fireman Gary W. Clawson, son of Mr. and Mrs. William D. Clawson of McLean, participated Dec. 9-12 in a large-scale training operation in the Western Pacific called "Operation Tall Back" while serving aboard the attack aircraft carrier USS Hancock.

The exercise, under the direction of the commander of the Seventh Fleet in the Far East, was designed to increase the readiness of Seventh Fleet units in strike, anti-aircraft and anti-submarine warfare. Twenty-three surface ships, three submarines and several land-based Air Force and Naval air units participated in the exercise.

Two task forces, each with an attack aircraft carrier as its hub, opposed each other.

The operation was conducted to test and evaluate Seventh Fleet units under the most realistic operating conditions.

In a certain court case one of the lawyers caused much amusement by referring to opposing counsel as Mr.—er—shall we say Necessity.

This went on for some time until the judge interrupted.

Judge—Might I ask, Mr. Robinson, why you continually refer to learned counsel as "Mr. Necessity?"

Lawyer—Because he know no law.

You do not have to know much about law to realize your automobile needs regular service—the kind you get at our station. Give us a trial—we strive to please.
