Harvesting of the cotton and grain in this area is getting off to a slow start, but farmers believe that the gathering of the two money crops will be going strong in about two weeks

To date only about 65 bales of cotton have been ginned at the two gins in McLean, S. R. Jones of the McLean Gin and L. H Earthman of the Paymaster Gin eported Wednesday morning.

Both ginners were of the opin ion that cotton harvset will be well underway within a period of two or three weeks. The harvest however, is not expected to last for a very long period of time. due to the decreased acreage and the short crop.

Some grain, about icad, has been bought by Jones He stated that the new storage pins near the Rock Island track are working out very satisfactorily, and will be in operation throughout the season.

The grain bought so far has been good, Jones explained, al though most of the grain is still too moist to be harvested.

Weather for the past two weeks has been favorable to ripening of grain and development of the cotton in the area. Practically every day has brought sunshine, the one day set-up in Lefors, the which the crops need, and we spell fortunately vacated the area, for a while at least.

We gathered that Congressman Guill meant that we voters of America have got into the habit of returning a man to the U.S. House or U.S. Senate for term after terni, excusing our actions with the remark that "he knows the ropes now and will serve us better."

We don't hold to that theory in a very strict sense. It appears to us that we Americans have done that very thing too much. Our representatives in Washington feel that once elected, they will be returned time and again, and they usually are. Therefore, they get into what is conimonly called a rut, and do little for their district or for the country as a whole.

In other words, we send these men back to represent us for years and years, and then we sit back and take our government for granted. Our government, you should well remember, is supposedly a government by, for, and of the people. Yet we, the people, are not taking the interest we should in that government.

Too often we vote for a man because he has the "experience" or the "know-how." At least that's his campaign platform. Too often we vote for a man because of his personality. Too often we vote for a man because he is the one who has spent enough money to familiarize us with his name, and the other names are vague.

We should demand of our candidates, and espe

## **Clyde Mounce In Naval ROTC**

Clyde A. Mounce of McLean has been accepted for enrollment in the University of Texas Nava) ROTC unit. Captain Robert A. Knapp, professor of naval science, has announced.

Midshipman Mounce, who graduated from McLean High School will receive a commission as an ensign in the U.S. Naval Reservel or second lieutenant in the U.S. Marine Corps Reserve upon completing his four-year naval science course and obtaining a degree at the university.

The purpose of the Naval ROTC is not only to supplement the officer ranks of the Navy and Marine Corps, but also to introduce into the naval service officers of liberal education.

Mounce has enrolled in the College of Arts and Sciences at the university.

## Jov Williams Assistant H. D. Agent in County

Miss Joy Williams of Shamrock tarted to work as assistant county home demonstration agent in Gray County October 5, according to County Judge Bruce Parker.

She worked in Gray County as assistant agent in training for the three summer months in 1949. Miss Williams was a 4-H Club

girl for eight years before she went to college, and was one of the most outstanding in Texas. Youth Training Camp trip to Sel-Ly, Mich., in 1946 for outstanding leadersihp ability, and was asked by the camp officials to return

the next year. Other honors earned include the County Gold Star award, the 4-H Talent Club award, the Santa Fe Leadership award, and the trip to National Club Congress.

Miss Williams graduated from Texas Technological College in August with a bachelor's degree in home economics. While in college she was a member of the College 4-H Club and the Home Economics Club.

She will share the office with her co-worker, Mrs. Mary Anne Duke, Gray County home demonstration agent. As with the other county ex-

tension service staff members, Miss Williams' salary will be paid by county, state, and federal funds, with the majority coming from state and federal sources.

Mr. and Mrs. Ernest Burrows and daughter Margaret Ann from Eldon, Mo., Mr. and Mrs. Roland Burrows and son of Shamrock are guests in the home of Mr. and Mrs. R. A. Burrows.

The Kellerville Parent-Teacher Association met Tuesday night of last week in the school auditor ium. The house was called to order by the president, Mrs. Jack Boyd. Verl Tinkler led the singing, and Rev. H. P. Bishop gave the invocation. After a short business session, Mrs. A. V. Jones' first and second grades presented a play, "Billy Goes to the Sky." Rev. Bishop talked on school and home relations.

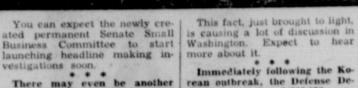

The meeting was adjourned to the gym, where games and refreshments were enjoyed by all. We hope to see more people out at our next meeting.
