No. 44.

Voters to Choose Congressman Tuesday

'Balloting on Beer and Wine Expected to Draw Local Voters

One of the largest votes in history at a general election is expected to be cast in the Panhandle next Tuesday when voters go to the polls to determine who will serve as Congressman from the 18th district. In Gray County's Justice of the Precinct No. 5, the number of votes will be swelled even more when citizens decide whether beer and wine are to be sold in this precinct. The precinct is at present a dry territory.

Elmo L. Phillips Dies in Amarillo; Rites Held Here

Final rites were held at the First Baptist Church in McLean Sunday afternoon at 3 o'clock for Elmo Lawson Phillips of Amarillo, former resident of McLean. He was 51 years of age.

Services were conducted by Rev. Clayton Watkins Jr., pastor of the Pantex Community Church, Interment was in Hillcrest Cemetery in McLean under the direction of Claborn Funeral Home.

Phillips had been a resident of Amarillo for the past 11 years, and was employed at the Veterans Hospital. He had devoted most of his adult life to working with veterans, and while in McLean was an active member of the local American Legion Post. He aided in the re-activation of the post here in 1930, and served as adjutant for several years.

Many of the old-timers in the area will recall that Phillips was a member of the famous cowboy football team of which McLean boasted in the early '30's.

He was a veteran of World War I, serving in the Panama Canal zone. His church membership was with the First Baptist Church in Shamrock.

He was born November 9, 1898, at Newark, and moved to McLean in 1918. He had been living in Amarillo for the past 11 years.

Survivors include his wife, Mrs. Callie R. Phillips of Pantex; three sons, Elmo Jr., Edward E., and Monnie Dean, all of Pantex; two daughters, Mrs. Roy Kiser of McLean and Miss Naomi Ruth Phillips of Pantex; his father, T. P. Phillips of McLean; one sister, Mrs. Opal Mae Bailey of McLean; and one brother, Orville Phillips of Amarillo.

pallbearers were S. B. Kiser, Josh Chilton, Johnny Prince, C. H. Johnson, Buster Bruce, and C. E. Oliver.

Hallow'en Gone—

NOT FORGOTTEN

Hallow'en and the annual Hallow'en Carnival of the McLean schools are all over but there were plenty of memories Wednesday morning following the many spook tricks pulled Tuesday night.

Many of the patrons of the carnival came out of the Grade School building to find themselves fixing flat tires, flattened by playful spooks while the carnival was in progress.

By that time, too, the windows of almost every business house downtown had received the soap treatment, and business men were spending the early hours Wednesday morning erasing the marks.

Some more serious damage was done by the pranksters than just the mere window-soaping, tire flattening, and trash barrel upsetting. The sign of Lentr' Flowers was torn down by the raiders. It was reported to The News that the sign was set in concrete, and finally, after several futile attempts, a carload of youngsters drove by, roped the sign, and pulled it from its moorings.

Then, too, several of the fire hydrants in town were turned on, and some of the firemen were kept busy turning them off. M. D. Bentley's car, without the key in it, was pushed away from the Bentley home by pranksters, but was finally rescued.

There was fun at the carnival, and once more a capacity crowd attended, played games, won cakes and other prizes, and went home

60th Anniversary—

THE C. S. RICES

Sixty years with the wrong woman would be more than a man could stand, but those same years with the right woman have meant happiness over and over for Columbus Sylvester Rice, better known as just plain C. S. Rice, without that high-sounding name.

Monday, October 30, Rice and his wife, Ibbie, celebrated their 60th wedding anniversary in McLean with an open house observance. All five children were present for the celebration, and many friends called during the day.

The children are somewhat scattered now. Roy Rice now lives in Salina, Kans.; Mrs. William E. Haynes in Walnut Creek, Calif.; Erwin Rice lives in Austin, Vernon Rice in Lubbock; and one daughter, Mrs. Legon Burris, lives in McLean. They have five grandchildren and ten great-grandchildren.

Mr. Rice is now 82, and Ibbie is 77. The couple was married October 30, 1890, at the home of Ibbie's aunt, Mrs. T. F. White, in Port

Worth. Conducting the holy matrimony ritual which has lasted for these 60 years was Rev. M. K. Little, Methodist pastor, then of Fort Worth. Rev. Little was still living when the couple observed their golden wedding anniversary in 1940, but Mr. Rice has not heard from him since then.

Mr. Rice was born September 2, 1868, the son of Mr. and Mrs. John Rice, in Leavenworth, Kans., and Mrs. Rice was born February 1, 1873, in Panola County, Texas, the daughter of Mr. and Mrs. T. M. Nichols.

Following their marriage, the couple lived at Baird until 1893, when they moved to Fort Worth. There Mr. Rice worked in the car repair department of the T. and P. Railway. In 1901, he quit the railway and began doing carpentry work.

On April 1, 1904, the Rice family moved to Shamrock, where he was employed by the Cicero Smith Lumber company. On August 1, 1920, they moved to McLean. (Continued on back page)

Funeral Rites Are Held Here For A. L. Hibler

Funeral services for Archie Leo Hibler, 60 years of age, were held at the First Methodist Church in McLean Monday afternoon at 3:30 o'clock. He died in the Highland General Hospital in Pampa Saturday night shortly after 8 o'clock.

Conducting the rites was Rev. H. A. Longino, Methodist pastor at O'Donnell and formerly of McLean, assisted by Rev. W. B. Hicks, local Methodist pastor, and Rev. L. R. Green, Assembly of God pastor. Interment was in Hillcrest Cemetery in McLean under the direction of the Claborn Funeral Home.

Hibler, owner of the Hibler Truck and Implement company in McLean, became seriously ill in September and underwent a major operation September 3. Later he was again operated on, about two weeks ago. He was apparently some better for a few days after the second operation but became worse last week. Death came at 8:20 o'clock Saturday night.

The popular owner of the truck and implement company was long interested in school welfare, and served for several years as a member of the local school board.

In addition to his business in town, he was very interested in farming and ranching, and owned some ranch and farm property. During the past several months, he has been engaged in oil activities in this area.

Hibler was born June 7, 1890, in Illinois. He and Miss Kitty Wood of Effingham, Ill., were united in marriage and to this union were born three children, all of whom survive him.

The family moved to McLean in 1919 from Roswell, N. M., and have lived here since that time.

Hibler was a member of the Christian church, and of the W. C. W. (Continued on back page)

Shamrock, McLean Young Gridsters To Play Tonight

That slick-running, smooth-blocking 8th grade team of the McLean schools will meet a similar team from Shamrock tonight at 6:30 o'clock on Tiger Field.

The game is being started early to enable the visitors to get back home at an early hour.

The Shamrock team is composed of 7th and 8th graders. Coach Al Duncan of McLean said, although the local team will be the 8th grade only, McLean's 6th and 7th graders will play together, leaving the 8th grade group with its own team.

P.-T. A. to Have Stage Show

A stage production of "Snow White and the Seven Dwarfs" will be presented in the McLean High School Auditorium Thursday night, November 9, at 7:30 o'clock. It was announced this week.

The presentation will be sponsored by the McLean Parent-Teacher Association.

The show will feature real dwarfs, it was explained. Actors and actresses in the show are a traveling unit, and include a brilliant all-around New York singing and dancing cast.

Admission will be 60 cents and \$1.25.

"We believe the production to be excellent in every way, and a supreme achievement in perfect family entertainment," members of the local P.-T. A. said. "And we want a large crowd to attend. We feel that you will certainly receive your money's worth in entertainment."

BIRTHDAYS

- Nov. 5—Mrs. D. C. Carpenter, Mrs. Gladys Smulcer, Tony Preston, P. B. Landers.
- Nov. 6—Paul Mertel, J. L. Hess, Arthur James Dwyer Jr., Mrs. J. L. Bidwell, Mrs. C. A. Gatlin.
- Nov. 7—Mrs. Paul Miller.
- Nov. 8—Tracy Mullanax, Mrs. J. T. Glass, Tracy Mertel, Gwendolyn Riddell.
- Nov. 9—Mrs. Clinton Ritter, J. C. McCabe, Roy Campbell.
- Nov. 10—Mrs. Verna Burris, Vernon Rice, Leon Waldrop, Mrs. J. S. McLaughlin.
- Nov. 11—Theo Heasley, Mrs. T. U. Yeldell.

Duck Season Opens Friday

Shooting season on water fowl—ducks, geese, and brant—will open Friday, and will continue to December 17, both days inclusive. Shooting, however, will not be legal until 12 noon on opening day.

With the exception of the opening day, shooting will be legal each day from one-half hour before sunrise to one-half hour before sunset.

Daily bag limit is five ducks, with possession limit of ten. Bag limit on geese is five, with possession limit of five.

Jan Black In 'Who's Who'

Jan Black of McLean has been elected to be among the 10 McMurry College students included in the 1950-51 edition of "Who's Who in American Colleges and Universities."

Students elected those honored, following nomination by the faculty on a basis of scholarship, leadership, character, and service.

Jan, a junior biology major, was named 1950 Campus Queen. She is also secretary of the Student Association, and president of Delta Beta Epsilon.

She is the daughter of Mr. and Mrs. Bob Black.

Tigers vs. Irish Friday Night

The McLean Tigers, rejuvenated with their 33-19 conquest of the highly-touted Memphis Cyclone, will go to Shamrock Friday night with the determination of bringing home the scalp of at least 11 Irishmen. The kick-off time is 7:30 o'clock.

The game will be all-important to both teams. A loss by the Tigers will definitely put them out of the running for the District 2-A title, and a loss by the Shamrock Irish could easily mean the title would be lost for them—depending, of course, on the outcome of the few games remaining to be played after this week.

A very large delegation of McLean fans is expected to attend the game. More than 200 recent to local fans, and only a few more remain on sale at The McLean News office.

The Tigers were given a steak dinner Monday night, when the Lions Club changed the time of its regular meeting from Tuesday night to Monday night to invite the boys. The meeting was held in the American Legion Hall, and President R. B. Shedrick presided.

At the steak dinner, a musical program was presented by students of Gerald Smith, music director of McLean High School.

McLean Outscores Memphis 33-19

teams with geared-up offense, each trying to outdo the other. The half ended with McLean on the top side of a 14-13 score. Then in the second half the Tigers pulled out in front 27 to 13, and later to 33-13. The Cyclone from Memphis never gave up, and shot a long pass which was good for 70 yards and the final marker of the game.

L. M. Watson had a field day with his ground gaining. The passes didn't click, so the Tigers kept to the ground. Watson carried 21 times, grinding out 211 of the 307 yards the Tigers made by running. Don Tindall and Wayne Smith picked up that other yardage with some excellent carries.

The local eleven completed only four passes, but two of them were good passes, but two of them were good passes. One was a 26-yard touchdown. One was a 5-yard fifth, and the other a 5-yard heave from Watson to Blackshear.

It was Blackshear's first score of the year. Blackshear also caught one other pass, one good for 31 yards.

Watson then kicked off, with (Continued on page 2)

footed Tommy Messer. And the first time he got the ball, he broke loose for a beautiful 95-yard carry for the Cyclone's first score. It happened fast, only a very brief time after the Tigers had marched downfield and scored. Then McLean scored again, and then Memphis scored again, and then the half came.

Here's the way the scoring happened:

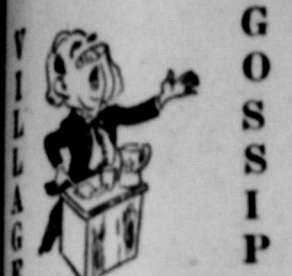

The Tigers took the kick-off from Memphis to open the game, with J. N. Smith returning to the 50.

The Tigers got to the 50, they were forced to punt, with Watson getting a nice one out on the 4, but Shamrock ran over that team 32-0.

While McLean depends heavily on L. M. Watson, the hard-driving backfield man, to do most of the running and the passing, Shamrock has no single player so versatile. Instead, the backfield work is divided among several players.

In other games involving District 2-A teams, Lakeview will play at Memphis, Wellington at Lefors, and Boys Ranch at Clarendon.

Memphis' big gun was free-

(More or Less)

Carpenter, son of Mr. and Mrs. M. Carpenter of McLean, has been named on the honor roll at the dental school of the University of Texas in Houston. In his high grade he was awarded the summer clinical work, it was learned here. He was one of the five students out of a class enrolling in 43 to receive the honor.

Bill was awarded the honor. He has two more years to go before graduating from the dental school.

The Tiger Post that was popular director of the McLean High School band, is now stationed at Fort Belvoir in Washington. Bill was Uncle Sam's army last year. The Post says that he is going up with his record of being a born musician by teaching the Engineer Band. Letters from Haydin Schamer and Gerald Smith of local faculty.

The Amarillo News reports that Clarence Bourland of Tulsa, son of Mr. and Mrs. H. Bourland of McLean, is the new moderator of the Men's Council of the Presbytery of Amarillo. He succeeds D. Bender of Pampa, and was elected Sunday at the semi-annual meeting of the Presbytery, held in the First Presbyterian Church in Amarillo.

Mr. Marshal J. A. Sparks, who will remember when he was 11, was complimentary to the town Wednesday night. The light rain was a relief on the part of the town. "I can remember hundreds of times more damage was done on a Halloween night," Sparks stated, "and I certainly am proud of the youngsters for doing no more damage than that of old. Of course, there was some damage, but nothing like it has been done in a long time."

Mr. Day, who has become the columnist of The News for many years, was so busy helping with one of the carnival booths this week that he didn't get around to Day Dreaming. Tell me, you missed it, will you, so (Continued on back page)

Score by quarter: McLean 33 (Watson 21, Smith 6, Blackshear 6), Memphis 19 (T. Messer 6, C. Messer 1, Corley 6, R. Smith 6).

They'll be talking about that McLean-Memphis game for many years, perhaps years, to come. It was probably one of the most thrilling football games ever played in McLean.

Tigers Rap Memphis With 33-19 Score

(Continued from page 1)

Lee taking the ball on the 5-yard line, but making no return. On the next play, Tommy Messer hit a hole in the left guard slot, broke into the clear, and simply outran the remainder of the Tigers to race 98 yards and score. Charles Messer kicked the extra point, and the score was 7-7 with the game only a few minutes old.

Nothing much happened during the remainder of the quarter. Early in the second period, Eddie Reeves intercepted Roddy Stargel's pass on the McLean 38, and the Tigers started rolling again. Six running plays by Watson, Wayne Smith, and Don Tindall moved the ball to the Memphis 21. From there, Watson circled right end, cut back and went over. His conversion was again good, and McLean led 14-7.

Then the Cyclone started whirling again, with Messer returning the kick-off from the 8 to the 42. A long pass from Stargel to Don Rasco moved the ball to the McLean 25. Runs by Corley, Messer, and Duane Miller advanced the ball to the 5, from where Corley went through right guard and over. Ronnie Smith's kick was blocked and McLean held a slim 14-13 lead. There were no more serious scoring threats in the first half.

In the third quarter, McLean took over on the Memphis 43, when Wayne Smith intercepted Tindall, and Wayne Smith then Tindall, and Wayne Smith saw the Messer's pass. Runs by Watson, pigskin moved to the 12-yard line. Watson then hit right guard, cut back to the left and went over. His kick was no good, and the Tigers led 20-13.

Late in the third period, Wayne Smith returned a punt from Lee from the McLean 27 to the 41. Watson went around left end to the 50 as the quarter ended. On the first play in the fourth quarter, Watson hit a hole in the right guard position, cut back, and evaded a couple more tacklers. Then he raced the remainder of the 50 yards to score. His kick was good, and the Tigers led 27-13.

Later, J. N. Smith recovered a

Weeny Witch Halloween Party

Halloween is party time for youngsters. Plan now to amuse as well as feed them. Here are suggestions for effective table decorations and easy-to-serve menu.

"The Weeny Witch" is the centerpiece decoration for the party dish. It is made by cutting a brim and crown for a hat from stiff black paper. Costume is cut from black crepe paper, doubled for stiffness, and attached to the frankfurter so that the paper extends out in back like a gown flying in the wind. The nose is made from a carrot tip; the eyes and teeth from cloves. Arms are pipe cleaners dyed black with shoe polish or ink. The broom is made from a pipe cleaner and strips of colored paper.

And now, to complete the party, serve this delicious all-American favorite meal:

Weeny Witch Party Dinner Menu

Skinless frankfurters
(grilled or steamed)

with

Jack O'Lantern, Carrots
(tops of carrots, cloves for eyes and nose,
slice of green pepper for mouth)

Potato Chips — Doughnuts — Hot Dog Buns
Olives — Mustard — Radishes
Orange Sherbet and Cake
Cider

fumble by Lee on the Memphis 30, but the Cyclone held, taking the ball on their own 13. On their first play from scrimmage from that point, however, Corley fumbled and Wayne Smith recovered on the 9-yard marker. Watson went around right end to the 5, and then tossed a pass to Blackshear over the goal. Watson's kick was no good and the score was 33-13.

The Cyclone bounced right back to score again. The kick-off was returned to the 30 by Lee. From there Lee passed to Ronnie Smith on the McLean 32, and Smith ran the other 32 yards to score. Smith missed the extra point try and the score stood at 33-19. The game ended a few plays later.

W. C. Simpson visited relatives in Pampa Sunday. Mrs. Simpson returned with him after a week's visit.

School Buses In Texas Have Big Daily Job

Texans are now taking good care of their million and a half school children, including the transporting of 320,000 of them 55,580,365 miles during the last school year, the Texas State Teachers Association pointed out last week.

Nearly 6,000 public school buses carried the children to and from their homes during the 175 school days last school term a distance equal to 2,222 trips around the world at the equator. The daily total of travel was 317,431 miles.

State school funds provided for transportation averaged a little more than \$30 per pupil for the year, or a total of \$10,346,175. Only children living two or more miles from school are provided transportation.

A total of 25,212 more pupils were carried by school buses during the last scholastic year than during the 1948-49 term. The increase was partly due to the consolidation of more school districts qualifying for state aid, but most of it was caused by increased enrollment. Nearly 5 per cent more children were in the public schools last year than in 1948-49. Transportation increased only 6 per cent. The nearly 6,000 buses in use throughout the state are valued at \$17,492,869, according to a survey recently completed by L. H. Griffin, state school director of administration services.

His survey also disclosed that one-fourth of the school buses should be replaced with new ones. School buses are expected to give satisfactory, economical and safe service for five years.

More than five per cent of the buses in use are ten or more years old. Another three per cent are nine years old, and 17 per cent of the vehicles have been in service from six to eight years.

School buses traveled 126,218 daily over dirt roads and the remainder 191,213 miles on paved or gravelled thoroughfares.

Buses and tires are now purchased through the state at a considerable saving to the individual school districts.

NEWS FROM KELLERVILLE

The Kellerville 4-R Club met Monday at the school. Officers were elected as follows: Jimmie Farren, president; Tommy Bollen, vice president; and Ronald Holley, secretary and treasurer.

Mr. and Mrs. Clarence Drum attended the funeral of Elmo L. Phillips in McLean Sunday.

Mr. and Mrs. Joe Immel of Higgins visited Sunday in the homes of Mr. and Mrs. L. F. McDonald and Mr. and Mrs. Eimer Immel.

The Lazy Daisy Sewing Club met with Mrs. R. D. Holmes Thursday, October 26.

Refreshments of lemon pie and iced tea were served to Mesdames Joe Thompson of Cushing, Okla., H. A. D'Spain, R. D. McReynolds, E. Immel, Joe Harris, C. Drum, Bill Holmes, D. Brock, E. C. West, E. O. Owens, Jack Harris, W. S. Marshall, O. L. Thompson, A. L. Farren, and B. Chapman.

The next meeting will be Thursday, November 2, with Mrs. Edwin Owen, and the following Thursday, November 9, the meeting will be with Mrs. Walter Marshall.

Health Department Keeps Statistics As One of Duties

It is the statutory duty of the Texas State Department of Health, through its Bureau of Vital Statistics, to provide for the registration of the births and deaths occurring in Texas.

On the statistics made from the vital records much of the planning for the welfare of the people of Texas is done. The number of births credited to the county or city of the residence of the mother can be used in planning hospitals and medical care. The medical certification of the birth record furnishes the division of maternal and child health with a list of children who may need additional care, because of prematurity, congenital malformations or birth injuries. The birth certificates are used in establishing dependency benefits for veterans or members of the armed forces. They are also used in providing relationship in settlement of insurance claims and inheritance matters.

The statistics made from causes of death as gathered from medical certifications or death records are used in the prevention of disease, for control of epidemics, and immunization programs for children of pre-school and school ages. Leading causes of death statistics furnish data for study and research which will lengthen life expectancy and improve health during the expected time.

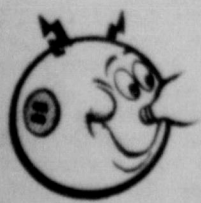

Mortality statistics and the expected length of life are considered when determining insurance premium rates.

A rise in the number of deaths from diseases bred of filth can institute immediate action by the Bureau of Sanitary Engineers.

MODERN ELECTRIC COOKING IS FAST!

Really fast!!! High speed elements heat instantly. And there's no waste of heat... it's concentrated on the job to be done... so food cooks quickly. Best of all, all the best flavor is retained when you cook electrically. Are you cooking this modern way? If not, why not see your electrical dealer right away. He can tell you more about the advantages of electric cooking.

Of course - it's Electric!

HAVE A BETTER KITCHEN

If you're planning a new home, take a page from the book of experienced builders on how to save time and money in the kitchen. Don't let the kitchen be the "forgotten room." Plan it now, decide what equipment you're going to use, where it should be located to provide the greatest amount of convenience, and where electrical outlets should be placed. Get it all down on a blueprint.

Less Expensive

Then, when it comes time to install the cabinet sink, dishwasher, storage cabinets, range and refrigerator, they will slip into their allotted spots without expensive and time consuming fitting.

Builders have found that prefabricated steel kitchen units can be installed in hours and even minutes, instead of days. A home builder constructing a group of more than 100 houses just outside Washington, D. C., reports that a two-man installation crew averaged just 45 minutes per kitchen installation. This included connecting a cabinet sink, hanging four wall cabinets, and installing two base cabinets adjacent to the sink.

Use Ground Strips

Walls on which wall storage cabinets are to be placed are prepared with "ground strips" during basic construction of the room. These are wooden strips set at the proper height flush with the plaster. The cabinets are securely held in place with screws fastened to the ground strip.

Let's Face Facts!

- The Panhandle needs a Congressman who will STICK — and who will STAND UP for his district—
 - It is only through seniority and experience that he can give the Panhandle the representation it needs — and MUST HAVE, if all our interests are to be protected.
 - Our all-important agriculture, our industrial development, the Canadian River dam, our rightful place in the Defense Program . . . a stabilized economy and a future offering continued prosperity — all of these DEMAND that we send to Washington
- A Democrat**
- as our Congressman. Any other approach is to ignore our own self-interests and to sleep on our rights. It is time to WAKE UP, and to be realistic.
- IT TAKES AFFIRMATIVE THINKING AND AFFIRMATIVE ACTION TO GET THINGS DONE IN CONGRESS!
- WALTER ROGERS, our Democratic nominee, is mature, able and well-qualified. He offers balance and stability and is pledged to fight for all the interests of our district.
 - He offers the Panhandle CONSTRUCTIVE leadership.
 - Let's quit wasting time!

YOU ARE EXPECTED TUESDAY

IN OUR EDITORIAL last week we openly advocated Ben H. Guill of Pampa for the office of U. S. Representative from the 18th congressional district.

We outlined a few of the reasons why we felt that he should be re-elected to the office, and we believe those reasons to be based on sound fact. We are under the impression that most people have made up their minds as to how they are going to vote, and it is not our intention to attempt to influence anyone on how to vote. We feel that a newspaper with much of a "backbone" should take some stand on such an important election as the selection of our representative in the national congress. In the U. S. Senate, we actually have little contact with our officials, for two men there represent the entire state. In the House of Representatives, we do have contact, and therefore we should exercise a great deal of care in selecting our official from this district.

It is also our belief that we should not vote for either Ben Guill as a protest against the Democratic administration, or for Walter Rogers as a protest against the Republican party. Such votes are not in keeping with our democratic form of government. Such votes may be likened to Russia's veto habits.

We have nothing against Walter Rogers; we are not supporting Ben Guill because he is running on a Republican ticket. We are for him simply because we feel that he is the best man for the job at the present time—that is, the best man of the two candidates. We don't care whether he is a Republican, a Democrat, a Dixiecrat, or a Panhandle-ite. We simply believe that, under the circumstances, he will be able to serve us better in the coming two years.

One of the largest, if not the largest, votes in the 18th district in history in a general election is to be cast next Tuesday throughout the Panhandle. But still there will be many voters who stay at home, for no reason at all.

We sincerely hope that you will go to the polls and vote your convictions, regardless of whether you vote for Ben Guill or Walter Rogers. Whichever of the two men is the choice of the majority will receive our wholehearted cooperation and support in the future so long as we feel that he is serving our district to the best advantage. Likewise, we shall not hesitate for one moment in condemning any future actions which the winner may take, should these actions not conform to the best interests of our district. We believe in freedom of speech, freedom of the press, and shall fight for these and other freedoms as long as we have strength to breathe, to speak, to write.

It is your duty, your privilege, your obligation to vote in the general election Tuesday.

THE McLEAN NEWS

LES TALK BY LESTER

Know a man who won a bet Friday. Some bird, apparently from Memphis, offered three to one odds that Memphis won. This McLean fellow took him up, and, of course, won.

Sammy Haynes and I weren't surprised when the Tigers beat the Cyclone. We were both surprised at the high score of each team. We both hit on all three games. Hope we do it again.

Last week's predictions and scores:

My prediction: McLean 13, Memphis 6; Sammy's: McLean 19, Memphis 13. Actual score, McLean 33, Memphis 19.

My prediction: Shamrock 20, Wheeler 13; Sammy's: Shamrock 30, Wheeler 7. Actual score, Shamrock 26, Wheeler 0.

My prediction: Lefors 12, Clarendon 0; Sammy's: Lefors 20, Clarendon 6. Actual score: Lefors 7, Clarendon 6.

My record: 3 hits, no miss; for the season, 21 hits, 10 misses. Sammy's record: 3 hits, no miss; for the season, 18 hits, 7 misses.

This week's predictions: McLean 21, Shamrock 13. Again I actually believe we can do it. Memphis 40, Lakeview 0.

Wellington 13, Lefors 7. Clarendon 21, Boys Ranch 0. Sammy's predictions: McLean 20, Shamrock 13.

Wellington 19, Lefors 7. Clarendon 25, Boys Ranch 6. Memphis 42, Lakeview 0.

Be sure to go vote next Tuesday.

Last week we ran an article about a piece of lava found by Frank Ottroge when helping with the deep cut for the new highway on the other side of Alanreed. The lava was brought to The News office and placed on display.

This hunk of rock, if it can be called a rock, has caused a very large amount of interest among the people around here. I personally didn't think it would cause so much interest.

Among the first in to look at it was Frank Wilson, former McLean school principal. He once found a similar piece on his place west of town and sent it to Texas Tech. The authorities there stated it was of volcanic origin.

Mr. Wilson then told me there had been gold dust found south of Alanreed a few miles in the sand in a creek there. The dust was actually separated and was certainly of value. However, two men from Denver came down and set up some sort of a porose rig to separate the gold from the sand, but found it to be unprofitable to separate the gold. They were barely making wages out of it.

Then Ted Glass came in with a still better story. Ted said he tried separating the gold from the sand, and did so. But he had no rig to do the work properly and gave it up. The sand, he stated, showed traces of silver and platinum as well as gold. Ted verified Mr. Wilson's story of the two men who set up gold-hunting equipment and went to work. Ted also tells of a long streak of copper which is on a bank of a creek south of Alanreed. He investigated the cost of mining it, and found that an investment

To keep friends, always give your candid opinion.

"Won't you join me in a cup of coffee?"

COTTON QUIZ

WHERE DID DUNGAREES GET THEIR NAME?

ANSWER: BRITISH SAILORS NAMED THE BLUE DENIM TROUSERS FOR THE TOWN OF DUNGRI, A SUBURB OF BOMBAY, INDIA, WHERE THE STURDY COTTON CLOTH FIRST WAS MANUFACTURED FOR TENTING.

of fifty or sixty thousand dollars would be necessary to make it profitable, so he didn't undertake it. That has been several years ago.

Oh, yes, Mr. Wilson and Ted also told of two men—don't remember who they said the two were—who drilled with some kind of rig looking for gold. Ted also said

THE FAMOUS

Cool SAFETY Cabinet GAS HEATER

Cabinet stays cool on top, sides, back and bottom, always—no danger of scorched walls, drapes or woodwork. Pours out volumes of heat for wall-to-wall warmth. Lights automatically—burns any type gas efficiently and economically.

Come by and let us show you the famous DEARBORN

McLean Hardware Company

a small gold nugget was found in the same vicinity.

Mr. Wilson stated that there is also possibility of diamonds lying somewhere beneath the surface, since the tremendous heat of a volcano is necessary to crystallize carbon into diamonds.

Now all this may be old stuff to you. And maybe Ted and Mr. Wilson were "pulling my leg." But I don't think so. Surely both of them wouldn't think of pulling such a trick all in one day.

Now if we had a real good chamber of commerce, we could do some high-powered promoting, and maybe interest some group with money to look for the gold and silver and platinum and diamonds and copper. And other minerals which might be of high value, too, could be in the area. Who knows?

Perhaps we are wasting our time hoping that oil will be struck in this immediate area. Perhaps we should go into the mining business. Boy, what a good chamber of commerce could do with a deal like that. Hereford—the town without a toothache. McLean—the center of the world's greatest diamond mine. Now

wouldn't that be something?

Be sure to vote next Tuesday. There's a congressman to be elected, and there is the question of selling beer in this precinct to be decided upon. Go vote your convictions.

McLean Famous for Watermelons 'way Back in 1910

Years Ago— IT HAPPENED HERE

from the Files of The McLean News, November, 1910

Exhibit at Chicago
 The watermelon attracts thousands of visitors—pleased with showing. The Texas, and especially the McLean region, is attracting attention at the great show at Chicago, as evidenced by the dispatches that are being sent from that point. Kaffir melons are coming in for the share of the publicity and it was demonstrated to the visitors who are unfamiliar with them that their culture here can be produced and sold cheaper than is possible in any other known crop. The list of attractions at the Texas booth, under the management of the A. and M. is the mammoth watermelon, raised by W. T. Hudgins of McLean, Texas. Below we give the dispatch, which was printed in the McLean News on the 29th of the month:

Chicago, Ill., Nov. 28.—How the watermelon and hogs for between 1 and 2 cents a pound is being demonstrated by the Texas delegation at the Chicago Tribune's United States Land and Irrigation Exposition at the Coliseum, every state has on exhibit its choicest products. The cost of living has directed attention to the Texas exhibit, where is everything from hogs on how to feed and water to specimens of vegetables and fruits to make one's water. One of the most interesting specimens that none of the other states can approach is a 100-pound watermelon grown by W. T. Hudgins of McLean, Texas. C. M. Evans of the State Agricultural and Mechanical College is in charge of the Texas exhibit at the exposition, with S. J. Burns assisting him. They are making demonstrations in stock raising methods, and Prof. Evans has attracted thousands of visitors to his booth. The title of the exhibit is "How to Increase the Yield of Meat per Acre." The exhibits are more interesting than the Texas booths at the Coliseum, where beneath the little electric lights, the brightly decorated booths are ever always of a curious interest.

the following officers:
 C. S. Rice, president; W. R. Orr, vice president; and Miss Sallie Helm, secretary.
 The object of the organization is to study the dramatic art as well as the principles of oratory. It is also announced that in the near future they will stage a play entitled, "What Next?" The characters for this piece have not been selected, yet but will be announced later.

The play will be given for the benefit of the school library and it is believed a good attendance will be had, as former plays given for the same purpose have been well attended and were received with enthusiastic appreciation.
 For the play now contemplated Miss Collier has been named as coach, and as she possesses a superior ability in the line of

oratory it is believed the work will be a greater success than has been reached on former occasions. Such stage favorites as Miss Clifford Bryant, Roy Rice, W. R. Patterson, and Misses Sallie Helm and Ruby Rice will probably be included in the cast of characters.
 It is the intention of the body to meet in regular session twice a month and will take up the

literary feature in conjunction with their work of putting on plays.

While the membership now includes about 15, it is believed this number will be augmented and a final membership of between 30 and 40 reached. Those who would like to take part in the work are invited to join and should make their application to Miss Sallie Helm, the secretary.

Wisdom is the principal thing; therefore get wisdom; and with all thy getting get understanding.—Proverbs 4:7.

Brown's Drug Store

"SMALL BUSINESS"

By C. WILSON HARDER

Small businessmen are reporting signs of a business slump. While mounting prices are a contributing factor there is a greater primary cause.

"We are being jaw-boned into a depression," observers say. They point to the great number of bureaucrats, from cabinet rank on down, who miss no opportunity to cry "Wolf."

An example of this is the statement by Commerce Secretary Sawyer that heavier taxes, serious shortages, and business controls can be expected for many years to come.

Observers say Sawyer may or may not be a competent Commerce Secretary. But all agree he is ill-equipped to assume the role of a prophet: even less qualified in international relations.

It is pointed out that bureaucrats were almost openly scornful when Gen. MacArthur in July said the turn in Korea had been reached.

Yet, MacArthur with inspired American fighting men scored a success. But since the end of World War II in 1945 no single bureau plan for the promotion of peace has succeeded.

According to all reports, there is now a concerted drive to keep war scares and rumors flying so that the people will not get curious about domestic affairs.

Responsible military men are saying nothing. Some did explain how peace could be secured; were immediately cracked down on by bureaucracy.

The facts are that socialistic planners have been uncerberbed too

long. That's the reason for the present inflation.

Now there's only two alternatives. One is to honestly admit what has happened. The other is to further socialize private enterprise.

Washington observers don't look for honesty. They see, instead, the drive under way to further socialize America being pushed.

The plan is "Scare them to death, and a frightened people will sign away their freedom."

In the meantime, bureaucratic spending of taxes takes weird forms. Now, it develops Marshall Plan funds are being used to play traffic cop to the world.

ECA Bulletin #6 reports that Marshall Plan funds have been used to build a traffic inspection station in Athens, S. Albanian police can check vehicle registration, license plates, brakes and lights.

Use of American tax dollars for such purposes could create a storm that would topple over entire bureaus.

So public attention is kept focused on a constant series of alarms. Loud mouthed bureaucrats fail to realize they are shattering public morale; slowing down the American economy.

And this fact may cause the eventual disappointment of Socialist planners.

For when, and if, they take over the goose that laid the golden eggs—independent American enterprise—they may find the goose died from fright.

WHAT'S COOKIN'

In Gray County H. D. Work

By Mary Anne Duke, County Home Demonstration Agent

U. N. Observance
Now that the "ice has been slightly broken" on celebrating United States Day in Gray County, we hope that all organizations in the county will start now to make plans for a powerful co-operative observance of October 24 another year. Remember "Our Strength Is in Our Faith."

Speaking of cooperative observance, the Wayside Home Demonstration Club families have demonstrated that cooperative action can still take place, and peaceably. Almost every man and woman in the Wayside community assisted in promoting the program which was held on the court house lawn Tuesday at 11 o'clock.

To mention a few, Clint Cayler provided the big truck which hauled chairs, piano, and other properties. Billie Taylor, Ed Barnes, Billie Green, and one or two other men helped on this deal. H. B. Taylor arranged the public speaking system. The flag making took place in the lovely basement playroom of the Gus Greens. Mrs. Freida Rogers was chairman, but every member in the club had a hand in making the flag.

Mrs. Ed Barnes, program chairman, had a dozen or more organizations in Pampa on the program. There were too many in-

dividuals involved to list their names here, but here's a very sincere "thank you" to every individual who helped make this program the success that it was.

Bell Club provided the flag and some program material for the Lefors school program; Hopkins Club provided the same for Hopkins school program; Worthwhile Club made the flag to be used in connection with the Pampa senior high school program.

Program material and flag kits were made available to Pampa junior high school, the Catholic school, and to Alanreed school.

A flag and program assistance was offered to the McLean schools.

Mr. and Mrs. J. L. Andrews spent Sunday in Mobeetie and Wheeler.

Mrs. Corinne Trimble made a trip to Oklahoma City Sunday.

Mr. and Mrs. Leo Heasley and children of Tucuman, N. M., visited relatives in McLean last week.

Mr. and Mrs. Milton Banta of Eorger were week-end guests in McLean.

Mr. and Mrs. T. G. Smallwood and family visited relatives in Skellytown Sunday.

Mrs. Burt Carson and brother, Jerry Hamilton, spent the week-end in Oklahoma City. Pat Loving returned home with them for a short visit.

Mrs. Willie Lamb and grandson, Danny Douglas, visited relatives in Shamrock Sunday.

Week-end guests in the Bill Moore home were Mr. and Mrs. Joe Matthews and daughter and Mr. and Mrs. John Matthews of Abilene.

CARD OF THANKS

To each of you who have aided us in our time of bereavement with your words of kindness and sympathy, to you who sent the beautiful floral offerings, to you who brought food, and to all of our many friends and acquaintances for your acts of genuine neighborliness, we extend our most sincere gratitude. May God rest with you in our hour of need.

Mrs. E. L. Phillips, Junior, Corky, Peggy, Deanie, and Wanda.

You Trim This Tree with ICING!

Christmas-time will soon be here, and the traditional symbol... the Christmas tree... can come to your table in the form of a tall, light layer cake, echoed eight times in molds of glistening gelatin!... 1-2-3 recipe below, a simple icing, and a new set of ten shaped aluminum pans are all you need to prepare this delightful decoration of dessert and decoration.

Mirro Christmas Tree Cake

Time: 25-30 min. Temp. 350° F.
 1/2 cup shortening 1/2 teaspoon salt
 1/2 cup sugar 1 cup milk
 1 cup sifted cake flour 1/2 teaspoon lemon extract
 1 teaspoon baking powder 4 egg whites, stiffly beaten

Beat shortening until light. Add sugar slowly and continue creaming. Alternately add sifted dry ingredients and milk combined with lemon extract, beating hard after each addition. Fill in stiffly beaten egg whites. Bake in greased and floured Mirro aluminum Christmas Tree pans. Use your favorite frosting with vegetable coloring. (If pressed for time, use the cake-mix you prefer.)

For the Christmas Tree gelatin molds, simply follow manufacturer's directions, combining colors and canned fruit salad to suit your taste.

**Beer Question—
WINNING ESSAYS**

Thirty-five students from the 6th through the 12th grades were awarded cash prizes in an assembly program Wednesday morning for the essays opposing the beer and wine election to be held next Tuesday, November 7.

The money was offered by the Mary-Martha Sunday School class of the First Methodist Church. The class is taught by Mrs. J. L. Hess. The students were allowed to write their essays either for or against the question of whether beer or wine is to be sold here, but those essays for the issue were not eligible for the cash prize.

First prize winners in each class were given \$3, second prize, \$2, and third prizes of \$1 each.

The winners are as follows:

8th grade: 1. James Andrews and Patay Herrndon (tie); 3. (five third places in each class) Mary Evelyn Carpenter, Mary Lou Watkins, Betty Pearson, Mary Brown, Alton Carpenter.

Freshman: 1. Ticie Glenn; 2. Bill Shadid; 3. Joe Miller, Sue Glass, Betty McClellan, David Knutson, Billy Don Day.

Sophomore: 1. Betty Jo Patterson; 2. Bethie Mantooth; 3. Dale Glass, Lorene Cliff, Floella Cuhine, LaJune Chilton, Don Taylor.

Junior: 1. Jackie Bentley; 2. Dickie Sligar; 3. Faye Glenn, David Grigsby, Dean Helms, Tommy Sorrel, Eva Jo Day.

Senior: 1. Jeanne Pharis; 2. Barbara Barrett; 3. Mary Ruth Holloway, Mary Ann Back, L. M. Watson, Dorothy Gudgel, Wilma Jean McIlroy.

Here are excerpts from the top six essays:

Jeanne Pharis (senior): You say that legalizing the selling of beer would raise the taxes and bring McLean more outside business. I ask you, how do you think the youth of the community would feel if they knew they were going to school in a building that was constructed with the money made off these drinks, beer and wine? And again, what kind of trade does McLean want? Is the no-caring, rough, dirty type of people we want hanging around our town? No, we want clean-minded, pure-hearted, healthy-bodied people with clear consciences. How can a mind be clean and a heart be pure, when both are affected by this drink so that they are not aware of what is going on? How can a body be healthy, when we know that any kind of an alcoholic

Uncle Sam Says

Now is the time to make certain your dollars are not contributing their share in creating inflation. If you're really wise you'll see that they aren't idling, either. Make sure they're working for you today so that tomorrow those dreams of yours will come true. The safe and sure way is to enroll for the U. S. Savings Bonds Payroll Savings Plan where you are employed. Bonds purchased on this automatic plan actually add to your "take home savings." "NOW LET'S ALL BUY BONDS." U. S. Treasury Department

drink eats, draws, and ruins the physical appearance of any man? And then, how can a conscience be clear, when it knows it has gone against the will of Almighty God? ... Jackie Bentley (junior): ... the following is a little article on alcohol as a remover: "Alcohol will remove all grass stains from summer clothes. It will also remove the spring and winter clothes, not only from the man who drinks it, but from his wife and children. It will remove household furniture from the house and also establish from the pantry; the smile from the face of his wife, and the happiness from his home. As a remover, alcohol has no equal.

Betty Jo Patterson (sophomore): Do you, the citizens of McLean, want intoxication in your city? First, before you answer this question, please stop and think. Think of yourself, your children, your friends and your city. Think, too, of the automobile accidents... think of the reputation of our town. All of us, I know, want McLean to stay as nice and respectable as it is now... Another very good reason for voting against beer in our town is the lives of our children... The fourth reason is the health of our citizens. Alcoholic drinks are very harmful to your heart and nerves... Ticie Ann Glenn (freshman): ... If beer is voted into McLean, it might influence teen-agers who don't drink to start drinking. Young girls and boys are easier persuaded to drink in a town where beer is sold. How would you like for your boy or girl to start drinking? In the nation's capitol last year there were 6,000 juvenile arrests by police... Anyone who is a Christian will not vote for beer. You can find several different verses in the Bible against strong drinks, but there isn't any for it... James Andrews (8th grade): Beer placed on the counters for all who can afford it would be a drain on the pocketbooks of the needy. It would make undesirable companions for the young people. It would be unpleasant atmospheric conditions for the town... No town looks very good with a lot of loitering on the streets and at beer joints. Not any town has a very good reputation if it has a lot of juvenile delinquency. If this town had beer it would increase the reckless driving and other forms of crime a number of times. Patay Herrndon (8th grade): ... Some will say we might as well have beer here, because if we

Regulation Limits Minnows Allowed For One Fisherman

A regulation affecting fishing in Texas was recently amended at the last regular monthly meeting of the Game, Fish, and Oyster Commission, according to the executive secretary of the commission.

The regulation affects the taking of minnows from waters in the Panhandle area. Under the amended regulation not more than 1,000 minnows may be taken or possessed at any one time by any one person from the waters of the following counties: Dallam, Sherman, Hansford, Ochiltree, Lipscomb, Hartley, Moore, Hutchinson, Roberts, Hemphill, Oldham,

Potter, Carson, Gray, Farmer, Wheeler, Deaf Smith, Randall, Armstrong, Donley, Collingsworth, Castro, Swisher, Briscoe, Hall, Childress, Cottle, and Motley.

This regulation, prior to amendment, provided that not more than 200 minnows could be in the possession of any one person at any one time.

Mr. and Mrs. Bob Shedrick and daughter visited in Amarillo over the week-end.

Mr. and Mrs. Odell Mantooth and children spent Sunday in Clarendon visiting relatives.

Miss D'Spain Now in Chorus

Mary Beth D'Spain, daughter of Mr. and Mrs. H. A. D'Spain of McLean, has been selected to be a member of the Abilene Christian College A Cappella chorus. She was selected after audition to the 64-voice chorus by the college music faculty. Miss D'Spain is a sophomore student, member of the Orpheans, honorary music society, Omega Rho Alpha, and the Panhandle Club.

Election—

(Continued from front page)

the Republican nominees, one for independent candidates, and one for write-ins.

Democratic candidates, headed by Allan Shivers for governor, are familiar to voters. Republican candidates listed are Ralph W. Currie, for governor; Marjorie McCorquodale for lieutenant-governor; Nat Friedman for attorney general; S. D. Bennett, for associate justice of supreme court, place 1; Enoch G. Fletcher, justice, place 2; J. E. Vickers, justice, place 3; Jack Nossaman, judge of court of criminal appeals; Roy D. Gouston, railroad commissioner; Dan Barnhart, comptroller of public accounts; Charles P. Adams, commissioner of general land office; Dahl Darden, state treasurer; and Ben H. Guill, for congressman, 18th district.

Pure radium resembles common table salt.

THIS IS THE CHURCH of which all Kellerville is proud. It's the new Kellerville Baptist Church, which replaced the building destroyed by fire, and it represents much work on the part of the church membership. Inset picture is Rev. H. Price Bishop, present pastor of the church.

There Was A Will at Kellerville

(Editor's Note: This article appeared in an issue of the Amarillo Daily News last week, concerning the building of the new Kellerville Baptist Church. It was written by Mrs. Lee Ola Payne, Daily News correspondent for McLean.)

By MRS. J. M. PAYNE

To find concrete evidence of the fact that "where there's a will there's a way," one need go no farther than Kellerville.

Kellerville, located 16 miles northeast of McLean, is short on size. The only places of business to be found there are a post office, served by a star route since there is no railroad, a general store and filling station, and a hobby and gift shop. But Kellerville is long on community spirit.

This community spirit withstood the acid test when the populace was aroused one cold and stormy night in January, 1949, to find the Baptist church a mass of flames. There was little that could be done to save it, and in a very short time all that remained was a heap of rubble.

Daybreak the next morning found the pastor, Rev. E. L. McCormick, on the spot with shovel and wheelbarrow, digging through the ice preparatory to beginning the task of clearing away the debris. Within a few hours others joined him and the work of reconstruction soon was under way. Men and women, boys and girls, all pitched in, and each contributed what he could.

As soon as building supplies could be secured and moved to the scene the building began to take form. All labor was voluntary and every able-bodied man contributed his share, working alongside the pastor who had donned carpenter's overalls and was wielding hammer and saw with as much enthusiasm as went into the delivery of his Sunday morning sermon.

With the structure of the building well under way, the task of building pews, pulpit stand and other church furniture was begun. Meanwhile the women were not standing idly by, but were patiently "plugging away" at the task of collecting furnishings for the kitchen, the parlor, and the nursery, and providing the many other little things that only a woman's touch can accomplish.

The process of building was a little slow because most of the work had to be done by the men after they had completed a full day's work in the oil field. However, in August the task was completed and seven months from the date of the fire, the new building was dedicated.

The main auditorium has a seating capacity of 200 with ample room for extra chairs should the occasion demand. There are, in addition, seven Sunday School rooms, a kitchen, a parlor-dining room, a nursery, and a pastor's study. It is conservatively valued at \$25,000 and is truly "of the people, by the people, and for the people."

Rev. H. Price Bishop is present pastor of the church.

Mrs. George Morehead and Charles of Roswell, N. M., visited her sister, Mrs. H. W. Grigsby, last Thursday and Friday.

Mrs. Frank King of Mangum, Okla., and Mrs. Truman Spain and daughter are visiting this week in the homes of Emory Crockett and Harris King

NEWS FROM LIBERTY

A farewell party was given for the James Foster family Saturday night in the home of Mr. and Mrs. Roy McCracken. Forty-two was enjoyed by the adults, and the children played games. Coffee and cake were served to Mr. and Mrs. H. Hardin, the B. L. and W. R. Stokes families, D. L. Miller family, Arthur Reneau family, Clois Hamner family, O. O. Tate family, and the Fosters.

The Fosters are moving to Ballinger, where he is engaged in oil field work. We women in the Liberty Home Demonstration Club lose a capable president and wonderful friend, but we wish her happiness in her new home.

Mrs. Olen Davis is improving, but her doctor insists on four more weeks of rest. We sincerely wish her a speedy recovery.

Mrs. T. B. Greer is on the sick list; again.

Gossip—

(Continued from page 1)
 he'll have a column next week (he pays for the space his column uses, you see).

Don't forget to get out to Tiger Field about 6:30 this evening, and watch the 8th graders in action against the younger Shamrock team. It should be a good game. Incidentally, you can still get reserved seat tickets for the Tiger-Indian game in Shamrock Friday night at The News office. They are going fast, but a new supply arrived late Tuesday, and some tickets still remain to be sold.

Moving of the White Auto Store to its new building in the Alderson building next door to the City Hall is just about completed. Fixtures were to be moved Wednesday, and C. W. and W. E. Bogan estimate that it will take a few days to get everything straightened out again. And then probably a few more to locate items which were misplaced in the moving. Eventually, everything will be in top shape in the store again.

Attention, you veterans. The local post of the American Legion is planning a kick-off breakfast for its membership drive on the morning of November 11. Breakfast will be served from 6 to 8 o'clock on that morning, and all veterans are invited. The breakfast will be served without charge. If you aren't a member, you'll get a sales talk, no doubt, but you will also get that free breakfast. Make your plans now to attend.

"Snow White and the Seven Dwarfs" will be in McLean next Thursday night, November 9, and we're told the dwarfs are real dwarfs. The show, a traveling stage production, is being sponsored by the McLean P-T. A. It should be a very good production.

Mrs. C. K. Brumley of Hugoton, Kans., and J. B. Brumley and daughters of Sacramento, Calif., visited in the Fred Bentley home Tuesday and Wednesday. April and Donnie are staying for an extended visit.

Mildred Holloway of Lubbock visited friends and relatives in McLean last week.

Rices—

(Continued from page 1)

ust 18 of that year, they moved to McLean—and have lived here since that time—and Mr. Rice became manager of the Cicero Smith yard in McLean. He continued in that capacity until January 1, 1914.

In the meantime, in 1908, Mr. Rice went into partnership with A. A. Callahan and W. B. Upham in the hardware business. When he and Mr. Upham bought out the Callahan interest in the hardware business in 1914, he quit the lumber company. In 1916, he and Mr. Upham dissolved their partnership, and divided the stock. From that grew the hardware, furniture, and undertaking business which Mr. Rice operated for a number of years. In 1919, he closed out his hardware stock, and later closed out his furniture stock. He continued in the undertaking business until 1941.

A short time later, Mr. Rice became manager of the Western Lumber and Hardware store in McLean, continuing in that capacity until the business was closed out in 1944. He did various types of work until 1949, when he took over as justice of the peace.

As for honors, he has had them. He was the first mayor of McLean when the town was incorporated in 1903, serving several terms in that capacity. He has been justice of the peace on several occasions. In 1922, he was appointed to the office, and served until 1925. He was again appointed in 1926, and served until 1933. He was elected to the office in 1948, and then re-elected again this year.

His church career has been a bit varied, too. He and Mrs. Rice were charter members of the Baptist Church when it was formed here in the early part of the century. Both were active in the Baptist church, and Mr. Rice served as Sunday School superintendent for four or five years. About 18 years ago, however, they transferred their membership to the Methodist church, and are still active in work there. He served as Sunday School superintendent of the Methodist church for six years.

Children attending the 60th anniversary were Mr. and Mrs. Roy Rice of Salina, Kans., Mrs. Ruby Haynes of Walnut Creek, Calif., Lt.-Col. and Mrs. Erwin M. Rice of Austin, Mr. and Mrs. H. Vernon Rice of Lubbock, and Mr. and Mrs. Legon Burris of McLean. Other relatives attending were Mrs. Laura Stratton of McLean; Mr. and Mrs. W. G. Bowls of Fort Worth; Mrs. Bertha Ramsey of Corpus Christi; Mr. and Mrs. Cecil West and daughter Sarann of Crane; Miss Edith Bowls of Baird; Mr. and Mrs. A. C. Meier of Amarillo; and Miss Eunice Stratton, Mrs. Lucile Decker and son Bobby, Mr. and Mrs. Forrest Switzer and children, Glenda,

Godsoe Jumps Tigers to Seventh Place in Rankings

The McLean Tigers, by virtue of their 23-19 victory over the Memphis Cyclone last Friday night, moved back into the top 15 teams selected weekly by Frank A. Godsoe Jr., Amarillo News sports writer.

Godsoe, who has had the Tigers in and out of the top 15, and out for the past two weeks, placed the local eleven in 7th place in his rankings this week.

The top 15 (or rather 16, since Godsoe gave Phillips and Shamrock a tie for second) are as follows:

1. Littlefield Wildcats; 2. Shamrock Irish and Phillips Blackhawks; 3. Post Antelopes; 4. Lovelland Lobos; 5. Dalhart Wolves; 6. Wellington Skyrockets; 7. McLean Tigers; 8. Memphis Cyclone; 9. Hereford Whitefaces; 10. Spur Bulldogs; 11. Paducah Dragons; 12. Lockney Longhorns; 13. Tulia Hornets; 14. Tahoka Bulldogs; 15. Slaton Tigers.

Hibler—

(Continued from front page)

Survivors include his wife, Mrs. Hibler of McLean; one daughter, Mrs. Ernest Jones of Shamrock; two sons, Guy Hibler of McLean and Archie L. Hibler Jr. of Wheeler; two sisters, Mrs. Anne Barnes and Mrs. Lota Kenney, both of Los Angeles, Calif.; and three brothers, Earl Hibler of Pithian, Ill., Hollis Hibler of Oklahoma City, and Logan Hibler of Joplin, Mo.

Pallbearers were Roy Sherrod, Bryan McPherson, Everett Watson, O. G. Stokely, J. L. Hess, Oscar Tibbets, Carl Wood, and Guy Beasley.

How They Fared—

Last Week's Games:
 *McLean 33, *Memphis 19.
 *Shamrock 26, Wheeler 9.
 *Lefors 7, *Clarendon 6.
 *Denotes 2-A teams (Wellington did not play).

This Week's Games:
 McLean at Shamrock.
 Lakeview at Memphis.
 Wellington at Lefors.
 Boys Ranch at Clarendon.

Season's Standings:

Team	W	L	T
Shamrock	7	0	1
McLean	5	3	0
Memphis	4	3	1
Lefors	4	4	0

McLean	2	1
Wellington	2	1
Memphis	2	2
Lefors	1	2
Clarendon	0	4

Mrs. Ed Peirce and Mrs. Truman Smith were Thursday visitors with their niece, Mrs. E. V. Fulton of Lefors.

CARD OF THANKS

Words are inadequate to express our true thanks and gratitude for the many acts of kindness and words of sympathy extended to us in our time of bereavement at the passing of our dear husband and father. We know well the meaning of genuine friendship, for this friendship has been extended to us by all of you, and its memory will remain forever in our hearts. We are also deeply grateful for the floral offerings and for the food which was brought in. Our sincere hope is that God will rest with you now and forever.

Mrs. A. L. Hibler.
 Guy Hibler and Family.
 Mrs. Ernest Jones and Family.
 Archie Hibler and Family.

Laura Mae, and John, of McLean. Out-of-town friends attending were Mr. and Mrs. C. H. Wood, Mary Forrester, and Dr. and Mrs. J. B. Veale, of Pampa; Mr. and Mrs. G. V. Koons, Mrs. Jeannie Chapman, and Mr. and Mrs. Roy Campbell, of Amarillo; Mrs. Mabel Jones and son Earl of Lubbock; Mr. and Mrs. T. P. Bird of Shamrock; and Rev. and Mrs. H. A. Longino of O'Donnell.

A total of 108 visitors registered during the day.
