## GOSSIP

(More or Less)

Edward L. Dwyer, son of Mr. and Mrs. John Dwyer of McLean, was one of 270 students of Texas Tech, Lubbock, to make the "Dean's list," or honor roll, for the fall semester.

Dwyer had a grade point average of 2.79, and is a graduate student. The 270 students represent the upper five per cent of Tech's 5,418 students enrolled for the fall semester. A perfect mark is rated at 3.0.

Five members of the Alanreed school presented skits as the program at the Tuesday meeting of the McLean Lions Club. The students were Frank Worsham, Pierce Castleberry, Patsy Wilmoth, Kay Stubbs, and Gene Sanders. They were accompanied to the meeting by Mrs. Bill Stubbs and Mrs. John Wilmoth, a member of the Alanreed teaching staff. To conclude the program, Kay Stubbs played a piano solo.

Larry Fuller, local manager for the Southwestern Public Service Company, is taking the American Red Cross first aid instructor's course in Pampa this week. The course started Monday, and will continue through tonight with four-hour sessions being held each night. Fuller will be qualified to teach Red Cross first aid upon completion of the course.

John Patterson, son of Mr. and Mrs. M. H. Patterson and former resident of McLean, attended a five-day conference in Lincoln, Neb., February 22-26, sponsored by the telephone division of the Rural Electrification Association. The conference was held with the cooperation of the University of Nebraska extension division.

Patterson, an engineer, works with Harris and Williams, consulting engineers of Amarillo. He will be working in southern Utah during the coming months.

The Nebraska conference attracted more than 100 consulting engineers from firms throughout the U. S. It was held to present up-to-date methods to the consulting engineering firms that are borrowers from REA so that there will be uniformity of technical procedure.

John D. Strange of Pampa, former resident of McLean, was found dead in an apartment in Pampa Monday afternoon. He was 46 years of age. A verdict of suicide was returned Tuesday by Justice of the Peace D. R. Henry.

Strange had lived in Pampa most of the time since 1916. He worked for a while at the Master Cleaners in McLean about three or four years ago.

## LEGION RODEO DATES ARE SET FOR LATE APRIL

Dates for the annual American Legion rodeo, sponsored by the Floyd-Corbin-Florey Post 315, will be Friday, Saturday, and Sunday, April 30, and May 1 and 2.

The dates were set following the signing of a contract with Morris Stephens of Silverton, whose rodeo stock will be used. Meeting with Stephens last Friday to sign the agreement were Legion Commander O. L. Barr, Adjutant Vernon Turner, and Rodeo Chairman Bill Kingston.

The show will consist of three performances again this year, Kingston said, with one Friday night, one Saturday afternoon, and one Sunday afternoon. Rodeo dances will be held at the Legion Hall both Friday and Saturday nights.

Kingston was working with other members of the rodeo committee this week on the details of the show. Present plans include events in bareback bronc riding, saddle bronc riding, calf roping, ribbon roping, steer riding, and a wild mare race. The rodeo committee had not completed working out the prizes to be given in each event.

A parade will be held in connection with the rodeo, probably Saturday morning, May 1, although this date has not been officially set.

## About \$75 Taken In Burglary of Kellerville School

Approximately \$75 was taken by a burglar, or burglars, who entered the Kellerville school building Wednesday night of last week, Superintendent S. H. Rhodes reported.

The money was taken from a cabinet in the school office. It consisted of money from several funds of the school's activities. No trace of the missing money had been found early this week.

The Kellerville burglary is one of a number of similar burglaries in the Panhandle during the past year. Quite a number of schools, including the McLean elementary school, have suffered similar losses, although most of the losses have been small.

Seest thou a man diligent in his business? He shall stand before kings.—Proverbs 22:29.

DON CAIN for county attorney

## CAIN IN RACE FOR ATTORNEY GRAY COUNTY

Don Cain, Pampa attorney, this week authorized The McLean News to announce his candidacy for the office of county attorney of Gray County, subject to the action of the Democratic primaries next summer.

In making his announcement, Cain stated that, "if elected as county attorney, I will handle the affairs of the office with vigor and with fairness."

Cain has lived in Gray County since October 1, 1951. He was associated with the law firm of Rogers and Thompson from 1951 to 1952, and is now associated with Curtis Douglass.

The attorney was born in San Marcos. He graduated from the University of Texas at Austin with a business administration degree in 1943, and from the law school of the University in 1948. He is now 32 years of age.

During World War II, he served on an aircraft carrier from 1943 to 1946. In the Korean War, he was assigned to a destroyer from 1950 to 1951. Seven months during the Korean War he spent with Task Force 77 in Korea.

Cain is married and has two sons, David, 6 years of age, and Don Jr., 3 months of age, and a daughter, Dale, 4 years old. His home is at 2004 Williston, Pampa.

Thomas Jefferson was the first president to be inaugurated in Washington, D. C. The date, 1801.

## \$320 DONATED TO RED CROSS IN LOCAL DRIVE

The response to solicitors in the funds campaign of the McLean Chapter, American Red Cross, has been good so far. E. J. Lander, drive chairman, reported Wednesday.

"We have collected a total of \$320 today from 89 members," Lander stated. "If workers failed to find you at home or at your business, help us out by handing us your check or calling us. We will be nappy to contact it."

Workers to date have solicited in about one-half of the residential district, and about one-third of the business district, the chairman said. He stated that the workers plan to miss no person in the solicitations.

"Most everyone should be able to give something. This is an organization of the people and for the people, and who knows, we might be next in line for some kind of disaster," Lander said.

"Help yourself by giving. People in rural areas are asked to give their contributions to one of the collection booths which will be in operation on different days, or hand their checks to any of the Red Cross workers who will see that they are credited with their gift."

## REVEILLE

... with the boys

Seaman Max Willingham, who has been on board the USS Helena for the past eight months, is spending a 28-day leave with his parents, Mr. and Mrs. F. L. Willingham.

Pfc. George Railsback, son of Mr. and Mrs. J. J. Railsback, is spending a 15-day leave with his parents and other relatives. Railsback entered the Marine Corps about the first of December and has just completed his basic training at San Diego, Calif. He will go to Camp Pendleton, Calif., at the expiration of his leave.

## Great Variety of Weather 'Enjoyed' by Area Residents

### THREE TO ASK RE-ELECTION CITY COUNCIL

The three members of the city council whose terms expire in April, have filed for re-election to the offices they hold. City Secretary D. A. Davis reported this week.

Deadline for any additional aspirants to the offices to file is Saturday, Davis explained, 30 days prior to the election on Tuesday, April 6. Absentee balloting will begin 20 days prior to the election and be concluded three days in advance of April 6.

The three filing for re-election are Jess Kemp, Guy Hibler, and Odell Mantooth. All terms are for two years each.

Little interest in the coming election has been manifested to date, and no rumors on other possible candidates have been heard.

S. A. Cousins has been named as election judge. Only those people qualified as voters and living within the city limits are eligible to vote.

Date for the annual school election will be Saturday, April 3, Charles Cousins, business manager, has reported. The school election must be officially called by the county judge. Cousins explained, although no report of official action concerning the election had been received here Monday.

### SCHOOLS WEEK OPENS; MANY MAKE VISITS

Observance of Texas Public Schools Week in McLean got off to an excellent start Monday morning with an assembly program in the high school auditorium.

Highlight of the program was a history of the early-day schools given by Mrs. Paul Kennedy. Mrs. Kennedy brought out many happenings of the early schools, including numerous incidents of humor. Her talk was preceded by a history of the Texas school system given by Superintendent Kennedy.

The program opened with invocation by Rev. J. Edwin Kerr, pastor of the First Presbyterian Church. Members of the school board were on the stage, and were introduced by Kennedy. Miss Virginia Beck, president of the Student Council, represented the students.

Near the close of the program, Kennedy introduced ex-graduates of McLean High School. Mrs. Willie Boyett was recognized as one of the early teachers in the schools and was presented with a corsage by Miss Beck. Miss Ruby Cook, another early teacher, was unable to attend, but a corsage was to be taken to her.

Approximately 75 adults attended the assembly program, and most of them remained to visit one or more of the regular classes.

At the elementary school, visitation was also heavy, compared to previous years, on the opening day of the school week. More than 100 visitors were registered the first day, and many more were expected during the week. The class registering the most visitors during the week is to receive a hot dog lunch.

The P. T. A. observed Public Schools Week in its regular program Wednesday afternoon.

Plans for the week's observance were made in cooperation with school officials by a steering committee composed of Larry Fuller, chairman, Lester Dysart, J. C. Claborn, and Lester Campbell. Publicity included the sending out of three letters to each student's parents, with the Rainbow girls, under the supervision of Mrs. Waneta Reynolds, writing the letters.

### World Prayer Day To Be Observed In Program Friday

A World Day of Prayer program, with several local churches cooperating, will be held at the McLean Methodist Church Friday from 11 o'clock in the morning until 2 in the afternoon.

Presenting the program will be members of the Wesleyan Service Guild and Woman's Society of Christian Service of the Methodist church, and the Ladies Auxiliary of the First Presbyterian Church.

Lunch will be served at noon in the Fellowship Hall of the Methodist church.

"The public is invited to attend the program," sponsors said. "We hope to have a large crowd, representing all local churches, for the messages which will be brought."

### BAND CONCERT HELD; WILL BE ANNUAL AFFAIR

A highly-appreciative audience gathered in the McLean High School auditorium Thursday night of last week to hear the winter concert of the high school band, under the direction of Joe Coleman.

The concert was held to raise funds to buy graduating seniors letter jackets for three or more years band service. Coleman explained that the concert will be an annual affair.

The concert consisted principally of marches and overtures, although the second portion of the program included two popular numbers, "Deep Purple" and "Star Dust."

A feature of the program was the enactment of the number, "Ragtime Wedding." Archie Dwyer served as master of ceremonies to open the number, and then Rodney Gunn took over as the "preacher." The wedding united Tommy Watkins, as the "groom," and Gayle Mullanax, as the "bride." The shotgun-bearing father was Pat Miller. Dwyer is president of the band, June Stubblefield, vice president, and Virginia Beck, secretary-treasurer.

Other band members are Mario Coleman, Carolyn Babbitt, Becky Barker, Arline Grigsby, Roy Hancock, Monta Kennedy, Bob Stubblefield, Nancy Tate, Frankie Tucker, Marie Watson, Patricia Wiggins.

Barbara Carter, Sue Chase, Leona Gossett, Charlene Hall, Billie McClellan, Harlene Moore, Alton Carpenter, Rolena Chase, Ronald Day, Betty Dickinson, Bob Howard, Maxie Lisman, Gayle Mullanax, Billy Rodgers, (Continued on back page)

### 'SPRING-LIKE' ONE DAY; SNOW DUST FOLLOW

It takes a great country like the Panhandle of Texas to provide its residents with a variety of weather.

During the past week, McLean—and the rest of the Panhandle, too—has seen balmy spring weather, hard-freezing weather, dust storms, high winds, and snow weather.

Lowest temperature during the week came Monday night, when thermometers dropped to about 15 degrees.

Here's a rundown on the weather by days: Friday, beautiful, shirt-sleeve day, with temperatures up to about 75 degrees; Saturday, snow flurries, with some dust and considerable wind; Sunday, still cool, but little dust; Monday, more snow flurries, more dust; Tuesday, cold, with winds, some snow early in the day; and Wednesday, cool in the morning, with rising temperatures, little wind. The Amarillo Weather Bureau also forecast rising temperatures for today.

The dust was again disagreeable on both last Saturday and again Tuesday, but nothing like the storm of the previous week. Winds were highest Sunday night, but no damage from the gusts was reported.

The long-range forecast, according to the weather bureau, calls for heavier-than-average precipitation during the month of March. Just about every resident of the Panhandle is hoping that this forecast will turn out to be a reality.

### PRESBYTERIAN MEET TO BEGIN NEXT SUNDAY

A series of gospel messages will be held at the First Presbyterian Church in McLean beginning March 7 and continuing through March 12. Rev. J. E. Kerr, pastor, has announced.

Conducting the meeting will be Rev. A. B. Morris, pastor of the First Presbyterian Church at Memphis. He will speak each evening beginning Sunday evening.

The services will begin at 7:30 o'clock, Rev. Kerr explained. Sermon topics will include "God Still Rules," "God Was in Christ," "What We Owe to Christ," "Come to Christ, Then Go," "Christian Love in Action," and "Growing in Grace." "Come and bring your family and friends," Rev. Kerr said. "Sing the old hymns you have loved from childhood. Pray for soul refreshing services. You are welcome to all services."

## Kellerville Girls Boast 21-1 Record

You'll have to look for some time before you can find a junior high school basketball team with a better record than that of the girls team at Kellerville.

Both the boys and girls teams of that school completed their basketball schedule for the 1953-54 year last week-end when the girls won their fourth tourna-

ment and ended the season with a record of 21 victories against one loss. The boys team, though their record is not so impressive, completed the season with an excellent record of 13 wins and six losses. S. H. (Dusty) Rhodes serves as the Kellerville coach. The first team of girls is made up of Carolyn Tinkler, Laura Mae Switzer, and Gerald-

ine McPherson, forwards, and Verlene Tinkler, Ada Lou Brown, and Margaret Rountree, guards. The Kellerville school is small, with a total enrollment of 53 students, yet this phenomenal record has still been made by the girls. The total number of girls to draw from in the 8th grade is six, and from the 5th and 6th grades there are only

six. The girls team has won the grade school tournaments at Alanreed, Kellerville, Lela, and Quail. First-place trophies were awarded to the girls at the close of each of the four meets—the only four entered, of course. Here's the girls record for the season (scores include those (Continued on page 2)

Photo by J. M. Payne. Engraving Courtesy Pampa Daily News

HERE'S THAT OUTSTANDING junior high girls basketball team from the Kellerville school which has lost only one of 22 games played this season. The girls, winners of all four tournaments in which they entered, are, left to right: Sandra Burnett, Jacqueline Davis, Barbara Rountree, Janet Naslam, Ada Lou Brown, Carolyn Tinkler, Laura Mae Switzer, Verlene Tinkler, Margaret Rountree, Geraldine McPherson, Phyllis Tindall, and Clara Mae Evans. The coach of the team, S. H. (Dusty) Rhodes, is not shown in the picture.

## Monday, Tuesday— LIONS MINSTREL SHOW

Final plans were being made this week for the annual Minstrel Show of the McLean Lions Club, to be held Monday and Tuesday nights, March 8 and 9, in the high school auditorium. Curtain time will be 8 o'clock.

Reserved seat tickets are on sale at the office of the Southwestern Public Service company for \$1 each. Members of the Lions Club have general admission tickets at 75 cents for adults and 35 cents for children.

Heading the cast for the show will be Hickman Brown as the interlocutor, Larry Fuller, minstrel director, said. All of the cast except Brown will be black-faced. End men, the colored boys with the "jokes," are Custer Lowary, George Saunders, Lester Campbell, Bill Day, Bill Reeves, and C. P. Hamilton.

A variety of specialty acts will be presented on both nights of the show, Fuller said. These acts will include Allen Williams

of Amarillo playing the harmonica, accompanied by Conald Cunningham on the guitar; (Williams was in the cast of the Pampa minstrel early this week); Mrs. Guy Hester, a reading; Hap Rogers, mandolin numbers; Jerry Stubblefield, pantomime; Bill Reeves, Bill Day, and George Saunders, song routine; Betty Dilbeck, accordion numbers; Joe Coleman and Emory Crockett, musical routine; Gayle Mullanax, piano numbers; and a tap dance routine by two members of the local dancing school.

The major portion of the minstrel music will be sung by members of the high school chorus, aided by voices of a few adults, Fuller said. Coleman is director of the chorus.

The show has proved to be highly entertaining in past years, and a capacity crowd is expected each of the two nights. Net proceeds of the show will be used for activities of the Lions Club.

# 40 Years Ago— IT HAPPENED HERE

Taken From the Files of The McLean News, 1914

## Weaver Calves Top Market

Geo. Weaver returned the first of the week from Fort Worth, where he had been with two cars of fat calves which he has been feeding silage, cake and corn for the past several months. The calves being the last ration used to finish off the beef. He expresses himself as highly pleased with the experiment of full feeding, having had the best bunch of stuff on the last Monday market. The tops out of the two cars weighed 36 of them, 78 pounds each and brought eight cents per pound, the highest price that day by a half cent. Twenty-nine in another bunch weighed 668 and brought seven and a half cents. Six weighed around 600 and brought six cents.

Mr. Weaver has devoted considerable time and expense to the fitting up of feed yards and has a big underground silo, from which he fed the second filling this past fall and winter. He is authority for the statement that there is good money to be realized from a crop of kaffir or maize if handled through the silo.

## Aid Meeting

The Presbyterian Ladies Aid met with Mrs. S. O. Cook on Wednesday afternoon at 2 o'clock, and there were 16 ladies present. As this was not a business meeting, the Bible study course was proceeded with after scripture reading and prayer by the president of the society.

It is pleasing to note that greater enthusiasm is manifested in the present course than ever before and it is hoped that much benefit will be derived from pursuing it.

The committee appointed to make arrangements for the St. Patrick stunt social met and are now engaged in evolving the program for that occasion, mention of which will be made next week.

At the proper time delightful refreshments of chocolate and cake were served, and a blue ribbon was tied on the horns of the cow that gave the whipped cream.

## Alanreed Items

Born to Mr. and Mrs. John Tiber Friday, February 20, a fine baby girl.

Mrs. W. B. Hardin is recovering after a two-weeks seige of illness.

The ladies of the Methodist church gave a box supper on Saturday, February 21. There was a large crowd out and everyone had a nice time, with plenty to eat. The proceeds amounted to 24 dollars and 80 cents, which will go towards papering the church house.

Miss Miriam Wilson was on the sick list last week.

The new house of R. Y. Mangum is completed and ready for occupancy.

Paul Lusk and Miss Mary Haynes stole a march on their many friends Sunday, February 22, going to Lefors and getting married. Here's wishing them a long happy life.

Mrs. B. L. Burk of Lela has been here for a visit with her father and mother, Mr. and Mrs. H. Phillips.

Mr. and Mrs. E. Plunket of Groom have been visiting with the latter's mother, Mrs. N. J. Clodfelter of Whitefish.

Mrs. J. L. Patterson of Clinton, Okla., was visiting with Miss Ninetta Crisp.

J. L. Caldwell of Amarillo has purchased from R. Y. Mangum the old Times plant and moved it to Amarillo.

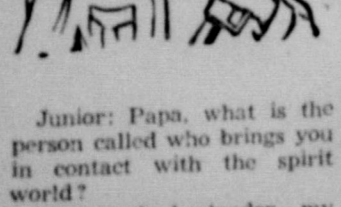

Dorthea Chase of Canyon spent the week-end with her parents, Mr. and Mrs. H. L. Chase.

Visitors in the home of Mr. and Mrs. Jack McClellan Sunday were Mr. and Mrs. Robert Howard and daughter of Lefors, Mr. and Mrs. James McClellan and children of Wellington, Mr. and Mrs. Otis McClellan and children of Pampa, and Mrs. Barney Fulbright of Portales, N. M.

Mr. and Mrs. Homer Abbott and Mrs. Velma Betchan were in Pampa Friday on business.

Mrs. Lewis West of Hereford visited with Mr. and Mrs. J. C. Claborn and family Sunday.

**FREE AIR**

Junior: Papa, what is the person called who brings you in contact with the spirit world?  
 Papa: A bartender, my boy.

The seven-year-old son of a radio comedian came home with his report card.  
 "Well, son," asked the radio star, "were you promoted?"  
 "Better than that, Pop," replied the boy happily. "I was held over for another 26 weeks."

Spring isn't far away, and that means you'll be doing more traveling. Travel with much greater safety by traveling on a new set of Atlas tires. They're dependable.

**Mrs. Jack Hankla GUYMON, OKLAHOMA**

*says...*

**My ELECTRIC dryer's so gentle—the life of my clothes has increased!**

"What's more, my electric clothes dryer gives me 'all weather' drying any season of the year. My time's my own when it comes to picking a drying day."

"By just opening my dryer door, and putting in the clothes, I save an hour and a half every washday. My trips to the clothesline are over, which saves one hour, and I no longer have to sprinkle the clothes for ironing, and that frees me from a half-hour of work."

"Because washing and drying is no longer back-breaking work, I wash more often. This saves money for me, because I can buy fewer clothes for the children. The dryer passes all the tests of true economy, it saves time, money, work, effort, and the clothes."

"You can't neglect your children just because it's washday. But it was hard not to neglect them before I had a dryer. Now I have much more time for the children and my other household duties."

**TRY BEFORE YOU BUY**  
 For 15 days, in your own home, you can try an electric clothes dryer without obligation. Tell your Reddy Kilowatt Dealer you want to TRY BEFORE YOU BUY and see for yourself, as Mrs. Hankla has, how much a dryer will do for you.

Got a little behind with my picture-running, so I am publishing a few below, with no names given. We know them all. Do you?

football season rolls around." Sports aren't entirely over for the school year, however. Coach Hap Rogers says track practice starts this week. High school—even college—track events do not appeal to the average spectator a great deal. But it is good physical training for boys who participate.

Buddy Sutton wanted me to be sure to put in this column that Lester Dysart attended the McLean-Sudan game at Canyon. You see, Buddy, Lester, Jewel McEacham, and I went to the game together. My wife remarked, "What a group!" What do you suppose she meant by that?

Don't forget the annual Lions Club minstrel show next Monday and Tuesday nights, March 8 and 9. The show has a stellar cast, with one exception. Reserved seat tickets are on sale at the office of the Southwestern Public Service company.

Mr. and Mrs. Earl Eustace and Mr. and Mrs. J. J. Railsback were in Granite, Okla., on business Tuesday of last week.

Mr. and Mrs. R. A. Mantooth of Weatherford, Okla., Randy Mantooth of Amarillo, and Wayne Mantooth of Claude visited with Mr. and Mrs. Odell Mantooth Sunday.

Mrs. A. N. Trout and children of Mobeetie visited with Mr. and Mrs. H. L. Chase and family Sunday.

Mr. and Mrs. John Bayless and son of Borger spent the week-end with her parents, Mr. and Mrs. Homer Abbott.

Sure, you know them. They are, from top to bottom of the group, Mrs. Kester Rippey, Geraldine Flory, Mr. and Mrs. Charlie Nicholson, Leota Adams, Mrs. Ola Henderson, and Mrs. Una Newsom. All of them are mighty fine folks, so there's no use in going into details about any one in particular.

Somebody asked me what I thought happened when McLean was defeated by Sudan in the bi-district game. Told them I figured we just got beat. And we did, as you know. The boys apparently couldn't hit the basket with any accuracy. The Sudan boys didn't hit so well, either, but they did have a slightly higher percentage. And they finished with the most points.

As Larry Fuller said the next morning, "Oh, well, we only have to wait till next fall, when

MOSCOW—GOOD, AND BAD

AN EXCEPTIONALLY VIVID picture of life under communism is found in a long article which Life recently featured. It was written by Emmett John Hughes, a veteran foreign correspondent who is now on the magazine's staff. Mr. Hughes applied for a Soviet visa for the purpose of obtaining an interview with Malenkov. To his amazement, the visa was forthcoming. He never got the interview, but he was able to see a great deal of Russia.

There were a few welcome surprises. Taxi service was good and the hotels were comfortable. His baggage was not searched and he was not followed by police. He encountered neither hostility nor curiosity. He found little of the blatant totalitarian propaganda he had expected. And Moscow has its outstanding sights—such as the magnificent ballet at the Bolshoi Theatre, and the unbelievably fabulous subway, with its 39 stations "which

are the most fantastic underground structures conceived by man." But, Mr. Hughes found, the pleasant aspect of Moscow is exhausted—"the rest of the scene is painted in different colors." For instance, as he wryly observed, Moscow "is a city where women have been blessed with literal answers to all imaginable dreams of equality with men." This means that women work at all kinds of hard manual labor—carpentry, bricklaying, drilling. Gangs of women clean the streets with spades and crude brooms—a colossal task in winter. And, he discovered beyond all else, Moscow is a city of queues. People stand terminably in line for just about everything—especially food, the great masses of people are poorly and often inadequately dressed.

Mr. Hughes made a particular effort to learn all he could about the life of the Soviet worker—his wages, diet, and housing. He found that the people are the victims of "an elaborate game" played with numbers, prices, wages, and production figures. He cited the much publicized announcement that meat prices would be reduced 15 per cent and fruit and vegetable prices 50 per cent. The joker soon appeared. Simultaneously, all meat was regraded into 12 categories—and the more edible grades remained priced. And the vegetables and fruits could not be found in state stores.

The state store, he continued, with prices fixed by government decree, "is a socialistically pure institution." And the charges—save for subsistence items—would stagger anyone accustomed to America's private and competitive retailing system. The average worker's wage in Moscow is about 650 rubles a month. A coffee pot costs 92 rubles, a rayon shirt 120, a serge suit 1,500. By this kind of price fixing, the government swiftly and completely siphons off the people's earnings, makes enormous profits. As an example, the state buys beef at 1.5 rubles a kilo (2.2 pounds) and sells it for 12.5.

The relatively few at the top, on the other hand—high military officers, important officials, and industrial executives—live extraordinarily well. The highest income tax bracket is only 13 per cent on income above 1,000 rubles—which Mr. Hughes observed, is a "dispensation to wealth enjoyed by a capitalist nation of the west." So much for the workers' party.

Mr. and Mrs. W. J. Hanner visited over the week-end with their daughter, Mrs. Alvis Dodd, in Alford.

Mr. and Mrs. H. D. Hanner and family visited with Mr. Mrs. Bobby Williams and Mrs. Roy Carruth in Alford Sunday.

Bethie Mantooth of WTSC Canyon, spent the week-end with her parents, Mr. and Mrs. Odell Mantooth.

Mr. and Mrs. Johnnie Bledsoe attended the annual lecture week in Abilene last week.

Mainline Ranch Wagon—The Mainline also includes a Tudor Sedan, Fordor Sedan and Business Coupe.

**The big choice for '54!**

With 28 new models... 2 new deep-block engines...  
all the optional power assists\* of costliest cars...  
the 1954 Ford is fast becoming America's favorite.

Crestline Skyliner—The Crestline also features the Sunliner, Victoria, Fordor Sedan and Country Squire.

It's wide choice that helps make Ford the big choice for 1954!

Whichever of Ford's 14 body styles you choose, you get the crisp clean lines of the recognized style-leader. And whichever of Ford's new engines you choose—the brilliant 130-h.p. Y-block V-8 or the flashing 115-h.p. I-block Six—you get thrilling "GO" with satisfying economy. **Salmon Macaroni Dinner**  
1 cup elbow macaroni  
6 cups boiling water  
2 teaspoons salt  
1 can cream of celery soup  
1/2 cup Pet Evaporated Milk  
1/4 cup finely cut pimientos  
1 cup grated American cheese  
1-lb. can salmon  
Cook macaroni until tender in boiling water and salt. Drain, but do not rinse. Mix in 2-quart bowl the soup, milk and pimientos. Add 1/2 cup cheese. Stir in macaroni. Drain salmon and break into pieces with fork. Add to macaroni mixture. Pour into 1 1/2-quart greased baking dish. Sprinkle remaining 1/2 cup cheese around edge of dish. Bake on center rack of 350 oven (moderate) about 25 minutes, or until bubbly hot. Makes 4 servings.

At Home—NEW BOSS

Mr. and Mrs. Gay Grider are the parents of a daughter born February 28 at the North Plains Hospital in Borger. She weighed 6 pounds, 1 1/2 ounces, and has been named Valda Gay.

BIRTHDAYS

March 7—Mrs. R. N. Ashby, Carole Nan Smith, Retha Bragg, Mrs. Gerald Bizzell.
March 8—Billie Louise Smith, Mrs. Guy Beasley, Joe Bidwell, Lester Bailey.
March 9—W. A. Glass, Jerry Lee Corbin, Anthony Leon Fobes, Mary Frances Hill, Mrs. Raymond Smith Jr.
March 10—Jess Kemp.
March 11—Bob McCanaghie.
March 12—Charles Jones, Jack Brooks, Otto Reimer, Mrs. Frank Stewart, Mrs. Jake Erskine.
March 13—Mrs. C. E. Matthews, Mrs. Raymond McReynolds.

Mr. and Mrs. Lawrence Lee and family of Pampa visited with Mrs. Frank Golightly and Mrs. O. K. Lee Sunday.

Mrs. Frank Golightly and Miss Dora Watt were in Pampa Friday on business, and visited with Mr. and Mrs. Lawrence Lee.

Harris King is undergoing medical treatment in Northwest Texas Hospital in Amarillo.

Ferrel Yearwood and Dub Potter of Pampa visited with their uncle and aunt, Mr. and Mrs. George Yearwood, Sunday.

Mr. and Mrs. A. L. Conatser and daughter of Borger spent the week-end with Mr. and Mrs. Clyde Willis and other relatives.

AUTO OWNERS HURRY TO HAVE CARS OKAYED

If Texas motorists continue getting their autos inspected at the same rate that they are currently, there will be no chance of a "log jam" at the inspection stations prior to the April 15 deadline.

That was the opinion this week of Homer Garrison Jr., director of the Texas Department of Public Safety, who complimented the 65 per cent of Texas car owners who have already had their vehicles checked for mechanical defects. At the same time, he passed on a repeated word of warning to nearly a million other motorists who have neglected, thus far, to meet the requirements of the state's motor vehicle inspection law by reminding that approved stickers must be on cars after April 15 or the owners will face court action.

George W. Busby, chief of the safety department's motor vehicle inspection division, announced that inspections are now being conducted at the rate of 150,000 weekly and that no stations are experiencing a capacity business. "In the six weeks remaining before the inspection deadline," Busby said, "the licensed stations will be fully capable of taking care of every vehicle in the state remaining to be checked without undue waiting or inconvenience unless too many folks put off having their autos inspected until the last minute."

Mrs. J. P. Dickinson and son John left Wednesday for a visit with their parents and grandparents, Mr. and Mrs. H. N. Morgan, at McAlester, Okla. Mrs. Morgan is to undergo major surgery Friday morning.

Mrs. Lou Trussell and daughter-in-law of Hillsboro, Oreg., spent Monday and Tuesday night of last week with Mr. and Mrs. Carl Wood.

Mr. and Mrs. Ernest Watson and children were in Pampa Tuesday morning on business.

Mr. and Mrs. Woody Wilkerson and daughter spent the week-end in Amarillo with Mr. and Mrs. Clytton Wilkerson.

On March 15, 1954, nearly 5,000,000 self-employed individuals and partners in business covered by social security will pay their third annual social security tax contribution, as required by law. For the year of 1953 the rate is still 2 1/2% on the net self-employment income of not less than \$400 and up to a maximum taxable of \$3,600, after all deductible expenses are taken. This is not a voluntary tax! The law requires that all such covered self-employed individuals and partners shall file yearly with their income tax, not later than March 15, Schedule C and Ca (for 1040), U. S. Report of Self-employment Income.

The covered self-employment groups cover all persons in a trade, business, or a partnership, except: medical doctors, dentists, lawyers, CPAs or registered public accountants, professional engineers, veterinarians, chiropractors, osteopaths, ministers of the gospel, naturopaths, Christian Science practitioners, optometrists, architects, funeral directors, and farm operators.

In wrestling, a dog-fall occurs when both combatants touch the ground together.

The game ping-pong received its name from the sounds made when the bat hits the celluloid ball.

The propelling principle of the caterpillar farm tractor was invented about 1900 by Benjamin Holt of Stockton, Calif.

Advertisement for FAMOUS COLE STEEL FILES No. 1204 \$47.95. Includes an illustration of a file cabinet and text: 'Lowest Price in 5 years! A full-depth, solidly-built, heavy steel file. Four smooth-gliding, letter-size drawers on ball-bearing rollers. Equipped with spring-compressors and guide rods, for record protection. Size 52 1/2" high, 14 1/2" wide, 26 1/2" deep. Olive green or Cole gray baked enamel finish.'

HALE IS HURT IN CAR WRECK

H. D. Hale of Denworth was critically injured in a car wreck Saturday, February 27, near Oklahoma City. Mr. and Mrs. Hale and son were taking their granddaughter home and were to visit with their daughter, Mrs. Marvin Hall at 931 N. W. 8th, Oklahoma City. The other occupants of the car were bruised and shaken up, but escaped serious injury. Hale is in the Mercer Hospital in Oklahoma City, where his condition the first of the week was reported serious.

NEW HIGHWAY MAPS READY

Publication of the official highway travel map for 1954 was announced in Austin Monday by D. C. Greer, state highway engineer, and it is now available for free distribution. Incorporating many changes and new features, it is believed that this is one of the best travel maps the highway department has published. Greer stated. For the first time this year type and symbols appearing on the map, instead of the hand lettering previously used. This greatly improves legibility of all names. A different size and type face was selected for the various categories of names that appear on the map; counties appear in one type, cities of similar population density will have the same size type; mountains will have their own lettering style; while rivers will appear in still another size and type face. Greer stated. In all, 33 different styles and sizes of type were ordered for the new map. Over 1300 villages, towns, and cities are to be shown on the new guide. Each of these falls into one of the five population categories—towns of less than 1,000 persons, towns up to 5,000, those with 25,000, and cities with populations up to 100,000. After a city's population passes this mark, Greer said, it will be shown as a stippled outline of the city limits. Thirteen insets of Texas' largest towns showing highway routes through these towns are continued in the margins of the map again this year. The department usually receives about one-half million requests each year for a copy of the travel map. Copies may be obtained free of charge from any of the district offices in the state, the travel information bureaus, or by writing direct to the Texas Highway Department, Austin 14, Texas.

Mr. and Mrs. F. L. Bones visited with Mr. and Mrs. Floyd Davidson in Wheeler Sunday.

Mr. and Mrs. Neil Barber of Amarillo and Ed Barber of Lebanon, Mo., visited with Mr. and H. L. Chase and family Friday and Saturday.

Mr. and Mrs. Glenn Sperry of Illinois visited with Mr. and Mrs. J. L. Hess Monday.

(Isn't this why more people want—and buy—Chevrolets than any other car?)

What you want most Chevrolet gives you first

See how Chevrolet stays ahead of other low-priced cars in all the things that mean the most to you. See how much less Chevrolet costs you—it's the lowest-priced line of them all. Come on in and let us show you how you can have the things you want and be a good many dollars ahead with a new Chevrolet. That's promising a lot, but we welcome the chance to prove it!

OUT AHEAD with that bigger, lower look. Only Chevrolet and leading higher-priced cars have Body by Fisher with that big, smooth, low-slung look.

OUT AHEAD with the highest-compression overhead valve engines. Chevrolet's great engines have the highest compression ratio of any leading low-priced car.

OUT AHEAD with that smooth and solid big-car ride. Chevrolet's the only low-priced car with Utilized Knee-Action—one reason for its finer road-smoothing, road-hugging ride.

OUT AHEAD with zippy, thrifty Powerglide. It's the first and most advanced automatic transmission in the low-price field. Acceleration is instantly responsive and as smooth as silk. Optional on all models at extra cost.

OUT AHEAD with bigger brakes. Chevrolet brakes are largest in the low-price field for smoother, safer stops!

OUT AHEAD with automatic power controls. Chevrolet is the first low-priced car to bring you all the latest automatic power features and controls as extra-cost options.

COOKE CHEVROLET CO. McLEAN, TEXAS
