

Good Turnout Expected For 'Ex' Homecoming School Year Opens Here Monday

With between 500 and 1,000 ex-students of McLean schools expected for the Sept. 4 and 5 homecoming here, the Ex-Student Association was busy this week making plans.

The committee met Monday and named sub-committee chairmen and these will meet again next Monday at 7:30 p. m. in the Southwestern Public Service building.

Sub-committee heads include Emory Crockett, Sinclair Armstrong, Jane Simpson, Woody Wilkerson, Sammy Haynes and John C. Haynes.

According to the committee, barbecue reservations are coming in at a good clip. Some 2,350 letters were sent out in two mailings to exes from 1911 on up.

Local residents can purchase their barbecue tickets next week at Brown's Drug or Southwestern Public Service Co.

The big homecoming, of course will coincide with the first Tiger football game Sept. 4 between McLean and Shamrock. A pep rally prior to the game has been slated. After the game a get-

together will be held in the grade school cafeteria with free coffee and doughnuts.

Then on Saturday the exes will enjoy a barbecue, class meetings, general session, band concert and dance.

All ex-students are urged to look on page 7 of this week's News for a reservation blank. The committee urges that all exes fill out this blank and mail it to the Southwestern Public office in McLean.

BOYS RANCH RODEO SLATED SEPT. 6, 7

Most famous sports event of its kind in the country, Boys Ranch rodeo, in its 15th annual performance, will be presented at Cal Farley's Boys Ranch on the afternoons of Sept. 6 and 7.

The rodeo, staged entirely by Boys Ranchers, features only the youngsters from the ranch. Specialty acts by well-known rodeo performers will be presented between the fast, action-packed regular events, but these will be the only "outsiders" in the show.

Boys from five through 17 will ride in bronc, steer, bull and calf prizes, as well as the title of Best All-Around Cowboy. Boys taking top honors become eligible to qualify for the crack riding group at the ranch, the colorful Boys Ranch Honor Patrol.

Among other events featuring the boys will be the clowning, trick riding, the wild horse scramble and calf riding.

Providing music for the two performances will be the widely known 40-piece Amarillo Air Force Golden Spread band with Chief Warrant Officer Guy Stone directing.

Performances will begin at 2:30 p. m. each day, and admission will be \$1.25 for adults, 75 cents for children, and 50 cents for service men in uniform.

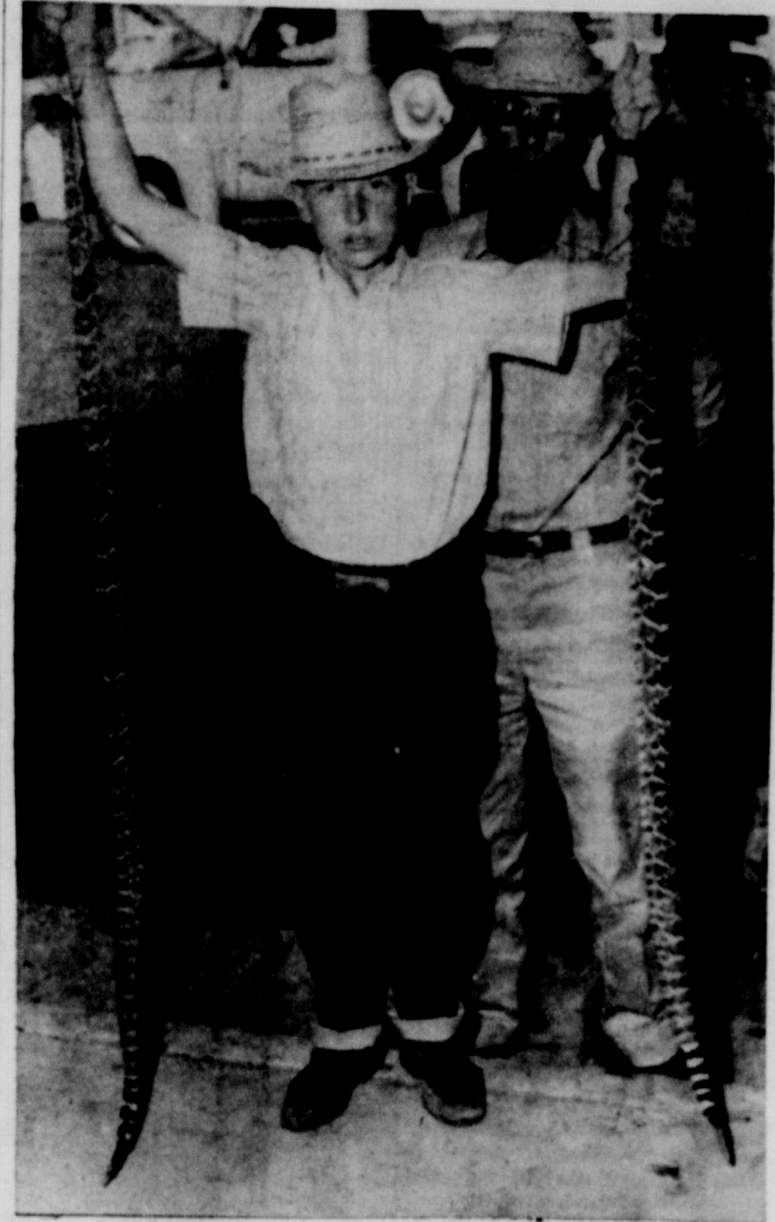

"With all roads to the ranch now paved, we are hoping to have a record turn-out for the rodeo, as this is the only event of the year when the boys get to show what they can do," said Cal Farley, ranch founder.

Therefore, under those conditions, Jones was notified last Saturday that the McLean people would not be interested in raising money for the deal he offered.

Jones proposed that a \$100,000 corporation be set up with McLean people raising \$40,000 in cash and having 40% of the stock with the remainder either assigned to Jones or his accountant or put in escrow for them.

A public meeting three weeks ago with Jones and McLean people raised some enthusiasm on the project, but after more investigation it was felt that the proposed corporation would not be to the advantage of the investors.

Consequently, unless Jones (Continued on page 8)

PLAYMATES—Joe Burr holds up a couple of his playmates that he and his father Shorty (background) killed last Friday just about 50 yards from their house about 7 miles south of town. NORTH TEXAS DOVE SEASON TO OPEN ON SEPTEMBER 1

Season opens for North Texas dove hunters Tuesday, Sept. 1, with perhaps one of the best crops in years, according to the assistant secretary of the Game and Fish Commission.

The new 1959-60 hunting and fishing licenses went on sale Aug. 21, according to the announcement. They will be effective Sept. 1, and all persons who hunt outside their own counties are required to have a new license. Fishing licenses also expire Aug. 31, and a new license is necessary for fishing outside the home county, or with any kind of winding device.

Persons over 65 years of age are not required to have a license. Exemption cards are available at the regional offices or by writing to the Game and Fish Commission in Austin. Such cards are issued as a courtesy, and are not required.

A map showing the Texas counties and their open seasons has been prepared by the commission. A study of it will tell you where it is legal to hunt in both the north and south zone

The season is open Sept. 1 thru Oct. 20 in the north zone, and Oct. 1 thru Nov. 19 in the south zone. There is an exception in the Lower Valley counties where mourning doves may be shot at the same time as white-winged doves. In that area the season will close three days earlier.

The white-wing season is for the alternate days of Sept. 11, 13, 15, from 2 p. m. until sunset.

Brother of Local Residents Dies

Charlie Bogard died at the home of a sister, Mrs. Harve Smith in Clarendon Monday morning.

He was the brother of Mrs. J. B. Pettit and Mrs. C. B. Peabody of McLean.

Funeral services were held in the Murphy Funeral Chapel Tuesday with Rev. W. R. Lawrence officiating. Burial was in Clarendon cemetery.

Public Invited to Opening Assembly Monday Morning

Readin' and 'ritin' and 'rhythmic—and football too. Happily or otherwise, McLean's younger set will come to books next Monday after three months of vacationing.

With a complete faculty for the year, McLean Independent School District will begin another year Monday, Aug. 31.

Registration should be about complete as the senior class was to have registered Tuesday, the juniors yesterday, the sophomores today, and the freshmen tomorrow. A general assembly Monday morning at 9 is to kick off the regular session, however.

Supt. Freeman Melton Jr. announced that the public is invited to the assembly Monday. The high school band will give a short concert and the faculty will be introduced.

Following this general assembly the elementary school pupils will register and the high school students will report to the high school.

There'll be a lot of new faces among the faculty this year.

New teachers include: Bill Neely, English; J. M. Perryman, math; Mrs. Lee Musick, English; Mrs. Ruth Morris, junior high math; R. L. Cline, junior high coach; Jim Boyd, band; Jim Weatherford, vocational agriculture; Clifford Bradshaw, head coach; Virghilia DaBerry, home economics.

The enrolling procedure for the grade school will be as follows: First grade students—Report to Miss Lydia Whitaker's room.

Second grade—Report to Mrs. Sinclair Armstrong and Mrs. Jim Boyd's rooms. Names will be posted on the door of each room.

Third grade—Miss Leona Forbes' room. Teacher for students who will be in these rooms.

Fourth grade—Mrs. Rosemary Melton's room.

Fifth grade—Mrs. W. D. Priest and Mrs. Lucille Gething's rooms. Names will be posted.

Sixth grade—All who plan to be in the 6th grade band report to Mrs. Ruth Morris' room; all students who do not plan to be in the band report to Mrs. Vera Beck's room.

Seventh grade—Mrs. Catherine Weaver's room.

Eighth grade—R. L. Cline's room. New students who will be entering elementary school for the first time will report to the office of Jack Riley, principal.

All first grade students must be six years of age on or before the first day of September 1959. They must have their birth certificates to present when they enroll. The certificate will be recorded and returned to the parents. Also, all students must have been vaccinated for small-pox.

The buses will run about as they did last year and about the same time. All students who ride the bus please be ready in plenty of time because for the first few days the bus driver will have to adjust his time according to the route. If you are new in the district and the bus does not pick you up Monday morning, be sure and come on to school and let the staff know and they will see

that you are picked up Tuesday. The buses will run at noon Monday, and then Tuesday school will be started and hold until 3:45 for the rest of the school term. The cafeteria will not be open until Tuesday, Sept. 1.

HEREFORD BREEDERS MEET TONITE

The annual Top o' Texas Hereford Breeders Association will hold its annual barbecue and field day clinic at the sales arena, Recreation Park, in Panna on Thursday evening, Aug. 27, with activities getting underway at 5 p. m. with cattle judging.

A barbecue dinner will be served by the Pampa Shrine Club at 6 p. m. Following the barbecue a ranchmen's clinic will start work at 7 p. m. featuring State Representative Grainger McIlhenny, Extension Veterinarian A. C. Patterson and Paul T. Marion, superintendent of the Spur Experiment Station, as speakers.

Representative McIlhenny will discuss new legislation affecting the cattle industry. Dr. Patterson will discuss the new brucellosis control program and Mr. Marion will give the latest developments in cattle feeding. A question and answer period will be held following the presentation of the three papers.

Members of the Top o' Texas Hereford Breeders Association and their special invited guests will attend the meeting.

FACTORY LOAN TOTAL RISES

With little solicitation thus far about one-third of the \$40,000 public subscription loan to the garment factory here has already been raised. Councilman Boyd Meador said this morning.

He estimated that about \$15,000 or \$16,000 in pledges had been accounted for already and that he felt that \$50,000 or \$60,000 could be raised with little difficulty.

Cal Fraser, owner of Marie Foundations, indicated that the no-interest expansion loan would not be needed before 1960. The loan, of course, is to facilitate an expansion of the local factory.

Handling the public subscription are the mayor and the council. Only a few people have been contacted so far, Meador said, but more will be contacted later on a person-to-person basis, he said.

Anyone wishing to make a pledge to this loan is urged to contact the council.

Sunday afternoon guests in the Leon Crockett home were Mrs. Raymond Howard and Hazel of Berger and Bud Howard and Miss Sue Fiskin of Amarillo.

Mr. and Mrs. H. D. Butrum and sons were Sunday guests of her parents, Mr. and Mrs. Harry Barrett, in Amarillo.

Mrs. Norman Trimble and children of Houston are visiting Mrs. Corinne Trimble.

Clyde Carpenter and daughters, Kay and Sue, of Wichita, Kans., spent the week end with his mother, Mrs. Nina Carpenter.

Mr. and Mrs. J. W. Meacham and Joel spent the week end in the Orville Murray home at Pannhandle and attended the ball game in Amarillo Saturday night.

Mr. and Mrs. K. W. Hambright and girls, Mrs. Frank Hambright and Gene and K. E. Windom were Sunday guests in the Millard Windom home in Clarendon.

Mr. and Mrs. J. W. Meacham made a business trip to Amarillo Tuesday.

PLANS READY FOR McLEAN HOUSING UNITS

McLean's Housing Authority commissioners met Thursday with Jack Whitworth, Fort Worth architect, to see the final plans for the housing units to be constructed in McLean shortly.

In the near future the plans will be offered for letting bids on construction of the units. Plans call for 12 of the home units to be built.

After bids are gathered, the actual construction of the housing units should begin.

Whitworth stated that after building commenced, the project should be completed within six months.

A notice will appear shortly concerning information of all bid letting, including time limit for accepting bids.

Presently final approval is being given the plans so that the bids may be let.

Toy Horse Factory Deal Appears Dead

McLean's toy horse seems about as dead as a mackerel.

Only a handful attended last Friday night's meeting at the grade school cafeteria and those in attendance felt that S. W. Jones (toy horse patent holder and owner of a heretofore "back yard" enterprise) was a good salesman and that the toy was marketable, but that he had not proven himself a good manager thus far.

The group's feeling seemed to be that the proposed stock split was a little too heavy on Jones' end of the deal.

## "No Wonder They're Trying to Get Off"

## WALTER ROGERS REPORTS To the People

### ADJOURNMENT

Now that the controversial  
 labor legislation has passed the  
 House, we can begin to look to-  
 ward adjournment; or perhaps it  
 would be better to say that we  
 can now get a dim view of ad-  
 journment. Many of us have  
 been looking toward adjournment  
 for some time but it was impos-  
 sible to see it. It was anticipated  
 that the labor reform measure  
 would require several more days  
 than were actually used. The  
 shortness of time utilized was  
 perhaps due to the parliamentary  
 situation which developed. The  
 big test on this controversial  
 issue was to come on a vote to  
 determine which of the pending  
 measures the House of Repre-  
 sentatives wanted. Most everyone  
 was anxious to get to that vote.  
 Therefore, fewer amendments  
 were offered than would other-  
 wise have been the case. When  
 the vote finally came and re-  
 sulted in the adoption of the sub-  
 stitute measure, there was only  
 one thing left to do—to vote the  
 adopted measure up or down on  
 final passage. This situation, in  
 my opinion, cut at least one week  
 off the remaining time that Con-  
 gress would have been in session.

The other important matters  
 pending before the Congress  
 were referred to in a recent news  
 conference by President Eisen-  
 hower. They included a housing  
 measure, lifting of the interest  
 rate on government bonds, civil

rights legislation, and a pay-as-  
 you-go financing program for the  
 federal highways. Before the end  
 of the week in which he had made  
 these observations, three of his  
 suggestions had been met for all  
 practical purposes. The labor re-  
 form bill had passed the House,  
 the House Ways and Means Com-  
 mittee had authorized a limited  
 authority to increase the interest  
 rate on government bonds, and  
 the same committee had author-  
 ized a 1c gasoline tax increase  
 to meet the President's request  
 for pay-as-you-go financing the  
 highway program. It might be  
 said that another situation had  
 developed to answer his sugges-  
 tion on housing. I refer to the  
 failure of the Senate to override  
 his veto of the pending housing  
 bill. This meant that Congress  
 must get together on housing  
 legislation suitable to both the  
 Congress and the President be-  
 fore adjournment. Housing as  
 an integral part of our economy  
 probably affects more segments of  
 the economy than any other  
 single item, the reason being  
 that the modern house or apart-  
 ment includes so many different  
 things which are accepted as daily  
 necessities of life. It is my pre-  
 diction that an acceptable housing  
 bill will be forthcoming promptly.  
 I do hope that proper provision  
 is made in the bill to meet the  
 growing need of proper housing  
 facilities for the aging. It would  
 be highly preferable if this need  
 could be met by private enter-

prise and I hope this can be done.  
 However, if such is not the case,  
 then something else must be done  
 to meet the challenge. Few people  
 realize how serious this problem  
 is becoming throughout the United  
 States.

The approval of authorization  
 to permit the President to in-  
 crease the interest rate on gov-  
 ernment bonds does not mean  
 that the members of Congress

Last week 16 youngsters en-  
 joyed a half-hour of story telling  
 with Mrs. Willis Harris as en-  
 tertainer. The stories, "Aladdin

 "The Sugar Plum Tree" were  
 told. Assorted candies from a  
 sugar plum tree were passed out  
 to those present. Kathy Harlan

do not realize this could be a  
 very highly inflationary move. It  
 was done primarily, in my opin-  
 ion to help pull the President  
 off the spot which he has gotten  
 himself into in relation to the  
 finances of the country. That is  
 one reason why certain strings  
 were attached to the authority.  
 The call for civil rights legis-  
 lation is a continuation of the old  
 drum beating which is being pro-  
 moted by those who believe in  
 centralized government. Some  
 sponsor this falsely labeled leg-  
 islation conscious of what they are  
 doing, while others are misled by  
 the title and do not appreciate  
 what the final result will be.  
 The highway program was an-  
 ticipated to be troublesome and  
 it is proving that way. In my  
 opinion the increase in the gas-  
 oline tax is not in keeping with  
 what the people were led to be-  
 lieve to be the method of financ-  
 ing the highway program. I re-  
 gret to see the federal govern-  
 ment move further into encroach-  
 ment upon a tax source that has  
 been about the only thing left  
 to the states. We are, of course,  
 told that this will be repealed  
 when it has served its purpose.  
 I have lived a long time but have  
 seen very few taxes repealed.  
 With few exceptions there has  
 been no such thing as a temporary  
 tax in this nation.

## IS YOUR WATER HEATER A DRIP?

Do you wonder when that drip is going to turn into a geyser and your water heater is going to blow off like "Old Faithful"?

You do? Well, you're in the market for a modern water heater — an electric water heater.

Electric water heaters are just about childproof. They're insulated all over — the elements are inside out of sight — and they're flameless.

Speed? Quick recovery electric water heaters will top any water heating method for speed.

So if you want safety, speed, efficiency, cleanliness — and the hottest water inside with the coolest feeling outside — you want a quick recovery electric water heater.

MRS. MARVIN YOUNG

### Rosie Lee Smith and Marvin Young Exchange Vows

Rosie Lee Smith became the bride of Marvin Young Saturday evening, Aug. 22. The ceremony was held in the First Baptist Church of McLean. The double-ring service was read by Rev. George Young of Fort Worth, brother of the groom. The bride is the daughter of Mr. and Mrs. Jesse E. Smith of Dallas and the bridegroom is the son of Mr. and Mrs. E. T. Young of Bovina. Organist music was played by Bobby Jean Turner.

cousin of the bride. Mrs. Morris Brown was soloist.

The altar was centered with candles and sprays of fern and baskets of white gladioli.

Given in marriage by her father, the bride wore a gown of white lace and net over satin, featuring a sabrine neckline and three-quarter-length sleeves. Her only jewelry was a string of white pearls. The shoulder-length veil fell from a tiara trimmed with tulle, lace and pearls. She carried a bouquet of white carnations with streamers of love knots and white daisies on a white Bible.

The maid of honor, Miss Sue Evans of McLean, wore a pale

green organdy gown over silk taffeta. Her corsage was of white carnations.

Barbara Smith, sister of the bride, and Shirley Bybee, cousin of the bride, were candlelighters. They wore pale green gowns over silk taffeta and white pom corsages.

Max Whittington of Shamrock served as best man. Ushers were Annie Young, brother of the bridegroom, from Bovina, and James Smith, brother of the bride.

Mrs. Smith chose for her daughter's wedding a navy blue silk with white accessories and she wore a corsage of white carnations.

Immediately following the ceremony a reception was held in the church parlor. The serving table was beautifully laid with a white cloth, centered with a bouquet of white mums and daisies. Miss Billie Smith, sister of the bride, poured, and Miss Mildred Young, sister of the groom, served the cake.

Mrs. Young is a McLean High School graduate and attended Wayland Baptist College.

Mr. Young is a graduate of Bovina High School and attended Clarendon College and Wayland College.

Following a short honeymoon trip the couple will make their home in Clarendon.

Out-of-town guests were Rev. and Mrs. George Young of Fort Worth, Mr. and Mrs. Ray Young of Clarendon, Mr. and Mrs. Paul Young of Lubbock, Mr. and Mrs. Henry Young of Fort Worth, Mr. and Mrs. Johnnie Taylor of Lefors, Mr. and Mrs. Alan Crutcher of Lefors, Mr. and Mrs. Willie Johnston of Amarillo, Mr. and Mrs. James Fulton of Pampa, Miss Caludia O'Hara of Bovina, Edna Gayle Halford and LaWanda Leonard of Oklahoma.

### Hill-Christy Engagement Is Announced

Mr. and Mrs. Vernon King announce the engagement of their daughter, Daria Jane Hill, to Richard Dale Christy, son of Mr. and Mrs. Dale Christy of Los Angeles, Calif.

The date for the wedding has not been set.

### Cliff Day Family Holds Reunion

The family of Mr. and Mrs. Cliff Day held a reunion at the Day home in McLean Sunday. All their children were present except one daughter, Mrs. Robert A. Borne of Coleman, who was unable to attend because of illness.

Children and grandchildren present were Mr. and Mrs. Charles Day and John of McKinney, Mr. and Mrs. Ben Day, Laine and Edward of San Saba, Mr. and Mrs. Fred Day, Becky, Don and Lisa, of University Park, N. M., Mr. and Mrs. Bill Day and Karen of Perryton, Mr. and Mrs. D. E. McGahey, Cheryl Lynn and Jimmy Story of Pampa, and Mr. and Mrs. G. E. Peterson and Christopher of McKinney. Other guests were Mr. and Mrs. Ed Day of Amarillo, Mrs. W. R. Stevens of Wichita Falls, Mr. and Mrs. Elam Lewis and Mr. and Mrs. Guy Ramsey of Plainview, Mr. and Mrs. Carl Lewis of Borger, and George Tate of Weatherford.

### Baptist Juniors Have Picnic

Members of the junior department of the Baptist Sunday school enjoyed a picnic Monday evening at the McClellan Creek bridge north of town.

Games were played, after which a wiener and marshmallow roast was held.

Some 21 children and the following adults enjoyed the trip: Jesse Leonard, Mr. and Mrs. Wayne Moore, Mr. and Mrs. James Thacker, Miss Eunice Stratton, and Mesdames F. E. Stewart, Truitt Stewart, A. J. Goodwin and L. F. Giesler.

### Fulton Family Holds Reunion

The annual Fulton family reunion was held August 8 and 9 at the American Legion Hall in McLean.

Over 100 relatives and friends had a very enjoyable time of visiting.

Mr. and Mrs. Joe Ware and children, Mary, Paula and Les, of Austin and Ted Arnold of Beaumont are visiting in the Amos Page home this week. Mrs. Ware and Mrs. Page are sisters.

Mr. and Mrs. Freeman Melton Jr. and children, Stevie and Julie, visited with relatives in Hereford and with the Paul Kennedy family in Hart last week.

Mrs. Bernard McClellan and Mrs. Bob Willoughby were in Oklahoma City for market the first of the week.

Mr. and Mrs. C. B. Peabody visited relatives in Clarendon Sunday.

Mr. and Mrs. Carl Pettit and children of Dumas spent the week end visiting their parents, Mrs. Mamie Pettit and Mr. and Mrs. Tom Cobb.

Mrs. C. A. Myatt took her grandchildren, Audra and Diana Myatt, to Amarillo Sunday afternoon to catch a plane to New York City, where they will join their father, C. A. Myatt Jr., for the return trip to their home in Orleans, France.

Lt. and Mrs. Clyde Mounce and children of Elk City, Okla., visited their mother and grandmother, Mrs. Hal Mounce, last week.

Dale Glass has gone to Fort Sill, Okla., for two weeks training.

Mr. and Mrs. Ricky Mantooth and son of Canyon were week end guests of the Odell Mantooths. April Reeves returned home with them for a week's visit.

Annis Windom of Clarendon spent last week with her aunt, Mrs. Frank Hambricht. Sarah Windom of Clarendon is visiting with her aunt this week.

Mrs. Madge Page and Mrs. Alice Wilson made a business trip to Pampa Monday.

Mr. and Mrs. Amos Page, James and Jill vacationed in Colorado last week.

MRS. BENNIE WOODS

### Adella Vineyard Becomes Bride of Bennie Woods

Rev. Jesse Leonard read the vows in a single-ring ceremony August 22 in the First Baptist Church, which united in marriage Miss Adella Vineyard and Bennie Woods.

The bride is the daughter of Mrs. P. M. Gibson of McLean and G. F. Vineyard of Matador. The bridegroom is the son of Mr. and Mrs. T. T. Griffin of Alameda.

Miss Peggy Sharp, organist, provided appropriate music and accompanied Mrs. Paul Miller as she sang "O Promise Me" and "O Perfect Love."

Miss Elizabeth Boston was maid of honor. She wore a pink cotton dress with a full skirt and an overskirt of organdy.

Frank Worcham served as best man. Ushers were Darrel Gibson and Robert Martindale.

The bride, given in marriage by her step-father, P. M. Gibson, wore a white princess style street-length dress made of embroidered cotton over white taffeta. Her accessories were all white and she wore a pink rose corsage.

A reception was held immediately following the ceremony in the home of the bride's parents, Mr. and Mrs. P. M. Gibson.

Mrs. Charlie Vineyard poured and Mrs. Gibson served the cake.

Patricia Vineyard registered the bride traveled in a black chemise with white accessories. The couple is at home in McLean where he is employed by K. W. Hambricht.

For a short wedding trip to points of interest in Oklahoma, Mr. and Mrs. Carroll Moore and children and Mr. and Mrs. Kenneth Mason and son of Amarillo were Sunday guests in the J. I. Martindale home.

### TELEPHONE TALK

by Clyde Dickerson, Manager

It's just like the other day a friend of mine remarked that August is a pretty hectic month around his house. The kids are getting a little restless for school to start even though they'd never own up to it. And this restlessness doesn't help his wife's attitude, either. I know how restless the small fry can get, and it's hard to solve it on one. But I did have a tip to offer my friend that would perk his wife's morale. Since it's too early for her to buy a new Fall hat, I said, "why order an extension telephone in her favorite color." The happy ending to this story is that he perked up his wife's morale AND brightened their kitchen with a new color telephone. I say the "man of the house" is in for a bad time, and just when he needs a little rest from a hectic day at the office, too. When I saw the cartoon on Charles Cullin's desk the other day I didn't help think what a typical family scene this really is and with his permission to use it in this week's McLean News. The thing part about it to me—a telephone man—is that he doesn't have this opportunity to make the "little lady" happy by telling her she has ordered her a kitchen telephone in color. Don't you just imagine why she is so distressed. All the telephone calls she has received today and little Homer "sing" nearby and dinner on the stove all at the same time. Call by number. It's twice as fast.

### Bible Comment:

#### Bible Should Not Be Treated as Just One Book

There is great value in recognizing that the Bible has great passages, outstanding in interest and in moral and spiritual value, and in the effect that they have had on human life and conduct.

One of the most serious errors in reading the Bible is to treat it as if it were all one book. The conception of the Bible as the source of religious authority, as the voice of God speaking to man, verbally inspired, and uniform in every part, has led to citing of texts with little reference to their context or original reference.

But the worst aspect of this error was that it obscured the plain statement of the Bible itself. For the Christians, the life and words of Jesus have an authority beyond all else.

There are highlights of truth and authority in the Bible, a book of many books, coming out of various circumstances and conditions over a period of hundreds of years of time, that are not found in some other portions of the many books.

This does not mean that other portions of the Bible are lacking in authority and truth. But it does mean that many portions of the Bible are to be read and understood in relation to their own time.

The Bible in its many books is never so great, so interesting, and so rewarding as when we read it in the light of what it is

### WHAT IS YOUR TEXTBOOK?

By Jesse Leonard

Pastor First Baptist Church

School will soon be underway and students will be receiving their books. Some will be math, geography, English and various others. Whether the students study and comprehend the contents will depend upon their teacher, their ability to learn and many other factors. One and the greatest of all books, has been, is, and forever shall be, is the BIBLE. We should make it our number one book. It is a book that will never lose its purpose, power, or promises. It is a book that gives God's message to man. The BIBLE tells of life after death. Many books are considered dead because the printed page is out dated, but the BIBLE lives!

### THE BIBLE LIVES

Generation follows generation—yet it lives.  
Nations rise and fall—yet it lives.  
Kings, presidents come and go—yet it lives.  
Doubted, suspected, criticized—yet it lives.  
Condemned by atheists—yet it lives.  
Scorned by scoffers—yet it lives.  
Exaggerated by fanatics—yet it lives.  
Misconstrued and misstated—yet it lives.  
Ranted and raved about—yet it lives.  
Its inspiration denied—yet it lives.  
Yet it lives—as a lamp to our feet.  
Yet it lives—as a light to our path.  
Yet it lives—as a gift of heaven.  
Yet it lives—as a standard for childhood.  
Yet it lives—as a guide for youth.  
Yet it lives—as water for the thirsty.  
Yet it lives—as rest for the weary.  
Yet it lives—as light for the heathen.  
Yet it lives—as salvation for the sinner.  
Yet it lives—as grace for the Christian.  
To know it is to love it.  
To love it is to accept it.  
To accept it means life eternal.

MATTHEW 24:35—Heaven and earth shall pass away, but my words shall not pass away.

**HOT SPOT ON EARTH**—So young that nobody knows its name, a baby koala nuzzles its mother in a San Francisco zoo. It soon leave its mother's pouch to travel on her back.

## Area Observations

**Brewery Gulch, Ariz.**—This is where the sun shines 365 days a year, and there's moonshine every night. It is also the former stronghold of that knucklehead Cochise, and the present stomping ground of Bill Epler, editor of the Brewery Gulch Gazette. He, wife Betty and Nancy, their teenage temptress, stopped hunting type lice long enough to show us the sights, of which there are a few. Of interest to the Booze Brigade, Ralls chapter, is the fact that no man has ever been lost in the hills around Bisbee or left to die of exposure. When one gets to falling down, he automatically rolls down a hill and right into somebody's parlor, where he receives first aid. The whole area is honeycombed with copper mines, and I saw one mountain so hollow it has caved in like a bride's first cake. The town of Bisbee is dominated by the Phelps-Dodge Corporation, and it appears to be a "do-gooding" outfit. Its company store looks more like Hemphill-Wells of Lubbock than it does the storied spot where miners get their souls varnished. Not long ago the union goons moved in and organized the workers. But under the new setup they lost so many benefits that many formerly gave them that they're pretty mad about the whole thing. The Eplers are rock collectors, and have on display at the office a 19-pound chunk of jade found in Wyoming, valued at \$900. What a setting for a ring! I enjoy the sign in front of the Gazette: "Editor Usually In."—RALLS BANNER.

**COUNTY LEADER:** Some so-called bright boys kept on pulling a gag on the community half-wit by placing a nickel in one hand and a dime in his other and telling him that he could have his pick of the coins just by feeling of them. Time after time he kept taking the nickel until they finally demanded his reason. "Wal," he replied, "I figured that if I took the dime you would quit pulling the gag on me."

Billy had been racing from room to room, screaming at the top of his lungs. When his father could stand no more, he suggested that the boy go out and play with the ball he'd found the day before.

"I can't," Billy replied in all innocence. "I might run into the boy I found it from."

"That boy is going to be a sure business success, is my prediction."—A. M. JACKSON, SLATON SLATONITE

When he spoke to Olney Rotary and Lions Club members last week, Cal Farley, founder and operator of Boys Ranch near Amarillo, mentioned that he was in Pennsylvania recently to make a speech. While there, he was accosted by a Pennsylvanian who reckoned as how he had discovered a way to tell when a Texan is abusing the truth. "Watch his lips closely," the Yankee said. "If they move, he's lying." Not to be outdone, Farley countered by telling the Pennsylvanian about the time a Texan visited Niagara Falls. As the

Texan stood there viewing the gigantic rush of water over the cliff, a native New Yorker walked up and said, "What do you think about it, Tex? Don't suppose you have anything in Texas that will compare with these magnificent falls."

"No," drawled the Texan, "don't guess we have, but I know a plumber back in Dallas who could stop this big leak in 30 minutes."—THE OLNEY ENTERPRISE

And then there is the man who went to see his psychiatrist about his inferiority complex. The psychiatrist told him, "You don't have an inferiority complex. You really are inferior."—MRS. CARROLL KOCH in QUANAH TRIBUNE-CHIEF

Hal Howerton was telling Kyle Turnage about his new dog.

"What kind of a dog is it?" asked Kyle.

"Well, he's a mixed-up kind," replied Hal. "Sort of a cocker-scandal."

Some women dress to please their husbands. Others say, "Hang the expense."

Jack Bivens reports receiving a call from an excited motorist having car trouble down near Lark. The Yonkers Italian, talking on the phone, said: "I want you to come and feex my automobile—she no go."

Jack asked, "What seems to be the trouble?"

The motorist replied: "I dunno, but the battery, she not bat. De spark plugs, dey no spark. De

generator, she no gin. De pistonhis skin is darker and that's why dey no work neither."—MAX WADE in GROOM NEWS.

### The Way Out

In the city of Houston lives a Mexican-American I would gladly help in any way I could and there are hundreds of others who would do the same. Finding that a great many Mexican-Americans fail in school at a very early age he did not scream discrimination or plead for "bayonets to their throats," or demand that I tear down my house because he did not have one better. Instead he went to the heart of the problem and may now be well on the way of solving it. His name is Felix Tijerina and he came up the hard way, asking favors of an one, but taking advantage of every opportunity that came his way.

Speaking of the school problems of Mexican-Americans, Tijerina blames his own people, who refuse to speak English at home. "When a Latin American boy gets to the third grade, after failing the first and second a couple of times, he finds that he's eleven and the other kids are eight. He rationalizes by saying

he's being failed. He doesn't blame Daddy and Mother. He doesn't ask why they didn't teach him English. He quits school and blames you, because your skin is lighter."

In 1957, using his own money, Tijerina started two tuition-free "Little Schools of 400." I. e. to teach 400 words of basic English to 42 five-year-olds. After 3½ months these students entered the first grad of the regular public schools and all are passing with flying colors. This year the State of Texas set aside \$1,300,000 for Tijerina-type schools for pre-school Latin Americans. He did not ask for the appropriations, but the very fact that he had found a partial solution to a very basic problem brought on the decision of the state to help.

Good will of this nature will solve many racial differences but it must start with "self-help" first. The "opportunity" is always "there" in America but it is much easier to ask for a "hand-out" instead of working for self-improvement.—CECIL WAGGONER in CLAUDE NEWS.

# U.S. OIL

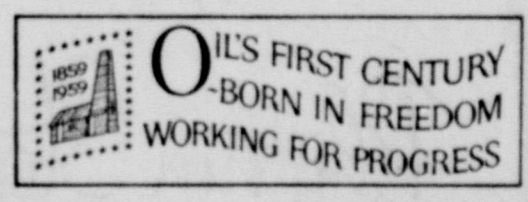

*Indispensable in our way of life... vital to our national defense*

In the 100 years since the drilling of the first oil well in the United States, the usefulness of petroleum has been often demonstrated in many ways . . . It is an economical and efficient source of energy and a raw resource convertible through petrochemistry into innumerable useful materials. . . It is indispensable in our way of life, and vital to the national defense.

It is comforting to know that today's reserves are ample for today's needs. And if incentives to undergo the heavy risks involved are continued, there is no doubt that more oil will be discovered and produced to replace the oil we use . . .

The United States has found, produced, refined, and used more oil than any other nation. This has made petroleum products a feature of the abundant American life. Americans use more petroleum products than any other people on the globe.

The past is prologue to the future. During its second century, oil can serve you and your grandchildren, and the nation, as well or better than ever before.

The Humble Company, incorporated in 1917, has participated in the development of new and better ways to find and produce oil, and in the research that has improved petroleum products and discovered countless new uses for oil and natural gas. Humble is a major producer of U. S. oil, with production extending all across the southern tier of states from

Florida to California. Marketing operations are carried on in Texas, New Mexico and Arizona. Humble's Baytown refinery, near Houston, is one of the great refineries of the world. (Humble Pipe Line Company, a major transporter of crude oil and finished products, operates more than 9000 miles of pipe lines in Texas.)

## Veteran Information

Three "money" reminders to the half-million veterans planning to train this fall under the Korean GI bill were issued last week by the Veterans Administration.

First, veteran-students were reminded to take along enough money of their own to tide them over their first two months of GI training. It takes that long, under the law, for a veteran's first monthly GI allowance check to reach him.

VA's second reminder has to do with monthly certification of class room attendance. These should be signed by the veteran and a representative of his school, and sent to VA promptly after each month of training completed. Late certifications invariably mean late checks, VA said.

The third VA reminder is for veteran-students who want to get part-time jobs after school. There is no limit on the amount of money GI students may earn outside of class. In fact, they need not even report outside earnings to VA.

The only "ceiling" applies to veterans training on-the-job. In their case, if earnings rise above a certain level, GI allowances will be reduced, VA said.

Gayle Mullanax of Lubbock spent Sunday with his parents, Mr. and Mrs. Morris Mullanax.

As a young lawyer in Georgia, the late Senator Walter F. George gained a reputation as a tireless worker. Once, after a victory in court, he was congratulated by his opponent. "I admired your skill today," the man said. "But even more I admired your stamina. Tell me, how do you manage to keep standing in court all day long without once sitting down?"

"It's very simple," explained George. "I ride a mule to the courthouse every morning."

Remember that we do wheel balancing.

ODELL MANTOOTH

During the Civil War, the Federal Navy paid a Frenchman \$10,000 to build a submarine to sink the Confederate iron-clad Merrimac. But when a naval officer arrived to take command of the finished vessel, the inventor had disappeared (with his \$10,000). As no one could figure out how to work the gadget, it never was of any use to the navy.

## Toy Horse

(Continued from page 1) comes up with a better deal—which seems unlikely—that high horse will probably prove too tall for local people to mount.

Legon Burris and Pete Rice visited the past week in the home of Mr. Burris' parents, Mr. and Mrs. Dan Burris of Luling, and also his sister at Fafurrias.

Mrs. Ernest Foshee and children of Lefors spent last week in the Leon Crockett home.

Mr. and Mrs. Gene McGuire and Nancy of Roswell, N. M., spent the week end with her parents, Rev. and Mrs. H. A. Longino.

USS Toledo (CA 133) was the first U. S. cruiser named for an Ohio city.

Only two U. S. Presidents, Taylor and Roosevelt, died while congress was in session.

## CARD OF THANKS

We sincerely appreciate each kindness shown during our recent sorrow. Your thoughtfulness and friendship means so much to us.

Mrs. J. E. Pettit  
Mr. and Mrs. C. B. Peabody  
Mr. and Mrs. Wheeler Carter

Mrs. Twi Longino and boys left Sunday for their home in Dallas after a visit with relatives here.

Mr. and Mrs. Joe Bob Barnhill of Amarillo visited in the Raymond Glass home Sunday. Their daughter, Leslie, returned home with them following a week's visit here.

Mr. and Mrs. Neville Back and grandson, Randy Richards, were in Pawhuska, Okla., for a horse show. Their mare, Poco Sheba, placed first in her class.

Mr. and Mrs. Gene Herron accompanied by Mr. and Mrs. Charles McCollom of Hobart, Okla., were in Colorado fishing during the week end.

Miss Opal Reeves of Amarillo visited her brothers, Boyd and Frank Reeves, last week.

Mrs. Mittie Ater of Meadow and Mrs. Andy Adeock, Sue and Virgie Cobb of Tahoka spent Sunday with their aunt, Mrs. W. M. Tibbets.

The last picture series of children is Kalle Ann Dyer, daughter of Mr. and Mrs. Joe Dyer.
