NUMBER 41

Michael Dwyer Buried In McLean

Funeral services for Michael Hans Dwyer, 71, of Oakland, Calif., were held at 3 p.m. Tuesday at the First United Methodist Church in McLean, with Rev. James Merrill, pastor, officiating. Burial was in Hillcrest Cemetery by Lamb Funeral Home.

Mr. Dwyer, who died Sunday at Providence Hospital in Oakland, was a native of Greeley, Neb. He grew up in McLean and graduated from McLean High School. He married Margaret Steen in 1944 in Long Beach, Calif. He was a retired civil service employee and was a member of the Presbyterian Church.

His survivors include his wife of Salt Lake City; one step-daughter, Sonie Ann Steel of Salt Lake City; one grandson; and one brother, Arthur of McLean. Walter Kelly, a former resident and one-time owner of the Dixie Motel, passed away in Riverside, Calif. on Oct. 9 at the age of 71.

He is survived by one son, W. G. Kelly; two daughters, Mrs. Marie Shively and Mrs. John Amis of Riverside; and nine grandchildren.

Refers Man Is Aircraft Member

Navy Airman Apprentice Jerry G. Withers, son of Mr. and Mrs. Henry Withers Jr. of Refers, was a crew member of the aircraft carrier USS Oriskany, which was decommissioned on Sept. 30th.

The Oriskany was the last fully operational Essex-class aircraft carrier. She was towed to Bremerton, Wash., for storage with other inactivated "mothballed" Navy ships. Named in honor of the Revolutionary War battle fought near Oriskany, N. Y., she was commissioned on Sept. 25, 1950 and saw combat action in both Korea and Southeast Asia.

During 15 deployments in the Western Pacific, 100,000 aircraft landings were made on her deck. A former student of Refers High School, he joined the Navy in Aug. 1975.

School-age children getting breakfast make decisions, become less tired and work and play longer than children who eat breakfast. Breakfast should supply one-fourth of the day's intake of calories and nutrients.

Coronado Center Is Expanding

Construction has commenced on expansion and updating of Coronado Center in Pampa. First construction phase includes a 36,175 square foot facility, scheduled to open in the spring of 1977. The contract for the construction of this facility was awarded to Hogan-Schuneman Construction Company, of Pampa.

Bill Adams, Manager of Coronado Center, stated an additional 21,000 square foot expansion is scheduled to complete the North Mall area. Adams said the mall and parking lot areas will be updated and modernized during the construction period and estimated the total value of new construction and updating of the center at about \$900,000.

First stores in Coronado Center opened in 1963 and have grown to twenty five merchants.

Tests Scheduled At A.C. Nov. 17

Students may receive college credit through successful completion of college level tests to be given at 1 p.m. Nov. 17 at Amarillo College.

Applications and checks for the College Level Examination Program (CLEP) must be made by Nov. 16, said Fred Dodson, director of AC testing and counseling. Forms may be obtained from Dodson.

Anyone may register for the tests, he said. Credit may not be acquired for any course in which the student has previously enrolled for credit or noncredit, he added.

Examination by credit classes administered by AC are American government, American history, college algebra, computer/data processing, computer programming (Fortran IV), English composition, general chemistry, geology, calculus with analytical geometry, trigonometry, general psychology, business law, statistics, introductory economics, business management, accounting, introductory sociology, Spanish, French and German.

Students enrolled for the tests will meet in Room 107 of Ordway Hall on the Washington Street campus. AC counselor Dick McCray will administer the exam.

AC students must complete 15 hours in-residence at the college before exam credit will

Resident's Sister Buried At Pampa

Funeral services for Mrs. Jean Dekle, 59, of Amarillo, were held at 2 p.m. Tuesday at North Amarillo Christian Church with Rev. Frank S. Pickett, officiating, assisted by Rev. Jack Sutton. Burial was in Fairview Cemetery in Pampa by a Pampa Funeral Home.

Mrs. Dekle, who died Sunday, was born in Vernon and moved to Pampa in 1932. She married Jack Dekle in 1939 and they moved to Shamrock in 1945 and Amarillo in 1961. She and her husband operated the Colonial Manor Motel in Amarillo. She was a member of North Amarillo Christian Church and was active in the church youth group for many years.

Survivors include her widower; four brothers, John Snuggs, Robert McDowell, and Donald McDowell, all of Pampa, Ray McDowell of Kansas; four sisters, Mrs. Floyd Cockrell of Pampa, Mrs. Claude Blackshear of Tulsa, Okla., Mrs. George Boos of Downey, Calif., and Mrs. Thomas Bailey of McLean.

Gov. Briscoe Signs Grant For 31st District

Gov. Dolph Briscoe has signed a criminal justice grant for \$47,407 for the 31st Judicial District.

The grant provides for probation services in Gray, Hemphill, Lipscomb, Roberts and Wheeler counties.

Also approved was a criminal justice planning grant for the Panhandle Regional Planning Commission for \$44,311 for the 25-county region.

The local grants were among 101 approved statewide by Gov. Briscoe from Law Enforcement Assistance Administration (LEAA) funds under the Crime Control Act of 1973.

Mr. Evan Sitter is a patient in St. Anthony's Hospital in Amarillo this week.

Among the American presidents not elected by majority of popular votes was Abraham Lincoln!

be entered on their transcript, commented Dodson.

B. B. Scrimmage Set For Tuesday

Coach Gray, head coach of the Tigerette basketball team, has been working hard to get the team in shape. McLean, Miami, Groom and Wheeler will be the toughest teams in the class B district.

The Tigerettes' season begins November 19 with the JV game at 5:00 and Varsity game at 6:30 at Silverton.

There will be a tri-angle scrimmage Tuesday at 4:30 p.m. in the McLean gym. The scrimmage will be between fritch, Wheeler and McLean varsity and Jr. varsity girls.

The guards, Lela Skipper, Cynthia Morris, and Gina Layne are doing a great job. Forwards Cindy Sherrod, Rose Dwyer, Melinda Hunt and Cathy Estes have a lot of good experience from last year. The Tigerettes had a .500 season last year with a 14-14 record for the season and 9-5 in district.

The varsity team consists of Cindy Sherrod, sr.; Cathy Estes, sr.; Lela Skipper, sr.; Rose Dwyer, sr.; Cynthia Morris, sr.; Melinda Hunt, jr.; Gina Layne, jr.; Jeree Boyd, jr.; Tonue Hathaway, jr.; Brenda Heasley, jr.; Robbie Turpen, jr.; Jamie Glass, soph.; and Jeanette Brown, soph.

The junior varsity team consists of Diane McAnear, soph.; Robin Smith, soph.; Becky Bowen, soph.; Kelly Moore, soph.; Rachel Glenn, soph.; Sherry Swanner, soph.; Jo Ann Morris, soph.; Joy Rhine, fr.; Sally Haynes, fr.; Judy and Jill Trew, fr.; Rita Jefferson, fr.; Ann Skipper, fr.; Tammy McLain, fr.; Elaine Bentley, fr.; Letha Estes, fr.; and Beth Smitherman, fr.

4-H Farm Auction Saturday In Pampa

The Gray 4-H Farm Machinery Auction Sale will be held Saturday, Nov. 13 starting at 11 a.m. at the Recreation Park on the east side of Pampa. All types of good equipment and other items will be on hand for the sale. The proceeds will go to the Gray County 4-H Council to help finance 4-H activities for the coming year. If you desire to consign equipment listed before sale time. Lunch will be provided by 4-H families.

Baptist Revival To Begin Sunday

Revival services begin Sunday night, Nov. 14 at the First Baptist Church in McLean and will continue through Sunday morning, Nov. 21. The evangelist will be the Rev. Ron Ledbetter, pastor of First Baptist Church, White Deer. Rev. Ledbetter has the reputation of being an outstanding pastor-evangelist.

The music will be under the direction of the church music director, Mr. John Kirby.

Services will be conducted nightly at 7 p.m. and Tuesday through Friday there will be a meeting at 12:00 noon. Lunch will be served and everyone will be out by 1 p.m. Beginning Monday morning at 7:45 there will be a breakfast and a brief service for the youth. You will be dismissed in time for you to be at school by 8:30 a.m.

Buell Wells, pastor, joins with the membership in extending a cordial invitation to their friends and neighbors to attend this revival. Nursery will be open for all the evening services and the Sunday morning services.

Co. SWCD Board Has Meeting

The Gray County Soil & Water Conservation District Board met at 2 p.m. October 20, at the Gray County courthouse annex for their regular meeting.

The board approved a conservation plan on Earl Smith. They discussed McClellan Creek Watershed easements on Sites 2, 6, and 7. Easements on the Red Deer Creek Watershed were also discussed.

The Fort Worth Chamber of Commerce does not sponsor the conservation awards program now. The Board will consider at the next meeting starting a county conservation awards program.

Cindy Sherrod Is Named Football Queen Friday

The McLean Tigers were upset last Friday night by the Higgins Coyotes with the score of 7-0. It was homecoming for the Tigers as they could not move the ball the whole game on the quick Coyotes defense. The Tigers again were plagued by fumbles in the second half. The first half ended in a 0-0 score. In the second half the Tigers had to put up two goaline stands because of fumbles deep in their territory. They held the Coyotes on the first fumble, but the Tigers couldn't hold them the second time. The Coyotes scored in the final quarter to make it 7-0. The Tigers final game of the season will be this Friday as the Tigers travel to Follet to take on the Panthers.

In the pre-game ceremonies the crowning of the 1976 Homecoming Queen took place. Cindy Sherrod, the 17 year old daughter of Mr. and Mrs. Bob Sherrod was crowned queen. She was escorted by Scott Raines, Junior co-captain. Rose Dwyer, the 17 year old daughter of Mrs. Mary Dwyer, came in second and was escorted by Curtis Simpson junior co-captain. Lela Skipper, the 17 year old daughter of Mr. and Mrs. Joe Skipper, came in third. She was escorted by Junior co-captain Sam Haynes.

Former Resident Buried In McLean

Funeral services for Mrs. Ada Lee Dougherty, 71, of Pampa, were held at 2 p.m. Thursday (today) at Carmichael Whatley Colonial Chapel in Pampa with Rev. M. B. Smith, pastor of Highland Baptist Church, officiating. Burial will be in Hillcrest Cemetery of McLean.

Mrs. Dougherty was a native of Cook County and moved to Pampa 15 years ago. She also had lived in McLean. She was a member of the Baptist Church of Briscoe.

Survivors include the widower, Sam W.; four sons, Gene E., and S. W., both of Pampa, Alvie Dean with the U. S. Navy in California and Jimmie Don of Amarillo; one daughter, Mrs. Sammie Lee Atherton of Wheeler; 12 grandchildren and four great grandchildren.

Local Man Attends McAllen Meeting

District directors from Texas' 196 soil and water conservation districts elected Kenneth Kuykendall of Cherokee, president and Charles Wood of Lubbock, vice president of the Association of Texas Soil and Water Conservation Districts at the thirty-sixth annual state meeting of district directors held recently in McAllen. Approximately 800 persons attended the meeting.

Other directors of the state association are David Tong, Atlanta; Gene Gilbreath, Dublin; and Bill Goldsberry, Edinburg. Dee Brune, immediate past president, also serves on the Board as an ex-officio member.

The purpose of the Association of Texas Soil and Water Conservation Districts is to conduct charitable and religious work concerning the conservation, maintenance, improvement, development and use of soil, water and renewable natural resources. Headquarters for the state association are located in Temple.

District directors of the Gray County Soil and Water Conservation District who attended the state meeting are Milton Carpenter, McLean and Curtis Schaffer, Pampa.

Also attending the meeting was Perry Gruhkey, District Conservationist.

ESTATE PLANNING SEMINAR SET---An Estate Planning Seminar at Texas A&M University Dec. 9-10 will key in on the recently passed tax legislation as it affects estate planning for farm and ranch families. The seminar will deal with such areas as preparing estate tax returns, community property, farm ownership, transfers of property, estate liquidity problems, and estate administration. In-depth workshops will deal with legal matters, trust aspects, tax considerations, Internal Revenue Service procedures, and insurance.

storage facilities and the ability to handle the material in bulk.

CONSUMER WATCHWORDS: Get out the food ads and make up the grocery shopping list. This makes it easier to find feature prices on the kinds and cuts of meat the family prefers.

CATHRYN KUHN AND WALTER BAILEY

Cathryn Kuhn Announces Nov. Wedding Plans

of McLean.

The bride-elect is a graduate nurse, presently employed at St. Anthony's Hospital in Amarillo. The prospective bridegroom is presently a Gray County employee.

The wedding will take place November 27, in the home of the bride-elect's parents in Amarillo. They will make their home in McLean.

Captain and Mrs. John L. Kuhn of Amarillo announce the engagement and approaching marriage of their daughter, Cathryn Elane to Walter Ray Bailey, son of Mr. and Mrs. Lester Bailey

rains in California. This is a good time to experiment with other salad greens, such as escarole, endive, spinach and Romaine--all great in salads and much less expensive than lettuce for the time being.

Look for moderate priced celery, cucumbers, rutabagas, hard-shell squash and green peppers.

Sweet potatoes are among the most economical buys--particularly the extra-large ones, often several cents lower than ordinary-size sweet potatoes. Other economical buys are potatoes, cabbage, carrots, dry yellow onions, mustard, collards and turnip greens.

CONSUMER WATCHWORDS: Coffee is being specialized low.

Under four cents per cup is the cost-for coffee brewed at home, allowing 50 cups per pound--even with the recent increase in coffee prices caused by a killing frost in Brazil.

Market Report

Pork prices are at Texas grocery stores currently--with featured prices generally on Boston butt roasts, shoulder steaks, liver, roll sausage and frankfurters.

Increased pork supplies are causing the downward price trend, according to Mrs. Gwendolyn Clyatt, consumer marketing information specialist with the Texas Agricultural Service, The Texas A&M University System.

Retail pork prices are nearly five cents less than in July--and nearly 25 cents lower than the record-high price in October, 1975.

At beef counters, best values include chuck roasts and steaks, round and rib steaks, boneless roasts, ground beef and liver, the specialist added.

Egg prices have increased slightly--with large and medium sizes being equally good values.

At dairy counters, consumers can expect to find economical half-and-half, yogurt and various cheeses being promoted currently.

Along grocery aisles, other specials are appearing on canned vegetables, pears, peanut butter and instant potatoes.

In frozen food sections, orange juice tops the "specials" list, and feature prices.

At produce counters, fresh fruit at the most economical prices includes apples, oranges, Tokay grapes, pears, and cranberries.

Mrs. Clyatt termed apple quality excellent and said consumers can expect more grapefruit, oranges, tangelos and tangerines at moderate prices, as we move further into the citrus season.

At fresh vegetable sections, lettuce is still scarce--and high in price, due to heavy

equal in quality and strength to the kraft stock used for grocery bags. However, it is preferable that paper wrappers be omitted if the box itself constitutes an adequate shipping container.

All packages should be closed and reinforced with tape plus durably and clearly marked.

Proper packaging is particularly important for books and records. Because of their weight, books should be cushioned so they cannot shift within the box. It is not desirable to ship more than 25 lbs. of books in one package.

The thin, long-playing records should be placed in a carton which is at least one-half of an inch thick.

All packages that contain delicate articles should be adequately cushioned and marked **FRAGILE**.

Each package should contain the name and address of the person to whom it is being mailed inside the package as well as outside. An address contained inside is assurance that it will be received promptly even if the outside address should become lost or obliterated.

Be sure to put your return address on the package.

And, finally, address the package correctly and legibly, so that it can be read at two feet. Be sure to include the ZIP Code. Mail with the proper ZIP Code is processed more rapidly.

Be sure to put only one mailing address on the outside of the parcel. Do not address on more than one side.

Tips On Preparing Packages for Mail

Postmaster Frank Simpson offers the following tips on how to prepare Christmas parcels for mailing:

A single item in a package should be cushioned with shredded paper, excelsior, compressed tissue paper, or expanded polystyrene foam.

If two or more items are mailed in the same carton or box, cushioning material should protect all items from contact with each other, and each item should have its own individual inner carton.

Fiberboard containers, including large soap, cereal boxes, etc., larger than the gift being mailed should be cut down to about the size of the gift to minimize shaking and breaking in transit.

However, breakable items should have at least one inch clearance between the sides of the boxes and the item to provide adequate room for cushioning.

Fiberboard should have "round test" strength of at least 175. This is usually shown in the box maker's certificate on the bottom of the box. Fragile articles must be individually cushioned, and all four sides of the container should be padded with cushioning material.

Tape used to close containers should be reinforced and should cover and firmly secure all flaps.

When paper must be used for the outer wrapping it should be at least

Truth: What Is Truth?

The governor of Judea asked Jesus "What is truth?" (Jn. 10:38). After almost two thousand years man is still searching for the answer. One contends that truth is definite and absolute. Another says it is relative and changing. Still others remain unsure and uncommitted.

"What is truth?" is a precise question that requires a precise answer. There can never be any real satisfaction derived from a mere exchange of "I think" and "I feel" expressions. The honest person is too determined in his quest for truth ever to be duped or swayed by the opinions of men. He wants to know what GOD has to say. He wants to know what the BIBLE actually teaches. It matters not what others may surmise.

Jesus said, "Sanctify them through thy truth: thy word is TRUTH" (Jn. 17:17). "I am the way, THE TRUTH, and the life" (Jn. 14:6). "Everyone that is of THE TRUTH heareth my voice" (Jn. 18:37). Jesus saith the words he spoke will be the standard of judgement in the last day (Jn. 12:48). For this reason one must adhere to the SCRIPTURES and refuse to let private opinions and prejudice take precedence over the written word. GOD HAS SPOKEN! And his WORD is with us today (Heb. 1:1-2; 1 Peter 1:25; Matt. 24:35).

TRUTH never contradicts itself. God's WORD has been settled in heaven, not in councils and synods of men (Psalm 119:89). When church doctrines are changed from decade to decade, and sometimes year to year, intelligent people begin to wonder if they have been deceived and misled. The Bereans searched the SCRIPTURES daily to determine if the things they were hearing were really true (Acts 17:10-11). To investigate is not a sign of rebellion, but a mark of true quest for TRUTH!

Be certain that the things you are hearing and believing are true. Prove (or disapprove) them by the BIBLE. Time is too short and souls are too precious to do otherwise (Matt. 16:26).

FOURTH & CLARENDON
McLEAN, TEXAS

THANKS FROM THE HIGHTOWERS

Colleen and I are deeply grateful for the confidence you demonstrated in the Hightowers at the polls on Nov. 2. We are told that the 95,364 votes are more than any candidate for Congress ever has received in the history of the 13th Congressional District. It is truly a wonderful feeling to have the support of nearly 60 per cent of the voters, and you can be sure that I will spend 100 per cent of my time during the next session of Congress working for all of the residents of the District. It has been an honor to serve as your Congressman during the last two years, and I am looking forward to continuing to represent you. My staff and I always will be at your disposal, and I hope you will not hesitate to let us know when we can be helpful.

Cattlement should consider feeding cottonseed as a winter supplement. Both cattlemen and cotton farmers could benefit by doing business with each other this year.

Whole cottonseed with 23 percent protein and 90 percent total digestible nutrients (TDN), contains 10-15 percent more protein and 30 to 60 percent more digestible energy than the typical 20 percent protein range cubes which may vary in fiber from 10 to 20 percent. This extra energy is particularly helpful in successfully breeding and wintering fall calving cows.

It is more economical to feed cottonseed when you can purchase 10 pounds of whole cottonseed cheaper than you can feed 3.5 pounds of cottonseed meal and 6.5 pounds of milo. Disadvantages to feeding cottonseed include the need for storage facilities to handle the seed in bulk but the seed are easy to store for several years with no apparent loss in feed value and mice do not bother them.

From a nutrient requirement standpoint, a 1,000 pound cow nursing a calf should perform about the same when receiving 2 pounds of cottonseed and 22 pounds of average hay; or 3.75 pounds of a 20 percent protein cube, with fiber 10 percent or less and 20.25 pounds hay. Greater and more nearly equal amounts of the two supplements would be required (5 to 6 pounds) to supply adequate protein where only dead grass or poor hay is available.

Cottonseed can also be used for other cattle such as stockers and yearlings. If you would like additional information, come by the County Extension Office.

An estate planning seminar at Texas A&M University Dec. 9-10 will key in on the recently passed tax legislation as it affects estate planning

for farm and ranch families. In addition, the seminar will deal with such areas as preparing estate tax returns, community property, farm ownership, transfers of property, estate liquidity problems, and estate administration. In-depth workshops will deal with legal matters, trust aspects, tax consideration, Internal Revenue Service procedures, and insurance. Registration blanks and programs are available at the County Extension Office. This seminar is for estate planning professionals and individuals interested in learning more about estate planning.

The Texas Agricultural Extension Service is cooperating with the Internal Revenue Service in offering 23 Tax Practitioner Workshops across the state. The nearest workshop to our area will be held in Plainview on Nov. 30 and Dec. 1. These two-day workshops are specifically designed for tax practitioners who work extensively with farmers and ranchers. Topics to be covered include What's New for '76, Residential Credit, Partnership Returns, Net Operating Loss Carryback, Investment Credit, Soil and Water Conservation, Land Clearing, Depletion on Timber (East Texas). For additional information, please contact the County Extension Office for a brochure explaining more about the program and registration information.

During the last half of November and December, some 75,000 farmers and ranchers will receive either a crop or livestock questionnaire from the Texas Crop and Livestock Reporting Service. Accurate estimates have always been of great importance of producers and are even more important in light of the supply-demand situation facing agriculture today. Data collected in this survey will provide an accurate picture of agriculture for each county and for the state of Texas. Each farmer receiving a questionnaire is urged to fill it out carefully and return it promptly to the Agricultural Statistician in Austin.

Hint #3
How to flake Jell-O

Prepare any flavor JELL-O® Gelatin as directed on package, reducing cold water to ¾ cup. Chill in shallow pan until firm; then break into small flakes with a fork. For more tips send \$1.00 to: The New Joys of Jell-O® Recipe Book, Post Office Box 3168, Kankakee, Illinois 60901.

Jell-O is a registered trademark of General Foods Corporation. ©1976 General Foods Corporation

Six Weeks Tests To Be Given

by Peggy Van Huus
 Tests would be the best title for this week at McLean High School. Monday and Tuesday the students were engaged in taking six weeks tests. Today and tomorrow, a few students will be taking quarter tests. To qualify for quarter tests, a student has to have more than two absences or below a 75 average. Most students who qualify for quarter tests are because of absences. For the students who are exempt from tests is a five-day weekend. They are not required to be at school today or tomorrow and Monday is a Teachers In-Service day.

Jr. H. Basketball Season To Begin

by Teresa Bybee
 Starting basketball season for the McLean Junior High will be 27 boys and 28 girls out. Prospects are high with this many out for basketball. Their first game will be played November 18.

Band Members To Tryout For All Region Band.

After weeks of preparation, some members of the McLean band will tryout for the All Region Band, November 15. The students trying out are Maridale Glass, flutist; Judith Bentley, clarinetist; Sherry Glass; Trudy Stewart, trombonist; Brad Melton, trombonist; and Randy Suggs, drummer. The tryouts are held in Fritch at Fritch Junior High at 4:00 p.m. Students who make the band will play in a concert in uniform on January 29.

Annuals To Be Sold Nov. 18

by Teresa Cheatham
 The Annual Staff will be selling annuals Thursday, November 18 in the high school auditorium at 12:30. The annuals have a set price and anyone desiring to buy one may be at the assembly. Any day after that the annuals will be more expensive.

Homecoming Pep Rally Held

by Teresa Mounce
 Last Friday the McLean High School held their homecoming pep rally. Many McLean graduates were there for the event. The cheerleaders performed a skit on the McLean Tigers and Higgins Coyotes. Junior Tiger Curtis Simpson was the featured speaker. For the school song everyone came out of the stands and joined hands as the band played "That Good Ole Tiger Line."

Donna Benningfield Is Flame Queen

by Teresa Mounce
 Sparks were flying high last Thursday night as the high school students were holding their homecoming bonfire. The highlight of the evening came with the crowning of the Flame Queen. Donna Benningfield, a senior, was chosen to reign as the 1976 queen. After battle cries were held, Mr. Smith presented the senior class with the spirit stick. Featured speakers were head coach Jesse Smelley and sophomore Tiger Steve Ellison.

Shop Early---Mail Mail Early

The 1976 Christmas mails will break all previous records, the Postmaster said. That's why the post office needs your help in getting your Christmas mailings started now. Be sure each Christmas card and package is clearly and accurately addressed with ZIP Code. Include your return address with ZIP Code on every piece of mail, the Postmaster urged.

All Christmas cards and packages to foreign countries, including to the Armed Forces personnel must be mailed by Friday, November 12 to assure delivery by Christmas. Wrap and pack packages securely, address them correctly and mail today. Your cooperation now will save delays later on, the Postmaster said.

Visiting in the E. M. Bailey home over the weekend were Mr. and Mrs. Ben Hill, Valerie and Jennifer of Amarillo, and Jennifer of Amarillo.

Trophy Animals Are Bonus

There are many reasons sportsmen take to the field in pursuit of big game animals and a huge horn or antler adds spice to the hunt. To recognize these trophy white-tailed and mule deer, antelope, and aoudad taken in the Panhandle during the 1976 hunting season, the Amarillo Chamber of Commerce will award an Uncle Henry Pro-hunter knife to the in-

dividual bagging the largest antlered or horned game animal. All state game wars will have the necessary entry forms and will measure and record all game animal entries. Deadlines for aoudad is Dec. 1 and deer Dec. 15, 1976 and the deadline for antelope has expired. The contest for the Panhandle regulatory district. Coin sets will be awarded to second and third place winners. The top trophy hunter receives the knife.

News From ALANREED

Visiting the Hartley
 Davises Sunday was their
 daughter's family, the
 Forest Drents.

Mrs. Virginia Dalton and
 Lena Carter spent the
 weekend in Pampa helping
 with the Grand Opening
 of the Copper Kitchen,
 belonging to the Jerry
 Carters.

Mrs. W. H. Davis and Mrs.
 Polly Harrison visited
 relatives at the two
 nursing homes in Pampa
 on Saturday.

Brad Dalton of Pampa
 visited the Wayne
 Leathers and his mother,
 Virginia Dalton over the
 weekend.

Mr. and Mrs. Bill Crisp
 were in Amarillo on
 Monday for a medical
 check-up on Mr. Crisp.

Parents who allow their
 children to make decisions
 at an early age and
 continue to trust them
 as they develop enable
 their children to be
 independent thinkers
 and decisions makers.

Setting a screw in wood can
 be made easier if the threads
 are first coated with soap.

Cotton Harvest Is Underway

With the cotton harvest
 just beginning to get
 under way, grower prices
 were steady, with the
 average bids on the
 predominant qualities
 ranging from 68.50 to
 70.50 cents per pound.
 The markets were active,
 but offerings were light,
 due primarily to the
 slow build-up of the
 harvest. Demand was
 good as most of the
 offerings were of better
 than average quality.

Grade 41 was the
 predominant quality of
 the cotton classed from
 the Memphis, area
 counties, and accounted
 for 36 per cent of the
 classings. Grade 31
 accounted for 21 per
 cent, and grade 32 for
 18 per cent. Staples
 were predominantly 30
 and 31, with Staple 30
 cent of the classings.

Grade 31 accounted for
 21 per cent, and grade
 32 for 18 per cent. Staples
 were predominantly 30
 and 31, with Staple 30
 accounting for 47 per
 cent and Staple 31 for
 30 per cent. Mike
 readings were in the
 desirable range of 3.5
 to 4.9 on '80 per cent
 of the samples, with
 14 per cent in the 5.0
 to 5.2 range and six
 per cent 5.3 and
 above. Pressley
 strength average 90,
 000 pounds per square
 inch, and the season
 average so far was 89,
 000 psi.

About 1,500 samples
 were classes by the
 Altus Classing Office
 from the counties
 served by the Memphis
 classing office. This
 brought the season
 total for that area
 to nearly 3,300

samples. A year ago
 at this date only about
 700 samples had been
 classed from the
 Memphis area counties.

The classing office
 at Memphis opened
 Monday, Nov. 8, with
 Ted Proske as officer
 in charge again this
 year.

Unprepared Skiers Face Uphill Battle

A popular bumper
 sticker reads, "If God
 had meant Texans to
 ski, He would have
 given them mountains."
 But neither lack of
 mountains nor any
 other obstacle discourages
 multiple thousands
 from all over Texas
 who hit the slopes
 each year.

Unfortunately thousands
 of people literally "hit"
 the slopes and don't
 get up, the Texas
 Medical Association
 (TMA) says. A 1974
 nationwide study
 estimated there are
 250,000 skiing
 injuries yearly just
 in intermediate and
 advanced skiers,
 an American Medical
 Association journal
 states. The sport has
 grown greatly since
 1974 so 1976 statistics
 should be even
 higher.

Another study shows
 more than 90 per cent
 of all ski injuries are
 caused by poor
 physical condition.
 TMA encourages
 strengthening leg
 muscles several weeks
 before ski season by
 walking or jogging.
 Sports participation
 year round of course
 will make ski season
 easier.

Since the upcoming
 holidays will be many
 peoples' first skiing
 venture this year,
 there will be little
 chance for such
 preparations.
