THE POLL TAX :

From The Odessa American —

For reasons we can only guess, the great majority of Texas voters are determined to preserve the \$1.75 poll tax instead of adopting a 25 cent registration fee.

Perhaps the vote was less involved with the poll tax than the proposed repeal. It might be said last Saturday's election was a show of no confidence in the Labor Liberal-PASO coalition which formed the front line phalanx of the anti-poll tax army.

The "non-partisan" League of Women Voters, in the person of its state president, put on the hair shift and said the League just hadn't tried hard enough this time. The opposite might just as reasonably be assumed.

The stake of PASO and its newfound friends in Labor and the Far Left is obviously political, and nobody blames a dedicated partisan group for sweating over anything that will put soup on its paddle. The League's position was based on its apparent assumption that the quality of state government would be substantially improved by the participation of the group presently not voting either because they don't have \$1.75 or because they don't figure voting is worth it.

Bargain basement voting may be the hope of the world, but nobody has made a case for it. A principal much in favor of the Founding Fathers was that financial responsibility should be a prerequisite for participating in government, but that was a long time ago and then cats never was a very swingin' bunch anyway.

Among the loers was Gov. John Connally who endorsed the poll tax repealer with such obviously faint heart he should better have said "no comment" or "what's the diff?"

Instead, the governor did what every middle-of-the-roader has to do when all good men must stand and fight or turn and run. He sort of ran sideways, thus earning the disrespect of the liberals and the despair of the conservatives. Neither side believed him.

The conservatives — chief among them some Republicans only now beginning to show signs of political puberty — were another dismal bunch. Apparently they felt, many of them, that it was politically expedient to endorse repeal of the poll tax, but you get the feeling they didn't vote for it.

Their motives, other than an incorrect assessment of the political value of the repealer, are obscure. So be it.

We do not mourn the missed opportunity of profiting from the wisdom of the two-bit voter, who remains voteless. The buck-seventy-five crowd hasn't done much to preserve individual liberty and there's no reason to think the Twenty-Five-Cent Solomons would improve our condition so you could notice it.

Even ex-President Hoover set a bad example. When he was president, he gave all his salary back to the government. Now they've got us all doing it. — S. E. Mekeel, Ovid (N.Y.) Gazette and Independent.

Dear Editor —

Dear Mr. White: We have been receiving copies of The Stockman for three weeks (looking forward to receiving the issue of this past Thursday). They have been enjoyed and also have served to acquaint us with your interesting town.

This past May, we passed through Ozona — on our way to Alabama. The quick look was so interesting we were prompted to write and inquire about some facts. Your able C of C secretary, Miss Allen, so promptly sent us fact sheets, etc. The Oct. 14 issue of The Stockman carried a most amusing, clever letter from the "Ozonan Away From Home," Bryan E. McDonald. I disagree about no need for a C of C. True, one could be used at Sonora etc., but yours is feature which impresses the stranger. They seem to be representative people.

All this is to say we are retiring first of June, '64 and are looking for a place for retirement. We do have country property in Alabama and Mississippi but will be stopping in Ozona the first week of June to spend a while "getting the feel" of the town which we are learning about through the Stockman and letters.

So, enclosed is check for half year subscription to The Ozona Stockman. Mr. Schuster has been a newspaperman for 37 years — the Herald and Examiner.

Thanks for being patient in deciphering my script and for your attention to our request.

Sincerely,
Mary Parker Schuster

Third Canyon Producer Fined On Couch Land Shell Tests on Baggett

The initial two-well Canyon sand portion of the Ozona, Southwest multipay field of Crockett County gained its third producer with completion of Shell Oil Co. No. 1-21 Couch, 1 1/2 miles northeast of the discovery and 1 1/2 miles northwest of an extension to the Ozona, Southwest (Canyon sand gas-condensate) field of Crockett County, eight miles southwest of Ozona, was finished for a calculated, absolute open flow of 2.8 million cubic feet of gas per day, with gas-liquid ratio of 77,000-1. Gravity of the liquid was 56.2 degrees.

Production was through perforations between 6,284-860 feet, which had been acidized with 3,000 gallons and fractured with 50,000 gallons.

Total depth is 7,155 feet, where 4 1/2-inch casing was set.

Location is 1,980 feet from the south and east lines of 21-QR-HEA-WT.

Shell Oil Co. was running 4 1/2-inch casing to an unreported depth at the No. 1-20 W. R. Baggett, 1/4-mile west offset to Gulf Oil Corp. No. 1 Hazel Hagelstein, recent Canyon sand oil discovery, two miles north of Ozona and 2 3/8 miles northeast of the Ozona, Northwest (Canyon sand oil and gas-distillate) field and the same distance northwest of a recent long extension to Canyon sand gas-distillate production in the Ozona, East multipay oil and gas field.

Total depth is 6,850 feet. No tests were reported.

The discovery (formerly G. R. Carter and W. C. oMontgomery)

was finished Oct. 28 to pump barrels of 42.5 gravity oil with oil ratio of 1,443-1, through perforations between 6,813-17,704-14 feet.

toward the Left was too great not to be opposed now.

Smith repeated his lifelong party advocacy and suggested a group of remedies: "Now, suggestions, and I make these as a Democrat anxious for the success of my party, and I make them in good faith."

"No. 1: I suggest to the members of my party on Capitol Hill here in Washington that they take their minds off the Tuesday that follows the first Monday in November. Just take their minds off it to the end that you may do the right thing and not the expedient thing."

"Next, I suggest to them that they dig up the 1932 platform from the grave that they buried it in, read it over, and study it, breathe life into it, and follow it in Legislative and executive action, to the end that they make good their promises to the American people when they put forth that platform and the candidate that stood upon it 100 per cent. In short, make good!"

"Next, I would suggest that they stop compromising with the fundamental principles laid down by Jackson and Jefferson and Cleveland."

"Fourth: Stop attempting to alter the form and structure of our government without recourse to the people themselves as provided in their own constitution. This country belongs to the people, and it doesn't belong to any administration."

"Next, I suggest that they read their oath of office to support the constitution of the United States. And I ask them to remember that they took that oath with their hands on the Holy Bible, thereby calling upon God Almighty Himself to witness their solemn promise. It is had enough to disappoint us."

"Sixth: I suggest that from this

moment they resolve to make the constitution the civil bible of the United States, and pay it the same civil respect and reverence that they would religiously pay the Holy Scriptures, and I ask them to read from the Holy Scripture the Parable of the Prodigal Son and to follow His example."

So spoke my kind and type of politician. I wish we had more men today who believed like Al Smith did.

EDITORIAL

By Joel Huff

The youth of America is often bailed as the leaders of tomorrow. The fate of America will rest in our hands in the very near future. What can we do to save our country from the threat of communism?

First, we must think clearly. Military and economic strength alone cannot save us. An idea can only be defeated by another idea.

Next, we must feel deeply. How many of us feel a vibrant surge of emotion when we hear "The Star Spangled Banner" or pledge our allegiance to the flag of the United States. We must have great pride and loyalty for our country if we are to defend it effectively.

Finally, we must act quickly. As high school students, we must realize that we are citizens and leaders today. We have something to contribute to society now. If we are to accept the responsibility of keeping our great nation safe tomorrow, we must prepare ourselves today.

GIRLS VOTE YES FOR TWIRP WEEK

As a result of the vote that was taken last week in OHS, the girls decided to have Twirp Week. Voting was 76 for, and 18 against.

During Twirp Week the girls do the things which are usually done by the boys. Such things being: The girls are to ask the boys for dates, pay the boys' way to

show, pay for the boys' dinner, and any thing else, within reason, that the boy usually does.

Twirp Week will be held from Wednesday, November 27th, until Friday, November 29th. On Friday night, the Student Council will sponsor a dance from 8:30 p. m. until 12:00. There is one simple thing in accordance to the dance—money.

The prices will be \$1.00 per couple, \$.50 for stag. Due to the fact that only High School students are to be participating in the Twirp Week, only High School girls and their dates will be able to attend the dance.

NOTICE

As the students of OHS are in the middle of their second six weeks tests, the teachers are reminded to turn in their grade sheets Monday.

This enables the students to get their report cards Tuesday, and return them by Wednesday for the Thanksgiving Holidays.

TANE PRESENTS ASSEMBLY

Paul Siebenman of San Antonio who is the Texas Alcoholic Narcotics Education Incorporation representative to the schools of Texas, gave the assembly Wednesday. Mr. Siebenman has been a TANE Representative for 15 years.

FFA COMPETES AT ELDERADO

The Ozona F F A Leadership teams are going to Eldorado this afternoon to participate in the Concho District Leadership Contest.

The Juniors Farm Skill team composed of Bill Everett, Jack Applewhite, and Larry Montya will demonstrate how to make a concrete trough.

The FFA Quiz team composed of George Cox, Rex Bland, Don Leach and Randy Upham will take examination about the FFA organization.

The Junior chapter conducting team composed of George Cox, Rex Bland, Don Leach, Randy Upham, Dwight Chilress, and David Cook will demonstrate conducting of a meeting.

The Senior Farm Skill team composed of Keith Mitchell, Steve Taliaferro, and Pon Seahorn will demonstrate winning electrical circuits.

The Radio team composed of Moe Barbee, Jerry Johnson, Cary Pitts will give a radio program on the value of Vocational Agriculture.

The Senior Chapter Conducting team composed of Win Saunders, Ronnie Mason, Gary Boyd, David Lewis, Billy Carson, and Larry Williams will demonstrate the conducting of a meeting.

FFA PRESIDENT VISITS OZONA

The Ozona Future Farmers of America Chapter was honored last Tuesday with the presence of Benny Maye, President of the Texas Association of the Future Farmer of America, from Sulphur Springs, Texas.

He spoke to the Vocational Agriculture II class met most of the agriculture member at a supper in the cafeteria, and listened to the Radio teams during his hour and a half stay.

He complimented the chapter as one of the best that he had seen.

Benny is spending this six weeks in Area II and is visiting the Concho District this week.

TASA MEETING HELD IN SAN ANGELO

The District II TASA, Texas Association of School Administrators, administrative meeting was held in San Angelo last night. Representing Ozona were Mr. Pelto and Mr. Sikes, who is presently serving as chairman of the TASA in this district.

The chairman's duties include supervision of the selection of subjects to be discussed and the securing of special consultants in each subject. He arranges the meeting and presides over it.

The TASA is composed of the superintendents from all over the state. In addition to the superintendents, principals and other school personal are invited to attend these meetings.

These meetings are held by the study group in San Angelo on the third Wednesday night in September, October, and November and in February, March, and April.

The purpose of these meetings is to select and discuss different phases of education. Consultants, who are specialists in their field, are sent to the study group to speak and consult with the adminis-

trators. Some of the subjects discussed in the first three meetings this year are library services, religion in the school, teaching of Communism, and vocational offerings for the high school dropout.

OZONA HOSTS STUDENT TEACHER

Mr. Johnny Olenburg is the student teacher at the Vocational Agriculture Department this semester. He will be here until Christmas.

The Ozona Vo. Ag. Department is one of the few Vo. ag. Department in the state to which Texas Tech. lets their agriculture education students go to do their practice teaching.

The Department is proud of its privilege of being able to have such fine men as Mr. Olenburg.

FORWARD — MARCH

"Did you get your hat?"; "Where's my horn?"; "Come on and wake up."

These were some of the cries heard as the OHS band prepared to leave for San Angelo, Saturday morning, for marching contest.

All of the girls came Saturday morning with curlers in their hair because they got up at 7:15 and the buses were leaving at 7:20. Then there came the boys who weren't too bright-eyed because they had only been home about an hour before it as time to leave again. Some of the members had had slumber parties; and they could barely see to come dragging to the Band Hall at 7:19.

Finally Mr. Green tells everyone to get on the bus. Everyone begins running, pushing, and scrambling for seats. There are a certain few that always end up without a seat. Now the problem of where these people will ride arises. Some are stuffed in corners, crowded on top of others, and some are sitting in the aisle, but everyone is seated and the trip begins!

The bus drivers nearly go crazy because of the loud talking and singing. He is certainly relieved when they reach San Angelo and everyone piles out.

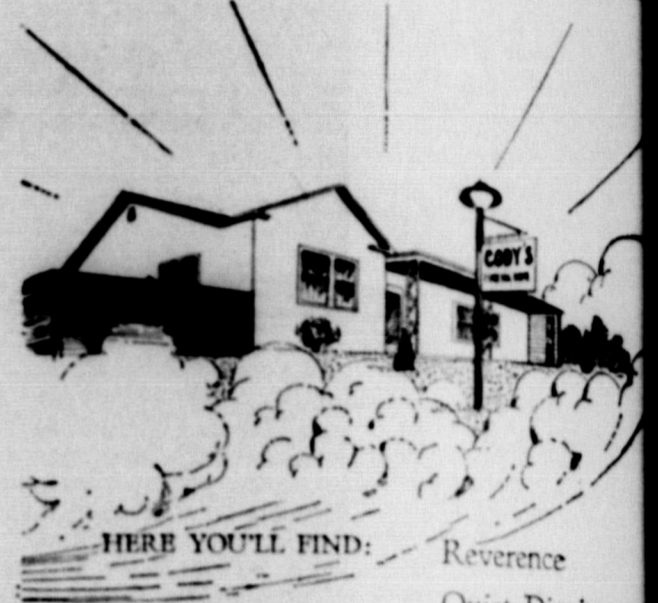

Many go to the Stadium to watch other bands march. Of course some had to stay at the concession stands to eat goodies. Others watch the bands and still others try to find some lonely corner where they might find a few minutes of peace and sleep.

The time comes for everyone to dress, and prepare to march. Everyone is scared but is still willing

to try for the coveted trophy. The bus comes a moment and announces that Ozona is to cross the field and proceed to march. Finally this is over and the stands goes everyone nouncing the ratings.

Ozona is last to be announced and tension builds up in the crowd. Finally — "Ozona - first!" A scream of joy is heard. Green all the girls go and him with kisses.

Which type Chevrolet pickup do you need?

Chevrolet now makes four different types, each with its own distinct advantages. Whichever one you buy will be a lot more truck than your money bought the last time!

FLEETSIDE. Based on sales, the best liked pickup in the world. Outstanding feature is its large body extending clear out over the wheels. Two body sizes. Two wheelbases. Best riding truck, by far, with coil springs all around and independent front suspension. Cab and body have double-wall construction. Chevrolet Fleetside—best for all-around use.

STEPSIDE. Has flat interior body walls and convenient side steps between cab and rear fenders. Comes in same two sizes as the Fleetside plus one bigger size. Big model has heavier frame, 4-speed transmission and leaf-spring rear suspension for maximum payloads. Standard engine is 230-cu.-in. Six. A 292 Six or 283 V8 is available at extra cost.

RAMP-SIDE. Nobody else makes a pickup exactly like this one with a ramp at the side. The ramp makes loading easy because of its 16-inch rise. Truck also has a conventional tailgate. Body and frame-floor assembly are very rigid because they are welded together. Has larger 95-hp air-cooled engine this year. Independent coil spring suspension all around.

EL CAMINO. If you want a pickup as good looking as any car on the road, this is the one! It can work hard, and look like a million dollars doing it—the only pickup in the world with Body by Fisher! You can order an El Camino as plain or as fancy as you wish: bucket seats, air conditioning, 4-speed transmission, power brakes are some of its extra-cost options!

“RAISING” CHILDREN BY THE BOOK

We have a choice in America . . . a choice denied millions who live under godless communism. Here is a man who is exercising that choice!

He believes that children growing up in the free world ought to know the Author of Liberty. He wants his son and daughter to cherish and embrace the spiritual insights God has given man.

This father introduced his children to the Bible when they were very young. Today the Book of the Ages is their friend. Tomorrow it will be their guide through the frightening age to which they have been born.

The American Bible Society — supported by earnest Christian citizens and the churches they attend — enables millions of families around the globe to share our heritage of Truth with this new generation on whose spiritual fibre rests the hope of the world.

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regu-

larly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

COLLEGE BOARD TEST GIVEN DECEMBER 7

The College Board Entrance Examination will be given in Ozona, Saturday, December 7.

The test will be given three hours Saturday morning, and that afternoon, three, one hour achievement test will be taken only by those whose college requires them.

The CBEE test is given six times a year. If persons wishing to take the test can't be in Ozona Dec. 7, they may go to San Angelo to take it at a different date.

Everyone wishing to participate is urged to be in the Ozona High School library promptly at 8:00 Saturday morning.

RANCH MANAGEMENT COURSE OFFERED

A Ranch and Farm Management course is being held November 18 through November 20 at the Vo-

ational Agriculture Department. Mr. Carl Anderson is the instructor.

The group is studying the agricultural outlook, the keeping and using of farm and ranch records, and income tax management.

Specific topics include Agricultural Changes, Price Level Changes, Price Cycles, Price Outlook, Use of Outlook Information, Sources of Outlook Information, Ranch Inventory, Net Worth Statements, Production Records, Income Records, Expense Records, Labor Records, Analysis of Records, Use of Records, Tax Returns, Confirming Returns, Income to be Reported, Deductible Expenses, and Social Security Tax.

Mr. Anderson is a specialist in ranch management from Texas A&M University.

About twenty-six ranchmen and wives are taking the course.

CANDIDATES SELECTED FOR MOST HANDSOME, MOST BEAUTIFUL

Four girls and five boys have been selected as candidates for Most Beautiful and Most Handsome of OHS.

Carmen Childress and Vicki Applewhite both received a majority of votes in the preliminary election. A runoff between Vicki Lynn Montgomery, Lynn Cox, and Lana

Alford was held last week. Lynn Cox and Vicki Lynn Montgomery were chosen.

The preliminary election narrowed the Most Handsome field to seven boys — Bryan Montgomery, Rodney Stewart, David Childress, Joel Huff, Mike Walters, Dude Melton, and Richard Vargas. Of these, the first five boys previously mentioned were chosen.

Photographs of the candidates will be sent to the Annual Staff at the University of Houston, who will choose Most Beautiful, Most Handsome, and runner-ups.

Lions Wind Up --

(Continued from Page One)

The penalty moved the ball back to around the Eagle 15 and from there with fourth down coming, the Eagles committed their first miscue.

Attempting to punt, the center snapped the ball over the kicker's head and even though the Eagles recovered on their own four the ball went over and the Lions scored on the second play when Freshman George Cox swept right end for the score.

Richard Vargas raced around left end for the two points and the Lions regained the lead 16 to 14.

The Lions picked up the deciding score before the clock began again as Doug Moore's kickoff sailed all the way into the Sanderson end zone and the Eagles, apparently confused, did not cover it. Ozona's Humberto Ramos, a freshman, was not confused and raced all the way into the end zone to make the recovery and give the Lions their second touchdown in less than a minute. Upham circled

left end for the two points and the Lions were in command.

The final Lion score came midway of the fourth period when Bill Carson took over as quarterback for the Lions and sparked a 31-yard drive with a 16-yard keeper around right end.

Sanderson responded to a 73 yard Lion drive in the first period for a score with a 63 yard scamper by Robbins and then went ahead with just 20 seconds to go in the second quarter when the Lions pass defense went to sleep and let the Eagles complete one over their heads for 75 yards and a T. D.

The game was one of offensive moves as both teams were able to march pretty well against the other's defense and the two fumbles each lost were as costly as any set of fumbles by both sides as any we have seen in several years. At least three of the game's four fumbles stopped what appeared to be scoring drives.

In first downs the Lions had 13 to the Eagles 11 and in yards rushing net, the Lions had 201 to the Eagles 184. In the air the Lions

completed 3 of 7 for 66 yards while the Eagles hit on 4 of 8 for 91 yards.

In the ball carrying department, the Eagles' John Ed Robbins led the field with 21 tries for 186 yards followed by the Lions' free man halfback Randy Upham, who pick-

ed up 108 yards on 16 tries. Richard Vargas, running at full speed, picked up 59 yards on 13 efforts for next best in the contest.

The game ended the high school football season at Ozona. The Lions' Scott Mahon, Doug Moore, LeRoy Cooper and Bryan Montgomery

GENERAL TELEPHONE TOWNS ON THE MOVE

Memphis wins new Textile Plant

Today, because of aggressive leadership, this Texas Panhandle town boasts an active new textile plant making sheets for national distribution. What is more important, the plant's parent company is the world's largest manufacturer of textiles using all known fibers.

This new industry is the Hall Plant of Postex Cotton Mills, a unit of Burlington Industries, Inc. It is designed to have in excess of 100 employees, mostly women, and is an important

addition to the economy of this 3500 population community. It is another reason we say big things are happening in General Telephone towns.

These towns are on the move. Community improvements are under way, local resources are being developed, new businesses, new industries are coming in. If your town seeks additional information about expansion, perhaps we can help. Just write our Community Development Department, Box 1001, San Angelo, Texas.

THE HOBBY CLUB NEWS

By Mrs. Andy White

Mrs. Sidney Smith was hostess to the Hobby Club members and guests Tuesday Nov. 12. Assisting her were Mrs. Earl Davenport, Mrs. T. H. Eastman and Mrs. Bob Morris. Members began arriving about 10 o'clock. Mrs. Bob Morris and Mrs. Sidney Smith demonstrated the making of Christmas decorations out of white chicken feathers, tin can lids and candy.

A lovely dinner was served at noon. The table was laid with a white linen cloth. The center piece was of baby mums. Mrs. Susie Montgomery gave the blessing. Members brought sandwiches and covered dishes, after dinner work on the Christmas decorations was continued.

A business meeting was called to order by Mrs. Newman Billings, members repeating the club prayer. Plans were made for the annual Christmas party to be held Dec. 13.

Mrs. Ruth Geaslin and Mrs. L. E. Henderson were welcomed into the club as new members. We are glad to have them with us.

Mrs. Jimmy Randall won the first door prize, which was a wreath made of candy. Mrs. Susie Montgomery won the second prize, a wreath made of white chicken feathers. Mrs. N. T. Cook won the third prize, a Christmas tree made of a mesquite branch. Bill Teneyck of Dryden won the man's watch that the club gave away.

A lovely center piece was presented to Mrs. Ernest Jessup, president of the Ranch club of Sanderson.

Continental Gets Dual Oil Producer On Block Of Shannon Est. Lands

A dual discovery was assured in Crockett County with the flowing of oil through perforations opposite the Pennsylvania and Fusselman at Continental Oil Co. No. 1-1 J. M. Shannon, in 1-2-GC&SF, 14.7 miles northeast of Iraan and two miles west of the World, West (Strawn) field.

Fusselman production was assured with the flowing of 44 gravity oil at the hourly rate of 28 barrels through a 19-64-inch choke and perforations at 8,560 to 8,575 feet.

Pennsylvania production was assured with the flowing of 47 gravity oil at the hourly rate of 26 barrels through a 20-64-inch choke and perforations at 8,306 to 8,306 feet.

The project, drilled "tight" except for drilling depths, reached a total depth of 8,622 feet, where
